A wedding, ordinarily, is very uneventful other than to the participants, relatives and others that may be involved in a social capacity.

A wedding that occurred last Saturday, however, had more drastic results than just creating another family unit, it caused me to have to go to work. Bascom has been handling the news gathering chores for this paper for the past two or three years, spelling me after a twenty-three year stint here and at other places where we have operated weekly newspapers. I admit it was high time he was getting married but I doubt if I would have agreed to do his work for a week if he hadn't agreed to forego a vacation next summer. If I must work for a week I had rather do it in the fall when the weather is cool.

I promised Viola that I wouldn't use this space to tell about our first grandchild, Michael Lee Burnham, son of Herbert and Mary Burnham of Lubbock. I have had to listen to so many doting grandparents describe their grand kids, I have decided to take the wife's advice and not point out the many fine characteristics that Mike has already displayed. I might mention, however, that he is very nimble. At two weeks of age he can roll over on his stomach and he can hold his head straight up with a little help. He never cries unless he is uncomfortable or hungry. He has a number of other fine characteristics that I have noticed, but a promise is a promise so I won't go into detail (unless maybe I am cross-examined.)

It is like I said in the beginning, I haven't written this column in several years and our readers haven't been kept informed about our family. We have had several dogs that haven't been mentioned, a cat or two made their home in our house causing a considerable reduction in the mouse population, we have had two bumper peach crops where there would have been rose bushes if we hadn't made peaches. Don and Verbie joined the Army and are stationed in Augusta, Georgia. They tell us that there will be another member of the family in November so I guess they will have something to show for their two years in the Army besides a 1951 Steudaker. There have been many other incidents that I thought were rather important at the time but I don't like to suggest subject material for another writer, especially if it is material that doesn't carry the stamp of approval of a journalism teacher, or course, or whatever you call it when you are educated.

In conclusion so far as the family is concerned, our new daughter-in-law's name is Penny Her maiden name was Brashear and she was reared near Beeville. She is a graduate of the University of Texas School of Journalism, and do I dread for her to read my copy. There will be a wedding story next week.

In regard to things a little more pertinent to the community as a whole I have a pet peeve at a peculiar interjection in Dimmitt. It is on my route to town and I approach it with a certain amount of dread and apprehension as the traffic pattern is such that you wonder whether you will be clipped from the south or north and if you are fortunate enough to avoid a number of close calls, you are lucky if you gain entrance into the stream of traffic after anything like a reasonable delay. The intersection is at SW Jones and Highway 51. Whoever is responsible for the installation of a traffic light at that location will be doing the public, and especially myself, a favor that will be appreciated greatly if they will go ahead and get the job done. Time lost by east bound traffic would more than offset the cost and maintenance of a traffic light, not to say nothing of the safety element involved. Traffic officers agree with me on this problem and if whoever is responsible for such things will go ahead and give us our traffic light we will be very much obliged.

Another subject we used to harp on was the loud and long talking of Tom Davis and P. P. Robb. We don't hear much out of those two lately. Apparently they surrendered without a struggle when Womble moved to town.

Politics: Fairly quite at the present, but as Maine goes so goes the nation.

Sober thought: We wonder if ever again the strife and enmity that racks the world will ever subside and allow the individual to feel secure in pursuing a normal life dictated by human instincts that are aloof and apart from the maze of complicated world affairs. On the world checkerboard we

THIRTY FIRST YEAR

DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, OCTOBER 2, 1958

16 PAGES—NUMBER 49

Special Election Called In County for Oct. 21st

The Commissioners Court has designated October 21 as the date for county voters to ballot on two propositions of importance to the county.

The first proposition has to do

with the tax structure of the county and is being presented, and its passage urged, by the Commissioners Court on the recommendation of the county auditor and after careful consideration by the

members of the court.

The voters of the county will be asked to pass on a special 30 cent ad valorem tax as provided in House Bill 107, an Act of the 51st Legislature.

According to information available to the Court the 30 cent increase in the tax rate will be more than offset by an accompanying reduction in valuation, with an overall result of a tax saving of \$5,744.26 to tax payers of the county and an increase of \$4,952.63 in county tax revenue. It was explained that in effect the new tax structure decreases the state tax take while raising the percentage retained by the county from the ad valorem tax.

The second proposition on the ballot has to do with separating the offices of Sheriff-Tax Assessor collector. The Court is recommending this measure to increase efficiency of the county government. It has been pointed out that all neighboring counties have taken advantage of the option of separating the two offices.

On another page in this issue of the News is an advertisement explaining in detail the advantages of the new tax structure proposed by the Court.

SCD To Elect Supervisor of Zone 5 Tuesday

October 7 is voting day for co-operators in the Soil Conservation Districts in Texas. On this day, eligible voters in the districts will select the zone 5 supervisors. Zone 5 in the Local Running Water district is in the southeast part of the county and includes all the area south of the Cleo-Flagg Road and east of Highway 51 beginning 2 miles south of Nazareth. The election will be held next Tuesday, October 7th at the Hart Bank at 2:00 p.m.

Wade Mills is the present supervisor from zone 5.

These supervisors along with those previously elected from other zones, conduct affairs of the district and represent landowner co-operators in District functions.

Soil Conservation districts are subdivisions of the State of Texas governed by local elected farm and ranch landowners. They play a major role in local soil and water conservation problems by making available technical service, equipment, leadership, and many other services. A qualified voter must be over 21 and own land in Zone 5 of the District. Wives of landowners are also eligible voters.

The present Board of Supervisors for the district are Elvis Burch, chairman; Fred Axe, vice chairman; M. L. McFarland, secretary-treasurer; Gardner Sanderson and Wade Mills, members.

Gene Johnson Gilt Wins First

Gene Johnson, Hart 4-H Club member won first place with his Chester White gilt at the Sears District Show at Amarillo, Saturday, September 27th. The show was held in connection with the Tri-State Fair. Gene won \$48 premium money on his gilt. The boar in the Sears program is owned by Jim Cowser of Dimmitt 4-H Club. Jim won 6th place with his boar and \$15.00 prize money. There was competition from twenty four Panhandle counties in the show.

Eight club boys in the County have Sears gilts. They were given to the boys in the spring, and next spring they will give the top pig out of their litter to some other club boy.

The winner in the County show held in connection with the Castro County Fair was Gene Johnson—1st, Dennis Cleaver—2nd, Jim Axe—3rd, Ralph Schulte—4th and Dan Petty—5th.

Reinhardt Speaks for Amendment No. 1 At Lions Club Meeting

Dick Reinhardt, popular young Castro County farmer, was the guest speaker at the regular weekly meeting of the Dimmitt Lions Club Tuesday in the Fellowship Hall at the Methodist Church. Reinhardt, representing the Dimmitt JayCees, spoke in behalf of Amendment No. 1 to be voted on in the General Election on November 4.

Amendment No. 1, if adopted by the voters of Texas, would provide for an annual session of the Legislature and necessary funds to pay legislators a salary commensurate for services expected from them.

Among the various reasons Reinhardt cited that prompted the JayCees of Texas to endorse and urge support of Amendment 1 were:

"The obvious and chief reason for the need of annual legislative sessions is that a period of 120 days is insufficient to take care of the business of running the government of Texas.

"When the constitution was written in 1876 to provide for biennial sessions, every two years were probably enough, but that was 82 years ago. Texas government has

PROCLAMATION

I Joseph N. Cowen, Mayor of the City of Dimmitt, Texas do hereby proclaim October 5, 1958 through October 11, 1958 to be "National Business Women's Week".

This annual Week, sponsored throughout the United States by the National Federation of Business and Professional Women's Clubs, Inc. is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation. The theme of 1958 "National Business Women's Week" is "More Power with Woman Power."

JOSEPH N. COWEN
Mayor of the City of Dimmitt, Texas

First Baptist Launch Forward Program Campaign

Members of the First Baptist Church are undertaking the Forward program of Church Finance which is an intensive budget campaign. Church officials announced that in undertaking this program, the church is seeking to subscribe a record \$64,000 budget for the First Baptist Church. The campaign is conducted following procedures set forth by the Department of Stewardship of the Southern Baptist Convention.

The focus of the campaign will be a Loyalty Dinner which will be held in the Dimmitt School Cafeteria on October 23 at 8:00 p.m. An outside caterer has been obtained to serve an expected 400 people. A gala childrens party for those eight and under has been arranged for 7:30 p.m. at the church on the evening of the dinner.

A total of 74 people are working on various committees to insure the campaign's success.

Visits Daughter

Mr. and Mrs. Ester Noble went to Dallas Friday for a visit with their daughter, Mrs. Wilma Williams, and Mr. Williams, Mr. and Mrs. Williams are the parents of a baby son born Tuesday. The young man weighed in at 7 pounds and 14 ounces, and had not been named when his grandfather returned home. Mrs. Noble remained at Dallas with her daughter.

New Son is born

Born to Mr. and Mrs. L. E. Smithson, a little son, Edward Ben, weight 11 lbs. 8 ozs. He was born in Methodist Hospital, Lubbock. The parents live at Hart.

Mother of Local Man Died Monday

Mrs. Lena Ollie Trimble, 74, mother of O. B. Trimble of Dimmitt, died at the home of her daughter, Mrs. R. T. Bailey of Canyon, Monday at 6:40 p.m.

Mrs. Trimble had been in ill health for two years. She had been a resident of Amarillo since 1939. She was born June 18, 1884, in Arkansas and was a member of the First Baptist Church in Amarillo.

Surviving besides Mrs. Bailey and O. B. Trimble are a daughter, Mrs. Lowry Walker of Pecos; three sons, George Trimble of Bovina, H. L. Trimble of Mobeetie, and S. C. Trimble of Chicago. She is also survived by a sister, Mrs. S. B. Knight of Laramie, Wyo.; a brother, Bailey Bond of Porterville, California; 20 grandchildren and 32 great-grandchildren.

Funeral services were conducted at 3 p.m. Wednesday in the Mobeetie Baptist Church with the Rev. Gene Grace, pastor, officiating. Burial was in the Mobeetie cemetery under the direction of the Blackburn-Shaw Funeral Home.

1959 Fair Dates Set

Castro County Fair Board Hears Committee Reports at Mon. Meet

Fair President, Noble C. Howard presided at a called meeting of the Castro County Fair Board Monday night in the County Agent's office in the court house. When members of the various fair committees made their reports on their departments and divisions of the 1958 Castro County Fair. All reports were gratifying to the board members and confirmed previous formed opinions that the 1958 Castro County Fair was one of the most successful in the county's history.

Along with their reports on this year's fair the various committees were requested, and complied, in making suggestions for improvement in the functions of their particular committee. A written report has either been received, or will be prepared, by each committee giving detailed resume of methods used this year along with suggested improved procedure to be used next year.

Mrs. Sybil Stringer, County Home Demonstration Agent, and Mrs. Clyde Dameron, Superintendent of the Women's Division, reported on the women's and girls' divisions of the Fair. Glenn Youtis made the report for the Merchants Exhibits Committee which promoted a department of the fair that proved to be a very popular division of the exposition. The Entertainment Committee was represented by G. P. Dyer and who reported on the many and various functions of that committee. It was the entertainment committee,

with Dyer as chairman, that secured the facilities of the Lone Star Entertainment Company comprising the various commercial rides along the midway. The committee was also responsible for contracting concessions and securing prizes for the various booths, etc. The report of the Finance Committee was made by B. M. Nelson, treasurer of the Fair Association.

A balance sheet of receipts and disbursements presented to the Fair Board revealed that a total of \$2,309.40 from dues and concessions was received by the fair while expenses in the amount of \$1,204.39 had been paid by the fair. An estimated \$465.00 in bills outstanding are still to be paid indicating that the Fair Association will have a balance of \$639.00 as a financial cushion for the 1959 fair.

In an effort to secure the facilities of the Lone Star Entertainment Company, and to ensure ample time for other preparations, the Fair Board designated Thursday, Friday and Saturday, September 17, 18, and 19 as the dates for the 1959 Castro County Fair.

Before adjourning the Fair Board, at the suggestion of the president, Noble C. Howard, passed a resolution expressing the board's appreciation to everyone who served on committees, sold tickets, or worked in any capacity making the 1959 Castro County Fair a success.

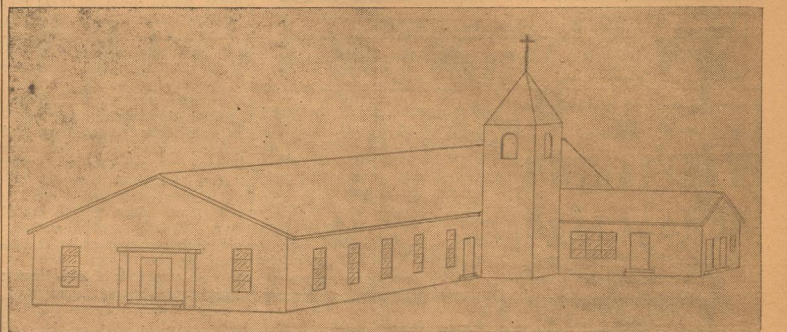

A REMINDER—Above is a grim picture made in March, 1957, following a blizzard in which thousands of head of cattle perished because of lack of adequate shelter. The 1957 snow driven by winds of 75 mile per hour velocity was the cause of most losses rather than the temperature which stayed in the upper twenties. It is believed that adequate shelters or windbreaks would have prevented many of the losses. Stock raisers are being advised to take precautions to prevent a recurrence of the 1957 tragedy by providing as much and as adequate shelter as possible for their livestock. The picture is from the office of the Running-water Soil Conservation District.

Buffalo Stadium Quota Met Here

H. W. Golden, Dimmitt chairman for the Buffalo stadium fund drive, announced this week that the Dimmitt quota had been raised and exceeded. In order to have a row of seats in the stadium dedicated to the Dimmitt community it was necessary that a minimum of \$2,500.00 be subscribed in cash

and pledges. Golden stated that Dimmitt had exceeded its quota by subscribing \$2,787.50 for the stadium fund, and that additional local contributions are expected. He further stated that the drive would continue locally until the overall necessary finances are raised for the construction of the stadium.

UNDER CONSTRUCTION—Pictured above is an outline drawing of the new Immaculate Conception Catholic Church being constructed at NE 7th and Bedford Avenue. With a seating capacity of 400, the church is designed to accommodate the ninety-six Catholic families of Dimmitt community. Cost of construction is estimated at \$25,000.

New Catholic Church Is Under Construction Here

Plans have been completed and construction got under way Monday on the new Catholic Church to be located on Highway 86 in East Dimmitt. The need for the new church, to be known as the Immaculate Conception Catholic Church, is the result of the rapid increase of church membership in the community. It has been necessary, in the past, for local members of the Catholic Church to attend services at neighboring towns, principally Nazareth.

Located on NE 7th and Bedford, the new church building will be constructed of heidite blocks and will have overall dimensions of 40x100 feet with a seating capacity of 400. The estimated cost of the structure is \$25,000, with the

Dimmitt Lumber Company supplying the materials and Paul Acker serving as construction contractor. Construction of the new church will be financed by contributed funds and work donated by its members. The Nazareth Parish has contributed \$5,000.00 to the building fund, and other contributions are being solicited. In Dimmitt donors may leave their contributions at either the First State Bank or the Castro County News office, or with Rev. Father Morsch at Nazareth.

The Immaculate Conception Catholic Church will have an initial membership of 554 parishners representing ninety-six families. A meeting, conducted by Rev. Father Morsch, was held in the

District Courtroom Monday night with a large group present to discuss final plans for the church building program.

County Cotton Harvest Started

A canvass of the county gins today, Thursday, revealed that 1,187 bales of cotton had been ginned from the 1958 crop to date. Despite the fact that the cotton harvest has just barely scratched the surface, so far as the overall harvest is concerned, ginners and growers are convinced that this will be one of the finest cotton crops ever produced in the county. Harvesting of the county's 54,852 acres of cotton has been delayed by bad weather and the lack of cotton pickers. However, enough cotton has been harvested to indicate a production of an average of 1.25 bales per acre or a crop of 65,000 to 70,000 bales for the county.

Grade and staple has been good and cotton ginned thus far has been bringing up to 36 cents per pound under the government loan program.

BOBCATS LOSE HEART-BREAKER TO ABERNATHY FRIDAY NIGHT

The Dimmitt Bobcats suffered their first defeat of the season Friday night at the hands of the Abernathy Antelopes at Abernathy when they chalked up 6 points to the oppositions 12.

Going into the game as the underdogs, the Bobcats took charge of the proceedings from the starting whistle, when they received, until the ball was whistled dead at halftime. During the first two quarters the Bobcats were in complete control of the ball losing possession only 10 times, and that briefly, and allowing the Antelopes only 2 first downs.

From the opening kickoff the Bobcats rolled up first downs at will and at the end of the first quarter and the beginning of the second quarter were on the Antelopes 1 foot line, but were unable to score. On another occasion in the first half they were inside the Antelopes 20 yard line when penalties stopped the drive and erased another scoring opportunity.

The Antelopes came back strong in the third quarter and on breaks, passing and hard running rolled up a large majority of their 227 yards gained during the entire game in that one quarter, as well as scoring their two touchdowns. The Bobcats also got their lone tally in the third quarter when Jimmy Curtis plunged over for the touchdown.

In the fourth quarter the Bobcats mounted several drives that bogged down before reaching scoring

position in the opposition's territory.

Available statistics revealed that the Bobcats racked up 13 first downs to Abernathy's 6, gained 226 yards while being gained on 227 yards, gained 27 yards passing while allowing the opposition 75 yards by the same method, was penalized 20 yards while Abernathy was drawing 35 yards in penalties.

The Bobcats will clash with the Muleshoe Mules in another home game at the newly enlarged Bobcat Stadium Friday night. Kickoff time will be 8 o'clock.

In a statement to the News Coach J. D. Covington declared that he expected the Mules to be one of the most formidable foes that the Bobcats have met to date. He stated that the Muleshoe squad was composed of large fast boys, and that his charges would be hard pressed to hold their own with the visitors.

Although Jimmy Curtis had to miss a number of practice sessions this week because of a sore muscle he is expected to be ready for the game Friday night along with all of his team mates.

James Collins, who was injured in the Hereford game has been at home resting and convalescing from his injury. He will probably be back in school Friday.

Visitor from Amarillo

Mrs. Short of Amarillo is visiting her daughter, Mrs. Dewey Owens.

Dial Telephone System A Possibility For Dimmitt Area In Near Future

Plans have been completed by the management of the West Texas Telephone Company for the installation of a dial telephone system for the entire area served by the company. The announcement was made by Robert and Elton Singer.

In announcing their plans for the installation of a dial telephone system, the Singer Brothers stated that all equipment and supplies were under tentative contract and that technicians to make the installation would be available when needed. If the planned schedule can be met the company expects to switch over to the dial system in early 1959.

The Singers announced that the improvement program would make it possible to dial number from the Dimmitt office to any Panhandle area town, including Lubbock and Amarillo. For more distant calls it will still be necessary of Dimmitt to pass the ticket to Plainview or some other area office. However, when the volume of long distance calls, originating

locally, reach a required number Dimmitt can become a toll center and the Dimmitt operator can dial direct to any party in the country.

On incoming calls the toll operator at the point of origin of the call can dial the local number direct. It was further pointed out that a more efficient local service would be increased immensely by automatic mechanical operations.

Actual installation of the dial system is dependent on an increase in the local phone rate structure the management stated. The Singer Bros. further stated that an application for permission to raise their rates, so that the needed improvements could be made, was now being considered by the City Commission and if the rate increase is granted work will start immediately on installation of the new phone system.

It was further pointed out that the rate increase, if granted, would not go into effect until the new dial system is put into operation.

Walter Rogers' WASHINGTON NEWSLETTER

How Dangerous is an Atom Bomb

The Soviet Union has the capability of attacking any target within the United States with nuclear weapons. Initial attacks will probably include sufficient nuclear weapons to hit all of our critical target areas, and less heavy raids will follow. Any of our cities can be substantially destroyed by one explosion from a bomb or missile. The enemy will probably aim its attack at the daytime centers of population within each city. Any city attacked will need a substantial amount of outside aid to meet the emergency. A warning time of only one hour is expected in case of an attack from bombers. In event of an attack by missiles the warning time will be reduced to only a fraction of an hour.

Studies on civil defense in the United States have identified 92 critical target areas with a population of 68 million people. Our air defense officials have described 170 standard metropolitan areas, each with a population of 50,000 or more. These areas contain 55 per cent of the industry of this country. An attack on the most important 50 of these 170 metropolitan areas would bring under fire 50 per cent of the population, 50 percent of the key facilities, and 60 per cent of the industry of the United States.

The magnitude of such a catastrophe is obvious. For example, a 10 megaton bomb—a weapon of only one half the explosive power detonated by the United States at Eniwetok in 1954—exploded over the middle of New York City would include in its three mile radius of

consider the disruption and devastation surely to result from the blast. Furthermore, within an additional seven mile radius of the explosion all buildings would be heavily damaged, and the most conservative estimates indicate a mortality rate of 30 per cent, with at least 40 per cent of the remainder injured to varying degrees of severity. In New York City—to use this example again—there would be 900,000 additional dead and at least 600,000 injured.

A successful attack on the 50 most important urban centers in this country, containing 50 per cent of the population of the United States, would cause 15 or 20 million dead and 20 to 25 million injured. Such a casualty would produce unsurpassable medical problems. Under normal conditions a hospital requires five persons to care for one patient. But most hospitals and most doctors will be within the target area and will, therefore, suffer the same damage and casualties as the rest of the population. Essential life-giving blood transfusions for millions of casualties will be out of the question. The medical situation is further complicated by the almost certain disappearance of hygienic conditions of life—leaving

survivors open to a wide range of epidemic diseases caused by the destruction of water purifying apparatus, the breakdown of sanitary disposal systems, and the spoilage of food from lack of refrigeration.

A city without electricity, without fuel, without a pure water supply, without telephone exchanges, without hospitals, without an effective government and police force, without a coordinate system of exchange of goods and services, without the operation of trained technical and managerial skill—such a city is not a city at all. It is only a rubble of concrete and steel, a jungle in which there is only the slightest chance for survival.

I do not claim the apocalyptic wisdom to predict the outcome of a nuclear war between the Communist bloc and the free world. Given the refusal of the Soviet Union to agree to an effective system for controlling atomic weapons

and the determination of the non-Communist world to defend its freedom and independence, we have had no alternative but to arm ourselves with the most powerful weapons at our command. We do this in the hope that war can be prevented and that civilization can somehow continue to balance two weights of terror on the precipice of survival.

This newsletter is not intended for the purpose of frightening anyone out of their wits. It is for the purpose of furnishing factual information established after very careful calculation. It must be remembered that even though the Soviet Union does have the power first mentioned in this newsletter, the United States has equal power, if not more, and the Russians know it.

LIVESTOCK MARKET REPORT

It required two and a half days of selling to complete the clearance of an estimated 5,800 cattle and calves. This represents a decrease of around 800 head from the previous week, but an increase of 1,300 head from the same week of the previous year. The quality of this week's offerings did not measure up with recent sessions, as the supply were stockers and feeders grading Medium to Good. Receipts were about evenly divided between stock calves and yearling stockers and feeders weighing over 600 lbs. Cows and bulls were very limited; however packer buyers were bullish on fleshy stocker yearlings and purchased the largest

volume of this class since last spring. Trading on slaughter classes was moderately active with prices for slaughter yearlings, cows, and bulls advancing 50 c. Stocker and feeder classes were rather draggy, with buyers taking a bearish position on kinds weighing over 600 lbs. Compared with last week's close stocker and feeder steers are steady to 1.00 lower, with feeder steers over 700 lbs. at the full decline. Stock heifers held steady, while stock calves were strong to 50 c higher. Good and Choice stock calves were in the best demand.

STOCKER & FEEDER CATTLE
Good and Choice Quality

Steer Calves under 400 lbs.	30.50-36.75
Steer Calves and Yearlings 450-600 lbs.	27.00-35.75
Feeder Steers 650-900 lbs.	23.00-30.00
Heifer Calves under 400 lbs.	29.00-36.00

SLAUGHTER CATTLE

Heifer Yearlings 450-650 lbs.	24.50-29.75
Med and Good Stocker Cows	18.00-21.30
Cow & Calf Pairs	22.00-26.00
Good and Choice Standard	25.00-27.50
Cows, Utility and Commercial	18.50-21.50
Cows, Camer and Cutter	15.00-19.00
Bulls, Utility and Commercial	22.00-24.10

CONTROL JOHNSON GRASS (AND OTHER GRASSES) CHEMICALLY . . . WITH DOWPON

Unwanted grasses are usually the toughest problem where farming is best. They thrive on the very climate and soils that should produce top crops.

Now you can control grasses, without cutting, cultivating, or oiling. Dowpon, is the new chemical way to keep grasses from invading your fields, throttling irrigation and drainage ditches. Hoeing, chopping, cultivating, and oiling only get grass out of sight temporarily. Dowpon gets rid of it.

How DOWPON works

Dowpon is a systemic grass killer—meaning that it kills by working through the plant's system. You simply spray the foliage. Dowpon is absorbed through the leaves and works down through the plant, right into the roots, usually killing the entire plant.

Because it works inside the plant, a Dowpon spray is less likely to be affected by weather conditions. Rain can't wash it off after it has been absorbed.

You can use Dowpon with safety on your farm—foliage sprayed with Dowpon is non-hazardous to grazing livestock.

Choir Elects Officers

The 1958-59 choir elected officers September 25. The President is Gary Simms; Vice President, Pat Cowell; Secretary and Reporter, Janie Cowell; and Treasurer, Darlene Sexton. The choir director, Roy Lowe, has organized a social committee to plan different ways to make money. The people on the committee are Mona Dell Hunter, chairman; Jerry Cox, Pat Norris, and Wila Mae Scoggins.

SCIENCE CLUB ORGANIZES

The Dimmitt Science Club met in the Science room to elect officers. Those elected were President, Gary Simms; vice-president, Don Lilley; secretary-treasurer, Gwen Dunn; and reporter, Jerry Belknap. Gwen Dunn then read applications from prospective members, and all were approved. The new members are Joe Cowan, Darless Goolsby, Linda Waller, and Cecil Stehr.

The Constitution was read and approved. A by-law was added stating the meeting time would be the second and fourth Thursdays from 7 to 9 p.m. every month. Field trips to the Tech Science Show and the West Texas State College Physics Department were discussed. Nothing definite was definite was decided about this. President, Gary Simms, adjourned the meeting.

BOBCATS ARE EDGED BY ABERNATHY

The Abernathy Antelopes broke the Dimmitt Bobcat's back there last Friday night with two pass plays, but this football game was far from being one sided. The Cats were edged by a score of 12 to 6 in Dimmitt's third non-conference contest. Game statistics of the two teams were closer than the score.

The first half was scoreless. In the second quarter the Bobcats drove to the one-yard line before being stopped. In the third quarter the Antelopes scored when Lane Tannehill completed a 55-yard pass play to Jimmy Dye. He was brought down on the four-yard line by Jimmy Curtis and Gordon Thanisch. On the next play Aubrey Smith ran through the Cats for four yards and the touchdown. The try for extra point failed. Again in the third period the Antelopes gained the ball and scored on a 26-yard pass play from Tannehill to Gerald Watson. The try for extra point again failed.

Then the Bobcats started rolling. They drove 75 yards and Jimmy Curtis scored from the two-yard line to complete the drive. The run for extra point was no good.

In the rest of the game the two teams changed the ball, with Abernathy running out the clock in the final minutes.

The Dimmitt line was led by Ben Holcomb and Hal Ratcliff with Don Warren, Junior Coffey, Jack Ragland, and Mike Bailey turning in outstanding jobs. The backfield was led by Jimmy Curtis and Norman Nelson who gained 116 yards in 19 tries for an average of 6.1 and 72 yards in 16 tries for an average of 4.5, respectively. Jerry Hyatt made 60 yards in ten tries for a 6 average. Carlos Barnes ran 35 yards in 8 attempts for a 4.2 average and threw 10 passes to complete three.

This Friday here the Bobcats will host the Muleshoe Mules in another non-conference tilt. The Mules are the favorites of District 2-AA.

FHA Installs Officer

Formal Installation and Initiation of the Future Homemakers of America was held Sunday, September 28.

The following officers were installed into their offices for the coming year: president, Linda Hance; vice-president, Norma Battles; recording secretary, Mary Lynn Hendrix; corresponding secretary, Sandra Leeth; treasurer, Mona Dell Hunter; parliamentarian, Kay Carpenter; reporter, Mary Behrends and pianist, Charlene Vaughn.

The stage was decorated with four backdrops on which were large red roses in colored chalk. On a table in the center were eight white candles and one red, symbolizing the purposes of FHA.

The installing officers were Pat Cowell, Charlotte Hestand, Sandra Thompson, Ed Dena Boozar, Brenda Ramsey, Betty Hargrove, Joyce Messenger, Jo Beecher, and Darlene Sexton.

Those who served as guides were Beth Cleaver, Zelda Axe, Eloise Cleaver, Georgene Hughes, Jean Hillburn, Keitha Davis, Gwen Dunn, and Willa Mae Scoggins.

After the officers were installed the acceptance speech was made by our new president, Linda Hance and this was followed by the recognition of our FHA mothers who are Mesdames Raymond Hance, Gene Gray, Bruce Wooddell and Winifred Fuller. Mrs. Bill Snider, our sponsor, was also recognized. All were presented with a long-stemmed red rose.

For the initiation ceremonies the freshmen were each presented with a membership card which signifies that she is now an official member of the organization.

To close the ceremonies, the FHA Prayer Song was sung by Lanell Blanton. Immediately following the refreshments were served by Mary Behrends, Nancy Mauk, and Zetha Ivey in the home-making department for all the guests.

SENIOR GIRL OF THE WEEK

On January 24, 1941, a little bundle of joy was delivered to Mr. and Mrs. E. N. Gibson. Her name was Patsy.

Her birthplace was Monahans. Later, she and her family moved from Monahans to Sundown. From Sundown she moved to Post where she started her first year of school. After completing her Freshman year at Post she moved to Dimmitt where she is now a senior.

The subjects she is taking this year are typing I, speech, civics, and English IV.
Some of her favorites are:
Food — Mexican Food
Movie — "I'll Cry Tomorrow"
Actor — Richard Todd
Actress — Susan Hayward
Sport — Football
Pet Peeve — People who speak out of turn.

DHS ENJOYS KID DAY

Several odd looking females disrupted DHS last Thursday. Some resembled little girls of about the kindergarten stage, while others looked like a character from a side show.

"Freshman Kid Day" was in full swing. As a part of their FHA initiation, the girls were required to wear what ever their "Big Sisters" wished.

The climax came at 7:30 that night when the whole FHA chapter met for "Kangaroo Court". Judge Linda Hance ruled over all the activities. Sandra Leeth acted as Bailiff and Norma Battles as the Prosecuting Attorney. The Sergeants at Arms were Sharon Rothwell and Tommie Allen.

The victims of the jury were the freshmen girls who were all pronounced guilty of their individual charges. In facing their charges most of the girls found their stomachs stronger than they had imagined.

"At home we can't get Dad away from the television set," said one small-fry.
"Why?" ask the other.
"He's afraid someone will turn it on."

To be an ideal guest, stay at home.

Mrs. Robinson had been having trouble with clock-watching students. One day when the students entered there was a sign over the clock, saying: "The time will pass, Will You?"

Most people put off until tomorrow that which they should have done yesterday.

Pictures taken Thursday

Evidently everyone wanted his picture taken last Thursday, for only two people were absent that day. The class pictures were taken by J. O. Ayers. Since the students were urged to take advantage of the new Wondercolor process, a large amount of red was worn.

SENIORS PLAN TACO SUPPER

One of the coming attractions in Dimmitt will be a Taco Supper by the Seniors. The supper will be served October 10 in the cafeteria, before the Olton-Dimmitt football game. We will serve from five to seven o'clock. Tickets can be purchased from any member of the Senior class.

The annual Senior play is being discussed. A committee will be chosen and they will choose several plays and the class will make the final selection. The play will be presented the last of November.

PAT'S PATTERN

James Collins is rapidly recovering from the back injury that he received in the Hereford game. He hopes to be back in school the first of next week.

The mothers of DHS football players who were honored at the Pep Rally Friday were Mrs. Jim Hays, whose son, David, is manager, Mrs. Glenn Ratcliff, whose son, Hal, plays end, Mrs. Homer Hyatt who has a son, Jerry, playing fullback, and Mrs. Claude Thanisch, whose son, Gordon, plays halfback.

Mothers who were honored by presentation of white mums before the Lockney game were Mrs. Earl Morgan, whose son, Don, plays tackle and kicks, Mrs. H. C. Nelson, whose son, Norman, plays halfback and whose son, Stanley, plays quarterback, Mrs. W. H. Curtis, whose son, Jimmy, plays halfback, and Mrs. R. C. Bailey, whose son, Mike, plays guard.

Before the Hereford game the Pep Club honored Mrs. E. R. Sadler, whose son, Myles, plays guard, Mrs. Joe Collins, who has two sons, Ted, playing halfback and James playing fullback Mrs. A. V. Barnes, whose son, Carlos, plays quarterback, and Mrs. Carl Kemp, whose son, Carl, plays center.

Tuesday the students were decked out in sweaters and coats it seems we are having an early winter.

—Reporter
Friday night at the Abernathy

SENIOR BOY OF THE WEEK

John Kirby Thomas was born December 13, 1940, in Rotan. This is John's first year in DHS. His parents, Mr. and Mrs. A. W. Thomas, live in Merkel. John plays baritone in the Bobcat Band.

Some of John's favorites are song, Little Star; actor, Jerry Lewis; actress, Shirley Jones; colors, red and blue; car, Triumph T. R. 3.

game people all over the Dimmitt stands were tapping their feet to the rhythm of the "Johnson Rag" as our band director, Mr. Ralph Smith, played the trumpet solo with DHS Band background.

MR. FARMER COTTON IS A MAJOR FACTOR IN CASTRO COUNTY'S ECONOMY

The benefit derived from the cotton industry locally depends in a degree on the extent of the handling and processing of the product in the county, in all of its phases, from the planting until the ultimate shipment to the textile mills.

All of which means that in addition to the usual steps in the production and handling of cotton, its storage locally is a part of the benefits that add materially to, and strengthens the overall economy of the county.

Aside from the fact that our plant represents a large investment in physical equipment, the necessary labor and other operational requirements makes ours a major business operation in the community.

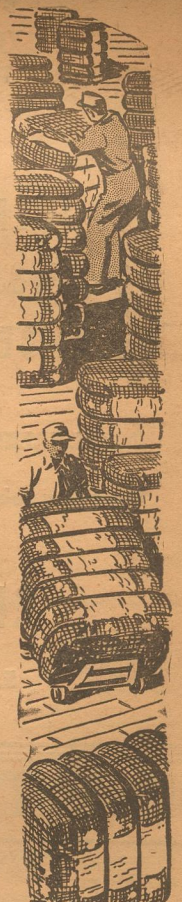

Because of these facts we believe the farmers of the county are wholly justified in requesting that their cotton be handled and stored locally as far as possible.

If you are not certain where your cotton is being stored you can get that information either from your ginner or us.

Swindle, Judd Davis, Freddy Lilly, Aubrey Myers, A. C. Myers, W. H. Felder, Ray Warren, O. L. Beavers, F. H. Bowden T. B. Cox, M. L. Avens, L. W. Farris, Roland Shepard, Robert Brooks, Bill Gallion, D. O. Hindman, Stewart Newson and John Hollaway.

CARD OF THANKS
We wish to say "thank you" to Dr. Carl Page of Dimmitt and Dr. and Mrs. Jack Harris of Hart for their wonderful help during the illness of our daughter, Mrs. Geraldine Brown.

We would also like to say "thanks" to each person who furnished us with things used to make our daughter more comfortable during her illness, for the food, flowers, cards, letters, contributions made to the cancer fund, cemetery fund, and the youth fund. Your many kindnesses and expressions of love will never be forgotten. May God Bless each of you.

Mr. and Mrs. H. E. Lowman

Visited Parents in New Mexico
Mr. and Mrs. G. P. Kirk and son, Sammy spent last week end with his parents, Mr. and Mrs. R. C. Kirk at Hobbs, New Mexico.

Home from Lubbock

Mrs. B. M. Nelson returned home Saturday from Lubbock where she spent two weeks visiting her daughter and son-in-law, Mr. and Mrs. Herber Burnham and their little son, Michael Lee, who was born in Methodist Hospital September 14.

Visited in Lubbock

Mr. and Mrs. E. C. Caudle were in Lubbock last week end attending to business. They also attended the Benton-Hill wedding and visited Mrs. Caudle's sister, Mrs. Maynard and Mr. Maynard.

Visitor from Hereford

Miss Melba Gay Lawrence of Hereford was the guest of Miss Jacala Chism Tuesday, September 23, which was Jacala's birthday.

News From Frio

(Continued from page 4)

Mrs. Ed Clark was stricken ill recently, while visiting relatives in Fort Smith, Arkansas. She recovered sufficiently to be brought to the home of her parents, Mr. and Mrs. Henry Bass, at Muleshoe and has been there for several days.

Mrs. H. M. Mobley left Thursday to visit her mother, Mrs. Leola Taylor, at Throckmorton. She went by Floydada for her sister, Mrs. Claud Price, who accompanied her.

It is the birthday celebration for Mrs. Taylor and her children always visit her on the occasion.

Mr. and Mrs. Lee Johnson, of Cortez, Colorado visited the Mobleys on Wednesday night.

Having Sunday dinner with the D. C. Millers were the Floyd Coles, Mrs. H. M. Mobley and Austin Mobley.

Mr. and Mrs. Glen Andrews moved their trailer to the place where they plan to improve. They will live in the trailer until they can

have time to build a house. A new irrigation well was recently completed and pump installed at the site, which is located one and one quarter miles east of the Frio Community Center.

WESTERN AUTO

East Side of Square

A DIFFICULT SITUATION...

Due to highway and street improvement work adjacent to our gin site we will be faced with a difficult road situation during the current harvest season. As the approach to our gin property, from the entrance on Highway 51, will be impassable indefinitely, we have purchased adjoining property on the south and have opened up new roads and entrance ways to our gin and elevator. For your convenience we would advise you use the following directions to reach our property:

FROM THE SOUTH

Turn off Highway 51 at Dimmitt Gin Sign and proceed to gin and elevator office over new graded road.

FROM THE EAST

Turn south by Rodeo Arena and take first railroad crossing to the west. proceed along new graded street and turn north to gin and elevator office.

FROM THE NORTH AND WEST

Proceed south on the street along the west side of the fair grounds and the baseball park. We will maintain a road from that street across our property to the gin and elevator office.

OUR APOLOGY:

Although the inconvenience of reaching our gin and elevator is due to circumstances beyond our control, we deeply regret the trouble it may cause our customers and we assure you that we will make ever effort possible to justify your continued patronage during the duration of this road handicap.

Mr. Farmer:

WE HAVE AVAILABLE AND AT YOUR SERVICE:

- Plenty of Storage for your Government Loan Milo
- Fast Handling Facilities
- Courteous Employees
- Semi-Truck Dump
- Federal Bonded Warehouse
- Top Market Prices
- Sincere Desire to Render Satisfactory Service

YOU WILL FIND A GINNING SERVICE THAT IS UNEXCELLED
We have made every provision to give you a good sample and a good turn-out - including the installation of double unit Moss Lint Cleaners. Give us a trial we think you will be pleased.

WE PAY HIGHEST MARKET PRICES

LEGAL NOTICES

CITY OF DIMMITT CASTRO COUNTY, TEXAS
 Notice is hereby given to all abutting property owners and persons interested in the properties on the hereinafter mentioned streets, that on the 22nd of September, 1958, the City Engineer filed with the City of Dimmitt, Texas, the estimated amounts per front foot proposed to be assessed against the owner or owners of abutting property, and such property on each street to be paved by the City of Dimmitt, as well as the total cost of the improvements on each street or a portion thereof, and that the same has been duly approved by the City Commission, and the same was ordered filed, and shall remain on file with the City Clerk in the City Hall, in Dimmitt, Texas, as

well as all of the plans and specifications pertaining to all such proposed improvements, and that any and all property owners interested therein within the City of Dimmitt, and elsewhere, may inspect the same, and further that the City of Dimmitt, by ordinance adopted, has fixed the 17th day of October, 1958, at 10:00 o'clock a.m. in the City Hall in Dimmitt, Castro County, Texas, as the time and place for all of such owners and persons interested in such paving and in such properties to appear and make objections thereto, if any there be, and to contest the amounts of the proposed assessments, the lien and liability thereof, by means of the improvements for which assessments are to be levied, the accuracy, sufficiency, regularity, and validity of the proceedings, and contract in connection with such improvements and proposed assessments, if it is so desired; and this

notice is given as provided in Section 9 of Article 1105B of the Revised Civil Statutes of the State of Texas, in that the City proposed to levy 90 percent of the total cost of such improvements against the respective properties as are shown in said proposed paving assessments as so filed by the City Engineers of the City of Dimmitt. Said streets to be paved and the costs of improvements on such portions thereof, with the amount per front foot proposed to be assessed for such improvements against abutting property, and the owners thereof of each such portion is as follows:

On SOUTHEAST THIRD from the South boundary line of Jones Street to the intersection of State Highway 51; width of 41 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$6.92; the estimated cost of the improvements is \$19,069.35; On NORTHEAST THIRD from the North boundary line of East Bedford Avenue north to the North boundary line of East Etter; width of 41 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$5.83; the estimated cost of the improvements is \$3,887.18;

On ETTER STREET from the East boundary line of East Second Street East to the existing paving on Northeast Third Street width of 41 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$5.83; the estimated cost of the improvements is \$3,887.01;

On ANDREW STREET from the existing paving on North Broadway Street East to the West boundary line of Northeast Second Street; width of 33 feet triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$4.23; the estimated cost of the improvements is \$2,568.25;

On SOUTHEAST SECOND STREET from the intersection of the existing paving on Jones Street South to State Highway 51; width of 41 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$6.92; the estimated cost of the improvements is \$14,579.17;

On CLEVELAND STREET from the intersection of the existing paving on Front Street West to connect with the existing paving on Tenth Street; width 33 feet triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$4.62; the estimated cost of the improvements is \$14,191.91; On WEST ETTER STREET from the intersection of the existing paving on Sixth Street

East to connect with the existing paving on Northwest Fourth Street; width 33 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$4.23; the estimated cost of the improvements is \$5,646.64; On SOUTHWEST TENTH ST. from the existing paving on Lee Street North to the existing paving on Stinson Street; width 33 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$4.25; the estimated cost of the improvements is \$2,646.93;

On LEE STREET from the existing paving West to intersect with the East boundary line of Southwest Twelfth Street; width 33 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$3.97; the estimated cost of the improvements is \$2,379.65;

On NORTHWEST NINTH ST. from the North boundary line of West Bedford Avenue North to connect with the existing paving on Halsell Street; width 33 feet, triple asphalt surfacing

on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements including curb and gutter is \$5.36; the estimated cost of the improvements is \$15,355.67;

improvements including curb and gutter is \$4.73; the estimated cost of the improvements is \$6,305.99;

On LOCUST STREET from the intersection of the existing paving on Northwest Third Street East to the West boundary line of a public road running North and South; width 33 feet, triple asphalt surfacing on 6 inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements is \$3.97; the estimated cost of the improvements is \$3,529.18.

Dimmitt, Tex., Man Reports—

"Ammonia makes a big difference in my wheat"

Frank S. Wise, who farms 960 acres near Dimmitt, says: "I know from experience that Phillips 66 Agricultural Ammonia makes a big difference in my wheat yields. I figure I'm getting an average of 20 bushels more to the acre by putting down 80 to 100 pounds of Phillips ammonia pre-plant."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Order Your Supply Of Phillips 66 Agricultural Ammonia Today!

HIGGINBOTHAM-BARTLETT CO.

ARNEY NEWS

By Mrs. Bonnie Barrett
Among the many community residents attending the Tri-State Fair in Amarillo last week were Mr. and Mrs. Leo Witkowski and their family. Saturday they attended Rural Youth Day at the Coliseum.

Mr. and Mrs. Clovis Allen and daughter, Patricia, Genelle and Bobbie were visiting in Cheyenne, Oklahoma over the week end in the home of his parents, Mr. and Mrs. R. W. Allen.

Carrollee Hancock is working at the Bank in Happy and staying with her grandmother, Mrs. J. E. Markham.

Mr. and Mrs. Loyd Fowler have gone to Abilene where they enrolled their eight year old daughter, Sue, Monday in a school for handicapped children. Sue has a speech defect and a crippled limb. She will be accepted at the State School for a fourteen day trial period. If she responds to the speech and physical therapy. She will remain at the school indefinitely.

Mrs. W. E. McFarland, Jo Boyd and Billie Jean Clark attended the Fair and Water Follies in Amarillo Saturday.

Mr. and Mrs. Odie Hudson visited their niece, Mrs. Montez Howard and baby daughter, Jeri Sue, in Plainview Friday.

Mr. and Mrs. Gwen McFarland and daughters Sandy, DeZane and Kipa, attended the Morris reunion at the Lawrence Dirks in Hereford Sunday.

Mr. and Mrs. Jeff Gunter and children, Jeff, Jr. and Cheryl from Amarillo visited his sister and family, Mr. and Mrs. Beal Jackson Sunday.

Mr. and Mrs. Leo Witkowski and his mother, Mrs. Anna Witkowski of Hereford went to Lubbock Monday for two days at the Fair. Leo will serve in the capacity of acting superintendent at the Short Horn division at the fair in the absence of the superintendent.

Mrs. Anna Witkowski visited a son in Floydada Monday night and was expected to return home with the Witkowski' late Tuesday.

Mrs. C. H. Cox and Donnie and the Clarks and Steve Cole families spent Sunday in Tulia with Mrs. Laura Cole and sons, Fimnis and David.

Mr. and Mrs. Kenneth Williams attended the night performance of the Water Follies at Tri-State Fair in Amarillo Friday and spent the night with her parents, the Floyd Tomlinson in Canyon.

Mr. and Mrs. C. D. Zackry and boys Dick and Johnny visited Sunday in Canyon in the home of the E. T. Zackrys.

Mr. and Mrs. Leo Witkowski and family visited the Clarence Byrds

in Kress and Tommy Byrds in Petersberg Sunday.

Mr. and Mrs. Kenneth Bibb and children were guests for lunch in the home of Mr. and Mrs. Kenneth Williams Sunday.

The Clyde Hancocks visited the Lawrence Dirks in Hereford Sunday afternoon.

Joe and Buck Clark left Monday morning to return to their homes in Laredo and Corpus Christi. They spent the past week visiting the W. E. McFarlands and Robert Clarks. Billie Jean returned home with her father, Buck Clark after spending the summer and fall with her brother and family. They will visit in Garland and Palestine enroute to their homes.

Mrs. Kenneth Bibb and children left Tuesday to go to Rising Star where they will visit for the next two weeks. Mrs. Bibb will also attend Throckmorton County Centennial and the HomeComing at the High School in Throckmorton.

Mrs. Ral Agnew, Mrs. Bibbs mother will under foot surgery within the next few days and Mrs. Bibb will care for her after she is discharged from the hospital.

Mr. and Mrs. James Doan and daughters, Jan and Kim visited his parents, Mr. and Mrs. W. A. Doan, Sr., in Tulia Sunday. While there they received word that Mildred Ruth Doan, Jim's niece, had the misfortune to break her arm when she fell off the horse she was riding. Her arm was broken about an inch above the wrist joint.

Mr. and Mrs. W. B. Williams and daughter, Carole of Plainview visited the Ken Williams Saturday afternoon. Cherri returned home with her grandparents for a short visit.

ATTENDED WEDDING
Attending the wedding of Miss Ruth Ann Benton and Joe McCright Hill in Lubbock Saturday evening from Dimmitt were Mr. and Mrs. Edgar Ramey, Mr. and Mrs. Lon Boothe, Mr. and Mrs. Goodwin Miller, Mr. and Mrs. Joe Hastings, Mr. and Mrs. Herman Acker, Mr. and Mrs. H. H. Carlile, Mr. and Mrs. E. C. Caudle and Mrs. Pearl Sheffy.

Mrs. Hill is the daughter of Mr. and Mrs. M. B. Benton of Lubbock formerly of Dimmitt.

Connie Page is Transferred to Hereford Hospital
Little Miss Connie Page, 8-year old daughter of Dr. and Mrs. Carl Page, was transferred to the Deaf Smith County Hospital at Hereford Wednesday. Connie underwent surgery for adhesions at the Castro County Hospital September 23 with Dr. Mims of Hereford performing the operation. She was moved to Hereford so that she could be under personal and special care of her doctor. For the information of visitors she is in room 129 of the Deaf Smith County Hospital.

With brother in Hospital
Mr. Jesse Dempsey of El Paso and Mrs. Raymond Chism were at the bedside of their brother, Claude Dempsey who underwent surgery in Amarillo Thursday.

Returned home from Lubbock
Mrs. Floyd Reynolds returned home Monday from Lubbock where she had been visiting her daughter, Mrs. Len Powell and Mr. Powell and their little new daughter, Carrie Lynn who was born September 19 in Methodist Hospital Lubbock.

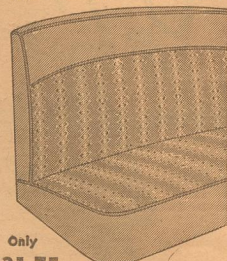

BIRTHDAY SUPPER
Mr. Jim Norris was honored with a birthday supper Friday night in the home of Mr. and Mrs. Sam Maynard. Those enjoying the supper were Mr. and Mrs. Jim Norris, Kathy, Sandra and Pat, Mr. and Mrs. Sam Maynard and Wade, Mr. and Mrs. Raymond West and Sheila.

(Continued from Page 1)

... about dimmitt

jump from the Middle East to Formosa, and keep a weather eye on Europe with but small hope for anything more than temporary settlements. Then of course the domestic scene is fractured by a Southside problem generally referred to as the Little Rock situation. And there is the hard to understand theory advanced by Ezra Benson that if we can get prices down enough on farm commodities we will have prosperity rampant in agriculture. I don't know whether these are things to be thinking about, or whether they are among the things we should try to forget. As an antidote I would suggest paying close attention to the World Series.

Bascom will be here next week and will probably write this column. But if I decide to pursue the above topics a little further he will get demoted to an inside page.

-TIDBITS-

Mrs. Ivey gives Luncheon

Mrs. E. L. Ivey was hostess at Tri-Rawl Dining Room Wednesday, September 24th for a luncheon honoring Mrs. E. H. Youts on her recent birthday. Those enjoying the luncheon were Meses. R. E. Hendrix, Jim Hays, Norris Weston, E. L. Carpenter, T. S. Buckmaster, J. E. Burch, Cecil Curry, Ivor Bagwell, and the honoree, Mrs. Youts and the hostess, Mrs. Ivey.

Visited in Stamford

Mrs. Ruth Wilson, and Mr. and Mrs. Edd Wilson visited with grand-mother Wilson at Stamford the first of the week.

Attended football game.

Among those attending the WT-Tech Football game at Lubbock last Saturday were Mr. and Mrs. James Bates, Mr. and Mrs. Alvis Fuquay, Mr. and Mrs. J. D. Corington, Mr. and Mrs. Frank Wise, Mr. and Mrs. Edd Wilson, Mr. and Mrs. John Ethridge, Mr. and Mrs. S. T. Newman.

Visiting in Dallas

Mr. and Mrs. Ester Noble are visiting in Dallas. They are welcoming a new grand-son. He is the son of Mr. and Mrs. Rex Williams.

Visited in Friona

Mr. E. L. Ivey visited his niece at the Friona hospital Sunday.

Visitors from Sundown

Mr. and Mrs. Kenner, Sundown, visited with their son and family, the Tommy Keeners this week.

Here from Kress

Mrs. Leo Fields of Kress is working a few days at the Plains Motor this week.

Made a quick trip to Childress last Tuesday night and, on the way back, I almost got a crick in my neck from ducking. You see, there were spider webs of something floating and drifting around from about two to ten or so feet in the air. Weirdest sight!!! I have never seen so many before. Every so often you just naturally ducked as it looked like you were hitting a low hanging wire or something. We just bobbed our heads this way and that all the way home.

Not only were there those things floating about, but if we saw one rabbit, we saw a thousand, more or less. We hit about four or five. Also hit some sort of a big bird that flew right into the car. That really shattered our nerves when he (or she) zoomed up out of nowhere and collided with the car.

If any of you have ever seen those webs, or whatever they were, floating about and know what they were, I'd surely like for you to tell me about them. Are they a sign of some sort of weather, or, if they were webs, just a sign that a spider had been there.

Have you driven along the school zone about the time the elementary grades are dismissed, lately? It seems that some of the children either are not aware of or wish to ignore any safety rules or precautions. I am afraid some driver might not observe the "slow" signs and hit one of the little fellows some day.

One day, lately, as I was driving along this above mentioned area, some of the children waited until I was nearly abreast of them and then ambled directly in front of my car. One day one of them literally stood still right in front of the car as if to dare me to hit him. Another time, one of them crossed in front of me and then, after I had started moving again, turned around and jumped right into the path of my car. Had I been traveling a mite faster, I couldn't possibly have stopped in time.

PLEASE, parents and teachers,

caution these children! Someday, may be too late. Our children are precious and, while THEY may not understand the danger, we must do all in our power to keep them alive and healthy.

Several of the American Legion boys have really been putting in some long hours working on the Legion Building. They are now in the process of putting up Knotty-pine paneling on the walls. The building is really going to look nice when they finish. It will be a place for various community functions to be held in proud fashion.

The Auxiliary is also working to raise money so they can equip the kitchen in such a way that large numbers of people can be served and the meals can be prepared right there.

Mrs. E. V. Dunn has been recorded as being another Gold Star Mother in this area. Several names have been submitted and recorded. The American Legion Auxiliary reports that they wish to thank each and everyone for their interest in this. The Auxiliary, however, is still needing the names of other Gold Star Mothers.

'nuff said,
Mary

WANTED—Ironing. Done in my home. \$1.50 dozen. Rear Apt. of Snack Shack. 49-2tp

Returned to Washington
Mrs. Aubrey Burch and Arlou, of Seattle, Washington have returned home, after visiting relatives and friends here the past month.

LEGAL NOTICES

NOTICE OF ELECTION
(For Assessor-Collector of Taxes)
THE STATE OF TEXAS
COUNTY OF CASTRO
TO THE QUALIFIED PROPERTY TAXPAYING VOTERS OF CASTRO COUNTY, TEXAS:

TAKE NOTICE that an election will be held on the 21st day of October, 1958 in the above mentioned county at places, in the manner, and on the proposition set forth in the attached copy of Order for Election, duly entered by the Commissioners' Court of Castro County, Texas, on the 22nd day of September, 1958. Said attached order for election is made a part of this notice for all intents and purposes.

MRS. NEVA HASTINGS
County Clerk, Castro County, Texas

ORDER OF ELECTION

(For Assessor-Collector of Taxes)
THE STATE OF TEXAS
COUNTY OF CASTRO

On this the 22nd day of September, 1958, the Commissioners' Court of Castro County, Texas, convened in regular session at the regular meeting place thereof at the Courthouse in Dimmitt, Texas, with the following members of the Court, to-wit:

- Robert Estes, County Judge
- T. C. Ray, Commissioner Precinct No. 1
- Noble Armstrong, Commissioner Precinct No. 2
- Olen A. Rice, Commissioner Precinct No. 3
- John C. Stork, Commissioner Precinct No. 4
- Neva Hastings, County Clerk, being present and among other proceedings had by said Court

the following:
Whereas Article VIII, Section 16a of the Constitution of the State of Texas, adopted by the people in the general election of November 2, 1954, provides that the Commissioners' Court may submit to the qualified property taxpaying voters of the county at an election the question of adding an assessor and collector of taxes to the list of authorized county officials; and

Whereas this court has been petitioned to call said election; **THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF CASTRO COUNTY, TEXAS:**

That an election be held in said county on the 21st day of October, 1958, which date is sufficient to give notice of this election in the manner as hereinafter provided, and at said election there shall be submitted to the qualified property taxpaying voters of said county the question of adding an assessor-collector of taxes to the list of authorized county officials of said county.

Said election shall be held at the following places in said County and the following named persons are hereby appointed Presiding Judges for said election:

- PRECINCT NO. 1 — Co. Clerk's Office; Dewey Wright
- PRECINCT NO. 2 — Sheriff's office; Ray Bearden
- PRECINCT NO. 3 — Co. Agent's office; E. H. Youts
- PRECINCT NO. 4 — Commissioners Court Room
- Mrs. Dorothy Elder
- PRECINCT NO. 5 — Ed Brockman Home; Ed Brockman
- PRECINCT NO. 6 — Hart American Legion Hall; Dean Sanders
- PRECINCT NO. 7 — Bethel Com. Bldg; Leland Smith
- PRECINCT NO. 8 — Jumbo Com. Bldg; Joe Boozer
- PRECINCT NO. 9 — Summerfield Elevator; Mrs. Ray Johnson
- PRECINCT NO. 10 — Sunnyside Com. Bldg; Howard Bridges
- PRECINCT NO. 11 — Big Square Com. Bldg; Jo Carpenter
- PRECINCT NO. 12 — Nazareth Com. Bldg; Joe Birkenfeld
- PRECINCT NO. 13 — Arney Com. Bldg; Clyde Hancock

PRECINCT NO. 14 — Frio Com. Bldg; Frank Robbins
PRECINCT NO. 15 — Easter Com. Bldg; Mrs. Fred Walton

The ballots of said election shall have written or printed thereon the following:
"FOR ADDING AN ASSESSOR-COLLECTOR OF TAXES TO THE LIST OF AUTHORIZED COUNTY OFFICIALS"
"AGAINST ADDING AN ASSESSOR-COLLECTOR OF TAXES TO THE LIST OF AUTHORIZED COUNTY OFFICIALS"

The manner of holding said election shall be governed, as near as may be, by the General Election Laws of the State of Texas, and none but qualified property taxpaying voters of said County shall be allowed to vote at said election.

The County Clerk shall forthwith issue a notice of said election stating in substance the contents of this election order and the time and place of said election, and said notice shall be posted in each election precinct in this county and at the county courthouse at least twenty days prior to the date of said election by the Sheriff, who shall return his affidavit of posting to the County Clerk.

Notice of said election shall also be given by the publication of a copy of this order in a newspaper of general circulation published in this county on the same day in each of two successive weeks, the date of the first publication to be not less than fourteen days prior to the date set for said election.

Further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question

being called for, the following members of the Court voted AYE: T. C. Ray, Noble Armstrong, Olen A. Rice, and John Stork, and the following voted NO. "NONE".

PASSED, APPROVED AND ADOPTED this the 22nd day of September, 1958.

JayCee-Ettes Gave Hamburger Fry

The Dimmitt JayCee-Ettes entertained the JayCeess and families with a hamburger fry Thursday night, September 25. It was originally planned to be held at the city park but because of bad weather it was moved to the American Legion building.

Charcoal broiled hamburgers, all the trimmings and red beans were served to 51 people.

Those present were Mr. and Mrs. Charles Armstrong and Clay, Mr. and Mrs. Hugo Beyers and Vickie, Mr. and Mrs. Bob Brooks and family, Mr. and Mrs. Conard Clark and Pam, Mr. and Mrs. Bob Du-

Laney and Vickie, Mr. and Mrs. Herb Mayfield and Marla, Mr. and Mrs. Johnny McClesky and Bill, Mr. and Mrs. Rayford Smithson and family, Mr. and Mrs. Ray Robertson and family, Mr. and Mrs. Bud Giles and Eve, Bob Cranford, Mr. and Mrs. Buddy Byrnes and family, Mr. and Mrs. Buster Byrnes and family and Mr. and Mrs. J. G. Davis and family.

Enjoys Picnic
Mr. and Mrs. Jim Norris and family, Mr. and Mrs. Clinton Phillips and children, Mr. and Mrs. Sam Maynard and Wade and Quinford and Marion Oakley enjoyed a picnic at Palo Duro Canyon and a tour through the museum at Canyon recently.

A TRIBUTE TO OUR PARKS!
Strangely enough, we think, our fine city parks and playgrounds do not get the compliments they deserve. True, our press is most generous in its praise of these recreational centers. But couldn't all of us be more enthusiastic about them? little children playing, lovely flowers abloom. Friendly shade trees, grassy retreats, space for happy picnics. Aren't we lucky to have such beautiful places, and a city government that employs such wonderful gardeners and parksmen? This is a good town. It is a typical town of good American homefolks. We love every inch of it and wouldn't live anywhere else. Would you?

Cadillac
PROUDLY PRESENTS FOR 1959 A DRAMATIC NEW REALM OF
Motoring Majesty
A single glance tells you, beyond any question, that these are the newest and most magnificent Cadillac cars ever created. Dazzling in their beauty, enchanting in their grace and elegance, and inspiring in their Fleetwood luxury and appointments—they introduce a new realm of motoring majesty. And a single journey at the wheel will reveal another unquestionable fact—that these are the finest performing Cadillacs ever produced. With a spectacular new engine, with a more responsive Hydra-Matic drive, and with improved qualities of ride and handling, they provide a totally new sense of mastery over time and distance. This brilliant new Cadillac beauty and performance are offered in thirteen individual body styles. To see and drive any of them is to recognize a new dimension in automotive quality and goodness. Why not do both—soon? Your Cadillac dealer invites you to visit his showroom at your earliest opportunity.
By appointment to the world's most discriminating motorists!

NOTICE OF ELECTION

The Commissioners Court of Castro County Has Called An Election for October 21, 1958 In Which To Submit the Following Two Propositions To the Voters of Castro County:

PROPOSITION NO. 1:

AUTHORIZING THE LEVY OF AN ADDITIONAL SPECIAL 30c AD VALOREM TAX AS PROVIDED IN HOUSE BILL 107, ACTS OF THE 51st LEGISLATURE:

Should the proposition of authorizing the special .30¢ Ad Valorem tax be passed by the voters of Castro County and become effective in the 1959 tax year, the Commissioners Court will, at the same time, lower the county valuations sufficiently to off set the increased rate. In other words the cost to each individual tax payer on his county, state, water district, and precinct no. 2 road taxes (all levied on county valuation) will be no greater than it has been in the past and in many instances the cost will be considerably lowered.

From the examples below you will note that the total savings to each tax payer will vary from a few cents to 17% of his total tax due on the county, state, water district, and precinct no. 2 road levies. The reason that the savings to each tax payer will vary will be due to the type of property, homestead exemptions, and whether or not the real estate is located in precinct no. 2.

The 30¢ special tax proposed herein will not be levied against the homestead exemption granted to each taxpayer

since the special levy will be figured on the state tax value of your property. This proposal has been checked by the county auditor and has been declared by him to produce a total savings to the taxpayers of Castro County in the amount of \$5744.26 and at the same time increase county revenue by \$4952.63. Many other counties over the state have adopted this plan.

With the 30¢ special tax adopted and with all county valuations reduced 17½% for the year 1959 the following are examples taken from the 1958 tax rolls showing what the 1958 totals amount to now as compared to what the 1959 totals would be after this plan is put into operation.

Note: This proposal does not in any way affect the school or city taxes.

The final effect this proposal will have on the tax rolls of the county, state, water district, and special road district no. 2 are as follows:

County (.95¢ levy) reduction	\$18,999.19
County (.30¢ levy) new tax increase	23,951.82
COUNTY GAINS \$4,952.63	
State (.42¢ levy) reduction	7,111.41
Water district (.05¢ levy) reduction	966.51
Road district (.60¢ levy) reduction	2,618.97

1959 SAVINGS TO ALL TAXPAYERS OVER 1958 \$5,744.26

Castro County has not had a general increase in taxes since 1946. **THIS PROPOSAL IS NOT AN INCREASE.**

Castro County had only a re-evaluation of property in 1955 (where one item of property went up in valuation there was a corresponding decrease in another item.)

The increased cost of county government operation and addition of county hospital costs have been paid for by the addition to the tax rolls of new homes, businesses, and personal property.

Bill Hochstein and Lenora Smith Wed In Nebraska Ceremony

Mr. Bill Hochstein of Nazareth and Mrs. Lenora Smith of Hart were united in marriage Saturday, September 13, at 10:30 a.m. Mass in the Catholic Church in Fordyce, Nebraska. Attending the wedding from Nazareth were Mr. Hochstein's two sons and their families and Mr. and Mrs. Schacker. A large number of other relatives were also present. Attending the couple were Mr. and Mrs. Edmund Hochstein, brother and sister-in-law of the groom. Following the wedding a reception was held at Kelly's Cove, South Dakota.

Mr. and Mrs. Hochstein will make their home in Hart.

Moved to Hart

Mr. and Mrs. R. C. Bailey and sons moved last week to Hart where he will be engaged in farming.

Mrs. Posey Cunningham Tells of Trip

I have been asked to write about our recent trip to Europe. First I will say it was extremely enjoyable. Someone asked what was the most outstanding thing. I think it was the durability and cleanliness of everything, also the culture and refinement of the European people. Most of the young people speak from three to five languages. You see all ages traveling alone from the very young to the very old. An elderly lady from Houston was on the plane going over on her way to Africa to be with two of her lady friends.

Of the twelve countries we toured we enjoyed Switzerland and Holland the most. We found them so honest and sincere. Their countries are very beautiful. Switzerland with its snowcapped mountains and beautiful lakes would be hard to describe. Holland with their eleven million people and five million bicycles, all the gorgeous flowers, gardens and lush fields with the windmills was an interesting sight. They have no fences to separate their farms, just the irrigation canals from May to October they milk out in the open fields. We were there on a Sunday and saw entire families with their Sunday clothes and hats going to church on bicycles. Their religion is Protestant. The religion of Switzerland is also Protestant. The other countries were Catholics with the exception of England, Scotland and Ireland and theirs is Church of England and Presbyterian.

The fair at Brussels was a wonderful display of modern times. Very few amusement centers. People were certainly not talking to Russian building. I think you would all have been proud of the U. S. building with all the forty-nine states on display.

We were told why Paris is so noted for perfume. King Louis XIV lived to be 67 and never took a bath until three weeks before his death. He had his servants spray him with perfume daily. There were beautiful flowers in the garden and they said there always had been to use to make perfumes. Scotland was very interesting. There was a 3 weeks festival on in Edinburg. There was nightly entertainment called Tatto with their Scottish dances in their kilts and our own Marine Band music in the background. Ireland is a beautiful country. They call their parks "The Green."

The best of all was coming home. We felt almost like a young army engineer we met in Scotland. He was sent to Italy for three years for the government and has one more year to stay. Their home was in Dallas. He said there was just on thing he wanted to ask of us when we got back to Dallas to kneel down and kiss that ground for him please.

We lacked two days being gone six weeks. Don't know how we would have made it if we hadn't heard from family and friends. We had two dozen letters and I assure you each one was welcomed. We left Shannon Airfield in Ireland at 12 o'clock midnight Saturday and were in Lubbock at 4:10 p.m. Sunday. We were weary but most happy to know we would soon be in our own home town, Dimmitt, Texas.

Signed
Mrs. Posey Cunningham

Students Off To College

The following Dimmitt young people have enrolled in colleges, universities, and business schools. We have tried to get a complete list but may have failed. If so we would appreciate the names and schools of those who have been overlooked.

West Texas State College, Canyon
Ann Smith, Charlotte McElroy, Jonalyn Alldredge, Karen Bell, Don Sheffy, Lynn Thompson, Judith Cleavinger, Joyce Slough, Jerry Cluck, Sandra Simms, and Tommy Roberson, Charlotte Myer, Judith Dyer and Coyce Wilgerson.

Hardin Simmons, Abilene
Edgar Dennis, George Ray, Jr., Ivan Sinclair, and Lyndell Sinclair.

Texas Tech, Lubbock
John Carr, Darrel Stine, Gale Sadler, Dwayne Brown, Marilyn Howell, Nancy Neumayer, Leon Crum, Donald Curry Jimmy Tate, Jerry Noble, Chad Moore, Jimmy Jack Butler, Keith Taylor, Danny Bruton, Ed Dowty, Gayle Cooper, Gary Cleaver, Gene Goodwin, Milton Moore, Cary Johnson, Clarence Rogers, Richard Hunter, and Lawrence White.

Texas University, Austin
Sue Bagwell, Larry Womble

A&M College, Bryan
Zay G. Gibreath, Paul Hilburn

Baylor University, Waco
Nelda Bagwell, Evelyn Cummings.

A.C.C., Abilene
Jerry W. Jones, Harold Waggoner, Winston Waggoner, Carol Herring.

Draughan's College, Lubbock
Karl Waggoner, Frances Lane and Hazel Rogers.

California
Wayne Smithson, Gerald Alldredge, and O. C. Renfro.

Students Elsewhere
David Burkett, School of Mines, El Paso; Don Robb, Levelland City College; Patricia Wilson, Southern Methodist University, Dallas; Wilma Smithson, Denton; David Smith, Howard Payne; Margaret Odom, Wayland, Plainvaev; Donna Woodell, School of Nursing, Methodist Hospital, Lubbock; Keith Lowe, Oklahoma State University, Stillwater, Oklahoma; Maxine McCormick Business School, Lubbock; Sharron Goodwin, and Bryan Tate, E.N.M.U., Portales, New Mexico; and Omata Bradley, Draughan's College, Plainview.

Visited in Abernathy
Mr. and Mrs. J. E. Burch attended to business in Lubbock Friday. They visited in the Pete Wilson home after the Abernathy-Dimmitt game.

Nazareth News

By Faye Annen

Mary Goodwin of Amarillo was here visiting the Lew Hindman family over the week end. Linda Hindman of Amarillo; Louise Schacher of Plainview and Rosalie Schacher of Lubbock were all home over the week end. Richard Hoelling of Childress was home, also.

All the school children will have their pictures taken on Friday, October 3.

The Junior Class sponsored "Tilson the Magician" on Monday at 9:00 a.m.

The Nazareth Swifts were defeated by the Cotton Center Elks Thursday night in Cotton Center 26-0. The Swifts will meet Tulsa on Saturday, October 4 at 8:00 p.m. The game will be in Hart at the

football stadium.

The Big League Team defeated Umberger 3-0, in Umberger. Sunday, October 5, the two teams will meet in Nazareth at 2:30, to decide the winner of first and second places.

Mr. and Mrs. Davis of St. John, Indiana, are vacation and stopped to visit some of their childhood acquaintances; the Backus. Mrs. Frank Schulte, entertained them

with breakfast and dinner in the Walter Schulte home.

Visited in Abilene
Lynn Thompson, who is attending West Texas State, Canyon, visited with his sister and husband, Mr. and Mrs. Ivan Sinclair, Abilene, over the week end. They attended the Hardin-Simmons-Baylor Football game at Waco on Saturday night.
