Havins & Vowell New Motor Shop Opens This Week

A new Robert Lee business opening this week with prospects of a very successful future is the Havins & Vowell Motor company owned by Fern Havins and Charlie Vowell. Having recently purchased the Varnadore Bros. garage building north of the court house, they have made extensive improvements and installed new equipment enabling them to render a complete automotive service.

While they are not fully equipped as yet, the new firm is opening for business this week and additional improvements will be made as soon as possible. They will stock a complete line of tires, batteries and accessories of all kinds.

Queried as to a policy which they plan to follow, Mr. Vowell said: "We intend to give satisfactory service, and will be able to handle most anything in the line of motor repairs and service." Charlie has had 20 years experience, starting in the garage business under Jess Craddock. During the war he traveled over 12 states as an aircraft engine trouble shooter.

Before returning to Robert Lee last year he was with Joe North's Chevrolet and Oldsmobile agency at Ozona, and previously was in charge of Elliott & Taylor's Chrysler shop at Sonora. Charlie is a native of Robert Lee, the son of Mrs. Eva Vowell, and he's a nephew of Fern Havins, senior member of the new motor firm. Charlie's wife is the former Ruth Davis, a daughter of Mr. and Mrs. G. E. Davis.

Fern doesn't need any introduction either, because he's an old home town boy who was born out in Valley View. His father, the late M. H. Havins, was a well known county commissioner in years past. For the past 15 years Fern has been operating heavy equipment and has devoted his entire time to that business since selling his ranch to Frank Percifull in 1944.

Mr. Havins will continue to operate his bulldozer, but will be active in managing the new business which he and Charlie are setting up.

Ivey Motor Company Delivers School Buses

Ivey Motor company delivered new school buses the first of the week to both the Bronte and Robert Lee schools. Some delay in delivery was experienced because of a fire in the factory last summer.

Mounted on new Ford chassis with 158-inch wheel base, the bodies were manufactured by the Carpenter Coach company of Mitchell, Ind. Each bus has twelve wide seats with a load capacity of 36 children. An emergency door is in the back and many attractive features are included.

The vehicles were driven to the Dallas branch of the Ford Motor Co. from Indiana and were turned over to the Robert Lee firm Sunday. Delivery price of each bus was \$3,250.

Ed Hickman was seriously ill over the weekend at the Bronte hospital. He is reported to be improving.

Mrs. Hugh Lewis, Jr., was a pneumonia patient the fore part of the week at the hospital in Bronte.

To Build Duplex

A. B. Sheppard has purchased two 50-foot lots from Ernest Lowrance in the block east of the water tower and has already started the construction of a rock veneered duplex residence. The project is strictly an investment proposition and the new building will provide housing for two families. Mr. Sheppard also purchased the former army building from Lowrance which is now used as an office for the Stanolind exploration party. A. B. feels that residence property in Robert Lee is a very sound investment because of the oil development in the county.

PTA Discusses Plans For Halloween Carnival

Regular monthly meeting of the Robert Lee Parents-Teachers association was held Tuesday afternoon at the school auditorium, having been postponed from Thursday of last week.

Mrs. T. M. Wylie, Jr., the new president, was in charge of the meeting which was devoted largely to a discussion of the big Halloween carnival set for Friday night, Oct. 31. The PTA has sponsored a carnival for several years and proceeds are used for the purpose of buying needed equipment.

The meeting was well attended and a \$1 prize for having the most mothers present went to the sophomore class. The second and sixth grades tied for second place.

School News

By Janet Bilbo

The candidates for Queen of the Halloween Carnival are being campaigned for in a big way. The big event takes place at the high school auditorium on the night of Friday, Oct. 31. Candidates for Queen are as follows:

Seniors—Ida Belle Eaton.
Juniors—Nelda Ann Sheppard.
Sophomores—Joyce Littlefield.
Freshmen—Lyn Doris Varnadore

Court attendants have been announced to include:

1st grade—Duchess, Mary Frances Wylie; duke, Freddie McDonald
2nd grade—Sally Carolyn Hoover, Tommy Jackson.
3rd grade—Florene McKinney, Billy Ray Brock.
4th grade—Wanda Jayne Lackey, Tommie Jett Hood.
5th grade—Johnnie Lou Rives, Douglas Martin.
6th grade—Sammy Jo Fowler, Thomas Lee.
7th grade—Billie Fred Jameson, Bill Havins.
8th grade—Lawana Harmon, Alfred Austin.

Clean Up Day at School

Supt. M. G. Hannaford announces that next Wednesday has been set as Clean Up Day at the Robert Lee school. The buildings and grounds will be given a thorough cleaning and parents are asked to lend a hand. Several pickup trucks are needed, as well as hoes and rakes.

Ivey Motor company this week delivered a 1947 four door Ford sedan to Mrs. Mattie Glenn of near Bronte.

H. E. Ivey and Frank Wojtek were called as jurors in federal court this week.

Mrs. O. L. Freeman of Los Angeles, Calif., is here visiting in the home of her parents, Mr. and Mrs. E. C. Jones.

Verdict For Wylie In Insurance Suit

The following article is reprinted from Tuesday morning's issue of the San Angelo Standard-Times:

Damages of \$3,614. 60 from The Allemannia Fire Insurance Co. were awarded McNeil Wylie, former Coke County judge, by a United States District Court jury here late Monday afternoon.

Wylie's suit grew out of a fire last January which destroyed the building in which he was raising chickens and producing battery-fed broilers for the market. He alleged that prior to the fire he had a verbal agreement for \$4,000 of insurance on the structure with W. B. Clift, Robert Lee undertaker and agent for The Allemannia Fire Insurance Co. and other insurance companies.

The jury awarded Wylie the full sum of the alleged policy, less \$300 for brooder and battery equipment salvaged from the fire and less a premium payment of \$85.40.

Clift, under questioning from attorneys, acknowledged that he had talked with Wylie several times concerning the insurance policy, but declared that he had not told Wylie he was insured pending issuance of the policy.

Wylie told the jury he first approached Clift about the policy early in December, 1946, and that Clift said he did not know the premium rate. He said that he met Clift four or five days later and asked about the policy. Clift took him to his office, Wylie said, and telephoned George Powers, special agent at Abilene. Wylie said Clift told him that Powers would come to Robert Lee in a few days and assist in drawing up the policy.

Some time later, Clift again telephoned Powers, Wylie testified. He said Clift told him that Powers had been unable to visit Robert Lee because of snow.

"Bruce (Clift) said, 'Judge, you are insured,'" Wylie testified. . . . "You asked for a policy and you're insured."

Powers, taking the stand for the defendant, denied the existence of any agreement, verbal or otherwise. He said he did not write policies, but merely advised and assisted local agents.

Other witnesses were Russell Trimble, San Angelo insurance agent, and S. E. Adams, Robert Lee real estate dealer and abstractor.

Wylie was represented by Glenn R. Lewis, E. E. Murphy, and Earl W. Smith. Upton, Upton and Baker and Smith and Griffis represented the defendant, with W. A. Griffis handling the case in court.

Local Cotton Crop Smaller Than Expected

The 1947 cotton crop in this locality is running below expectations, according to Fred McDonald, Jr., Robert Lee gin operator.

With 275 bales already ginned he figures three-fourths of the crop has been picked and the total is expected to run about 400 bales. An earlier estimate placed the yield at 500 bales.

The Robert Lee gin has handled 15 bales some days and has had a steady run the past two months. The largest producer thus far is J. W. B. Robertson, who has brought in 22 bales. The price is averaging around 30 cents.

Welfare Worker Coming

Mr. Thomas D. Bledsoe, newly appointed field worker for the department of Public Welfare, will be in Robert Lee on the 1st and 3rd Monday mornings from 9 to 12 of each month. Should anyone desire to make application for old age assistance, aid to dependent children, or aid to the needy blind, they should write to Mr. Bledsoe at Box 951, San Angelo, Texas, for a definite appointment. Mr. Bledsoe succeeds Mrs. Grace Barber who has been transferred to another district.—Bob L. Davis, County Judge

Christoval Next Foe On Steer's Schedule

Robert Lee journeys to Christoval Friday afternoon for a 7-B conference football game with a formidable foe, the Cougars. It is sure to be a hard fought contest, with the Steers picked as slight favorites.

Christoval opened the season by taking a 19-0 licking from Eldorado and the next week Robert Lee defeated Eldorado 6 to 0. But that don't mean a thing. The Cougars have been improving and later tied Rochelle, a team that tied Bronte. So you dope it out to suit yourself.

Anyway, the Steers have plenty of backers in their old home town even though they were trampled by Bronte last week 25-0. The Longhorns have a strong club this year and it was their turn to win after taking the short end of the score from Robert Lee the three previous seasons. Last week's affair didn't count on the conference standing, as the same teams will battle again on Thanksgiving Day. A much different outcome is hardly possible, however.

The Steers were unable to click against Bronte, and if they had any fancy plays up their sleeves they weren't brought into the open. Robert Lee boys were good, they're tough guys on the gridiron, and we still love 'em and all that, but they were somewhat out classed by that big herd of Longhorns. A detailed account of the game appears on an inside page.

Bronte has a big game coming up on their home field Friday afternoon at 2:30 when they tangle with the Menard Yellow Jackets. Menard is undefeated this season and recently whipped Ozona 26-20. Early in the year Bronte lost to Ozona 6 to 0.

A happy gathering of relatives took place Sunday at Hugh Smith home northwest of Robert Lee, with all of Mr. Smith's brothers and their only sister being present. They included Mr. and Mrs. E. W. Smith, R. T. and Wayne, Jr. of Robert Lee, also Boyd and Dee Smith of Angelo, Mr. and Mrs. D. K. Smith and son of Mercury, Mr. and Mrs. Frank Smith of Ballinger and Mrs. Della Patrick of Richland Springs. Also present for the day were the Smith's sons, Cecil and Wayne, and the two daughters Mrs. Homer Carwile and Mrs. Lowell Roane and their families.

G. B. Gebhart, Sun Oil company employee at Silver, was called to Palestine, Texas, recently by the death of his sister-in-law Mrs. J. H. Gebhart. Her death occurred Oct. 10 following the birth of a son. The baby died also. Mr. Gebhart was accompanied by his wife and during their absence the children remained with friends at Silver.

Mrs. Horace Mitchell and little daughters arrived Tuesday from San Diego, Calif., for a visit with her parents, Mr. and Mrs. S. B. Plumlee.

Sun Top Officers Inspect Oil Field In Coke County

The Jameson field in northwest Coke county near Silver, where Sun Oil company now has 10 completed producers, was inspected Saturday for the first time by high officials of the company.

Traveling in a twin-motored company plane, Robert G. Dunlop, new president of Sun, and John G. Pew, vice president in charge of production, both of Philadelphia; J. W. Timmons, Dallas, head of the legal department, and J. E. Regent, Midland, district landman, came to San Angelo from San Antonio where they attended a convention.

The officials were met at San Angelo by Henry Conkling, district geologist, C. C. Pope, landman, and D. T. Whitton, geologist, and were brought to the Jameson field in automobiles. They had lunch at Mrs. Day's cafe in Robert Lee and the easterners seemed quite thrilled with West Texas.

Latest Oil News

Sun's No. J. S. (Jack) Walker was drilling Thursday morning at 6,000 feet in shale. Operators had expected to hit the lime reef at a depth a trifle less than 6,000 feet, but as yet there were no oil showings.

No. 1 C. E. Mathers was plugged with cement at 4,660 feet and contractors were setting whipstock preparatory to going around the stuck tools. Previously a depth of 5,516 feet had been reached, but after a weeks work it was impossible to loosen drill collars stuck 600 feet from the bottom. A cement plug earlier in the week failed to hold.

No. 3 Homer Jameson was drilling Thursday at 5,552 feet in shale. No. 4 Homer Jameson was drilling ahead in shale at 4,940 feet.

No. 1 J. B. Walker, wildcat across the river, was drilling at 3,305 feet in lime and shale. About 800 feet of hole had been made during the past seven days.

Will Peay Found Dead

Word was received here Tuesday night that Will Peay, former resident of the Edith community, had been found dead in his home near the outskirts of Midland. He lived alone and is thought to have died a number of hours before the body was discovered. His brothers, Felix and Tom Peay, left for Midland upon hearing word of his death. Will was here a few weeks ago to attend the funeral of his father, the late G. W. Peay.

Bowling Party

The senior class of Robert Lee high school will sponsor a Bowling Party Friday night. Proceeds will be used to help the senior candidate for Carnival Queen. The public is invited.

County Supt. Bob L. Davis, Supt. M. G. Hannaford of Robert Lee and Supt. Jeff Dean of Bronte were in Dallas Sunday and Monday attending a state convention of Texas school administrators.

Clarence Mitchell and family returned last week from a visit with relatives in East Texas.

WEEKLY NEWS ANALYSIS

Food Program Off to Wobbly Start; Comintern Brings Jitters to U. S.; Railroads Get Freight Rate Boost

Released by WNU Features.

EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.

The nine countries indicated here have been listed by Moscow as having representation in the organization of a re-established Communist international (Comintern). Black areas are Soviet satellites, shaded areas are Russian-occupied sections of Germany and Austria, and countries marked with Soviet symbol are included by the Russians in what they believe to be their rightful sphere in Europe.

SIX MONTHS

How Long No Meat?

Amid a certain amount of weeping and wailing and less gnashing of teeth than usual, President Truman's program involving meatless Tuesdays and eggless Thursdays lumbered tentatively through its first week.

Even the most ardent optimist could not call this phase of the food conservation drive to help Europe an instantaneous success; however, it might improve with time.

And it was in the handwriting on the wall that there would be considerable time, for administration experts predicted that the days of voluntary self-denial would last for at least six months.

President Truman himself has set the dates for the interim emergency aid to Europe campaign—from December 1 to March 31—although that time limit was imposed specifically for the raising of 580 million dollars in cash. Regarding the food conservation aspect, Charles Luckman, head of the citizens food committee, said "Our only idea is to do the job until it is done. No time schedule has been set."

Secretary of Agriculture Clinton Anderson was a little more definite. He pointed out that conservation to save grain might be necessary until the winter wheat crop, now being planted, begins to come in next June and July. Then he offered a faint hope with a hollow ring: "Meatless days are not in the picture indefinitely," he said.

The Eating Public

Public opinion, it developed, was far from united on a solid front behind the food conservation plan.

Restaurant operators said their customers were growling about meatless and eggless days.

Millions of Americans resented the suggestion of a voluntary meatless Tuesday since they already are going without meat four or five days a week because they can't afford to buy it oftener than that.

The poultry industry pointed out that if every one of the 140 million residents of the U. S. were to eat one less egg a week, the government would have to buy 600 million dozen eggs under the law requiring government support of parity prices; and the government already holds in storage several million cases of surplus eggs purchased to support farm prices.

SOIL RESOURCES:

Depletion?

Hard cash isn't the only cost involved for American taxpayers in the government's program to export a half billion bushels of wheat and feed grains annually to Europe.

The invisible price which this nation is paying is the possible depletion of the soil resources on which our future food supply depends.

During the war years, only about half of the nitrogen taken from the soil was replaced, according to recent studies. Only about half of the phosphorus removed was put back, and less than one-thirtieth as much potassium was added in the form of commercial fertilizers as was removed by harvested crops.

Those facts denote a trend which ultimately might lead directly to untold acres of sterile soil incapable of producing the food in the amounts necessary for maintenance of the American standard of living.

Already, the heavy drain on the mineral supply in the earth has reached the point where yields on many soils depend on the fact that minerals are being replaced constantly.

SECURITY RISKS:

No Peace of Mind

Communism, particularly since the revival of the Comintern in nine European countries, is taking its toll in the U. S. by undermining the American peace of mind.

That obvious fact has been given added significance by the state department's disclosure that summary dismissal faces state department employees who are "habitual or close" associates of persons even "believed to be" Communists.

In plain language, that is a reversal of a fundamental principle of Anglo-American law—that a man is judged innocent until he is proved guilty beyond a reasonable doubt.

In fact, the state department, in a "security principles" document recently made public, says specifically that if there is a "reasonable doubt" about a worker's loyalty the "department will be given the benefit of the doubt and the person will be deemed a security risk."

While idealists could quibble at length about abridgment of "constitutional rights," few would deny that the state department simply was playing it safe in the face of a manifest danger.

10 PER CENT:

Freight Boost

Freight transportation costs quivered delicately and prepared to take off like big birds as the Interstate Commerce commission granted U. S. railroads an emergency 10 per cent increase in freight rates.

The boost, which applies to all commodities except coal, coke and iron ore, on which increases of 10 to 11 cents a ton were granted, was pretty much what the railroads wanted and will give them an additional 125 million dollars in revenue during the rest of 1947.

ICC authorized the 10 per cent raise as a kind of "stopgap aid" until the board can act on the railroad's major request for an overall boost of 27 per cent which has been pending since September 5.

The carriers said the increase was needed to offset higher wage and equipment costs. Principal U. S. railroads recently granted a 15½ per cent wage boost to a million non-operating employees, and they are faced with similar demands by operating personnel.

Meantime, the consumer-public knew who would get the bill.

POISON:

'Internal Life'

Henry Wallace, who, unlike most politicians, has an opinion on every conceivable thing under the sun, came out with a new idea on the strained relations between the U. S. and Russia.

This mutual ill-feeling, he said, is a disease which is poisoning the "internal life of both countries."

Wallace As far as the poisoning of "the internal life" of the U. S. is concerned, Wallace asserted that it has reached a point here where "millions of people are afraid to speak their minds, even in private." That, he intimated, is a forewarning that "thought control" may be on its way "with alarming speed."

Got Him
"Did anyone in your family ever make a brilliant marriage?"
"Only my wife."

No Score
Here lies the body of Archibald Rummy. Who tackled the coach instead of the dummy.

Ruled Out
"I sent my picture to the Lonely Hearts club but they sent it back with a note."
"What did the note say?"

BRONTE NEWS

By D. M. WEST

The intermediate department of the Sunday school of the Methodist church had a pie sale down town in one of the vacant business buildings Saturday afternoon. The proceeds amounted to \$12 and are to be used to beautify the class room in the educational building of the church. Mrs. Brooks Browning is teacher of the class.

Jesse Monteth, one of the old-time residents of the Fort Chadbourne section of the county, but who has been in California about forty years, is here visiting old friends and living over again the scenes and memories of the long yesteryears.

Friends of the Robert Lee State Bank in Bronte were glad to note the most excellent statement of the bank in last week's issue of The Observer. Congratulations to the cashier, Mr. T. A. Richardson, and the board of directors. A splendid showing, gentlemen, indeed!

There was more sorrow in Bronte the past weekend than perhaps, the town ever knew at any one time. Three citizens, two residing here now, and one former old time citizen, died last week,

and two were buried here, and the third buried in Eden.

Thad Lowry, who had resided here forty of his 46 years of life, died in a Dallas hospital Thursday night. The body was returned Friday, and was interred in the Bronte cemetery Saturday, following religious services at the Baptist church at 4 o'clock. He was a member of one of the oldtime and widely known families of this section.

Mr. Lowry was a barber by trade and for twenty years owned and operated the City barber shop. Jovial and always kindly disposed towards each and all he had many friends.

Rev. J. E. Eldredge of Sonora formerly pastor of the Baptist church here, conducted the services.

The second death was that of R. M. Williams of Rotan, who for many years resided in the Bronte area, chiefly in the Hayrick community. Mr. Williams had resided with his family at Rotan for the past several years. He died Thursday night, and the body was brought to Bronte Friday by the Clift Funeral and Undertaking Co. Religious services were held at the Bronte Methodist church Saturday afternoon, at 2:30 o'clock, by Rev. A. S. Mauldin, pastor of the

church and Rev. Robt. S. Watkins of Rotan. Interment was in Bronte cemetery.

Mr. Williams and family have many oldtime friends in Bronte and in Coke county. He was a brother of Mrs. Dan Campbell of Robert Lee,

Saturday morning at 6 o'clock in the veteran's hospital at Waco, Bronte lost a good and useful citizen, when Ira F. Lloyd died. Mr. Lloyd and family have resided in and around Bronte and in Coke county for many years. He engaged in ranching and farming. He was in World War I. Several years ago his health began to fail. About three years ago he became incapacitated for any responsibility whatever.

He was carried to San Antonio where he was treated and returned seemingly improved. But soon he began to grow worse and was taken to the Veteran's hospital at Waco. He remained there for several months. Some months ago he returned home, but it was only a short time until he had to return, where he remained until Saturday morning at six o'clock when death came.

His wife who was nursing at Ozona was notified and she and their son, Billie, who is in the University of Texas at Austin, went to Waco and returned with the body to Ballinger to the Newby-Davis funeral chapel, where it lay in state until Sunday morning, when it was carried to Eden, to the house of a sister of deceased where Rev. Geo. McCrary of Lampasas formerly pastor of the Bronte Methodist church, conducted services and the body was interred there. Deceased is survived by his wife, daughter, Mrs. E. O. Young of Harlingen, and the son, Billie, and other relatives.

J. W. Arledge, Jr. is looking after cattle at his ranch near Raton, N. Mex.

FOUR STARS IN F. F. A. . . . Highest honors in the Future Farmers of America, as announced at the American Royal Livestock show, went to these four youths: Top left, Marvin Krull of Lake Mills, Wis., Star Farmer of Central region; top right, Ray Cinnamon of Garber, Okla., Star Farmer of America; lower left, Wayne Stull of Yakima, Wash., Star Farmer of Pacific region, and lower right, Hoopes Yarnell of Cochranville, Pa., Star Farmer in North Atlantic region.

FAITH BORN OF DEEDS

Four Rural Youths Receive F.F.A. Star Farmer Awards

By W. J. DRYDEN
WNU Farm Editor

"I believe in the future of farming, with a faith born not of words but of deeds . . ."

Deeds like these bear out that excerpt from the Future Farmers of America creed:

In his first year out of high school, a 19-year-old Oklahoma boy netted more than \$5,000 from his varied farming enterprises.

At the age of nine a Washington boy launched his first farm project. Before he entered high school his bank account totaled \$2,000. Now, only 19, he figures his net worth at \$41,500.

Deeds like these are repeated in countless number by farm youth throughout the nation, and once each year the outstanding achievements are rewarded when the Future Farmers of America presents its coveted Star Farmer awards.

As usual, the awards were presented at the organization's annual national convention, held at Kansas City, Mo., in connection with the American Royal Livestock show. Chapter delegates and local leaders from every state in the union converged on Kansas City to witness the show and to see the Star Farmer selected.

The highest honor, that of the coveted Star Farmer of America, went to Ray Gene Cinnamon, 19, of Garber, Okla. Cinnamon shared the spotlight with three other young farmers, Marvin Krull, 19, of Lake Mills, Wis.; Wayne Francis Stull, 19, of Yakima, Wash., and Hoopes T. Yarnell, 20, of Cochranville, Pa. These three were named Star Farmers of the Central, Pacific and North Atlantic regions, respectively.

Wins Major Award.
Cinnamon, the Star Farmer of America for 1947, netted \$2,454 from 120 acres of wheat last year. In addition, he had a herd of 100 Aberdeen Angus cattle, which boosted his income by \$1,400. Other farming interests, including hogs, sheep and oats, combined with the cattle and wheat to give him a net income of more than \$5,000, his first season out of high school. His income for 1947 is expected to pass the \$7,000 or \$8,000 mark.

When he was only nine years old, Stull, Star Farmer of the Pacific region, started his first farm enterprises. By the time he entered high school he had \$2,000 in the bank. Now considered one of the best apple growers in the district, he netted more than \$18,000 last year. He figures his current net worth at \$41,500.

Krull, choice of the F.F.A. for Star Farmer of the Central region, is in partnership with his father in a 300-acre general crop and livestock farm. During his four years of high school he netted about \$1,500. His income from personally-owned farming ventures in the two years he has been out of high school has approximated \$4,200.

A poultry project while attending high school was the first major F.F.A. activity for Yarnell, who was adjudged Star Farmer of the North Atlantic region. In 1946 Yarnell bought an interest in his father's general 121-acre farm. Their major

attention is centered on 54 dairy cattle and several hundred laying hens.

The Future Farmers of America is the national organization of farm boys studying vocational agriculture in public secondary schools which operate under provisions of the national vocational education act. Since its inception the organization has grown rapidly in number of chapters and membership. Now active throughout the United States, Hawaii and Puerto Rico, it is recognized as the largest farm boy organization in the world.

Major purposes of the F.F.A. are to develop agricultural leadership, co-operation, citizenship, improved agriculture and patriotism.

The national organization includes chartered state associations composed of local chapters found only in public high schools having departments of vocational agriculture. The F.F.A. foundation also has been established to provide business, industry, organizations and individuals with an opportunity to co-operate in promoting the F.F.A. program and to assist students and former students of vocational agriculture to become established in a farming occupation.

Award for Achievement.
Included in the F.F.A. program are four degrees of active membership: Green Hand, Chapter Farmer, State Farmer and American Farmer. Advancement through these grades of membership is based on achievement in vocational agriculture and progressive establishment in farming. Only one boy in a thousand among F.F.A. members may receive the American Farmer degree in any one year. The Star Farmers are selected from this group.

F.F.A. members receive instruction in all phases of farming. Teachers of vocational agriculture visit the boys frequently on their home farms to assist them with their farming activities and to encourage them in their work.

Many former F.F.A. members now teach agriculture in high schools and colleges, others serve as farm advisors, but the majority are operating their own farm projects successfully.

Help Needed
Employee—Could I have tomorrow off to help my wife with the housecleaning?
Boss—No. We're much too busy.
Employee—Thank you, sir, I knew I could count on you.

Contrary to popular belief, water, taken in moderation, will have no ill effects on the consumer.

Repeat
He—Say you love me, darling.
She—You love me.

Could It Be?
First Boy (looking at mummy in museum) — Wonder what this sign "1187 B. C." means.
Second Boy—Bet it's the license number of the car that hit him.

Not Too Particular
An attractive young woman paced around the hotel lobby several times. She seemed to be looking for someone. The helpful young flier who had been noticing her finally stepped up to her and asked, "Pardon me, are you looking for some particular person?"
"I'm satisfied," she replied, "if you are."

Don't paint electric cords. This is bad for rubber and promptly causes it to crack.

Empty the vacuum cleaner bag frequently. An excessive accumulation of dirt impairs the suction of the cleaner.

Make a syrup of brown sugar and a little butter or margarine and serve it over cooked carrots cut lengthwise. Or glaze the carrots in this syrup in a frying pan or in the oven.

Glue rubber washers to the bottom of your dish-pan with waterproof airplane glue. This will hold the dish-pan steady in the sink and will prevent black stains from forming in the sink.

Sweater belts should be measured before washing. Then they can be stretched and pinned to the exact size before drying.

A brush you intend to use again within a few days need not be cleaned provided you wrap it well in wax paper or cellophane. Twist both ends of the paper tightly so as to keep out the air. For more than three days, however, it is better to clean the bristles with a solvent.

We cannot be reminded too often to be careful in the use of paints, lacquers, alcohol, gasoline, naphtha and combustible cleaning fluids—particularly around flames and burners of all kinds which are used for heating or cooking. Vapors from these liquids ignite quickly when brought near any source of heat and cause painful injury and great property loss. Remember to shut off any burners or pilots when applying volatile fluids on floors, walls and furnishings.

ORGANIZATION DOES PAY . . . Join Your Farm Bureau During Farm Organization Week—October 28-30

Farm Bureau Wants 300 New Members

Coke County's Farm Bureau will stage its annual membership drive this week, October 23-30. An organization meeting was held earlier this week when plans were made for a county-wide drive.

While the Farm Bureau has been strong in the eastern and southern parts of the state, it is now growing rapidly in West Texas. It has been operating in Coke county the past two years and has a membership of 55, but a goal of 350 members has been set for this year. The annual dues are \$5.00.

County officers are C. E. Arrott, president; R. B. Allen, vice president; Mrs. C. E. Arrott, secretary-treasurer; and Willis Smith, Mark Chumley and Mr. and Mrs. Sam Powell, directors.

"Farm Bureau is an organization

of, by and for farmers," Mr. Arrott says, "and its chief job is to maintain farm prices. To accomplish this, farmers must have an organization strong enough today to adopt and maintain an agricultural program that will stabilize the prices of farm products, which will in turn stabilize business and industry."

Mr. Arrott is acting as chairman of the membership campaign. He says 90 per cent of the farmers and ranchers in Scurry county belong to the Farm Bureau and many other localities have equally as good a record.

Mr. and Mrs. James Orr of Richmond, Calif., are the parents of a son, Howard Dee Wayne, born Sept. 19. Mrs. Orr is the former Mageline Ashworth and is a sister of Mrs. Roy Hood and Fred Ashworth.

Mr. and Mrs. Alvin Bilbo of Long Beach, Calif., have been guests of his twin brother, Allie J. Bilbo. They were called here by illness and death of Mrs. Bilbo's father, Martin Williams, whose funeral occurred at Bronte on Saturday.

John Tolbert, well known rancher on the Divi'e in the southwest part of Coke county, was in Robert Lee paying taxes last Thursday and stopped at The Observer office to pay for a year's subscription to the county seat newspaper.

A little want ad will sell it.

Mrs. Mable Parker came from Eldorado for a weekend visit with her mother, Mrs. Betty Tubb. The latter accompanied her daughter home for a few days' stay.

Mrs. Clyde Bailey was in Winters one evening last week on business.

Announcing

Our New Garage & Motor Repair Shop Is Now Open

Having purchased the Varnadore Bros. garage, we have made extensive changes and improvements and installed new equipment. We are now ready to handle all kinds of general repair work, including cars, trucks and heavy equipment.

Our new equipment includes: Lincoln Welder, for both electric and acetylene work, Alemite power Greasing Units, Valve Machines, hard seat grinder and refacer, new Hydraulic Hoist for wash and grease rack, new Battery Charger, Test Analyzer for Ignition work, etc.

We expect to give every customer SATISFACTORY SERVICE and that will be our guarantee at all times. We are experienced in hydromatic work for Oldsmobile and Cadillac, and also the fluid drive Chryslers.

We will be adding more shop equipment and plan to stock a complete line of Tires, Batteries and Accessories. Will also have an announcement soon on Gasoline.

We are setting up to give you complete Automotive Service and will appreciate a share of your business. Come in and see us.

Folks You Know

Mr. and Mrs. Dee T. McClesky and daughter, Dee Anna, and Mrs. Eva Vowell of Abilene came to Robert Lee for a weekend visit with relatives and to attend the Bronte-Robert Lee football game on Friday night.

Martha Frances Smith is now employed at the Adams Abstract office. She had previously been in the Frank Dickey law office.

Mr. and Mrs. Thomas Boyd of Artesia, N. Mex., are guests this week of Mr. and Mrs. W. T. Roach.

Mrs. A. W. Littlefield left Sunday for Weatherford to visit her mother-in-law, who has been seriously ill.

Mrs. B. E. Davis visited over the weekend at Brownwood with her sister, Mrs. T. W. Boyd, who was ill.

J. D. Boykin has accepted a position with the Havins and Vowell motor company, and has been succeeded at Brown & Clark's Gulf station by John Cole.

Mr. and Mrs. Homer Carwile and Mrs. Chris Millican were San Angelo visitors on Tuesday.

Frank Dickey was in Del Rio the first of the week looking after legal matters.

Gene Baker and family were in Ballinger Sunday afternoon to visit Mrs. Baker's nephew, who is a patient in the hospital.

Mr. and Mrs. Chris Millican spent Sunday at Sterling with their son-in-law and daughter, Mr. and Mrs. J. D. Blair.

Mr. and Mrs. T. A. McMillan and Mr. and Mrs. Dee Ballew visited over the weekend in Winters.

Brad Bailey and family of Abilene were Sunday guests in the D. S. Danford home.

Bronte Runs Over Robert Lee 25-0

Fowler kicked off for Robert Lee with Herron returning 10 yards to his 30. Herron went off left tackle for 8 yds. and added 4 more for a 1st down on the 42. Arrott went thru center for 2 and Herron gained 4. A sneak lost a yard and Smith took a punt on the Robert Lee 20.

Baker hit the right side for 2 yds. but a 5 yd. penalty was called on the Steers for backfield in motion. Percifull gained a yard thru center. A pass from Smith to Fowler was good for 2 yards. The Longhorns were penalized 15 yds. for roughness, giving Robert Lee a 1st down on their 45. Two line thrusts failed to gain and Fowler was stopped at left end. Smith's punt was blocked and Bronte recovered the ball on the Steer 20. LeDrew Arrott got thru right tackle and ran for a touchdown. A line play for the extra point failed. Score: Bronte 6, Robert Lee 0.

Fowler carried the kickoff 20 yds. to his 39. The Steers couldn't gain and punted to Arrott who was downed on his 30. On the next play Robert Lee recovered a fumble on the Bronte 30. On the third pass attempt Smith connected to Baker for a 1st down on the Longhorn 20. Then Bronte intercepted a pass. Soon after the second quarter opened the Longhorns were again penalized 15 yards for roughing and they punted out to their 33.

Robert Lee couldn't gain and lost the ball on downs on the visitors' 36. Smith went high in the air to intercept a pass on the Steer 45. Failing in three aerial attempts Smith punted to the Bronte 36. Arrott and Herron in four plays made it 1st down on their 49. LeDrew Arrott snagged a pass for another 1st down on the Steer 40. Herron in three tries made it another 1st down on the 25. An end run failed to gain and a 5 yd. offside penalty went against Bronte. Two passes and a line play were no good and the Steers intercept on their 30. A pass from Smith to Thetford was good for 9 yards and Percifull went thru for a 1st down on his 41. Smith passed to Percifull for 4 yards as the half ended.

Smith took the kickoff, but fumbled and Bronte recovered on the Steer 24. Herron went off right tackle for 9 yds. and then circled his left end for a first down on the 14. Three plays later Herron went around left end for a touchdown. A pass to Judge Sandusky converted the extra point. Score: Bronte 13, Robert Lee 0.

Fowler handed the kickoff to Devoll, who was downed on his 30. A few seconds later the Longhorns recovered a fumble on the Steer 37. Sandusky caught a pass for a 1st down on the Steer 20. Thetford recovered a Bronte fumble on his 21. Smith's toss to Hale netted 9 yards. Billy Thomas intercepted a pass and ran for a touchdown. A line play failed to convert. Score: Bronte 19, Robert Lee 0.

Robert Lee downed the kickoff on their 27. They were held without gain and punted to the Steer 47. Sandusky speared a pass and carried to the 39. Two plays later he snagged another aerial and ran for a touchdown. They failed to convert by placekick. Score: Bronte 25, Robert Lee 0.

The Steers took the kickoff on their 27 and the entire second team went in. The Longhorns intercepted on the 33 as the third quarter ended. The Steer line held and took the ball on downs on their 25. Jackson hit the line for a 6 yd gain and Tinkler's pass to Bessent was good for a 1st down on the 40. Failing to connect with three pass attempts Robert Lee punted to the Longhorn 35.

Bessent recovered a Longhorn fumble on the visitors 43. A pass to Garner gained 4. Herron intercepted a pass and ran for a touchdown. The play was called back and a 15 yd. penalty went against Bronte for roughness. It gave the Steers a 1st down on the Longhorns 25. The Longhorns intercepted on their 18. Coach Hudson sent the first team back in. The visitors failed to gain and punted to the Robert Lee 48. Thomas

intercepted a pass on his 46. In two plays Herron made it 1st down on the 34. Robert Lee recovered a fumble on their 33 and connected with a pass to the 40 yard line as the game ended.

If you don't get The Observer You don't get The News!

Mr. and Mrs. Cumbie Ivey, E. C. Davis and Bert Sheppard went to Austin over the weekend to get the new bus for the Robert Lee schools. They attended the state fair Sunday and Mr. Davis lost his billfold containing \$40 and valuable papers. He thinks he was the victim of a pickpocket.

HOUSEHOLD MEMOS... by Lynn Chambers

Let's Bake a Cake That's Feathery Light!
(See recipes below.)

Parade of Cakes

Now that the weather is cooler and we're spending less time out-of-doors, there's more call for mother's delicious cakes. A cake somehow seems to top off evenings at home perfectly when the youngsters have their school chums in for an evening or if guests drop in unexpectedly.

Week-ends, too, probably are full of light entertaining if the week is a busy one, and it's time the old custom of baking a cake on Saturday afternoon were reinstated. Then, no matter who comes in that evening or stops for dinner or tea on Sunday, we have a cook's treat to set before them.

There are loads of cakes to please every palate, from feathery-textured spice cakes to delectable combinations of banana and pineapple cake, as well as spiced dark devil's food and light-as-down, delicate whipped cream cake.

First, let's start off with a hot milk cake, easy on the budget and easy to mix. Top it with a broiled icing.

Hot Milk Cake.

- 2 eggs, well beaten
- 1 cup sugar
- 1 cup sifted cake flour
- 1/2 teaspoon salt
- 1 teaspoon baking powder
- 1/2 cup hot milk
- 1 tablespoon butter

Beat eggs until light and thick. Slowly add sugar and continue beating until very light and thick. Sift flour, baking powder and salt. Fold into egg and sugar mixture all at one time. Melt butter in hot milk and fold into cake. The addition of the flour and milk should take no longer than one minute. Pour into a well greased pan and bake in a preheated, moderate (350°F.) oven for 30 minutes.

Broiled Icing.

- 3/4 cup brown sugar
- 1/2 cup butter, melted
- 1/4 cup cream
- 1 cup coconut

Combine ingredients, blending well. Frost cake and return to hot oven or broiler just long enough to brown.

Banana Cake.

- 3/4 cup butter
- 1 1/2 cups sugar
- 1 cup banana, mashed
- 1/2 cup dates, chopped
- 1 cup crushed pineapple, drained
- 2 cups cake flour
- 1/2 teaspoon soda
- 1 teaspoon baking powder
- 1/2 cup nutmeats
- 1/2 cup sour milk

Cream sugar and butter thoroughly. Add bananas, dates, pineapple, and blend thoroughly. Sift dry ingredients three times and mix in nuts; add alternately with sour milk. Bake in a moderate (350°F.) oven for 35 to 40 minutes. Frost with caramel icing:

- 1 1/2 cups dark brown sugar
- 1 1/2 cups granulated sugar
- 1 1/2 cups milk
- 2 tablespoons butter

Combine sugars and bring to a

LYNN CHAMBERS' MENU

- Broiled Sweetbreads with Bacon Pineapple Garnish
- Broiled Tomatoes
- Potatoes Au Gratin
- Whole Wheat Muffins
- *Whipped Cream Cake Beverage

*Recipe given.

boil with the milk, stirring gently. Boil without stirring until 232°F. or the soft ball stage. Add butter, remove from the heat and cool to lukewarm. Beat until thick and creamy and of a consistency to spread.

Chocolate Potato Cake.

- 5/8 cup butter or substitute
- 2 cups sugar
- 4 egg yolks, beaten
- 2 cups flour
- 2 teaspoons baking powder
- 1 teaspoon cinnamon
- 1 teaspoon cloves
- 1/2 teaspoon nutmeg
- 1 cup milk
- 1 cup hot mashed potatoes
- 2 squares chocolate, grated
- 1 cup walnuts, chopped
- 4 egg whites
- Rind of 1 lemon, grated

Cream sugar and butter; add egg yolks. Add sifted dry ingredients alternately with milk. Then add lukewarm potatoes to which the chocolate has been added and allowed to melt, and the walnuts. Fold in beaten egg white and lemon rind. Bake in layers or in a flat loaf tin in a moderate oven for 35 to 45 minutes.

Spiced Devil's Food.

- 1/2 cup butter
- 1 cup sugar
- 2 eggs, well beaten
- 1 square chocolate, melted
- 1 1/2 cups cake flour
- 2 teaspoons baking powder
- 1 teaspoon cinnamon
- 1/2 teaspoon salt
- 3/4 teaspoon cloves
- 1 cup milk

Cream butter and sugar thoroughly, add eggs and chocolate. Add sifted dry ingredients alternately with milk. Bake in buttered pans in a moderate oven for 30 to 40 minutes. Frost with mocha icing:

- 2 cups sifted confectioners' sugar
- 1/4 cup butter or substitute
- 4 tablespoons cold coffee
- 1 square chocolate, melted

Cream together butter and sugar; add melted chocolate and coffee. Beat until smooth and of a spreading consistency. Spread in between layers, on top and sides of cake. Sprinkle with chopped nuts.

*Whipped Cream Cake.

- 1 cup whipping cream
- 2 eggs, well beaten
- 1 cup sugar
- 1/2 teaspoon lemon extract
- 1/2 teaspoon vanilla
- 1 1/2 cups flour
- 2 teaspoons baking powder
- 1/2 teaspoon salt

Whip cream until it holds shape, then fold in eggs and sugar, mixing lightly. Add lemon extract and vanilla. Add sifted dry ingredients. Bake in two buttered layers in a moderate (375°F.) oven for 25 to 30 minutes. Put together layers with additional whipped cream.

Man Must Eat

The district attorney was clinching his case in a packed, expectant courtroom.

"Where did you find this money?" he asked of the accused man in the prisoner's box.

"At the corner of Fifth avenue and Market street," answered the prisoner wearily.

"You saw the messenger drop it, and then you went and picked it up?" pursued the D. A.

"That's right."

"And after you found this \$50,000 which you knew didn't belong to you, you didn't call the messenger and give it back to him. Why?"

The defendant shrugged his shoulders.

"I was hungry!" he explained.

ASK ME ? ANOTHER ?

A quiz with answers offering information on various subjects

The Questions

1. Does artificial ice melt faster than natural ice?
2. When was the Great Fire in London?
3. What did the Indians call Buffalo Bill?
4. How many greeting cards were sold in the United States last year?
5. Does an octopus swim and walk backwards?
6. Do ducks and geese fly in V formation to cut down wind resistance?

The Answers

1. No, it will all melt at the same speed.
2. In 1666. More than 10,000 houses were burned at that time.
3. The Pawnees called him "Pahaska," meaning "fair-haired."
4. A record total of \$160,000,000 worth.
5. It swims backwards but walks forward.
6. No. A certain amount of wind is helpful to birds in flight, so the birds fly against the wind in V formation to avoid having the wind cut off by the bird in front.

Alcoholics Black-Listed by Photos in Guernsey Island

Guernsey island in the English channel still retains its ancient custom of black-listing alcoholics, says Collier's. To reform such a drinker, a member of his family applies to the court which issues an official order that no one is to sell him liquor thereafter.

As a constant reminder to all concerned, it also orders a police photo of the man pasted up in every bar.

Phone 21—Robert Lee, Texas

Doris Woodmansee, daughter of Mrs. Josie Keithley, was released from the Bronte hospital Monday, after a brief illness of pneumonia.

A Resolution

Whereas, the Board of Trustees of Robert Lee Independent School District convened in regular session on this the 9th day of October, 1947,

And, whereas, it came to the attention of said board that several citizens of Robert Lee and the surrounding territory had contributed generously of their time and money to provide seats at the football field, said board did adopt the following Resolution:

Be It Resolved, that the Board of Trustees of Robert Lee Independent School District extend its profound thanks to any and all who have contributed either time or money for the erection of seats at the Robert Lee School football field;

And be it further resolved, that a copy of these resolutions be entered in the minutes of said Board of Trustees and that a copy be published in The Robert Lee Observer.

Roy P. Ross,
President of the Board.
Emory C. Davis,
Secretary of the Board.

Union WHD Club

The Union W.H.D. club met on October 13th in the home of Mrs. Helen Bennett with Mrs. Edna Butner as co-hostess. Each member answered roll call with her favorite subject.

New and unfinished business was discussed and pamphlets on Fire Prevention were passed out to each member.

Mrs. Nettie Mae Lammers and Louise Ivey gave an interesting demonstration on Sewing Machines—adjustments and use of attachments.

Plans for Halloween and Christmas parties were discussed; also, the club members drew names for Sunshine Pals.

Our next meeting will be an all-day affair in the home of Mrs. John Coalson with Mrs. Nettie Mae Lammers as co-hostess.

The program will be home-made Christmas gifts.

New officers for the coming year were elected as follows: Mrs. Nettie Mae Lammers, president, Louise Ivey, vice-president, Mrs. Allen Butner, secretary-treasurer, Mrs. John Coalson, club delegate, Mrs. Claude Beavers, alternate delegate and Mrs. Altha Best, reporter.

Sandwiches, cookies and punch were served to the following: Mrs. Nettie Mae Lammers, Mrs. Lela Parker, Mrs. Nettie Lee Coalson, Mrs. Louise Ivey, Mrs. Johnnie Pearl Beavers, Mickie Walker, Mrs. F. S. Higginbotham, Mrs. Helen Bennett, Mrs. H. A. Gray, Mrs. Altha Best, Mrs. Edna Butner, Mrs. Margarite Stephenson, Mrs. Gideon, Mrs. J. R. Johnson, and several children.

Wildcat-Edith Club

The Wildcat and Edith WHD club met October 14 at the home of Mrs. L. E. Smith, with eight members present. A demonstration was given on how to clean and oil the sewing machine and the use of attachments. New officers were elected and reports on the past year's work were handed in by each member. Those present were Mesdames Delmir Sheppard, Raymond Schooler, Crowley Harmon, S. G. Danford, Floyd Harmon, R. L. Page, the hostess, Miss Helen Johnson and one child, James Daryl Harmon. The next meeting will be Nov. 7 with Mrs. Page as hostess.

CARD OF THANKS

We desire to extend our sincere thanks to the friends and neighbors for their sympathy and many acts of kindness during the illness and death of our loved one, Martin Williams.—The Williams Family.

Mrs. Stayton Honored

Mrs. Clyde Stayton was honored at a breakfast last Friday morning with Mrs. S. E. Adams serving as hostess. Halloween decorations were used about the table and dining room. Mrs. Stayton has been employed at the Adams Abstract company and moved this week with her husband to New Mexico. She was presented with a handkerchief shower. Guests included Wilma Roberts, Jerry Thomason, Ione Davis, Mrs. Paul Good, Mary Pearl Bearden, Barbara Ross and the honoree.

Horace Scott and family of Del Rio attended the funeral of Mrs. Frank McCabe here last Thursday and were over night guests in the parental H. L. Scott home.

Mrs. D. I. Durham of San Angelo visited here Sunday with her sister, Mrs. Fred O. Green.

A little want ad will sell it.

THE STATE OF TEXAS

To L. G. Reid, and the heirs of L. G. Reid, deceased, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 3rd day of November, A. D., 1947, at or before 10 o'clock A. M., before the Honorable District court of Coke county, at the court house in Robert Lee, Texas.

Said plaintiff's petition was filed on the 18th day of June, 1947.

The file number of said suit being No. 1665

The names of the parties in said suit are: W. M. Simpson, B. R. Franklin, S. E. Adams, Glenn R. Lewis and Mrs. America C. Gibbs, a feme sole, as Plaintiffs, and L. G. Reid and the heirs of L. G. Reid, deceased, as Defendants.

The nature of said suit being substantially as follows, to wit:

A suit to cancel and remove as cloud upon title to the southeast 1-4 of survey 239, in block 2, H. & T. C. Railroad Co., in Coke county, Texas, two certain mineral deeds dated February 4, 1931, one being from W. M. Simpson to L. G. Reid of record in Vol. 52, page 307, of the deed records of Coke county, Texas, and the other being from B. R. Franklin to L. G. Reid, of record in Vol. 52, page 308, of the deed records of Coke county, Texas, upon the grounds that the grantors in said instruments were induced to execute and deliver the same by the said L. G. Reid's representation that he would proceed immediately to drill a test well for oil and gas on the northwest 1-4 of section 239, in block 2, H. & T. C. Railroad Company, in Coke county, Texas, and that unless oil or gas should be obtained in paying quantities in said test well within one year from the date of said deeds, he, the said L. G. Reid, would convey and deliver back to the said respective grantors the interests covered in said respective mineral deeds dated February 4, 1931. That the said L. G. Reid never intended to drill such well, and made said representation fraudulently and that the considerations for said deeds, to wit, the promise to and representation that the said L. G. Reid would drill said well have wholly failed.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 16th day of September A. D., 1947

Given under my hand and seal of said court, at office in Robert Lee, Texas, this the 16th day of September A. D., 1947 (Seal) Willis Smith

District Clerk Coke County, Texas

SCRIPTURE: James 1-2; Matthew 25: 34-46
DEVOTIONAL READING: Matthew 7: 15-27.

Religion in Practice

Lesson for October 26, 1947

SUNDAY'S lesson takes us to one of the practical Christian preachers of the New Testament. Please open your Bible to the Epistle of James, and read especially the first two chapters. James was a man of great faith, but he realized, as we must realize, that faith is best expressed in works.

Dr. Newton

Then read Matthew 25: 34-46, and for the devotional lesson, read Matthew 7: 15-27. When you shall have read these passages, you will then be ready for the consideration of religion in everyday life.

A Cup of Cold Water

WHAT, someone will be asking, can I do to show my desire to be of actual service, in the name of Jesus. Jesus tells us. He says that whosoever shall give a cup of cold water in His name is doing the will of God.

We live in a world that poignantly waits for a cup of cold water. I have just returned from another trip through Europe. I was there in 1946, and I felt then that life in Europe had reached the last possible expression of need. But this past summer I was startled to witness a still greater need.

The question that immediately came to mind as I observed conditions in Germany and England and other countries this past summer was this, What can we do to meet such need? And the answer was ready at hand—give them what you have, in the name of Jesus.

Doers of the Word

JAMES makes much of practical religion in everyday life. He tells us that we are to be doers of the word and not mere sayers of the word, or hearers of the word.

Is there a misunderstood boy in your block? Is there a girl in your class at school who suffers from some bitter criticism? This lesson would suggest to every Christian boy and girl to go in sympathetic understanding to such neighbors and help them to overcome these handicaps.

Living Our Religion

WHAT we determine what people think of our religion, not what we say about our religious life. James tells us in Sunday's lesson that faith without works is dead. It is that very truth that our generation so much needs to get hold upon.

We have many perplexing situations in our world. Racial differences, differences regarding capital and labor, and so forth and so on.

One Christian in any given community who applies the teaching of James to everyday life will start a train of events that will add up to the solution of any problem, social, economic or what not. We must translate our beliefs into action.

The More Excellent Way

JAMES goes on to assure us that when we undertake faithfully to live our religion, we may confidently claim the promise of God that if any man lack wisdom, let him ask of God who giveth liberally unto all men, and upbraideth not.

The conclusion of the whole matter, therefore, is to face life as we find it, taking into account the actual facts, and boldly and confidently tackling the job in the assurance that the grace of the Lord Jesus Christ is always sufficient for any and every situation.

The more excellent way of the Golden Rule is the answer to the whole matter. But the Golden rule is impotent until it is translated into action.

And the best of it all is that it actually works. When someone asked Morrison what Christianity was doing for China, he replied: "Christianity is changing China into a community of God." That is precisely what this lesson will do for your community, if you apply its teachings to life as you find it.

Dorothy Parker's Practical Joke

Writer Dorothy Parker is well known for her devastating practical jokes. At one time, when a fellow author was to sail for Europe, she promised to see him off. The boat was scheduled to sail at midnight, but Miss Parker had not arrived by 11:45.

A few minutes before the ship's departure, the author went up on deck. He paused at the head of the gangplank, which was about to be raised. At this moment a piercing scream was heard, and a breathless Miss Parker burst into view. Panting furiously, she shoved her way through the crowd and raced up the gangplank to where her friend stood.

"Oh, I'm so sorry I'm late," she

puffed. "Here, I brought you a gift. I heard they didn't have any of these in Europe, so you will appreciate them. Bon voyage!"

She pushed the gift into his hands, turned and fled; her feet touching the pier just as the gangplank was being lifted.

The startled author was too astonished even to mumble his thanks. But one glance at his sticky hands and the spots on his pearl gray suit convinced him that thanks were not in order. Swearing volubly, he removed the napkin from the gift—revealing a platter piled high with hot wheatcakes, from which the melted butter and thick sirup were remorselessly oozing.

Warm Stream Meets Cold

The cold Labrador Current and the warm Gulf Stream meet at the Grand Banks, off Newfoundland. This meeting of warm and cold water creates the dense fogs that so endanger shipping in that part of the Atlantic.

How to Grow House Plants and Flowers

House Plants Ruined By Faulty Watering

POTTED chrysanthemums are a fall favorite that bloom until near Christmas. They must be kept

AROUND the HOUSE Items of Interest to the Housewife

The windows are rattling because the putty has dried, loosened, or fallen out. Halt the eerie sounds by removing the old putty and making windows firm with fresh putty.

Exterior walls of a house which are made of stucco can be painted satisfactorily by using a cement base paint.

Use a bodkin, instead of a needle to mend junior's sweater. It will weave in and out much more easily than a sharp-pointed needle does.

Add four or five slices of raw potato to oils and fats that are softened at room temperature. Cook slowly over low heat for about 20 minutes. When the fat is strained through a clean cloth, you will find it is clear and fresh.

When making a layette, do not plan for too many clothes. Babies are in the infant stage for only a few short months. It is better to have a few simply made garments that can be washed frequently. Make clothes for infants that will be easy to slip on and off.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Folks You Know

Jamie Bilbo, Douglas Dean and Dale Garner, students at Sul Ross college at Alpine, came home for the Bronte-Robert Lee football game and spent the weekend with relatives.

Mr. and Mrs. O. C. Slaughter of San Angelo and Wilfred Gardner of Midland were Sunday guests in the home of Mrs. J. S. Gardner. Mrs. Slaughter is a step-daughter of Mrs. Gardner.

Mr. and Mrs. H. S. Lewis visited last week with relatives at Leaday.

Marvin Simpson and family visited Sunday with relatives at Bronte.

Palmer Leeper went to Dallas Thursday to attend a reunion of his buddies who attended the first Officers Training Camp at beginning of World War I.

Mr. and Mrs. Billie Frank Blaylock and daughter, Frankie Nell, of Eldorado, visited friends and relatives here Sunday.

Mrs. Fred Parker and little son, Fred Bruce, of Ozona spent several days the last of the week with her parents, Sheriff and Mrs. Paul Good. Mr. Parker came after them Saturday night.

Pete Davis of McCamey came over Tuesday to get his children who had spent a few days with relatives here while their mother was being treated at a hospital. Mrs. Willie Wallace spent a few days with her.

Mrs. W. H. Bell has received word that her grandson, Craig Landers, has been elected vice president of the student council of Fort Stockton high school, and is on the staff of the school newspaper, "The Tumbleweed." He is a senior, plays guard on the football team and is active in other school affairs. Craig is the son of Mr. and Mrs. A. F. Landers.

Rev. and Mrs. Claude Lawrence of San Angelo were dinner guests Sunday in the home of Mrs. Viva Roberts. Rev. Lawrence preached at the West Side Church of Christ.

Mrs. Roy Braswell has been in Bronte this week caring for her mother, Mrs. J. E. Mitchell, who is ill.

Mrs. Jesse S. Cargile of Sweetwater, is visiting her brother-in-law and sister, Mr. and Mrs. Palmer Leeper.

Mrs. M. B. Sheppard continued Saturday to her home at Abilene after a brief visit with Coke county relatives. She had just returned from a two weeks' trip to South Texas and spent some time with a daughter, Mrs. B. J. Robbins, at Natalia. Mrs. Sheppard was joined here by her sister, Mrs. J. M. Sparks, of Lubbock, who visited a couple of weeks in the home of her brother, Hubert Fields, near Edith.

Mr. and Mrs. G. F. Davis returned Sunday from San Antonio where they visited their son-in-law and daughter, Mr. and Mrs. Russell Zoet.

Mrs. Jack Miles came over from San Angelo Sunday and visited until Monday night with the Frank Dickeys. Frank took his first cowboy job with Jack when the latter was running big herds of cattle in this county.

Mrs. Paul Livensparger and son, Richard, will return this week to their home at Mansfield, Ohio, after a month's visit with her uncle and aunt, Mr and Mrs. Sherm Anderson, at Silver. The Andersons and their guests visited last week with relatives at Lubbock and Slaton.

CARD OF THANKS

We wish to express our thanks and gratitude for your sympathy and kindness during the illness and death of our loved one.—Frank McCabe and Family.

Notice

I have posted my property and have prohibited hunting this year. I am doing this to protect livestock as well as men working, since there is considerable activity in that locality at this time and we don't want to see any hunting accidents.—Fred Jameson.
