USO Campaign Starts in County

SHOOTIN' STRAIGHT

By J. C. COOPER, a Senior
We're at the top of our high school career.

I feel more like I was at the bottom—after chasing down all these ads.

I personally thank all these fine people in Dimmitt who have cooperated with us since we have been in school.

Mrs. Clark has been a real pal to the seniors. We thank you, Mrs. Clark.

You good people should have seen Delores Gibson as she rushed about, helping here, taking a little out there, adding a little here, and helping everyone in general. She certainly should be given a big hand. The job got so heavy Tuesday she had to go to the top of an elevator shaft to get some fresh air.

Mr. M. O'Rear sure has been a big help to the progress of the senior class. He has stuck through thick and thin in order to make the class what it is today.

In years gone by, Mrs. R. E. Cogswell has been a guiding light to many of the seniors.

Dr. R. E. Cogswell has been a life saver to many.

That reminds me of the time when I had the mumps. He came down to the house. He stuck a stick down my throat and shined a light on my tonsils. Then he had me hold a thermometer in my mouth. Can you imagine what he did? He gave mother some pills to be given every two hours—to me. I didn't mind, though. It may have saved my life.

You know? It seems strange to me, that doctors always and invariably give their patients bad-tasting medicines. I guess that's to keep them from acting sick.

Mrs. Lorene Radley really has done some wonderful work for the seniors. We thank you, Mrs. Radley.

Mrs. Myrtle Crabb promises to be of some service to the seniors this summer when they go on their trip.

I got my cap and gown. I'm tellin' you, I can't see how a girl can stand to wear a dress. I tried on my gown, and I came near fallin' down several times. Maybe, if I can get in some practice, I'll know how to wear it by the time I get to use it.

Fare you well, my friends.

School is out!

Twelve More Men Will Be Inducted

Twelve Castro county young men will leave Dimmitt Monday, May 18, to enter training in the nation's armed forces.

The men who have been ordered to report to the local induction board at 9 are:

Robert Ben Medley, No. 118; Robert Lee Lohse, 178; Lea Fate Shannon, 204; Revirdie Horace Ewing, 251; John Arthur Milligan, 288; Raymond Theodore Dirks, 310; John Clay Hughes, 431; Delbert Walter Dieter, 437; Frank Al Sharp, S-437; LeRoy Morris Aven, 466; Winfred Harry Fuller, 528; and Richard Franklin Smith, a transfer to Castro county, No. 802.

The 12 men will go from here to Lubbock, at which point they will be inducted and assigned to camps wherever the government may see fit to send them.

The army's airways is striving hard to find more and more trained radio men, with the Air Corps expanding all the time.

Under chairmanship of T. A. Singer, Castro county's campaign in behalf of the USO (United Service Organizations) started off with a bang here Tuesday.

The goal is \$460. The money is for recreational work wherever men of the armed forces of our country are stationed.

Singer called a meeting at the county court house Tuesday night, at which time committee representatives from the county's eleven principal communities were present. These interested committeemen were made chairmen for their respective districts and went to work at once.

The county-wide campaign organization Tuesday named Jack Gregory as secretary and Bob McLean as treasurer.

Prior to the court house meeting, the Dimmitt Lions Club, (not as a club but as individuals) subscribed \$20 to the \$460 quota. This was reported at the meeting, and after voting to meet again at the court house on May 26, those present expressed the belief that only a few days would be needed to raise the required sum.

Chairmen of the districts in the county during the campaign are Ray Johnson, Summerfield; J. E. Andrews, Frio; J. J. Wilder, Jumbo; E. C. Burk, Arney; Emmett Dixon, Easter; Mrs. W. A. Warren, Nazareth; Jim Bagwell, Bethel; Sid Sheffy, Flagg; Roy Haberer; Big Square; Howard Bridges, Sunnyside; Mrs. L. A. Hudson, Dimmitt; and J. H. Wagley, Hart.

The several district chairmen accepted, and are expected to produce the following respective sums in their communities, to make up the \$460 quota for the county:

Arney, \$16.04; Bethel, \$17.75; Cleo, \$17.75; Flagg, \$33.44; Frio, \$19.45; Easter, \$10.92; Hart, \$56.30; Jumbo, \$20.48; Summerfield, \$12.97; Sunnyside, \$25.59; Nazareth, \$49.48; Big Square, \$20.48; and Dimmitt, \$159.35.

In the Dimmitt community, Mrs. Hudson has enlisted the following committee workers: Mrs. Ray Sheffy, Mrs. R. E. Cogswell, Mrs. R. B. Boren, Mrs. Ozro Stevens, Mrs. Lowell Sharbutt, Mrs. J. C. Walling, Miss Helen Estes, Edgar Ramey, and County Judge Posey Cunningham.

Scouts Practicing With Black-Outs

Although they hope they never will need it, the Boy Scouts of the Dimmitt troop have been practicing black-out technique lately.

In the Boy Scout Circus at Lubbock last Friday night, Troop 67 participated in what was the next thing to a REAL black-out. Bombs of all kinds fell, sirens sounded, buildings were sandbagged, fires were extinguished, first aid was rendered, etc. The Dimmitt lads took care of signaling and radio work during the practice black-out and, believe it or not, some of the boys were so scared they crawled under a table during the middle of the black-out! It was that realistic. Twenty-one Scouts under the supervision of Scoutmaster C. A. Farley and Assistant J. T. Lamm, made the trip to Lubbock and took part in the Circus, along with about 2,000 other Scouts from throughout the South Plains Council.

In order to get the boys better accustomed to black-out procedure, a practice black-out was conducted during the regular troop meeting here last Monday night. The troop has organized its patrols into four means of service during black-outs: (1) assisting medical units; (2) messengers; (3) fire-watchers; (4) utility. The Messenger Patrol carried a 20-word message for several blocks while the First Aid Patrol went three blocks to give first aid to an injured man. The Fire-Watchers found an incendiary bomb and extinguished it, and the Utility Patrol was sent to black-out windows in several blocks.

Troop 67 is preparing for any eventuality.

Madam LaZonga Looks 20 Years Into the Future and Sees Seniors

(By PATSY RAWLINGS)

We pick up our crystal ball and gazing ten years into the future we find the '42 seniors still carrying their heads high with a bright and happy outlook.

We find Mozelle Armstrong has been burning up a typewriter for several years, and has climaxed her career by marrying the boss' son. They now are living together in perfect harmony.

We can take two of our dignified seniors and couple them up—speaking of Buster and Katy. Ten years from now they will be happily married again after having gotten mad and been divorced. But it looks as if it will be smooth sailing for these two now, for they have a little something to hold them together.

E. B. Noble has found a good little wife, and they are living in luxury, as E. B. is a retired banker. He's worked hard for many years, but has achieved his goal.

As we make our way into the Metropolitan Opera House, we hear the golden voice of Shirley Womack ringing clear. Her childhood dreams have come true.

Ruby Maude Ferguson probably is sending her children over to Sis' to have her take care of them while she and her husband

attend the county fair, showing off their prize pigs.

By this time Mary Jo Smith will have a typewriter ribbon in the place of her heart. With her personality and smile she'll really go places—that is, until she's married to that army air corps boy—and it won't be long.

Frank Robbins will be one of these educated farmers, and will be making a lot of money. He'll be married, and probably will be very happy.

Bill Kirkpatrick is going to become a director and Mary Jean webb will be script girl—de luxe and Patsy Rawlings is going to be his star. They will be awfully famous people ten years from now—they hope.

Julius Darsey will be flying high as usual—scanning the skyways for some sweet young thing. He'll be flying a TWA liner to Honolulu and back—maybe he'll come back.

The secretarial field will be an interesting one, especially when all these who plan to become stenographers, become one. Marleen Greathouse and Blanche Harman will be topnotch stenographers.

Helen Curtis is happily married to a rancher and is raising a family. She's known for her kindness

and consideration of others. Life seems very rosy.

Junior Johnson is a prominent cattle man. He has a large ranch and tours the country buying cattle. Sounds like a bright future, Mary Evelyn.

Lon has married "a sweet young thing" and has taken over his father's elevator business, with which he is making a comfortable living.

Floyd Ashcraft has met "the one for him" and they have settled down. He has a good business, a good income, and a good outlook on life.

Agnes Behrends is the school child's dream. She's very attractive and pleasant, and is a school teacher loved by all.

Ray Lilley is an electrical engineer and has a good job with the Western Electric. He's going to make a lot of money and then travel for several years.

Mamie Bundrick is happy with her job of caring for the sick. She's a very capable nurse. She might even be working for Bettye Newton, M. D. Ten years from now Bettye plans to be a surgeon, and it's our guess she'll make a good one.

Commencement Set for Tuesday

County Defers Salary Action

Sixty persons, including girls from three Four-H clubs in the county, met with the commissioners court here last Monday in behalf of the retention of the appropriation for a home demonstration agent's services.

The court's decision was deferred until May 25.

A committee from the County Home Demonstration Council was invited by the commissioners to meet with them at that time and hear the decision of the court.

Interested citizens from several rural communities have been asking the court to reconsider a recent order it made to withdraw a monthly appropriation of \$50 a month which the county has for some months been paying toward the salary of the agent, and unless the order is rescinded, the local agent's services will automatically be terminated on June 1.

Set By Mayor Clean-Up Week

The final week of May—25th to 30th, has been designated for the annual clean-up of Dimmitt.

Mayor Ward Golden has issued an official proclamation calling on citizens to put the town's "house in order" during that period and, as usual, is expected to have the public's approval and general cooperation.

It was explained that annual clean-up this year is a little later than usual, and later than desired, but the delay has been due to road work which has made travel slow between Dimmitt and the dump grounds.

NAZARETH

Children of Mary Honor Mothers

The Children of Mary honored their mothers with a "Coffee," and celebrated world-wide sodality day on May 10, at 3 p. m. Sisters Germaine and Jerome, jubilarians celebrating their 25th anniversary, were honored guests.

Wilma Dobmeir welcomed the mothers and jubilarians. A song, "That Wonderful Mother of Mine," was sung by the high school. The song was followed by a pageant of "Mother Love," recited by the little tots. The song, "Mother," was sung by the seventh and eighth grades, and Rita Hyland gave a recitation, "A Song for Mother. A humorous reading, "God Bless Mom," given by Bobbie Hafernik, was thoroughly enjoyed. Rev. Father Boeckman gave a talk on "Mother Love."

Refreshments of sandwiches, cake, coffee, and mints were served to each mother, and gifts were presented to the jubilarians.

Mrs. Frank Wilhelm had the honor of being the oldest mother and also the one with the largest family. Mrs. A. M. Heiman was the youngest mother present.

Everyone sang "Goodnight, Mothers," before the group dispersed.

Down on Farm

One wheat grower said this morning:

"If something doesn't happen to it, we've got a wheat crop made."

Plenty of moisture already is stored in the ground from spring and winter rains, but a rain at this time would help. Recent high winds have swept away much of the moisture near the surface.

Grain is beginning to head. The harvest is only about a month from now.

Threat of a grasshopper plague has not frightened farmers here as it has in other places, but the scarcity of storage space is giving some worry.

By WANDA MONZINGO
Rev. James Junior Akin, pastor at Hereford, will deliver the commencement sermon for Dimmitt high school graduates Sunday, May 17, at 9. H. P. Clemons will lead the invocation.

The music will be under the direction of Mrs. Carlos Reynolds.

The commencement exercises will be held Tuesday night, May 19, at 9. The program will be given by students in the senior class. The subject for discussion will be "Our Place in Victory." There will be 38 diplomas awarded by Superintendent R. A. McCollum.

Sixtieth Married Year Celebrated

One of the oldest old-timers in the Plains country, along with his good wife, is J. D. Burch, whose farm home is located about eight miles south of Dimmitt.

Mr. and Mrs. Burch and their children and grandchildren met on last Sunday to celebrate the 60th wedding anniversary of this venerable couple.

The actual anniversary date is May 11, for it was on that date, back in 1882, that Mr. and Mrs. Burch were married, in their native state of Georgia. The observance was set for Sunday, the 10, however, and a sumptuous dinner was prepared for the family and a number of close friends of the aged couple, at the home of their son and his wife, George Burch, nearby.

Mr. and Mrs. Burch came to the Plains when there wasn't much else out here. That was back in 1889. They first settled near Amarillo, but moved to this community 42 years ago. Mr. Burch is 81, Mrs. Burch 82. Both still are able to enjoy life, and they were delightfully happy in the anniversary event last Sunday.

Lions Give \$20 To USO Campaign

The largest attendance in many weeks greeted Lions Tuesday at their last weekly luncheon.

The club has been growing, both in interest and attendance, since headquarters were moved several days ago to the Methodist church.

A feature of the last meet was the sudden interest in the USO campaign to raise \$460 in the county. Members speedily made up and paid \$20 to the fund when the project was mentioned.

Music and short talks, with introduction of guests, also took part of the program hour.

Some Local Firms' Prices Unaffected

The prices we pay for our food and other commodities will be fixed next Monday, May 18. At least, maximum prices will be set, beyond which retailers and wholesale dealers cannot go.

Those places of business in Castro county that will not be affected are the two beauty shops, the five barber shops, professional services, such as lawyers, doctors, and dentists, advertising service, such as sold by The News, insurance agencies, places of entertainment, such as our local theater, our transportation companies, the railroads, bus and truck lines, and perhaps a few others.

The price limits on services will go into effect July 1.

The "maximum price" is defined as being the highest price a store or dealer charged for any commodity during the month of March.

Purpose of the price ceiling order, the government explains, is to prevent further increases in the cost of living.

Sergeant Harvey M. Gist, U. S. Army recruiting officer from Plainview, will be in the post-office building in Dimmitt tomorrow, (Friday) from 8 to 4. Young men 18 and 19 may enlist for the branch of their own choosing and be assured of getting that branch of service.

Mr. and Mrs. J. C. Williams visited Mr. Williams' mother in Plainview.

Mrs. J. A. Bagwell was honored on Mother's Day by having her children and their families for dinner Sunday. They were Jim Bagwell and family, George Bagwell and family, Ivor Bagwell and family, Ernest Bagwell, Moss Howell and family, Seaburn Teague and family of Plainview, and Miss Grace Marie Bagwell of Dimmitt.

Mr. and Mrs. Phillips' daughter, Mrs. Joe Thompson of Dimmitt, spent Sunday with them.

George Bagwell attended the sale in Amarillo Monday.

Keeping Up With Your Friends--

R. H. Parker of Questa, New Mexico, is a new citizen of Dimmitt. Mr. Parker is a blacksmith, and has been employed by Earl's Blacksmith Shop. When and if he can find a house in which to live, Mr. Parker expects to move his wife here and reside, he said. He is the father of Mrs. Fred Reese of near Dimmitt.

Members of the Castro county draft board went to Amarillo yesterday (Wednesday) to attend a school of instruction. Those from here included W. E. Kirkpatrick, chairman of the board; T. A. Singer, Earl Lusk, members; K. E. Turner, secretary; and Swaine Burkett, appeals agent for the board.

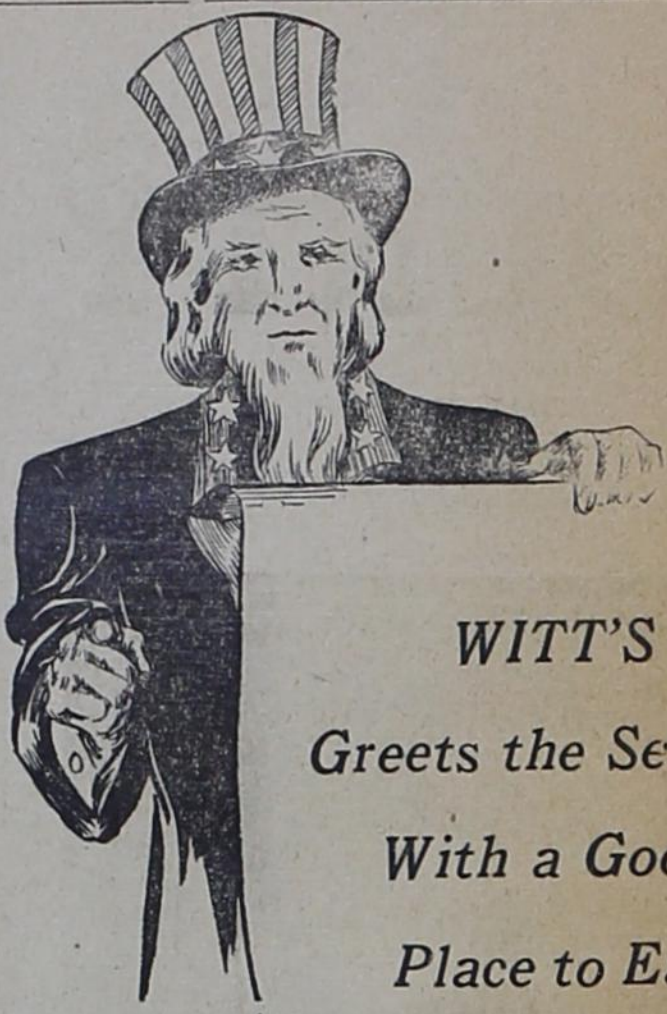

Mr. and Mrs. Jewell Tate and children and Mr. and Mrs. John Bagwell and son observed Mother's day in Dimmitt, and enjoyed dinner with their parents, Mr. and Mrs. T. J. Tate.

The fellow who wants to make a fool of himself can have plenty of help from the crowd.

We saw a real bow-legged man and we thought: "Bet he's glad he wasn't born a girl."

The 18th annual summer session of McMurry College will open on June 8.

The report is a 60-year old man has a new tooth—but it may be false.

What Price Victory!

"BLOOD and sweat and tears" . . . and money . . . such huge sums of money as to beggar the imagination of a Croesus. That is the price of victory in this war. Blood is the greater price to pay. No one will dispute that. Those who remain in civilian life have only remote chances of sacrificing it. The boys in uniforms are the Americans who will bear the real scars of this conflict. They are the fighters, who with lead and Yankee courage, will keep Old Glory waving . . . will repulse the unprovoked attack of the Japs and the Nazis. Then, to these fighting men we owe a solemn pledge . . . a pledge to use every ounce of our might to supply a super abundance of the

implements of war and food and clothing to guarantee that they will not be fighting half armed, ill clad, empty stomachs. That takes money, lots of money . . . effort, lots of effort. Let's all, all who remain behind the battle lines, resolve to buy Savings Stamps and War Bonds with abandon . . . to use every ounce of our energy to produce everything needed to whip the daylights out of those who attacked us. Granted, that it will require sacrifice, but sacrifice that falls into insignificance when we compare it to the hardships and sufferings of the boys in uniform. Isn't it a small price to pay for Victory? . . . Yes . . . when we contemplate what would happen if our enemies won.

What Consequences Defeat!

ONE HAS ONLY TO FOLLOW HIS NEWSPAPER, OR TUNE IN HIS RADIO, TO KNOW WHAT HAS HAPPENED TO THE POLES, THE CZECHS, THE BELGIANS, THE DUTCH, THE FRENCH, THE NORWEGIANS, THE SERBS, THE GREEKS, AND WHOEVER THE AXIS HAS STRUCK SUCCESSFULLY. TO KNOW THE FATE OF OUR NATION IF WE LOST THIS WAR. FREE RELIGIOUS WORSHIP. FREE SPEECH. FREE THOUGHT. FREE ACTION. ALL WOULD BE DENIED US, IF OUR ENEMIES WERE VICTORIOUS. OUR HOMES, CHURCHES, FACTORIES, FARMS, AND THE FRUITS OF OUR TOIL WOULD BE LOST. EVEN LIFE ITSELF WOULD BE IN THE HANDS OF

THOSE WHO REGARD HUMAN LIFE AS THE CHEAPEST THING ON EARTH. OUR DREADFUL PLIGHT WOULD BE THAT OF THE PEOPLES ALREADY BROUGHT UNDER THE HEEL OF THE DICTATORS. ISN'T IT ABOUT TIME THAT WE PUT OUR COLLECTIVE SHOULDERS TO THE WHEEL, WORKED HARDER . . . USING EVERY DOLLAR AND EVERY DIME THAT WE CAN SPARE TO BUY SAVINGS STAMPS AND WAR BONDS TO ASSURE THE DEFEAT OF THE RUTHLESS DICTATORS AND TO REMOVE THE POSSIBILITY OF THE CONSEQUENCES OF DEFEAT? WE ALL KNOW THE ANSWER. LET'S GET BUSY!

Senior Highlights Viewed for Year

By HORACE TRAINER
The senior class has proved to be the class of the year. It consists of the most popular girl and boy of DHS, most beautiful girl, best all-around athlete, and the football queen of DHS. The class has provided for some of the outstanding entertainments of the year, which were "The Varsity Show," and the play, "The Importance of Being Earnest." A large per cent of the football and basketball teams consisted of seniors. Some of the outstanding pupils and extraordinary talents also are found in the class. It is the largest class ever to be graduated from Dimmitt high school.

The most popular boy and girl were elected in a contest early

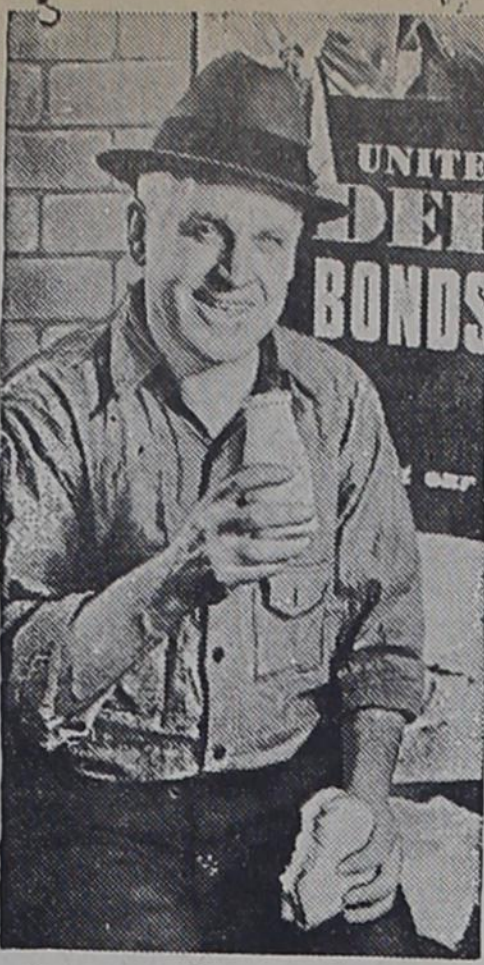

last fall; they are Charlie Joe George and Shirley Womack, respectively. The most beautiful girl was elected by a contest staged in the early part of this semester. Dorothy Cooper won this honor. The all-around athlete and football queen were elected in a contest sponsored by the boys' physical education division. They are Lon Boothe and Jeanette Graham, respectively. The Varsity Show was presented by 32 members of the senior class.

The cast of the senior play was composed of nine characters. They were: Bill Kirkpatrick, Jeanette Graham, Patsy Dawlings, E. B. Noble, Shirley Womack, Horace Trainer, Mary Jean Webb, Harlon Redwine, and Ray Lilley.

The following students either took part in football or basketball, or both: Lon Boothe, Bill Kirkpatrick, Ray Lilley, Harlon Redwine, Julius Darsey, Junior Johnson, E. B. Noble, Gwendolyn Coke, Mary Jean Webb, Mozelle Armstrong, Shirley Womack, Ruby Maude Ferguson, Patsy Rawlings, Juanita Crum, and Mary Jo Smith.

Wiser use of land, labor, and equipment in producing wartime food is the aim of recently announced parity and conservation payments to be made Texas farmers who are cooperating in this year's AAA program.

Bottled Health

For energetic and healthy workers, like the man pictured, your Government recommends nutritious foods—eggs, fruit juices, leafy and starch vegetables, bread, meat, whole-grained cereals and at least one pint bottle of milk for adults—one quart each for children—a day.

CHURCHES

METHODIST CHURCH

We appreciated the splendid congregation at our services last Sunday, and we extend to every one a cordial invitation to worship with us at all of our services. If you are a stranger here, or if you are visiting in our community, make our church your church home while you are here.

The church of God is the world's hope of peace and security. Had we given the church its rightful place in the life of our nation and that of the world, we probably would not be suffering the present destruction of life and property, and heart agony.

"Remember the Sabbath day to keep it holy" is as binding on our generation as it was on Moses' generation. We ought to be fair with God. It was a fair question that Jesus asked: "Why call ye me Lord, Lord, and do not the things which I say?" Attend church somewhere next Sunday.

Because of the baccalaureate sermon at the high school Sunday night there will be no preaching at our church at that hour. It is not necessary to urge that you be present at the school house.

Our services for Sunday are: Sunday-school at 10, preaching at 11, Intermediate Epworth League at 7:30, Senior Epworth League at 8:15.

Ural S. Sherrill, Pastor.

Mr. and Mrs. J. T. Gilbreath of Hereford spent Sunday in the J.C. Gilbreath home.

Mrs. Ruth Rothwell of Dimmitt spent Sunday night with her parents, Mr. and Mrs. H. N. Waggoner.

The rain last Thursday and Friday came and the roads were so bad we did not meet at the school building to quilt for the Red Cross, but four women quilted one quilt in the Sweeney home that afternoon. We have two more to finish. Let's have a nice group present when the next date is set.

HONEY DRESSING—SERVE IT ON FRUIT SALAD

The following recipe is submitted by a woman in Quincy, Calif. Mrs. Charles W. Lilly, and The News thinks it will be of interest to our women readers, in view of the sugar situation:

- Two egg yolks
- One-half cup strained honey
- One-third cup lemon juice
- One tablespoon sugar
- Two beaten egg whites
- One-half cup cream whipped (or more)

Beat egg yolks, add honey, lemon juice, and sugar. Cook in double boiler until thick, stirring often. Fold in egg whites and cool. When thoroughly cold, fold in the whipped cream.

Many persons are asking for honey recipes today. The one above has been in use about 15 years. It was originated after much experimenting to find a good fruit salad dressing made with honey.

This honey dressing is economical, simple to make, and very delicious. It will keep indefinitely.

The Southwestern University offers scholarships on a competitive basis: A certain date will be set for examination to all students who are eligible for the scholarships. The highest ranking student will be awarded an \$880 scholarship. The second ranking student will be awarded a \$650 scholarship, the third ranking student will be awarded a \$440 scholarship, and the fourth ranking student will be awarded a \$220 scholarship.

The Southern Methodist University offers a \$72.50 scholarship award to the highest ranking boy and girl, each.

McMurry College at Abilene offers a \$260 scholarship for the highest ranking boy and girl, each.

The Chillicothe Business College offers a scholarship to the highest ranking student.

The Durhams Business College at Fort Worth offers a scholarship to the highest ranking student.

The Springfield College of Commerce offers a \$100 scholarship to the two highest students.

The Arlene Beauty Schools at Lubbock gives two \$25 scholarship

awards to the highest ranking students.

These institutions offer a one-year scholarship to the highest ranking student. This gives the highest ranking student a chance to enroll in one of 12 different schools.

Seniors Take Part In 41-42 Athletics

By LON BOOTHE

It's something that is gone but never will be forgotten. I am thinking now of the happy days spent in DHS. Among the most pleasant memories are those of athletics. I remember the seniors of '42 as they played together; they were very prominent and when they didn't win, they still were good sports.

Recalling now some of the seniors who were outstanding, these come to mind: Julius Darsey, who played guard on the basketball team, and who was elected captain in his senior year. And captain of the basketball team during his senior year was Bill Kirkpatrick, who also played football and tennis.

Captain of the football team was Lon Boothe, who played guard on the basketball team, and tennis.

Harlon Redwine played end in football and forward in basketball. He was a four letter man.

Another four year letter man in football was Junior Johnson, the tackle who got his man.

Last, but not least, I think of E. B. Noble, who played halfback in football and left out in basketball because he couldn't jump the semester exams. Now, in the present tense these boys, although having feuds and fights with the other grades, want to wish that the Dimmitt high school will send forth many winning teams in the coming years. Just remember the most pleasant days in school are when you play together with your friends—and for the school.

They Have Been Pictured As--

By HARLON REDWINE, DELORES GIBSON, and JUNIOR JOHNSON—

Mary Jean Webb—A pleasant girl with lots of sense.

Mary Jo Smith—Smart, attractive girl, and liked by all.

Harlon Redwine—Handsome brute, who takes life with a smile.

John L. Womack—Runs the business end of a slide trombone.

Buster Byrnes—Often seen in Hereford, a man in anybody's town.

Frank Robbin—Usually smiling, a real blacksmith, they say.

Junior Johnson—Good looking cattle king.

Walter Cox—Quiet when he is in a crowd; loyal to friends.

Patsy Rawlings—Known for her ability to jerk sodas and write class prophecies.

Julius Darsey—Ladies man with a slightly used line, but everyone takes him seriously.

Gwendolyn Coke—?? anyhow, Burl says she's sweet and lovable.

Lon Boothe—Good sport, favorite of all high school students.

Shirley Womack—Musician who goes after post graduates.

Dorothy Cooner—Just a quiet lovable, and beautiful girl.

Ray Lilley—Tall, determined, and not hard to look at.

Lucille Horner—A whistling gal with a southern drawl.

Georgia Shwen—Good imagination and noted for her plays and short stories.

Wilda Hawkins—An industrious girl who always tries.

Frances Ivey—A popular piano player, and very studious.

Blenche Harman—Quiet and likeable.

Jeanette Graham—Football boys' heroine, and a go-getter.

Ruby Maude Ferguson—Very sweet and athletic.

Juanita Crum—A pretty girl, and very likeable.

Mamie Bundrick—Very friendly

-Refreshing-

NORMA SHEARER of the movies wears chic but practical clothes for her Sun Valley outing. Gabardine suit, sleeveless sweater, beret and studded belt and knapsack purse are her choice for country wear as she enjoys some popular bottled refreshment.

—always has a smile for everyone.

Helen Curtis—Very quiet, but industrious.

Mozelle Armstrong—Her interest seems to be centered around the Lilley farm.

Floyd Ashcraft—Pest, wicked-eyed, stand-by.

Katherine Boling—the girl with the sparkler—third finger, left hand.

J. C. Cooper—A little nuisance who seems to be something he shouldn't.

Delores Gibson—Usually in "high" and looking for a blue ford. (for'ds anyhow.)

Bill Kirkpatrick—Man about town, and seems to get along with all the girls.

Marlene Greathouse—Very likeable.

Wanda Monzingo—Short, studious, and talkative.

E. B. Noble—Witty and has a large circle of friends.

Ollene Shepard—Best artist in Dimmitt high school.

Dorothy Pren Simmons—A red-headed heartbreaker who has a slightly used line.

Horace Trainer—One of the best speakers in Dimmitt high school.

Eight Senior Girls Participate in BB

By MOZELLE ARMSTRONG

The senior girls made themselves quite a name in their basketball career this year.

Those who enrolled were Mary Jean Webb, Gwendolyn Coke, Mozelle Armstrong, Mary Jo Smith, Juanita Crum, Shirley Womack, Patsy Rawlings, and Ruby Maude Ferguson.

Two making the main string were Gwendolyn Coke and Mozelle Armstrong. Mary Jean Webb was a main substitute.

The girls were very proud that they were fortunate enough to attend the district tournament at Dumas this year.

Some of the girls have played three years of basketball and they will be missed by next year's team.

The senior girls wish next year's team great success.

The North Edge Home Demonstration Club will hold a bazaar Saturday at the M System grocery and market in Dimmitt.

The women of the club have extended invitations to everyone to attend and see the display of nic nacks, and if they so desire, buy small gifts.

The North Edge Home Demonstration Club met in the home of Mrs. Raymond Hance May 7. Nine members were present. Roll call was answered by a quick-growing flower. The pledge and prayer was repeated by each member.

Miss Grindstaff was unable to attend, but has promised to be at the second meeting of the club, scheduled for May 21. The next meeting will be held in the home of Mrs. C. W. George.

America was sung, refreshments were served, and the meeting was an enjoyable one from every angle.

Keeping Up With Your Friends--

William A. Meacham, private first class, came home to visit his parents here over the week-end. Bill is at the school in Lubbock.

And help the USO, won't you? The campaign now is on in Castro county to raise funds to supply recreation and comforts for our Army, Navy, and Marine Corps. Let's all do our part. Castro's quota for this drive is \$450.

Miss Kate Adele Hill of College Station, district home demonstration agent, spent Monday here co-operating with Miss Ava Grindstaff, Castro county home demonstration agent, and the 120 adult women club members in the community.

Victor Lamb of the Hale Center American, and Jack Hurst of the Abernathy News, visited in Dimmitt Sunday, being joined here by T. A. Singer and De Witt Lamb of The News and the four making a trip to Hereford, Canvon, Buffalo Lake, Amarillo, and Tulia during the day.

Mr. and Mrs. Raymond Donnell have returned to Dimmitt to reside after a brief sojourn in Plainview. Donnell has been with Paul Zimmerman on the mechanical force of the Tribune, weekly newspaper now operated there by Zimmerman.

From last week's Quitaque Post: Rev. Sherrill was here from Dimmitt Monday night, coming over to take Mrs. Sherrill, Mary Alice and Marvin to Plainview Tuesday. They were accompanied to Plainview by Willadeen Owens. Bro. Sherrill returned to Dimmitt Wednesday morning.

Mr. and Mrs. T. A. Clark have moved the Dimmitt Laundry to the Miller Hardware old location, two doors south of their former location, and started operating on Monday morning with newer and "faster" equipment. "I've got more hot water and softer suds than I ever had before," said Mr. Clark.

Basic loan rate for this year's wheat crop in Texas is \$1.34 a bushel, but individual prices will vary, according to location.

From where I sit...

by Joe Marsh

FRONTMAGING through my desk the other day, I came across some snapshots of friends of mine made back in 1933.

If you don't think time flies... if you don't think this world ever changes... you ought to look at the women's hats and dresses in those pictures taken 9 years ago! Wow!

It gave me quite a start... and then it set me to thinking... and rememberin'! Lots of things sure happened in 1933. A new administration in Washington... the turning point of the depression... and the coming of Repeal.

I remember the re-legalization of beer. It came before Repeal, when Congress amended the old Volstead Act to allow legal sale of "3.2" beer.

What talk and arguments they had in those days! One argument I remember well... was that beer would do a lot to help bring back prosperity. I wondered at the time whether that argument could be proved.

I thought about that again, the other day. I decided to check up and find out.

Well, I found out plenty. I found out that legal beer has paid more than 3 billion dollars in taxes since 1933. It has made more than a million new jobs.

According to one of the reports I've seen, beer has put more than 15 billion dollars into general business circulation. Goodness me, that's a lot of money.

Beer is sold today in every state in the Union. Every state benefits from beer's jobs and taxes. And I guess there's no denying that beer did do its share in bringing back better times.

I'm glad it did, too, because beer is such a pleasant, appetizing beverage. And it stands for moderation and moderate people... it's not likely to get you in trouble.

CHOC LAY

(Continued from Page 1)
Kids there, kids almost every-
where. Why, they are even run-
ning around in the pasture and in
the front yard—because, you see,
Harlon has a goat ranch, and we
might add, the money is literally
rolling in. He's considered the
most eligible bachelor in the
country.

If you tune in on one of the big
broadcasting studios ten years
from now you will recognize the
voice of John L. Womack. He is
announcer for one of the major
broadcasting studios.

Some of the movies you will be
seeing will have been written by
Ol'ne Shepard. She'll be writing
plays and then when she makes a
million she is going to have a big
dude ranch and balance her years
of hard work by having fun for a
long time to come.

Georgia Shwen will have made
a name for herself by writing
short stories. She will, no doubt,
be one of the prominent writers
of the next decade.

Lucile Horner will be the fa-
vored singer of the states. She
will be singing a little on the
blues side and will be heard over
all the major networks.

Ten years from now Horace
Trainer will be ranking alongside
of the greatest orators. His name
will be perpetuated in the annals
of history.

Delores Gibson will have made
a successful business woman, but
her want for clothes constitutes
the need for a husband—so now
—she, too, is married.

The prominent homes of the day
will have been decorated by the
famous interior decorator, Jean-
ette Graham. Jeanette now is
decorating her own little home,
for she has married a wealthy
doctor.

Dorothy Wren Simmons, instead
of going about from parlor to par-
lor, is going from committee
meeting to committee meeting.
She is one of the "400," and is a
most favored candidate for the
presidency of the DDAR.

Wanda Monzingo is up to her
old tricks—entertaining. She
rates "tops" as a Red Cross nurse.
She's the best in her field and
keeps everybody in high spirits.

Dorothy Cooper is sailing
smoothly—and with her looks it
didn't take long. She was a sec-
retary and soon married the young
boss whose fortune is not to be
scoffed at.

J. C. Cooper is making history
in the field of mathematics. He
has his doctor's degree, and his
theories are astounding other well
known professors.

Frances Ivey will be heard
"tackling the ivories." She'll be
one of the best pianists to be
found.

Wilda Hawkins will be married.
She'll have a nice husband, family
and be very happy.

Juanita Crum will be "getting
around" in the business world.
Maybe she'll be secretary, or may-
be she'll be the boss.

Walter Cox will have a ranch
and a wife, and maybe a family.
His path will be rosy, or should be.

Tire LESS.

Sub Deb News

The Sub Deb Club is new, but
not for long. The name of the
club is the Chit Chat Club.

The club officers are Betty Has-
tings, president; Jolira Whitlow,
vice-president; Marilyn Gollehon,
secretary; Norma Thompson,
treasurer and reporter; and Car-
olyn Rawlings, committee chair-
man.

Any girl, either 13 or 14, who
wishes to become a member of the
club will be voted in by secret
ballot.

The "Chit Chatters" are spon-
soring the show, "Bedtime Story,"
with Frederick March and Loretta
Young, the 20 and 21 of May. You
probably will see these lassies at
your door.

Hart H. D. Club
Holds Meeting

The Hart Home Demonstration
Club met with Mrs. B. F. Lemons
on May 5. The subject for the
morning session was "Bug Wis-
dom." A very interesting discus-
sion was heard. In the afternoon
the subject was "Quick Yard
Work for Temporary Residents."

The home demonstration agent
gave a very interesting lecture
and this was illustrated by poster
arrangement of flowers and the
kind of flowers to use in our sec-
tion of the country.

Sugar substitute recipes were
handed out by the agent.

The following were present:
Mrs. Glenn Maples, Mrs. Hubert
Maples, Mrs. Garrison, Mrs. Reed
Mrs. Percy Hart, Mrs. Raber Da-
vis, Mrs. Florine Rice, Mrs. C. C.
Rice, Mrs. Earl Stewart, and the
hostess.

Like taxi drivers, some of us go
through life—just missing things.
