Steers, Loraine Tied For Lead In District 6-B

Robert Lee Steers journey to Stamford Thursday night of this week to battle the high school B team in a contest that has nothing to do with the 6-B conference standing.

It is probable the first string will play no more than half the game, giving younger players an opportunity to get experience. The Steers squad is in good shape, although Sam Ed Skipworth is still with an injured ankle. He may be ready for next week.

The Steers have three important conference contests coming up after this week. Trent comes here Oct. 31. The following week Robert Lee plays at Loraine and the season ends with Bronte at Robert Lee Nov. 14.

Robert Lee has defeated three high opponents in succession. They were Eldorado, Menard and Hermleigh. In each game the Steers came back strong to get their victories in the second half. Statistics of the Hermleigh game last week reveal Robert Lee made 11 first downs and Hermleigh 7. The Steers had the edge rushing 141 yards to 114 and also excelled in the air 64 yards to 47. Robert Lee completed six of ten pass attempts, Hermleigh made two out of 12. Robert Lee was penalized six times for 75 yards, Hermleigh also six times for a total yardage of 80.

Loraine is tied for top honors in conference standing, each with two victories and no defeats. This week Trent meets the Longhorns at Bronte, Eldorado goes to Lo-

Dave Parker To Germany With Armed Forces

T/Sgt. Dave T. Parker and family have been visiting among Robert Lee and Mertzon relatives and friends prior to their departure for Germany, where Dave will be stationed the next three years. He is a career soldier and recently had been stationed at Ft. Hood. Dave is the son of Mrs. Belle Parker of Robert Lee and his wife the former Eda James, whose parents reside at Mertzon. They have two sons and two daughters. Coke County relatives and friends gathered at the County Park community building Wednesday night for a picnic supper honoring Dave and his family.

They returned to Mertzon yesterday and next week will drive their car to New York from which point they are scheduled to fly to Germany on Nov. 3. Dave and his family will reside at Munich and he will be on duty at a nearby U. S. army base.

Absentee Ballots Ready for Election

Only eight applications for absentee ballots had been made here at noon Wednesday, according to L. (Chilly) Tinkler, county clerk.

Persons who are physically unable to get to the polls or who will be away on the day of the General Election Nov. 4, may vote absentee. They may vote in person at the clerk's office or make application for an absentee ballot to be sent to them by mail.

Friday, Oct. 31, will be deadline for absentee voting.

While this is an off presidential

raine and Hermleigh has an open date.

Trent defeated Roby 30-20 last week, Big Lake downed Eldorado 22-6 and Bronte fell before the Loraine Bulldogs 18-16.

Reports from Bronte indicate the Longhorns are coming along as well as had been expected, and the close score of their game with Loraine does not indicate the comparative strength of the two clubs. Both Bronte touchdowns were the result of long passes. They didn't gain much otherwise.

The Longhorns have had some injuries which are hurting the team. Danny Ray Scott, 230-pound tackle, is out this week with a big abdomen cut received in a car accident. Stover Taylor, another husky tackle, has been out since the Colorado City B game with a foot injury. Alvo Reyes, a half-back, tore a cartilage loose in his knee during the Loraine game, and is sidelined for a week at least.

Texas Natural Fetes Employees And Families

Annual barbecue and party for employees and families of Texas Natural Gasoline Corp. was held at the company's recreation hall at their camp southwest of Silver last Thursday night.

More than 300 persons were in attendance and enjoyed the barbecue supper served by Fred Harris catering service at San Angelo. The event was planned by John Mason, plant superintendent.

Company officials coming for the affair were E. D. Rainey, purchasing agent and safety director, and John Sutherland, chief engineer, both of Tulsa, Okla. Also Clyde Quinn, general superintendent, of Abilene.

Employees were told of the progress which Texas Natural is making, and it was indicated some expansion can be expected at their Perkins Plant at Silver.

The firm's new gasoline plant at Toca, La., near New Orleans, is to be in operation about Dec. 1. R. E. Specht and family left last week for St. Bernard, La., where he will assume his position as chief repairman at the Toca plant. F. G. Fisher will be transferred in the near future. He will be the new plant's chief operator.

Donny Duncan and others furnished music for the supper and dancing was enjoyed later in the evening.

BAND PARENTS TO MEET

Next meeting of the Band Parents Club will be at 7:30 next Tuesday night, Oct. 28, in the Band Hall. The school band is making fine progress under its new director, Robert Lewis Jay, and all parents are urged to lend their support to the Band Parents Club.

election year, the ballot is of great importance to Texans. Little opposition is resulting against the election of the entire Democratic ticket from U. S. Senator and all state officials down through district and county offices.

However, nine constitutional amendments are to be voted upon and people should turn out and express their desires on these matters.

Coke County tax paying voters will also mark a special ballot on the proposition of separating the sheriff and tax assessor-collector office.

Fund Raising Drive Launched For Boy Scouts

Approximately 30 persons attended the kick-off breakfast at the Baptist Church last Tuesday morning at 6:30 a.m., launching the fund raising campaign for Boy Scouts.

Hugh Lewis Jr., chairman of the general committee, instructed the captains and workers in the correct procedure of filling out the cards. He also emphasized to the workers the point of explaining to people the use of the money. Most or at least a good part, of the persons contacted for contribution have the opinion that all money collected goes out of the town. This may be true but the scouts here receive as much benefit from it as any other troop.

It is through this annual drive that all Boy Scout camps are maintained and capable personnel is hired to direct the activities of the camps. These camps are open the year-round for the use of all scouts.

Captains of the drive are Sam Williams, O. B. Jacobs, W. T. Roach and Frank Coalson for Robert Lee and C. E. McArthur for the Edith community. These men appoint their workers.

T. M. Wylie is scoutmaster and has some interesting and instructive programs outlined for the coming year. R. D. Shandley is cubmaster. It was pointed out that Robert Lee now has the largest number of cub scouts in its scouting history.

Work Started On Site for New Post Office

A building permit has been granted Jack H. Rice and Jack Bleakley of San Angelo for the construction of the new post office in Robert Lee. Mr. Rice has been here most of this week attending to preliminary work and contacting workers. He said that he would like to use as many local men as possible in the construction.

The building will be located just across the street on the west side of the courthouse. It will be approximately 28 feet wide and 46 feet deep. A gravel drive will be made on the south side and an all-weather loading dock built at the rear. Materials use will be 12 inch haydite blocks with a front of brick and aluminum framed plate glass windows. The floor will be concrete and there will be a concrete walk in front.

Mr. Rice says he plans to get the building finished before January to avoid working in the extreme cold weather. Opening of the building then will be as soon as the Post Office Department sends in the new boxes and other equipment.

KIRKPATRICKS HAVE GUESTS

Editor and Mrs. A. Kirkpatrick were happy to have as their guests over the weekend his brother, E. V. Kirkpatrick of St. Joseph, Mo., and two sisters, Miss Florence Kirkpatrick of Kansas City, Mo., and Mrs. Joe Gifford of Pawnee City, Neb. E. V. Kirkpatrick, who is a lawyer, was making his first trip to Texas and was highly impressed with Robert Lee and this area. The visitors left Monday for Atlanta, Ga. where they will visit another brother, W. S. Kirkpatrick and wife.

Free Barbecue for Coke Oil Families

Wallace Clift Is Assistant At Oakland Church

Seminarians at the Church Divinity School of the Pacific (Episcopal) are in demand in the San Francisco and East Bay areas as student assistants at many parishes and missions.

Wallace Clift of Robert Lee has just taken a job at St. Paul's in Oakland where he will work for the rest of the year.

This program is conducted by Dr. Robert N. Rodenmayer who is Professor of Pastoral Theology.

Seminarians assist in all phases of church work. They perform the services of a Lay Reader during morning or evening prayer; teach in the Sunday Schools and take charge of youth programs and lead discussion groups.

Dr. Rodenmayer said that the program is one of mutual benefit. The seminarians graduate with parish life experience and the Episcopal parishes in the area are able to expand their programs because of the availability of assistants.

The son of Mr. and Mrs. W. B. Clift of Robert Lee, Wallace is in his second year of study at the Divinity School at Berkeley, Calif.

GREEN MT. MUSICAL

The regular monthly musical at Green Mountain Community Center will be held Saturday night, Oct. 25, starting at 8 o'clock. Sammie Joe Duncan, who serves as master of ceremonies, says talent will be on hand from Robert Lee, San Angelo, Colorado City and Tenyson. Ladies are requested to bring cake and cookies. A big crowd turned out for the musical last month, and another record attendance is expected this week.

Delbert Smith New Preacher In Robert Lee

Delbert Smith is the new preacher at the North Side Church of Christ in Robert Lee, the first resident preacher the congregation has had for some time.

Bro. Smith's home town is Ballinger, but the family moved here from Abilene where he had been employed by West Texas Utilities Co.

Bro. Smith is married and the father of two children, Kenny, 3, and Mitzi, one year old. The family is living in the I. M. Austin rock house in the north part of town.

TRANSFERRED TO RUNNELS

Eddie Roy Braswell, employed the past two years in the ASC office at Robert Lee, has been transferred to the Runnels County office in Ballinger. It is in the nature of a promotion, since Eddie Roy will now be classified as a trainee for office manager. He and his family will reside in their trailer house at Bronte near the home of his parents, Mr. and Mrs. George Braswell.

Everything is set for Robert Lee's second annual Free Barbecue for oil field folks and their families. The big event is scheduled for Saturday night, Oct. 25, at the school cafeteria.

Serving will start at 6 p.m. and run through 7:30. Members of the Board of Community Development and other public spirited citizens will be on hand to serve the 500 or more guests who are expected.

There will be entertainment and a special Oil Progress Week program at the school auditorium starting at 7 p.m. Entertainers who put on the Green Mountain musicals will perform from 7 to 8, with Ronnie Sims helping out with some of his rare piano selections. (He plays both popular and long hair stuff.)

A. C. Akins, Odessa oil man and manager of Wm. Cameron Lumber Co., will speak at 8 p.m. He is in demand as an after dinner speaker and is sure to entertain his audience. A film in color and sound, "Three for Tomorrow," will follow the speaking.

The program is being arranged by J. B. Higginbotham, Sun Oil Co. production superintendent of Silver, who serves as Coke County chairman of the Oil Information Committee.

The supper and program will be free to all persons engaged in oil field work and their families, and they will not be required to have tickets. Others attending will be asked to buy tickets at \$1.25 each for adults and 75c for children of school age. Local people not connected with the oil industry may buy tickets at the school lunch room Saturday night.

J. E. Quisenberry is general chairman of the BCD committee which is sponsoring the free barbecue and program. Henry Childress will be in charge of barbecuing 300 pounds of fine baby beef. Supt. Frank Coalson will supervise cooking the many gallons of red beans and potato salad will be prepared by the lunch room ladies.

Genie Baker is supplying the beef and other articles of food, as well as plates, napkins, etc.

Debbie, 6 year old daughter of Mr. and Mrs. Delbert Shoemaker of Robert Lee, won 1st in the Fire Prevention Week poster contest sponsored by the Volunteer Fire Department and the City of Robert Lee.

Rev. Ray Sparks Resigns Baptist Pastorate Here

Rev. Ray M. Sparks, pastor of the Silver Baptist Church the past eight years and 8 months, has tendered his resignation effective Oct. 31. His last sermon will be Sunday night.

He is retiring with social security benefits and a pension from the Southern Baptist Association for retired ministers.

Rev. and Mrs. Sparks will move to San Angelo. Their son, John, and a daughter, Mrs. Jack Fuller, reside in San Angelo. Another son, Carl, lives at Amarillo and their younger daughter, Mrs. C. C. Puckett resides at Abilene.

Rev. Sparks began preaching in 1912 and most of his pastorates have been in the general area of West Texas from Brownwood to San Angelo.

He plans to do some supply preaching and teach study courses as the opportunities come up, but will not accept a full time pastorate.

Named as a pulpit committee Sunday night to see about inviting a new preacher were Homer Jameson, James Post, Bob Edwards, Violet Brown, Cecil Palmer, Raymond Bloodworth and W. P. Holleyman.

INDIANS VS. HERMLEIGH

Silver Indians travel to Hermleigh this Thursday night for a return Junior High football game. It had been scheduled for last week, but Hermleigh school officials changed the date.

Silver plays at Coahoma Thursday night of next week.

SILVER METHODIST NEWS

Fourteen members of the WSCS met Tuesday of last week at the church for the first of a series of studies of the Book of Isaiah. The study was under the direction of Mrs. Marvin Beardon, who gave an interesting and inspirational review of the first four chapters.

Next study course will be Tuesday, Oct. 28, at 9 a. m. at the church.

Silver News

Mrs. Jack Roberts of Durant, Okla., was a recent guest in the R. D. Arthur home. She is an aunt of Mrs. Arthur.

Mrs. J. D. Mumford returned to her home here Saturday from Clinic-Hospital in San Angelo where she had recently undergone surgery.

Mrs. Ross Cone and children and Mrs. George Conner spent a few days the last of the week in Dallas. Mrs. Cone and her family visited her mother, while Mrs. Conner was a guest in the E. R. Pace home.

John T. Stewart and Bob Coffman, Sun Pipeline Co. assistant gaugers, left early Friday on a two weeks hunting trip in the Colorado mountains.

Curtis Parish, new Sun Pipeline chief clerk, moved his family here the first of the week from Sour Lake. He has a wife and two little sons. Mr. and Mrs. Parish are members of the Baptist Church. The family will occupy the company owned residence in Tubb Camp which was vacated a short time ago by W. L. Ashmore, who was transferred to Liberty.

Johnny Theis hurt his knee in football practice last Thursday. He was given medical attention at

the hospital in Colorado City and returned to school Tuesday. He was a starter at tackle on the Indian football team and may not be able to resume playing this season. Johnny, son of Mr. and Mrs. Fred Theis, is a ninth grader.

Mr. and Mrs. W. W. Koonce made a weekend trip to College Station where they witnessed the A & M-TCU football game and visited their son, Bobby, who is a freshman at Texas A & M College.

D. W. Awalt and family of George West visited here last week with the Lee Weigel family. Mr. Awalt and Lee have been friends since their school days at Alice. Mr. Awalt was on a vacation from his position with Magnolia.

Billy Wayne Roe is now with

The Observer, Robert Lee, Texas

Oct. 24, 1958

the U. S. Forces on Formosa, according to word received here by his wife, the former Delores Jones. He was sent from Fort Bliss with a unit which is teaching the China Nationalists how to use guided missiles.

H. O. Buck has returned to his position as chef at Odom Cafe after an absence of two weeks while he underwent a checkup at a Veterans Hospital.

J. B. Higginbotham and family spent the weekend at Lubbock and visited their daughter, Elaine, who is a freshman student at Texas Tech. They attended the Dad's Day observance and witnessed the football game between Baylor and Texas Tech.

Mr. and Mrs. C. M. Haigood and her mother, Mrs. Mamie Beringer spent a few days last week with relatives at Cheyenne and City, Okla.

Mrs. Bill Archer and children of San Angelo spent Sunday with the former's parents, Mr. and Mrs. R. B. Allen.

Mrs. Frank Mullican spent a few days last week at Lubbock in the home of her son, Frank Jr., and family. Franklin III returned with her for a few days visit with grandparents at Silver.

Mrs. Mamie Beringer left Monday for a visit with relatives Independence, Mo. She has been visiting her son-in-law and daughter, Mr. and Mrs. C. M. Haigood.

Here's what makes the 59 FORDS

The new Ford Sunliner and sister ship, the 4-passenger Ford Thunderbird.

THE WORLD'S MOST

Ford's new Fairlane 500 Club Victoria.

BEAUTIFULLY

Ford's new 9-passenger Country Sedan

PROPORTIONED CARS

To say the 59 Ford is "new" . . . is an understatement. For the 59 Ford is much more: it's a brilliant kind of newness.

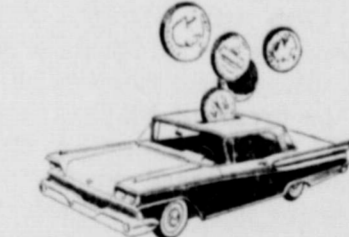

It's a newness of beautiful proportions . . . not a bulky, "padded shoulder" look, but a classic rightness of space, size and line. It's a departure from the humdrum in cars to the exciting elegance of the

Thunderbird. And there you have it: the 59 Ford is a perfect blending of Thunderbird elegance with the world's most beautiful proportions!

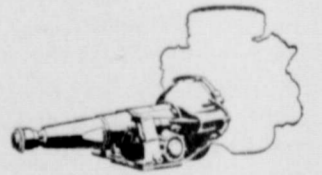

There's a happy ending, too. The 59 Ford is a masterpiece of underpricing! Why not come in and Action Test one of these beautiful new Fords today?

NEW! 59 Ford awarded Gold Medal for beautiful proportions by the Comité Français de l'Élégance at Brussels World's Fair. You'll admire the crisp styling of the new Thinline roof, the fresh, straight-through look of the big picture windows that surround you.

NEW! Save up to 5 cents on every gallon of gasoline! Every standard Ford engine—Six or Thunderbird V-8—thrives on regular gas at regular prices. And with Ford's super-efficient, Full-Flow oil filter you change oil only at 4000 miles instead of the 1000 often recommended.

NEW! A simplified, low-cost Automatic Drive! Team this all-new Fordomatic with Ford's Mileage Maker Six or Thunderbird V-8 and enjoy automatic driving at a price within everyone's car budget! With nearly a third fewer parts, upkeep costs are lower, too!

Get that NEW FORD FEELING in the cars with Thunderbird elegance

Notice Of Election

(For Assessor-Collector Of Taxes)

Whereas Article VIII, Section 16a of the Constitution of the State of Texas, adopted by the people in the general election of November 2, 1954, provides that the Commissioners' Court may submit to the qualified property taxpaying voters of the county at an election the question of adding an assessor and collector of taxes to the list of authorized county officials; and

Whereas this court has been petitioned to call said election;

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF COKE COUNTY, TEXAS:

That an election be held in said county on the 4th day of November, 1958, which date is sufficient to give notice of this election in the manner as hereinafter provided, and at said election there shall be submitted to the qualified property taxpaying voters of said county the question of adding an assessor-collector of taxes to the list of authorized county officials of said County.

A/2C WADE ANDERSON

Wade Anderson Leaves For AF Duty In Japan

A/2C Wade Anderson is leaving this week for the west coast after a 30-day visit with home folks. He will report Oct. 28 at Travis AFB in California from which point he will be flown to Yokota AFB, 35 miles from Tokyo, Japan. He enlisted in the Air Force last spring and after four weeks at Oakland was transferred to Sheppard AFB at Wichita Falls. He was trained in a mechanics school for preventive maintenance. Wade is the 19 year old son of Mr. and Mrs. Hal Anderson of Silver and a grandson of Mrs. Jennie Bilbo of Robert Lee. He graduated from Robert Lee high school in 1957.

More Hospital Treatment For David Furr, 5

David Carlton Furr, 5-year-old son of Mr. and Mrs. James C. Furr of Silver, was admitted on Wednesday, October 8, to the Scottist Rite Hospital for Crippled Children in Dallas.

Texas Scottish Rite Masons founded the hospital thirty-four years ago in an effort to provide a chance at a normal life for the handicapped child. The hospital, which has accepted more than 100,000 children for treatment since 1925, is supported by public contributions and bequests.

An exceptional staff, plus unique physical facilities and dedication to the welfare of the child, make the Scottist Rite Hospital an outstanding treatment center which serves the entire state.

The child underwent surgery there last week and is reported to be doing nicely according to his parents, who visited their son over the weekend. They will return to Dallas next Wednesday and bring him home for a few weeks.

David has been a victim of polio crippling since he was only a few months old. He has had previous treatment at the Scottish Rite Childrens Hospital, and has made much improvement, being able to walk with the aid of braces and crutches.

David's father is employed at Sun's Jameson natural gasoline plant.

GOSPEL MEETING

Good turnouts are reported at the Church of Christ gospel meetings which will be concluded Friday night. The evangelist is J. Sterling Turner of Prague, Okla. He was accompanied here by his wife and they are house guests of Mr. and Mrs. C. E. Mathers during their stay.

Distinction and Beauty in

COMPLETELY RESTYLED CHEVY

Chevrolet again offers the popular Bel Air series in 1959. This model maintains its reputation for stylish interiors and appointments, with increased passenger room and additional visibility in new compound-curved windshields and larger rear windows. New grille and lowered

headlamps accent the front end. Both two-door and four-door sedans incorporate the venture-some new design features, plus improved brakes, suspension system and handling advancements. All 1959 Chevrolets feature a new acrylic lacquer finish said to retain brightness for years.

TO INDIANA BASE

Larry Jack Rabb, who recently completed basic army training at Ft. Carson, Colo., spent ten days with home folks. He left Tuesday for Ft. Benjamin Harrison at Indianapolis, Ind., where he will be enrolled in an army finance school. Larry Jack is only 18 years old and attended John Tarleton College last year after graduating from Robert Lee high school. He enlisted in the army at Abilene

July 30. He is the son of Mrs. O. K. Rabb and a brother of Mrs. Hershall Hall.

Mrs. R. S. Crum returned to her home here recently following an absence of several weeks. She visited her son-in-law and daughter, Mr. and Mrs. H. H. Davis at Austin, and accompanied them on a motor trip to Washington, D. C., where their son resides.

Weldon Fikes returned Wednesday from Corpus Christi where he spent three days attending the annual convention of the County Auditors Association of Texas.

Mrs. J. B. Talley Jr. of Silver underwent an appendectomy Saturday at Coke County Memorial Hospital. She is making a good recovery. Her husband is a column operator at Texas Natural Gasoline plant southwest of Silver, where the family resides.

Local News

Floyd Higgins was moved Saturday from Denver City to a Midland hospital, and seems to be resting comfortably. He was seriously injured the previous week in an oil field truck accident. Mr. and Mrs. E. O. Higgins visited their son and his family at Midland on Sunday. They report the little daughter of Mr. and Mrs. Floyd Higgins is also making a good recovery from a leg fracture and the limb has been removed from traction.

Mrs. C. D. Gleghorn of Conroe and Mr. and Mrs. George White of Tomball visited over the weekend with the former's daughter, Mrs. Roland Willis and family. Mrs. Willis is a niece of Mr. and Mrs. White. Eleska Kay and Nancy Lynn Willis went home with them and will spend a week with their grandparents at Conroe.

Mr. and Mrs. N. C. Montgomery of Brownwood came for a weekend visit with kinfolks here and attended the Hermleigh-Robert Lee Steer football game Friday night. They were accompanied home by Mrs. Montgomery's father, George Powers, who will spend a week with the Montgomerys and with another daughter, Mrs. Rock Blanton and family in Brownwood.

Mr. and Mrs. T. A. Richardson visited a few days last week at Alpine with their son-in-law and daughter, Bro. and Mrs. Owen Cosgrove, and family. The Richardsons departed Tuesday for a visit with her mother, Mrs. W. R. Harris, at Tyler. Mr. Richardson is taking a vacation from his position as vice-president of Robert Lee State Bank.

SECOND WMU LESSON

The WMU of the Baptist Church met Monday afternoon at 2:30 in the old parsonage. Mrs. B. A. Austin presented the second chapter of the new mission study of southeast Asia which concerned the Philippines. Fifteen ladies were present.

COLORADO HUNTING TRIP

Cumbie Ivey Jr. and J. P. Jamison returned Saturday from a week's hunting trip to Pagosa Springs, Colo. The weather turned hot and their three days of hunting were not too successful. They could have bagged some deer the first day, but were looking for elk and maybe a bear. Temperatures in the mountains where they hunted last week went up to 86 degrees. In their party were five men from Wichita, Kan., and one from Dallas.

SPRINGERS COME HOME

Mrs. Roy Wyatt has received word that her brother-in-law and sister, T/Sgt. and Mrs. H. Springer and children will be back in the States before Christmas after a residence of three years in France. They are expecting to leave between Dec. 8 and 13 and will visit in Robert Lee and Wichita, Kans. Mrs. Springer is the former Dora Richardson of Robert Lee.

TAKES ELDORADO POSITION

Maurice Yarbrough has accepted a position as shop foreman at Humphrey Motors, Ford dealers in Eldorado, and will assume his new work next Monday. He will move his family to Eldorado as soon as living quarters are located. Maurice, son of Mr. and Mrs. Boyd Yarbrough, got his start in the business with Cumbie Ivey in 1944. He has been employed here steadily since 1950 and has been foreman of the mechanical department.

SORRY WE MISSED SOME

In naming the oil employees in last week's Observer, some were overlooked. They included Frank Mullican, pumper for Sinclair at Silver. Also, L. H. Blankenship, a pumper for Ambassador, and M. L. Stevens, district foreman for Ambassador. Both Mr. Stevens and Mr. Blankenship reside in Robert Lee.

TAX PAYERS NOTICE

State and County Taxes for the year 1958 are now due. Statements of all property on the Rendered Roll were mailed the first of October.

HUMBLE OPERATIONS — W. TEXAS

West Texas was Humble Oil and Refining Company's most active area during the past year as far as drilling was concerned. The company drilled 172 oil wells, 7 gas wells, and 25 dry holes. Eleven drilling rigs are currently working in West Texas.

There was also one new oil field discovery by a wildcat well in West Texas by Humble. This was in Garza County, Texas. Field wildcat wells also accounted for two discoveries in Howard County, both in the Howard Glasscock field and one each from the Seven Rivers and the San Andres.

Humble first started drilling and production in West Texas in the McCamey field in 1925. In that same year Humble Pipe Line Company completed the first major pipe line into the area. The line connected the Big Lake Field with Humble's main North Texas-to-Webster line at Comyn.

The daily average production of oil and condensate in July in the area was about 39,886 barrels. The company has 2001 producing wells in this region and there are 637 production department employees in the area.

The exploration department has 265 employees working out of the division office at Midland. Four seismograph crews are operating in the area with two in Pecos County and one each in Sterling and Borden Counties. One gravity meter crew is working in Reeves County.

Humble Pipe Line Company operations in West Texas have expanded in the past 32 years. It now has 2,185 miles of lines in West Texas and 303 employees. Altogether, Humble Pipe Line Company has 3,640 miles of gathering line and 5,790 miles of trunk line.

Humble's Western Marketing Division has grown considerably during the last year with the addition of 12 new service stations and two new bulk stations at Pecos and Fort Stockton. In addition, the new Abilene terminal serves the entire division in tires, accessories and battery supplies, as well as serving as a district office and bulk station.

Overall, Humble now has 48 service stations and 39 bulk stations in West Texas with a total of 142 employees. Since 1951, Humble has been Texas' No. 1 gasoline marketer.

Robert Lee Wins District Contest from Rugged Hermleigh Cardinals

light, but vigorous team of Robert Lee Steers took a giant stride toward the District 6-B championship here Friday night turning back the favored Hermleigh Cardinals 20-6.

The Steers, after trailing 6-0 in a dismal first half, came to life in the second half to score three touchdowns and two extra points on the fine running of halfback Freddie McDonald and Ron Sims and the capable passing quarterback Jerry Tinkler.

The fleet McDonald scored two touchdowns and accounted for two extra points via the extra point route. Tinklers combined for the Steer score as Jerry passed brother Paul.

Robert Lee's second half comeback could be credited to several factors — an alert defense, crisp offensive blocking, timely passing by Tinkler, and hard, driving runs by fullback Sims and McDonald.

Hermleigh, on the other hand, had all its playing in the first half. The Cardinals, a huge football aggregation that outweighed the Steers approximately 20 pounds per man, threw a fearsome four-man backfield at Robert Lee. Quarterback Orville Paty, halfbacks Donald McHaney and Jim Roemisch, and fullback Carlee Burleson.

Burleson was the outstanding player in the game, both on offense and defense. He scored the lone touchdown for the Cardinals in the first half and was a thorn in the high-geared Steer defense all night.

Burleson's touchdown came midway in the second quarter. He set up his eight-yard scoring run by breaking through the Robert Lee defense on a beautiful 46-yard scamper that carried to the Steer eight. Paty's passing attempt on the extra points attempt was no good.

Hermleigh ruined two more of their scoring chances in the first half by using their elbows illegally. The Cardinals were warned repeatedly by the referees for their roughness, and the resulting penalties demolished two fine drives.

Robert Lee returned the second half kick-off to their own 42-yard line, and from that point marched 58 yards for their first score. Slashing runs by Sims and McDonald, plus a vital roughing penalty against Hermleigh, combined to move the ball to the Cardinal one. From there McDonald drove through for the score. Tinkler's pass for the extra points try was knocked down.

Early in the fourth quarter the

Tinkler boys went to work. Jerry Tinkler intercepted a Cardinal pass on the Hermleigh 40-yard line and returned it to the 17. After two running plays moved the ball to the 12, Jerry hit brother Paul Tinkler in the end zone with a pass and the Steers were out in front 12-6. McDonald ran for two extra points to up the score to 14-6.

On the ensuing kick-off McHaney was jarred loose from the ball, and Robert Lee recovered the fumble on the Hermleigh 44.

After short running gains by McDonald and Sims that carried to the Cardinal 21, Tinkler connected with brother Paul again on a sensational pass and catch act that put Robert Lee in business on the Hermleigh four. Sims carried to the one, and then McDonald plunged for the touchdown. Sims' running attempt for the extra points failed.

Robert Lee, with wins over rugged Eldorado and Hermleigh in district play, now appears to be in the driver's seat in the quest for the 6-B championship.

MOVES TO SAN ANGELO

Burt Smalley has moved to San Angelo and is residing in a modern home which he purchased at 117 W. 21st street. Mr. Smalley sold his ranch northwest of Robert Lee to Cumbie Ivey last spring, but did not vacate the ranch house until this month.

Cumbie Ivey, Sr. of Robert Lee has begun work on his Great Plains Conservation Program. He is now constructing a net wire cross fence as a means of protecting vegetative cover, provide better distribution of livestock grazing and grassland management. His plan includes pitting and seeding, net wire, diversions, seeding old fields to native grass, pipeline, concrete storage tank and trough.

William C. Hixson of Christoval has made application for the Great Plains Conservation Program on his place in Coke County.

Clarence Arrott, who lives south of Bronte, has a good stand of Blue Panic and weeping love grass on a 20 acre field where mesquite was pushed. Native grasses are making a good comeback where the soil was disturbed when pushing mesquite.

Net wire diversions have been

laid out for construction on the Olin Blanks ranch.

Barrett Mackey has completed a 7,164 cubic yard livestock pond on his farm north of Bronte. He has 1428 feet of diversions diverting water into the pond.

9 AMENDMENTS TO BE VOTED ON IN GENERAL ELECTION NOV. 4TH

Following is a brief digest of the nine Constitutional Amendments to be voted on at the General Election Nov. 4:

NUMBER ONE ON THE BALLOT (HJR 1)—Provides for annual sessions of the legislature, changing the compensation, per diem and travel expenses of members of the legislature and authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol Building.

NUMBER TWO ON THE BALLOT (SJR 6)—Authorizes each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct.

NUMBER THREE ON THE BALLOT (HJR 30)—Provides that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election.

NUMBER FOUR ON THE BALLOT (HJR 31)—Provides that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected.

NUMBER FIVE ON THE BALLOT (HJR 48)—Provides that a Home Rule City may provide by Charter Provision, and a City operating under the general laws may provide by majority vote, for a longer term of office than two (2) years for its officers, either elective or appointive, or both not to exceed four years.

NUMBER SIX ON THE BALLOT (HJR 17)—Provides for pension to

retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows.

NUMBER SEVEN ON THE BALLOT (SJR 4)—Authorizes the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas.

NUMBER EIGHT ON THE BALLOT (HJR 36)—Gives the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance.

NUMBER NINE ON THE BALLOT (SJR 3)—Authorizes the legislature to create a hospital District coextensive with the incorporated limits to the City of Amarillo, Texas and a county wide hospital District in Wichita County, Tex. and Hospital District in Jefferson County, Texas.

ROBERT LEE.

Public Benefits From Percentage Depletion Outlined

By ERNEST O. THOMPSON,
Railroad Commission of Texas

In 1926 the Congress of the United States, after careful study, passed the percentage depletion law as applied to oil and gas production for three specific reasons:

1. To assure continuing abundant petroleum supplies for our expanding economy;
2. To establish equitable taxation for a non-recurring irreplaceable natural resource;
3. To provide adequate oil reserves for national defense.

This wise provision by the Congress has accomplished all these objectives up to date.

Prior to 1918 great difficulty had been encountered in evaluating new discoveries. This new method solved the uncertainty.

If proof be needed, listen to these simple facts: In 1926 when the percentage depletion recognition was placed on the law books of our nation we had in the United States a total discovered oil reserve of 8 billion barrels in known oil reservoirs. Since 1926 the United States has produced 48 billion barrels of petroleum and we have 30 billion barrels of oil reserves in known oil fields ready for any call for war or peace.

World War II tested these reserves. All calls for oil were promptly met on time. Sixty per cent of the overseas tonnage for World War II was petroleum and its products.

We have the ample reserve producing ability today to meet any emergency.

The 27½% depletion recognition has done its intended job. It should not be tampered with at all.

There must be incentive to en-

The Observer, Robert Lee, Texas

Oct. 24, 1959

courage an enterprise where 8 out of 9 exploratory well are dry holes. The average wildcat oil well today costs around \$140,000.00, with many costing up to \$500,000.00, and some over a million dollars, and then turn out to be dry holes.

The average daily production of oil wells in the State of Texas is 14 barrels per day.

The United States consumes 8 million barrels of oil per day. It takes a lot of drilling to find this much oil. Think of it, if you should hit a million barrel pool it would supply the United States only three hours. A hundred million barrel oil discovery would supply the United States only 12 days. Of course, it takes years to produce the oil from any oil field. So many discoveries must be made to constantly build up our reserves against ever growing needs for oil.

The 27½% depletion is simply the recognition that every time you take a barrel of oil out of a field or a cubic foot of gas out of the reservoir, you are depleting your capital by just that much. No more oil or gas is being made in the reservoir. The amount in each field is limited and it is measurable.

New fields must be discovered to replace the oil and gas that is produced and consumed.

We can not depend on foreign oil for defense. Come war it would be denied to us for home defense. Oil is an essential war material. We must have plenty for security.

The depletion tax recognition our best assurance for defense.

PERSONAL

W. R. Mathews was over Abilene Tuesday on a business mission. He owns the building occupied by the leather shop.

Mrs. O. B. Jacobs is reported to be convalescing nicely following major surgery in Coke County Memorial Hospital.

E. C. (Doodad) Davis is recovering slowly from a recent leg injury. He was dismissed from hospital Sunday and is able to spend part time at Frogg's in his place of business.

Mary Beth Bradshaw continues to improve from injuries suffered two weeks ago when her right leg was fractured and lacerated in a pickup truck backed over her. She is being treated in Coke County Memorial Hospital.

Mrs. Nell Pruitt returned Sunday to her home in Paris, Texas after a week's visit here with her daughter, Mrs. Cumbie Ivey and family.

Frank Dickey Sr. and son, Jimmy returned Sunday from a business trip to Mexico City. The former wife, who is visiting friends there, remained for a longer stay.

Mr. and Mrs. Cecil Cates and son, Dudley, of Midland visited over the weekend in the home of Mrs. Cates' parents, Mr. and Mrs. Dick Skipworth.

This 1959 Ford Country Sedan is one of six models in the Ford station wagon series. Ford station wagons are available in two- and four-door models, accommodating six or nine passengers. The new, longer Ford station wagons have a cargo space that is eight inches longer and 11 cubic feet greater than in 1958. The second seat has a locking device that prevents the seat from folding forward in a sudden stop, and the foam rubber cushions from the third seat can be removed and used as ground cushions.

JERRY HURLEY TO SEA
Jerry Hurley and his wife visited his parents, Mr. and Mrs. Carl Hurley, the past two weeks and also spent a few days with his sister, Mrs. J. M. Rymer, and family in San Antonio. Jerry recently completed a radarman school at Treasure Island, San Francisco, and has been assigned to the USS Brigette, a new steam turbine destroyer escort. He departed Friday to continue his navy career and his wife has gone to Harlingen to stay with her parents. Jerry enlisted in the navy early this year.

BUILDING NEW HOME

Clayton Bloodworth has started construction of a new modern home on a tract south of Silver purchased from his father, H. L. Bloodworth. Material is being furnished by Brown Lumber & Supply and Wayman Robertson is in charge of the work. Clayton is employed by Sun Oil Co. at its Jameson plant at Silver. His wife is the former Pansy Post.

CARD OF THANKS

We wish to thank our friends and neighbors and members of the Baptist YWA for their many acts of kindness, their gifts to our daughter, Mary Beth, and their visits. We are happy to report that she is doing nicely at the hospital.—Mr. and Mrs. C. R. Bradshaw and Family.

O. B. JACOBS, SEC'Y

Kathi, 4 year old daughter of Mr. and Mrs. Hays Prince, submitted to a tonsilectomy at a San Angelo hospital. She is making a good recovery and returned Saturday to her home in Robert Lee.

W. F. Fikes returned Monday night from a three weeks trip to California where he visited his daughter, Lorene Stratford, at San Francisco. While there he visited a number of places of interest in the Bay area. Mr. Fikes made the trip on the Santa Fe.

PERSONALS

Mr. and Mrs. Pritchard Brown and daughter, Frances Ann, were recent guests in the parental homes of Mr. and Mrs. John Brown in Robert Lee and Mr. and Mrs. R. S. Walton in Bronte. Pritch is enjoying a vacation from his position with Sun's gasoline plant at Delmita. They attended the state fair in Dallas before coming to Coke County.

Guests the past week in the Travis McNair home included Mrs. McNair's mother and uncle, Mrs. F. L. Gunn and Buck Rickertson, both of Marble Falls. The fore part of this week Rev. McNair took the guests to Roswell, New Mex., where they visited a sister.

Irven Escue and family of Spearman spent the weekend with Robert Lee relatives and friends. In returning home Tuesday they stopped to visit the Floyd Higgins family at Midland.

GREAT PLAINS CONSERVATION PROGRAM

Since the activation of the Great Plains Conservation Program in Coke County, much interest has been shown by the land owners and operators in the Coke Soil Conservation District. Twenty-one applications for assistance have been received to date, for a total of 55,356 acres. The following individuals have made application for assistance during the year: Clark Glenn, D. K. Glenn, Howard Brock and Otis Smith, all of Bronte; C. N. Webb and C. E. Arrott, Tennyson; D. A. Dumas, M. J. Krall, Cumbie Ivey, Willis Smith, Weldon Fikes, G. C. Allen, Robert Lee; O. T. Colvin, Blackwell; Dwight Jones, Blanks Estate; C. N. Webb, Jr., San Angelo; Bill Cole, Foster Price and Bernard Petty of Sterling City.

Great Plains Plans have been developed on places owned by D. K. Glenn, Otis Smith, O. T. Colvin, Cumbie Ivey and D. A. Dumas. Work plans have been started on Weldon Fikes and Foster Price. A total of \$16,000 federal cost share has been set up for the five plans developed thus far. Cost share is set up for assistance in carrying out needed conservation measures on farms and ranches, where owners and operators agree to carry out a complete conservation plan on their entire place. Further information concerning the Great Plains Conservation Program can be obtained by contacting your local Soil Conservation Service office assisting the Coke Soil Conservation District. Offices are located in the court house, Robert Lee.

BIG TAX COLLECTIONS

Money is pouring into the office of Paul Good, sheriff and tax assessor-collector. Most of the big taxpayers take care of their county and state taxes during October in order to get the 3% discount. The discount drops to 2% for payments made in November and only 1% in December. Mr. Good advises the public that Oct. 31 is the deadline to take advantage of the big discount. Poll taxes for the coming year may also be paid at this time.

WANTS TO KEEP UP

Mrs. Jane Goldsmith of 1900 Thornhill Drive, Akron, Ohio, writes: "Looks like another year has come and gone, so here's my wish for the next one. Have to have the Observer so I can keep up with the people and the weather in Coke County." Mrs. Goldsmith is a daughter of Mr. and Mrs. Roy Taylor.

Bob Godwin and his brother, John P. Godwin of McCamey, are in El Paso this week where they are taking Scottish Rite work to become 32nd degree Masons. Bob is having a week's vacation from his position as a Sun pumper in the Millican field.

ATTENTION COACH!

With twenty boys in the first grade, what a team Robert Lee should have ten years from now! They should not only win district, but also regional.

Elementary has received two new maps. These are not ordinary maps, they are maps of the United States and one of the world which are raised showing the mountains, rivers, etc. When water is poured on these maps, it runs down the rivers. In this way it is easier for the students to become better acquainted with geography.

The first grade has had an exciting week, although nothing extraordinary has occurred in the classroom. They seem to enjoy school more than anyone and Mrs. Naomi Powell, too, enjoys being with them and watching them learn and progress day by day.

Several students from the first grade have moved. They are: Carl Mize, Billie Harmon and Steve Jechow.

Beth Bradshaw, a student in the first grade, was accidentally hit by a car Friday, October 10. Beth will be out of school for some time; the children miss Beth and are certainly looking forward to having her join them again.

The second grade also has new class members. Even though they are not new students, the children have had a great deal of enjoyment with them. They are: a bowl full of snails and a caterpillar.

The second grade is very proud of their new library books which recently arrived. There was a round fifteen or twenty new ones.

Students from the second grade that have moved are Randy Stand-erfer and Wayne Mize.

The third grade students have started making Halloween decorations. Mrs. Eunice Olson has reported that they seem very enthused and excited about doing this.

Ann Moore brought her turtle for the class to study in science. They watched him the entire day with growing interest and curiosity.

The third grade has bought two puzzles, a calendar game, and a time-telling game. The students are very enthused about them.

The fourth grade students, too, have brought insects to study in science. They brought ants in jars full of dirt and they plan to watch them start digging their tunnels.

The captains this week on the point system are Bob Lomas and Carolyn Manire.

The mothers of the fourth grade students met October 15 to make plans for the Halloween party.

The fifth grade has received their musical workbooks and are enthusiastic about starting to work in them. They have reported, though, that they aren't happy about last week — six weeks tests.

The reporter this week was Jerry Burson.

The sixth grade was very excited about their past three football games they played on Thursday nights. They were so happy and anxious about playing that that was their main topic to discuss.

The first six weeks tests will show up the work for the first period of school. All the sixth grade pupils have been studying hard to make good grades.

FFA MEETING

(BUTCH SERVICE)

The Robert Lee FFA Chapter held a regular meeting Monday night, October 13, 1958. Entertainment was furnished by the third-year boys. They pantomimed all of the popular rock and roll stars. Everyone enjoyed the show and believes that there is great talent in our FFA Chapter.

Last Saturday the Chapter went on an all-day field trip. They weighed each boy's animals and entered them in the weight-of-gain contest. In that contest, the Chapter is to give ribbons instead of money. The boys felt that more of them would get ribbons and that there would be a better chance for everyone to win a prize.

They decided in the magazine sale that the low team had to put on a 30 minute show to the school. The low man of the whole FFA Chapter is to paint chalk footprints along the main street in Robert Lee.

Student Council Forum Held In San Angelo

(VICKI WOJTEK)

Five student council members and their sponsor attended the West Texas Forum for student councils in San Angelo, Saturday, October 11. Those attending that meeting were: Jamie Schooler, Jo Ann Hood, Jerry Dale Sparks, Jane Austin, Vicki Wojtek, and sponsor, M. E. Petross.

Mr. Petross provided the transportation to the meeting which was held at the modern new Central High School. Upon arrival, the students registered at the Sarah Bernhardt Theatre where the opening assembly was held. Melvin Munn, popular speaker, gave the address.

Refreshments were served before the morning group discussions were held. After the discussion, lunch was served in the cafeteria which is located in the Mark Twain Hall. After lunch, the afternoon group discussions were held. These discussions were led by students from the schools attending the Forum.

The Forum's business meeting was held in the Sarah Bernhardt Theatre. It was decided that the spring meeting of the Forum will be held in Kermit.

About 50 persons from all over West Texas attended the meeting. Everyone carried home with them many new ideas on making their student governments more effective.

Students Interviewed on School Spirit

Question: What could we do at RLHS to promote more school spirit?

Lavina McDaniel — "I think if the kids played more of the sports and tried harder in them we would have better school spirit."

Gayle Lewis: "Teamwork and a cheerful attitude bring out a good school spirit."

Glenda Blair: "We could have

bon fires and pep rallies at night for the football squad."

Mack Tubb: "We could have more celebrating of a victory when we win a football game. The kids could get behind the team more."

Betty Hood — "If the kids would take more interest in general school activities not only sports."

Student Council President Interviewed

(JERRY TINKLER)

Jamie Schooler, president of the Robert Lee High School student council, is the boy chosen for the student interview this week. He is 6'2" tall and has brown hair and green eyes. Jamie's favorite pastime is watching television; and he enjoys bookkeeping more than any other class. His favorite sport is football, and his favorite color is blue. Jamie says his favorite food is chicken-fried steak.

Jamie participates in many activities, especially FFA, and has held numerous school offices. In FFA, he was Greenhand president, chapter vice-president, chapter president, and district president. Other school offices he has held are: junior class president, senior class president, student council representative his junior year, and this year he is president of the student council. He is also the senior class business manager. In the past three years in FFA, Jamie has been on one quiz team,

three chapter conducting team, two radio teams, one grass judging team and one land judging team. He has also won public speaking and agriculture awards in FFA.

Jamie has been going to school at Robert Lee for the past three years. After graduation, he plans to attend college at SAC in San Angelo.

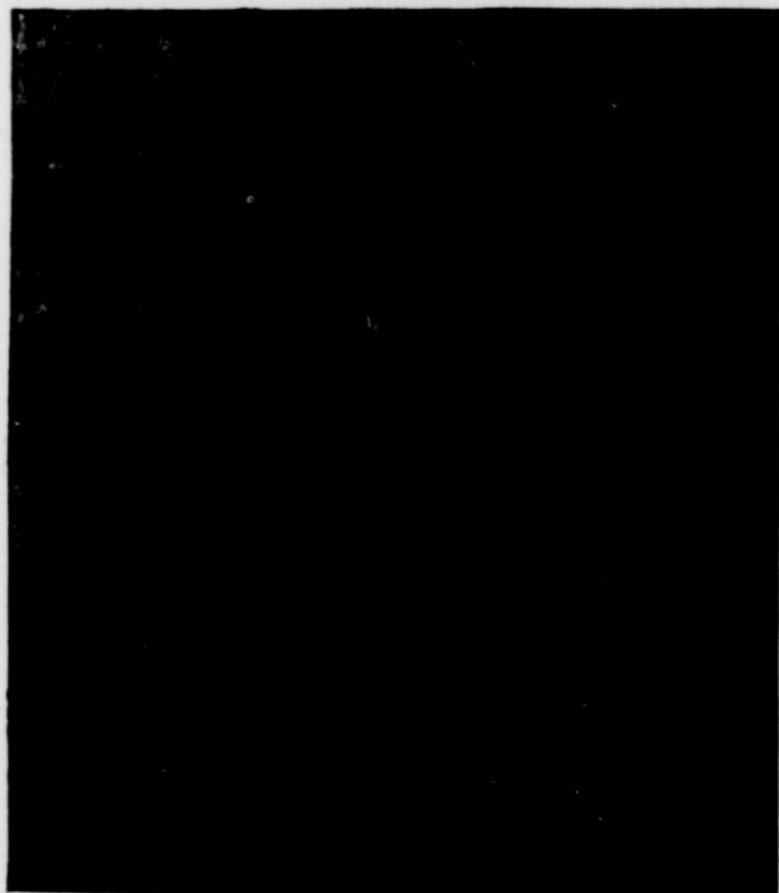

Seniors Sell Christmas Cards

(CONNER & MILLICAN)

The Seniors of Robert Lee High School are now selling Christmas and all-occasion greeting cards. The price of these cards range from one dollar on up.

They are also selling stateliner gift wrapping and gift items.

Be sure and buy your cards from the Seniors today or you may be left without any Christmas cards at Christmastime.

You watch your bright-haired boy turn in a twinkling from rowdy horseplay to tender cherishing of an injured bird.

How humbly proud you are of such evidence that your son is growing—in all directions!

And how you want for him a world where there are no barriers to his development as a free and independent American.

There are many ways you can help assure this sort of world for him. One very important way is to be on the watch for ideas that could deprive him of his right to freedom and independence.

The idea, for instance, that "government should run such and such a business, a service, an institution." Even though it has been shown that the more things government runs, the less freedom there is for the individual.

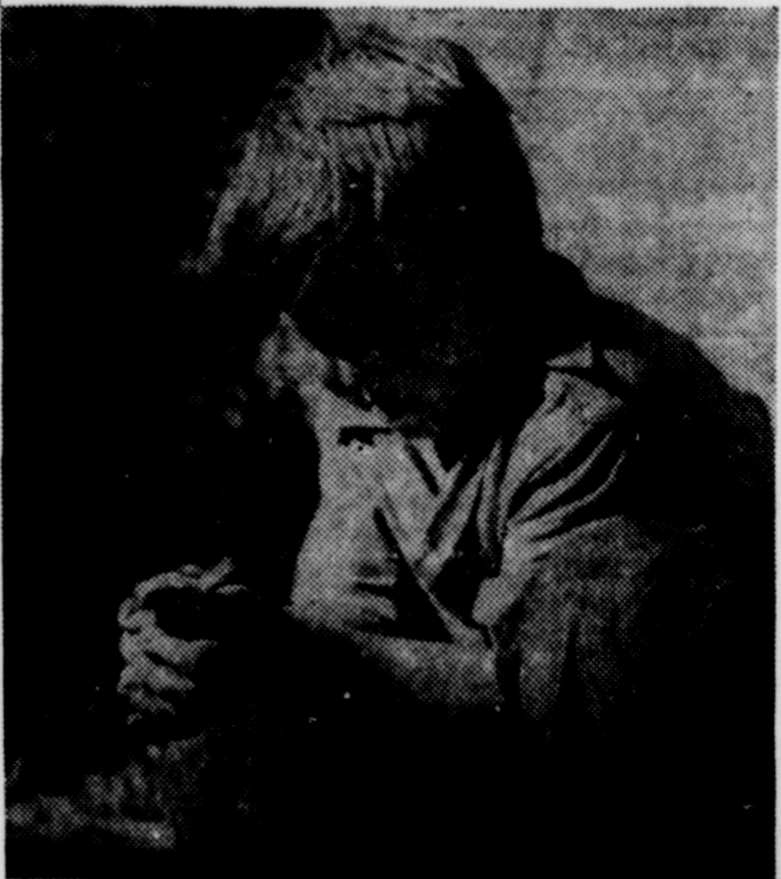

When you hear people talking like that, point out that when you take independence away from anybody, you undermine the freedom of everybody.

Very much aware of this threat are the independent electric companies, because government already runs part of the electric business. And powerful people are pressing government to take over more.

D. MANIRE COACHES STEERS

(BETTY HOOD)

Mr. C. D. Manire is the football coach at RLHS. He is a very efficient and likeable fellow, with a southern accent, whom the boys love and appreciate. Coach has been here for three years and during two of these years the Steers have won district in football. Besides coaching, Mr. Manire teaches 7th grade health and supervises the boys' training.

He was born in Alvord, Texas, attended grammar school and high school in Decatur, Texas, where he graduated in 1940.

He attended the Decatur Baptist College for two years before joining the Air Force in 1942. Coach spent thirty-seven months overseas.

After coming home from overseas, he attended and graduated from North Texas State College in Denton, Texas. After graduation his coaching career started. He coached two years at Decatur College as line coach and then went to Bayboro, North Carolina, where he coached and taught at Hamlico High School for four years. After leaving Bayboro, he came to Robert Lee where he has coached and taught for three years.

Mr. and Mrs. Manire have four children: Marshall, Nancy, Carolyn and Mona.

Some of the many honors that Coach has won are: All-State in football, light-weight and middle-weight championships in high school boxing. He received thirteen campaign stars and two citations and was on the Barksdale Air Base boxing team, while in the service. He won the light-heavy Division of the 90th Bomb Group.

We, as students, appreciate the interest and the understanding that we get from Coach. Sportsmanship is very important to him and he has taught it to the boys. The athletic program has brought the public back to the schoolhouse, where they can get a good view of the entire school program.

"IDIOT'S DELIGHT"

(JERRY DEAN)

A man with his leg in a big plaster cast, was told that his knee-cap was getting well fast.

He jumped up, but fell on his healing patella.

And fractured his arm, the poor unlucky fella.

So then he was in bed with two broken places.

He hollered and groaned and made terrible faces.

The pain was so bad he was shaking his head.

But shook it so hard that he fell off the bed.

He then was laid up with all four limbs in traction.

They hurt every time he would move just a fraction.

Then he was cautious, and got lots of rest.

But the floor lamp fell over, and caved in his chest.

Just about then he did hear someone screaming.

He opened his eyes and did find he'd been dreaming.

He jumped in his joy, and yelled in loud tones,

Then tripped on a footstool and broke fourteen bones.

SENIORS HAVE CONCESSION

(KENNEY SAWYER)

The senior class has the concession stand at the football games again this year and would appreciate your business. The seniors sell cold drinks, coffee, chewing gum and balloons.

Again we ask for your co-operation in helping the seniors. The profit will help sponsor a senior trip for the class at the end of the school year.

The seniors are also in charge of the concessions at the junior high games.

SCHOOL SPIRIT RISES

(FRANCES WYLIE)

The RLHS school spirit has been below what it should be. After the threat of having football pep rallies suspended, the spirit has started on a rise.

When school spirit is mentioned nearly half the people think of sports, mainly football. But school spirit also refers to other school activities — Interscholastic League meets, class plays, band activities, and supporting classes in their various activities.

To have school spirit, a person must be interested in all events of the school and show that interest through working to support them.

FHA BUSINESS MEETING

(VICKI WOJTEK)

The FHA had its monthly business meeting Monday, October 13. Fifteen girls were present.

Jo Ann Hood, the president, appointed a membership committee composed of Brenda Cowley, Barbara Summers, and Judy Daniel. A committee made up of Kenney Sawyer, Sandra Baker, Betty Hood, Vicki Wojtek and Ellen Counts was appointed to meet with an FFA committee to discuss plans for the point FFA-FHA initiation.

The FHA girls are each going to take an order for a cake or pie and deliver it during this month. Contact any FHA member if you want them to bake one for you. The proceeds from the cakes and pies will go to the fund for summer FHA camp.

GOOD, Today,
BETTER Tomorrow—
ROBERT LEE.

Steers Slam Hermleigh

(FREDDY McDONALD)

The Robert Lee Steers made buzzards out of the Hermleigh Cardinals Friday night by a score of 20 to 6.

Robert Lee was outplayed in the first half, but came back with a strong second half. Hermleigh ran only three plays the last half and two of those lost yardage.

Robert Lee made two of their touchdowns on line plunges and the third 6-pointer came on a pass combination between the Tinkler brothers.

This win gives Robert Lee the driver's seat in the 6-B District race. They have knocked off the two main powers in the District. Loraine also has two district wins over Bronte and Trent.

Robert Lee travels to Stamford to take on the "B" team Thursday. Coach is going to play his young boys most of the game. This will give the boys good experience for next year.

RUSHING FOR SIX GAMES

	Carries	Yds.	Avg.
McDonald	106	775	7.3
Sims, Ronnie	57	183	3.2
Tinkler, J.	20	129	6.4
Walker	37	119	3.2
Kinsey	3	5	1.7

"Soil Conservation includes any and all measures that will in any way increase the productivity of the land and cause the land to keep on producing satisfactorily."

Students Vacation from Coast to Coast

(JANE AUSTIN)

A toll of 25c was paid to the gate keeper.

We were crossing the Mississippi River by way of the Chain of Rocks Bridge and overlooking Illinois Country — The Land of Lincoln.

Between Springfield and Bloomington were some beautiful wheat crops. We arrived in Chicago about 3:00 one evening. Chicago is about three hundred miles from St. Louis, Missouri, where we crossed the Mississippi. We bypassed this gigantic city noted for its huge stockyards and meat packing centers. You couldn't prove by me that we by-passed the town. Whee. I never saw so much and so many people and cars anywhere there wasn't a town before. But I guess we did — that's what my brother-in-law said. He was driving.

We followed Lake Michigan's shore about eighty miles north of Chicago to Grand Rapids where we veered East. Lansing and Flint, Michigan, were passed on the way to Port Huron, where we had to go through the Canadian Customs. My idea of the customs house was somewhat changed after I actually saw one. I could imagine a huge gray building with guards standing outside but believe me it was different. As we drove up to the gate we were engulfed by crowds of Ontarians who had been across the border into Michigan shopping. This slowed our processing somewhat. They were not strict about our personal belongings but did

want us to note the valued camera we had with us. Other than wanting to know where we were from where we were going, how long we were staying, and if we were taking anything of great value, the questions were limited. At Port Huron, we were on our way to the nearest tourist court. We had had a long day and some tiring experiences — like driving through Chicago!

We spent a restful night at a Maple Glen Motel in London, Ontario. The city of London, Ontario was an interesting place, noted for its very "English atmosphere" by reason of the numerous street and place names which duplicate similar things in England. A few of these are: Oxford, Cheapside, Pall Mall and Picadilly Streets, Convent Garden Market, Blackfriars Bridge, Kensington Bridge, and Vauxhall Bridge. London, which thrives on industry' has a population of 100,000 and is known as the "Forest City" because of its lovely wide tree lined streets.

BAND SELLS CANDY

(BRENDA COWLEY)

The Robert Lee High School band is selling candy again this year for a money-making project.

The candy is coconut cashews and will be sold in a decorative can. The price will be \$1.00 per can. If you would like to buy some of this candy for gifts, Halloween trick-or-treaters or for your own use, you may contact any band member, and they will sell you a can or two.

Your co-operation will certainly be appreciated.

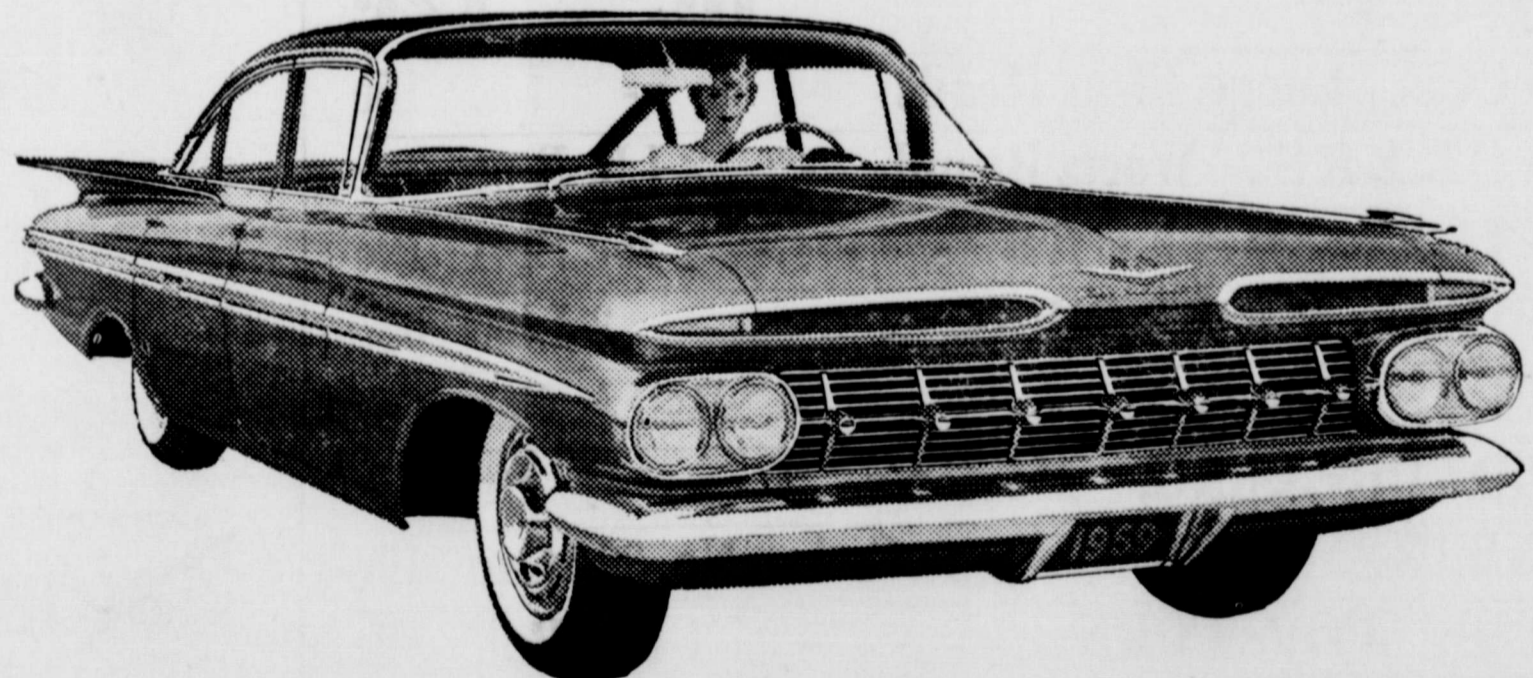

CHEVROLET SAYS NEW LIKE NOBODY ELSE!

Let your eyes linger over Chevrolet's fresh, finely shaped contours. Relax in the roominess of its elegant new interior, get the exhilarating feel of its hushed, silken ride. No other car says new like this one!

Here's the car that's definitely new in a decidedly different way. The '59 Chevy is shaped to the new American taste with new Slimline design. It brings you a roomier Body by Fisher, vast new areas of visibility. There's a new Magic-Mirror finish that needs no waxing or polishing for up to three years. A new Hi-Thrift 6 and a wide choice of vigorous V8's. Bigger, safer stopping brakes. An even smoother ride. At your Chevrolet dealer's right now!

what America wants, America gets in a Chevy!

definitely new, decidedly different! The new Impala 4-Door Sedan, like all new Chevis, has Safety Plate Glass all around.

SMALL TALK

By A. J. K.

Robert Lee auto dealers were happy over the fine attendance at their new car showings last week. Everyone thinks the '59 models are wonderful. Dealers have orders for the new ones but deliveries are going to be slow since many of the factories are still shut down because of local strikes.

All nine of the amendments to be voted on Nov. 4 are important and they should be studied. We are reviewing them in this newspaper and regret that it is impossible to go into detail. Sample copies of the General Election ballot may be secured at the county clerk's office and we have a few to distribute here at The Observer.

A special issue for Coke County voters is to be submitted on a separate ballot. It is the proposition of separating the sheriff and tax office. The Observer feels these offices are too important to be combined. They were put together 20 years ago in small counties where population and tax valuations were small. With the coming of oil development in Coke County, property for taxation jumped from 4 1/2 million to 30 million dollars. The tax office under the present set up is a side line for the sheriff. It should have an official who would devote all his time and attention to the matter of assessing and collecting property taxes.

Robert Lee Steers have been coming to the front and for three straight games have upset the dope and won from supposedly

better teams. One factor is that a team usually plays harder when it is considered the underdog. It's good for the boys' psychology. Robert Lee has three tough conference games remaining on the schedule and they should be rated an even choice with any of them.

RANGE JUDGING CONTEST

FFA boys from Sterling, Coke, Tom Green, Irion, Crockett, and Schleicher counties are to be in Robert Lee Saturday morning for their annual range judging contest. The contest will be held on the Cumbie Ivey Ranch 2 miles east of Robert Lee. This year's contest is to be sponsored by the Coke Soil Conservation District. Awards are to be presented to the winning individuals and teams. Interested farmers and ranchers are invited to attend. The group will leave the court house at 8 a.m. for the Ivey ranch.

LEAVES FOR HAWAII

Pvt. Bobby Walker telephoned his wife and parents here about 6 o'clock Monday evening just before taking off by plane for an assignment in Hawaii. He is in the infantry and took several months of training at Ft. Carson, Colo. He is the son of Mr. and Mrs. Curtis Walker and his wife is the former Joyce King, daughter of Mr. and Mrs. Dave King.

Mr. and Mrs. Waymond (Copey) Davis came from Dallas for a weekend visit with home folks. Copey is attending North Texas State College in Denton and his wife has a good office position in Dallas. They reside in their house trailer well out on Hines Boulevard.

BIRTHS

LACKEY—Mr. and Mrs. Kenneth Lackey (Kay Reeder) of Robert Lee are parents of their first child, a daughter born at 11:04 a.m. Oct. 19 in Coke County Memorial Hospital. She weighed 8 pounds, 12 ounces and has been named Mary Elaine. The father is office manager at Ivey Motor Co. and the mother has been a supervising registered nurse at Coke Memorial Hospital. Grandparents are Mr. and Mrs. John Reeder of Fairfield, Ia., and Mrs. Ella Lackey of Visalia, Calif.

MINISTER WELCOMED

Members of the North Side Church of Christ surprised their minister, Delbert Smith, and family with a "pounding" Wednesday night after church services. He took over the ministry of the church a short time ago and is residing in the I. M. Austin house in the north part of town. Mrs. Smith is the former Yvonne Mullins of Ballinger. They have two children, Kenny, age 2 1/2 and Mitzie age 1. Before moving to Robert Lee they resided in Ballinger.

SUNSHINE 4-H CLUB

The Sunshine 4-H Club of Robert Lee had its second meeting of the 1958-59 year at 10:00-11:20 Monday, Oct. 20.

There were 26 members plus one new member.

Every one enjoyed the good Nutrition's Beauty Bar. After completing their Beauty Bar shopping list the meeting was dismissed.

The next meeting will be in November and the program is entitled "To Show An Improvement In My Manners." — Cynthia Ann Davis, Reporter.

P-TA News

Mr. Hervey Latham, elementary principal, gave a very interesting talk on "Keeping Faith with the Younger Generation." One that we parents should hear often. He also showed and explained the new report cards our children will receive this year.

Jane Austin and Ronnie Sims presented special music.

Members voted for the purchase of new tea towels for the FHA girls, in appreciation for keeping the nursery during P-TA meetings.

The P-TA is also sponsoring the sale of stickers with "We're Backing the Steers" in school colors and later on will be selling a bracelet that will have Robert Lee School spelled out in orange and black colors.

Mrs. D. J. Walker resigned her position as membership chairman

and Sarah Lou Davis was appointed.

Next meeting will be a night meeting, and have hopes of a large group of fathers being able to attend.
