If you are interested in the cotton crop, and who isn't, and ask questions, you will get a variety of answers as to the possibility of a good, poor or sorry crop. What used to be the king of Texas agricultural crops, cotton, has had a hard go of it this year and if there is anything like a good crop harvested it will be due to the skill of modern farmers and despite adverse weather conditions. Any number of local farmers are predicting a fair to good cotton crop. I'll buy that.

Another kook made some sort of attempt to assassinate President Ford. Any attempt to assassinate the president, or anyone else for that matter, is a serious matter and has to be treated as such. One guess is as good as another as to why the two demented persons have tried to kill the president, if indeed they were trying to kill him. If they were seriously bent on taking his life it is fortunate that they were too stupid to develop and pursue a workable plan. The police, secret service and all other law enforcement agencies have been roundly criticized for not screening the kooks in California, and pitching the dangerous ones in the pokey. It would be easier to assemble the same people in that state in a small safe area where the president could visit with them in peace and quiet.

If the president persists in mixing and mingling with the public in large gatherings he will just have to take his chances, the same as a Dimmitt motorist trying to get to and from work under our present traffic conditions.

Hearing set on proposed zone change

Dimmitt's City Zoning Commission has called a public hearing on Oct. 7 on the proposed rezoning of residential lots in the Miller Addition from single-family dwellings to multiple-family dwellings.

THE CHAMBER of Commerce and the Castro County Housing Authority have requested the rezoning to allow construction of duplex and triplex homes in the Miller Addition for lower-income families and retired people.

A legal description of the lots in the residential area that are proposed for rezoning appears in a legal notice on Page 4 of this issue.

The hearing will be at 8 p.m. Oct. 7 in the city hall auditorium.

Judge revokes men's probation

District Judge John T. Boyd revoked the probations of Joe Garcia and Roy Dean Rivers Friday and ordered them sent to the state prison at Huntsville.

Both men were under five-year probated sentences.

United Way sets deadline

GREETINGS FROM NEW ZEALAND—Susan Ryan, Dimmitt High School's AFS exchange student from Invercargill, New Zealand, had surprise gifts for the mayor, the county judge and the Rotary Club president at Friday's Rotary meeting. Here, she autographs a copy of Invercargill's centennial book, published in 1971, for Mayor Elmer Youts. The book was accompanied by a letter of greeting from Mayor F. R. Miller of Invercargill. At left, Rotary Club President Bill Henderson

holds a banner from the Invercargill Rotary Club, of which Miss Ryan's grandfather is a member. At right, County Judge Weldon Bradley holds a copy of the book, "Fiordland," which was accompanied by a letter from E. Peter Wilding, chairman of the Wallace County Council in Otautau, New Zealand. Youts and Bradley said they will place the books in Rhoads Memorial Library after reading them.

Organizations wishing to benefit from the new United Way of Dimmitt have until Oct. 10 to submit their requests for funds.

IN SETTING the application deadline, Budget Committee Chairman Garnett Holland said, "We need the participation of all organizations and services that are financed by public fund drives or solicitations."

However, he said, United Way officials haven't been able to track down the officers or local chairmen of many of the beneficent groups which the United Way is seeking to help.

To date, only two organizations have submitted requests for funds. They are the South Plains Council, Boy Scouts of America, \$2,638; and the Dimmitt Chapter of the American Field Service (exchange student program), \$1,050.

HOLLAND said he anticipates applications soon from the Dimmitt Baseball Commission and the Dimmitt Satellite School.

Local chairmen or presidents of organizations wishing to benefit from the "all-in-one" fund drive should apply to Holland at the city hall. The application should include a description of the organization's work, a specific fund request, and a year's proposed budget or explanation of where the funds will go and how they will be used.

The United Way budget committee and admissions subcommittee will study the applications and set the fund-drive goal. Then the campaign committee, headed by Bob Caddell, will organize the drive and try to meet the goal.

THE BUDGET committee has the right to revise any fund request before or after the fund drive. Any revision can be appealed to the UW board of directors, headed by President Bob McLean.

Should the United Way campaign not reach its goal, any organization receiving less than it feels it needs for the coming year may apply for permission to conduct its own supplemental fund drive to make up the difference.

Caddell said that all organizations that will benefit from the United Way will be urged to provide volunteer workers to help in the UW fund drive.

THE UNITED Way campaign will be conducted in October and November.

PAC to form Monday night

Parents and other interested persons are invited to attend an organizational meeting for a Parent Advisory Committee for the Dimmitt Public Schools' Title I programs Monday at 8 p.m. in the east cafeteria of Richardson Elementary School.

Approximately 700 Dimmitt students participate in the programs in areas of reading and language development.

COMANCHE ATTORNEY BEN SUDDERTH
"We march to the beat of bureaucracy's drums"

Army now commands water, lawyer says

"It was Congress that created the CIA, FBI, IRS, HEW, HUD, CAB, FPC and EPA," Comanche attorney Ben Sudderrth told the Castro County Farm Bureau Saturday night, "and Congress can put a stop to the regulation of our lives if it really wanted to."

SPEAKING to approximately 200 at the annual county Farm Bureau meeting, Sudderrth said, "It now costs taxpayers \$130 billion a year just for us to regulate ourselves. By comparison, the Vietnam war cost \$140 billion."

He classified the Environmental Protection Agency as "the neighborhood bully of all the agencies," and said the EPA can send troops into the field in the form of the Army Corps of Engineers to tell private landowners what they can or can't do with their water.

Sudderrth, who has been spearheading a battle against the Corps of Engineers in the Comanche area, described a

water-rights ruling by a federal district court in Washington last March 25.

THE DECISION said that the Corps of Engineers has the power to regulate water usage to the maximum extent permissible under the Federal Water Pollution Control Act of 1972," Sudderrth said.

"This means that if you want to build a stock tank, terrace your field, or divert any water on your land, you'll have to get the permission of the Corps of Engineers of the US Army," he said.

Sudderrth said congressmen are blaming the courts and judges, but in fact Congress could stop the encroachments if it wanted to, since Congress created the regulatory agencies in the first place.

He urged landowners to fight for repeal or changes in the regulations by writing their congressmen, or by voting them out of office if they don't

[See SUDDERTH, Page 11]

Corn, sunflowers

Harvest starts up again

Combine crews made a second start in the corn and sunflower fields Tuesday after being rained out Saturday night and Sunday.

EARLY estimates indicate the corn harvest will be the biggest ever, but sunflower yields will be smaller than expected.

Earl Chaney, manager of the Castro Co-op Gin, reported that early sunflower yields are ranging from 800 to 1,800 pounds of seed per acre, with an average of about 1,000 pounds.

"It's less than most of them were anticipating," Chaney said, "but most of the growers are satisfied with it and plan to

try sunflowers again."

REASON for the lighter-than-expected yields, Chaney said, is "pops"—seed hulls that weren't pollinated and produced no germ.

County farmers planted more than 8,000 acres of sunflowers this year—most of them for the first time. Most of the seed was contracted to Plains Co-op Oil Mill at \$15 per cwt—well above the Wednesday morning market price of \$9 per cwt.

CORN HARVEST in its early stages indicates that 1975 will be the biggest year ever, with yields well above average and a record number of acres planted.

"As best we can tell, there will be several out-turns around 9,000 pounds dry weight, and I would guess at this point it's going to stay above 8,000 pounds on the average," reported Bill Clark, manager of Dimmitt Agri Industries, Inc.

"Quite a bit of it is coming out above average so far."

The corn harvest isn't expected to be in full swing until the end of this week or early next week. Most farmers had only tried test cuts before the weekend rains.

CLARK reported a market price of \$4.84 Wednesday morning.

"Our prices slipped some

when the State Department stepped into the export business again and put a moratorium on the sales to Poland," Clark said. "The prices had

[See HARVEST, Page 11]

CofC to host 'show and tell' for news media

The Chamber of Commerce will conduct a "show and tell" tour of Castro County's crops and industries for news media representatives Wednesday.

"**VERTICAL** Integration of Agriculture in Castro County" will be the theme of the tour, which will start at 10 a.m. and include a luncheon for news-media guests in the County Expo Center.

Farm and food editors and consumer advisors for radio and TV stations, newspapers and magazines have been invited. The Texas Agricultural Products agency is assisting with the tour.

"The consumer will be the focal point throughout our news media tour," CofC Manager Elvon DeVaney said. "We want to show the consumer just what's behind the product he buys—how much it costs the farmer to raise the crop, what the stages of processing and marketing are, and how much the farmer gets out of it. We also want people to know just how important Castro County is in their lives."

Youth jailed for shooting brother, 12

A 16-year-old Dimmitt youth was jailed Monday on a charge of shooting his 12-year-old brother with a .22 caliber pistol.

THE YOUNGER brother is in critical condition in an Amarillo hospital, with a gunshot wound in the lower abdomen.

City police said the shooting incident occurred at 3 p.m. Monday in the boys' home on East Halsell. It's still not clear whether the shooting was accidental or not, officers said.

The wounded boy received emergency treatment at Plains Memorial Hospital, then was transferred to Northwest Texas Hospital in Amarillo, where he underwent emergency surgery.

POLICE are trying to learn where the 16-year-old got the handgun. The gun evidently did not belong to the youth's parents, officers said.

Proposed constitution to be explained tonight

What's in the proposed new state constitution, anyway? Is it good or bad? What about some of our favorite laws—will they be scrapped?

TEXAS House Speaker Bill Clayton will be in Dimmitt tonight (Thursday) to answer such questions as these at a public discussion of the proposed new Texas Constitution.

The "constitution forum" will be held in the County Expo Center from 8:30 to 9:30 p.m.

Clayton, who presided at the 1974 Constitutional Convention, will comment on proposed constitutional revisions and will answer any questions Castro Countians might have on the new charter.

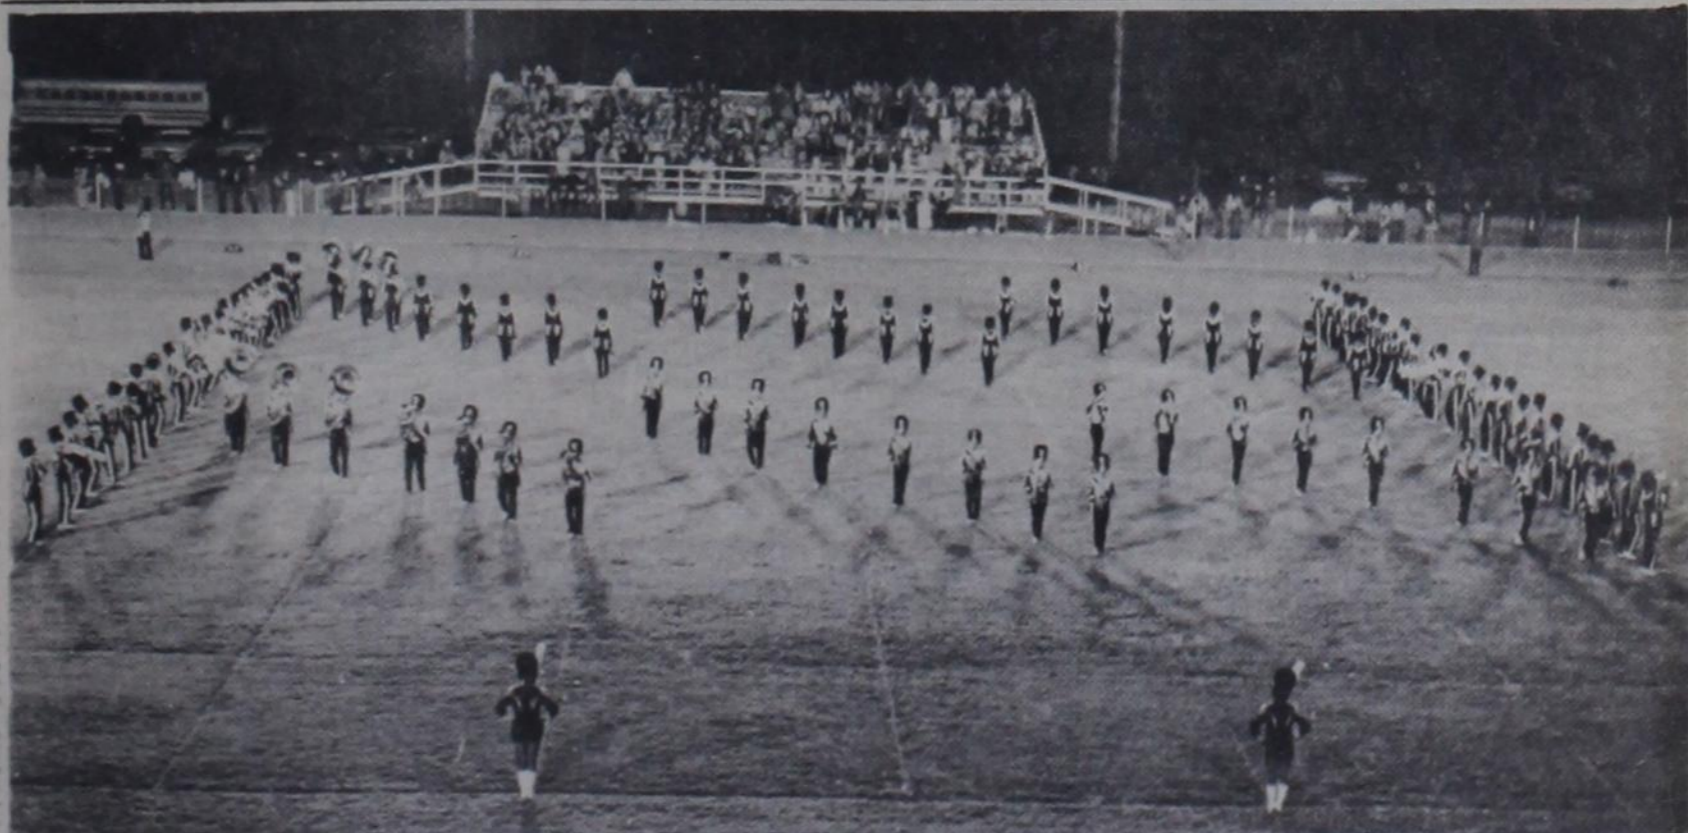

"I'M LOOKING forward to talking with the people in my district about the effect the new constitution will have on West Texans," Clayton said.

After a revised constitution failed to win majority approval by the 1974 Constitutional Con-

vention, the 64th Legislature passed eight proposals last spring completely revising the proposed charter. Under the leadership of Clayton and Lt. Gov. Bill Hobby, the legislature built on the work of the convention and agreed to give Texas voters the opportunity to vote yes or no on each of the revision proposals.

The election deciding the fate of the proposed new state charter will be held Nov. 4. It will be the first time in 99 years that Texas voters will have the opportunity to vote on a complete constitutional revision.

EVERY registered voter in the state has been sent an information booklet on the proposed new constitution. The booklets, mailed two weeks ago, contain the full text of the proposed charter, plus background information and an outline comparing the present and proposed documents.

THE BOBCAT BAND entertains the football crowd at Springlake Friday night with a precision marching drill during

halftime of the Bobcat-Wolverine game. This is a press-box view of the big purple-and-white band.

Highways draw national spotlight

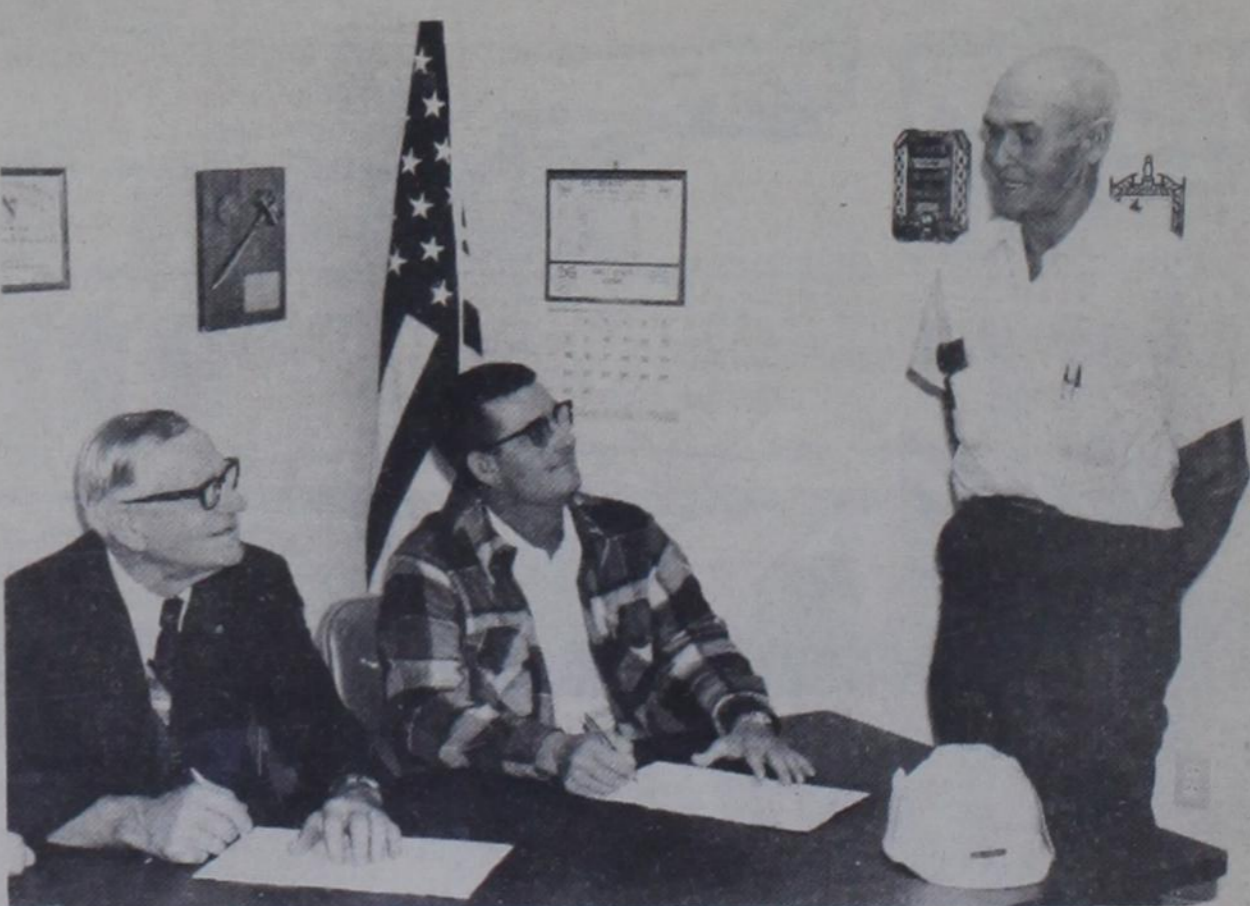

Without highways, "America's lifelines," you'd be nowhere.

THAT'S THE point being made in a special nationwide observance this week. Sept. 21-27 has been designated "National Highway and Transportation Week" to honor the people who build and maintain the nation's lifelines.

The Texas Highway Dept.'s 16 local employees will observe the special week with an open house today (Thursday) at the local THD warehouse and offices. They'll serve refreshments to the public from 2 to 6 p.m.

During the reception you'll meet Maintenance Construction Supervisor J. B. Moore, whose job is to see that the roadways are clear and in good repair and the right-of-ways are attractive throughout the year.

AND YOU'LL have a chance to talk to Buford Owens, the local department's "park man." He can tell you why the Highway Dept. is known as

MAKING IT OFFICIAL—Dimmitt Mayor Elmer Youts (left) and Nazareth Mayor Urban Ball sign proclamations calling for their cities' observance of National Highway and Transportation Week Sept. 21-27. Sheffy's chatter

Jacksons visit son in Germany, tour Rhine region

By MYRTLE SHEFFY

Al and Dorothy Jackson returned home Friday from West Germany after a two week visit with their son Don who is serving with the US Air Force there. They stayed in Weisbaden for several days and made daily tours by car to various points of interest. A highlight of their visit to Weisbaden was a Rhine River cruise and tours through some castles which dated back to the 12th century. One day was spent shopping in the city of Idar-Oberstein, which is the gem capital of Germany.

The last few days of their visit were spent in the city of Garmish where side trips were made to the beautiful castle of Neuschwanstein and the awe inspiring Wies Church. A cog train was taken to the top of the tallest mountain at Garmish where you could see into four countries.

A motor trip back to Frankfurt provided the greatest thrills—even more than an American roller coaster ride—as all drivers must be frustrated Grand Prix drivers to survive on the Autobahn.

Mrs. Cobb came up here and stayed at the Jackson house and helped mind the store while they were gone.

HAWAII was the place more of Dimmitt's citizens went for a ten-day tour trip. Going were Ray and Joann Robertson, Maxine Childers, Neva Hickey, Juanita Bruegel. They were independent of the tour group, went to Hawaii, Maui, Oahu and other islands. Did what they wished to do. Juanita says she learned to do the hula, and has a diploma saying so.

MR. AND MRS. E. P. or "Nub" Calhoun were the surprised couple Wednesday evening when their children and friends gave them a party celebrating their 25th wedding anniversary at the fellowship hall of Lee Street Baptist Church. The serving table was covered with a lace cloth over blue satin. The flower arrangement was white carnations tipped with blue. There was a big cake decorated with a big heart and tiny blue sugar flowers, with punch and coffee served by Marzell Powell and Melba Sanders. More than 50 guests came bringing gifts and good wishes. Family helping with host and hostess duties were Ronnie and Kathy Cantrell, Keith and Dee Ann Calhoun, Donna, Tammy and Robert Calhoun and Nub's sister Ruby and Dagwood Woods. Members of the church also helped with the party.

Mr. and Mrs. Marion Benton of Lubbock were in town Thursday having lunch at the cafe and visiting with friends there and Edgar and Edith Ramby and son Robert and Martie Benton and children.

WE WERE chatting with Mary Williams in the drug store one day. She was here for the wedding of her son Jerry Baldrige and Norma Wall that was in the home of Lynn and Glenna Polson. Mary also visited her parents the W. T. Autrys. Mary is head of educational surgery at All Saints Hospital in Fort Worth. Other members of her family here were Turk and Janice Cates and girls from Ringwood, Okla. and Karen and Max Newman and son of Stephenville. Arthur Mendosa went to

Amarillo to the Fair to see grandson Mike win on his heavyweight mixed Charolais and Chianina steer. And the Jerry and Carol Cluck horse won. Susie Cluck won with her steer. Valerie Cambell won over others with an English Breed. Steve Anthony won with his steer.

DR. BILL Lee was the honor guest at a reception in Fellowship Hall Sunday afternoon. He and Mrs. Lee were in the receiving line greeting the hosts of friends who called. Donya Tuttle presided at the guest book. June Sutton and Sue Miller served the punch and homebaked cookies from a pretty table. The centerpiece was red carnations with a "note" from Dr. Dennis Blackburn of Junction. Several big flower arrangements were given by friends. A winter scene painting by the good artist Carl Smith was presented by friends and hosts and hostesses who were Lynn and Glenna Polson, Jack and Mary Flynt, Nelda Tuttle, Sue Miller, Bea Hardy and June Sutton.

I saw Decimae Beene from Friona there. Also Dorothy Wright Draper and husband Milt from Tahoka. Many others came after I went home.

Dimmitt has another doctor, Bill Murphy, and he is appreciated also. He must have a party some time.

Mr. and Mrs. Gene Morrison were in town from Possum Kingdom Lake. They built a good house on the banks of same lake, with their own boat dock. He has a gin at Sunnyside, will be back later.

Nebraska last weekend to visit his sister Pauline Bates and other dinner guests were Dr. and Mrs. Cogswell. Mrs. Oma Simmons came with them for a visit and she and Mrs. George Bradford went to Plainview for fun and to shop around.

Dr. Charles and Esta Vandiver went to Dallas to attend a Dental Association meeting. Also they visited son Craig who is working with a construction firm and attending college in the evening.

J. M. and Ruth Wright were hosts at a dinner and visiting party for Billy and Dorothy Wren Rothwell. Other guests were Clayton and Barbara Bowns of Clovis.

Amarillo College is the place these folks are attending this term—Donna Raper, Judy Gilreath, Janis Fore, Lyndel Davis of Guyton, Okla. I am sorry to have missed so many of our

going away to school kids. Call me some time.

THE DIMMITT Garden Club started a new year of work Wednesday, Sept. 17 in fellowship hall of the Methodist Church with Mrs. Bill Behrends as hostess. Mrs. Behrends served iced tea and cafe au lait and doughnuts to the group. She also gave a demonstration on macrame using the twine and small rope in different knots making hanging basket holders. Mrs. Sid Sheffy, schedule chairman for the coming flower or placement show Sat. Oct. 4, gave the details and rules. The show will be called "Open House" with flower arrangements in the proper places. The hostess will be Mrs. Fred Bruegel Sr. Her home is six miles west on the Clovis Road, where the small elevator is south of the house.

This will be Oct. 4 from 3 till 6 p.m. Mrs. Charles Vandiver is chairman of the show. Mrs. Bill Behrends is club president. Mark your calendar for this event. No admission charge.

RETNA CLUCK is the great grandmother of a boy. His name is Randall Erick Smith, son of the Randy Smiths from near Happy. His grandparents are Joy and Rodney Smith. I didn't get the other grands name.

Jack and Betty Boren of Lubbock came by to see his mom Maggie and have a meal with her. They were enroute to Colorado.

The Monday morning prayer group of the Methodist Church went out to South Hills Manor for a little party for the residents. They served fruit punch and cake. Clara Neumayer played the piano for group singing. Hostesses were Cletha George, Vera Webb, Grace Lust, Leola Haberer, Flora Stanford and Clara. Mrs. Justice says "Thank you, ladies, for a delightful hour."

Mr. and Mrs. Cal Forrester of El Paso were weekend guests of their daughter Deanne and Bill Clark and family. They were at church with the Methodists. Deanne is the organist.

And Garland and Susan Coleman of Weatherford, Okla. were home for a few days visit. Mr. Coleman and Mrs. C. were in Canyon all last week helping at the drug store.

MRS. ZELMA Mathis and son Jeremy are here from Moore, Okla. visiting with her parents E. R. and Lois Waggoner, and her sister Earnestine Turner and family in Tulsa.

Ron and Dirk Rankin of Amarillo are here this week for a visit with grandparents Noel and Oleta Gollehon while their mother is in Durango, Colo. A while back the Rankins and Ann Touchstone and children spent a weekend with the Gollehons at their place near Lake Meredith. They water skied, fished a little, picnics and. See CHATTER, Page 3

BEACHED... and forgotten!

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried? Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And He says that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

JOHN HOWELL of Dimmitt is one of the two student ROTC commanders for the Panhandle State University ROTC Corps this year. Cadet Howell will hold the rank of Lieutenant Colonel. Here, Lt. Col. Raymond Dimmitt, assistant professor of military science at PSU, pins Cadet Howell's officer insignia to his collar. Howell is the son of Mr. and Mrs. Moss Howell.

More about SHEFFY'S

[Continued from Page 2]

things like that. Tommy Stafford flew down to Dallas one day last week to have his arm checked by the doctor. You know he was banged up in a car wreck last year.

Well, we went to Springlake to see the ball game, also to have Mexican food with Richard and Tommy Bills. Butch Strickland says, "Tell you, Dimmitt was there." His sister Mrs. Sanders is secretary to the superintendent of that school. She and the ladies did the food with help from some cooks. The men helped with the serving.

HELEN McLean was hostess Thursday with dinner and bridge at the Hereford Country Club. Guests were Reba Touchstone, who won high score, Jeanie Miller, Maxine Tidwell, Ceal Carlile, Edna Riley, Margaret Wilson and Virginia Gilbreath.

Saturday afternoon Opal Bearden had a few friends in for bridge and refreshments of angel cake, lime sherbet and coffee. Guests were Cletha George, Anita Morris, Jeanie Miller, Retta Cluck, Josie Bradford, Maggie Boren, Myrtle Sheffy and Ceal Carlile, who won high score.

Bill Rowe moved to Dimmitt recently from Fairview, Okla. He is employed by Western Ammonia. He was at church, is was friend Pam Stewart. And Thuan Nguyen, the Vietnamese, was here with the Hartwigs as church visitors Sunday.

Mark and Kathy Hollis went to Albuquerque to visit, also to attend the big State Fair. The Hollises have Home Decor.

Mr. and Mrs. H. E. Newman of Hart were Sunday visitors of granddaughter Cheryl and Bill Glidewell. Also they were at the party for Dr. Bill Lee and Mrs. Lee.

MRS. JACK Hinson was hurt seriously when she and car were involved in a car collision at the light in Earth. Mrs. Hinson lives south of our town near Earth-Springlake School. She is the mother of Mrs. J. E. Parish. Mrs. Gladys Cleavinger, a friend, has been to the Methodist Hospital in Lubbock to visit Mrs. Hinson.

Raymond and Margaret Wilson and Virginia Gilbreath left here Sunday for Phoenix, Ariz. to see about the houses they have bought at Sun City. The Wilsons plan to stay with the grandkids while Dr. Bob and Pat Brock have a business trip to New York. They will come back home and stay till the first of November.

Mauzee Youts was the birthday girl last weekend, so her

family came in to help celebrate. Daughter Pat Great-house and Julie of Monahans came as did her daughters Cindy and her suitemate from TWU at Denton, Carrie and Debra from Amarillo, Bob and Phylis Mooney, their daughter Janis and husband, G. L. Davis and son Brad and Jane Ann Mooney, all from Amarillo. Joe Mooney went to Abilene to visit his sister Susie and Rick Bell.

KENT AND Teena Bradford of Lansing, Mich. were weekend visitors of his folks James and Mildred Bradford. They also visit the grands George and Josie Bradford and Teena's folks the Profitts at Lubbock.

Elmer and Mauzee Youts and Lester and Clara Gladden went to Borger Wednesday to attend the funeral of their uncle George Youts. This is the sixth funeral for relatives in their family in the last three months. And this week they have company, a niece and husband Mr. and Mrs. George Newell of Shawnee, Okla.

Cindy Scoggin and her fiance Donald Ballen of Amarillo were here last weekend to visit her folks Babe Scoggin and dad Howard. Two weddings coming up soon. Cindy's and Jill Bradford's.

Swain and Katy Burkett are home from a trip north. First stop at Loveland, Colo. where his brother J. C. and Mrs. Burkett joined them for a trip to Pinedale, Wyo. where they fished and did sightseeing. Jim Grussing has bought a new house on Pine Street. Jim is with Dale Fowler Ford and he and Diane Ward have wedding plans for next spring.

GARY AND Susan Royal of Wallace, Kan. were here for a few days visit with her parents Joe and Gladys Benson.

Bruce and Nancy Fuller have a new girl baby. It came several days ago and her parents Mr. and Mrs. Ben Taack of Paris, Tex. are here. The baby's name is Jennifer Reanee. Birthday Sept. 15. Grandparents are Winifred Fuller and Kathryn McFarland, and the great grandma is Clara Fuller.

Airman Huseman
Huseman to take advanced training

Airman Rodney E. Huseman, son of Emil J. Huseman of Nazareth, has been selected for technical training in the US Air Force aircraft maintenance field at Chanute AFB, Ill.

HUSEMAN recently completed basic training at Lackland AFB, where he studied the Air Force mission, organization and customs and received special instruction in human relations.

Huseman is a 1975 graduate of Nazareth High School.

WHEN YOU

are buying or selling real estate, do you think of details? Such as location of a house, soundness of construction and age? If a farm, the productivity of the land, freedom from noxious weeds, actual resale value?

The above are only a few of the many details our years of experience can help you determine if you are making a good buy or sale.

May we help you?

CITATION BY PUBLICATION

THE STATE OF TEXAS TO: BRIGIDA RODRIQUEZ SANDOBAL [also known as BRIGIDA RODRIQUEZ SANDOVAL] and, if she be married, her husband, and MARIA LUISA SANDOBAL [also known as MARIA LUISA SANDOVAL], a minor, Defendants, Greeting:

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the District Court of Castro County at the Courthouse thereof, in Dimmitt, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of October A.D. 1975, in this cause, numbered 4129 on the docket of said court and styled IN THE MATTER OF THE MARRIAGE OF AUDREY LUCILLE SISNEY, Plaintiff, AND RUSSELL OLIVER SISNEY, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

In the suit hereinabove referred to, AUDREY LUCILLE SISNEY is asking the Court to dissolve the marriage of AUDREY LUCILLE SISNEY and RUSSELL OLIVER SISNEY, pursuant to the laws of the State of Texas, and to make an equitable division of any and all community property acquired during this marriage by the parties hereto.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, ZONELL MAPLES, Clerk of the District Court of Castro County, Texas.

Issued and given under my hand and the seal of said court at Dimmitt, Texas, this the 10th day of September A.D. 1975.

MR. AND MRS. JERRY MATTHEWS; MR. AND MRS. REX LUST
Brides are the former Sherri and Shanee Burrous

Newlyweds establish homes after double wedding here

Mr. and Mrs. Rex Orville Lust are now at home in Dimmitt and Mr. and Mrs. Jerry Glen Matthews have established a Lubbock home, following their double wedding recently in the First Baptist Church of Dimmitt.

MRS. LUST is the former Shanee Suzann Burrous, and Mrs. Matthews is the former Sherri Lyn Burrous. They are the daughters of Mr. and Mrs. Reeford Burrous of Dimmitt.

Lust is the son of Mr. and Mrs. Houston Lust, and Matthews' parents are Mr. and Mrs. J. R. Matthews, all of Dimmitt.

They were married in a formal afternoon ceremony, with Rev. Marvin Roark, pastor of the First United Methodist Church of Dimmitt, officiating at the double-ring service.

THE BRIDES' father escorted them separately to their mother's pew, then escorted them together to the altar.

Music was provided by Mrs. Dale Winders at the organ. She accompanied Mrs. Terry Ellison, who sang "Turn Around" and "More" before the ceremony. Mrs. Ellison sang "Today" immediately preceding the traditional Wedding March. She also sang "Whither Thou Goest" while the couples lighted their unity candles.

The church was centered with flared candelabras decorated with yellow and blue daisies and huckleberry foliage, flanked on either side by the brides' unity candles. Spiraled candelabras were placed on the outer sides, decorated with yellow and blue daisies and huckleberry foliage.

SHANEE wore a petal white Victorian wedding gown with enrichments of heirloom lace and cluney lace appliques. The moulded bodice featured a deep wide yoke of heirloom lace edged in cluney lace ruffle edging with bobbin edging accents. The deep front bib yoke was enriched with pearls outlining the heirloom lace designs. Long candlestick sleeves of heirloom lace fell to the wrist and were cuffed in cluney lace ruffles, and pearl accents enriched the sleeves. The princess design of the dress fell in graceful panels to form a chapel train. The princess panels were accented with cluney lace flowerlets with pearl centers. A deep ruffle of heirloom lace encircled the full hemline. She wore a Victorian capulet covered in matching lace with pearl accents. Full imported illusion formed her fingertip length veil, edged in matching cluney lace, with a separate blusher veil.

Shanee carried a cascade bouquet of white and blue daisies, roses, stephanotis and baby's breath atop a white Bible.

Sherri wore a formal gown of white silk organza over bridal taffeta designed with a fitted bodice. Her high Victorian neckline was formed of re-embroidered Chantilly lace accented by seed pearls with a sheer organza yoke. Her

sleeves were of a full bishop styling of sheer organza caught at the wrists by deep cuffs of lace accented by seed pearls. The A-line gown fell to a deep organza flounce hemline which swept to back fullness and cascaded to a full chapel length train. She wore a matching Camelot capulet of re-embroidered Chantilly lace adorned by seed pearls. The bridal illusion veiling fell to a fingertip length and was entirely edged in val lace, with a separate blusher veil.

SHERRI carried a cascade bouquet of white and yellow daisies, roses, stephanotis and baby's breath atop a white Bible.

Following tradition, Shanee wore an Indian Head penny in her shoe, minted in 1897, for something old. Something new was her wedding gown. She borrowed a gold locket from her sister, Sharla, and wore a blue garter.

For something old, Sherri carried an heirloom handkerchief belonging to her maternal grandmother. Something new was her wedding gown. She borrowed her bride's Bible from a friend, Beverly Lindsey, and wore the traditional blue garter.

SHARLA BURROUS, sister of the brides, attended them as maid of honor. She wore a floor length gown of mint green cotton sateen, flocked with miniature pastel flowers. It was fashioned with an Empire waist, high neck and short cape sleeves topped with a short cape. Matching ribbon encircled the neck and Empire waist ending in small bows in front. She carried an Edwardian bouquet of yellow and blue daisies, roses, and baby's breath.

Shanee's bridesmaids, Mrs. Randy Schumacher and twin sisters, Pam and Paula Dickerson, of Dallas, wore pastel blue floor length gowns fashioned identically to the maid of honor's dress. They carried Edwardian bouquets of blue and white daisies, roses and baby's breath accented with blue votive candles.

Sherri's bridesmaids, Becki Carpenter, Flo Lust and Mrs. Gary Webb, wore pastel yellow floor length gowns fashioned after the maid of honor dress. They carried Edwardian bouquets of yellow and white daisies, roses and baby's breath accented with yellow votive candles.

Jan Elise Donald, cousin of the brides, served as flower girl. She wore a floor length dress of mint green and carried a lace basket filled with blue and yellow daisy petals.

CANDLELIGHTERS were Michael Donald, cousin of the brides, David Lust, cousin of Rex Lust, and Teressa Matthews, cousin of Jerry Matthews. Miss Patterson wore a pastel pink floor length dress fashioned from the same material as the bridesmaids' gowns. Michael and David wore black tuxedos.

Joe Lust served as his brother's best man, while Jackie

Matthews served his brother as best man. Lust's groomsmen were Charles Summers, Keith Clayton and Joe Mike Myers. Matthews' groomsmen were Dennis Baker, Gail Morris and Gary Webb.

Wedding guests were registered by Ann Lust and Virginia Sheffy.

THE NEWLYWEDS were honored with a reception in the fellowship hall of the church after the ceremony. The brides' table was covered in white tulle over a white tulle overlay. The floor length skirt for the table was of the same material with satin ribbon of the brides' chosen colors entwined and completely circling the table's upper edge. The wedding cake featured two separate columns resting on a large rectangular cake base. It was decorated with a bouquet of fresh roses, daisies and baby's breath between the columns. Miniature bouquets were placed between the second and third tiers of the cake.

After cutting of the cake by each bride and groom, the cake was served by Mrs. Jackie Matthews, assisted by Dorenda Patterson. Fruit punch was served from a silver punch bowl by Mrs. Charles Summers. Pastel blue and yellow rosette mints were also served.

Deborah Donald, cousin of the brides, provided the music for the reception.

The rehearsal dinner was jointly hosted by the grooms' parents the evening before the wedding at the Hereford Country Club.

Following their wedding trip to northern New Mexico and Colorado, Mr. and Mrs. Lust are at home eight miles west of Dimmitt, where he is engaged in farming.

After their wedding trip to Orlando, Fla. and Disney World, Mr. and Mrs. Matthews are at home in Lubbock, where he will graduate from Texas Tech in December.

Future Teachers attend workshop

The Future Teachers of Dimmitt High School attended the District XVI FTA officers' workshop in Amarillo High School auditorium Sept. 16.

NINE members represented the Dimmitt chapter. They were Thelma McMinn, sponsor, Mrs. E. P. Calhoun, Donna Calhoun, Robin Patterson, Roberta Bossett, Lupe Montes, Pam Oldham, Brenda Underwood and Kay Phillips.

They attended a general session conducted by the president of District XVI, Cathy Parker. Then, each of the seven officers went into individual groups concentrating on specific offices. After discussing their duties, they finished with a closing session with reports from each of the different workshops.

County delegates attend state meet

By IRENE KEATING

The rain over the weekend was excellent on the yards and will certainly benefit the trees and shrubs, too. It seems like rainfall always "perks things up" much more than any amount of watering we can do.

MOST OF you are about through with your canning and freezing. I know you're tired of all the food preservation, but it'll sure be good this winter. One big advantage of your home canned items is the flavor and quality but also you don't have an "increase in price" each time you "purchase" a jar from your pantry.

THIS WEEK six home demonstration club women are attending their state meeting in Abilene. Delegates are Kathy Goolsby, Nell Ingram and Sue Stokes. Others attending include Bea Acker, Naomi Scarbrough and Margaret Womack. Highlights of the program include an address by Mrs. Dolph Briscoe and Chris Brooks with the Texas Association for Retarded Children. Upon their return our local participants

will report on their trip and the meetings and workshops they attended.

Remember to attend the Beef Extravaganza at the Farmer County Community Building from 1:30 to 3 p.m. today. Dr. Frank Orts, Extension Meat Specialist, will discuss grass fed beef, grain fed beef and how to stretch the meat dollar. Miss Jayne Hagger, Home Economist with the National Livestock and Meat Board, will demonstrate proper meat preparation and economical ways to serve beef.

Shower honors Mrs. McClenney

Mrs. Mance C. McClenney was honored at a pink and blue shower Sept. 12 in the home of Mrs. Derral Musick, 1009 W. Stinson St.

REFRESHMENTS of punch and assorted cookies were served from a table that was covered with white lace. The centerpiece featured a lace umbrella stationed over a baby doll among pastel bows.

Hostesses were Debi Meyers, Dorothy Musick, Dana Nelson, LaRue Hasley, Johanna Young, Betty Hedrick, Diana Leatherwood and Marcy Barstow.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

SEPT. 26 - Willis and Louise Wood.

SEPT. 28 - Mr. and Mrs. Marvin Jones, Spurgeon and Oneida Hutto.

OCT. 2 - John and Carol Lantz, Mr. and Mrs. Sam Lane.

Alvena Comer wins Tops title

Frances Goodwin presented the program at this week's meeting of Dimmitt Tops Club 386. Twenty-two members, including one new member, were present.

NAMED Queen of the Week was Alvena Comer with a weight loss of seven pounds. Total loss for the week by those attending was 22½ pounds.

Keep children's sack lunches safe

"Mothers who know" prepare school lunches following the Basic Four Food Groups, a foods and nutrition specialist said this week.

LUNCHES can be nutritious and still delicious with this guide, Sally Springer of the Texas Agricultural Extension Service said.

"For example, a meat or cheese sandwich, fruit and cookies, along with milk purchased at school, makes the four-food group scoreboard perfect."

She reminded sandwich makers to use butter or mustard rather than mayonnaise, if the sandwich will not be refrigerated. Pack the lettuce and tomato separate, to avoid a soggy sandwich at lunchtime.

A SMALL thermos will carry hot soups, stews and casserole dishes for a hot lunch at school. Also canned puddings, fresh fruits and cheese cubes make perfect lunch box treats.

Avoid using meat, fish or egg salads in packed lunches, because they may spoil unless refrigerated. Creamed sauces and dishes and custards are not recommended either, if they are to remain at room temperature.

Other lunch box ideas are "fun foods" packed with nutrition—carrot sticks, celery curls and apple wedges.

BEFORE buying children's toys, know for what age child the toy is designed and how it can be used, advises Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service.

Bain-Goldsmith vows read

The Avenue Baptist Church of Hereford was the scene Saturday evening of the marriage of Miss Karen Ray Bain of Hereford to Teddie Scott Goldsmith of Dimmitt.

THE BRIDE is the daughter of Mr. and Mrs. R. C. Bain, Hereford. The groom's parents are Mr. and Mrs. W. J. Goldsmith, Dimmitt.

Rev. Freelin Suttle officiated at the formal, double-ring ceremony.

Matron of honor was Mrs. Dean Crofford of Hereford, the bride's sister. Bridesmaids were Mrs. Larry Bain and Mrs. Wendal Bain of Hereford, sisters-in-law of the bride.

REX ALLSUP of Dimmitt served as best man. Groomsmen were Keith Goldsmith of Dimmitt, the groom's nephew, and Wendal Bain of Hereford, the bride's brother.

Ushers were Kenneth R. Jeter and David Barthel of Hereford.

Mrs. Billy Wall, organist, performed traditional wedding music and accompanied Theresa Vines of Lubbock, soloist, who sang "Twelfth of Never," "Let Me Be There" and "We've Only Just Begun."

THE ALTAR setting included two large bouquets of white gladioli and blue carnations, with unity candles on a pedestal between the bouquets.

Given in marriage by her father, the bride wore a formal wedding gown of sheer white shadonow over white bridal satin. The bodice featured a portrait neckline and lace trim around the Empire waistline. The A-line skirt was outlined with lace and featured a back fullness to form a chapel train. Lace also lined her long, full sleeves.

Her fingertip veil of illusion was bordered in lace, and a separate veil extended over her chapel train. Her bouquet was a cascade of white carnations, daisies and baby's breath, with a touch of blue.

THE BRIDES' attendants wore floor length gowns of light blue double-knit with portrait necklines, Empire waists trimmed in white lace, A-line skirts and short, puffed, lace-trimmed sleeves. They carried nosegays of white carnations, light blue daisies and dark blue cushion poms.

The bride's brother and sister-in-law, Mr. and Mrs. Larry Bain, hosted the wedding reception in their home 201 Hickory. Mrs. Robert Wiggins of Lubbock and Mrs. Tony Thompson of Wolfforth served the traditional bridal cake.

THE NEWLYWEDS are at home at 428 Ave. B, Hereford.

The bride is a graduate of Hereford High School and attended Texas Tech University. The groom is a Gruver High School graduate. Both are employed by the Amstar Corp. in Dimmitt.

MRS. TEDDIE SCOTT GOLDSMITH
The former Karen Ray Bain

JUDGES IN J.P. SEMINAR—Three justices of the peace from Region X were among the more than 70 judges who participated in a 20-hour basic Texas Justice of the Peace Training Center seminar conducted Sept. 2-5 in Amarillo. From left are Judge Marshall Young of Dimmitt, Judge Stanley Doss of

Littlefield and Judge W. G. Finney of Olton. The training center is headquartered on the Southwest Texas State University campus, where part of the seminar sessions are held. The training program is funded through the Governor's Office-Criminal Justice Division. There is no charge to participating counties.

If you are wondering what happened to the Savings & Loan premium giveaways that used to be advertised so enthusiastically by loan associations in the state of Texas, they have been altogether banned by the Texas Finance Commission.

NEW YORK and California have also sharply limited the amounts and kinds of premiums which savings and loans can offer to attract deposits and now Wisconsin, one of the most competitive giveaway states has asked for a moratorium on premiums while the state studies the whole idea of premiums and just how wholesome they are for the savings industry. There is a very real possibility

that the premiums actually add to higher overhead and encourage higher interest rate loans as the competition gets more expensive and extravagant in the cost of the premiums.

The Federal Home Loan Bank Board limits savings and loans to a maximum of \$5 in premiums for deposits of less than \$5000 and \$10 in premiums for deposits of \$5000 or more. However, there is no limit to the number of premiums which can be given each year or how much can be spent advertising the promotions or premiums.

The chief advantage of premiums is that they do attract deposits. There is no question that a 7.5% savings account with a free blender will draw money away from a 7.5% savings account with no blender. This means every savings and loan has to play the premium game just to protect their deposits from getting raided.

Even a premium ban doesn't solve the problem, though. The premium ban is only by state regulatory bodies, not the Federal Home Loan Bank Board. So, technically, the ban does not apply to federally chartered associations, only to state chartered ones. Thus far, the federally chartered associations in Texas have gone along with the prohibition, but there is a real possibility of a flow of savings out of non-premium states into savings and loans in states where premiums are still permitted.

Other services to take the place of premiums could also be more expensive. A Houston association now offers free travelers' checks and bill-paying services to take the place of premiums.

Farm Feature**

**Famous Seed Smugglers
Sent Home New Crops**

When early statesmen were smuggling seeds back home, planting was done by hand broadcast.

Hidden away in the nooks and crannies of history are unique ways in which early statesmen worked to improve American agriculture.

Here are just a few such instances.

George Washington, the Father of His Country, could just as easily been called the Father of American Agriculture. A constant champion of his first profession of farming, he personally used the best of his stylish coach mares at Mt. Vernon and "royal jacks" received from foreign dignitaries to breed a stronger strain of mule to lessen the manual burden of the Colonial farmer.

Scientist-statesman Thomas Jefferson, using mathematical principles, wrote a treatise on the form of the mold-board, calculating the exact shape and size and especially the curvature to lessen friction in plowing. His goal was to try and design an ideal shape that would work in all soils.

Another plow designer was Daniel Webster. He even went so far as to build a rather crude, cumbersome model of a plow.

Webster's interest in agriculture went much farther. Many efforts were tried in Massachusetts to get the state to sponsor a model farm where the latest agricultural

practices could be on display. But each attempt was defeated. So, Webster dipped into his own pocket, created such a farm and left it to future New England farmers.

Benjamin Franklin, during his many foreign travels to drum up support for the American cause in the Revolution, started the practice of secretly sending new seeds back home for American farmers to try.

This practice was followed by the federal government for many years and President John Adams, before sending a new consul off to a foreign land, reminded each of his duty to send home new seeds and plants.

But likely the best of these seed-smuggling statesmen was Jefferson. An aristocrat to the core and impeccable dresser, he'd fill his coat pockets with new seeds that foreign governments so jealously guarded for their own agricultural interests.

In Northern Italy, he risked the death penalty to smuggle seeds of upland rice back to South Carolina.

He summed up his actions in this way:

"The greatest service which can be rendered to any country is to add a useful plant to its culture."

Tech sets new enrollment mark

Texas Tech University has set another enrollment record. FINAL registration figures for the fall 1975 semester, released by the Office of the Registrar last Thursday, show-

ed an enrollment of 22,580, an increase of approximately 3 percent, or 653, over the fall 1974 figure of 21,927, according to D. N. Peterson, registrar.

Deaf Smith REC fetes employees for safe driving

Representing 75 years of driving Deaf Smith REC vehicles without an accident, 15 employees were honored with a breakfast recently at the Caison House in Hereford.

BUD EADES, representative for the insurance company covering the vehicles, presented certificates to the drivers. An award was also presented to the cooperative listing the 15 men's names.

Total mileage of all vehicles from April 1, 1974 through March 31, 1975 was 493,385 miles.

Boyd Collins and Bill Feagley were cited for driving 14 years without an accident. Others receiving awards were Dick Montgomery, Don Cox, Lonnie Noyse, Tom Weemes, Sam Garrison, David Pruitt, Don Rieves, Al Schumaker, Ed Hartley, Max Griego, Lee Jones, Jim Holmes and James Hull.

RASH OATHS, whether kept or broken, frequently lead to guilt.

Shaky cotton crop gets new shock with cold spell

By TEENY BOWDEN

It became evident this week that last week's cold spell brought shock to the cotton similar to frost. Both cotton and soybeans show the effects of the extreme change from dry and warm to wet and cold. Only light sprinkles were received Saturday morning with the new cold front. One inch was recorded for Saturday night and Sunday. 1.60 of an inch was received south of the draw.

AVERAGE attendance for the five-day Mary Hill Davis Week of Prayer program this week was eight. Mrs. Raymond Jones had charge of the program.

David Kniffen, assistant Army chaplain stationed near Frankfurt, Germany is home for a month's leave of absence with his parents Mr. and Mrs. Cleo Kniffen and family of the El Paso Natural Gas camp. He filled the pulpit at the Springlake Baptist Church last Sunday morning. His fiancée, a student nurse at Belton has also been visiting with them.

Rev. Bobby Gordon of Dimmitt and Vernon Patton of Tulia arrived Monday evening for the revival. Rev. Jim Hendrick of Dimmitt and Mr. and Mrs. Cleo Connell of Dimmitt were visitors in the revival services Monday night. Vernon Patton, song leader from Tulia, brought the special music, "Let's Just Praise the Lord." Mrs. Alton Loudder played the piano for the services.

Rev. and Mrs. Raymond Jones, his parents Mr. and Mrs. Dee Jones, Rev. Bobby Gordon and Vernon Patton were supper guests of Mr. and Mrs. Roy Phelan Monday night.

MRS. EMBREE Roy Sadler and Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon. Mrs. John Gilbreath worked in central supply the morning of the 5th.

Mr. and Mrs. Gene Morrison came in from their home on Possum Kingdom Lake Wednesday. They will stay in the little house on the gin property while they are here. They attended the revival services Friday night.

Mr. and Mrs. James Autry of Rocky Ford, Colo. spent the weekend with his parents Mr. and Mrs. W. T. Autry. Also visiting them were their daughter Mary Williams of Fort Worth; Mr. and Mrs. Max Newman and Richard of Stephenville and Mr. and Mrs. Turk Cates and girls of Ringwood, Okla. They all attended the wedding of Jerry Baldrige Friday night.

Mrs. Larry Walden of Tulia visited the revival services Tuesday night with her father Vernon Patton and played the piano for the services.

FB president 'gratified' by NLRB complaint

Texas Farm Bureau President Carrol Chaloupka said he was "extremely gratified" that the National Labor Relations Board had issued a complaint charging secondary boycott by the International Longshoremen's Association in refusing to load grain shipments to Russia.

"THIS IS a major victory in prohibiting labor unions from interfering with exports of American farm products," the Dalhart grain and livestock producer said. "It proves that there are legal means to correct illegal actions."

The Texas Farm Bureau, along with the American Farm Bureau Federation and the Kansas Farm Bureau, on Aug. 25 filed secondary boycott charges against the International Longshoremen's Association.

Chaloupka said Farm Bureau received notification Sept. 19 that the NLRB has authorized its Houston office to issue a complaint and file injunction proceedings in the US District Court.

A SECONDARY boycott, termed an unfair labor practice under the Taft-Hartley Act, is defined as pressure by workers on a party against which they have no grievance in order to win concessions from another.

The Farm Bureau complaint was filed to stop the unions' interference with grain shipments to Russia.

Subsequently, the ILA resumed ship loadings under court injunctions as a result of suits filed against the unions by Texas Gulf port shipping associations. The unions have appealed.

piano for the services. Jay Washington of Tulia was also a visitor. He sang "For All My Sins" and gave his testimony. Vernon Patton and Mrs. Gale Sadler sang "Jesus and Me" and Randy Gordon of Dimmitt, son of the evangelist, sang "Because He Lives." He was accompanied on the piano by his sister Vicki Gordon. Also attending from Dimmitt were Debbie Gordon and Jackie and Beth Ann Roberts.

REV. AND MRS. Raymond Jones, Rev. Bobby Gordon and Vernon Patton were supper guests of Mr. and Mrs. Embree Roy Sadler Tuesday night.

Mr. and Mrs. Noah Spencer were in Dallas Wednesday through Friday for his medical check-up. He got a very good report and doesn't have to go back for two months.

Mrs. Ruby Wolf of Santa Fe, Mrs. Golda Mae Wolf of Albuquerque and Mr. and Mrs. M. H. Fowlkes of Lubbock spent the day Wednesday with Mr. and Mrs. Embree Roy Sadler.

Mrs. John Gilbreath and Mrs. Rodgers attended the all day workshop of the Plains Memorial Hospital Auxiliary in the home of Mrs. Sam Gilbreath in Dimmitt Wednesday. Mrs. L. B. Bowden attended in the afternoon.

Rev. and Mrs. Raymond Jones, Mr. and Mrs. Vernon Patton and Rev. Bobby Gordon were supper guests of Mr. and Mrs. J. Paul Waggoner Wednesday night.

Mrs. Vernon Patton of Tulia was a visitor in the Wednesday night revival service. Mrs. Lonnie Wilson played the piano for the services. Daneen Wilson and Gale Jones sang a duet, "I Know Who Holds Tomorrow" with Gale playing the piano for them.

Mr. and Mrs. Ed Townsend spent the weekend in Durant, Okla. with their children and grandchildren.

Kelley Haydon will serve as second vice-president of the Springlake-Earth FHA this year.

Robert Duke took his father R. E. Duke to Lubbock Sunday to attend the Delta County Old Settlers reunion.

Matt Gilbreath plays on the Dimmitt 8th grade team. They lost their first game to Friona last Thursday night 24-6 at Friona.

DIMITT won over Springlake-Earth Friday night 20-0. It was the first loss for Springlake-Earth and the first win for Dimmitt. Lee Brown and Joe Fulfer play on the Wolverine team.

Word was received Sunday morning that S. W. (Scoot) Lilley passed away Saturday night after being hospitalized earlier in the week. He is the father of Roy and Hubert Lilley and is a former resident of the community. Funeral services will be Monday afternoon in Baird. His brother Jess, also a former resident of the community, passed away Sept. 9 at Stephenville. Mr. Scoot Lilley, the last survivor of his family, was able to attend his brother's funeral earlier in the month.

Mr. and Mrs. Ezell Sadler spent the weekend in Abilene with Mr. and Mrs. Hollis Buchanan and attended the Caps Community reunion with them Sunday.

Rev. and Mrs. Raymond Jones, Mr. and Mrs. Dee Jones, Rev. Bobby Patton and Vernon Patton were supper guests of Mr. and Mrs. Hershel Wilson and Daneen Thursday night.

MR. AND MRS. Kenneth Burnet and Mrs. Jack Terrell of Cotton Center visited in the Thursday night revival services. Mrs. Burnet sang "He Touched Me" for the special music and gave her testimony. Mrs. Terrell played the piano for the services. Other visitors in the service were Mrs. Una

Cook and Mrs. Leora Calhoun. Mr. and Mrs. Tony Ball and family of Manchester, England were guests of Mr. and Mrs. Ray Joe Riley, Kevin and Jodie last Sunday. Mr. Ball is currently in Lubbock at the Tech Textile Research Center. It was their first time to spend the day on a farm.

Mr. and Mrs. Richard Heizer, Mr. and Mrs. Ray Joe Riley and Mr. and Mrs. Eddie Haydon attended the teacher appreciation banquet sponsored by the Lions Clubs of Springlake and Earth Tuesday night. Kevin Riley, Michael Graham and Kim and Jeanne Haydon helped with the serving as members of the Junior Honor Society. The Rileys and Haydons are members of the school board. Mrs. Heizer is a teacher.

Mr. and Mrs. Raymond Jones left Saturday morning for their home in Cleveland, Tenn. after a two week visit here with their son and family Mr. and Mrs. Rodney Miller, Chris and Todd.

REV. AND MRS. Raymond Jones, Rev. Bobby Gordon and Mr. and Mrs. Vernon Patton were supper guests of Mr. and Mrs. Noble Armstrong Friday night.

Mr. and Mrs. Larry Walden and Mr. and Mrs. Jesse Love of Tulia and Mrs. Vernon Patton were visitors in the Friday night revival services. Mrs. Alton Loudder played the piano for the services. Mrs. J. Paul Waggoner, Carl Bradley and Hershel Wilson brought the special music, "Kneel at the Cross." Mrs. Patton and Rev. Gordon gave their testimony, as did several. There were testimonies each night from members.

Mr. and Mrs. James Powell and family of Dimmitt visited with Mr. and Mrs. Larry Sadler and family Friday night.

Several from the community attended the enchilada supper at Springlake-Earth Friday night preceding the football game. It was sponsored by the PTA.

Mrs. Ray Joe Riley, Kevin and Jodie attended the Springlake-Earth 4-H meeting Monday night. Jodie became a new member.

Rev. and Mrs. Raymond Jones, Rev. Bobby Gordon and Vernon Patton were supper guests of Mr. and Mrs. R. V. Bills Saturday.

MR. AND MRS. Jesse Love and R. L. Rowell of Tulia were visitors in the Saturday night revival services. Mr. Rowell gave his testimony. Vernon Patton and Jesse Love sang, "I Believe in a Hill Called Mount Calvary." Mrs. Alton Loudder played the piano for the ser-

vice. Mr. Patton also sang "Had It Not Been for the Old Rugged Cross."

Lynn Brown, Baldomoro Saucedo, Pat Fulfer and the Springlake-Earth junior varsity lost their game Thursday night to Coby Gilbreath and the Dimmitt junior varsity 12-6.

Matt Gilbreath and the Dimmitt 8th grade team won over Kevin Riley, Chris Elkins and the Springlake-Earth 8th graders Thursday night 12-6. Michael Graham is a manager of the Springlake-Earth team.

Kim and Jeanne Haydon are both cheerleaders for the Springlake-Earth junior high teams.

Friday night's game between Dimmitt and Springlake-Earth high schools involved several community kids in the bands. Kelley Haydon is a cheerleader and Daneen Wilson a twirler for the Springlake-Earth band.

Playing in the band were Belinda Hampton, Lynn Brown, Gale and Sharon Jones. Cindy and Susan Sadler and Daniel Montiel play with the Dimmitt band.

Mr. and Mrs. Gale Sadler and her father E. E. Lewis visited in Lubbock Sunday afternoon with their brother and son Mr. and Mrs. Leroy Lewis.

Mrs. Irving King went to Amarillo Sunday to visit a few days with her mother Mrs. Bertha Sweeney and Bill and the Francis Kings.

Vernon Patton sang "The Three Nails" in the Sunday morning service and "The Cross Made the Difference to Me" in the Sunday evening service. Rev. Bobby Gordon also sang "Where Can I Go But to the Lord." Mrs. Alton Loudder played for both services. Dee Jones, father of the pastor, gave his testimony in the morning service. Kent Bradley gave

his testimony during the evening services. Visitors included Mr. and Mrs. Weldon Bradley and Mr. and Mrs. Cecil Jones of Dimmitt. Following the regular service Wendy Wilson was baptized.

A large group had dinner together at the church Sunday. The visitors were guests of the Raymond Jones family Sunday night. It was a very good revival team.

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$2.50 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of the winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. GRAND PRIZE for the season will be 2 tickets to the Cotton Bowl Game. There will be no second place grand prize this year. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winner.

Missionary to speak here Sunday

Rev. Willard Teague, an Assemblies of God missionary to the Ivory Coast, will be guest speaker Sunday at 7 p.m. at the Assembly of God Church in Dimmitt. Rev. William Summers, pastor, has announced.

DURING their past term of missionary service, Teague and his wife Jerlene were engaged in literature distribution, evangelism, church planting and Bible school teaching. They assisted in establishing churches in the cities of Guiglo, Toulepleu, Man and Duekue. The

Teagues also helped establish the first Assemblies of God Bible school in Ivory Coast, located in San Pedro.

On their next term the Teagues will continue to work in the Bible school and participate in other general missionary activities.

There are six Assemblies of God missionaries and 31 national ministers in the Ivory Coast. More than 3,000 members and adherents attend the 85 Assemblies of God churches and outstations there.

The Teagues will be sharing more about their work in Ivory Coast during this special missions service. The public is invited.

IVORY COAST MISSIONARY WILLARD TEAGUE AND FAMILY
He'll speak Sunday evening at Assembly of God

DeZane Carter

Mrs. Carter receives MS

DeZane McFarland Carter, a research fellow at Texas Tech University, has been awarded a master's degree in counseling psychology with specialization in rehabilitation counseling and psychological evaluation.

TEXAS TECH is one of the two American Psychological Association approved schools in Texas, the other being the University of Texas.

Of 200 hundred applicants for admission to the counseling psychology program, Mrs. Carter was one of 10 accepted and one of five to complete the degree requirements. She submitted a master's thesis entitled "Personality Differences, as Measured by High School Personality Questionnaire, of Rural Adolescent Inpatients Versus Adolescents from Outlying Communities."

As a degree requirement, Mrs. Carter completed a year as intern at the Central Plains Mental Health-Mental Retardation Center in Plainview, and is presently a counselor for the Juvenile Probation Department in Hale County.

MRS. CARTER, daughter of Gwen and Helene McFarland of the Arney community, attended schools in Happy and Nazareth, graduating from Nazareth High School. She has applied for admission to the Texas Tech School of Medicine. She earned a bachelor of science degree from Wayland Baptist College.

She and her husband, Larry, and son, Jhara, live in Plainview.

BREEDING CATTLE EXPORTS

Texas was the leading exporting state of beef breeding cattle in 1974, reports a livestock marketing specialist for the Texas Agricultural Extension Service. About a third of all the beef breeding cattle shipped from the US last year came from Texas. Texas led in exports of Angus, Beefmaster, Brahman, Brangus, Charolais and Santa Gertrudis cattle.

Cotton market shows signs of perking up

The cotton market is showing signs of resurgence after being in the doldrums for more than a year. However, Texas farmers won't be able to capitalize too much on the improved prices because they planted only a limited amount of cotton this year.

"THE PRICE of lint cotton from the 1975 crop should average about 40 cents a pound," believes Charles Baker, economist in marketing with the Texas Agricultural Extension Service. "The August 27 spot price taken from a 10-market average for strict low middling cotton with one-and-one-sixteenth-inch fiber was 50.43 cents per pound, the highest for the past 12 months and 15.5 cents above the season low."

The economist looks for prices to remain steady over the next month or so and then possibly to move up a bit. He sees a strong market over the long run due to a short crop nationwide and a strengthening in the demand for cotton by textile mills. Mills are once again looking favorably at cotton due to increased prices in synthetic fibers which are by-products of petroleum.

"As far as the Texas crop is concerned, farmer planted some 4.5 million acres, and about 4 million of these will be harvested," notes the Texas A&M University System specialist.

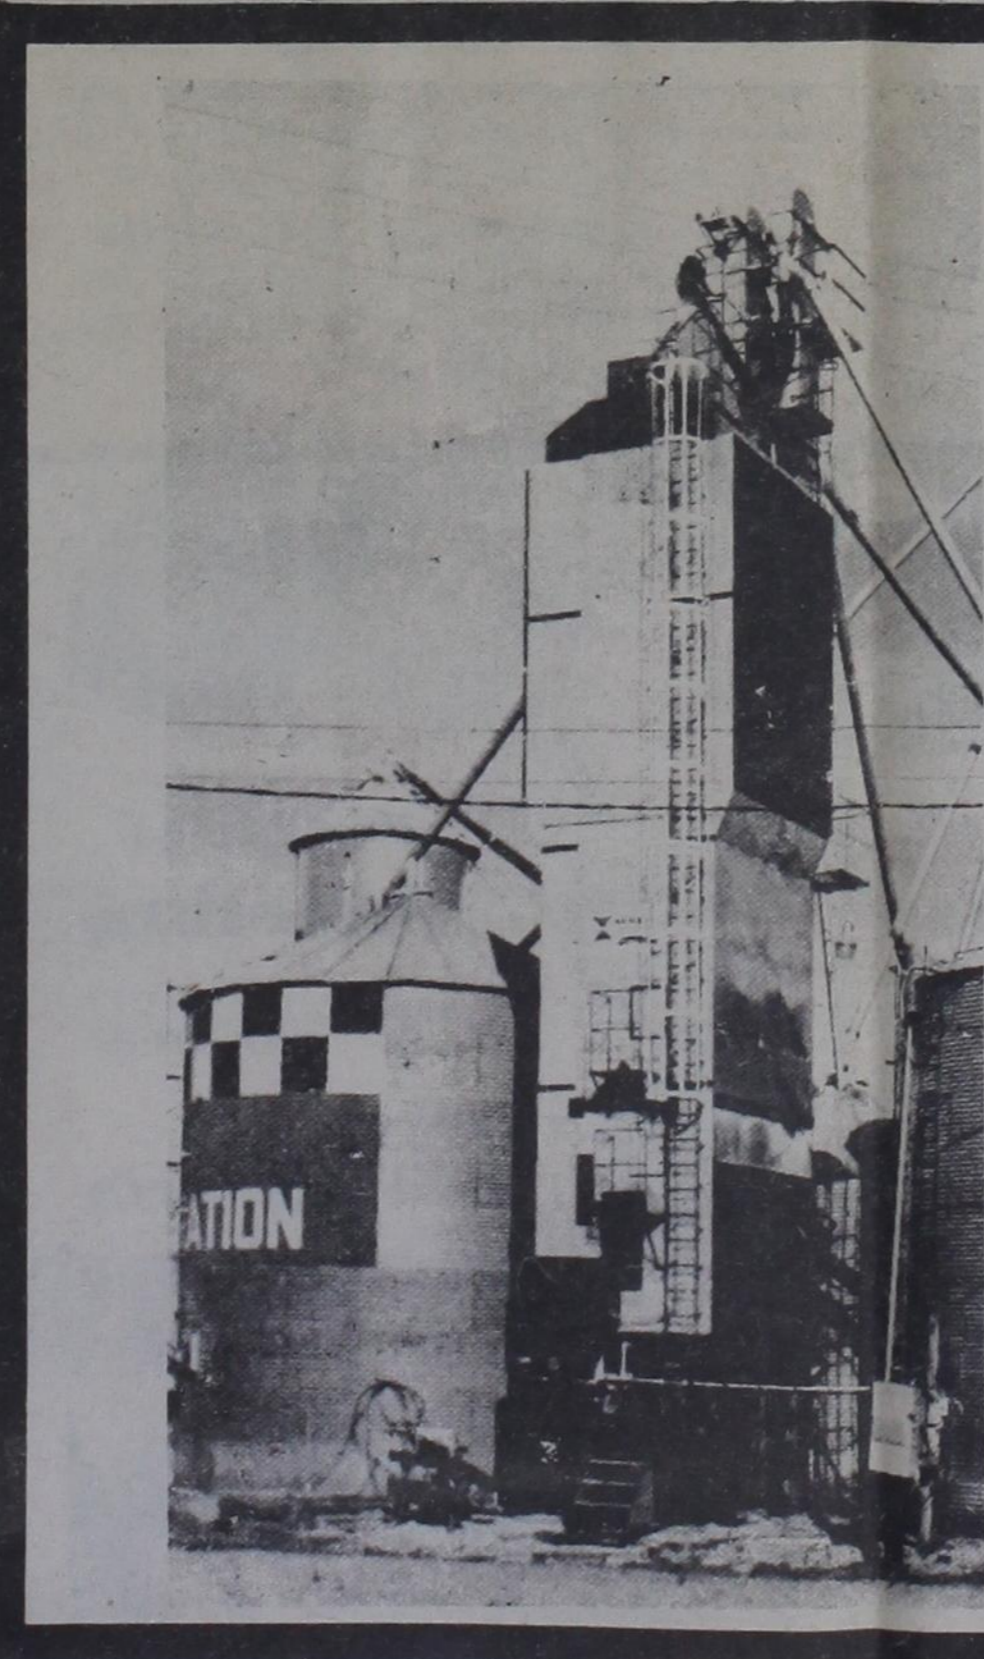

"This means harvested acres will be down about 400,000 from last year. However, yields are expected to average about 340 pounds per acre, up almost 70 pounds from a poor 1974 crop."

THE TEXAS crop should produce some 2.8 million bales, with the entire crop grossing more than \$670 million. This would be up \$125 million from 1974.

"Cotton acreage was cut back drastically this year due to poor market prices last year and in early 1975," points out Baker. "Most of the state's crop is in the South Plains where almost 2 million acres are expected to be harvested and should account for about 1.5 million bales."

Harvesting is nearing completion in South Texas and has started in South Central and Southeast Texas and in the Central Texas Blacklands. Heavy rains at the beginning of the South Texas harvest caused heavy losses. Insect damage has been severe in parts of Central and West Texas and will contribute to lower yields, adds Baker.

UNICEF advocates breast-feeding of infants and development of simple nutrition services based on the use of locally grown nutritious foods.

GARNER BALL, manager of W&C Grain, Inc., shows the two grain dumps and storage facilities that insure fast service during the harvest season. Extending from the office at right is the county's first electric grain probe, which takes the probe sample from the truck bed by

remote control and vacuums it directly into the office, where a Burrows digital moisture computer gives a read-out on the moisture content. Other time-saving features at W&C Grain, Inc., include three corn dryers and a completely paved elevator yard.

W&C Grain aims to save you time

The folks at W&C Grain, Inc., are ready for a big grain harvest. And they've got the equipment to handle it.

W&C Grain, Inc., located on East Bedford Street, now has a storage capacity of more than a million bushels, and three corn dryers with a total capacity of 4,500 bushels per hour.

Abstract figures? Nope—combine these totals with two grain dumps and they mean fast, efficient service on your grain handling this fall.

Manager of W&C Grain, Inc., is Garner Ball, who has had 12 years' experience in the grain, seed and fertilizer business. Raised on a farm near Olton, Ball farmed until 1968, then became manager of Sunnyside Grain Co. He

later served 2½ years as manager of High Plains Seed at Five Point before joining W&C Grain earlier this year.

Ball's wife, Ysleta, works with Oneeta Cole and Jan Baca in the bookkeeping department. Larry Odom is the elevator superintendent.

W&C Grain, Inc., is also headquarters for seed and fertilizer. The company is a dealer for Horizon, Pioneer and other major brands of seed, and sells all types of dry fertilizer, plus ammonia—all delivered to your farm when you need it.

Steer your grain truck in to W&C Grain, Inc., on East Bedford Street and you'll get fast, friendly service at one of the area's fastest-growing elevator companies.

Introducing . . .

Western Ammonia Employee
Pedro A. Gonzales

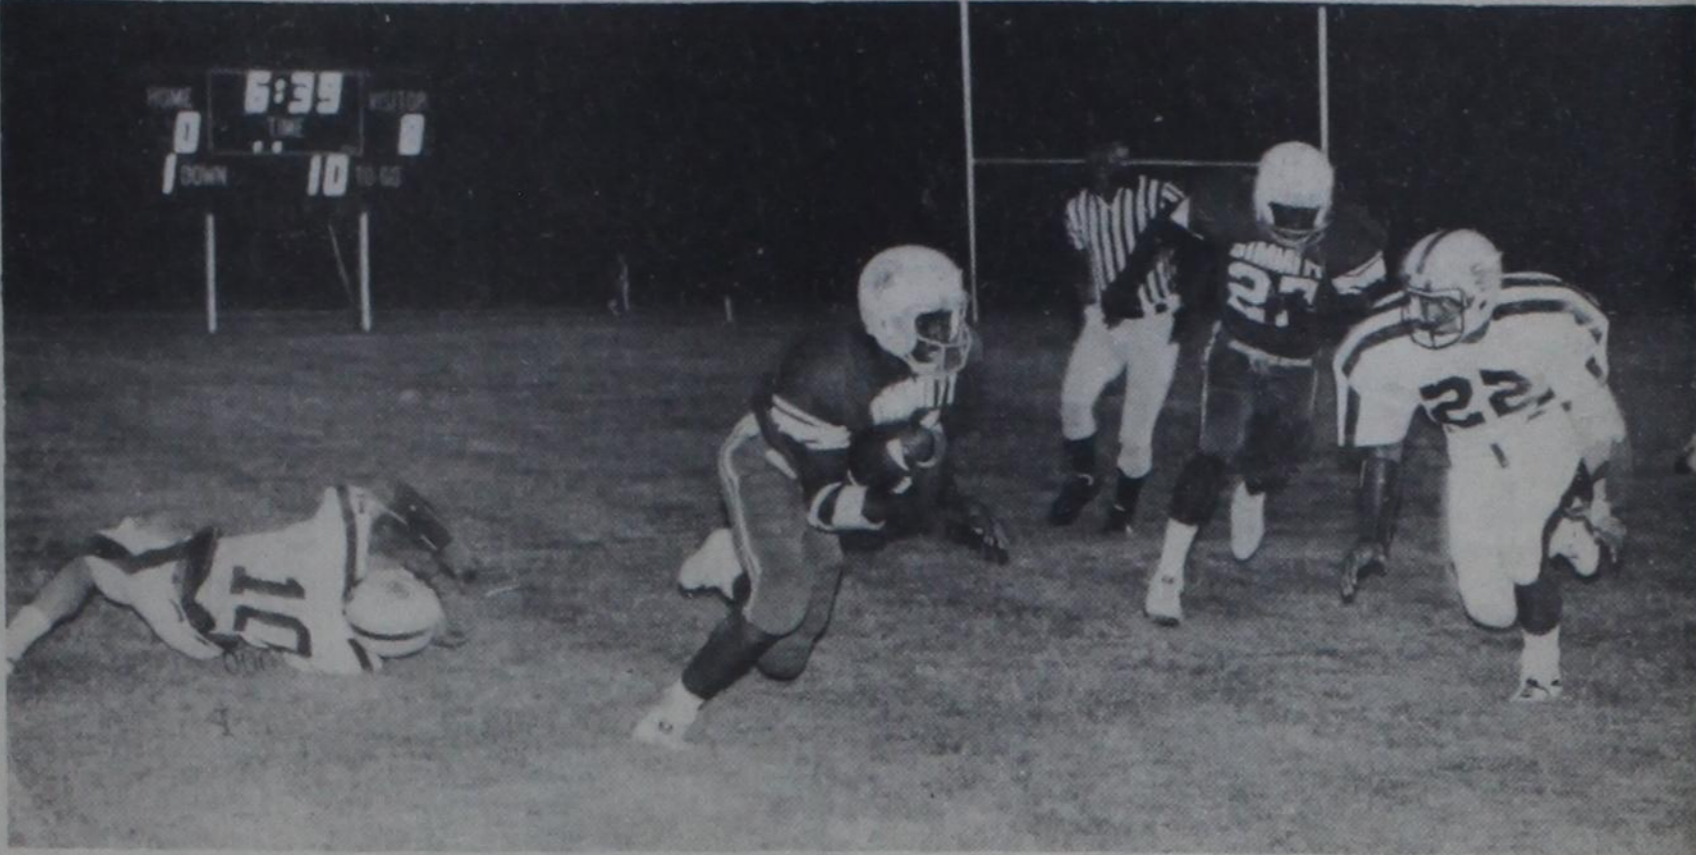

Pedro's main job is to keep up the insulation on all the pipes and fittings in the Western Ammonia plant. In addition to his work as insulator, he does mechanical work "and anything else that needs to be done."

Born at Reynosa, Mexico, Pedro grew up at McAllen. He joined Western Ammonia in 1964. He was transferred to the Elcor plant at Van Horn for two years, then returned to the Dimmitt plant in 1970.

Pedro and his wife, Aleda, have nine children—Tony, 15, Patricia, 14, Olga, 13, Johnnie, 12, Norma, 9, twins Dalecia and Dalia, 4, Mandy, 3, and Aleda, 2.

Western Ammonia Corp.

THOMPSON MAYBERRY turns upfield for a 15-yard gain after eluding Springlake's Lee Brown [10] in the second quarter of Friday night's game at Springlake. Closing from right is Springlake back Willie Flores, and trying to intercept him is

Dimmitt's R. E. Ewing [27]. Mayberry carried the ball nearly every play in Dimmitt's first scoring drive and finished the night with 90 yards on 27 carries and caught two passes for 18 yards as Dimmitt won a 20-0 victory.

More about

Harvest . . .

[Continued from Page 1]

been at the \$5 level last week." Corn being harvested now is ranging from 25% to 30% moisture content, and must be dried down to 17% for storage.

BILL GREGORY of Castro County Grain agreed with Clark's yield estimate. "There's going to be a lot of corn yielding above 8,000 pounds, and I checked one field the other day that looked like it might reach 10,000 pounds," Gregory said. "It's going to be one of the best corn harvests we've ever had."

He added, "They really haven't cut enough fields yet to make an accurate projection, but at this point it looks tremendous. There are more acres of corn this year, which should result in the biggest crop in history if we get to harvest it. If we can get a month of pretty weather, we'll be in good shape."

Regarding market price, Gregory said, "It would be real helpful if it would hold around \$5. The price has been going down a little for the last three days, and that needs to turn around."

GARNER BALL, manager of W&C Grain, Inc., said, "I imagine it will be Thursday before the corn harvest really gets started again, and it should be

Two men get probated terms

District Judge John T. Boyd sentenced two men to five years' probation Friday after they pleaded guilty to burglary charges.

SENTENCED were Eddie Rodriquez, who pleaded guilty to burglarizing the home of M. C. Blackwell, and Richard Sterling, who pleaded guilty to burglarizing Dimmitt Junior High School.

going full tilt next week if the weather is pretty.

Ball, who is also experiencing "real good yields with 25 or 26 percent moisture content," said that the corn harvest will be "pretty well out by the first of November—if the weather stays pretty."

Apparently, there are more harvest crews than ever in the county—especially from Kansas and South Texas—so getting enough combines for the job may not be as difficult as it has been in past years.

IN SOUTHEAST Asia alone, 100,000 children go blind each year as a result of lack of Vitamin A. The price of a small bag of potato chips or a candy bar—donated to UNICEF—can provide the Vitamin A capsules needed to protect three children from blindness for an entire year.

Simpson to lead 4-H camera tour

Dimmitt Photographer M. L. Simpson will take all interested 4-H members in the county on a photo tour Sunday afternoon to shoot pictures of windmills and barns.

SIMPSON will discuss picture composition, lighting and different photographic techniques during the tour.

4-H'ers wishing to make the tour should meet at 2 p.m. Sunday at the David Acker home six miles east of Dimmitt on Highway 86.

Man ordered to begin sentence

Mike Menchaca, who was convicted of felony DWI in a jury trial last April, was ordered Friday to begin a three-year sentence in the state prison at Huntsville.

District Judge John T. Boyd had postponed the sentence when Menchaca suffered a heart attack after his conviction.

UNICEF, the United Nations Children's Fund, is a non-political, humanitarian organization that provides aid for hundreds of millions of children in Asia, Africa and Latin America.

Ambulance bids called

Ambulance bids were called Sept. 12 by the Panhandle Regional Planning Commission for 10 vehicles—including one for Dimmitt—to be purchased through an Emergency Medical Services Grant awarded to the Panhandle by the Department of Health, Education and Welfare, according to Betty O'Rourke, regional emergency medical services coordinator.

THE CITY of Dimmitt has requested the purchase of a Type II standard van, forward control integral cab body ambulance. It will be used in conjunction with the city-county ambulance purchased from Dennis Funeral Home.

Well-equipped ambulances meeting design and equipment standards are a prime requisite for an effective, reliable emergency medical services system.

"The ultimate goal is to provide for regional emergency transportation service available at all times and designed to provide life-supporting measures to every victim of an emergency," said Don Goforth, vice-president of the Panhandle Emergency Medical Services System.

BID PACKETS will be opened Oct. 10 in the offices of the Panhandle Regional Planning Commission, with the awards to be made Oct. 23.

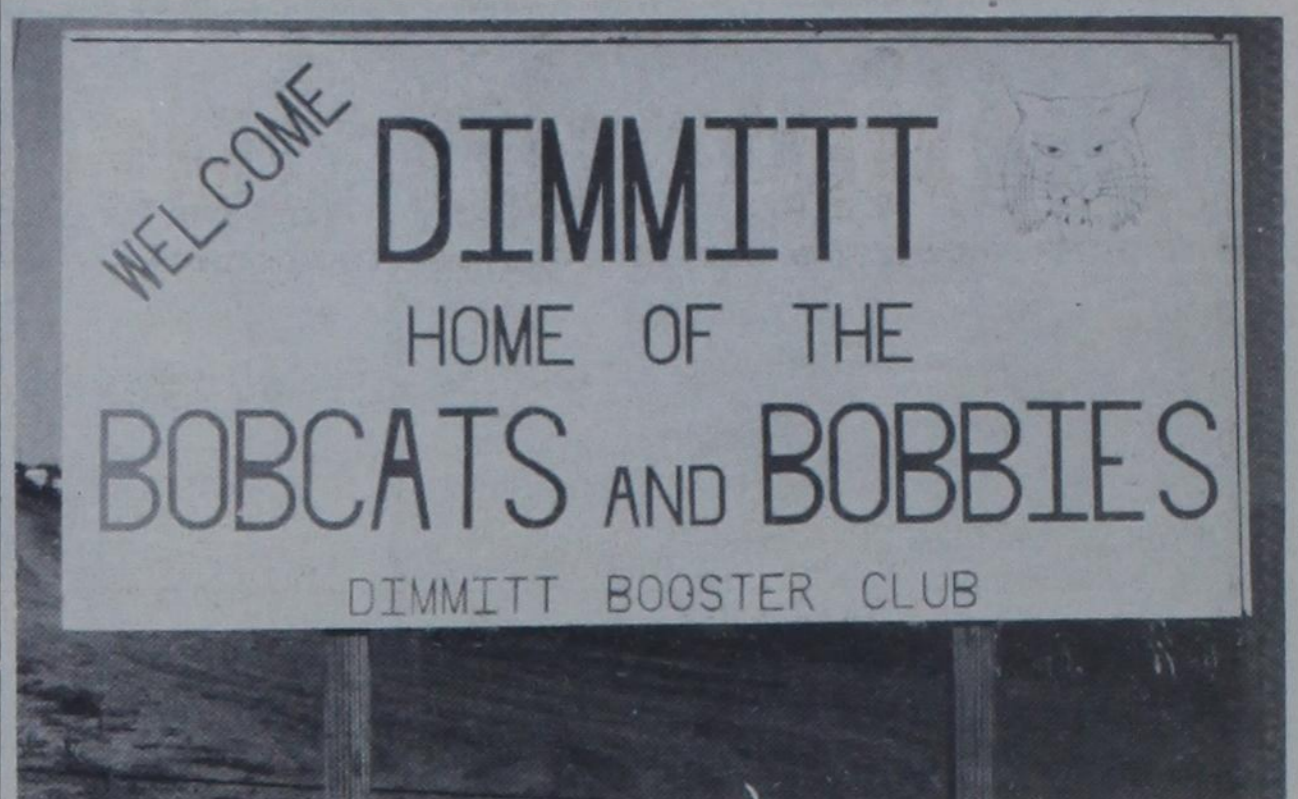

More about

Sudderth

[Continued from Page 11]

NEW DIRECTORS elected at Saturday night's annual meeting were Ronnie Gfeller, Summerfield; John Walker, Jumbo; Jimmie Howell, Tam Anne; Howard Smithson, North Dimmitt; Francis Wilhelm, Nazareth; Danny Bruton, Flagg; R. J. Murray, Hart; and Larry Hausman, Big Square.

Farm Bureau members adopted resolutions urging state FB directors to increase the organization's lobby staffs to two full-time representatives in Austin and two in Washington; commending the Farm Bureau's legislative staffs for their work; and commending the local Farm Bureau staff (Jack Flynt, Lynn Polson and Nelda Tuttle) for their service to members.

BOOSTER SIGNS such as this one now greet Dimmitt visitors at all highway entrances to the city. The new purple-and-white signs were purchased and erected by the Dimmitt Athletic Booster Club.

NOT ANOTHER STEP!—Dimmitt's Mark Washington stops Springlake fullback Rodney Geissler for no gain with a decisive tackle in the second quarter of Friday night's game at Springlake. At left, Dimmitt's Jody Minnick [42] hurdles

Springlake quarterback Mark Barton to get in on the tackle. Washington, in addition to playing a good defensive game, was Dimmitt's leading ground-gainer on offense. The Bobcats won, 20-0. [Photo by David Nelson]

Heart Association plans fund drive, blood-test clinic

Debra Schreck, local fund campaign chairman of the American Heart Association, gave a report of plans for the year at the Castro County Chapter's September luncheon meeting.

A BLOOD pressure clinic will be held this fall in Hart, Nazareth and Dimmitt. Also, a swim marathon is planned.

Joyce White of Lubbock, regional director, gave her report. All board members of the Heart Association will attend a dinner and workshop Oct. 29 at the First Christian Church in Lubbock.

Board members attending were Barbara Keel, Beral Hance, Susie Bradford, Carol Lantz, Debra Schreck and Dr. B. D. Murphy, chapter president.

The next meeting will be Monday, Oct. 13.

Asthma seminar set for Oct. 4

Jim Petra of Dimmitt today reminded residents of Castro County of an area-wide asthma seminar, sponsored by American Lung Association of Texas, to be held Saturday, Oct. 4, at the Quality Inn, I-40 East, in Amarillo.

"THE MORNING program from 8:30 till noon is strictly for health professionals," Petra said. "The afternoon program from 1 to 4 will be oriented toward parents of asthmatic children and adult asthma patients."

There will be no charge for the afternoon session. Morning registration will be \$5. Four and one-half nursing education points have been approved for both RN's and LVN's.

The morning session will include physiology, immunology, biochemistry and stress management of asthma. The afternoon session will be oriented toward the parents of asthmatic children and coping with the disease from the patient's point of view.

All interested persons in the Panhandle area are invited to attend, including teen-age asthma sufferers.

WHEN IRONING embroideries, appliques or monograms, place them face down on a thick bath towel. This makes the design stand out rather than be flattened, says Lynn Bourland, family resource management specialist with the Texas Agricultural Extension Service.

COW POKES

By Ace Reid

"Jake now that hoss has an easy gait, you've jist got a rough saddle!"

Dairy output to hinge on price of feedgrains

Dairying in both the US and Texas through the remainder of this year and well into 1976 depends heavily upon the price of feedgrains. If prices ease somewhat as large grain harvests move to market, milk production will likely increase, believes a marketing economist at Texas A&M University.

"MILK production will hinge mainly on whether or not feeding of the nation's dairy herd increases to boost output per cow," points out Dr. Randall Stelly of the Texas Agricultural Extension Service and Experiment Station. "Numbers of cows are expected to remain stable as culling and slaughter will continue at a low level due to poor market prices."

Stelly expects milk output to reach about 116 billion pounds for 1975, up some 600 million pounds from last year. Milk production in Texas during the first half of the year totaled 1.79 billion pounds, up about 3 percent from the same period in 1974.

"Of course, dairymen are still in financial trouble due to ever-increasing production costs. Their cash receipts were down about 5 percent during the first half of this year due to lower farm milk prices," says the economist. "Gross income is expected to rise during the remainder of 1975, but the overall increase will only be about 2 percent above the \$9.4 billion of last year."

STELLY predicts moderate seasonal increases in the retail prices of dairy products during the remainder of 1975, but for the entire year the price increase should be less than the 4.5 percent average annual increase during the early 1970's.

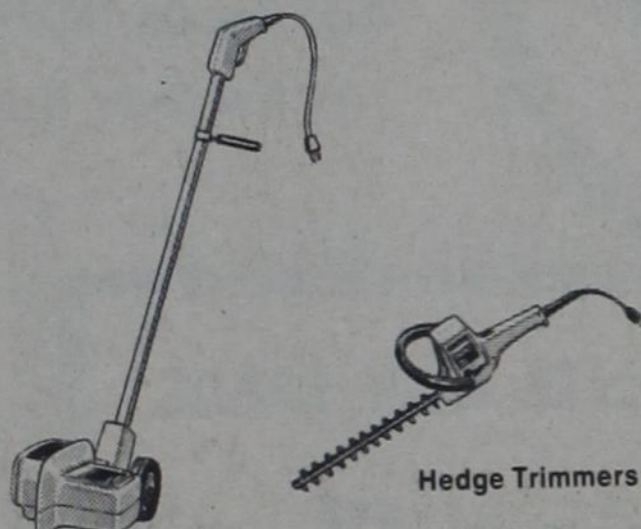

The Class 1 price for milk formulated under federal marketing orders for the northern area of Texas is \$9.67 per hundredweight for September. This is up 24 cents over August and 33 cents over the July price. Such increases will continue in the coming months, but dairymen will reap little profits due to higher costs, Stelly says.

Inspired Bobcats shock Wolverines, 20-0

By JIMMIE CHAPMAN

The Dimmitt Bobcats unleashed eight running backs against the previously undefeated Springlake-Earth Wolverines Friday night and came out with their first win of the season, 20-0.

BUT IT was the stout defensive line play that preserved the win for the Bobcats.

David Malone, Steve Anthony, Ronnie Lawson, Joe Aleman, Brad DuLaney, Thompson Mayberry, Keith Goldsmith, Jody Minnick, Kyle Touchstone and Gaines Howell paced a defense that put the

Wolverines on the minus side for the first time this season. Howell intercepted passes by both of Springlake's quarterbacks to stop serious scoring drives in the second half. The Bobcats picked off three passes in all, and recovered four fumbles as the frustrated Wolverines stepped almost 200 scoreless yards on the ground and completed only one pass out of 11 in a losing cause.

Mayberry and Tony Washington teamed up with DuLaney's passing to spark the offense for the visiting Cats. Mayberry carried the ball 27

times from scrimmage, gained 90 yards on the ground, caught 2 passes for 18 more yards, and got the honor of scoring Dimmitt's first points of the season on a four-yard pass from DuLaney in the first quarter.

Washington ran with the ball eight times from scrimmage for 54 yards, and scored a 69-yard touchdown on a pass-and-run play from DuLaney in the final period.

Rick Bagwell, Ronnie Lawson, Larry Bossett, Tommy Kenworthy, Jody Minnick and DuLaney accounted for the rest of the offense for the determined Bobcats.

Dimmitt got its first TD late in the first quarter after the Wolverines' Mark Barton was knocked loose from the ball and Joe Aleman recovered on the Springlake 15-yard line. Mayberry carried five times, gaining yardage every time except once when he was thrown for a four-yard loss but on the third down play, Mayberry took a 4-yard swing pass from DuLaney and went in for the score. On the try for the extra point, the Cats lined up for a kick but DuLaney took the snap from center, lateraled it to Mayberry on a reverse and the Bobcats got on the scoreboard with an 8-0 lead with less than two minutes left in the first period.

The Wolverines came roaring back, and with Rodney Geissler carrying the ball most of the time, moved to the Dimmitt 20-yard line. But Kyle Touchstone recovered a Geissler fumble there to stop the drive. That was the closest the Wolverines came to scoring in the first half as Washington intercepted a Jim Furr pass in Dimmitt's end of the field on the last play of the first half.

Dimmitt returned the second-half kickoff to the 30-yard line, then moved to the Springlake 34-yard line before the Bobcats' David Espinosa punted into the end zone to give the home team the ball on the Springlake 20. The punt was credited good for only 14 yards and this hurt Espinosa's punting average for the night.

On the next-to-last play of the third period, Ronnie Lawson recovered another Geissler fumble on the Dimmitt 18 to stop another Wolverine scoring threat.

Early in the fourth period, Washington recovered another fumble on the Dimmitt 31-yard line and from there the Cats launched their next scoring drive. Bossett tried the middle of the line and got nothing, then Brad DuLaney hit Washington at the 50-yard line and the 180-lb. junior fullback shook off two would-be tacklers and raced down the sidelines for a TD that was good for 69 yards on the play, Dimmitt's longest gainer so far this season. Espinosa's extra-point kick was low, and Dimmitt led 14-0 with 9:46 left in the game.

After the next kickoff, Springlake ran two plays from its own 23-yard line before Howell intercepted a pass at the Springlake 40 and raced it back to the 20. It took only four plays for the Bobcats to get on the scoreboard again.

Freshman Larry Bossett ran three times to put the ball on the 1-yard marker, then the 146-pound tailback pushed it across the middle for the score. Espinosa's first try for the point was good but Dimmitt had only six men on the line of scrimmage and was penalized five yards. Espinosa's second kick was a little off to the right, leaving Dimmitt with a 20-0 lead with 6:48 left in the game.

Dimmitt got the ball only once more in the game—on another interception by Howell at the Dimmitt 34-yard line.

Springlake threatened again late in the game when Furr and Geissler carried a 60-yard drive that sparked the Wolverines to the Bobcat 7-yard line. But Keith Goldsmith threw Mark Barton for a 7-yard loss and then after an incomplete pass and a 4-yard gain by Geissler, Dimmitt took over the ball on its own 11-yard line. From there, DuLaney simply fell on the ball and let the clock run out.

The Bobcats have their first victory of the season and can even up their record at 2-2 when Tahoka rolls into town Friday night. The Wolverines, one of the top-ranked Class A teams in the area, are now 2-1 for the season as they get ready to defend the District 3-A title that they shared with Hart and Vega last season.

D—Bossett, 1-yard run.

WHO'S GOT IT?—Dimmitt's Rick Bagwell [24] has, although Kyle Touchstone [15] is stretching for it, too. This second-quarter pass from quarterback Brad DuLaney resulted in a first down for Dimmitt at the 50-yard line as Bagwell and Touch-

stone flooded the zone against Springlake's Jim Furr [5]. The Bobcats unleashed a sharp passing attack, completing five of nine for 109 yards and one touchdown in the 20-0 victory. [Photo by David Nelson]

GOTCHA!—Springlake quarterback Mark Barton comes to a quick stop at the Dimmitt 35-yard line as Dimmitt's Jody Minnick applies the skids on the final play of the first

SCOUTING REPORT

DIMMITT vs. TAHOKA

8 p.m. Friday at Dimmitt

The Bobcats and Bulldogs will pit their identical 1-2 records, and both will be hoping to get on the track to a winning season by reaching the .500 mark Friday night.

In handing the Springlake-Earth Wolverines their first loss Friday night, Coach Bobby King's young Bobcats showed so much apparent improvement on offense—especially in their solid passing attack—that they may have started a whole new season for themselves.

COACH Ronnie Fowlkes' Bulldogs are expected to go to the air a lot, too—a tactic which Fowlkes decided was necessary after last year's 2-8 season.

Putting the ball in the air from Tahoka's pre-set formation will be quarterback David Glenn (165, Sr.), who has lettered three years at the key post. Glenn's main receivers will be wingback Danny Moore (160, Jr.) and Tommy Botkin (165, Sr.) end and wide receiver Mitch Raindl (165, Sr.).

HART vs. PETERSBURG

8 p.m. Friday at Hart

Only coaches and players worry about how decisively they win a game. Coach Lonnie Phillips' Longhorns are still undefeated after three starts, and their fans love 'em.

The Longhorns will try to stretch their win string to four in a row Friday night at the expense of the visiting Petersburg Buffaloes, who are 2-0-1. The Buffs will be the strongest for the Longhorns have faced so far.

BOTH TEAMS play a quality brand of football. In fact, Friday night's game will call up memories of their last meeting—in last year's bi-district championship bout, when District 4-A champion Petersburg eliminated District 3-A Co-champion Hart from the playoffs.

The Buffaloes finished a highly successful season last year with a 10-2 record, advancing to the regional finals before being eliminated.

Coach Ronnie Reeger's Buffaloes have three offensive and four defensive starters back from last year, including a couple of top-rate running backs—Clay Zachary (152, Sr.) and Kyle Thompson (151, Sr.).

Quarterbacking the Buffs is tiny Fernando Martinez (134, Jr.), who is also a threat in the

Dimmitt JV wins by 12-6

Dimmitt's Junior Varsity spotted Springlake a touchdown, then came from behind to take a 12-6 victory at Bobcat Stadium last Thursday night.

THE VISITING Springlake Jayvees opened the scoring with a first-quarter TD, but Dimmitt retaliated in the second with Eddie Chavers scampering 20 yards for the score. At halftime the count was knotted at 6-6.

Richard Ewing scored from 10 yards out in the third quarter to put Dimmitt out front for the first time, then the Purples held off their visitors the rest of the game.

"Our team played exceptionally well on defense," Coach Joel Reese said, "and our offensive line has shown real improvement."

GUARD Scott Armstrong paced Dimmitt's offense, while tackle Craig Turner was the defensive standout.

The victory hiked the Dimmitt JV's record to 1-1. Tonight (Thursday), Coach Reese's junior varsity will travel to Muleshoe for a 7:30 game.

7th 'B' team loses to Morton

Dimmitt's seventh grade "B" team absorbed a 48-0 loss at the hands of Morton's seventh grade "A" squad last week at Morton.

Danny Cordova was Dimmitt's top offensive performer, and joined Leroy Ramirez and Clemente Olvera in pacing the Dimmitt defense.

8th 'B' squad plays 0-0 game

Dimmitt's and Morton's eighth-grade "B" teams battled to a scoreless tie last week at Morton.

Coaches David Bellinghausen and Larry Birdwell praised the offensive play of Dimmitt's Don Davis and Monty Johnson, and the defensive efforts of Donald Ewing and Sammy Ramirez.

open field. He ran four punts back all the way for touchdowns as a sophomore defensive back last year.

Friday night's bout probably won't be a runaway for either team. Both squads know how to play football, and they'll probably leave the field at game's end with a renewed respect for each other, whatever the score.

NAZARETH vs. LAZBUDDIE

8 p.m. Friday at Nazareth

Coach Leslie Cowan's Swifts will finally get to play on their home field, and on the basis of records, they'll be the favorites when they host the Lazbuddie Longhorns.

THE GAME will open conference play in District 2-B. Lazbuddie, once the scourge of Class B in North Texas, has suffered a long drought. It's been 26 games since Lazbuddie has tasted victory, and new Head Coach Dwayne Sexton is trying to reverse the trend. The Swifts hope their visitors won't pick Friday night to start a new winning tradition.

After suffering their first loss of the season at Ropesville Friday night, the road-weary Swifts will be hoping to bounce back into the win column and grab an early post position in the rugged District 2-B race.

Lazbuddie has only four seniors back from last year, when the Longhorns experienced their second straight 0-9 season. Pacing the Longhorns' Wishbone attack is Ricky Wall (165, Sr.), who was an all-district fullback last year.

THIS WEEK'S SCHEDULE

JUNIOR HIGH
Thursday:
5 — Muleshoe 7th at Dimmitt
6 — Muleshoe 8th at Dimmitt
5 — Hart 7th at Petersburg
6 — Hart 8th at Petersburg
5 — Nazareth 8th at Lazbuddie

FRESHMEN
Thursday:
6 — Dimmitt at Muleshoe

JUNIOR VARSITY
Thursday:
7:30 — Dimmitt at Muleshoe
7:30 — Hart at Petersburg

VARSITY
Friday:
8 — Tahoka [1-2] at Dimmitt [1-2]
8 — Petersburg [2-1] at Hart [3-0]
8 — *Lazbuddie [0-3] at Nazareth [2-1]
[*] Conference Game

Horns win third in row; will host potent Buffs

By JESS HUDNALL

Hart running back Lester Aven proved too much for the Crosbyton Chiefs to handle as the junior speedster led the Horns to their third straight victory Friday night. When the dust had settled, Aven had rushed for 173 yards and intercepted two enemy passes in guiding Hart to a 28-12 conquest over Crosbyton.

FROM the opening kickoff, the game proved to be a match of contrasting styles of offense. The Horns of Coach Lonnie Phillips, with their veer offense, reeled off 358 yards via the rush while the Chiefs went to the air for 190 yards. Hart ran the ball 49 times while attempting only three passes. Crosbyton threw 40 aeriels and rushed 29 times.

Hart's initial score came late in the first quarter when Eliazar Castillo dashed around left end and went 71 yards untouched for the Longhorn touchdown. The kick failed and the Horns led 6-0.

With 8:27 remaining in the second quarter, Chief quarterback Joe Mark Cargile hit speedster Ronald Wiley for a 17-yard touchdown pass to knot the score at 6-6. Robbie Karr attempted to run the extra point but was stopped short. The Chiefs' score was set up when tackle Joe Greene recovered a Longhorn fumble at Hart's 38-yard line.

WITHOUT delay, Hart took the ensuing kickoff and two plays later Aven broke through the middle and scrambled 69 yards for the Horns' second score. Again the point-after failed and Hart led, 12-6.

Following Kerry George's kickoff, Crosbyton failed to gain a first down and Cargile punted the ball to the Hart 11-yard line. From there, Terry Hill and Aven combined their efforts to reel off four consecutive first downs to the Chief 7-yard line. On first and goal from the seven, Barry George blasted over to increase Hart's margin to 18-6. Aven ran the extra points and with 2:04 remaining in the first half, Hart led 20-6.

Outstanding defensive play by the entire Longhorn team limited Crosbyton to one yard rushing and 79 yards passing during the first two periods of play. Johnny Newsome and Aven each intercepted an opposition pass.

THE THIRD quarter proved to be a test of the Longhorn secondary as the Chiefs' aerial bombardment began. Cargile attempted 14 passes and completed six during the period. The lone score of the quarter came when Wiley sliced over from four yards to cap a 50-yard drive. Thirty-eight of the 50 yards came on passes from Cargile to Wiley. Cargile's attempt to run the extra points failed and the score stood at 20-12.

Unable to sustain an offensive drive, Hart turned the ball over when Sterling Mize recovered a Longhorn fumble at the Hart 48. Aided by a pass interference penalty, the Chiefs moved to the Longhorn 20-yard line and were marching toward the tying touchdown. However, Lady Luck cast her spell on Hart as the Chiefs

failed to execute properly on a fourth down play and the Horn took over on downs.

The final score of the evening came with only 46 seconds left in the contest when Terry Hill plunged over from the 1 to assure Hart's victory. Castillo added two extra points on a keeper around right end.

In the scoring drive, Aven and Hill again provided the punch as they netted 54 yards on the ground. Hart's lone completion of the night came when Castillo found Barry

George for a 28-yard gain. Penalties played a major role in the final scoring drive as Hart was assessed four for a total of 40 yards.

WITH TIME expiring, the Chiefs tried one last-ditch attempt, but it was squelched when Aven snared a Cargile pass deep in Crosbyton territory. Castillo chose to run out the clock and preserve the Longhorns' 28-12 triumph.

The Longhorns face a real test Friday night at 8 as they entertain the undefeated Pet-

ersburg Buffaloes at Longhorn Field.

Score by Quarters

HART	6	14	0	8
CROSBYTON	0	6	6	0

Scoring Summary
H—Castillo, 72 run (kick failed)
C—Wiley, 17 pass from Cargile (run failed)
H—Aven, 69 run (run failed)
H—B. George, 7 run (Aven run)
C—Wiley, 4 run (run failed)
H—Hill, 1 run (Castillo run)

Road-weary Swifts suffer first loss

By MARTY CATOE

The Nazareth Swifts took a 20-6 whipping—their first loss of the year—at the hands of the Ropesville Eagles Friday.

ALTHOUGH the statistics were fairly equal, the Eagles managed to enter the endzone three times while holding the Swifts to one lone TD in the final 10 seconds of the ball game. The Eagles had 158 total yards and 11 first downs, compared with the Swifts' 132 total yards and nine first downs.

Defense ruled the game at the start as both teams were

forced to punt on their first two possessions.

The Eagles took Nazareth's second punt on the 43 and returned it to the 48. They then moved the ball to the 33, where Eagle quarterback Randy Melton completed a pass to fullback John Cowan for the first score of the game. Ricky Streety kicked the extra point and the Eagles led, 7-0.

In the second period, the ball continued to change hands with neither team penetrating the other's territory. The teams took a halftime breather with Ropesville still hanging on to its 7-0 edge.

The Eagles fell on the Swift's inside kick on their own 44 to open the second half, then marched the ball downfield to the 11, and from there senior fullback Ricky Streety took it in for the score. Streety also tried for the extra point but the kick fell short, leaving Ropes with a 13-0 lead.

The Swifts' hopes of retaliating were shattered when Steve Sims intercepted a pass at midfield and returned it to the Nazareth 39. The Eagles then moved the ball downfield to the 8, and Chambers caught the ball in the endzone for the six points. Streety put the ball through the uprights and Ropes had a 20-0 lead.

Nazareth's lone score came on the last play of the game when freshman back Alan Ackerman carried it in from the 3. The two-point conversion attempt was unsuccessful, and the Ropes Eagles had a 20-6 victory.

Here's how the opponents fared

DARRELL Huseman led the Swift offense with 117 yards while Joel Gerber was the defensive standout with eight tackles.

The Swifts will meet Lazbuddie Friday in their first game on the home field. Kick-off time will be 8 p.m.

Flags fly as 8th 'A' wins

Dimmitt's eighth grade "A" team scored on the final play of the game to break a 6-6 deadlock and earn a 14-6 victory over Springlake-Earth last Thursday at Springlake.

THE CLOCK ticked off its final seconds as halfback Jimmy Stewart took the ball on a reverse play and started around right end from 35 yards out. With good change-up sports, Stewart eluded two would-be tacklers, broke into the clear and raced the distance for the game-winning TD.

Quarterback Matt Gilbreath lunged through the right side of the line for two extra points to give Dimmitt its final victory margin.

The Dimmitt touchdown push actually started with a first-and-goal at Springlake's 2-yard line with nearly four minutes remaining, but it took eight plays to run off three downs as the referees dropped penalty flags on nearly every play. Dimmitt faced second and goal from the 7, 2 and 17, then third and goal from the 15, 30 and 35 before capping the frustrating series with Stewart's run as the clock ran out.

Springlake tops Dimmitt seventh

Dimmitt's seventh grade "A" team took it on the chin at Springlake last Thursday, losing by a 34-0 count.

SPRINGLAKE raced to a 20-0 lead by halftime, then added two more TD's in the second half to ice the victory. Dimmitt didn't get a serious drive going until late in the game.

Coach Larry Birdwell's top offensive performers were Adrian Stanton and Monte Barrios, and the defensive efforts of David Allison and Norris Cole in Dimmitt's winning effort.

Today (Thursday) Dimmitt's eighth graders will host Muleshoe at 6 p.m. in Bobcat Stadium.

DR. BILL LEE was honored by hundreds of area residents at an appreciation reception Sunday afternoon. Here, Jack Howell (left) greets Dr. Lee and his wife, Ruby. Friends of the Dimmitt physician presented him with an original oil painting entitled "Help From the Doctor."

S. W. Lilley, irrigation pioneer, dies

S. W. "Scoot" Lilley, 77, who helped pioneer underground irrigation in Castro County, died early Sunday morning in Abilene's West Texas Medical Hospital after a brief illness.

FUNERAL services were held at 3 p.m. Monday at Higginbotham Funeral Home at Cross Plains. Rev. Dalton Fisher of Amarillo officiated. Burial was in the Cross Plains Cemetery.

Before moving to Callahan County in 1945, Mr. Lilley lived in Sunnyside 23 years and raised his family here. In 1937 he and a neighbor, R. E. Cade, drilled the first two irrigation wells in the area.

Mr. Lilley was born Aug. 28, 1898, in Sabanna, near Cross

Plains. At the time of his death he was a resident of Baird.

His brother, J. C. Lilley, also a former Castro County resident, died Sept. 9 in Abilene.

MR. LILLEY was a member of the Woodmen of the World and was past president of the Callahan County Sheriff's posse. He helped organize the Cattlemen's Roundup fund drive for the West Texas Rehabilitation Center in Abilene, and served many years as a committeeman.

He is survived by his wife, Ina Mae; three sons, Roy of Dimmitt, Ray of Crane and Hubert of Wichita Falls; eight grandchildren, nine great grandchildren and one great grandchild.

WHEN MAKING a trip, plan a schedule that considers the children's regular meal and bed times, advises Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service.

TSTA directors form political action arm

Castro County Texas State Teachers Association held an executive meeting Sept. 16 at Nazareth in the school library. Ten members of the executive committee were present, with Sister Mary Hawkins presiding.

PLANS WERE made for the 1975-76 year. Several reports were presented from information gained at a TSTA regional workshop held in Amarillo Sept. 9.

TEPAC—Texas Educators Political Action Council—was tentatively organized for potential membership. Bill Stephenson will be chairman of this county-wide organization. TEPAC is an outlet for teachers to offer political support for educational bills and problems, as well as for candidates.

Funds used by TEPAC are

voluntary contributions specifically for political purposes, separate and apart from TSTA dues. Anyone wishing to obtain more information on TEPAC should contact Bill Stephenson or study an article about it in the Texas Outlook, September issue.

TENTATIVE dates were announced for Castro County TSTA meetings by Sister Mary. These are to be confirmed with the superintendents at Hart, Nazareth and Dimmitt to insure that there is no conflict of activities.

The first meeting will be Oct. 6 at Dimmitt. The second meeting, which will be held at Hart, will be Jan. 26. The third and final meeting will be April 22 at Nazareth. Details for each meeting will be presented immediately prior to each date.

Texas State Teachers Association offers teachers and administrators an opportunity to have a say in their schools and school situations on a local and state-wide basis.

Any teacher or administrator interested in more information about TSTA may contact Mabel Heard in the Dimmitt Public Schools, or the individual building representative.

More about Highways . . .

[Continued from Page 1]

"The State's Largest Gardener."

And you'll get to visit with the 14 other men who may rescue you from an ice-coated bar ditch next winter, or clear the road for you after a snow-storm, or fill that worn spot you noticed in the pavement Sunday.

The only time most people see their Texas Highway Dept. workmen is when they're patching the pavement at the main intersection or laying new lane stripes on the highway.

BUT THE Highway Dept. is much more than that. The department is in the business of trees, flowers, parks, rescue work, traffic counts, planning, lighting, conservation and erosion control, in addition to engineering, construction and maintenance.

"Our toughest job is keeping the roads clear in bad winter weather," Moore said. "Our local crews work around the clock when necessary to clear roads, rescue stranded motorists, and so forth."

"Sometimes a storm gets so bad we don't send our men out—it just adds to the problem," he said. "We've tried keeping crews on the road in the height of a storm, but have found it's best to wait until the worst of it passes, then get out and start our work."

EVEN MOWING has its problems nowadays.

"We try to watch our mowing to make sure the wildflowers have a chance to seed," Moore said. "This causes us a little trouble and we have to wait longer than we'd like to sometimes, but it's the policy nationwide and statewide now as a result of Lady Bird Johnson's beautification program."

He added, "We may have a good crop of sunflowers of all sizes along our highways next year, after our farmers get through hauling them in."

The project that the local men seem to be proudest of is the remodeled state park at the intersection of US 385 and State 194.

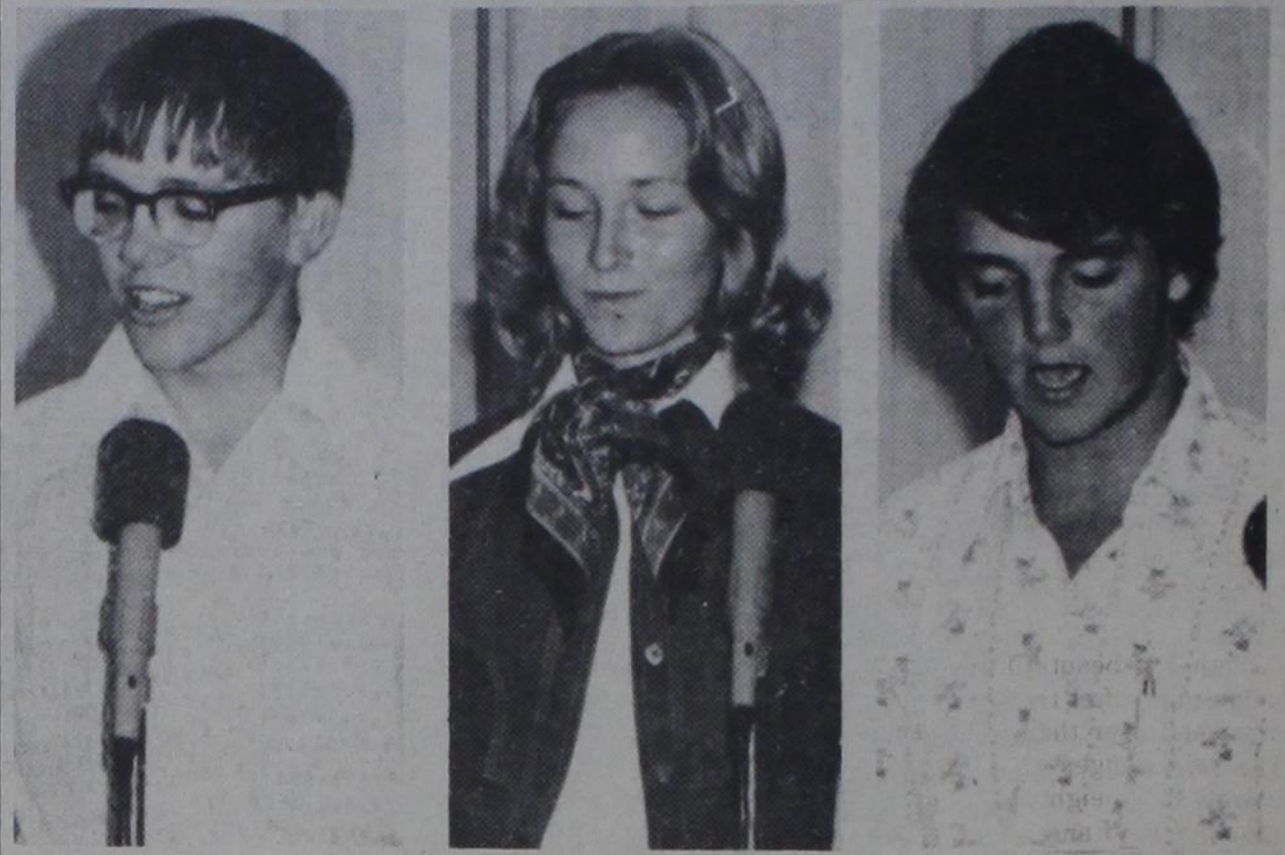

"OUR MEN had to do a little maneuvering to get the park built," Moore said. "We borrowed a few plows, etc., from some of our friends."

"The park was built mainly by our local men, with a special crew to build the arbors, fireplaces and tables. The department planted five pecan trees and a dozen fruitless mulberries, plus flowers and Bermuda grass. The department buys its trees and seed from commercial nurseries in the area—it doesn't keep up an inventory of its own."

"The roadside park will be lighted within the coming year," Moore said. Also, a comfort station will be built. We have a roadside park in Sunnyside, too, but it's still in the building stage."

THE PARKS here are two of more than 1,100 safety rest stops, roadside parks and scenic turnouts which the Texas Highway Dept. maintains throughout the state to make driving a pleasant experience.

Through the National Highway and Transportation Week observance, the driving public has a chance to say "thanks" to those who build and maintain America's lifelines.

YOUTH DELEGATES REPORT—The county's three delegates to the Texas Farm Bureau Youth Citizenship Seminar in Waco last summer present their reports at the annual meeting of the Castro County Farm Bureau Saturday evening. From left are Henry Wilhelm of Nazareth, Terri King of Hart and Mark Welch of Dimmitt. "I wish every high school student could go," Miss King commented. "I would definitely urge you to continue this program in the future," Welch added.

Baked with family pride.

"We still bake our bread the yeast-rising way, like Grandmother Baird did. No one's ever found a better way to make good bread. It's expensive, but the final flavor and texture is worth it."

Allen Baird

Konis to give art program

The Nazareth Art Club will sponsor a program by noted artist Ben Konis Monday night at 8:30 in the basement of Holy Family Church in Nazareth.

KONIS will present a program on portrait painting. All art club members are urged to attend and their admission is free. Visitors are welcome, but a fee of \$2 will be charged at the door.

N/FFA to serve pancakes Friday

The Nazareth FFA will hold a public pancake breakfast Friday night from 11 p.m. to 1:30 a.m., in conjunction with a dance in the Nazareth Community Hall.

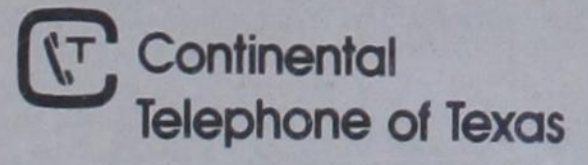

PANCAKES and sausage will be served for \$2 per person.

ONE-PLUS ONE-PLUS ONE-PLUS IS COMING TO DIMMITT ONE-PLUS DIALING STARTS SOON

Dial your own Station-to-Station calls DIRECT to millions of telephones in the U.S. and Canada

The development and improvement of services is a continuing objective of Continental Telephone Company of Texas. Highlighting this objective will be our ability to provide you with One-Plus Dialing facilities within the very near future. This service improvement represents a portion of the \$250 million that Continental System companies are investing this year in the communities they serve.

- You will soon be able to "Say hello to our good buy" if you follow these One-Plus guidelines:
- DIAL THE NUMBER YOURSELF rather than asking for operator assistance. The savings can be considerable.
 - PLAN YOUR LONG DISTANCE CALLS and take advantage of lower One-Plus station-to-station rates — a real savings over person-to-person charges.
 - ON WEEKDAYS call out-of-state the One-Plus way after 5 p.m. and save 35% or after 11 p.m. and save 60% over the weekday rate.
 - ON WEEKENDS call out-of-state the One-Plus way between 8 a.m. Saturday and 5 p.m. Sunday and receive the same 60% savings over the weekday rate.
 - TAKE ADVANTAGE of one-minute initial period dial direct station-to-station rates.

Rehearsals begin on Yule pageant

By MRS. AGNES BROCKMAN

Choir practice has begun for the Christmas Pageant. Characters are wanted and anyone interested in taking part should meet with them at their next practice.

The weather is beautiful this Monday morning after the lovely rain we had over the weekend. The rain gauges showed all the way from eighty hundredths to one inch and a half.

Some folks had their wheat planted and up while others were busy getting theirs planted. Quite a number of farmers have been harvesting corn, and a little maize has been cut so far.

A NUMBER of folks from here attended the Farm Bureau meeting and supper in Dimmitt Saturday evening.

Mrs. Rose Warren, Mary Harlan and Agnes Brockman went to Amarillo Tuesday evening to see the Ice Follies.

The Third Order of Saint Francis met Sunday afternoon. Father Chris from Clovis, N.M. was here for the meeting also.

THE NAZARETH senior class went to Lubbock Monday to attend the fair and look over Texas Tech.

A group of Nazareth people attended the appreciation reception honoring Dr. B. H. Lee Sunday afternoon at the First Methodist Church in Dimmitt.

Mr. and Mrs. Ervin Podzemny had dinner with the Lon Brockmans Sunday.

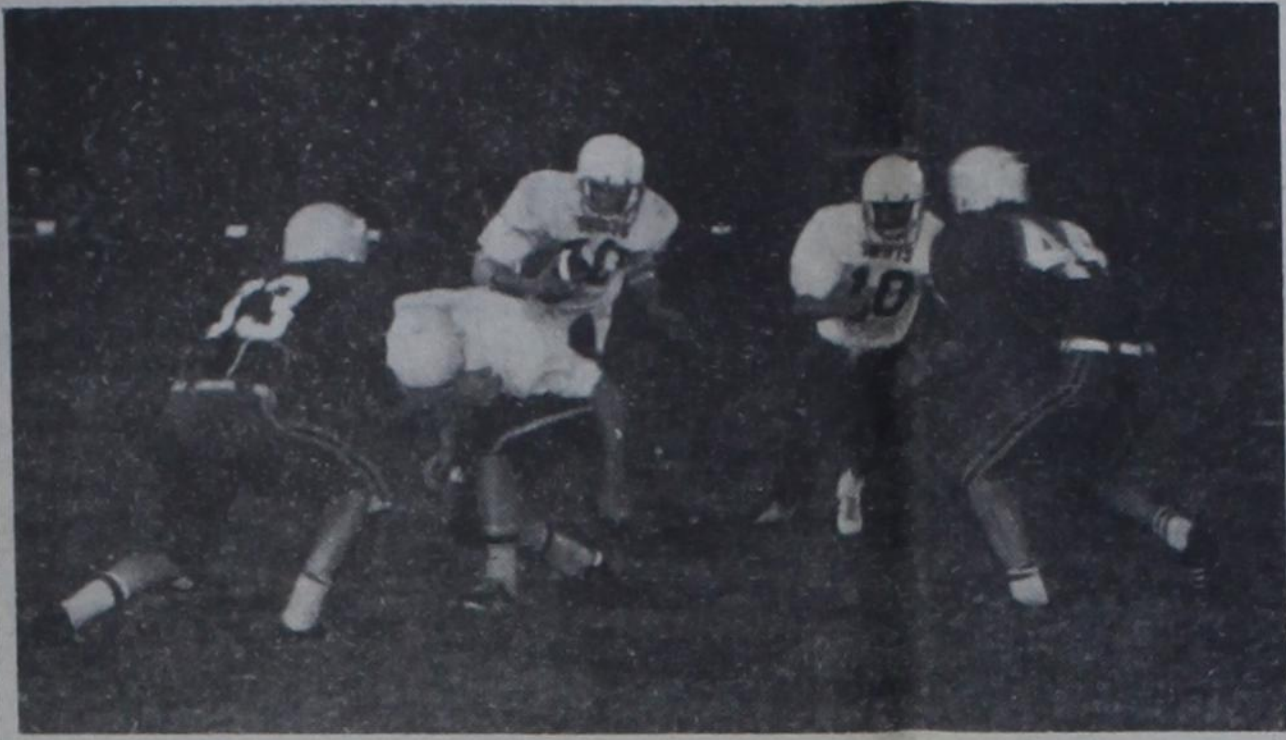

The children of Mrs. Frank Huseman took her out to eat at K-Bobs in Hereford Saturday, honoring her on her 80th birthday.

BEN KONIS, an artist from Amarillo, will give a demonstration on painting Sept. 29 at 8:30 in the church basement. Visitors are welcome and a fee of \$2 will be charged. The members will get in free.

Future plans by the Nazareth Art Club include a bazaar to be held Nov. 9. Anyone interested and wanting a booth should contact Rosemary Wilhelm.

Anyone interested in taking square dance lessons should be at the Legion Hall Sunday, Oct. 5 at 7:30. Adults and children are welcome.

A bridal shower for Emaline Huseman was held in the

COMING THROUGH—Nazareth's Darrell Huseman breaks through for yardage against Ropesville Friday night as Kenny Brockman [10] and Derwin Huseman clear a path for

him. Huseman was the game's top ground-gainer. The Ropesville Eagles handed the Swifts their first loss of the year, 20-6. (Photo by Shelly Cross)

Legion Hall Saturday evening. A number of relatives and friends attended.

MRS. JOHN Stork, Donna Gerber and son Kris Ryan and Mr. and Mrs. Albert Gerber spent several days visiting Mrs. Jim Bell and family in Fort Worth, the Gene Gerber family in Bryan and the Chet Weber family in Houston.

Relatives and friends of Mr. and Mrs. Al Britting of Amarillo attended a surprise party for them honoring them on their 40th wedding anniversary Sunday which was held at the Boat and Ski Lodge in Amarillo. A number of folks from Nazareth were present for the occasion.

The Oklahoma and Texas State Court meeting of Catholic Order of Foresters was held Sunday in Nazareth. It began with a mass at 8 a.m. and a dinner at Norma's Kitchen at noon followed by a meeting in the afternoon at the Legion Hall. A number of visitors from Oklahoma City, Okarche and Canute, Okla. attended.

MR. AND MRS. Paul Klemman of Vian, Okla. were honored by friends and relatives were honored on their 25th wedding anniversary Friday, Sept. 19 with a mass at 7:30 p.m. followed by a reception at

SOLID WASTE GUIDES PROPOSED

The disposal of solid wastes from residential, commercial and institutional sources may soon be regulated by the US Environmental Protection Agency (EPA), announces an agricultural engineer in waste management for the Texas Agricultural Extension Service. Guidelines were published in the Federal Register July 11 that concern methods of storing and collecting solid wastes of homes, businesses and various institutions. The guidelines will become mandatory for all federal facilities and are recommended for adoption by local and state agencies. All comments must be submitted to the EPA, 401 M St. SW, Washington, D.C. 20460.

the American Legion Hall later. Out of town guests were Willard Chaplinsky of Muskogee, Okla., Mr. and Mrs. Philip Taylor and family of San Angelo, Mrs. Nora Carr and Florence Heimans from Amarillo, Mr. and Mrs. Charles Bowen and family of Plainview, and the Virgil Pohlmeiers and Urban Klemans of Tulia. Janie Steffens of West Texas State University spent the weekend at home with her mother Regina Steffens and family.

Don't accept 'reconditioned' life preservers

Defective life preservers are being offered for sale by some merchants as "reconditioned US Coast Guard-approved devices or 'factory seconds'."

COAST GUARD officials have advised the Texas Parks and Wildlife Dept. that any item sold as "Coast Guard Ap-

proved" must be made of new materials and meet all applicable safety requirements. If the item does not meet the rigid standards set by the Coast Guard it is slashed with a knife and discarded.

"Do not purchase any life-saving device which is adver-

tised as a "reconditioned Coast Guard-approved device, or which appears damaged in any way," warn water safety officials of the Parks and Wildlife Department.

TEXAS TALK

By David Hays

Eleven-thousand dollars for a bale of cotton? According to studies made at the University of Texas, that's the value of a bale by the time it reaches the retail trade in the form of all cotton shirts. The same study indicates the value of the cotton increases more than five times after being processed into fabric. Obviously catching the ear of cotton producers, this economic message has succeeded in making them more aware of the importance of milling and fabric production. Feather Fabrics, Inc. is a joint venture between Lubbock area producers and a Dutch textile plant with the operation all ready underway. Farmers in the Littlefield area are planning to open their own 30 million dollar textile plant within the next two years. At least four other groups in the prime cotton producing country are looking toward similar operations and even more could be announced before the end of the year.
