Deer, Turkey Season Opens In Coke Nov. 16

For the first time in a number of years Coke County will be opened for hunting deer, turkey and quail.

The deer and turkey open season starts Saturday, Nov. 16, and continues through Dec. 31, both dates inclusive. The quail season extends from Dec. 1 through Jan. 16.

Bag limits are two bucks with pronged horn per season and three turkey gobblers per season. Shooting hours are from 30 minutes before sunrise to 30 minutes after sunset.

There are no restrictions on the type of guns which may be used, except that shotguns used in hunting turkeys must be plugged to a 3-shell capacity.

All persons hunting deer and turkey are required to have a license. The license costs \$3.15 and may be purchased at the County Clerk's office, from C. D. Vann, game warden at the Sheriff's office, or at the Percifull Hardware Store in Robert Lee.

Hunters under 17 years of age are advised to secure an exempt license on which there is no charge. This also applies to adults hunting on their own premises.

Each hunting license has two coupons and one of them is to be attached to the ear of a buck after it is killed. Game Warden Vann says this is important and he advises hunters to observe these instructions.

Land owners who receive pay for hunting privileges are required to obtain a Shooting Preserve License. They cost \$5.00 and may be secured only at the County Clerk's office. J. L. (Chilly) Tinkler said Wednesday a half dozen such licenses had been issued, all of them in the southeastern section of the county.

Hunters should be sure and have permission from the land owner whether the property is posted or not.

Quite a lot of deer are known to be in Coke County and some good flocks of wild turkeys have been seen. The amount of game killed should be reported to the land owner, so that a record can be kept.

One other important thing is to be careful.

SHOWING NEW MERCURYS

Ivey Motor Company this week is showing the new 1958 line of Mercury passenger cars. They have three models on display and as usual the Mercury is outstanding in appearance and has many new features.

Bronte Game To Decide Grid Title

KENNEY SAWYER was selected as one of the Football Queen attendants here Friday night. She is a daughter of Mr. and Mrs. R. C. (Buz) Sawyer.

Guests here the past week in the home of Dr. and Mrs. J. D. McDaniel were Dr. and Mrs. E. C. Jenner of El Reno, Okla., and Mrs. W. E. Saunders of Miami, Fla. Mrs. McDaniel and Mrs. Saunders are daughters of Dr. and Mrs. Jenner. Mrs. Saunders was enroute home from a trip to Arizona.

CAROLYN ELLIOTT was also named as an attendant to the football Queen. A high school senior, Carolyn is the daughter of Mr. and Mrs. C. C. Elliott.

Robert Lee Steers and the Bronte Longhorns wind up the football season Friday night on the Bronte field. Game time is 7:30.

As usual the Robert Lee-Bronte contest is the most important game of the year for both schools, and this is no exception. It probably means more to the Steers, however, as a victory over Bronte will give them the District 6-B championship.

The teams have similar records, each with six wins and three defeats. Both has looked good at times, and seemed to have bogged down on other occasions. Robert Lee's worst defeat was a 19-7 licking from Trent, a club that Bronte defeated 6-0. On the other hand Bronte was nosed out by Hermleigh, while Robert Lee bested the Cardinals 18-6. Records of the two Coke County teams will be found on a football promotion page in this newspaper.

Robert Lee fell apart following the Hermleigh game Oct. 18 and the Steers are still suffering from injuries and sickness. After trailing 13-0 at the half against Loraine last week, Robert Lee came back strong with Freddie McDonald leading the club to an 18-13 victory.

Wednesday a satisfactory workout was held under welcome sunshine. Don Stewart, fullback and end, received a broken hand last week and is not likely to see action at Bronte. Sam Ed Skipworth, center and line backer, has an injured ankle, but he's going to play. The rest of the squad appear in good condition, ready and anxious to make up for some poor showings in the past.

Bronte has suffered, too. Aubrey Denman, crack halfback, got his shoulder broken in scrimmage this week and is out. Dean Black, another ball carrier, has been in an Abilene hospital suffering from a head injury. The son of Supt. Garland Black, he is reported improved this week. Tommy Latham, Bronte quarterback, also has a bad knee and will be handicapped in running.

It will be a great game with plenty of action. The winner? It's a toss up.

School Closed By Sickness

Robert Lee public school was dismissed the first three days of this week because of the flu epidemic.

Supt. Frank Coalson said 75 pupils and four teachers were absent Monday which prompted his decision to turn out school.

Indications were that the situation was better when Coke Memorial Hospital here reported nine patients Thursday, compared to a peak of 14 most of the previous week.

The hospital has 13 available beds and rented two more for use during the emergency.

in the Air Force at Little Rock.

Roland McArthur was here for a weekend visit with his parents, Mr. and Mrs. E. C. McArthur, who reside in Millican Camp west of Edith. Roland is a pre-medic student at A & I College in Kingsville.

4-H Gold Star Winners in '57 Are Announced

The Gold Star Award winners in 4-H club work in Coke County for 1957 have been selected. This award, made to one boy and one girl each year, is the highest county award provided by the Texas Extension Service.

Purpose of the award is to recognize outstanding achievement, leadership and contribution to the County 4-H program, to stimulate winners to strive for greater achievements and to encourage other club members to participate in the county 4-H program.

The Gold Star Award has certain requirements that must be met by the winners. The club member must be 13 years of age or older on January of the current year. He or she must have been in 4-H club work at least three years including the current year. He or she must have been in 4-H club work at least three years.

A third requirement or stipulation is that a boy or girl may receive the award only one time. The County Extension Office has announced the 1957 Gold Star Girl and Boy are DaNeil Dixon of Bronte and Kenneth Wink of Sanco.

SILVER TURKEY SHOOT

Cold weather cut the attendance at Silver's annual Turkey Shoot held Saturday afternoon at the school athletic field. A gross of \$300 was reported, which was about one-half the amount taken in last year. Thirty turkeys were awarded. The event was sponsored by the Silver Lions Club which would net a fair profit from the venture. The Silver Lions will serve a Pancake Supper Dec. 13 and tickets will be sold in advance at 50 cents for both adults and children.

GETS AF DISCHARGE

A/IC Floyd Sheppard was honorably discharged Nov. 5 after more than 3½ years service in the Air Force. He received his discharge at Bergstrom Field near Austin where he has been stationed for some time. He was trained as a radar technician. The son of Mr. and Mrs. A. B. Sheppard of Robert Lee, Floyd is married to the former Shirley Young of San Angelo. They have two children, Valerie and David. Floyd and his family visited home folks last week and are now vacationing in the Big Bend country. His future plans are indefinite.

Football Favorites Honored

(FRANCES WYLIE)

Last Friday night during the halftime period, three favorites were crowned with the fine assistance of the high school band.

The band formed on the field the outline of a football. The three candidates for football beau escorted on the field the three candidates for football sweetheart.

Candidates for beau were Freddie McDonald, junior; Don Stewart, co-captain, junior; and Bub Burson, captain, senior. The sweetheart candidates were Gay Hollis, senior, Kenney Sawyer, junior and Carolyn Elliott, senior.

Following the candidates into the "football" were Tom Sawyer, co-captain, and the cheerleaders, Sandra Baker, Doris Sparks, and Charlene Robertson, bearing a bouquet of roses and crown for the sweetheart and the helmet for the football beau.

Tom crowned Gay football sweetheart and she was presented the roses.

The cheerleaders proclaimed Don Stewart as beau. He was crowned by the Sweetheart.

Martha Humphrey and Brenda Cowley, two of the majorettes, proclaimed Drum Major Richard Sims band favorite. A streamer of black ribbon with gold letters, spelling "Band Beau" was draped across him. Ann Smith was the runner-up for band favorite.

The Sweetheart and her attendants were escorted off the field by the beau and his attendants.

The first assembly of the year was Wednesday, November 6, at 11 a. m. when the FFA and FHA had the formal initiation of their new members.

Ann Smith, chairman of the program, was in charge of the FHA initiation. The table had a white table cloth over it with a bouquet of red roses in the center. There were eight white candles representing each purpose and one red candle for courage in the middle of the eight white ones. The guides for the eight purposes were Jo Ann Hood, Charlene Robertson, Lois Eubanks, Ellen Counts, Martha Humphrey, Jerry Sparks, Sondra Roe and Sandra Baker. In the absence of vice-president, Joydell Kinsey, Eunice Blair acted in her place. Treasurer Betty Hood said the new members had completed their records. The new members are: Vicki Wojtek, Brenda Cowley, Brenda McDorman, Sharon Knapp, Gayle Lewis and Tootsie Favors. We are very glad to have them as members in FHA.

The FFA was in charge of the rest of the program. There was a ceremony for initiating the candidates and making them members. They were examined by a committee. There were qualities which the Greenhands had to meet. Knowing the creed and motto were some of the qualifications. Chapter officers composing the ceremony were: President, Jamie Schooler; Vice-President, Kenneth Wink; Secretary, Dennis Blair; Treasurer, Douglas Robertson; Re-

Whether or not you are a pianist you are familiar with the piano. You probably have lifted the cover of a grand piano or removed the front panel of an upright, and looked at the array of wires inside. There are two hundred and twenty-six strings, if you stopped to count them, ranging from short to long, from thin to heavy, and three of nearly every length and thickness.

Perhaps you have struck a few keys experimentally and watched the little felt-covered hammers hit the strings. You found that you could play several notes at once, that the tones could be made smooth and legato or sharp and staccato, and that the sound could be as loud and penetrating as a military band's march or as soft and soothing as a mother's lullaby.

Today we take for granted the piano's ability to produce sounds as loud or as soft as we wish, but when the piano was first invented, it was that very ability that made it unique among the instruments of its day. And that same faculty was responsible for its original name: "pianoforte" or "soft and

loud." The invention probably is the most appreciated by pianists who enjoy many hours at the piano, either for self satisfaction or to practice in order to fulfill a goal.

PERSON I WOULD MOST LIKE TO MEET

asked, "Who would you like to meet most?" who would you like to meet most? Here are some answers

RLHS:

Bernice Seltz. The person that I would like to meet most is Tennessee Ernie Ford. I would like

to meet him because he is a good singer and is very humorous. His jokes and his pleasing personality make him popular with everyone young and old. Many young children over the nation like to watch his program.

Jerry Sparks. If asked, who would you like most to meet, most people would say some person that is well known. The majority of people would think it crazy, but

I have no great desire to meet anyone in particular. It would be a great experience to meet President Eisenhower or other important people but I am satisfied with the people I know.

Jerry Blair. I don't really know who I would like to meet most, but I think I would like to meet someone great in the field of popular music. If I should meet them, the thing I would ask first is, "How

did you do it?"

Jamie Schooler. I would like to meet the person or persons who are in the "eggnick" that is flying around. I would like to make real good friends with them; then maybe they would give me one. I could come to school in it and scare the daylights out of the kids and teachers. I would like to fly

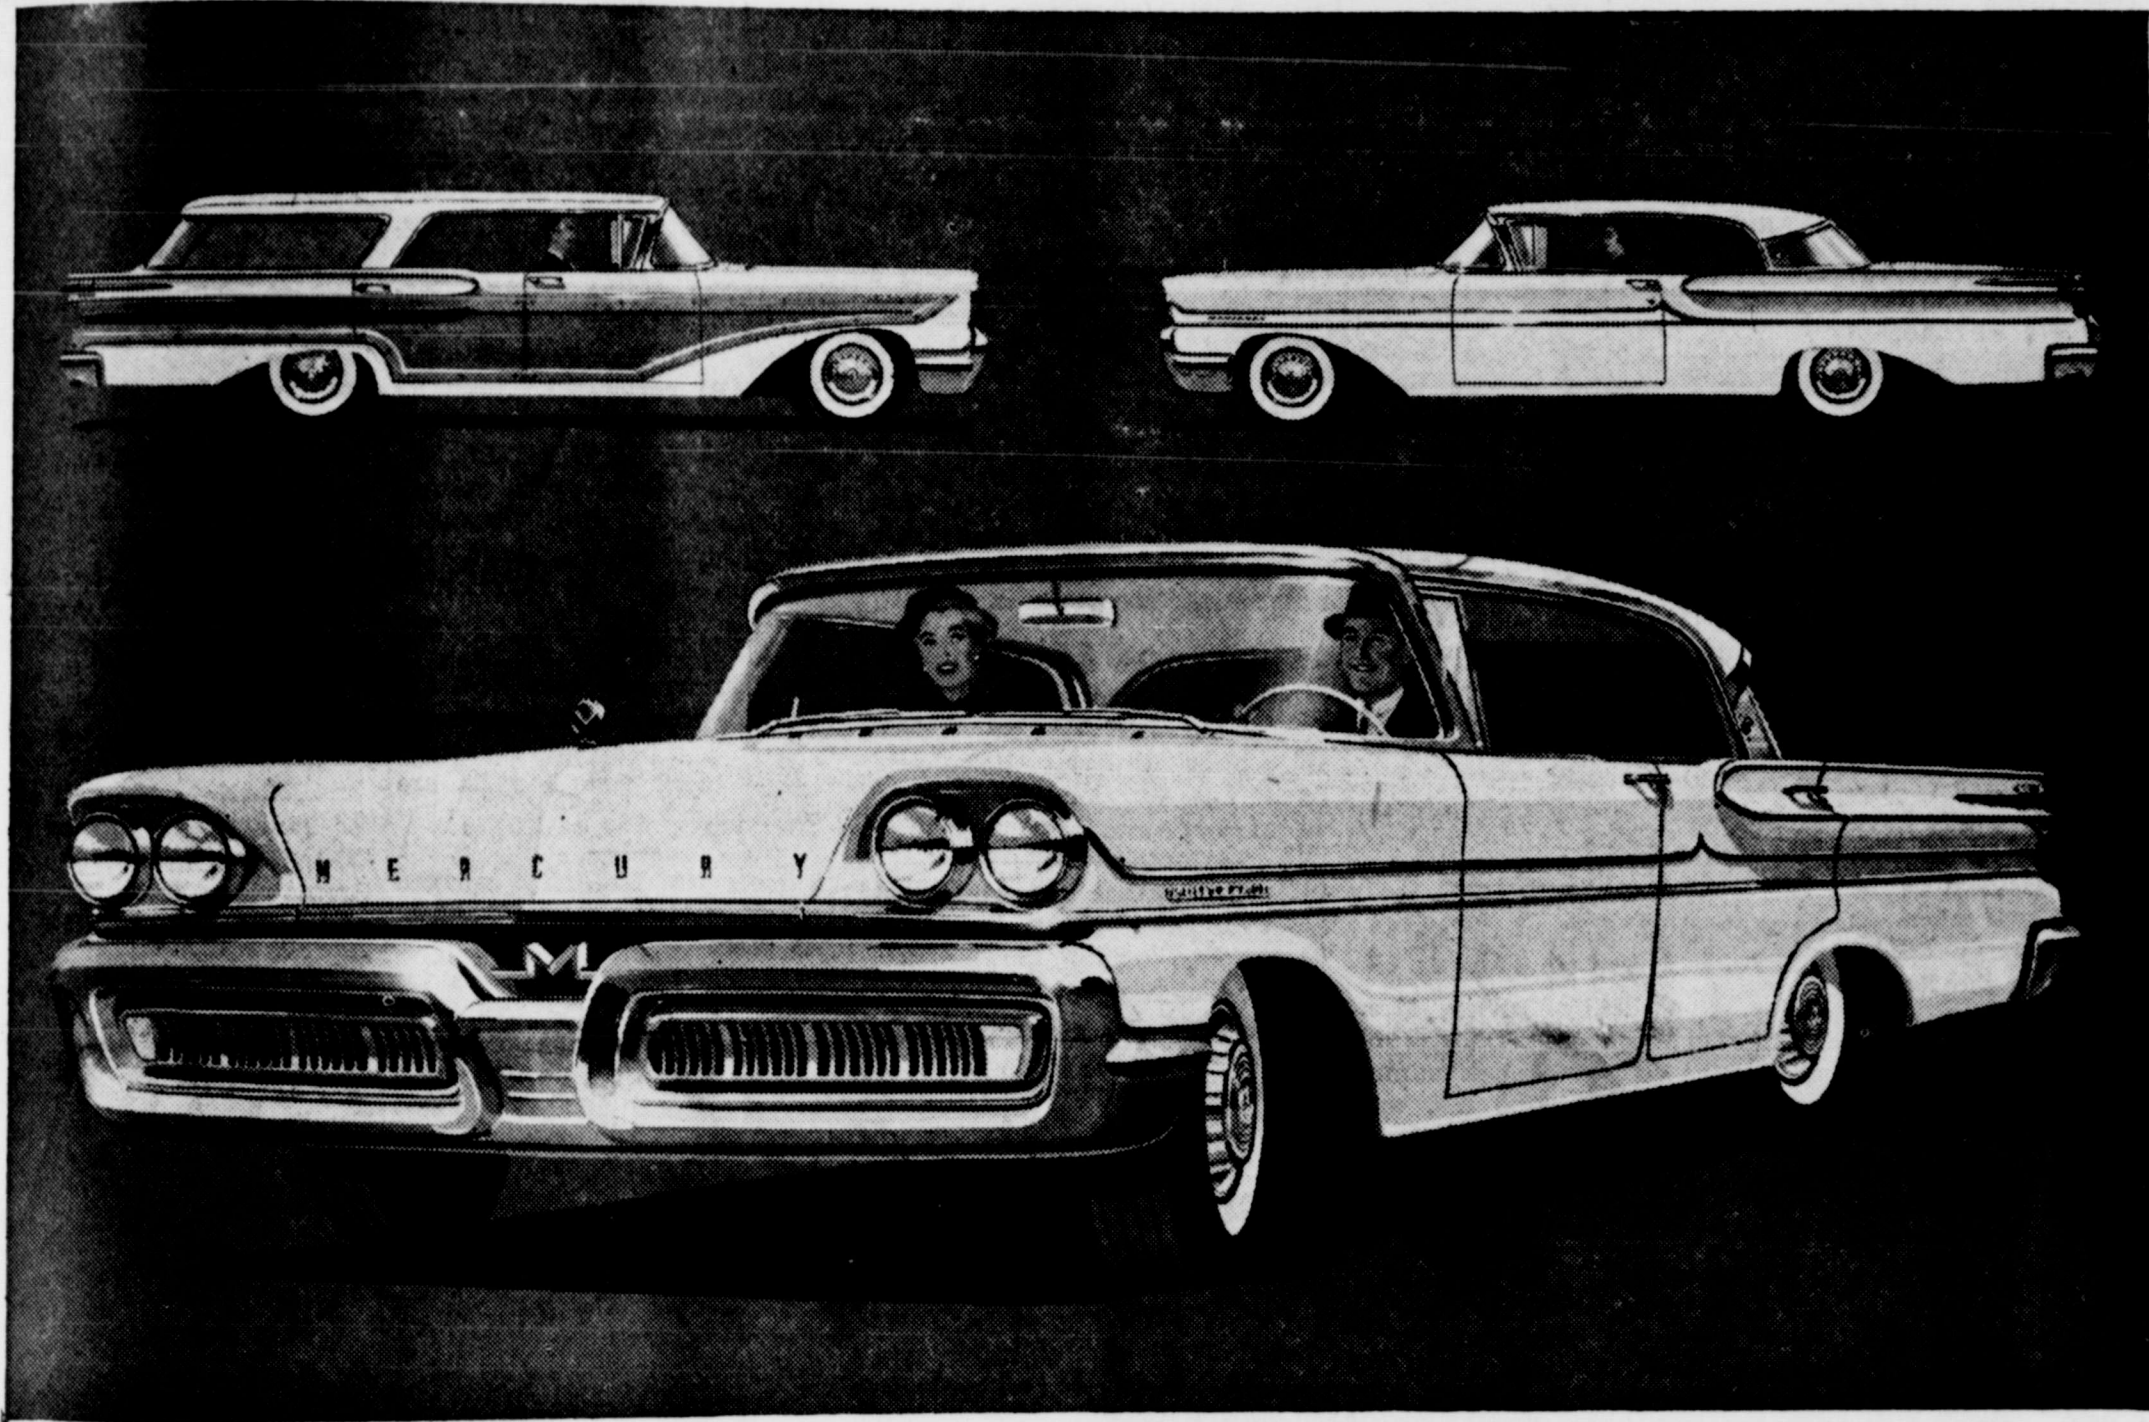

around in space and catch "Sput-nick."

A. V. Sheppard, Soil Conservationist, Being Transferred to Mitchell County

A. V. Sheppard, soil conservationist here the past ten years, is being transferred to Mitchell County, effective Nov. 18. His successor has not been announced.

Mr. Sheppard came here in February, 1948, when the Coke County Soil Conservation District was established, and is officially known as work unit conservationist and supervisor of employees. He will carry on similar work in Mitchell County.

The transfer was made by state officials of the Soil Conservation Service and is an apparent promotion for Mr. Sheppard, who has made an outstanding record.

He graduated from Texas A & M College in 1939 and then was with the PMA and other farm agencies at Crowell. He spent 3½ years with the ground forces of the Air Force during World War II, being attached to the first wing of B-29 bombers that went to China and India. He was back on Tinian in the Marianno Islands when the war ended.

After his discharge Mr. Sheppard returned to Crowell and then to Big Spring where he became associated with the Soil Conservation Service and later accepted the Coke County appointment.

In 1942 he married Waltina Boyd of Jacksboro. They have two daughters, Martha Kaye, 11, and Melinda, 21 months old. The family own their home in Robert Lee. He will make his headquarters in Colorado City but his family will remain in Robert Lee for the present.

"Shep" has done excellent work with the soil conservation program, and he and his family have been fine assets to the community. He has served as president of the school board, and has taken an active part in community affairs and is a lay leader in the Robert Lee Church of Christ.

MORE SLOW SHOWERS

Another period of cloudy and cool weather over the weekend and early this week brought additional moisture to Coke County. Official measurement at the court house gauge was .46 inch. It made a total of 1.44 inches of rain here since the first of November. The rains were slow and all the moisture went into the ground. Clearing skies and sunshine was the weather picture for Wednesday, with more of the same in prospect for this locality.

Eldorado New Member of 6-B Grid District

Eldorado Eagles have been admitted as a member of District 6-B. Football conference. Making the sixth member of the loop, Eldorado was welcomed by a unanimous vote of conference representatives at a meeting in Robert Lee Tuesday night.

Eldorado has been Class A the past few years, but their high school attendance dropped below 120 and they were put back to Class B. Next year they will play each of the other five district teams which include Bronte, Lorraine, Trent and Hermleigh.

Supt. Frank D. Coalson of Robert Lee, chairman of the district, presided over the meeting.

A discussion of the 1957 football championship was taken up and the following decision was reached: If Robert Lee defeats Bronte this week, then the Steers will be declared district champions. If Bronte wins from Robert Lee the title will go to Hermleigh.

Hermleigh is at the top with 3 wins and 1 loss, and both Bronte and Robert Lee have 2 and 1 records. Although Bronte would also make its standing 3 and 1 by defeating Robert Lee, they previously had been defeated by Hermleigh. A tie game between the Steers and Longhorns would also make Hermleigh the champions, according to the conference decision.

Coaches were also in session Tuesday and selected the all-district teams which will be announced after Friday. Hermleigh, Trent and Lorraine finished the season last week.

E. V. Lowrance and wife spent a few days at Pecos last week where they visited her brother, Gilbert Wallace, and family. They also stopped in Monahans to visit friends.

Fellowship At Baptist Church

The Youth Fellowship after the Robert Lee-Lorraine ball game was a huge success. After the very exciting game the young people of Lorraine and Robert Lee met at the Baptist Church.

Games were conducted by Mrs. Bennie Smith in the absence of David Dumas. Several games were in line with football terms and had the theme of "Football Social." The first was a signal game, the second was called "Cheers" where the party was divided into four different groups and were given the opportunity to find imitation megaphones of different colors and different yells.

The third was called a passing game and was played by the boys. Then came the fun of the half-time performance. The first act was performed by different groups playing their favorite band song on make-believe instruments. The second act of the half time was very entertaining. Three boys and three girls were chosen to perform.

The girls were given the job of feeding the boys doughnuts dipped in chocolate and the one finishing first was the winner. Richard Dumas and Charlene Robertson surely had had experience feeding each other before because Richard finished his doughnut in a hurry.

There were other games to be played, namely, Teamwork, Letter man, Score board, Quarterback and Touchdown, but due to the Lorraine group having to leave, the entire group sang the chorus "Into My Heart," and were dismissed by Supt. Frank Coalson.

Refreshments were served to approximately 105. Adults assisting in the fellowship were Mr. and Mrs. Kenneth Lackey and Mr. Coalson.

Notes From The Oil Field

New Potential Field By Sun At 1 Menielle

Sun Oil Co. has worked over its No. 1 Menielle and the well remains a dual producer after a lower section in Canyon lime, around 6,200 feet, was abandoned.

No. 1 Menielle is a south offset to Humble No. 1. A. Bird, discovery producer, about 10 miles northwest of Robert Lee.

New potentials filed by Sun for No. 1 Menielle are as follows:

Lower pay section: Menielle Pennsylvanian reef lime (IAB Zone), perforations from 5,578-97 and 5,704-50, flowed 158.18 barrels of oil, no water, during a 2½ hour test. Gauge was through a one-eighth inch tubing choke. Casing pressure was 1,040 pounds, with packer on the casing. Gas-oil ratio 1,163-1.

Upper zone: Pennsylvanian sand (IAB) perforations from 5,070-88 feet. During a 24-hour potential test it flowed 135.87 barrels of oil, trace of water, through a 10-64ths inch choke. Pressures were 675 pounds on tubing, 500 pounds on casing and gas-oil ratio 711-1.

Wells in the new IAB Field are allowed to produce 120 barrels every day for a period of 18 months or until more than 5 wells are brought in.

Humble No. McKinley cemed 5½ inch casing at a total depth of 6,175 feet.

Latest drillstem test was at 6,135-75 feet with the tool open two hours and 43 minutes. Recovery was 450 feet of salt water below the circulating sub. Gas surfaced in three minutes, and oil flowed in 20 minutes.

It produced gas at the rate of 629,000 cubic feet per day. The project flowed 56 barrels of fluid in 2 1/4 hours. The last hour it flowed 31 barrels of oil with a shakeout of 16 per cent water. Another test was taken at 6,110-

32 feet with the tool open 90 minutes. Gas surfaced in three minutes. Recovery was 1,980 feet clean oil, and 18 feet of salt water.

Shell No. 1 A. N. Rawlings drilling at 5,610 feet Wednesday.

Pan American No. 1 Byn waiting on cement after cementing surface string of 596 feet.

Denton Powers was dismissed the middle of last week from Veterans Hospital in Big Spring and now convalescing in the Geo. Powers home northwest of Eldorado. Denton, who is 68 years old, making a good recovery from a recent major surgery. He was greeted by friends in Robert Lee the first part of the week.

Barbara Clifton Weds Munday Man In Silver Methodist Church Ceremony

The marriage of Miss Barbara Clifton and Ed Martin Bowman was solemnized Monday, Nov. 11, at 4:30 p. m. in the Methodist church at Silver. The Rev. Warren Ellis of Junction, former Robert Lee and Silver minister, officiated with the double ring ceremony.

The bride is a daughter of Mr. and Mrs. John A. Clifton of Silver and the bridegroom is a son of Mr. and Mrs. Floyd Bowman of Munday.

the cake, and Kay Stewart of Silver who was in charge of the register.

For going away the bride was dressed in a brown fitted suit, white beaver hat and gloves, and black suede shoes and bag.

Mrs. Bowman is a graduate of Colorado City high school and attended Texas Tech two years where she was a member of Pi Omega Pi.

Mr. Bowman graduated from Goree high school. He attended Arlington State College one year and Texas Tech for two years. The couple will reside at Munday where Mr. Bowman owns and operates a service station.

Out of town guests were present from Munday, Snyder, Stamford, Midland, Water Valley and Lubbock.

Mrs. Lenn Roberts returned Tuesday to Commerce after receiving word that a son had been born to their son, Norman Roberts and wife.

We've been looking, first and last,
For planes and fuels stronger,
But if we want something fast,
We need to search no longer.
I've come to the conclusion,
We've acted like a sap.
The fastest thing is Hoot Gibson
With hot coffee spilled in his lap.

A drunk was walking the highway,
Was stared at by folks in the cars.
He nearly died when somebody
cried,
"You're already known by your

A man from Haley's Wood,
Stole everything he could.
With time to spare,
His loot he'd share.
They called him Robbin' Hood.

BACK FROM CALIFORNIA

Mr. and Mrs. Bob Odom returned early last Friday from a two weeks' trip to California and points in Arizona. They drove their car to Winslow, Ariz., and then went by rail to Los Angeles where they attended sessions of the National Postmasters Convention. While in the city they enjoyed sight seeing trips and visited several places of interest.

They left Los Angeles by rail and were met at Las Vegas, Nevada, by Mrs. Lonnie Evans and Mrs. Jo Nell Allen. On the trip to Winslow they stopped by Hoover Dam and other interesting places. Mr. and Mrs. Odom encountered bad weather in Arizona on their trip homeward, with highways being blocked at times by snow and ice.

Mrs. Odom is Silver's efficient postmaster. During her absence the office was in charge of Mrs. C. T. Wilkes, Sr.

SCHOOL NOTES

The football game at Colorado City last week was postponed because of the illness of some of the players and bad weather. Coach Guy Wheeler says the game will be played on Tuesday, Nov. 19. The Silver Indians were slated to play at Loraine Thursday night of this week.

The flu situation was better this week, with only 22 absentees reported here Tuesday. One day last week 35 pupils were unable to attend school.

Mrs. Woodrow Koonce began her new duties Monday as secretary in the office of Supt. Paul Ashby. Her husband is employed by Sun at Jameson plant. They recently moved to Silver from Dallas.

Christmas

IS NOT FAR AWAY

It is the time when we begin to think of gifts for our friends and loved ones and incidentally—

We have the most beautiful as well as one of the most complete lines that we have been able to get in many years. We have literally hundreds of lovely gifts that we want you to see and the prices are right.

We want to extend to all an invitation to come in and see for yourself what we have. It costs nothing to look and we feel sure that if you look we will be able to please you in the selection of your gifts.

Have you bought that beautiful Zenith TV or Radio? If you have not come in and let us show you.

Please use our lay away plan and get the worry off your mind.

DANELL DIXON

DaNell Dixon Of Bronte Takes 4-H Girl Honors

Sewing, food preparation, gardening and home improvement have been the highlights in the 4-H club work of DaNell Dixon of Bronte. DaNell, daughter of Mr. and Mrs. M. J. Dixon, was chosen Gold Star Award winner for Coke County for 1957.

DaNell has been a club member for six years. She enrolled at the age of 9 and began her good work by making a skirt for the Dress Revue and winning a blue ribbon her first year. Since that time she has made 44 garments and 25 articles such as textile painted kitchen curtains and cup towels. DaNell won the junior Dress Revue in 1954 and modeled in the District Revue in Abilene. She was third place winner in the County Revue this year.

Foods demonstrations have been an important phase of DaNell's club work. She and a teammate won district in 1955 and entered state in vegetable preparation. She won county in dairy foods in 1956 and won 3rd in district. She has prepared 434 dishes, and canned the surplus vegetables from her garden. She has given demonstrations to both 4-H and Home Demonstration groups.

Home improvement has occupied a big part of DaNell's time the past three years. She turned a basement storage room into an attractive bedroom. She painted the walls, made drapes, built a holly-wood headboard for her bed, book-cases from apple boxes, a dresser stool from a nail keg and two night tables from a discarded vanity dresser. The next year she moved upstairs and improved another room for herself. She made a corner shelf, magazine rack, and planter stand. She painted these articles and a chest of drawers. Since that time DaNell and her mother have redone the living room of their home.

Leadership, Health and Recreation as well as her other projects have given DaNell a chance to grow into a Junior Leader for her local club. DaNell has attended each county camp since she became a member and District Camp for two years. She has been active in planning camp, programs, yearbooks and other activities of the 4-H Clubs. At present she is secretary-treasurer of the county 4-H council. She has held the office of president in her local club and has served on many committees.

Other awards won by DaNell are: Food preparation, Achievement, Dairy Foods, Foley award, four blue ribbons, three red and one white ribbon. She has won year pins for five years and first place in District 7 record book contest in gardening.

Danell has a livestock project at the present. She plans to continue her "varied" program in home-making demonstrations still trying to "make her best better."

TERRACES STAND UP

Dear friend Kirk:

There has been a lot of talk and inquiry about the pasture terracing I have done the past two years. Since the big rain I am glad to report that my terraces stood up remarkably well.

Most of the community is familiar with my type of terracing. I began experimenting with this type terracing 16 years ago. During the past two years I have terraced 25 acres of pasture land at a cost of \$1,500.

I did all the laying off and the building myself, never used one penny of taxpayers money.

I begin at the top of the hill and terrace down, keeping them in a way that they will spread the water at all points over the pasture as much as possible. I build some small type terraces from the lower side only, then I use the barrow ditch at the lower side to help spread the water.

These and a few other tricks I know about terracing accounts for the small amount of damage done by such heavy rains. I got 8.3 inches of rain at one time.—With best wishes, A. C. Johnson.

Class A Wylie Edges Bronte By 6-0 Score

WYLIE — Joe Schulle, Wylie triple threat quarterback, picked off a Bronte pass in the final quarter and raced 95 yards to paydirt to give his team a 6 to 0 non-district victory here Friday night.

It was a hard fought contest the entire game with both teams threatening but neither could push across an all-important TD until Schulle's theft of Tommy Latham's aerial.

Bronte's Longhorns had marched to the 25 yard-line and were threatening to cross the double marker when the versatile Schulle stopped them cold. Schulle needed help on his TD route along about midfield, where fullback Glen Carter cleared the way with a key block.

Schulle also added to his night performance a nifty 45 yard punt return early in the first quarter. He carried to the 20 but the Bulldogs failed to count.

For Bronte tailback Albert Grace and quarterback Tommy Latham were outstanding on offense. Defensively, Robert L. Moore, a tackle, led the charge. Bronte led Wylie in first downs 13-6 and yards gained 129-90.

Mrs. Waldrop had charge of recreation and Mrs. Page was hostess. Meeting adjourned with next meeting to be Nov. 19.—Mrs. G. Waldrop, Reporter.

Steers Defeat Loraine 18-13 In 6-B Contest

Robert Lee Steers came from behind to defeat the Loraine Bulldogs here Friday night by a score of 18-13. The victory kept Robert Lee's hopes alive for a share of the 6-B District championship.

The contest was an offensive duel between Gary Parnell, Loraine sophomore halfback, and Freddie McDonald, a junior, and the Steers' outstanding ball carrier.

Loraine scored a touchdown early in the game and led 6-0 at half time. Robert Lee tied the count in the third period, but the Bulldogs put over another touchdown a short time later and converted the extra point. Robert Lee came storming back for another touchdown, but they failed to convert and were on the short end of a 13-12 count going into the final quarter. The Steers put over the winning touchdown well along in the last period.

Robert Lee's lineup was again hard hit by flu and injuries. Halfback Bub Burson was sidelined with sickness and Center Sam Ed Skipworth was not in uniform because of a foot injury suffered the previous week. Five other members of the squad were out because of illness.

Fullback Don Stewart, who had apparently recovered from flu, became ill again Friday but started the game. He received broken bones in his hand and wrist early in the second quarter when he was tackled after reeling off a 14-yard end run. He was replaced by Gary Ledbetter, a sophomore from Silver.

After receiving the opening kickoff on their 33 yard line, Loraine hit thru left tackle and then over the right side for a 1st down at midfield. Two plays later Parnell got loose around left end and ran 48 yards for a touchdown. A line plunge failed to convert.

No further scoring resulted in the first half. Robert Lee downed a short kickoff on their 41 and Tom Sawyer's pass to Freddie McDonald was good for 34 yards. Two plays later Loraine recovered a Steer fumble on the 29. Loraine advanced deep into Steer territory, negotiating three 1st downs before losing possession on the Robert Lee 24. McDonald, Sawyer and Stewart alternated in making three 1st downs, after which the Bulldog line held and Sawyer punted to the Loraine 15. They were stopped cold and punted to their 46.

On the next play Loraine recovered another Steer fumble. Again they were stopped by the Steer defense and punted to the Robert Lee 34. Sawyer passed to McDaniel in midfield. McDonald gained 7 off tackle. Two pass attempts failed and Sawyer punted over the goal line as the half ended.

Robert Lee received the kickoff to open the third quarter on their 46. Stewart was back in the game and made 9 around end. McDonald went off tackle for a 1st on the Bulldog 29. Stewart and McDonald picked up short yardage and a pass was incomplete. The first penalty of the game was called against Loraine for offside. McDonald then cut thru right tackle and ran for a touchdown. He failed to convert on a line play. The score was 6-all.

Loraine took the kickoff on their 32. Three plays gave them a first down on the 43 and then they carried to the Steer 45 for another 1st and ten. Stewart then was taken out of the game. Two plays later Parnell went off left tackle for a 38-yard touchdown run. He circled end to convert.

The next kickoff was downed by Robert Lee on their 41. On a spread formation Sawyer passed out to McDonald who ran to the Loraine 29 for a 1st down. Sawyer was stopped on an end run, but a 15-yard penalty was called on Loraine and it gave the Steers a

1st down on the 14. On a screen pass Sawyer hit McDonald who ran for a touchdown. A pass attempt failed to convert and Loraine was ahead 13-12.

Loraine had the kickoff on their 72 and Parnell ran 17 yards around end for a 1st down on his 44 as the quarter ended. Two line plays netted 6 yards and McDonald dropped Parnell for a 3 yard loss. A punt rolled dead on the Steer 10. Ledbetter got 3 yards over the left side and McDonald carried twice for a 1st on the 21.

Sawyer connected to McDaniel for 5 and Ronnie Sims gained 4. McDonald circled end for a 1st on the 42. Two plays later he went around left end for 30 yards and a 1st down on the Loraine 26. Sawyer was stopped on the right side, then McDonald went off left tackle for 20 and a 1st on the 4. He went over for a touchdown on the right side. A pass attempt failed to convert. Loraine failed to gain and lost the ball on the Steer 45 as the game ended. Score: Robert Lee 18, Loraine 13.

The Robert Lee FHA Chapter met Monday, November 4, to elect the FHA beau. The beau is Freddy McDaniel, a senior. He stands 5' 11" and has blonde hair and blue eyes. His hardest subject is chemistry; he has no favorite. Fried chicken and football are his favorite food and sport. Freddy was class favorite his sophomore year. The FHA girls are proud to have Freddy as their Beau.

Tuesday night, November 5, at 7:00 the informal initiation of the new members of the FHA and FFA was held. Spin the bottle was the first game. There were several marriage proposals as a result. Vicki tried very hard to reach the basketball net, but just couldn't seem to reach it. Sharon had fun finding a note that was hidden in the band hall and doing as it bade. She had to memorize the license plate of Douglas Robertson's car! The girls almost had heart failures when Jerry Quisenberry imitated Elvis. Joe had quite a time counting the windows on the east side of the school house. The Petross family lost an enormous amount of sugar that night. Brenda McDorman had to go to their home and get four grains. Finding a can of rocks and counting them was Jerry Don's job.

Rolling nails across the gym with their noses was the next job. Donny Robertson won the race. I wonder if it was because his nose was longer. Next, all the members joined the Cow-cow club. They found a big surprise at the "end." Everyone enjoyed playing volleyball after the games.

The FHA provided the homemade cookies and the FFA furnished the cold drinks. They were enjoyed by everyone.

MRS. DOUGLAS WAYNE SHERMAN

Miss Theis, D. W. Sherman Exchange Vows Nov. 9 in Silver Baptist Church

Silver Baptist Church Saturday evening was setting for the marriage of Miss Dorothy Fredine Theis of Silver and Douglas Wayne Sherman.

The bride is the daughter of Mr. and Mrs. Ronald Fredrick Theis, Jr. of Silver. The bridegroom is the son of Mr. and Mrs. Oscar Sherman of Colorado City.

Rev. Ray Sparks, church pastor, read the double ring vows in an eight o'clock ceremony. Assisting at the service was the Rev. Clary, presbyterian minister of Colorado City.

Church altar was centered with an arch entwined with lemon leaves. Seven-branched candelabra and baskets of white chrysanthemums flanked each side of the arch.

The bride was given in marriage by her father.

She wore a gown of imported Chantilly lace over white bridal satin, fashioned by her mother. Sleeveless bodice of the princess styled gown, featuring a sweetheart neckline outlined with pearl and iridescent sequin applique flowers, was covered with a matching lace jacket. The jacket was styled with a victorian collar and long fitted sleeves edged with seed pearls. Tiny satin covered buttons fastened the sleeves at her wrists and the lower edge of the jacket.

Mrs. W. P. Holleyman, pianist, played "Prayer Perfect", "Ah, Sweet Mystery of Life," "I Love You Truly" and "Always" as prelude music.

She accompanied Mrs. W. R. Whitaker as the vocalist sang "Because", "Whither Thou Goest" and "The Lord's Prayer".

Miss Frances Kesner of Lafayette, La., the bride's cousin, was maid of honor. She wore a rose crystalline dress fashioned with a fitted bodice and full pleated street length skirt. High neckline of the frock was accented by a rolled collar encircled with a velvet band and a bow in the back. Waistline featured a velvet belt with a velvet back bow.

Her short, pink pearl encrusted veil was attached to a velvet bandeau with a tiny velvet bow.

Bridesmaids were Misses Dorothy Jean McClusky and Kay McKannon of Silver and Miss Deanna Gilmore of Dayton, cousin of the bride. They wore dresses fashioned identically to the maid of honor's frock in a lighter shade of

sweetheart bouquets of white baby chrysanthemums.

Kay Jameson of Silver and Bobby Summers of Sweetwater, the groom's cousin were ringbearers. Nita Gaye Copeland of Silver was flower girl.

The candlelighters, Kay Jameson and the flower girl wore attires identical to bridal attendants.

Lowell Hart served as best man. Ralph Harris, brother-in-law of the bridegroom; Edwin Peeples and Don Reynolds of Abilene were groomsmen.

Ushers were Charles Sherman, brother of the groom, and Johnny Theis of Silver, the bride's brother.

For her daughter's wedding, the bride's mother wore a dress of light gray nylon lace over pink taffeta, complimented by black and pink accessories.

The bridegroom's mother wore a blue nylon lace frock over blue satin with black and blue accessories. Both mothers wore pink carnation corsages.

Sun Recreation Hall in Silver was setting for the wedding reception. Bridal table was covered with a white hand crocheted cloth over white satin and centered with the bride's bouquet surrounded by the bridesmaids' bouquets. The three-tiered wedding cake was cut with a cake knife, which was engraved with the couple's names and wedding date.

Miss Barbara Clifton registered guests. Others in the houseparty were Mrs. Don Dennis of Sweetwater, Mrs. Billy Wayne Roe of Robert Lee, Miss Mary Ann Caldwell and Miss Yvonne Higginbotham, both of Silver.

For travel the bride changed to a red knit suit, complimented

with black accessories and a corsage from her bridal bouquet.

The wedding couple will reside at Ft. Rucker, Ala., where the bridegroom, a member of the armed forces, will attend school.

The bride was graduated from Colorado City High School in May. She was named Betty Crocker Homemaker of Tomorrow during her senior year. She was employed as secretary of the Silver School until Nov. 1.

The bridegroom was graduated from the Colorado City high school in 1956. He attended McMurry College in Abilene before entering the Army.

Out-of-town guests attended the wedding from Roscoe, Westbrook, Lorraine, Sweetwater, Abilene, Robert Lee, Beaumont and Dayton.

Hermleigh Clips Trent, Nets 6-B Tie

HERMLEIGH — Hermleigh's Cardinals cinched a tie for the District 6-B championship here Saturday afternoon, defeating a tough Trent squad, 19-7, before a pleased Homecoming crowd.

Hermleigh carried a 13-7 lead from the first quarter through the third, and wrapped up the victory on a 60-yard scoring drive in the final period.

Jimmy Riemisch and Donald McHaney bucked the Cards to the important victory. Riemisch plunged two yards for the first Hermleigh touchdown and then scooted 70 for a second Cardinal tally in the first period.

McHaney's extra point after the first touchdown gave the hosts a 13-0 edge. Trent's touchdown followed the second Hermleigh score. Charles Bright weaved through on an 80-yard kickoff return to count for the Gorillas. Jerry Williams ran the extra point for Trent.

McHaney bolted eight yards to cap Hermleigh's third scoring move in the fourth period and sewed up the win.

Both teams brought 2-1 records into the contest. Hermleigh leads the league with 3-1 now and Robert Lee and Bronte, teams scheduled to play next Friday, are tied for second at 2-1.

Score by periods:				
Hermleigh	13	0	0	6-19
Trent	7	0	0	0-7

SMALL TALK

By A. J. K.

It is hoped among the many friends of Mr. and Mrs. W. L. Barnett, some will be found to donate blood to replace several pints withdrawn from the blood bank at Shannon hospital. During her recent illness Mrs. Barnett was benefited greatly by three blood transfusions. The donor must be in good health. Volunteers are requested to contact Mr. Barnett at his home in Robert Lee.

Robert Lee and Silver people are being contacted to purchase tickets for the Ice Show coming to the City Auditorium in San Angelo next Monday through Wednesday, with matinees on Tuesday and Wednesday. Children's tickets are \$1.20. The event is being sponsored as benefit for San Angelo civic organizations and Mrs. Cumbie Ivey is in charge of ticket sales here. She plans to contact school pupils Friday.

President Eisenhower, greeting Queen Elizabeth II at the airport on her recent visit to Washington, took her by the elbow and gently turned her face to the photographers. The President gestured toward a cameraman and said: "That's the nearest thing we have to a dictator in this country."

Have you paid your subscription? Will appreciate hearing from some of you folks that haven't.

She was reluctant to say anything about it, but Mrs. J. D. McDaniel's sister had the experience of having her car engine stop while traveling recently through New Mexico. Later she checked with other travelers who had a similar report. Some of these mysterious things, it seems.

Considerable difficulty in getting all our pictures and the engravings used in this issue. Bob Edwards of Silver was on hand Friday night to take some photos at the game, and obliged by a re-take of Gaye Hollis which he turned out Tuesday night. Some of the cuts were late in getting back. Thanks, Bob, Gaye and Kenney Sawyer for helping out.

Everyone is excited over the big football game at Bronte Friday night. I said early the Steers could be as good as they wanted to be, but flu and injuries have beset them. But if they play as well and as hard at Bronte as they did during the second half against Lorraine last week, Robert Lee will win. Experts, including Billy Alexander and Gene Walker at Bronte, say the Longhorns will take it by two touchdowns. We're going for Robert Lee by three. Why not make it big?

In renewing her subscription, Mrs. George Pond of 7452 Hyatt St., San Diego, Calif., writes: "I don't like to miss any copies of the Observer as I get to hear from home through the paper. Have lots of relatives there and some old friends."

Former students of the Robert Lee school are expected to gather Friday afternoon from 2:30 to 5 o'clock at the gym for a tea and visiting. There will be no banquet this year, but ex-students will turn out in full strength for the Robert Lee football game at Bronte at 7:30.

UCRA Draws Up Future Plans

Directors of the Upper Colorado River Authority held a meeting in San Angelo Tuesday night, when plans were formulated to be presented to the Texas Board of Water Engineers in Austin Nov. 21.

Chairman L. T. Youngblood of Bronte called the directors together after being requested by the state board to submit its contemplated future program as a basis for some state-wide planning.

Both Mr. Youngblood and Gerald Allen of Robert Lee, UCRA secretary, state that a long proposed Colorado River Dam below Robert Lee is still in their plans.

All but 270,000 acre feet of the Colorado River runoff has been appropriated to other agencies, Mr. Allen said. Smaller dams and conservation projects are also in the UCRA planning.

Attorney Carl Runge is compiling the UCRA program which will be presented to the Water Engineers next week.

KENNETH WINK

Kenneth Wink Achieves 4-H Highest Award

Kenneth Wink, son of Mr. and Mrs. Leslie Wink, Sanco Rt., Robert Lee, a veteran of five years in 4-H club work, has been selected Gold Star Boy of Coke County for 1957. Kenneth has made an outstanding record in 4-H club work during his five years of participation in demonstration, leadership and judging activities.

A 15 year old sophomore in Robert Lee high school, Kenneth has had nine 4-H club demonstrations that have garnered him 20 ribbons, rosettes, and medals in the past five years. The more noteworthy prizes he has garnered are his first prizes with his swine program in 1954-55, first in the County and Sears Area Gilt shows and first place with the gilts litter in the heavy litter contest. Kenneth exhibited the grand champion calf of the County Show the past two years, 1956-57.

In addition to his demonstration activities, Kenneth has been active in other phases of 4-H club work. He was a member of the first place soil judging team in the District Contest in 1956. He has been selected to represent Coke County at the District 4-H Club Camp the past three years and has helped plan and conduct the County 4-H Camp. He is a member of the 4-H Boys and Girls County Council. In 1956, Kenneth was master of ceremonies for the County Achievement program.

In addition to 4-H club work, he has been active in school work, being a member of the football team and having served as class officer the past three years.

Kenneth, along with the other Gold Star Award winners from this District, will be honored at a District Banquet in San Angelo on December 7.

Xmas Party Set For December 14

Robert Lee City Commissioners at their meeting this week voted to again sponsor a big Christmas Party. The date has been set for Saturday, Dec. 14.

There will be a Santa Claus parade, free movies and roller skating, candy gifts and merchants will all contribute to a huge prize drawing.

City officials put on a Christmas Party last year which turned out to be a great success. The city commission is composed of Cumbie Ivey, Jr., mayor, and Wayman Robertson and Curtis Walker, councilmen.

Jimmy Smith of the Coke County Soil Conservation Service is on his third week of a month special training at John Tarleton State College in Stephenville.
