Wheat quality, yield 'better than expected'

Wheat harvest in Castro County was estimated at mid-week to be a third to two-thirds completed, with both quality and yield "better than expected" in view of extremely dry conditions through the winter and hail damage in spots.

IN THE east part of the county where hail was heavy in places, some of the grain was shattered and on the ground.

A few fields are being grazed instead of harvested, and yield is low in others, Star Grain at Nazareth reported, while Prairie Grain at Hart said yields are running from 20 to 60 bushels per acre.

Bill Clark at Dimmitt Agri Industries, Inc., said most farmers are getting 58 to 70 bushels an acre, of good quality.

Even the hail-stressed crops are of "pretty good quality," Don Gregory of Castro County Grain said.

OVERALL, the wheat averages No. 2 or better, Gregory added, and most of it tests about 60 pounds per bushel. He estimated the harvest at the halfway point with "some through and some not started yet" Wednesday.

Bruegel and Sons, with elevators in the north and west parts of the county, estimated the crop about 30 percent harvested, with irrigated wheat just beginning to be delivered in good volume Tuesday.

Quality is better than expect-

ed although the dryland wheat is of poor quality this year and some fields have suffered hail stress.

SUNNYSIDE Grain reported the harvest two-thirds completed in that area, with yield and quality good, and little hail loss apparent.

At Hart, Prairie Grain reported wheat "coming in fast now" with yields 20 to 60 bushels an acre depending on hail damage, but most of the grain dry and of good quality, even in hail areas.

The Hart area harvest is "not half through yet but it's ready now and everyone is in a hurry, so it should soon be over if we don't get rain," Farmers Grain said.

FLAGG GRAIN reported that the harvest is just now well underway, with test weights of 60 or 62 pounds and moisture content around 9 or 10. Dimmitt Agri Industries elevators at Flagg and Tam Anne had much the same reports, adding that yield and quality are both better than expected.

"Some of the wheat is still pretty green" southeast of Dimmitt, the Roy Grain Elevator reported. Yield is 40 to 50 bushels an acre and quality is good.

W&C Grain reported the harvest "just started good" and expected to continue at a fast clip into next week. Wheat hit by hail is "real dry but light" and other of very good quality.

Dimmitt—An American Bicentennial Community!

49th Year — No. 38

Dimmitt, Texas, Thursday, June 24, 1976

16 Pages

Fireworks show canceled

Independence Day plans for Dimmitt are taking shape with two days of activities scheduled although the proposed fireworks show was canceled this week for lack of a suitable location to set off the display.

BEGINNING Saturday, July 3—which has been designated as Pioneer Dress Day—the weekend program calls for a time capsule burial ceremony followed by a downtown water-polo game staged by Dimmitt volunteer firemen Saturday afternoon.

Castro County will join in nationwide Bicentennial ball-ringing at 2 p.m. Sunday.

A supper at the County Expo Building is scheduled at 5 p.m. Sunday, July 4, with members of the county's churches assigned to bring various dishes for the meal.

SPONSORED by the Dimmitt Ministerial Alliance, a community service will begin at 6:30 p.m. in the Expo Building. County Judge Weldon Bradley will be the speaker and Jim Massey, music minister at the First United Methodist Church, will direct singing.

The Castro County Bicentennial chorus, the 76'ers, will present a program at 7:30 featuring patriotic songs. Massey is director of the chorus.

The time capsule ceremony will be at 1 p.m. Saturday on the courthouse lawn. Linda Maxwell, general chairman of the Bicentennial Committee, will welcome the audience after recognition of city and county officials by Florene Leinen. Carolyn Watts will give the invocation.

LINDA ROBERTS, chairman of the Horizon subcommittee which is in charge of the time capsule project, will conduct the burial of the capsule containing reminders of Dimmitt's

past and present.

It will hold messages to Dimmitt residents of the future and is slated to be unearthed in 2026. Those who wish to place items in the capsule are invited to take them to the Dimmitt Chamber of Commerce office in city hall Monday through Wednesday.

The item may be a letter to a descendant, a piece of county or family history, photographs or objects which might be of interest to someone 50 years hence. Maximum size will be 3 x 5 inches.

NO SPECIFIC type of container is specified, Mrs. Roberts said. Letters or papers may be put in envelopes that do not exceed the 3 x 5-inch size. Other objects could be boxed, but no wrapping or box is required. Each item should have a label indicating who the recipient is to be when the capsule is unearthed.

The capsule, donated by Jackson Ditching Service, will be made of 10-inch plastic pipe, sealed at both ends, as long as necessary. More than one capsule will be used if enough contributions are received. It will be buried four feet deep, with a concrete cap.

Awards in the Pioneer Dress Contest will be presented at the time capsule ceremony. George Blanton, chairman, said that several members of the Senior Citizens Association will be

DHS graduate gets ring back after 15 years

A Dimmitt High School senior ring that was lost in 1961 was returned to its owner Monday with a 15-year blank in its history.

JIMMY CAMPBELL, now of Boise City, Okla., picked up the ring which he had lost at the county fairgrounds in February, 1961, his senior year in DHS.

Ivor Bagwell returned it after Lucille Dollar, Dimmitt High School secretary, traced Campbell's initials, JCC, which were engraved in the ring.

"He was glad to get it back—he had had it such a short while when he lost it," said Campbell's mother-in-law Mrs. Harley Dodd.

THE RING was found a few months ago when Bagwell was leveling some dirt that city employees had hauled in to fill a hole in front of his home.

With the initials JCC as a clue, the Bagwells began searching for the owner. One of Campbell's classmates who still lives in Dimmitt guessed that the ring belonged to Junior Coffey, and some time was spent in checking that lead.

Finally, a call to Mrs. Dollar at the high school office settled the matter of ownership.

CAMPBELL and his wife were in Dimmitt last weekend visiting her parents, and he went to the Bagwell home to claim his ring.

Carrell rites held Saturday

Funeral services for Thomas Carrell, 67, who died last Thursday were conducted Saturday at the First Baptist Church. Rev. Raymond Jones of Sunnyside officiated, assisted by Charles Higgs, First Baptist associate pastor.

BURIAL was in Castro Memorial Gardens, directed by the Dennis Funeral Home. Active pallbearers were Dub Winders, Chuck Smith, Jack Howell, Terry Ellison, Bay Baldrige and Milton Bagwell.

Honorary pallbearers were Wesley Barnes, John McGhee, Demp Foster, Kirk Steinback, Buster Morgan and Gene Smith.

A retired farmer, Mr. Carrell had lived in Dimmitt the past six years.

He is survived by his wife, Muri; two daughters, Peggy Long of Amarillo and Geline McGee of Houston; a son, Kirby, of Bovina; three sisters, Cora West of Dimmitt, Etta Frances of Quanah and Daisy Wallen of Olustee, Okla.; two brothers, Frank of Olustee and Bill, who lives in Oregon; and six grandchildren.

The losers during the time that the City Fathers and the School Board nit-pick are the kids of the community that are not fortunate enough to belong to the Country Club or Ruskin Circle Swim Club.

Before either of the membership pools was organized, the Lions Club saw the need for a place for the kids of the community to learn to swim and to swim. The Lions were successful in conducting a fund-raising campaign and Dimmitt's first swimming pool became a reality. There wasn't any hassle about the location of the pool. The city park was quickly eliminated as it was agreed that the school ground location would eliminate the need for building dressing rooms, and that supervision would be more readily available at that location. The city and school cooperated in providing a swimming pool for the youngsters of the area for the past twenty years.

The public swimming pool has been of inestimable value, both in the general development of the community and as a facility that has filled a pressing need in the lives of the youth of the community. No one had any illusions about the swimming pool being a profitable venture when it was built, but the city and school authorities realized that the overall benefits to be derived from the facility far outweighed any deficit that might accrue from its operation.

The need for the public swimming pool is even greater now than when it was first constructed. The use of the other two pools in the community is only available to the kids on the membership rolls of the clubs, and they represent only a fraction of the number of youth of the community. Public funds are just that (public) and their purpose is to provide public necessities, and the opening of the public swimming pool is a public need and it should be done without further delay. All things considered this is a city-school responsibility and without any more passing of the buck the swimming facility should be opened immediately in the interest of the public weal.

New police car to be Chevrolet

Reeve-Fleming Chevrolet won the bid Monday night to provide the city with a new police car.

CITY commissioners voted to buy a 1976 Chevrolet Impala equipped with a 400-CID V-8 engine and special "police package." Reeve-Fleming's bid was \$4,875.82.

Reeve-Fleming Chevrolet and Dale Fowler Ford submitted bids on both mid-size and full-size models, with and without special police packages. Bids ranged from \$4,519.52 for a basic Chevelle with a 400 engine to \$5,010.70 for a Ford Custom 500 with a 460 Interceptor engine and special police package.

City tosses pool back to school

Dimmitt's city commission voted Monday night to subsidize the public-pool swimming program by \$750 per year for three years, but disclaimed any city responsibility in the operation of the pool at Dimmitt Middle School.

CITY officials also suggested that the school lease the pool's operation to a third party.

After studying a 22-point proposal by the Dimmitt School Board for joint city-school operation of the public pool, city commissioners deleted all six points that involved the city, proposed three substitute points, and sent the amended proposal back to the school board for its consideration.

POINTS IN the proposed operating agreement which the city commissioners voted to delete were:

—That "any accumulated deficit at the end of the swimming season will be paid to the swimming pool account by the city."

—That the school district will "provide the city with a monthly financial statement."

—THAT THE city will "establish admission price."

—That the city will "pay to the school any deficit that might exist at the end of the last month of operation for the year."

—That the city will "establish a city ordinance concerning unauthorized swimming in the pool."

—That the city will "provide

police enforcement of the above ordinance."

THE COMMISSION rewrote and reshaped the proposed city policies on the summer swimming program with these three proposed items:

1. "The city will pay to the Dimmitt Independent School District \$750 per year to see that the pool is operated for the use and benefit of the citizens of the City of Dimmitt."

2. "This agreement shall be binding on all parties until Oct. 1, 1979."

3. "The Dimmitt Independent School District shall indemnify and hold harmless the City of Dimmitt for all expenses and/or indebtedness incurred by reason of any action or cause of action arising out of, or as a result of, the operation of the pool by the Dimmitt Independent School District pursuant to this agreement."

CITY commissioners cited four basic reasons behind their move to disclaim any city responsibility for the pool except for the \$750 summer subsidy:

(1) The pool is owned by the schools and is located on private property outside the city's jurisdiction;

(2) The only street leading to the pool is a private street owned by the school district;

(3) Operation of the pool requires the opening of a school building and the use of the school's dressing rooms;

SHERIFF JACK CARTWRIGHT WITH COUNTERFEIT BILLS
... "Very amateurish," but they worked

Bogus bills are passed

Counterfeit bills in \$100 and \$10 denominations—made of water-colored photocopies glued back-to-back—were passed in Dimmitt Tuesday and Thursday of last week. The Castro County Sheriff's office is investigating.

TWO BOGUS \$100 bills were used to buy money orders last Thursday at a local store. Shortly afterward, about 4 p.m., the manager notified the sheriff's office.

The store manager said the bills were passed to an employee by an Anglo man about 30 years of age, Sheriff Jack Cartwright reported. The

man's signature was not required in buying the money orders.

The \$10 bill was received by a Dimmitt woman in change from a local service station. She said it was badly crumpled and "looked like it had been through a washer" but she did not examine it closely, and spent it at a Hereford restaurant later that day.

ON HER way home from Hereford she was stopped by a state highway patrolman and held until a member of the Hereford Police Dept. arrived to question her, then she was released.

The three bills were crudely made, Cartwright said, and in the same way. Actual bills had been photocopied, then the copies were colored with water-colors and the two sides glued together. The green color—several shades lighter than the original—was applied unevenly.

There is no Texas law against counterfeiting bills, although the law does prohibit counterfeiting coins, Cartwright said, so the only state charge for passing the bills would be swindling.

Program tonight will focus on shoplifting, bad checks

"Controlling Retail Theft, Shoplifting and Bad Checks" will be the topic of a free program to be conducted for local business people tonight (Thursday) in the courthouse community room.

THE COURSE will be conducted by representatives of the Small Business Administration, co-sponsored by the Chamber of Commerce and the

county attorney's office. The program is open to all business and professional people who serve the public or handle money—sales clerks, bookkeepers, cashiers, store managers, business owners—who could possibly be victimized by shoplifters, counterfeiters or bad-check artists.

The program will begin at 8 p.m. and adjourn at 10:30, with a coffee break at 9:05. Program highlights will include:

8—"What Is a Good Check Cashing Policy?"
8:20—"Legal Recourse on Bad Checks."
8:35—"The Paperhangers," a 30-minute film showing typical methods used for passing bad checks.
9:20—"What You Can Do to Prevent Shoplifting."
9:40—"The Shoplifters," 20-minute color film dealing with typical methods used by shoplifters.
10—Discussion, questions and answers.

Time Capsule items are due

Material for the Bicentennial Time Capsule, which will be buried on the Castro County courthouse grounds in a July 3 ceremony, will be collected next week, residents are reminded by Linda Roberts, Horizons chairman in Dimmitt's Bicentennial Committee.

ITEMS of historic interest or which reflect today's mode of living in Dimmitt will be placed in the capsule, due to be unearthed in 50 years. The capsule was made and donated by Jackson Ditching Service. Any resident of Castro County may contribute an item for the capsule, not to exceed 3x5x5 inches in size. It may be consigned for delivery in 2026 to a descendant or to a local institution such as the museum or library.

Contributions will be received at the Dimmitt Chamber of Commerce office Monday, Tuesday and Wednesday.

Sheffy's chatter

By MYRTLE SHEFFY

Fathers Day company and church camps were the thing last week.

NORVELLE AND Judy Birdwell had the family in, Mrs. Lawrence of here, Judy Carol from WTSU who is home and working for Big T Pump Co., Jerry and Vicki Birdwell from Lubbock, where he is an accountant, and Larry and Alona of here.

CRAIG AND Nancy Fuller cooked big steaks for her dad Kenneth Jackson Sunday and mama Ruth and I were there and Patti and Jerry Cartwright came in with tutti frutti ice cream.

Verbie and Don Nelson made the Sunday dinner for his dad and mom B. M. and Viola. They went to Lubbock Saturday to visit her mother Vada Bell Oldham. David Nelson has been with the Boy Scouts at the camp below Floydada. He is on the staff.

James and Mildred Bradford went to Commerce, east of Dallas, for a visit with son Bob and Paula. And Jack and Susie Bradford fixed the Fathers Day dinner for granddad George and Josie and the other grands Earl and Grace Lust came in for ice cream and cake.

GUESTS in the home of the David Hayses Sunday were her family Mr. and Mrs. Earl Lance, Mr. and Mrs. Jerry Lance of Summerfield, Mr. and Mrs. R. E. Lance, Jr., Mr. and Mrs. Reese Dawson and Terese, Mr. and Mrs. Ronnie Lance and Michelle of Hereford, Jenene Herrington of Amarillo and David's family Mr. and Mrs. J. R. Hays, Doug and Norman, Walter Easter and Mrs. J. W. Witherspoon of Hereford and Mr. and Mrs. Tom Jarecki (Penny Hays) of Amarillo. The occasion was to celebrate Fathers Day and the 56th wedding anniversary of Ann's folks Mr. and Mrs. Earl

Church camps, family get-togethers highlight week

Lance, and the second wedding anniversary of Mr. and Mrs. Tom Jarecki.

Elzie and Serena Teague joined all their family at Chacara, Colo., near Venita, for the wedding of their granddaughter Cheryl Dow to Robert La Rodeiere of Houston. Cheryl is the daughter of Della Gay or Mr. and Mrs. Bill Dow of Bernard, Maine, who were there with daughters Lori and Diane. Others were Vernelle Dyer and son Bobbie from San Rafael, Calif., Lavelle Mapes or Mrs. Bob Mapes of Walsenburg, Colo., Jack Teague and sons Tommy and Jackie from Dexter, N.M. and several of the grandchildren and their friends. The reception was in the dining room of a restaurant in Lavita, Colo.

Serena had a bad experience. Driving her car, the brakes suddenly went out. She didn't do any big damage, just scared. What do we do when that happens? Or to keep it from happening? Other guests in the Teague home were George and Laura Jones from Childress and Clyde and Faye Damron from Flagg.

MRS. BII' Clark and Mrs. Helene Mcrarland of Arney went to Fort Worth or Austin to attend the Republican convention. I don't know their decisions about the candidates.

Quite a crowd of young people are at Blue Haven Camp in New Mexico for a two-week stay. Woodrow and Alice Killingsworth are sponsors and are teaching a Bible course. Some of the people I hear of who went are Susan Ryan, Brian and Keith Gregory, Carla Carpenter, the Ellison boys Randy and Terry, Pam Nutt, Pam Nelson and Penny Profit of Ropesville, a former Dimmitt girl. Several others attend this church camp but I failed to get their names. Gayla Ulrich is visiting her parents Mr. and Mrs. Beall in Vernon this week. Gayla's husband is minister of Bedford Street Church of Christ.

OLETA GOLDEN, Mamey Birdwell, Polly Bell and Jo Gregory spent a few days at Ruidoso, just for a change of scenery. All these girls paint and do needlepoint besides cooking and sewing.

Mary Ann Howell, daughter of George and Marie, has been in Lubbock attending a music camp at Christian College there. I hear she is a very good musician and Kevin and Leland Ginn were there also. They are the sons of Alton and Marilyn. People were there from Kansas, Wyoming, Oklahoma and New Mexico. There were also Bible classes for the group.

Nancy English of Tucumcari has been here for a visit with her grandmother Cletha George. Nancy is the daughter of Jack George.

IRENE Carpenter and her kin Louis and Inez Wright of Wheeler went to Dallas one day last week to attend the funeral of brother-in-law L. D. Parker. From there they went north to Ardmore, Okla. to talk to Dr. McArthur, then on to northeast Oklahoma, a stop in Spavinaw to fish in the lake. They caught several. Irene says she has to faint because her fish were so

little. Then they went to Eureka Springs, Ark. to see the Passion Play. It is very good and worth your time to see.

And the "Texas" pageant has started at Palo Duro. So we do hope to see that play again. Maggie Boren was hostess at a luncheon Thursday at the Colonial Inn Restaurant with bridge in the afternoon. Guests were Retta and Billy Cluck, both were high score winners, Josie Bradford, Opal Bearden, Cletha George, Jeanie Miller, Myrtle Sheffy and Maggie, who served pretty and very good macarons made by Mrs. Van Earl Hughes, all pink and full of nuts.

GENE AND Connie Ivey went out to Arizona last weekend to visit their daughter Laurel and Wayland Fanning and family. They will probably make some tours of the interesting places.

Cara Dearing was the honor guest at a shower for the new baby in the home of Marzelle Powell Thursday night. Her mother Mrs. Alvin Frazier was there with many other guests including her young matron friends.

Ellen Gregory and children are in Colorado Springs this week visiting her parents Mr. and Mrs. Carol Jones. I believe they are ranch people.

David and Ann Hays and Scott took her parents the Earl Lances to the tractor pull in Amarillo Friday night. Scott said International tractors won again, naturally! Dondi stayed in Hereford with her cousin Terese Dawson.

RECENT visitors of Myrtle Williams were her granddaughter Jackie and Sheila Lofgren and small sons Rodney and Jerry from Vinita, Okla. Sheila is Vernon Williams' oldest daughter. Later in the month a granddaughter Pamela and husband Steeve White came here from San Diego, Calif. for a short visit. Ben has been in the service there but is transferred to overseas, so Pamela is moving back to Vinita. Pamela is Glenn's youngest daughter. She has a job awaiting her there.

Barbara Wheat and children went out to Southern California for a vacation. They plan to see Disneyland and the other tourist attractions. Marvin Roark and family have been to San Antonio, Austin and places in that area, then on to Ruidoso for a change of scenery.

Our granddaughter Connie Sheffy, Bob and Mildred's girl, is in school at Denton but will be a librarian at a Fort Worth grade school next fall. Reba Touchstone went to Waco a while back to visit her son Cal and Barbara Howard.

SS representative due here Monday

A representative of the Social Security Administration will be at the Castro County courthouse at 9 a.m. Monday to meet county residents who have business with the SSA. SERVICE may also be obtained by a telephone call or visit to the SSA office in Plainview, at 1401-B West 5th St.

Their girls Sandi and Christi came home with her for the summer and last week Jay Lee and Reba took the girls for a vacation trip to the mountains and spent a few days at the Angelfire Lodge.

SHARON PATTON of Nashville, Tenn. has been home for a visit with her parents James and Reta Welch and James' folks Jack and Clara Patton. They were having dinner with aunt and uncle Ceal and Horace Carlile one day. Sharon is writing her thesis toward her masters degree. James is working in college there also.

Sue Broderson went to Wichita Falls Sunday to visit her mother Mrs. Michael who has been ill. Sue is art teacher at Dimmitt High and wife of Emmett for 25 years and mother of three. A busy person is Sue.

Mrs. G. T. Downing is home from her trip to Hawaii. She and the children stayed in the Island home of some of her kin.

Do call B. M. Nelson or Helen Richardson if you have things for the museum or if you would like to help with money

DR. JAMES E. WOHLGEMUTH OPTOMETRIST 300 West Bedford Ph. 647-4464 Dimmitt, Tex.

Bill and Cheryl Glidewell were hosts at a party Friday evening. They served coconut pecan ice cream and coffee to Durwood and Betty Patterson, Bob and Betty Huckabay, Brenda Andrews, Jim Bob and Diane Sanders. I played in Jim Bob's place while he worked late. Then I went on to the silver anniversary party. Gad, gad around!

THE PARTY and reception Sat. evening for the three couples celebrating their 25th wedding anniversary was a fun thing with many friends coming to wish happiness and more years for Bill and Martha Dan-

State Farm is still the best car insurance value in Texas.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Man's first reactions to another is based on outward appearances, and only time will help him to know the heart of another. God knows, immediately, every attitude of the heart, whether it is good or bad. "Blessed are the pure in heart: for they shall see God." There are many rewards for those that follow the Lord. "Let the heart of them rejoice that seek the Lord."

MARTINS NESTING—Purple martins—the fast-fitting little birds that everybody has been trying to entice here because of their mosquito-eating habits—are building a nest in this home-made bird-house on the porch of the Frank Henderson home north of Dimmitt. For years, residents of this area have tried, without success, to attract purple martins by putting up specially designed bird-houses. This tubular bird-house isn't like the traditional martin-houses; it would be good for almost any small bird. But the Hendersons are glad the martins are taking up there.

View from the Library

By **CARLTON MOYERS**
Librarian

The world's greatest fudge-sicle is available at the library. It hangs above the game rack on the circulation desk, brown and cold.

WIN ONE and lick it to the stick, the fudge-sicle, that is. The details? Well, just be in the library when the librarian strolls through the building, stopwatch in one hand and tickets in the other.

Try your skill at estimating ten seconds or five or your choice. If you hit it right on the mark, you'll be the proud owner of a new 1976 fudge-sicle with a factory-installed stick.

That's right. When the sun

bears down and the pavement fights back, it's cool in the library and you might win a slurpy good fudge-wudgie bar.

Then you can play chess, or Monopoly, or checkers, or pick-up sticks. Or concentration, the TV game, or Price is Right, TV game. Or build a science project.

PARTY! PARTY! PARTY! Yep, we didn't learn our lesson with party number one. There's another on tap Wednesday, Aug. 11, at 2 p.m. We'll convene at the Carille Theater. One catch—only summer readers who've read ten books will attend. Cartoons and good films are ready to roll.

Cassette tapes are here. Country, classic, spoken word, rock, popular, old radio programs—something for everyone. They're courtesy of the Texas Panhandle Library System. Goodies for system members.

The library takes to the airwaves every Saturday morning at 9:35 for Coffee Break on KDHN. We try for variety. Listen in sometime.

Read any best sellers lately? We've got 'em. Need a speech? We can help. Need a recipe for Martha Washington's whisky cake? (General George loved it.) We've got it.

Stop, look, listen, and even taste. (Remember the fudge bars?) For your information—it's the library. Drop in soon.

Rotary scholar speaks to club

Dana Behne of Tulia, who spent the past year studying music in Germany under a Rotary Foundation graduate fellowship, spoke to the Dimmitt Rotary Club at its lunch Friday.

MISS BEHNE is at home for a summer visit before she returns to Germany in August for more study and teaching. She has been doing advanced study of piano and musical history at the Music School in Frankfurt.

Wearing a colorful German peasant dress, she showed slides and told of her studies and of opportunities to attend opera, concerts and ballets which are presented in Frankfurt every night, at a low cost to students.

She visited Rotary Clubs in Germany by special permission since the clubs there ordinarily do not admit women to their meetings. She was surprised at the formality of the club lunches, the scholarly lectures on the programs and the fact that Rotary is a very exclusive organization in Germany with only the top members of a profession in each city as members.

14—CARD OF THANKS

CARD OF THANKS
May God's richest blessings be given to each one working at the hospital. Thanks for all your kindness and care that you gave me while I was there. A special thank you to Sid for her prayers. And also to our Dr. Lee, whom we have known and loved so long. I am feeling some better now and am very sorry if I was so hard to get along with. May God touch each of you in some special way. We thank you.

NEVA & MILTON HEDGECKOKE 14-38-1tp

15—LEGAL NOTICES

CITATION BY PUBLICATION
TO: L. A. REYNOLDS, Respondent, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable 64th District Court of Castro County at the Court-house thereof, in Dimmitt, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 12th day of July A.D. 1976, to Plaintiff's Petition filed in said court, on the 18th day of May A.D. 1976, in this cause, numbered 4230 on the docket of said court and styled in the matter of the marriage of Cheryl Reynolds and L. A. Reynolds and in the interest of Danny Ray Reynolds, a Child.

A brief statement of the nature of this suit is as follows, to-wit: a Petition to dissolve the marriage of Cheryl Reynolds and L. A. Reynolds and to appoint Cheryl Reynolds as Managing Conservator of Danny Ray Reynolds, their child, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Dimmitt, Texas, this the 27th day of May A.D. 1976.

Attest: ZONELL MAPLES
Clerk, 64th District Court
Castro County, Texas

NOT QUITE—Astro third baseman David Barton takes the throw in time and tags out Yankee pitcher Kyle Weatherford on an attempted steal in the third inning of Monday night's Little League game. The contest featured good hitting and fielding by both teams, with the league-leading Yankees winning it, 15-6.

Astros win Minor League championship

Final games for Minor League teams in Dimmitt's Little League left the Astros at the head of the standings with a 10-1 record for the season.

THEY WERE trailed by the Cards, 8-3, then the Yankees and Dodgers tied with two wins to nine losses each.

The Astros defeated the Yankees in the last game Friday by 10-6, while the Cards won their final contest against the Dodgers, 5-3.

Major League play is scheduled to continue through July 1.

Melons and fruit are good buys at grocery

Cantaloupe and honeydew melons are good choices, price-wise, at most Texas grocery stores currently, reports Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service.

"ALSO, this is the season for Granny Smith apples from New Zealand—and they're good for eating fresh or for cooking," the specialist said.

First-of-the-season fruits appearing on the market include Bing cherries, Perlette grapes, peaches, nectarines and plums.

"These are rather costly now, but prices have already started trending downward," Mrs. Clyatt noted.

Fresh vegetables now in adequate supply—"especially good in salads"—are tomatoes, radishes, spinach, Romaine, green onions, new-crop green cabbage, cucumbers and a variety of leaf lettuces.

"Also, sliced zucchini squash is an appetizing addition to the salad bowl," the specialist added.

"BUDGET BUYS in the fresh-vegetable department are carrots, yellow onions and red potatoes, while corn offers tasty eating at attractive prices.

"If consumers want to can or freeze corn for later use, they should start looking for those corn values now," Mrs. Clyatt advised.

At meat counters, beef is a frequent feature—with cuts on "special" mainly from chuck and round, along with an occasional bargain on tenderloin cuts.

"Of all the major foods, only pork is listed in light supply. That is, less than we normally need," Mrs. Clyatt explained.

"THERE ARE few leading values on pork. Quarter-loin cut into chops, Boston butt roasts and liver and the key buys.

"Eggs are a high-protein food—and they are in good supply with attractive prices again this week.

"Fryer chickens are a good choice for family cookouts or picnics—and, although reports indicate greater supplies than a year ago, so is demand. That means consumers can expect prices to remain the same or trend a bit higher in the next few weeks.

CONSUMER WATCH-WORDS: Keep a supply of hard-cooked eggs in the refrigerator—for snacks, potato salad and sandwich filling, to name a few. They will keep for about a week.

FILLING the new position of food technologist for horticultural crops with the Texas Agricultural Extension Service is Alfred B. Wagner, Jr., a native of Kerr County. He will provide information, training and teaching materials to strengthen educational efforts in food technology for county Extension agents, food processors and organizations, especially relating to processing qualities and consumer acceptability of horticultural crops.

Week is spent at music camp

Four students from Dimmitt attended a music camp June 13-19 on the campus of Lubbock Christian College.

MARY ANN HOWELL, Kevin and Lelon Ginn and John Ward went to the camp for a week of instruction and practice in choral and instrumental music.

Held each year for junior and senior high school students, the camp offers recreation including a picnic, a campfire devotional, basketball, softball and a variety show.

CONSTRUCTION is nearing completion on the new Hays Implement Co. building on FM 3215, near the 385-194 intersection in Southeast Dimmitt. Workmen have completed most of the paneling inside, and are busy on their interior finish work. The owners, Jim, David and Doug Hays, said they hope to start moving equipment and furniture into the new building in mid-July. The

large equipment display lot in foreground is due to be paved soon. The new steel-and-brick building, four times as large as the present Hays building, will include a customer lounge, large self-service parts department, employee lounge and meeting room, as well as sales and management offices and huge garage facilities.

Sunnyside Lions to sell fireworks

Bicentennial Bonds carry July 4 date

First State Bank of Dimmitt will, on request, issue Bicentennial-design Series E Savings Bonds dated July 4 to over-the-counter customers between July 1 and July 31. This special commemoration of our nation's 200th birthday will have no effect on the terms and conditions effective on the bonds.

IN announcing this special issue, Bob McLean, president of the bank, said, "We are extremely pleased to be able to offer everyone in this area a chance to make the purchase of Savings Bonds a truly Bicentennial event. Those bonds bearing the July 4 date will make perfect souvenirs of our birthday celebration that everyone will want to have and keep for many years to come."

Denominations of the Bicentennial-design Series E Savings Bonds range from \$25 to \$1,000, with purchase prices of \$18.75 to \$750. They draw 6 percent interest when held to a five-year maturity (4½ the first year), and carry an automatic 10-year extension of interest beyond maturity.

PERFORMANCES of the summer musical TEXAS in Palo Duro Canyon are being given on week-nights through Aug. 21, and the Dimmitt Chamber of Commerce has tickets for sale as a service to local residents.

On Wall Street
By Bob Hill
A. G. Edwards & Sons, Inc.

It may be their best year and it may be their last good year as an industry, but the fireworks manufacturers are turning away business. It's the "Bicentennial Boom".

AN ESTIMATED \$240 million worth of fireworks and fireworks displays will light up the sky while we help celebrate the nation's 200th birthday. That's almost triple the annual sales of the fireworks folks. A Fort Worth fireworks distributor will send out licensed "shooters" to put on 40 shows between July 3 and July 5. There are only a dozen US

Kiwanians will sell fireworks

A fireworks sales stand—an annual project of the Dimmitt Kiwanis Club to raise funds for community projects—will be operated five days next week through July 4, members decided at their lunch Monday.

Arrangements will be completed at the monthly board meeting Monday.

CARL BRUEGEL, program chairman this week, introduced Vance Reed of Amarillo, who showed slides and told of new operation methods at a pioneer southwestern business firm, the Coors Brewery at Golden, Colo.

He also told of a program financed by the firm to aid underprivileged children. Guests included two members of the Kiwanis-sponsored DHS Key Club, Eddie Oldfield and Rodney Craig.

CASSEROLES with macaroni, spaghetti and noodles make family economy main dishes. They're low in cost and easy to freeze. Also, they are easy to prepare—using just about anything on hand, Mrs. Sally Coble, foods and nutrition specialist with the Texas Agricultural Extension Service, points out.

fireworks manufacturers. All of them are doing well and will ship right up to July 2 or July 3. These companies produce almost half of the fireworks sold in the US. If any shortages appear, it will be in the public sale of fireworks, which in one form or another are legal in all but 15 of the 50 states.

Prices will also climb due to the increased costs of materials and new government safety regulations which are stricter. Red gum, an important material in making fireworks, has jumped 40% in price.

ANOTHER problem is caused by the bankruptcy of REA Express. It has forced the cancellation of orders. Department of Transportation regulations on the hauling of display-type fireworks over interstate highways has put the shipping of fireworks on a tight schedule since only a few truckers have equipment and permits to carry them.

Even though it's our bicentennial celebration with lots of red, white, and blue, an "All-American" show is out of the question. There is no way the American fireworks manufacturers could supply the terrific fireworks demand without huge increases in imports. Most of the \$50,000 worth of fireworks to be set off in New York harbor will come from Taiwan, Canada, France and Japan. The 30 tons of fireworks to be set off in Washington, D.C. will come primarily from a French manufacturer, the largest in the world.

Even the Chinese are getting into the act, shipping \$3.5 million worth of fireworks to the US, as well as the biggest single fireworks display, weighing 160 pounds, with a glare visible for 50 miles.

YOU CAN buy tickets to a performance of TEXAS at the Dimmitt Chamber of Commerce office up to 3 p.m. on the day of the performance you want to attend.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Many veterans of the Armed Forces are unaware of their entitlement to receive medical care in Veterans Administration hospitals.

SOME OF these former servicemen and women are not receiving the medical care they need because of limited finances, or they are in private hospitals and paying their own bills. In many instances, veterans have suffered long periods of illness and exhausted their life savings, leaving destitute families at time of death.

Under present laws, a person is eligible for admission to a VA hospital if he or she served on federal active duty in the Armed Forces of the United States at any time, either wartime or peacetime, and was discharged under conditions which are considered honorable.

For many years, peacetime veterans were eligible for VA hospitalization only if they were discharged from service because of disability, were seeking treatment for a service-connected disability, or were in receipt of VA compensation.

DEPENDING upon his needs, a veteran may personally visit the VA hospital nearest his home, where he will be examined to determine the need for hospitalization. If a medical emergency exists ambulance travel may be authorized by the VA if requested in advance by the veteran's private physician.

If a veteran is eligible for admission there is no charge of any kind for his medical care.

The nearest VA Hospital to Castro County is at the intersection of Bell Street and old Highway 66 on the west side of Amarillo. We can give detailed information at our office in the courthouse and help the veteran fill out necessary forms if desired.

THE VETERANS Administration reminds former servicemen and women that lost documents should not deter them from seeking VA benefits for which they may be eligible.

For example, VA will accept a certified statement instead of an original birth or marriage certificate when needed to establish eligibility, provided it is the first marriage for both the veteran and spouse and the VA has no contradictory information on file.

In the past, VA required formal documentation in support of eligibility claims for compensation and education benefits for veterans, widows and orphaned children.

VA's liberalized rules also allow acceptance of a certified statement documenting the birth of a veteran's child or as proof of age and relationship in disability cases.

Your County Service Officer is prepared to give assistance in filling out forms for all VA benefits, for eligible veterans, their dependents and survivors.

Debbie Wilson is nurse grad

Debbie Wilson of Dimmitt graduated from the Methodist Hospital School of Nursing at Lubbock in ceremonies held there June 12.

SHE WILL begin work July 5 as a registered nurse at Parkland Hospital in Dallas.

Miss Wilson is the daughter of Mr. and Mrs. Edd Wilson of Dimmitt. She did undergraduate work at Texas Tech University, where she was a member of Zeta Tau Alpha social sorority.

Nazareth

Picnic held for Order of St. Francis

By MRS. AGNES BROCKMAN

Members of the Third Order of St. Francis enjoyed a picnic Sunday afternoon at the home of the Florence Albrachts. Father Chris of Clovis, their spiritual director, was present for the occasion. He is being transferred to a different parish in New Mexico. Another director will be appointed.

WE ARE happy to report that Louie Schacher who suffered a severe heart attack three weeks ago is recovering nicely and hopes to be able to come home soon.

Dolores and Dennis Heiman entertained all her sisters and their families and her mother Mrs. Stork with a get together on Fathers Day. They had an outdoor supper and games and sports during the evening.

Sister Norbert Hoelting and Sister Scholastica spent a couple of days in Nazareth last week. Sister Norbert taught the last two years at St. Michael Indian School in Arizona. She will now be at the convent in Fort Smith, Ark.

The Phil Brockmans of Muleshoe had dinner Sunday with the Clarence Schultes, and also visited with Agnes Brockman in the afternoon. Launa stayed and will spend a couple of days with her grandmother.

THE CHILDREN, sisters, brothers and neighbors honored Mr. and Mrs. Rudolph Braddock last Friday evening and celebrated their thirty-fifth wedding anniversary with them.

The fathers of the Albracht family were honored by all their families with a barbecue supper in the home of the Ralph Albrachts Sunday evening. About 50 guests enjoyed the evening.

Mrs. Lizzie Birkenfeld, Marcella and Patronella had dinner Sunday with the John Birkenfelds in Hereford.

Mr. and Mrs. Raymond Annen and Cornelia Annen spent Friday night with the Lerry Spencers in Amarillo.

The Charlie Barkers of Pampa spent the weekend here with the James Wilhelm family.

THE CYRIL Brockmans entertained Mr. and Mrs. Leonard Conrad and Agnes Brockman with a dinner last Sunday,

honoring Cyril and Mr. Conrad for Fathers Day.

Mrs. Martha Bauman, Patsy Warren of Hart and Mrs. Antoinette Benteley of Dimmitt had dinner with the Raymond Annens Sunday.

Mr. and Mrs. Vincent Gugemos, Mrs. Brigitta Dobmeier and daughter Gail went to Bovina Sunday to see the new granddaughter at the home of Mr. and Mrs. Gene Dobmeier. The new little Miss arrived

June 16. The Dennis Ackers of Amarillo spent Sunday with their relatives the Alfred Schachers and Philip Ackers.

SISTER DeCHANTEL and Sister Roberta of Fort Smith, Ark. are spending their vacation at the home of their sister Mrs. Charles Braddock. During their stay here the Hyland family got together for a family reunion.

Mrs. Wilhelmena Vinton of Hereford spent Sunday visiting Mr. and Mrs. August Huseman and the Raymond Annens. All the Tony Gerber families had a Fathers Day get together at the Dennis Gerber home in Farwell.

The Paul Venhaus family celebrated Fathers Day last Saturday.

Mrs. Martha Bauman, Patsy Warren of Hart and Cecelia Annen spent Tuesday shopping

in Canyon.

MRS. MARTHA Schulte, Bobbie Hafernik of Taylor, Mrs. Cynthia Schulte, Mrs. Sandy Hoelting and Cornelia Annen spent Tuesday at Fort Stanton, N.M.

Graveside services for Fred Annen of Claude were attended by a host of relatives from here. Those going Saturday morning were Mr. and Mrs. Ray Annen and Claude, Mr.

and Mrs. August Huseman, Mrs. Cornelia Annen, Mrs. Gladys Kenworthy and children, Douglas, Dale and Denise McLain and Mrs. Antoinette Benteley.

Mrs. Rubye Mae Hubbard and girls Melia and Trina of Fort Worth spent Fathers Day here with the Raymond Annens after attending the funeral of her uncle Fred Annen Saturday.

Is he or ain't he?

SAFE!—Johnny Gonzales of the Yankees successfully steals home against the Astros to give his team a 9-1 lead in the second inning of Monday night's Little League late game.

The Astro catcher is Deke Cearley. The Yankees won the game, 15-6, to remain in first place in the league.

OUT!—Astro catcher Deke Cearley tags out Ray Sanchez of the Yankees as Sanchez dives for home plate in the second inning of Monday night's late game in the Little League.

The throw came to Cearley just in time after a Yankee hit sent Sanchez homeward. The Yankees won, 15-6.

Clean-up drive gets good start

Several unsightly buildings have been moved from downtown areas and some lots and alleys over the city have been cleared of junk since "Clean Up Dimmitt" days began this week. The city-wide clean-up drive will continue through July 3.

"BUT THERE is a great deal still to be done if our aim of a clean city is to be realized," Susan Hanners, president of Dimmitt Young Homemakers said. She stressed the need for all residents to cooperate in making the city more attractive in this Bicentennial year.

The Young Homemakers are sponsors of the clean-up campaign, which was made official

by a proclamation by Mayor Elmer Youts last week.

City Commission members have authorized pickup of trash and debris by city employees, even items that are too bulky to be placed in the new trash containers.

ADOPTED by the Young Homemakers as a Bicentennial project, the clean-up is a community effort that everyone can take part in, Mrs. Hanners pointed out.

Each family and business house is urged to clean its own premises and get the junk ready to haul away. It has been suggested that residents of a neighborhood work together to clean vacant lots.

Youths take top honors at Vega 4-H horse show

Matt Howell was named Best All-Around for entrants over 13 years old and Gregg Cluck Best All-Around for the 9-to-13 year group at the area 4-H Horse Show in Vega Saturday, when Castro County youngsters won numerous awards.

HOWELL and Cluck also took first place for showmanship in their respective classes, and Kim Howell completed the sweep of showmanship awards by ranking first in the Peewee class for younger entrants.

Renee Cluck showed the grand champion mare which placed first for registered mares over 5 years, and Carol Bagwell the reserve champion, which won first place for registered mares under 5 years.

Gregg Cluck's gelding was declared grand champion after winning first for registered geldings over 5 years.

Other places won by Castro County 4-H'ers include:

REGISTERED geldings under 5 years — Debbie Davis first, Scott Bagley fourth; over 5 years, M. Howell third.

Registered mares over 5 years — Kennon Howell third; over 5 years, Robin Cluck second, Norris Cole fourth, Jill Brown eighth.

Grade mares under 5 years — Tommy Taylor first, Kelly Nelson second; grade geldings over 5 — Monty Johnson third, Connie Dennis fourth, Morris Cole seventh; grade geldings under 5, Todd Taylor first.

SENIOR showmanship (entrant over 14 years old) — Bagley fourth, Bagwell fifth; junior showmanship (9-13 years) — Robin Cluck third, Renee Cluck fifth; Peewee showmanship — Jill Smith third, Pam Anthony fifth.

Western pleasure, junior — G. Cluck first, Robin Cluck second, Renee Cluck fifth; senior — M. Howell first, Bagley

sixth; Peewee — K. Howell first, Smith second, Anthony fifth.

Western horsemanship, junior — Renee Cluck second; senior — Bagley second, M. Howell fourth, Bagwell sixth.

SENIOR reining — M. Howell first, Bagley third.

Flags — Jerri Ka Clark third. Poles — Jill Brown fifth. Barrels — Clark fifth.

CHOOSE dresses with multiple possibilities for different looks. Uncluttered necklines are adaptable to various scarves and jewelry, while undefined waistlines can be changed with different belts and scarves. Layer dresses and jumpers over pants, T-shirts, blouses, turtle-necks or other compatible dresses.

Accurate records important for low wheat yield claims

By CHARLEY E. HILL
County Executive Director

Records for Low Yield Wheat production must be kept separate for each farm. If you feel that your farm is eligible for a low yield wheat disaster payment then be sure to report the production and file for disaster payment within 15 days of the date you finish harvesting and before plowing, grazing, or disturbing the stubble or crop residue.

a loss this year. You are urged to make certain your reported acreage, field by field, is accurate.

ALL UPLAND cotton farms are urged to file an acreage report prior to Aug. 1.

A farm with an effective 1976 upland cotton acreage allotment, even though none is planted, and no report of acreage is filed, a zero yield will be set for the current year yield. Don't let this happen to your farm.

CERTIFICATION of corn and grain sorghum is needed if low yield wheat or cotton is overplanted on the farm due to substitution provisions. Otherwise, certification of corn and grain sorghum is not needed unless there is a disaster.

HOLIDAY: Castro County ASCS Office will be closed July 5 in observance of Independence Day.

THOUGHT: When it comes to spotting the other fellow's shortcomings, everyone seems to have 20-20 vision.

Beth Cleveland

Gail Kleman

Sheryl Schulte

Three go to Girls State

Beth Cleveland of Dimmitt, Sheryl Schulte and Gail Kleman of Nazareth returned Friday from a week at the American Legion Auxiliary's Girls State at Austin and Seguin.

THE THREE were selected from girls who will be high school seniors next term, and were sent for the week of citizenship training which is sponsored each year by the Legion

Auxiliary. Misses Cleveland and Schulte were elected to county offices at Girls State, in the mock government which is set up to give the girls a look at how public officials are chosen. Miss Schulte acted as county treasurer and Miss Cleveland as county attorney.

A tour of the state capitol and other places in Austin opened the week for the girls from all parts of Texas. They lived in dormitories on the campus of Texas Lutheran College at nearby Seguin during the period of instruction and practice in the workings of a representative government.

MISS CLEVELAND, daughter of Mr. and Mrs. Ken Cleveland, is an all-state basketball player for Dimmitt High, and her school activities include serving as an officer in the National Honor Society and a DHS Band twirler.

She was chosen as the Dimmitt Lions Club Sweetheart for the coming year, and has been the Key Club Sweetheart. Parents of the girls sent by the Nazareth Legion Auxiliary are Mr. and Mrs. Ray Schulte and Mr. and Mrs. Walter Kleman.

MISS KLEMAN will be the NHS Student Council president in the 1976-77 school year. She has been elected a class favorite and was one of the top two scholastically in her class as a freshman, sophomore and junior.

She was class president in her freshman and sophomore years and a Student Council of-

ficer the past two years. A member of the Pep Club and Future Homemakers, she is also an officer in the CYO of her church.

HEAD cheerleader in NHS for the coming term, Miss Schulte is a Student Council representative for the seniors, as she was for her sophomore class. She was secretary-treasurer for Area I of Future Homemakers last year and also Pep Club treasurer.

She qualified for regional competition in the ULL Prose Reading event as a junior, and worked on the NHS annual staff her sophomore year.

Dimmitt man's brother dies

Funeral services for Fred Annen, 84, of Claude, brother of Raymond Annen of Dimmitt, were conducted Saturday at the Claude Cemetery. Rev. James Powell, chaplain of High Plains Baptist Hospital, officiated.

A **CLAUDE** resident for 63 years, Mr. Annen was a retired blacksmith and truck driver. He was a native of Mansfield.

Survivors include two daughters, Johnny Faye Williams of Memphis, Tenn., and Freddie Costar of Aurora, Colo.; two sisters, Emma Huseman of Tulla and Mamie Schuchert of Bentonville, Ark.; two brothers, Frank of Hereford and Raymond of Dimmitt; and three grandchildren.

Olton to host tennis tourney

Mixed doubles teams from this area are invited to compete in a tennis tournament at Olton July 1-4, with entries in four divisions. Entry deadline is June 29.

THE ENTRY fee is \$8 per team. Balls will be provided and trophies will be presented to the first and second place teams in each division. Entry

forms may be obtained from Joel Nelson, Box 533, Olton, Tex., 79064.

Play for beginners is set for 6 p.m. July 1; junior high age group at 9 a.m. July 2 and high school students at 12 noon; open division at 9 a.m. July 3; age 35 and over at 1 p.m. July 3. Finals will be held the af-

ternoon of July 4 beginning at 1:30 p.m. The tournament is for mixed doubles competition only. Nelson said.

Rev. Ed Manning earns doctorate

Rev. Edwin L. Manning, pastor of the Dimmitt Presbyterian Church, has received a Doctor of Ministry degree from McCormick Theological Seminary in Chicago.

REV. Manning, who serves both the Dimmitt and Muleshoe Presbyterian Churches as pastor, has been here six years. He previously held pastorates at Oronoco, Minn., Dalhart and Austin.

His undergraduate study was done at the College of the Ozarks in Clarksville, Ark., then he attended McCormick and the Dubuque, Iowa, Theological Seminary before a year's study at Iowa State University, where he received his master's degree in sociology.

McCormick Seminary is located near the University of Chicago and is a member of the Chicago Cluster of Theological Schools, which share resources and offer a wide variety of teaching.

THE DOCTOR of Ministry program is open to pastors who have at least two years in the ministry and complete a minimum of 36 course hours of study while they continue to serve their congregations, taking short-term intensive courses at regular intervals.

Rev. Manning combined his trip to Chicago for the commencement with a vacation that included visits to relatives. He attended a grandson's graduation in another Illinois city.

BACTERIOSTATIC and fungistatic 50 percent polyester, 50 percent cotton sheets which inhibit growth of microorganisms are now available. These are particularly appropriate for hospitals, nursing homes, hotels and motels, Beverly Rhoades, clothing specialist with the Texas Agricultural Extension Service, notes.

More about

Two-day celebration . . .

[Continued from Page 1] and

[4] **THE** City would have no control over expenditures—upkeep and repairs to the pool or dressing rooms, amount of money spent on heating the pool, salaries paid to pool operators or helpers, etc.

The commissioners also referred to the school district's original commitment when the pool was built in 1948 after a public fund drive. The school board at that time voted to accept ownership of the pool and operate it in the summer.

(School officials contend that the city has been paying most or all of the pool's deficits in years when it lost money, and that the deficit rose sharply last summer after the city charged for an \$850 water meter, then started charging the school district 50 cents per 1,000 gallons for all water used in the pool.)

MAYOR Elmer Youts explained Monday night that the city started metering and charging for the pool water—and all other water used by the schools—because "we were informed by letter from the attorney general that we had to meter all water so we could account for it, for proof to the bond-holders who held the first mortgage on our water system."

Youts added that he felt the city was "in a very difficult situation" on the operation of the pool. "The city doesn't even own the streets around the pool—the school district owns them," he said. "We haven't legally got the right to cross that private property or to enact an ordinance that would affect it."

City Attorney Jack Edwards said that the proposed operating agreement "isn't a bad one . . . except that it would make the city responsible for any deficit incurred by the schools in operating the pool." On that part of the proposed agreement, he said, "They're unloading a white horse on the city."

Commissioner J. R. Brown said he felt the city would be doing enough to "split the deficit" with the school district, and that the \$750 per year should be sufficient for that.

"The Dimmitt Independent School District owns the pool, it's on school property, con-

nected to a public school building, and the school district has enjoyed the profits from it for 30 years," Brown said.

Brown also suggested—and Edwards agreed—that the school district consider leasing the operation of the pool to a third party—presumably an individual or a non-profit organization.

Hereford plans three-day gala

Hereford's three-day Bicentennial celebration will include an old-fashioned melodrama, a parade, time-capsule burial, fireworks display and community picnic.

Mrs. Clint Formby and Mrs. Joe Reinauer, co-chairmen of the Hereford Bicentennial Committee, issued an invitation to Castro Counties to attend any or all of the Hereford Bicentennial events.

THE SCHEDULE:
Friday, July 2
8 p.m.—Old fashioned melodrama, with popcorn to throw at the villain, and an old-fashioned sing-along, Bull Barn.

Saturday, July 3
2 p.m.—Parade downtown.
3 p.m.—Burying of time capsule, courthouse square.

9 p.m.—Fireworks display, Veterans' Park.
Sunday, July 4
6 p.m.—Community picnic, followed by vesper service. Each family is to bring its own picnic dinner.

DR. DANIEL C. Pfannstiel has been named director of the Texas Agricultural Extension Service of the Texas A&M University System. Pfannstiel, who has served as associate director of the agency since 1971, succeeds Dr. H. O. Kunkel, Texas A&M's dean of agriculture, who has been acting director since February when Dr. John E. Hutchison retired as director of the largest state Extension Service in the nation. Pfannstiel has served with the Texas Agricultural Extension Service for 27 years, coming up through the ranks as a county agent, administrative assistant and assistant director.

Many women receive lessons in safety

Some 2,800 women have received certification from the Texas Voluntary Hunter Safety Training Program, a course sponsored by the Texas Parks and Wildlife Department. The number of females certified has risen by two percent each year since the training program began in December 1971.

TENSE TUMLINSON, a distaff volunteer instructor from Cameron, said, "Women are taking hunter safety courses because they are more interested now in the shooting sports than before and because they don't know anything about hunting and they want to learn; they want to be comfortable with firearms."

"Men and women compete equally in the shooting sports. Physical strength is immaterial; it is a matter of eye and muscle coordination."

In the 23 Texas school districts and youth groups where the course is taught, many girls are interested in hunter safety. **OLDER WOMEN** take the course to learn the vocabulary of shooting sports, the char-

acteristics of firearms and how to use them.

According to P&WD Hunter Safety Coordinator T. D. Carroll, "Too often people who want to hunt are handed a firearm, given a minimum amount of instruction and left in a deer blind."

"Hunter safety courses teach the purpose of each type of firearm and how guns and ammunition work," said Carroll.

Students learn how to handle, carry and store a gun. Gun safety at home is emphasized. Survival and first aid are taught, along with game identification and the proper way to care for and dress game.

For more information about the Texas Voluntary Hunter Safety Training Program, contact a local Parks and Wildlife Department office or game warden.

HAYS HAS IT:

Power is the name of the game for these three!

International 4-WD Tractors

Now there are 3 high-power IH 4-wheel drive models to pick from—and there's not a weakling in the bunch! All are powered by big-displacement International diesels that have such an outstanding reputation for performance under load. These are engines that "hang tough" when the going gets tough, because IH thinks that's the way tractor engines should be built.

4568 — 800 cu. in. turbocharged V-8 delivers 300 engine,* 235 drawbar* hp.

4366 — 436 cu. in. turbocharged high-torque "6" delivers 225 engine,* 168 drawbar hp.

4166 — 436 cu. in. turbocharged "6" delivers 175 engine,* 130 drawbar hp.

Each of these 4-WDs feature exceptional maneuverability and handling ease. They're equipped with all-weather cabs so long days in the field won't seem quite so long. Let us demonstrate one for you soon.

Hospital Auxiliary's summer plan studied

Coming events for the Pink Ladies of the Plains Memorial Hospital Auxiliary were discussed at a recent meeting, including the annual new membership brunch in September and an LVN reception in August.

PLANS WERE made for these parties and for completion of a cookbook being compiled by members for sale at the annual bazaar in the fall. Members voted to buy a hair dryer for use of patients in the hospital who have their hair dressed by a beautician.

Willie Mae Sadler, president, and Jan Querze reported on their trip to the recent state convention of hospital auxiliaries, where the Plains Memorial Auxiliary received first place on the scrapbook which records activities of the past year.

Susie Bradford was welcomed as a new member.

DuLanays attend family reunion

Mr. and Mrs. Bob DuLaney and son, Brad, with Mr. and Mrs. Stanley Byrnes and daughter, Rala, went to Earth Sunday for a reunion of Mrs. DuLaney's family. She is one of the seven children of Mr. and Mrs. Homer Vining of Plainview, all of whom were present for the reunion in the home of their only son, Glenn. Grandchildren, great-grandchildren and husbands and wives of the family members made a total of 59 at the gathering.

TO MANY, total abstinence is easier than perfect moderation. —St. Augustine

LEAD STEER SELECTION—Texas Longhorns in training at the YO Ranch at Mountain Home are choosing their own lead steer for the symbolic Texas Tech Bicentennial Longhorn Trail Drive June 27-July 2 from San Antonio to the Ranching Heritage Center in Lubbock. The lead steer emerges from the herd as the animals themselves select which to follow. The trail drive, bossed by Charles Schreiner III of the YO and ramrodded by "Cowpokes" cartoonist Ace Reid of Electra, will precede the July 2-5 formal opening of the Ranching Heritage Center.

Club photo due for capsule

A photograph of Tops Club members here will be taken at the meeting next Monday evening, to be placed in the Time Capsule that will be buried July 3 as part of Dimmitt's Bicentennial Independence Day celebration.

MEMBERS are all asked to be present to be included in the picture. After the session at the clubhouse a social hour is planned at Arlene Oldfield's home.

At this week's meeting members worked on a friendship quilt they are making. Twenty members weighed in with a total weight loss of 10 pounds, 4 ounces. Top loser was Ruby Langford with a 2-pound, 8-ounce loss and KOPS of the Week was Tommie Sue Petty. A new member was welcomed.

Mrs. Jones on MC Dean's List

Leigh Ann Jones, daughter of Rev. and Mrs. M. L. Roark of Dimmitt, has been named to the spring semester Dean's List at McMurry College in Abilene.

THIS LIST is the honor roll of students who achieve a grade point average of 3.5 or above while carrying a minimum of 12 semester hours.

Mrs. Jones, a 1974 graduate of White Deer High School, majors in secondary and elementary education.

GOVERNMENT is a contrivance of human wisdom to provide for human wants. Burke

SUPERSTITION is the religion of feeble minds. —Burke

You can will your organs on new driver's licenses

All drivers licenses now being issued contain a statement whereby the holder of the license may designate any part of his body as an anatomical gift at the time of his death.

MAJOR C. W. Bell, commanding Region 5 of the Texas Dept. of Public Safety, which issues the drivers licenses, said the 64th Legislature enacted the measure that became effective the first of the year.

All drivers' licenses contain the statement which specifies any or all of the donor's body that may be used as an anatomical gift.

If a person does not desire to participate in the anatomical gift program, Bell said, he need not do anything regarding completion of the statement.

The driver's license is still laminated on the front, but the back is not laminated, in order that the holder of the license may sign the statement.

THE ANATOMICAL gift statement is printed on the reverse side of the donor's operator's, commercial operator's or chauffeur's license. The gift

is invalid on expiration, cancellation, revocation or suspension of the license, or by lining out that portion of the statement.

Bell added that another method of voiding or canceling the statement would be to secure a duplicate driver's license, on which the reverse side of the permit would be left blank.

For the gift provision of the license to be valid, the statement must be executed each time the license is replaced, reinstated or renewed. The document must be signed by the donor in the presence of witnesses, who must sign the document in the donor's presence.

LICENSES which are currently valid in Texas will not be automatically replaced with the newly-designed ones, but as holders renew their licenses, they will receive the licenses which contain the gift statement.

If a currently licensed driver desires the newly-designated one, he or she may contact the local DPS driver's license office

and apply for a duplicate license, for which there is a minimal charge.

The law that was enacted by the Legislature only requires the DPS to provide a space on the license for the statement concerning the availability of the anatomical gift.

"WE DO not maintain records regarding the anatomical gifts," Bell added.

Recipients of gifts of bodies or vital organs may be any hospital, surgeon or physician, for medical or dental education, research, advancement of medical or dental science, therapy or transplantation; or any accredited medical or dental school, college or university for education, research, advancement of medical or dental science or therapy.

Other recipients may include any vital organ storage facility established for medical or dental education, research, advancement of medical or dental education, research, advancement of medical or dental science, therapy or transplantation; or any individual specified by a licensed physician for therapy or transplantation needed by him.

Phone-y chem sales reported

"Telephone flim-flammers are ripping off unsuspecting pesticide applicators and other users at epidemic rates, according to government sources," a commercial cropdusters' magazine says in its June issue.

SOUTHEASTERN Aerial Applicator magazine notes that "many state agriculture departments and the US Environmental Protection Agency have received numerous complaints from farmers and other consumers who say they have been telephoned by salespersons making false or misleading claims for some weed control products."

The magazine said that the State of North Carolina has prohibited three companies—Jaguar Chemical Corp. of New York, Dartmouth Chemical Corp. of Woodbury, N.Y., and Oxford Chemical Corp., also of Woodbury, N.Y.—from selling in North Carolina, at least until July 1.

Complaints of bogus telephone claims for weed-control chemicals also are reported to have been lodged in many other states, but these states have not been as active as North Carolina in prosecuting "because of the problem of building a legal case on the basis of phone conversation," the magazine said.

"Some of the weed control chemicals found in the falsely advertised products include 2,4-D, bromacil, pentachlorophenol, pramitol and diquat dibromide," the magazine reported. "All of these are legitimate weed control agents, according to the EPA, but they may be ineffective or illegal for the uses being claimed."

EPA Administrator Russell E. Train advised farmers and spraying firms not to buy any chemical before reading the product label, and to buy by phone only if dealing with a reputable, personally known dealer.

THE OPTIMIST proclaims that we live in the best of all possible worlds; and the pessimist fears this is true. —Cabell

TO CULTIVATE kindness is a valuable part of the business of life. —Johnson

Welborn, Craig attend state AHA convention

Jerrold Welborn and Randall Craig of Dimmitt represented the Castro County Division of the American Heart Association at that organization's 41st annual Texas Affiliate Assembly held last week in Houston.

OVER 300 delegates, officers and committee members attended the three-day meeting at Houston's Shamrock Hilton Hotel.

The meeting featured training and orientation workshops, the introduction of a new five-year goal document and the presentation of the first Lyndon Baines Johnson Research Award.

The new document, the Texas Affiliate's plan of action through 1981, stresses the AHA's heavy involvement in

programs designed to change the health behavior of Texans concerning smoking, diet, physical exercise and high blood pressure, as well as educational programs in cardiopulmonary resuscitation and increased expenditures for cardiovascular research.

THE L.B.J. Research Award honoring the late President was presented to Dr. James M. George of UT-San Antonio, whose research application for funding received the highest meritorious ranking by the AHA's Central Research Review Committee. The award was presented to Dr. George by Mrs. Luci Johnson Nugent, daughter of the late President.

The award, to be given annually, is funded by contributions from C. R. Smith; Stanley Marcus, Dallas; the Leon Jaworski Foundation, Houston; the International Fraternal Order of the Eagle; the LBJ Family Foundation, Austin; the Brown Foundation, Houston and Mrs. J. Ed Connally, Abilene.

State officers for 1976-77 were elected. They include Dr. Edwin J. Morrow, Houston, president; W. W. Aston, Dallas, chairman of the board; and Mrs. David Hargrave, Dallas, secretary. J. Bryan Austin, Amarillo, was elected one of the vice-presidents.

Former county resident dies

Graveside funeral rites for Mrs. Ava Switzer, 72, of Grand Prairie, a former resident of Castro County, were conducted Saturday at Castro Memorial Gardens. She died Wednesday in Grand Prairie.

MRS. SWITZER was born in southwestern Oklahoma and was married to Buford Kirkpatrick. They lived south of Dimmitt for a number of years. Mr. Kirkpatrick died in 1959. She later married Czerna Switzer, who survives her.

Other survivors are a stepdaughter, Sue Edwards of Stephenville; a stepson, James R. Switzer of Grand Prairie; two sisters, Mrs. Francis Down and Mrs. Viola Motley, both of San Jose, Calif.; two brothers, Ambous Northcut of Dallas and Jim Northcut of Santa Monica, Calif., and two grandsons.

COMMON food allergies are caused by ingesting irritating foods. But food allergies may also be caused by contact from handling, which usually produces hives or rashes; by inhaling the odor of a food; or by inhaling a food in a powdered form such as the flour dust in a bakery, Mrs. Sally Coble, foods and nutrition specialist with the Texas Agricultural Extension Service, points out.

40 is ———!

WHAT IS FORTY !!!

40 is taking a little nap before going to bed at night;

40 is reading the company pension plan memos instead of throwing them away;

40 is having everyone call you Dad except the members of your family;

40 is discovering that your arms aren't long enough for you to read the paper without glasses;

40 is finding more hair in your comb in the morning.

On June 27th WHO will be 40?
JAMES R. HORTON

Welcome to the "Over the Hill Gang".

From your concerned friends.

Happy anniversary!

JOSEPH MCCALLISTER DIMMITT

BEVERLY ANN SMITH AND BRENT STEPHENS
... Plan midsummer wedding

Wedding date is set

Mr. and Mrs. Gene V. Smith of 1008 W. Lee announce the engagement of their daughter, Beverly Ann, to Brent Stephens, son of Mr. and Mrs. Jack Stephens of Groom.

THE WEDDING will take place at 4 p.m. July 31 in the

First Baptist Church here, with friends of the couple invited.

Miss Smith is a May graduate of West Texas State University with a BS degree in science education. She was a member of Gamma Sigma Sigma, TSEA and the Rodeo Club. She graduated from Dimmitt High School in 1972.

Stephens received a BS degree in vocational agricultural education from Texas Tech this spring and has also attended WTSU. His campus affiliations include Alpha Gamma Rho, Collegiate FFA and TSEA. His high school studies were completed in Groom.

Senior citizens announce sale

A garage sale today (Thursday), Friday and Saturday will be held by the Senior Citizens Association at its building on the corner of Lee and Southeast Third Streets.

TIRES, a sweeper, furniture, clothing and numerous miscellaneous articles will be on sale. The sale will be open from 8 a.m. to 6 p.m. each of the three days. Proceeds will be used by the Senior Citizens in their local projects.

Irene's Ideas

Wedding-gift traditions are changing

By IRENE KEATING
June is the traditional month for weddings. Many of us will be selecting gifts for these occasions. More men and women are marrying at slightly older ages, have already experienced living away from home and both probably have already accumulated most essentials for establishing a residence.

COUPLES planning to marry are also going shopping together to register gift selections that best reflect their own lifestyles. Specifically in the dinnerware area, some radical changes in selections have been recognized by those in the bridal business:

Couples today look for dinnerware that is still casual but with less emphasis on heavy stoneware and a move toward a look of "casual elegance."

They prefer soft-toned earth and nature colors. Peach seems to be the "in" color this season in dinnerware.

They expect practicality as well as aesthetic value. Can the dinnerware be used from oven-to-table-to-freezer? Can it be used safely in a microwave oven?

The jean wearing casual couple who appreciates the eclectic look in furnishings is now mix-and-matching dinnerware, creating a tabletop coordinated wardrobe made up of five or six different patterns and styles, perhaps some from a nearby antique shop.

Married couples-to-be are also registering preferred gifts outside the china department. Don't be surprised to find listings for small appliances, recreation and lawn equipment for special hobbies, an electric drill or crepe pan for the bridegroom.

THE distinction between the father's role as mediator between the community and his family and the mother's role as organizer of family affairs within the unit has become blurred with today's changing family roles, Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service, points out.

Socially Yours

MR. AND MRS. SAM BUTLER
... Married in 1906

Butlers to mark 70th anniversary

Seventy years of marriage will be celebrated by Mr. and Mrs. Sam Butler of 208 W. Locust when they greet friends at a reception from 2:30 to 5 p.m. July 4 in the Castro County Country Club.

MR. AND MRS. Butler, retired from farming, have lived in this county more than 45 years. They moved from Foss, Okla.

Mrs. Butler was Eva Marr

before their marriage on July 8, 1906.

Hosts for the reception, to which all the Butlers' friends are invited, will be their children, with wives and husbands.

The sons are Joe Butler of Dimmitt, Cullen Butler of Mesa, Ariz., and Willie Butler of Clovis. Daughters are Arvella, Mrs. H. E. Smith of Mesa; Margie, Mrs. Jim Goins of Tulsa, and Jewel, Mrs. Clint Price of Salt Lake City.

Miss Taylor bride of Jerry Frazier

Darryl Elizabeth Taylor became the bride of Jerry A. Frazier in an evening ceremony last Thursday in the home of the groom's parents, Mr. and Mrs. Alvin Frazier.

THE BRIDE is the daughter of Mr. and Mrs. William Taylor

of King's Sutton, England.

Rev. Van Earl Hughes officiated at the wedding. Honor attendants were Patricia Elliott, of Dimmitt and Landol Frazier of Fort Worth.

A graduate of Bruckley High

Small Talk

By SUE COLEMAN

In the rush of weddings that always comes in June, and the naturally following rush of wedding anniversaries, special congratulations are due to Mr. and Mrs. Sam Butler who will soon celebrate a July wedding anniversary—their 70th!

WONDER if there is a couple in the county who have been married longer? There couldn't be many and the Butlers' family and friends have plenty of reason to honor them on their remarkably long life together.

Anyhow, their long marriage sort of offsets some of those we hear about occasionally, of a couple not yet out of school being divorced only a few months after their wedding.

So many of the young divorcees feel cheated, bitterly disillusioned because they discovered there was stormy weather in a marriage. Bet the Butlers could have told them that, and also that it is possible to outlive the storms that come in any marriage.

SEVERAL dates for community affairs have been announced lately, and reminders about them may be in order.

If you want to put something in the Bicentennial Time Capsule to be handed down to posterity, take it to the Chamber of Commerce office Monday, Tuesday or Wednesday.

A giant garage sale will be in swing today through Saturday at the Senior Citizens Center—that's the former American Legion building, you know. A good place to hunt bargains.

HOSIERY for spring highlights natural colors and includes textures, sheers and soft pastels.

The newlyweds are at home at 107 NW Third Street.

ARE YOU FLYING YOURS?—Dimmitt's "21-Day Flag Salute" is underway and will continue through July 4. The Dimmitt Rotary Club distributed the downtown flags on Flag Day, June 14, and merchants are setting them

back out each morning. The Rotary Club and the Bicentennial Committee also urge all homeowners to fly flags—but only a relative few are doing so. Home flag kits are available at several local stores.

More about

Two-day celebration ...

[Continued from Page 1] mingling with the crowd to judge the costumes. EVERYONE who works or shops downtown July 3 is urged to wear pioneer dress, especially those at the capsule ceremony. Immediately after the program on the courthouse square, the water polo game will begin on Jones Street south of the courthouse. Sunday activities will begin at 2 p.m. with ringing of Dimmitt High School's Victory Bell on the courthouse grounds. This is part of a national program to coincide with ringing of the Liberty Bell in Philadelphia at exactly 200 years after it was sounded to proclaim US independence. Owners of other bells in the city are asked to ring them also. Mrs. W. E. Kirkpatrick plans to ring the one which hangs in her backyard, the bell from the old Dimmitt school which was erected in 1910. SUNDAY activities will climax with an old-fashioned supper for all county residents. Members of First United Methodist Church are to provide the meat, Presbyterians and New Hope Baptists the bread, and First Christian Church the tea and ice.

display was made reluctantly, Carolyn Watts, Bicentennial Festival chairman, said. "WE REGRET the change and greatly appreciate the efforts of those who supported the project," she said, "but we were unable to find a place to set off fireworks that would meet the approval of fire officials as a location that would not endanger nearby homes and buildings." Contributions made to the fireworks fund will be returned, she said, and pledges made by local organizations will be cancelled. She expressed thanks for the contributions and for publicity in the Castro County News and Radio Station KDHN.

Fire calls

After two weeks with no fire calls, the Dimmitt Volunteer Fire Department was called to the high school tennis courts shortly after midnight Sunday when an electrical short started a blaze on a light pole. The pole was burned and the four lights damaged. There were no reports of power outage in the neighborhood before the damage could be repaired.

Polygraph test 'not infallible,' Buntyn explains

A polygraph (lie detector) test doesn't provide ironclad proof of a person's guilt or innocence, County Attorney Robert Buntyn reminded the public this week.

"SOME people got the impression from a news story in last week's paper that a polygraph is 100% accurate, and this is not necessarily the case," Buntyn said. "Polygraphs are not infallible by any means."

He was referring to a story about a misdemeanor assault charge against former Football Coach Bobby King being dropped after King had voluntarily taken a polygraph test.

In that story, Buntyn was quoted as saying, "The results of the polygraph test indicate Mr. King to be innocent of the charges against him." The results of a polygraph test are not generally admissible as evidence in a trial.

ALL progress is based upon a universal innate desire on the part of every organism to live beyond its income. —Butler

Scouts 'tap' five for OA

Two Dimmitt Boy Scouts and three adult leaders were "tapped out" for membership in the Order of the Arrow at a bonfire ceremony Friday evening at Camp Post.

THE CEREMONY climaxed a week's camp for boys in Scoutmaster Bill Stephenson's Dimmitt Troop 266 and other troops in the South Plains Council. Weekly camps continue through June.

Chosen for membership in the Order of the Arrow were Frist Class Scout Craig Turner and Star Scout Lawrence Stephenson of Dimmitt. Adults from Dimmitt who were chosen for OA membership in the same ceremony were Troop 275 Scoutmaster Pete Garza, Dimmitt Troop Committee Chairman Bill Behrends and Troop Committee Member Don Nelson.

The Order of the Arrow is an honorary service organization for Boy Scouts of First Class rank and above, and for adults who work in scouting.

VIRTUE is like a rich stone, best plain set. —F. Bacon

A COUNTY-Wide Cookout on Running Water Draw in Sunnyside will be held July 9 as another of the county's Bicentennial events. The County-Wide Cookout is also coordinated by the Bicentennial Committee.

The annual German Folk Festival at Nazareth is scheduled July 25. Change of date to July 4 was considered, said Jerome Brockman, general chairman, but since Independence Day celebrations are so numerous this year it was decided to keep it at the later date.

Cancellation of the fireworks

REA approves \$2 million loan to phone co-op

Congressman George Mahon announced Tuesday that the Rural Electrification Administration has approved a loan of \$2,289,000 at 7% interest to West Texas Rural Telephone Cooperative of Hereford.

THE PHONE cooperative serves rural residents in parts of Deaf Smith, Castro, Farmer and Bailey Counties.

The loan will finance facilities to connect 282 additional subscribers, to construct 24 miles of new line and to finance improvements of the WTRTC system.

Jimmy Cockerham of Bovina is president of the West Texas Rural Telephone Cooperative, and Thomas Hyer of Hereford is the manager.

Cubs to have wiener roast

Dimmitt's Cub Scout Pack 267 will hold a wiener roast Saturday from 7 to 9 p.m. at the Scout Hut for all Cubs, Webelos and their families.

EACH family attending is asked to bring enough buns and wieners for the family.

The pack meeting also will include the awarding of advancement pins and patches.
