Steers Defeated By Stanton, 6-0

Robert Lee lost a tough football game here last Friday night, being nosed out 6 to 0 by Stanton. It was a nip and tuck battle with the only counter of the game coming in the middle of the final period. At three different times the Steers had offensive drives underway but their efforts were thwarted by interceptions.

Coach Hudson started his second stringers who played throughout the first quarter and gave a good account of themselves. First downs and yardage gained were about even. Last year Robert Lee defeated the Buffaloes at Stanton 24-14 and Coach T. E. Green brought his squad down here determined to get revenge.

The visitors broke through on three occasions to down the Steer passer for bad losses, and it was the only game of the year when this has happened. Probably Robert Lee would have fared better to have tried more line plays rather than so many pass attempts. At any rate it was a great game, full of thrills from start to finish and fans got their money's worth and more.

On the next to the last play Royce Smith threw a long pass to Junior Devoll who was out in the open. It might have been a touch-down, but the ball got through Devoll's hands and fell on the ground.

Friday of this week the Steers will travel to Crane for a game with one of the best Class B clubs in West Texas. Crane has been trampling down all opposition this season and defeated Stanton 35-0. The Steers are determined to put up a good fight although they are decidedly the underdogs.

A detailed account of the Stanton game appears on an inside page.

Sweeney Promoted To Sun Office in Dallas

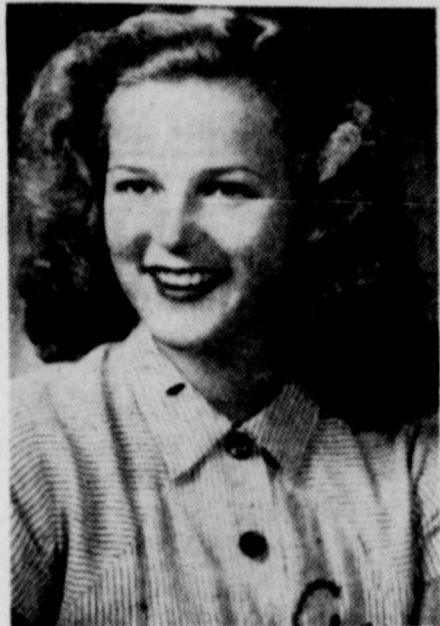

G. E. (Gene) Sweeney, district superintendent for Sun Oil company in the Midland district, has been promoted to a position in the main office in Dallas. He will be succeeded by J. B. Hamilton.

Mr. Sweeney has been in the continuous employ of Sun since 1924, having started in the oil business soon after finishing high school. He came to the Midland office three years ago. Gene has been in close touch with the Jameson field since it was opened last December and has made a lot of friends in Coke county who wish him continued success.

Mr. Hamilton has been with the Sun company the past 18 years and has seen service in many sections of the South. He has recently been stationed at Delhi, La., and will move his family to Midland the first of the month.

Mr. Hamilton accompanied Mr. Sweeney on an inspection tour of the Jameson field early this week.

Mrs. A. J. Kirkpatrick, who was seriously ill of pneumonia last week, was brought home Saturday afternoon and is improving at her home. She hopes to be able to return to her duties as 7th grade and high school science teacher next week.

Nelda Ann Sheppard Gets Free Chicago Trip

Nelda Ann Sheppard, attractive 16 year old daughter of Mr. and Mrs. Delmir Sheppard of the Wildcat community, has been chosen state winner in the Santa Fe Girls' Record Book Contest and as an award she will attend the National 4-H Club Congress at Chicago. It is an honor to be selected to receive an award such as this trip as a result of 4-H Club projects that she has conducted for the past six years. She has carried projects in clothing, foods, home improvement, gardening, livestock and poultry.

Some of her latest noteworthy honors are: First place winner in county for Girls' Record Book, fourth place in best dress division of 4-H Club Dress Revue, first place in bedroom division, an all expense-paid trip to Texas 4-H Club Round-up at A. & M. College and county camp recreation leader. She is now serving the second term as president of Robert Lee 4-H club and was the Junior class candidate for Halloween Queen. Nelda has an outstanding leadership ability and personality, and can talk with ease on most any subject. She makes an all-round hand on her fathers' ranch, as well as riding and participating in the rodeo events.

This is the third consecutive year for Coke county to have a representative at the National 4-H Club Congress, LeDrew Arrott in 1945, now a senior in Bronte high school, and Weldon Schooler in 1946 now a freshman at Texas Tech.

There will be about 25 boys and girls and five Extension Service staff members in the Texas delegation. Nelda is one of the eleven girls from Texas attending. The group will leave from Dallas November 28th and leave Chicago on December 5th for the return trip.

Mr. and Mrs. Louie Campbell of Gatesville visited here last Friday with her aunt, Mrs. Hattie Day. They were accompanied by Mrs. Day's mother, Mrs. G. W. Curume, of Bronte.

The Coke County Farm Bureau announced a county-wide get together meeting at the court house in Robert Lee on Thursday night of this week.

Ratliff Closes Cafe

O. M. (Judge) Ratliff the first of the week closed up the Club cafe and announced that he was through. Continual worry over being unable to hire the proper kind of help, was wearing him out, he said. Mr. Ratliff said the business was for sale or lease.

Commissioners In Monthly Session

Regular monthly session of the Coke County Commissioners Court was held here Monday with the four commissioners present and judge Bob L. Davis presiding.

The board approved purchase of a new Caterpillar maintainer to be used in Precinct No. 2 at Bronte. The machine was bought from R. G. George of Abilene at a cost exceeding \$9,000. Some allowance was given for old equipment taken as a trade-in. Otis Smith is commissioner from the Second Precinct and it is general knowledge that new road building machinery was necessary.

A salary raise from \$100 to \$125 per month was voted for Mary Pearl Bearden, county home demonstration agent. The commissioners announced that Miss Bearden's office will be moved to the Roe building where she will have ample room next to the office of County Agent T. B. Hicks. It is also understood that only one office assistant will be hired for the two offices. The county pays for the rental on the Roe buildings which provide quarters for farm organizations. Both Mr. Hicks and Miss Bearden receive salaries from the federal government in addition to the pay they obtain from the county.

Commissioner H. C. Varnadore reported he had been advised by a district engineer that surveying would start soon on the new state highway to run from Sterling county line to Edith. It is expected a contract will be let early in the spring.

Commissioners voted to terminate the contract to Don Holdridge, San Angelo attorney, who was engaged early in the year to collect delinquent taxes in the county. Holdridge said the work would involve a number of suits being filed in court and he couldn't give it the necessary attention. Sam Dodson, another Angelo lawyer who maintains an office in Robert Lee, was given the contract to handle the tax collecting job and promised to give it his immediate attention.

By previous agreement the county and school and city taxing districts of Robert Lee and Bronte were to be included in the drive to collect all delinquent taxes and bring tax suits where it was necessary.

Mrs. F. C. Clark returned home Saturday from Shannon hospital where she was a patient several days last week. The Clark's daughter, Mrs. Bill Craddock, and little daughter, Robbie Ann, returned Sunday to their home in Colorado City after spending the week in Robert Lee.

Mrs. Frank Bryan is back in the grocery store this week after an enforced vacation due to illness.

Mrs. Mathew Caperton returned to her home here Saturday night from a few days' stay in the hospital at Bronte.

Carroll Russell and Delbert Vestal of Ballinger returned Sunday from a week's fishing on the Pecos River. They report fair success.

Jake Davis Returns

Jake Davis is moving back to Robert Lee and will take over the Banner milk and ice cream business which has been handled by Charlie Vowell. Jake was distributor for dairy products at McCamey the past year and made a fine success of the business.

Achievement Show Awards

Home demonstration clubs of Coke county held their annual Achievement Day exhibit last Saturday at Bronte, with over 200 persons attending. Mrs. Taylor Emerson, county chairman, presided at the register, assisted by Mrs. C. E. Arrott, Mrs. Lee Parks and Mrs. Willis Smith. A corsage was pinned on each guest as they registered. Judges were Miss Hazel McCoy, home demonstration agent of Tom Green county, and Mrs. John Yancy and Mrs. Paul LeMay of San Angelo. A list of the awards will be published in The Observer next week.

Goldsboro Man Buys Robert Lee Property

A newcomer in Robert Lee business circles the past week is W. R. Mathews and his wife, former residents of Goldsboro. Mr. Mathews purchased the new building on the east side of Main street and also the bowling alley which was recently opened up there by Earl Roberts.

The modern concrete building, which is 25 feet wide and 100 feet long, was constructed early this year by Ray Ledbetter. Later it was sold to Clyde Biggs of San Angelo for \$10,000 but it had not been occupied until Roberts installed the bowling alley a month ago.

Mr. Mathews has been in the oil field service business for a number of years, recently disposing of his equipment. He has bought a lot east of the Freeman Clark residence and will move a house here from Goldsboro. For the present Mr. and Mrs. Mathews are living with their friends, the J. C. Stricklands.

Mathews has some additional investment plans in mind and he is convinced that Robert Lee faces a substantial growth due to increased oil activities in Coke county. He will operate the bowling alley during the winter months, but may use his new building for other purposes later.

Robert Lee folks welcome Mr. and Mrs. Mathews to the community.

Southern Minerals Plans Test in Coke

A test for oil on the Divide, southwest of Robert Lee, is expected to be made in the near future by Southern Minerals company which owns a good sized block of leases in the locality.

Representatives of the company were on the lease a few days ago and it is thought a location has been spotted. Extensive geophysical surveys have been made in the area.

Southern Minerals is making a test near Ballinger which has had some good oil showings.

Mrs. Sam Duncan was expected to be brought home Thursday from the Bronte hospital where she underwent treatment the past nine days. Her condition is improved.

District Meeting

The W. S. C. S. sub-district meeting will be held at the Methodist church in Robert Lee on Friday, Nov. 14. Everyone is requested to attend if possible and please bring the article of food that you have been requested to furnish for the lunch at noon.—Mrs. R. S. Crum.

Sixth Rotary Rig Drilling For Sun In Jameson Field

A sixth drilling rig was being moved into Coke county this week to continue operations for Sun Oil company in the Jameson field near Silver. Morris Hamilton of Houston is the new contractor who is setting up rotary equipment for an offset test designated as Sun's Homer Jameson No. 5. Location is the northwest quarter of the southeast quarter of Section 316.

J. E. Steward is the tool pusher for Morris Hamilton. He arrived here the first of the week and three of the Steward children have enrolled in the Robert Lee schools. Most of the drilling crew were transferred here from Louisiana. Mr. Steward is very anxious to have all his men reside in Robert Lee. Some more apartments are badly needed and anyone having a vacancy is requested to notify The Observer office.

A new contractor was brought into the Jameson field to keep up with the offsets that will have to be drilled immediately. It was previously announced that the second Ray-Harris rotary rig, now in Eunice, New, Mex., would be moved here, but later plans will send them to Levelland where they received a Sun contract for eight tests.

Contractor for the J. W. Arledge wildcat test north of Sanco is still unannounced, but a rig is expected to be moved in there very shortly.

Sun's No. 1 J. S. Walker failed to make production in the Ellenburger. It has plugged back to 6,475 feet and casing run to 6,150 feet, for an attempt at completion from the crinoidal of the Strawn section of the Pennsylvania. The Jameson field's south outpost topped the Ellenburger at 7,011 feet. It had slight shows of gas and oil in the top of the formation and salty sulphur water at the bottom, in drilling to 7,170 feet.

No. 1 C. E. Mathers had set another whipstock at 4,768 feet and was drilling off Thursday in an attempt to go around drill collars stuck four weeks ago.

No. 4 Homer Jameson was drilling in lime at 6,390 feet after setting casing to 6,238 feet. Additional pay was evident from 6,300 to 6,350 feet and operators planned to deepen to 6,500. Operations were delayed two days while fishing for junk. Reports are that a welder's hatchet dropped into the hole.

No. 3 Homer Jameson was running drillstem test Thursday from 6,360 to 6,474 feet, the hole bottom.

No. 1 J. B. Walker, Sun's wildcat test south of the Colorado River, was drilling Thursday in shale at 4,827 feet.

Mr. and Mrs. Ray White of San Angelo are the parents of a son born Nov. 3 at Clinic hospital in that city. The baby has been named Lynsey Ray. Mrs. White was formerly Mildred Blair, daughter of Jim Blair of Robert Lee.

WEEKLY NEWS ANALYSIS

Meat and Wheat Bode Ill for 1948; Marshall Plan Ready for Congress; Public Backs 'Tough' U. S. Policy

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

FOOD PUZZLE

Meat vs. Wheat

Domestic food situation in the U. S. is entering a critical stage, with two aspects standing out in sharp opposition to each other:

1. The government, determined to ship 500 million bushels of wheat to Europe by next June, is campaigning to save a major portion of that amount by cutting down on the feed consumption of cattle, hogs and poultry. That line of reasoning holds that smaller flocks and feeding to lighter weights will save more grain than any other single effort.

2. The supply of meat is going to be considerably less than it has been and the demand will be greater. Meat prices are expected to go much higher in 1948. Further curtailment of meat production by saving grain at the feed trough will intensify that already serious situation.

There is no danger of a bread or food shortage of any kind this winter because of the nation's bumper wheat harvest. The pinch, if it comes, will appear after the middle of next year, precipitated by a currently threatening drought and failure of the winter wheat crop. Added to that is the fact that domestic uses, plus exports, will leave from this year's harvest of 1.4 billion bushels only a 100 million-bushel carryover by the time of the next harvest — too small a volume in the event of a short crop.

Meat, which right now is a little cheaper than it has been because more animals are being slaughtered, will continue in great demand next year because consumer buying power will remain high.

The supply, however, will be less. The agriculture department estimates there will be only 21.5 billion pounds of meat produced in 1948, compared to 23.2 billion pounds this year. There will be 4 million fewer cattle on farms next January than last January, smaller hogs will be sent to market and there will be no increase in the stocks of sheep, which are at an 80-year low.

FINAL TOUCHES:

Marshall Plan

After caroming from praise to criticism to condemnation for the past few months, the celebrated Marshall plan to help Europe regain its feet is being whipped into final shape under direction of Secretary of State George Marshall, its progenitor.

One known fact loomed large in the mind of the American taxpayer: The plan may cost up to 20 billion dollars for the four-year period during which it will be in effect.

Marshall, who abandoned temporarily his debating in the U. N. general assembly, returned to his Washington office to put the finishing touches on his plan, which will be laid before congress when the special session opens November 17.

The Marshall plan, subject to late revisions, may be outlined broadly in these main points:

1. U. S. would make available to Europe next year a combination of relief and recovery supplies totaling about six billion dollars. Relief

HEADLINERS

IN NEW YORK . . . Marlene Dietrich (above), who has two attractive reasons for favoring the short hem-line, showed up on a liner from Europe all bundled up in the "new look," drew hardly an ogle as she ankled down the gangplank.

IN KNOXVILLE, TENN. . . Adm. Husband E. Kimmel, former Pearl Harbor commander, told how on December 7, 1941, he was struck above the heart by a spent Japanese bullet which only bruised him.

IN CINCINNATI . . . Susie, 21 years old, the only trained gorilla in the world, died in her zoo cage after a stroke which paralyzed her right side.

Time Out From Crises

Paul Ramadier, French premier, chats with a bed-ridden tot during a tour of a Paris hospital. Possibly feeling that he would like to be in a hospital himself, Ramadier is sorely beset with economic crises and cabinet crises, as well as a more recent political crisis brought about by the sudden ascendancy of Gen. Charles De Gaulle's Rally of the French People party.

supplies (food) would be free; recovery supplies (machinery) would be financed with loans.

2. Because of shifting conditions, it will be impossible accurately to forecast the amount of help Europe will need beyond the first year.

3. Sums from the U. S. would decrease each year as recovery progress was made.

4. The plan would be administered in the U. S. by a new government agency and in Europe by an organization representing the 16 nations which drew up their estimate of needs at the Paris conference.

GET TOUGH:

U. S. Approves

Soviet leaders, who cry "warmonger" every time an American diplomat splits an infinitive, are gravely in error if they suppose there is any major cleavage between the American public's views on Russia and the state department's so-called "tough" policy toward the Soviets.

That conclusion was brought out in a recent Gallup poll which indicated that, actually, the predominant mood of public opinion today favors an even tougher policy than the state department is following.

Answers to the question, "Do you think that in dealing with Russia and other countries the U. S. is insisting too much on having its own way?" were: Yes, 12 per cent; No, 78 per cent; No opinion, 10 per cent.

Further, 62 per cent of the American people believe that the U. S. is being too soft in its policy toward Russia. Only 6 per cent think it is being too tough, and 24 per cent say our official attitude toward the Soviets is about right.

PLAGUE:

Egypt Stricken

Cholera, the dreaded black plague is spreading so swiftly in Egypt that a total of 6,000 dead has been predicted by year's end.

With many stricken villages isolated by troops, other small communities are ringed with bonfires day and night in the belief that fire will keep out the disease.

Meanwhile, neighboring nations were taking steps to prevent the spread of cholera, from the upper Nile valley, Greece, Italy and Palestine have discontinued international traffic, while private shipping lines will bypass Egyptian ports and air travel is diverted away from Egypt.

Outside help in combatting the disease is at a minimum in Egypt. Swiss scientists alone were said to be helping local health officers. There is a desperate shortage of vaccines, DDT and medical specialists.

PHILLY CHOSEN:

Convention Site

Philadelphia, city of brotherly love, will be the site where, barring an unlikely upset, President Truman will be handed the Democratic presidential nomination next July.

The Democratic national committee accepted Philadelphia's bid for the party's 1948 national convention when that city proffered a certified check for \$200,000 and promised \$50,000 more for entertainment.

With no opposition, the committee also went through the formality of ratifying President Truman's choice of Sen. James Howard McGrath (Dem., R. I.) as chairman of the party organization to succeed Postmaster Gen. Robert Hannegan, who resigned because of ill health.

Among the more significant incidents occurring at the meeting of the national committee was the unanimous squelching of a resolution condemning the Republican-controlled 80th congress for placing "partisan politics above love of country."

It was a straw in the wind which seemed to prove that the Democrats were determined to give at least lip service to the bi-partisanship that will be so necessary if the special session of congress starting November 17 is to accomplish anything.

OREGON TRAGEDY:

Death Hits High

It wasn't a big plane crash as plane crashes go these days, but it was enough to leave the State of Oregon without a governor, senate president and secretary of state.

Earl Snell, Oregon's governor; Marshall Cornett, senate president; and Robert S. Fafrell Jr., secretary of state, were killed instantly when their Beechcraft struck a pine tree and scattered over the rugged, snow-covered terrain 36 miles south of Lakeview, Ore., their intended destination.

The state executives had left Klamath Falls on a half-hour flight, heading for a goose-hunting junket into the roughest territory of Oregon. Their pilot, Cliff Hogue, apparently became lost in bad weather and dropped down low to the ground to try to determine his position.

John H. Hall, Portland attorney and speaker of the Oregon house, was sworn in as governor to succeed Snell, a Republican, who had been serving his second term as the state's chief executive.

NEW RECORD:

Give and Take

American farmers are continuing to take in and pay out money on a record-breaking scale.

Prices received by farmers in the month ended October 15 continued to soar, establishing a new record of 289 per cent of the 1909-14 base period.

On the other hand, the bureau of agricultural economics reported, the index of prices paid by farmers for the same period also hit a new high, reaching an index of 239.

The increase in prices received was three points, or 1 per cent; but the increase in prices paid by farmers for goods was only one point. Both, however, were at record levels, adding further evidence to the current domestic inflationary trend.

More Contempt

Following a precedent set by John Howard Lawson, screen writer Dalton Trumbo (above) refused to tell the house un-American activities committee investigating Communism in Hollywood whether or not he was a Communist party member. The committee, also following precedent, cited him for contempt of congress, just as they did Lawson. Others cited for contempt were Albert Maltz and Alvah Bessie, both screen writers.

STREAMLINED MARINE CORPS . . . Streamlining its forces for modern warfare, the marine corps is placing greater emphasis on small units and increased firepower. Shown here is a group of Second Division marines marching back to camp after an extensive day of maneuvers on the beach at naval amphibious base, Little Creek, Va.

SAGA OF ACHIEVEMENT

Marine Anniversary Recalls Proud Heritage of Service

WNU Features.

Six months after establishment of the corps, United States marines made their first landing on someone else's beach in 1776, an action which has been repeated successfully more than 200 times in the illustrious and colorful history of the heroic fighting organization.

Founding of the marine corps or November 10, 1775, by act of the Continental Congress and the proud marine heritage of tradition and achievement are being recalled this week as the traditional birthday celebrations are held throughout the world.

This year, for the first time, the leathernecks are being joined in celebrations noting the 172nd anniversary of founding of the marine corps by the new, postwar citizen marine corps, the leatherneck reserve force which is being built up throughout the country.

From the Shores of Tripoli in 1804 and the Halls of Montezuma in 1847, marines have carried the American flag around the world. Their battle record in every conflict, beginning with the Revolutionary war and continuing through Guadalcanal, Tarawa and Iwo Jima, still indelibly carved in memory as World War II battle shrines, have earned for marines the tradition of being true to their motto of "Semper Fidelis—Always Faithful."

Always a "ready force," the marines have lived up to that reputation even in such varied postwar assignments as guarding historical documents aboard the Freedom Train, setting a new speed record for jet-propelled planes, training Venezuelan marines, demonstrating the latest amphibious tactics to midshipmen or cadets and serving as part of the occupation forces in Japan.

To keep attuned with modern atomic warfare, the marine corps is undertaking a complete streamlining of its forces. Smaller but harder-hitting units are being formed which will have the flexibility and mobility needed for rapid movement.

Back of these revamped first-line defense forces will be the new citizen marine corps. These citizen marines, who live at home and hold their civilian jobs, will be trained at local armories and airfields in the marine tradition for service if needed "in the air, on land and sea."

A modernized system of up-to-the-minute instruction in new developments and technical training will be

CITIZEN MARINES . . . Members of the citizen marine corps play an integral role in the revamped marines. Three members of the organized marine corps reserve are shown here setting up field communications during summer maneuvers.

offered to citizen marines who volunteer for sparetime instruction.

A nationwide enrollment drive for the citizen marine corps opens this week in connection with the anniversary festivities. The campaign will reach its peak in January.

Programs Attuned To Locale Planned For Luxury Trains

CHICAGO. — Packaged entertainment, fitted to the locale and produced by showmen in studios before the train ever leaves the station, is the latest promise in luxury travel by the railroads.

Everything from physical comforts to psychological color and sound effects are being utilized by train designers to please the passenger and make him fully conscious of the ease and relaxation of train travel.

Latest in the long list of postwar improvements is the plan of the Santa Fe railroad to use wire recordings for reproduction over the public address systems in new passenger equipment now under construction at shops of Pullman-Standard Car Manufacturing company, in Chicago.

In designing programs for these new trains, it is planned to have a producer study their specific routes and then select music and entertainment to fit the locale. Rivers, creeks and waterfalls will call for sparkling, tinkling music. Indian country may call for music with the chanting undertone so characteristic of the early American Indian folk and war songs.

Because nothing short of a major catastrophe interferes with the railroad schedule of a fast, cross-country streamliner, the producer in the studio will know in advance the exact time a train will pass through certain country. He will select his entertainment accordingly. His timing may call for the techniques of the radio producer; his choice of music an intimate knowledge of human emotions and history of the country.

Both Santa Fe and Pullman-Standard engineers point out that the use of wire recordings has several advantages in this type of custom-built entertainment. The units are small and compact and several hours of entertainment can be recorded on a spool of wire no larger than the average fishing reel.

Once set in motion, the unit requires no attention, as announcements and dialogue will be worked into the program at the studio. However, should special announcements be required, a flip of a switch will change the circuit to a microphone in the steward's office and another flip will bring back the wire recorder with practically no loss of time to upset the predetermined schedule.

Comics Lend Cue For Pulling Teeth

WESTFIELD, MASS. — Taking a cue from the comic strips, John Dvorchak, 65, a tailor, decided to save a dentist's bill by pulling out teeth with pliers.

The method proved successful for the first tooth, Dvorchak reported. Two more, he feels, have to come out but he will await a steak roast, for which he'll probably need the teeth, before pulling them in the same way.

Stanton Downs Robert Lee 6-0

Stanton kicked off to Robert Lee. Frankie Percifull returned to his 37. Tinkler's pass to Bessent was good for a gain down to the Stanton 34. Percifull gained 4 yards through center and after three passes failed to connect the ball went over to Stanton on their 30.

Koonce went off right tackle for 7 and then made it first down on the 40. Standefer gained 6 and then 6 more but the Buffaloes were penalized 5 yards. Standefer went thru for 5, a pass attempt failed and Stanton punted over the Robert Lee goal line.

Taking the ball on their 20 Jackson plunged for 3 yards and Hale was stopped without gain. Robert Lee was penalized 5 yards, backfield in motion. Percifull picked up 4 yards and Tinkler made 6 around end. The play was recalled and another 5 yard penalty went against the Steers. Jackson hit off right tackle for 6. Royce Smith came in and punted. Stanton fumbled and Bessent recovered on the Robert Lee 32. A line play and two pass attempts failed to gain and Stanton took the punt on their 43. Stallings made 5 thru the line and Hill hit for 5 but Stanton was penalized 15 yards. Two aerial attempts failed.

Second Quarter

Stanton punted to the Robert Lee 10 and the Steer first team came in. Fowler circled left end for a first down on his 22. Baker plunged for 7, a pass failed to connect and Burns went thru center for a first down on his 45. Stanton intercepted a pass on their 38. Two line plays netted only 3 yards and a pass to Standefer was good for a first down on the Steer 44. Three more line plays gave Stanton a first down on the 33. Robert Lee's line held and Stanton punted out on the Steer 9 yard line.

Burns plunged for 6, a pass attempt failed and Smith punted to his 43. The Buffaloes failed in three aerial tries as the half ended.

Third Quarter

Stallings returned the kickoff 15

yards to his 35. Standefer made 7 yards in two line plays and Stallings went for a first down on his 47. Robert Lee recovered a fumble on the Stanton 49. Smith tossed a pass which Standefer intercepted on the Stanton 34. Koonce broke thru the left side of the line and ran to the Steer 30. Standefer hit for 4 yards and Koonce made 3 more but a 15 yard penalty went against Stanton. Standefer gained 6 around end. Jordan snagged a pass on the 22 but the ball went over to Robert Lee.

Baker hit the line without a gain. A pass to Devoll was incomplete Smith's flip to Baker was good for a first down on the 37. Smith tried another pass which failed to connect. On the next play he was downed for a 15 yd. loss. Smith punted on the fourth down to Standefer who returned 20 yards to the Robert Lee 31. Standefer went thru for 9 and Hill made it first down on the 18. Standefer again picked up 6 yards but a 5 yd. penalty was called on Stanton. Stallings was downed for a 6 yd. loss trying to get off a pass and Blair stopped Standefer for a 5 yd. loss.

Fourth Quarter

Stallings tossed a pass which was incomplete. It was 4th down on the 33. Henson took a pass to the 18 and the ball went over to Robert Lee. Fowler made a short gain at end but the play was recalled and a 15 yd. clipping penalty against Robert Lee placed the ball back on their 3 yard line. Baker hit for 3 yards and Burns added 1 more. Smith punted to Stanton on the Steer 28.

On the third play the Buffaloes completed a pass to the 19 and then a line play was good for a first down on the 17. Koonce grabbed a pass which was good for a first down on the 5. Standefer plunged over for a touchdown on the fourth play. A forward pass failed to convert the extra point. Score: Stanton 6, Robert Lee 0.

Robert Lee executed a double handoff and returned the kickoff to their 41. Smith was down for a 10 yd. loss when he couldn't spot a pass receiver. A pass to Fowler brought the ball back to the 43. A

pass to Thetford was good for a first down on the Stanton 47. Baker took a pass to the 40 and on the next play Standefer intercepted and was downed at mid-field.

A line play was good for 4 yards. Standefer went off tackle for 10 yards but it was recalled and a 15 yd. penalty went against Stanton. Koonce gained 6 and Stallings was stopped. Smith returned a punt 15 yards to his 36. A long pass slithered thru the hands of Devoll. Fowler went around his left end for 20 yards as the game ended.

Wildcat and Edith Club

The Wildcat and Edith WHD club met Nov. 7 with Mrs. R. L. Page as hostess. Miss Mary Pearl Bearden, the county agent, gave an interesting talk and demonstration on consumer buying. A report of the county council meeting was given by Mrs. Tom Schooler.

Refreshments of cake, coffee and hot chocolate were served to the following members: Mesdames Crowley Harmon, Tom Schooler, Floyd Harmon, J. C. Caston, Bob Patterson and the hostess, and the Misses Bearden and Helen Johnson. Also the following children: James Daryl Harmon, Van Harlan and Jamie Schooler.

The next meeting will be Nov. 21 with Mrs. J. C. Caston as hostess.

CARD OF THANKS

I wish to take this means of thanking my friends and neighbors for their many acts of kindness and for the postcards received during my recent illness. It does one a lot of good to know he has friends and I sure appreciate every one of them.—Ed Hickman.

A little want ad will sell it.

J. E. Wallace

Funeral services were held last Thursday in the Voca church for John E. Wallace of Brady, who died at his home the previous day. Mr. Wallace, who was 82 years of age, was born at Field Creek, Tex. Burial was in the Voca cemetery.

Mr. Wallace is survived by his wife; two sons, Jess M. Wallace of Voca and Marion Wallace of Brady; three sisters, Mrs. Sallie Lewis of Robert Lee, Mrs. Nan Stephens of Menard, and Mrs. Betty Bradley of Carlsbad, N. M., and one brother, Harve Wallace of Robert Lee.

Robert Lee relatives who attend-

ed the funeral included Harve Wallace, J. C. Wallace, Jr., Mrs. Ernest Lowrance, Mrs. G. E. Davis and Judge Bob L. Davis.

Mrs. J. S. Gardner and sons, Woodrow and Wilfred, spent the weekend at Richardson where they joined Winston Gardner and family of Kilgore. The gathering took place in the home of Mrs. Winston Gardner's parents, Mr. and Mrs. George Heffington.

Mr. and Mrs. Dee T. McClesky and daughter, Dee Anna, and Mrs. Eva Vowell came from Abilene for a weekend visit in the home of Mrs. M. H. Havins.

Gems of Thought

A LEARNED PERSON is not learned in everything, but the capable person is capable in everything, even in what he is ignorant of.—Montaigne.

Philosophy is the parachute in which we return to earth after the wings of illusion fail.

Those who think it permissible to tell white lies soon grow color-blind.

When the heart is afire, some sparks will fly out of the mouth.

Observance, and not old age, brings wisdom.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

When Your Back Hurts -

And Your Strength and Energy Is Below Par

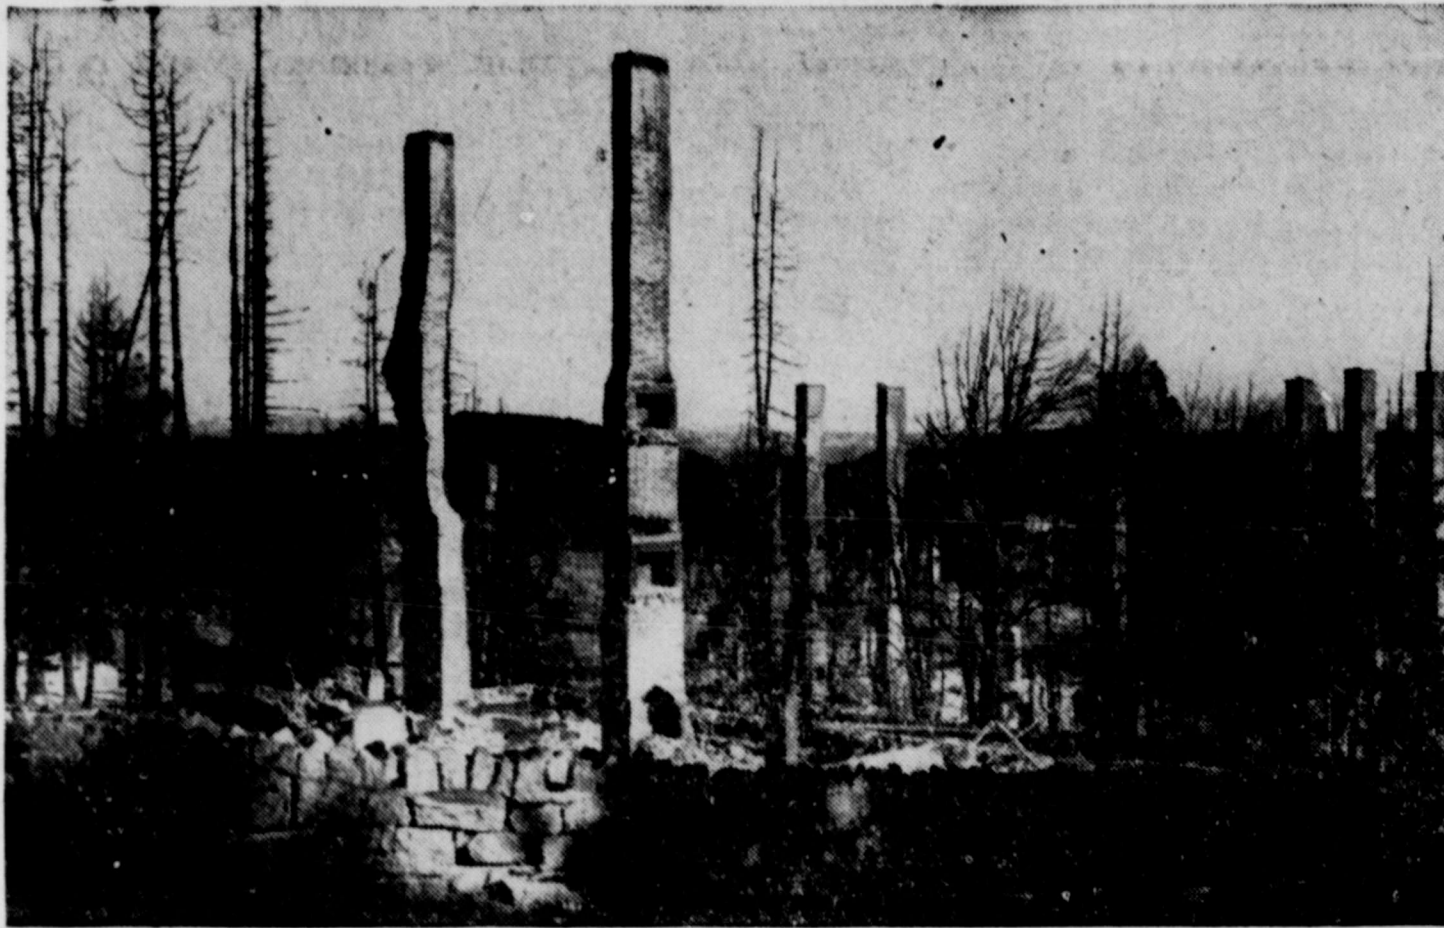

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use **Doan's Pills**. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

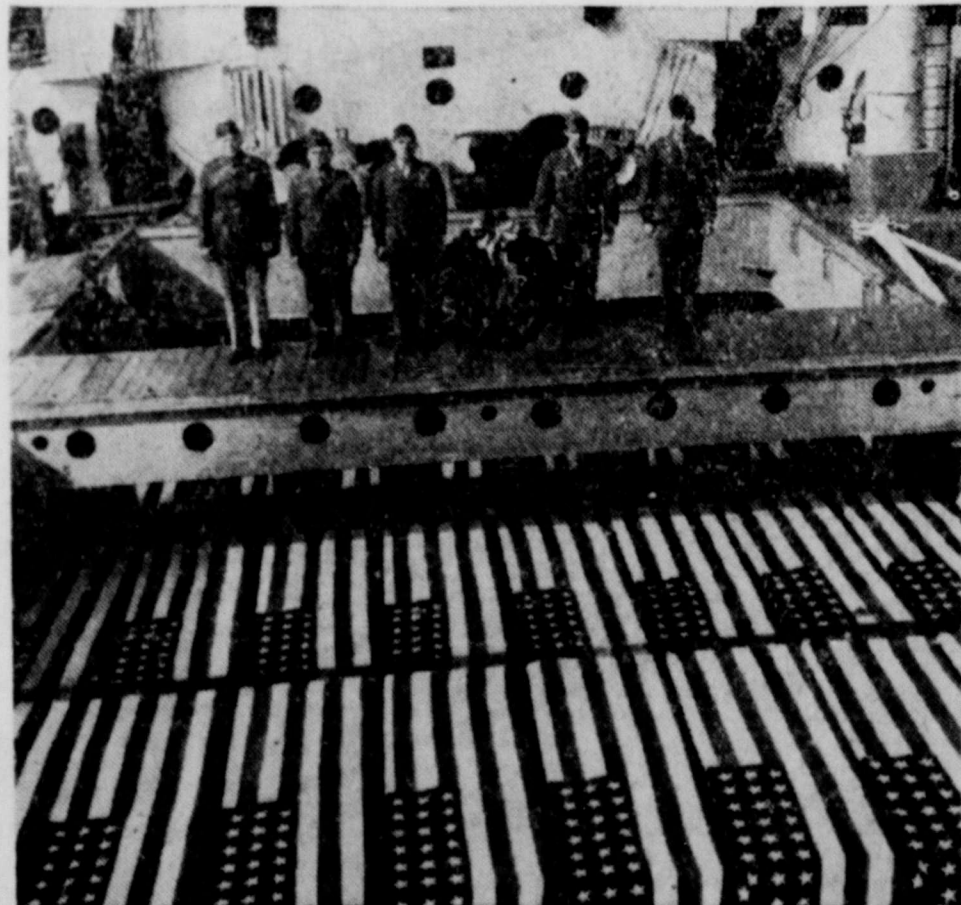

WORLD VIEWS

PETRIFIED FOREST . . . Chimneys rising grotesquely skyward are silent sentinels of the flaming disaster that struck the Maine resort center of Bar Harbor. They mark the site of the once beautiful Maivern hotel. Hungry forest fires were responsible for the deaths of at least 22 persons throughout New England and wrought 32 million dollars damage. In Maine, 851 permanent homes and 297 cottages were destroyed and 100,000 acres of forest were consumed by the flames. Bar Harbor itself was two-thirds destroyed in the fire that raged for days.

OLD AMERICAN CUSTOM TRANSPLANTED . . . Not so many years ago, anyone caught playing baseball in Japan probably would have wound up playing shortstop before a firing squad. But things are different now, and the kids are taking up the game. Cpl. Roy Blumenauer of Frederick, Md., is shown here catching for his team of Japanese youngsters. G.I. guests at the army's Kanbayashi rest-hotel at Yutanaka, a Japanese mountain village. The Red Cross encourages the pastime and supplies the equipment to spread the baseball gospel in Japan.

SOLEMN PATTERN . . . Flag draped caskets of soldiers who died overseas and now are being returned to their loved ones in the United States form a stately pattern in the hold of the army transport, Joseph V. Connolly, which carried them from Europe. The ship brought 6,200 bodies to New York in this first shipment of European war dead. An honor guard here stands at attention above the caskets prior to the unloading.

TALL SPORTS STORY . . . Coach Ken Loeffler of the St. Louis Bombers basketball team calls Ephraim "Red" Rocha a "real find." Rocha is 6 feet, 8½ inches tall, weighs 185 pounds and can't miss the basket.

Another Approach

The average four-year-old girl can ask more questions than Doc I. Q., as most of us know. This particular child's questions were of the chain type—that is, one question always led to another. Her favorite method of carrying on the stream of questions is to say: "Suppose . . . Suppose this or suppose that."

One day, with many other things in mind that at the moment seemed to be far more important, her dad lost his patience and shouted, "Dorothy, you're always supposing! Now I want you to stop supposing. Do you understand?"

She looked at her dad for a moment and then a bright twinkle came into her eyes. "Daddy," she asked, "do you suppose I can 'if'?"

BRONTE NEWS

By D. M. WEST

Mrs. R. E. Forman honored her little son, Jimmie, with a party Monday afternoon, Nov. 10, on his fourth birthday. There were fourteen of Jimmie's little friends present to romp and play with him. After the hour of fun and frolic Jimmie's mother served refreshments consisting of cake and ice cream. Jimmie received quite a number of gifts which he enjoyed.

Mrs. M. P. Coleman has gone to Portales, New Mexico, to visit indefinitely with her son, Bob Coleman, who came for his mother last week.

Mr. and Mrs. R. H. Horn of Tennyson are the proud parents of a baby girl, born in a San Angelo hospital November 6.

Little Miss Patty Sue Gray was the honoree at a party Saturday afternoon at Legion park, when her mother, Mrs. Gertrude Gray, assisted by her mother, Mrs. Mary Phillips, entertained several of her friends. Games were played until the little one grew tired. Then they were served refreshments consisting of cake and cold drinks. The little honoree received many pleasing gifts. There were nineteen guests present.

Mrs. Cullen Luttrell was hostess to a party at Legion park honoring her young son, Joe Bailey, on his sixth birthday Saturday afternoon. Quite a number of the little honoree's young friends gathered to celebrate with him. Games were played following which delicious refreshments were served. The honoree received quite a few gifts which he and his little guests enjoyed looking at.

Mrs. Leslie Lammers is in the Karen-Gayl hospital in Bronte seriously ill, and at this time her condition is not improved.

Bronte's city council at its last sitting decided to discourage the sale and firing of fireworks in Bronte, and expressed opposition to slot machines in Bronte and Coke county. The council also raised the salary of city marshal T. F. Sims, from \$90 per month to \$125.

Members of the senior class of the Bronte high school are quite busy these days completing the pictures, layout and the editing of 1947-1948 edition of the Longhorn, the school's annual. Supt. Jeff Dean informs the writer that already there have been sold 93 subscriptions to the book. There are 22 members of the graduating class this year.

Jesse West one of the engineers in the train collision at Brownwood last week, is a nephew of the writer. He was dangerously burned.

Davis-Allen

Miss Wilma Jean Davis of San Antonio became the bride of Mr. Orval E. (Buster) Allen of Bronte, on Saturday evening, Nov. 8. The ceremony was performed by the Rev. D. H. Palmer, grandfather of the bridegroom, in the Palmer home at Bronte.

The bride wore a Chinese green suit with brown accessories and her corsage was of yellow carnations.

Attendants were Bea Neas of Ballinger, sister-in-law of the bride, and Elbert Faubion of Abilene, brother-in-law of the bridegroom.

Others present were Mr. H. A. Neas, Sr., father of the bride, Mr. and Mrs. H. A. Neas, Jr., of Ballinger, Mrs. O. E. Allen, of Bronte, mother of the bridegroom, Mrs. Elbert Faubion and daughters, Lonnie and Trilby, of Abilene, Mrs. W. H. Vanderland and daughters, Jan and Billie Jean of

Monahans, and Alvin Allen of Sweetwater. Cake and punch were served.

Mr. and Mrs. Allen are both employed in San Antonio and will reside at 225 Peck Ave. in that city.

Folks You Know

Mr. and Mrs. B. H. Jolley, accompanied by their son-in-law and daughter, Mr. and Mrs. Jack Shields, were here from Kermit visiting among old friends the latter part of the week. Mr. Jolley is justice of the peace at Kermit and says the office has a lot of business in that rapidly growing oil center.

Mr. and Mrs. D. O. King and daughters spent Armistice Day with the Fred Robertsons near Rotan.

Mrs. Clarence Mitchell submitted to an operation Tuesday at the hospital in Bronte.

Billie Sue Brown is home for a visit with her parents, Mr. and Mrs. John H. Brown. She resigned her position in the office at the army air base near Lubbock after several years of government service.

Dale Stephenson returned home Tuesday from the Bronte hospital where she was a patient for several days. She returned to her work Wednesday in the Triple A office.

Attend Training School

Mrs. Taylor Emerson, county WHD chairman, Mrs. T. M. Wylie, county chairman-elect, and Miss Mary Pearl Bearden, county home demonstration agent, will attend an all day organization training school at Ballinger Friday, Nov. 14. Miss Helen Swift of A & M College extension service, will conduct the school. Committee chairmen who will attend are Mrs. Lum Laswell, expansion, Mrs. C. E. Arrott, recreation, Mrs. Tom E. Rives, Jr., exhibits, Mrs. J. C. Lammers, education, Miss Gladys Waldrop, marketing, and Mrs. Raymond Schooler, 4-H sponsor.

Planing Mill To Move

The Coke County Planing Mill, located east of town on the Bronte highway, will move next week to the new concrete block building which Millard Meek recently constructed. The mill has been doing a fine business and more room is badly needed. Joe Mathis is now sole proprietor of the planing mill, having bought out the interest of Benny Green.

Wants to Locate Here

D. R. Ainsworth and his wife of Rotan were in Robert Lee the first of the week looking for a location in which to open a shoe shop. His lease expires on the building he now occupies at Rotan and he is anxious to move to Robert Lee if a suitable building can be secured.

Winter Is Coming!

Robert Lee, Texas

Jacksons In Trouble Again Over Roadway

Coke county peace officers last week arrested Albert and Edith Jackson, brother and sister, who reside on a farm three miles east of Bronte, for molesting and threatening county employees who were working the road along their property.

The brother and sister, both unmarried and between 50 and 60 years of age, are alleged to have threatened Leroy Scott, who was operating county road grading equipment. Reports that they carried a shotgun were not confirmed.

Deputy Sheriff Frank Kessee was called and after arresting the pair, brought them to the county jail in Robert Lee. A hearing before County Judge Bob L. Davis resulted in a three months' suspended jail sentence for both on a charge of intimidation. The sister showed signs of illness and remained in jail during the hearing. However, she was revived by the doctor in Bronte when officers took the Jacksons back to their home Saturday.

Previous trouble with the Jacksons flared up a number of years ago when they attempted to stop the school bus from passing over the road which they claim is on their property. The road has been open and in use for fifty years or more and authorities state the survey is correct, although Jacksons say the road was never established by law.

The family has owned a 200-acre farm east of Bronte many years and the brother and sister continued to live there following death of their parents.

At the hearing Jackson promised they would cause no further trouble and told officers he wouldn't even go near the road.

Bride-elect Honored

Miss Ava Lou Tubb was honored at a gift tea last Friday afternoon in the A. J. Bilbo home, with Wanda Mauldin, Mrs. John Conley and Mrs. Jarvis Littlefield serving as hostesses. Thirty guests were present. Sandwiches, cookies and coffee were served. Many beautiful gifts were received by the honoree. Miss Tubb and Vincent Hanna have announced their approaching marriage on Nov. 21.

Robert Lee Woman Dies of Heart Attack

Mrs. J. S. Ross, 73, highly respected Robert Lee woman, died suddenly Thursday morning at 8 o'clock from a heart attack. She had been in poor health for some time but seemed as well as usual Wednesday when she was up and around the house.

Funeral arrangements are pending until word is received from relatives residing at a distance.

She was formerly Gertrude Bulger and was born Aug. 22, 1874, in Henderson county, Texas. She grew to womanhood there and married J. S. Ross Dec. 15, 1897. They came to Coke county in 1905. Having resided in Robert Lee the past number of years, they formerly lived in San Angelo where Mr. Ross was engaged in the nursery business.

Surviving are the husband and six children: Roy of Robert Lee, Mrs. E. E. Ayers, Ravia, Okla., Mrs. E. L. Cole, Robert Lee, Jeff of Benicia, Calif., and Mrs. M. W. Sheppard and W. E. Ross of Pueblo, Colo. There are 28 grandchildren and nine great grandchildren.

She also leaves a brother, Henry Bulger, Los Angeles, Calif., and two sisters, Mrs. J. E. Fletcher, Colfax, Calif., and Mrs. John James of Fayette, Utah.

Mrs. Bruce Clift, Mrs. Dan Campbell and Mrs. Jeff Blair attended an Eastern Star meeting in San Angelo on Saturday.

School Janitor Resigns

Willie Wallace has resigned as custodian of the Robert Lee school buildings, effective this weekend. No successor has been named according to E. C. Davis, school board secretary. Wallace was named to the job last August at a salary of \$150 per month. He plans to engage in the construction business.

C. E. McDonald returned to his home here last Thursday after a few days' stay in the hospital at Bronte. 'Mac' will not go back to his position at Black's grocery and market for the present, since the doctor has ordered that he rest up for a few weeks.

Crown Football Queen

In a highly fascinating ceremony between halves of the Stanton-Steer game last Friday night, June Duncan, high school senior, was crowned 1947 Football Queen. Her attendants from the four high school classes included Elna Avis Jameson, Dixie Taylor, Esther Allen and Patty Taylor. The ceremony was beautifully worked out with the pep squad and football players taking part.

Mrs. O. B. Jacobs has accepted a position of bookkeeper with the Havins & Vowell Motor company and began her new duties Thursday. Foy Askins has been employed in the repair shop.

Announcement

We have purchased the Bowling Alley and the new building in which it is located on the east side of Main street. The Bowling Alley will continue to be operated as under the former management.

We have faith in the future of Robert Lee and Coke county and hope to contribute our share toward the community's further growth and prosperity.

Come in and get acquainted and bowl for pleasure.

W. R. Mathews

Sad, But True!

... Anti-Freeze Is Awfully Hard to Get This Year

Some reports say the allotment for Texas was destroyed in the Texas City disaster several months ago. We don't know. But we do know there isn't any permanent anti-freeze to be had, so we have ordered the best substitute we could get (alcohol base) and will have a supply within a few days.

BE PREPARED For Cold Weather!

It's smart to use lighter oils and greases in your cars and trucks during the cold weather. See us for Washing, Greasing, and Oil Changes. We have new Heaters, too. Also Radios and other accessories.

We're Looking To 1948

We attended a meeting recently along with 157 other West Texas dealers and signed up our new Chevrolet contract through 1948. The new model passenger cars are expected to be shown in February. We have been promised more trucks and cars next year if the present rate of production is kept up.

How Are Your LIGHTS?

The new Texas law is strict about having proper lights on all motor vehicles. We can help you out and have diagrams and specifications put out by the State Dept.

Special Wholesale NOTICE!

Chevrolet has put into effect a new plan concerning the sale of GMC parts to wholesalers, dealers and independent garage owners. Stop in and let us explain the new setup to you.

Ain't It So?

Social tact is making your company feel at home even though you wish they were.

The worst thing about history is that every time it repeats itself the price goes up.

Few of us can stand prosperity — especially another man's.

Man is the only animal who can be skinned more than once.

The average man of today lives 25 years longer than the man of a century ago. He has to in order to get his taxes paid.

Valuable Information On Adopting a Child

HAVE you often thought about adopting a child and let the matter drop — just like that? Granted the first step is always the hardest but even that one can be easy if you know which way you're going.

The first thing to do is consult the authorized adoption agency nearest you. Go prepared to answer questions— which are kept confidential—about your home life, your marriage and the type of child you want.

Is there a minimum income? No—Farm people for instance have small actual cash income, yet provide most of their needs from the land. Moderate means and good home environment are sufficient.

Authorized agencies in every state are listed in our latest Reader Service booklet "Adopting a Child" along with actual case histories, the tragedy of black market babies and how children are tested before being offered to you.

Send 25c in coin for "Adopting a Child" to Weekly Newspaper Service, 243 West 17th Street, New York 11, N. Y. Print name, address with zone, booklet title and No. 205.

If Your Nose Fills Up

-Spoils Sleep Tonight!
A few drops of Vicks Vapo-rinol in each nostril works right where trouble is to open nose, relieve stuffy, transient congestion. Brings quick relief from sniffly, sneezy head cold distress. Try it! Follow directions in package.

VICKS VA-TRO-NOL

SPEEDED-UP COMFORT for so-called KIDNEY SUFFERERS

Backaches, leg pains, broken sleep, painful passages usually go so much quicker if you switch to Foley (the new kidney-bladder) Pills. They stimulate sluggish kidneys; then ALLAY BLADDER IRRITATION. That's the cause of most pains, aches, urges once thought entirely due to kidneys. So far quicker, longer-lasting relief, soothe bladder as well as stimulate kidney action. Do this: use Foley (the new kidney-bladder) Pills; they also have direct sedative-like action on bladder. At your druggist. Unless you find them far more satisfactory, DOUBLE YOUR MONEY BACK.

DON'T BE "OH, ME, OH!"

BE "HI-DE-HO!"
If you're dragging about your work... if life's no fun... cleanse your system of poisonous wastes with Crazy Water Crystals or Concentrated Mineral Water. Enjoy that glad-to-be-alive feeling.

WITH THE COLUMNISTS

DREW PEARSON

Must We Fight Russia?

MOST significant talk newspaper editors have had in Washington recently was an off-the-record conference with George Kennan, General Marshall's chief Russian policy maker. Here are the highlights:

Russia's tough talk is nothing new. It has been going on for 160 years, under both Czars and the Soviets. It was soft-pedalled in the 1920s and 1930s because the Bolsheviks were too weak to talk tough.

The main problem in Europe is the vacuum in France and Italy. This vacuum has to be filled. Big question is whether Russia or the United States will move in. The vacuum was recognized by Russia even during the war, and Stalin prepared then to fill it. The U. S. doesn't want to fill it, but does want to see it filled by democratic Frenchmen and Italians themselves. Whoever first fills this hole in Europe will be successful in dominating all Europe.

People of Europe are afraid of Russia but not of the United States. Because they are scared stiff, they would appease Russia before they helped the United States.

Inside Russia, the people are cynical, don't take Moscow's propaganda too seriously. Vishinsky's barbed thunderbolts at U. N. are nothing new. He's only saying what he has said for two years, only this time it's louder.

There is no real worry over war with Russia. Its people haven't recovered. Furthermore, the Russians figure they can get what they want by political means. Most significant key to the fact that Russia doesn't want war is that the Soviets always try to ride out war. They made a deal with Hitler in the last war in order to stay on the sidelines, and the last thing they want is war now with the United States.

"We are very far from war," concluded Kennan.

WALTER WINCHELL

Doodling on the Typewriter

Wiseest thing the Thomas investigating group has done yet is shove Rankin (allegedly electioneering at home) to the background. He is congress' worst ad. . . Capitol newsmen are wondering when Secretary of Agriculture Anderson and the President will get their signals straight. . . One of the President's closest aides will be front paged before the 1948 campaign starts. For "connections" with the sale of lucrative (seized) German firms. GOPeople hope to have the matter well documented in six months.

Oh, those terrible capitalistic nations. The U. S. is spending more coin to aid foreign nations than to rebuild its armed

forces. If this world isn't careful, there'll be nothing left to be careful about. . . On Madison avenue there's a Society for the Prevention of World War III. Must be working overtime. . . The Metopera may not do Prokofiev's "War and Peace" this season, not only because of "technical reasons" (as announced) but also because they see possibilities of an early war.

Such airs: Oscar Levant has three governesses, one for each of his heireses. . . If you never want to catch pneumonia, stay clear when Talu Bankhead and Lillian Hellman meet. Brrr! . . . All you have to do to have a Broadway hit show is to use a title starting with "A." Currently there are five that start with it.

WESTBROOK PEGLER

Special Rules Prevail in Sports

SOME of my colleagues on the sport side have been arguing that it isn't right to punish a man by some special law of baseball or pugilism for an act which is not illicit in the view of the cops, or to punish him for some offense already expiated in the public clink. That would be double jeopardy, wouldn't it? Yes, it would and it is supposed to be repugnant to our delicate sense of justice, but that is just what we say. It really is not repugnant at all.

The miscreants or martyrs here concerned are Leo Durocher and Rocky Graziano. Both are good but both were bad.

Happy Chandler, commissioner of the baseball industry, gave no reason why he suspended Durocher for the season of 1947. In my opinion, which is never humble or erroneous although it often stands alone, this was a whimsical, personal judgment of a man who had been touched off balance by a confusion of events. An equal effect might have been wrought by a briefer suspension or just some loud, public wiggling.

Graziano is a guttersnipe. But anyone who tries to argue that his environment was responsible for his police record and his misconduct in the army must explain away Al Smith and the late Cardinal Hayes, who came from the same neighborhood, and explain the overprivileged sons of the Park avenue branch of the Jeeter Lester family.

H. I. PHILLIPS

Undernourished? See Your Doctor

A fellow in New York got meat on meatless Tuesday by doctor's prescription. We now look for the man who will insist that his physician has found him in such shape he has to take two eggs in hot water daily.

"The Duke of Windsor's private secretary said that neither the duke nor his wife had received invitations to the royal nuptials, and that it was doubtful if they would attend." —News item.

WALTER SHEAD

G.I.s Lose Business Battle

WORLD WAR II veterans chalked up better records on the battle-front than they have on the business front, it is indicated in reports from the Veterans' administration loan guarantee office.

Figures compiled by the VA loan division for the Washington area disclose that about 1 out of every 10 business enterprises begun here with G.I. loans has gone in the red. The situation has reached the point where some banks want nothing to do with G.I. business loans.

Charging that many bankers flatly state "no G.I. business loans," Morgan Callahan, loan guarantee officer for the local office, has appealed to lending institutions to reach a happy medium. "Lots of veterans are still good propositions for loans," he insists.

There's a bright side to the story, however. Hundreds of successful businesses have originated from G.I. business loans. Success stories appear from every field, from physicians who have outfitted offices to gift shop owners.

In between are valuable restaurants, cigar stores, frozen food marts, drug stores, frozen custard emporiums, bakeries, tailor shops, furrier shops and multiple other business, all started from G.I. loans.

AROUND THE HOUSE

The amateur painter can apply enamel easily and without leaving brush marks if he will first heat the paint in a pan of warm water. Brushing a small area at a time is sound practice.

Knots in the thread when hemming table linens may be avoided simply by running each needleful of thread through a piece of parafin before sewing with it.

Silks and woolens are generally folded or rolled so that the right side is inside.

Never scour china or pottery. Hard rubbing and cleansing powders may cause the color to fade and damage the smooth finish.

Linens to be stored should contain no starch. Wrap them in deep blue paper to prevent their turning yellow and store them in a dark place free from dampness.

When you make a fruit pie that's likely to run over, put a cookie sheet under it. The cookie sheet is much less bother to clean than the inside of the oven.

If you are looking for ways to stretch your Christmas budget—here's good news! Make a list of all the smokers you know and give them either of these two popular gift items featured by your local dealer — a carton of flavorful Camel Cigarettes or a pound tin of mild, mellow Prince Albert Smoking Tobacco. Both gifts come ready to give. The Camel carton comes in a colorful holiday dress, containing 200 mild, rich-tasting cigarettes. And Prince Albert—the National Joy Smoke—is offered in the popular full pound container. Even a card is unnecessary for these gifts—space is provided for a personalized Christmas greeting. You'll be "tickled pink" when you see the hearty reception your friends will give holiday-wrapped Camels and Prince Albert!—Adv.

Coke Boys Show Strong At Sear's Pig Show

4-H Club boys from seven counties in the San Angelo area showed their Sear's pigs Saturday, November 8, at the San Angelo fair grounds. Seven Coke county boys were there and made themselves known with their swine. Van Harlan Schooler won first in the Coke county group and second in the district. Placings were as follows:

- 1st. Van Harlan Schooler
- 2nd. Clyde B. Sherrod
- 3rd. Wilton Robertson
- 4th. David McCutchen
- 5th. Wayne Eudy Jr.
- 6th. Clinton Hood
- 7th. Billy Wayne Casey

In the District Placings:

- 1st. Roy Clifton, Concho
- 2nd. Van Harlan Schooler, Coke.
- 3rd. Douglas Phillips, Menard.
- 4th. Victor Hoelscher, Runnels.
- 5th. Thomas Earnest, Tom Green.
- 6th. Alva Lee Harris, Schleicher.
- 7th. A. J. Vinson, Irion.

It is worthy of note that the first five places in the district were won by Coke county hogs that have been sold to these other counties. Clayton Bloodworth was the breeder of the grand champion gilt now owned by Roy Clifton of Concho county.

Clinton Hood gave a very interesting demonstration in handling his pig, which has been taught to lead like a dog on a leash.

Wayne Arrott showed the Coke county boar in the district show and placed 7th.

Hayrick Club News

By Mrs. Glenn Waldrop
The Hayrick WHD club met Nov. 6 in the home of Mrs. L. C. Robbins. Roll call was answered with selected subjects and an interesting poem, "Dreaming," was read by Mrs. J. W. Labenske.

Miss Mary Pearl Bearden met with us and gave a talk on Study of Labels and Household Equipment. Sunshine Pals were revealed and re-drawn. Names were also drawn for the Christmas tree.

Refreshments were served to the following members: Mesdames A. R. Coalson, J. W. Mitchell, W. G. Cresap, Glenn Waldrop, J. W. Labenske, also Misses Bearden and Gladys Waldrop, one visitor, Mrs. J. A. Waldrop, two children and the hostess.

The next meeting will be our

GOOD FOODS, THE RIGHT KIND, AND SUNSHINE GALORE SUCH VITAMIN SOURCES, HAVE PLENTY IN STORE.

BUT JUST TO MAKE SURE OUR SUPPLY IS OKAY, WE ALL TAKE THE "MULTIPLE" CALLED "ONE-A-DAY"

There is vitamin protection for you, neighbor! When you supplement the food you eat each day with ONE-A-DAY (brand) Multiple Vitamin Capsules, you get all the vitamins known to be necessary in human nutrition. When it is so easy and inexpensive to take ONE-A-DAY (brand) Multiple Vitamin Capsules, can you afford to be without them? To assure minimum daily requirements, take just one capsule each day.

Christmas party in the home of Miss Gladys Waldrop on Dec. 22.

A hint: To save knots and sewing together the strings when making a rag rug, cut slits in ends, lay together one end of one string on top of another string, and draw the other end of piece on top up through the slit from the bottom, putting them together.

On Oct. 30 the Hayrick club met with Mrs. J. W. Mitchell in an all day meeting. We had our Halloween program and made a quilt for the Walter Scott family whose home burned recently. All members and several visitors were present.

Bronte 39, Miles 0

The Bronte Longhorns, leading District 7-B's football race with two wins and no losses, shelled the Miles Bulldogs by a 39 to 0 count at Miles Friday.

Billy Bob Herron of the Longhorns tallied two touchdowns and made two extra points. LeDrew Arrott went to pay dirt twice. Gerald Sandusky, Billy Jack Kirchman, and Doug Stevens each scored one touchdown. Stevens took a pass from Bobby Clark for his tally. Wayne Arrott caught a pass for the final extra point.

Citation

The State of Texas.
To the Sheriff or any Constable of Coke County Texas, Greeting:

You are hereby commanded to summon Curtis Stewart, who is a nonresident of this State, to appear at the County Court of Coke County, Texas at the Court House, in Robert Lee, Texas, on the 24th day of November 1947 then and there to contest, if he sees fit, the final account of his guardian Anne Lee Stewart heretofore filed in Court on April 11 1947, the docket number which is 231. You are commanded to so summons such defendant and to serve this citation by making publication of this citation once each week for three successive weeks previous to the return date hereof in some newspaper regularly published in Coke County; but if there be no such newspaper regularly published in said County then this notice shall be posted as required by law at least twenty days prior to the return date hereof.

Herein fail not but have you before said Court on or before the date above mentioned this writ with your return thereto, showing how you have executed the same.

Witness Willis Smith, Clerk of the County Court of Coke County, Texas.

Given under my hand and the seal of said Court in the City of Robert Lee this the 31st day of October 1947.

(Seal) . . . Willis Smith
Clerk of the County Court of Coke County, Texas

Issued, this the 31st day of October 1947.

Single Hair Convicts Murderer of Crime

While criminal investigators can rarely state that a certain hair came from a certain person, a case occurred recently in which a single hair, found at the scene of a homicide, led to the positive identification of the murderer, says Collier's.

After hairs taken from three suspects were found, in a microscopic examination, to be nearly alike in length, diameter and color, they were subjected to ultraviolet light which caused the hair in question and that of one suspect to emit a purple fluorescence.

The glow was produced by aspirin which the man took daily in such quantities that traces of it had worked into his hair.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

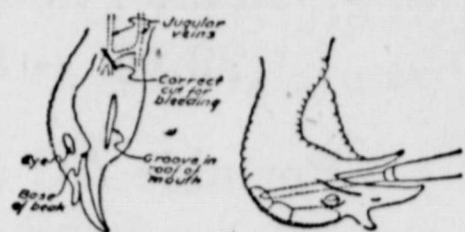

Process for Killing Turkeys Explained

Proper Slaughtering And Bleeding Required

Before killing turkeys, as well as other fowl, see that they have access to water but no feed during the 12 to 18 hours prior to slaughtering. When the turkey shows feed in the crop it will not be graded as quality.

To kill a turkey for market, suspend them by shackles, leaving the wings free. Insert the blade of the killing knife in the turkey's mouth

Proper method of killing a turkey as well as other fowl. —Drawing, Cornell university.

and make one clean cut across the upper part of the throat just back of the junction of the head and neck, as shown in drawing.

Hold the turkey head down, with the beak open, until the blood is well started. With the left hand grasp the head in front of where the cut has been made to prevent the pressure of the fingers from checking the flow of blood. Poor bleeding is indicated by visible blood in the veins and by the dark red appearance of the carcass after picking.

When the blood is flowing freely, thrust the knife blade straight back on a line between the eyes and ears, through the cleft in the roof of the mouth and into the lower lobe of the brain. Give the knife a quarter turn. This kills the bird and loosens the feathers.

Herds and Flocks on Successful Farms

Feed bunks for cattle should be 30 inches high for mature stock and 24 inches for calves. Allow 30 inches of trough length for each grown animal, 20 for each calf. Make the grain and silage bunk three feet wide for feeding from both sides.

Many ewes die every winter from a condition known as pregnancy diseases. The losses are not as common in flocks where the ewes are kept gaining slightly in weight during the gestation period.

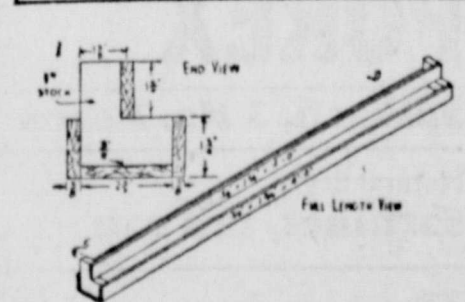

Well-conditioned ewe that should cause no trouble.

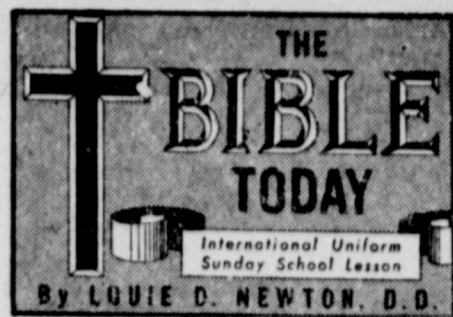

Lousy cows, when freed from lice, give 10 per cent to 15 per cent more milk, according to Michigan State college. This means the equivalent of another cow in a herd for \$1, by controlling lice. In winter, which is a bad time for cattle lice, apply a powdered louse killer containing DDT and repeat the application in 10 to 14 days.

Early spring litters of pigs do poorly unless the brood sow has an abundant supply of milk at farrowing time.

Baby Chick Feeders

Preventing waste of feed is always important. Easily-built feeders of wood will help prevent waste of feed. This Washington State college design can be built at little cost. It will serve 100 chicks for their first 10 days.

International Uniform Sunday School Lesson
By LOUIE D. NEWTON, D.D.
SCRIPTURE: II Peter; Jude; Luke 2:40-52.
DEVOTIONAL READING: Matthew 5:3-16.

Building Character

Lesson for November 16, 1947

WE SHALL need to read carefully Second Peter if we are to profit most in the study of Sunday's lesson. Peter tells us:

Dr. Newton

"According as his divine power hath given us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue." We may partake of the divine nature, having escaped the corruption that is in the world through lust.

In addition to Second Peter, we are asked to read Jude and Luke 2:40-52. The passage in Luke tells how Jesus grew and waxed strong in spirit, filled with wisdom; and the grace of God was upon him.

As Jesus Grew

WE HEAR a great deal today about juvenile delinquency. The question everywhere arises, What can we do to prevent juvenile delinquency?

We have the answer in Sunday's lesson. As Jesus grew in wisdom and stature and in favor with God and man, so can every youth in America grow into strong and beautiful manhood and womanhood.

The parents of Jesus, we are told, obeyed God in doing for the Child all that they were commanded to do.

The Lov. of God

"KEEP yourselves in the love of God," Jude 21. There is the formula for building Christian character.

This business of building Christian character is based on a formula—keeping within the circle of God's love.

It is just as essential to have the proper nourishment in building Christian character as in growing a fine ear of corn. Progress is not accidental. It is the result of right thinking, right behavior, right purpose. Only in the love of God can the young life find the nature for Christian character.

Christian Mathematics

TURN again, if you will, to Second Peter, and read his mathematical formula by which Christian character is realized:

"Add to your faith virtue, and to virtue knowledge, and to knowledge temperance, and to temperance patience, and to patience godliness, and to godliness brotherly kindness, and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ."

Old-fashioned stuff, someone will cynically observe. Aye, old-fashioned it may seem, but only from this old-fashioned formula can character be built—Christian character.

And what is it that our needy, frightened world is asking for above everything else today? For the certitude of hope that is found only in hearts that are staid upon God.

Jude's Benediction

YOU have read, I hope, the brief Book of Jude, only 25 verses. You have followed his pungent, cogent argument. You have followed his exhortation. And now you come to his benediction—a very fitting climax for Sunday's lesson:

"Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and evermore. Amen."

As you sit in your living room, or on the train, or in the plane, or in the hotel, or at the hospital, or wherever you may be, reading these lines, remember this—the need of America today is more Christian character in the home, factory, store, bank, mill, field, school room, in the meeting house.

(Copyright by the International Council on Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

ASK ME ? ANOTHER ?

A quiz with answers offering information on various subjects

The Questions

1. What state passed the first speed law?
2. What happened to the Colossus of Rhodes?
3. What territory was added to the United States by the Gadsden Purchase in 1848?
4. What name is given to the preliminary draft of a treaty?
5. In what states are the "Great American desert"?
6. A drum major's tall fur hat is called what?
7. Do fish bathe?

The Answers

1. Connecticut passed a law in 1901, restricting the speed of motor vehicles to 12 miles an hour on the highway and 8 miles an hour within the city limits.
2. Destroyed by an earthquake.
3. New Mexico and part of Arizona.
4. A protocol.
5. Utah and Nevada.
6. A shako.
7. Yes. They scrub themselves by squirming around on the sand at the bottom of the water.

Permanent Hair-Do an Invention of Ancients

The permanent wave was invented thousands of years ago. The first permanent waves were achieved by women who placed clay on their hair, arranged it in waves and then sat in the sun until the clay baked dry.

Folks You Know

Mrs. A. E. Latham went to Carlsbad, N. Mex., last Friday for a visit in the home of her son, Staff Sgt. Lee Roland Latham, and family. Monnette Latham came home with her grandmother for a visit in Robert Lee.

Mr. and Mrs. Horace Scott and daughter, Sherry, of Del Rio came up for a weekend visit in the parental H. L. Scott home.

Mr. and Mrs. J. H. Escue and Mr. and Mrs. Floyd Higgins of San Angelo spent the weekend with relatives in Robert Lee.

Charlie Allen of Winslow, Ariz., spent Sunday with his parents, Mr. and Mrs. R. B. Allen, at Silver. Charlie joined his wife and children who were called to Colorado City recently by the critical illness of her grandmother. Other guests in the Allen home Sunday were their son, Duward, and family of Van Court.

Maurice Yarbrough and Mr. and Mrs. J. W. Denman spent a couple of days the last of the week with friends at Quinlan, Texas.

Mr. and Mrs. Bowman Gentry and daughter, Jerry, of San Angelo were weekend guests in the Jahew and Fred Jameson homes near Silver.

G. B. Gebhart and son, Don, Fred Asher and H. L. Heed went to Sweetwater last Friday night to witness the Odessa-Sweetwater high school football game. The Odessa Broncs, last year's state champions, won the game 32-0.

Mr. and Mrs. Russel Zoet and little daughter, Beverly, were guests over the weekend in the parental G. E. Davis home.

Mr. and Mrs. J. M. Barnes of Beuna Vista were over night guests last Wednesday in the home of the former's sister, Mrs. W. M. Summers. They were enroute home from a vacation trip to California.

Mr. and Mrs. Geo. Pennington and son, Dennis George, were visitors Sunday in the parental C. E. Mathers home at Silver. The Penningtons recently purchased a new home in San Angelo at 412 East 12th. George is employed with the electrical contractor on the new Sears Roebuck building.

Mr. and Mrs. Cecil Gelbert of San Angelo were Sunday guests in the Fern Havins home.

John Robert Prude of Ft. Davis was a weekend guest in the Frank Smith home.

Mr. and Mrs. Raymond Jay and daughter, Nell, of San Angelo, and Mrs. Billie Frank Blaylock and daughter, Frankie Nell, of Eldorado visited among Robert Lee relatives on Sunday.

Madine Burgess of San Angelo visited over the weekend in the parental E. A. Burgess home.

Travis Hicks, Jr. was a weekend guest here in the home of his father, County Agent T. B. Hicks. He is stationed at Orange and has a navy rating of chief yeomen's mate.

Gerald Ivey went to Austin Saturday where he witnessed the Baylor-Texas U football game.

Judge Bob L. Davis and wife were called to Winters Saturday night by the illness of her father, R. H. Inman, who is very ill. Mrs. Davis remained at his bedside.
