## Steers At Hobbs In District 6-B Conference Tilt

Robert Lee high school Steers tackle the Panthers at Hobbs Friday night of this week in their first District 6-B conference game.

Winning their first four starts, some of them against rugged opposition, the Steers are showing up as one of the most versatile football clubs ever developed in Robert Lee. There is no denying that Coach Charlie Dennis' boys have their eyes on the conference flag, but the going will be plenty tough.

The Panthers licked Bronte's Longhorns last Friday night 45-6. Hobbs had the best team, but the score would have been more respectable if they had elected to use reserves during the second half.

Bronte scored in the second quarter on a forward pass from McCutchen to Sandusky. Hobbs has a couple of great offensive players in Etheredge and Hardin. Coach Dennis and several Steer players witnessed the contest at Bronte and they have been figuring out a defense this week.

Dennis put his squad through a tough drill Monday evening, but lighter workouts followed. Some of the players have not entirely recovered from the San Angelo Kitten game last week, and the team will not be in top shape for Hobbs. Nursing injuries are Mauldin, Hamilton and Hood.

A big crowd of loyal fans will follow the team, but most folks had to resort to the road map to locate the place Hobbs is a small town between Snyder and Roby and its chief distinction is a large rural consolidated school. They play football for keeps up there too, and won a championship in another district last year.

The game at Hobbs Friday night is scheduled to start at 7:30, a half earlier than the usual starting time. The best route seems to be through Snyder.

### Stanton 40 Loraine 13

In another 6-B conference game last week Loraine was defeated at Stanton 40 13.

Stanton plays in Bronte Friday of this week.

C. L. McDonald has plenty of minnows at C. E. McDonald residence.

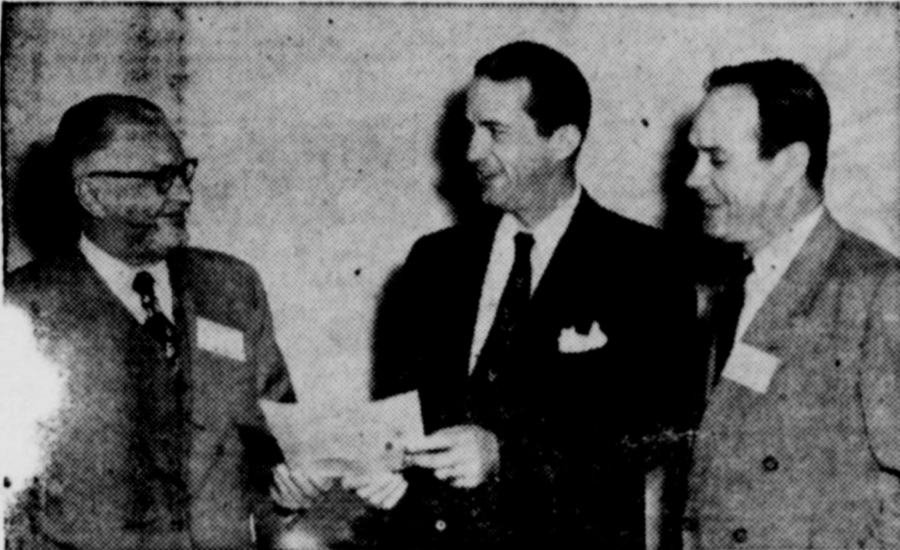

## Notes From The Oil Field

Lion Oil Co. No. 1 Waldrop, wildcat near Hayrick nine miles northeast of Robert Lee, had penetrated the Ellenburger 150 feet with a total depth Thursday morning at 6 598 feet. Operators were considering a drillstem test when a break in the formation was reported by drillers.

Union Oil Co. of California No. 4-B Daisy McCutchen was drilling Thursday below 2,600 feet after spudding in a week ago. Union has brought in three producers in the new McCutchen Cisco sand field five miles east of Robert Lee.

Humble No. 1 E. H. Schuch, slated Ellenburger wildcat on the Divide 13 miles south of Robert Lee made two tests of the Palo Pinto this week in depths from 5,334 to 5,455 feet. Traces of gas and some oil shows were reported.

## Governor Proclaims OIL PROGRESS WEEK

Oil Progress Week, October 15 through October 21, again was designated an official Texas occasion when Governor Allan Shivers delivered a signed proclamation of the event to Madison Farnsworth, Texas Chairman of the Oil Industry Information Committee. Looking on is Admiral H. B. Miller, Information Director of the American Petroleum Institute.

## Two Resign From Hospital Staff

Resignations of two Coke County Memorial Hospital executives were effective the first of the week. Resigning from their positions were C. S. Haselden, administrator, and Mrs. Melrose Murtishaw, head nurse.

It is understood the couple plan to be married. The hospital board adopted a resolution when the institution first opened which does not permit two members of a family to be employed. Rather than bring embarrassment to board members, Haselden and Mrs. Murtishaw chose to resign.

Mrs. Harry Schilling, registered nurse, is heading the nursing staff temporarily, and Mrs. J. C. Strickland is serving as manager. She has Mrs. Marcus Turner as a part time assistant.

## Coke County Hospital News

- Oct. 6—Paul Isbell admitted.
- Oct. 7—Floyd Sheppard, Eunice McLure admitted. Mrs. W. K. Simpson deceased at 11:50 p. m.
- Oct. 8—Tom Schooler admitted. J. F. McCabe, Paul Isbell dismissed.
- Oct. 9—Eunice McLure, Mayme Smith, Palmer Leeper dismissed.

Mrs. Darrell Spicer of Big Lake visited the last of the week with her mother, Mrs. Lloyd Phelan. She was formerly Dorothy Arnold.

## Vacancy Exists In School Tax Office

Robert Lee Independent school district has been without a tax collector since the first of the month.

Mrs. Mattie Bell Campbell, who succeeded the late John L. Ross in the position, asked for more wages and her employment was terminated by the school board at its meeting Oct. 2.

Mrs. Campbell says she completed the new tax rolls and had mailed out notices and written receipts. She later offered to continue in the office the remainder of the year for the 2% collection fee which has been paid in the past. Her offer was not accepted and the tax office has been closed the past two weeks.

Frank McCabe, school board president, told The Observer yesterday that the job would be given to H. S. (Major) Lewis if he still wanted it.

## Sun Sponsors Program

H. D. Smith, area superintendent for Sun Oil Co. at Silver, announces his company will sponsor an Oil Progress Week program next Monday night, Oct. 16, at the Junior High School Auditorium in Colorado City. There will be brief speeches, followed by movies pertaining to Oil Progress. Refreshments will be served.

## CARD OF THANKS

To our Friends and Neighbors: We deeply appreciate the many kind acts, your sympathy and floral offerings in our bereavement caused by the loss of our beloved husband, son and brother.—Mrs. Una K. Hale, Geo. W. Hale and Family.

## Wedding Postponed

The Womanless Wedding scheduled at the high school Saturday night has been postponed until next Tuesday night, Oct. 17. A strenuous week of exams and football drills made the postponement advisable.

## Programs to Mark United Nations Day

Tuesday, Oct. 24, has been designated as United Nations Day and the occasion will be observed with special programs in Coke County.

County Agent Travis Hicks says the Womens Home Demonstration clubs are making four UN flags which are to be given to the three schools of the county and the County Commissioners Court.

School programs will be held as follows: Bronte 10 a. m., Silver 1 p. m., Robert Lee 3 p. m.

A county-wide program for the public is to take place at the court house square. At a meeting of the Lions club Thursday noon at Hattie Day's dining room a program committee was named to include J. Sid Ferrell, T. W. Farris and A. J. Kirkpatrick.

## Cragins Visit New York

Mr. and Mrs. Sumner Cragin arrived home Wednesday night from a week's visit in New York City. They made the trip by air, traveling from Dallas to New York on American's 5 1-2 hour non-stop flight. In the metropolis the Cragins were guests of Mr. and Mrs. Harry Day. The ladies are sisters. The Robert Lee couple witnessed the Friday world's series game which the Yankees won 3 to 2. They also were privileged to attend two of the great stage plays, South Pacific and Mister Roberts.

Mr. and Mrs. Jack Duncan and son, Jerald, will return the first of next week to their farm near Flora Vista, New Mex., after spending the summer in Robert Lee. They leased out their irrigated place this season but will operate it themselves next year.

## Four Coke Youths Inducted This Week

Four young men from Coke county reported for active duty Thursday as inductees into the armed forces. They were Cecil Smith and J. D. (Curly) Adkins of Robert Lee, Lafayette Prine of Sanco and Loy Wrinkle of Bronte. They were included in a group of 22 from local Service Board No. 118 comprising Tom Green, Coke and Irion counties.

The men were scheduled to report at the post office building in San Angelo Thursday morning. It is not known where they will be sent for training.

Cecil Smith, son of Mr. and Mrs. Hugh Smith, recently sold out his grocery store here. Curley Adkins is a son of Mr. and Mrs. Dave Adkins and has been employed by H & L Truck Co. He previously served part of an enlistment in the Coast Guard.

## District Court To Open Monday

The October term of District Court for Coke county opens next Monday with Judge John F. Sutton presiding.

Grand jurors have been notified to report Monday at 10 a. m. while the petit jury panel will not be called until Oct. 23.

The list of grand jurors follows: J. B. Leddy, Johnnie Ruth, H. H. Jameson, Ralph Garvin, F. C. Clark, B. W. Waldrop, Mack Powell, R. H. Sims.

Also Marvin Corley, Carl Hurlley, Edward Rawlings, Bailey Russell, Ray Ledbetter, Cumbie Ivey, J. I. Williams and Bud Maxwell.

Mr. and Mrs. Lee Littleton of Eastland visited here recently with their old friends, Mr. and Mrs. C. E. McDonald. The men were boyhood neighbors near Eastland.

## Homer Jameson 7 Flows 154 Barrels For Official Test

Sun Homer Jameson No. 7 at Silver was fined the past week for a daily flow of 154 47 barrels of oil. The official test was through a quarter inch choke.

The well was completed naturally in open hole bottomed at 6,494 feet. Tubing pressure was 350 pounds and casing pressure 725 pounds. Gas-oil ratio 1,883-1.

Ray-Harris Drilling Co. was the contractor and their rotary rig has moved to R. W. Walker No. 3 for a workover job. It will be converted into a gas injection well.

Sun No. 6 C. E. Mathers, southwest of Silver, was running tubing Thursday after reaching a total depth of 6,414 feet. As soon as the Baker & Taylor drilling equipment is released it will move to Sun No. 4 J. B. Walker, which is also to be worked over as a gas injection well.

## Cummings 9 Fails

In the Millican field west of Edith Sun No. 9 Annie L. Cummings was plugged and abandoned at 7 240 feet after drilling 20 feet into the Ellenburger. There were no oil shows in the reef or at any other depth.

Paul F. Rutledge had the contract and his rotary rig moved to Sun A-2 Foster Sims Price in the southwest corner of Section 151. Drilling started Tuesday. It is 1,320 feet west of Price A-1 which was drilling yesterday at 5,339 feet in shale and sand.

Sun No. 1 Eunice Paramore, wildcat in southwestern Nolan county, was drilling in shale and sand at 5,530 feet.

## Sun Stakes Wildcat

Sun Oil Co. has staked another Coke county wildcat, about 12 miles northwest of Robert Lee. Empire Drilling Co. has the contract.

Projected to 7,350 feet with rotary, Sun No. 1. R. H. Hart's estate will be 660 feet from the south and east lines of Winfield Scott survey 10.

It will be 1 1-2 miles south of the most southern well in the Lygay field on the upper end of the Harris Ranch, and two miles north of the Millican field. It will also be about three-quarters of a mile southeast of A. G. Hill No. 8 Ralph Harris Estate, which has been staked for an early test.

## Births

Proud parents of their first child are Mr. and Mrs. J. W. Denman of Robert Lee. Their little son, Michael Wayne, was born at 8:44 a. m. Oct. 9 at Clinic hospital in San Angelo. The baby weighed 6 pounds, seven ounces. Grandparents are Mr. and Mrs. Roy Braswell and Mr. and Mrs. Guy Denman.

Mr. and Mrs. Jarvis Littlefield are parents of a son born at 11:30 p. m. Monday, Oct. 9, at Shannon hospital in San Angelo. The baby weighed 10 pounds and has been named Jimmy Delane. He has a brother, Jerry Dee, 16 months of age. Grandparents are Mrs. Maymie Littlefield and Mr. and Mrs. A. J. Bilbo.

Born to Sgt. and Mrs. James E. Rives on Oct. 6 at a hospital in Odessa a son named Stephen Edward, weighing 7 pounds 7 ounces. Grandparents are Mr. and Mrs. Pat Rives of Robert Lee and Mr. and Mrs. Tom Gatlin of Odessa. Sgt. Rives is stationed at Perrin AFB near Sherman, Texas.

## WEEKLY NEWS ANALYSIS

# Congress Overrides Truman Veto Of Tough Communist Control Bill; United Nations Forces Take Seoul

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

The race of U.N. forces from the Inchon and Pusan areas to cut South Korea into two sections and isolate thousands of Communist troops in the south went forward at such a clip correspondents were unable to keep up with the advance. The two spearheads made a junction north of Taejon, trapping about 100,000 Communist troops in southwestern Korea. Arrows indicate the directions the converging advances took.

## KOREA:

### Three Bloody Months

After three bloody months the war in Korea appeared near the end with the capture of Seoul, 500-year-old Korean capital, and the junction of U. N. troops from the Inchon and Pusan beachheads.

The war seemed to be in the last of three stages. The first began with the invasion of Communists troops and their capture of Seoul and the general retreat of American and South Korean troops to the narrow beachhead at Pusan.

The second was that period when U. N. forces maintained their beachhead while troops and weapons for an offensive were being built up in Japan and near Pusan.

The third and final stage began with the Inchon invasion and a general attack from the north and south to isolate the invaders below the 38th parallel and thus destroy them.

The breakout from the Pusan beachhead came suddenly and in force. Troops landed at Inchon captured Seoul and headed south. The two forces were within a few miles of each other at last reports and thousands of Communists were doomed to isolation and destruction in the final phase of stage three.

Military commanders were quick to report that bloody fighting would go on for some time as mopping up operations continued. They expected guerilla warfare in the mountains for a long time since many Communist units were expected to resist to the death.

One important question remained unanswered. Will U.N. troops cross the 38th parallel into North Korea?

## NOBEL PRIZE:

### To American Negro

Dr. Ralph Bunche, U.N. mediator who brought an end to conflict in the Holy Land, was awarded the Nobel peace prize for 1950.

Dr. Bunche, grandson of an American Negro slave, is the first of his race to receive the peace prize. It will be presented to him December 10. He will receive \$23,000 and a gold medal.

A member of the U.S. state department, Dr. Bunche was loaned to the United Nations in 1946. He succeeded Count Folke Bernadotte of Sweden as the U.N. mediator in Palestine after Bernadotte was assassinated in 1948, effected an armistice and ended the bitter clash between Jews and Arabs.

When informed of the award, he paid tribute to his predecessor for laying the essential foundations of the Palestine agreements.

"At this moment, I cannot forget that Count Bernadotte and 10 other members of our team gave their lives in the effort to restore peace to Palestine," he said.

Dr. Bunche is the eleventh American to win the peace prize. Others were President Theodore Roosevelt, Elihu Root, Woodrow Wilson, Charles G. Dawes, Frank B. Kellogg, Dr. Nicholas Murray Butler, Jane Addams, Cordell Hull, John R. Mott, and Emily G. Balch.

## Headliners

"Let us not, in cowering and foolish fear, throw away the ideals which are the fundamental basis for our free society," President Truman said in his 5,500-word message roundly denouncing the Communist control bill.

"I don't think there is going to be any war, but I think there will be many occasions of great anxiety until the East-West impasse is broken," Dr. Ralph J. Bunche, winner of the Nobel peace prize, said in an interview.

"We have a word in Russian which you should know. It is 'nichevo'. It means 'don't worry—things will turn out all right,'" Jacob Malik told delegates while chatting with western delegates in the security council lounge. Did he mean all right for the Russians or for world peace? Diplomats wondered.

## CONGRESS:

### Home for Elections

The 81st congress which will be praised and condemned, according to individual political views, came to a dramatic pause with a filibuster and a vote to override a presidential veto. The congress will reconvene November 27.

The filibuster was unique in that both supporters and opponents of the tough Communist control bill, the issue in question, participated in it.

First, six senators teamed up to filibuster for 19½ hours against the bill in the hope that popular opinion and last-minute presidential appeals might tip the scales in the administration's favor.

Then, when the six finally gave up, supporters of the bill continued to talk until several advocates, including Sen. Robert Taft of Ohio could arrive for the final vote.

Among its sweeping provision, the bill requires the registration of Communists and Communist-front organizations, authorizes the mass roundup of suspected subversives in time of war or national emergency and provides stiffer penalties for espionage and sabotage.

President Truman said he vetoed the measure because:

- (1) Aid potential enemies by requiring publication of a complete list of defense plants.
- (2) Require the justice department and the FBI to waste "immense amounts of time and energy attempting to carry out its unworkable registration provisions."
- (3) Deprive the U.S. of "great assistance of many aliens in intelligence matters."
- (4) Antagonize friendly governments.
- (5) Put the U.S. in the "thought control" business by regulating subversive literature and propaganda.
- (6) Make it easier, instead of harder, for subversive aliens to become naturalized American citizens.
- (7) Give federal officials vast powers to harass citizens in the exercise of their right of free speech.

## Coke 4-H Turkeys Exhibited at State Fair

Although Coke County 4-H turkey exhibitors failed to carry off top honors, they made an excellent showing at the State Fair the past week.

County Agent Hicks says only 15 head were sifted out of the entire lot of 120 birds entered in the big turkey show. Each exhibitor entered pens of five toms and five hens.

The exhibitors were Marlene Arrott, Douglas and Frederick Ashworth, Anniece Gartman, Jim Cox, Tommy Hood, Robert Lewis Jay, Norman Roberts, Morgan and Byron Russell and Milburn and Kenneth Wink.

Most of the turkeys were hauled by LeDrew Arrott, while Mr. Hicks was also assisted by Carroll Russell and L. E. Wink. The 4-H group were housed in dormitories at the fair grounds Friday and Saturday nights.

Mr. Hicks will give a complete report next week on sales of the

turkeys. The fifteen birds sifted out brought 30c per pound.

### Students at HSU

ABILENE—Two students from Robert Lee are among the 1950 students who are enrolled this fall at Hardin-Simmons university. They are Paula D. Harvey and Joy Millican.

Opening classes began September 15 and will continue through January 26. University officials report a decrease in veterans, but an increase in non-veteran students.

Miss Harvey, daughter of Mr. and Mrs. John D. Harvey, is a freshman, Miss Millican, daughter of Mr. and Mrs. W. M. Millican, is a junior.

Mrs. Prudie Creech visited relatives and friends in Robert Lee the first of last week. She has just returned from an extended visit with relatives in California and is now back at her home at 517 Cottonwood St., San Angelo.

Mr. and Mrs. C. H. Gibbins and daughter, Beverly, of Clyde were here for a weekend visit with Mr. and Mrs. J. I. Murtishaw and other relatives.

## Illness Claims Carroll Hale, 48

J. C. (Shorty) Hale, 48, well known Robert Lee resident, died at 10:30 last Thursday night at Shannon hospital. He had undergone treatment there the previous two weeks for a heart ailment.

Funeral services were held at 2 o'clock Sunday afternoon from Johnson's funeral chapel in San Angelo. The Rev. Taylor Henley officiated. Graveside rites and burial took place at 4 p. m. at the Robert Lee cemetery.

John Carroll Hale was born Dec. 13, 1902, near Barksdale, Edwards county, Texas. He was a son of Mr. and Mrs. Geo. W. Hale. In 1915 the family moved to Taylor county and located in Robert Lee in 1923.

Carroll started working for himself at the age of 18 and opened a cleaning and pressing establishment in Abilene. He followed the same business in California for a time and also had a shop in Robert Lee.

He married Holly Halbert of Robert Lee and they were parents of five children. In 1942 they moved to California. He and his wife were divorced a few years ago and he later married Mrs. Una Crisman, former resident of Abilene.

Shorty operated a service station in San Angelo the past year and recently had lived in Robert Lee. He suffered a severe heart spell a year ago last February, but seemed to have recovered.

Surviving are his father, Geo. W. Hale, of Robert Lee; his wife, Una; five children, Everett, of Baytown, Texas, and Della Ruth, Lena Beth,

Barbara and Johnny, of Bellflower, Calif.

He is also survived by six sisters, Mrs. Winnie Dickinson, Albuquerque, New Mex.; Mrs. Joy (Rebecca) Blalock, Baytown, Texas; Mrs. Joe (Billie) Bulkeley, Red Bluff, Calif.; Mrs. Tom (Irma) Carson, Compton, Calif.; Mrs. Arden (Hazel) Kellogg, Sante Fe, New Mex.; and Mrs. Jean Payne of Fresno, Calif.; and two brothers, C. M. Hale of Torrance, Calif.,

and Joe Hale of Ft. Sumner, New Mex.

### Church Service

Bro. T. R. Chappell of Sonora will preach at the North Side Church of Christ next Sunday afternoon at 3 o'clock. The public has a special invitation to attend the service.

Mrs. Della Freeman of Talpa was a guest this week in the home of her sister, Mrs. H. S. Lewis, Sr.

Over the years, behind our counters, we've sold many kinds of accepted medicines and we've filled thousands of prescriptions for people of this community. We've helped measure out a lot of medical progress. We've seen new treatments and new drugs turn illness into health, despair into hope.

**This progress is more than statistics—it's people! And the people we know don't want it tampered with**

Free America has no place for a bureaucracy that stands between people and progress, between doctor and patient, between physician and pharmacist.

## Funeral Rites For Mrs. W.K. Simpson

Mrs. W. K. Simpson, 81, highly respected resident who had lived in Robert Lee for nearly a half century, died at 11:45 last Saturday night at the Coke County Memorial Hospital. She had been in failing health for some time and a hospital patient the past three weeks.

Funeral services were held from the Robert Lee Methodist church Monday afternoon. The Rev. Ray Lee, pastor, officiated.

He was assisted by the Rev. Ross Welch of McCamey, former Robert Lee minister and long time friend of the Simpson family. Also the Rev. J. D. McWhorter, retired Methodist minister, and the Rev. Ernest Stewart, pastor of the Robert Lee Baptist church.

Burial was in the family plot at Robert Lee cemetery. Pallbearers were Emory Davis, Fred McDonald, Jr., Hubert Buchanan, Chism Brown, Freeman Clark, Frank McCabe, Bailey Russell and Carroll Russell.

Cora Viola Bellenger, daughter of Mr. and Mrs. Chalmers Bellenger, was born in Pittsboro, Miss., Sept. 5, 1869, and came to Texas with her parents in early childhood.

She married the Rev. W. K. Simpson on Dec 17, 1890. They moved to Robert Lee in November 1901 when he was appointed pastor of the Robert Lee four point circuit of the Methodist Church.

During their period of service with the local church the Rev. Simpson and his wife organized

the first Missionary Society, and Circle No. 1 of the Women's Society of Christian Service is named in her honor.

A number of years later the Rev. Simpson was superannuated because of ill health, but the family continued to make Robert Lee their home.

Mrs. Simpson was the second worthy matron of the Robert Lee chapter Order of Eastern Star. In the OES grand chapter of Texas she was once appointed as representative to the District of Columbia.

Mrs. Simpson was the first president of the Robert Lee Mothers club, forerunner of the Parent-Teacher association. She was a charter member of El Valle Garden club and was active in numerous other civic organizations.

Survivors include two daughters, Mrs. R. C. (Lena) Russell and Mrs. W. B. (Ruth) Clift, and a son, Marvin Simpson, all of Robert Lee; a step-daughter, Mrs. W. E. Hunt of Dallas, and two stepsons, Mark Simpson of Eureka Springs, Ark., and Will Simpson of El Paso. All were present for the funeral service.

Also surviving are a sister, Mrs. V. Dugan of Weatherford, a brother, B. F. Bellenger of Redlands, Calif., 10 grandchildren and seven great grandchildren.

### Dr. Eaton Very Ill

Dr. J. K. Griffith received word this week that Dr. C. E. Eaton, former Robert Lee physician, was critically ill at Scott & White hospital in Temple. Dr. Eaton practiced here for a time over 20 years ago and was a partner with Dr. Griffith. He later moved to Fort Davis. Dr. Eaton has been ill since last April.

## Steers Win From Angelo Kittens By Score of 28-13

Robert Lee Steers defeated the San Angelo Kittens (high school B team) here last Friday night by a score of 28-13.

A big crowd turned out to witness the hard fought gridiron battle which was marked by sensational plays, several costly fumbles and numerous penalties.

After taking the opening kickoff Robert Lee drove to the Kitten 30 yard line and lost the ball on a fumble. The visitors failed to gain and were set back by a 15-yard penalty. They punted out to their 49.

A lateral from Bobby Hood to Donald Hamilton was good for a first down on the Angelo 32. A short time later Donnie Duncan got through left tackle and planted the ball on the 2 yard line. Hamilton plunged over for a touchdown and Donald Mauldin converted on a line play. Score: Robert Lee 7, Kittens 0.

An exchange of punts late in the first quarter gave San Angelo the ball on their 42. They failed to gain and punted but a Robert Lee player fumbled, and the Kittens took possession on the Steer 27. Two completed passes carried to the 5 yard line and a 2 yard penalty on Robert Lee put the ball on the 1 yard line.

Mike Terrazas carried over for a touchdown, but the play was called back and the Kittens suffered a 15 yard penalty. Each side was assessed penalties during this series and the Kittens were pushed back to their 34. They punted out of bounds on the Robert Lee 8.

Duncan spotted a pass to Hamilton for a 1st down on the 26, and then completed a toss to Norman Roberts to the Kitten 46. Mauldin hit the line for 5 yards and on the next play the Kittens recovered a fumble on their 46.

Three pass attempts failed but a 15 yard penalty gave the visitors a 1st down on the Steer 38. Three well executed forward passes gave the Kittens a touchdown, but their conversion kick was no good. The score at the half was Robert Lee 7, San Angelo Kittens 6.

Robert Lee kicked off and the Kittens took the ball on their 35. Copey Davis intercepted a pass on the 40. Hood and Hamilton each hit the line for short gains. Duncan connected with a pass to Bud Austin who ran for a touchdown. Hamilton converted on a delayed line buck. Score: Robert Lee 14, Kittens 6.

San Angelo took the kickoff on their 34. Two aeriels failed, then Jim Klatterbuck tossed to Bates for a 1st down on the Steer 40. A penalty pushed the Kittens back but Bobby Bunyard got through the center of the line and carried to the Steer 22 for a 1st down.

A line play netted 6 yards and two passes failed. Robert Lee was penalized 5 yards, giving the Kittens a first down on the 11. On the third play Clatterbuck cracked over center to score. A placekick converted the extra point. Score: Robert Lee 14, Kittens 13.

Hood returned the kickoff 25 yards to his 30. A 15 yard holding penalty pushed the Steers back to their 12. Hood fumbled a handoff and San Angelo recovered on the Robert Lee 12.

The Kittens picked up 5 yards through the line. They were penalized 15 yards for holding and lost 5 on a fumble. Two pass

attempts failed and the Steers took the ball on their 28.

Duncan completed a pass to Roberts for a 1st down on the Kitten 48. Hamilton crashed over tackle for 5 yards and Mauldin went off left tackle for 20 yards and a 1st down on the Kitten 22. Hamilton went around end for 9 yards and Duncan got thru center for 10 more. The last play was called back because the Steers were off side.

As the final period opened Hamilton went through center for a 1st down on the 7. On the third play Duncan went to the 4 and Hood sliced through center to score. Duncan carried the ball over to convert. Score: Robert Lee 21, Kittens 13.

Clatterbuck downed the kickoff on his 42. Ronnie Baker intercepted a pass and ran to the Kitten 25. Hood gained 9 yards through center, and Duncan circled end for a 1st down on the 14.

Baker and Hamilton each picked up a couple of yards. Duncan went off right tackle and ran over the goal. The play did not count because of a 15 yard clipping penalty on the Steers. After failing to hit Hamilton with a pass Duncan went around his left end and ran for a touchdown. Hamilton plunged through to convert. Score: Robert Lee 28, Kittens 13.

The Kittens were unable to make their yardage and punted to the Robert Lee 21. Hamilton hit left guard for 2 yards and Roberts came around right end for a 1st down on his 33. Hamilton took a lateral for a 1st down on the 44.

The Kitten defense held and Robert Lee punted to San Angelo's 35. Bobby Fields carried to his 47 for a 1st down. Two line plays

picked up good yardage and a 1st down on the Steer 28. Baker intercepted a pass on his 22 yard line as the game ended.

First downs and penalties were about even. Some spectators said it was one of the best high school games they ever witnessed. The Kittens had a deceptive aerial offense and were continually threatening.

One thing certain is that the corps of four officials had their hands full—and they did an excellent job. Geo. L. Taylor, former Robert Lee school superintendent, served as umpire.

## United Nations Flag Program

College Station, October 12—Thousands of modern Betsy Rosses are taking their needles in hand and making United Nations flags in preparation for celebrating United Nations Day on October 24.

The goal of this flag-making program is to have a United Nations flag displayed alongside the Stars and Stripes in every rural and city community in the United States on October 24.

Mrs. Franklin D. Roosevelt is chairman of a National Citizens' Committee which is sponsoring the

program, and many city, farm, church, educational, patriotic, labor, and other organizations are represented on the committee, giving a true representation of the United States.

The Cooperative Extension Service of the U. S. Department of Agriculture has been given the responsibility of leading the program.

Maurine Hearn, state program leader for the Texas A & M. Extension Service, reports that plans for the celebration on October 24 are taking shape throughout the state.

For 50 cents each, kits containing patterns and directions for making the flags can be purchased

from the National Committee on Boys and Girls Club Work, 59 East Van Buren Street, Chicago 5, Illinois.

One flag pattern kit was sent to each home demonstration agent in Texas in order that she might hold a demonstration for training leaders in making the United Nations flag. The first flag made in each county is being used for educational and publicity purposes.

The United Nations flag has a deep sky blue field with a white outline of the world within a laurel wreath in the center. Miss Hearn says that any standard type of cloth may be used in making

the flag, and the shade of blue does not have to be matched too closely. Patterns in the kits are designed for making flags three by five feet in size.

Miss Hearn says that purpose of the program is to emphasize the hope for peace for which the United Nations flag stands, and to make the people in every community familiar with the flag.

ANPA judges in their twelfth annual advertising review selected only 50 campaigns dealing with all types of merchandise. # Who Runs America?

**OR YOU AND THE MAN NEXT DOOR?**

**RUNNING AMERICA** is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

**IN MUCH OF THE WORLD** today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

**FREEDOM COMES UNDER ATTACK.** The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

**THE PEOPLE WEIGH THE FACTS.** In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

**THE "GRASS ROOTS" SIGNALS CONGRESS.** In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of Women's Clubs  
American Farm Bureau Federation  
National Grange  
Veterans of Foreign Wars  
National Conference of Catholic Charities  
American Protestant Hospital Association

American Legion  
National Association of Small Business Men  
United States Chamber of Commerce  
National Association of Retail Grocers  
National Retail Dry Goods Association  
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proud security of a free and self-reliant people!

## THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

### Plant Starvation Lowers Corn Yield Lack of Phosphate May Be Factor in Failure

By checking signs of plant food starvation on the corn you harvested this fall, you can take steps to increase yields next year.

For example, if the corn in your crib has a lot of ears like those in the accompanying illustration, the crop was starved for phosphate. The reason for this was that part of the silks came out too late to catch any pollen. The kernels were not fertilized and so failed to fill out. The unfilled rows or parts of rows make the ears lopsided and curled.

Crop starved for phosphate is illustrated by ears above. Ears are twisted and whole rows of kernels failed to fill.

You can add phosphate to the soil next spring through the use of fertilizer carrying this plant nutrient. But well-nourished corn needs other elements besides phosphate. It needs nitrogen and potash, too. So the surest way to keep your corn healthy and well fed and to get high yields per acre, is to give your soil a balanced supply of plant foods carrying all three major elements—nitrogen, phosphate and potash.

Good soil tilth is another essential for getting high corn yields. You can build tilth and put the soil in prime condition for growing corn, alfalfa and sweet clover, mellow the soil, loosen tight compactions below the plow layer and make the soil more porous so water and air can get in.

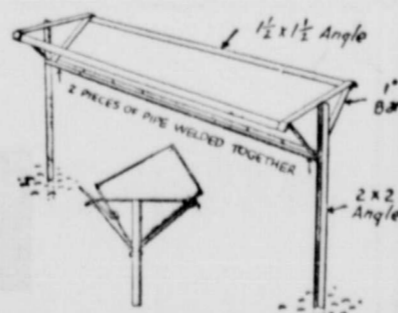

### USDA Recommends DDT For Termite Control

The U. S. department of agriculture has come up with the answer for one of the farmers' serious problems—termites.

The USDA says a single treatment of DDT will prevent termites from attacking woodwork for at least five years and anyone can apply the treatment. Here's the mixture to use: 5 per cent DDT in No. 2 fuel oil. It will give wooden structures complete protection from termites.

Entomologists suggest digging a trench along the building's foundation—about 30 inches deep and about the width of a spade. Then the earth should be saturated at the bottom with the DDT preparation. The soil which is used to fill up the trench also should be saturated. Apply the treatment at the rate of one quart per cubic foot of soil.

### Milk Pail Rack

This stand is welded from angle iron and pipe. The bottom support shown here is made from two pieces of 3/4" pipe welded together with a slight space between them. This permits water to drain off. The stand can be mounted directly in the earth or it can be grouted in cement.

### Now She Shops "Cash and Carry"

Without Painful Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of sagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

### WHEN SLEEP WON'T COME AND YOU FEEL GLUM

Use Chewing-Gum Laxative—REMOVES WASTE... NOT GOOD FOOD

• When you can't sleep—feel just awful because you need a laxative—do as MILLIONS do—chew FEEN-A-MINT.

FEEN-A-MINT is wonderfully different! Doctors say many other laxatives start their "flushing" action too soon... right in the stomach. Large doses of such laxatives upset digestion, flush away nourishing food you need for health and energy you feel weak, worn out.

But gentle FEEN-A-MINT, taken as recommended, works chiefly in the lower bowel where it removes only waste, not good food! You avoid that weak, tired feeling. Use FEEN-A-MINT and feel fine, full of life! 25c, 50c, or only 10¢

## The STEERING WHEEL

(By Don Fields)

Well, again the Steers have added a victory to their score card. The team licked the San Angelo Kittens 28-13 last Thursday night. Tonight we journey to Hobbs, our first conference game.

Some people believe that our boys have a good chance to become district champs and with four undefeated games the possibility seems even more so. We can hope anyway.

The F.F.A. boys and the Home Economics girls went to Dallas to the Fair last Friday and came back Sunday. Monday was certainly blue for them. They said they had a good time and saw some interesting things.

The moans and groans have been frequent this week. It was test week. We have only thirty more weeks to go. Joy!

"To be, or not to be" is the question the Senior boys are trying to decide. Their play, a Womanless Wedding, is coming up tomorrow night, October 14. It is a scream. Take it from me, I know. A list of the characters are:

Tiny Oats, the bride, Allen Sparks  
J. Flivver on Barley, the groom, Roy Clawson  
Inquisitive Neighbor, J.A. Brown  
Jilted Sweetheart, Don Fields  
Mrs. Wheahearts, aunt of the bride, Bobby Hood  
Henpecked Uncle, Bobby Odom  
Grandmother of the bride, Jerome Sheppard  
Grandfather of the bride, Waymond Davis

A guest, Ronnie Baker  
Official splicer, Donald Hamilton  
Songster, Tommy Kirkpatrick  
Father of the bride, Charles McDaniel

Mother of the bride, Elwood Snyder

Baby sister, Jiggs Lofton  
The Nurse, Ted Cox  
The Bridesmaid, Dennis Reed  
The Time—7:30 P. M. Saturday Night, October 14, 1950

The Place—Robert Lee High School Auditorium  
The Price—25c for adults and 15c for children

There will be a box supper following the play. Let's all come and help the Seniors get enough money to go on a senior trip.

Jiggs: Here it is.

Ham: Well, can you beat that? I've forgotten my cigarettes.

Jiggs: That's too bad. Give me back my match.

Tommy: And this, I suppose, is one of those hideous Caricatures you call modern art.

Don: Nope, that's just a mirror.

## Senator LeBlanc Says South Has Great Industrial Future

Now Is the Time to Start Getting Somewhere, Says HADACOL Owner

Lafayette, La. (Sp.)—Senator Dudley J. LeBlanc, colorful owner of HADACOL, wants the South to sell its advantages to the nation just as he is selling HADACOL to the rest of the country.

The Senator spoke to about 500,000 people on his recent half million dollar good-will tour of 10 southern states. His theme was the fallacy of the South producing raw products, shipping them north for processing and then paying freight to bring the finished product back home.

The Senator pulled his handkerchief out of his pocket, waving it to crowds that ranged from 25,000 to 60,000. "This handkerchief was made from cotton grown in the South," he said. "The cotton was shipped to Massachusetts and made into this finished product. Then we in the South paid the freight on it back home where we grew the cotton.

"That mill in Massachusetts furnished employment to folks up there and paid taxes that created schools and improved their economy. Why couldn't those northern folks move factories down here and give employments to our folks? I tell you, they would if we sell them the wonderful advantages of the South just as we are selling HADACOL to the rest of the nation."

Senator LeBlanc is spending a great deal of money on colored sound pictures of the HADACOL Good Will Show to display the advantages of southern industry. He plans to show these in theaters. He is also preparing an elaborate booklet to distribute throughout the north.

Senator Dudley J. LeBlanc

"I feel that when a firm has become as large as HADACOL that it owes it to its people to do more than sell just itself," said Senator LeBlanc.

Senator LeBlanc presented Mickey Rooney, Burns and Allen, Carmen Mirandi, Connee Boswell, Roy Acuff, Ernest Tubb, Minnie Pearl, Sharkey and His Dixieland Band, Frakson the Magician, and Marie Germain LeBlanc.

HADACOL is now selling at the rate of more than \$2,000,000 per month and the Senator is planning to increase sales to \$50,000,000 yearly if he can obtain enough raw materials.

SCRIPTURE: Psalm 19:7-11; Acts 8: 26-39; II Timothy 3:14-17  
DEVOTIONAL READING: Luke 24: 26-32

**Using Your Bible**

Lesson for October 15, 1950

THE BIBLE must be approached in three ways: with the head, with the heart and with the will. With the head for understanding, the heart for appreciation and reverence, and the will for obedience. That was the first question Philip asked the Ethiopian: Do you understand what you are reading? Not, do you enjoy it, or do you believe it, but do you understand it? If not, then the reader can neither fully believe nor rightly enjoy it.

Dr. Foreman

**The King James Version**

THE BEST and simplest help in understanding the Bible is to read it in the language we speak. Now unfortunately it was not written in that tongue, but in Hebrew and Greek. We have to read it in translations. There are scores of translations in English alone. The most widely sold of these is the one known by various names: the King James, or the Authorized, or the 1611, version. This was first published in 1611, being essentially a revision of the Bishop's Bible, a still earlier translation. The name "authorized" is misleading, however, for it never was authorized by church or state. It is a noble example of 17th century English and has had a wide influence wherever English-speaking people have gone.

The fact is, however, that people today do not speak 17th-century English any more, and very few of us even read it. Consequently the Bible, in this King James version, has a quaint Shakespearian sound, and the difficulty of the language is one of the main reasons why the average American today finds it hard to read.

**20th Century Translations**

THESE modern-English translations of the Bible haven't changed the Book; they are simply helping the reader to get back to the ideas of the original apostles and prophets; they are putting the Bible again into the language people actually speak.

Some of the more important versions may be noted here. Practically all the churches of Protestant North America have been co-operating through the International Council of Religious Education, in producing what is called the "Revised Standard Version" of which the New Testament is already out, and very popular too. The whole Bible in this version is due to be off the press by September 1952.

This is an excellent version for church or liturgical use, as it keeps close to the King James rhythm wherever it can; for the King James version, whatever its fault, has a rhythm about parts of it (notably the Psalms) which has never been surpassed.

**At One Sitting**

THE average reader, used to taking his Bible in snippets of a verse or two, or a chapter at most, at one time, will find that he can sit down with one of these modern translations and just read on and on, fascinated by the book he has discovered for the first time.

One of the "hardest" yet most important parts of the Bible, for instance, is the Epistles section of the New Testament. Every one of these epistles is a short letter, but how few persons ever read one straight through! Let the reader who is puzzled by the Epistles get a copy of "Letters to Young Churches," a translation by J. B. Phillips, and he will find that dark part of the New Testament simply opening up and shining.

The work of translating will go on and on as long as language keeps changing; let us thank God for all those who in our time have been making the Word of God again an open book for all men.

(Copyright by the International Council of Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

For general or unidentified stains in the sink, put the stopper in the drain and fill the sink at bedtime with a mixture of vinegar and laundry bleach. In the morning pull the plug out and the chances are the stains will go

down the drain with the liquid. A handy rack for your kitchen towels can be made by tacking a pinch-type clothespin to the wall near the sink. Or, a small spring mousetrap.

When the nickel faucets in your sink become stained, polish them by rubbing with a soft cloth dipped in spirits of ammonia. Wash them off afterward with hot water and soap, and polish with a soft dry cloth.

when due to lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin in the system!

Mrs. John W. Geary, attractive and charming woman of 840 Ursuline Street, New Orleans, Louisiana: "I'd been sick quite some time and the doctors told me it was a nervous stomach. I couldn't eat regularly and lots of times I was unable to hold the food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want, and my nerves are fine." (Give HADACOL a chance to help you.)

Mrs. Hilton Shuff, a loving mother of Route 1, Box 42, Ville Platte, Louisiana: "My son Mark Wendell has been sick for some time. A lot of the time he couldn't hold anything on his stomach. He was very weak and pale. Then I started giving him HADACOL, and he improved in just a short time. He's gained weight and has more energy than a dozen wild Indians." (HADACOL is great for puny, nervous kiddies with easily upset stomachs due to lack of important Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin.)

Mrs. Alma Kincaid, 2125 E. Adelaide, St. Louis, Missouri: "I've been taking HADACOL for over a year. Before taking it, I had stomach distress for some time. Nothing seemed to help me. Then I took my husband's advice and took HADACOL. A good friend of his told him of the wonderful results he had from HADACOL. Now that I'm taking HADACOL I eat anything. I recommend HADACOL to all my friends." (A big improvement is often noticed within a few days.)

**WHY CONTINUE TO DOUBT**

These are just a few of thousands upon thousands of letters that constantly pour in telling of the wonderful results the great new HADACOL is giving. It's only a very foolish person who would continue to 'doubt' HADACOL'S effectiveness and continue to suffer in view of such overwhelming evidence.

**Relieves the Cause of Stomach Distress Due to Such Deficiencies**

So if you are suffering from stomach disturbance (gas pains, indigestion, heartburn), if the food you eat disagrees with you because your system is lacking Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin—don't delay—start taking HADACOL today. HADACOL is not a quick-acting antacid which gives symptomatic relief—instead, HADACOL actually relieves the REAL CAUSE of such stomach misery due to such

deficiencies. And continued use helps prevent such painful distress from coming back.

**Hundreds of Doctors Recommend It**  
Hundreds upon hundreds of doctors recommend HADACOL. It not only supplies weak, deficient systems with extra quantities of important Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin but also beneficial amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain glorious health and guard against such deficiency ailments. And so inexpensive. Costs only a small amount a day. Trial-size bottle, \$1.25. Large family or hospital size, \$3.50.  
If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, Louisiana. Send no money. Just your name and address on a penny post card. Pay postman. State whether you want the \$3.50 hospital economy size or \$1.25 trial size. Remember, money cheerfully refunded unless you are 100% satisfied.—Adv.

### Church-Scout Award For Robert Lewis Jay

Robert Lewis Jay, 14 year old Robert Lee youth, has been awarded a Gold Medal from the Protestant Committee on Scouting of New York City, for having achieved a high standard in church work required of Boy Scouts.

Presentation of the award was made by Elder J. C. Wallace at the Church of Christ on October 1st.

Robert Lewis is the 14-year-old son of Mr. and Mrs. Sam Jay. He is president of the Freshman class at Robert Lee high school and is on the football squad.

He is a First Class Scout and has 15 merit badges to his credit. He is also a den chief and patrol leader.

In the picture above Robert Lewis is wearing his Scout uniform, with the Protestant Committee medal on the left breast.

#### From Mrs. Schooler

#### SILVER NEWS

R. F. Gunn, camp head and cementer here for Halliburton, has been promoted to a testing field man in the West Texas district and will live in Hobbs, N. Mex. He left last Sunday to assume his new duties and expects to move his family the last of the week or as soon as a house is available in the camp.

Mr. Gunn has been with the Halliburton Co. since 1940, 4 1/2 years of that time being spent in the Coast Artillery in the last war. The Gunns were transferred here from Abilene in 1948. They have one child, Jane, 8 months old.

They recently returned from a two weeks' vacation in New Mexico and Oklahoma with relatives. While in Norman Oklahoma, they attended the O. U. and Boston College football game.

Mr. and Mrs. Carl Grubenman are at home after a two weeks vacation in Henderson with his parents and a trip to Galveston, Houston and other Texas points.

Arlene Beall of Wichita Falls left Tuesday after a visit here with her brother, G. K. Beall, and family.

Mrs. C. G. Walker was called to Big Spring last week because of the illness of her parents, Mr. and Mrs. C. A. Ballard.

J. H. Lynch of Paris is here visiting his son, Tom, and wife.

Mrs. M. L. Baker and son, Hank, have returned from a visit with the Gary Bakers in Premont and Mr. and Mrs. Gene Baker and children, at Sun Field.

Mr. and Mrs. Sam Savage of Denver City were Silver visitors over the weekend.

Mr. Ed Snowden, Mr. and Mrs. E. E. Snowden, Mrs. Thad Walls and Mrs. Arch Mathers and son Robert Doyle visited in the Russ Mathers home in San Angelo Tuesday. They report that Russ is improving. He received several broken ribs in a fall from a pecan tree on his ranch near Silver, last week.

She reports a most interesting stay in southeast Texas and enjoyed the wonderful Rose Festival at Tyler. Boyd Yarbrough and wife of Snyder motored down to Troup last week and brought his mother back to Robert Lee.

Mrs. Sam Powell assumed her duties as primary teacher in the Robert Lee schools on Wednesday of last week. She was unable to start the term because of illness and Mrs. Jeff Dean served as substitute.

Bobbie Hatley was successful in passing the examination for a state barber's license last week, and has accepted a position in the Raney barber shop at Bronte. Bobbie is the son of Mr. and Mrs. Ell Hatley.

Tennis Creighton of Bowie, Ariz., visited here Sunday with the Henry Briscoes and Otis and Fred Campbell homes. Mr. Creighton operates a ranch spread of more than 100 sections in the western state. He is a former resident of Sanco.

Mr. and Mrs. Sam Savage and his sister, Miss Lula Savage, were back from Lovington, New Mex., several days last week visiting among friends and relatives. Sam says there has been too much rain in his country the past few weeks.

Mrs. Bernice Roe of San Marcos visited over the weekend with her parents, Mr. and Mrs. J. B. Cole, east of town. Her husband is stationed in the American forces in Japan.

Mr. and Mrs. Harry Anderson and little son, Tommy, of Leveland spent Sunday with Mrs. Anderson's parents, the Dave

Kings near Edith. Word was received after the Andersons went home that Tommy was pretty sick with bronchial pneumonia.
