Sun Mathers 26 Flows; Start 2nd Test On Stagner

Sun Mathers 266 southwest of Silver flowed naturally 27 barrels of oil and no water during a 7½-hour test. It topped the reef at 6,463 feet and drilled to a total depth of 6,493 feet.

Empire Drilling Co. had the contract and moved to Sun Mathers 27 where surface casing was being cemented Wednesday at 525 feet.

Sun Jameson Reef Unit 3-A on the R. S. Anderson lease was drilling in shale at 3,945 feet.

Sun J. B. Walker A-3 was at 2,553 feet in shale.

Sun Mathers A-8 was in shale and sand at 5,035 feet.

Sun Mathers A-9 was at 1,800 feet in shale.

Sun Mathers 24 was coring in sand at 5,921 feet.

Sun Jameson Reef Unit 16-H was running electrical survey to 6,656 feet, believed to be the top of the Caddo. It is on the east side of the road and the north edge of the Fred Jameson lease.

Sun Jameson Reef Unit 15-H drilled to a depth of 6,665 feet. A plug was set at 6,250 feet and operators may complete in the sand. It is on the east side of the field near the Fred Jameson ranch house.

MILLICAN FIELD

Sun Cummings 15 in the Millican field west of Edith was drilling Wednesday in shale at 3,143 feet.

Sun Cummings 16 was at 1,275 feet in redbeds.

START STAGNER NO. 2

Cox Drilling Co. is rigging up on Chester Hunter No. 2 E. E. Stagner, just outside the west edge of Sun's Jameson field at Silver.

Hunter's No. 1 Stagner, Strawn sand discovery in that area, has been completed for a daily flowing potential of 140.8 barrels of 47.8 gravity oil, no water, with gas-oil ratio of 1,101-1.

Production was through a ¼-inch tubing choke and perforations between 5,925-6,095 feet. Tubing pressure was 230 pounds, with packer on casing. The section was treated with 2,000 gallons of sanfrac.

DEATH OF J. C. DITMORE

Funeral services were held Saturday afternoon in the Cox Chapel at San Angelo for J. Carroll Ditmore, 76, an oldtime resident of the San Angelo area, who died Friday morning in Stephenville. He is survived by a son, Henry, and two daughters; and three brothers, V. G. Ditmore of Hico, Raymond Ditmore of Conroe, and Commissioner Claude Ditmore of Tennyson.

BUYS ARKANSAS FARM

Mr. and Mrs. F. A. Askins are moving this week to the farm which they purchased five miles from Berryville in northern Arkansas. Included in the deal is 71 acres of land and an excellent set of improvements. Mr. Askins says the land there is rolling but they grow everything and broiler raising is a big industry. Mr. and Mrs. Askins recently sold their place north of Robert Lee and it was later traded to Mrs. J. E. Roane. They moved here in 1938 from Foard county.

SHOWER FOR NEW BRIDE

Mrs. Weldon (Jiggs) Lofton was honored with a Gift Shower Saturday at the Delmir Sheppard home. Assisting hostesses were Mrs. Jack Brock, Mrs. Jerome Sheppard and Mrs. Melvin Childress. Mrs. Lofton received many beautiful gifts. She is the former Rhonda Farris, daughter of Mr. and Mrs. Raphey Farris.

Court Names Two Hospital Trustees

County Commissioners at their regular monthly meeting here Monday looked after routine matters, appointed election officials for the year and allowed the usual list of bills.

Upon motion of Commissioner J. W. Service, Bryan D. Gartman of Sanco was appointed as a member of the Coke County Hospital Board to fill the vacancy from Precinct 1. Mr. Gartman has agreed to accept the appointment.

Commissioner Otis Smith selected Reece McCorley of Blackwell to fill a vacancy from Precinct 2. He had not been contacted in advance. Judge Jeff Dean says these appointments will complete the board's membership of six. A meeting of the hospital trustees will be called soon so that the board can be reorganized.

Bobcat bounties of \$12.50 each were paid on two animals taken on the ranch of Joe Arledge, Jr., north of Sanco and one from the ranch at Panther Gap operated by B. A. Austin.

ATTEND IVEY WEDDING

Mr. and Mrs. Cumbie Ivey returned Sunday night from Dallas where they attended the wedding of their son, Lieut. L. Cumbie Ivey, Jr., on Saturday night.

Others from this locality who were present for the wedding included Mr. and Mrs. W. A. Hickman of Blackwell, Dr. and Mrs. R. J. Warren of San Angelo and Mr. and Mrs. Gerald Ivey and Mr. and Mrs. John Harvey of Robert Lee.

Lieut. Ivey and his wife, the former Patricia Pruitt of Paris, Tex., were expected to arrive in Robert Lee Thursday for a visit of a few days. The bridegroom's mother has issued invitations for a tea to introduce the bride from 4 to 6 o'clock Friday afternoon.

TO PAVE AT SILVER

Judge Jeff Dean and Commissioner J. W. Service were at Silver last week where they conferred with resident engineer, Felix Itz, in regard to paving the 3-mile stretch in front of the post office and Sun oil office and camps. Mr. Itz said that equipment would be moved in at once and the project will start very soon. Commissioner Otis Smith is getting easements for a 3-mile paving project which will extend from the corner a mile north of Bronte east to the Runnels county line.

The many friends of Dr. J. K. Griffith will be glad to know that he has been down town for a short time each afternoon this week.

Three Coke Youths Called For Induction

Three Coke county young men are included in the group of 14 who will be inducted into military service Friday from Local Board 118. They are Frankie Percifull and Bill Lassiter of Robert Lee and Joe Lee Scott of Bronte. All three are past 21 years of age.

Both the Robert Lee inductees are married but have no children. Percifull, younger son of Mrs. Emma Percifull, attended San Angelo College last year and has recently been engaged in oil field work. His wife is the former Dean Richards.

Lassiter is a son of Mr. and Mrs. Jack Lassiter, now residing in Ft. Worth. Bill has been working with the State Highway Department. His wife is the former Doris Pettit.

Mrs. Ed Cole, draft board secretary, says five Coke youths will take pre-inductions physical examinations at Abilene Friday. They are Floyd Sheppard, now living in San Angelo, Salvadore Garcia of Bronte, and Elton F. Millican, J. Carlton Hurley and Alfred Dale Lofton of Robert Lee.

Board 118 has been asked to furnish 32 men for the March 25 induction call.

COW WRECKS AUTO

A cow on the highway caused an auto wreck about 8 p.m. Saturday on Highway 208, five miles northwest of Silver. The car was driven by Mr. and Mrs. W. C. Simpson of Snyder. Pete Davis pulled the machine, a 1949 Plymouth, into Colorado City. The cow, valued at \$200 or more, was killed by the crash.

Notes From The Oil Field

Aurora Gasoline Co. has plugged and abandoned its No. 3 Daisy McCutchen on the southeast side of the McCutchen Cisco sand field, five miles east of Robert Lee. It drilled to a total depth of 4,010 feet without any shows. It was a south offset to Union No. 3 Elizabeth McCutchen which is producing above 4,000 feet. Morgan Drilling Co. is tearing down rig and awaiting orders.

E. L. Doheny No. 1 Mozelle Taylor, 1½ miles south of Tennyson, was drilling Wednesday below 2,500 feet.

BRONTE OIL PLAY

Much interest has been centered around a new oil pay section which has been discovered a short distance west of Bronte. Hickok & Reynolds No. 1 McQueen-Forman has found production in the Goens lime.

A drillstem test of the section from 4,838 to 4,861 resulted in gas coming to the surface in 7 minutes. After a stand of drill pipe was broken down it flowed 25 minutes. Later it headed and flowed again, but caught afire and a complete test could not be made.

The Bronte Volunteer Fire Dept. responded and did a fine job in extinguishing the blaze. Hickok & Reynolds gave the fireman a check of \$100.

Up to now production in the Bronte field has been from the Palo Pinto around 4,450 feet. The Goens structure was discovered several weeks ago when a gas well was being drilled on Bob Hickman. The McQueen-Forman well is north of the highway and opposite the Hickman location. It was drilled through the Palo Pinto a couple of years ago, and was plugged at 4,500 feet after failing to get production.

INFLUENZA EPIDEMIC

This locality has experienced a recent epidemic of influenza which has kept the Robert Lee and Bronte hospitals filled. Several members of the staff of the county hospital here have been victims of the illness and Dr. J. D. McDaniel was included in the group. Custodian John Allen was hospitalized several days and was followed by the hospital cook, Mrs. W. D. McAdams. Other patients were Mrs. Willis Smith and Mrs. J. M. Sims, nurses aids.

PACKARD SEDAN BURNS

Mystery surrounds the burning of a 1950 Packard Sunday noon on Highway 158 about 14 miles west of Robert Lee. The machine went off the pavement at the foot of the hill and stopped in a deep ravine. The driver or anyone having knowledge of the car's ownership was never seen. Coke county officials investigated the matter. The car had an Oklahoma license and the number was reported to authorities in that state.

Wildcat, Outpost Spotted In Coke

A wildcat and an outpost to production were staked in Coke County Tuesday.

The wildcat will be the Thos. S. Cox and Philip W. Beckley of San Angelo No. 1 A. N. Counts, a 7,200-foot rotary test.

NEAR MILLICAN

It will be located 467 feet from north and 2,173 feet from west lines of section 16-W-T&P, 10 miles west-southwest of Robert Lee, 4½ miles southeast of the Millican field and 4½ miles west-northwest of the Hunt No. 1 McCabe, a dry hole abandoned March 1, 1951, at total depth of 6,621 feet.

Drilling is slated to begin at once. The project will be drilled as a farm out from Southern Minerals.

BRONTE TEST

M & M Production Co. and L. L. Rice and sons of Midland No. 1 J. D. Luttrell, scheduled to be drilled as a ½-mile west outpost to production in the Bronte field of eastern Coke county, will drill to 6,000 feet with rotary.

Location will be 1,980 feet from north and west lines of section 454-1-A-H&TC. Drilling was to begin at once. It will be on a 160-acre 493 feet.

Dr. Edward Leeper Dies At Dallas

Dr. Edward Paul Leeper, 48, a leading diagnostician in the field of internal medicine and a brother of Palmer Leeper, Robert Lee ranchman and merchant, died of a heart attack Saturday night in Dallas.

Mr. and Mrs. Palmer Leeper left Sunday morning for Dallas to remain until after his brother's funeral.

Dr. Leeper was city health officer for University Park and assistant professor in internal medicine for Southwestern Medical School in Dallas. He was a native of Denison.

Dr. Leeper had contributed many articles to medical journals on internal medicine and geriatrics, the science of the aged and their diseases. He was a fellow in the American College of Physicians.

Survivors include the widow, a daughter, Miss Nancy Leeper, Dallas, and the brother here.

A group of young people enjoying the Lubbock Jamboree Saturday night were Zona Mae and Joyce King of Edith, Betty Plumlee of Snyder, and Clayton King and Donald Stafford of El Paso.

Robert Lee Folks Escape Injury In Highway Shooting

Two charges of assault with intent to commit murder have been filed against Burl E. Horton, 23, of Brownwood, who is accused of making unprovoked shotgun attacks against B. A. Austin of Robert Lee and Victor McCabe of Colorado City on the highway north of San Angelo late Sunday.

Mr. and Mrs. Austin were returning to their home here about sundown when they noticed a car parked off the pavement facing them. As the Austins approached the car, a man got out and leaned across the hood of the parked car with a shotgun in his hands.

Mr. Austin said to his wife, "I think that fellow is going to shoot at us." He speeded up his late model Ford sedan, but as he came abreast of the car, the man fired, shattering the nearly closed window glass.

The attack occurred near the corner where the highway makes a jog five miles north of San Angelo. The Austins hurried from the scene and stopped at a ranch house a few miles north and phoned San Angelo police. They then drove to Robert Lee where bits of glass were removed from Mr. Austin's hair and left eye.

Sheriff Paul Good was summoned and left immediately with Deputy Frank Keese of Bronte. Deputy J. L. Tinkler and Constable Vic Simpson also hurried to the vicinity of the attack to search for the assailant.

Sheriff Good said he put his police car radio into good use and kept in touch with highway patrolmen and Tom Green county officers. About 8:30 that night Good and Keese came upon the man walking along the highway near the corner of the Air Force auxiliary field.

The man was unarmed but several .12 gauge shotgun shells were found in his pockets. They brought him to Robert Lee where he was readily identified by Mr. and Mrs. Austin and he was then taken to the Tom Green county jail.

Sheriff Good examined the man's billfold which held identification papers. His address was 2903 Ave. C, Brownwood and his occupation was given as taxi driver. Horton seemed entirely unbalanced and told officers he did not know he shot at anyone. Monday afternoon while being questioned he identified Sheriff Paul Good as the party who had put handcuffs on him Sunday night.

Mr. and Mrs. Victor McCabe and their two children were also shot at in a similar manner. The charge aimed at them was not quite so direct and the window of their car was not as badly shattered.

San Angelo authorities were unable to make a thorough investigation of Horton's background early this week because of other pressing matters. No one seemed to know when he came to San Angelo. After a preliminary hearing Monday his bonds were set at \$4,000 on each of the two assault charges.

The attack victims feel they were fortunate in escaping without serious injury and possible death. If the window had been lowered in the Austin auto, the full shotgun charge would have struck the driver.

Miss Emmabeth Hayes and Miss Robbie Pope, missionaries from Columbia, South America, whose homes are in Abilene, are home on furlough and will speak at the Sanco Evangelical Methodist Church next Sunday afternoon, Feb. 17.

Ralph Logan Speaks At Scout Barbecue

Ralph Logan was speaker at the barbecue held at the scout cabin last Friday night. The barbecue was an annual affair in line with national observance of Boy Scout Week.

A tasty supper was served to the scouts and cubs and their parents. The meal was served by the local scout committee. The barbecue was prepared by Harve Wallace.

Mr. Logan gave a very interesting talk on the origin of scouting and how the organization was started in the United States. He also spoke at length to the parents as to their duty as the parents of scouts and as citizens.

He pointed out that the large amount of power in the hands of the higher officials could be contributed to the average citizens' failure to exercise his or her privilege to vote in the electing of people to run our governments, whether they be of local or national scope.

H. E. Ivey acted as master of ceremonies. The meeting closed by the repeating of the scout oath, led by Explorer Scout Robert Lewis Jay.

HAYRICK HD CLUB

Eight members and four visitors were present for the meeting of the Hayrick Home Demonstration Club Thursday, Jan. 31.

The meeting was held in the home of Mrs. Aubrey Denman with the club president, Mrs. Dan Middleton, in charge.

A short business session was held and THDA dues were collected. The program was on "The Study of Yearbooks," by Mrs. Middleton.

The next meeting will be Feb. 7 in the home of Mrs. J. W. Labenske.

Most people would prefer to tell the truth, but would rather be courteous.

TRADES FOR LARGER FARM

Mrs. J. C. Slaughter has received word from her son, Ray Ledbetter, advising that he has traded his highly improved 660-acre place near Aurora, Mo., for a 480-acre farm eight miles from Cassville. The place is located in southwestern Missouri a short distance from the Arkansas line.

BUYS MORE ANGUS COWS

Henry Varnadore last week purchased some nice registered Angus breeding stock from the Dr. Harry Logsdon ranch in Mitchell County. The group included seven pairs of cows and calves and three bred heifers. The cows and heifers cost \$450 around. Mr. Varnadore trucked the animals to Mena, Ark., where they are being cared for at present on the Clell Varnadore farm. Henry and his family are planning to move to Arkansas this spring.

BAPTIST BIBLE STUDY

The Baptist Missionary Society met in the home of Mrs. H. C. Allen Monday afternoon for Bible Study with Mrs. Allen leading the discussion on "The Mothers of the Family of Israel." Following the president took charge and arrangements were made for a banquet for High School Seniors in the near future and committees were appointed to carry out same. Refreshments were served to thirteen members and one visitor, Mrs. Brooks, a sister of the hostess.

JNO. D. HARVEY, Mayor

IT'S GREAT TO BE A SCOUT

Ask the boy who is one he'll tell you of all the fun he has and all the things he learns, and he'll sell you on what a really great organization he belongs to. He is proud of his uniform and his Scout laws and oath and what they stand for. No wonder everybody is proud of the Boy Scouts.

Congratulations on Your 42nd Anniversary

Although Costs are up . . .

Effective January 1, 1952—the price of the government post card was increased 100%. But in spite of the doubled cost of post cards, increased costs of labor, fuel, electrical equipment, and countless other items . . .

your local electric rates have NOT gone up!

At rates less than in 1941, your electric service company provides the most modern electric service for your comfort and convenience. Yes, your electric service is still the biggest bargain in your family budget.

If yours is an average West Texas home, you are getting electric service at rates 17% LESS than you did in 1941.

Up and Down

The elevator operators at the Capitol in Washington are given to brooding over the world's troubles. "How's business?" a passer-by asked one of these up-and-down philosophers. The operator looked at him moodily. "I'm not a man," he said despondently. "I'm a yo-yo."

Help!

Girl elevator operator, alone in the car with a sailor, "Going up . . . going up . . . anybody else going up? Please, will somebody go up!"

KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts. If reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

THAT 'EXPANDING ECONOMY'

DEAR Hi: The more I read about this "expanding economy" of ours the more I am puzzled. Can you explain it? Baffled Reader.

Glad to. An expanding economy is an economy in which a country over its head in debt and not knowing what to do about it phones its economy expert and orders another round of rainbows for the boys in the back room.

It is an economy arrived at by talking through your hat, figuring with invisible ink on a greased slate and arriving at conclusions by tea leaf reading in a mystic maze.

If you have ten apples and give away nine apples you really have one apple left under old-fashioned American economy, but in an expanding economy you have a paper bag full of imaginary apple trees and a statement assuring you that your overall apple outlook is good if you are unselfish.

An expanding economy depends upon the same routine as that employed by the janitor when he says the heat is on full when the apartment thermometer registers zero.

When you fall overboard and keep bumping your head on the bottom of the boat every time you come up for aid, you may think you are in trouble. But don't worry. You are enjoying an expanded water carnival.

If the till is empty, the money belt in hock and the cashier's office full of I.O.U.'s, don't fret. Your basic economic strength is splendid and there are two explanations: Either your global view is faulty or you are a Republican.

To simplify. Once upon a time when the cow failed to give milk she was a sick cow. Today, it is all right as she owes the milk to herself. Should a cow give a promissory note instead of milk and merely moo when asked for another gallon she may not be much of a cow, but everything will be all right if she reduces inflationary pressures and avoids major dislocations.

In pappy's day if the hens stopped laying it meant he was short of eggs. Today you would know you were in an era of expanding henneries, facing new frontiers unafraid, and that both you and the hens were experiencing a healthy economic growth.

Not clear yet? Listen, move closer, please! If you have a hen on a setting of six real eggs you are in the poultry business. But if it is a rooster on a setting of a dozen china eggs, a recipe for eggnog and a poem on peacocks you are in an expanding economy and doing swell.

Yesterday when a man found himself in economic trouble he said, "This doesn't look good." Today, he takes an expansive posture, phones an expansive economist and gets the answer, "Boy, are we in clover!"

Once when your books couldn't be balanced, your adding machine began giving wrong answers and your wallet had sprung a leak you worried. Today, forget it, bub; you have achieved a material well being never known before.

You still don't get it? One more try: You are clinging by three fingers to a flying trapeze; there is no net under you and somebody has hooked a ton of pig iron to each leg. You may think you are in danger. Nonsense. Your basic strength is all right and requires only confidence and sacrifice. It is no time for faintheartedness. Get some more pig iron on you, vote the straight Democratic ticket and request a letter from Washington notifying you that there is a net under you, even if it is not visible. (If you look again and still see no net you are not cooperating.)

Linoleum

If you clean your linoleum floor with a long-handled sponge mop, you know how annoying it is to bend over to clean spots that the mop won't touch. Here's a easier way—dust baking soda on the spot. Soda can't scratch linoleum so you can be liberal. Then scrub with the damp mop and the spot is gone.

Canned Ham

Canned hams can come to the rescue when you plan to serve many guests. Although they cost more in the beginning there is less waste. And since they are pre-cooked, the baking time is cut to about one and one-half hours, depending upon the size.

Old Time Knife

Do you pamper a prize knife—one made not of stainless steel but of old-fashioned high carbon steel? If so, you know rusting is a problem—especially if you let your dishes "drain dry." Rust-removing baking soda cleans without a bit of scratching.

Stanolind Stakes Scott Outposts To Millican Field

Most interesting oil news for the west half of Coke County this week is the announcement that Stanolind will drill on Miss Jennie Scott northwest of Edith.

Stanolind has staked two locations on the south half of the Scott lease which involves the east one-fourth of Section 151, blk 2 H&TC. They will be northeast outposts to the Sun Oil Company's block known as the Millican field.

Stanolind No. 1 Scott is 2,500 feet east and north of production which Sun obtained on F. S. Price, who owns the west three-fourths of Section 151. It will be 1,667 feet from south and 893 feet from east lines of the section.

Stanolind No. 2 Scott, a 1,500 foot northeast outpost to production, will be 467 feet from south and 863 feet from east lines of Section 151. Drilling on both will be to a depth of 6,300 feet with rotary.

Miss Jennie Scott became the sole owner of the land after the recent death of her brother, the late Clarence E. Scott.

Section 151 lies north of Section 158 owned by the G. W. Davidson family where Sun has ten producing wells.

In case Stanolind gets production on the Scott lease it will force Union to drill on J. J. S. Smith, who owns Section 152 to the east.

Stanolind's other lease holdings include the G. F. Powers 320 acres in Section 157, and 480 acres owned by Nora H. Parsons in Section 156. Their leases extend to the south to S. J. Duncan, W. W. and Charlie Thompson, L. R. Schooler, W. E. Burns and Joe Fields. Back east in the Wildcat community the Stanolind block includes a Fred McCabe section, Hugh Smith, T. T. Millican et al, M. D. Chumley's 522 acres and Mrs. J. N. Lofton's section.

Stanolind has been doing extensive exploratory work on their leases the past few months.

The Scott property where drilling is to start at once is two miles west and two miles north of Green Mountain school house.

MRS. GRIFFITH HONORED

Mrs. J. K. Griffith was honored on her eighty-second birthday recently with a lovely birthday party at her home. Members of the Womens Society of Christian Service gathered to honor one of their members. Colorful slides were shown by Mesdames R. C. Russell, Marvin Simpson and Chism Brown. Scenes around Robert Lee were enjoyed by all present. Fruit punch and a beautiful white birthday cake embossed with pink sugar spun roses were served to sixteen guests.

Mrs. Geo. A. Payne of Slaton visited here last week with her mother, Mrs. W. L. Clawson. The latter is considerably improved from a recent illness.

CITY LAKE ENTRANCE

A new cattle guard has been installed at the entrance of the city's 200-acre tract east of town. The land was recently leased to Elmo Bell for a cash rental of \$515 per year. The lessee will run some livestock on the property. Mayor John Harvey says the new cattle guard was installed at an over all cost of only \$65.

Relatives and friends honored Sammie Plumlee and his new bride with a Gift Party last Friday night in the S. B. Plumlee home. Sammie's wife is the former June Goad of New Mexico.

METHODIST LADIES

The Womens Society of Christian Service of the Methodist Church was entertained Monday afternoon in the home of Mrs. R. L. Read. Mrs. O. B. Jacobs, president of the group, was in charge of the meeting. The lesson from the Book of Acts was presented by Mrs. F. C. Clark.

There was a discussion of the Mexican supper which the society will sponsor at the church dining room in the near future as a benefit. Mrs. J. S. Ferrell, Mrs. Frank Smith and Mrs. R. L. Read were named as a committee to be in charge of arrangements.

Refreshments of punch and cake were served to thirteen members. Mrs. Marvin Simpson will be the hostess to the next meeting when Mrs. Ray Lee will give the lesson on Chapters 4 to 7 of the Acts.

WHD COUNCIL MEETING

Four clubs were represented at the WHD Council Meeting at the agent's office in Robert Lee Feb. 8. Miss Sharp announced that an agents' meeting on landscaping would be held at TSCW in Denton March 13-14. Also that National 4-H week would be observed March 1-8, and national WHD club week April 29-May 3.

Gladys Waldrop, Council chairman, presided at the business session. Members voted that the Civil Defense Training Course be given as soon as material arrives.

It will require 30 hours and will be taught by Gladys Waldrop and Mrs. C. E. Arrott.

A brief THDA meeting followed Council. The District 7 meeting at Colorado City April 17 was announced.

K. F. Shropshire writes from Menard as follows: "Please find enclosed \$1.00 for which I would like you to send me The Observer. We like this good old paper, as we have lots of friends back there, and it's still like home to us."

FRANK LORD AT LUKE AFB

LUKE AFB, Ariz.—Private First-Class Frank P. Lord, son of Mr. and Mrs. Gilford Lord, Midland, and husband of Mrs. Lois Lord, Roaring Springs, arrived here Jan. 30 after completing basic training at Sheppard Air Force Base.

A graduate of Robert Lee High School, Private Lord has been in the Air Force since November 14, 1951.

CITY REAL ESTATE DEAL

Mr. and Mrs. James (Whistle) Thomason have sold their 9-acre tract here to Buford Elkins. The land is just outside the northeast city limit and lies between the highway and the new Mountain Creek Dam. Mr. Elkins will enlarge and improve both houses and may consider some additional development.

Personals

The Robert Lee PT will hold its regular monthly meeting next Thursday, Feb. 21, at 3 p. m. Founders Day will be observed and there will be refreshments. Mrs. Bob Stephenson is president of the group.

Mrs. Clayton Caraway has moved her home from Blackwell to Robert Lee and is residing in the J. C. Strickland residence near the Y-Courts corner. She has a son, Jimmie, at home and two daughters, Zeldia and Glo. Mrs. Caraway is employed as a nurses aid at Coke County Memorial Hospital.

Mrs. E. C. McArthur of Edith is a patient at the Big Spring Hospital where she submitted to major surgery Wednesday morning. Her condition is reported as good. Mr. McArthur is pumper for Sun in the Millican field west of Edith.

Zona Mae King is visiting in Odessa with her sister, Mrs. Harry Anderson, and family. She accompanied the Phillip Page family to Odessa Sunday evening.

Mr. and Mrs. P. M. Page of Odessa and seven-year-old son, Phillip, Jr., were weekend guests of Robert Lee relatives and friends. Phillip, Jr., has had some unfortunate experiences the past year. Last summer he cut off a finger in a lawn mower and recently he sustained a broken arm in falling from a bicycle.

OLD HOUSE REMOVED

Robert Walker recently tore down the house which was occupied for several years by Jim L. Reid and family. Mr. Walker sold the four lots to Arnold Samuelson and will use the old lumber at his ranch east of Silver. The place was a landmark in the south part of town for the past half century and was known as the John Murtishaw house. Its roof from four sides sloped to a high peak in the center.
