If you don't think the corn harvest is underway, just take a look at the shelled corn along the streets and roadways. Much of the time, since corn harvest started, we have had high winds that have been instrumental in the spreading of corn along the roads and streets. There is no way to estimate how many thousands of dollars worth of corn are wasted during the harvest season, but it is substantial. I'm not being critical as I believe the farmers who raise the corn would like to see every grain weighed in at the elevator, but in the rush to get the harvest over with as quickly as possible, and with custom harvesting crews doing much of the hauling, it may be impossible to take the necessary precautions to prevent waste. In any case, the pheasants should be plump and fat by the time hunting season opens.

New 1976 model Fords and Chevrolets will be on display at the local car dealers' show rooms this weekend. Elsewhere in this issue of the News both dealers, Dale Fowler Ford and Reeve-Fleming Chevrolet, are extending formal invitations to the public to be their guests at the first showing of the new cars and to enjoy a cup of coffee and donut. There will also be free gifts for their

Conservation district to pick director

Residents of Zone 2 of the Running Water Soil and Water Conservation District will meet Monday night to elect a director.

THE ELECTION will be held in the courthouse community room at 8 p.m. Monday, with County Agent Charles Hottel in charge. A program is planned and refreshments will be served.

Ernest Brockman has been the director in Zone 2 for 13 years. He was appointed to fill an unexpired term in 1962, and has since been elected to two five-year terms.

Zone 2 of the Running Water District is bounded by a line beginning at the southwest corner of Sec. 17, Block T-4, and extending north to Easter, then east to Highway 168, then south through Nazareth to the southeast corner of Sec. 32, Block T-10, then west to the beginning point.

K-Bob's, Mr. Burger to locate in Dimmitt

Two new restaurants, and possibly a third, will open in Dimmitt soon.

CONSTRUCTION will begin soon on a Mr. Burger fast-food service in the 300 block of South Broadway. Landscape work is now underway on three commercial lots purchased for the new business.

And the owners of K-Bob's Steak Houses confirmed this week that they will open a restaurant here in December in the Bruegel Shopping Center, where Nif-T Foods was formerly located.

Also, a spokesman for a nationwide restaurant chain that serves specialty foods told the News this week, "We're looking at Dimmitt and one other town to decide where to build next."

Ed Thompson dies Friday

Edgar Dee "Ed" Thompson, 66, a resident of Castro County 24 years, died Friday afternoon in Central Plains General Hospital in Plainview.

SERVICES were held Sunday afternoon in the Sunnyside Baptist Church with Rev. Raymond Jones, pastor, and Rev. Mack Turner of the Skyline Baptist Church in Lubbock officiating. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

Mr. Thompson farmed in the Sunnyside community from 1951 until ill health forced him to retire in 1961. He continued to live in Sunnyside after his retirement.

Born Dec. 29, 1908, in Seminole, Okla., he moved with his family to Wheeler County in 1924. He and Goldie Bowden were married in Sayre, Okla., in 1934. They farmed in Wheeler County until, 1946, when they moved to the Plains.

MR. THOMPSON is survived by his wife, Goldie; three brothers, his twin Orval Lee of Hobbs, Leroy of Ville Platte, La., and Casper of Pampa; and three sisters, Mrs. Gertrude Lee of Borger, Mrs. Ethel Young of Gallup, N.M., and Mrs. Vera Bowen of Ulysses, Kan.

Active pallbearers were Lonnie Bell and James Powell of Dimmitt and Hershel Wilson, Cliff Brown, Ezell Sadler and J. Paul Waggoner of Sunnyside.

Honorary pallbearers were C. A. Hance of Dimmitt and John Graham, John Spencer, Alton Louder, Vernon Orr and Roy Phelan of Sunnyside.

built by Ranger Enterprises, which is headquartered in Hereford and holds the franchise rights in Hereford, Dimmitt, Muleshoe, Clovis, Portales and the state of Arizona. The fast-food business will be identical in design to the Mr. Burger in Hereford, but will be larger at 20 x 30 ft. It will have walk-up and drive-up windows, will be open from 10 a.m. to 10 p.m., and will employ approximately eight people—three full-time and five part-time.

Owners of Ranger Enterprises said they hope to open the new Mr. Burger here Nov. 15. ALLAN PARSON, owner of K-Bob's Steak House in Hereford, said he hopes to open the new K-Bob's here in December. Most of the equipment has been ordered, and the building housing the restaurant will be completely remodeled, with a western decor inside.

"We're going to put in a first-class restaurant," Parson said.

The K-Bob's here will be the 10th in Texas, New Mexico and Oklahoma, and will be owned by Allan Parson and his brother, Gabe, of Clovis. Each brother owns and manages a

BR honor roll taps two here

Catcher Tim Hucks and second baseman Travis Hampton Jr. of Dimmitt will be listed in Babe Ruth Baseball's "Athletes of the Year" annual, to be published in December.

ANNOUNCEMENT of their selection was made by Richard W. Case, president of Babe Ruth International, and Bob Baker, coach of Dimmitt's Senior Babe Ruth team.

Hucks is the son of Mr. and Mrs. Johnny Hucks. Hampton's parents are Mr. and Mrs. Travis Hampton.

The young athletes were chosen for their baseball ability (including statistics and overall performance), sportsmanship and leadership during the 1975 summer season.

AFTER THE regular season, Hucks and Hampton were both named to the league's all-star team and played in the state BR tournament.

Sponsored by Babe Ruth International, "Athletes of the Year" is a national honor roll of the season's outstanding Babe Ruth players. The 1975 edition will be presented to the Baseball Hall of Fame at Cooperstown, N.Y., for permanent display.

Dimmitt's hepatitis outbreak has been traced to the Migrant Housing Project, and the State Health Dept. set up a clinic there Tuesday to inoculate all residents of the project against the highly contagious disease.

"I THINK we've got it pretty well under control," County Health Officer B. H. Lee, M.D., said Tuesday. "I believe everyone in the schools who had any contact with any confirmed case has also been inoculated."

Plains Memorial Hospital Administrator Jack Newsom traced the addresses of all confirmed cases, and all were residents of the large housing project in East Dimmitt.

Newsom ran his search following a hospital staff meeting last week which was called after the seventh hepatitis case within a week had been confirmed here.

AS OF Tuesday, the total of confirmed cases stood at nine, Dr. Lee reported.

When the outbreak point was located, the county health officer called in the State Health Dept. to confine the outbreak to the housing project. State medical workers brought in gamma globulin for the inoculation clinic and sanitarians started disinfecting apartments occupied by persons who had caught the disease.

"This is standard procedure when you have a hepatitis case—to pinpoint the specific contagion area and eliminate it," Dr. Lee said. "I want to emphasize that there weren't any substandard conditions or anything at the housing project. There were some cases that were all tied in to one other case. We pinned the source down, and the housing project should be just as anywhere now."

HE ADDED, "The hepatitis virus is always with us; you just have to take these precautions when you pinpoint it."

4-H horse trainers earn awards

Matt Howell in the senior division and Gay Barnes in the junior division were named the all-around champions at the Six-County 4-H Horse Clubs Association awards banquet at the County Expo Center Saturday night.

BOTH ARE members of the Dimmitt 4-H Horse Club. They received championship trophy saddles for scoring the most points during the year in show, halter and performance competition held in the six-county area during the year.

More than a hundred trophies and certificates were awarded to young horse trainers in the six-county area during the banquet. Master of ceremonies was Jack Howell, an adult leader of the Dimmitt 4-H Horse Club.

Castro County winners were:

SPEAKER OF THE HOUSE EXPLAINS PROPOSED NEW STATE CONSTITUTION
... "This will be one of the most important votes you've ever cast"

Clayton holds 'constitution class'

"When you vote on this proposed constitution Nov. 4, it will be one of the most important votes you'll cast for a long time to come," Rep. Bill Clayton, speaker of the Texas House of Representatives, told an audience of 45 interested citizens here last Thursday night.

"IF THE proposed constitution fails, then we haven't seen the last of constitutional revision in Texas," Clayton added. "If revision comes later, it will be more urban-oriented. This document is a good compromise, I think."

During a flying trip through his district, Clayton held "constitution classes" in four cities last Thursday evening. The meeting here was at the County Expo Center.

Clayton passed out booklets and tabloid pamphlets containing the proposed new state constitution, history of the Texas Constitution, review of articles and schedule of adoption. The pamphlets were mailed last month to every registered voter in Texas. A few extra copies are available at the Chamber of Commerce and the Castro County News.

THE PROPOSED new constitution will be listed on the ballot as eight separate articles in the Nov. 4 election, Clayton explained.

"You can adopt all eight articles, or some of them, or none," he said. "Each proposition passed would replace a similar provision in the present constitution—that's why it's an article-by-article ballot. If none of the articles pass, the state constitution would remain as is."

If all pass, we would have a new constitution. If part of the articles pass, we would have a revised constitution.

HD clubs set holiday fair

If you usually let Christmas creep up on you without knowing what to make, bake or give for the holidays, you'll have a chance to pick up some early ideas Wednesday.

MEMBERS of all the county's home demonstration clubs will combine their talents in a county-wide Christmas Fair and Holiday Tasting Tea Wednesday in the County Expo Center.

Hours will be 10 a.m. to 4 p.m., including the lunch hour. Admission will be \$1 per person.

The event, which is open to the public, will feature a bazaar of recipes, pattern packets, gifts, decorations and other handcraft items.

THIS IS the first time for the Christmas Fair to be a joint venture of all the county's HD clubs. Previously, the "holiday idea and recipe exchange" has been conducted by County Extension Agent Irene Keating. The Tasting Tea is a new feature in the expanded pre-holiday event.

All home demonstration club members in the county are urged to exhibit their favorite holiday recipes and handcrafts.

Clayton argued that those who have been "taking potshots" at the proposed constitution haven't informed themselves properly, or are misinterpreting the provisions.

"I HOPE you'll separate the potshots from the real issues of government before you vote," he said. "If you inform yourselves thoroughly, then I'm confident that the outcome of the vote will be the right one, whatever that outcome is."

Lions will serve pre-game pancakes

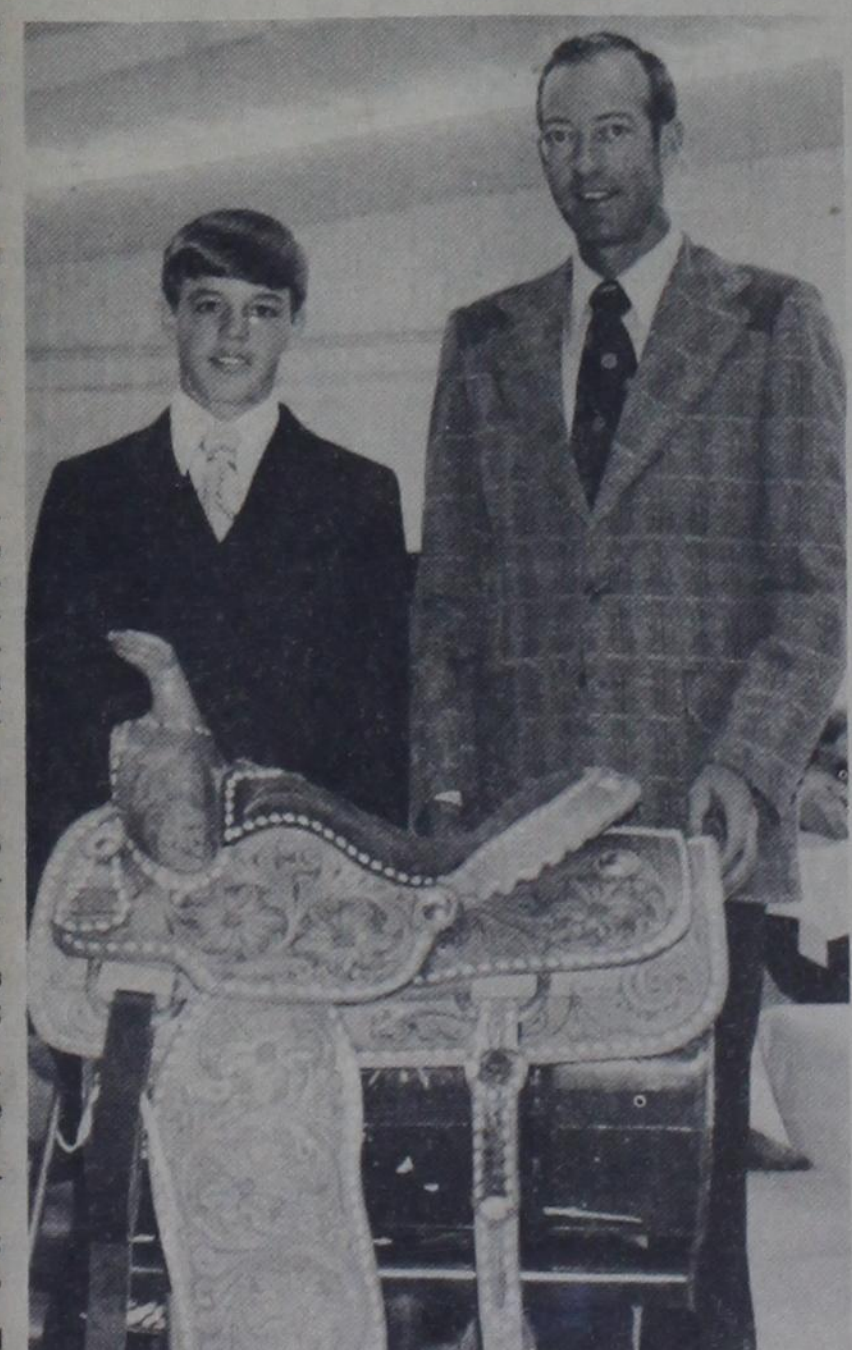

The Dimmitt Lions Club will serve pancakes, bacon and sausage before the Dimmitt-Tulia football game Friday night.

THE CLUB'S annual Public Pancake Supper will be served in the Dimmitt High School cafeteria from 5 to 7:15 p.m. Kickoff time for the game is 8 o'clock.

Price per plate will be \$1.25 for adults and 75 cents for students. Pre-schoolers will be admitted free.

Advance tickets to the supper are now being sold by all members of the Dimmitt Lions Club.

Co-chairmen of the annual supper are Avery Thrasher and Dr. W. J. Hill.

SENIOR CHAMPION—When the Six-County 4-H Horse Association held its year-end awards banquet here Saturday night, Matt Howell of the Dimmitt 4-H Horse Club emerged as the all-around champion in the senior division. Here, Jigger Rowland of Acco Feeds presents Matt with his champion's trophy saddle. Matt is the son of Mr. and Mrs. Jack Howell.

JUNIOR CHAMPION—Kay Barnes, daughter of Mr. and Mrs. Oren Barnes of Dimmitt and a member of the Dimmitt 4-H Horse Club, was announced as the junior division champion in the Six-County 4-H Horse Association's year-end awards banquet Saturday night. Here, Kay accepts her championship trophy saddle from Jerry Pack of Luskey's Western Stores.

Sheffy's chatter

By MYRTLE SHEFFY

Monette Montgomery and her friend Opal Sellers of Lubbock had a fun trip to El Paso where they visited Opal's daughter, and then went across the river to Juarez for a sight-seeing trip. They took in all the markets in Old Juarez, but say they didn't look, didn't buy.

THE FRIDAY bridge club met as usual at the Country Club with Mrs. George Bradford as hostess. She served apple cake, pickup foods and coffee and Glenn's special hamburgers. Guests were Bobbie Jamron, Jo Beth Shackelford, Jeannie Johnson, Dorothy Elder, who won high score, Kathy Hewitt, Rosalie Gilbert, Myrtle Sheffy in the morning and Jeanie Miller played in the p.m. Last week Jeannie Johnson and Jo Beth Shackelford were high score winners at the Friday bridge.

One day recently Jo Behrens and son Dean went to Lubbock to help celebrate Dean's grandmothers birthday in the home of grandma Mary and Houston Fowlkes in Lubbock. Coming in for cake and coffee were Jo's sisters Joyce Taylor and Aline Nance. This week Jo and husband Bill and two sons and Jan Weatherford went to Ruidoso for a few days in their cabin house there.

Wilson and Margaret Mahan of Long Beach, Calif. came by for a visit with sister-in-law Fannie Mahan of South Hills and all had lunch with Sid and me. They were enroute to Wellington to visit kin.

YOU ARE invited to open house at Mrs. Fred Breugel Sr.'s house Saturday, Oct. 4, 9:30 a.m. till 6 p.m. The Garden Club ladies will help with hostess duties with flower arrangements made by the members.

Mr. R. S. Rogers of Gustine, who is near Abilene, was here this week for a visit with her sister Dorothy and John Gilbreath.

George and Ruby Bagwell spent the weekend in Granite, Ohio, and that area visiting her relatives.

last weekend to attend the Professional Golf Association. Mrs. Glenn was tending the Country Club store while he was away.

NEVA HICKEY and Juanita Bruegel were talking about the recent trip to Hawaii. They saw the beautiful temple of the Mormons at Oahu on one of the tours, and enroute home on the plane Joannis guessed the half-way mark home. She won the champagne. And Neva guessed the stewardess' weight and won a prize. All stopped in Phoenix for a three-hour wait, so Johnny Lynn or Uncle J., a former radio man here and TV in Amarillo met their plane, took them out to see Thelma and the new apartment. They wined and dined the group. They enjoyed that visit. The Lynns send greetings to all Dimmitt friends.

Neva Hickey, her sister Era and Wayne Heckerson went to Stephenville last weekend for a family reunion of the Eddlemans. Had a talking good time. Dorothy Magness spent the weekend in Dumas visiting her daughter and family, Mr. and Mrs. Weldon Sims. You know Dorothy is the secretary of the Chamber of Commerce.

DANNY AND Gayle Walker moved here recently from Dumas. He is with Walt's Super Market and they live at S & K Apartments and attend church with the Baptists folks.

Jimmie and Della Chapman and son John went to Dallas over the weekend to visit Duke, who is stationed at the Dallas Naval Air Station. They also visited two of Della's brothers and families and went to see the Cowboys beat the St. Louis Cardinals at Texas Stadium Sunday. Jimmie seems to think the Cowboys are going to the Super Bowl again. Sherry Fowler and friend Cindy Lockhart of Amarillo were weekend visitors of Sherry's parents the Dale Fowlers. Sherry is in school there.

W. E. and Eunice Thornton were hosts at a birthday supper Saturday evening for her mother Mrs. B. N. Graham of Farwell who is 87 years old. Family coming were Mr. and Mrs. John Graham of Abilene, Raymond and Katie Ross of Morton (Katie taught school here a few years ago), Howard Graham of Pampa, Mr. and Mrs. Dennis Graham of Lubbock, Sara Graham of Abilene and Mr. and Mrs. Mike Chauveaux of Lubbock.

JUDY HAUF and son Michael are home from a visit and vegetable canning time with her mother and sister in Sunday. They attended the fair in Lubbock last week. The big Hauf son who finished school last year is now in the Air Force.

Edgar and Lorene "she is Dutch" Bleeker are home from a visiting trip to Dallas, on to Waco to visit Dutch's son Luther Brashear, to Waco to see Richard Popjoy, on to Austin to see a sister Helen Newton. Dutch helps with the food at the Colonial Inn Restaurant.

Shirley and Harold Stephens went to Durango, Colo. a week or so ago for a little vacation. They took that pretty drive up to Silverton and Ouray. Aspen trees are beautiful. Then to Leadville and Estes Park. They also visited Eleanor and Ray

Koehler in Fort Collins. Rita and Stanley McDaniel have moved into their new home on Northwest 12th.

SANDRA DUKE and friend Debbie Reed from St. Louis, Mo., both students at WTSU, were weekend guests of Sandra's parents Mr. and Mrs. Robert Duke. And son Bob was home from Tech in Lubbock.

Mrs. O. K. Howe spent a few days in Littlefield visiting friends.

The county is host to many families here to help harvest the bountiful crops of corn and maize. We saw Mr. and Mrs. Loyd Van Rees from Edinburg at church and the cafe Sunday. They are in the Easter community and their friends Mr. and Mrs. Edgar Eaker of Uvalde, the Hartwigs of Sherman, many others here. I met Danny and Barbara Parker who are

from El Campo. They have a camper trailer house out at Graham Sheffy's farm.

DAN AND Karen Sheffy and girls flew down from Canyon Sunday afternoon to have coffee with the Sheffy bunch and Polly Bell came too.

Brac Wardlaw was the 5-year-old birthday boy Saturday so his mother Kay baked him a cake and made punch for the 12 children coming in with gifts and good wishes. The dad Mike works at Western Ammonia.

The West Texas Chemical Conference met in Lubbock Wednesday and Thursday, Oct. 1 and 2. Going from here were Fred Kuntz of Flagg and Riverside Chemical was represented by Lendyl Black and maybe Bill Dannevik. Western Ammonia can't go at this time. The corn is coming so Agri-Industries say they can't get off now.

Louie and Lena Allen left here Tuesday for Los Angeles to attend the funeral service for his mother Mrs. Emma Allen, who would have been 90 years old in November. Louie's brother Tom lives there. Tommie Lou Allmond is her only grandchild and her child is the only great grandchild. Sam and Emma Allen lived south of Dimmitt 40 years ago. Their place is the Bowden place now.

BOB SHEFFY went to Texas City to move his wife Mildred back home. She was a legal secretary there for six months.

Mortgage Life Insurance Call: Kent Birdwell 116 E. Jones St., Phone 647-3427

She plans to work for Evans and Evans law firm at Tulia for awhile. Bob lives at Hereford. Oh yes, he spent one night at San Marcos with son Joe who is in school at the university there studying to be an athletics coach.

Mable Ewing and daughter Nita Schilling and little Regina had a vacation trip to Carlsbad Caverns recently. Everyone

should see the caves one time. Nita and I were chatting. She tells me that Mable and Red adopted her when she was 3 days old at the Tulia hospital.

Out-of-town guests were Betty's mother Mrs. Vernon Newton and Kathy Huckabay Blakeman, all of Lubbock, and Sharon Mensik. The wedding will be here in Dimmitt Oct. 12.

Mrs. Jay Lee Touchstone went to Lubbock Monday to have a complete physical checkup at Methodist Hospital. Our good wishes go with her.

DOROTHY Hopson and Cheryl Glidewell were hostesses at a luncheon Monday to celebrate Betty Patterson's birthday. Guests were Brenda Andrews, Betty Huckabay, Jeannie Johnson, Carolyn Jones, Cindy McDaniel, Elsie Lefevere, Deanne Clark, Martha Jo Hyman, Emma Lou Hastings, Mrs. Thomas of Post, her daughter Wanda Riddle of Austin, Lola Jewell and Susan Owens of Hereford.

INDOOR VEGETABLE GARDENS

A variety of vegetables can be grown indoors by those who want to escape the inclement weather that is likely to come in the fall months. Among the most popular indoor vegetables are chives, parsley, peppers, tomatoes, leaf lettuce and radishes, says a vegetable specialist with the Texas Agricultural Extension Service. Basic requirements for indoor gardening include suitable containers with good drainage, a good fertile soil mix, adequate water and a location with sufficient light for plant growth.

Lissa Huckabay, bride-elect of Michael Perkins of Lubbock, was the honor guest at a coffee and shower Saturday morning in the home of Betty Patterson, who presented the guests to the honoree and her mother Mrs. Bob Huckabay and the groom-to-be's mother Mrs. Mae Perkins of Lubbock. Bicentennial Farm Feature

One Farmer's Description Of Seeing Broad Prairie

One of the most breathtaking and memorable sights that a farmer migrating westward in the mid-1800's ever beheld was that of a prairie.

Accustomed to the more wooded and hilly terrain of the East, he was totally unprepared for his first view of prairie land.

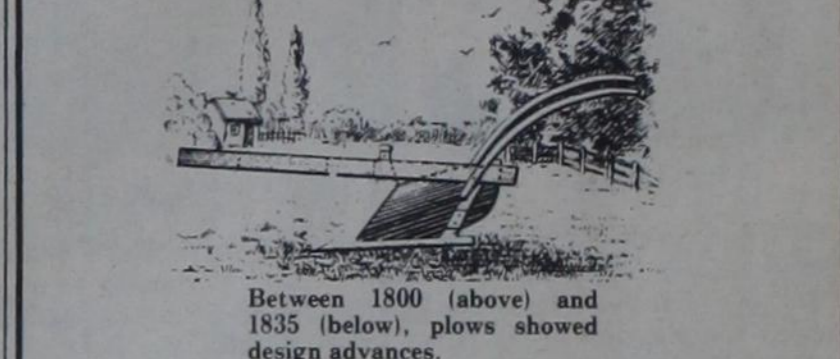

Here's how one Iowa farmer described his first encounter with a prairie in 1834:

"I stood alone wrapt up in that peculiar sensation that man only feels when beholding a broad rolling prairie for the first time — an indescribable delightful feeling.

"It consists of four to six yoke of oxen," the Iowa settler explains. "They are hitched to a pair of cart wheels, and to them hitched a plough with a beam fourteen feet long, and the share, of which weighs from 60 to 125 pounds, of wrought iron and steel, and which cuts a furrow from 16 to 24 inches wide."

The prairie plowman who tackled this virgin soil for the first time soon found he had to carry two tools with him at all times.

One was file. The tough sod required that the plow be kept

Between 1800 (above) and 1835 (below), plows showed design advances.

"For miles around stretched forth one broad expanse of clear, open land, entirely destitute of the buildings or fences, as in fact any mark of civilization, with all the hills reduced so as to make a gently rolling surface. The entire surface of land was covered with grass — that upon the upland thick and short, and in the low lands one or two feet thick, and in the swamps four or five feet."

This early pioneer described the grass as unsurpassed for pasture. But for hay, it was a different story.

"Some is very good, some good and some that the less said about, the smaller the sin committed."

The tough sod of the prairie presented a particular challenge for the prairie farmer. A special "breaking team" was used to plow the prairie soil for the first time.

very sharp and the file helped keep a keen edge upon the share and coulter.

The rich, heavily-vegetated soil also stuck to the plow in a troublesome manner. The plowman carried a small wooden paddle to clean off the masses of dirt that clung to the mouldboard.

The best of the early prairie plowmen turned about an acre or two a day. The soil yielded sizable corn crops the first year of tilling and soon wheat became a major crop, too.

The Iowa farmer summed up the description of his soil in this way:

"It takes two or three years for these sods to become thoroughly decomposed and then the soil is of a light, loose black vegetable mould, very easily stirred by the plough. It is generally one of the easiest in the world to till, and of course remarkably fertile."

VETERANS' SERVICES

By BEDFORD W. SMITH
Veterans' Service Officer

Our office days are Tuesdays and Thursdays, but call me at home at other times for services we can render. Except at noon or evenings, let the phone ring several minutes, giving me time to come in from outside to answer.

OF INTEREST to service-connected disability claimants and survivors:

The Veterans Administration Regional Office reports the reason for the extra check mailed to you in September.

Checks ranging from \$3 to \$174 were mailed in September to 2.2 million disabled veterans and 320,000 dependents who qualify for increases in their disability compensation and dependency and indemnity compensation signed into law by President Ford Aug. 5.

JACK COKER, Director of the VA regional office, said the

increases of 10 to 12 percent were effective Aug. 1, but the change came too late to be incorporated in the checks mailed at the end of August.

Monthly payments to single veterans with 10% disabilities were increased from \$32 to \$35. Veterans rated 100% under the general schedule were raised from \$584 to \$655. For the most severely disabled, the maximum amount was raised from \$1,454 to \$1,628 monthly.

The new law also included increases in DIC (Dependency and Indemnity Compensation) benefits which are paid to the widows and children of active-duty personnel whose deaths were caused by service, and to widows and children of veterans whose deaths were caused by service-connected disabilities. For interested persons we have the rates and conditions concerning eligibility.

OF INTEREST to female veterans, especially those who were married and pursuing a program of education under Chapter 34, Title 38, US Code between June 1, 1966, and Oct. 24, 1972:

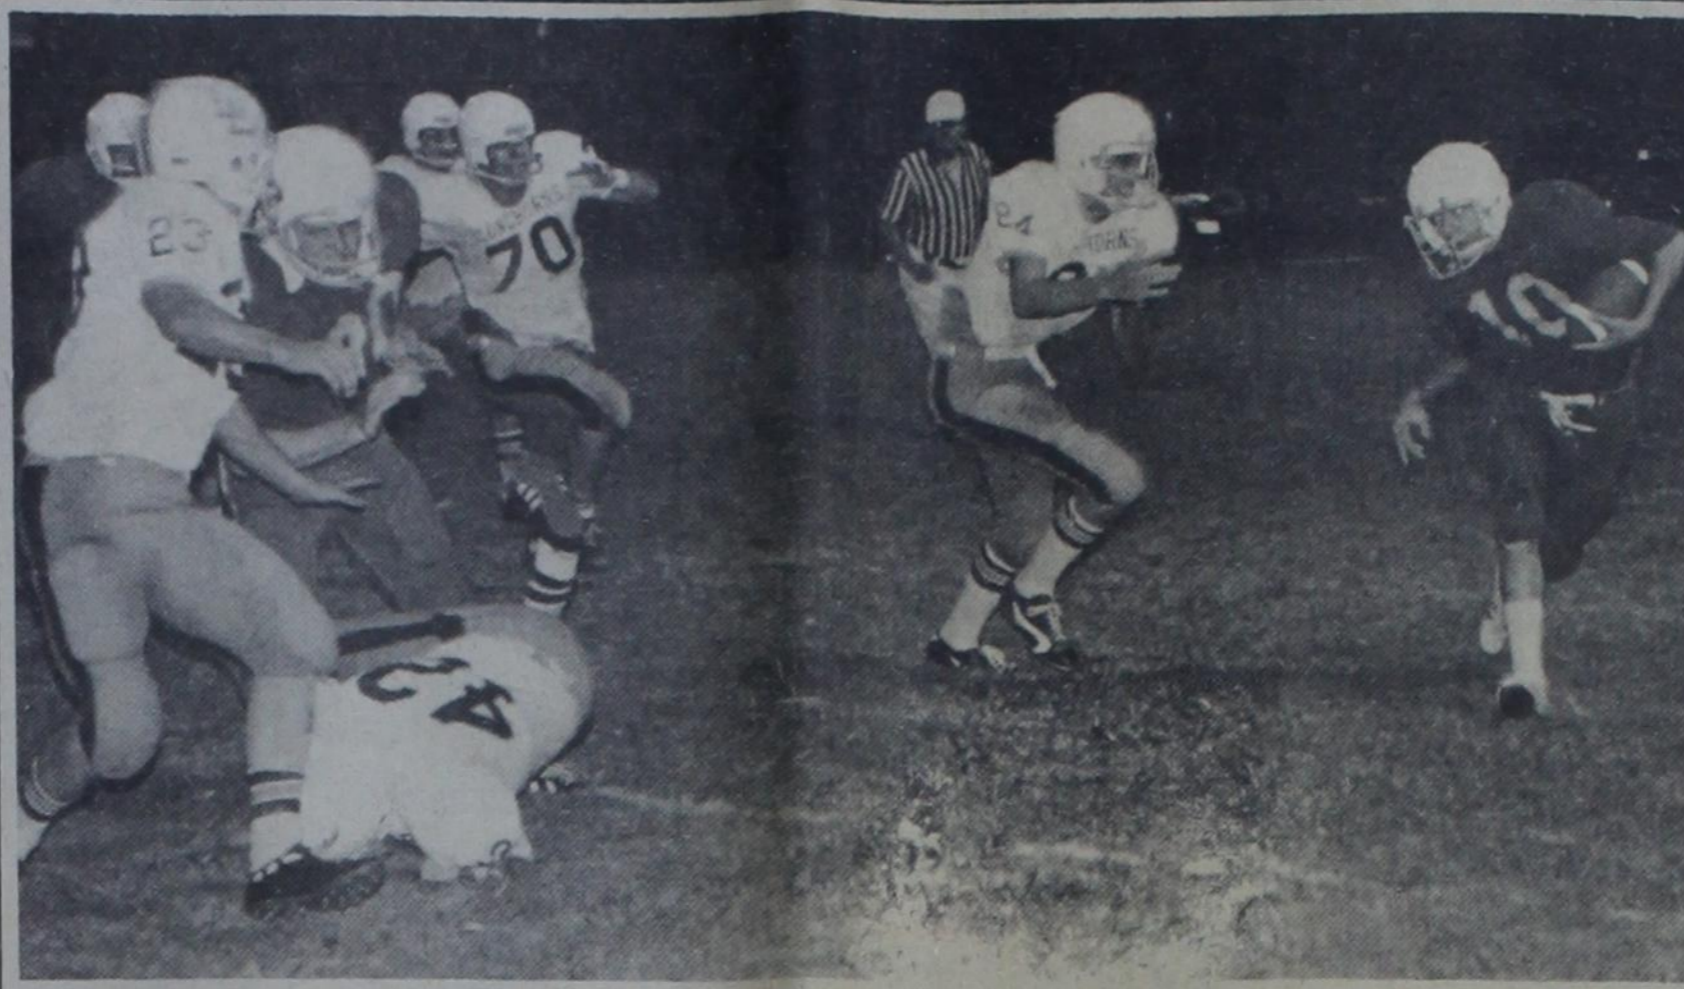

The Oct. 24 law made some drastic changes in the matter of paying a female veteran for dependents when enrolled in a course of education. The female veteran by this law may also claim retroactive benefits for her own training. The only evidence necessary to substantiate the claim is acceptable evidence of the marriage and proof that her spouse was alive during her training period. The claim for these retroactive benefits must be submitted to the VA prior to July 1, 1976.

Just as in all other claims for benefits, we have the necessary forms and will help you in making your claim. If you know of any eligible persons, please pass this information on to them.

OF INTEREST to claimants who change their addresses:

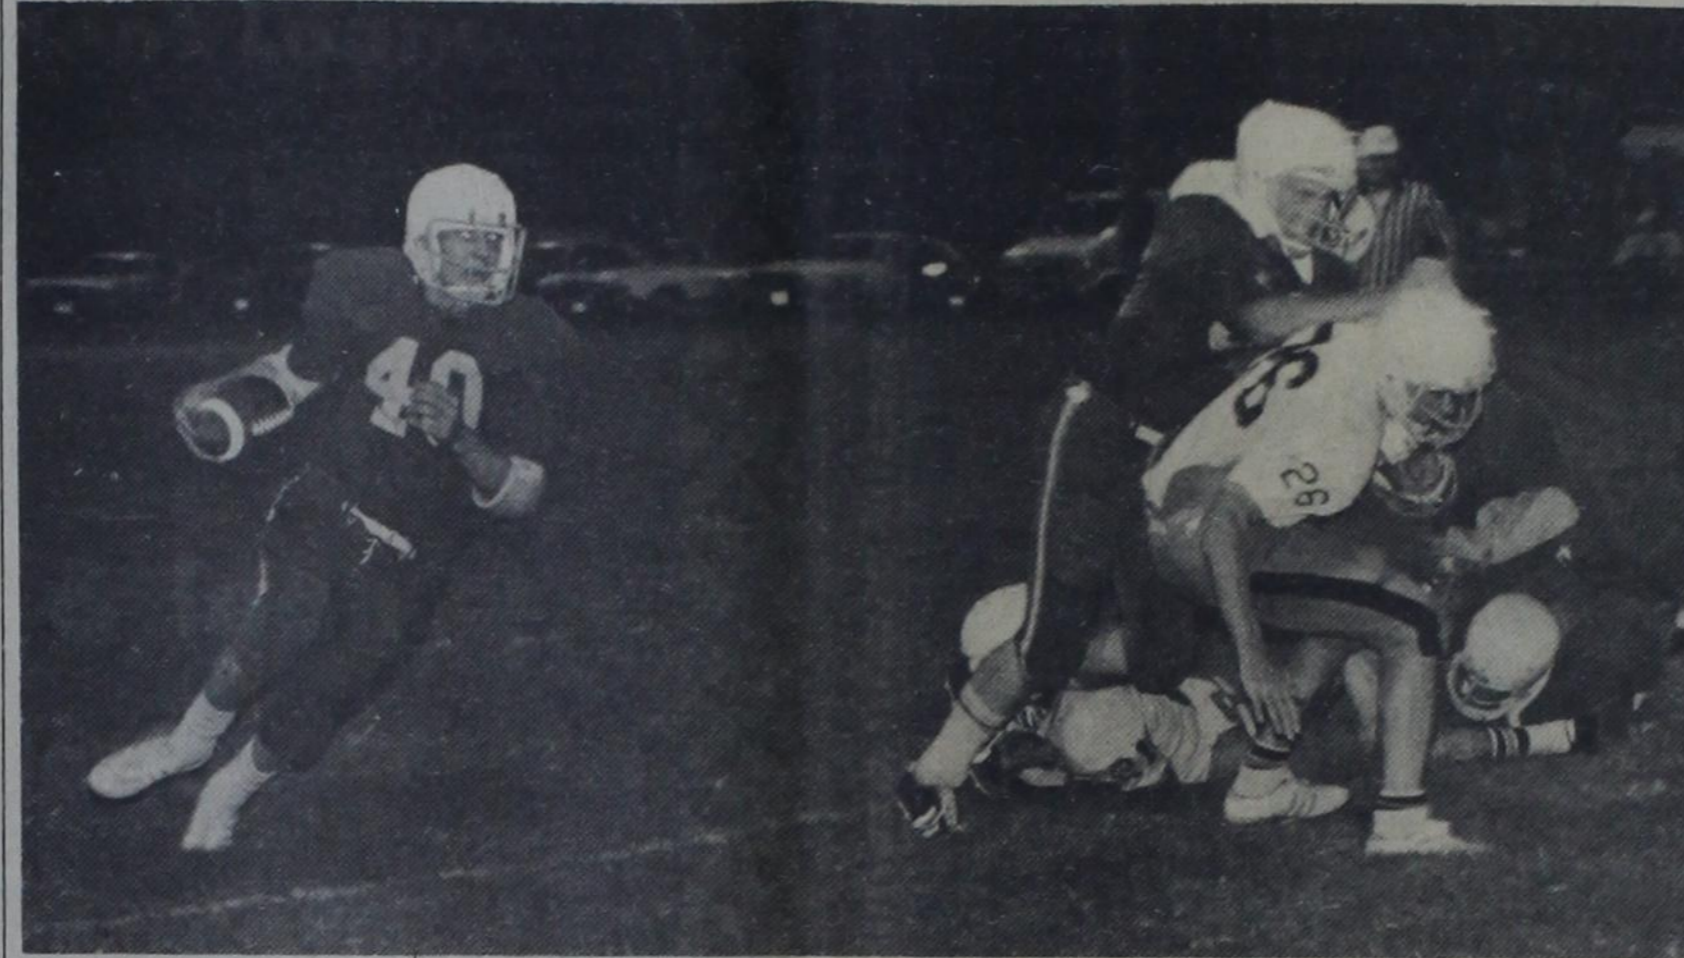

The Veterans Administration is one of the US Postal Service's best customers, emphasizing the importance for beneficiaries of VA benefits to keep the agency informed of their correct addresses.

The largest number of non-deliverable checks is among GI Bill Students, principally because of their mobility. Weekly changes of residence during

TEXAS TALK

By Jim Hays

Although promoting the producer is customary fare for this column, seeing farmers get "good press" from one of the country's financial magazines is refreshing. In the July issue of FORTUNE, a major article compliments today's farmer as being a talented businessman. In part the article says, "... a farmer must be a tolerably good chemist, mechanic, market analyst and cost accountant ... must be able to judge when to sell his crops, when to hold back, and when to hedge with futures contracts, requiring not only a deep understanding of the commodities markets, but also a grasp of U. S. economic policies at home and abroad." When talking about management ability ... "When it comes to managerial skill, a first-rate farmer can hold his own with businessmen in industry." In short the article states what a lot of us have realized for a long time ... a successful farmer or rancher means being a true professional.

periods of a school term are not unusual, a VA spokesman said.

Veterans are urged to contact the county veterans' service office promptly with changes of address. VA "vet reps" on campus can assist in expediting address changes for GI Bill students.

NEW POTATOES are better than mature potatoes in most frozen dishes. Mature potatoes tend to disintegrate or become watery when boiled and then frozen, explains Sally Springer, foods and nutrition specialist with the Texas Agricultural Extension Service.

The gold district of Cripple Creek, Colo. finally shut down production of gold in 1961 after having produced over 20-million ounces of gold from mines with such famous names as Ajax, Vindicator, and Independence. Now, if plans jell and a major mineral producer picks up its option, the gold district of Cripple Creek will once again open up the mines and enjoy a production boom as well as continuing to be a tourist haven.

TEXASGULF, Inc. has signed a letter of intent to join with Golden Cycle Corp. in a mining and development program at Cripple Creek. Golden Cycle owns 60% of the mining district, having picked up the properties after World War II, but closing down production after costs got out of hand and in the face of a fixed price on gold which made mining unprofitable.

Most gold is produced as a by-product or supplemental activity to copper mining. Texasgulf has produced traces of gold at its copper mine in Ontario, but this is the first outright gold mining venture for the company. Golden Cycle figures it can turn a handsome profit on Colorado gold if the price of gold stays above \$98 per ounce. Gold this week has been trading at \$128 per oz., down from a high of \$186 per oz. earlier this year. Experts doubt that it will drop below \$100 per oz. in the near future.

According to Charles E. Schwab, president of Golden Cycle Gold, there could be a lot more gold produced down here. He confidently predicts that the

Golden Cycle-Texasgulf partnership could be processing 2,000 tons of ore daily with a net production of 1,200 ounces of bullion per day, within five to six years. Initially, Schwab had hoped to raise the funds through a partnership offering but the stock market slide killed it. Outside capital just wasn't available to get the Ajax mine re-opened, so the deal with Texasgulf was made after considering offers from 15 other companies wanting to joint-venture a gold mining project.

KENNY PAXTON, WITH STATE'S BIGGEST ROAD-SERVICE TRUCK
Paxton Tire Service opened for business Wednesday

New tire business opens

There's a new man in town with another new business. THE MAN is Kenny Paxton, 28, and his business is the Paxton Tire Service, a Goodyear dealership and auto-service center at 603 SE Third St.

Housed in a new 5,000-sq. ft. steel building, Paxton Tire Service opened for business Wednesday after completing the final check-out of all newly installed service equipment. A formal grand opening is planned during the week of Oct. 20, Paxton said.

**Earl transfers
to Floresville**

Geoffrey Earl, county supervisor of the Farmers Home Administration here since April 1973, has been transferred to Floresville, where he will be the Wilson County FmHA supervisor.

FRIDAY was Earl's last day with the Castro County FmHA office. His successor here has not yet been announced. While living here, Earl and his wife, Judy, helped organize the 4-H Dog Club and served as its adult supervisors. Earl also was active in the Dimmitt Lions Club. Mrs. Earl was a receptionist and clerk for Schaeffer & Co., CPAs.

The new business will have a staff of five—Paxton, his wife Debbie, tire service man Raywood Glover, mechanic Ray Sermons (who will move here from Littlefield next week), and another tire service man to be named later.

Glover, a native of Dimmitt, has just completed four years' service in the US Air Force. Sermons has had eight years' experience as an auto mechanic.

PAXTON Tire Service sells, installs and services the complete line of Goodyear tires—from bicycle to the biggest tractor size—plus Michelin tires. The firm also provides a wide range of auto service—brake work, wheel alignment and balancing, electronic tune-up, suspension and front-end work—and sells Monroe shock absorbers and auto accessories.

"We can balance tires from motorcycle size to 1200x24 truck tires," Paxton said, "and we're also equipped to do on-the-farm service, truck fleet service and road service." One of the main features of Paxton Tire Service is a unique road-service truck—the largest of its type in Texas. It's specially equipped with hoist, liquid and air tanks, under-hood compressor, and refined equipment

operated by a side control panel. The firm also has a smaller service truck for smaller jobs.

MR. AND MRS. Paxton are both natives of Lamesa. They have a daughter, Maggi, 5.

Paxton, who attended Angelo State University, opened a company-owned Goodyear store in Littlefield and managed it for 3½ years. For the past two years he has managed a Goodyear store at Brownfield.

Paxton is a motorcycle "dirt rider," and Mrs. Paxton is an amateur artist. They're building a new home on US 385 South.

**Vicks attend
title seminar**

Mr. and Mrs. Clyde Vick, owners of Cowser Abstract Co., attended a Texas Land Title Association seminar in Lubbock recently, with State Sen. Kent Hance of Lubbock as their guest.

THE SEMINAR, held in the South Park Inn, was attended by 125 title insurance agents and abstractors from the northwestern third of Texas. Sen. Hance gave a brief talk during the seminar.

problems of various state agencies and offices, make studies for the legislative branch.

TO THE Legislative Budget Board: Senators Tom Creighton of Mineral Wells and W. E. (Pete) Snelson of Midland, both reappointed. In addition, the chairman of the Senate Finance Committee, Sen. A. M. Aikin Jr. of Paris, and the chairman of the Senate State Affairs Committee, William T. (Bill) Moore of Bryan, also serve on the LBB.

The Legislative Budget Board, of which Hobby is chairman, was created to study the state's financial needs prior to consideration by the Legislature each session.

Hobby appointed five senators to the Texas Legislative Council. They are Ray Farabee of Wichita Falls, Kent Hance of Lubbock, Grant Jones of Abilene, Bill Meier of Eules and John Traeger of Seguin.

- Chevette is international in design and heritage, incorporating engineering concepts proved around the world.
- Its wheelbase is about the same as a VW Rabbit's.
- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.
- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.
- It has a standard 1.4-litre engine. A 1.6-litre engine is available (except Scooter).

Built to take it, Vega for 1976: An extensive anti-corrosion program. New hydraulic valve lifters, for quieter engine performance. A new torque-arm rear suspension. And Vega offers a tough Dura-Built 140-cu.-in. 4-cyl. engine guarantee.

Impala

One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series includes the new value of the thrifty Impala S—Chevrolet's lowest priced full-size car.

Nova/Concours

America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And Concours, the brand-new model featured here, is our highly practical approach to compact luxury.

Chevelle

Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size economies, plus room for the average family, makes Chevelle a size whose time has come.

There's much more to see at your Chevy dealer's. Caprice, Monza, Monte Carlo, Camaro, Corvette, Chevrolet wagons—something for everyone in 1976.

BILL GREGORY (LEFT) AND DON GREGORY OF CASTRO COUNTY GRAIN CO. Customized service built the company, and is still the policy

'Customized service' is their policy

With corn harvest well underway and milo harvest beginning, Castro County Grain Co. is busily practicing its everyday policy of "customized service."

Castro County Grain Co. provides bonded, licensed storage and marketing service for all local grain crops.

Located at 409 E. Bedford St., the company has been operated by the Gregory family since 1948, and has been built on the "customized service" policy. Bill and Don Gregory manage the company together.

Castro County Grain Co. was one of the first elevators in the area to install a grain dryer (1957). The company was equipped to handle corn long before it became a major crop here. Last year a 2,500-bushel grain dryer was added, bringing the company's total drying capacity to

4,000 bushels per hour.

Most of the company's employees are long-time, experienced grain handlers. They are P. O. Goodwin, fertilizer sales manager [15 years with the company]; Alex Trigo, elevator superintendent [nine years]; Carlos Martinez, spreader truck operator [eight years]; Joe Asua, elevator operator [seven years]; Gumercindo Correa, elevator assistant [two years]; and C. J. Johnson, fertilizer salesman [two years].

The men at Castro County Grain Co. are proud of the personalized service they provide to local grain farmers. Coffee, soft drinks, snacks and the latest market reports are always available in the office.

Community meeting set Monday

By TEENY BOWDEN

Remember community meeting Monday night, Oct. 6 at 8 p.m. Bring cookies. New officers will be presiding and plans made for a Halloween party for the children of the community and a money raising Thanksgiving supper for November will be discussed. Make your plans to come.

A CHURCH-wide family night supper was held at the church Wednesday night followed by a program to emphasize State Missions. All age groups had a part. Lee and Lynn Brown, Gale Jones and Daneen Wilson sang "A Mighty River is the Rio Grande." Lee, Gale and Daneen also brought the meditation. Mrs. Lonnie Wilson played the piano for the program. The children emphasized the state goal by putting numbers on a flannelgraph board singing "Little One, Little Two, Little Three Goes Here" to the tune of "Three Little Indians", since the state goal is \$1,234.56. The pre-schoolers sang "We Are Merry Missionaries" as they put their pennies in plastic cups on the communion table and then passed through the audience taking a collection with their cups. Mr. and Mrs. Hershel Wilson directed the children and Mrs. Thomas Parson the pre-schoolers. The children took up the offering in the Sunday morning

church service as they had done Wednesday night.

Promotion Sunday was observed in the Sunday morning worship service between the Sunday School hour and the worship service. Roy Phelan presented each teacher. Mrs. Embree Roy Sadler gave promotion certificates to Stacy Waggoner and Brooke Seiver, who promoted from Nursery I to Nursery II; Mrs. Lee Bradley presented certificates to Jack Bradley and Billy Seiver who promoted from Nursery II to Beginners. Mrs. Thomas Parson gave certificates to Gwendolyn Wilson, Cinnamon Cox, Laura Sadler and Melody Sadler, who promoted from Beginners to Primaries. Mrs. J. Paul Waggoner gave a certificate to LaGlenda Wilson who promoted from Junior to Intermediates, and Mrs. Carl Bradley promoted Lynn Brown and Susan Sadler from Intermediates to Young People. Roy Phelan, who has been Sunday school superintendent, was recognized by the pastor and presented a flower for his 23 years of service.

MR. AND MRS. Rocky Johnson spent last weekend with her parents, Mr. and Mrs. Vernon Orr. They are both students at Mary Hardin Baylor in Belton.

Mr. and Mrs. Dee Jones left Monday for their home in San Angelo after a two week visit with their son Rev. and Mrs. Raymond Jones.

Mrs. Jake King of Hereford and her sister Mrs. Charlene Blair of Grand Canyon, Ariz. spent the day Monday with Mrs. David Sadler.

Mrs. Orval Thompson and her son, Mr. and Mrs. Luther Thompson of Hobbs arrived Saturday afternoon for the funeral services of Ed Thompson. Her daughter Mr. and Mrs. Pike Smith and their daughter Leslie from Shamrock arrived Sunday noon. They are the

family of his twin brother.

WORD WAS received that Bill Morgan of McLean had broken his hip after a fall in his garage. He underwent surgery in St. Anthony's Hospital in Amarillo Friday.

Mrs. Embree Roy Sadler attended the District I Area II Texas Association of Hospital Auxiliaries, Inc. in Lubbock Wednesday.

Mr. and Mrs. J. Paul Waggoner and Mr. and Mrs. Ezell Sadler attended the funeral services for Scoot Lilley in Baird Monday afternoon.

Cliff Brown and Bob Bowden and Richard Franks of Hart were in Carlsbad Monday and Tuesday to make a tour of the potash mines.

MR. AND MRS. Davis of Warren, Ohio left Wednesday for their home after a ten-day visit with her sister Mr. and Mrs. Floyd Ivey. Mrs. Ivey has suffered two light heart attacks recently but was not hospitalized.

Daila Dawn Waggoner of Roswell spent the week with her grandmother Mrs. Euleus Waggoner.

Rev. M. D. Durham of Lubbock visited with several in the community Thursday afternoon. Mrs. Durham is improving and the doctor is optimistic that she will be able to walk again.

Baptist Women met at the church Tuesday morning for the council meeting and the prayer program with Mrs. Embree Roy Sadler, president, presiding and Mrs. Raymond Jones in charge of the prayer program.

MR. AND MRS. David Sadler and girls visited in Hereford Sunday with Mr. and Mrs. Jake King and children and her brother and family from Louisiana. They were celebrating her mother's birthday a day early. Mr. and Mrs. Cliff Brown,

Lee and Lynn spent the day in Lubbock Saturday. Lee and Lynn and Dawn Swinney attended the fair while Mr. and Mrs. Cliff Brown visited with his parents, Mr. and Mrs. Cliff Brown. They had supper with Mr. and Mrs. Jim Bob Swinney and Dawn.

Lee Brown and Joe Fulfer and the Springlake-Earth varsity team won over Sudan at Springlake-Earth Friday night 25-6.

Lynn Brown, Pat Fulfer and Baldamoro Sauseda and the Springlake-Earth JV's won over Sudan at Sudan 8-6 Thursday night. The 7th and 8th grades won 18-6 with Michael Graham one of the managers and Kevin

Riley and Chris Elkins on the team.

David Montiel plays on the Dimmitt freshman team. They have won all their games. David is also in the band.

MRS. JERRY Hampton and Dina Jo attended the Six-County 4-H horse club association awards banquet at the Expo Building in Dimmitt Saturday night. Trophies were given for the total number of points for the summer. Dina Jo received a second place trophy in pole bending, a fifth place trophy in barrels and a sixth place trophy in reining in the senior division. Jerri Clark received a certificate in barrels in the junior

division. Judge and Mrs. Weldon Bradley were guests of the banquet.

Sandra Duke and a friend, Debbie Reed of Saint Louis, Mo., were home from WTSU Saturday and Sunday for a visit with Mr. and Mrs. Robert Duke and Bob, who was home from Tech Saturday and Sunday. Mr. and Mrs. Dave Gilley of

Amarillo and Mr. and Mrs. Ellis Carter of Hereford had dinner and spent the day Sunday with Mr. and Mrs. R. E. Duke to help Mrs. Duke celebrate her birthday one day early. They are sisters of Mr. Duke.

Mr. and Mrs. J. C. Holbrooks recently bought the Eldon Lilley house from Roy

Lilley and will move sometime in January. He is retiring due to ill health, but will continue to do custom work.

Mr. and Mrs. Noble Armstrong recently sold their place and will move to some town after the first of the year. He is already retired.

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation. For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY**

BURSTING THROUGH—Dimmitt's Thompson Mayberry has a narrow escape as he slips between Tahoka tacklers for a gain in Friday night's game here. Fullback Tony Washington takes out

Bobcats earn 22-7 win in flag-filled contest

By DON NELSON

Bobcat Stadium became Hankie Field Friday night as Dimmitt overcame a record 140 yards in penalties to plaster a 22-7 defeat on the visiting Tahoka Bulldogs.

DIMMITT gained 334 yards, Tahoka 116 and the referees 155 in the flag-filled contest.

The Bobcats are now 2-2 and the Bulldogs 1-3.

Guard Steve Anthony and tackle Greg Burks played Santa Claus for Dimmitt in the first quarter as they pounced on Tahoka fumbles at the 18 and 29 to set up short-drive Bobcat touchdowns that gave Dimmitt a quick 14-0 lead.

AFTER Dimmitt's third TD opportunity fizzled at the Tahoka 5 in the second period, Bulldog halfback Ernest Bailey broke loose on a 95-yard scoring run to cut the margin to 14-7.

The Bobcats finished the night's scoring with a 79-yard march in the third quarter that netted eight points.

Each team had the ball a dozen times, but the visiting Tahokans lost it on seven of their 12 possessions—five times by fumbles and twice by pass interceptions.

THE HARD-luck Bulldogs, plagued by their own turnovers and a fierce Dimmitt defense, got to run only 36 plays all night (vs. 70 by Dimmitt).

Of their 25 running plays, the Bulldogs lost yardage on 10 and fumbled the ball away on five others. They netted only 21 total yards on 19 of their running plays, with Bailey's 95-yard TD scamper making up the rest of their rushing total.

On nine passing plays, they completed two for 43 yards and had two intercepted. Because of turnovers and Dimmitt penalties, Tahoka reached a fourth-down punting situation only twice. Penalties gave the Bulldogs three of their five first downs.

The game was mostly a matter of the dominant Bobcats trying to overcome their own setbacks. Many of their 70 plays were re-runs as the refs dropped the hankie on the Bobcats 16 times.

THE SNAPPING and growling started at the Dimmitt 41 after a good Bulldog runback of David Espinoza's opening kickoff. Dimmitt's defense kicked the visitors' for six yards of losses in three plays and the Bulldogs punted to the Dimmitt 14.

With halfback Thompson Mayberry doing most of the lugging, Dimmitt reeled off two first downs and reached the 44 before two penalties set them back 20 yards. Espinoza put a 45-yard punt into orbit, with the ball going out of bounds at Tahoka's 19.

Two plays later, the Bulldogs committed their first fumble and Anthony was there to claim it at the Tahoka 18.

THREE PLAYS netted only five yards, then on fourth down, end Tommy Kenworthy slipped past the Tahoka defenders and was wide-open in the left corner when quarterback Brad DuLaney hit him with a 14-yard touchdown pass. Espinoza kicked the extra point and Dimmitt owned a 7-0 lead.

After Espinoza boomed the kickoff almost to the showers, Tahoka set up on the 20 and gained seven yards in two plays. Then it happened again.

A Bulldog runner lost the handle on the ball at the 29-yard line, and Burks pounced on it to set up Dimmitt's second scoring drive.

MAYBERRY earned 10 yards, then halfback Larry Bossett gained 14 more to set up a first-and-goal at the five. Bossett capped the three-play scoring blitz by going through the middle for the final five yards and the TD. Espinoza split the uprights perfectly to hike Dimmitt's lead to 14-0 with 8 seconds remaining in the first period.

Seconds later, Tahoka gave Dimmitt another golden chance, but the Bobcats failed to capitalize on it.

Espinoza's kickoff glanced off the chest of Tahoka's Ernest Bailey at the 2 and careened into the end zone. Bailey had to run it out, and was smothered at the 8-yard line. On first down, the Bulldogs committed their third fumble, and this time it was Dimmitt's Keith Goldsmith who came up with it at the 7 as Bobcat fans wondered if a rout was in store.

But a delay-of-game penalty cost the Bobcats five yards, and Tahoka's defense stiffened. After four Dimmitt plays the Bulldogs took over on their own 5-yard line.

IT WAS on the next play that Bailey brought the crowd to its feet. On first down, the Tahoka halfback skirted right end, then sprinted up the sideline 95 yards for a Bulldog touchdown. Tackle Joseph Bailey kicked the extra point and the score suddenly stood 14-7 with 10:28 remaining in the second quarter.

The rest of the first half was scoreless, with Dimmitt getting three more five-yard penalties (one of which aborted a 50-yard drive), and Anthony chalking up his second fumble recovery of the night—this time at the Dimmitt 49.

The Bobcats' third TD came on a 79-yard drive in the third quarter, during which the Cats fought back from a first-and-25 and converted a fourth-and-10 to keep the march alive.

AFTER TAKING over on downs at the Dimmitt 36, the Bobcats spotted the yard-marker another 15 for holding, then made up the 25 yards in two plays—a 12-yard run by Mayberry and a beautiful pass from quarterback Ronnie Lawson to split end Kyle Touchstone.

The Bobcats' third-down play brought another five-yard penalty (they proceeded illegally, the refs decreed), but Mayberry made up the difference with a 15-yard scamper. Then Washington gained 13 for another first down.

At that point the drive almost stalled. After the two teams swapped five-yard penalties, three Dimmitt passes fell incomplete. But on fourth and 10 Mayberry took the ball at Tahoka's 29 on a double reverse and raced around right end to the 16 for another first down.

THE RIGHT side of Dimmitt's offensive line laid out a red carpet for Mayberry to advance the ball to the 6-yard line for a first-and-goal. But the next play brought an offside penalty that moved the ball back to the 11. Washington and Mayberry blasted it back to the three, then the right side opened another beautiful hole and Bossett tip-toed untouched into the end zone.

Dimmitt's conversion play

was a fake place-kick, with Mayberry taking a lateral and racing around right end for two extra points to give the Bobcats their final victory margin of 22-7.

Mayberry, aided by good blocking, outgained the entire Tahoka backfield as he raced 149 yards on 24 carries for a 6.2-yard average. The sophomore speedster lost yardage only once and was stopped for no gain only three times in his two dozen totes.

BOSSETT carried eight times for 46 yards for a per-run average of 5 3/4 yards. He also hauled in two passes for six yards.

Washington toted 11 times for 55 yards, including a pair of 13-yard blockbusters up the middle.

DuLaney chalked up Dimmitt's longest run of the night, a 29-yarder, and finished the night with 33 yards on two carries.

PACING THE offensive linemen were Gary Nutt, with consistently good blocking, and split end Kyle Touchstone, who caught two passes for 38 yards. Defensive standouts for Dimmitt were linemen Steve Anthony, Mark Welch, Greg Burks and Keith Goldsmith, linebacker Jody Minnick and

halfback Kyle Touchstone. In addition to getting a good share of tackles and assists, Goldsmith and Burks recovered a fumble apiece, Anthony recovered two, and Touchstone recovered a fumble and intercepted a Tahoka pass.

"Actually, the whole defense played well except on one play," King said.

Lazbuddie forces second Swift loss

By MARTY CATOE

The Lazbuddie Longhorns pulled an 8-6 upset over the Nazareth Swifts Friday night in the Swifts' first bout on their home field.

The Longhorns outgained the Swifts 209 yards to 121.

THE VISITING Longhorns got on the scoreboard first with an 8-yard pass from quarterback Mike Windham to end Russell Trider.

The score was set up when Mike Mimms picked off a Swift pass on the Nazareth 49 and returned it to the 14.

Ricky Wall scampered in for the two extra points and the Longhorns led 8-0 with 6:32 remaining in the first quarter.

MIDWAY in the second period, Derwin Huseman jumped on a Longhorn fumble at the Lazbuddie 33. The Swifts then took advantage of the Lazbuddie error and drove the ball to the 3, where Darrell Huseman received the scoring call.

Huseman also ran for the two point conversion that would have tied the score, but was caught behind the line of scrimmage by an alert Longhorn defender.

The second half was scoreless as neither offense could move against the opposition's defense.

THE VICTORY gave the Longhorns their first taste of victory in 16 outings at the expense of the Swifts.

Joel Gerber led the defense for the third consecutive week with 12 unassisted tackles. Darrell Huseman was the leading groundgainer for the Swifts with 49 yards.

The Swifts, now 2-2 on the season, will host Meadow Friday at Nazareth. Kickoff time will be at 8 p.m.

Seventh graders tie Muleshoe, 6-6

Dimmitt's seventh-grade boys fought to salvage a tie against the Muleshoe eighth grade B-team last Thursday at Bobcat Stadium.

THE VISITING Muleshoe lads were lucky to salvage a tie. Dimmitt's TD came after a 70-yard drive, while Muleshoe got a bargain-basement score after recovering a Dimmitt fumble near the end zone.

Coaches Larry Birdwell and David Bellinghausen cited the offensive play of Terry Mixson, Adrian Stanton, Danny Underwood, Monty Roberts and Scott Rawls. Pacing Dimmitt's defense were Roberts, Underwood, Todd Touchstone and Morris Cole.

Dimmitt's seventh graders will host Tulia today (Thursday) at 5 p.m.

Bufs topple 'Horns, 16-0

By JESS HUDNALL

Hart fell from the undefeated ranks Friday night at the hands of the Petersburg Buffaloes, 16-0.

THE BUFFALOES displayed their playoff form of a year ago by forcing Hart into costly turnovers that proved to be the difference.

It appeared the Longhorns would be the first to score as they held the Buffaloes on defense and then moved 42 yards to the Petersburg 15-yard line. But on first down, Donald Robinson—who was the 'Horns leading rusher in the game—fumbled and Jimmy Lang recovered for the Buffaloes at the 9-yard line.

Petersburg then gained the momentum. Behind the power running of seniors Clay Zachary and Kyle Thompson and the clever ball-handling of quarterback Fernando Martinez, the Bufs marched the 91 yards in eight plays. The big play of the series was a 45-yard touchdown run by Zachary. Thompson ran the conversion and Petersburg led 8-0 at the end of the first quarter.

THE SECOND period found neither team able to sustain a scoring drive, although Petersburg dominated the statistics by picking up five first downs to only one for the Longhorns.

Hart's defense was severely tested as the Buffaloes had possessions on the Longhorns' 17 and 37-yard lines. However, both threats were curtailed by outstanding defensive play. Johnny Newsom recovered a Martinez fumble to stop one of the drives and the Buffaloes failed to connect on a fourth-down pass which impeded the other scoring threat.

One bright spot for the Longhorns was the consistent punting of quarterback Eliazar Castillo. His efforts forced the Buffaloes to begin their drives deep in their own territory. Hart's only offensive outburst of the quarter came in the waning moments when Barry George ran for 26 yards to the Hart 38-yard line. With time expiring, Castillo tried a desperation pass but Zachary intercepted to protect Petersburg's 8-0 cushion at halftime.

THE VERSATILE Zachary's second-half kickoff sailed out of the end zone to begin third quarter action. Hart failed to generate an offense and Castillo punted to the Petersburg 49. Once again the combo of Zachary and Thompson began to grind out yardage against the stubborn Longhorn defense. After three consecutive first downs, the Buffaloes had a first and goal at the Hart 6. On the next play, Thompson burst to the 1-yard line. From that point, Zachary hammered over for Petersburg's second score. Again Thompson ran the 2-point conversion and the Buffaloes led, 16-0.

The only other scoring threat of the third period came when Petersburg recovered a Longhorn miscue at the Hart 21. After Zachary gained three yards, Martinez was hit hard and jarred loose from the ball. Dean Hill recovered the elusive pigskin at Hart's 20 to stave off the Buffaloes.

From the 20, Robinson, Terry Hill and Barry George combined to move to Petersburg's 34 before another costly fumble thwarted the Longhorns. Mike Zachary was the alert Buffalo who recovered on his own 30-yard line.

PETERSBURG, trying to use up the clock, launched a ground attack that carried to the Longhorn 30-yard line. There the Hart defense stiffened and C. Zachary punted to the Hart 4.

With the clock becoming a factor, junior Kerry George took control for the 'Horns. On first down, Barry George ripped off 20 yards to the Hart 24. After a short gain, Kerry George hit Bryan Irons with a 30-yard pass completion to the Buffalo 46. On a keeper, Kerry George picked up five yards to the 41. On second and three, Kerry George again spotted Irons and hit the junior tight end with a pass at the Petersburg 25. But as Irons was hit, the football jolted free and Petersburg again was at the right place at the right time.

Sensing victory, Petersburg maintained its ground attack and wasted valuable Longhorn time. Unable to force a fumble, the Longhorns could only hope that this game would be a warm-up for another bi-district contest with the Buffaloes.

The victory ran Petersburg's record to 3-0-1 while the Longhorn ledger now reads 3-1.

FIRST DOWN, COMING UP!—With guard Mark Welch leading interference, Thompson Mayberry raced 15 yards for a first down against Tahoka in the third quarter Friday

night. This run was part of a 79-yard scoring drive that gave the Bobcats their final touchdown and sealed a 22-7 victory.

DIMMITT vs. TULIA

8 p.m. Friday at Dimmitt

Well, here come the Hornets.

THEY STARTED the season by stinging state-ranked Olton, and have since knocked off Frenship, Friona and Morton. Now they intend to add Dimmitt to their list of victims.

"They've got the best personnel that we'll see all year," Bobcat Coach Bobby King said. "They don't do a lot of things—they don't have to. What they do, they do real well and don't make many mistakes."

The Hornets are, in a couple of words, big and quick. "They're the biggest Class AA team I've ever seen," King said. "Their defensive down men weigh 220 to 230, and they've got the best individual lineman I've ever seen in John Mays (senior tackle). He's a better defensive lineman than I saw last year in a AAAA district."

Tulia's big defense has shut out its last two opponents, the Friona and Morton, without a point.

On offense, Coach Earl Miller's Hornets operate from the Slot-I (same formation as Dimmitt's), which they switched to last year after the Whiteshbone didn't pan out.

"BESIDES their size, they're real quick," King said. "Their quarterback (Steve Brown, 150-lb. junior) is a real quick kid. Raymond Williams (193-lb. senior) was a state qualifier in the 440 last year—he can turn the corner and burn you anytime. But I think their best all-around athlete is their fullback (Monte Cannon, 170-lb. senior)."

Tulia lost only three lettermen from last year, and have 20 back. Coach Miller started with 15 seniors this fall, and had no less than 65 other high-school boys come out to join them. His big squad gives the Hornets a depth that most coaches can only dream about.

Coach King feels his Bobcats are quick enough to move the ball against the Hornets.

"WE'VE GOT to score on them, then hold them off," he said. "Our defensive kids will have their work cut out for them, but they've been coming through for us."

He added, "We're not going to run up a white flag. We're approaching the problem with the intention of beating them. We're going to give them our best shot."

HART vs. FRIONA

8 p.m. Friday at Hart

In their first meeting last year, the Longhorns and Chieftains battled on even terms. It was a 7-6 game until the final minutes, when Hart gambled and lost, giving Friona the chance to break a last-minute run for a 13-6 victory.

COACH Lonnie Phillips and his Longhorns hope to even things up Friday night and bounce back from their first loss of the year.

The Steers aren't at top strength, though. They're missing a big cog in their backfield—tailback Lester Aven.

"Lester has a pulled hamstring and he probably won't be ready until we get into our district schedule," Phillips said.

AVEN RUSHED for 173 yards in leading Hart to a 28-12 victory over Crosbyton two weeks ago. But he received his injury last Wednesday, and the Longhorns felt his absence Friday night.

Filling in for Aven against Friona will probably be Donald Robinson.

The visiting Chieftains are 1-2 in the won-lost column so far, "but they've played some real tough folks, and I think that's the reason for their record," Phillips said. Friona defeated Farwell 50-6 in the season opener, then lost by 26-14 to Muleshoe and by 37-0 to powerful Tulia.

"THEY'VE GOT some real good size," Phillips continued. "They're platooning right now, and one of their better players—Davey Carthel—has been playing strictly defense. I hope they keep him there. He's the one who hurt us real bad in the backfield last year."

Anchoring Friona's line is all-district Kenny Stowers, described by Phillips as "one of the best blocking linemen in the country."

Friona runs a variation of the Wing-T on offense, with a maneuverable 2-7 defensive setup.

HART WILL be trying to bounce back from last week's loss to Petersburg, and Phillips feels his players have the character to do it.

"We're still fumbling too much—we fumbled six times Friday night, and you can't fumble that many times against a team like Petersburg and still win it," Phillips said. "But I hope our boys took last week's loss in such a way that they learned something from it, and will come back this week with what it takes to win."

NAZARETH vs. MEADOW

8 p.m. Friday at Nazareth

The Meadow Bronchos of District 2-B South will be "the toughest team we've played up to now," Nazareth Coach Leslie Cowan said. "They're big and tough, and they've got a lot of experience."

AFTER winning three straight games on the road, the Swifts are smarting from their first defeat of the year—at the hands of Lazbuddie, in their first home game of the season Friday night.

"We had opportunities to win, but we just couldn't get it into the end zone," Cowan said. "Our mistakes hurt us—things like fumbling on the 4-yard line just before the half. Things like that killed us. Our inexperience is showing up; we're making a lot of mistakes. But we'll overcome them."

Coach Budd Todd's Bronchos will outweigh the Swifts about 15 pounds per man, with such players as tackles Brian Bayer (225) and Vint Hicks (220), all-state center Howard Stovall (214), and end Dan Fleming (190).

THE BRONCHOS' big line is complimented by quick backs

who run the Houston Veer offense.

But despite their size and experience, the Bronchos have had their troubles this year. They lost their opener to Lubbock Christian, and since have defeated Tatum, N.M., 14-12, lost to Amherst by 13-7 and defeated Anton 20-14 for a 2-2 record.

Since Meadow is in the south zone of the big District 2-B and Nazareth is in the north zone, Friday night's contest won't affect conference standings.

"I THINK that 700 miles of road trips in three weeks tired us out," Coach Cowan said, "but of course we're fortunate to have won as many as we have, considering our inexperience."

But he added optimistically, "Our boys are coming along. They're a real fine group of kids, they work hard, and I know they'll give everything they've got Friday night."

Freshmen win third straight shutout, 18-0

Dimmitt High School's freshmen remained undefeated and unscored-on with an 18-0 shutout of Muleshoe last Thursday night.

JOE ARCE ran 20 yards on Dimmitt's first offensive play for the initial touchdown.

In the second period, Danny Reyes converted a blocked punt into a 25-yard touchdown run to extend Dimmitt's lead to 12-0.

The final TD came in the fourth quarter after a Muleshoe fumble. Richard Espinoza boomed a punt that covered 75 yards, the Muleshoe receiver fumbled it and Dennis Veas pounced on the ball at the Muleshoe 1-yard line to set up the final score. Eloy Gonzalez ran the touchdown.

OFFENSIVE standouts for Dimmitt were Richard Espinoza, Jack Stewart and Joe Arce. Pacing the defense were Danny Reyes, David Patterson, Richard Espinoza and Dennis Veas.

The victory hiked the Dimmitt freshmen's season record to three wins and no losses. All the victories have been shutouts.

Coach Larry McMinn's freshmen will face their next test today (Thursday) at 5 p.m. when they play Tulia there.

Fields are buzzing with activity

By MRS. AGNES BROCKMAN

The weather is still very pleasant here and the farmers are busy harvesting corn, maize, some sunflowers and sugar beets. The corn and maize is turning out quite well. Some of the late wheat that was planted needs some rain to bring it all up, but we can't hit everything just right, I guess. It was near freezing here for a couple of mornings.

MR. AND MRS. Paul Venhaus spent the weekend in Hobbs, N.M. visiting their son Harold and family.

Mrs. Helen Backus spent the weekend in Dumas with her son Edmund and family. They are the proud parents of a baby girl born Friday night. She has one sister and one brother.

Terry and Janelle Hudson from Guymon, Okla. spent Friday night and Saturday in the Paul Venhaus home.

Mrs. Bud Steffens and Regina Steffens went to Slaton Monday to attend the funeral of Joe Kitten, who passed away last Saturday.

PAT BROCKMAN and children of Friona visited with Regina Steffens and family Sunday afternoon.

Florene Leinen was the honored guest at a supper, held in the home of Mrs. John Stork Wednesday night to celebrate her birthday.

Mr. and Mrs. Edwin Huseman spent the weekend in Dumas visiting relatives.

Mr. and Mrs. Leonard Wilhelm left Wednesday for Italy to see their new granddaughter, the baby of Mr. and Mrs. Larry Ringwald.

NAZARETH High School Band is sponsoring a Magic Show and ESP performance. Miss Willa Lerold, Hollywood's

Mistress of ESP, is the main attraction. The one night only show will be Tuesday, Oct. 7, at 8 p.m. in the Nazareth School Cafeteria. Advance tickets are \$1 for students and \$2 for adults. Tickets at the door will be \$1.50 for students and \$2.50 for adults.

Mr. and Mrs. Charles Barker of Pampa spent Saturday night and Sunday with the James Wilhelms.

Sybil Steffens left for Fort Worth last week to visit and see her son Bobby and family. They have a new baby girl and Mrs. Steffens will stay and help them out a few days.

Rites held for Mrs. Jowell

Funeral services were conducted in Plainview Saturday for Mrs. Laura Grace "Mom" Jowell, 82, former Dimmitt restaurant owner, who died Sept. 23 in Phoenix.

MEMORIAL services were conducted in the Wood-Dunning Colonial Chapel with Rev. Charles Teykl, pastor of the First Presbyterian Church of Plainview, officiating. Burial was in Rose Hill Cemetery in Tulsa, under the direction of Wood-Dunning Funeral Home.

A native of Mineral Wells, W. Va., Mrs. Jowell lived in Dimmitt in the 1940s and 1950s. She and her husband, M. J., operated the Steak House Cafe and later the Bobcat Cafe here, and also had farming and trucking interests.

Three of her sons—Mel, Carl and Jim—earned regional and state athletic honors here. They played football and basketball at Rice University and McMurry College, and later coached before going into private business.

MRS. JOWELL and her family lived in Tulsa, Plainview and Hereford before moving to Dimmitt. She and her husband retired in Phoenix in the late 1950s.

She is survived by six sons, Cecil Anderson and Bill Jowell, both of Phoenix, Edgar Marvel of Fort Collins, Colo., Mel Jowell of Seabrook, Carl Jowell of Palestine and Jim Jowell of Cyprus; two daughters, Mrs. Hugh Macey of Akron, Ohio, and Mrs. Roy McAlister of Plainview; a sister, Mrs. Ruth Benner of Seattle, Wash.; 37 grandchildren and 21 great-grandchildren.

WOODEN salad bowls and trays should be "conditioned" before use. To do this, pour a small amount of vegetable oil on the inside. Rub until the wood absorbs the oil. Periodically recondition the wood again with this same treatment. Mrs. Lillian Chenoweth, family resource management specialist with the Texas Agricultural Extension Service, advises.

EQUAL OPPORTUNITY EMPLOYER

Do you know the flag code? Now's a good time to learn

Los Ciboleros Chapter, Daughters of the American Revolution, reminds you to support the Constitution and revere the remarkable document that allows you to read this free press, worship as you wish, vote freely, and speak out on issues without fear of reprimand or, as in the case in many countries, without going to jail.

- How many can you answer?
1. Should the flag be displayed when it is raining?
 2. Is it necessary to display the flag at polling places on election days?
 3. HOW IS the flag displayed when carried in a procession with another flag or flags?
 4. How is the flag displayed over the middle of the street?
 5. How is the flag of the United States displayed with a number of flags of states or localities or pennants of societies?
 6. Is any mark or insignia ever placed on the flag?
 7. Is the flag ever draped over the hood of a vehicle?

ANSWERS:

1. The flag should not be displayed on days when the weather is inclement.
2. The flag should be displayed in or near every polling place on election days.
3. The flag, when carried in a procession with another flag or flags, should be either on the marching right, that is, the flag's own right, or if there is a

line of flags, in front of the center of that line.

4. When the flag is displayed, it should be suspended vertically with the union to the north in an east-west street or to the east in a north-south street.

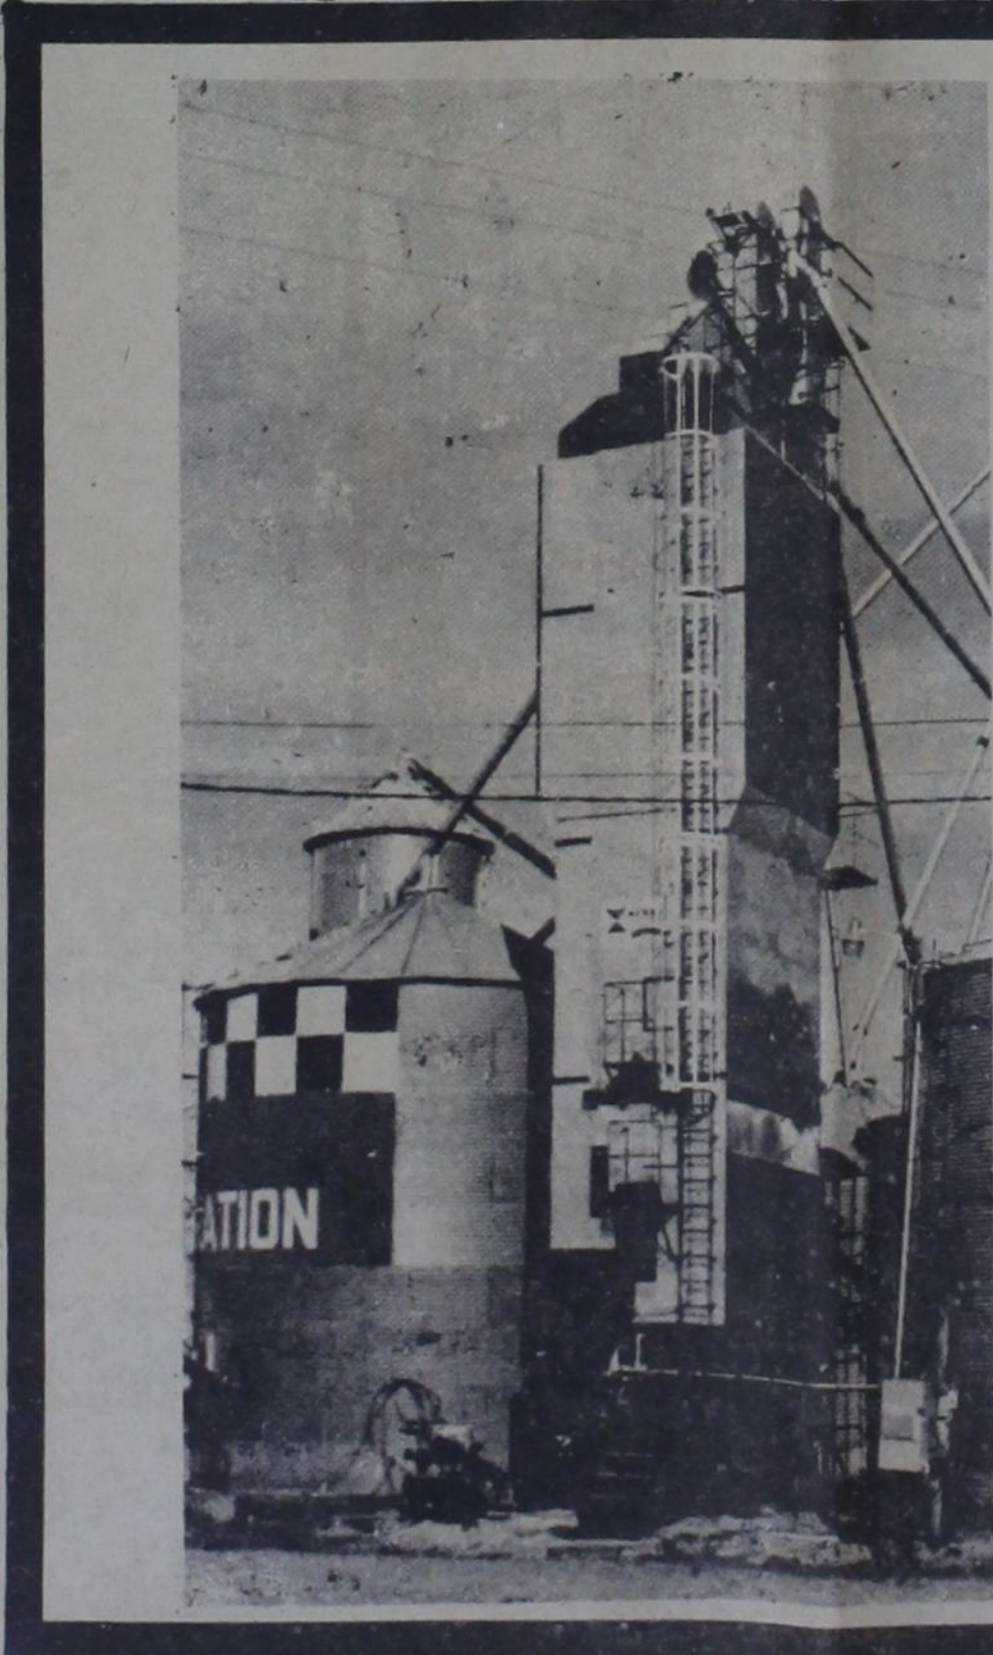

5. The flag of the United States should be at the center and at the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and displayed from staffs.

6. The flag should never have placed upon it, or any part of it, nor attached to it any mark, insignia, letter, word, figure, design, picture or drawing of any nature.

7. The flag should not be draped over the hood, top, sides or back of a vehicle or of a railroad train or boat. When the flag is so displayed, it should be on a staff firmly fixed to the chassis.

Los Ciboleros Chapter, Daughters of the American Revolution, reminds you to study the Flag Code before using the flag. This material came from the Flag Code, Public Law 829.

EVEN THOUGH early school loves seldom last, they form important learnings for the future, explains Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service.

**Postal Service starts
'complaint card' plan**

A nationwide consumer service program designed to improve and broaden the quality of mail service was announced this week by Postmasters Bill Sava of Dimmitt, Jewel Brooks of Hart and Mary Harlan of Nazareth.

THE US Postal Service introduced a program this week at offices across the nation to encourage mail users to register problems they may have with their mail service.

At the core of the program is a consumer service card.

The consumer service program reflects Postmaster General Benjamin F. Bailar's determination that mail services to the public will be "friendly, courteous and efficient, as well as speedy and reliable."

"Good service is a far broader concept than just fast mail handling, as important as that is," the postmaster general

said. "It is also built on employee courtesy, our responsiveness to customer needs, the sympathy and understanding we bring to your own expectations of what good postal service is all about."

LOCAL postmasters urged customers in Castro County to bring inquiries and complaints to their attention. And if people feel their problems have not been properly handled, they should see their postmaster personally.

To make it easier for a customer to make a suggestion or complaint about postal service, the new consumer service card will be available from letter carriers and at the post offices.

The card is two postal cards with carbon paper between them.

"ONE COPY goes to the local postmaster so work can begin on the problem," Sava said. "The other goes to Postal Service headquarters in Washington for cataloging and analysis. The cards will help management spot problem areas and trends, and take corrective action if necessary."

The consumer service program was tested earlier this year in Illinois, Massachusetts, Arizona and Rhode Island. Postal customers in the test found the cards easy to complete and most complaints were resolved to the customer's satisfaction.

The card should take no more than two minutes to fill out. The postmasters also said they and their staffs are willing to discuss any problems, including lack of courtesy, irregularities in deliveries or collections, collection box convenience and postal office hours.

"The whole point of this service program is to bring your problems and gripes out into the open where we can attempt to resolve them," Sava said.

Mark Welch

**District FFA
elects Welch**

Mark Welch of Dimmitt is the new president of the Plainview District of Future Farmers of America.

HE WAS elected at the first district meeting of 1975-76 in Plainview recently. The Plainview District includes 16 schools in the area.

Welch, son of Mr. and Mrs. James Welch, is a DHS senior and president of the Dimmitt FFA chapter.

His duties as district president will include conducting all district meetings, serving as master of ceremonies at the annual district banquet, and directing the district sweetheart and talent contest.

OTHER district officers elected were Shanna Igo of Plainview, vice-president; Joe Rocho of Lockney, secretary; Bill Smith of Hale Center, treasurer; Jeff Jones of Silvertown, reporter; and Barton Scott of Abernathy, sentinel.

Apparently President Ford thinks that if gasoline prices are allowed to go high enough it will be a cure for the inflationary spiral. This, we all know, is pure malarky. Every time there is an increase in the price of a major commodity, such as petroleum, there have to be compensating increases in the price of other commodities. However, his reasoning on the need for higher priced petroleum products is just about as reasonable as his accusation that the congress is directly responsible for the high prices the OPEC countries are charging for their oil. The congress hasn't agreed on a long range energy policy, and that's a fact, but let's hope they don't embrace the apparent program being advocated by the president and his advisors.

MARK YOUR PROPERTY—Police Chief W. W. Jones shows one of the 10 electric engravers now available free at the city hall to mark your property.

burglars that your property is permanently marked. Burglars are much less prone to steal marked valuables, Jones said, because the property is harder to "fence" or sell, and can tie the burglar to the crime.

City has engravers

To deter burglars, mark your property

An electric engraving pen is the only tool you need to participate in the Dimmitt Police Dept.'s anti-burglary program, "Operation Identification."

deter burglars, valuables are permanently engraved with a traceable number—driver's license numbers are preferable—and the owner displays warning decals on the doors or windows of his home or business.

Police Chief W. W. Jones said, "The engraver is very easy and safe to use. You follow a few basic steps of operation, which are quite simple. It works from any standard 110-volt electrical outlet."

The city received 10 of the engravers this week for free public use, plus plenty of decals for doors, windows and cars to warn would-be burglars that the valuable items inside are permanently marked and traceable.

ALSO, the police department has posters which businesses can display in their show windows, and literature explaining how the engravers work and the preferred method for engraving your identification on your property.

You can check out an engraver at the city hall any weekday from 8 to 5 and keep it for 10 days, Jones said.

THE ENGRAVER, which utilizes a steel point and vibrator

motor, can be adjusted for intensity and depth of cut, depending on the material to be engraved. It will engrave on steel, plastic, wood, glass, leather—virtually any material.

Use of the engraver to mark all items with the owner's Texas driver's license number makes stolen property harder for the burglar to "fence," and thus less likely to be stolen.

"THE MORE property that gets marked here in Dimmitt, the fewer burglaries and thefts we are going to have," Jones said.

Barbara Davis wins Tops title

Barbara Davis was named Queen of the Week at Monday night's meeting of Dimmitt Tops Club 386. Mrs. Davis registered a weight loss of 3 1/2 pounds during the week.

TOTAL weight loss for the week by the 24 members present was 16 1/4 pounds.

A fellowship was held in the home of Genelle Craig and "secret pals" were revealed.

Child abuse film to be shown here

A film program on child abuse will be shown next Thursday at 9:30 a.m. in the courthouse community room.

ENTITLED "Wednesday Children," the film will be shown by Kent Briedenstein of Plainview. Rita Hoffman and Carmen Robertson of the State Dept. of Welfare office in Dimmitt will be on hand to tell of the child-abuse problem in Castro County and answer questions.

The showing is open to the public, and is sponsored by the Town & Country Home Demonstration Club.

Kurlie Q's will conduct dance lessons

The Nazareth Kurlie Q's enjoyed another night of square dancing Sept. 21.

Refreshments were served by the Lavern Wilhelm family and Tony Acker, president, welcomed the guests, George and Rita Book.

DISCUSSION on a time change was brought up and by a majority vote the regular meeting time was changed to 7:30. Also, the club will start square dance lessons as soon as possible. Anyone interested should come to the next regular square dance, which will be Sunday evening at 7:30.

Last week the Kurlie Q's visited the Dimmitt Promenaders. They had a wonderful time and enjoyed dancing to the calling of Glen Amburn.

Shower honors Miss Huckabay

Alissa Huckabay, bride-elect of Michael Perkins of Lubbock, was the guest of honor at a bridal shower in the home of Mrs. Durward Patterson Saturday morning.

OUT-OF-TOWN guests were Mrs. Vernon Newton, Miss Huckabay's grandmother; Mrs. Larry Blakeman, her sister, Mrs. Rick Mensik, and Mrs. Mae Perkins, mother of Michael Perkins, all of Lubbock.

Mrs. Jerry Cartwright and Debbie Hansen served coffee, spiced tea, fruit and hot breads to the guests from a table decorated with a linen runner, silver appointments and a silver epergne of flowers and candles in the bride's chosen colors of pink and burgundy.

Twenty women assisted Betty Patterson with hostess duties.

Here's an easy way to prepare pumpkin

By IRENE KEATING

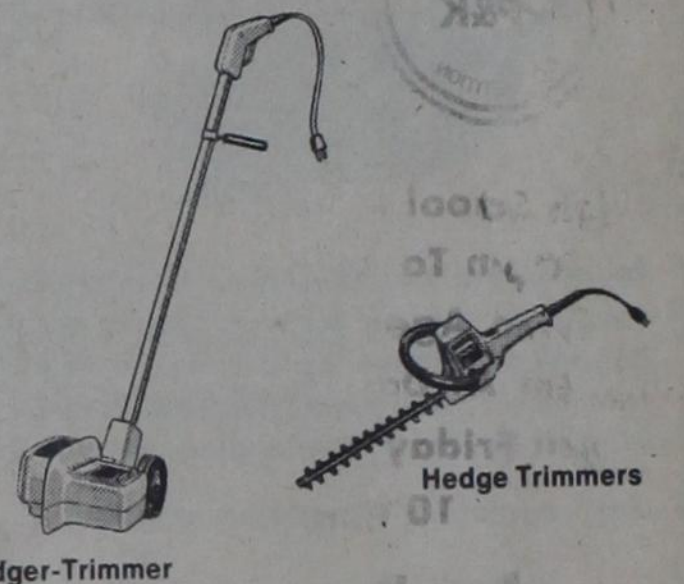

This is a busy time of year and the farmers and their wives are busy with harvest. It is nice to see so much activity going on.

PUMPKINS are ripe and I'm sure some of you will be preparing them to eat (saving some for Jack-O-Lanterns, of course). I've found that the easiest way to prepare pumpkin is to cut it in half and remove the seeds, then place the halves in your oven at 300°. The time needed depends upon the size but it's soft when it is cooked. After being baked you can easily scrape the pumpkin from the shell and be ready to make your pies or pumpkin bread.

Plainview Saturday. It's open from 10 a.m. to 8 p.m. and is free. There will be health checks on blood pressure, diabetes, TB, height/weight and others. It's all happening at the Plainview-Hale County Agriculture Center.

The Christmas Fair and Tasting Tea will be held Oct. 8 in the County Exposition Center from 10 a.m. to 4 p.m. You'll be able to eat for \$1 and purchase packets of recipes and decorating and gift ideas. There will also be displays of holiday decorating ideas for tables, doors, etc. to inspire you and get you in the mood for the holidays. This event is sponsored by the five home demonstration clubs in the county. See ya' all there.

Eighth graders defeat Muleshoe

Dimmitt's eighth graders hiked their season record to 2-1 last Thursday with a 12-8 victory over Muleshoe.

DIMMITT'S touchdowns came on drives of 60 and 35 yards. Muleshoe mounted a 70-yard drive for a TD and also scored a safety.

Coach Jerry Durham praised the offensive play of Matt Gilbreath and Jeff Lindsey and the defensive efforts of Reuben Nino, David Allison and David Nelson.

The Dimmitt eighth graders will play Tulia at 6 p.m. today (Thursday) in Bobcat Stadium.

IN PREPARING sauces and gravies for freezing, thoroughly combine the flour and fat. This ensures that they will recombine when stirred well after thawing—even though they may appear curdled during defrosting time, Sally Springer, foods and nutrition specialist with the Texas Agricultural Extension Service, reminds.

Last-minute TD gives Frenship JV victory

A costly penalty and pass interception in the final minute and a half led to a last-minute touchdown and a Frenship Junior Varsity victory over the Dimmitt JV last Thursday, 18-15.

PLAYING at Frenship, the Dimmitt JV was leading 15-12 when disaster struck with 1:30 remaining in the game. Dimmitt was controlling the ball but a penalty put the Purples in the hole. They tried to pass

their way out of it, but Frenship intercepted to set up the game-winning TD.

Even then, Dimmitt came back and almost turned the tables. After the Frenship kickoff, the Bobcats quickly moved downfield to the Frenship 20-yard line, but the clock caught them at that point.

After a scoreless first half, the two teams reeled off five touchdowns in the second half. Dimmitt led by 7-6 going into the final period, then extended its lead to 15-12 before Frenship scored the clinching TD.

COACH Joel Reese praised the play of quarterback Matt Howell; tailback Eddie Chavers, who scored a touchdown; and split end Tobin Touchstone, who scored a TD. On defense, Lane Loudder and Mike Odom successfully stopped Frenship's outside sweeps.

The Dimmitt JV's record is now 1-2.

The next JV game will be Oct. 16, when Dimmitt hosts Lockney at 7:30 p.m.

County Executive Director

1975 DISASTER PROVISIONS OF THE FEED GRAIN AND COTTON PROGRAMS

Feed grain or cotton acreage that fails or makes a low yield due to a natural disaster might be eligible for disaster payment. You can estimate you have a loss under the program if your production is about 60% of the expected yield we have established on your farm. If you have feed grain or cotton acreage that fails and will not be harvested for grain or lint, then the acreage must be appraised before plowing, grazing, baling or making any other use of the land.

If you harvest the crop for grain or lint and it makes a low yield, you must report the low production to the ASCS office within 15 days after harvest of the crop and before the stubble is destroyed, in order for inspection to be made for disaster payment consideration. You must keep separate production for each farm.

PRICE SUPPORT LOANS

All commodity loans (grain sorghum, corn, soybeans and cotton) may be obtained at the county ASCS office. Grain Sorghum No. 2 or better—\$1.86 CWT. Corn Grading No. 2 — \$1.17 Bu. The applicable maturity date

shall be "a period of not less than the last day of the 11th calendar month following the month in which the receipt is issued and/or the date of disbursement." All loans shall mature on demand but no later than April 30, 1977.

Cotton, Strict Low Middling, 1 1/16 inches — 36 cents per lb. The loan maturity date for cotton is "the last day of the 10th calendar month from the first day of the month in which the loan is disbursed."

Interest charges are 6.125% at the present time, subject to semi-annual adjustment. The Panhandle Compress and Warehouse Co. in Dimmitt is approved for the storage of

CCC Cotton 1975 CONSERVATION PROGRAM

A very limited amount of additional funds have been received under the 1975 Agricultural Conservation Program. Applications will be accepted for approved cost-share practices to be considered on a priority basis, not a first-come, first-served basis, by the county committee at its next regular meeting.

All programs, including committee elections, administered by ASCS are open to persons without regard to race, color, religion, sex or national origin.

A number of teams from Dimmitt participated in a Florida Scramble tournament held at the Hereford Country Club Sept. 24, with the Dimmitt ladies showing up well in the tournament. Bobby George and Amy Glover placed second in the third flight of play; Joyce Rickerd and Vicki Yokum placed first in the fourth flight; Neva Hickey and Dolores Bal-

luncheon, as this will be our last luncheon for the year.

Plans are still underway to have the Grandma Tournament. This event has been postponed a couple of times due to unavoidable circumstances. It has been set for Oct. 4, and if you are a grandma, plan to enter this event. You will be contacted as to the details. Tee off time will probably be 10:30 a.m.

The LGA luncheon was held Sept. 23, followed by a business session and presentation of awards for play days for Sept. I failed to get a list of the award winners but will try to tell of these next week. We had a good turnout for the luncheon this month. Mark your calendar now and remember the October
