THIS IS MADE IN VOTING CONTEST

Miss Ollie Scarborough, of Sanco, and Mrs. J. F. Wright, of Tennyson, did not either compete for the special prize. They have both withdrawn from the Contest. We now have only two Contestants in the Contest, from nine to start with, one by one they have withdrawn. We are still entering Contestants, and anyone has a right to become a candidate, who wants to. The Contest closes Jan. 15, and Contestants still have plenty of time to win. The prize is a \$350 Maynard piano, purchased from Geo. Allen at San Angelo, and is well worth hustling for. Read our bonus proposition on another page of today's paper. It will pay you to get in and get up a few clubs, which will count an enormous vote for the one securing them.

Miss Myrtle Scarborough, Fort Chadbourne, Texas. We the undersigned have examined subscription coupons, and find the votes correct as printed above.

The Rain.

Splendid rains have fallen throughout Coke county this week. It began raining early Monday morning, and rained all night Tuesday night. Some hail fell which was small and did not hurt anything.

Good rains have now fallen all over the county, which will help the small grain. About two inches of rain fell in all.

So many people are talking about the Big Volume of Business McDavid Robertson Co. are doing. Busy, busy all the time. It's the difference in the price. We will open your eyes too, if you will only come in, get the Habit, pay cash. Many dollars you can save.

World's Champion Shot.

Capt. A. H. Hardy, one of the world's champion marksmen, will be in Robert Lee, Wednesday afternoon at 2:30 and give a free exhibition of shooting with shotgun, rifle and pistol, using the Peters shells. Capt. Hardy is said to be one of the best shots in the world.

—Robert Lee people, take advantage of the Big Sale on Ladies Coat Suits at McDavid Robertson Co. San Angelo.

S. B. Story and family of Silver, were in the city the past week, visiting Mr. Story's parents, Mr. and Mrs. Sam Story and other relatives.

School Notes.

The members of the Literary Society of the Robert Lee High School, met December 3rd, when a very interesting program was rendered. The report of the committee on the Constitution and By laws proved satisfactory and the name "Excelsior" was given to the Society.

The next meeting will be Dec. 10th, when the following program will be rendered:

Song—School.
Recitation—Ordie Hughes.
Prophecy—Myrtle Danner.
Selected Reading—Myrtle Lane.
Quartet—Winnie Cumbie, Orba Craddock, Milton Overall, Mabel Tubbs.
Recitation—Lola Taylor.
Composition—Eula Stone.
Song—School.
Debate. Affirmative: Orba Craddock, Frank Cowan. Negative: James Burroughs, Walton Lane.
Journal—Mary Parker.
Critic's Report.

—Why are we always busy? So many ask this question—when they see the low prices we make. They no longer wonder. Everybody is anxious to save money. Get the Habit—trade at this Store and see the difference. Prices, in what you have been paying for your goods. Always remember McDavid Robertson Co.

H. T. Warren and family left this week for Snapp, Borden county, which place they will make their future home. They are good people and we commend them to the people of that place.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building- tonic, free from alcohol or any harmful drugs. Try it. Scott & Bowen, Boston, Mass.
