

You get to decide Tuesday on the kind of government you want. Use your vote!

Next Tuesday is election day. The only thing to be decided locally in this election is whether we will have a new State Constitution or not. For years now there has been a clamor for the revision of the old constitution or the adoption of a new one. The wheels were finally set in motion by the legislature in appropriating the necessary funds to finance the procedure and by appointing a Constitutional Revision Commission. The CRC worked diligently for months in an effort to produce a document that would meet with the approval of the voters of the state. That was the end of the CRC, as the legislature decided to sit as a Constitutional Convention.

It was natural, and should have been foreseen, that the people of Texas would suspect that the legislators would be influenced in their deliberations by political motives and pressures that are inherent in their offices. With the legislature sitting as a Constitutional Convention, it is reasonable to presume that special interests, through their sources, had automatic contact and influence on the convention. Theoretically the constitution should be a broad based document with no purpose other than setting up general guidelines for the protection of the property and rights of all of the people of the state. Special interests should have to rely on legislation for special privileges. It would have been advisable for the legislature to turn the writing of the constitution over to a group such as the Constitutional Revision Commission.

Very few people have time to study a proposition in detail, such as the one being submitted for their approval or rejection in the election Tuesday. After some, but not enough, consideration I have decided to vote against the proposed new constitution.

Senior citizens organize

Senior citizens from throughout the county formed a new service-and-social organization Monday night, elected officers, started their incorporation work, and are now shopping for a building that can be used for a "multipurpose senior center."

MORE THAN 50 persons attended the organizational meeting in the city hall auditorium, sponsored by the Community Action Committee. Also present were representatives of the Dimmitt Kiwanis and Lions Clubs and the Garden Club.

Officers elected were: Bert Andrews, president; Ivey Jackson, vice-president; and Myrtle Behrends, secretary-treasurer.

Those present adopted dues of \$12 per year and discussed ways of serving both the county and each other. One of the future goals discussed was a "meals on wheels" program, which would provide one home-delivered hot meal per day to

Judge Boyd:

'Let's emphasize responsibilities'

District Judge John T. Boyd drew a standing ovation at Friday's Rotary Club meeting after insisting that America's parents guide their children toward positive, responsible citizenship, and that they do it by example.

HE SAID the family unit—long considered the basic strength of our democracy—has been breaking down for the past 25 years, and that it's time the trend was reversed.

His informal talk was interrupted by applause after he said, "In the past 25 years we've emphasized privilege, but we've forgotten to emphasize responsibilities. This has to be taught by example."

He said the "do your own thing" concept is "an example of the lack of emphasis on individual responsibility and obligation to others," and that such self-serving philosophies need to be replaced by a "return to the basics."

"I TOOK office Jan. 1, 1969," Judge Boyd said. "The population of this judicial district is just about the same now as it was then. Yet my criminal cases have just about doubled during that six years, and my domestic relations cases have almost quadrupled."

"I think the two are probably related," he continued. "The family unit has been breaking down since 1945, but I think it has been breaking down at a faster rate in recent years."

"We have failed to train our children to respect the law. On the other side of the coin, our law and authorities have to be worthy of respect, and we all know that in some instances, they haven't been."

AFTER explaining that his court gets calls from parents who plead, "We don't know what to do with our children—we want you to do something with them," Judge Boyd said, "We need to increase our at-

tempts to protect the family unit."

This, he said, will require reversing the society's emphasis on materialism and priv-

ilege. "We became too materialistic. And now we've seen young people who had every material thing a person could want, who looked for something they could believe in and came up with the SLA and other radical groups. Somebody didn't fulfill their responsibility to our country or to our young people."

PART OF THAT responsibility, he said, is to teach America's young people some of the things that are right about the country.

He pointed to America's role during and after World War II as object lessons:

"Nazi Germany came awfully close to winning World War II," he said. "The United States was the deciding force that kept Nazi Germany from ruling the world."

"AFTER THE war, most of the world was decimated. Most nations were on their knees.

ANOTHER NEW BUSINESS officially opened in Dimmitt Friday morning when City Commissioner Chet Braafladt cut the ribbon for Paxton Tire & Service in a ceremony sponsored by the Chamber of Commerce. Taking part in the ribbon-cutting are (from left) Chet Younk of Chief Automotive Systems, Hays, Kan.; Manson Honeycutt and Jack Bishop of Goodyear Tire & Rubber Co., Oklahoma City; Chamber

Director Jack Edwards; City Manager Garnett Holland; Braafladt; Chamber Director Dale Fowler; CoC President Bob Caddell; Chamber Director Robert Ryan; Kenny and Debby Paxton, owners of the new business; Chamber Director Robert McLean; and Goodyear executives Mel Greene of Oklahoma City and John Keener of Amarillo.

'Disasters' being fought

Those working in the county's new Emergency Preparedness Program responded to a list of simulated disasters Wednesday night, and tonight (Thursday) they'll be told by a state team what they did right and wrong.

THE emergency program utilizes volunteers from all sectors of the county's population, plus law officers, volunteer firemen, city and county officials and workmen, hospital and school people, and public and Citizens' Band radio operators.

Chamber of Commerce Manager Elvon DeVaney, City Manager Garnett Holland and Fire Marshall Guy Waldrop—who helped get the program started—urged all interested residents to attend tonight's critique meeting to learn how many people and how much equipment will be needed to respond to disasters here.

"We need as many people as possible to familiarize themselves with the program and the emergency plans," Holland said.

A LIST of emergency and disaster situations that either have happened or could happen here was compiled last Wednesday and Thursday nights. These simulated situations made up the problems that the

local EPP team have been trying to solve during the week.

"For instance, we set up a simulated tornado that has been spotted so far from Dimmitt, traveling at a certain speed and direction, then drew up a plan of action on what all members of the EP team are going to do before and after the tornado to save the most lives," Holland explained.

TUESDAY night the simulator group finished its work, and Wednesday night the program's executive committee studied the situations, made their decisions and issued orders.

Depending on the given situation, the committee's orders were aimed at getting people to public shelters as quickly as possible, keeping the hospital and radio station operating with emergency generators, getting city water cut off to avoid contamination, getting all necessary fire engines, patrol cars, radio-equipped vehicles, ambulances and backup vehicles into service, and organizing disaster relief teams.

"This is one of the best things we've ever done here," Waldrop said of the EP program. "All it's costing any of us is a little time, and it could

Continental postpones 1-plus dialing service

Continental Telephone Co. officials said this week that they weren't satisfied with the final test results of automated Direct Distance Dialing equipment installed here, and are postponing the "cut-in" date for 1-plus dialing service.

THE START-UP date for the new service will be delayed four to six weeks, they said.

"Technical difficulties developed during the final testing of our Stromberg-Carlson automatic ticket equipment," District Manager Gil Linnabery of Dumas said. "We could go ahead and cut it in, but we feel the service wouldn't be of an acceptable quality."

Jim Laird of Dallas, division project coordinator, said the new equipment couldn't handle as many long-distance circuits as the company feels are necessary.

"THE PROBLEM didn't show up during the initial testing phase," Laird said. "It was the final testing phase that brought out the problem. Discovery of the problem here also alerted us to changes we'll probably need to make in other cities where we're planning to install the same type of equipment."

He added, "Certain components of the equipment will be replaced. We'll set the new cut-in date by about Nov. 7—by then we'll know when the new components will be delivered."

The newer equipment will provide many more circuits, Laird explained. "It will eliminate a restriction of the number of circuits to Lubbock and Amarillo out of Dimmitt."

"It's regrettable that we have to postpone," he said, "but we feel it's best for the public interest."

LINNABERY said local telephone customers already are getting DDD rates on all long-distance calls, although they're still operator-assisted.

Valencia rites held Saturday

Funeral services were conducted Saturday afternoon for Augustine Valencia, 40, who died last Thursday following a lengthy illness.

MR. VALENCIA, was a former employee of Dimmitt Agri Industries, Inc. He and his family moved from Dimmitt to Olton in 1974 because of his illness.

Last rites were conducted at 3 p.m. Saturday in the Church of God, the Firstborn, Gustavo Orenales, minister, officiated, assisted by Erineo Vasquez. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

A native of Mertzton, Mr. Valencia was born Aug. 28, 1935.

HE IS survived by his wife, Alicia, and five children, Yolanda, Lidia, Abel, Pablo and Augustine Jr., all of Olton; his mother, Mrs. Manuela Valencia; six brothers, Sebastian, Cornelio, Siprano and Pablo, all of Mertzton, and Aurelio of San Diego, Calif.; and four sisters, Ramona Del Torro of Childress, Ninfa Holtz of Alaska, Beatrice Torres of Big Lake and Tina Gonzales of Mertzton.

Pallbearers were Manuel Garcia, Eliseo Povar, Justo Mireles, Omero Corpus, Matilde Garcia and Fernando Rodriguez.

A new state constitution?

Voters Tuesday will have their first chance in 100 years to decide whether they want a new state constitution.

DEBATE on the proposed new state charter has been getting hotter by the day, and may stimulate a heavier voter turnout than the 25% originally predicted.

The proposed new constitution will be listed on the ballot as eight separate amendments, each intended to amend a particular portion of the present constitution. Any amendment that passes will revise the present constitution. If all amendments were to be adopted, the state would have a completely new constitution.

The sample ballot appears on Page 14 of this issue.

Copies of the proposed new constitution have been mailed to all registered voters in Texas.

POLLS WILL be open from 8 a.m. to 7 p.m. Tuesday. Voting sites will be:

- Precinct Polling Place
- 1—County Clerk's Office.
 - 2—Courthouse Community Room.
 - 3—Tax Assessor-Collector's Office.
 - 4—Grand Jury Room.
 - 5—H&S Farm Supply, Nazareth.
 - 6—Hart City Hall.
 - 7—Bethel Community Building.
 - 8—Bob Simpson Home.
 - 9—Summerfield Elevator.
 - 10—Morrison Gin Office.
 - 11—Flagg Gin.
 - 12—Nazareth Community Building.
 - 13—Arney Community Building.
 - 14—Frio Church.
 - 15—Easter Community Building.

Welch, not Burks, is DHS Flame King

In last week's edition, the News reported that Greg Burks had been elected Flame King of Dimmitt High School.

THIS WAS an error. The DHS Flame King is Mark Welch, not Greg Burks.

The News regrets this error.

JAWS is the hottest costume idea this Halloween, coming on the tailfin of the record-breaking movie thriller. If you see this white shark at your door Halloween night, don't panic. Give it a piece of candy or gum and it will go away. Inside the homemade costume is 4-year-old Rochelle Portwood, daughter of Mr. and Mrs. Tommy Portwood, 405 NW Sixth St.

Halloween will be a night early here

Halloween will come a night early in Dimmitt with the staging of the annual Halloween Carnival tonight (Thursday) from 6 to 10 at the Panhandle Compress & Warehouse.

SPONSORED by the Dimmitt Lions Club, the carnival will have 20 or more game and food booths operated by 19 organizations.

Admission at the door will be 25 cents per person or one pair of usable eyeglasses for the Lions Club Sight Conservation Program. Inside, games and

foods will go for varying prices, with a quarter as the most standard fee.

Although no costume contest will be held, youngsters are encouraged to come dressed in their trick-or-treat outfits.

BOOTHS will include: Bingo—Dimmitt Lions Club. Basketball Throw—Seventh Grade. Ring-a-Coke—Middle School Student Senate. Pie Walk—Sophomore Class. Darts—United Lions Club. Fish Wall—DHS Key Club. Shave Cream Throw—Thespians. Car Bash—Thespians. Fortune Telling—Ladies Golf Association. Pie & Coffee—Town & Country HD Club. Concession Stand—Junior Class. Spook House—4-H.

Arts & Crafts Sale—Junior High Art Dept. Frito Pies—Legal Secretaries Association. Cake Walk—Eighth Grade. Baseball Throw—Dimmitt Lions Club. Mexican Food—Junior High CVAE. Hamburgers—CowBelles. Bean Bag Toss—Cub Scouts. Mexican Bingo—Guadalupe Society.

McDermitt withdraws

Kenneth McDermitt announced this week that he is withdrawing as a candidate for Castro County sheriff.

McDERMITT and his family are moving to Lewisville, where he will be on the police force. He has been with the Dimmitt Police Dept. since 1971.

His wife, Barbara, has been assistant manager of the C. R. Anthony Co. store here six years. She will assume a similar post with the Anthony's store in Lewisville.

FIRST BALE—Castro County's first bale of 1975 cotton was grown by Roy Taack of Hart [left] and was ginned free last Thursday by the Heart of the Plains Gin. Here, setting up the first bale for public display at Farmers State Bank, are [from left] Taack, ginner Ray Ticer, and gin manager Paul Brooks. The 560-lb. bale was made up of cotton that Taack

stripped from one acre that had been defoliated. It was Rex 66 variety which Taack planted May 10 and watered only once—the last week of August. Taack expects his crop to make at least 1 1/4 bales per acre. It was Taack's first time to have the first bale, "although I had always wanted to," he said.

Sheffy's chatter

By MYRTLE SHEFFY

On a recent weekend Dugan Butler, Jo Woods of Muleshoe, Dugan's sister, Barbara Sandlin of Lubbock and Dorothy Donahue of Colorado Springs went to Santa Fe. They spent one night at the house at Conchas Lake, then on to Santa Fe where they saw what they could, the museum, missions, did some bridge playing in the evening. Came back by Conchas, then home. Barbara is Jerri Butler's mother. And this weekend the Butlers went to Conchas to close up the house and bring in the boat. Kenneth Jackson and Richard Bills went out there to bring in his boat for the winter.

GOLDMAN and Carole Dyer went to Dallas last weekend to visit their son Dick. Dick is a salesman but I forget what he sells.

A. J. and Jean Kemp of Fort Worth were in town last week to see her mother Nettie Graham and his mother who is in South Hills Manor. And of course they wanted to check on the corn and maize harvest.

They also went to the Tech game enroute to their home. Ruby Webb fell and broke her wrist one day. "Just fell, that's all she did." But it makes it very unhandy to cook. Rose and Herman Acker were the honor guests at a dinner Sunday evening in the home of Will and Rosetta Bellinghousen in honor of their 30th wedding anniversary and for Rose's birthday. Mr. and Mrs. Lawrence Green helped host the dinner for the family.

MR. AND MRS. Buck Crum were hosts at a party honoring Levi Bennight and Ilene McElroy on their recent marriage. Food and games of 88 were enjoyed by the Bennights, Homer and Nell Newton, Woodrow and Alma Nelson, Henry and Melba Howell, Shorty and Rachel Cleaver and Christine Davis. Mr. and Mrs. Bennight are living on their farm one mile east of town.

Mr. and Mrs. George Bradford went to East Texas, Paris, Blossom and by Fort Worth and Denton on a visiting relatives trip. Seems it rained in that area while they were there.

Buck and Lena Crum were hosts to a family get together recently. They served a fish dinner Sunday for Scott and Mattie.

And another day the men's sister Ruby Morris of Amarillo was here. Also Lena's brother and wife the Eddie Harberts of Hartley.

Don Minchew and his recent bride Judy and three children were here from Russellville, Ark. to visit his folks Mr. and Mrs. E. B. Minchew.

Sylvia Moore spent the weekend in Lubbock visiting her children Harold and Delpha Moore and boys. Also Orby Wayne and Gay Moore, David and Linda Wimberley and children and Richard and Delle Moore and children went down for Sunday dinner with the family.

Mrs. Roberta Nelson and daughter Lora of Roswell were weekend guests of her daughter Nora and Rodney Hutto.

PAT JONES of Santo, that is near Mineral Wells, was a guest of her sister Betty and Edgar Dennis. I saw them shopping in Dimmitt.

Do remember: Don Nelson is asking everyone to shop Dimmitt. "Save gas, shop at home." Ileen Foster of Oklahoma City has been a guest of her aunt Mrs. O. K. Howe this week.

Most of the Dimmitt ladies went out to Mrs. G. L. Willis' house Saturday to have coffee and sweet rolls and to take gifts and good wishes to Jill Braafladt who will be married soon to Charles McLean, son of Bob and Helen.

Ida Hobratschk is home from Vernon where she has been with her mother who is very ill. Her sister, Mrs. Oliva Herman from Navasota, is with the mother now and Ida has also gone back.

LUBBOCK was the place for Dimmitt folks Saturday to see the Tech and SMU game at Tech Stadium. REX and Dorothy Sheffy and sons Scott and Brett went, as did Mr. and Mrs. W. B. Hammonds, Joan from here, Randy, a student at Tech. Most of the family have get together there for Dads day at the game. They had dinner out. Their son Ronnie couldn't come as wife Kay was hurt in a car wreck. They live in Austin. Other kids there are Joe and family from Midland (he is with Zales) and Jerry Blackwell, husband of Joan was with the group.

Charles and Lois Wales and family were there. Now, who else did we hear about? Rose Hess and Hardwick who live in Germany came by to see the Bruegels. Miss Hess is the daughter of one of Fred's young day friends. The couple

TERRY AND Kathy Hill and son Brent came up from Granbury to visit her mother Florene Leinen and his dad Charlie Hill and family. Florene went to a convention in Lubbock last week.

Straight as an Arrow

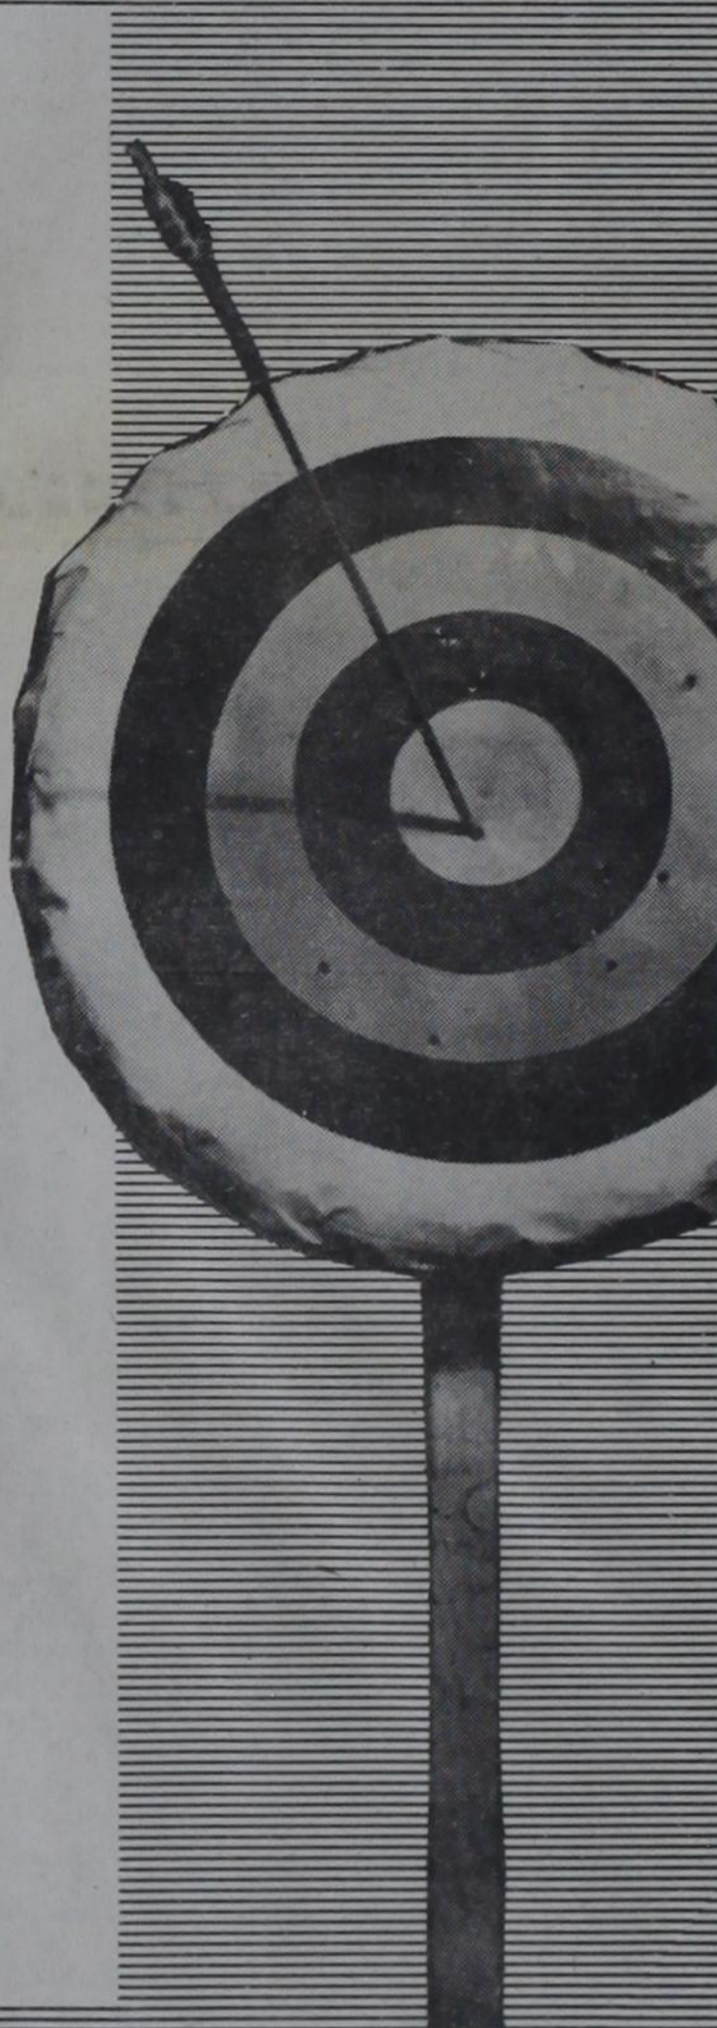

In Archery you score only when you hit the target. To score well, you must have straight arrows.

When you attend church, it makes it easier to stay on the straight path. The church wants to help you in all ways of life, but can only do so, if you stay within its circle. Attend church and know the joy of a good life.

"For God is not the author of confusion, but of peace, as in all churches of the saints."

15—LEGAL NOTICES
NOTICE OF MEETING AND ELECTION-PURSUANT TO THE PROVISIONS OF SENATE BILL 329, 63rd LEGISLATURE, REGULAR SESSION, 1976. All TEXAS Dental Licensees in the hereinafter named Texas counties, are hereby notified that on the 13th day of November, 1975, at 6:30 o'clock P.M., at and in the Amarillo Club, the top floor, Amarillo National Bank Building, in the City of Amarillo, Potter County, Texas, a meeting will be held for the purpose of electing from the TEXAS Dental Licensees in such counties, a minimum of six (6) Dental Licensees, or members of any area or local Peer Review or Grievance Committee as authorized by said Law. The counties to be represented are: Potter, Hutchinson, Hemphill, Randall, Childress, Dallam, Moore, Deaf Smith, Cottle, Carson, Wheeler, Swisher, Briscoe, Oldham, Roberts, Sherman, Donley, Castro, Palmer, Hall, Gray, Ochiltree, Hansford, Collingsworth, Armstrong, Hartley, and Lipscomb. 15-52-tfc 15-4-tfc

and I heard that 40 squares enjoyed the dancing. Nazareth and Dimmitt were represented. And Mrs. Benson says she and Joe went to the coffee Sunday afternoon for her dad A. T. Jones' 84th birthday. Mrs. Jones made a big cake and goodies to celebrate. Probably 30 members of the family came.

15—LEGAL NOTICES
ROXIE McLEAN was hostess at a bridge learning party Tuesday afternoon. Seleta Gholson of Hereford was the teacher. Roxie served a fruit salad, cherry cheese pie and coffee to Carlee Warren, Johnny Wilson, Vickey Clarey, Martha Isaacs, Kathy Hewett, Jeannie Johnson and Cindy McDaniel.

Brenda Andrews and Martha Jo Hyman went to Dallas to be at the big market for the Tots and Teens Shop.

Nancy Hays and her sister Ruth Allison of Hereford were in Dallas over the weekend for the last of the Neiman-Marcus Italian Fortnight.

Converters could start grass fires
Sportsmen who own 1975 pickups and passenger cars equipped with catalytic converters need to think twice before driving through a lake bottom, pasture or field of dry stubble during the hunting season.

TEMPERATURES inside the converters reach 1,200 to 1,300 degrees, twice the temperature of regular exhaust systems. Since converters are slow to cool, such equipped vehicles could start a grass or stubble fire — no way to treat a host landowner.

The US Army has banned the use of converter-equipped vehicles within 50 feet of any aircraft, fuel spill, explosive area or other potentially hazardous area.

Tests by a major oil refinery indicate that when a 1975 model vehicle runs out of fuel, the temperature increases enough to completely destroy the catalytic converter. Apparently misfiring associated with low fuel allows large amounts of unburned fuel to enter the converter, causing higher temperatures.

Dealers have replaced converters which have literally melted due to extreme temperatures approaching 2,000 degrees Fahrenheit.

The carpeting and floor mats of 1975 automobiles have been scorched or burned by heat from the converters.

Heart chapter holds classes

The Castro County Unit of the American Heart Association, Texas Affiliate, Inc., met recently with Dr. Bill Murphy presiding.

MRS. CAROL Lantz reported that classes would be held at Helen Richardson Elementary School to familiarize students in the health classes with techniques to be used in reviving heart patients. Mrs. Lantz is chairman of the public education committee. "The Pulse of Life" film was also shown. A Region II workshop was held in Lubbock with members of the county board attending.

Board members present were Barbara Keel, Carol Lantz, Debra Schreck, Beral Hance, Susie Bradford, Dr. Bill Murphy and Joyce White, Region II director from Lubbock.

Rocky Wilhelm injured in plow mishap

By MRS. AGNES BROCKMAN
Rocky Wilhelm, son of the Francis Wilhelms, was injured when a plow he was hooking up to a tractor turned over and the plowshares hit him in the back and punctured his lung. After being in the hospital a couple of days, he is at home and doing okay. He was a very lucky boy.

and Ed Ramaekers attended the district meeting of the American Legion and Auxiliary in Amarillo Saturday and Sunday. Betty is the district president.

Mrs. Agnes Brockman went to Muleshoe Monday to have her car checked and also visited her son Phil and family at Lazbuddie.

The Knights of Columbus are sponsoring a Steak Out Saturday evening Nov. 8 at the Community Hall. All proceeds will go to the Nazareth Swift Band. Serving of steaks will begin at 7 p.m. Please plan to attend. Your support will be appreciated.

We're still having very dry weather and quite a bit of wind too the last few days. We certainly are in need of some moisture. Most all the crops have been harvested except for cotton, a few sunflowers and sugarbeets.

MR. AND MRS. Ross Kirkpatrick and children of Oklahoma spent the weekend with Helen Burt.

Mr. and Mrs. Albert Venhaus spent the weekend in Dumas with their sons and other relatives.

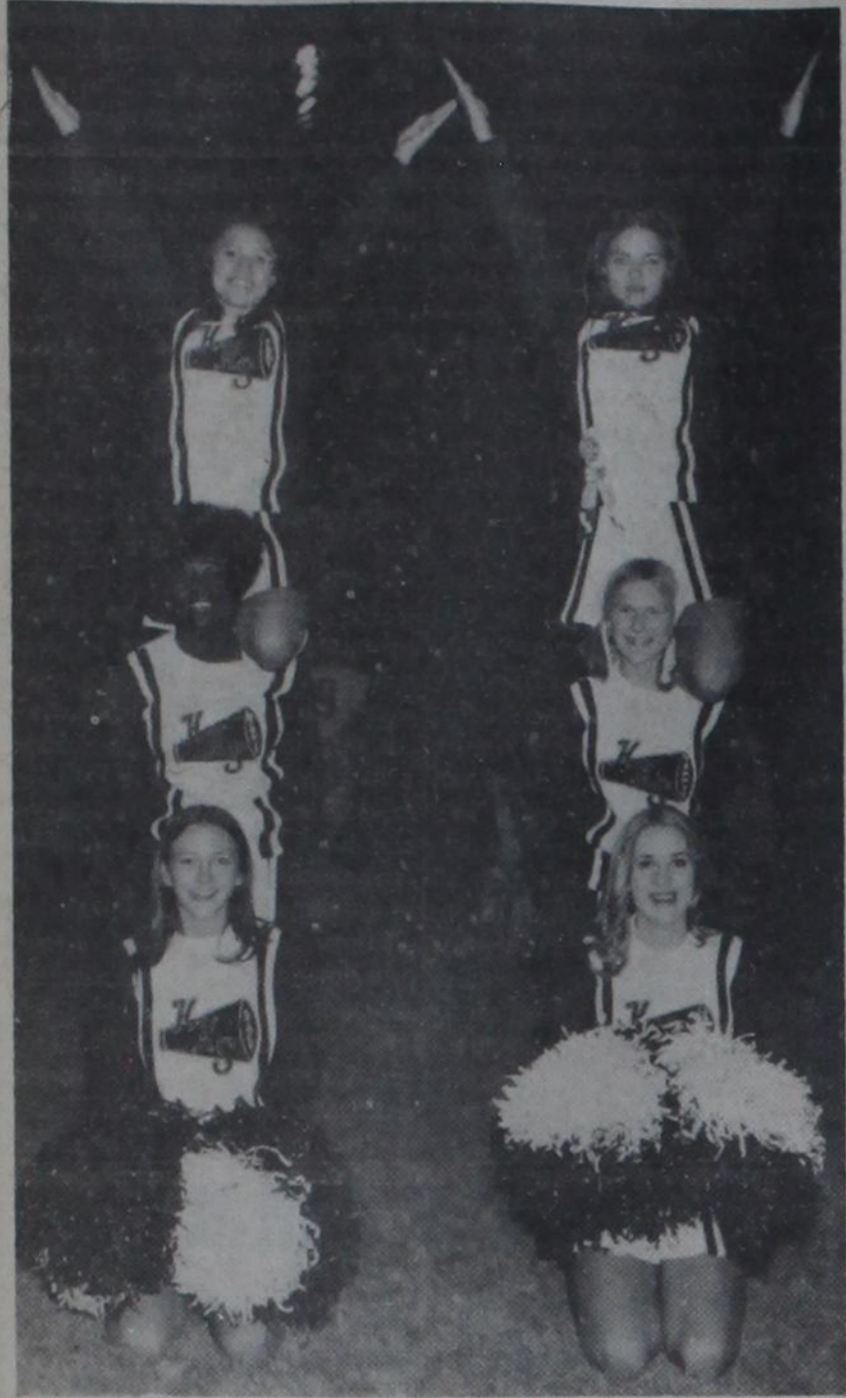

The Arnold Husemans and Helen Backus went to Dumas Saturday to visit the Edmund Backus family and relatives. Edmund and Sharon's baby was baptized Sunday, and Arnold Huseman and Joan Backus were to be the sponsors.

Mrs. A. P. Hoelting, Mrs. Edwin Schacher and girls went to Claude Sunday afternoon to attend the bridal shower for Peggy Detten.

THE JOHN Smiths of Colorado spent the weekend with Mrs. Rose Hindman.

The Charles Bowen family of Plainview had dinner Sunday with the Walter Schultes. Their son Kevin of the Air Force Academy at Colorado Springs and a couple of his buddies were also here with them.

Mary Harlan attended a bridge tournament in Ruidoso over the weekend.

LOTS TO CHEER ABOUT—Hart High School's maroon-clad cheerleaders have had lots to cheer about this season. Their Longhorns have a 6-1 record and are currently in first place in District 3-A. At left, from bottom to top, are Stacy Averitt, Bobbie Washington and Abby Mancias. At right, from bottom to top, are Jacque Ritter, Tammye Hill and Dana McLain.

View from the Library

By CARLTON MOYERS

One of my greatest pleasures in life has been my grandparents.

GRANDPA is short and about now almost shrunken enough to be blown away by a swift wind. Grandma still gets into trouble with the doctor about cheating on her diet. Anyway, the part I like best about Grandma is her laughter and endless tales she spins as we sit at the kitchen table for hours on end drinking coffee and noticing occasionally that another hour has slipped by according to that old clock on the wall. She lives in Arkansas, so I don't get to see her very often, but when I do, we have a nonstop gabfest which ends only when I leave.

I think the wonderful relationship I've had with my grandparents has given me a deep, abiding respect for older people in general. I see older people everywhere relegated to second-class citizenship by a society enamored with eternal youth. And the irony of the situation is that youth—bubbling, energetic, conquering youth—eventually fades into adulthood and then into old age.

While it's true that the body wears out with time, the mind stays alert much longer. History abounds with great contributions made by senior citizens who, in their later years, have absorbed the wisdom of the ages and finally make a contribution which stirs civilization to wonder and marvel.

ALL OF THIS is in way of a prelude to introduce a project we are starting at Rhoads Memorial Library. Presently, we have 20 large-print books borrowed from the Amarillo Public Library which we plan to make available to residents at South Hills Manor in an experimental extension of library service. We will also be contacting the Texas State Library for additional books in the future. If all goes well, we'll build a collection of large print books.

Say, I'll bet you forgot all about our projector fund, didn't you? Now come on, you can tell me. Well, just real quick here, I hope to stick up notices for you to look at and maybe even collection boxes for any spare change you may have at the moment.

Last Tuesday I was surrounded by rowdy Lions who paid little heed to their leader when he clanged the bell. Seriously, it was a great experience. That goes as well for the Kiwanis Club and the Rotary Club. However, the Lions passed the plate and each king of the jungle contributed a small token of his affection to the projector fund. Actually, a small pot was won by Wes Anthony and he contributed it, but the thought was splendid. How about some of that spirit from everybody else? It's only been a few moons ago that a certain group of young men played a basketball marathon and presented the library building fund with \$1000. In fact, only 913 moons have passed since then.

P. S. — Rules and ideas for the D.A.R. American History contest are available at the library. Y'll come, y'hear?

And now folks, I see the sun is sinking slowly below the horizon, being locked away by the tooth fairy on her prancing white steed, a giant stallion she calls Mint-Flavored Crest. With a tear in her eye and a bug on her tooth, she locks up the sun and goes charging across the night sky with her mighty Bankamericard. (There's a moral to this story but I'm not sure what it is.)

This is Carlton at the bookstore saying thanks so much for listening, be good to everybody and be nice to grandmothers. They may come back and haunt us if we don't.

Gifford-Hill tells earnings

Gifford-Hill & Company, Inc., reported net income of \$5,811,000, or \$1.37 per share, on sales of \$157,035,000 for the nine months ended Sept. 30, 1975.

FOR THE comparable period in 1974, restated net income before the cumulative effect of an accounting change for the investment tax credit was \$9,623,000, or \$2.27 per share, on sales of \$170,791,000.

The cumulative effect on prior years of change in the method of accounting for the investment tax credit for 1974's first nine months was \$2,183,000, or 52 cents per share.

In addition, net income for 1974's first nine months was restated to reflect the Last-In, First-Out method of valuing about 70 percent of the company's inventories.

FOR THE three months ended Sept. 30, Gifford-Hill reported net income of \$1,881,000, or 45 cents per share, on sales of \$52,095,000. For the comparable quarter in 1974, the company reported restated net income of \$3,240,000, or 76 cents per share, on sales of \$56,235,000.

Gifford-Hill, whose shares are traded on the New York Stock Exchange under the symbol GFH, is involved in construction materials and concrete products; truck transportation; agricultural and industrial products; and real estate investment and development.

Do you realize that on any given day of the week, chances are that a member or all of the members of the average American family will eat out at least once that day? It could be at a fancy restaurant, a McDonald's, a school cafeteria or a factory lunchroom, or in any one of a dozen different eating places.

WHAT'S causing this "revolution"? More wives working, higher disposable income, greater mobility and changing life styles. Since World War II, the food service industry has literally exploded. In the past ten years alone the industry has seen sales more than double to \$65 billion in 1974. The sales target for 1975 is \$70 billion. That puts the food service industry solidly in number three position in the consumer industry following on the heels of the \$93 billion auto business and the \$100 billion retail food industry. In fact, food service employs more workers (4 mil-

lion) and has more retail outlets (500,000) than any other industry. What are the profit prospects in this business? Outstanding, if you can get a high gross per employee and that means standardization. The larger hamburger chains have reached a high level of standardization, but in their words, "we have a long way to go." The food industry hasn't changed basically from the way it was run 50 or 60 years ago. Restaurants still "manufacture" meals individually, on demand and serve them by hand. This makes eating out one of the few custom-produced commodities still available at mass-produced prices.

In the early 1950's just a few cents out of the average family food dollar was spent for meals away from home. Today, that figure is 35 cents and some experts believe it will hit 80 cents within five years.

Letter to the editor

Legion Post is proven correct on flag usage

Dear Editor:
It seems the Nazareth American Legion was reprimanded for flying the Bicentennial (Bennington) flag on the same flag pole as the United States flag. They were told that it had to be flown on a separate pole. According to Fred Kuzmal, director of national Americanism of the American Legion, it is proper to fly any flag on the same staff as long as it is flown

below the American flag. If it is flown on a separate pole it must be flown at a lower height.

The Bicentennial flag is no different than any state flag, school flag or business flag. BETTY WILHELM, Nazareth 18th District President, American Legion Auxiliary

First cotton trading slow

Grower prices were steady to weak last week, according to Paul R. Dickson of the Lubbock Cotton Classing Office.

TRADING was slow. Growers offered small lots of new crop cotton in very light volume.

Demand was best for mixed lots of mostly grades 42 and better; staples 30 through 34; mikes 2.7 and higher, Dickson said. These lots brought 41 to 42 cents per pound.

Grades 31, 41 and 51 were predominate qualities in the week's classings and accounted for 16 percent, 57 percent and 15 percent respectively.

STAPLES 30 through 33 were predominate lengths, accounting for 13 percent, 35 percent, 17 percent and 20 percent respectively.

Mike readings 3.5 through 4.9 amounted to 34 percent of the total. Mike group 3.3 through 3.4 accounted for 21 percent and 3.0 through 3.2 range 34 percent. Mike 2.7 through 2.9 was 11 percent.

ABOUT 1,200 samples were classed by the Lubbock Classing Office last week. This season's total stands at 1,375 samples, compared with 238 on the same date a year ago; according to the USDA's Agricultural Marketing Service.

Bicentennial Farm Feature
Lincoln Laid Groundwork For Agriculture's Future

Although preoccupied with the spreading ravages of the Civil War, President Abraham Lincoln placed important emphasis on the future of American agriculture.

In one year, 1862, the Lincoln Administration took three separate actions which would have major long-range effects on the agricultural needs of a growing nation.

Living up to the bargain he made for western support to get elected, Lincoln signed three agriculture-related acts.

The U.S. Department of Agriculture was organized and given independent status to promote the nation's farming.

The Homestead Act was passed and agricultural development of the West entered a new era.

Agricultural education received a much needed boost with the passage of the Morrill Land Grant College Act.

In his first message to Congress, President Lincoln called for the establishment of an "agricultural and statistical bureau" and on May 15, 1862 the U.S. Department of Agriculture was created.

Actually, since the founding of the country in 1776, efforts had been under way to form such a federal body. In his

last annual message to Congress, George Washington advocated the creation of a board of agriculture.

Benjamin Franklin, Followed by Thomas Jefferson and others, started the practice of smuggling seeds back home from foreign countries. Later, all U.S. consuls in foreign lands were enlisted in these collection efforts.

The first agricultural division was created under the Commissioner of Patents and the distribution of seeds to leading farmers was started. Shortly before the Agriculture Department was created, the country even had an experimental federal five-acre garden plot in Washington.

On July 2, 1862, the Land Grant College Act was passed and agriculture education was launched on a national basis. These early education efforts were beset with many problems, but progress was made. By 1892, organized college extension teaching in agriculture was begun.

Agricultural education, which began under local societies, such as the Philadelphia Society for the Promotion of Agriculture in 1785, was put on a formal and continuing basis.

On May 20, 1862, President Lincoln signed the Homestead Act. Now supposedly, heads of families could receive 160 acres of the public domain. Many problems and scandals concerning land development resulted in numerous changes in the law in coming years. But gradual settlement and agricultural development moved westward.

Thus, within a scant month and a half back in 1862, Lincoln with three strokes of his presidential pen shaped the future of American agriculture.

WHETHER YOUR CROP IS STANDING or DOWN
HESSTON ROW HARVESTERS
are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions
Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.
Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

POKER BUDDIES—Portraying Felix's and Oscar's card-playing friends in the Dimmitt High Theatre's production of "The Odd Couple Saturday and Sunday will be [from left] Rodney Craig, Tobin Touchstone, Jim Bradford and Brad DuLaney.

They're the in-house witnesses—and sometimes the victims—of the comical trials and tribulations of the odd couple, a pair of divorced bachelors.

'Odd Couple' on tap this weekend

"This is going to be the best play the town has ever seen," DHS Drama Director Don

Blankenship said this week. HE WAS referring to the Neil Simon comedy, "The Odd Couple," which will be presented by the Dimmitt High Theatre Saturday night at 8 and Sunday afternoon at 2.

The fall production stars Kyle Touchstone as Oscar and Karl Langford as Felix. The supporting cast includes Brad DuLaney as Speed, Jim Bradford as Roy, Tobin Touchstone as Murray, Rodney Craig as Vinnie, Cindy Kelley and Tanya DeVaney as Gwendolyn, and Jo Beth Bates and Susan Ryan as Cecily.

The production staff includes Greg Barringer, light design; Charles Richard, sound; Cindy Sadler and Pam Oldham, art design; Angela Ross, Pam Oldham, Susan Ryan and Cindy Sadler, props; Jean Bradford, house manager; and Ann Touchstone, assistant director.

THE PLAY tells the story of Oscar and Felix in their first months of living together as divorced bachelors. Jack Klugman and Tony Randall starred in the popular television series for several seasons. The play was on Broadway for three years with sell-out crowds at nearly every performance.

Tickets will be on sale at the door at \$2 for adults and \$1 for students. There will be a reception for the audience to meet the cast in the lobby of the theatre after each performance.

MAIN CHARACTERS in the Dimmitt High Theatre's production of "The Odd Couple" are Kyle Touchstone (left) as Oscar and Karl Langford as Felix. The Neil Simon comedy will be presented at 8 p.m. Saturday and 2 p.m. Sunday in DHS auditorium.

Judge Bradley to head county's Spelling Bee

County Judge Weldon Bradley has been named to direct the activities for the 1976 Castro County Spelling Bee, to be held in conjunction with the 28th annual competition, co-sponsored by the Amarillo Globe-News and West Texas State University.

ALL STUDENTS in public and parochial schools are eligible to participate. Any student who will not have reached his (or her) 16th birthday or gone beyond the eighth grade at the end of the current school term, will be eligible to enter any school contest and participate in the county eliminations.

Details of the county Bee will be available from Judge Bradley.

The Scripps-Howard Newspapers, headquartered in New York City, are the national sponsors. Last year more than 7½ million school children participated at local levels throughout the US.

Elementary grade students also may compete in the county Bee. Boys and girls in the sixth and lower grades may spell in the "Junior Division." The elementary county winners will not compete in the regional contest in April unless they should hold both the junior and senior titles in the county.

MOST SCHOOLS use the booklet prepared by the national sponsors, "Words of the Champions." The 1976 issue may be obtained by writing Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, 79166.

The price of the book is 25 cents. Castro County's 1976 champions were Patricia Kern of Nazareth in the senior division, and Tammy Ross of Dimmitt in the junior division.

An all-expense paid trip to national competition—to be held in Washington, D.C. early in June, 1976—will be awarded the regional champion when he is named in Amarillo next April.

Bovina church to serve turkey

St. Ann's Church of Bovina will hold its annual Turkey Dinner Sunday.

A MEAL of turkey and dressing, mashed potatoes, green beans, cabbage slaw, cranberries, French bread, pumpkin or chocolate cake, tea or coffee will be served from 11:30 a.m. to 2:30 p.m. at the Parish Hall.

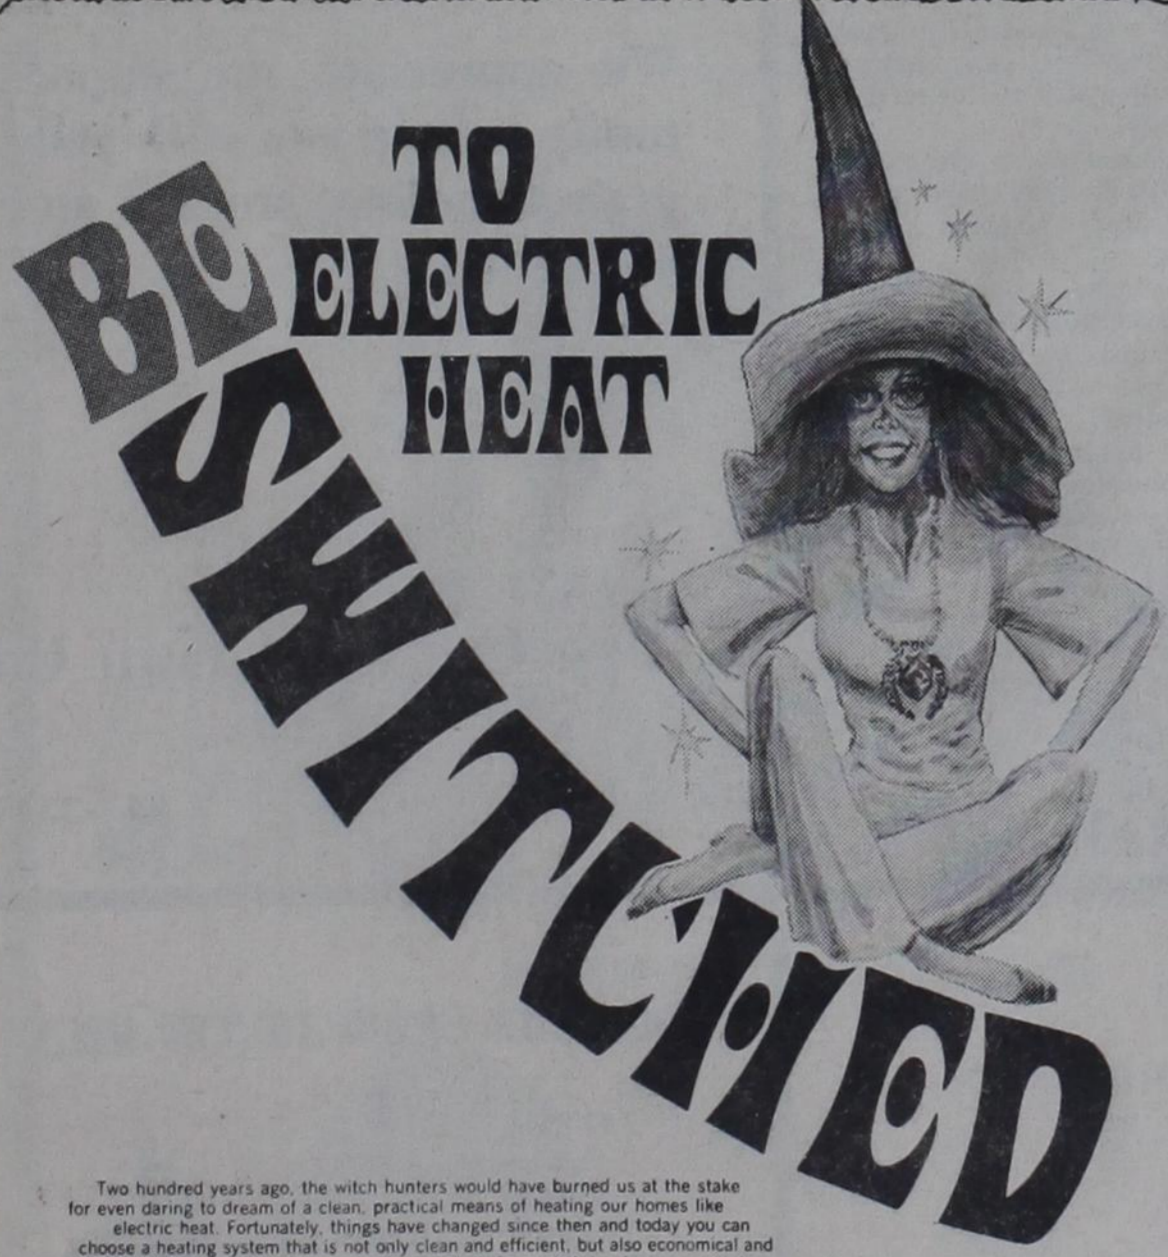

There will also be door prizes.

TEXAS TALK

By Jim Hays

Solar heat collectors on a commercial scale will probably show up on the farm before anywhere else. Exactly when solar energy units can practically be used is still an open question. Certainly not right away, but tests performed in six states by the Agricultural Research Service indicate that low temperature drying of grain by use of simple solar collectors is technically feasible. Technically feasible and economically practical are often some distance apart. It appears this is still the case with solar drying since the main thing the ARS testing ascertained was a need for more tests. The new series of tests will be conducted during the next two years and will provide more information on economics of the various commercial systems as well as increasing the technological information available on solar energy collection.

**ASK ABOUT THE HEAT PUMP
IT'S NOT MAGIC...IT JUST ACTS THAT WAY**

You'll think it's magic when you see what the heat pump does, but it's not at all. It probably will seem quite impossible that one unit can provide clean, efficient electric heating and cooling with only one unit, one thermostat setting. The important thing to remember is the heat pump is today's answer to improving your lifestyle—economically and efficiently. Sound like magic? Not at all!

We salute our ambulance drivers

We want to pay tribute to our ambulance drivers, and publicly state how much we appreciate the valuable service these men are providing to our city, county and hospital district.

AS YOU probably remember, stricter state requirements adopted several years ago made it too expensive for funeral homes and ambulance companies to continue providing this important service. For a while, local governments subsidized the companies. Eventually, it became necessary for local governments and hospital districts to buy the ambulances and operate the service. Here, our city and county governments and Plains Memorial Hospital District voted to buy the Dennis Funeral Home ambulance and share equally in the cost of providing ambulance service to our people.

If full-time drivers had to be paid for round-the-clock shifts, the cost would still be prohibitive. But thanks to our public-minded drivers who serve for a nominal fee, we get good ambulance service at a reasonable cost.

THE MEN who drive our ambulance are Rex Cowart, county probation officer; Raleigh Strother, hospital maintenance supervisor; Tom Weatherman, respiratory therapist; Randall Small, parts manager of Reeve-Fleming Chevrolet; Kenneth Hollums, sales manager of Reeve-Fleming Chevrolet; and Johnny Hucks, hospital lab technologist.

Hart Lions speaker opposes constitution

Approximately 25 people heard Amarillo attorney Jim Blair speak against the proposed new state constitution at last week's meeting of the Hart Lions Club.

"IF YOU, as voters, vote for Proposition No. 1, you will be voting for approximately 40 pages of the new document which includes Article I, the Bill of Rights, Article II, Separation of Powers, Article III, allowing annual sessions of the legislature, the appointment of a salary commission to recommend legislative compensation and allowances, and Article IV allowing a governor-elect an appropriation with which to organize before inauguration."

Blair said, "These are just a few of the many things which this proposition covers."

He further said that the qualifying phrase, "or as set by general law," appear more than 150 times in the proposed document, and "general law" is set by the legislature, not by a vote of the people.

Blair said that House Bill 1545, granting the Comptroller of Public Accounts in Austin the power to promulgate guidelines for land evaluation for ad valorem tax purposes, has already been passed and will become law Jan. 1, 1977, contingent upon the passage of Proposition No. V, Article VIII, of the proposed constitution.

"THE PROPOSED constitution has several good points," added Blair, "but in my opinion, they are so heavily outweighed by the bad that it makes acceptance of the document objectionable."

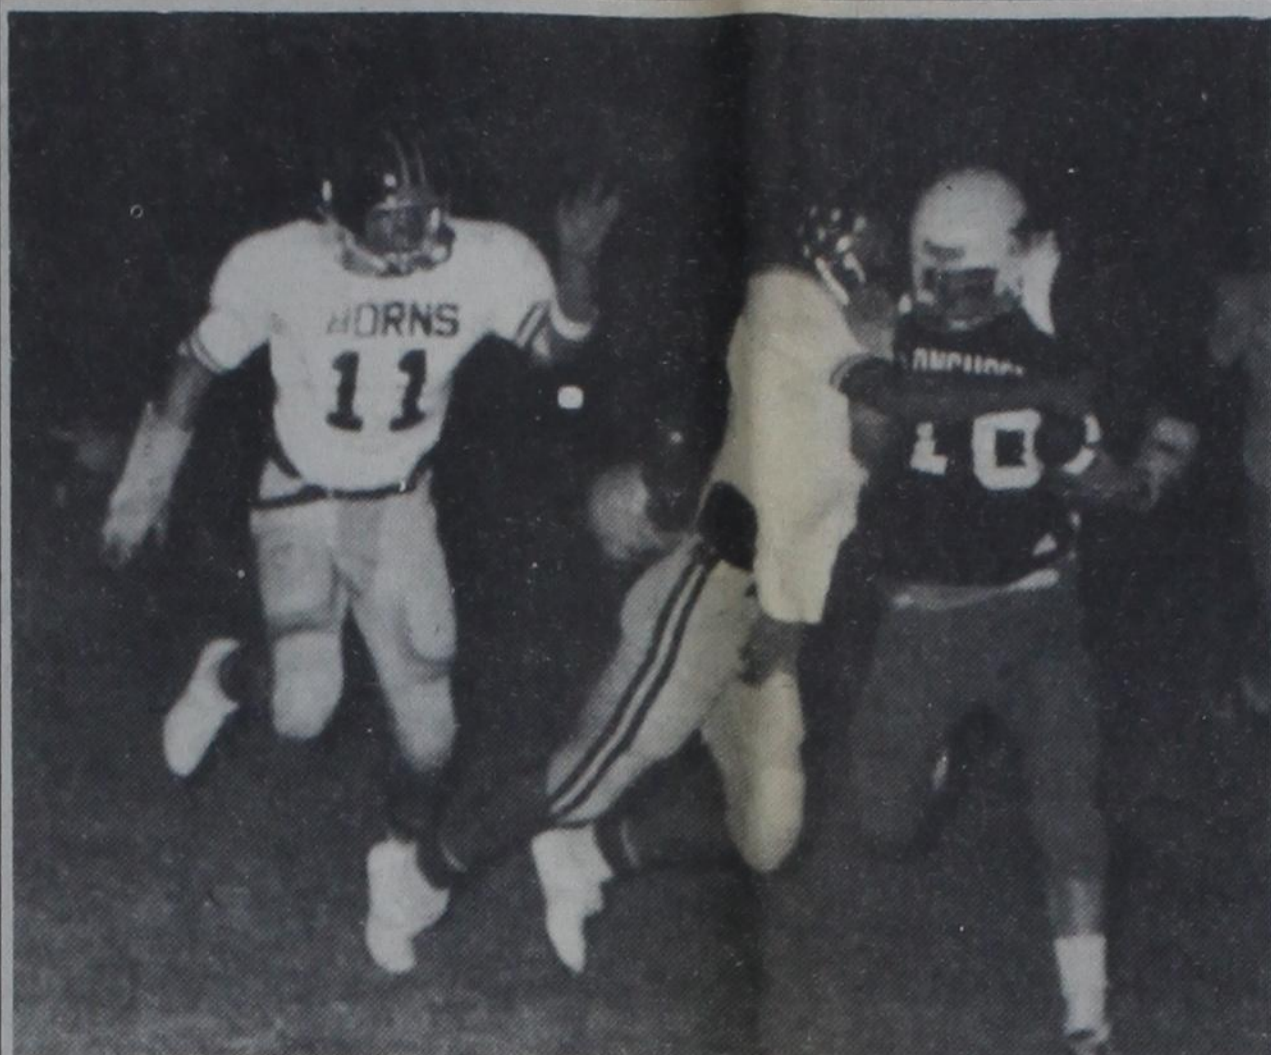

He also said that the document contains six amendments which had heretofore been defeated by the voters of Texas.

Asked if he advocated voting against each of the eight propositions on Nov. 4, he said, "Yes."

Rec Association sets annual meet

FINAL STEP—Hart's Eliazar Castillo [2] corralled Vega's speedy Larry Richardson [10] for no gain in the fourth quarter of Friday night's District 3-A showdown. Coming up to assist on the tackle is Glen Black [11]. The shifty Vega quarterback hurt the 'Horns with

outside power sweeps in the first half, but Hart adjusted its defense and held the visitors to 38 yards and no scores in the second half to earn a crucial 25-18 victory and go into first place in the district race.

Fertilizer short course slated here

Two soil chemists and two agronomists will be featured speakers for a fertilizer short-course at the County Exposition Building here next Thursday, beginning at 7:30 p.m.

THE ONE-evening event, says County Extension Agent Charles Hottel, is of special interest to area producers needing a refresher course on plant nutrients, forage and grain fertilization and soil testing.

Dr. Charles D. Welch, head of the Texas Agricultural Extension Service Soil Testing

Laboratory at College Station and Jim Valentine, head of the Extension Soil Testing Laboratory at Lubbock, will discuss fertilizing corn and sorghum and the value of soil testing.

Dr. James Supak, Extension agronomist-cotton, will take a practical look at plant nutrient carriers, and Dr. Frank Petr, Extension area agronomist at Amarillo, will discuss fertilizing small grain.

SPONSORED by the Texas Agricultural Extension Service and the Panhandle Economic

Program for Castro, Deaf Smith and Parmer Counties, the fertilizer shortcourse is designed to aid area producers in planning their fertilizer programs.

"Topics to be discussed will be short and to the point," Hottel said. "Included will be factual information on fertilizer use practices that have been proven effective in our area."

Refreshments will be provided. No fee will be charged for the shortcourse.

Letter to the editor

Satellite School selling extinguishers

Dear Editor:

Local residents have a wonderful opportunity to help those who need our help and who are trying to help themselves. We are speaking of the Satellite Training Center in Dimmitt.

INFLATION has hit the budget at the Satellite School, just as it has hit everywhere else. To help carry its own load, the Satellite School is conducting a fire extinguisher sale again this year.

A fire extinguisher is something that every home, camper, motor home, boat, car, pickup and airplane should have. Are some of your loved and expensive possessions without the instant protection of a handy and dependable fire extinguisher? Then here is your opportunity to remedy that situation. Order enough extinguishers to provide complete, handy protection.

There are two sizes to choose from. Each comes with a bracket for hanging. They are both approved by Underwriters' Laboratories.

FEATURES of the one-pound extinguisher are:

1. Dry chemical.
2. Pressure-pin gauge.
3. More effective, pound for pound, than old-fashioned soda-acid types.
4. Action-ready.
5. Classification 2:BC.
6. UNAFFECTED by weather; can't freeze.
7. Reaches 10 feet, lasts 15 seconds.
8. Rust-proofed throughout.
9. Can't expel contents accidentally.
10. The dry chemical produces no fumes, is non-toxic, won't spot or stain, and is easily vacuumed.

11. Economical—one fire would cost you much more! Cost of the one-pound extinguisher is \$8.15 plus tax.

THE 2 1/2-POUND extinguisher has these features:

1. 5:BC rating, higher than many others in its price range.
2. Easy-to-read quality pressure gauge.
3. Approved by both Underwriters' Laboratories and Factory Mutual.
4. Stops gas, oil, paint, grease and electrical fires.
5. NON-TOXIC, harmless to furnishings.
6. Original charge guaranteed one year from date of sale. Refills are available.
7. Won't freeze; isn't affected by moisture.

sells for \$17.50 plus tax.

CALL Norma Conard today at 647-4425 or 647-4270 to order your fire extinguishers. Make your check payable to "Satellite School." You may give your check to the person who delivers the fire extinguisher to your home or business.

We hope you NEVER need to use one of the fire extinguishers. But if you DO need it, it can be invaluable to you.

The sale will continue until 5 p.m. Wednesday, Nov. 12. The fire extinguishers will be delivered Wednesday, Nov. 19.

THE SATELLITE SCHOOL GUILT, like salt, is a useful ingredient in flavoring life—but it must never become the main course.

Statistics show how women are progressing

By IRENE KEATING

This month is already gone and it'll be November Saturday. It won't be long until the end of the year is here. If you haven't already begun to think about the holidays and gifts, you should. There's still time to make gifts, decorations, etc.

One thing that goes over well is clothing. If you know the correct size and personal preferences this is a great idea.

THE ROLE and life style of women is constantly changing. Here are some interesting facts from 1970 that I think you'll enjoy.

In 1920 the life expectancy of a baby girl was 55 years; in 1970, 74 years. In 1920 for girls 17 years old, 20 of 100 were graduated from high school; in 1970, it was 78. For every 100 women in the population age 21 in 1920, 2 were college graduates and in 1970, it was 19.

In 1920, 23% of women were in the labor force; in 1970 43% worked. Last but not least, in 1920 the average woman worker was 28 and single and in 1970, she was 39 and married.

Moore family has reunion

Sunday the birthdays of J. B. Moore and Omega Johnson were celebrated with their annual family get-together, which was held in the Odd Fellows Hall.

THOSE attending from Dimmitt were C. J. and Omega Johnson, J. B. and Thelma Moore, Art and Christell Wilcox, Christeen Davis, Bob, Yvonne and Ty Wilcox, Don, Carolyn, Trampas and Coby Moke, Jack, Colleen, Christy and Cathy Byrd, J. B. and Sarah Blackwell and grandchildren, Scott and Kim.

Those attending from out-of-town were Don, Carol, David, Darla and Carla Dennis of Friona; Doug, Mary Shawn and Sherrie Moke of Amarillo; Russell Johnson of Garland; Keith, Linda, Keldon and Chereene Johnson of Plainview; Mae Leathers of Hollis, Okla.; and Ray and Louise Wilbanks of Lubbock.

Sorority holds initiation rite

The Alpha Epsilon Tau Chapter of Beta Sigma Phi held its monthly meeting recently at the Castro County Country Club.

THE RITUAL of Jewels was read by President Jeri Butler for the new members A'llan Bradley, Delores Golden, Diane Sanders, Lucy Nelson and Pam Woodard.

The committee chairmen gave their reports. Mary Jo Brown and Kay Kellar presented the program, "This is My Country."

Hostesses for the evening were Roxie McLean and Patricia Braafladt.

MRS. MARK EDWARD GRIFFITH
The former Genice Ann Crosby of Hart

Couple establish home in Lubbock

Mr. and Mrs. Mark Edward Griffith are now at home in Lubbock, following their Oct. 18 marriage in the First Baptist Church of Hart.

THE BRIDE is the former Genice Ann Crosby, daughter of Mr. and Mrs. Garlon Crosby of Hart. The groom's parents

are Mr. and Mrs. Elmer Griffith of Lockney.

Rev. Joe E. Cariker officiated at the double-ring ceremony. The marriage setting included baskets of white gladioli with rainbow streamers, and candelabra entwined with greenery. Rainbow-colored bows marked the pews along the bridal aisle.

Mrs. Weldon Davis performed traditional wedding music at the organ and accompanied Mr. and Mrs. Preston Uphaw, who sang "The Twelfth of Never."

MATRON of honor was Mrs. Keith Calhoun of Allanreed. Bridesmaids were Kathy Box and Paula Hankins, both of Lubbock.

Glen Graves of Lockney served as best man. Groomsmen were Lanny Barnett of Lockney and Jimmy Crosby, brother of the bride, of Lubbock. Ushers were the bride's brother, Greg Crosby of Hart, and the groom's brothers, Ronnie Griffith of Hart and Bruce Griffith of Amarillo.

Given in marriage by her father, the bride wore a formal length wedding gown of white bridal satin overlaid with silk organza. Fashioned with an Empire waistline, the bodice was re-embroidered with clusters of tatted appliques. Narrow tating encircled the scooped neckline and the hemline of the long sleeves, which were caught in a bouffant puff at the wrists.

CLUSTER appliques also enhanced the sleeves and the modified A-line skirt. Her detachable train, caught at the back waistline, swept to cathedral length. Lace petal edging encircled the hemline of the skirt and train.

Her bouffant veil of silk illusion fell to shoulder length in three tiers and was held by a lace and satin headpiece enhanced with seed pearl droplets.

For something old, she wore her Grandmother Crosby's ring. Something new was her wedding dress, and for something borrowed she wore a necklace belonging to her matron of honor. She also wore the traditional blue garter.

THE BRIDE'S attendants wore full-length dresses—one yellow, one pink and one blue—with matching wide-brim hats. Each carried a nosegay.

A reception in the church's Fellowship Hall followed the ceremony. Mrs. Greg Crosby and Mrs. Danny Godfrey served the three-tiered wedding cake from a table that was covered with a pale pink pique cloth and decorated with an arrangement of fresh flowers in rainbow colors.

FOR HER wedding trip, the bride chose a gray-and-charcoal striped pantsuit.

The bride is a graduate of Hart High School. The groom graduated from Lockney High School and attended South Plains College in Levelland. He is employed by J. D. Kennington Trucking Co. in Lubbock.

MOM: "Eat your spinach, son. It will color your cheeks."
Son: "Who wants green cheeks?"

Shower honors Miss Braafladt

Jill Braafladt, bride-elect of Charles McLean, was honored with a bridal shower in the home of Mrs. G. L. Willis Saturday.

IN THE receiving line with the honoree were Mrs. Willis, the honoree's mother, Mrs. Chet Braafladt, and McLean's mother, Mrs. Bob McLean.

Poppy Head of Hereford registered the guests.

The serving table, covered with a white lace cloth, was centered with an arrangement of hand-painted burgundy candles, accented with silver rope. Finger sandwiches, tiny cinnamon rolls, coffee and spiced tea were served by Trudy Jackson, Kay Rogers, Vicki Carpenter and Marla Mayfield.

SPECIAL guests were Patricia Braafladt, sister-in-law of the honoree; Roxie McLean, sister-in-law of the prospective groom; Jane Kassahn of Bovina; Mrs. Wallace Emerson Sr. of Sulpher Springs; Mrs. Wallace Emerson Jr. of Amarillo; and Mrs. C. W. Dixon of Friona.

Twenty-three ladies assisted Mrs. Willis with hostess duties.

Debbie Comer is Tops winner

Tops Club 386 met Monday night with 21 members and one new member present.

DEBBIE COMER was Queen of the Week with a six-pound loss. Total loss for the club was 20 3/4 pounds.

The monthly fellowship was held at the home of Emily

Clingingsmith following the meeting.

At next week's meeting area captain Kay Jackson of Plain-

view will visit and conduct a question and answer session.

Kids of all ages enjoy community Halloween party

By TEENY BOWDEN

The Halloween party at the community building Saturday night was a great success. Among the preschoolers Stacy Waggoner won the funniest of costumes, Melinda Wilson the cutest, Janie Parson the scariest, and Kyle Bradley the most original. Among the grade school children Kent Bradley had the funniest, Lisa Wilson the cutest, Gwendolyn Wilson the scariest, Kelby Bradley the most original. For those junior high and up Daneen Wilson had the funniest, Cindy Sadler the cutest, La Glenda Wilson the scariest, Susan Sadler the most mysterious, Thomas Parson the most original, and Mrs. Raymond Jones was best overall. Mrs. Richard Heizer was overall chairman of activities, Mrs. Ricky Byers refreshment chairman, Mrs. Hershel Wilson decoration chairman and Mrs. Cliff Brown game children. LaGlenda Wilson was the witch who brewed up the brew, Cindy Sadler was the fortune teller, with Rhonda Ross helping, Lee Brown and Susan Sadler magicians, with Lonnie Wilson the great magic table, Dan-

een Wilson flannelgraph ghost stories, Kelby Bradley and Lonnie Wilson puppets, Chris Elkins, with the help of Tammy Ross, skeleton in coffin, Dixie Byford had charge of the pin the tail on the cat game, Lynn Brown had charge of the pumpkin throwing contest. The group also saw two funny cartoons to climax the party. Approximately 50 attended.

"THE SINGING Disciples" of Abernathy had charge of the devotional for Training Union and had charge of the song service during the worship service. They are a group of 11 children ranging in age from 5 to 14 and led by Mr. and Mrs. Jerry Stewart. They sing gospel songs using amplified equipment and recordings. Some of their parents were also present. Mr. and Mrs. Hershel Wilson had supper for the group at the church following the church services.

Kelley Haydon was named Homecoming Queen at Springlake-Earth Friday evening. Randy Bills of Earth, grandson of Mr. and Mrs. R. V. Bills, was named Homecoming King. Lee Brown was also a candidate for king.

Springlake-Earth won their homecoming game over Bovina 13-12 Friday night. Lee Brown and Joe Fuller are on the team.

NOAH SPENCER was admitted to Parkland Hospital in Dallas Wednesday and has begun dialysis treatments. Mrs. Spencer is with him.

Mr. and Mrs. M. H. Fowlkes of Lubbock spent Thursday night with Mr. and Mrs. Embree Roy Sadler. Mr. Fowlkes was admitted to University Hospital in Lubbock Friday morning with a bleeding ulcer. Mrs. Sadler has been with him since he was admitted. Mr. Sadler went down Sunday and

spent the night. He was better Sunday.

Mr. and Mrs. Ed Townsend attended the funeral services of her brother-in-law in Lubbock last Saturday. He had been ill several months.

Mr. and Mrs. Bill Morgan of McLean and Steve and Mrs. Jay Stanton and Dawn of Dimmitt were visitors in the Sunday morning worship service. They spent the weekend with Mr. and Mrs. Perry Don O'Hair of Earth.

Rev. and Mrs. Raymond Jones and Mr. and Mrs. Hershel Wilson attended the services at the Lazbuddie church Thursday night to hear Bertha Smith and Jack Taylor. The men attended again Thursday night.

Rev. and Mrs. Raymond Jones left after the Sunday night services for Dallas to attend the Baptist General Convention Monday through Thursday.

MR. AND MRS. Roy Phelan returned home Friday from a weeks' vacation in the Ozark mountains of Arkansas and Missouri with Mr. and Mrs. Loyd Morris of Tulsa. They saw the Passion Play at Eureka Springs and spent some time in Fort Smith. The foliage in the Ozarks was in its beautiful fall colors.

.20 of an inch of rain was received Tuesday night with some light sleet and rain Saturday morning.

Mrs. Cliff Brown and Mrs. L. Gilbreath is new treasurer of GSP Board

Kress farmer C. C. "Pap" Reed has been re-elected chairman of the Texas Grain Sorghum Producers Board for his second term.

BOARD members named Larry Witten of Olton to a second term as vice-chairman and elected John Gilbreath of Sunnyside secretary-treasurer to succeed Gerald McCathern of Hereford.

The new officers were named at the regular bi-monthly TGSPB meeting during which four newly elected directors were sworn in.

The four directors, all incumbents, were chosen by fellow grain sorghum producers in the 29-county TGSPB area.

NAMED to their second six-year terms were Ralph Mabry of Petersburg, who received 492 votes; K. B. Parish of Springlake, 474 votes; C. P. Smith of Hale Center, 517 votes, and Larry Witten of Olton, 485 votes.

Jerry Don Glover of Lazbuddie, the only other announced candidate, received 446 votes.

Several ballots contained write-in candidates.

The Texas Grain Sorghum Producers Board works to solve production problems, develop new markets for sorghum and provide information on grain marketing.

B. Bowden spent the day Thursday in the Mary E. Bivens Library in Amarillo in the genealogy room. They and L. B. Bowden visited in Canyon with Dick and Lucy Jo Loudder on the way home.

Richard Heizer spoke to the Springlake-Earth 4-H club Monday night on soil conservation. Lynn Brown gave the inspiration. Tommy Graham is secretary, Dina Jo Hampton is communications director. Mrs. Ray Joe Riley and Mrs. Gerald Graham are organizational leaders for the year. Jodie Riley and Ray Lynn Owens are new members this year. Others present Monday night were Mrs. Jerry Hampton, Belinda, Tommy and Duke Henry Hampton, Michael Graham and Kevin Riley.

BAPTIST Women met at the home of Mrs. Raymond Jones Tuesday morning for the officers council. She taught the first two chapters of the manual to the group.

Mr. and Mrs. Vernon Orr visited in Temple last weekend with Mr. and Mrs. Rocky Johnson. They visited in Jal this weekend with Mr. and Mrs. Mike Orr and boys and spent some time in the Guadalupe Mountains to the west.

Mr. and Mrs. David Sadler and girls and Mr. and Mrs. Lee Bradley and children left Thursday to spend a few days fishing at Breckenridge Lake.

Lyle Loudder was on the Springlake-Earth "B" honor roll for the sixth grade, Karen Jones for the 7th grade and Kevin Riley and Kim Haydon for the eighth grade.

LEE BROWN was recently named wittiest boy at Springlake-Earth High School and he and Gale Jones named cutest couple.

Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon.

Mrs. Cecil Curtis, Mrs. Jerry Hampton, Mrs. Ray Joe Riley and Mrs. Gerald Graham attended a Lamb County furniture refinishing demonstration at Springlake-Earth last Friday. It was sponsored by the Extension service.

Tommy Graham attended the Lamb County 4-H council in Littlefield last week to plan the achievement banquet scheduled for Nov. 1.

The Springlake-Earth seventh grade team won over Bovina at Bovina Thursday night 22-0. The eighth grade won 22-0 also and the junior varsity won 28-0. Lynn Brown, Pat Fuller, and Baldamoro Sauseda are on the junior varsity team. Kevin Riley and Chris Elkins played on the eighth grade team. Kim and Jeanne were cheerleaders.

KEN CRAFT of Earth spent Saturday night with Jodie Riley to help him celebrate his ninth birthday.

Cindy and Susan Sadler are on the stage crew for the Dimmitt High School play and have

been busy this week with practice sessions and attended a party for the group Friday night.

Mrs. Edwin Morrison and Windy of Hereford spent Sunday night with Mr. and Mrs. Ray Joe Riley, Kevin and Jodie.

Gilbreath is new treasurer of GSP Board

Kress farmer C. C. "Pap" Reed has been re-elected chairman of the Texas Grain Sorghum Producers Board for his second term.

BOARD members named Larry Witten of Olton to a second term as vice-chairman and elected John Gilbreath of Sunnyside secretary-treasurer to succeed Gerald McCathern of Hereford.

The new officers were named at the regular bi-monthly TGSPB meeting during which four newly elected directors were sworn in.

The four directors, all incumbents, were chosen by fellow grain sorghum producers in the 29-county TGSPB area.

NAMED to their second six-year terms were Ralph Mabry of Petersburg, who received 492 votes; K. B. Parish of Springlake, 474 votes; C. P. Smith of Hale Center, 517 votes, and Larry Witten of Olton, 485 votes.

Jerry Don Glover of Lazbuddie, the only other announced candidate, received 446 votes.

Several ballots contained write-in candidates.

The Texas Grain Sorghum Producers Board works to solve production problems, develop new markets for sorghum and provide information on grain marketing.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now. But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump...

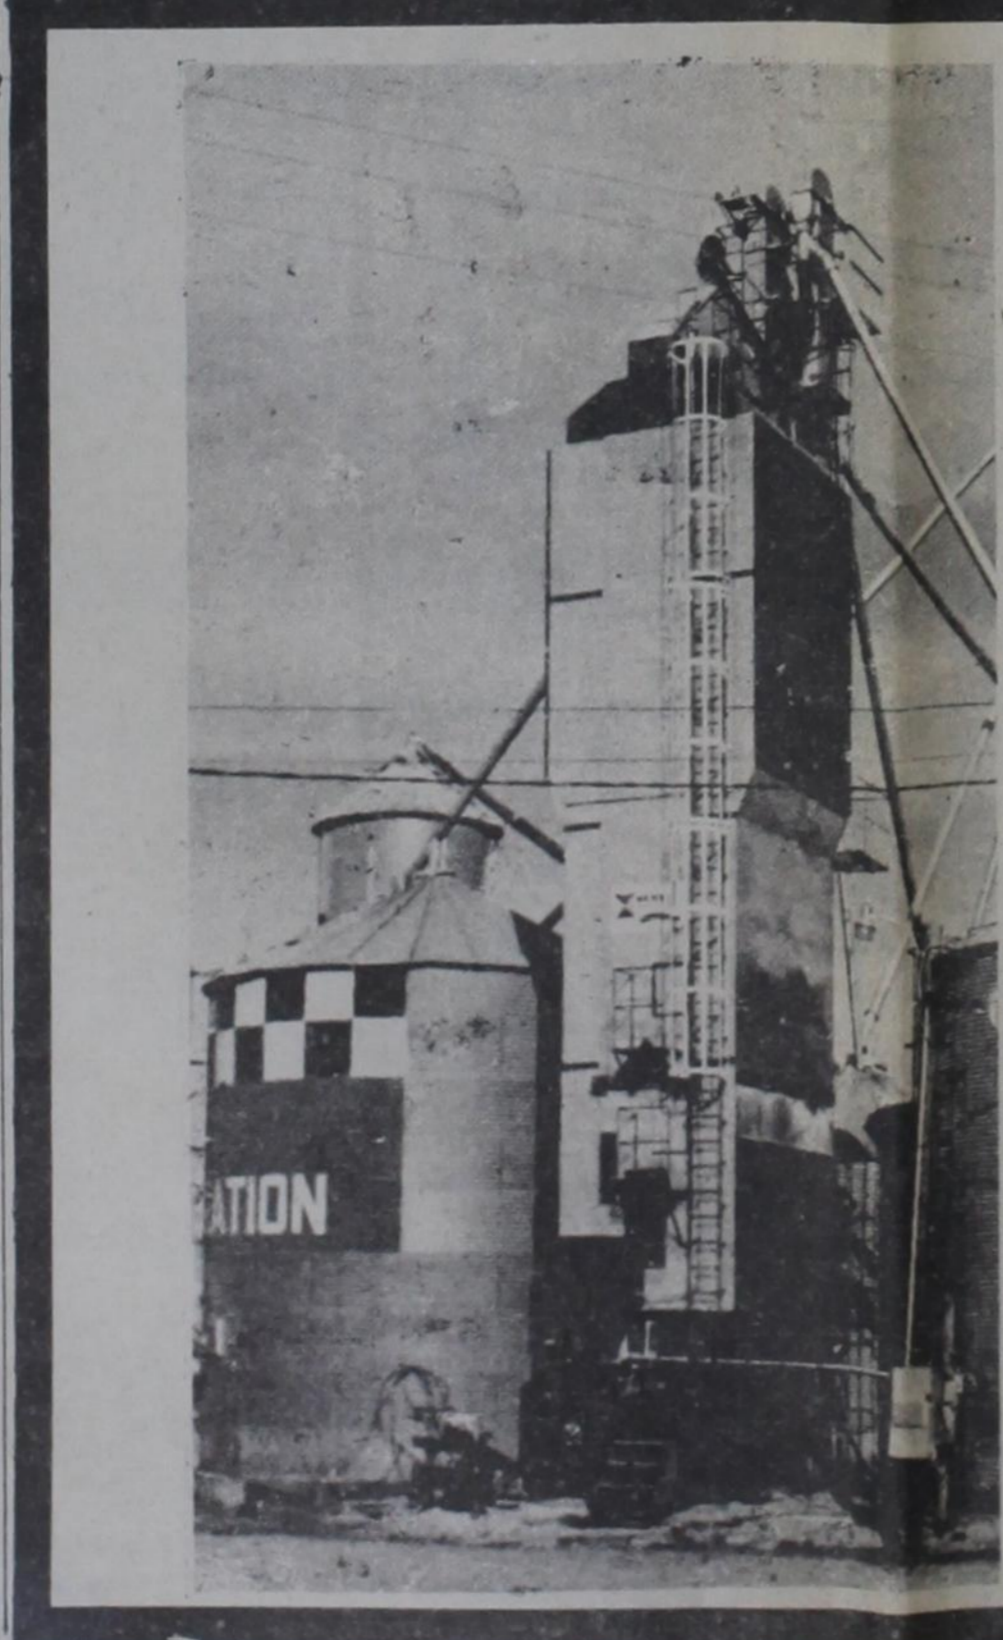

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

My office will be open Monday and Tuesday of next week, Nov. 3 and 4, but will be closed the remainder of the week as I will be conducting an evangelistic crusade in Shamrock beginning Thursday.

I ATTENDED a conference of Veterans Service Officers at the VFW Hall in Lubbock Friday, Oct. 24 regarding new VA regulations due to the 1974 Right of Privacy Law, as it affects our service to veterans, their dependents and survivors. Because of this new law, the information on a person's claim which normally would be available to us for filing will not be available to us unless the claimant signs a Release of Information application to the VA and states under his signature that this is voluntary on his part. Any information in our office is also confidential to claimants only.

Therefore when pensioners come into our office to have us fill out the AIQ (Annual Information Questionnaire) cards which they will receive in their October checks next week, please bring along your Social Security Award Letters, and/or exact amounts of your part of monthly checks received, exact amounts withheld for Medicare, since this information cannot be given to our office anymore, but may be secured by the claimant only from the Social Security representative.

Castro County Social Security records as of this Oct. 1 have been transferred from Amarillo to the Plainview office. Mark E. Cude is the new field representative of the Social Security Office in Plainview. His office days here are Mondays, Nov. 3, 17 and 24 and Dec. 1, 15 and 22 for the remainder of 1975.

The AIQ cards must be mailed by Jan. 1 or earlier or one may miss payments until the information is received by the Waco VARO. Other needed accurate information for the claimant's benefit is the amount pensioners have paid out for medical services for themselves and dependents in 1975. Also accurate information on any other income received is a necessity.

Claimants over 72 years of age who have been receiving pensions for a period of two years will not receive an AIQ card; but will only need report to the VA if their income or medical expenses are substantially increased or decreased. We're here to help as needed.

PRESIDENT Ford recently signed into law a bill which returns the observance of Veterans Day to the traditional date of Nov. 11, starting in 1978.

Nov. 11 of each year is of special significance to the veterans of World War I and their widows, as this was the date in 1918 when that long conflict came to an end. This date, known as Armistice Day, commemorated the ending of World War I. In 1954, it was changed to Veterans Day, a day on which all veterans would be honored. The Congress, in 1968, included Veterans Day in the Special Holiday Act, to be observed on the fourth Monday

in October as part of a three-day weekend.

Counting the American Revolution, the United States has been involved in nine wars since 1776. More than 44 million citizens have served in the Armed Forces during these periods of conflict, and 29 million of them are still living, reminding us of the wars during our own lifetime, dating from the Spanish-American War in 1898. Those who answered the calls for the cause of freedom deserve our salutes, and the annual observance of Veterans Day is one significant way to honor them and their efforts and their memories.

EARLIER in 1975, the Texas Legislature enacted a law which returned the observance of Veterans Day to Nov. 11, starting in 1975. The Federal government will continue to observe Veterans Day on the fourth Monday in October until 1978. Hawaii, Nevada, Rhode Island and Utah are the only states which have not returned Veterans Day to Nov. 11, along with the District of Columbia. Major efforts are currently under way by veterans organizations, such as the American Legion and Veterans of Foreign Wars, to encourage these states to enact legislation to return Veterans Day to the traditional Nov. 11 date.

BEGINNING next week we'll have a three minute spot weekly over KDHN concerning veterans affairs. Watch for the time.

Sugar prices likely to dip, economist says

Remember the high sugar prices and widespread hoarding just a short year ago? Well, if the current outlook for sugar production in the US and the rest of the world is accurate, sugar supplies will be plentiful during the coming year. So, consumers may see a slight softening in retail prices.

US PRODUCTION of both sugarcane and sugar beets should be up sharply this year compared to 1974," points out Dr. Russell McDonald, economist in marketing for the Texas Agricultural Extension Service. The US Department of Agriculture has estimated sugarcane output will be up about 14 percent while production from sugar beets may be up 25 per-

cent from levels a year ago. Combined US production of sugarcane and sugar beets should total in the neighborhood of 56 million tons, while the world sugar crop may exceed 93 million tons—up four to six million tons from a year ago.

At the same time that production is expanding, per capita consumption of refined sugar in the US is down, noted the Texas A&M University System economist. Each American may consume less than 90 pounds of refined sugar this year, the lowest amount since the sugar-short years of World War II.

THE DECLINE in sugar use is mainly due to consumer resistance to high prices of

sugar and sugar-containing products," believes McDonald. "Also, a new high-fructose corn syrup is becoming available in larger quantities and is competing with the sugar market."

What effect will the larger sugar crop have on prices?

PRICES for raw sugar in the US may drop as low as \$17 per hundred pounds this fall," says McDonald, "after rising above the \$23 level at mid-August."

This means that consumers may see a little relief at the supermarket. But for those hoping for sugar at the bargain basement prices of several years ago, it's just not in the cards."

With 25-18 win over Vega

Hart grabs lead in 3-A

By JESS HUDNALL

The Hart Longhorns took a major step toward a district championship Friday night by

defeating the Vega Longhorns, 25-18. THE GAME was a classic battle to the very end as the powerhouses of district 3-A

played inspired football. It was Hart's precision passing game and second-half defense that made the big difference.

In a game that was rated a toss-up, the performances of quarterbacks Eliazar Castillo of Hart and Larry Richardson of Vega sparked their teams to impressive offensive play. For the night, Castillo had 81 yards rushing in 14 carries and completed five of 11 passes for 174 yards and four touchdowns. His counterpart, Richardson, had 68 yards rushing in 18 carries and completed five of seven passes for 71 yards.

THE OPENING quarter was all Vega as the Black and Gold displayed an awesome ground attack with Richardson and Kevin Montgomery accounting for 145 yards between them. Ironically, the only other four yards gained resulted in Vega's first score. Monty Pratt scampered in to cap a 53-yard scoring march. Richardson's kick failed and with 3:09 left in the first period, Vega led 6-0.

After Hart failed to move the ball, Castillo punted to the Vega 31-yard line. Running behind impressive blocking, Montgomery and Richardson again ripped off large gains. With only two seconds left in the quarter, Richardson raced around left end for 30 yards to increase the Vega margin to 12-0. Again Vega failed to convert the point after.

Following the kickoff, Hart began its first scoring drive on its own 32-yard line. After an offside penalty moved the ball to the 27, Barry George and Castillo picked up six yards on successive running plays. With third and nine, Castillo hit Bryan Irons for a 67-yard combination run-pass play to put Hart on the scoreboard. Kerry George converted the kick to trim Vega's lead to 12-7.

HOWEVER, Vega roared right back, converting five third-down situations into first downs to roll 95 yards in 17 plays for their third score of the night. Richardson alone accounted for 78 yards running and passing in a perfectly executed drive. Richardson scored the touchdown on a one-yard run. He had set up the TD when he hit end Mike Yell with a 21-yard pass to the Hart 1. Montgomery's extra-point run failed and Vega led 18-7.

Hart, demonstrating outstanding poise all night, revealed championship character by fighting back. Beginning on their own 20-yard line and with only 2:36 left in the first half, Castillo and Co. drove 80 yards in 10 plays, aided by a 15 yard penalty against Vega. Big plays in the drive were runs of 21 and 23 yards by Castillo and the scoring pass play from Castillo to Glen Black. Black made three touchdown catches to lead the Horns in scoring. The kick failed, and at the half the score stood at 18-13, Vega's favor.

The second half marked the beginning of a new game as the momentum swung entirely to Hart. The Maroon and White threw up an ironclad defense that limited Vega to 38 yards' total offense in the final two periods. Vega ran only 22 offensive plays from scrimmage the second half. Hart, on the other hand, combined for 166 yards offense to totally dominate the play.

Hart's go-ahead score came when Castillo hit Black for seven yards to culminate a 64-yard drive. Both Castillo and Kerry George picked the porous Vega pass defense apart as Hart attained the lead, 19-18, going into the final stanza.

The final score came with 7:04 left in the game as the combination of Castillo and Black again clicked—this time for 11 yards—and Hart's lead mounted to 25-18. Instrumental in the drive was the imposing running of Terry Hill, who gained 84 yards in 17 attempts for the night. Again the extra-point effort was stymied.

Vega, trying to fight back, drove to the Hart 33, mainly on passes from Richardson to Yell and Pratt. With time running out, Richardson attempted to hit Yell, but Lester Aven intercepted to assure Hart's victory.

FRIDAY NIGHT Hart travels to Springlake-Earth for a District 3-A showdown. The Wolverines are faced with a do-or-die situation, as Vega defeated them 20-12. Hart must win to eliminate the possibility of a repeat of 1974 when Vega, Springlake-Earth and Hart tied for the district crown.

HIGH AND LOW—Hart's Terry Hill [30] hits Vega quarterback Larry Richardson high while Donald Robinson [12] hits him low to halt a desperate Vega drive in the fourth

quarter of Friday night's District 3-A headline game. This third-down defensive play forced Vega to punt, helping seal Hart's 25-18 victory.

Freshmen still undefeated; Junior High teams win two

While the varsity had an open date, Dimmitt's junior varsity, freshmen and junior high teams posted a 3-1 record during the week against their counterparts from Friona and Morton.

THE FRESHMEN extended their unbeaten string to six games with a 23-0 victory over Friona last Thursday. It was their fifth shutout in six contests.

Dimmitt's Junior Varsity took it on the chin, though, losing the nightcap game at Friona last Thursday, 28-7. The Dimmitt JV's record now stands at 3-3.

Tuesday night was a time for rejoicing at Bobcat Stadium as

Dimmitt's seventh graders posted their first victory of the season, 12-0 over Morton. The seventh grade, which has lost several close ones this season, now has a record of 1-5.

DIMMITT'S eighth grade followed suit in Tuesday's nightcap event with a decisive 14-0 victory over Morton. Dimmitt's defense made the difference by blocking two punts (one of which set up the first TD from the 1-yard line) and consistently throwing Morton for losses to keep the visiting Indians from threatening. The eighth graders' record now stands at 4-2.

Sudan earns hard victory over spunky Swifts, 19-6

By MARTY CATOE

The Sudan Hornets outscored the stubborn Nazareth Swifts, 19-6, Friday night at Sudan.

THE LOSS left the Swifts with a 3-5 season record and an 0-4 mark in district play.

Although the Swifts amassed 261 yards, it was not enough to offset the 326 yards gained by the powerful Hornets.

Sudan took the opening kickoff on its own 18 and returned it to the 36, where the Hornets began their first scoring drive. The march consisted of 14

plays and used up 6:15 on the clock. The score came on a three-yard run by senior full-back Danny Williams. The kick for the extra point failed and Sudan led, 6-0.

THE LONE Swift score came midway in the second quarter when Chris Book intercepted a Hornet pass on the Sudan 25 and ran it into the end zone for six. The extra-point kick failed and the score was tied at 6-6 with 8:17 remaining in the first half.

Sudan struck again in the third quarter when Kyle Martin intercepted a Brockman pass

intended for Royce Huseman. Martin returned the ball 34 yards for the score. The two-point conversion attempt failed, but the Hornets had regained their six-point lead.

Early in the final period the Hornets re-established their ground game with a 56-yard scoring drive. Danny Williams got his second TD of the night on another three-yard run. Kyle Martin kicked the extra point, giving the Hornets a 19-6 lead with 8:55 remaining in the game.

ALAN ACKER took the Hornet kickoff on his own 10 and

returned it to the 22. From this point the Swifts started their longest drive of the night. They moved the ball to the Sudan 6 in 16 plays, but failed to get the needed score and had to turn the ball over to the Hornets with 1:29 remaining.

Derwin Huseman led the Swift offense with 125 yards rushing. Frank Acker and Mark Hoelting sparked the defense with 10 tackles each.

THE SWIFTS will meet the Valley Patriots in their final home game Friday.

IN CASE OF EMERGENCY— City Manager Garnett Holland (left) and Fire Marshall Guy Waldrop discuss the zoning procedure to be used in the new Emergency Preparedness Program. The city will be divided into zones around public shelters so residents can be directed to safety quickly in case of an approaching tornado or other emergency situation.

County unable to subsidize local school

The County Commissioners' Court voted 3-1 Monday in favor of a county subsidy for the Satellite School and Training Center "if funds are available." HOWEVER, after studying an audit report of the county's income and expenditures, the commissioners decided that funds weren't available for the Satellite School because of prior demands on the county general fund.

REASONS FOR POOR MUMS If chrysanthemums are doing poorly, there's probably a good reason, says a landscape horticulturist for the Texas Agricultural Extension Service.

For a happy Halloween, keep it safe for kids

Too many children—and adults— have found Halloween fun to be short-lived because of carelessness or lack of awareness. THE "GREAT Pumpkin" can prove a disaster if you're not careful. For lighting, never use a candle in a plastic or cardboard pumpkin. In fact, a flashlight or other battery-operated light is even best for the natural pumpkin—it glows just as well, and is much less a fire hazard.

Judge Boyd

[Continued from Page 1] Starvation was widespread. One country—the United States—took the responsibility to help and rebuild these nations, on a scale never seen before in history, and built up a huge national debt doing it. "I haven't heard much credit being given lately to our country for that," he said.

Andrews went to Amarillo Tuesday to consult with officials of the Panhandle Regional Planning Commission on services that are available from that agency. Meanwhile, other organizers held a "traveling meeting" Tuesday to look at prospective sites for a senior center. SEVERAL persons attending Monday night's meeting offered to help pay the rent to get the senior center started.

"OUR FLAG is just a piece of cloth, until you make it what it is," Gerald Broadstreet tells John Lantz's eighth grade history class at Dimmitt Middle School Monday. Broadstreet, who is a state VFW instructor, and Mrs.

Florene Leinen, VFW Auxiliary president, presented flag etiquette booklets to all Middle School students on behalf of the Castro Memorial Post.

State magazine seeking old-time recipes, tips

Castro County cooks are invited to submit their favorite recipes for publication in the winter issue of TDA Quarterly, a Texas Department of Agriculture consumer-oriented magazine.

RECIPES unique to the Plains area and old-time specialties will be stressed. However, any good recipe will be considered, Agriculture Commissioner John C. White said. Since cattle are important to the Plains area, a special look-out will be kept for beef recipes.

In addition to recipes, old-time methods of food preservation in danger of disappearing will be printed. Anyone with tips from the past on preserving foods is invited to send

them in, White said. DEADLINE for submitting recipes and hints from the past will be Nov. 21.

TDA Quarterly takes a look at a specific region of Texas in each issue. It began publication this year.

Recipes and tips selected for publication will be credited to the sender. They will not be returned. They should be mailed to the Texas Department of Agriculture, Information Section, PO Box 12847, Austin, 78711.

BILL COPELAND says, "Success these days is simply finding a way to make the end of the money come later than the end of the month."

FREE CLINIC—County Attorney Robert Buntn and County Judge Weldon Bradley (right) were among many who had their blood pressure checked Friday during a free clinic in the County Commissioners' Courtroom. Here, Chareese Cook (left) checks Buntn's blood pressure while Lucila Rodriguez runs the test on Bradley. Both young women are student vocational nurses at Plains Memorial Hos-

pital. The clinic was sponsored by the Castro County Chapter of the American Heart Association and was supervised by Plains Memorial Nursing School Instructor Barbara Keel. Those conducting the clinic advised local residents whether their blood-pressure readings indicated that they needed to see their physician.
