Robert Lee Will Fete Oil People at Big Barbecue

Robert Lee will fete Coke County oil people with a barbecue on the night of Friday, Oct. 25. The event was launched at a Board of Community Development luncheon Wednesday at Varnadore.

Named by BCD President Travis Nair as a general committee chairman, the event was planned by G. C. Allen, chairman, Weldon Fikes, J. Ferrell, Robert Vaughan and J. Kirkpatrick.

The committee met later in the afternoon at the bank conference room. Conflicting events made it impossible to stage the party during Progress Week, Oct. 13-19, and a later date was set. It is strictly a goodwill affair when all of the people engaged in the oil industry will be guests of Robert Lee business men and civic leaders.

Robert Lee folks will be expected to purchase tickets at \$1.25 each and the ladies will be invited, too. Best tickets will be given to the folks.

Local men will prepare and serve the barbecue supper. Early plans are that the event will take place at the football stadium at 6 p.m. as there is no football game that night. A program will follow at the high school auditorium.

Everyone will be expected to help and the following committees have been set up:

Ticket Sales and Distribution — W. Havins, J. L. (Chilly) Tinkler, Cumbie Ivey, Jr.

Barbecue — Weldon Fikes, Genie Baker, Calvin Wallace, Frank Johnson, Bob Vaughan, J. S. Ferrell, W. D. McAdams, A. V. Shepherd.

Program — G. C. Allen, Travis Nair.

Publicity — A. J. Kirkpatrick.

Notes

From The Oil Field

San 3 Menielle Will Drill To Bottom at 6,175

San No. 3 Menielle will drill to a total depth of 6,175 feet and then run electrical logs to determine formations with porosity and oil shows.

A drillstem test Monday from 2,327 feet built up gas pressure 500 pounds after the tool had been open one hour and 44 minutes. The formation was running good.

No further tests were to be made as the hole was going down.

San 3 Menielle is a south offset from San 1 Menielle completed recently as a dual producer. No. 1 is a south offset to Humble 1. A. Bird, discovery producer in the promising field 8 miles north of Robert Lee.

Additional drilling is expected in the near future, including a test on the adjoining A. McKinley property where Humble's lease is due to expire Jan. 1, 1958.

Murray No. 2 Fred Roe drilling Wednesday at 3,429 feet in limestone shale.

MARY FRANCES WYLIE

Miss Wylie Enters 4-H Dress Revue At State Fair

On Saturday, Oct. 5, 49 outstanding 4-H club girls will model their garments in the Annual State 4-H Dress Revue. Mary Frances Wylie, Robert Lee 4-H Club girl is one of the participants. Mary Frances will represent District 7 at the State Revue.

The Revue will be staged in the Women's building on the State Fair Grounds at 10 a.m. and again at 11:30 on Oct. 5, as a feature of Rural Youth Day.

Miss Wylie is the older daughter of Mr. and Mrs. T. M. Wylie, Jr. and has been a 4-H club girl nine years. She won the County Dress Revue in July and was one of four winners in the District Revue in August. Miss Wylie constructed a sheath dress with cape from cotton tweed at the cost of \$13.00. The cotton tweed outfit is of black, white and red.

Judges will score models on construction, selection of design and fabric, becomingness, fit, choice of accessories, grooming, posture, poise, and on a record of 4-H achievements.

Miss Wylie will leave Thursday for Dallas for the event. She will be accompanied by Mrs. Wylie and her grandparents, Mr. and Mrs. Jesse Craddock of Colorado City.

BAND PARENTS MEETING

First meeting of the Band Booster Club will take place Thursday night of this week, Oct. 3, at 7 o'clock in the Band Hall. This will be an important meeting to decide on activities of the band organizations.

There will also be an election to replace several existing vacancies.

If your son or daughter is in the band, please plan to attend. Matters to be discussed will affect the activities of your child this year.

There are many activities that are pending that can be decided upon only with your approval.

Please plan to attend.

YOUNGSTER BREAKS LEG

Burl Addison, 4 year old son of Mr. and Mrs. Add Davis of San Angelo, received a fractured bone above the ankle when he fell from the top of a bleacher seat at a San Angelo park Tuesday evening. He dropped a distance of more than 16 feet. The injury was placed in a cast and he was taken home by his parents. The child is a grandson of Mr. and Mrs. Mitchell Davis. The mother is the former Joan Hester, who made her home here with her grandparents, Mr. and Mrs. Henry Childress.

Fall Revival At Baptist Church Set for Oct. 11-20

The Robert Lee Baptist Church is to begin a Fall Revival on October 11th and run through the 20th. The beginning night is the night we play football on our home field. Pastor Bennie Smith said, "The song service will start at 6:45 p.m. on this night and dismiss with 15 or 20 minutes time to get to the game before the kick off."

The evangelist, Rev. John L. Evans of Lawton, Okla., is a very personal friend of the local pastor. For the past three years he has been serving as Associational Missions Secretary in an area around Lawton. He is considered by pastor friends and denominational workers as one of the best pastors Oklahoma has ever had. He is sincere, conscientious and spiritual.

He is a very likeable person, one you will like to confide in, for advice and help. Because of his outstanding pastoral ability the local pastor thinks he cannot be excelled for the need of the church at the present time, when the evangelistic opportunities are small and church organizations, along with the church in general, needs to be functioning at the very best.

Since he measures six feet, six inches, and weighs two hundred or more, you cannot class him as a small Oklahoma Indian. If you will come see, hear and visit with him, you will no doubt class him as a friend and man of God. He will interest you if you are interested in salvation or the work of the church.

Mr. Otis Allen, the evangelistic singer from Norton, is well known among the people who attend the Baptist Church of Robert Lee. He directed the music in the church for several months last year. During this time he made friends with many in Robert Lee. He is the Associational Brotherhood song leader, and directs the song service in many revivals across the country. He will do a good job with the evangelistic singing. He attracts a large group of boosters to sing courses. He will look forward to meeting his old friends and making new ones.

The Church extends a cordial welcome to every one. The weekday services will be at 10:00 a.m. and 7:00 p.m. Sunday services at regular time.

GETS FORD SALES AWARD

Paul Ashby was among 33 salesmen who received portable TV sets in a Ford Motor Co. sales contest recently completed. Mr. Ashby is superintendent of schools at Silver and sold cars for Ivey during the summer vacation.

San Angelo Club To Tangle With Silver Indians

Silver Indians junior high football team will be hosts Thursday night of this week to the crack Robert E. Lee junior high eleven from San Angelo. Game time has been advanced to 7:30.

Last home game of the season at Silver has been set for Thursday night of next week against Lorraine junior high.

Silver Pee-Wees (5th and 6th graders) played in Sterling City Tuesday night.

Silver Indians have won all their games this season.

MR. AND MRS. R. D. DAY ... and their 40 lb. prize

Biggest Fish, A 40-Lb. Cat, From Mt. Creek Lake

A yellow catfish weighing 40 pounds was taken from Mountain Creek Lake here early last week by R. D. (Red) Day. It is by far the largest fish ever caught from the new municipal reservoir at the northeast edge of the city.

The line was attached to a one-gallon glass jug, the hook being baited with a 3-inch perch. Day and his wife set the line out Monday evening and landed the big fish without trouble the next morning when he went out to run his lines.

"Red" and his family reside in their own home in the new addition in the west part of town. He has been engaged in oil field work for a number of years and is now an employee of Sun Oil Co. at Silver.

Copelands Get \$58,000 as Pay For Plant Site

A deed was filed for record here last week which completed sale of 59.85 acres of land on Oak Creek Lake to West Texas Utilities Co. Chas. Copeland, the owner, received \$58,000 for the property.

A jury in County Court earlier in the week had fixed the valuation at \$60,000. Previously a special commission had set the figure at \$61,895.

The final sale price was reached after Copeland deducted \$2,000 for a ranch house which has been occupied by his son, Vernon.

The warranty deed was signed by Charles Copeland and Vernon Copeland and their wives. The Copelands are to retain ownership of all oil and mineral rights.

A cash payment of \$10,000 was made, while the remainder will be paid in four annual payments of \$12,000 each, drawing 3% interest.

The land is situated on the south side of the reservoir and the land is to be used by West Texas Utilities Co. as a site for a new multi-million dollar generating plant.

LUMBER YARD OPEN

Mrs. Fred McDonald, Jr. plans to continue to operate the lumber business following the tragic death of her husband early last week. The cotton gin has been closed down, however. Mrs. McDonald advised The Observer that she had started to devote full time to the business and will retain R. P. Ross, who has been employed there a number of years.

Tough Game In Prospect With Eldorado Club

A great football game is in prospect for Friday night of this week when the Eldorado Eagles come to Robert Lee to battle the Steers. Kickoff time is 8 o'clock.

These clubs slugged to a 14-14 tie at Eldorado last year. The Steers were outplayed in that game, but not outscored. It was also the contest in which Quarterback Tom Sawyer received a broken ankle and was kept out of the lineup most of the remainder of the season.

However, Eldorado High graduated that fine group of starters and last year's B string has moved up to the varsity. They are fast and shifty. Commenting on the Eagles the Eldorado Success last week said: "The team may lack experience, but make up for it in team work and spirit."

Eldorado opened with a 21-13 victory over San Felipe of Del Rio, then lost 6-0 to Rock Springs and were edged 13-8 by Boyd wherever that is. Last week the Eagles squeezed by a tough Rankin eleven 7-6.

The game won't count in the conference standing, but it will be a great show for the fans, with the band putting on a special half-time show. Only two more home games remain on the schedule. Menard comes to Robert Lee next week and Lorraine on Nov. 8.

The Steers are reported to be in top shape for Friday night. Melvin Duncan, a standout tackle, was sidelined last week with a mashed thumb which he injured in a door. But he'll be back in there this week.

Robert Lee looked fairly good against a weak Melvin club last week. Younger players took over most of the time on defense, but had no opportunity to show their ability on offense. The entire squad saw action. The aerial attack still isn't doing too well.

There is plenty of speed in the backfield and with better blocking Robert Lee will be running up some good scores. The team is improving and has a lot of possibilities.

Bronte Longhorns defeated Stamford B team last week 6 to 0. Persons who witnessed the contest say it was a different Stamford club than the one which defeated Robert Lee 13-7 to open the season. Some of the B stringers were moved to the starting eleven.

Trent Gorillas won 12-6 over Jim Ned of Tuscola, the team that downed Bronte 13-0 the previous week.

Menard scheduled in Robert Lee next week took Eden 34-18. They opened the campaign with a 33-0 win over Melvin. There's a comparison which would indicate the Steers and Yellowjackets of Menard are well matched.

Play in District 6-B gets started soon, with Robert Lee meeting Hermleigh Oct. 18. Robert Lee's record so far shapes up favorably with other conference clubs. Bronte has an open date this week.

COWLEYS BUY HOME

Jack Cowley and family are now enjoying the residence which they purchased from Flo Miller. The modern home is well located, a block west of the Baptist Church. The Cowley property near the highway Y is for sale. Mrs. Miller and her children have moved to Ft. Stockton where she has employment.

Steers Defeat Melvin Bulldogs By Score of 34-13

Robert Lee Steers defeated the Melvin Bulldogs in a non-conference game here Friday night by a score of 34 to 13. Coach C. D. Manire used his entire squad, with younger players taking over most of the defensive play.

The second string started the contest when Melvin received the opening kickoff. On the first play from scrimmage Halfback Lonnie Parks got through the Steer line and secondary defense and scampered 63 yards for a touchdown.

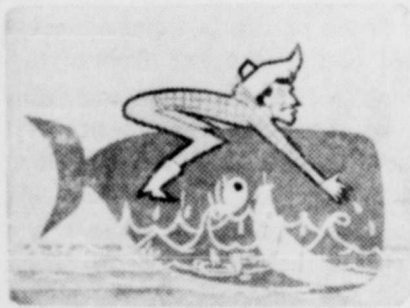

After receiving the next kickoff on the 44, the Steers lost little time in reaching pay dirt. Bub Burson got nine yards through left guard and Ronnie Sims skirted his right end for 34 yards and a first down on the Melvin 14. Burson added five more and Tom Sawyer took the ball on a reverse to the left and scored a touchdown. Don Stewart plunged over to convert the extra point and the Steers went ahead 7-6.

Failing to gain required yardage Melvin punted to the Steer 24. Freddie McDonald circled right end for 14 yards. He hit center for 3 more, a pass was incomplete and McDonald made it a first down on his 49. Burson with good blocking ran 40 yards, but the play was called back. McDonald made 11 yards around end, but it was for naught as the Steers were given a 15 yard penalty. A long pass from Sawyer to Freddie McDaniel was incomplete.

As the second period opened a screen pass resulted in Stewart carrying the ball for a first down on the Bulldog 32. A pass to McDaniel carried to the 20, then Stewart went off tackle for a touchdown. Burson carried over to convert.

After receiving the kickoff Melvin was forced back to its 1 yard line, but punted out to midfield. After Sawyer gained 6 yards, McDonald got through left tackle and ran 44 yards for a touchdown. Troy Walls took a pass from Sawyer to convert. The half ended with Robert Lee leading 21-6.

Sam Ed Skipworth down a short kickoff on the Steer 30. On a screen pass Stewart charged on the sideline for 34 yards. Sawyer added 14 around end and a first down on the visitors 20. Sawyer tossed a touchdown pass to Walls in the end zone. Burson convert-

Parks and Willie Dean Ward picked up 12 yards for a 1st down on the 50 yard line. They lost ground on the next series of plays and a short punt was taken by the Steers on their 48. Two passes were incomplete and the Steers lost the ball on their 44 yards line as the third quarter ended.

Melvin reeled off good yardage for two first downs, taking them to the Robert Lee 15. Gale Wood went around end for a touchdown. Ward converted and the score was Robert Lee 28, Melvin 13.

Bobby Cowley downed an on-side kick on the Steer 33. Sawyer's pass to McDonald netted 8 yards. McDonald then took a lateral pass from Sawyer and ran 46 yards for a touchdown. A line play failed to convert. Melvin had the ball on their 36 yard line as the game ended. Score: Robert Lee 34, Melvin 13.

CARD OF THANKS

As it will be impossible for me to see everyone and thank them personally, I want to say thanks for all the nice cards and letters and for the beautiful flowers sent me while I have been sick. They were all appreciated more than you will ever know. Thanks again.
—Mrs. A. B. Sheppard.

Donald Hamilton and family spent the weekend with his mother, Mrs. J. F. Hamilton, and other Robert Lee relatives and friends. Donald is engaged in oil field work at Odessa and was enjoying a week's vacation. He and his family motored to the Gulf where they visited the Jiggs Lofton family in their new home at Dickinson.

First Meeting Of Garden Club At McCabe Home

The El Valle Garden Club opened its new year with the first meeting September 18 at 3 o'clock in the home of its president, Mrs. Frank McCabe, with Mrs. W. B. Clift and Mrs. Sam Powell as co-hostesses.

Mrs. B. A. Austin was leader for the program and presented Mrs. Paul Good, who gave an introduction to the year's program. Then Mrs. Austin presented Mrs. Frank Coalson who gave a very interesting review of the book, "Scapegoat," by Daphne du Maurier.

The Garden Club meets the third Wednesday of each month at 3 o'clock in the home of members. All ladies who are interested in gardening are invited to join the club.

The club is continuing its project this year of obtaining a rock entrance for the cemetery. Some money was made last year on the project by bake sales and selling Christmas cards.

The Garden Club is a civic club and interested in all civic projects for the improvement of the town.

The next meeting will be October 16, and will be a tea honoring ladies of the "Golden Age" in town. Hostesses will be Mrs. T. M. Wylie, Jr., Mrs. Travis McNair and Mrs. J. S. Ferrell.

Mr. and Mrs. Bill Meeks of Welch, Tex., were weekend guests in the home of their niece, Mrs. Fred McCabe, Jr. and family.

Kenney and Sandra had some funny dreams last week. What were these about? Don and W. H. seemed to have gotten lost at the Ram ball game last Saturday night. What happened to you, boys? Eunice was looking sad Sunday afternoon until the telephone rang. Who was it, Eunice? Dale seems to have added another scratch on him. How did you do that, Dale?

WONDERING:
Who were the girls in the red and white Ford? Don, Charles and W. H. seemed friendly enough. Did you know them, boys? What did Kenney say that made you so mad? What boy was Kenney supposed to go riding with in W. H.'s car? Seems like there was some mixup. Who took Lexie Lewis and Priscilla Wylie home from the band? Why did it take so long? Who Dale got two letters from last week? Did you and Troy have a good time over the weekend? Why was Joydell so happy over Thursday night? Who was that boy that Oldsmobile that you were with? What boy Doris wants to go with the Senior Class? Why Monty, Jerry Dale, Sandra and Dale took Dwayne snipe hunting after the Silver and Bronte ball game? What Kenney did that made Mr. Petross say he was going to call her mother? Why Melvin made better grades under Mrs. Coalson last year than he does under Mr. Petross this year? Why did Frances, Kenney, Sandra, Sam Ed, Don, and Bill go to Bronte Sunday? What gives? What does Frances regret saying Sunday? Give, kid, give!

There was a youth fellowship at the Baptist parsonage after the game with Melvin.

There was also a dance held at the recreation hall after the game. A large number attended.

Doggie Round-up

By DON HESTER

The first grade is having an "Eat a Good Breakfast" contest. The Robin Group won last week and wore the Early Bird pin on Friday.

Douglas Petross in the second grade has been busy explainig how he caught more fish than his father on last Monday.

In Mrs. Watson's third grade group there have been several out with colds:

- David Boykin
- Della Dean,
- Ronnie Devoll
- Donnie Devoll,

and Henry Lara were among those absent.

The third graders had a treat last Friday afternoon. Cookies were served.

Mrs. Page did a good job as a substitute teacher Monday when Mrs. Waterson's car had trouble.

Darvin Gregston brought in a spider for the third grade science table. The praying mantis died.

The third grade has had some excitement in the form of a mouse. The third graders said, "There is

a mouse in the room." Mrs. Waterson went in and found that the "mouse" was a bat. She caught it and took it home, and said that her husband will preserve it for future study.

In the fourth grade, Leroy McGallion is out with the flu.

The fourth graders' sympathy is with Mrs. McNair, who lost her father.

The fourth graders are doing some interesting experiments in science.

In grade five, those absent because of sickness were as follows:

- Paul Torres,
- Linda Heuvel,
- Martha Sheppard,
- Tony Dean,
- Kay Havins.

Those elected as officers for the Jr. Student Council are:

- Dedwood Coalson — President
- Bill Roach — Treasurer.

There will be a run-off for secretary among Bonnie Quisenberry, Marion Fikes, and Elaine Robertson. This election will take place on Thursday in the sixth grade room.

Our Silver Lining

Six new transfers come from Silver this year. They are all very fine students and all the teachers and students appreciate and welcome them to our school.

One of the new students is a very attractive senior, Jennie Lou Anderson. She stands 5 ft. 5 in. tall with hazel eyes and brown hair. Miami, New Mexico, was her former home but she attended school at Colorado City last year. Shorthand tops her list as the favorite subject, with Plane Geometry four notches down as the hardest. Football seems to be her favorite sport and reading her favorite pastime. Stuck-up people are her pet peeves. She is the sister of one of our last year's ex'es, Wade Anderson.

That new attractive junior is Marion Mason. Her height is 5 ft. 2 in. with brown eyes and brown hair. She came to Silver from Crane and she also attended Colorado City last year. Math and Science seem to be her hardest subjects with shorthand topping the list as a favorite. Marian was Class Favorite at Silver her freshman year. Basketball tops her list in sport and writing letters is her pastime. She was an active member in Silver F. H. A. Her pet peeve is two-faced people.

One of the four sophomores is Danny Arthur. Danny stands 5 ft. 11 in. He has brown hair and hazel eyes. It seem as if he has no favorite subject, but history is his hardest. He is active in his favorite sport, football. Hunting is his favorite pastime. He lived in Colorado City before moving to Silver. He also attended school there. He is an active member of the Boy Scouts.

Bonita Butcher is the cute sophomore girl. Five ft. 6 ins, is her height with brown hair and hazel eyes. She came from down Louisiana way. She has spent most of her school life in Silver. English is her favorite subject, with plane geometry as her most difficult. Basketball rates first as her favorite sport and dating her favorite pastime. Bonnie was Miss S. J. H., annual sports editor, and secretary and treasurer of her class at Silver Junior High.

Gary Ledbetter is another one of the fine sophomores. He is 5' 7" with green eyes and brown hair. Midland was originally Gary's home town. He attended school at Abilene before coming to Silver. Like so many other sophomores,

history is his hardest subject and he has no favorite one. He seems to enjoy hunting as a pastime. Football is his favorite sport, in which he is very active. Gary is in the Boy Scouts and two-faced people are his pet peeve.

Last, but far from least is John Walker. He is a sophomore standing 5' 8". He has blue eyes and brown hair. He has no favorite subject, and you guessed it, history is his hardest. Football is his favorite sport and hunting his favorite pastime. Silver is John's home town, and he has attended school at Colorado City. John was Best All-Around Boy his freshman year and also reporter of his class.

The following students from Silver attended our school last year and are some of our best students this year: Gay Hollis, Larry Cheatham, Patricia Conner, Dale Dean, Troy Walls, Mike Lomas, Butch Arnold and Jo Ann Millican.

YOUR OPINION

What is going to happen about integration? Are we going to have another war, just because some people's skins aren't white? Is it fair to the Negroes to be segregated? Shouldn't they be educated also?

This is a problem that is affecting the whole nation. If it comes to Texas, there shouldn't be any trouble, if most of the people feel the way some of our students and teachers do.

Dennis Blair: We're going to have to face it. It's going to happen, so we might as well go along with them and not make a fuss or we will have another war.

Charlene Robertson: I think if they have schools, they should go to them, but if they don't they should come to school with the whites. God created all men equal and they all have the same rights.

Jerry Dean: I think they should go to school with us if they don't have schools of their own.

Marian Mason: I don't think they should go to school with the whites. They should have schools of their own.

Ronnie Sims: There is no difference except the color of the skin, and I think they should be able to go to school with us if they don't have their own school.

Patty Gray: I think it is alright, if they go to school with us, because God created all men equal.

James Harmon: It doesn't make me any difference, because they're just like everyone else and should get an education.

Brenda Cowley: I don't mind if they do, if they don't have schools of their own to attend.

Mr. M. E. Petross: It is the law of the land that the Negroes do go to school with us. It is going to come, and there is no way to stop it. I'm not particularly against it, but I think they're making a mistake in forcing it upon the people.

Mrs. Dixie Smith: I think Whites and Negroes should have equal rights; I don't know what the solution is, though. It is inevitably coming and we can't stop it. I think it might be better if integration was college or high school level rather than grade school.

This is just a few of our students' and teachers' opinions. What is your opinion?

Steer Corral

By FREDDIE McDONALD

The Robert Lee Steers sent the Melvin Bulldogs home yelping with a 34 to 13 defeat. Melvin drew first blood when they went off tackle for 66 yards and a touchdown. Robert Lee bounced right back driving 60 yards in 4 plays with Sawyer scampering the remaining 4 yards. Stewart plunged over for the conversion.

Early in the second quarter Stewart got loose through the middle for 21 yards and the second touchdown. Burson plunged over for the extra point. The last touchdown of the first half was turned in by McDonald.

The third quarter opened up when Sawyer let loose in a pass

that hit Walls in the end zone for six points. Sawyer again hit Walls for the extra point. The final touchdown was a pass combination from Sawyer to McDonald. Hoot Gibson and Bill Mundell were standouts in the line.

These are the running and passing statistics of the game.

	Yards	Carries	Ave.
McDonald	117	6	19.5
Stewart	38	4	9.5
Burson	17	3	5.6
Sawyer	18	7	2.4
Sims	40	1	40.0

	Yards	Passes	Ave.
Walls	31	2	15.5
Stewart	20	2	14.5
McDonald	59	2	29.5

After Game Party

By JO ANN HOOD

After the Melvin game, another fellowship was held at the Baptist parsonage. A weiner roast was the first event. There was a big fire, plenty of weiners and all we wanted to drink. Everyone enjoyed the outdoor affair.

Next came the games. Dennis and Dwain had a race to see which one could roll a potato across the lawn first. Dwain seemed to think Dennis won because his nose was bigger, but there is some question about that. Kenneth and Vicki had to feed each other blind-folded. You could see that neither one of them had had much experience in feeding anyone but themselves. There was quite a race between Ann and Jo Ann. Each girl was given half a Coke and a nipple on the bottle. They had to suck the Coke from the bottle. Jo Ann won, only because she had watched pet

lambs in the past and knew how to get the Coke out.

Several songs were sung and everyone enjoyed trying to keep time with Anne, who was playing "at a distance."

There will be another fellowship after the Robert Lee-Eldorado game Friday night. There will be more refreshments and different games. Everyone is invited to come.

Jests from the West

By JERRY DEAN

Hey diddle diddle,
A 40-inch middle,
The bride ran away with the groom.
He cussed and he swore,
But he don't no more.
She locked him up in his room.

There was a tribe of Comanches
Who all had crooked phalanges
They worked and prespired,
But they never tired,
Of seeing whose hand looked the strangest.

"Romeo, Romeo, wherefore art thou?"
"By gosh Juliet, you wash the dishes yourself."

A man who was withered and sick,
Took Carters' fine pills fast and thick,
After he died,
They hammered and pried,
His liver to death with a stick.

FROM THE LIBRARY
By PAT FOWLER

Since school has started the library has been improved in many ways. The books were all taken down and filed under different topics. They are now being put back in alphabetical order with numbers on the backs to help the librarians find them easier. We hope to have them ready to check out soon. We appreciate all the students who have helped the librarians get the library organized. The librarians would like to thank Mrs. Coalson for her time and effort. We surely appreciate what you have done to help us, Mrs. Coalson.

Voleta Harwell
And Mr. Dixon
Wed Sept. 28th

The First Baptist Church in Bronte was the scene Saturday night, Sept. 28, for the wedding of Miss Voleta Mae Harwell to David Emory Dixon, Jr. The double ring ceremony was read at 7:30 p.m. by the Rev. Maynard Rogers, pastor of the First Baptist Church at Miles, and former Bronte pastor.

The bride is the daughter of Mr. and Mrs. J. C. Harwell of Robert Lee and the bridegroom is the son of Mr. and Mrs. David Dixon, Sr. of Rocksprings.

Given in marriage by her father, the bride wore a dress of white chantilly lace over white satin featuring a boot neckline. The bouffant skirt was ballerina length. Her finger-tip veil was attached to a cap outlined with seed pearls. She wore a necklace and matching ear rings, a gift from the bridegroom, and carried a bouquet of carnations and tube roses, centered with an orchid atop a white Bible.

Her sister, Mrs. Ike Billings of Del Rio, was matron of honor. Miss Nona Beth Haney of Roscoe, cousin of the bride, and Miss Carolyn Hall of San Angelo College, an ex-roommate of the bride, were bridesmaids.

Douglas Dixon of Post served his brother as best man. Jack Thomson of Robert Lee, a cousin of the bride, was ring bearer. Ushers were Ika Billings of Del Rio, brother-in-law of the bride, and John Hunter of San Angelo College.

Miss Faith Rogers of Miles was organist and accompanied Mrs. Douglas Brown of Bronte, who sang "O Promise Me" and "The Wedding Prayer."

A reception followed in the Fellowship Hall of the church at which the bride's parents were hosts.

After a short wedding trip, the couple will live in San Antonio where he is employed as a bookkeeper for the Goodyear Tire Co.

Mrs. Dixon is a graduate of Robert Lee High School and attended San Angelo College where she was affiliated with Lambda Tau and Phi Theta Kappa sororities.

Dixon is a graduate of Rocksprings High School and also attended San Angelo College.

BUILDING NEW HOME

Frank Percifull has started construction of a new ranch home on his place, six miles southeast of Robert Lee. Foundations have been poured and the framework is now going up. The residence has three bedrooms, living room, kitchen and family room combined, two baths, front and rear porches and a carport. Some lumber from the old house he dismantled in Robert Lee will be used. Asbestos shingles will cover the outside. Capps & Casey are in charge of the project.

H. D. COUNCIL MEETING

Annual reports of officers, committee chairmen, and H. D. clubs will be given in the Coke County H. D. Council meeting Tuesday. The meeting will be in the Agent's office at 2 p. m. with Mrs. Jahew Jameson, chairman, presiding.

Business to be transacted will be election of council officers for 1958 and appointment of committees for planning the Christmas party.

All council members and club officers are urged to attend.

L., Jerry and Doris Sparks, son and daughters of Mr. and Mrs. Calvin Sparks, Robert Lee; Kay, Kenneth and Robert Wink, daughter and sons of Mr. and Mrs. Leslie Wink, Sanco; Joe Harmon, son of Mr. and Mrs. Finis Harmon, Green Mountain; and Bill Newell, son of Mr. and Mrs. O. W. Newell, Silver, have entries going too.

Each entry will consist of three toms and three hens. The County group will be comprised of a total of 102 turkeys.

AT McDONALD FUNERAL

Many kinfolks and a host of friends from a distance were in Robert Lee Wednesday of last week to attend the funeral of Fred McDonald, Jr. Arriving from San Moreno, Calif., was Mrs. L. B. Knudson, aunt of Mrs. McDonald, who is remaining for a time. Coming from Ft. Worth were Judge Atwood McDonald and James McDonald and Donald Robinson of Denton and Brooks Robinson of Lubbock, all of them cousins of Fred. His uncle, Brooks McDonald of Lawton, Okla., was also present.

WOJTEK PLACE SOLD

Roy Casey and family have purchased the Victor Wojtek residence and will occupy it as their home. Mr. Wojtek moved the house to a site near the football field when he built his new home in the west part of Robert Lee last year. Mr. Casey is foreman of county road work in Precinct 1.

BOY SCOUT CAMPAIGN

A finance campaign for extending Boy Scout activities in this community will open with a breakfast at 6 a.m. next Tuesday at the Robert Lee Baptist Church. Team captains and workers have been appointed to carry on the drive which is expected to be completed within the following few days. P. E. Webb has again taken over as scoutmaster of the Robert Lee Boy Scout Troop.

SPECIAL BAND SHOW

Friday night at the Eldorado game the Robert Lee High School Band will repeat by popular request the most popular half time show presented last year.

It is a modern version of the story of Little Red Riding Hood entitled "Little Bop Riding Hood." The show features the band twirlers as the principals in the story and Richard Sims will be narrator, as the band plays while seated in the bleachers.

The performance requires not only the entire Steer Band, but the beginners and Steerettes get into the act as the people who control the special sets.

Powell Family Will Spend Two Years in Jordan

Mrs. George Powell and five children of Placenta, Calif., visited here recently with her sister-in-law, Mrs. John Gregston, and family.

A former resident of Robert Lee, Mrs. Powell devoted some time to getting data for a passport which will be needed in the near future when she and the children travel to join Mr. Powell in Jordan. She is the former Murrell Miller.

For the past four months Mr. Powell has been at Amman, capital of Jordan, near which place he is employed as a welder and mechanic by Parker Drilling Co. of Tulsa. The company shipped its big rotary rig from Houston and is now nearing completion of its first well.

Powell previously did some oil field work in New Guinea and West Africa.

Mrs. Powell and the children are staying in Odessa until they depart on their long trip to the Far East. They will go by plane at company expense.

SMALL TALK

By A. J. K.

Bucky, 6 year old son of Mr. and Mrs. Calvin Sparks, had a close call from a rattlesnake Wednesday evening. He got out of the car to open a gate leading into the Sparks place southwest of town and didn't see the snake coiled near him. Other members of the family hollered and Bucky jumped just in time. He got far enough away that the snake's fangs only touched his shoe. Of course, he and his sisters were scared!

More natural history: Ben Alfred Boykin reports he scared a couple of wild boars out of the grass one day last week while getting up some lambs on the A. B. Sheppard ranch, southwest of Robert Lee. He chased them a quarter of a mile on horseback and they tried to hide along a fence. Lawrence Higgins and Fred Wright were there to get the sheep and Wright killed both animals with shots from a .22 rifle. Ben Alfred said they were big fellows, and would weigh right at 100 pounds apiece.

Very seldom has a wild hog been seen in this locality, although they are numerous on to the south. Somebody suggested they might have been descendants of hogs raised on the March Ranch years ago.

Boykin referred to them as "havalinas" or "javelinas" but we

The Observer, Robert Lee, Texas

Oct. 4, 1957

couldn't find such a word in the dictionary. Does yours list it? Pretty sure it means a wild hog.

And there's the story about the big fish which Red Day landed out here the other day. We insisted Maxine be in the picture. She's far more attractive than her husband or the fish.

WE HAVE THE ROOM

City Oct. 23

Dear Mr. Kirkpatrick:

If you have room in your paper, please ask if someone has found a doll downtown and picked it up. You see, Julia, my little sister,

lost her doll the other day, when she was playing with some other children downtown. She laid it down on the sidewalk, and when she came back it was gone. She misses it a lot.

This doll was made of rubber, had no clothes on, and could squeak when its head was squeezed. It had no hair.

Thank you very much, Laura Bird
P. S. If it was found, please ask the person to bring it to the TV Shop.

Help your town! Do all your shopping at home. We'll have a better town if you do.
