MOTHERS.

Who would keep their children in good health, should watch for the first symptoms of worms, and remove them with White's Cream Vermifuge. It is the children's best tonic. It gets digestion at work so that their food does them good, and they grow up healthy and strong. 25c at H. H. Pearce's.

Many of our customers responded quite liberally to our recent call for money, but we find it necessary, to, again, remind others that their accounts are past due and we must have the money. No merchant wants customers, who take forever to pay their bills.

BEAUTIFUL COMPLEXIONS.
Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order. An occasional dose of Herbine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. 50c at H. H. Pearce's.

The Spider-web party, at the residence of Prof. Thomas was a swell affair. It was very amusing to see the boys winding strings, but more so when some of them had to get under the bed in order to follow their string, but their happiness was complete when they got to the end of their string to find a pretty girl tied to the end of it. Altogether, it was the banner entertainment of the season and much praise is due the genial hostess for her part. The following were present: Misses Lena Spitt, Ina Vestal, Elsie Otinger, Etie and Lydia Roe, Sallie Lojace, Jessie Evans and Emily Thomas. Messrs W. J. McFarland, Addie Barham, Robert Hall, Robert Walker, J. S. Gardner and Tom Smith.

RUSTLER SUPPLEMENT.

CHADBOURNE.

Editor Rustler:

Since my last we have had two dwelling houses put up in our town. We are on the road to prosperity. It seems we have a town but have no name for it. Some may think the name is Chadbourne, but it is more than a mile from the Post Office, but when the rail road comes we will move this town to the R R and give it a big name.

Our people had a grand time last Thursday night, the ladies got up a box supper to raise money to cell the school house; and to say that it was a success would be putting it mildly.

Our school will begin the second Monday in November. Mr. Daveport and wife will be our teachers.

Our people are pretty well through picking cotton.

I notice that the Bronte Herald is coming to Chadbourne—our county is coming to the front with two news papers, and I guess more than a dozen candidates (Yes! more than 3 dozen Ed) Rab for Coke.

I enjoyed reading Bro. Townsend's letter, but it does seem that it had a touch of Texas wind in it. I want Bro. Townsend to get that paper and read his article, it does sound big to us Coke county folks; though I do believe all the brother said.

The Methodist Protestant people held their quarterly conference at Rock Springs last Friday and Saturday.

I would like to say for the benefit of our friends who have gone to other clime, that we are and have been having the finest weather that any one ever saw anywhere; it is just simply lovely, cant be beat anywhere. This is a

grand county. (a little Texas wind) Bro. Towesend.

With a lively hope for the prosperity of Coke county, the Rustler and its many readers I close.

UNCLE TOM.

SCHOOL NOTES.

Robert Lee Public High School opened Monday with an enrollment of 114 pupils. Several of these are boarding pupils, drawn here by the good name the school has abroad. Others are writing to the principal, some from other counties, with a view to entering school here later.

Already this school is organized and at work, partly owing to the fact that we have the same faculty we had last term, and also to the help that the private term gave.

A large number of visitors greeted us at the opening exercises. The entire school appreciates this manifestation of interest from its friends, and we hope they may continue to visit us occasionally.

The school was addressed by several of the visitors, including Judge Gid Graham, Rev. Warren Grabam, and Dr. Burnum.

Several pupils recited, including Misses Ollie Finch, Jessie Evans, Lila Roe and Master Wentworth Dowell.

Miss Elsie Ottinger, our music teacher, sang a solo, and the school choir was assisted by Mrs. Lula Beeman, Misses Lena Smith, Sallie Lovelace and Mrs. George Barham. Miss Ottinger at the organ.

Teachers, pupils and patrons are justly proud of the school at Robert Lee, and it is our sincere hope to have a most prosperous school this session. Let all help.

The Rustler seems to be having very little to say lately in regard to the Orient railroad. Possibly it is a little "sore" because Robert Lee is not going to get the road instead of Bronte, but there is a chance of the Santa Fe extending from Ballinger and what Robert Lee should do is to pull for that road.—Bronte Herald.

The Rustler has not lost any sleep over Robert Lee not getting the Orient and we are not half as "sore" over it as the editor of the Herald will be after he builds the road from Sweet Water to Bronte. The Herald man may have a job doing the "wind work." If he has secured that position he has a soft job and we feel sure the Orient could not have made a better selection.

The Herald is giving us some good advice in regard to Robert Lee pulling for the Santa Fe, likely the Herald is expecting to get a contract of building "Air Castles" for that road, if they can have the road extended from Ballinger

Robert Lee certainly would be glad to have the Santa Fe extended, but feel a delicacy in pulling for it, as the Herald would be apt to have the road stopped at Bronte and make that the terminus of the Santa Fe and then Bronte would have a good thing of it. But just let her come, we are in for anything to help our neighbors.
