FIRST STATE BANK'S NEW BUILDING, VIEWED FROM MAIN ENTRANCE ON NORTH BROADWAY
... Banking complex also includes full basement, separate autobank

Bank to hold open house Saturday

The First State Bank of Dimmitt will hold a public open house Saturday from 1 to 5 p.m. in its new banking complex on North Broadway.

Visitors at the public open house Saturday will tour a banking complex that has more than 20,000 sq. ft. of floor

space and takes up almost a city block. The new complex includes a two-level main facility and a separate autobank connected via underground tunnel. The main facility has 9,850 sq. ft. of floor space at ground level, plus a full basement underneath. The autobank has six bays for drive-in banking, plus a walk-up window.

THE MAIN facility, with ground-level entrances at both east and west, contains seven offices, a board room, six teller stations, customer vault, switchboard station and customer seating areas, all decorated in varying tones of beige, walnut, browns and black, with contemporary furnishings.

The full basement, which is connected to the main floor by both staircases and an elevator,

houses the bookkeeping department, proof department, coffee room, a meeting room and a storage vault.

"We're very proud of the new building, and we think Dimmitt has as fine a banking facility as any city its size anywhere," Bank President Bob McLean said.

A move into larger quarters is nothing new in the seven decades of the First State Bank's history, as its growth has kept pace with that of Dimmitt.

ITS NEW building, which residents are invited to visit during open house from 1 to 5 p.m. Saturday, is the fourth to be occupied by Dimmitt's First State, and all were built for the bank's occupancy.

Its new home is a decided contrast to the first building

constructed by the bank when it was organized in the spring of 1907.

That small frame structure, on the present South Broadway site of Thrasher Auto Sales, was valued at \$929.48 and its fixtures at \$904.58, according to its official statement of financial condition May 14, 1908.

In her childhood memories of the bank's first home, and later recollections when she was old enough to be an employee, Mrs. Wes Anthony says "It wasn't much of a building, but then not many Dimmitt businesses were in much better buildings."

She recalls that water was carried from the city well on the courthouse square across the street from the bank, and its drinking facilities were "a bucket and dipper." Original

fixtures of the bank, she says, were second-hand, and installed by Anthony's father.

THE 1908 financial report of the bank shows deposits of \$68,662.79 and total assets amounted to \$83,231.78 as compared with \$3,805,051.42 at the end of 1952, and \$30,232,202.03 on June 30, 1977, the latest report.

Progressively larger and better equipped buildings were occupied as the bank grew, and through its history the First

Friday night games will be close to home

Hart's Longhorns and Nazareth's Swifts will renew their neighborhood football rivalry Friday night at Hart, and it promises to be an exciting game.

DIMITT'S Bobcats plan to get back in the win column when they travel to Springlake to take on the winless Wolverines Friday night.

Kickoff time for both games will be 8 p.m.

The Swifts of District 2-B North and the Longhorns of District 3-A are emerging as powers in their respective loops after impressive showings in their first two games. Both teams posted lopsided shutouts Friday night, with the Swifts downing Smyer by 44-0 and the Longhorns pulverizing Silverton by 47-0.

IN THEIR only loss so far, the Swifts played Farwell—the state's sixth-ranked Class A team—to 28-18 in the season opener. By comparison, Farwell defeated Class AA Morton by 33-12 Friday night.

The Longhorns are undefeated, having posted a 26-6 victory over Anton in their initial outing.

The Bobcats, who opened their season with a 13-9 victory over Crosbyton, will be coming off a 20-3 loss to state-ranked Slaton. The hosting Wolverines have lost both games so far, 37-12 to Amherst and 55-0 to New Deal.

State board orders cloud-seeding stopped

Permits for weather modification operations in the target areas of Atmospherics Inc. and Plains Weather Improvement Association were terminated last Wednesday, after the Texas Department of Water Resources tabulated ballots from recent elections held in the permit areas.

THE FINAL results were reported by the DWR to State Rep. Bill Clayton following the tabulation.

Voters in Castro County opposed the permits by a margin

of almost three to one in the election, and decisive "no" votes were also cast in other counties where the two weather modification firms have operated the past seven years.

Clayton said the election results end the controversy which has long been associated with the weather modification operations.

"THE ELECTIONS, provided by legislation passed last spring, have given the opportunity to the people of our area to finally settle the long-standing dispute over state regulation of hail suppression," he said.

"The people have made their wishes known and the DWR is informing the companies involved of the people's decision by letter," he added.

Counties affected by the order in Clayton's legislative district, the 74th, include Castro, Bailey, Cochran, Deaf Smith, Lamb, Olton and Parmer.

OTHER HIGH plains counties in which permits are cancelled include Briscoe, Crosby, Floyd, Hale, Hockley, Lubbock, Randall and Swisher.

For the first time in seven years, there will be no hail suppression program in the high plains area this year.

Legislation which made the election possible was passed at the insistence of numerous farmers over the area, who claimed that aerial cloud seeding aimed at suppressing hail actually caused lessened rainfall.

Kendrick rites conducted at Hart Tuesday

Funeral services for Marcus Kendrick, 60, a lifelong resident of Castro County, were conducted Tuesday afternoon in the Hart Cemetery, where burial was directed by the Dennis Funeral Home.

MR. KENDRICK was dead on arrival at Plains Memorial Hospital Sunday, apparently of a heart attack. Born in Tulia, he farmed in Castro County. He is survived by his wife, Ina Dee; a son, Jim of Hart; a daughter, Dixie Peterson of Muleshoe; two sisters, Zuleika O'Daniels of Tulia and Robbie Jones of Albuquerque; a brother, Jack of Waco, and four grandchildren.

UW to set goal today

The Dimmitt United Way board will meet today (Thursday) to fix the fund-drive goal for the 1977 campaign, which will kick off Oct. 3.

THE MEETING will be at 4 p.m. in the board room of Dimmitt Agri Industries, Inc., and will be open to the public, UW President Reta Welch said.

The 1977 goal was to have been set last Thursday, but the UW board had to postpone it because all the requests from participating agencies weren't in.

Bill Clark, chairman of the UW budget committee, reported that all fund requests are now in, and that they total \$28,579—58% higher than last year's goal of \$15,195.30.

Agencies benefiting from the drive will be Dimmitt Kids, Inc., Meals on Wheels, Southwestern Diabetic Foundation, Salvation Army, Senior Citizens, Inc., Rhoads Memorial Library, Satellite Training & Work Center, Presidential Classroom, South Plains Boy Scout Council, Caprock Girl Scout Council, American Field Service and the Cystic Fibrosis Foundation.

118 vie in county fair

Among the 118 participants at the Castro County Fair last weekend, Catherine Hochstein of Nazareth was named champion Homemaker and Bernard Acker of Nazareth was named Grand Champion Farmer and Gardener.

MRS. HOCHSTEIN won her title by winning top honors in the adult clothing and canning divisions. She was presented with a kitchen clock. Acker took top honors in the field crops and youth gardening divisions. He was given two gallons of anti-freeze.

Division winners were determined by the total number of points won in each category of a division.

In the photography division, adult winners were Beral Hance first, Carmen Catano second and Mary Acker third. Elaine Acker first, Bernard Acker second and Holly Waggoner third were the youth winners.

Elaine Acker was first among the youth winners in the clothing division, with Dianne Hochstein second and Kim Sides and Katrina Keating tied for third in the youth class. In the adult class Mrs. Hochstein was first, with Naomi Scarborough second and Beth Schulte third. Musick.

The canning division adult winners were Catherine Hochstein first, Mary Acker second and Beal Acker third. Youth winners were Elaine Acker first, Laurie Sides second and Kim Sides third.

Special awards were given in each category of the canning division by the Kerr Glass Manufacturing Corp. First place in each category received two dozen jars and a canning book, while the second place in each category received one dozen jars and a canning book.

FIRST place winners and their categories were Sharon Brockman and Pam Patterson, fruit; Mary Acker and Janis Hutcheson, vegetables; Catherine Hochstein and Karen Huseman, pickles and relish; and Reba Fleming and Laurie Sides, jams and jelly.

Second place winners and their categories were Wenonah Barringer and Kim Sides, fruits; Rita McDaniel and Laura Nelson, vegetables; Ruby Patterson and Lisa Nelson, pickles and relish; and Margaret Womack and Elaine Acker, jams and jelly.

Prize money and other gifts were donated by 10 businesses, organizations and one individual.

THE BAKING division adult winners were Beal Acker first, Margaret Womack and Lynette Rials tied for second, and Margaret Waggoner third. Youth winners were Edith Durbin first, Dorothy Durbin second and Teresa Jackson third.

Youth winners in the crafts division were Amy Downing first, Laura Downing second and Mary Jean Huseman third. Adult winners were Beth Schulte first, Mary Acker second and Carmen Catano third. In a special category in the crafts division for persons age 55 and over, winners were Betty Cartwright, Floyd Hart, Hattie Webb and Alma Umberson.

In the gardening division, adult winners were Glenn Hatla first, Margaret Womack second and Mary Jean Huseman third. Youth winners were Bernard Acker first, Dorothy Durbin second and Laurie Sides third.

IN THE field crops division Bernard Acker was first, Paul Huseman second and Scott Nelson third.

In the horticulture division, the most blue ribbons went to Derrel Musick, with Myrtle Sheffy second and Myrtle Williams third. A best of show award was also given in this division and was awarded to a giant pink dahlia shown by

Sights of Europe explored by Blantons on long trip

By MYRTLE SHEFFY

George and Irene Blanton have just returned from a 23-day trip to Europe and Scandinavia. They flew from Dallas to Chicago, then boarded a 747 jet airliner to Amsterdam.

From there they took a train to Duisburg, Germany, which was a very pretty place. Then on to Frankfurt. They took an all day boat ride down the Rhine river and saw several old castles that dated back to the 15th and 16th centuries.

They visited the old town of Frankfurt. The buildings were tall and so close together you couldn't walk between them.

The countryside was beautiful. They raise cabbage and vegetables of all kinds, but grapes are the main industry. They went by train to Austria. In Vienna they visited the House of Parliament and the Schonbrunn Palace, with gold everywhere.

They visited the Opera House also. From Vienna they took the train to Rome, which was the city they enjoyed most of all. Visited the Piazza de Spogna, the Vatican Museum, the Sistine Chapel and the Catacombs.

From Rome they flew to Stockholm, a city known for its many bridges. They visited the

Royal Palace, beautiful flower gardens and the Theater Museum. The Blantons flew then to Oslo, Norway. They visited the Viking Ship museum, the largest Viking ship in the world was there.

THE GARDEN party and wedding of Ginger Kemp and Dr. Leland Ward Jr. of Atlanta, Ga. was very pretty in Louise Kemp's back yard, with the big trees and shrubs for background.

THE GARDEN party and wedding of Ginger Kemp and Dr. Leland Ward Jr. of Atlanta, Ga. was very pretty in Louise Kemp's back yard, with the big trees and shrubs for background.

KRISTI and Steve Edwards of Lubbock were here for Ginger's wedding and a visit with the parents Allan and Peggy Webb.

The Whitlows came from Happy for the wedding and Dee Kimbrough of Waco came up for the ceremony. She went to Europe a few years ago with LaDawn and Ginger.

Friday evening Dr. Leland Ward and his mother were hosts at a barbecue supper at the Kemp farm for the families. The food was served by Sutchens of Amarillo. And at Louise's house those beautiful and unusual flowers and food were catered by Jeff and Mr. Petello of the College of Flowers in Lubbock.

And I like the football games and the hoopla, with cute girls jumping and yelling and the band of Ralph Smith and Fred Allen. Best band in the Panhandle, we think. Hundreds of people from the forks of the creek all out to see the boys play hard. And Friday we will play at Springlake-Earth. Let's go before the winter cold sets in.

Swain and Katy Burkett went to Albuquerque last Wednesday where they met son Mike, who is now an attorney in Los Angeles. Katy says they made a sentimental journey through New Mexico, one they made when the three sons were home, a tour of Santa Fe, Taos, Red River and Eagle Nest. Michael went home Monday.

THURSDAY Helen McLean and Katy Burkett were hostesses with a luncheon and bridge party at the country club at Hereford. Guests were Maxine Tidwell, Aural Davis, Edna Riley, Ann Carpenter, Reba Touchstone, Betty Huckabay, Myrtle Sheffy, Dorothy Elder, Virginia Gilbreath, Anita Morris and Gladys Benson.

CEAL Carlile is with her husband who is in Plains Memorial Hospital for treatment. Jeanie Miller is in Amarillo with husband Goodwin, who had surgery Monday.

Jackie McLeRoy and Gladys Benson went to Hobbs where they attended the Southwestern Recreational meeting. They met several friends to eat with and visit.

ALMA AND Glover Frazier went to Levelland last weekend to visit her daughter Pauline Hendrick and granddaughter Judy Condren and family.

Woody and Vera Jones celebrated their 39th wedding anniversary with dinner at the home of son Cecil and Sharon Jones and little son Timothy, and Tim had a one-year-old birthday party with several little friends and mommas there for cake. And guests of

the Joneses last week were Mr. and Mrs. H. B. Brooks from Grafard and Teresa Berryman, granddaughter from Hereford. Others of the family came in for hellos.

Our sympathy goes to the Wilson family for the loss of our longtime friend and church and civic organization worker Margaret Wilson.

JANE STOLLINGS and son Ryan of Darrouzett spent the weekend with parents M. E. and Marge Cleavinger. Mrs. Maude Marlow who has lived a South Hills Manor for a while went back to her home in Abilene. Her guests last weekend were her daughter Bessie Story and friends Mrs. Loyd Kirkeby and Mrs. Melvin Thompson, all of Hereford.

Friday afternoon Tommy Nisibet, regional program administrator of the public health region 1 at WT station in Canyon came to South Hills Manor to talk to sponsors or relatives of patients at the home. He finds it first class in all regulations. Mildred Bradford, Esther McRee, Neva Hickey and I, Polly Manning, Mary Woodburn and Mr. and Mrs. Sprayberry of Amarillo were out there to discuss and ask questions. We are pleased that the men approved the care and the home. Mr. and Mrs. Virgil Justice are the owners and managers. Delores Gilliland and Walter Maynard are the business managers and Dorothy Musick is in charge of crafts. Mrs. Fred Adrian is head nurse with dozens of aides and several cooks. I didn't get names of everyone.

Go out and visit your friends.

SOME NEW citizens of Dimmitt I met recently are Preston and Arlene Chisum, who moved here from Brownfield, Preston works for Goodpasture and Arlene is with the Super Market. They have a 7-month-old son.

And Robert and Glendora Clark and Beverly, Virginia and Roger moved here from Slaton. He is with the Fina station. They worship with the Baptists and live at 306 2nd Street. And the Virgil Sullivans, Jeanette and Pat and family. He is with Dimmitt Welding. I met the two teenage girls selling magazines for the FFA.

Elesibeth Worthington of Fort Worth has been here with her parents Elmer and Mary Dixon. Mary has been in the hospital but is much improved. I saw Elesibeth and her sister Irene and Judge Bradley being hostesses and host to Elmer at the Steak House. Elmer is celebrating his 80th birthday. Says he is in fine shape. We wish for him many more birthdays.

Alvin and Frances Frazier went to Fort Worth last weekend to see son Landol and Jamie Frazier and girls Traci and Kendra. Last week they went to Colorado to visit kin and for a rest from work.

OPAL BEARDEN was hostess at a bridge party Thursday afternoon. She served salad and strawberry angel cake to Dorothy Elder, Anita Morris, who won high score, Reba Touchstone, Ceal Carlile, second high score, Retta Cluck,

Josie Bradford, Cletha George and Myrtle Sheffy.

Mrs. Bearden won the big arrangement of flowers at the Dimmitt Agri Industries supper Tuesday evening, so she decided to have a party.

Many people came out to hear Secretary of Agriculture Brown from Austin at the supper. He is a fine speaker, telling how good Texas is and some good jokes. I saw the Kellys and Hamiltons there from Earth, and two tables full of Nazareth folks. They came from all over this part of the Panhandle.

And Thursday morning a dozen ladies met in the home of Mrs. Kenneth Jackson to help kick off the campaign for our hometown fellow Senator Kent Hance, who announced for Congressman from this district. That is Congressman Mahon's job. Let's all get busy for Kent. Be a nice thing for Dimmitt to send a man from here to Washington. Maybe he can get them started on the right road.

THELDA AND Bob Lang of Austin came up last week to visit her parents Mac and

Esther McRee. All went to Sunray to see Brice and family, on to Amarillo to see Marilyn and Harold Durbin and kids. Back to Austin for a week with Thelda and Bob. Then had planned to go to Brownsville where Burris lives but that hurricane was whipping that country. They did stop in Fort Worth to visit Mac's kin, then home again.

Mr. and Mrs. M. K. Brooks of San Angelo and Alvah

Hughs of Barnhart have been here to visit Mrs. Brooks' sister Doris Word who has been in the hospital here recuperating from a heart attack and Alvah to visit Buck Word, who went in the hospital Friday with high blood pressure. All are better now.

Mr. and Mrs. Marlin Word of Alpine came up to see the parents and his brother Will John and Mrs. Word. Mr. [See CHATTER, Page 9]

Dad's steady influence is needed for... LIFE'S OBSTACLES

We can easily see physical obstacles such as logs, boulders, and many other things that may be too difficult for our children to handle, but things that are not physical are not always so obvious. A young child needs help from his parents in spiritual matters too. The church can be an influence on children's lives, but when you, a parent, are taking part in church worship, you can be an even greater influence. Give your children, the leaders of the future, a hand now when they need it most. Take them to church regularly... and you too, will have a fuller and better life.

ATTEND CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CITATION BY PUBLICATION TO: FERMAN R. BONE, who was also known as Frank Bone, and his wife, if any, if either be living, and if either be dead, the legal representative of each of said named Defendants, and the unknown heirs of each of said named Defendants, the legal representatives of the unknown heirs of each of said named Defendants, if the unknown heirs of said named Defendants are dead, whose places of residence are unknown to the Plaintiff, all of said parties being Defendants: Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Courthouse thereof in Dimmitt, Texas, at or before 10:00 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 17th day of October, 1977, then and there to answer in writing Plaintiff's petition filed in said court on the 19th day of August, 1977, in this cause numbered 4497 on the docket of said court and styled JAMES W. POWELL VS. FERMAN R. BONE, a brief statement of the nature of suit being as follows:

Suit in statutory form of trespass to try title, and for costs by James W. Powell, Plaintiff, against the person who is first named in this citation and to whom it is directed, as Defendant, and the unknown spouses and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiff, the Plaintiff suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

All of the West One-half (W/2) of Lots Number Seven (7), Eight (8) and Nine (9) in

Block Number One (1), of the Clifton Heights Addition to the Town of Dimmitt in Castro County, Texas, as shown by recorded map and plat thereof, together with all improvements thereon.

Plaintiff alleges that he is entitled to the title and the possession of said property, claiming under the ten year Statutes of Limitations, and Plaintiff further prays that the cloud cast on the title to the property above described by Defendant be removed and said title vested in the Plaintiff, all as is more fully shown by Plaintiff's Petition on file in this suit.

Pleading in the alternative, Plaintiff alleges that the Defendant, or those claiming under him, at one time owned an undivided one-ninth interest in and to the property described in said Petition, and an alternate plea in said Petition is for partition of the real estate described therein, all as is more fully shown by Plaintiff's Petition on file.

The Officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Dimmitt, Texas, this 30th day of August, 1977.

Area I Young Farmers honor Moore, Schmucker

Don Moore of the Dimmitt Young Farmers Chapter was elected state vice-president from Area I, at the annual area convention held at Amarillo Saturday.

MOORE was the Area I president last year. His new office is one that is new for the area this year.

Randy Schumacher, another Dimmitt member, was given the Outstanding Agribusiness Award for the area. The local chapter was runner-up as the 1977 Area I Outstanding Chapter.

Other Dimmitt men who

were among convention notables were Teddy Smithson, who was elected vice-president of Area I, and Ronnie Gfeller, runner-up in the area for the Star Young Farmer title.

Twelve Young Farmers and their wives from Dimmitt attended the convention sessions at the Hilton Inn in Amarillo.

Rotary observes special week

The members of the Rotary Club of Dimmitt will join with more than 800,000 Rotarians in 150 countries this week to observe World Understanding Week, according to Bill Dannevik, president of the club.

WORLD Understanding Week is sponsored by Rotary International for the purpose of advancing international understanding, goodwill and peace—a continuing aspect of Rotary.

As part of the local club's observance, club member Elmer Youts will play a tape at the Friday meeting.

The tape is called 'Bridging the Gaps to Youth' and was given as a speech by Fernando Fournier, a distinguished jurist of Costa Rica, at the 1971 Rotary International Convention in Sydney, Australia," Youts said. "I think his topic is still timely for our world today."

The group will also invite Dimmitt High School's foreign exchange student, Anne Helderweirt of Belgium, to attend the Friday meeting.

Another project of the local club is the carrying on of correspondence with a Rotary Club in Japan.

Mayor declares Homemakers Week

Dimmitt Mayor Elmer Youts signed a proclamation Tuesday declaring Sept. 19-24 as Young Homemakers of Texas Week in Dimmitt.

A display case at Tots 'n' Teens will hold special items belonging to the club, including the club scrapbook, pictures, newspaper clippings and the old club banner.

The club meets the first and third Thursday of every month, and any interested person may attend.

School Night for Scouting invites boys

Boys interested in becoming Scouts, with their parents, are invited to School Night for Scouting at 7:30 p.m. today (Thursday) in the east cafeteria of Helen Richardson Elementary School.

IT WILL also be registration time for boys already in the local Scouting program, in their annual Roundup.

Leaders of the Dimmitt troops will be at the building to register their members for a new year and to meet other interested boys and parents. This year's Scout Roundup theme is "The Wonderful World of Scouting."

Scoutmasters of the Dimmitt troops are Pete Garza and Bill Stephenson. Bill Behrends is Cubmaster of the Cub Pack, the organization for younger boys.

School Night for Scouting is an area-wide program directed by leaders of the Haynes district which embraces 10 cities of this area.

Grand openings in Dimmitt continue

Two more Dimmitt businesses have set their dates for grand openings. They are Somethin' Special, a new gift and craft shop, and Dennis Funeral Home, at its new location on the Clovis Highway.

THE CHAMBER of Commerce will hold a ribbon-cutting ceremony at Somethin' Special at 9 a.m. today (Thursday). Owners and operators of the business, located at 212 W. Bedford, are Beverly Lindsey, Laqueta Hill and Dorothy Mayfield.

The grand opening will continue Friday and Saturday from 9:30 a.m. to 5:30 p.m.

Dennis Funeral Home has set Sunday, Sept. 25 as the date of its open house at its new facility on the Clovis Highway.

HOSTING the event will be L. C. Dennis, mortician and owner; Trudy Dennis, mortician and co-owner; Jo Ella Warren, mortician; and Rex Cowart, assistant.

More about New bank ...

State has taken pride in the fact that it has never been forced to seek aid, even during the depression years of the 1930's when many banks failed or were saved only by mergers and various belt-tightening maneuvers.

ALWAYS headed by a member of the McLean family, the bank has had five presidents in its 70 years. It was organized by C. E. McLean and Beecher Rowan, grandfathers of Bob McLean, who is president now.

C. E. McLean was the first president and Rowan was cashier. In order, the succeeding presidents were Rosa McLean, Bruce McLean and Rubye McLean. At the death of the latter, her son, Bob McLean, assumed the position in the spring of 1953.

At that time the bank had moved a block north on Broadway and had outgrown that space so it was undergoing extensive remodeling with an addition at the back to accommodate the bookkeeping department so other departments had more room toward the front.

A NEW office was made available for the cashier, the president's office was enlarged and teller windows rearranged. New equipment was installed, including "a proof" machine, a late invention... to prove all transactions, giving an accurate total on all figures at the end of the day."

It was only five years, though, before the enlarged building was too small and the bank moved to Bedford and SW 3rd St., the location which it has just vacated. That building with 6,000 feet of floor space was constructed at a cost of \$113,389 at 1958 prices.

Described as "ultra-modern and luxurious" in the Castro County News story of its grand opening, the plant had a feature unusual at the time, a drive-in teller window.

THAT BUILDING, too, was eventually remodeled and its parking facilities were enlarged as First State was expanded to a certified "full service bank."

But as the trade area and the number of banking customers continued to grow, the bank again outgrew its facilities, with more parking space, more offices and more drive-in facilities especially needed.

Construction on the new banking complex started last September, with the Reid and Gary Strickland Co. of Amarillo as the prime contractor.

With more than 20,000 sq. ft. of floor space, the new banking complex is more than three times as large as the former building.

THE FORMER building has been purchased by Hi-Plains Savings & Loan Association, and will be occupied by that firm and several other professional and governmental offices.

More about Hance's rally

office as a legal assistant while he was going to the University of Texas Law School, so he and I have known each other a long time. He has been easy to work with in the Senate. Kent and I worked together on a number of pieces of major legislation... I'd like to see a good young man go to Congress who could serve with dignity for many years."

For Sen. Hance, Monday night's rally here capped a day of press conferences and public appearances in Lubbock, Plainview, Levelland, Midland, Odessa, Andrews and Lamesa. IN HIS formal announcement earlier in the day, Sen. Hance paid tribute to Congressman Mahon:

"As I announce my candidacy for the US Congress I can't help feeling presumptuous, for I am convinced that no one can replace George Mahon. And even though he has stepped aside, I feel self-conscious, at 34 years of age, thinking about his congressional career of 44 years..."

"West Texas owes George Mahon more than we can ever comprehend. He helped this area grow from a frontier into one of the most important parts of the nation. We are a great farming area, capable of dramatic potential in the future national and international production of food and fiber. We are a new and growing business and industrial district with the lowest unemployment rate in the nation. We have new business and industry attracted here every day. We have excellent educational facilities, colleges and universities. And we have impressive resources of oil and gas and other natural resources important to our nation..."

"**THE PEOPLE** of West Texas do not expect miracles of those of us in government. They do expect a sincere responsiveness to their personal problems with government, and they expect serious dedication and hard work from their public servants."

"Our people do not want Congress to continue farther into the role of 'big brother'... they want fewer government agencies hampering the progress of their farms, businesses, factories, natural resources, homes and schools. Realistically, that is what all Americans want, and no one can tell me that we cannot turn this direction of government interference. We can change directions, and since this is what our people want, this is what I'm going to try to do if elected to Congress..."

"It's high time we organize ourselves, quit complaining and start to work to change some things... The 21st Century is almost here, and we cannot afford to tolerate the inefficient remedies of the past."

Hunting leases should be written

Like everything else in the world, the price of hunting leases climbs each year. And yet, demand still is increasing and many hunters are willing to pay more for the right to hunt on another's land.

WITH higher prices it's in the best interest of both hunter and landowner to set down in writing exact terms of the lease, according to the Texas Parks and Wildlife Department.

A price explosion just took place—in building materials. It is the result of an announcement by the Commerce Department that US private housing starts had moved up to an adjusted annual rate of 2.1 million in July, Key grade 2x4s now sell for \$230 for 1,000 board

ft.—a jump of almost 20% in the past month. Half-inch plywood sheathing has jumped 11% to \$250 for 1,000 sq. ft.

BOTH OF these prices are all-time highs, and it has Washington worried. The National Association of Home Builders calls the price increases "inexplicable." The head of Housing and Urban Development has called for an investigation into the situation by the Wage & Price Stabilization Council. Her chief concern is that the \$700 to \$1,000 price hikes in lumber and wood products have added to the cost of new housing in the past year.

Some lumber mills on the West Coast have pulled out of the lumber market entirely, convinced that even higher prices are coming. The demand for plywood is simply outstripping all available supply. Buyers are worried that the level of housing starts will remain high and that lumber will continue scarce and high priced. Wildcat strikes in British Columbia's lumber-plywood mills and the dangers of additional fires in the West haven't helped the situation.

ANOTHER housing product has also jumped sharply in price. Particle board, made from lumber mill shavings and plywood trimmings, has jumped 85% in price in the past five months. Even gypsum sheetrock is booming. Demand for gypsum wallboard is still low in the East and fairly strong in the Central states and Southeast. But in the West gypsum wallboard plants are running at capacity. Wallboard is usually not shipped very far because one-third of its cost is freight.

Rotary names Youts as Governor choice

At the Friday Rotary meeting Dimmitt Mayor Elmer Youts was named as the club's choice to be presented to the committee in charge of nominating the governor for Rotary District 576.

IF CHOSEN by the nominating committee, Youts would serve in the office for one year beginning in July of 1979. The district he would serve includes the northern part of Texas, from Midland northward.

Youts is a charter member of the local club and has served as president in 1970-71, vice-president, and as a member of the board at various times, and attended a Rotary International convention in Australia.

Twelve members, the club sweetheart and three visitors heard Dale Wells, minister of the Fourth and Bedford Street Church of Christ, present a program on the marriage enrichment seminar, which was held at the Church of Christ Friday and Saturday.

One of the guests was a visiting Rotarian, Rob Lindsey of Plainview, formerly of Dimmitt.

Birds with leg flags due for report to PWD

Bright flags are fluttering on the legs of 2,100 wading bird nestlings, so they can be spotted easily from a distance.

JOHN SMITH, biologist of the Texas Parks and Wildlife Department, banded and flagged the birds during May, June and July 1977 in an effort to learn movement patterns.

Included in the banding were great blue herons, great egrets, snowy egrets, roseate spoonbills, Louisiana herons, black-crowned night herons, white-faced ibis and reddish egrets.

Biologists of the TP&WD need help in tracing the movements of these birds. Anyone seeing a long-legged wading bird with a colored flag on its leg should report it to Bill Brownlee, Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, 78744.

Castro is big producer of sunflower seed

Castro County was among the largest producers of sunflower seeds in Texas last year, Agriculture Commissioner Reagan V. Brown has announced.

CASTRO County farmers harvested some 3,383,300

pounds of sunflower seeds, which accounted for 4.7 percent of the state's total production of 71,875,000 pounds, Brown noted.

"Yields last year were disappointingly low," Brown stated.

ed, "primarily because many of the High Plains crops, which were planted late, were hit by early frosts before reaching maturity."

the **heat pump**

"THE ELECTRIC SAVINGS MACHINE"

Here's how heat pump pumps

Think of it as a two-way electrical wonder, an amazing machine that cools your home in summer — then automatically reverses itself to heat in winter.

Think of it as a savings machine that costs less to operate than other electric heating/cooling systems now on the market. You know that all air — even frigid arctic air — contains heat. The heat pump just puts this simple principle to work. In winter, it squeezes heat from outside air and pumps it inside. In summer, it extracts unwanted heat from the inside air and pumps it outdoors.

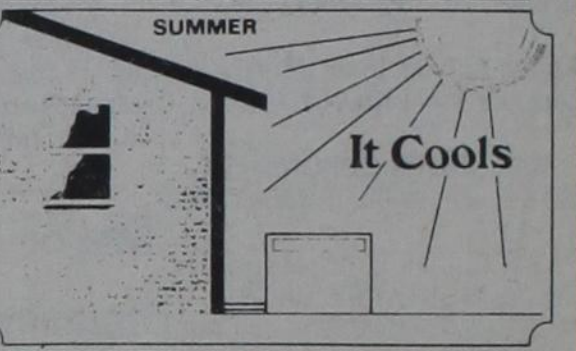

Or consider something already in your home that accomplishes the same thing as a heat pump: your refrigerator. It removes heat from the interior of the box and expels it. Like a refrigerator, the heat pump's basic components are simple — electric motor, compressor, condenser, evaporator, and blower system. Unlike a refrigerator, the heat pump has a reversing valve that lets it change the direction warm air is pumped — inside in winter, outside in summer.

Preston Smith seeks governor's job again

Former Governor Preston Smith Wednesday announced that he is a candidate for the Democratic nomination for Governor of the State of Texas.

Gov. Smith's statement follows:

"SIX YEARS ago Texas stood at a crossroad. We had laid the groundwork that would lead to an equitable school finance system, a new property tax structure and a statewide energy policy. Personal leadership by the governor's office, an enlightened legislature and meaningful board appointments, combined with citizen effort gave us a jump on the most important decade in the history of Texas.

"Today, however, after six unproductive years, three legislative sessions, and countless board appointments we still stand at that same crossroad. The caretaker governor who has held office for nearly six years has not seen fit to provide or inspire the type of leadership that would move Texas forward.

"Every Texan has a wide range of motivations. We can feel fear, doubt, insecurity, and prejudice when there is a leadership vacuum, but we have the capacity for courage, hope, compassion, confidence and understanding when our leadership is dynamic.

"A GOVERNOR can extract either group of these characteristics from the people by his action or inaction.

"We have no new state taxes, but find me a man or woman in Texas whose local taxes haven't gone up because of inflation. The present state pay-as-you-go budget is running at an all-time high not because of sound management processes but because of windfall returns on Texas oil and inflation on goods and services generated in the state. If the present governor wants to take credit for no new taxes he should also take credit for the financial devastation caused by inflation.

"During these years our caretaker governor has adopted a 'get tough' policy for criminals, so the criminals have gotten tough and the crime rate is as high as it has ever been.

"TO DATE there has been no property tax reform and the Texas energy policy consists of turning off lights in state buildings after dark as the absentee governor goes to Washington every six months or so to protest an action by the federal government that has hurt Texas. We should be in on the planning and we will be if I'm elected governor next year.

"No governor can run every facet of state government, but an effective governor gets positive, common-sense leadership by the appointments that are made to oversee the state's public agencies.

"During my previous term as your governor, concern for the needs of the people of the state and leadership qualities were the prerequisites that appointments were based on. Today, however, residency in Uvalde County or the amount of campaign contribution to the caretaker governor seem to be the qualities sought.

"INDEED we read almost daily of appointments left unfilled, appointees serving long after their term has expired, and in one instance we read of an appointment of a person already deceased.

"In recent months I have been traveling across the state advocating bringing state government back to the people. The overwhelming response in favor of this proposal has brought me here today.

"We are going to have to grab state government back, shake the living daylight out of it and get it back into shape to deal with the problems that face us. The system will work for the people, if the people are given a chance to make it work. In our lives, each of us practices responsibility for dealing

Preston Smith

with the situations that affect us. Why not demand this of our governor as well?

"WE FIND people complaining that state government is not doing enough and we find people complaining that state government is doing too much, but mainly we find people complaining about state government. We shouldn't blame the state employee or civil servant if the state's chief executive office cannot or will not give leadership and direction.

"Yes I am a candidate for governor in the Democratic primary, and I intend to spend the next few weeks traveling all areas of the state asking every Texan to take his government back and make it serve him. I will be responsive to the needs of the people.

"After that time, I will hold a news conference to discuss the issues—issues that I believe are so glaring that this may be the first Texas gubernatorial campaign run on issues, not jingles or slogans."

SHRIMP account for about 90% of the annual volume and value of commercial fishing in Texas.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 8, 1977

NUMBER ONE ON THE BALLOT (S.J.R. 18)

S.J.R. 18 proposes an amendment to the Texas Constitution to provide for expanding the Court of Criminal Appeals from its current membership of five judges to nine judges and to permit the court to sit in panels of three judges.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment increasing the size of the Court of Criminal Appeals to nine judges, and permitting the court to sit in panels of three judges."

NUMBER TWO ON THE BALLOT (S.J.R. 13)

S.J.R. 13 proposes a constitutional amendment to provide for an additional \$200 million in bonds or obligations of the State of Texas for the Veterans' Land Fund and to allow surviving widows of veterans to purchase tracts under certain circumstances.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for an additional \$200 million in bonds or obligations of the State of Texas for the Veterans' Land Fund and to allow surviving widows of veterans to purchase tracts under certain circumstances."

NUMBER THREE ON THE BALLOT (S.J.R. 3)

Under current Texas law a person charged with a felony offense who has previously been convicted of two felony offenses may be denied bail. S.J.R. 3 proposes an amendment to the Texas Constitution which would also result in the denial of bail, for a limited time and subject to appeal, to a person accused of committing a felony while on bail for a prior felony for which the person has been indicted, or accused of a felony involving the use of

State tax field man to be here

State Comptroller Bob Bullock announced he is sending a representative from his Amarillo Field Office to Dimmitt Wednesday, Sept. 21 to assist local taxpayers and answer questions about state taxes.

BULLOCK said Enforcement Officer Forrest Skinner will meet with local taxpayers at the Castro County courthouse from 10 a.m. until 1 p.m.

"If Castro County merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Skinner will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with the representative on Sept. 21 that they can still get their questions answered quickly by calling his toll-free information number in Austin. That number is 1-800-252-5555.

Plan A screening termed successful

The Nazareth Plan A staff was kept busy Friday screening pre-schoolers for learning disabilities which could create problems for the child during his school years.

CHILDREN were tested in four areas—motor, visual, auditory and language. A hearing and speech screening test was also given by Donna Orthal, speech therapist.

Some children were found to have deficits in areas which are possible predictors of reading failure.

Mrs. King, Plan A counselor, stated, "If these deficits can be corrected at a very early age, the child, his parents and his teachers will be spared much anxiety and frustration during the child's regular school years."

NUMBER SIX ON THE BALLOT (S.J.R. 49)

S.J.R. 49 proposes an amendment to the Texas Constitution to permit the legislature to authorize state and national banks to exercise banking privileges by use of electronic devices or machines located at such places as may be provided by law and authorizes the sharing of such electronic devices or machines among banks on a reasonable, non-discriminatory basis.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize state and national banks to exercise banking and discounting privileges by use of electronic devices or machines."

NUMBER FOUR ON THE BALLOT (S.J.R. 5)

S.J.R. 5 proposes an amendment to the Texas Constitution authorizing the legislature to grant exemptions or other relief from ad valorem taxes on property designated for the preservation of cultural, historical or natural history resources.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing tax relief to preserve certain cultural, historical, or natural history resources."

NUMBER FIVE ON THE BALLOT (S.J.R. 19)

S.J.R. 19 proposes an amendment to the Texas Constitution authorizing the formation of associations authorized to collect certain refundable assessments from producers of poultry, livestock, and other raw agricultural or marine products and validating the 1967 law regarding the formation of such associations. The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the formation of agricultural or marine associations which may mandate the collection of refundable assessments for improvement of production, marketing, or use of their products."

NUMBER SEVEN ON THE BALLOT (S.J.R. 30)

S.J.R. 30 proposes an amendment to the Texas Constitution changing the name of the State Judicial Qualifications Commission to the State Commission on Judicial Conduct and making several changes in its powers and procedures. The most significant change would authorize the Commission to suspend from office judges and justices under indictment.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment changing the name of the State Judicial Qualifications Commission to the State Commission on Judicial Conduct, and relating to the powers and proceedings of the commission, a master, and the supreme court, or court of civil appeals justices serving in place of the supreme court, for the suspension, censure, removal, or involuntary retirement of a justice, judge, or justice of the peace under certain circumstances."

PROPOSICION No. 3 EN LA BOLETA (S.J.R. 3)

Bajo las leyes actuales de Texas se le puede negar fianza a una persona acusada de un delito mayor que previamente ha sido probada culpable de dos delitos mayores. La S.J.R. 3 propone una enmienda a la Constitución de Texas que también acabaría en denegación de fianza, durante un tiempo limitado y sujeto a apelación, a una persona acusada de cometer un delito mayor mientras estaba bajo fianza por un delito mayor previo por el cual la persona ha sido acusada por gran jurado, o acusada de un delito mayor implicando el uso de una arma mortí-

PROPOSICION No. 5 EN LA BOLETA (S.J.R. 19)

S.J.R. 19 propone una enmienda a la Constitución de Texas autorizando la formación de asociaciones autorizadas para coleccionar ciertos impuestos reembolsables de productores de aves de corral, ganado, y otros productos crudos agrícolas o marinos y validando la ley de 1967 con respecto a la formación de tales asociaciones. Singing set for October 4

The Castro County Ministerial Association will sponsor a "Night of Gospel Enjoyment" Oct. 4 in the Dimmitt High School Auditorium, according to Association President Donald Price.

PRICE, who is also the Bishop of the local Church of God of Prophecy, said the association hopes to have participation from every church in the county.

"We want everyone with any kind of talent to come and share with everyone else, whether it be a choral number,

solos, duets, instrumentals or whatever, as long as it is gospel in nature," Price said.

He added that there will be no admission charge and no speaker, other than a few introductions of the newer ministers in the area.

"Right now, it looks like both a piano and organ will be available and in working order at the auditorium," Price said.

Anyone who would like to present a number may call Price at 647-3403.

small talk from South Hills Manor

By DOROTHY HOPSON

I've mentioned several times how much we appreciate visits, entertainment and other remembrances to our people who live at South Hills Manor. You have responded; we are grateful. Don't quit!

DEBBIE PIPES called this week to inquire about her G.A.'s baking cookies for some of our residents this week. I tried to stress how welcome they would be and how much everyone would enjoy them.

Then Trudy Derrick phoned and said her Brownies would like to adopt a grandmother for a while. These people are day brighteners and I believe it's contagious. I hope this exposes more of you to ideas like these.

Dorothy Musick reports several new volunteers who have brought out jigsaw puzzles and other things for passing time. She mentioned that the residents really enjoy the music of the 40's and if anyone has records of that era and would loan them to us, we will take good care of them and promise to have a good time reminiscing while we listen to them.

IN EVERY group of people there are those who become special to you in a short length

of time by their cheerfulness and thoughtfulness of others. Cap Lindsey was that kind of person. We will miss him and extend our heartfelt sympathy to his family.

I was visiting with Gwenn Bryant at George's Real Estate this week and she said, "Bruce is really sad today. One of his good friends at the home passed away and he is feeling badly about it. Bruce and Mr. Lindsey were special friends."

Bruce Bryant is a regular visitor at South Hills Manor and many residents look forward to his popping in for chats. We think Bruce is rather special, too. He has already found the value of sharing his time with others, and even though he suffered from losing a friend, his life is richer for having given some of it away to others. Have you discovered this joy of sharing? Bruce has and he is only 11.

MRS. ROTHWELL reports that Mrs. Russell Berryman of Lubbock and Ina Cleavinger have been recent visitors.

Several women entered their crafts in the fair last week and here are the winners:

Ruby Coke and Beulah McMurry, blue ribbons—afghans. Minnie McLure and Leona

Here's Hart's school menu

HERE ARE the Hart school lunch menus for Sept. 19-23.

MONDAY — Chicken pot pie, mixed vegetables, cranberry sauce, peanut butter brownies, milk.

TUESDAY — Pizza, buttered corn, tossed salad, fruit, milk.

WEDNESDAY — Sloppy Joes on homemade buns, vegetable salad, pinto beans, peaches, milk.

THURSDAY — Fried fish, cabbage slaw, blackeyed peas, cornbread, apple cobbler, milk, butter.

FRIDAY — Baked ham, candied yams, green beans, hot rolls, orange cake, milk, butter.

Rothwell red ribbons—afghans.

Mrs. Floy Hart received a blue ribbon for a pot holder and apron set and red ribbon for an old fashioned high top shoe.

Mrs. Hart, Mrs. Umberson and Mrs. Webb won red ribbons for their wall plaques and prize money in the crafts division for amassing the most points.

Alta Latham received a white ribbon for a lovely crocheted purse.

In the horticulture division Mrs. Rothwell won a red ribbon for a prayer plant.

Several cut flowers from the South Hills garden were entered and they won four blue ribbons, two red ribbons, one white ribbon and one pink ribbon.

MR. AND MRS. Justice showed slides of Greece Saturday night. Everyone appreciated getting to share in part of the trip they took this summer.

We'd like to thank Mrs. L. A. Tucker, one of our newer residents, for the attractive bulletin board display she created to advertise the program on Greece.

Those in the hospital this week are Hazel Cummings and Eddy Russ. Remember them in a special way this week.

THE STATE OF TEXAS

TO: The Bedford Town and Land Company, a joint stock company, and if said Bedford Town and Land company, a joint stock company be dissolved, the last Board of Directors of Bedford Town and Land Company, a partnership, be dissolved, the surviving partners of Bedford Town and Land Company, a partnership, G. M. Etter, A. R. Andrews, E. S. Jones, R. R. Dulin, R. L. Belsher, H. G. Bedford, William H. Bean, W. C. Dimmitt, E. F. Halsell, J. B. Stinson, J. W. Hinton and Rufus Bedford; all of the spouses of the last individually named persons; and if any or all of said individually named persons or their spouses be deceased, the heirs and legal representatives of such of them as may be deceased;

GREETING:

You are commanded to appear and answer the Plaintiff's Original Petition at or before 10:00 a.m. of the first Monday after the expiration of forty-two (42) days from the date of issuance of this citation, the same being Monday, the 24th day of October, 1977, at or before 10:00 a.m. before the Honorable District Court of Castro County, Texas, at the courthouse in Dimmitt, Texas. Plaintiff's Original Petition was filed on the 22 day of August, 1977.

The file number of said suit being No. 4498.

The names of the parties in said suit are: Harold Hyman, as Plaintiff and The Bedford Town and Land Company, a joint stock company, and if said Bedford Town and Land Company, a joint stock company be dissolved, the last Board of Directors of Bedford Town and Land Company, a joint stock company; the Bedford Town and Land Company, a partner-

ship, and if said Bedford Town and Land Company, a partnership, be dissolved, the surviving partners of Bedford Town and Land Company, a partnership; G. M. Etter, A. R. Andrews, E. S. Jones, R. R. Dulin, R. L. Belsher, H. G. Bedford, William H. Bean, W. C. Dimmitt, E. F. Halsell, J. B. Stinson, J. W. Hinton and Rufus Bedford; the spouses of the last individually named persons; and if any or all of said individually named persons or their spouses be deceased, complaining of the heirs and legal representatives of such of them as may be deceased, as defendants.

The nature of said suit being substantially as follows, to wit:

A suit to recover title and possession of all of the following described real property in Castro County, Texas:

7.815 acres of land out of the East side of Section Twenty-five (25), Block M-10-A, Castro County, Texas, described by metes and bounds as follows:

BEGINNING at the Northwest corner of Survey No. Six (6); **THENCE** South along the West line of Survey Six (6), 1331 feet to a point for the Southeast corner of this tract; **THENCE** West 286 feet to a point for the Southwest corner of this tract; **THENCE** North 1331 feet to a point in the South line, Survey No. Eighteen (18), Block M-10-A, for the Northwest corner of this tract; **THENCE** East 277 feet to the PLACE OF BEGINNING;

said suit being in the usual form of trespass to try title and containing further allegations to the effect that Plaintiff owns title to said land under the five, ten and twenty-five year statutes of limitations, and that title is presumed to be in Plaintiff as a result of peaceable and adverse possession under claim of right and payment of taxes on said property.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

Issued on this 9th day of September, 1977.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Dimmitt, Castro County, Texas this the 9th day of September.

We Are Ready To Serve You . . .

are happy to announce that we have moved into our new building, and are ready and equipped to serve your every banking need.

The management and personnel of the First State Bank of Dimmitt

We have tried to anticipate the banking requirements of the area for the foreseeable future, and have tried to meet those needs in the planning and building of our new banking facility. We look forward to the future with confidence and have a deep and abiding faith in the continued growth and development of this fine agricultural and industrial area. Our every effort will be directed toward providing a full banking service for our many fine friends and customers.

Whatever success we have enjoyed during the many years that we have been privileged to serve the fine people of this area must be attributed to your loyal support and the bountiful natural resources with which our area is endowed. We are grateful for your past patronage and will endeavor to merit your continued confidence by providing the very best banking service possible.

We would be remiss if we failed to publicly express our heartfelt thanks to our many friends who unselfishly gave of their time and equipment in the huge task of moving from our old location to our new banking home.

Slaton powers to 20-3 win

By JIMMIE CHAPMAN

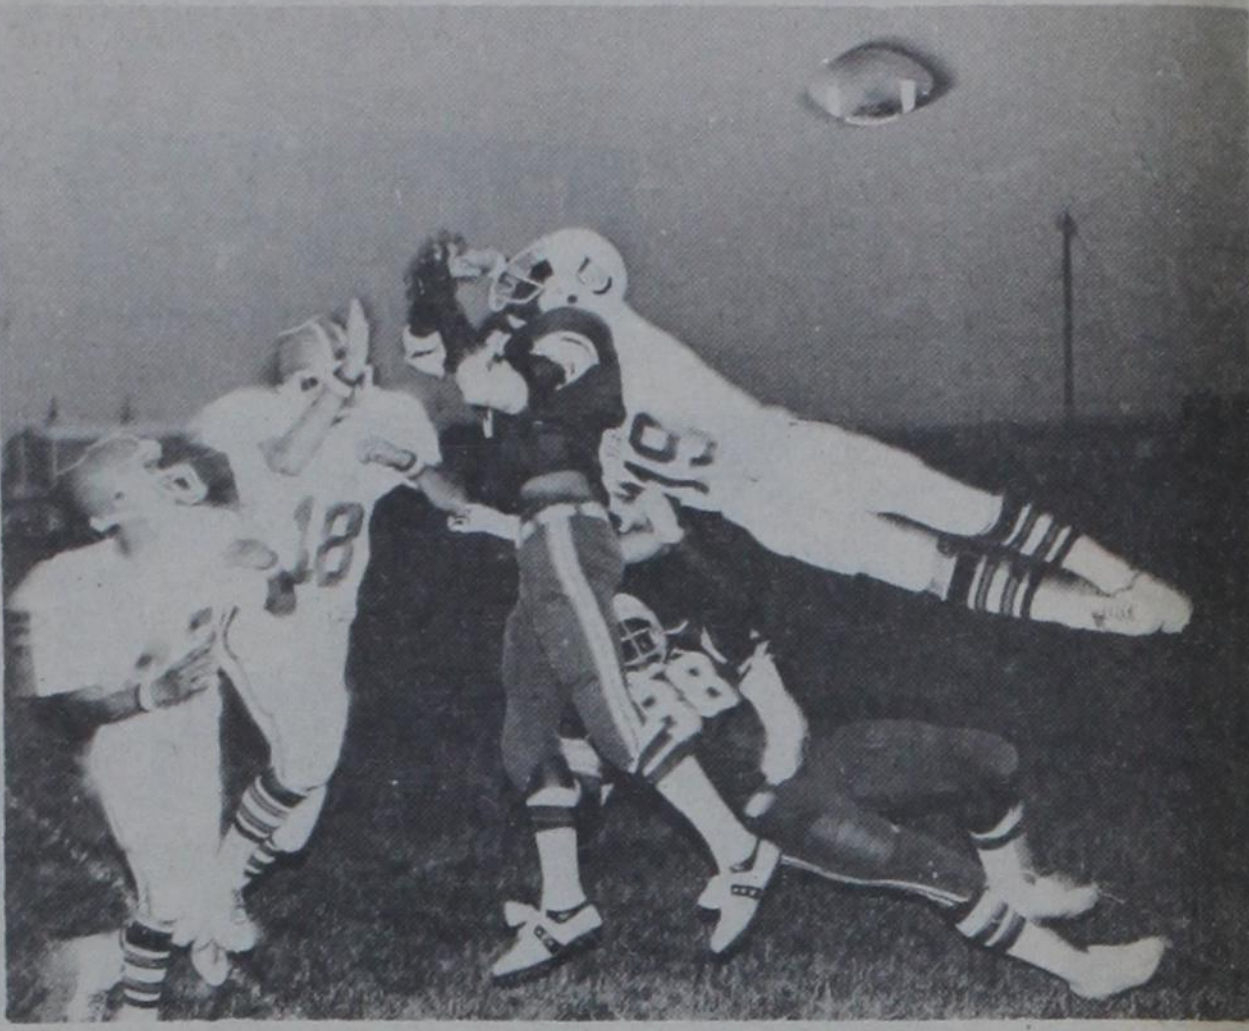

The Dimmitt Bobcats lost their home opener, 20-3, Friday night to the state-ranked Slaton Tigers from District 5-AA in a game that was close for a half. (It was almost a complete reversal of last year's game, which the Tigers won by 28-19 as the result of turnovers. Dimmitt gained 272 yards on the ground to Slaton's 240 last year, but Dimmitt failed to make 100 yards Friday night. Slaton tailback Brad Eblen gained 153 yards last year against the Bobcats, but was held to 65 this time.)

FOR THE second week in a row, it was the Dimmitt defense that stood out, holding the hard-running Tiger backfield to a 6-3 score at halftime. Two key fumble recoveries by the Tigers in the third quarter in less than three minutes allowed the visitors to put the game away.

Dimmitt got its only score after Thompson Mayberry recovered a Tiger fumble on the Slaton 29-yard line on the Tigers' first play of the game. A pass interference penalty on Dimmitt's fourth down gave the Cats a first down at the 19-yard line. Mayberry tried three times to get the yardage, but on fourth down Dimmitt was still needing two. Matt Howell booted a 27-yard field goal with 6:22 left in the opening period and Dimmitt was ahead, 3-0.

SLATON started a drive from midfield late in the first quarter that carried to the Bobcat 18-yard line, but on a first-down pass play Tobin Touchstone intercepted in the end zone to kill Slaton's drive.

Dimmitt failed to make a first down and Slaton was sitting on Dimmitt's 40-yard line after a

HANGING IN THERE—Slaton's Steve White [19] appears to be swinging from a maypole as he helps block a pass intended for Dimmitt's Thompson Mayberry in the first quarter of Friday night's varsity game here. Also vying for the ball are Dimmitt's Reggie Washington [88] and Slaton's Beno Scott [42]

and Steve Wood [18]. Referees ruled pass interference against Slaton on this fourth-down play, giving the Bobcats a first down at the Tigers' 18. The call set up a field goal by Dimmitt's Matt Howell to give the Bobcats a 3-0 lead, but Slaton came back to win the game, 20-3.

29-yard punt by Bill West. Brad Eblen and Steve White alternated at carrying the ball and moved it to the Dimmitt 1-yard line. Then Eblen took it over standing up for the first TD of the game. The kick for the extra point by Steve Wood was no good, and with 5:29 left in the first half, Slaton had a 6-3 lead.

THE BOBCATS took the kickoff at their 34-yard line and started their only sustained drive of the game. With Mayberry and Larry Bossett taking turns at carrying the ball, the Bobcats moved it across midfield and then Matt Howell hit Reggie Washington with a 24-yard pass-and-run play that moved the ball to the Slaton 22. Bossett and Howell failed in three attempts to gain any yardage and on fourth down, Howell fumbled the ball and Slaton recovered at the Dimmitt 30.

40-yard line as the first half ended. On Dimmitt's first possession in the third quarter, a snap was mishandled and Slaton recovered at the Dimmitt 34. Steve Wood got off a good gainer and then Dimmitt was penalized on the play for a late hit out of bounds, and suddenly Slaton was at the 4-yard line. Eblen gained two yards on the first play, and then went over right guard for the TD. Wood kicked the extra point and Slaton led 13-3 with 6:28 left in the third quarter.

DIMMITT failed to gain a first down, and a short punt gave the Tigers the ball at the Slaton 48. Two running plays later, quarterback Steve White kept on a beautiful fake hand-off, rolled to his left and went 43 yards untouched for the score. This was the only score of the game that came without the aid of a fumble. Wood again kicked the point, and

Slaton was ahead 20-3 with 3:29 left in the third period. The Tigers had put two TD's on the scoreboard in less than three minutes to break open a close game.

Dimmitt failed to make a first down the rest of the ball game and was thrown for losses four times. The rest of the game was played by the defenses. Slaton put in its reserves on its last possession of the ball.

LOUIS PEREZ, Randy Roberts, Bossett, Kenworthy and Mayberry were just a few of the Bobcat defenders who stood out for the night. On offense Mayberry gained 35 yards on 17 carries, Howell got 23 on 12 tries, Bossett picked up 19 on six attempts and Kenworthy got 12 on a half-dozen carries.

Veals picked up two yards on his only carry of the night. Quarterback Steve White was the Tigers' leading ground

gainer, getting 103 yards on 10 trips, including the 43-yard TD run. Eblen got only 65 yards in 19 carries and John Johnson gained 42 on seven attempts.

Longhorns stampede again, 47-0

By MONTY UPTON

About this time of the year, you've got to figure that the pre-season prognosticators are having second thoughts about their predictions of Hart Longhorn fortunes.

IF ANY of them were watching the "Run-for-Fun" Gang Friday night—consisting of Eliazar Castillo with 126 yards on five carries, Glen Black with 110 yards on 14 tries, Michael Finch with 90 steps on eight lugs and with Ricky Rowland commanding the whole charge—they must be worried about their jobs. The 'Horns romped to a 47-0 victory over Silverton to hike their record to 2-0.

After Johnny Newsom returned the opening kickoff 10 yards to the 'Horns 31, Hart used five plays to move into Silverton territory at the 49. However, a motion penalty on a fourth-and-one situation forced Hart to punt. It was to be the only Longhorn punt all night.

The Owls' box offense found how hard it was to move the ball against a Longhorn defense that gave up only 60 yards all night. The Owls had to punt, the ball rolling dead on the Hart 37.

LONGHORN BAND WHIPS UP ENTHUSIASM DURING HART'S HOME OPENER
... It helped, as Herd rolled to 47-0 victory over Silverton

HART then used five plays—key ones being a 19-yarder by flanker J. Newsom and a 22-yarder by Castillo—before Castillo scampered 15 yards to score with 4:59 left in the first behind blocks by Black, Larry Marble, J. Newsom and Luther Isaguirre. Newsom then added the point-after.

The next Owl series was just as fruitless as the first despite a 15-yard Hart penalty on the kickoff. The 'Horns got the ball on their own 39 following the punt. Using Rowland passes of 11 and 17 yards respectively to J. Newsom and Isaguirre, sandwiched around Finch runs of 27 and nine, the 'Horns overcame another penalty to move to the Owl 2 on six plays. Black then used blocks by J. Newsom and L. Marble to blast across from the 2 with 1:11

showing. Newsom's kick was good.

Again Silverton only had the ball three plays before punting on the first play of the second quarter. On the third play of the series, Castillo broke out from behind blocks by Marble, Newsom, Black and Isaguirre to speed 50 yards to paydirt with only a minute and six seconds gone in the quarter. The PAT kick failed.

FOUR PLAYS later Hart again was in possession, this time on the 50 following a punt return by John Barretero. Finch then broke for a big 36-yard gain and had a shorter three-yard run before QB Rowland rolled around end for 11 yards and the score. J. Newsom then drilled the uprights for the PAT leaving 8:15 in the half.

Hart's defense hung tough again on the next series. Because of QB sacks by tackle Clay Hanes and defensive end Scott Jones, the Owls' Jace Francis again had to punt. This one almost resulted in a score as J. Newsom took the punt on the 'Horns' 35 and broke it 35 yards to the Owls' 30 before he was brought down. After runs of 11 yards by Black and six by Rowland, and an eight-yard Rowland to Barretero pass, Finch charged in from the 7 behind blocks by Barretero and Pat Ritter. Newsom's kick was good with 2:12 showing.

The Owls then moved to their first first down of the game before time ran out in the half with Hart having a commanding 34-0 lead.

THE SECOND half saw Hart trying different folks in new positions. Nathan Ingram filled in for Isaguirre, who was injured in the first half. In the line, Randy Gonzales and Ritter joined regulars Kelly King, Kent Hill, Jackie Ethridge and Keith Newsom in opening holes on offense and closing them on defense. In the secondary at free safety, Steven Brantly saw extensive duty. It proved to be a tough line-up—the Owls were held to only one yard in the third quarter.

After Silverton's having the ball on the opening four-play series, Hart took over on its own 31. Almost exclusively on patented Black bulldozing plays of 6, 16, 17, 18 and 9 yards, the 'Horns moved to the 5. From there, Black followed Ethridge, Ritter and Rowland the final five yards to add the sixth touchdown of the night. The kick was low.

When the Owls again tried to run, they were stunned as Scott Jones charged across to really blast Francis seven yards behind the line of scrimmage. The Jones stick was enough to knock the ball loose and Michael Finch fell on the bouncing ball at the Owls' 7.

HOWEVER, a 15-yard penalty and two blown plays kept the 'Horns from capitalizing on the only "easy" opportunity they had. A J. Newsom's field goal try of 44 yards was short, ending the third stanza.

The Owls opened the fourth with the only drive they had all night. They earned two first downs to make their total of three, and moved 23 yards mainly on runs of Doug McJimsey. However, they sputtered and gave up the ball on an incomplete fourth-down pass.

On the next possession, Castillo came in at quarterback. Following a six-yarder by Black, Castillo rolled around left end on a keeper and used blocks by Black and Ethridge to thread down the sideline 36 yards for the score. It was almost as if all the 'Horns had to do was give the ball to Castillo to score as he earned 126 yards and three touchdowns on only five carries for the night. J. Newsom's kick was good to give him five for the night.

WITH ONLY 3:40 left in the game, the Owls stumbled again and had to punt for the last time. Hart, with a 47-0 lead, had time for one more play. On that one, Scott Jones, running at fullback, broke for 23 yards and almost took it all the way just as the clock ran out.

With a game average of 10.1 yards per carry, a 75 percent pass completion record, and a defense that has held opponents to less than three yards per carry and one fluke TD, the Longhorns have served notice to Texas that they are still alive and moving.

Friday night the 'Horns will

Huseman runs wild as Swifts win, 44-0

By PATRICIA KERN

Nazareth's Swifts, behind Derwin Huseman's three touchdown runs, rolled to a 44-0 victory over the Smyer Bobcats Friday night in the second game of the season.

HUSEMAN picked up the first Swift score on a 24-yard run with only 2:25 gone in the first quarter. His kick put the Swifts out in front, 7-0.

Three minutes later he picked up a Smyer punt and ran it back 67 yards for his second touchdown. When the first quarter ended, Nazareth held a 13-0 lead.

Huseman struck again from the 2-yard line on the fifth play of the second quarter. Jimmy Huseman ran the extra points in for a 21-0 lead.

UNABLE to pick up first-down yardage after the kickoff, Smyer's Louis Lyons attempted a punt but fumbled the bad snap, and Alan Acker recovered for the Swifts on the 36. With 6:55 remaining, Jeff Schmucker grabbed a 22-yard pass from Jimmy Huseman for

the touchdown. The next score came on another pass from quarterback Huseman—this time a 25-yarder to Kenny Gerber. The Swifts held a 34-0 lead at halftime.

A third-period safety and fourth quarter TD by Chris Book finished up the Swifts' 44 points for the night.

"IT WAS a tremendous team effort on everybody's part. Offensively we scored 44 points—defensively we shut them

out. I feel like we had a great night both ways," said Head Coach Eddie Hooper.

The Swifts will travel to Hart Friday to clash with the defending Class A regional champion Longhorns.

"Hart will probably be the best team we'll face this year," said Hooper. "Eliazar Castillo and Glen Black are two we'll have to watch, but they have a well-rounded team that we'll be concerned with too."

Middle School takes three of last week's four tries

Dimmitt Middle School teams won three of four games played here last week, when seventh and eighth grade A squads met Friona teams and the B's played Nazareth.

A FRIONA score on a 30-yard pass with seven seconds left in the seventh grade A game Thursday brought the tally to 14-12, then Keith Gregory and Max Sandoval made a big tackle to stop the visitors' extra point try.

Dimmitt's scores were registered earlier in the game, on a seven-yard run by Tommy Guinn in the first half and one for nine yards by Fermin Gonzalez at the beginning of the second, followed by the extra point made by David Ogas.

Kevin Cleveland intercepted a pass to halt one Friona threat. Tony Martinez and John Nino showed up well as offensive linemen and Jeff Watts was also mentioned for some

hard play. EIGHTH grade A team dropped its game to Friona 8-30.

The only Dimmitt score was set up on a pass from Scott Sheffy to Larry Espinoza, then Mario Mareno made a two-yard run and the extra point was good.

A 70-yard kickoff return by Zeke Garcia accounted for one of the eighth grade B touchdowns in a 12-0 win over Nazareth Tuesday. Garcia also made the other score, on a 40-yard run.

For the seventh grade B's, Joe Martinez scored three times on runs of 36, 73 and 7 yards and added two extra points for the total team score in the 20-14 victory over Nazareth.

Richard Guzman and Joe Soler were outstanding on defense.

Crossroads accident totals two vehicles

Floyd Ivey was treated and released at Plains Memorial Hospital last Saturday after being involved in a two vehicle accident at a dirt crossroads four miles east of his house. He was on his way to check on the corn harvest, on the place he farms near Hart. A man and his wife and two children were in a car traveling north and they hit the pickup truck back of the cab knocking the gas tank and tool case from the pickup into a pasture. The dust of the road and a south wind hampered vision. The pickup turned over and landed on its side in the ditch. The family was taken to the hospital by ambulance and all were treated and released. One of the children received a gash over one eye requiring seven stitches. Mr. Ivey was taken by car and X-rays revealed jammed vertebrae in his neck. He also received bruises and abrasions, but was not admitted. Both vehicles were totaled. Mr. Ivey had had the pickup only three weeks. His injuries delayed but didn't cancel a deer hunt to Jackson Hole, Wyo. with Mokey Ivey, which had been planned and reservations made before the accident. They flew from Lubbock Thursday instead of leaving Tuesday to drive through.

THE REVIVAL ended Sunday and a dinner was held at the church at noon. Lynn Garrett of Seagraves led the singing and was a house guest of Mr. and Mrs. Hershel Wilson. Rev. Carroll Green of Hale Center was the evangelist. He was an overnight guest in the home of Mr. and Mrs. Gale Sadler and Susan Tuesday, Thursday and Saturday nights. Justin Bradley underwent surgery on his face in Plains Memorial Hospital in Dimmitt Wednesday night and more embedded glass was removed. He was dismissed Thursday morning.

Mr. and Mrs. Thomas Parson and children were forced to cut short a Labor Day weekend vacation last Sunday when Vicente Lopez's breathing became more labored. During the night they admitted him to the Muleshoe hospital where it became apparent he was suffering from more than asthma. He was transferred to Methodist Hospital in Lubbock Tuesday and underwent surgery for the removal of a tumor from his

larynx which was making his breathing difficult. He was dismissed Wednesday evening. The grandmother of Gabriel and Ben Montiel passed away in Clovis Saturday night.

MR. AND Mrs. Dee Jones of San Antonio arrived Tuesday to spend the week with Rev. and Mrs. Raymond Jones and attend the revival. They bring the trailer house so they will not be an added burden. Their daughter, Mrs. Velma Sager of Springfield, Mo. arrived Friday night and stayed until Sunday with them. Ray and Darla Jones also stayed with their grandparents until Saturday when Mrs. Eddie Jones and the new baby Danna Jo of San Angelo met them at Lamesa to take them home.

Rev. Raymond Jones, Rev. Carroll Green and Lynn Garrett were dinner guests of Mr. and Mrs. Gene Ross Monday and supper guests of Mr. and Mrs. J. Paul Waggoner. They were dinner guests of Mr. and Mrs. Lonnie Wilson and Samantha Tuesday and supper guests of Mr. and Mrs. Carl Dean Carson.

Holly Waggoner won a first, second and third place in the Castro County Fair with her photography and third place overall. Holly Waggoner won second place with her macrame and third with a pot plant. Quint Waggoner helped with the work during the fair.

Mrs. Floyd Ivey spent Friday night in Amarillo with her sister, Mrs. Jewell Barnard, whose husband, Shum Barnard, is hospitalized. She came back by Canyon and picked up Paula Sue and Karen Ivey and kept them until Sunday afternoon when she took them home.

MR. AND MRS. Milburn Haydon returned home Friday from a vacation in New Mexico and Colorado.

Several from the community attended the Marriage Enrichment Seminar at the Bedford Street Church of Christ in Dimmitt Friday night and Saturday.

Mr. and Mrs. Thomas Parson and children visited in Lubbock with her aunt and her mother, Mrs. Ellis Wilson. Mrs. Wilson came home with them to visit a while.

Rev. Raymond Jones, Rev. Carroll Green and Lynn Garrett were dinner guests of Mr. and Mrs. Noah Spencer Wednesday and supper guests of Mr. and Mrs. Jimmy Waggoner. They were dinner guests of Mr. and Mrs. Gerald Elkins Thursday and supper guests of Mr. and Mrs. Lee Bradley and children. On Friday they were dinner guests of Mr. and Mrs. Roy Phelan and supper guests of Mr. and Mrs. Gale Sadler and Susan.

Mr. and Mrs. Robbie Lindsey of Plainview spent the weekend with Mrs. Eulless Waggoner and Eddie and attended the Marriage Seminar in Dimmitt.

Quint Waggoner attended a Junior Leader's 4-H meeting Thursday night.

MR. AND MRS. Jake King of Hereford spent last weekend with Mr. and Mrs. David Sadler, Melody and Karla.

Mrs. David Sadler and Mrs. Jake King of Hereford attended the funeral of H. D. Payne in Lubbock Wednesday afternoon.

David Montiel plays guard for the Dimmitt Bobcats this year. They won their first game with Crosbyton 13-9 at Crosbyton last Friday and lost to Slaton at home Sept. 9.

Mrs. Patsy Morris and son

Gabe of Dimmitt visited in the revival services Monday night. Rev. and Mrs. Glen Smith of Springlake attended the revival services Tuesday night. Rev. Orville Rogers of Calvary Church, Tulia, and a layman attended the Friday night services. Mr. and Mrs. Ernest Baker of Springlake also attended Friday night. He also attended Friday morning.

THE YOUTH of the church had a fellowship at the church after the evening services.

The G.A.'s and their director, Mrs. Hershel Wilson, put on a skit in the Sunday morning services to initiate the Mary Hill Davis state mission program and offering for the coming week.

Mr. and Mrs. Doug Freeman of Jal arrived Friday to spend a few days with his parents in Earth and her parents Mr. and Mrs. Hershel Wilson and Dan. They visited with the Freemans until Sunday and will visit until Tuesday with the Wilsons.

Emergency drought loan applications due soon

Farmers in Castro County who plan to apply for federal emergency loans to help them recover from drought losses should file applications no later than Sept. 30 at their county office of the US Farmers Home Administration (FmHA).

FmHA COUNTY Supervisor Wayne Pipes issued this reminder that terms of the special drought impact emergency loan program, for which congress appropriated extra loan funds this year, carry the Sept. 30 deadline for loan applications.

This rule applies in counties where farmers' eligibility for loans is based on drought impact designations made by the federal interagency drought emergency coordinating committee. Castro County is under that type of designation.

Pipes said estimates of loan amounts needed under applications filed by Sept. 30 can be revised if necessary in the course of loan processing. In some cases, production loss this year may not be finally determined until later.

FmHA, the credit agency of the US Department of Agriculture, makes farm emergency loans to cover losses resulting

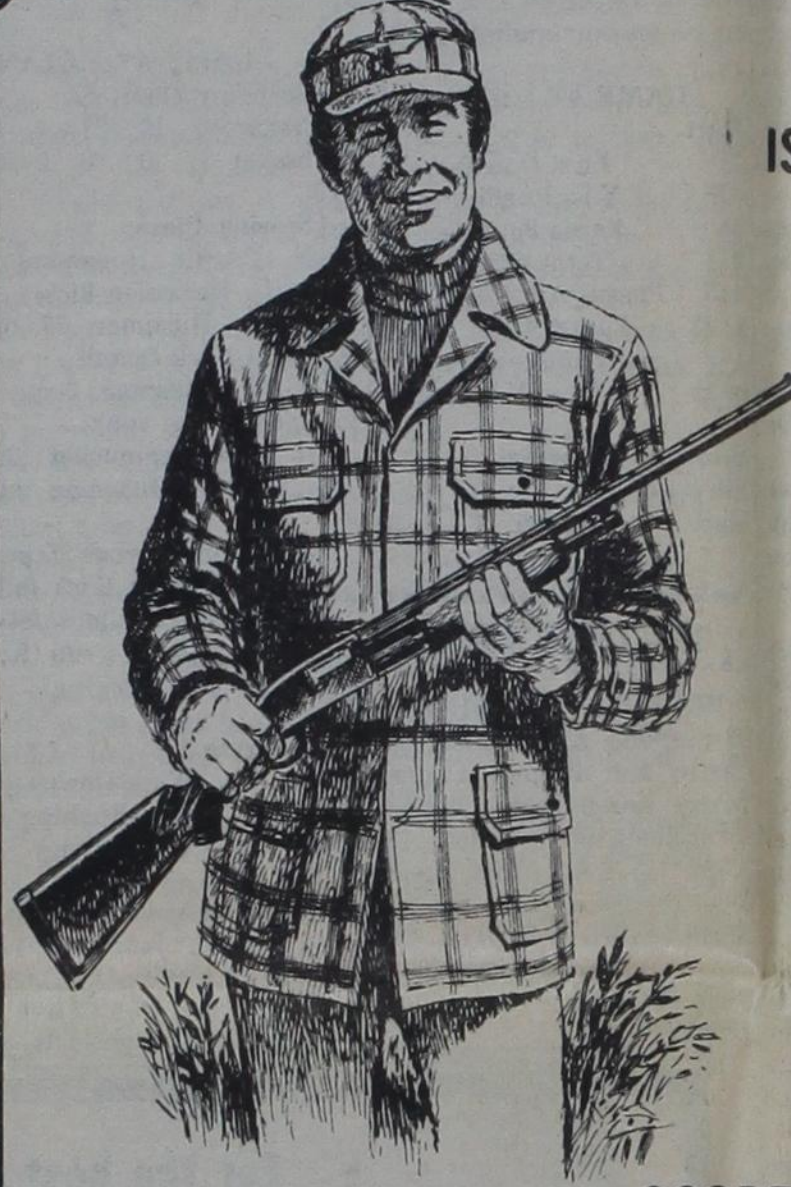

from designated natural disasters and help farmers restore production to pre-disaster conditions.

UNDER new legislation signed into law by President Carter Aug. 4, loans not exceeding \$250,000 to offset production loss from disasters occurring since last July 1 are made at an interest rate of 3 percent. Loans to offset that portion of actual loss exceeding \$250,000 are made at an interest rate of 5 percent.

Additional financing for production purposes or for making major adjustments in farming operations is at a higher rate. Applicants must show that necessary credit is not available to them from commercial lenders serving their localities.

Farmers may obtain further information or file applications at the FmHA office at SW 3rd and Bedford Sts.

Kiwanians hear kidney patient

The Dimmitt Kiwanis Club Monday presented a \$200 scholarship to the group's past sweetheart and heard a program from the National Kidney Foundation.

ALAN Brockman of Hereford, former resident of Dimmitt, began his talk by comparing the human kidney to a filter in a car.

"In either case, when the filter stops working or gets clogged up, there's going to be trouble," Brockman said. "But in humans it is considerably more difficult to replace the filter."

He added that there are two choices that a kidney patient may make.

"ONE CAN choose home or clinical dialysis or a transplant," said Brockman, who is himself a kidney patient taking clinical dialysis treatments.

Brockman emphasized that one of the main goals of the National Kidney Foundation is to educate the public and get more individuals to sign donor cards or write on the back of their driver's licenses indicating that in case of death, they would like to donate their kidneys or any other organs.

"There are 18 people in the Amarillo area that I know of who need kidney transplants and there are possible donors," Brockman said. "A survey was made of the Amarillo hospitals, and over the period of the survey 31 persons who were injured in accidents in the area and were brought to Amarillo hospitals, later died in the hospital. That could have meant 62 donated kidneys if only the victims had signed a donor card or if their relatives were informed of the good it could do."

BROCKMAN said it is hard to talk to a bereaved family to try to convince them of the need for using organs from a dead or dying loved one, and added that that is why it is so important for a person to talk it over with his family and let them know his wishes before such a situation ever arises.

"It costs around \$27,000 per year for my clinic treatments," Brockman said. "So the few minutes it takes to fill out a donor card or the back of your

driver's license could become a million-dollar gift if your kidneys were given to two patients who then lived 20 more years."

In 1951 the first successful kidney transplant was performed with a twin donating to his twin, and the recipient twin is still living and functioning normally, according to Brockman.

"A DOCTOR skilled in kidney transplants has recently moved to Lubbock and will perform his first transplant there in October," Brockman said. "In the past the transplant operations were done in Dallas, but now it will be even closer to home."

The support of the National Kidney Foundation is a special project this year of Kiwanis Division 33, which includes Dimmitt.

President Joe Nelson presented Cindy Dobbs, last year's Kiwanis sweetheart, with a \$200 scholarship. She is the daughter of Mr. and Mrs. Clark Dobbs of Dimmitt, and is planning to attend Southwest Business College in Plainview, where classes will begin Sept. 26.

What you pay to lease a Zimmatic depends on the price of corn.

Here's another first from Lindsay... the Zimmatic Corn Crop Lease. Instead of a fixed lease payment, you pay for your Zimmatic based on the price of corn. If corn prices plunge, so does your lease payment.

By offering this new lease, Lindsay is sharing some of the same risks that you face every year. Corn prices fluctuate, which affects your profit picture. That's why Lindsay developed the exclusive Zimmatic Corn Crop Lease... a revolutionary program that tailors your lease payments to the changing price of corn, from one year to the next.

The Zimmatic Corn Crop Lease is designed so you can lease a Zimmatic without using your normal operating credit sources... your Zimmatic pays its own way by turning on your production.

The number of Zimmatics available under this program and the time period of this offer are

limited so come in soon and get all the details on the Corn Crop Lease and other exclusive leasing programs available only through Lindsay Credit Corp.

Take advantage of a program that has never been offered in the industry before... it's the lease we can do for you.
