

MRS. EENY BOWDEN WITH HER NEW BOOK, 'THIS LAND WE HOLD' ... In background: cowboys and cattle on the Running Water Draw

Sunnyside's rich past portrayed in new book

THIS LAND WE HOLD. By Ernestine Loudder Bowden. Non-fiction. Nortex Offset Publications, Inc., Wichita Falls. 402 pp: \$12.95.

By DON NELSON
Sunnyside probably has more history per square acre than any other crossroads community in the Panhandle. This history has now been preserved between hard covers in "This Land We Hold," by Mrs. L. B. "Teeny" Bowden, the New's Sunnyside correspondent.

The book officially goes on public sale today (Thursday) at an autograph party for Mrs. Bowden at the Castro County Library. Sponsored by the Friends of the Library, the party will be from 2 to 5 p.m. The author will be on hand to autograph all books purchased today. Also, pre-publication buyers who already have received their copies in the mail may bring them in today for autographing.

"This Land We Hold" traces Sunnyside's history from the days when Coronado is believed to have ridden across it in 1540 in search of the fanciful cities of gold; through the next three centuries, when the Comanche stalked buffalo along the Running Water Draw; to the historic land transactions that led to the establishment of the famed XIT Ranch in return for money to build the Texas State Capitol; to the coming of land promoters in Pierce Arrows and farm families in wagons; to the establishment of farms, schools and churches; to the steady growth of the community with a healthy balance of crops, cattle and water; to the community's first-place state victory in the Texas Rural Neighborhood Development Contest of 1953; to the devastating tornado of 1960 and the determined rebuilding that followed; to the purchase

of the new community building last year.

The book, of course, doesn't restrict itself to the boundaries of Sunnyside, for the community's past is enmeshed with that of Castro County, the XIT, the Flagg Ranch, Hart, Springlake, the old Cleo and Mulkey communities, the state, and all the territories from whence Sunnyside's people came.

By tracing the growth of Sunnyside and bringing in the forces and events that have affected the community, Mrs. Bowden gives us a new insight into the history of the Panhandle itself, and the role our area played in the history of Texas.

In the first two well-researched chapters, "Early Day Beginnings" and "The XIT Ranch," a student can glean as much historical perspective of the Staked Plains as he could get in a semester of lectures. And the person who considers himself a historian will learn, in these chapters, a thing or two he didn't know about our land and its past.

BEFORE this book, I imagine that only Mrs. Bowden, the Ramey twins, Hazel Merritt, Lillamae Hunter, Bob Huckabay and a few of our more knowledgeable pioneers realized the full impact which the

XIT Ranch had on the history of the Sunnyside community and our county.

Mrs. Bowden traces the XIT's history from its start in 1882 right down to the fences along the farms of W. E. Loudder, Ezell Sadler and the Scogginses. These fences once lined the XIT's Springlake Division, where Will Rogers worked as a youth.

After the first two stage-setting chapters, the rest of "This Land We Hold" is the story of people—those who homesteaded Sunnyside and all who came later—and of the progress they have made along the historic Running Water Draw. Separate chapters are devoted to George Abbott, Other Community Pioneers, Sunnyside School, Baptist Church, The Tornado, and Later History.

MRS. BOWDEN has lived in Sunnyside since she was 6 years old, having come to the community with her parents, the Ernest Loudders, when they (See SUNNYSIDE, Page 4)

It's Homecoming at Nazareth High

This is Homecoming Week at Nazareth High School, with a full schedule of events on tap from today through Sunday.

THE ANNUAL Homecoming Pep Rally will be at 7:30 tonight (Thursday) at the football field, with a Spirit Queen and King to be crowned. There will be no bonfire with the rally, according to Supt. John Slavik. The Homecoming Queen will be announced and crowned in 7:15 Friday night at Swift Field. Then at 7:30 the Swifts will meet the Turkey Turks in a conference football clash.

Baked ham, homemade breads and pies will be on the menu when the annual Homecoming Dinner is served in the school cafeteria Sunday, starting at 11:30 a.m. An open house with tours of the school facilities will follow the dinner.

Youths to march for CROP Sunday

Dimmitt youths from all churches will trick-or-treat for the Christian Rural Overseas Program (CROP) Sunday afternoon to help alleviate hunger in the world.

ALL YOUTHS wishing to participate in the project should meet at the First United Methodist Church at 1:30 p.m. The uncostumed collectors will go door-to-door in the city from 2 to 6:30 p.m. All youths working on the Halloween project will either be wearing arm-bands or carrying envelopes or canisters identifying them as CROP trick-or-treaters.

All money collected will go into the Christian Rural Overseas Program, to be used for the purchase of surplus foods for free distribution overseas.

Man loses leg in corn header Sunday night

Harold Wayne Kniffen, 28-year-old farm worker from Clyde, lost his leg Sunday night when he was pulled into the front auger of a corn header near Hart.

THE TRAGIC accident occurred about 8 p.m. on the Theron Morrison farm, four miles east of Hart. Deputy Sheriff Granville Martin said Kniffen was trying to unclog the corn attachment on a combine when he fell into the auger. His entire leg was cut off as he was pulled into the auger blade.

Hart welder W. T. King had to cut the auger in half with a torch before Kniffen could be pulled from the machine, Martin said. Morrison, Ed Bennett, an ambulance team from Parson Funeral Home in Olton, and several others helped get Kniffen out of the auger assembly, Martin said.

The injured man was taken to a Plainview hospital for emergency treatment, then was transferred to Methodist Hospital in Lubbock, where he is now in the intensive care unit. Hospital officials listed his condition as critical Wednesday morning.

DHS yearbooks are available

Dimmitt High School's 1970-71 yearbooks are in, and may be picked up at the DHS principal's office.

THE YEARBOOKS were released to current students Wednesday morning before classes. Principal Robert Ryan said 1971 graduates and others who ordered yearbooks may pick up their copies, or arrange to have them picked up, at anytime during normal school hours.

F. U. Jackson, 68, dies Sunday

Francis Ulysses Jackson, 68, retired Dimmitt farmer and businessman, died at 3 p.m. Sunday in Amarillo's Northwest Texas Hospital.

FUNERAL services were conducted at 2 p.m. Tuesday in the Northside Church of Christ, with D. C. Lawrence of Lubbock and George Howell of Dimmitt officiating. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

Born Feb. 7, 1903, in Breckenridge, Mr. Jackson had been a Dimmitt resident since 1939. He operated a farm and a dry-cleaning business here before his retirement.

He is survived by his wife, Ivy, of the home, 209 NW Fourth St.; two sons, Kenneth of Dimmitt and Bo of Kansas City; two sisters, Mrs. Bess Bowerman of Las Vegas, Nev., and Mrs. Eva Morality of Albany, Calif.; two brothers, Ross of Evenshade, Ark., and S. D. of Dalhart; and eight grandchildren. He was preceded in death by one son, Francis Lee, in 1957.

Active pallbearers were Edd Wilson Jr., Bill Birdwell, Clarence Bearden, Gary Moore, Buck Gross and Carlos Calvert.

Wreck victim's leg is amputated

Fred E. Wail of Dimmitt was scheduled to have his right leg amputated Wednesday at Lubbock's Methodist Hospital as the result of a recent auto accident.

THE LEG was almost severed in a broadside collision Sept. 30 on US 385, six miles north of Dimmitt. Wail's wife, Georgie, and Truman Lewis Riddle of Lubbock also were injured in the accident.

Physicians worked for more than three weeks to save Wail's damaged leg, but determined this week that amputation would be necessary. Wail is in Room 208 in Methodist Hospital.

Four carnivals coming up

Community Halloween carnivals are on tap this weekend in Dimmitt, Hart, Nazareth and Easter.

DIMMITT'S carnival, sponsored by the Lions Club, will be held Saturday night at the Panhandle Compress & Warehouse on East Hallsell Street, starting at 7 o'clock.

Jody Minnick, carnival chairman, said the carnival will have 27 game and food booths—seven more than last year.

Admission will be 25 cents per person except for pre-schoolers, who will be admitted free. Door prizes will be awarded every 30 minutes during the evening.

ALL CHILDREN in costumes will be given number badges, and judges will look them over during the carnival and pick out prize winners, whose numbers will be announced over the public-address system.

Organizations and the concessions they will operate include: Dimmitt Lions Club; shooting gallery, bean bag toss; Junior High Senate; milk bottle throw.

Seventh Grade: ring a Coke Eighth Grade: cake walk, wet sponge throw.

FRESHMEN: jail house, buried treasures.

Sophomores: pie walk. Juniors: concession stand.

Seniors: string pull, dart board, duck grap.

Industrial Arts Club: nail driving, pool ball game.

Spanish Club: coin pitch. Pep Club: fishing well.

Future Teachers: fortune teller, shave-a-balloon.

THESPIAN and Forensics Clubs: pie throw.

Annual staff: bean guess. Art Club: coin drop.

Jaycees: dunking board. Ladies' Golf Association: putt-putt.

When he toured Dimmitt Agri Industries' corn wet-milling plant Friday, Congressman George Mahon learned that the plant's products are now being shipped to 60 cities in 20 states.

THE VETERAN Democratic congressman from Lubbock was on a quick foray through several of the counties that will become part of his newly enlarged district next term. Court-ordered redistricting has taken Castro County out of District 13, now represented in Congress by Bob Price of Pampa, and placed it in Mahon's district for the 1972 elections.

Accompanying Mahon on his trip were Ray Joe Riley of Sunnyside, president of the 25,000-member Plains Cotton Growers, Inc., and Carl King of Dimmitt, chairman of the Castro County Democratic Executive Committee.

Although Mahon had only an hour for his unannounced sidetrip to the Dimmitt mill, he liked what he saw here.

"WITH OUR new district, we've got greater diversification with the mill here, oil in Odessa and Midland, and the textile business here and there," Mahon said. "We're moving out of an agricultural economy to a more diversified one—which we have to do."

Hosting Mahon on his tour of the plant here were Jim Harsh and Jay Olmick of Dimmitt Management Co.; Bill Clark, elevators manager for Dimmitt Agri Industries; and Carl King, T. G. McKinney, Jerome Brockman and George Sides, officers of Dimmitt Agri Industries; and Barry Love, plant manager.

They explained that the mill is on schedule with its production, is selling all it can produce, and that manufacturing

costs "are well within our original projections."

THEY ALSO told Mahon that the modern plant's productivity per employee runs four times as much as in a conventional plant. The cooperative employs 90 to 120 in all departments, depending on the season, and has an annual payroll of approximately a million dollars.

The mill and refinery are producing five different corn syrups, four types of starches and four basic by-products—steep water, bran, germ and gluten. Corn products from Dimmitt are now being used in 20 states in the manufacture of corrugated and fine paper, textiles, candy, jams, jellies, preserves, canned fruit, breads and cakes, livestock and poultry feed, and cooking oil.

MAHON ALSO learned that the Camel Candy Co. of Amarillo is now combining syrup from the local plant with sugar from the Holly Sugar Co. plant in Hereford to produce "home grown" hard candies. The Amarillo firm is now making ribbon and stick candy for the Christmas season, using the locally process syrup and sugar.

"By-products of the plant were a major concern originally," Olmick said. "We didn't know how much of our by-products we would be able to sell. But our sales manager has told us he could sell twice as much by-products as we are producing."

HOW ARE the plant's four by-products being used? Olmick and Harsh explained that the steep water is going into a liquid feed supplement for cattle; the bran is going to feedyards; the germ is being shipped to Levelland for processing into corn oil; and the gluten (protein) is going into poultry feeds to produce a pleasant yellow skin color in chickens and a darker yolk in eggs.

"We are also considering processing some of our steep water for pharmaceutical uses," Olmick said. "It is used in the manufacture of antibiotics, for fermentation in the culturing of molds."

Paving of the plant site has been approved by the DAI board and the project is expected to start about Nov. 1. "As soon as our paving is completed, we'll have our formal dedication and open house," Olmick said.

FANNING THE FLAMES of enthusiasm during the Dimmitt High School's big Spirit Week bonfire and pep rally last Thursday night, cheerleaders whip up a yell amid the heat of the blaze and the big sound of the Bobcat Band. More

than 500 students and parents joined in the hour of fun and noise. Seniors Jane Ann Mooney and Rick Bell were crowned Flame Queen and King during the rally.

"We're not going to keep after you to make candy," Mrs. Welch said. "We decided this year we'll just send what we get, dividing it up as evenly as possible."

Now to Nov. 15 — \$350 in donations needed to pay for postage and packaging. Money may be deposited at the First State Bank of Dimmitt for the Castro County Candy Project.

MONDAY, Nov. 8 to Friday, Nov. 12 — Deliver homemade candy to the Castro County Farm Bureau office in Dimmitt. Pieces should be wrapped individually and packed in one-pound coffee cans, with a slip

bearing the name and address of the candymaker in each can. Cans should be cross-taped with masking tape.

Week of Nov. 15 — Ladies to gather at Farm Bureau office to pack and wrap boxes of candy for shipment.

The Bethel Home Demonstration Club is coordinating the county-wide candy project again this year. Chairman is Mrs. James Welch.

"WE'LL NEED approximately 350 pounds of homemade candy," Mrs. Welch said, "and we're asking for help from all groups, clubs and individuals to make the project as successful this year as it has been in the past."

Last year, she said, 79 Castro County servicemen throughout the world received 386 pounds of Christmas candy—an average of almost five pounds apiece.

Braddock's Grand Champion Brown Swiss bull was V. B. Crescent Souvenir, which also was named the senior champion bull and first place bull three years or older. The prize bull also placed first in the junior get-of-sire class.

HIS GRAND Champion female was Brad-Lou Candy, which also won the senior female championship and first place in the aged cow class.

Exhibitors show 11 State Fair champions

Junior and senior exhibitors from Castro County racked up three grand championships, six reserve and class championships and two special awards with their show animals at the State Fair of Texas in Dallas.

THE HONORS came in the swine division of the State Fair Junior Livestock Show and in the Brown Swiss dairy cattle division of the Pan-American Livestock Exposition. Castro County brought home grand championships from both shows.

All the county's Brown Swiss championships were won by Vincent Braddock and his son, Duane. Braddock was named the premier breeder and premier exhibitor of the Brown Swiss division. His son exhibited under the banner of the Nazareth FFA.

In the Junior Livestock Show, youths representing the Hart FFA, Nazareth FFA and Castro County 4-H captured four championships in the swine division and one in dairy cattle.

White barrow. The six-month-old barrow weighed 208 lbs. and brought 50 cents per pound in the sale.

JIM TUCKER of the Hart FFA exhibited the reserve champion Duroc barrow, a 241-pounder. Tucker, 15, is the son of Mr. and Mrs. Lanny Tucker.

Other county youths who placed with their barrows in the State Fair Junior Livestock Show were:

—Ricky Black, Hart FFA, fifth place middleweight Berkshire.

—Dean Hill, Castro County 4-H ninth place light Chester White.

—Steve Cox, Hart FFA, 15th place Duroc.

—Alan Shive, Hart FFA, 25th place Crossbred.

DUANE BRADDOCK, member of the Nazareth FFA, showed the Grand Champion heifer of all classes in the Junior Livestock Show's dairy cattle division. His heifer, Brad-Lou S Daisy Mae, a Briwn Swiss senior yearling, also placed first in her class and was named the reserve junior champion female in the Pan-American Livestock Exposition's Brown Swiss division.

In the junior show's lamb division, Jim Tucker showed the 29th place Hampshire wether and Gary Hart exhibited the 25th place Southdown wether.

VINCENT BRADDOCK, one of the Southwest's top Brown Swiss breeders, carried several truckloads of dairy cattle to the Pan-American Exposition—and almost needed another truck to bring home his trophies and banners.

Competing against top Brown Swiss breeders from Texas and Illinois, Braddock showed the senior champion and grand champion Brown Swiss bull, senior champion and grand champion female, highest-producing cow, first place dairy herd, best three females, best senior get-of-sire, and 23 others that placed high in their classes.

Braddock's Grand Champion Brown Swiss bull was V. B. Crescent Souvenir, which also was named the senior champion bull and first place bull three years or older. The prize bull also placed first in the junior get-of-sire class.

Highest producing Brown Swiss cow in the Pan-American Exposition was Braddock's Brad-Lou D. Clarice, Champion in the senior get-of-sire class was Brad-Lou Kayak's Frisky.

Braddock herd entries also placed fifth, eighth and 10th in bull calves; third, fourth and eighth in yearling bulls (the eighth place bull being a Braddock-herd product owned by Hubert Backus); third and eighth in heifer calves; second and fourth in junior yearling heifers; third in junior get-of-sire; fifth and sixth in aged cows; second, fifth and sixth in four-year-old cows; second in three-year-old cows; first in two-year-old cows; second in senior get-of-sire; and second and fifth in produce of dam.

'Halloween Capers' to be theme of carnival Saturday

By MYRTLE SHEFFY
'Big doings' in Dimmitt Saturday evening at the big cotton compress on the north side of town. 'Halloween Capers.'

There will be all kinds of booths run by spooks. The Jaycees and other service clubs will have 30 or 40 things going, such as a dunking booth. The Cleveland will sponsor the senior high school Ralph and Avis Smith have the junior class, the Future Teachers of America have a booth as does Mrs. Broderson's art class. Take the children out to the carnival. Keep them off the streets. 'Let's all go!'

LAST WEEK the Dimmitt School was very busy, what with decorating the halls for Spirit Week or Homecoming. The senior class won first prize. I missed the big bonfire. The I heard though, Roy McElroy gave the senior class the old windmill to burn. The Ramey twins built this tower for the well in 1921. Don Carpenter, and Donald Wright helped pull it up with Dan Nelson and his drilling rig to help. They loaded this on Gary Webb's big truck (his dad Carroll Webb's). Other senior boys helping were Santos Perez, Max Hastings, Andy Mays, Rick Bell, Bo Myers and others whose names I didn't get.

And on Friday night the big football game with Littlefield. We didn't win, but they tried. After the game the kids all went to South Grade Cafeteria for the homecoming dance, (or spirit party) Sponsors were June and Ronnie Parker, Nancy and Brooke Alexander, the Duboses, the Robert Ryans, the Terry Ellisons, and Ralph and Avis Smith, the Kenneth Cleavelands and some parents. I hear it was a good fun get together. Home from afar were Max Newman from Stephen F. Austin College at Nacogdoches, Debbie Underwood from Baylor, Shannie Burrows from the University of Texas at Arlington, David and Brenda Land, Jerry and Vicki Birdwell. Playing

for the school dance were 'The Passover' group from Lubbock. Did they get their name from Exodus in the Bible? You know the story in Egypt.

OH YES, the service clubs and schools working for the Halloween Carnival will use the money to pay expenses of a student to go to Washington, D.C. to study our national government taught by some of the top people there. I will tell more later.

Another important thing at school—the senior pictures were made and Jane Ann Mooney, Meri Kirkpatrick and Delores Waggoner were in charge. The girls were wearing a feather collar. Won't that be a pretty accessory? The pictures are made by Marquis Studio in Oklahoma.

Mr. and Mrs. Kenneth Cleaveland, and children went to New Mexico last week. They went to Cowles. That is up the Pecos River, a deep valley, high mountains and very beautiful with much color in the trees, and to Santa Fe. They saw the old square, some of the churches, but hurry, hurry, on to Taos. That is a big art center and the Indian village north of town. I forget what else they saw.

MRS. JIM Cleavinger, sons Tom and Jim visited her mother Mrs. Garland Lewis at Nolan, near Sweetwater. The boys mowed the lawn, among other things.

We are sorry to learn of Woody Williams' death. He was pastor at Flagg when a very young man. He and Catherly and children lived in Dimmitt and drove out to the country churches on different Sundays.

LINDA WISE was the surprised birthday girl Friday when her mother baked a cake and asked several friends in for supper and to spend the night. I would say a "slumberless party." Guests were Beth Cleveland, Joyce Wooten, Sharla Burrous, Nita Parker, Melonie Nelson, Brenda Underwood, Laurie Langford, La Wanda Murphy of Abilene, and Cindy Sides.

Mr. and Mrs. Gig Howell of Muleshoe were Sunday guests of daughter Marie and Dale Winders and daughters Vicki and Marla. They attended the services with the Methodists.

THE BETA Sigma Phi ladies were hostesses at a very nice harvest hoe down at the cotton compress Saturday evening, music, food, conversation, and dancing were the things. The hall was decorated with pumpkins and fall leaves.

Bob and Helen McLean are home from San Francisco, where they attended a Bankers Convention. Helen says there were 14,000 bankers and associates there and you couldn't get a cab to go places.

Jeannine and Ira Wimberly went to the farm near Abilene Saturday, always chores to do. They are putting in a sprinkler system on the grass. Pretty country there when it rains.

Mrs. J. C. Mays visited her son Billy and his wife Sharla in Lubbock.

JERRY AND Vicki Birdwell and David and Brenda Land, all of WTSU in Canyon, were in Dimmitt Friday night for the supper and ball game. David plays with the Buffaloes at WTSU and his folks Charlie and Jo Land went to Canyon for the homecoming festivities. Mr. and Mrs. C. N. Land of Anson were weekend guests of children Charlie and Mrs. Melvin Barton and family. Jo Land will go back to Kerrville this week for a few weeks to be with her father Mr. Taylor.

Don Alexander and R. T. Green of Compton, Calif. were in Dimmitt visiting old friends. They lived here in their youth. They visited some of the Gillespie family in Amarillo and Don's stepmother, Mrs. Alexander, in Vivian's Nursing Home. Mrs. Alexander lived awhile in Golden Spread Nursing Home and a year at the Colonial Inn. She is 95 years old this month.

BOB AND Patt Mott and children, 15-year-old Steve and 17-year-old Lee (a daughter) have moved here from Amarillo. They live in a big trailer house in Andrews Park at Northwest 6th Street. Mr. Mott is a nephew of Mrs. Bert Andrews and he is manager at Gibsons and Pat is the bookkeeper. They attend the Bedford Street Church of Christ. Bert and Jewell went to Amarillo on a recent weekend to visit her daughters Julie Garrett and Mary Beth Crawford and families. They attended a Baptist service there on Sunday.

Mr. and Mrs. Vernon Whitson of Pomona, Calif., were guests of Mr. and Mrs. George Bradford, Mr. and Mrs. James Bradford and her mother Martha Griffin in Lubbock. The Whit-

sons had been on a trip to East Texas.

Ladies from four states met in Amarillo Thursday to attend a homemakers convention. This is a unit of Home Demonstration workers. The Levi Straus Co. presented a style show of ladies casual clothes. Mrs. Melton McGehee of Wayside was the main speaker. Her theme was "The Many Images of Woman." She told the ladies their children's life image was set by age two. Going from here were Mrs. Cecil Ginn, Mrs. Jack Ingram, Mrs. Verletta Witt, Mrs. Ann Pevehouse, and Mrs. D. L. Cleaver.

Mrs. Biggs of San Angelo is here for a visit with her daughter Bobbie and Fred Bruegel Jr. and the young ones.

THE BIG supper at South Grade Cafeteria Friday evening was very good—ham, potato salad, beans and Texas pecan pie. The mothers of the homemaking girls classes did the cooking. Those pretty girls served and most all wore those big school chrysanthemum corsages. Mrs. Nancy Alexander wore four of those big ones. She had admirers for sure!

Mr. and Mrs. Horace Carlile were hosts at a "42" party Tuesday evening. They served a chicken spaghetti dinner with pumpkin pie and coffee to the Clarence Beardens, the George Bradfords, the Burl Bradfords, the Sid Sheffys, Cletha George was high score winner for the ladies, Geige Bradford was high scorer for the men, Ann Singer, Leola Haberer, Vera Webb and Gladys Cleavinger.

DO GO by the G. L. Willis, Sr. home Friday, Oct. 29 on Lee Street to wish Mrs. Willis a happy birthday. She will be 94 years. This is an annual affair hosted by her children Allie Mae Willis, Irene Lee, G. L. Willis, Jr. and Anita Morris. The hours on Friday Oct. 29 are 1 to 5 p.m.

Earl Gillham of Dumas was in Dimmitt on business Wednesday and also stopped by to have lunch with his aunt that's me and Sid. Vontencia Quinonez was the birthday girl Saturday. She is 7-years-old. Her mother Concepcion baked her a cake and invited 15 children in for a party. They had party hats, candy and gifts for all. The Alemons' kids, Becky Ortiz and Teals and others had a good time.

Mr. and Mrs. A. J. Bolton of Salt Lake City stopped in Dimmitt to visit her sister Lotie and Ray Bearden. The Boltons have been to places in Oklahoma, Texas, New Mexico and Colorado and now to home.

I SAW Chris James Maples shopping in Dimmitt Saturday, also saw John and Meta Stork of Nazareth in town. E. C. and Blanche Hudson of Earth were having supper at one of our cafes. They visited the O. K. Howes and other friends.

We saw Mr. and Mrs. Leslie Johnson of Hale Center and their son Jimmy and Elaine of Amarillo at the Flynt-Davis wedding. All are former residents of Dimmitt. Jimmy played football with the Bobcats, I think he said 1968. Jack Bradford and Sue Hart, Tech students were here for the wedding, as was Bob Bradford who

was best man. Mary Hays of Baylor at Waco was a pretty bridesmaid. Linda, sister of Elaine, was here and Sharron Acker was an attendant. She and Arnold live in Atlanta, Ga. now.

Juanelle Conard and her fiance Chad Winsor of Topeka, Kan. were at the wedding and also visiting her folks Tex and Norma Conard. Juanelle is a student at Hardin-Simmons at Abilene. The Leslie Johnsons say they get the Castro County News to keep up with friends, so please call me your news. Thanks, 647-2533.

LANELLE Tucker took her mother, Mrs. Nelson to Spade Saturday. She has been here and in Hereford visiting her children and grandchildren. Mrs. Rex Easterwood is a granddaughter.

We were in Clovis Sunday and saw Rev. and Mrs. Earl Land troop. He was pastor at the First Baptist Church here 20 years or so ago. Earl and Faye asked us to tell you that their relatives will be hosts at a reception for the Landtroops 50th wedding anniversary party Jan. 16, 1972, at First Federal Com-

munity Room in Clovis. Put this invitation in your date book.

Fdna Tate Coopers company last weekend was Mrs. Lorena Tate of Grants, New Mexico and Gaynelle Eubanks of Atlanta, Ga. The girls are the daughters of the Giles Tates of Amarillo, and Mr. and Mrs. Jay Noble from Denver City. He is the son of Mr. and Mrs. Doc Noble. Mrs. Connor and son Grady of California are

guests of Mr. and Mrs. Doc Noble. They are former Dimmitt residents.

OUR sympathy goes to the Francis Jackson family. Francis died Sunday about 4 p.m. after a long illness. He has been in Northwest Texas Hospital in Amarillo. His wife Ivey and sons Kenneth and Bo were with him. Kenneth is the husband of our daughter Ruth.

LITTLE FRIEND Any mother can tell about a child's love for her doll, and the world of PRETEND that they live in. They confide in the doll, reprimand them, and care for them. The church is a real and true friend. The church may be counted on in times of need, in times of trouble, and in times of sorrow. The church also wants to share in your times of joy. "A friend loveth at all times."

HOMECOMING QUEEN For this year in Dimmitt High School is Susie Mooney, who was crowned Friday afternoon at the final Spirit Week pep rally. Miss Mooney, a junior, is the daughter of Mr. and Mrs. Bob Mooney. She was elected by the DHS student body from a roster of eight candidates — two nominees from each class.

Frio news

Club tours plant

By MRS. OWEN ANDREWS
Frio Homemakers Club toured the Dimmitt Agri Industries starch plant last week. The ladies met at Frio Baptist Church to go to Dimmitt. Plant Manager Barry Love conducted the tour, explaining points of interest as they saw various departments of the plant. Those making the tour included Mmes. Ronnie Andrews, Frank Robbins, Annie Springer, E. F. Vogler, Laura Littrell, Carlton Dobbins and Owen Andrews.
Mrs. Herbert Haseloff of Abilene visited her daughter, Mrs. Joe E. Andrews and family, two days last week.
Mrs. Alma Smith, mother of Mrs. Lloyd Shultz, was in the hospital at Lamesa last week, but came home Monday. Another daughter, Mrs. Orville Bearden of Avery, has been here this week to be with Mrs. Smith also.
Mrs. H. M. Mobley and her sister, Mrs. Claud Price of Floydada, have been visiting their family members at Mid-

land, Odessa and Monahans the past week.
Mr. and Mrs. Herman Vinson of Pampa visited her folks, the Floyd Coles, the past weekend. Jana is a home economics teacher and he is also a teacher in the Pampa school system. The D. C. Millers also were with the Cole family for lunch Sunday.
Mrs. Gary Mason and her father, H. D. Robbins, flew to Sparta, Tenn., Friday to attend funeral services for Robbins' niece on Saturday. They were met at Nashville Airport by relatives. Robbins is a native of Sparta and has several relatives still living there. They returned home Tuesday.
Rain amounting a half inch or more fell in this community Sunday night on the north side, with more than .90 at the Voglers about five miles southwest of Frio Church.
Mr. and Mrs. E. F. Vogler and their brother and sister, Mr. and Mrs. Harold Vogler of Lamesa, recently made a trip to Gulf Port to visit the Lynn Fishers. They also visited other children of both couples at Houston.
Mrs. Marsh Pitman of Norman, Okla., spent the weekend here with her parents, the Sam Ogans. Marsh was coming the first of the week to attend to business and the couple will return home this week.

What's cooking at the schools

Here's the basic luncheon menu in Dimmitt Public Schools for the coming week, according to Mrs. Sarah Blackwell, lunchrooms supervisor:
TODAY (Thursday) — Turkey and dressing, cranberry sauce, green beans, carrot sticks, prune cake, bread, butter, milk.
Friday — Macaroni and cheese with bacon tbits, green peas, pickle circles, strawberry gelatin with fruit, rolls, butter, milk.
Monday — Pizza, whole kernel corn, tossed salad, peanut butter cookies, milk.
Tuesday — Beef stew with vegetables, fruit cup, cinnamon rolls, cornbread, crackers, milk.
Wednesday — Hamburgers with lettuce, onions and pickles, blackeyed peas, banana cake, chocolate milk.
NEXT Thursday — Fried chicken, potato salad, green beans, honey butter, rolls, milk.
Friday, Nov. 5 — Tuna salad on lettuce leaf, green peas, carrot sticks, coconut pudding, kitchen made bread, milk.

Free breakfast program curbed

(Texas Press Service)
A free breakfast program for school children faces insufficient funding, a Texas Education Agency spokesman reports.
TEA HAS been unable to add schools to the breakfast program this year due to lack of money. About 115 schools have had to be turned down. The number of schools participating last year increased from 298 in September to 474 in May. Schools receive 15 cents per breakfast or the cost of each meal, whichever is less, through US Dept. of Agriculture allocations.
Dimmitt Public Schools participate in the program, serving breakfast to 25-30 qualified elementary students per day.

Bouncing back could be tough when the foe is Lockney, there

By JOHN BROOKS

Can Dimmitt's Bobcats bounce back after three straight losses and defeat the Hustlin' Horns of Lockney Friday night? On Lockney's field?

They hope so.

IT WON'T be a picnic for either team. On paper the two teams appear to be closely matched, although Lockney probably will be cast in the favorite's role because of its better record so far and its home-field advantage.

The Longhorns have compiled a respectable 4-2 showing, but both losses were conference games so they're out of the District 3-AA race. The Bobcats are out of the championship lane also with three conference losses, so Friday night's encounter will be played for pride and prestige.

Lockney was rolling along fine in pre-conference play and was being considered a definite 3-AA contender until it ran up against Littlefield's Grand Funk Railroad and took a surprising 28-0 drubbing. Friday night the same Littlefield tea did it to the Bobcats, 34-3.

THE LONGHORNS suffered their only other loss two weeks ago when they bowed to Floydada, 35-14, in the battle for the Floyd County Championship.

There should be fireworks Friday night in Longhorn Stadium Friday night, starting at 7:30.

Post-game 'Spirit Dance' Friday takes sting out of football loss

A Spirit Dance sponsored by the DHS Pep Club Friday night served to offset some of the gloom brought on by the 34-3 football defeat by the Littlefield Wildcats.

ALTHOUGH the Passover, six musician-singers, proved to be a prime musical group, to some it seemed almost an anti-climax after the spectacular halftime performance by the Dimmitt Bobcat Band earlier in the evening. Under the direction of Ralph Smith, the band performed two outstanding numbers on the field. One featured the

drum magic of Shannon DeVaney. In the other, the stadium lights were turned off and the twirling sextet of Ronda Tidwell, Becki Carpenter, Teresa Underwood, Jeanne Petty, Beverly Hill and Sherri Burrous performed a daring twirl-dance routine with double-flame batons.

The successful Spirit Dance, held in North Elementary School, was supervised by Mrs. Brooke Alexander, Pep Club director. The sounds of the turned-on, hard-driving beat of the "pop rock" attracted more than 225 students and exes.

The casually dressed Passover group, booked out of Lubbock, was a powerhouse of contemporary sounds of the 70's.

PEP CLUB working mothers were Mrs. Bill Goldsmith, Mrs. Emilio Nino, Mrs. Ramon Gonzales, Mrs. Salinas, Mrs. Wayne Jackson and Mrs. Al Forrester. Chaperones for the dance were Mr. and Mrs. Robert Ryan, Mr. and Mrs. Terry Ellison, Mr. and Mrs. Ken Cleveland, Mr. and Mrs. Ralph Smith, Mr. and Mrs. Emmett Broderick, Mr. and Mrs. G. L. DuBose and Brooke Alexander.

Mrs. Alexander announced that profits from the dance would be turned over to the Student Patio Committee.

AT NAZARETH, a "double" Halloween carnival for youngsters is planned for Sunday night by the Catholic Daughters of America and the Christian Mothers' Society.

Activities for pre-schoolers through fourth graders will be in the school cafeteria, while carnival events for fifth through eighth graders will be in the Holy Family Church basement. The carnival will be from 7:30 to 9:30 at both sites.

Events will include game booths, costume prizes, pie and cake walks. Free refreshments will be served to children.

HART'S annual Halloween Carnival will be held in the elementary school gym from 7 to 9:30 Saturday night, with a movie for older children from 9:45 to 12:15 in the high school gym.

Sponsored by the Student Council the carnival will feature the traditional game and food booths, plus a "witches and warlocks" costume contest at 9 p.m.

lake on owners property and there will be no discharge to the surface to the waters of the State. A public hearing on this application will be held in the Texas Water Quality Board Fourth Floor Board Room 314 West 11th Street Austin, Texas 9:00 a.m. on November 30, 1971

to receive evidence on the conditions, if any, under which the order may be issued. Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, P.O. CofC asks \$12.50 for Yule program

The Chamber of Commerce is asking each Dimmitt business to contribute \$12.50 to help pay for this year's trade-at-home Christmas promotion.

MRS. DOROTHY MAGNESS, chamber secretary, said assessments will be mailed Monday to CofC members and non-members alike.

"Payment is voluntary on the merchant's part, but we hope everyone will do his part to help make our Christmas promotion a success," she said.

The retail merchants committee set the \$12.50 figure after planning this year's program and estimating the cost of supplies and services.

THE promotion includes downtown decorations, free Saturday-morning cartoon shows for children during December, visits by Santa Claus, weekly treats for children, and free Christmas bicycles for some lucky boy and girl.

"Since we spent \$1,200 on new Christmas decorations for the downtown area last year, the committee plans to buy only necessary replacement material this year," Mrs. Magness said.

"Most of the assessment money will go to pay for the movies, treats and bicycles."

More About Sunnyside

(Continued from Page One)

bought a farm there in 1929. For almost two decades she has been recognized by her neighbors as the community's historian.

She started compiling facts for her book back in 1952—although she didn't realize that's what she was doing at the time. "I didn't intend to write a book," she said. "I just started compiling facts I thought were important about our community, hoping someone else would put them down eventually."

SHE BECAME intrigued with Sunnyside's rich past when she traced the abstract of her father's farm back through the historic XIT transactions.

It was the Texas Rural Neighborhood Progress Contest that led her into the historical writer's role. She worked up the community's historical presentation for the contest, and it helped Sunnyside win first place in Texas over 160 other rural communities entered in 1952-53.

She later wrote historical scripts for such events as the first farmer-businessman dinner at Sunnyside, the Sunnyside Homecoming, church anniversary and dedication programs, etc. To her growing files she added week-to-week events which she has reported as the Sunnyside correspondent for the Castro County News and Earth News-Sun for more than a decade.

HER MAIN information sources, of course, were the people who have made Sunnyside's history.

"When I got different versions of the same story from two people, I'd check with a third person and go with the majority version," she said. "Sometimes it reached the point of a particular happening. I getting four or five versions of watched pretty close and tried hard to get everything accurate."

In the preface to her book, Mrs. Bowden says, "The only qualification I have for writing this history of the Sunnyside community is my desire to do so. I believe we have a rich heritage here, and I think the facts which bear this out should be preserved for future generations."

THE RESULT of this special urge of hers is "This Land We Hold." And if you've ever lived in Sunnyside or been closely associated with the community, it's almost a sure bet you'll find your name in the book.

Mrs. Chapman's father succumbs

Funeral services were conducted in Littlefield Saturday afternoon for Owen Ball, 75, father of Mrs. Jimmie Chapman of Dimmitt.

MR. BALL died last Thursday morning in the Amarillo VA Hospital. A native of Arkansas, he had been a Littlefield resident more than 50 years. He was a veteran of World War I.

CHARLIE McLEAN, Dimmitt's little tight end, finds himself all alone near the sideline as he snares a Jerry Matthews pass for an eight-yard gainer with just 12 seconds remaining in the second quarter of Friday night's Dimmitt-Littlefield game here. The Bobcats, trailing the powerful Wildcats 28-3 at this point, were taking to the air in an attempt to put points on the scoreboard before intermission, but the clock caught them still at midfield. Littlefield went on to win the game, 34-3.

HD ladies call for candymakers

By MRS. JACK RISTER
Attention all ladies! Bethel Home Demonstration Club is sponsoring a candy project for servicemen again this year. Everyone needs to make two coffee cans full of candy. Wrap the candy separately and tape lid on the cans with masking tape. Take the cans of candy by the Castro County Farm Bureau office by Nov. 10. Turn the names of your servicemen in to Mrs. Beral Hance at the County Agent's office by Nov. 5. Money for postage will also be needed so donate money if you can't make candy. Let's do our part to make our boys proud of Castro County folks.

ANN PEVEHOUSE, Verletta Witt, Blanche Ginn, Rachel Cleaver, Oneida Hutto and Nell Ingram attended the Rural Homemaker's Day in Amarillo Thursday. There was a style show and the luncheon speaker was Mrs. Melton McGhee.

Mr. and Mrs. Jack Ingram visited and had lunch in Plainview Tuesday with her father Mr. Morris.

Several families from the community attended the wedding of Jack Flynnt and Elaine Davis Saturday night in Dimmitt.

Mrs. Junior Miller and children of Hereford visited Sunday with the Charles Rickerd family.

Mr. and Mrs. Gaston Howell of Bushland were supper guests Thursday night of his brother and sister-in-law Mess and Hattie Howell.

MONTY HOWELL and children of Bovina spent last Friday night with the Moss Howells.

Tech Exes name McLeroy to post

Edd McLeroy of Dimmitt has been elected to the Texas Tech Ex-Students Association Council, it was announced by Wayne James, executive director of the association in Lubbock. McLEROY and D. C. McWhor-

ter of Hereford were elected to two-year terms as district representatives. They replace W. R. Phillips and Dale Young, both of Hereford, whose terms expired.

McLeroy is a 1949 Tech graduate and is currently the vice-president of the First State Bank of Dimmitt. His wife, the former Jacqueline Small, is a Tech alum of '48. They live at 710 W. Halsell St.

The council will meet Friday in conjunction with the Texas Tech Homecoming activities.

C. E. BRIGGS OF TRITICALE GROWERS, INC. . . . Shows development of crossbred "miracle grain"

Farmers eat 'triticakes' in TGI breakfast here

Thirty local farm operators and agri-businessmen enjoyed some of the world's first "triticakes" for breakfast at the Colonial Inn last Thursday. TRITICAKES are pancakes made with 100 percent triticale flour. They were served by C. E. Briggs of the improvement division of Triticale Growers, Inc., to show the new grain's value as a food as well as America's newest feed grain.

The triticakes had a distinctive, nut-like flavor. "Triticale has very little gluten, which means it takes a little more baking soda than the recipe calls for to make the same 'light' pancakes you expect from wheat flour," Brigg explained. "We've tried over 100 recipes, and the blend we used for this breakfast produced a very delicious triticake."

BRIGGS was here to encourage local membership in Triticale Growers, Inc., to line up 250 acres of land for registered seed production, and to promote the planting of Triticale seed

for forage and grain. Headquartered in Amarillo, TGI contracts with seed growers and wholesalers seed to commercial seed companies, plowing its profits back into research, market development and promotion.

Briggs left sample bags of Triticale flour at Red Barr Chemicals, Inc., here for local residents to try. Also, samples can be obtained by writing to Triticale Growers, Inc., 600 Bank of the Southwest Building, Amarillo, 79109.

"If you use the flour, we'd like to have your comments back," Briggs said. "That's the purpose of this part of our program."

HE TOLD those attending last week's breakfast: "As a result of the work of the Rockefeller Foundation, University of Manitoba, our organization and other through Mexico, the US and Canada, we expect to see varieties of Triticale by 1975 that will compete in yields with milo, in terms of pounds per acre."

He added, "You can raise three crops of Triticale for what it costs to raise one crop of grain sorghum, from the water standpoint. Triticale also has the advantage of being a fall-seeded feed grain that you can pasture. Even the straw, with its protein content, has the potential for money recovery as a feed."

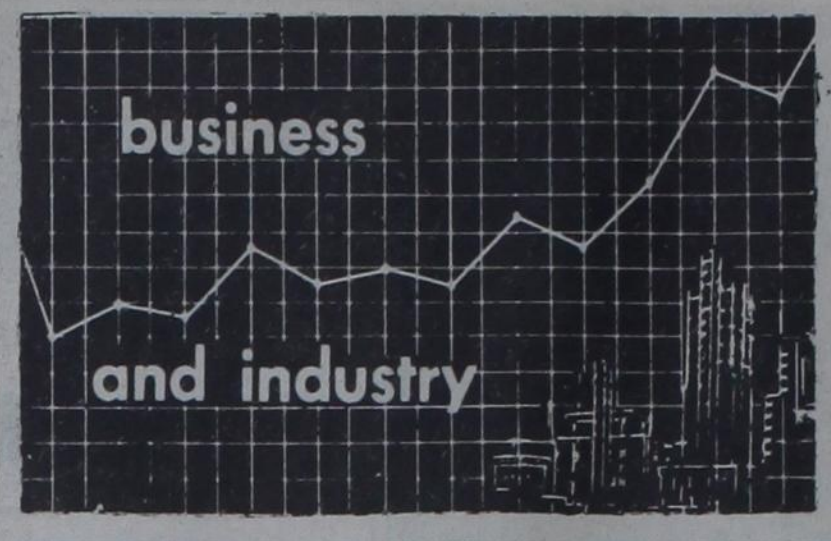

"The protein content of this grain is fantastic," he said. "It tests from 17 to 20 percent protein, where wheat will run 11 to 14 percent, milo from 8 to 10, and corn from 6 to 8. We've had protein verification as high as 21 percent."

AS A RESULT, he said, the cattle feeding industry is looking at the new "miracle grain" as a protein booster in cattle feed.

Also, Briggs said, it has just been learned by a Rockefeller Foundation research team in Obregon, Mexico, that four of 40 Triticale experimental crosses there were remarkably high in casein, the substance in milk which makes cheese possible, and which also is used in the plastics industry.

"This finding concerning the casein content has never been published before, and they're very excited about it," Briggs said.

MANY different varieties of Triticale are being developed, and they seem to be best adapted to specific locales, Briggs said. This can be a big advantage in the future, but can present problems in the present test-growing stage if a strain of seed is planted in an area where it hasn't already been adapted.

Price praises feed grain plan

Congressman Bob Price last week praised Secretary of Agriculture Clifford Hardin for announcing a farm program which will mean additional income for grain and cotton producers in 1972.

THE NEW program provides for a loan rate increase on grain sorghum from \$1.73 to \$1.79 per hundred weight. Participating farmers will receive 38 cents on a required set-aside acreage of 25 percent of their feed grain base. They will be allowed to set aside an additional 10 percent of their base at 49 cents. If planting intentions indicate an oversupply of feed grains, the Secretary of Agriculture may authorize farmers to set aside an additional 10 percent at the 49 cent rate.

The increase in the grain sorghum payment and loan rate came as a result of a price amendment to the 1970 Agriculture Act which set the rate in relation to the feeding value of corn.

"I am pleased that grain sorghum producers will be guaranteed \$2.29 per hundred weight on one-half of their farm's grain sorghum base. The feed grain program will give farmers maximum freedom to choose how much acreage they will plant and what they will plant in 1972," Price said.

"At the same time, it will permit the Department of Agriculture to make adjustments in the program ahead of planting time to make it most effective

Correction

In the obituary of Mrs. J. O. Ayers Sr. in last week's issue, the News reported that she had died in an Anderson, Mo., hospital. Instead, Mrs. Ayers died in a hospital in Enid, Okla. She had been living with her son, J. O. Jr., and family in Enid.

SWPS honors Glover, Scott

Ralph Glover of Dimmitt and Billy Don Scott of Earth were among 98 employees of the southern division of Southwestern Public Service Co. honored at a service awards dinner Wednesday night in Lubbock.

GLOVER, Dimmitt manager for Southwestern Public Service Co., joined the quarter-century club, receiving an award for 25 years' service from Roy Tolk, president of the electric company, who made all the awards presentations. Scott, who served in Dimmitt before being named Earth manager, was honored for 10 years' service.

At a series of service awards dinners to be held throughout the company's service area, 308 Southwestern Public Service employees with a combined service of 5,680 years will be honored this year.

It's time to make candy for our GIs

By IRENE KEATING
It is time for you to get your candy made to mail to our servicemen. The candy will be mailed in two weeks. Names and addresses of our servicemen should be turned in to Mrs. Beral Hance before Saturday, Nov. 6. You can call her at 647-3455 or 647-5444.

IF EACH of us makes a batch of candy, our servicemen will be so grateful. Also, we need people to help wrap the candy. If you're interested, please call Mrs. Jack Ingram at 647-4488. This is a very worthwhile project and our servicemen really do appreciate it.

Also, money is needed for postage so perhaps those of you who don't make candy might be able to help with the postage. Any amount will be appreciated.

I AM SO very proud of our 4-H club members and leaders this year. We have 95 4-H'ers who turned in records and will

be recognized at the annual county awards program Nov. 6. There are also 41 volunteer 4-H leaders who have dedicated many hours, much patience and skill to help our 4-H'ers achieve their goals. It is a real pleasure to honor them at the awards program for their contributions in club work.

The next few weeks I will be conducting 4-H leader training for the 4-H foods, housing and child care leaders. I am grateful to the bank here for letting us use its community room for our meetings. I will really appreciate the assembly room in the courthouse when the remodeling and expansion is complete.

Church to host 'Fifth Sunday' singing service

Gospel singing enthusiasts are invited to attend the regular "Fifth Sunday Singing" at the Lee Street Baptist Church Sunday at 2 p.m.

IN ADDITION to the afternoon "singing," every fifth Sunday is "Youth Day" at the church, with the young people serving in all capacities. During the regular Sunday morning worship service beginning at 10:45, Marshall Young will present the gospel in scripture and song. Sunday evening at 7, Jackie Roberts will preach the evening worship message. Cecil Jones will lead the congregational singing, with Donna Hudson at the organ and Mrs. Carolyn Young as pianist.

On the Go
MR. AND MRS. Kenneth Ringo and Mr. and Mrs. Gene King were in Canyon Saturday. They attended the Ex-Letterman's luncheon, saw the homecoming parade and the ball game.

On the Go
MR. AND MRS. Emmett Broderson attended homecoming activities in Canyon last weekend.

Miss Conard

Dec. 20 date set

Mr. and Mrs. Tex Conard of Dimmitt announce the engagement and approaching marriage of their daughter, Juanelle, to Chad Winsor of Topeka, Kan. THE WEDDING is planned for Dec. 20 at 7:30 p.m. in the First Baptist Church of Dimmitt, with all friends and relatives of the couple invited.

Miss Conard, a 1968 graduate of Dimmitt High School, is a senior elementary education major at Hardin-Simmons University in Abilene. She was elected this year to "Who's Who in American Colleges and Universities."

Winsor also is a senior at H-SU, majoring in psychology.

Holiday vows set

A Dec. 22 wedding in the First United Methodist Church of Lubbock is planned by Pamela Kay Green of Lubbock and Pfc. Roger D. Kennedy of Hart.

THE COUPLE'S approaching marriage was announced by Miss Green's parents, Mr. and Mrs. Warren S. Green of Lubbock.

An honor graduate of Monterey High School in Lubbock in 1971, Miss Green is now attending Texas Tech University, majoring in music.

Kennedy, son of Mr. and Mrs. Ben Kennedy of Hart, is a 1970 graduate of Hart High School. He attended Lubbock Christian College one semester before joining the US Army. He is now stationed at Fort Sill, Okla., and is scheduled to go to Germany Jan. 1, 1972.

Miss Bailey

Wedding plans told

Mr. and Mrs. Elliot M. Bailey of McLean announce the engagement and approaching marriage of their daughter, Denise Cheryl, to Ben Harvey Hill III, son of Mr. and Mrs. Ben Hill of Dimmitt.

THE COUPLE will exchange marriage vows Nov. 27 in the First Baptist Church of McLean. Miss Bailey is a 1970 graduate of McLean High School, and is now employed by the Globe-News Publishing Co. in Amarillo.

Hill graduated from Dimmitt High School in 1966 and

Author to speak at WMU workshop

Mrs. Charles Caldwell, well known Houston author and Baptist Woman's Missionary Union leader, and Sheryl Churchill, state Baptist Acteens director, will teach workshop and leadership courses at the First Baptist Church at Lubbock Tuesday.

THE LLANOS Altos Association has extended an invitation to all women to attend this meeting. Lunch will be served and a nursery provided.

Mrs. Caldwell, known as the "Phyllis Diller" of WMU, is a gifted speaker and humorist. She will speak at 1 p.m. Her speech is geared to all age levels, in an inspirational vein.

Rehearsal dinner hosted by Flynts

588 in Texas face '71 draft

The Texas draft call for the rest of 1971 is 588 men, State Selective Service Director Col. Melvin N. Glantz has announced.

NONE will be ordered for induction in October, 363 in November and 195 in December. All are from extended first priority groups.

Glantz said the RSN cut-off for 1971 would be 125 for men in the first priority group.

Orders for induction for the call were mailed by local boards throughout Texas, with 30 days notice required in all cases. About 6,400 men will be ordered for pre-induction physical examinations in October and November.

On the Go

MR. AND MRS. Fred Bruegel Sr. and son, Mike, visited in Dallas over the weekend with their daughter and sister, Mrs. Sandy Baker, and her husband Jim. They also attended the Texas Tech-SMU football game in the Cotton Bowl Saturday and the Texas State Fair horse show.

Former Dimmitt-Hart pastor dies in mowing accident

By MYRT LOMAN

Rev. C. Woodrow "Woody" Williams of Quitaque, former Methodist circuit minister here, died last Wednesday in a tragic tractor-mower accident near Silverton.

HE WAS crushed by the tractor drag shredder while helping with a weed-mowing project along State 256, nine miles northeast of Silverton. Apparently, he was knocked from the tractor by a tree limb. He was pronounced dead at the scene at 11:30 a.m. by Justice of the Peace Gary Hunt of Silverton.

Rev. Williams, who enjoyed working outdoors, was "filling in" on the job to help the mowing contractor, Joe Piffin, who was short-handed.

At the time of his death, Rev. Williams, 58, was the pastor of Methodist churches in Quitaque and Flomot.

He held the Dimmitt circuit pastorate in the 1940s, and was a former pastor of the First United Methodist Church of Hart. He also had held pastorates in Lockney, Vigo Park, Ovalo, Spade, Texline, Darouzett, Happy, Matador, Miami, Amherst, Plainview, Cotton Center, Fellet and Oklahoma Lane.

A native of Waco, Rev. Williams attended WTSU in Canyon and graduated from McMurry College in Abilene. He was ordained in 1938, and later served with the Salvation Army. During World War II he served

with the US Marine Corps. He joined the Northwest Texas Methodist Conference in 1948.

He is survived by his wife, Katherine; five sons, Terry of the home; John E. of Midland, Robert C. and Donald of Lubbock, and Charles of San Diego, Calif.; two daughters, Mrs. Norma D. Miller of Carlsbad, N.M. and Mrs. Jerry Bannell of Odessa; four brothers, six sisters, and nine grandchildren.

REV. C. T. Cunningham, pastor of the First Baptist Church, joined other pastors of local churches and left Tuesday for Houston to attend the Texas Baptist Convention Oct. 26-27. Highlight of the Wednesday meeting will be an evangelistic rally Wednesday night.

The pastors will return home Friday.

THE BROTHERHOOD of the First Baptist Church sponsored a program Sunday afternoon for residents of the Golden Spread Nursing Home.

Harold Smith was in charge of the program. Wayne Nelson, Smith's brother-in-law, played a tape recording of a program presented in September.

The program consisted of devotional by Smith, special music by Mr. and Mrs. Weldon Davis and Mr. and Mrs. Preston Upshaw, and group singing. Attending from Hart were Harold Smith, Wayne Nelson and daughter, Ruth Ann, and Mrs. Myrt Loman.

THE LIONS CLUB met in the community room of Farmers State Bank Monday for program and lunch.

Tony Steiert, US civil servant who just returned from a 13 1/2-month stay in Vietnam, gave the program.

Several Lions received service pins at the meeting. Receiving 15-year pins were Jess Newsom, W. T. Sanders, Ed Harris of Tulia, E. E. Foster, Claude Cox and Willia A. Hawkins Jr. Receiving 10-year pins were D. A. Bass, Wade Mills and Joe

met at the school workshop. They completed work on their bookcases and worked on their pack ceremony.

Den 2 Cub Scouts met in the home of Mrs. Leonard Griswold Monday for weekly meeting. They made recipe holders.

Melvin Washington joined the Scouts, and Derick Rich was a guest of the den.

Den 1 met in the home of Mrs. Griswold Wednesday after school and worked on papier mache masks for Halloween.

Den 3 met Wednesday in the Wozencraft building with Mrs. Lyndall Warren and Mrs. Bob Reed. The boys made their papier mache masks for Halloween.

Mrs. Leonard Griswold, den coach and den mother of two dens; Mrs. Lyndall Warren and Mrs. Bob Reed, den mothers; and J. V. Wescott, Webelo leader, were in Lubbock Saturday to attend the Pow Wow.

MR. AND MRS. R. G. Henderson were in Tahoka last Thursday to attend the funeral of his uncle, John Wesley Slover, who died Oct. 18 in a nursing home.

Mr. Slover moved to Lynn County in 1905 from Castro County. A farmer-stockman, he was the brother of Mrs. Rich Henderson of Dimmitt.

WITCHES and Warlock costume contest will be sponsored by the Hart PTA at the Halloween Carnival Saturday night. Costume judging is to be conducted at 9 p.m. in the elementary gym, site of the carnival. Plans for the event were made at the Monday morning PTA executive meeting in the office of Supt. Ted Averitt.

Mrs. Mart Booe is serving as chairman, assisted by Mrs. Max Marble. There will be three contest divisions—preschool and elementary, junior and senior high, and adults. Best costumes will be recognized in each division.

Membership in the PTA stands at 111 members, and a membership drive has been planned with the room or grade enlisting the most members to be honored with a skating party. The drive will be conducted during November by Mrs. Booe, membership chairman.

Mrs. Mike Burnam, program chairman, reported on plans for the monthly meeting with Texas State Technical Institute personnel to present the program.

PROSE WAS the topic of the Chi Psi sorority program presented last Thursday night by Mrs. Barry Hughey and Mrs. Richard Franks. Discussion of novels was given with a basic outline for study development. Group participation added interest following a short book review by the pair.

Hosting the 7:30 p.m. meeting in the community room of Farmers State Bank were Mrs. Bob Lacy and Mrs. Glen Gieg-horn. Decorations portraying Halloween were used. Witches' brew and rolls were served from a gaily decorated serving table.

The sorority pledges presented an official gavel to the chapter as an incoming gift of appreciation. Mrs. Mike Burnam reported on the forthcoming Halloween Carnival. Candied apples and popcorn balls will be sold at the carnival, with Mrs. George Ed Bennett in charge of both decorations. Committee members are Mmes. Franks, Frank Barnes and Bob Bowden.

Ways and Means chairman, Mrs. Barnes, announced plans for a bake sale scheduled for Nov. 13 at Pay and Save Foods. All types of pastries will be on sale beginning at 10 a.m.

Mrs. Franks presented a report on the Cancer Society movies shown last spring. A total profit of \$78.80 is to be presented to the Cancer Society.

Service committee, headed by Mrs. Bowden, will assist the tornado victims as a service project.

IF YOUR small green tomatoes have not frozen, here is a good recipe for using them: 2 quarts of vinegar

1 pint of water
1 cup salt
Mix well and do not heat.

Fill jars with green tomatoes (small ones). If large ones are used, cut into smaller pieces. For each quart of tomatoes, add four to six garlic buttons, several hot peppers and 1 tablespoon of whole dill seed. Pour brine mixture over jar contents and seal. Let cure for four weeks.

These are good with vegetables or meat.

BOY SCOUTS of Troop 246 took part in the Haynes District Camporee over the weekend. The campout was held at Camp Haynes, east of Silverton.

Fifteen Scout troops from this district attended. Other than camping, the boys enjoyed hiking, a campwide dinner and campfire.

Freddie Mancias and Jackie Davis received patches for recruiting new members.

Others attending were Duane Clevenger, Mike Clevenger, Bart Bruntington, Clay Hones, Kelly and Matt King, Sonny Mancias, Keith Reed, Hector Lerneria, Johnny Newsom, Danny Booe, Kelly Jones and Leslie Reed.

Leaders were Deryl Clevenger, Scoutmaster, assisted by C. C. Hanes and W. T. King.

CLASS FAVORITES have recently been elected in Hart schools. They are:

12th grade — Debbie Hardy

and David Hawkins.

11th grade — Rhonda Newscm and Wayne Elthridge.

10th grade — Cheryl Friday and David Armstrong.

9th grade — Juanita Rice and Phillip Godino.

8th grade — Josie Solis and Barry George.

7th grade — Senobia Reyna and Johnny Carrasco.

HART residents in hospitals the first of the week were Mrs. Robbie Hawkins in Plainview Hospital; Mrs. W. C. Crick in Hi-Plains Baptist Hospital in Amarillo, and Levi Bennight in Northwest Texas Hospital in Amarillo.

ROSARY for William Charles Hoffman, 58, of Lubbock, was held at 7:30 p.m. Monday at Resthaven, Singleton, Wilson Funeral Home Chapel in Lubbock. Requiem mass was held at 11 a.m. Tuesday at St. Elizabeth's Catholic Church. Burial was in Resthaven Memorial Park.

Mr. Heffman died early Saturday in Highland Hospital. He was the father of Mrs. Jack Dyer of Hart.

DON SMITH, teacher in Estacado Junior High School in Plainview, will speak Sunday at the 11 a.m. worship service in the First Baptist Church.

He will represent Texas Alcohol and Narcotics Education (TANE). An offering will be taken for work of TANE in Texas.

PARENTS of Cub Scouts and the Webelos are urged to attend the annual monthly pack meeting tonight (Thursday) at 7:30 in the Hart elementary gym.

The program will be on "Fire Prevention" and the "Roller Derby."

REMEMBER the School Halloween Carnival to be held Saturday night in the Hart gym.

Financial Facts

By Willis A. Hawkins, Jr.

Did you know that a Christian Gobrecht dollar is worth enough to feed your family for a year?

Christian Gobrecht was 25 years old when he came to Philadelphia in 1811. He became an engraver of bank notes, seals, bookbinders' dies and the like. In 1836, he was appointed assistant to the federal mint engraver.

After designs by Sully, Gobrecht prepared a series of dies for pattern dollars, exquisite in design and character. They featured a seated liberty on the obverse and a large eagle in full flight on the reverse.

Gobrecht's graceful liberty was used from 1836 to 1873. His majestic flying eagle remained until 1840.

All the Christian Gobrecht silver dollars are valuable. The coins of the first four years of minting are extremely rare and almost priceless.

Isaacs earns 'Bobcat' award

Felton Isaacs, dependable senior end, was named "Bobcat of the Week" by Coach Brown L. Smith at the weekly meeting of the Dimmitt Boosters Club Monday night.

ISAACS has been in contention for this honor every game of the year and was praised as a "real competitor" by Coach Smith.

Smith said he feels the Bobcats "haven't played a good game since Floydada, and if something doesn't perk them up they stand to lose three more games before the season ends. Lockney, our opponent this Friday, is a well-coached, well-disciplined team with size, speed and a good passer. However, Dimmitt could beat them if we play up to our capabilities."

The seventh and eighth grade teams split in their games with Tulia last week—seventh grade lost, but the eighth grade won 5-0. Larry Shugart was moved to the backfield and did a fine job in his new position. In spite of muddy playing conditions, the quarterback handled the ball well, coaches said.

THE freshman team was victorious over Lockney, 29-0, last Thursday. The line really fired out, and there was lots of hitting, coaches said. The freshmen have a powerful backfield made up of Brad Sanders at quarterback, Robert Mayberry, Travis Hampton and Jay Day. Today (Thursday) the freshmen take on Abernathy at home at 5:30.

The junior varsity set the pace for its game last Thursday against Olton when Joseph Finch ran the opening kickoff back for a score. Dimmitt won the game 35-6 and the team enjoyed this game. They play Abernathy following the freshman game today.

THIS CLOSE is how close Dimmitt's Bobcats came to racking up a touchdown against Littlefield Friday night. Bobcat end Felton Isaacs (85), loose in the end zone, twists and stretches in a valiant effort to find the handle on the ball, but the over-the-shoulder missile falls incomplete. Helping flood the zone is Dimmitt's Terry Powell (15), who

is drawing a bit of interference from Littlefield's Dennis Hartley (24). After this play, the Bobcats settled for a Daniel Frierson field goal to go ahead of their visitors, 3-0, early in the first period. It was to be the last scoring Dimmitt would do as the Wildcats roared to a 34-3 victory in the District 3-AA encounter.

Funk & Co. stun Cats, 34-3

By JOHN BROOKS

Ralph (Fabulous) Funk and his Littlefield Wildcat amigos were too much for the Bobcats Friday night, overwhelming Dimmitt 34-3 before a big DHS Homecoming crowd.

FUNK WENT over the 1,100-yard rushing yardage mark while racking up his 114th point in scoring. He tallied on runs of 66, 73 and 25 yards. He also scored on a 51-yard pass play.

Dimmitt never could get much going after the first drive of the game. The Bobcats had to rely on the talented toe of Dan Frierson for their only three points of the game. Frierson booted the pigskin between the uprights from 26 yards out to give the Bobcats a short-lived 3-0 lead early in the contest.

Littlefield received the kick off, but had to punt as Dimmitt's defense held. Then the Bobcats also had to punt, and Dennis Hartley zig-zagged 85 yards for the Wildcats' first six points. Larry Hobradsch kicked the PAT to made the score 7-3 Wildcat.

IN THE opening minutes of the second stanza, Funk broke through for 66 yards from scrimmage, boosting his season total to 96 points and the Littlefield lead to 10. Hobradsch again booted the pigskin truly, and the Wildcats were in the lead 14-3.

Again the Bobcats bogged down and had to punt. Starting from their 27, the Wildcats

missed on a pass by Trammell. Funk crashed through the Bobcat defense again on a 73-yard scoring play, breaking the 100-point barrier along with entering the celebrated 1,000-yard magic circle. Hobradsch's try for the extra was no good and the teams visited the locker room with the Littlefield crew owning a 20-3 lead.

Trammell made only one pass out of three tries during the night, but on that one he hit Funk, who was wide open, for Funk's third six-pointer on the night. Trammell passed to

Larry Birkelback for the extras, and the score was 28-3, Wildcats.

IN THE last seconds of the third quarter, the Wildcats cranked up their offense once more, and in the early moments of the last stanza the "Grand Funk Railroad" ran wild once more from 25 yards out to score the final TD and make it 34-3.

Neither team was able to get an offensive thrust going for the rest of the night.

The Bobcat squad mustered only 38 yards rushing in the

game, with 97 yards through the aerial waves. The Bobcats made only eight first downs, while Littlefield garnered only 12. Jerry Matthews hit on 11 of 25 of his aerial tries for 44 percent.

Swifts lose 7-6 in driving rain

By PAT ACKER

The Nazareth Swifts started their district season Friday night against one of the two top-seeded teams. Although favored by 20 points, Lazbuddie was able to escape with only a one-point victory, 7-6, over the determined Swifts as a driving rain played an important role in the scoring of both touchdowns.

FROM THE opening kickoff, the air was filled with tension and excitement as the Swifts geared for an upset. It was the type of game that looked

as though it could break wide open at any moment.

Scoring was freakish, with rain becoming the "12th man" on the field for both offenses.

Three minutes remained in the first quarter and the Longhorns owned the ball on the Swifts' 5-yard line when the rain hit, whipping downfield in torrents. As the rain blinded the defensive Swifts, Lazbuddie's Arthur Graves took the handoff and ran in for the TD. The point-after kick made it 7-0 in Lazbuddie's favor.

After the kickoff, the Swifts couldn't move against the Lazbuddie defense and the driving rain, and punted.

BUT THEN the downpour became Lazbuddie's enemy as the Longhorns fumbled the ball and the Swifts regained possession on the Lazbuddie 10-yard line. The teams changed directions as the quarter ended, and it was the Swifts' turn to play with the rain behind them.

Senior quarterback Gordon Wilhelm executed a perfect fake and sneaked across the goal line without a single Lazbuddie defender within 10 yards of him. The Swifts chose to go for the two-point conversion, but the run failed.

The rain stopped shortly afterward and the rest of the game was a stalemate as the ball changed hands back and forth constantly on the muddy field. Nazareth could muster only seven first downs and Lazbuddie only five.

The Swifts staged a sustained drive early in the third quarter, starting at midfield and driving to the Lazbuddie 7-yard line before being stopped on a crucial fourth-down situation. It was the last serious scoring threat as the Longhorns held on for a 7-6 conference victory.

Friday night the Swifts will host Turkey in the climax of Nazareth High School's Homecoming Week.

Unbeaten Vega holds off late Hart rally, 33-25

By DAVID BASS

The undefeated Vega Longhorns came to Hart Friday expecting the lightly regarded Hart Longhorns to fall at their feet. However, Hart had other ideas and gave the district-leading Steers from Vega a run for their money before dropping a 33-25 thriller.

HART'S Jimmy Brown took Vega's first punt and ran 40 yards to the Vega 22. On fourth down with one yard to go from the 13-yard line, fullback Stanley Dyer burst through an elephant-size hole and stormed into the end zone to draw first blood. James Taylor booted the PAT to give Hart a 7-0 lead.

Vega then began a sustained drive that netted five first downs while moving to the Hart 3-yard line. But there James McLain jumped on a Vega fumble and killed the drive.

Hart was unable to garner a first down and had to punt out. Vega launched another drive and again stood on the 3-yard line when the first quarter ended with Hart still holding its 7-0 lead.

JUST SECONDS into the second quarter, Vega got its score with Bronc May going in for the TD. May also ran in the extras, giving Vega an 8-7 lead.

But later in the quarter, Hart's David Barham jumped on a Vega miscue on the Vega 30-yard line and Hart stormed back. From there the determined offense moved to the 7-yard line, then Jimmy Brown scampered around end and touched the corner of the end zone. The try for two extras

was no good, but Hart had regained the lead, 13-8.

Then came Vega again. With only moments left in the half, Vega moved to the Hart 16, and from there Bronc May again blasted in. The try for two extras was no good and the half ended with Vega ahead, 14-13.

THE THIRD quarter was all Vega's as the visitors intercepted a pass and also recovered a costly Hart fumble to set up two touchdowns. A two-yard run by Brent May after which Tim Ward booted the point-after, boosted Vega's lead to 22-13. Later in the quarter, Dick Robinson burst in from two yards out. The kick was no good and Vega had a 27-13 lead going into the final frame.

Vega scored its last touchdown early in the fourth period on a one-yard run by Brent May. The kick was no good, but Vega led 33-13 and seemed to be running away with the game.

But the valiant Hart herd refused to quit. With a determined effort, Hart moved the ball well down to the 8-yard line, where Jimmy Brown took a pitch-out from Dirk Rambo and scored. The pass for the extra points was no good, and the score stood at 33-19.

THEN HART kept rolling along. After a Vega punt near the end of the game, Hart found itself on its own 38. With the fans about ready to leave, Brown took another pitch-out from Rambo and went 62 yards for a score. The pass for the extra points was batted down.

With only a few moments left in the game, Vega was able to run out the clock and preserve its 33-25 lead over the aroused

Hart crew.

This week the Hart Longhorns travel to Springlake-Earth to take on the Wolverines in a District 3-A clash at 8 p.m. Friday.

Greetings, Comrades,
Our Veterans Day celebration was a big success. We conducted flag-raising ceremonies at 8 a.m. and served a lot of breakfast to a bunch of hungry people.

Being a veteran, I feel I understand and appreciate a lot of things that I didn't before I enlisted in the service—more especially, when I see "Old Glory" waving in the breeze. The sacrifices that have been made, the lonely hours spent, the endless hours of exhausting duty, make it all worthwhile just to know that you have played a small part in keeping the comforting sight of "Old Glory" high and waving freely in the wind.

OUR membership for 1971-72 is climbing at a very steady and rapid pace; however, we still need quite a few more before we reach our quota. It sure would be nice if we could reach our quota before the first of the year. Keep in mind, money usually lets pretty thin at Christmas time, so if you pay your dues early the easier it will be on your pocket book, right?

YES, we have a dance coming up this Saturday night. It will be our Halloween Masquerade Dance. Music will be provided by Blackie and the Blackhaws. This is the same group that played for our last dance and they sure did do a good job. The dance will get underway at 9 p.m. but it would be a good idea to get there a little early and get a good seat. We are still having real good

MRS. OLLIE Carver, her daughter Lois Raymer of Kerrville, and her sister Mrs. Dimple Crow of Canyon have returned from a 10-day Continental bus tour through Northern Texas, Oklahoma, Arkansas and Missouri. They report the foliage was beautiful on the tour. Of particular interest to Mrs. Carver was the Silver Dollar City at Bronson, Mo. There is a picture of Christ high on a mountainside and the group stopped there for prayer.

turnouts for our "Game Nights" on Wednesdays, and I'd like to take this opportunity to thank each and everyone of you for coming out and participating. We enjoy having you come out. Bring a friend or neighbor with you—they'll enjoy it. And remember, we start at 8:30.

Next Monday night is our regular meeting night, so mark it on your calendar and be there. The club will be closed and members only will be admitted. This is a pretty important meeting and you should make an effort to be there.

Post Custodian Harold Broadstreet reports that business has been real good this past week and is steadily increasing. Quartermaster Garnett Holland will have a full report on the club business at the meeting Monday night.

IT WON'T be long now, just a couple of weeks, when the District 13 Convention at Littlefield will be in progress. If you haven't made plans to attend, do so now. From what I hear there are quite a few of us who are going to be there, so you won't be all alone when you get there. This convention will be held Nov. 13 and 14, and if you need any details just let me know and I'll fill you in.
