Mrs. Carpenter retires as rural mail carrier

Mrs. Irene Carpenter, contractor and carrier for Star Route 2 of Dimmitt, Routes T and D of Nazareth and Route N of Tulia, has announced her retirement after nearly 20 years of service in carrying rural mail. She will run her routes for the last time tomorrow (Friday).

MRS. CARPENTER and her husband contracted the route from Dub George in 1956, and since that time she has been the regular carrier for the previously listed routes.

Mrs. David Adams will replace Mrs. Carpenter as carrier and contractor for the four routes.

More about

[Continued from Page 2] visit with friends they had not seen in 50 years, on to Craine to see an elderly auntie, then to San Angelo and visited a brother and his wife and sister. They live in the small community of Veribest.

Mrs. John Godfrey and daughter Mrs. Johnny Powell spent the weekend at Belen, N.M. visiting daughter and sister Argie Mae and her husband Raymond McDonald.

I met Buddy Leigh at the bank one day recently. He and wife Dana live at 311 W. Halsell. Dana is secretary at Bruegel's Elevator.

Our sympathy goes to Frances Duke and family on the death of her mother Mrs. Ruth Thraikill, who lived in Duncanville.

And our sympathy to the Jones family for the death of Bill who was Bob's brother, and to his children. We knew Bill as a kid at Flagg.

LENA DAVILA is in St.

Hart Longhorns trample Bulldogs 70-13 in opener

By PAT STEIERT

The Hart Longhorns opened their 1974 season with an impressive 70-13 victory over the visiting Anton Bulldogs Friday night. Hart's new defense rose to every occasion to completely shut out the Anton ground attack, while the powerful Maroon offensive machine ground out score after score.

THE BULLDOGS were successful in scoring only once on the ground and once in the air. Ronnie Peacock caught a 28 yard pass from quarterback Zane Butler, and Donald Willis score from one yard out for the Bulldogs.

Hart's offensive line proved itself by constantly knocking holes in the Anton defense, and allowed Terry Hill and Donald Robinson to score three times apiece. Lester Aven, Danny George, Barry George and Kerry George all tallied scores for the Horns.

HART TOOK the opening kickoff at its own 18, and Barry George romped to the Anton 46 before being dragged down by several Bulldog defenders. Behind the powerful running of George and Hill, Hart drove to its first touchdown with ease. Terry Hill powered in from six yards out, and Danny George hit brother Barry in the endzone for two. With 10:38 left in the first period Hart led 8-0.

Anton opened its first drive from the 35 but the constant pressure of the Longhorn defense thwarted the initial drive on the part of the Bulldogs and the Maroon Gang held on a fourth and short yardage situation to retake possession of the ball.

However, fullback Terry Hill lost the handle on the pigskin on third down and the Bulldogs recovered on the Hart 31. Three plays later Anton's Zane Butler threw to Ronnie Peacock for 28 yards and Anton's only touchdown of the first half. Lon Timms added the extra point and with just over seven minutes left in the period the score stood at 8-7.

The Longhorns took control of the game at that point as Hart drove from its own 26 yard line to paydirt in 11 plays behind the running of George, Hill and Lester Aven. Hill carried the final four yards for the score and following a missed extra point attempt the Horns led 14-7.

Anton ran into trouble on its next possession as the drive with a one yard scoring plunge with just over two minutes left in the half. The Horns succeeded on a two point conversion and led 36-7.

IF THE Bulldogs were hoping for a respite before the half they didn't get it as the hard-hitting Horns forced another fumble at the Anton 21 and recovered.

Donald Robinson covered the distance in one play from scrimmage to score and Danny George booted the extra point with 2:19 remaining to make it 43-7.

The Bulldogs drove to their own 32 and stalled again. Hart then drove 32 yards in two plays, scoring on a 15 yard pass from Danny George to brother Kerry, and Danny George booted the extras to make the score 51-7 as the half ended.

The Bulldogs took the second half kickoff on their own 30 but were forced back to their 24. Jimmy Kennedy then recovered a Bulldog fumble for Hart at the 22 and it took Hart only two plays to draw fresh blood. Donald Robinson charged 21 yards for Hart's eighth touchdown of the night and George connected once more for the extra point as Hart took a 58-7 lead with nine minutes left in the third period.

Anton drove to the Hart 41 on its next possession with the aid of a 24 yard pass to Ronnie Peacock but the Horns killed the threat when Pat Steiert forced a fumble on the part of Zane Butler and Danny George recovered for the Horns.

HART FAILED to sustain a drive and the Bulldogs started their only other scoring drive from their own 26. Aided by penalties the Bulldogs drove to the Hart five, but it took the Bulldogs four plays to punch the score across against a rugged Hart defense. Donald Willis went the final yard with one minute left in the third period and the two point conversion attempt failed to make the score 58-13.

The Horns took possession at their own 48 following the kickoff and in two plays drove 52 yards to score with slashing

Maroon Gang carried the fight to the Bulldogs and Danny Carson recovered a Bulldog fumble on the Anton 20.

Two plays later Terry Hill tore down the middle behind fine blocking and went twelve yards for Hart's third score. A two point conversion attempt was successful and Hart led 22-7 with 10 minutes left in the first half.

Anton took the kickoff on its 12 and moved to the 29 before the Longhorn defense forced another fumble. Dean Hill recovered for the Horns and four plays later Lester Aven broke away and raced 14 yards for Hart's fourth tally. The extras failed and with eight minutes remaining in the half the Horns led 28-7.

Anton began a drive from its 30 on its next possession and moved to the Hart 34, aided by a 25 yard run by Paul Coronado. The Maroon Gang rose to stop the Bulldogs for no gain on four successive plays, however, and took over the ball.

The Longhorns then mounted a 67 yard drive behind the running of Donald Robinson and Terry Hill and Robinson capped runs by Lester Aven. Aven

gained 11 yards on his first carry, then raced 41 yards to score with nine seconds left in the third period. The extra point failed and Hart held a 64-13 lead.

Hart forced another fumble on Anton's next possession and Dean Hill recovered for the Horns. The Longhorns then closed out their scoring for the night with a brother-to-brother combination. Kerry George connected with brother Danny with a pass which covered 20 yards. The try for extras failed and with six minutes left in the game the score was 70-13.

The Longhorns drove to the Anton 12 on their next possession before the clock expired.

HART'S entire defensive unit turned in a sparkling performance with hard-hitting, aggressive play. The offensive line also played an outstanding game, clearing gaping holes for the runners. The backfield showed an excellent balance of speed and determination.

Hart will travel to Shallowater Friday to take on the Mustangs. Kickoff time is set for 8 p.m. as the Longhorns seek their second win of the season.

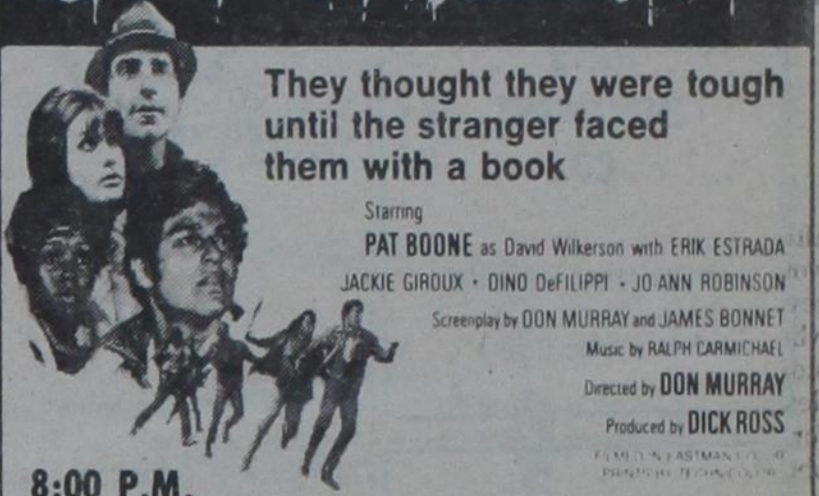

FIRST TD — Danny George scrambles into the endzone for Hart's first touchdown of the 1974 season Friday night as his brother, Barry, [5] runs escort. In background are Hart's Dean Hill [72] and Lester Aven [21]. This was just the first of a long string of touchdowns Friday night as the Longhorn offensive machine rolled over the Anton Bulldogs 70-13. Although it was a big win for the Horns, they lost the services of running back Barry George, who suffered a knee injury in the early going.

Governor's task force boosting water plan

Plans for importation of water to the high plains of West Texas and Eastern New Mexico are getting a big boost from the governor's water task force, Gen. James Rose, director of planning coordination for the

governor's office, told directors of Water, Inc. at a Lubbock meeting. "For the first time," Gen. Rose said, "we have all water interests in the state and our congressional representatives working in harmony toward a common goal."

WATER importation into semi-arid areas of Texas and New Mexico is included in the statewide action program being drafted by the task force, Gen. Rose said. This means that the project along with delivery of water to the Rio Grande Valley and various dam construction projects are being put "on the front burner" he said.

The water task force, organized late last year by the governor, has been meeting monthly and is developing an overall water program to recommend to the governor, and is calling on him for leadership in implementation. Gen. Rose is chairman of the task force. Gen. Rose praised the efforts of Water, Inc., in keeping the "ball rolling" on an import program, and he told the directors that the organization must continue to play a key role in the development of a unified program for water development that all areas can support.

A HIGHLIGHT of the board meeting came when George W. McClesley, president, presented a resolution to Marvin Shurbet of Petersburg commending him for his service on the Texas Water Development Board and as a longtime Advisory Director to Water, Inc. Shurbet retired from the Water Development Board earlier this year after 12 years of service.

Tops queen named by Nazareth club

Marian Ehly was named queen for the August 31 meeting of the Nazareth Tops Club, while Dorothy Kleman was named August queen.

TOTAL club weight loss was 5 1/4 pounds and total club gain was 13 1/4 pounds.

NO STORY is the same to us after a lapse of time; or rather, we who read it are no longer the same interpreters.

On Wall Street

By Bob Hill
Lentz, Newton & Co.

For those motorists who were pleased and happy when the House recently voted 339 to 49 to discontinue the installation of buzzer-interlock seat-belt systems, get ready for an expensive alternative; the airbag.

Field day set today at research center

Agricultural Research that is not used is wasted. Many times this is the case because farmers are not aware that certain research projects are being conducted. The Annual Field Day and Open House of the High Plains Research Foundation, Halfway, scheduled for today (Thursday) is held to give area people an opportunity to see what is being researched that may benefit their own farming operation or the agricultural economy in general.

FIELD TOURS are set to begin at 1:30 p.m. A member of the scientific staff will conduct each tour and try to acquaint the group with most of the projects underway. One truck will depart each 20 minutes and the tour will last from 45 minutes to one hour. At the conclusion of each tour, a drawing will be held for a \$25.00 Savings bond, courtesy of area banks. An equipment exhibit and farm show will be set up for those who want to see the latest in farm equipment, agricultural chemicals, seeds, fertilizers, and other farm-related products.

Among specific projects to be seen on the tour will be a study on double-cropping with wheat and triticale followed by four other crops, including sunflowers. A study to determine the effects of herbicide-insecticide interactions on grain sorghum stands and yield has shown some startling results and can be seen by Field Day visitors. These, along with tests on weed control, minimum-tillage, irrigation, new crops, variety testing, insect control, and many others, will highlight a very informative tour.

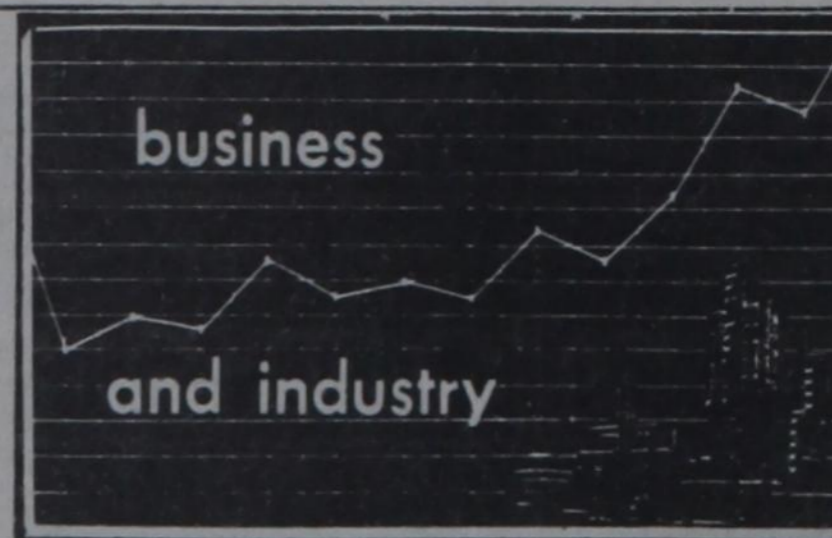

Expenses for conducting the Field Day will be paid by the Plainview Co-op Compress, First National Bank, City National Bank, and Hale County State Bank, all of Plainview.

mands to eliminate the annoying seat-belt interlock system which is now required by law. But, the Transportation Dept. has taken a determined attitude toward driver safety devices by insisting that it would strongly resist efforts to eliminate mandatory installation of the expensive airbag system beginning with the 1977 model cars.

The Transportation Dept. has published statistics which analyze the cost and benefits of passive restraint systems, such as airbags. The figures estimate that between 1977, when airbags are required equipment, and 1985, airbags in conjunction with seat-belts could save 85,000 lives compared to 47,000 lives using only the seat-belt interlocking system. The cash value for saving productive human life would total \$9.8-billion for airbags vs only \$3.9-billion for seat-belts, says the Transportation Dept.

The present legislation now in Congress, which would completely eliminate the seat-belt interlock system, leaving only a warning light as a reminder to fasten seat-belts, makes an even better case for the passive airbag system. In other words, if Congress insists on doing away with an important means of requiring drivers to use their seat-belts, then it is even more imperative to require airbags to become standard equipment in order to save as many lives as possible, now that the fastening of the seat-belt is no longer necessary to start the car.

THOSE NEW Transportation Dept. figures could strengthen the Senate's attitude toward mandatory airbag installation by 1977. The Senate has already passed the legislation making the airbag standard equipment. A Congressional showdown should come next week when lawmakers return to Washington. Those drivers who were most vocal about doing away with the seat-belt interlock system have just bought themselves a much more expensive substitute. The airbag could increase the cost of a new car by as much as \$350 to \$500.

District court cases down locally in 1973

The annual report of the Texas Civil Judicial Council, released today in Austin, shows that the number of cases filed in the district court of Castro County during 1973 was 18 percent less than the number filed in 1972.

CASES FILED during the last calendar year totaled 133, including 24 criminal and 109 civil.

Judge John Thomas Boyd of the 64th District Court has jurisdiction in Castro County. He also serves Hale and Swisher Counties.

The local district court disposed of 233 cases during 1973, 55 percent of the cases filed during the year or carried over from 1972. At the end of the year, 191 cases were pending on the docket.

According to the Texas Civil Judicial Council report for 1973, statewide the 254 district, domestic relations and special juvenile courts experienced a 6 percent increase in filings during 1973 — to 296,548 cases from 180,971 in 1972. Twenty-six percent of these were criminal cases.

THESE STATE courts disposed of 49 percent of the total cases filed in 1973 or carried over from 1972. The defendant entered a guilty plea in 47 percent of the criminal cases disposed of. In the cases disposed of by a jury verdict, 80 percent of the defendants were found guilty and 20 percent acquitted.

For the last 40 years the Texas Civil Judicial Council has been collecting information concerning caseloads for the district and appellate courts. Beginning in 1973, the Council has expanded its data collection activities by gathering and pub-

lishing statistics on caseloads of county, municipal and justice of the peace courts. An interim report on the activities of these courts will be published later in the year.

A MAN rarely succeeds at anything unless he has fun doing it.

THE GOAL of criticism is to leave the person with the feeling that he's been helped.

Religious film to show locally

"The Cross and The Switchblade," a motion picture concerning the work of a country minister in reaching youth in strife-torn ghettos in the face of gang warfare and violence, will be shown Monday and Tuesday at 8 p.m. at the Carlile Theatre.

THE BOOK by the same name has sold over nine million copies in 15 languages and is recognized by religious leaders as a classic work that marks an important point in the history of the church. The story deals with David Wilkerson, a country minister tormented by the plight of urban youth and the many wasted lives of young people that would never realize their potential.

"The Cross and The Switchblade" depicts the seemingly impossible transformation — from hopelessness to joy — from hate to love — from waste to fulfillment.

NOTHING is so easy as to deceive one's self; for what we wish, that we readily believe.

—Demosthenes

HESSTON 496 DIRECT TYPE BEET HARVESTER

ITS BEAUTY IS MORE THAN SKIN DEEP!

Moving the elevator to the outside of the 496 may or may not have improved its rugged good looks. It did, however, create more room inside. Result? Beets travel farther over more rick and grab roll cleaning area. Now there's the real beauty of it.

And in addition to more cleaning area, the 496 has three different types of rick designs. These provide a wider variety of cleaning surfaces to strip away the most stubborn dirt or mud. The end result is more thorough cleaning...whatever the field conditions.

Faster digging on fewer horses Without the strength and endurance to back up this increased cleaning capacity, however, you'd be little or no better off than right now. So the 496 also features structural members built to

take the beating that varying soils can dish out. Many are heavy gauge box beam steel with 360 degree welds. They stay in perfect alignment whether digging in deep mud or hard baked soil. Even the tight draft, 29" lifter wheels contribute to the 496's amazing efficiency. They pick up less dirt to allow faster digging on fewer horses. And the 496 drives are located as far from the dust and mud as possible to help hold maintenance to a minimum.

Isn't that what it's all about? In short, the Hesston 496 Direct Beet Harvester lets you harvest more beets, harvest them faster and harvest them with less dirt than ever before. All this with less time and money spent on maintenance. Isn't that what harvesting beets is all about?

Miss Pace, Glen Warren pledge vows Saturday

Miss Charlotte Lynne Pace and Glen David Warren exchanged wedding vows Saturday in a double ring ceremony at St. Paul's Episcopal Church in Lubbock.

REV. RON Gauss, rector, and Father-Joe Bixenman of St. Elizabeth's Catholic Church officiated at the nuptial mass.

The bride is the daughter of Mr. and Mrs. Donald R. Pace Sr. of Lubbock and the groom is the son of Mr. and Mrs. Paul D. Warren of Nazareth.

The bride was given in marriage by her brothers, Donald Roy Pace Jr. and Jackson Oren Pace.

Maid of honor was Deborah Pace, cousin of the bride, and best man was Victor B. Egge-mayer.

BRIDESMAIDS were Sandra Whigham and Mary Eggemeyer. Groomsmen were Mark and Roger Gerber.

The bride is a 1972 graduate of Texas Tech University and is employed by Medical Laboratory Service in Lubbock.

The groom is a 1969 graduate of Nazareth High School and is a 1973 graduate of Texas Tech University. He is employed with Jon-T Chemicals of Brownfield as an accountant.

Following a wedding trip to Red River and Santa Fe, N.M., the newlyweds will be at home in Wolforth.

Rebekah president visits district

Cleota Brooks of Dallas, Rebekah Lodge Assembly president of Texas, visited District 5 with the Hereford Lodge serving as host last Wednesday.

SHE BROUGHT a message on the work and progress of Rebekahs in Texas and reported on projects underway at the Rebekah home for the aged in Ennis and the home for children in Corsicana.

District 5 is composed of Hereford, Friona and Dimmitt. Some 7 other lodges also attended the meet.

An initiation degree was given by members of each Lodge. Gail Nelson, conductor, Mary Lou Weatherford, left support to Past Noble Grand and Ocie Bolton, chaplain, served on the degree team.

Others attending from the Dimmitt Rebekah Lodge 54 were Connie Ivey, Polly Bell, Jimmie Pinner and Willa Mae Reynolds.

Shower honors Mrs. Skinner

Mrs. Skip Skinner was honored at a bridal shower Saturday in the home of Mrs. Ted Sheffy.

MRS. SHEFFY presented the guests to the groom's mother Mrs. Weldon Skinner and the bride.

Mrs. Mary Nell King presided at the guest book and Virginia Sheffy served hot spiced tea and coffee, sweet rolls and fruit from a lace covered table. An arrangement of pale yellow and peach dahlias served as the centerpiece.

Mrs. Sheffy was assisted in hostess duties by 16 ladies.

MRS. GLEN WARREN
... The former Charlotte Pace

Shower fetes Mrs. Carpenter

Mrs. Lee Jay Carpenter, the former Jeanne Damron, was honored with a bridal shower Saturday morning at the Castro County Country Club.

RECEIVING the guests were the honoree and her mother Mrs. Clyde H. Damron. Refreshments of hot spiced punch, cinnamon rolls, cheese balls and coffee were served from a table covered with a white linen cloth. Silver appointments were used.

Twenty-three hostesses assisted with the shower.

Out of town guests included Mrs. Charlene Langley of Lock-

ney; Mrs. Barbara Tollett of Hart; Mrs. Eloise Galloway of Olton; Mrs. Virginia Carpenter, the groom's mother, and Mrs. Vivian Broyles, his grandmother, both of Lamesa; Mrs. Lucile McCoy and Janie Anders of Amarillo; Karen Birdwell of Lubbock; Mrs. Myrna Keener of Tulia; Mrs. Wanda Hill, Sandra Hill, Mrs. Pauline Williams, Mrs. Lloyd Gilreath, all of Sudan; Mrs. Debbie Bills of Lubbock; Mrs. Vickie Davis and Mrs. Rosalie Gilbreath, both of Hereford.

The couple was married Aug. 31 in Austin.

MRS. JESSE RAMOS
... The former Becky Huseman

Jesse Ramoses at home following August vows

Mr. and Mrs. Jesse Ramos are at home in Seattle, Wash. following an Aug. 16 wedding in Holy Family Church of Nazareth. Rev. Stanley Crocchiolla officiated at the double ring ceremony. Music was provided by a group of young guitarists under the direction of Noreen Kleman.

THE BRIDE* the former Becky Huseman, is the daughter of Mr. and Mrs. Louis Huseman of Nazareth and the groom is the son of Mr. and Mrs. Emigdio Ramos of Tulia.

Given in marriage by her father, the bride wore a floor length dress of white lace with short puffed sleeves and an empire waist, adorned with lace around the sleeves, neckline, and waist. Tiny lace buttons graced the front of the bodice. Her veil of illusion fell from a floral headdress. She carried a nosegay of yellow roses and white daisies.

Serving her sister as bridesmaid was Jenny Huseman. She wore a dress of yellow lace similar to that of the bride. She carried a nosegay of roses and daisies.

Best man was Terry Todd. Ushering were Amadeo Perez and Roger Wilson.

FOLLOWING the ceremony, a reception was held at the Nazareth Community Hall.

The bride is a graduate of Nazareth High School and attended West Texas State University.

The groom graduated from Happy High School and Blinn Junior College at Brenham, and also attended West Texas State University.

MISS DEBRA LYNN BOX

Couple planning Sept. 28 wedding

Mr. and Mrs. John Box of Anaheim, Calif. announce the engagement and approaching marriage of their daughter, Debra Lynn, to David Keith White, son of Mr. and Mrs. N. C. White Jr. of Route 1, Friona.

MISS BOX is a 1974 graduate of Loara High School in Anaheim and White is a 1973 graduate of Dimmitt High School and is a student at DeVry Institute of Technology in Dallas.

The couple will exchange vows Sept. 28 in the home of Mr. and Mrs. Jim Welch of Levelland. Relatives and friends are invited to attend.

On the go

Mrs. N. F. Cleavinger, Mr. and Mrs. M. E. Cleavinger and Mr. and Mrs. Ray Axtell met relatives from California and Canyon in Ruidoso for a reunion last weekend. This is an annual event.

Dimmitt Agri Industries, Inc., offers convenience, top markets

It wasn't surprising that Castro County's first load of 1974 corn was delivered to Dimmitt Agri Industries, Inc. For DAI had a pioneering role in making corn a major crop in Castro County.

The corn originally was needed for the new milling plant which Dimmitt Agri Industries, Inc., built here. At the same time, ways were found to control the southwestern corn bore. Then, too, the price-yield factor established corn as an attractive cash crop here.

Within two or three years, corn became a multi-million-dollar business in Castro County, and Dimmitt Agri Industries, Inc., geared up for the new crop by installing the world's largest corn dryer - a two-section Shanzer unit with a rated capacity of 6,500 bushels per hour. Last year a smaller dryer was installed at the cooperative's South Elevator.

This year, DAI has added another new feature to make corn receiving quicker and more convenient for the customer. It's a large "semi dump" with a Kewanee hydraulic dumper for tractor-trailer rigs. The new dump is located on the south side of the main elevators.

Dimmitt Agri Industries, Inc., has six handling facilities for corn, conveniently located to serve the needs of the entire county. These are the Main Facility and the South Elevator, both in Dimmitt; the Nazareth Point, six miles north of Dimmitt; the Tam Anne Point, nine miles west of Dimmitt; and the Flagg Point, six miles west and seven miles south of Dimmitt.

Receiving and drying are just the first steps which the ex-

perienced people at Dimmitt Agri Industries, Inc., provide for their customers. Finding top markets for that corn is very important, too, and DAI has access to a wide range of local, foreign and domestic markets.

At the 40th anniversary meeting of DAI Saturday night, mem-

bers learned that the cooperative had just completed the best year in its history, under the management of Bill Clark.

It attained that record by providing members with what they wanted - convenient and adequate facilities, experienced service, diversified markets and "the best deal in the country."

AN ADDED SERVICE at Dimmitt Agri Industries, Inc., this year is the new "semi dump" for tractor-trailer rigs. Here, Elevator Supt. Bill Goldsmith stands alongside the new Kewanee hydraulic truck dumper. In background is the world's largest corn dryer.

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$3 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES...

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club.

SEASON prizes will also be awarded.

The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Bobcats use long strikes to down Mules, 14-0

By JIMMIE CHAPMAN

The traditional opener for Dimmitt's Bobcats and the Muleshoe Mules of District 1-AAA Friday night produced the traditional low-scoring defensive game, with the Bobcats coming out with a 14-0 victory before a Dad's Night crowd that filled the home stands.

EXCEPT FOR a spectacular 43-yard punt return by Dimmitt's Gene Veals and a 53-yard pass play from Ronnie Lawson to Travis Hampton, the two teams fought on fairly even terms in their season opener.

Lawson, the junior quarterback who threw the bomb to Hampton in the second quarter for the Cats' first score, had to leave the game in the third period after Mule defensive tackle Dusty Davis shot through the line and hit Lawson's knee unexpectedly before the snap. The Cats were threatening at the Muleshoe 6-yard line and scored three plays later, after the offsides penalty against the Mules. The injury was not serious and Coach Deane Wright said Saturday morning that Lawson was ready to go again.

Muleshoe took the 1974 opening kickoff and used up 7:18

minutes of clock-time before their drive was finally halted on the Dimmitt 14. Tailback Tommy St. Clair ran with the ball on 9 of the 17 plays in the Mules' opening series before the Bobcat line buckled down and held. When Quarterback Carey Suddeth's fourth-down pass went incomplete in the end zone, the Cats took over for the first time on their own 14-yard line with only 4:42 left in the opening period.

THE BOBCATS got their offense going quickly and moved to the Muleshoe 37 before the drive died with two in-

complete passes by Lawson to end Robert Calhoun. These were to be the only two passes that Lawson was to miss during the night - he later completed three for an even 100 yards before being forced out in the third period. The Bobcats gained 116 yards on passes for the night on five completions out of eight attempts.

The first quarter was scoreless and practically all of the second period was a defensive struggle for both teams, but the Bobcats were getting the best of the heavier line of the Mules and were getting better field position with each exchange of the ball. Shannon Truelock and Lance Loudder were standouts in the Bobcat line during these early skirmishes.

With only 2:50 left in the second period, and with the Bobcats owning the ball at their own 47, Lawson pulled Muleshoe's line in with a fake pitch-out to Veals and then hit end Travis Hampton on the Mules' 40-yard line with a perfect pass. Hampton evaded three would-be tacklers as he raced down the left sidelines on a 53-yard scoring play. Ricky Wright kicked the extra point and the Bobcats had the lead, 7-0, when the half ended.

DIMMITT took the second half kickoff on its own 25 and with Veals, Cliff Parker and Thompson Mayberry punching at the line, moved the ball downfield on the ground. Then Lawson kept the ball on an option play and raced 33 yards to the Muleshoe 5 to put the Cats in scoring position. But on first down at the 5-yard line, Veals was knocked loose from the ball as he punched into the line, and Billy Balderas recovered for the Mules at the 3 to stop the drive.

Randy Porter and Harold Love led a defense that held the Mules back and forced them to punt from their own 32. St. Clair got off a nice punt that went to Travis Hampton on the Bobcat 44. Hampton angled toward the center, then handed off to Veals, who veered to the outside and raced 43 yards down the sidelines to the Mules' 13 before he was stopped.

VEALS AND Freshman Thompson Mayberry punched the ball to the 6-yard line, where the injury to Lawson occurred. After the Mules were penalized to the 3-yard line,

Robert Horton tried twice to punch the ball through the center of the line and was stopped short of the goal line. Leon Sandoval then took the handoff from Brad Sanders on third down and went in for the score. Wright again kicked the point and Dimmitt led, 14-0, with 4:39 left in the third period.

Muleshoe got a chance to score midway through the fourth period when the snap from center went over the head of Calhoun, who was back to punt, and the Mules got the ball on the Dimmitt 25. Muleshoe got six yards on its first two carries before Horton nail-

ed QB Suddeth for a six-yard loss. Dimmitt got the ball back on its own 26-yard line.

The fourth period provided a display of "busted plays" and missed handoffs by both teams, but this was caused mostly by stout defense on both sides. The game ended with Quarterback Brad Dulaney handling the man-under chores for Dimmitt and Ricky Bagwell getting five yards for the Bobcats in his first varsity carry.

ALL-DISTRICT halfback Robert Mayberry did not play, but his freshman brother, Thompson, brought the crowd to its feet several times with

hard running and shifty moves through the line. Mayberry, Parker and Veals were most of the offensive show for the Bobcats, with Hampton and Calhoun on the receiving end of the passes from Lawson and Sanders. Parker was injured most of last year when he was an end, but showed no signs of

being slowed down Friday night when he ran from his new position in the backfield. Two of his good gainers were called back when offsides was called against the Bobcats.

Defensively for the Cats, Loudder, Love, Porter, Lawson, Shannon Truelock, Horton and Hampton turned in an excep-

tionally good game, but for the most part, the showing of back-up men Lawson and Thompson Mayberry drew the most attention from the fans. The Cats were expected to have a good defense, but the offense was a question mark going into the game with a lot of injuries and sore muscles.

Joiner paces attack as Swifts topple Texline

By MARTHA CATOE

The Nazareth Swifts opened their 1974 season with an 18-6 victory over the Texline Tornados. The Swifts dominated the entire game with their ground attack, led by junior halfback Junior Joiner, who amassed 273 yards rushing in 35 carries.

THE FIRST score came early in the first period when the Swifts took the opening kickoff and drove 68 yards on the ground. Halfback Junior Joiner got the call and scored on a 2 yard run. The two point conversion attempt was unsuccessful.

The Swifts went on to dominate the remainder of the second period by penetrating Tornado territory twice, but

Here's how the opponents fared

- Amherst 12 - Springlake-Earth 19
- Friona 44 - Farwell 0
- Happy 0 - Claude 12

SWIMMERS!

Ruskin Circle Swim Club will host a **Public Swimming Clinic** in October, to be conducted by **Doug Russell**

Who won two Gold Medals in the 1968 Olympics, and who set eight American and four World Records!

This six-hour clinic will include demonstrations of the basic strokes, individual instruction, video-tape replay of your own swimming for personal study, plus conditioning and training exercises.

There will be NO CHARGE for Club members who swim in our upcoming tournament, Sept. 30-Oct. 6. Enrollment fee for the PUBLIC [and for Club members who don't compete in our tournament] will be \$10 per person.

Remember, this clinic is for SWIMMERS who want to refine their basic skills. It's not for beginners.

We have a few MEMBERSHIP OPENINGS available on a first-come, first-served basis. For more information about the clinic or a membership, phone 647-4441 or come by the Swim Club after we re-open Sept. 18.

P.S. - Members, check your Club Newsletter for the Paddle Tennis Tournament dates. Sign up for either or both of our tournaments now - there's fun for all ages!

Class officers selected at DHS

Class officers were recently elected at Dimmitt High School.

SENIOR class officers include Lance Louder, president, Teresa Bruegel, vice president, Bobbi Kirby, secretary treasurer and Melony Dowell, reporter. Class sponsors are Ralph and Avis Smith. Serving the junior class as officers are Marla Winders, president, Kerry Broderson, vice president, Kim Lindsey, secretary, Edward Nino, treasurer and Dora Ortiz, reporter. Terry Ellison, David Land and Loranel Hamilton are sponsors.

Leading the sophomore class are Jimmy Cleavinger, president, Stephen Anthony, vice president, Sharla Burrous, secretary and Eva Montes, treasurer. Kenneth and Libby Cleveland are sponsors.

Freshmen officers are Lane Louder, president, Scott Armstrong, vice president, Amy Merritt, secretary and Thompson Mayberry, treasurer. Sponsors include Alton Fields and Nell Kelley.

Kiwanians to install officers

The Dimmitt Kiwanis Club will hold its officer installation banquet Tuesday at 8 p.m. in the Dimmitt High School cafeteria.

The area lieutenant governor for Kiwanis International will be on hand to install local officers and new members.

twirling team are [from left] sophomore Beth Cleveland, junior Melissa Moore, senior Kim Miller, senior Tonya Clark, junior Linsae Snider, junior Debbie Murdock and sophomore Sharla Burrous.

Dimmitt students enroll at LCC

Three Dimmitt area students have enrolled in Lubbock Christian College for the fall semester 1974.

LEE COLE, son of Mr. and Mrs. L. V. Cole of Dimmitt, has enrolled as a freshman speech major. Cole is a 1974 graduate of Dimmitt High School.

Wally Feldman, son of Mr. and Mrs. Ailt Feldman of Dimmitt, has enrolled as a senior education major. Feldman is a 1971 graduate of Dimmitt High School.

Bill Gregory, son of Mr. and Mrs. Bill R. Gregory of Dimmitt, has enrolled as a freshman dental major. Gregory is a 1974 graduate of Dimmitt High School.

Lubbock Christian College, a fully accredited senior College offering liberal arts and pre-professional programs, has a student body of over 1100. Located on the west side of Lubbock, the College's main campus consists of fourteen modern, permanent buildings and a half-dozen temporary structures.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

We had the first Children's Story Hour of the fall season last Friday at 1 p.m. with 21 present. The children told about their summer vacations and Mrs. Schacher directed some games. Irene Keating served punch and cookies to Traci Hill, Jackie Spinhirne, Katrina Keating, Wayne Schacher, Katrina Schulte, Vanessa Scott, Sarah Gabel, Kerri Collins, Truckston McKay, Craig Golden, Scott Sava, Karen Rials, Kevin Bruton, Cathy Witt, Chad Smithson, Coby and Trampas Moke, Shannon Phillips, Dondi Hays, Whitney and Jeremy Warren.

ONE OF our new books "Run and Not be Weary, the Christian Answer to Fatigue" by Dwight L. Carlson, M.D. is a fascinating study of why so many men and women are too tired to enjoy life today. Is fatigue ever a personal problem to you? Are you trying to cram too much into your schedule? Have you carefully, under God's direction, established goals and priorities in your life? Seeking answers to his own personal dilemma, the author discovered many of his patients were also caught on an agonizing treadmill of too-busy schedules, emotional exhaustion, and lack of personal and spiritual satisfaction. Knowing that God did not intend to pressure us into malaise, Dr. Carlson delineates the causes and effects of fatigue, and offers penetrating and inspiring solutions.

Another new book "A Gift of Wings" is by the author of "Jonathan Livingston Seagull", Richard Bach. "A Gift of Wings" shares the highlights of fifteen years in the life of Richard Bach, who began to write after he learned to fly. Since he writes about what concerns him most, everything in this book is set in his special world of flight. But it is no more for flying buffs alone than Cousteau is intended only for deep sea divers. "Flying is my religion", Richard Bach has said. "It is my way of finding what is true."

MORE YOUNG mothers are coming in to check out books since they have one or two in school or kindergarten now: Pat Braafladt brought her young

son Christian in with her to check out some books since Todd and Tiffany are in school... Lynnette Rials has one in school, Darla, and brings Karen in with her to check out books... Brian Handley is in school so Angie comes in with her mother Drilma and checks out books for herself and Brian... Mary Gabel has been in with her little one Sarah... Beverly Hill and Traci were in saying they were so lonesome since Todd started to school, they needed to babysit with some children... Doricell Davis brought Chad in for some books... Brenda Bruton has been bringing Kevin in for several months now... Susan Hanners has brought Jennifer

Robin to the library since she was a few months old... Jacque Sava came by with her new baby girl, Jennifer... Wendy Voit and her young infant son Andrew came in with Ginny Lapins. They have moved here from Manteca, Calif. and Mr. Voit is employed at Amstar.

The Four Runners, Jeannine Wimberley, Nelda Thomas, and Alice Ivey, came by for a visit. They have been all over the Western states giving religious concerts in the churches.

NOTHING is so good as it seems beforehand.

—George Eliot

GOOD CHEER is no hindrance to a good life.

—Aristippus

Bar association hosts meeting

The Hereford Bar Association, chaired by President Mack Tubb, hosted a joint dinner meeting of the Dimmitt Bar Association and the Deaf Smith-Castro Counties Legal Secretaries Association last Tuesday at K-Bob's Steak House in Hereford, with approximately 35 in attendance.

SPEAKER for the evening was Senator Max Sherman of Amarillo, a member of the drafting committee at the recent Constitutional Convention, who spoke on "The New Texas Constitution — What Happened?"

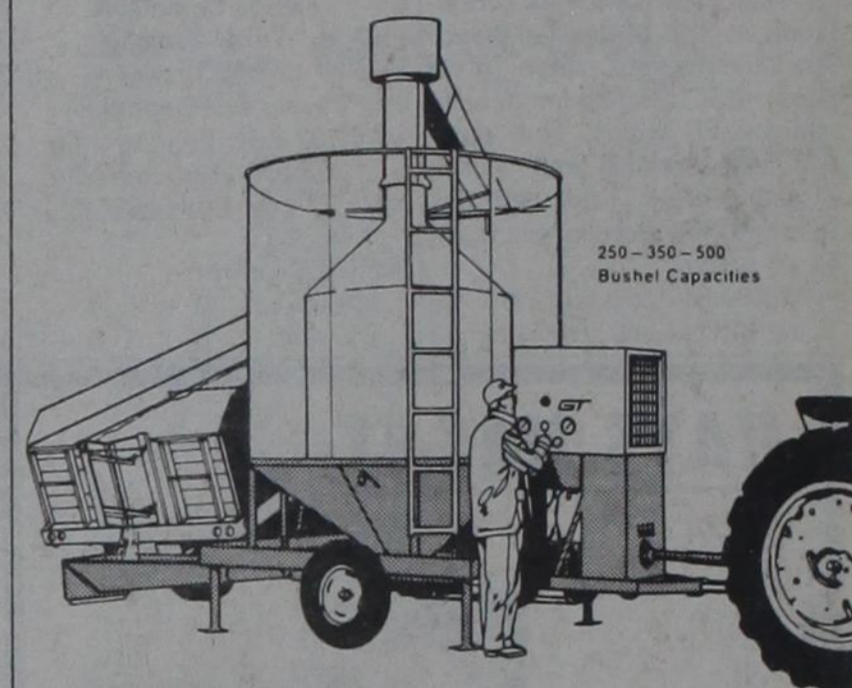

Special guests were Judge

and Mrs. John Boyd of Plainview. Attending from Dimmitt were Mr. and Mrs. Bob Buntyn, Barbara Wheat, Patti Cartwright, Clara Vick and Audrey Bussey.

TEETH of the Tyrannosaurus rex were serrated and six inches long.

GT is here!
with a G-T dryer...
you can reduce field losses
and improve grain quality!

GT TOX-O-WIK CONTINUOUS RECIRCULATING GRAIN DRYERS

G-T DRIES GRAIN FASTER AND MORE ECONOMICALLY!

G-T Grain Dryers will help you save far more grain and have better quality grain enough of both to be a high-yielding investment. You have field losses of at least 5 per cent while waiting for grain to field dry after it matures even if weather is ideal. During this waiting period, you can have losses up to 100 per cent from wind, hail, rain, snow, insects, birds, lodging and other hazards. Low harvest-time prices for grain too wet to store can cost you plenty too.

When you have a G-T Dryer, you prevent field loss and improve grain quality for a much smaller investment. You dry for less and dry faster. You dry automatically so you can continue harvesting as you dry. Come to see G-T soon at our place!

HARD FACTS ABOUT OUR **DODGE BOYS' 1974 MODEL CLEARANCE.**

DART SPORT CLEARANCE!

- FACT 1:** A DART SIX WITH MANUAL TRANSMISSION GOT BETTER GAS MILEAGE* THAN THE NOVA SIX AND MAVERICK SIX TESTED.
- FACT 2:** OUR DART SIX WITH AUTOMATIC GOT BETTER MILEAGE* THAN THE NOVA STICK SIX.
- FACT 3:** EVEN OUR 318 V8 WITH STICK SHIFT GOT BETTER MILEAGE* THAN THE NOVA SIX WITH STICK SHIFT.

*These results are certified by the United States Auto Club from a test conducted by it in January of this year. These results are from the light city driving cycle of that test. This cycle covered a 108-mile distance at a speed of 25 mph. The Dart Sport Six was equipped with its standard 2.76 rear axle. Of course, the mileage you get depends on many factors including how and where you drive and the condition of your vehicle.

Our model clearance prices are right on target. (And that's a fact!)

Ladies finish 1-2 in football picks

It was ladies first — and second — in the opening week of the Dimmitt Athletic Booster Club's football contest.

SUZAN SANDERS of Canyon and Roxie Loudder of Dimmitt each picked 12 winners from the 14-game list to lead all

football guessers in the kickoff week. Mrs. Sanders came two points closer to the total score of the Tulia-Olton tiebreaker to win first-place honors.

Booster Club President Joe Bob Sanders announced the first week's winners at Tuesday night's meeting in the DHS cafeteria.

Sanders reported that two other entrants picked 11 games correctly, and that 36 entered during the first week.

THE HARDEST game to pick, Sanders reported, was the Post-Lockney contest. Only four entrants chose the underdog Longhorns to defeat the highly touted Antelopes.

"It still is not too late to get into the weekly contest for the season's grand prize," Sanders said.

He cautioned contest entrants to circle their choice of winner in the tie-breaker game, as well as guess the total points.

This week's contest list and rules appear on Page 10.

FTA officers elected at Hart

Officers for the Hart High School FTA chapter for 1974-75 have been elected.

Officers include Cindy Hill, president, Terry Beavers, vice president, Sharla Carson, secretary-treasurer and Sharla Carson and Carla Rambo, historians.

THE DIMMITT Young Farmers requested the funds for materials to be used in the construction of panels and other equipment to be used in county livestock shows at the new exposition center.

The panels and equipment will be constructed by FFA members at Dimmitt High School.

County Judge Raymond Wilson also reported that a second chassis for a rural county fire truck has been delivered to the John Bean plant in Tipton, Ind., by Hays Implement Co. The two new rural fire trucks should be completed sometime soon according to Wilson.

GRADUATES of the Plains Memorial Hospital School of Vocational Nursing who were capped in special ceremonies at the First United Methodist Church Sunday were, from left, Peggy Ewing, Diana Fangman, Lesa Morgan, Mary Sylvia Nino, Diana Saenz and Brenda Seely. Mrs. Barbara Keel,

vocational school instructor, capped the new nurses and they were pinned by Plains Memorial Hospital staff members. Mary Sylvia Nino was also presented the Outstanding Student Award by hospital administrator Verle West.

Commissioners okay funds for panel

County commissioners approved the expenditure of \$3358 in county funds for construction of new panels for the county livestock show at their Monday session.

Cliff Cook and Leo Bleeker won first place Sunday in the member-guest tournament. Second in the championship flights was the team of Charlie White and Charles Skinner. Third were Bob Myers and Fred Hail.

IN THE First Flight Avery Thrasher and James Avory won first. Bob Baker and B. J. Bonham were second and Bob Lindsey and Cary Jackson were

third. In the second flight Bob Weston and Gipson were first. There was a three way tie for second and third between Bill Williams and W. Richardson, Robert Benton and David Bechtol, George Rush and Larry Swink.

Nazareth Braddock travels to Brown Swiss meeting

Vincent Braddock, a director of the Brown Swiss Association from this area, has been doing a lot of traveling for the organization the past two weeks. He spent two days in Beloit, Wis., from there he went to Minneapolis for two days as a voting delegate for A.M.P.I. This last weekend he flew to Sacramento, Calif. for a Brown Swiss Show and sale, of which he was also a director.

Lizzie Birkenfeld, Dora and Philip Pohlmeier, Robert and Frank Pohlmeier, Julia, Leonard and Richard Birkenfeld spent the weekend in Rhineland for their annual dove fry. On their way back Philip stopped in Lubbock and visited Theresa and Gary Rider.

TOM ACKER was visiting in the vicinity on business last week. We're having wonderful weather here in Nazareth at present and the farmers are quite busy making silage, planting wheat and harvesting some of their crops.

QUITE A number of stockholders from Nazareth attended the Dimmitt Agri Industries Annual meeting and supper in Dimmitt Saturday evening.

A crowd of relatives from here attended the 25th anniversary of the Hank Rossis in Tulia Saturday evening.

The Francis Backus family visited relatives here Sunday. The Tom Brockmans attended mass in Nazareth Sunday evening and later visited with relatives.

MR. AND MRS. Clyde Venhaus and children spent the weekend with their folks the Albert Venhauses and Leonard Conrads. Sunday evening the Venhaus family had a get together celebrating Albert's birthday.

JEANNINE Wimberly, her sister Alice Ivey and Nelda Thomas are home from their summers singing and gospel crusade in Colorado and South Dakota. They plan another trip soon.

TWENTY-FIVE counties in the Lubbock area of West Texas grow more cotton than any other similar area in the world, probably.

Services conducted for Mrs. Wilbourn

Funeral services were held Friday in the First Christian Church of Post for Mrs. Gracie Mildred Wilbourn, 61, of Post, sister of Lewis Crider of Dimmitt.

REV. EDGAR Fox, pastor, officiated.

Mrs. Wilbourn died last Wednesday at West Texas Hospital in Lubbock following a lengthy illness.

A resident of Post since 1917, Mrs. Wilbourn was a retired employee of Burlington Textile Mill's Postex plant.

Other survivors include a son, Gerald Bradley of Macon, Ga.; two brothers, R. A. Crider of Socorro, N.M. and W. C. Crider of Estancia, N.M.; a sister, Mrs. Bertha Brown of Estancia, N.M. and one granddaughter.

BURIAL was in Terrace Cemetery in Post under the direction of Hudman Funeral Home there.

DUCKS that fly upside down quack up.

IMMOVABLE OBJECT — Anton's Lon Timms finds a solid wall of Longhorns as he tries for yardage in the Hart-Anton game Friday night at Hart. Putting the stop on Timms are Brad Sharp [64] and Berto Minjares. Hart's new defense proved stoic.

Defense impressive in first 3-AA contests

By DON WINDLE
Defense was the name of the game in the opening week of the 1974 schoolboy gridiron season. However, a sputtering offense was included, but the 'Big D' has to be the most impressive point among the District 3-AA teams.
FRIONA'S Clay Bandy provided the offensive spark in pacing the pre-season favorite Chieftains to a crushing 44-0 victory over arch-rival Farwell. Bandy found his way to the end zone three times and with this accomplishment, soared his way to the top in the district scoring column.
Bandy, a former quarterback, switched to tailback this season for Coach Bob Owen's Chieftains. He could perhaps be overtaken this week as the Friona squad takes a week off with an open date.
District 3-AA teams fared very well in the opening week as the five teams combined for 93 total points and allowed only 33 to the opposition. The Morton Indians scored a 20-18 victory over Plains and defending district champion Littlefield ran Cooper ragged only to be defeated by a 15-7 count. In other games, Dimmitt took advantage of a super defensive effort to dispose of Muleshoe 14-0, and Olton scored once and utilized its defensive effort to shutout a big Tulia Hornet squad 8-0.
COACH Deane Wright of the Dimmitt Bobcats utilized seven backs in the 'Cats victory over Muleshoe. Dimmitt had a balanced offensive attack as the Bobcats ground out 171 yards rushing and 112 yards via the air lanes.
Dimmitt meets Slaton Friday night. Coach Wright commented, "Slaton does a lot of things different with its offense, but personnel-wise we should be stronger." Slaton absorbed a 13-7 setback at the hands of Colorado City last Friday night.
Defending champion Littlefield outplayed Cooper in every phase of the game last week except on the scoreboard. Littlefield had a punt blocked on its own 20 that spelled doom as Cooper carried the ball into the endzone.
The Olton Mustangs are kicking up their heels and get a chance to see just how high they can kick Friday night against Muleshoe's Mules. Olton slipped past Tulia in its season opener 8-0.
Coach Roy Winters, head mentor at Morton turned loose Ray Thompson on the Plains Cowboys for an opening season

victory. Thompson rushed for 112 yards. Coach Winters stated about the upcoming game against Tulia, "Tulia is a tough team and has a large offensive and defensive line. We will try to use a wide open style offense with our speed perhaps we can offset the bigness of the Hornets."
The Friona Chiefs take the week off and this could be a blessing in disguise. The Chiefs have a key member of their backfield out with a badly sprained ankle. Senior fullback Davy Carthel sustained the injury in the Friona scrimmage with Canyon and missed the Farwell opening season game.
Scouts attain Order of Arrow
Three members of Dimmitt Boy Scout Troop 267 were initiated into the Order of the Arrow at Camp Post over the weekend.
THEY ARE Star Scouts Boyd Moyers and David Nelson, and First Class Scout Charles Pevehouse. Their initiation rites started Friday evening and ended Sunday afternoon.
The Order of the Arrow is an international service organization for Scouts of First Class rank or higher and adult leaders.

[Continued from Page 1]
for a bright future.
"We're all disappointed that we aren't operating our own mill, but our association with Amstar is a very pleasant one and a very profitable partnership for us," King said.
HE COMMENDED General Manager Bill Clark for his part in making the cooperative's 40th year the most successful in history, and recognized M. L. Fowlkes, one of the original incorporators of the association, and George Bagwell, a member of the original board of directors.
Elected to the co-op's board of directors for the coming year were John Walker and Milton Bagwell. Charles Axtell and Tedd Robb were elected to the junior board.

VS office to resume schedule
The Veterans' Service Office will be open next week during regular hours.
VS OFFICER Bedford Smith said this week that he will return a week earlier than expected, and will resume his regular schedule. The office originally was scheduled to be closed next week.
Smith has been attending a state meeting on veterans' affairs in Austin this week.

NATIONAL average support level for peanuts has been announced by the US Agriculture Department as \$366 per short ton. This compares to \$328.50 per ton support level in 1973, and is \$7.50 more per ton than the preliminary minimum announced earlier.

COTTON HARVEST is speeding up over the State where rains have not fallen recently. Harvesting is moving toward a peak in the Central Texas area and is nearing completion in the Rio Grande Valley.

A POPULAR American pastime — snacking — can add needed vitamins and minerals to a person's daily diet. But too many or the wrong kind may cause excess weight gain, according to Sally Springer, foods and nutrition specialist, Texas Agricultural Extension Service.

THE WINDS and waves are always on the side of the ablest navigators. —Gibbon

By DON NELSON

The timing of the pardon was really the only surprise, wasn't it? Did anyone really expect to see a former US President go to prison?

PRESIDENT Ford's timing of his announcement was atrocious.

From the standpoint of his party, it was premature. The Democrats will make political hay of it during this fall's elections and on through the 1976 national convention and campaign. Most Republican candidates for national office will now have about the same chance as a bakery-window cake with a dead fly on it.

And from a public standpoint, the timing was psychologically wrong. Our people weren't ready for it.

COMING, as it did, just a month after Nixon's resignation—and before any charges or indictments had been filed—the pardon caught most of us in a state of necessary euphoria.

I think most Americans had not sorted out all their options in the next phase of the Watergate trauma—the prospective courtroom trial of Richard Nixon. According to Leon Jaworski, that trial was at least nine months away, and perhaps more than a year.

During that time, the national mood would have jelled, and I think it would have formed in favor of clemency for Nixon. At some future point in the judicial process, our people would have faced up to the prospect of a former President undergoing further punishment, would have reviewed the basic strengths and historical ideals of our nation, and would have been in a mood to opt for mercy instead of vindictiveness.

PRESIDENT Ford should have waited for us to reach that psychological point of receptiveness before granting the pardon.

If I've misstated the probabilities, if the majority of our people would NOT reach a mood of clemency, the pardon at a later time would still have been no more unsettling than it was Sunday.

As a member of the press I think I had more reason than most to demand that Nixon be brought to trial. But as much as I detested the arrogance, the malevolence and the seige mentality of the Nixon Administration, I wouldn't join any clamor to put a former President behind bars. Deep-down, I didn't expect it to ever happen. Did you?

BUT WHY did President Ford grant the pardon at this questionable time? We have to assume that he knows and understands the importance of timing. Could there have been overriding factors?

His reference to Nixon's health—was that just a drummed-up justification, or was it a deep-water factor, considering Nixon's mental strain and depressing situation?

And why did he grant Nixon authority to destroy the tapes after five years? Was it simply to establish a lawful disposition or could there be still more horrors in reels that may not now be subpoenaed?

I'D LIKE to think that our new President granted the pardon, and at this time, simply because he is Jerry Ford, straight-from-the-shoulder guy, and he leveled with us as soon as he made up his mind. But it's so soon after the Nixon era that it's still hard to accept at face value any statement made by or about the man.

Nixon will still be tried and judged—if not by a court, then by history. The massive evidence compiled by Jaworski's staff will find its way into print, perhaps sooner than we expect. Jaworski himself may author a book on the Watergate evidence—having his day in court, as it were, with the American public as the jury.

PRESIDENT Ford is now considering pardons for all others who have been indicted or convicted in connection with the Watergate scandal.

That might be a logical extension of Sunday's action, but it would be intolerable.

SWAP VISITS between farm and city families are being launched in a program by the Agriculture Council of America in Iowa, Illinois and Minnesota. In the "In Touch With America" program, a city family is encouraged to spend a weekend with a farm family during this harvest season, and the farm family is asked to spend a weekend with the city family.

TOUCHDOWN! — The reaction of Dimmitt quarterback Brad Sanders [9] tells the story as fullback Leon Sandoval plunges across the goal line for the Bobcats' second touchdown against the visiting Muleshoe Mules. Sandoval is in right foreground,

at bottom of pile. This one-yard TD plunge came with 4:39 remaining in the third period, and Ricky Wright's point-after made it 14-0—Dimmitt's final victory margin.

Chamber board eyes city housing problems

Members of the Castro County Chamber of Commerce board of directors discussed Dimmitt's housing problem at a meeting held last Thursday.

BOARD members discussed the lack of available housing in Dimmitt and agreed to make increased efforts to attract builders to Dimmitt for construction of additional housing. The chamber directors also discussed the fact that the tight money situation and lack of housing loans is making it difficult for home builders at this time.

In other action, board members agreed to continue efforts

Community concert memberships on sale

Attractions for the 1974-75 season of Plainview Community Concerts have been announced with this year's membership drive to begin Monday.

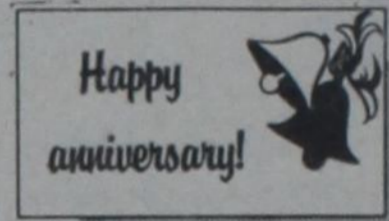

DWIGHT JOINER will be handling membership sales in Dimmitt.

Six attractions already have been booked for '74-'75 including:

"Polynesia," a dance festival from the South Seas; "The Spanish Symphony Orchestra of Madrid"; "The Ronnie Kole Trio"; jazz ensemble from New Orleans; Hildegarde, internationally known chanteuse; "The Romeros", Spain's first family of guitar and lloids "International", a puppet theatre for all ages.

Season memberships remain the same as last year, \$10 per seat and may be purchased only during the membership campaign. Tickets to individual performances will not be available.

DURING past years, memberships have been sold out early in the campaign and those wishing memberships are urged to contact the local representative as soon as possible.

[Compiled from the County Home Demonstration Council's Community Birthday Calendar.]

- SEPT. 14 — Mr. and Mrs. Houston Lust.
SEPT. 15 — George and Bessie Elder.
SEPT. 16 — Charles and Joyce Rickerd.
SEPT. 17 — Susan and Gerald Hanners.

AMBITION can creep as well as soar. —Burke

More about About Dimmitt...

[Continued from Page 1]
pardon, Nixon admitted guilt; that in the interest of equal justice, all criminals should be pardoned; that there must have been a deal between the president and the former president; that Nixon and his family has suffered enough, and on and on.

Aside from the damage the act of pardoning the former president has done to the judicial processes of our country, the damaging precedent it has set, I believe that the assessment of Jerry Ford by Lyndon Johnson, that "Jerry played too much football without a helmet," has been proven correct. President Ford's image as "Mr. Clean" has been severely damaged.

By request here is Viola's chow-chow recipe:
CHOW-CHOW
1 quart vinegar
12 medium size onions, chopped
24 medium size ripe tomatoes
6 red sweet Bell peppers (green peppers may be used)
4 cups sugar
4 tablespoons salt
1 stalk celery
Scald and peel tomatoes. Cut up other ingredients. Mix and cook slowly until tender.

Rodent control demonstration set

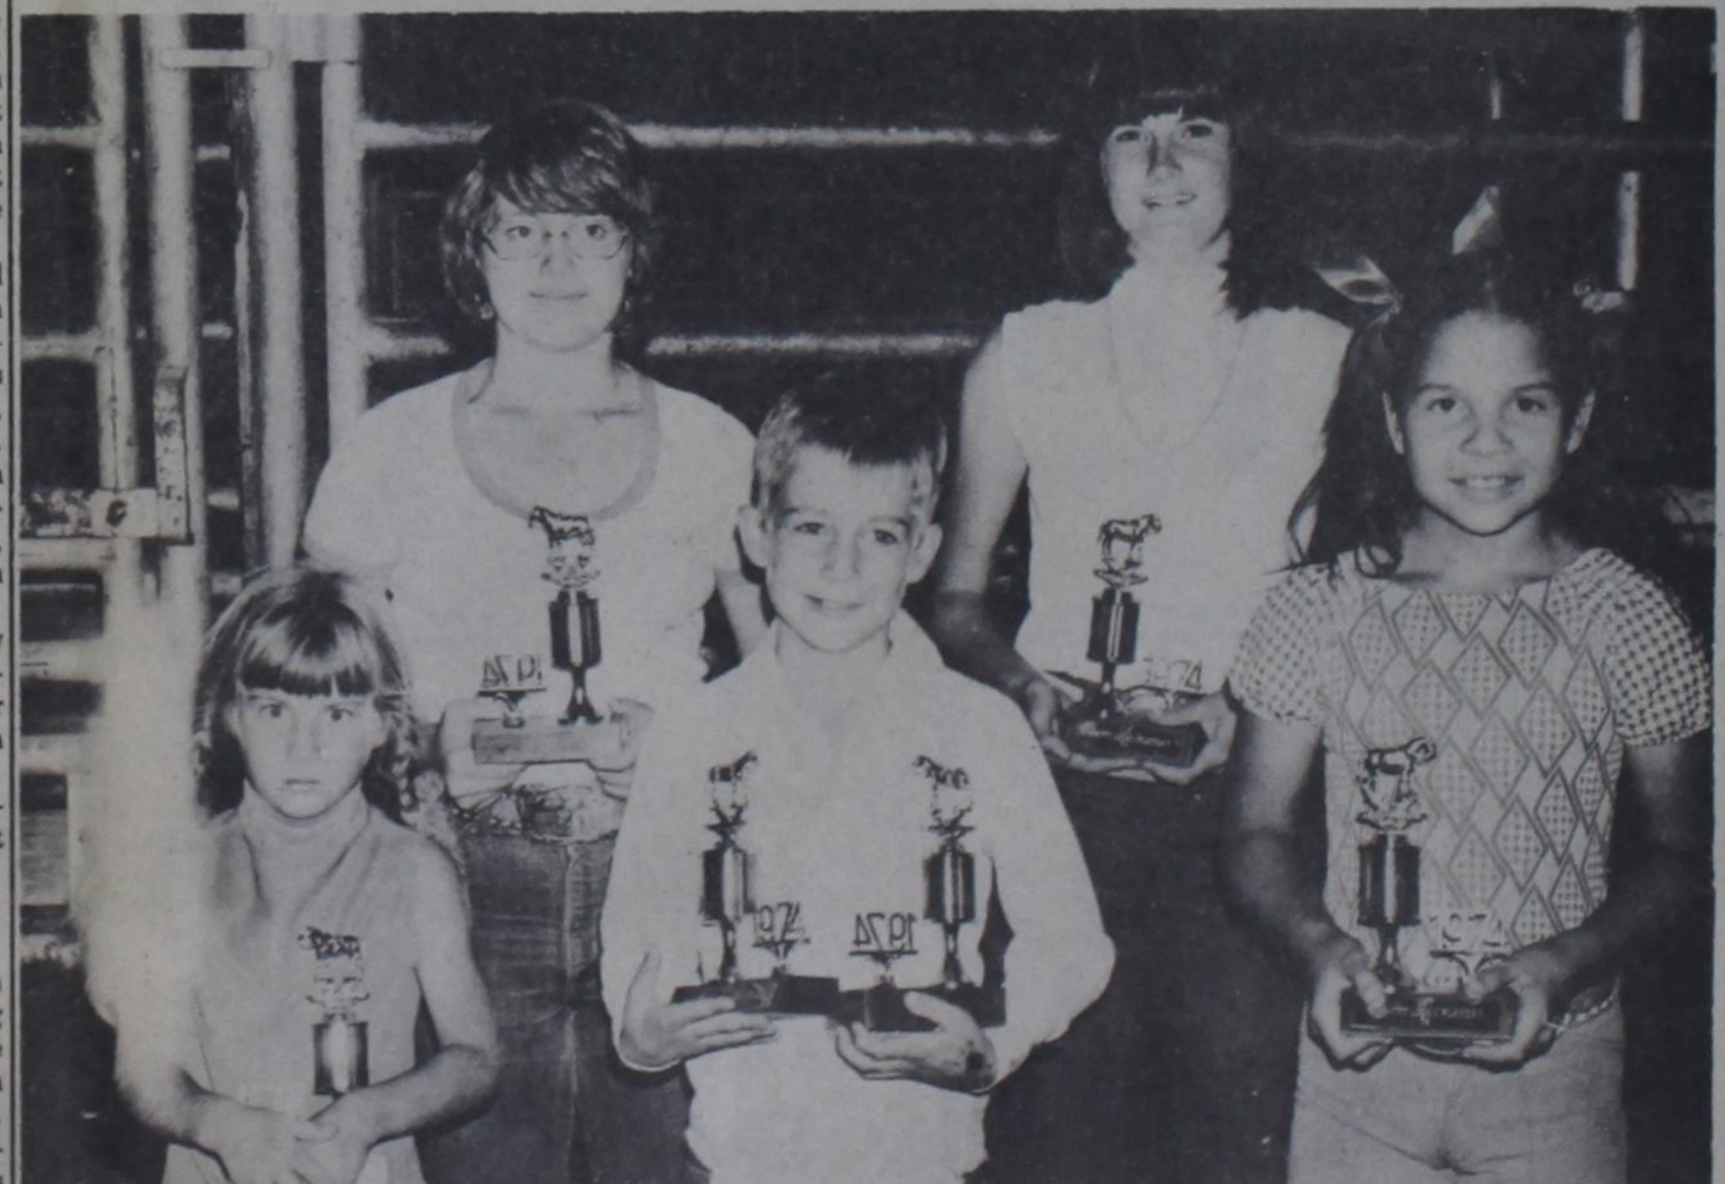

A prairie dog and rat control demonstration will be held today (Thursday) at 9:30 a.m. at the Boys Ranch farm operated by Calvin Lippard, two miles due west of Sunnyside.

LLOYD Cheatman of the US Fish and Wildlife Service will conduct the demonstration and poison grain may be purchased at the demonstration site by anyone needing to do control work.

According to Charles Hottel, county agent, several different control methods will be used at the demonstration. All interested persons are invited to attend.

TALKING IT OVER—Congressman George Mahon chats with Mrs. Doug Lapins, wife of the Dimmitt Amstar Plant general manager, and Carl King, board chairman of Dimmitt Agri Industries, Inc., during an informal reception Saturday evening in the home of Mr. and Mrs. Ray Riley. In background is Allie May Willis. King said Congressman Mahon was highly impressed with the crops and the economic expansion he found in Castro County during his visit here.

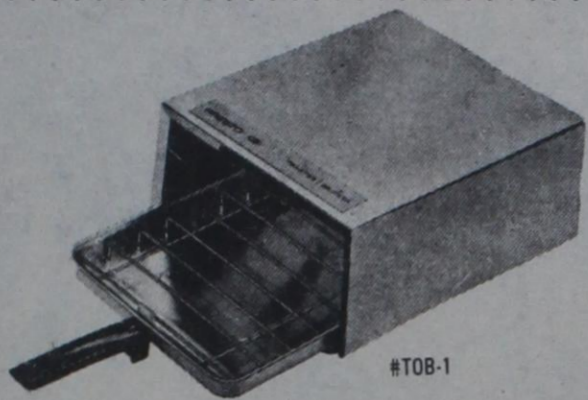

OUT OF TOWN winners in the Dimmitt Lions Club playday held Saturday at the Dimmitt Rodeo Arena, were, front row, from left, Lynette and John Warren of Goodlin and Betsy Bob Berry of Hart. Back row, from left, Annette Cotton of Hereford and Sonya Franks of Brownfield. A shipment of trophies failed to arrive last week so local trophy and ribbon winners will be receiving their prizes sometime this week according to Lion Boss W. J. Hill.
