Polo at San Angelo Fair

For the first time in West Texas, two West Texas polo teams will play a series of three matches of this fascinating game October 17, 19 and 21 during the San Angelo Fair. West Texas is the largest producer of polo ponies in America and San Angelo has long been the center of the polo market in this section. For years trainers have been training ponies in West Texas but it is not until this year that these horses have been seen in action by West Texas people.

The Brady team will be captained by Lee Dowd, who has been training polo ponies at Brady and San Angelo for more than a dozen years. His team has been playing at Brady some years and is said to be very fast aggregation.

trainer of Robert Lee, will head the San Angelo team. Mr. Roe takes several cars of polo ponies East every year and plays with the leading teams of the nation while disposing of them. Colonel Dick Waring of San Angelo, a member of General Pershing's personnel staff in France during the war and head of the A. E. F. Mount Service, as well as being one of the best players in this country, will be on the team. Len Mertz and Major Smith of San Angelo will make up the rest of the San Angelo club.

On days when the scheduled games are not being played horsemen of this section are invited to bring their ponies and come to the polo field in front of the grandstand where skilled players will give instructions and will teach those interested in learning the game the fundamentals of this ancient sport. The fair association will furnish the mallets and balls free of charge. Those interested in the sport should see Joe Develin, San Angelo, who is in charge of the polo at the fair this year.

A Remarkable Record

Chamberlain's Cough Remedy has a remarkable record. It has been in use for colds, croup and whooping cough for almost half a century and has constantly grown in favor and popularity as its good qualities became better known. It is the standard and main reliance for this disease in thousand of homes. The facts that it can always be depended upon and is safe and pleasant to take are greatly in its favor when it is wanted for the children. Adv.

Positively—the most joyously good any-time-cereal any man or woman or child ever put in their mouths! Such flavor, such crispness! Such big sunny-brown Corn Flakes! How you'll relish a generous bowl-filled-most-to-overflowing; and a pitcher of milk or cream!

Never was such a set-out! Never did you get such a universal vote as there'll be for Kellogg's Corn Flakes! Big folks and little folks will say "Kellogg's, please, mother!" Leave it to their tastes—and yours! Prove out all we say!

School Opened Monday

Our Public School opened Monday. The faculty is composed of Mr. and Mrs. P. W. Summers, Superintendent and Principal; Miss Byrd Silverstein, Primary; Miss Louisa Ulrich and E. E. Mason, grade teachers.

Quite a number of school patrons were present at the opening and a good enrollment of pupils. Splendid talks were made by the teachers and also Revs. R. B. Young and W. K. Simpson, and Judges E. J. Stockton and D. I. Durham.

L. N. Halbert of Live Oak County is here on a visit. Mr. Halbert and family moved from here to the Lower Rio Grande Valley the first of the year. He is well pleased with the section but says it is not so much to be desired as it is of it. The land can raise plenty of cotton but there are several things against you getting a crop for what you can raise.

FOR SALE—I have 442 acres of land near Robert Lee for sale. There is a 10 acre Lake, 200 large pecan trees, a 5 room house barn other out houses and 100 acres in the field on this property. I am offering it cheap. If you want a good home come and see me. I can be seen here in Robert Lee or on the farm any day until Nov. 1st when I shall leave the county. L. N. Holbert.

Thousands of people needlessly endure a half sick, nervous, run-down condition when they might enjoy sturdy, robust health and all its manifold blessings if they only knew what to do. People in this condition find Tanlac soon ends their great trouble and builds up abundant strength, energy and vitality. Mrs. Stella Admire, 1414 Washington St., Kansas City Mo., says:

"Indigestion and stomach trouble put me in such a run down condition I couldn't do my housework. I just felt miserable all the time. Tanlac made me just as healthy as I ever was and I gained eight pounds too. My husband also got splendid results from Tanlac."

Nervousness and a run down, tired out feeling are but symptoms of a hidden cause, which usually lies in the stomach. Tanlac enables you to digest your food properly, eliminate waste and regain your old time strength and vigor. Get a bottle today at any good druggist.

Mr. and Mrs. J. L. Durham, Sanco, left this week for Dallas where they will make their future home. Mr. Durham has been in Dallas for some time with their daughter, T. E. Eubanks. Mr. and Mrs. Durham have been citizens of our county for about 40 years. We hate to lose them but wish for them success in their new home. They are good people.

To Gain a Good Reputation

The way to gain a good reputation is to endeavor to be what you appear. That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, colds, croup and whooping cough. Every bottle that has ever been put out by the manufacturer has been fully up to the high standard of excellence claimed for it. People have found that it can be depended upon for the relief and cure of these ailments and that it is pleasant and safe to take. Adv.

W. S. Watson and three daughters, Verna, May and Edith, of Coke county were business visitors in San Angelo today. Mr. Watson reported that nearly all the cotton in his section had been picked and that the yield averaged about a bale to from four to seven acres. —San Angelo Standard.

Mag. fields Name Certified

Austin, Sept. 30.—The name of Earle B. Mayfield as Democratic nominee for the United States senate from Texas will be certified without further ruling from the Attorney General's Department unless such action is prohibited by court procedure, Secretary of State Staples announces this afternoon.

The ruling from the legal department on George E. B. Peddy, the Republican nominee, eliminates the question of the legality of Mayfield's nomination was attacked in a protest by Republican Chairman Creager alleging that the Republican primaries were not

valid because they were not conducted by the proper election officials.

The Peddy opinion upholds the constitutionality of the electoral act and the election in general. It does not taken this matter to certify Peddy's name. Supporters of the nominee stated that in proceedings probably would be brought.

The contests against the candidates for U. S. Senator were tonight considered settled unless the forthcoming court action makes it necessary to certify Peddy's name. There is to be no further ruling on Mayfield. Secretary Staples, it was announced, has finished the plans for printing the ballots, but this will not be completed until next week.

England Tense Over Turk Stand

The Kemalists have won the support of Eren Keul and the Turkish government control the narrow straits at Chanak Kara Bourne. It is announced by the Ankara representative that Kemal will confer with the allied generals early next week. The Nationalists will remain in the neutral zone pending the settlement of the controversy, it was stated. The British army has received reinforcements and is in high spirits.

Wireless dispatches to the Mexican embassy, and reports to the Associated Press from Smyrna, Salonika, Mytilene Island and Chios show that thousands of refugees are in danger of perishing if assistance does not arrive promptly. Conservative estimates place the number of sufferers at 400,000. The Greek revolution has resulted in utter administrative chaos and a complete breakdown of all the normal processes of life.

How Better Than Pills

The question has been asked—In what way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills? Our answer is, they are easier and more pleasant to take and their effect is so gentle that one hardly realizes it is produced by a medicine. Then they not only move the bowels but improve the appetite and strengthen the digestion.

Mr. and Mrs. A. P. Stone and little daughter, Mary Florence came in from Greeley Colorado last week where they have been living the past five years. They will spend the winter here. Hello Central

Give Me The Ear of

Coke County

I am bubbling over to get to tell the ladies and misses of that section that San Angelo is going to have the biggest and grandest Fair ever and the POPULAR MILLINERY has already the largest and most attractive line of Fancy Headwear ever shown in the city and we sure are making the fur fly on prices. There is at anybody that has the slightest idea of meeting our prices on High Class Lyons Silk Velvet, Silk Panne Velvee, Hatters silk plush, Metallic Brocades and other ultra fashionable Maternal Hats.

Then just to keep everlastingly bumping all legitimate competition, we are now carrying a complete line of Dry Goods store and Department Store Hats of the so called popular priced hats and we have put a keen wrinkle in the profits of the "leg pulling" institutions who have heretofore reveled in the "Dutchmans one per cent" on that class of Millinery for so long. We have surely stuck a wedge in the Millinery Trust which has burst in asunder and whilst just a short time ago, it was nothing uncommon to see hats advertised at from \$5.00 to \$75.00. The nerviest of them now only quote them up to \$27.50.

Ask the general public to give the reason and they will almost without exception tell you that the POPULAR MILLINERY—the friend of the people—the Lowest Price High Grade Hat House in Texas, brought them to it and yet we are actually giving you all the way from 20 to 100 per cent on the most elaborate stock of hats to be found between El Paso and Fort Worth.

Come over and see us. Get prices all over town; then do as you have been in the habit of doing. Come to Mrs. G. Miller's to get your Hat and save enough cash to help defray your expenses during the big Fair. Make
