ANGELO OIL SHOW SLATES TOP EXHIBITS

SAN ANGELO — An oil well is engulfed by flames as fire fighters go into action to bring the blaze under control while a large crowd looks on.

At the same moment, in a nearby building, hundreds of persons wearing paper moccasins walk around a huge aerial photo mosaic of the entire Southwest, spotting familiar landmarks on the map.

Mammoth oil derricks outside the building are being precisely raised and lowered in only minutes.

That's the scene pictured by Bob Augenthaler of a few of the many educational exhibits which will highlight the San Angelo Oil Show Oct. 13-15. Augenthaler is chairman of educational exhibits for the show.

"We have the most sensational exhibits I've ever seen in West Texas signed up for the show," he said. Among the exhibits are the following:

1. The famous 105 by 46 foot photo mosaic of the Southwestern part of the United States which Tobin Aerial Surveys of San Antonio shows at major oil shows throughout the country. The aerial photos are placed on the floor and one wall of the building. Visitors are given paper moccasins to wear while they walk on the map to peer closely at various rivers, ranches, roads and towns.

2. A live demonstration twice daily of oil well fire fighting staged by Safety Products Corp of Houston. The platform of an oil well and the ground surrounding the and propane and ignited. Methods of controlling this type of fire as a gasoline fire in a 20 by 30 foot slush pit and a fire caused by breaking of propane or butane pipes will be shown.

3. A number of real derricks, converting the Oil Show grounds into a simulated oil field. Franks Division of Gabot Shops, Inc., with division offices in Odessa will show a 97-foot derrick while Jack Anderson Engine Co. demonstrates a 90 foot hydraulic-raised derrick and a 65-foot derrick mounted on a truck.

4. The Humble Oil and Refining Company's exhibit which actually forces gas and water injections into the display to demonstrate secondary recovery of oil by such injections. Humble's core exhibit, backed by neon lights, shows definite sands and formation.

5. The Trinity Steel display on the storage and transportation of liquified petroleum utilizing miniature tanks and trucks that really operate. There is also an actual waterfall and lake in the exhibit.

7TH GRADE OFFICERS

The seventh grade of the Robert Lee public school chose the following officers at a meeting Monday:

Sonny Benton, president.
James Stewart, vice-pres.
Miriam Ellis, secretary.
James Harmon, treasurer.
Carlton Boone, reporter.

All members of the class believe they have an outstanding group of officers. — Carlton Boone.

Gaylon, 7-year-old son of Mr. and Mrs. Teddy Pitcock of Sanco, received a broken arm while playing at school here last Thursday. He was hospitalized over night and returned to school Monday.

TAKES TEACHING POSITION

Bryan Yarbrough of Robert Lee has accepted a position as elementary principal at Miles and began his work there Monday. A school man of wide experience, Mr. Yarbrough has been out of the teaching profession the past few years. His wife is teaching at Lake View, but they plan to retain their home in Robert Lee.

DOUBLE BIRTHDAY PARTY

A party honoring the 7th birthdays of Glenn Roach and Larry Brock was held at the Legion Hall Monday after school. Both are first graders and all beginning pupils were guests. The affair was in charge of the boys' mothers, Mrs. W. T. Roach and Mrs. Carl Brock.

Mrs. Tom Whitt Dies Suddenly Of Heart Attack

Mrs. Tom (Gracie) Whitt, 69, died at 4 a. m. Monday at her home in Cisco, the victim of a heart attack.

Funeral services were held at 4 p. m. Wednesday at the Cisco Church of Christ with Dr. Paul Witt of Abilene and Ernest McKelvin, minister of the East Cisco Church of Christ, officiating. Burial was in Oakwood cemetery at Cisco.

Mrs. Whitt was born Sept. 13, 1886, at Glen Cove, daughter of the late Dr. and Mrs. J. E. Reed. She was raised in the Silver community and married T. A. Whitt of Silver in 1915. They had lived in Cisco the past 36 years, but retained ownership of a farm near Silver and visited often in Silver and Robert Lee.

Mrs. Whitt was interested in Coke County affairs, especially the oil development which resulted in the completion of two producing oil wells on their property west of Silver. Observer readers recall her interesting letters which have been printed occasionally.

Surviving are her husband; one daughter, Mrs. Thelma McAuley of Gulf Camp; one brother, I. Reed of Fresno, Calif.; one sister, Mrs. Bonnie Orflett of Baldwin Park, Calif.; nine grandchildren and 13 great grandchildren.

Clift Installs

Ambulance Radio

W. B. Clift recently installed a two-way radio in his ambulance. It has a hookup with Sheriff's office here, and will also be in contact with highway patrolmen in the area.

Mr. Clift furnishes a county-wide ambulance service which Coke County may well be proud of. It is available day and night.

BIRTHS

WALKER—Mr. and Mrs. D. J. Walker, Jr. (Cornelia Boykin) of Robert Lee are parents of a daughter born Sept. 21 at Shannon Hospital in San Angelo. Arriving at 10:10 p.m. the baby weighed 6 pounds, 13½ ounces and has been named Audrey Dee. She has two sisters, Sharon Lynn, 5, and Rebecca Elaine, 3 years old. Grandparents are Mr. and Mrs. Ben Boykin and Mr. and Mrs. D. J. Walker, Sr., all of Robert Lee.

COURT HOUSE WORK HELD UP BY MATERIALS

Construction of the new Coke County Court house has speeded up again, following some delay in shipment of cast stone and rock. This announcement was made yesterday by A. Z. Sturges, superintendent in charge of the project for Suggs Construction Co.

This week has been devoted to building partition walls in the basement. Outside walls of the first floor have been completed, except for the rock trim. Caprock cast stone and Lueders quarry stone are being used. Outside walls are mainly constructed of Acme light buff face brick.

Ernest Croy is the sub-contractor in charge of brick and stone work.

Tucker & Sons of Big Spring are sub-contractors of heating and Westbrook Electric Co. of San Angelo has the electric contract.

A. A. Gifford, pusher for the mortar crew, fell on the basement steps Tuesday and received a double fracture of his right forearm. He has been hospitalized for a couple of days.

Mrs. Bill McCutchen left Wednesday for San Antonio to help care for the new baby boy in the home of her son, M. C. McCutchen. Mr. McCutchen and their daughter, Mrs. Bobby Hood, motored to San Antonio and returned Thursday.

City Water Supt. Sam Jay was admitted to Coke County Memorial Hospital Monday for observation and treatment. His condition showed improvement yesterday.

Farm Bureau Drive for New Members Oct. 3-8

Farm Bureau directors and officials met Tuesday night in Robert Lee to make plans for their membership campaign which gets underway next Monday, Oct. 3 and continues through Oct. 8. C. H. Devaney, District 6 director of the Texas Farm Bureau met with the group.

Since its inception in 1919, the Farm Bureau has been striving to obtain and maintain a higher standard of living on the farm and ranch. It has had many notable successes on both state and national levels. Altogether, the American Farm Bureau has been responsible for passage of more than 200 pieces of national legislation beneficial to agriculture. It has defeated many bills that would have been harmful to agriculture.

On the state level, the Texas Farm Bureau has also helped Texas agriculture through its legislative program. The state farm organization was responsible for the passage of the present rural road program. It has also been able to obtain and retain the tractor gas refund and many others.

As an individual, a farmer or rancher has no voice in helping run his industry. Joined together with his neighbors in a strong organization, his "voice" is magnified many times. The Farm Bureau offers the farmers and ranchers of Coke County the opportunity to solve the many and complex problems beyond the fence rows.

MRS. J. W. WALLACE
—nee Billie Earl Hester

Billie Earl Hester Weds J. W. Wallace

The marriage of Miss Billie Earl Hester and J. W. Wallace took place at 10 a. m. Sept. 10 at the San Angelo Baptist Tabernacle, with Rev. Edgar Tatum officiating.

They were attended by the bride's brother-in-law and sister, Mr. and Mrs. Addison Davis.

The bride is a granddaughter of Mr. and Mrs. Henry Chidress and graduated last May from Robert Lee High School.

The bridegroom is the son of Mr. and Mrs. Gus Wallace. He is a graduate of Camp Wood High School and has been employed here as a heavy equipment operator on road construction.

The couple spent an eight days honeymoon at Ruidoso, New Mex. They are now at home in one of the M. B. Meek houses at the east edge of Robert Lee.

Mr. and Mrs. Freddie Hickman and son, Terry Wayne, of Ozona were weekend guests in the parental home of Commissioner and Mrs. Ed Hickman west of Edith. Pete is starting off his second year as coach of the Ozona high school Lions in grand style. His team has won three straight.

Navy Commander F. C. Hearrell, Jr. of San Rafael, Calif., and his friend, Col. Neil Wilcox of the Army Air Force, visited over the weekend with Robert Lee relatives. Commander Hearrell is a grandson of Mrs. J. N. Buchanan.

Varnadores To Erect Modern Cafe Building

Ground was broken this week for a new cafe to be constructed by Mr. and Mrs. Ernest Varnadore. It will be located on a pointed corner near the highway intersections of 208 and 158.

Construction will be of concrete and tile. It will have a large dining room with tables and counter, a private dining room for clubs and parties, large kitchen and store room and rest rooms.

E. F. Henry is the contractor on the project.

The Varnadores have operated the Y-Courts Cafe for several years and their volume of business has outgrown present quarters. Increased traffic on highways through Robert Lee have resulted in a big jump in restaurant trade.

The Varnadore's son, Howard, and his wife are now connected with the business.

STEERS LOSE 3RD STRAIGHT GRID CONTEST

Robert Lee Steers, losing their first three games, were hoping to break into the winning column against the Abilene Sophomores here Thursday night.

Just how strong a team would be sent over from Abilene was unknown, although Coach Shorty Lawson advised local school authorities they were strictly a sophomore outfit.

Last week Bronte was scheduled to meet the Abilene Sophs, but it turned out to be the Eagle B team, and they proved too rugged for the Longhorns. Lawson says his club is better than the B club, but it remains to be seen.

The Steers were blanked 13-0 at Richland Springs last Friday night, and it was the first victory in three starts for the Coyotes. The contest was played on a muddy field.

The first quarter was scoreless, but in the second period big Pete Sloan traveled 54 yards for a touchdown. In the third quarter Richland Springs drove to the Steer 16-yard line in eight plays. A 15-yard penalty against Robert Lee put the ball on the 1-yard line, from which point Gary Pierce sneaked over. First downs were about even.

Sammy Joe Duncan received a cut on the head which required six stitches and he will be out of the lineup this week. Sammy was a standout in the Steer offense and defense. Tommy Sawyer continues to do well at the quarterback slot, while Fred Ashworth is doing a bangup job at guard.

Friday of next week Robert Lee entertains Eldorado, with Menard coming the following week. It's been some time since there clubs have been on the Steer schedule, although they formerly were in the same conference.

Bronte Longhorns entertain Melvin Friday night of this week. Other district 6-B results last week: Knox City 19, Hermleigh 13; Lueders 40, Loraine 0; Stamford B 25, Trent 6.

This week's schedule: Rochester at Hermleigh, Loraine at Eldorado, Trent open date.

PREACHER COMING

Rev. Benny Smith will move his family here Friday from Miles to take over as the new preacher at the Robert Lee Baptist Church. He will be in charge of regular services Sunday, Oct. 2.

Mr. and Mrs. Loyd Phelan returned Sunday from a ten days' trip to various points in West Texas and New Mexico. They visited in the homes of several children, going as far as the Joe Proctors at Belen, New Mex.

HOSPITAL NEWS

Sept. 21—M. E. Petross, F. J. Byrd dismissed.

Sept. 22—Mrs. Victor Wojtek, Jerome Sheppard, Gaylon Pitcock admitted.

Sept. 23—Mrs. G. P. Wallace admitted. Gaylon Pitcock dismissed.

Sept. 24—Mrs. D. E. Waters admitted. Mrs. G. P. Wallace, Jerome Sheppard dismissed.

Sept. 25—Mrs. D. E. Waters dismissed.

Sept. 26—Sam Jay admitted.
Sept. 27—A. A. Gifford admitted.

Mr. and Mrs. C. W. Bradbury are parents of a son born Sept. 24 in the Colorado City hospital. They have another son 14 months old. Mr. Bradbury is a repairman at the Jameson gasoline plant.

Bill Newell, 7th grade pupil, is undergoing foot treatment this week, and is not out for football practice.

Maurice Duncan is taking a week's vacation from his work at the gasoline plant. He and his family spent the weekend with Mrs. Duncan's brother, G. A. Jameson, and family near Big Lake.

Hank Baker is taking a two week's vacation. He is visiting his brother, Buster Baker, at Sun Field and will travel to other points in the state.

James C. Furr has returned to his work at the Jameson plant loading rack after a two weeks' vacation. He and his family reside in Robert Lee.

Rattlesnakes are numerous in the area these days. A small one was killed in the garage at the W. L. (Pete) Ashmore residence in Tubb Camp, while two big snakes were killed in his back yard. Oil men out in the field report finding a number of rattlers. They seem to be running just before holing up for cold weather.

Elton McClusky and a friend from San Antonio were here for a weekend with the former's parents, Mr. and Mrs. E. E. McClusky. Elton is attending a chiropractic college in San Antonio.

The Silver PTA sponsored a successful Benefit Coffee last Thursday morning at Sun Recreation Hall. Announced as a "Come as You Are" affair, the event netted \$30 for the PTA treasury.

Mr. and Mrs. W. L. Ashmore and family enjoyed a visit last week from his parents, Mr. and Mrs. W. O. Ashmore of Liberty, and his uncle and aunt, Mr. and Mrs. Frank McCoy, who reside in Louisiana.

Mr. and Mrs. B. B. McDougle were called to Troop, Tex., last week by the sudden death of Mrs. McDougle's mother, Mrs. Ada Musick. Her death was caused by a brain hemorrhage. Mrs. Musick was the grandmother of Mrs. Randy Sausser, whose husband is a Sun roustabout here.

W. S. (Shorty) Shingleton, Sun production gang pusher, is taking a four weeks' vacation. He and his wife have left on a trip to West Virginia.

Charles Kennedy and Earl Lindsey attended the TCU-Texas Tech game in Lubbock Saturday afternoon.

Hardy Martin of McComb, Miss. visited here last week with his brother, Euell Martin and family. Hardy is also a petroleum engineer and was enroute to California where he will be employed.

Wayne Goodwyn, Sun field clerk, enjoyed a weekend visit from his parents who reside in Waco.

Mrs. J. Jameson and her son-in-law and daughter, Mr. and Mrs. Buzzy Thorp and little son, Jahew Nelson, returned last week from Burns, Tenn. The Thorpes resided in Tennessee the past year but will now establish their home in Throckmorton. Mrs. Thorpe is the former Billie Fred Jameson.

Mr. and Mrs. L. D. Evans, Jr. and daughter, Vicki, have moved to Silver from Albuquerque, New Mex. They are living temporarily with the Bob Odoms. Mr. Evans has employment with J. P. Jameson.

Mr. and Mrs. Allen Jameson visited Sunday with the Wornock Hipps at Bronte.

Old friends here were grieved to learn of the death of Mrs. Tom (Gracie) Whitt, who passed away Monday at her home in Cisco. The family owned a farm west of Silver and lived here many years. Funeral and burial were set for

Wednesday in Cisco.

Mr. and Mrs. Bob Odom and L. D. Evans, Jr. and family were in San Angelo Saturday night when they enjoyed a steak supper at the home of Mr. and Mrs. Walter Jones. Movies were shown of the Odoms' recent trip to California and of a family vacation stay in Colorado.

SCHOOL NOTES

Silver Junior High 6-man footballers were defeated at Miles last Thursday night 33 to 0. This was the first game for the locals and everyone thought they made a fine showing. Miles had a speedy halfback who accounted for most of the touchdowns.

Coach Dick Dodd announced Silver would play in Forsan Thursday night of this week at 7 p. m.

The pep squad performed nicely, but all their regalia has not arrived. The gals have Indian costumes and are directed by Mrs. R. C. Dodd.

The football team was joined this week by Gary Ledbetter, who is a fine halfback prospect. His father is employed at Texas Natural Gasoline plant.

The school house addition of four rooms are expected to be finished by the second week in October. They will provide home economics

and science rooms and two class rooms.

Mrs. Dodd is directing a choral group of pupils from the 7th, 8th and 9th grades. She also has a group from the 5th and 6th grades.

Earl Lindsey, Paul Ashby, R. C. Dodd, Perry Elliott and Don Gressett plan to attend the Maryland-Baylor football game in Waco Saturday.

Home Demonstration Club Activities

By Faye C. Roe
County Home Demonstration Agent

Mr. Waide and I have contacted the school officials in each of the schools and have scheduled meetings for Wednesday, Thursday, and Friday. Girls 4-H yearbooks will be distributed, new officers elected and a short program on 4-H Records will be given.

I visited in the Jahew Jameson home in Silver Monday interest of the Silver W. H. D. Club. The Jamesons were thrilled to show off the new grandson. The Buzz Thorpes, (Billie Fred Jameson) are the parents. Was nice to visit Mrs. Sherman Anderson too.

The Green Mountain W. H. D. Club had a very nice meeting last week in the E. C. McArthur home. There were two new members —

Mrs. Billy Bynum and Mrs. T. E. Matlock from near Sterling City. Recent new members in the Olga Club are Miss Bertha Smith and Mrs. J. J. Corfman. And in Bronte Humble, Mrs. F. L. Merrill and Mrs. D. E. Faulk. Bronte has Mrs. H. A. Springer back with them.

The W. H. D. Cookbook has gone to Press. The Cookbook Committee comprised of Mmes. C. E. Arrott, A. D. Fields, Brent Clark, Lowell Roane, T. M. Wylie, Jr., Walter King and Tom Rives worked long and hard to give you a good cookbook. We hope to have the books for sale soon after Nov. 1.

Plans are underway for several important events to take place before Christmas. These events are: Annual meeting of council; W. H. D. Achievement Exhibit, 4-H Achievement and a Christmas workshop

The Friendship club has had some meetings during September. One was on sponge cakes, one on cookies and Tuesday they met in the Weldon Fikes home to work on a quilt that will be made and sold with the proceeds to go to their club. They have a new member too: Mrs. Will Percifull.

Mr. and Mrs. C. E. Johnson of Hereford, Texas are parents of a daughter born September 13. She has been named Janice Jan. Mrs. Johnson is the former Mary Pearl Bearden, the second H. D. A. of Coke County.

FRIENDSHIP WHD CLUB

The Friendship WHD club met Sept 22 at 9 a. m. with Mrs. Wanda Smith. Sunshine pals were revealed and new names drawn.

\$1.20 was made on the floating prize. Mrs. Roe and Mrs. Clark gave the demonstration on Refrigerator cookies and cookies made with a cookie press. They were baked and served with coffee and drinks to 11 members, 1 new member, Mrs. Jean Percifull, Mrs. Roe and 9 children.

A surprise Pink and Blue shower was given Mrs. Donald Maudlin by the club members.

An all day called meeting next Tuesday, Sept. 27, with a covered dish lunch, will be with Mrs. Weldon Fikes.

Members are to bring print and solid scraps to cut and piece quilt blocks. — Mrs. Pat Rives, Sec. & Treas.

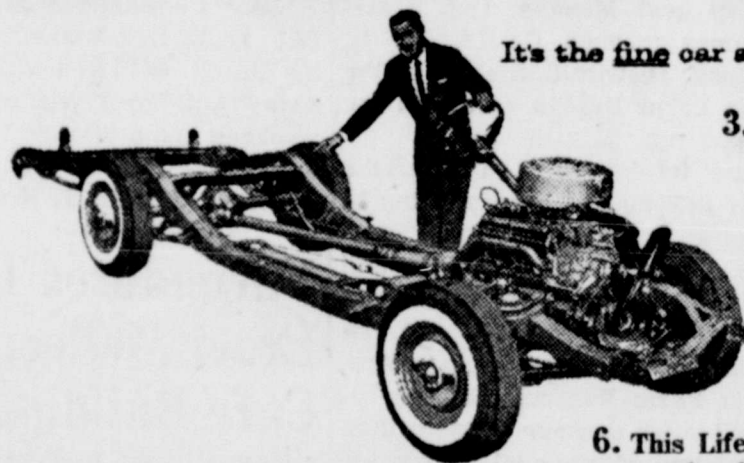

If You Don't Get the Observer You Don't Get the News

1. We'd like to show you some of the things that make the Ford one of America's finest cars . . . though it's one of the lowest-priced. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

Let's take a walk around the NEW '56 FORD!

It's the fine car at half the fine car price!

4. The new 202-h.p. Thunderbird Y-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-8 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.

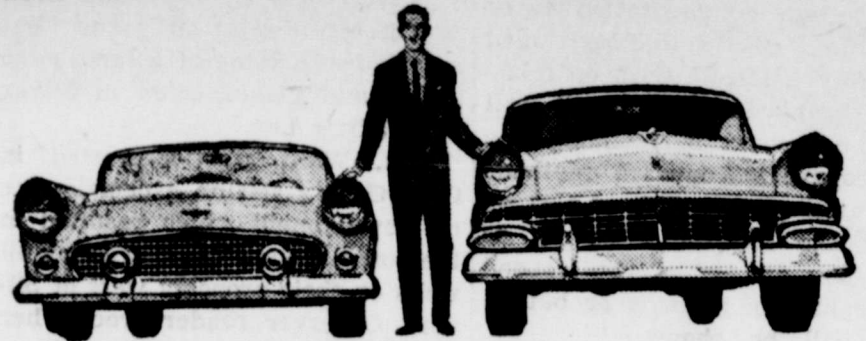

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing . . . to give you added protection in case of an accident.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. When you do, you'll know that Ford is the fine car at half the fine car price.

2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. Look at those broad, flat hoods, for example. Here is styling that will stay in style.

3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.

7. Here's Ford's new Lifeguard door latch. It is another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

IVEY MOTOR COMPANY

Robert Lee Methodists

World-wide Communion Day will be observed in the local Methodist churches at Robert Lee and Silver next Sunday. A service which in recent years has become a high point in the worship of thousands of churches around the

world, world-wide Communion seeks to cut across all racial, national and economic barriers and bring worshipers together on the common ground of Christian purity and love and brotherhood. It is the firm conviction of many today that in Christ alone is there found the saving grace and enduring principles which form the power and framework of world peace

and assure the continuing existence of our civilization.

In Methodist churches a part of the service will be the giving of a free-will offering which is to be used both in relieving hunger and suffering in poverty stricken areas of our world, and in supplying needs of chaplains in their work among men in the service at home and abroad.

The Observer, Robert Lee, Texas

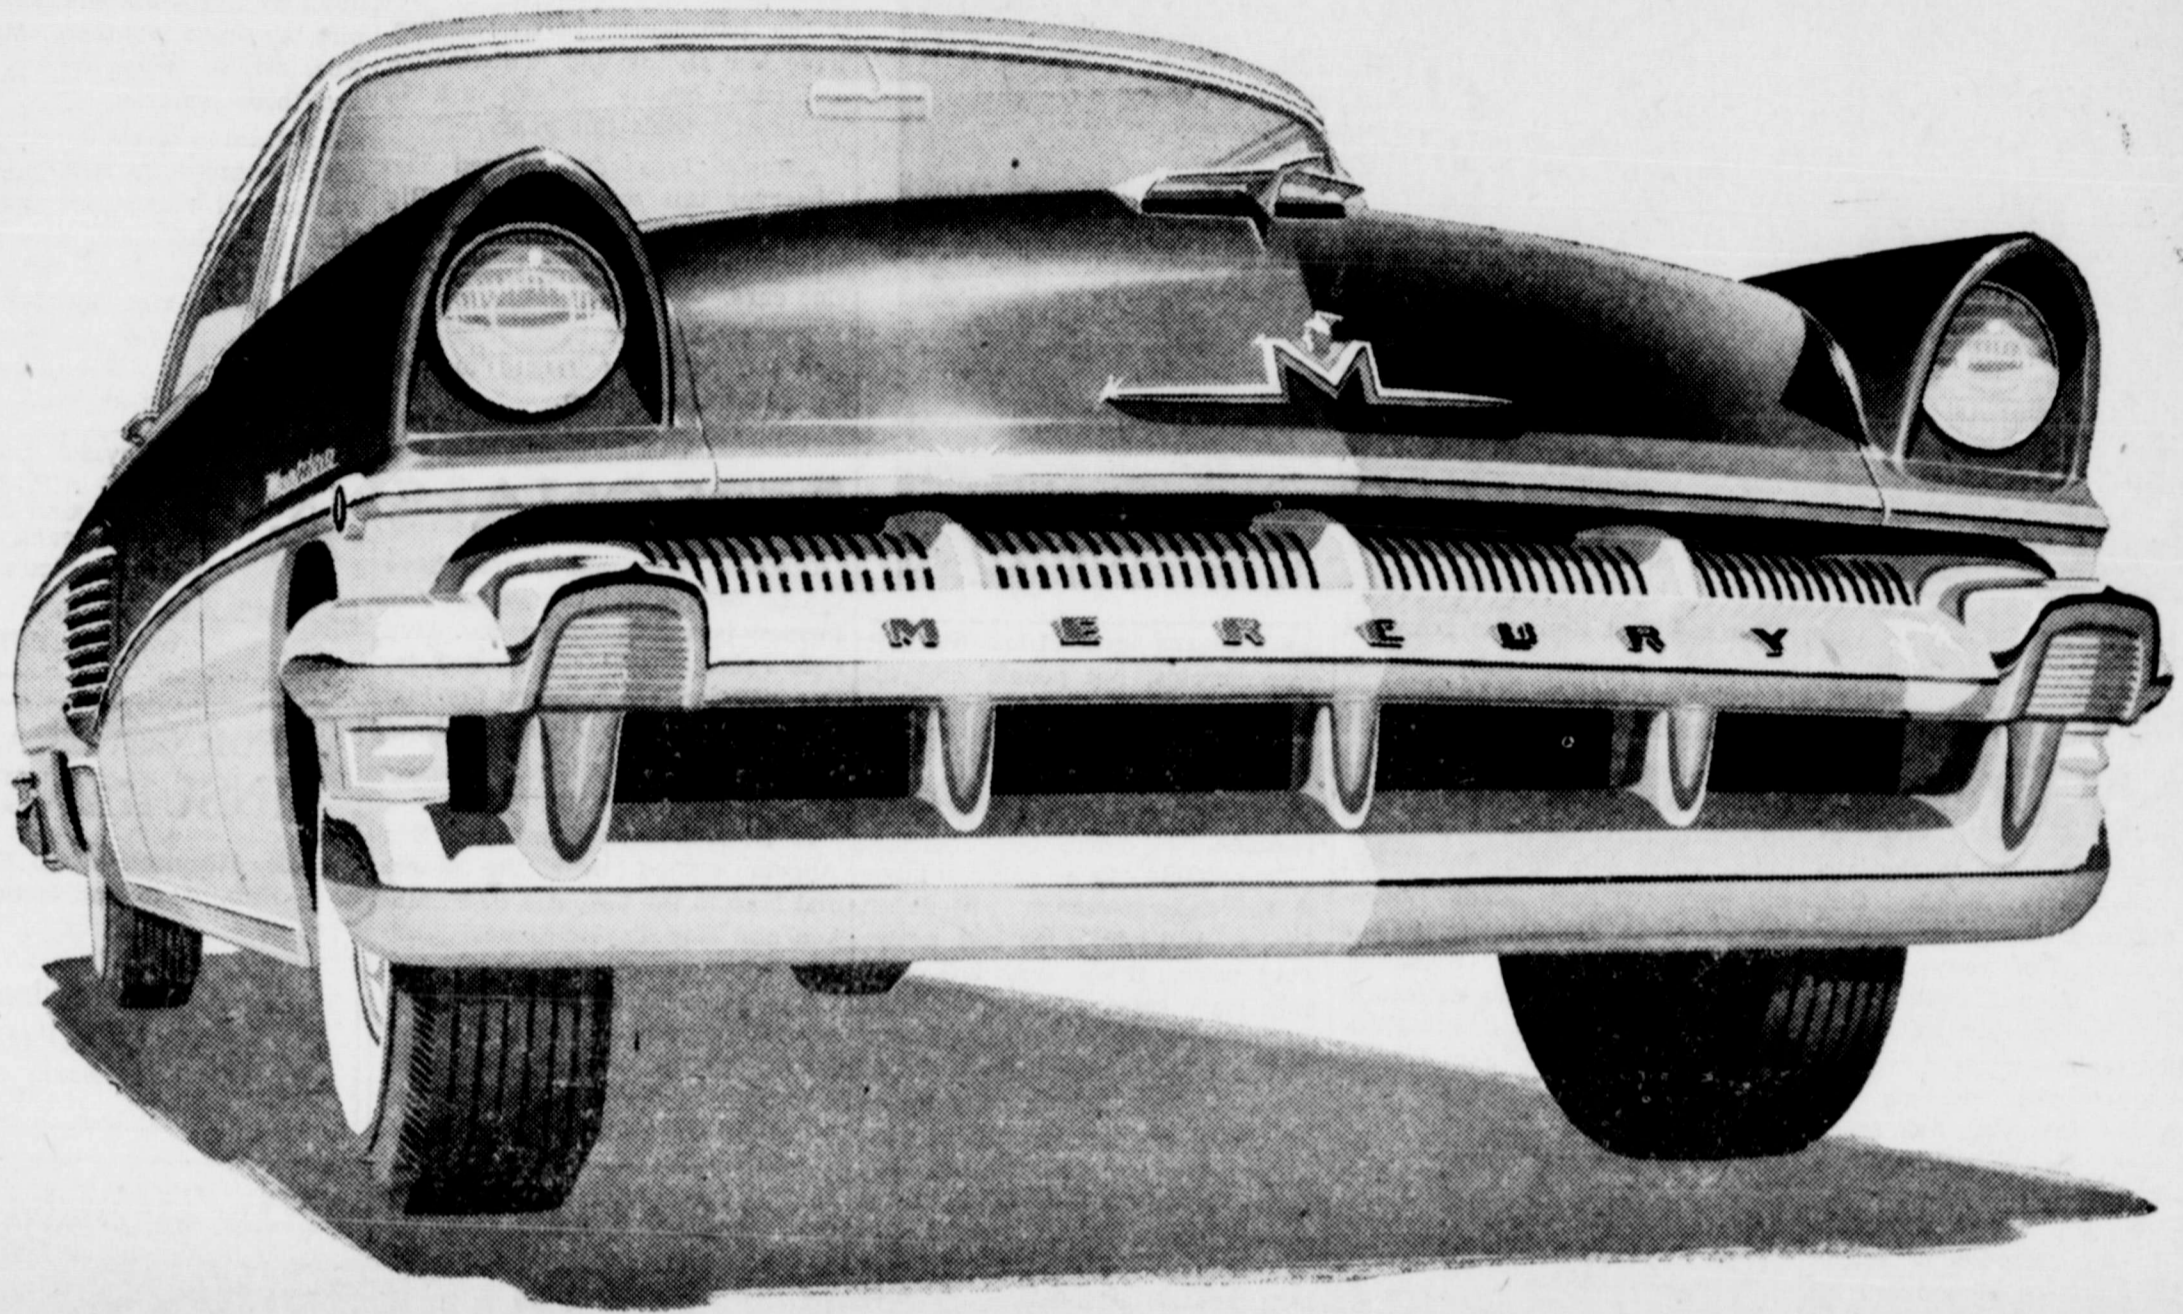

Sept. 30, 1955

FRESHMAN OFFICERS

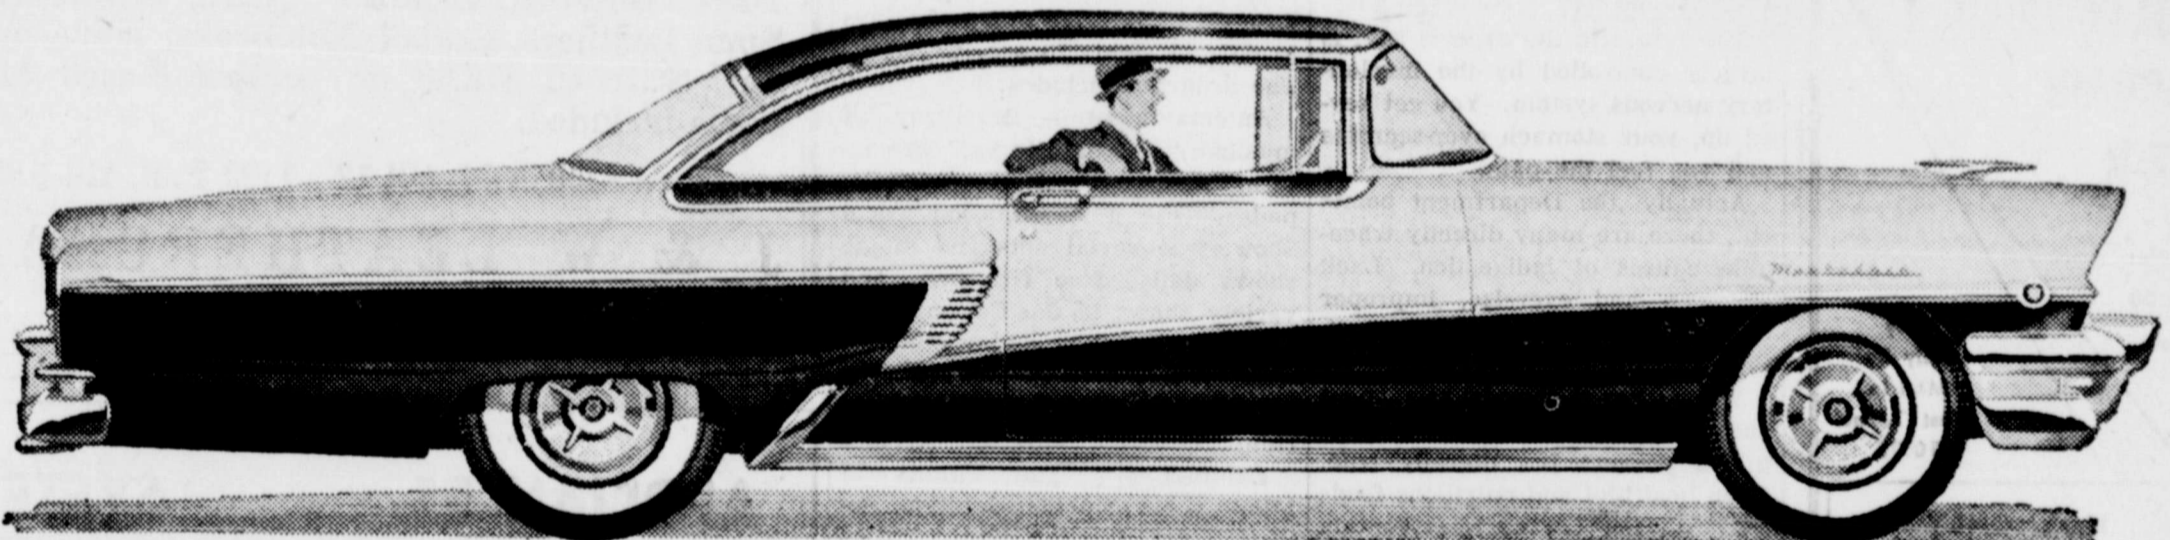

Robert Lee High School has an enrollment of 34 in the ninth grade this year. Officers of the freshman class are:
Sam Ed Skipworth, Pres.
Freddy McDonald, V.-P.
Kenneth June Sawyer, Secy-Treas.

Methodist Home Choir Back on Air

The Methodist Home Choir of Waco, Texas, returns to the airwaves at 8:15 a. m. Sunday, Oct. 2, and will be a weekly feature until Christmas. This year's series, "Bless This House," will mark advent of an entirely new programming technique for the choir. The boy and girl vocalists will sing old time favorites, folk songs and hit tunes, as well as their customary hymns and religious songs. By adapting this newer, wider approach in the selection of songs, the choir plans to bring more all around musical entertainment and enjoyment to their listeners.

For the first time this year the choir will be producing their weekly presentations from their new radio studio on the campus.

The choir, currently under the direction of Henry McDowell, has been broadcasting for seven seasons. Their new 15-minute series will be heard each Sunday morning at 8:15, beginning Oct. 2 and continuing until Christmas, over the following radio stations in this area: WFAA, Dallas, KFYO, Lubbock and KGKL, San Angelo.

Many Reasons Why One Has Indigestion

AUSTIN, July 21 — Some people react to the pressure of modern life like a stick of soft pine reacts to a wood rasp.

You probably recall days when an unexpected event, an accident of a brush with the boss, tied your stomach in a knot. You were suffering, the State Health Department says, from one of the more common forms of indigestion; nervous tension and excitement.

The stomach, the experts say, is largely controlled by the involuntary nervous system. You get keyed up, your stomach over-secretes and you feel the pain.

Actually, the Department points out, there are many directly traceable causes of indigestion. Lack of sleep and exercise, improper diet, and similar artificial conditions can bring it on.

You've heard the old saw about one man's meat being another man's poison? It's literally true. Even healthful and nutritious foods may rub you wrong. They contain organic acids which could upset the balance of your particular stomach.

Your favorite fruit may contain malic-acid, oxalic-acid, or citric acid. One or more of these may give you trouble, causing ungentlemanly or unlady-like belching.

Or the degree of ripeness of a fruit or vegetable may cause fermentation in the stomach bringing on unpleasant results.

Condiments or strongly flavored foods are other causes of indigestion. They often cause the stomach to secrete too much hydrochloric acid. In normal people

the stomach neutralizes what it over-secretes, but people with ulcers suffer painful "indigestion."

Greasy foods are particularly troublesome to people with malfunctioning gall bladders or liver diseases.

Tannic-acid can be found in three of the most commonly used hot drinks. And here's the last straw: Even water, if you drink lots of it, may start your stomach churning and pouring out its digestive juices.

In any case of indigestion, frequently taking baking soda to relieve it is a mistake, health men agree. The temporary relief may cause some sufferers to "play down" symptoms of a serious ailment, thereby causing him to prolong medical attention.

Big Features Planned For State Fair

All the ingredients for 16 thrilling days and 17 nights of big fun and excitement are cooking on the front burner for the 1955 State Fair of Texas, which will dish up its most impressive menu of things to do and sights to see, Oct. 7-23. The program includes:

Entertainment — Broadway hit musical "Pajama Game," the international edition of "Ice Capades," the Joie Chitwood Thrill Show, free aerial acts and magic shows daily, free fireworks and variety shows in the Cotton Bowl, the colorful million-dollar Midway, with its flashy "Sky Wheels" and "Dancing Waters," the Planetarium "Greatest Show off Earth."

Exhibits — "The Family of Man" photographic exhibition, color television on the giant theater-size screen, the Electric Show and its almost fully "automatic" kitchen, the International Center with exhibits of nine foreign countries, the Southwestern Automotive Exposition with most of the new 1956 model cars, the Women's Building free fashion shows and displays of traditional homemaking skills, The Agriculture Show's emphasis on information for the consumer, farm machinery as up-to-date as a new convertible, the Food Show with its "free lunch" sampling.

Livestock and Poultry — Beef and dairy cattle, swine, sheep and goats, Palomino and Quarter horses and Shetland ponies, chickens and turkeys presented in more than a thousand judging events in the Pan-American Livestock Exposition, the Junior Livestock Show and the Poultry Show, vying for nearly \$100,000 in premiums.

Football—Bigtime college games, high school, junior high and even pee-wee league contests in the mammoth Cotton Bowl, including SMU-Missouri Oct. 7, Texas-Oklahoma Oct. 8, SMU-Rice Oct. 15, Wiley-Prairie Oct. 17.

New Mercurys On Display At Ivey Motor Co.

New Mercurys for 1956 went on display here Thursday in the show rooms of Ivey Motors Company Robert Lee Ford and Mercury dealers.

The 1956 Mercurys are longer, have low styling and a distinctive exclusive beauty. There are 12 different models this year.

Cumble Ivey, Jr. advised The Observer this week that the Big Mercury for 1956 is really a magnificent value in the Ford family of fine cars.

Two models are being displayed and the public is invited to stop by and inspect them.

GREEN MT. HD CLUB

The Green Mountain Home Demonstration Club met in its regular meeting Tuesday, Sept. 20, in the home of Mrs. E. C. McArthur.

Mrs. Glenn Waldrop, president, called the meeting to order and recited a poem, "A Mother's Prayer," for the opening exercise. Roll call was answered with household hints by five members, three visitors, two new members, Mrs. Fay Roe, home demonstration agent, and three children.

Program was on Sponge Cakes, one was made by Mrs. Roe and it was served with punch and tea by Mrs. McArthur, and was enjoyed by all.

Recreation was by Mrs. Waldrop.

Next meeting will be Oct. 4 with Mrs. Joe Garvin as hostess.

Hayrick Lodge

No. 696 A.F. & A.M. Meets second Tuesday night in each month. Visitors welcome.

L. E. HEUVEL, W. M.
W. H. ALLEN, Secy.

PERSONALS

Carlton Fields and family have moved to Sterling City where the former is employed on the Alva Cole ranch. They are moving into a new modern home on the 10 1/2 section ranch, 16 miles south of Sterling City.

L. B. Mahon and family of San Angelo visited over the weekend here in the parental P. E. Mahon and Roy Taylor homes.

The 11 principal ports in Texas served by ship channels handled 141,000,000 tons of cargo in 1953, according to the Texas Water Conservation Association.

Notes From The Oil Field Union Gets Producer On Wojtek Lease

Union No. 3 F. C. Wojtek, 4 miles north of Robert Lee, has been completed for a daily flowing potential of 219.58 barrels of 43.1 gravity oil, no water, with gas-oil ratio 495-1.

Potential was based on an actual 10-hour flow of 109.79 barrels of oil through a 1/2-inch choke and perforations between 4,936-950 feet in 5 1/2-inch casing set at 4,989 feet, on total depth of 5,000 feet. Pay section was fractured with 5,000 gallons.

It is the fourth producer in the Munn (Canyon) field on Wojtek property, where J. B. Randle's No. 1 Wojtek discovery was brought in last December.

Two dry holes in the field were Union 1 Wojtek, south offset to the discovery, and Superior 1 Wojtek, a west offset. The latter was pumped several months as a small producer but was plugged Sept. 1.

Union got a fair producer east of its No. 1 dry hole. Randle drilled his No. 2, and both his wells have been reported as making their 100-barrel daily allowable.

Union No. 3 is a north offset to Randle 2.

Randle has an 80-acre checkerboard farmout from Union, which owns the 960-acre lease. Another drilling location has not been staked, but rotary equipment remains in the field.

Water Shut Off In McCabe Well

W. H. Black et al No. 1 Fred McCabe, wildcat 7 miles southwest of Robert Lee, pumped 84 barrels of new oil and no water in 21 1/2 hours early this week, and is still pumping. A potential test has not been run.

Production is from Palo Pinto perforations 5,462 to 5,470 feet.

Completion of the well should result in forced offsets on Sloan Boone on the north and Hugh Smith to the east.

The McCabe well is located in the northeast corner of Section 311, Block 2, H&TC Survey.

PERKINS-PROTHRO

Perkins-Prothro Co. of Wichita Falls completed No. 16-B J. W. Johnson et al, as a new producer 15 miles southwest of Silver in the Jameson-Strawn Field of northwest Coke County.

Location is in Section 68, Block 2, H&TC Survey.

Daily potential was 228.08 barrels of 46 gravity oil, flowing through a 12-64-inch choke with 250-300 pounds on casing and 1,275-1,500 on tubing. Flow was from 172 perforations at 6,898-6,990 feet. Gas-oil ratio was 1307-1.

HUMBLE PRODUCER

Completed in the Jameson Strawn Field was Humble Oil and Refining Co. No. 11 Lou E. Johnson Estate, 18 miles northeast of Sterling City and in Section 75, Block 2, H&TC Survey.

Daily potential was 120.57 barrels of 44.4 gravity oil, flowing through a 3/4-inch choke with 750 pounds on casing and 150 on tubing. Flow was from 48 perforations at 6,978-6,028 feet. Casing was set on bottom at 7,094 feet. Gas-oil ratio was 835-1.

A recent study of more than 1500 industrial plans over a 10-year period revealed that industries showing the greatest increase in employment also showed the greatest increase in use of water.

NOTICE OF SALE
THE STATE OF TEXAS
COUNTY OF COKE
Pursuant to an order of the Commissioners Court of Coke County, Texas, passed and entered on the 12th day of September, 1955, notice is hereby given that at 10:00 o'clock a. m. on the 17th day of October, 1955, in the Commissioners Court Room in the Soke County Court House in Robert Lee, Texas, J. W. Service, a special commissioner appointed by said court will hold and preside over a public auction and sale wherein the following described land, situated in Coke County, Texas, to wit: All of that portion of Lot No. 3 in Block No. 63 in the town of Robert Lee which is not within the right-of-way of State Highway No. 208;

Will be sold to the highest and best bidder.
Given under my hand this 16th day of September, 1955.
J. W. Service
Commissioner for sale.
Publish Sept. 23-30-Oct. 7

Harold Robertson, who is stationed at the Lubbock Air Force Base, came down for a weekend visit with his parents, Mr. and Mrs. J. W. B. Robertson. His brother, James, took him home Sunday night, accompanied by Mrs. S. Blair and her daughter, Mrs. Frances Greathouse. They visited Billy Greathouse, who is a student at Texas Tech.

Humble Broadcast to Describe 7 Games

Play-by-play broadcasts of six games involving Southwest Conference teams and the Texas Tech-Oklahoma A&M game will be sponsored this weekend by Humble Oil & Refining Co.

Texas faces U. S. C. on Friday night in Los Angeles. Ves Box and Coit Butler will be on hand to describe the game and color. Radio time will be 9:20 p. m. CST over WFAA-WBAP-570, Dallas-Ft. Worth-570; KRBC, Abilene-1470; K-CBD, Lubbock-1590; KPET, Lamesa 690. KECK, Odessa 920.

The SMU-Georgia Tech game Saturday will be broadcast from Atlanta, Ga., by Dave Russell and Stan McKenzie. Broadcast time will be 1:20 p. m. CST over KRLD, Dallas-1080; KTRH, Houston-740; KENS, San Antonio-680; KVET, Austin-1300; KAMQ, Amarillo-1010; KSEL, Lubbock-950.

Texas Tech and Oklahoma A & M's game Saturday will be described from Stillwater by Ray Cullin and Jack Dale. Radio time will be 1:20 p. m. over KLYN, Amarillo-940; KFYO, Lubbock-790; K-LVT, Levelland-1230; K V O P, Plainview-1400.

The Arkansas-TCU game Saturday will be described from Fayetteville, Ark., by Kern Tips and Jim Wiggins. Radio time will be 1:50 p. m. over WFAA-WBAP-820, Dallas-Ft. Worth-820; KPRC, Houston-950; WOAI, San Antonio-1200; KGNC, Amarillo-710; K-CBD, Lubbock-1590;

The Texas A&M-University of Houston game will be broadcast Saturday from College Station by Eddie Barker and Mike Mistovich. Broadcast time will be 7:50 p. m. over WRR, Dallas-1310; KLBS, Houston-610; KMAC, San Antonio-630; KFJZ, Ft. Worth-1270; KRBC, Abilene-1470; KBST, Big Spring-1490; KBWD, Brownwood-1380; K-GKL, San Angelo-960; KVET, Austin-1300; KSYD, Wichita Falls-990.

From Waco, the Baylor-Maryland game Saturday will be broadcast beginning at 7:50 p. m. Jerry Doggett and Eddie Hill will describe the action and color over: WACO, Waco-1460; KGKO, Dallas-1480; KXOL, Ft. Worth-1360; KTRH, Houston-740; KONO, San Antonio-860; KRIO, McAllen-910; KBOR, Brownsville - 1600; KFDLM, Beaumont-560; KTBC, Austin-590; KDUB, Lubbock-1340; KWFT, Wichita Falls-620; KSNY, Snyder-1450; KXOX, Sweetwater - 1240; KSEY, Seymour-1230.

The Rice-LSU game Saturday will be broadcast from Houston by Bob Walker and Alec Chesser. Radio time will be 7:50 p. m. over KPRC, Houston-950; WFAA-WBAP Dallas-Ft. Worth-570; KENS, San Antonio - 680; KSAM, Huntsville-1490; KEBE, Jacksonvill-1400; KOCA, Kilgore-1240; KRBA, Lufkin-1340; KMHT, Marshall-1450; KSOF, Nacogdoches-1230; KNET, Palestine - 1450; KRIS, Corpus Christi-1360; KOSY, Texarkana-790; KOGT, Orange-1600; KVIC, Victoria-1340.

Announce Rules For Distribution Of Polio Vaccine

AUSTIN, September 29—Pharmacists and physicians are key people in the State Health Department's intricate plan for insuring fair distribution of still-scarce polio vaccine.

The plan moved into high gear this week as Texas' 2,700 pharmacists were sent "vaccine usage" forms to be filled out and returned at weekly intervals to state health officials as a means of keeping tabs on every dose of the vital vaccine that is administered to a child of priority age.

"Priority age" is under 10, and pregnant women. It means that only persons in these categories will be eligible for shots. Health Commissioner Henry A. Holle said the priority group was extended from the 5 to 9 bracket because

health department records show the younger age group is most susceptible in Texas.

Best estimates of the number of eligibles set the figure at 2,185,95. Of that number 1,942,645 are children under 10. Both figures are based on a statistical analysis of the state population as a whole.

Here are the mechanics of the plan as established by Dr. Holle on recommendations of the State Polio Advisory Committee:

Vaccine manufacturers, by mutual agreement, will sell only to retail and wholesale pharmacists, rather than directly to physicians. Physicians will requisition from druggists on forms supplied by the State Health Department.

The forms, together with a summary of all vaccine distributed to local purchasers, will be forwarded each week to the Communicable Diseases Control Division at the State Health Department. Division personnel will use the information to keep a running check on where the vaccine is going, and

to do epidemiological studies on polio.

For the present, health department planners have decided to retain 17 per cent of vaccine shipments for public use, while 83 per cent will be released into normal commercial channels. These percentages are subject to change as conditions warrant, Dr. Holle has stressed.

Limited amounts of vaccine, part of the 17 per cent being held for public use, have already arrived at the State Health Department. Distribution to local health officials will begin after October 1, upon local request.

National authorities anticipate that the necessity for tight controls over the vaccine will end this winter.

"But until it does," Dr. Holle said, "cooperation between physicians, pharmacists, state and local health officials and the general public is imperative if vaccine is to go to those who need it most."

A Plan For Unity

Al Payne, Church of Christ

As the Israelite nation was gathered at Mt. Siani, Moses went up into the mountain and there God gave the law to His people, Exodus 19. As recorded in Exodus 25:40 and Hebrews 8:5 God said, "See that thou make all things according to the pattern shewed to thee in the mount." God provided the nation of Israel with a specific plan the instructions to "make all things according to the pattern." God has revealed a plan in the New Testament and it must be followed. "All things must be done according to the pattern." The topic under discussion being unity and the New Testament the inspired word of God, let us find God's plan for unity.

"Endeavoring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling. One Lord, one faith, and Baptism, one God and Father of all, who is above all, and through all, and in you all." Ephesians 4:3-6.

The one body is the church, Ephesians 1:22-23. The church must be united in organization and doctrine. There is only "one body" only one church that Christ will build, Matt. 16:18, and we must be united in the same body, the same church that Christ built or there will be division.

There is one Spirit that guided the inspired writers of the New Testament. This one Spirit is consistent and united. Those who are united in Christ accept the teachings of the one Spirit and believe

and teach the same doctrine.

There is also a united hope and that is eternal life, Mark 10:30. This life may be received by those that faithfully serve the Lord.

For unity to exist there must be a common source of authority. This authority must be the "one Lord". The Lord is our supreme ruler with all authority given by God.

One faith is also a necessity for unity. Sinners must hear the same gospel preached, believe the same thing and obey the same commands. After becoming a Christian there must still be the unity of faith.

The Bible tells us the purpose of the "one Baptism" and the way that it is performed. Any practice other than that given in the Bible is foreign from God, hence division. Baptism is total immersion, a burial in water, Romans 6:3-4; Col. 2:12.

By accepting "one God" and worshiping God in the prescribed manner given by Him we may be united. Our worship must be in spirit and truth, John 17:17. As God has directed in His "truth," we must obey.

Unity is found in God. Those united in God believe and practice the same doctrine. Unity is possible and necessary to please God. God has given a plan and our goal is to follow that plan.

Mrs. W. B. Bessent and son, Ona, were recent visitors in the L. W. Welch home at Kerrville and were present for the big house warming given for the Welch family. Mrs. Welch is the former Ruby Bessent.

FFA Will Sell Magazine Subs

On Friday Sept. 30 the Robert Lee FFA Chapter is starting their annual drive for magazine subscriptions, through the cooperation of the Crowell-Collier Publishing Company.

This is the 3rd year that this project has been conducted through the Robert Lee FFA Chapter. The profit from this year's program will be used to buy needed FFA equipment, support the organization, furnish awards for deserving students, finance a parent son banquet, pay expenses of district winning judging teams, and pay necessary operating expenses.

Last year the chapter earned \$150 as their share of the sales program. The money was used to finance such activities as the awards for outstanding boys, father-son banquet, officer and delegate expenses to conventions, pay necessary judging team expenses etc.

The list this year contains approximately 100 National Magazines which are known favorites in the home. Some of the outstanding magazines offered are American, Colliers, Woman's Home Companion, Life, Look, Fortune, Mc-Calls, Seventeen, Charm, Better Homes and Gardens, Popular Mechanics, etc. Your attention is called to the "Big Three Special" offer. This offer embraces three National magazines for the price of \$6.00. The profit on this offer is 50%; therefore only one dollar is returned to the company for each magazine.

This project offers our school and community many benefits besides the 30 to 50 percent that is made on the sale of them. Outstanding are the educational opportunities whereby our students can learn to present themselves as salesmen to the people in the community and likewise make your acquaintance.

Likewise because of this project our town is protected from groups of itinerant (and sometimes unscrupulous) agents who make their way periodically through the

The Observer, Robert Lee, Texas

Sept. 30, 1955

community as it gives our citizens a chance to purchase their magazines in the manner that they wish through a source they can trust and still have the satisfaction that 30 to 50 percent of their magazine dollar is remaining right here in Robert Lee. Guaranteed delivery of all subscriptions is made by the Crowell-Collier Publishing Company.

The Robert Lee FFA Chapter will try to give you the best service possible and your cooperation will certainly be appreciated.

SCHOOL BAND OFFICERS
New officers of the Robert Lee High School Band have been announced as follows:

Land Owners of Zone 2 To Elect Representative

The land owners of Zone 2 of the Coke County Soil Conservation District will meet in the Bronte City Hall, Tuesday, October 4, at 8 p. m. to elect a supervisor to represent them the next five years, according to W. C. Shamblin. All landowners, both men and women, should be present to vote, Shamblin said.

Zone 2 of the district includes the same area as covered by the county precinct No. 2.

"Landowners in Zone 2 as well as elsewhere should give some thought as to what will happen in the next five years," Shamblin said. "Many problems facing the landowners will need to be solved soon. Some very important problems facing landowners include water and its related influence upon mankind. Watershed protection and flood prevention on the Kickapoo Creek is another related water problem that will receive a lot of attention within the next year," Simpson continued.

Marvin Simpson cooperating with the Coke County SCD is now installing about 50 acres of level border irrigation on his ranch 4 miles west of Robert Lee. The system was designed and layed out by the technicians of the Soil Conservation Service. Other district cooperators planning to install level borders irrigation systems include Dee Smith, Fred L. Rae, Jr., Clark and Vernon Glenn plan to put additional land under irrigation this winter.

Bernard Petty has completed seeding 32 acres of cover crops. A mixture of oats, vetch and sweet clover was seeded to provide cover, protection and improve soil structure. The seeding of cover crops is a part of Pettys' complete coordinated soil, water and plant conservation plan being applied as a district cooperator with the Coke County Soil Conservation District.

Mr. and Mrs. Virgil Duncan of Big Lake and Ray Stewart of Lamesa visited among relatives and friends and looked after business matters in Robert Lee last week.

FRIENDSHIP WHD CLUB

The Friendship WHD Club met Sept. 22 at 9 a.m. with Mrs. Wanda Smith.

Sunshine Pals were revealed and new names drawn. \$1.20 made on Floating Prize.

Mrs. Roe and Mrs. Clark gave the demonstration on refrigerator cookies and cookies made with a cookies press. They were baked and served with coffee and drinks to 11 members, one new member, Mrs. Jean Perciful, Mrs. Roe and nine children.

A surprise pink and blue shower was given Mrs. Donald Mauldin by the club members.

An all day called meeting will be held next Tuesday, Sept. 27, with a covered dish lunch. Mrs. Weldon Fikes will be hostess.

Members are to bring print and solid scraps to cut and piece quilt block.—by Mrs. Pat Rives, secretary.

MOONBEAMS 4-H CLUB

The Robert Lee Moonbeams met Wednesday and selected the following officers: President, Mary Francis Wylie; vice president, Mary Beth Schooler; secretary, Martha Humphreys; reporter, Gayle Lewis; song leader, Jerry Dale Sparks; recreation leader, Annice Gartman.

All girls between the 7th and 12th grades who wish to become 4-H club members are urged to attend the next meeting. — Gayle Lewis.

George Henry writes his parents, Mr. and Mrs. E. F. Henry, that he is making it fine at Lackland AFB near San Antonio where he enlisted in the Air Force three weeks ago.

BCD LUNCHEON

Semi-monthly meeting of the Robert Lee Board of Community Development took place Wednesday noon at the Henry Childress Barbecue. President Victor Wojtek presided. Arthur Sitas of San Angelo, veterans service officer for Coke, Tom Green and Irion counties, was present as a guest.

Weldon Fikes recommended the following appointments to handle Boy Scout work in the community. The BCD is the sponsoring organization and these appointments were confirmed by a unanimous vote:

Cub Scouts—A. V. Sheppard, representative, H. S. Lewis, Jr., Melvin Krall, C. A. Dukes, Warren Ellis, Bob Fields, Weldon Fikes.

Boy Scouts—J. E. Quisenberry, representative, Jack Gray, A. M. Tubb, Bruce Allen, Dick Skipworth, Fred McDonald, Curtis Walker.

Financial Campaign—J. E. Quisenberry, chairman.

Owen Cosgrove returned Thursday to his home at Stratford after a few days visiting Robert Lee. His wife, the former Martha Sue Richardson, will remain for a longer visit with her parents, Mr. and Mrs. T. A. Richardson. Former minister of the Robert Lee Church of Christ, Owen now has a church at Stratford and likes his work there very much.

Sterling Man Gets First Free Hunting License

(Sterling News-Record)

R. P. Brown, perennial hunter, got the first exempt hunting license in Sterling County this year. A law passed by the last Legislature makes hunting licenses free to hunters over 65.

Mr. Brown first went deer hunting in 1905 in Coke County. On that hunting trip with him was the late J. Q. McCabe, the late Temp Whiteside and the late J. I. Murtishaw. He killed his first deer in Coke County in 1907.

With few exceptions, Brown has been deer hunting every year since 1905, including last year. He got his largest deer in 1953, which dressed out around 250 pounds, he estimated.

The two best hunts that come to Mr. Brown's memory are ones that happened in the Big Ben Country. In 1915 his party got four deer on the first day of hunting. In 1925 there in the Delaware Mountains his party got five deer on the first day of hunting.

The picture above was taken by Lowe Slaton of San Angelo, his hunting partner of 42 years after a hunt in Presidio County in 1950. The two plan to go again this year.
