

# 'Wedding', Flag Follies on tap Saturday night

**HAPPILY EVER AFTER?**—"Colleen" Grussing and Ronald Golden ponder the merits of the blissful state of matrimony as they wait to be married Saturday night at the Jaycees "womanless wedding". The wedding shares the bill with the DHS drama department's Grand Old Flag Follies. Curtain time for the twin bill program is 8 p.m.

A cast of 66 will take part in a comic "womanless wedding" and the "Grand Old Flag Follies", a patriotic musical show which will be presented by the Dimmitt High School Drama Dept. and the Jaycees Saturday at 8 p.m. in the DHS auditorium.

SOME 50 drama students will sing and dance their way across the US, telling about the greatness and the heritage of our nation. The program by the students will begin on the sidewalks of New York and will proceed across mountains and valleys to Texas. The tour will stop for a visit with neighbors South of the Border, and will proceed on to the West Coast.

Singing, dancing, flag routines and dialogues will be presented by the students, and an "Ol' fashion hoedown" band will accompany the group.

The band is made up of Mrs. Zeldia Ellison, piano; Jerry Frazier, bass; Glen Nelson of Hereford, banjo; Herb Mayfield, guitar and banjo, and Resa Carson, trap set.

Sixteen Jaycees will take part in the womanless wedding which "mismatches" the 6-5, 230 pound bride, "Colleen" Grussing with 5-10, 150 pound Ronald Golden, the enraptured groom. The unlikely couple will be married by the less-than Rev. Avery Thrasher.

OTHER MEMBERS of the bridal cast will include "Charlene" Braafadt and Ron Montgomery as the bride's parents, "Alice" McLain and Bob Cadwell as the mother and father of the groom.

Bridesmaids are "Gerri" Gerber and "Jeraldine" Killingsworth and Randy Schumacher is the best man.

Stanley Byrnes is the ring bearer, "Donna" Shrum is the flower girl, and "Jane" Grussing and "Tiny Dee" Davila are the candle lighters.

Female attendants include "Gerri" White and "Josephine Roberia" Sanders.

"JERALDINE" Marvin is the tilted female.

Soloist "Frederika" Underwood will sing traditional wedding songs in a less-than traditional way.

Ushers will be Zeta Morris, Gil Vining and Ron Lovell. Admission for the double-bill program will be \$1.50 for adults and \$1 for students.

## Rites held for Mrs. C. W. Boothe

Funeral services for Mrs. C. W. (Fannie Mae) Boothe, a long-time Dimmitt resident, were held Friday in the First Baptist Church of Dimmitt.

REV. EARL Landtrep of Clovis officiated.

Mrs. Boothe, 66, died last Thursday in Plains Memorial Hospital.

Born in Jones County, Mrs. Boothe came to Dimmitt in May of 1928. She married C. W. Boothe July 5, 1905 in Abilene.

Mrs. Boothe was a member of the First Baptist Church.

SURVIVORS include her husband, C. W.; four sons, C. A. of Amarillo and James Eugene of Stephenville; Truett of Dimmitt and Daniel Edwin of Hollis, Okla.; one daughter, Mrs. Bessie Mae Bradley of Dimmitt; 17 grandchildren and 33 great-grandchildren.

Two sons, Will Elwood and Lon Calvin, preceded her in death.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

## Deadline today to order prizes for Halloween

Today (Thursday) is the last day for local groups to order their booth prizes for the Dimmitt Lions Club Halloween Carnival.

THOSE WISHING to order prizes should contact Supt. Charlie White, carnival chairman, before 2 p.m. at his office, 647-3108.

The carnival will be staged from 6 to 10 p.m. Oct. 31 at the Panhandle Compress & Warehouse Co., Inc.

White said booth assignments will be allocated next week, and Lions will hold a work party Saturday morning, Oct. 27, to install utility lines and mark off booth areas.

## Dimmitt man, 20, is killed Friday in car-truck crash near Hereford

A Dimmitt man was killed in a car-truck collision Friday morning on a country road that leads to the deserted World War II prisoner of war camp four miles southwest of Hereford.

Carlos "Charlie" Zarazua, 20, an employee of Arrour Meat

Packing of Hereford was pronounced dead at the scene when his car struck an empty sugar beet truck dead center.

According to Department of Public Safety patrolmen Zarazua was eastbound at 11:40 a.m. on a country road that leads to the deserted POW camp when his car collided with the south-bound truck.

Zarazua's car was crumpled by the impact of the collision, and the truck was knocked 100 feet into an open field.

The driver of the truck, Juan Trevino of Raymondville, was not hurt.

Funeral services for Zarazua were held Monday in the Immaculate Conception Church in Dimmitt. Rev. Raphael Chen officiated.

Zarazua was a 1973 graduate of Dimmitt High School.

Survivors include his parents Mr. and Mrs. Isidro Zarazua Sr.; a brother, Isidro Jr.; and a sister, Martha, all of Dimmitt.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

## McLeans buy majority stock in Amarillo bank

The McLean banking family of Dimmitt joined with a Dallas banker Wednesday morning to buy controlling interest in Amarillo's Bank of the Southwest.

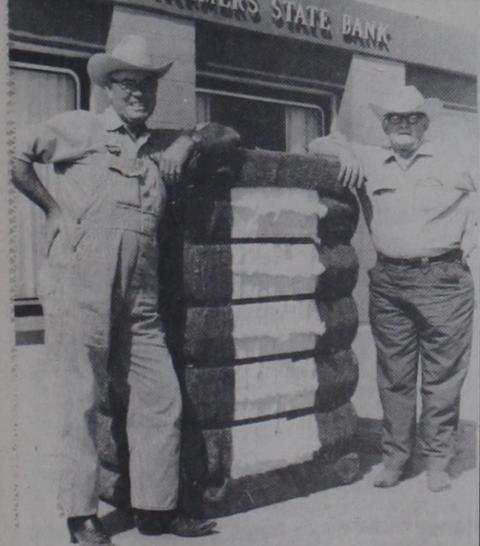

BOB McLEAN, his sons Robert and Charles, and Wallace Emerson of Dallas are the new majority stockholders of the Bank of the Southwest. The four men purchased 58 1/2 percent of the Amarillo bank's stock from Travis Ward of Dallas.

The stock transaction took place at the National Bank of Commerce in Dallas, where Emerson is a senior vice-president.

No purchase figure was given.

THE AMARILLO bank's new majority stockholders said Emerson will move from Dallas to Amarillo to become president of the Bank of the Southwest. The purchase will not create any immediate changes in the staff of the First State Bank of Dimmitt, they said.

With deposits of approximately \$24 million, the Bank of the Southwest is the fourth largest bank in Amarillo.

**COUNTY'S FIRST BALE**—E. E. Davis, left, delivered Castro County's first bale of cotton to Hart Gin Co., last Wednesday. Here Davis poses with Hart Gin Co. manager Roland Sheppard. Davis, who farms on the Bill Sharp place northeast of Hart had the cotton hand pulled. It produced 1730 pounds of seed and the bale weighed 490 pounds. Davis received 65 cents per pound for the cotton and \$100 per ton for seed, and Hart Gin Co. ginned and wrapped the cotton free, amounting to a bonus of \$150 on the bale.

## For city paving

# Commission eyes petitions

By JIM STEIERT  
News Editor

The Dimmitt City Commission considered paving petitions, proposed a rate increase for water supplied by the city to the Dimmitt Amstar plant and turned down a rate adjustment requested by Pioneer Natural Gas Co. at its Monday meeting.

A LARGE crowd of approximately 50 residents interested in the paving petitions was on hand at the meeting. The commission looked over petitions for paving on Dulin, Allen, SW 2nd and 10th streets, and also heard requests for paving on NE 5th and West Andrews.

Several concerned residents questioned the commission about the failure of the last paving program, and asked why it is taking so long to get a paving program through.

Mayor Elmer Youits stated that the last paving program was "knocked out on a technicality."

"We want to give the people what they want, if they want paving we will get it done," said Youits.

Commission members stated that "there will be no slip-ups in the paving program this time."

RESIDENTS FROM the 10th street area reported that the street is nearly impassable following wet weather and urged the commission to take action on the proposed paving as quickly as possible.

Commissioner Noel Gollehon moved that the commission take the petitions presented at the meeting and any other petitions presented in the near future into consideration for an assessment program this year. The motion was passed.

Doug Lapins, general manager of the Dimmitt Plant of the Spreckels Sugar Division of Amstar Corporation appeared before the commission to hear details on a proposed rate increase on water supplied to the plant by the city.

THE PROPOSED increase (See COMMISSION Page 9)

**CONCERNED RESIDENTS**—A large group of Dimmitt residents attended Monday night's city commission meeting at City Hall to voice their concern over proposed paving within the city. The majority of those attending the meeting were in favor of paving.

## Nazareth Homecoming begins

A flurry of activities will get underway today (Thursday) at Nazareth as Nazareth High School begins Homecoming 1973 activities. Homecoming week will climax Sunday.

STUDENTS WERE busy decorating school hallways early this week in preparation for the festivities.

Today (Thursday) is "Blue and Gold Day" and students will be wearing the school colors throughout the day.

A chili supper sponsored by the NHS student council will kick off tonight's Homecoming activities. The supper, which will run from 7-9:30 will be

held in the school cafeteria. Admission is \$1 and diners will be given a choice of Frito pie or chili, a fried pie and drink.

A Homecoming pep rally will begin at 8 p.m. The student body will form up at the school and parade through Nazareth before returning to the football field for a big rally and the crowning of the 1973 Spirit King and Queen.

CANDIDATES include seniors Janis Schacher and Rex Ramaekers, juniors Jolene Polmeier and Glenn Klemm, sophomores Kay Blair and Joel Gerber, and freshmen Rosemary Schulte and Royce Huseman.

Friday is "Dress Up Day" at NHS and activities will include an afternoon pep rally, the crowning of the Homecoming Queen and a football game.

The Homecoming Queen will be crowned Friday night in pre-game ceremonies at 7. Homecoming Queen candidates are senior Su Blair, junior Patti Hochstein, sophomore Beverly Heck, and freshman Gail Klemm.

THE HOMEcoming game will pit the Swifts against Lazbuddie's Longhorns. The clash will get underway at 7:30.

Nazareth will be looking for its second victory in six starts. It has been tough going for the Swifts thus far this season as they have faced a grueling conference schedule, but there have been moments of brightness for the lads in Blue and Gold and the Swift pride is ever-present.

Lazbuddie's Longhorns have had problems of their own, thus far as the inexperienced Horns have dropped their first five games and are still looking for their first win of the season.

Playing on the home field should be a big advantage for the Swifts as they will be fired up, hoping to lease the partisan Homecoming crowd with a win.

Homecoming activities will conclude Sunday with a dinner and open house at the Nazareth schools.

THE DINNER, sponsored by the Nazareth PTA will get underway at 11:30 in the school cafeteria and run until 2 p.m.

Following the dinner an open house will be held at the schools from 2-4 p.m. and all parents are invited to visit the schools.

## County among top 5 in production

Castro County is among the top five counties in 1972 Texas agricultural production, according to recently published statistics. Agriculture Commissioner John C. White has announced.

CASTRO COUNTY farmers placed fifth in crop cash receipts with a total of \$29,016,000. In livestock cash receipts Castro was fourth with \$48,079,000. Total crops and livestock receipts put Castro in fourth place with \$77,095,000.

The figures have just been published by the Texas Crop and Livestock Reporting Service, a joint effort of the Texas Department of Agriculture and the USDA. Commissioner White said.

## Candy Strippers to hold workshop

The Castro County Candy Strippers chapter will hold a workshop Saturday from 10 a.m. to 4 p.m. in the home of Mrs. Ginny Lapins, sponsor.

AT A recent meeting members discussed rules and regulations of the club and also made plans for a Christmas Bazaar held by the Plains Memorial Hospital Auxiliary.

Plans for money making projects for the year were also discussed.

## Auxiliary sponsoring driving course here

The VFW Auxiliary will sponsor a defensive driving course Monday and Tuesday from 8 p.m. to midnight at city hall.

A DPS PATROLMAN from Amarillo will teach the course. Couples who take the course are eligible for a 10 percent discount on their insurance.

Cost of the course will be \$1.75. Anyone interested in taking the course should contact Auxiliary president Florene Leinen at 647-5534 or 647-5424.

## Youth wounded in accident

A 19 year old Dimmitt youth was wounded Sunday in a hunting accident north of the city.

TOMMY KEEL, son of Mr. and Mrs. Lon Keel of Dimmitt remained in Northwest Texas Hospital in Amarillo in serious condition Wednesday after he was shot in the temple shortly before 6 p.m. Sunday four miles north of Dimmitt.

Keel was reportedly hunting near his home with a 22 cal. pistol Sunday when the gun accidentally discharged, striking him in the temple.

Keel received emergency treatment at Plains Memorial Hospital and was then transferred to Northwest Texas Hospital in Amarillo.

## Big Catfight is coming up Friday

Well, Bobcat fans, this is it. IT'S TIME for the long-anticipated Catfight between Dimmitt's Bobs and Littlefield's Wilds.

It will be the District 3-AA opener, and the most crucial game to date for both teams. Most football followers also expect it to be the 3-AA Game of the Year.

Don't overlook the earlier kickoff time — 7:30 Friday night at Littlefield. The 8 o'clock games are a thing of the past now — as are their scores and the team records going into this important contest.

THE STATE-ranked Wildcats will be favored, and will have the advantages of home field and size, plus the benefits of LHS Homecoming Week with its big parade, bonfire, pep rallies and other firing-up activities.

Coach Deane Wright and his spunky little Bobcats will give them all that, if they can just have a dry field to play on. Littlefield outweighs Dimmitt 23 pounds per man on offense and 16 pounds per man on defense, and that's a lot of traction to have to give away in the mud.

The Bobcats have the better won-lost record, 5-1 to Littlefield's 4-2, but they've had a easier schedule. The Bobcats have scored 154 points while yielding only 19 — one of the best defensive records in this part of the state. The Wildcats have scored more and allowed more — 223 points to their opponents' 68.

THE TWO teams' only common foe has been Muleshoe. The Bobcats downed the Mules 16-0 in the season opener, and three weeks later the Wildcats thrashed the same Mule-herd 53-13.

Littlefield opened its season by shellacking Silverton, 62-0. In their second outing, the Wildcats lost a 34-28 slugfest to Levelland, and the following week they bounced back with a 53-14 win over Slaton.

After dispatching Muleshoe in a lopsided game, Littlefield lost in its fifth outing, 7-6 to Floydada, in a bout that will vie for the Stolen Game of the Year award. After pushing the respected Whirlwinds all over the field, the Wildcats moved to the Floydada one-foot line en route to their winning touchdown. But a bad snap caused a fumble, and Littlefield quarterback Terry Bryson fell on the ball after it had eluded a Floydada lineman. However, the referees awarded possession to Floydada, and ejected Bryson from the game after he came up waving the ball and protesting. The game film proved Bryson had indeed recovered the fumble. So you could hardly count that Littlefield loss in the record.

THE WILDCATS are fresh off their biggest victory of the year. Friday night they knocked state-ranked Roosevelt the powerhouse of District 5-AA, out of the undefeated ranks by a big 27-0 score.

Coach Jerry Blakey's Wildcats are seeking their third straight district championship, and they've got seven offensive

and five defensive starters back from the team that captured the 3-AA banner last year.

Bryson, the man-under, is a 170-lb. senior veteran who quarterbacked the Wildcats into the playoffs last year. And he has a well-balanced trio of backs behind him.

FASTEST MAN in the Wildcat backfield is Pat Henderson (20), a 155-lb. senior who is the team's leading scorer. He runs out of three different positions — slotback, wingback or tailback — depending on the formation.

At fullback is 205-lb. senior Randy Cook (45), who was an all-district tackle last year. He's rated as a tremendous lead blocker, and is one of the

## Boosters urge decorated cars

Dimmitt's Athletic Booster Club has urged all football fans who plan to drive to Littlefield Friday evening to decorate their cars for the first district game.

ALSO, THE Boosters are planning to hang banners over the four main highway entrances in Dimmitt. A work party to make the banners was scheduled Wednesday at 7 p.m. in Mrs. Ennmett Broderson's room at Dimmitt High School.

The Bobcats will meet the Littlefield Wildcats at 7:30 p.m. Friday in the District 3-AA opener. It will be Homecoming at Littlefield, and the game will be one of the highlight bouts in the region this week.

main reasons Littlefield's smaller backs have been breaking in to the clear so often this year.

At tailback is Kenny Owens (32), who at 170 lbs. rounds out the all-senior backfield.

DIMMITT'S coaches consider Littlefield's two best linemen to be Skip Smith (78), a 215-lb. senior guard, and Doug McCain (76), a 200-lb. junior tackle. They play next to each other, and you're liable to see them on either side of the offensive line because Littlefield flip-flops both sides.

Playing outside Smith and McCain is tight end Chris Pope (85), a 175-lb. senior. At center is 175-lb. senior Ricky Richards (65), and on the opposite side of the line are 185-lb. junior guard Jerry Soria (62), 195-lb. sophomore tackle Ricky Hopping (75) and 145-lb. junior end Stanley Patterson (80). Alternating with Patterson at split end will be Bill Turner (10), a 165-lb. sophomore.

The Wildcats use 11 different offensive sets. The Power-I, Straight-I and Wing-T are their main three formations.

"IT'S HARD to key them because they get in all kinds of formations and run anything and everything out of them, and they flip-flop their line," Coach Wright said.

But ask Wright if he thinks his explosive Bobcats can whip the powerful Littlefield crew, and you'll get a quick "Yes!"

Wright makes just one qualification: "I don't think we can fumble five times and beat them, the way we've done with some other teams, because (See CATFIGHT, Page 9)

By GERALD BROADSTREET

Greetings Comrades, I was right! The House Committee has a dance planned for Saturday night, Oct. 27. Due to popular demand the "Crystal-Aires" will be the music department once again. This group really does a fine job and the good part about it is they can play just about any type of music you want to hear. Dancing will start at 8:45 p.m. and end at 12:45. Admission price is \$2.50 per person so come on out and have an evening of fun and dancing.

COMRADES, IT was voted by the membership present at our last regular meeting that we celebrate Veterans' Day on the original date of Nov. 11. Definite plans for this day have not been completed as yet. This will be taken care of at our next regular meeting Nov. 5. Please make an effort to be there if you have any ideas or you'd like to comment about it in any way. Our meetings start at 8 p.m. and members only are admitted these nights, so try to be there and support your post officers. They are working for you and it makes them feel good when a lot of people show up at meetings.

Comrades, our "Game Night" activities are going strong once again and it happens every Wednesday night at the post home. Starting time is 8 p.m. and if you enjoy a good time, make an effort to be there for you will not be disappointed. Bring the family with you. This is good clean fun everyone of all ages can enjoy.

I HAVE SOME very good news I'd like to pass on to you. The other day I received the Status Report from VFW Headquarters in Austin and as it stands now our district, District 13, was the leader in Division 2. And in overall standings out of 28 districts we are ranked number 5 in the State of Texas. How about that!?

I am very proud of the work that is being done in District 13 and to give you some idea what's going on I'm going to tell you.

Post 4147 in Amarillo has four community activity projects going for them. They have four members that are Boy Scout Troop Leaders in four

different troops and they are Sam D. George, Byrul R. Lafferty, Robert M. Skinner Jr., Terry O. Walker.

Post 7111 Clarendon has performed three projects so far: donated game equipment to the old folks home, donated two card tables to the old folks home, and provided use of hospital equipment to two Clarendon families.

Post 6439 Wellington has four community projects, allows members of PFA free use of post rodeo grounds, allows 4-H members free use of post rodeo ground, buys a flag service from the Boy Scouts, area Veteran grave registration program. Canyon Post 568, has been rather active and they have performed the following community service: donated money to Boy Scouts, donated money to Girl Scouts, donated \$100 to Randall County watermelon feast, donated \$30 to Muscular Dystrophy Assn., help the Junior Jaycees conduct the watermelon feast.

Post 7839 in Silverton has made donation to Boy Scouts, provided hospital equipment to two families, conducted memorial flag services at post home.

Tulia Post 1798 has donated money to Boy Scouts, provided use of hospital equipment to local citizens, donated to local cemetery fund, conducted flag raising ceremonies.

At Paducah Post 7528 their community activities are providing office space in the Veterans Building for Mental Health and Retardation Assn., local Satellite School program, County Alcoholic Counseling Association, working with Cottle County officials to establish a county museum.

IN CHILDRESS, Post 2512, their community activities are donated money to Boy Scouts, presented 40 foot flag pole and flag to the new Valley School, loan hospital equipment to three area families.

Here in Dimmitt at Post 8056 we have conducted bicycle safety course and 14 mile tour with Junior Jaycees, donated money to Girltown, donated \$50 to Muscular Dystrophy Assn., flag ceremonies on patriotic holidays, loan hospital equipment to five area families.

Comrades, as you can see our area VFW posts have an active interest in their communities and are aiding them whenever possible.

**Grader okayed for Precinct 2**

The County Commissioner's Court accepted bids on a new road grader and three new cars for the Sheriff's department at their last week meeting.

PLAINS MACHINERY of Lubbock was awarded the contract for a new maintainer for Precinct 2 with a bid of \$34,560. Dale Fowler Ford of Dimmitt was awarded the contract for the three police equipped sheriff's cars with a bid of \$10,406.67. Delivery of the cars is expected sometime in January.

Commissioners also voted to have Panhandle Steel Builders of Amarillo draw up plans for a building to house livestock shows and other county activities.

## Mrs. Simpson is party honoree

By MRS. OWEN ANDREWS

Rev. and Mrs. Sam Ogan, Sammy Ogan and the Jack Andrews went to Stephenville the first of last week to help Mrs. Ogan's aunt, Mrs. Tom Hatchett, move into town into an apartment. Mrs. Hatchett has lived in the family country home for many years and is moving into a more comfortable and easily kept home.

THOSE FROM Hereford TOPS Club 576 who attended the Area Recognition Day meeting in Plainview Saturday included Mrs. Ancil Greenway, leader, Mrs. Owen Andrews, Mrs. Kendon Anderson, Mrs. Carlton Dobbins, Mrs. Mark Koenig, Mrs. Allen Parsons, Mrs. Arthur Blackburn, Mrs. Melvin Jayroe and Mrs. L. B. Herring. Mrs. Greenway was in the Leaders' Parade, honoring the 38 area leaders attending. Mrs. Koenig was a KOPS graduate of the 28 area graduates given diplomas and honored with a ceremony on stage. Mrs. Jayroe and Mrs. Andrews were in the Longstanding KOPS event with approximately 50 area women. A KOPS is one who has reached a weight goal and maintained it for three months or more. Mrs. Anderson, with a loss of 28½ pounds, won the Class IV Division weight loss competition for the area — the time counting from April until September. A former local resident, Mrs. Wayne Lee, is a leader of one of the host Plainview TOPS Clubs and played a very active part in making the meeting a success. Plainview also boasts the only mens TOPS Club in Texas. The men took an active part in the Saturday meeting. Mrs. Woody Spencer of Plainview is area supervisor of TOPS.

Mrs. Ben Dean of Wichita, Kas. came the last of the week to visit her mother, Mrs. B. H. Baldwin. Ben is to be in Amarillo on business this week and she will return home with him. They have only recently moved to Kansas, having lived and reared their family at Dallas.

# Dimmitt man named district manager for American Bioculture Farm Builder Division

W. T. Wozencraft of Dimmitt was recently named district manager for the West Texas District of the Farm Builder Division of American Bioculture Inc.

DON BAILEY, general manager of the Farm Builder division of American Bioculture Inc. was in Dimmitt Wednesday to install Wozencraft in his new position and to look over

**NEW DISTRICT MANAGER**—W. T. Wozencraft, left, new district manager for the West Texas District of the Farm Builder Division of American Bioculture Inc. poses with Don Bailey, general manager of the Farm Builder Division as they look over a culture tank at the firm's new Dimmitt office.

the new West Texas headquarters for the firm which has been moved from Lubbock to Dimmitt. The new offices are located at 106 Halsell.

Wozencraft has been employed by the firm since July of 1972, working as a salesman in the field, calling on and working with farmers and consulting with them on their soil conditions and problems.

According to Bailey, Farm Builders markets a biochemical probiotic for the purpose of flocculating clay particles in the soil.

"This organic can be produced right on the farm and sold at a price within the range of most farmers," said Bailey.

**BAILEY REPORTED** that the polymers produced by organisms in the culture grown on the farm and added to the irrigation water or sprayed on the ground flocculate the clay particles in the soil.

"This causes larger soil particles which aid in building water-stable aggregates, creating greater air space in the soil," Bailey added.

According to Wozencraft, most local farmers apply the probiotic through their irrigation water.

"A small 'swimming pool' is set next to an irrigation pump," said Wozencraft. "A 'starter' is put in and the pool is filled with water. A smaller tank feeds algae organisms and a line from the pool feeds into the discharge pipe at the well. At a certain stage of growth, algae produce an organic polymer made up of a long-chained negatively charged molecule which flocculates the clay particles of the soil," he added.

**BAILEY REPORTED** that the probiotic results in more water holding capacity, better aeration and root penetration, more nutrient sites, better environmental conditions for the soil and increased fertilizer conver-

## WASHINGTON AND SMALL BUSINESS

### A New Minority

There seems to have developed in the nation today a new minority.

This minority is composed entirely of people who not only work for a living, but are not the beneficiaries of any type of welfare program.

Recently released statistics show that the above stated thesis must be true. They show that ten years ago there were 500 welfare programs in the nation with a total cost of about \$3 billion.

Today there are more than 1,000 welfare programs with the cost now up to \$43 billion dollars per year. Thus it perhaps can be stated that welfare has become a big industry and has added substantially to the Gross National Product, except that it shows what a fakery measuring economic progress by the GNP has become.

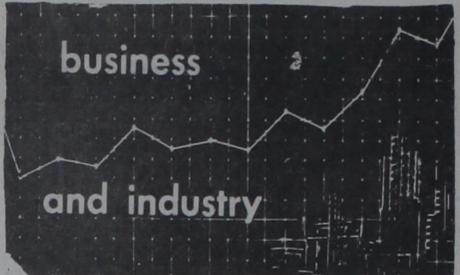

Obviously, anyone not receiving some form of welfare today is in the minority.

But this is not the entire size of the picture.

In 1970 the food stamp program was costing \$250 million dollars. By 1972 this cost had jumped to \$2 billion.

Obviously, just in the normal course of events, this will continue to increase until something is done about it.

But with the tax subsidized sales of wheat to communist nations to bring up the cost of National Federation of Independent Business

## Fuels, fertilizers may be in short supply in 1974

Farmers may find it just as difficult to obtain fertilizers and fuel during the coming year, according to Dr. Michael Sprott, economist in management with the Texas Agricultural Extension Service.

**THE TIGHT** supply-demand balance of certain nitrogen and phosphate fertilizers is the result of several factors. First is the release of 62 million acres that were set-aside in 1972.

Another important influence is the strong foreign demand for fertilizer, making export prices much higher than domestic ceiling prices.

Devaluation of the dollar has further aggravated the situation, continues Sprott. Like other items in world trade, fertilizer prices currently may be discounted by as much as 20 percent where the price is quoted in dollars but payment is made in currencies whose values have risen in relation to the dollar.

The shortage of phosphate fertilizers should soon be eased by expansion of phosphoric acid production, but the outlook of nitrogen fertilizers is far less promising. The supply of ammonia, the source of most nitrogen fertilizers, depends on the availability of natural gas, its feedstock. With each natural gas curtailment faced by the ammonia producers meaning reduced production, the supply of nitrogen fertilizers could fall one million tons short of world demand in 1973-74, says the economist.

**FARMERS** experienced a tight fuel situation during spring planting this year and expect a similar situation this fall. Although the diesel supply for fall appears adequate, gasoline stocks are low, notes Sprott.

For next spring, the gasoline and diesel situations appear mildly optimistic. Although farmers will be permitted to

## Reed named new TGSPB chairman

C. C. (Pap) Reed of Kress was named chairman of the Texas Grain Sorghum Producers Board in a meeting in Lubbock last week.

**OTHER OFFICERS** are Larry Witten of Olton, vice chairman, and Gerald McCathern of Hereford, secretary-treasurer.

K. B. Parish of Springlake, outgoing chairman, was named to serve on the executive committee with Reed, Witten and McCathern.

Reed had served the board as vice chairman and Witten is the board's former secretary-treasurer. The board okayed expansion of research projects including studies toward improved insect control, utilization of grain sorghum and better use of chemicals.

**ADDITIONAL** foreign market promotion for grain sorghum was approved by the board and TGSPB executive director Elbert Harp and others are expected to make some overseas trips for the board in the future.

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

HENLEY, MISS FUTRELL

## Couple planning Nov. 24 wedding

Mr. and Mrs. Ralph Futrell of Hart announce the engagement and approaching marriage of their daughter, Rebecca Suzanne, to Gary Earl Henley, son of Mr. and Mrs. Jack Henley of Richardson.

MISS FUTRELL is a 1969 graduate of Hart High School and is a 1973 graduate of Baylor University with a BS in nursing.

Henley is a lieutenant in the US Air Force and is currently stationed at Mather AFB in Sacramento, Calif. He is a 1967 graduate of Plano High

School and attended New Mexico Military Institute. He is a 1973 graduate of Texas A&M with a BS in engineering technology.

The couple will exchange vows Nov. 24 in the First Baptist Church in Hart.

COST OF wool fabrics is 30 percent over that of last year. Worsteds that cost \$4.50 a yard last year now sell for \$6.50, says Marilyn Brown, consumer education clothing and textiles specialist, Texas Agricultural Extension Service.

### Fun Daisy Club has salad supper

By IRENE KEATING  
Last week the Fun Daisy Club had a real good salad supper. I learned a good tip from Cuca Ortega who brought a delicious avocado dip. If you'll leave the seed in your salad and bunch the avocado up around it, it won't turn dark. She said this wouldn't keep it green forever but until serving time and while it's being served. I didn't know this and I really think this is worth knowing. I'll be sharing her avocado dip recipe with you soon.

A VERY special program on lingerie construction will begin on Tuesday, Oct. 23 at 2 p.m. in the Assembly Room of the Courthouse and conclude at 2 p.m. Friday, Oct. 26. Make your plans now to attend. This would be something good to learn to make lingerie for gifts. It certainly is a nice way to make attractive gifts, yet spend little money.

HERE ARE several household hints that I have collected and thought you'd enjoy. I'm always anxious to get new hints so please feel free to share your ideas.

Flattened waxed milk cartons provide fuel for starting a charcoal fire.

Brooms wear longer if dipped

in hot water occasionally to toughen the split and make them pliable.

Adding lemon juice or vinegar to the cooking water helps keep white vegetables from yellowing during cooking.

Use your wire egg slicer to slice bananas, cooked carrots and cooked beets as well as eggs. Uniform slices make a salad more attractive and appetizing.

TRY WAXING ashtrays with any household wax product. Ashes won't cling, odors won't linger and cleaning may be done with a paper towel.

Fresh or dried herbs give vegetables new flavor with few calories. Just add ¼ teaspoon prior to serving.

To identify the right side of hard to distinguish materials, use freezer tape. It may be easily removed. The new fabric tapes would work well for this, also.

If medicine tastes bad, let your child hold a piece of ice on his tongue for a few seconds to rob his taste buds and he will usually not taste the medicine.

FOR UNIFORM refrigerator cookies pack the dough in clean frozen juice cans. When the dough is well chilled, open the bottom end with a can opener and push out as you slice.

## The view from your library

By MARY EDNA HENDRIX

We had so many important people in the library last week! I was in the lounge pouring Cokes for Edna Riley and Hazel Merritt when two men walked in just as if they owned the place — and one almost does! He was Darrell McClung, Mrs. Perry's son-in-law from Kansas City. The other man was Charlie Martin who is the manager for Mrs. Perry's farms out near Hart. Mr. McClung is a pilot for TWA airlines.

ESTA VANDIVER, Mauzee Vruts, Margaret Wilson and Alyce Killingsworth brought Mrs. Marshall Formby by to see the library while she was in town. Mr. Formby was speaking to the Rotary Club. Judge Wilson brought his brother, A. M. Wilson from Povina, by to see the library. He was so impressed with it that he called his wife, Mary Jane, and Margaret to come on down to see it. I went to school with the Wilsons in Tulia.

Broke Alexander came by and I was disappointed that I missed the open house for his new building complex. I had a small part in the first planning stages of this building since Broke asked me to order some books through the inter-library loan for him.

Carolyn Witts brought the Tadvahash Camp Fire Girls down to take a tour of the library. Judith Smith was celebrating her birthday. The other girls were: Shelley Watts, Carol Morgan, Becky Andrews, Deannea Merritt, and Tammy Ross.

SOME OF THE Easter 4-H club members were on my radio program Saturday morning. They came on down to see the new library. Mr. and Mrs. Martin Young are the adult leaders and Mrs. Clarence Behends is the food leader and Mrs. Earl Harkins is the clothing leader.

On Oct. 5 Verletta Witt conducted the Children's Story Hour with nine children present. Ca-

Stiff is a graduate of Tascosa High School and is attending Texas Tech University.

The couple will exchange vows Nov. 23 in the chapel of the First Baptist Church in Amarillo.

## Garden Club to host flower show

The Dimmitt Garden Club will present a "Floral Tribute to Books" Saturday at the Rhoads Memorial Library.

The show will be held from 3 to 6:30 p.m. and all interested persons are invited to attend.

Mrs. Charles Vandiver is serving as flower show chairman.

BEVERLY HECK of the Nazareth FHA models a sweater and pants outfit at the style show hosted by the Nazareth FHA last Tuesday night at Nazareth. A large crowd of about 180 was wowed by the latest in fall fashions, modeled by Nazareth FHA members and local ladies.

## Style show hosted by Nazareth FHA

The Nazareth, FHA hosted a style show presented by the Village Shop of Dimmitt last Tuesday night at the Nazareth school cafeteria. A crowd of about 180 was on hand to view fashions modeled by Nazareth FHA members and local women.

THE SHOW was presented on a stage set in a country autumn theme with hay, wooden crates and barrels, milk cans,

maize heads, leaves and vegetables used as stage decorations.

Carol Drerup, chapter president, was mistress of ceremonies.

Max Acker, Imogene Drerup, Julene Gerber, Pill Huseman, Janice Schacher, Noreen Klemm, Agnes Acker, Patti Hochstein, Kay Blair, Beverly Heck and Twila Ball modeled coats, dresses, pantsuits and formal wear for fall and winter.

During breaks skits were performed, a reading was given and a group of Nazareth FHA girls sang.

LADIES from the Village Shop were also introduced.

Following the fashion show refreshments of hot spiced tea, sherbert punch and finger sandwiches were served from autumn set tables.

Proceeds from the show, approximately \$130, will go to the county Satellite School for the purchase of films to be used in the classrooms.

Mrs. Don Shrum is the Nazareth FHA advisor.

USE BREAD to banish the budget blues. Mix it with ground beef — or a combination of ground beef and leftover ham — for a delicious meat loaf that will serve twice as many as the meat alone, suggests Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service.

THE 1974 LIGHT-DUTY LINE from International Trucks offers a variety of vehicles for any type of recreational, vocational or personal transportation need. In foreground is the '74 International 100 pickup. Lined up, from left, are the 100 Travelall wagon, 200 Camper Special Travellette with 8-ft. pickup box, 200 Camper Special pickup, and the Scout Traveltop. In background is the all-purpose 100 Travellette model with 5-ft. pickup box. Hays Implement Co. is the dealer.

## HAYS IMPLEMENT CO. ANNOUNCES EXCITING LINE OF '74 VEHICLES

The 1974 light-duty lineup from International Trucks features a host of all-purpose vehicles for outdoor recreation, personal transportation and vocational use, according to David Hays of Hays Implement Co.

Hays and his wife, Ann, attended the national showing of International's all-purpose vehicles in San Diego recently, and returned home enthused about the new lineup.

"International is going to steal the thunder this year from the other companies—especially in pickups and recreational vehicles," Hays said.

Highlighting the exciting new International line are the go-anywhere Scout, the 100 and 200 Travelall family wagon, and the 100 and 200 pickup, including a four-door Travellette series.

The Travelall and pickups feature a new chassis with independent front suspension, heavier frame and wider stance, new grille and hood styling, more powerful standard engines and power front disc brakes.

Scout features for '74 include power front disc brakes, heavier suspension, higher trailer towing capabilities and a new grille treatment. The power lineup offers a standard 258-CI Power Thrift Six and optional V-304 and V-345 engines.

Available with two-wheel or four-wheel drive,

the 1974 Scout is offered in full Traveltop and steel Cab-Top models, providing an all-around compact family wagon or rugged mini-pickup with five-foot pickup box for vocational use.

The Scout has taken on a new sophisticated look for '74, with several two-tone applique trims available for both the Traveltop and Cab-Top models.

The Travelall and pickup models are built to tow, and a new feature of the optional heavy-duty towing package is a factory-installed electric trailer brake control with hand control lever and rheostat. The "package" concept will match the vehicle with its towing or hauling assignment. This includes a comprehensive Camper Special package, as well as towing packages for conventional travel trailers, work trailers and fifth-wheel trailers.

On the inside the Travelall standard interior includes full-instrumented padded dash, foam-padded, all-vinyl front seat and stationary second seat. Seating options include high-back bucket seats, a folding full-width second seat, and a two-thirds seat with a snap-out full-width third seat.

Whether you need a two-door or four-door "workhorse" pickup, a comfortable family wagon or a tailor-made recreational vehicle, see Jim or David Hays at Hays Implement Co.

Corn harvest winding up

By MRS. AGNES BROCKMAN Our weather is cloudy and damp most mornings, but afternoons we usually have nice sunshine and the farmers are managing to get quite a bit of their crops harvested, although not too much of the maize is very dry yet. Most of the corn has been harvested. \* BUD AND Rita Kern spent Friday and Saturday in Lubbock attending a Fields Heating and Air Conditioning Convention. They also attended the football game Saturday night. The Marvin Hoeltings from Denver, Colo. and the Leroy Leroy Hoeltings from Colorado Springs spent the weekend visiting relatives here. \* Quite a number of folks from here attended the Texas Tech and Texas A&M football game in Lubbock Saturday night. Mrs. A. P. Hoelting and Geneva Miller left for Dallas, Wa-

co and several other places to visit relatives. They left Sunday and will be gone a week. \* THE JEROME Gerbers from Hobbs, N.M. spent the weekend visiting relatives in Nazareth. The Paul Venhauses went to Enid, Okla. to help their son Greg and family move to Friona where Greg will work for the Missouri Beef Packers Co. A pink and blue shower was held Sunday for Stevie Dobe-meier in the home of Billie Schacher. Hostesses were Billie Schacher, Mildred Birkenfeld, Donna Birkenfeld and Rose Birkenfeld. Those attending the Top of Texas Arts and Crafts Festival in Pampa were Lucille Drerup, Rosemary Wilhelm, Rose Birkenfeld and Kay Stephens from Tulia. Ben Konis of Amarillo conducted a pastel demonstration.

Flo Backus from Happy visited relatives in Nazareth over the weekend. \* MRS. JAMES Wilhelm and children, also Agnes Brockman, spent Sunday afternoon visiting her girls and my grandchildren at the college in Canyon. The Knights of Columbus celebrated Columbus Day Sunday attending Mass in a body, followed by a breakfast and social in the hall later on. The Catholic Daughters will celebrate National Catholic Daughters Day next Sunday, Oct. 21. The 6:30 p.m. Mass will be offered for the living and deceased members of the order. Following the Mass a supper will be held for all members and their husbands in the Community Hall. \* THE ANNUAL Homecoming dinner will be held next Sunday from 11:30 a.m. until 2 p.m. Adult price will be \$2.00, grade school through eighth \$1.00 and preschool 50 cents. The Student Council is sponsoring a chili supper Thursday evening from 7 p.m. until 9:30 p.m. in the school cafeteria. \$1.00 for chili or frito pie, a fried pie and drink. The pep rally will start at 8 p.m. with the different organizations of the student body lining up at school and parading through town. It will wind up on the football field with the crowning of Spirit King and Queen. The Nazareth-Lazbuddie game will be Friday night at 7:30 preceded by the Homecoming activities at 7 p.m. Max Acker is spending several days this week in Amarillo at the H. D. White's home. \* MR. AND MRS. Jerome Hansen and family had dinner with Marie Hansen Sunday. Jerome has recently moved to Dimmitt. Sisters Celestine Marie, Mary Paul, Adrian and Benedict Marie went to Fort Smith over the weekend. Sister Benedict Marie went on business, the rest visited with relatives and friends.

Kiwanians host governor's visit

Kiwanians from nine clubs in seven area cities gathered in Dimmitt's South Elementary School cafeteria Tuesday night to hear Howard Newton of Houston, governor of the Texas-Oklahoma District of Kiwanis International. IT WAS Newton's official visit to Division 33, which includes Dimmitt, Amarillo, Tulia, Hereford, Friona, Canyon and Muleshoe. The Kiwanis Club of Dimmitt hosted the governor's banquet with an Underwood's barbecue dinner. More than 140 attended, including Kiwanians and their wives, high school Key Club members and their dates. Special guests were Mayor and Mrs. Elmer Youts and Chamber of Commerce President Bill Behrends. Carl Bruzel, president of the Dimmitt Kiwanis Club, was the master of ceremonies. Danny Lewis of Dimmitt, lieutenant governor of Division 33, introduced Newton, who took office less than three weeks ago as the 53th governor of the Texas-Oklahoma District. "IF I HAD to define Kiwanis in just five seconds," Newton told his audience, "I would say, 'We guide youth, and give of ourselves.'" Noting that Kiwanis International was founded in Detroit in 1915, Newton said it is still one of the fastest-growing men's service organizations in the world. He told of a conversation in 1951 with Harry Young, last surviving charter member of Kiwanis International, who told him, "We never dreamed Kiwanis International would grow to the proportions it has."

"LAST YEAR 38 new clubs were started in the Texas-Oklahoma District alone," Newton said. "Why continue to build new clubs? It's simple — just look how much better off these communities are that have Kiwanis Clubs." He called for local and international support of the major Kiwanis programs this year — protection of the environment, Operation Drug Alert, high school Key Clubs, and people-to-people aid to underdeveloped countries. The theme of Kiwanis International this year is "Give of Yourself."

VFD answers call at Welch home

The Dimmitt Volunteer Fire Department answered a call to the James Welch home west of Dimmitt early Tuesday morning when a flashback from a water heater apparently ignited a fire in the closet which housed the water heater and a central heating unit at the Welch home. MRS. WELCH reported that she heard her son coughing and when she got up to check on him, found the house filled with smoke and summoned the fire department. Damage was confined to the closet area where the doors and some wiring were burned. Fire Chief Bobby Murdock reported that an extinguisher which was hanging in the closet probably averted more serious damage when it burst and foused the flames.

Genealogical Society to meet

Dimmitt FFA has hamburger supper

The Dimmitt FFA chapter held a hamburger supper last week and held the traditional promotional ceremonies for incoming freshmen and promoted chapter Greenhands. SHERRI Burrous, FFA Sweetheart, and Teresa Bruegel, Plowgirl, were recognized at the meet. The top magazine salesmen were recognized at the supper. First place salesman was Jim Wright. Second place honors went to Mark Welch and third place went to Mark Merritt. Dean Smithson and Mr. Faris are attending the National FFA Convention in Kansas City, Mo. this week. Smithson was awarded the trip by the Santa Fe Railway Co. in recognition of his achieving Star Lone Star Farmer honors in Area I during 1972-73.

### BOOSTER CLUB FOOTBALL CONTEST

#### CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. The contestant with the prediction closest to the actual score of the tie-breaker game will then be the winner.
6. Contest winners will be announced at the next meeting of the Booster Club at 7 p.m. Monday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

#### PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. In case of a second-place tie, prize money will be divided equally.

SEASON prizes will be awarded as follow: Two tickets to the Dallas Cowboys vs. Washington Redskins game Dec. 9 and \$50 expense money for First Grand Prize; two tickets to the 1974 Sun Bowl Game and \$25 expense money for Second Grand Prize.

The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

# Cats wallop Kangaroos 27-0

By JIMMIE CHAPMAN

The Dimmitt Bobcats, playing without the services of their leading scorer Robert Mayberry, delighted the large Homecoming crowd by walloping the visiting Kress Kangaroos 27-0 Friday night at Bobcat Stadium.

DIMMITT LOST the ball six times on fumbles, once on their own 12 yard line, but the highly tough defense wouldn't let the Kangaroos score, leaving the Bobcats with only 19 points scored against them after six games.

Fans were surprised about midway in the first period when they realized that No. 22 was halfback Gene Veals and not the area's leading scorer, Robert Mayberry. Mayberry was on the sidelines with a sprained ankle and only time will tell if he is going to be at full strength for this week's game against the Littlefield Wildcats, the district opener for both teams.

Kress got Ricky Wright's opening kickoff on its own 26 yard line but failed to gain enough for the first down and punted. The Bobcats were guilty of roughing-the-kicker and Kress got the ball back, this time on its 46 yard line.

Again the Bobcats held and again the Kangaroos punted. Misfortune again hit the Bobcats as Travis Hampton fumbled the punt by Stan Wetherred and Kelly Durham recovered for Kress, this time on the Cat's 12 yard line, setting up a good chance for the Kangaroos to score.

JUNIOR halfback Max Jones twice tried to crack the middle of the Bobcat line but managed only 2 in both trips. Florence Acevedo charged through on third down to throw Trent Street for a loss back to the 22 yard line. Stan Wetherred tried a 32 yard field goal on fourth down and it was plenty long enough but a shade to the left of the goal post and Dimmitt held.

Again the Kangaroos got the ball as, on second down, Mike Glenn recovered a fumble by Acevedo on the Dimmitt 28. Dimmitt's third fumble of the night with 5 minutes still left in the first quarter. The Dimmitt defense held again and took over at their own 20 yard line as on fourth down, a pass from quarterback Barry Street sailed over the head of the receiver in the end zone.

The Bobcats started an 80-yard drive to paydirt with line

smashes by Gary Wise, Veals and Acevedo. Wise gained 4 yards on a fourth down and 2 situation at the Dimmitt 48 to keep the drive alive. Three plays later, Quarterback Brad Sanders kept on an option play around the right side and went 34 yards for the first score of the game. Ricky Wright's extra point attempt was good and Dimmitt had a 7-0 lead when the first period ended 35 seconds later.

In the second period Kress got the ball for the fourth time on a fumble when Barry Street pounced on the pigskin after it was jarred loose from Gene Veals at the Bobcat 40 yard line. The Kangaroos moved down to the Bobcat 9 yard line before they again were stopped by the tough defense. Shannon Truelock and Kyle Borders made several hard tackles in this drive and along with Acevedo, Harold Love, Roger Underwood and Steve Nutt played outstanding defense all night for the Bobcats.

LATE IN the second period, Sanders hit end Steve Nutt with a pass that was good for 14 yards to the Kress 19 yard line. Sanders threw another one that went incomplete before David Hartmen intercepted on the 2 yard line to give Kress the ball with 13 seconds left in the half.

Street gained 2 yards before the clock ran out in the first half with Dimmitt holding a slim 7-0 lead over the fired-up Kangaroos from District 3-A.

Dimmitt got the second half kickoff on its own 44 yard line. Wise gained a yard before Florence Acevedo smashed through the left side of the line and raced 55 yards for the touchdown. The hard charging full-back broke several tackles before he got through the line for the long run. A bad snap from center for the extra point forced the holder, Brad Sanders to try a pass for the extras but he was dropped before he could get the pass off.

Acevedo scored another touchdown in the third period on a 20 yard run but it was called back to the Kress 25 on a clipping penalty. Gene Veals carried 24 yards to the one yard line before he was forced out of bounds. Gary Wise smashed over center from there to get his first TD of the year and Wright's kick was good to give the Bobcats a 20-0 lead at the end of the third period.

Ronnie Lawson began loosening up the Kress line with passes and wide sweeps in the final period. Kyle Touchstone intercepted a Street pass to give the Bobcats the ball on the

Dimmitt 49 yard line, giving Lawson a chance to do his specialty. Lawson hit end Steve Nutt with a pass that was good for 36 yards in this drive to put the ball on the Kress 15 yard line. After a few running plays and penalties, the ball was on the Kress 24 yard line and Lawson, on fourth down, hit end Travis Hampton in the end zone for the final score of the night. Wright's kick was good and the score was 27-0 with only 2:30 left in the game.

AFTER THE ensuing kickoff, Kress filled the air with passes, trying to get on the scoreboard but completed only one and failed to get past midfield before the game ended. Four different backs scored touchdowns for the Bobcats.

IT'S ACEVEDO AGAIN—Dimmitt's Florence Acevedo turns the corner and scoots downfield for big yardage in the third quarter of Friday night's Homecoming game against Kress. The explosive running back scored on a 56-yard counter play in

the third quarter, and later in the same period had a 20-yard scoring run nullified by a procedure penalty. He was the Bobcats' leading ground gainer with 154 yards rushing as Dimmitt posted a 27-0 victory over the visiting Kangaroos.

# Longhorns swat Hornets 32-14

By JIM STEIERT

The Hart Longhorns bounced back from a disappointing loss at the hands of Vega last week to sudan Sudan's Hornets 32-14 at Sudan Friday.

JIMMY BROWN paced the Hart offense as he rushed for 207 yards in 24 carries. Barry George rushed for 57 yards on 10 carries.

The entire Longhorn defensive unit turned in a fine performance, making solid tackles and holding the Hornets to 134 yards rushing, compared to Hart's 321.

Hart took the opening kickoff and drove to their own 46, but the Hornets fumbled and Sudan recovered. Sudan could not move the ball against the determined Horn defense and punted. The ball went out of bounds at the Hart 10 and the Hornets took over.

In two plays tailback Jimmy Brown carried to the Hart 22, then the speedster took a hand-off and raced 79 yards to score with 7:19 remaining in the first quarter. The two point conversion attempt failed and Hart led 6-0.

SUDAN CAME right back following the kickoff. Quarterback Mitch Chester hit halfback Danny Williams with a screen pass and he went 57 yards for a touchdown behind excellent blocking. Chester passed to Donald Johnson for two and the Hornets went ahead 8-6 with 5:02 remaining in the first period.

Late in the first period Mark Hanna intercepted a James McLain pass near the Hart 20 and returned it to the 13. Hanna got the call and carried to the Hart eight as the first period ended.

As a host of worried Longhorn fans looked on Sudan drove to the three and from there Chester went across on a keeper. The extras failed and Sudan led 14-6 with 11:04 remaining in the half.

Hart drove to the Sudan 30 following the kickoff, and from there Jimmy Brown raced to paydirt for his second touchdown of the night. The try for two failed and Sudan still led 14-12 with 6:11 remaining in the half.

SUDAN DROVE to the Hart 37 on its next possession, but on fourth down Barry George stopped Sudan's Danny Williams short of the first down with a bruising tackle, and the ball went over at the 35.

It didn't take the opportunistic Horns long to score as James McLain hit flanker Barry

George with a 65 yard touchdown bomb with 1:44 remaining in the half. The try for two failed, but the Horns led again, 18-14.

Sudan returned the Hart kickoff to the 36, but Horn linebacker Terry Hill quickly intercepted a Chester pass at the Sudan 37 and returned it to the 33.

Brown and McLain carried the ball to the Sudan 15, and with four seconds remaining in the half McLain hit Barry George with a screen pass and he went across to capitalize on the break. Jimmy Brown carried for the extras and Hart led 26-14 at the half.

THE THIRD quarter was a scoreless battle as both defenses dug in.

Late in the third period Hart cranked up a drive after taking a Sudan punt at the 15. In two

carries Jimmy Brown brought the ball to the Hart 27 as the third period ended.

The hard running of Brown, McLain and George quickly brought the ball to the Sudan 31. Barry George carried to the 6 on a trap play and Jimmy Brown went the final yards for the score. The try for two failed and the Horns led 32-14 with 9:19 remaining in the fourth period.

Late in the fourth quarter Hart drove to the Sudan 26, with Junior Danny George handling the quarterbacking duties. The Horns fumbled at the 46 and Sudan recovered. Sudan drove to the Hart 30 following the turnover but fumbled and the Horns recovered.

TERRY HILL broke tackles and made his way to the 47 as time ran out and Hart captured

ed its first win in district competition, 32-14.

The Longhorns now stand at 4-2 for the season and 1-1 in district competition.

Tomorrow (Friday) the Horns will host the Farwell Steers.

Directing the Farwell attack is potential All State quarterback Kevin Hargrove. The Steers have impressive overall backfield size and speed, and run from the Wishbone formation.

Farwell also has passing ability which can break a game open.

THE LONGHORNS played solid defense against Sudan and must continue to do so through their remaining district games if they hope to contend for the district championship.

Kickoff time for the Hart-Farwell clash is set for 8 p.m. at Longhorn Stadium.

GOING WIDE—Hart flanker Barry George, 82, obscures quarterback James McLain while setting up to block for him near the sidelines as a host of Sudan tacklers close

in. The McLain-George combination proved to be an effective one Friday night as the two teamed up on touchdown passes of 65 and 15 yards.

## Adams brothers top forecasters in grid contest

If you want to talk to a football expert, you'll need to see one of the Adams brothers.

DAVID "BULLET" Adams was last week's peerless prognosticator in the Booster Club Football Contest, correctly predicting the winners in 12 of the week's 15 contest games.

And his brother Bobby still ranks No. 1 in overall season

standings, with 53 correct predictions so far. Hargrove in there in second place in the Grand Prize race is Geneva Schaeffer with 52 right guesses so far.

Women's intuition reared its head again in last week's contest as Clara Goldsmith and Mrs. Schaeffer tied Stanley Schaeffer for second place.

They shared runner-up prize money, each liberating one dollar from the contest fund.

THE 1970 median value of housing units was highest in the Stamford, Conn. metropolitan area. The value was \$50,157. The lowest value, \$6,451, was in the McAllen-Pharr-Edinburg, Texas area.

**VETERANS' SERVICES**

By BEDFORD W. SMITH

Veterans Day this year will honor more than 29 million Americans the most in the nation's history, according to Jack Coker, Director of the Veterans Administration Regional Office at Waco. Texas' veteran population has risen to a record 1,430,000.

MORE THAN half of the 43.5 million who served from the American Revolution through Vietnam are alive today, the VA says. The oldest in this group are the less than 2,000 veterans of the Spanish-American War with an average age of 93. Veterans of World War II represent the largest group, about 14 million. The current Vietnam Era has produced 5.6 million veterans.

Once known as Armistice Day, the event commemorated the end of World War I on Nov. 11, 1918. Following World War II, sentiment grew for the day to be a tribute to veterans of all wars. A Congressional resolution by Rep Edwin K. Rees of Kansas was passed and signed into law in 1954.

That same year, President Eisenhower created the Veterans Day National Committee which coordinates the national ceremony and the observances within each state. "Peace with Honor" was chosen by the committee as the official Veterans Day theme and has been in use continuously since 1954.

National observance of Veterans Day was changed by Congress in 1968 to the fourth Monday in October. Many states, however, by legislation or proclamation, hold to the traditional Nov. 11 date.

HAVING HAD our office closed all this week while we were taking a short vacation, please note that we'll be open for business on Monday, Oct. 22 helping Veterans, their survivors, and dependents to understand benefits to which they are eligible and proper ways to file claims.

Our office hours are 9 to 12 a.m. and 1 to 3 p.m. Monday, Wednesday and Friday, but we'll help at other hours by appointment. Our home phone is 647-4368.

JERRY PHILLIPS

**Phillips serving as youth pastor**

Jerry Phillips, a former Hart resident is currently serving as youth pastor at the Trinity Church in Lubbock.

THE CHURCH is an interdenominational body of believers with a current membership of over 2,000.

Phillips, who was born and raised at Hart, completed his college education at Wayland Baptist College in Plainview, where he lettered in basketball for three years.

He has spent the last 11 years in the public education field as a coach and biology teacher before entering the ministry on a full-time basis.

**New members, adult leaders needed by Dimmitt Camp Fire Girls, Bluebirds**

The Dimmitt Camp Fire Girls and Bluebirds are in need of adult leaders and additional members according to Mrs. Polly Holland, Camp Fire Secretary.

MRS. HOLLAND reported that the Camp Fire Girls present girls with an opportunity to learn by doing.

"Any girls between the ages of six and eight can be a Bluebird, and girls from nine through high school can be Camp Fire Girls," said Mrs. Holland.

"We have such activities as arts and crafts, camping, field trips and picnics," she added.

According to Mrs. Holland, both men and women can contribute to the welfare of girls involved in the Camp Fire Girls and Bluebirds programs.

"THE CHALLENGES and rewards are great in helping girls grow through participation in these programs," she said.

Currently there are approximately 60 girls and eight adult leaders involved in the Camp Fire Girls and Bluebirds.

Any girl or adult wishing to join in Camp Fire Girls or Bluebird activities may contact Mrs. Holland at 647-5544, or they may call Camp Fire Council president Robert Benton at 647-2311.

Mrs. Holland added that any Fire costume to donate or sell one having a Bluebird or Camp may also contact her.

**Conservation**

**Farmers should consider water supply for next crop**

By LARRY O. STARNES

Before you begin another crop, take a close look at your water supply. Be certain that you plan your irrigated acreage to correspond to your water supply.

It is generally more profitable to take higher yields from fewer acres than to take less yields from more acres.

Plan next years crop now as if you didn't plan to get any rain at all. Total irrigation of grain sorghum requires about 7 GPM per acre and vegetables or alfalfa require at least 10 GPM per acre.

For example - if your irrigation well pumps 700 GPM you should not plant more than 100 acres of grain sorghum or 70 acres of vegetables. If your field is of a permeable type soil or is not fairly level you might need to reduce your acreage accordingly.

HIGHEST YIELDS for the most economical cost are essen-

tial. Some ideas which tend to reduce cost and increase yields are:

(1) The steeper the slope of your land the shorter the length of irrigation run is needed.

(2) Often as much as 25 percent of the irrigation water you pump is lost in open ditches. This represents about 25 percent of your pumping cost as well as reducing the acreage you can irrigate by 25 percent.

(3) To do a thorough job of wetting your soil often requires the wasting of lots of tailwater; often 50 percent or more of the amount pumped. A properly installed Tailwater Recovery System would reclaim approximately 65 percent of the water lost.

In this time of world shortages let's make every drop of water count. Let's produce the highest yields with the lowest possible cost. Let's conserve what we have and leave the best

**THC approves highway work**

The Texas Highway Commission has approved a statewide 1974 State Highway Safety and Betterment and Farm to Market Improvement program which will include work on 18.2 miles of highway in Castro County.

WORK WITHIN the county will be done on State 86 from US 385 to the Swisher county line. A seal coat will be put on the stretch of road at an estimated cost of \$81,300.

The overall program will include work on over 5000 miles of US and State numbered highways and Farm to Market roads.

The statewide program includes 810 individual projects in 209 counties of the state. According to District Engineer George C. Wall Jr. of Lub-

bock, the proposed improvements play an important role in the department's continuing highway safety program. The types of work included in the district program are channelization, seal coats, and reconstruction of grading, structures and surfacing.

**CLEAN ENERGY FOR TODAY AND TOMORROW**

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

### Nixon lauds CROP workers

In a news conference at the White House Richard Nixon recently congratulated the workers for the Christian Rural Overseas Program.

"ALL THOSE who have been associated with the work of the Community Hunger Appeal of Church World Service deserve the special gratitude and admiration of their fellow citizens for the achievements they have realized," he said.

The President went on to say, "The twenty-fifth anniversary of CROP is a welcome opportunity to acknowledge the hope that its programs have given to thousands of underprivileged people throughout the world, and the dynamic part it has played in alleviating hunger and malnutrition.

He concluded by saying, "The voluntary spirit and humanitarian goals that have guided its work for these two and a half decades have been in the best American tradition. Its efforts deserve civic encouragement and support. May they continue to advance the well being of all mankind."

Gene Wisdom of the First Methodist Church of Dimmitt is chairman of the CROP campaign in Dimmitt. He pointed out that CROP plans to raise \$1000 in Dimmitt this year. The date for the annual CROP canvass has been set for Oct. 28.

### District Rotary governor urges members to look over America's brighter side

District Rotary Governor Marshall Formby of Plainview, in his annual visit to the Dimmitt Rotary club, told the members at a noon luncheon Friday that it is time Americans quit looking at the gloomy side of everything and took a look at the bright side.

"ABOUT ALL that we hear today is how bad things are going and how tough it is in this country," Formby said. "I think it is time we took a look at how well things are going, and give thanks for what we enjoy in this nation."

He pointed out that America today is the most affluent nation since the dawn of civilization and that we are surrounded by luxuries available to the poorest person that were once beyond the dreams of even the richest people.

Formby, who serves on the College and University Coordinating Board for Texas, pointed out that some young people today have a flaw in their education which causes them to be ashamed of their country, their parents, and the economic system that has put America in the lap of luxury.

"I want the kids of today to know where the money comes from and to learn that it is not sinful to make a profit in a business transaction," he declared.

FORMBY POINTED out that the US has never been equalled for its responsibility and generosity to other nations, its pro-

gress and abundance. According to Formby, recent world shortages of many items are due to the fact that people are "living it up", and more money is in competition for more items.

"There is a good deal of conflict in the world, but in 150 countries there are three quarters of a million Rotarians working for world peace," he said. The district governor pointed out that Rotary must change.

and cannot be run as it was 30-40 years ago.

"We have to take a new look at international trade relations and the economic system," he said.

FORMBY complimented the Dimmitt Club for Rotary activities and urged the continued support and enthusiasm of members towards the projects of the club for the coming year.

### Extension agents hear program on Food Stamps

Teaching local Food Stamp recipients "how to make the most of their stamps" was the subject of a two-day meeting in

Amarillo attended by Mrs. Irene Keating, Castro County Extension Agent. More than 30 county Extension agents from throughout the area heard federal and state government agency representatives discuss food buying and nutrition, according to Mrs. Keating.

REPRESENTATIVES from the US Department of Agriculture's Food and Nutrition Service explained how food stamp recipients can buy the nutritious foods necessary for a balanced diet without having to supplement their food stamp allotments.

"They also discussed the retailer role in the food stamp program," Mrs. Keating said. "A Texas Department of Public Welfare representative told agents how the food stamp program is administered in Texas

and outlined its operation as well as the requirements for obtaining food stamps," she added.

FOODS AND nutrition specialists with the Texas Agricultural Extension Service, Texas A&M University System, detailed food buying principles and demonstrated preparation of nutritious, low-cost foods. Commenting on the Food Stamp program, Mrs. Keating noted that prior to a year ago, some Texas counties did not have the Food Stamp program. "Efforts to convert all remaining counties from a commodity food distribution program to the Food Stamp program were begun in Texas more than a year ago and will be completed during the last part of this year."

"The Food Stamp program now underway in Castro County includes plans for the educational phase to begin during October," Mrs. Keating said. "The educational phase - subject of the two-day meeting - is designed to help limited-income people utilize resources. Extension and the other agencies are cooperating in this program to avoid duplicating efforts between various government agencies at both state and national levels," the agent added.

● On the Go Mrs. Dorothy Craig and daughters Mrs. Karen Stark and Cindy Craig, Joann McNeely and girls Melanie and Monica from Tahoka visited Mr. and Mrs. George O. Key last week. They were accompanied by Cindy's friend, Wesley Boone.

FOR THE average consumer, aesthetic appearance of clothing is the most important consideration in buying clothing, says Mrs. Becky Culp, clothing specialist, Texas Agricultural Extension Service.

**NEW INITIATES AND OFFICERS** of Dimmitt High School's chapter of the International Thespian Society are (from left) Kyle Touchstone, vice-president; Lance Loudder, initiate; Gene Veals, initiate; Thomas McGuire, initiate; Janie Garza, president; Randy Hammonds, treasurer; and Connie Nelson, secretary. The three new members were initiated recently during a theater trip to Lubbock. Sponsor of the Thespians is Betty Hawkins, DHS speech and drama teacher.

## Thespians install three

Dimmitt High School's chapter of the International Thespian Society held its annual formal installation and initiation ceremony recently in the El Toreador Room of Furr's Cafeteria in Lubbock.

**BETTY HAWKINS**, chapter sponsor, treated the members to dinner and to a movie, "Lost Horizon," at the Winchester Theater.

New Thespian initiates were Lance Loudder, Thomas McGuire and Gene Veals. Members making the bus trip and taking part in the installation were Greg Calvert, Johnny Rodriguez, Cindy Ringo, Lee Cole, Gilbert Espinosa, Greg Sandlin, Larry Duke, Steve King, Johnny Webb, Jimmy Henderson, Vera Patton, Mary Damron, Diane Ward, Norma Wall and all the chapter officers.

Officers for 1973-74 are Janie Garza, president; Kyle Touchstone, vice-president; Connie Nelson, secretary; Randy Hammonds, reporter; and Mrs. Hawkins, sponsor.

## PMH Auxiliary to hold workshop

The Plains Memorial Hospital Auxiliary will hold a workshop in the home of Mrs. Birdie Neill today (Thursday) at 9 a.m. All members are urged to attend.

**AUXILIARY** members met last Wednesday at the Plains Memorial Hospital for their regular monthly session.

An annual financial report was given by Mrs. Faye Kenmore noting the fact that the auxiliary spent \$4781.47 for hospital equipment between May of 1972 and May of 1973.

Plans for the annual Auxiliary Christmas Bazaar were also discussed. Members selected Dec. 7 as the date for the bazaar.

Auxiliary members will be asked to provide two food dishes and at least two gifts for the bazaar.

**PEGGY EWING** and Diana Saenz were announced as the 1973-74 LVN Scholarship Loan recipients.

Members received their new year books with attention being given to this year's state theme, "A Challenge to Reap the Harvest."

Orientation for all new auxiliary members was held at the Plains Memorial Hospital Wednesday.

**AT LEAST** once a year, have fireplace chimneys and flues cleaned and inspected for cracks and defects, advises Patricia Bradshaw, housing and home furnishings specialist.

By CATHRINE EASTER

The Rev. Hester of the United Methodist Church of Dimmitt conducted services on Sunday morning at 9 o'clock. Richard Bales led the singing. His special number was "How Great Thou Art." The pastor read the 23rd Psalm from "The Living Bible." His theme was "praise."

**MR. AND MRS. SURU WIER** of Seminole were here on Sunday for a visit with his father Scott Wier.

George Woods of Happy was here on Monday of last week to see his mother, Mrs. Ema Woods.

Mr. and Mrs. Mark Cleavinger of Dallas called on Mrs. Ruth White on Sunday of last week.

Mrs. Mary Shaw of Uvalde was here for a few days with the Boothe family last week.

A group of young people of the Church of Christ conducted services here at 4 o'clock on Sunday afternoon, consisting of singing and Bible reading.

**A GROUP** of ten young nurses in training received their caps in an impressive service in the chapel here on Sunday evening.

**STORY HOUR PILLOWS**—A library isn't just books, records and films. It's pillows, too. Here, Mrs. David Acker unloads three from her car and has 15 to go as she delivers homemade pillows to the new Rhoads Memorial Library. Mrs. Acker, a member of the library board, drew the job of making the pillows for youngsters to sit on during Children's Story Hour, which is now being held every Friday at the library. After gathering the material and stuffing, Mrs. Acker made these 18 pillows in just two days, and was working on six more last week to make it an even two dozen.

## Charlie Hestand is back

Now that he's recuperated from surgery, Charlie Hestand is "back at the work bench" as an auto technician. And we're glad to have Charlie at Reeve-Fleming Chevrolet.

Besides being long on height, Charlie is also long on experience and ability. He has been an auto technician since 1945, and has worked in Dimmitt garages since 1946. He's well known to Dimmitt residents and to other auto technicians in this area.

"Because of doctor's orders, I'm doing mainly light work now — tune up, brakes and muffler work," Charlie says. "And since I'm drawing Social Security now, I can only work so much a year. I'll be working practically full time the rest of the year."

Raised in Altus, Okla., Charlie moved with his family to Springlake in 1933 and helped his father operate a farm there. In 1936, a year after his father died, he moved to Sunnyside. He married the former Mary Frances Houtchens in 1939.

Charlie and Mary have raised three children here — Mrs. Charlotte Dow, who now lives in Rockville, Md.; Donnie, who is stationed with the Army at Fort Rucker, Ala.; and Hoyt, who is in Anchorage

with a construction firm that's scheduled to help build the Alaska Pipeline.

You've probably learned long before now that you can depend on Charlie Hestand's service and his pride of workmanship. That's why we're glad to have him at Reeve-Fleming Chevrolet.
