JIMMY DAVIS (LEFT), COUNTY-DISTRICT ATTORNEY-DESIGNATE  
... With County Judge Weldon Bradley

## New county-district attorney is named

Jimmy Davis, 32, an assistant district attorney in Lubbock County for the past five years, was appointed by the Castro County Commissioners' Court Monday to succeed the late

Robert Buntyn as county-district attorney here.

Davis will be sworn in Friday at 10:30 a.m. in the district courtroom.

After Davis is sworn in, he will assume all the duties of his office, including prosecution of the Casas murder case, according to Jimmy Ross, who has been serving as the CA-DA pro-tem in the case.

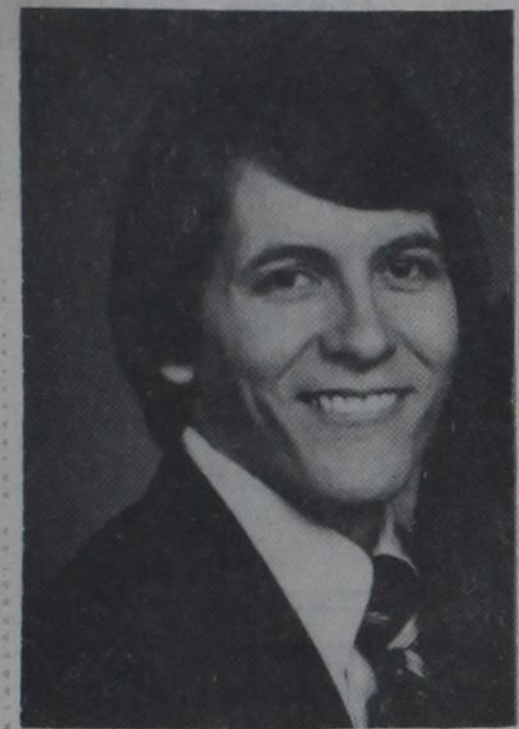

After consulting with an Austin attorney and the district judge, the commissioners decided to go ahead with an appointment instead of waiting for the state attorney general's opinion. However, they differed over whether to hire a CA-DA as a county employee at county expense or appoint one as a state-paid court officer.

The commissioners tied 2-2 on appointing Davis as a state-paid CA-DA, and County Judge Weldon Bradley cast the deciding vote in favor. As a result, no vote was taken on a second candidate who was present Monday.

Davis' appointment will be in force until the general election in November 1978, at a reported salary of \$27,500 per year.

Davis, who is married, said he will commute daily from Lubbock until he and his wife are able to find a house in Dimmitt.

## Lemons will seek CA-DA post in '78

Keith Lemons, lifelong resident of Castro County and now a senior law student at Baylor University, announced this week his intention to seek the office of criminal district attorney of Castro County in the 1978 elections. Lemons is a 1972 graduate of Hart High School, a land owner in Castro County and the son of Mr. and Mrs. Warren Lemons who have farmed at Hart 25 years.

He and his wife, Pamela Jo, who teaches in Waco schools, plan to return to Castro County shortly after he completes an internship with the district attorney in Waco.

## United Way campaign in trouble

"Unless we have a resurgence, I don't think we'll make the goal," United Way Campaign Chairman Jack Edwards said as the fund drive ran into trouble during its fourth week.

As the campaign entered its final seven days at last Thursday's report meeting, Edwards reported that only \$9,484 had been pledged or donated—57% of the goal of \$16,750.

As a result, Edwards said he is extending the campaign at least until Nov. 17. The drive originally was scheduled to end today (Thursday).

"Some of the businesses and people we were expecting a lot of help from are disappointing us," Edwards said.

But there were a few glimmers of hope, he reported. A Dimmitt service [See UNITED WAY, Page 5]

## Editorial

### Your community needs you

"A United Way contribution is not just a donation for a tax deduction. It's something we owe to our community. We have a responsibility. People are always saying how proud they are to be living here, and how proud they are to enjoy the benefits of small-town life. But it takes some financial support to make these benefits happen. It's time for people to put their money where their mouths are."

The words are those of Reta Welch, president of the Dimmitt United Way. And she hits the nail right on the head. Our responsibility to our community doesn't end with the enjoyment of its benefits, or with participation, or with lip service. These benefits require dollars-and-cents support.

The United Way drive is in trouble. Workers are trying to raise \$16,750 to finance 12 organizations that provide priceless benefits to our community. (Without this all-in-one

campaign, you would be asked to contribute to 12 separate fund drives totaling \$28,000.) But the drive is falling far short of its goal.

If you aren't part of the solution, then you're part of the problem. It's as simple as that.

The United Way isn't asking for much—just a dime a day from every family within the Dimmitt Independent School District boundaries. That's just \$36 per year per family. It can be paid all at once, or pledged by bank draft at \$3 a month, to start in January. Of course, any amount will help.

Perhaps you haven't received a pledge card. The UW drive is short of workers, and they've had a hard time getting all the cards distributed.

If you haven't yet donated, clip out the pledge card below and mail it in today with your contribution or pledge.

A Dimmitt farm couple who are self-professed witches were charged with murder last Thursday in connection with the Halloween night shotgun death of 15-year-old Roxanne Casas.

Loy Dean Stone and his wife, Louise, both 47, were arrested at noon at their home 6 1/4 miles northeast of Dimmitt.

After spending 3 1/2 hours in the county jail—Stone in a first-floor cell and his wife in the women's cell block on the second floor—they were arraigned separately before Justice of the Peace Marshall Young, who set their bond at \$50,000 each.

Mr. and Mrs. Stone both posted bond at 5:30 p.m., and are now free on bail pending investigation of the charges by the next Grand Jury.

Their arraignments at 4:25 and 4:35 p.m. came just half an hour after the funeral mass for Miss Casas had ended at Immaculate Conception Church, and while a large crowd of mourners gathered at Castro Memorial Gardens for her graveside rites.

More than 500 persons crowded into the church for the slain girl's funeral, with more than 100 of them standing at the rear of the sanctuary and in the church foyer.

Miss Casas, a Dimmitt High School sophomore, was killed by a shotgun wound in the head while she was a passenger in a pickup with four other Dimmitt teenagers on Halloween night.

Two other youths in the pickup—Maria Trevino, 15, and Carlos Garza, 18—received buckshot wounds from the charge that blasted through the pickup's right window. Another shotgun charge hit the right side of the pickup bed, officers said.

Miss Trevino and Garza were both treated at Plains Memorial Hospital.

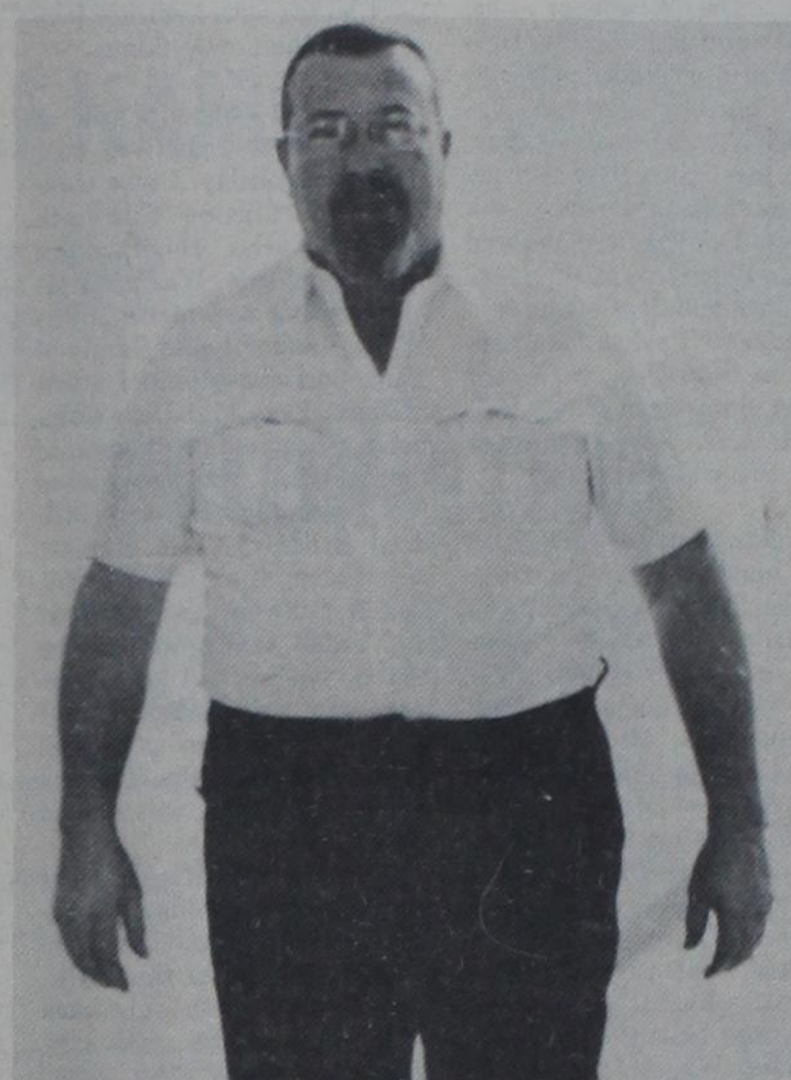

The pickup's driver, 18-year-old Arthur Herrera, and another passenger, 15-year-old Adriana Rangel, were uninjured.

Investigating officers said the pickup evidently was in the gravel driveway of the Stones' farmyard, near a concrete-block well house, when the fatal shooting occurred.

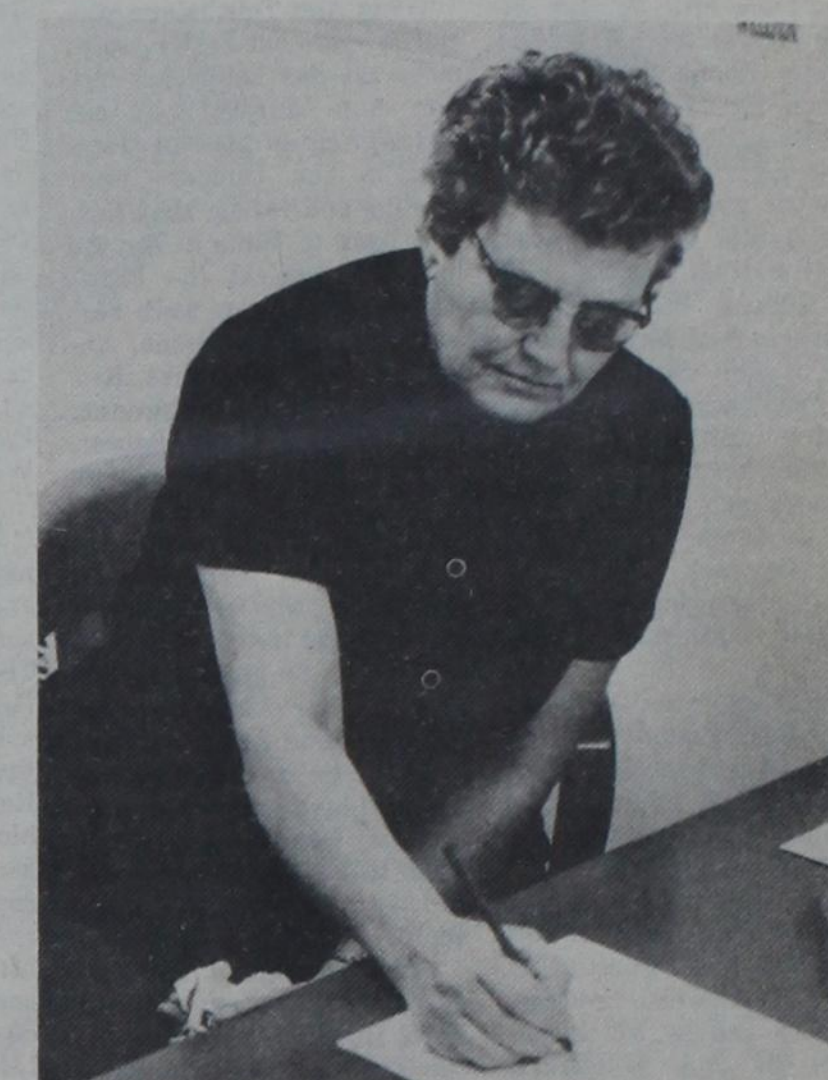

Many carloads of Dimmitt and Hereford teenagers reportedly drove along the Easter road near the Stones' home on Halloween night, apparently hoping to see a "witches' ceremony" or a "devil worship," officers said.

One student reported that "half of the kids in high school" had planned to join the Halloween procession of curious teenagers, prompted by recent TV and wire-service features in which the Stones explained the beliefs of the Church of Wicca and promoted a witchcraft seminar in Amarillo.

Sheriff Granville Martin said the Stones had called his office about 7:30 p.m. to complain of harassment, and that he had checked around their house and had found "nothing amiss at that time," although he had ordered one carload of teenagers to "go home and leave these people alone." He was still patrolling along Easter road when [See STONES CHARGED, Page 5]

## Wicca religion spurs curiosity

The bizarre circumstances of the Halloween night slaying of Roxanne Casas has led to speculation and curiosity about the Wicca religion, of which the Loy D. Stones are adherents, since the murder reportedly occurred near the Stone residence and the Stones have been charged in the case.

The Stones have both belonged to the Wicca Church—which predates Christianity—for about 10 years. The religious group reportedly believes in witchcraft, reincarnation, psychic phenomena and astrology.

Stone holds a "doctorate in Celtic Witchcraft" from the International School of Wicca in St. Charles, Mo. Mrs. Stone is a former secretary of the Wicca Church.

"Wicca does not translate to Witchcraft Cult of America, though some folks might think so," Stone told Tommy Weaver, co-editor of Hereford High School's student newspaper, in a recent interview.

"We're commonly known as witches, but not so much in the sense of the old Salem witches that worship the devil," Stone said. "We don't believe in the devil, we believe in a force of God that we can control with our minds."

"We worship God in ritualized prayer; we more or less use props to put ourselves in a frame of mind. Catholics do this to some extent at Christmas Mass."

"Our belief is that we are reincarnated each time we die until we reach a state of perfection, each life being a higher degree than the one before. We believe that you can control what happens in your own life."

"If, for instance, something goes wrong in our day we blame ourselves, not God. If something does go wrong, we try harder to correct ourselves. We someday want to reach perfection, and when we do this we'll be a part of God. We may not be but a hangnail on

his finger, but we'll still be a part of God."

In an Associated Press interview recently, Mrs. Stone was quoted as saying, "Yes, we call ourselves witches and warlocks," yet in a later interview with the Dallas Morning News, Stone said, "There are no warlocks anywhere but in England. Here, we have male and female witches."

Stone told the Dallas Morning News of a friend of his in California who had recently done several life readings on him and had then drawn portraits of him in three former lives.

"We believe," he said, "that everything you send out comes back to you threefold. Maybe in some other life, but it will come back to you. We are an Earth religion. We believe that everything has a spirit and is therefore a part of God."

He added that one of the commandments of the Wicca faith is "Harm none, do what thou wilt."

"That's not to say," he said, "that we believe in always turning the other cheek, however."

The reported harassment of the Stones was related to their unusual [See WICCA RELIGION, Page 5]

## More than 500 attend funeral

More than 500 mourners crowded into the Immaculate Conception Church last Thursday afternoon for the funeral of 15-year-old Roxanne Casas.

Other mourners, knowing the church would be packed, waited quietly at Castro Memorial Gardens for the graveside services.

Miss Casas was killed by a shotgun blast Oct. 31 while she and a pickup-load of friends were taking part in a Halloween-night convoy of curious teenagers. Mr. and Mrs. Loy Stone, who live 6 1/4 miles northwest of Dimmitt, have been charged with murder in the wake of the bizarre incident.

The church's sanctuary has a seating capacity of 380, with room for 80 to 100 more in side chairs and in glassed-in rooms at the rear. All seats were filled, and up to 100 stood in the church foyer throughout the funeral mass.

The dead girl's sophomore classmates sat as a group near the front. Many of them, along with older and younger mourners, broke into sobs during the service.

"I'm sure you sophomores knew what kind of person she was," said Father Raphael Chen, who had been the girl's priest since she was an infant. "I knew—she was a very sweet person. She would always say 'hi' to everyone, regardless of who they were, and would always have a smile."

"She was never involved in any trouble until last Monday, when, just like other teenagers, she went out to have a little fun with her schoolmates," Father Chen continued. "Then, all of a sudden, she was hit. 'Why did this have to happen? Perhaps her death was a part of God's plan. I would like the parents and relatives to accept it as such.'"

Shortly before Father Chen bid "vaya con Dios" to the dead girl, five or six members of the Brown Berets, Chicano militant group from Lubbock, slipped out of the church foyer as quietly as they had entered earlier. They were also on hand at the graveside rites.

Less than an hour before the 3 o'clock funeral, Sheriff Granville Martin had called Miss Casas' parents, Mr. and Mrs. Raul Casas, to inform them that murder charges had been filed in connection with her death.

## Headquarters planned for farm movement

Establishing a headquarters for American Agriculture in Dimmitt, like those recently set up in a number of nearby counties, is the first goal of about 75 Castro County farmers who met at the high school ag building Tuesday night.

They heard speakers from Springfield, Colo., where the American Ag movement started nine weeks ago, and from offices at Hereford, Friona, Bovina and Muleshoe.

Still an unorganized movement, with no officers, dues or bylaws, the group has mushroomed as farmers from 40 states and some in Canada have set up offices to publicize the plight of the American farmer and act to secure higher prices for farm products.

The Dimmitt Young Farmers called the Tuesday night meeting here. Some of its members and other farmers of the county now are seeking a location for an office to serve as headquarters here, and asking donations to support the movement. Rex Lust is the DYF president.

Among those seeking contributions are Don Moore, Bill Yokum, Gerald Summers, Richard Connell and Max Hastings. Plans are to have the office manned so inquiries about the movement may be answered and information distributed.

Speakers Tuesday included Gerald McCathern of Hereford, who has been a leader in the movement over the High Plains; Dan Yokum and Wayne Blocker of Springfield.

They emphasized that farmers must decide individually whether they can join in a proposed farmers' strike set by the Colorado group for Dec. 14.

"The most important thing is, we don't want any martyrs," one of the speakers said. "Each man must look at his own operation, talk with bankers and land owners and do what he can individually."

United action was also emphasized, and the need for planning as well as looking at history and not repeating farmers' mistakes of the past.

"As bad as 'strike' sounds, it sounds better than bankruptcy," a speaker said, explaining that strikes have been effective for other groups in America and might well help the farmer receive a fair price for his crops.

The American Cattlemen's Association, many independent truckers and approximately 65 percent of union steelworkers are supporting the American Ag movement, it was reported, and the Canadian government had backed the movement in that country.

## Funeral service set at Nazareth for Mrs. Burt

Funeral services for Mrs. Helen Burt, 65, a lifetime resident of Nazareth who died early Tuesday in Plains Memorial Hospital after a brief illness, will be held at 10 a.m. today (Thursday) in the Holy Family Catholic Church at Nazareth.

Burial will be in the Holy Family Cemetery under direction of Dennis Funeral Home. Officiant for the funeral mass will be Rev. Stanley Crociola, pastor of Holy Family Church. Mrs. Burt was a member of that church.

She is survived by three daughters, Virginia Huseman of Nazareth, Sue Burt of Plainview and Martha Kirkpatrick of Ardmore, Okla.; a son, Sam of Longview; a sister, Margaret Acker of Nazareth; 20 grandchildren and seven great-grandchildren.

Myrtle Williams received word that her brother-in-law Paul and his wife Mary Williams, were washed away in the flood waters at Toccoa, Ga. The 30 foot wall of water hit the college where Mary taught music. Paul's body has not been found. Paul and Mary owned farm land in the Plainview area. They were in their 60's. Paul worked at the college.

Tricia Ann Touchstone was eleven years old Friday, so to make the day happy her mother Ann Murphy took her and a group of girls to Hereford in the camper, went bowling and eating, then hurried back to Dimmitt for the big pep rally at the court-house yard. Guests were Barbara Lewis, Jodie Stone, Angie Kitchen, Jane Hicks, Kris Sullivan, Holly Waggoner, Kim Howell, Kyla Boozer, Tracy Cearley, Tracy Roark and Tammy Washington.

Geneva Schaeffer went to Arkansas last week to visit her sister. She reports how beautiful the trees are in their fall colors of gold, red and yellow. Her nephew Paul Meason came home with her and will be a sophomore in Dimmitt high school this year. Saturday Geneva went to Amarillo to be with her mother-in-law, who is in a hospital there.

Mrs. Ted Sheffy had surgery one day last week at NWT Hospital. She is fine. I saw Rev. and Mrs. Barringer there visiting friend H. O. West, who is quite ill. He is the father of Bobby West. They, the Barringers, had been to a Lubbock hospital to see the young son of the Paul Frys who has been very ill.

Kenny and Luan Ebeling and Don Hanna went to Ruidoso in October for the second Mule-a-Rama. Luan says these are mule races, chariot and hide races, different classes. Kenny's mule came in sixth. John Martin's new barn is almost completed. The old barn burned down in February. Their son Bobby was home for four days fall break.

Cotton quality high this year

The quality of High Plains cotton classed through Oct. 21 has been "fantastic," says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock. Johnson compared this year's High Plains fiber characteristics with those reported from other areas of the Cotton Belt and said "High Plains cotton looks better by comparison than ever before, a fact which will make it saleable in markets not available to us in years past."

Grades, micronaire readings and fiber strength tests all are registering substantial improvements over previous years and all compare favorably with cotton from other states. Staple length of High Plains cotton is always shorter than the national average, but this is the only category in which Lubbock-area cotton falls behind. "Exceptionally good growing and harvesting weather has helped raise High Plains cotton quality in other respects," Johnson explains, "but staple is primarily determined by variety."

He attends school at Stillwater. Charlie Sammann is home from his church mission. He has been gone for two years to Mexico and other places. Is in Colorado now.

Linda Martin's mother of Guymon has been here for a week. She helped clean closets and paint inside and outside the house. Now, that's the kind of mother to have!

Going back to the Mule-a-Rama, the Ebelings saw Charles and Lois Wades, Dale and Marie Winters, Charles and Courtenay Armstrong. Charles bought a pair of chariot racing mules. Seems they have interesting ancestry, ask Charles. Oh, yes, and Pat and George Bagley were there, as were Jack and Jessie Ebeling.

Brad and Rachel Summers came in from Oregon to visit all the Summers, Jack, Bill, Elbert, Mrs. Ross Summers. Well, the whole family. Gordon and LaVerta Fore have bought a new camper and the first trip was to Wilson Lake in Russell, Kan. They had a family get together with LaVerta's sisters and husbands, Mr. and Mrs. Ross Lord of Blue Rapids, Kan., Mr. and Mrs. Roy Corbin of Russell and a brother Mr. and Mrs. Boyd Knackstedt of Russell. Left there and went to Arlington. Visited Mr. and Mrs. Ed Stebbins and Louise Biggs. Spent a few days at the beautiful Whitney Lake near Waco. Joined Gordon's family for a few days at Stamford Lake and saw Mr. and Mrs. Clifford Simmons of

Plainview and Mr. and Mrs. Jack Fore of Littlefield. Thursday night the Les Clareys were surprised with a housewarming by the Stan Byrnes, Don Warrens, Ronald Goldens, Jerry Kittrells, Joe Bob Sanders, Bill Glidewells, Bill Sanders, Harold Hymans, Ken Justices, Jerry Hanners and Jack Edwards. They brought barbecue and homemade ice cream. The hosts and hostesses presented the Clareys with a wicker love seat for their new home.

The high school Class of 1937 celebrated their 40 year reunion Saturday. I was chatting with Maxine Skipworth Erdman, who came down from Sunnyside, Wash. She is also visiting her niece Sunny Wyer, Randolph and Randy of Earth and was a dinner guest of Edna Faye and Dick Reinhardt. She mentioned some of the people who graduated that year—James and Mildred Bradford, Bub Ramey, Jim Elder, Ina Dee Merritt, Lola B. Schwen, Kathryn Easter Vardell, many others, Jack Boren, but he had heart surgery and was unable to be here. Don Nelson will give you the names of the others. I think Allan Webb was one of them.

Waenza K. Faggins of Pampa was a Sunday church guest of Ruby Mountrie, who is choir director of the Methodist Church. Both went back to Pampa to be with the Mountrie family. An aunt, Touchrise Jackson, passed away and the services were Monday.

Eunice Bailey and Lila Laymon of Fort Worth were in Amarillo last weekend and Mary Lou Webb met them at another sister's home, Mr. and Mrs. Larry Thrasher, for a visit. They all helped find a house for Mrs. Bailey, who will move to Amarillo soon.

Alma and Glover Frazier were Sunday dinner guests of her son Bo and Wanda Owens in Amarillo. They visited with her sisters Mae and Lon Coffee and Velma Hicks in the afternoon.

Last week a group of young matrons went to Ruidoso where they stayed at the G. L. Willis home. Had fun visiting, doing needlework, bridge, what have you. These girls, I hear, went, Jill McLean, Jan Bacca (a Willis girl), also Kay Willis Rogers of Santa Rosa, Mary Lynn McWhorter of Hereford and Jean Morris.

Danny and Donna Newton and baby have moved into their house on Eighth Street between Helen Richardson and the Ben Derricks. All their friends helped remodel the house, painted white with yellow trim.

Mrs. Frances Upfold (a teacher) had surgery last week at High Plains Baptist Hospital in Amarillo and Lindon Hollis, also a teacher, went to Temple for a physical checkup.

Mrs. David Keith attended the funeral of her dad near Wichita Falls. He had a heart attack.

All the Dimmitt teachers attended the TSTA Convention in Amarillo last Friday,

heard some good talks.

The old time jazz bands were playing at the Country Barn in Amarillo Saturday evening and Linda Roberts took her parents, Mr. and Mrs. L. F. Smith of Lubbock, there for dinner and the music. The Smiths celebrated their 40th wedding anniversary. Going with them were Dickie Holcomb and Edna Faye Reinhardt. They saw many people from here, like J. M. and Ruth Wright, Carolyn and Joe Ben Mitchell, Johnny Davis and Buster Cooper, Bill and Deanne Clark, Charles and Dianne Axtell, Doug and Ginny Lapins and others. Wish I could have heard that music too.

The Abner Roberts came up from Lubbock Sunday to see son Jim and Linda. Susie Ellis and baby came down from Dodge City, Kan. for a visit with mom Aural Davis. I saw them at church Sunday.

B. M. and Viola Nelson have returned home from a two-week vacation in central and south Texas. They visited relatives in Temple, Rosebud, Marlin, Cameron, also Austin, where they visited granddaughter Connie Nelson, who is going to the University of Texas. Then to Beeville to visit son Bascom Jr. and Penney and Susan. Also Penney's sister Ethel Brashear of Monroe, La. was visiting in their home. They went to Corpus Christi to take Ethel to catch a plane home. Also at the airport they saw Gary Webb, who had been fishing

in the Gulf. They ate dinner at a Chinese restaurant. Then to Victoria to visit brothers P.M. and Bernice and Herbert Nelson and nephew John R. and Ruthie Nelson and niece, Genie and husband Johnny Stafford and baby. One day while there it rained hard all day. It was a surprise while eating supper in Temple to see Mrs. O. G. Hill and Mrs. Ray Johnson of Hereford. They had been to Corpus to a flower show and were going through the clinic at Scott and White Hospital. It's good to see friends from home when you are so far away. They also visited Ernie Garcia in Cameron, former manager of Gibsons in Dimmitt. Visited a cousin in Cameron and friends in Rogers, no relatives there anymore. The countryside was beautiful but no color yet. Maybe in a few weeks. Lots of trees and

rivers and streams with water. James and Mitzi Dewall and baby James Ray moved here recently from Pampa. They will attend church with the Methodists. James is manager of the Pizza Hut, and I met Lowell Rusher who is part owner of the Pizza Hut. He and his wife Betty live in Hereford and he commutes here.

# Veterans Day proclaimed for Texas

Veterans Day observance, divided between two different dates proclaimed by federal and state authorities, will be Friday, Nov. 11, which Gov. Dolph Briscoe has designated as the official holiday.

This original date for honoring military veterans, which started as "Armistice Day" to mark the close of World War I, will not be widely observed in Dimmitt.

All federal offices and most city and county offices were closed Oct. 24, the proclaimed by US government officials in keeping with the idea of observing all holidays on Mondays.

First State Bank has announced it will be closed Friday. So will the office of the Texas Department of Transportation and Highways.

The State Welfare Department office here will be closed also, and the Farmers State Bank at Hart.

Bedford Smith, County Veterans Service Officer, was named county and state co-chairman of Veterans Day observance for this area, as Gov. Briscoe appointed Aubrey L. Bullard, executive director of Texas Veterans Affairs, as state chairman.

Display of the US flag, recognition and appreciation of all war veterans is asked by the governor in his official memorandum.

"The men and women who served in the uniform of our country have made a major contribution to the preservation of America's freedom... and freedom throughout the world," the proclamation said.

"Gallant Americans serving in today's armed forces continue to demonstrate the unselfish willingness of our nation to meet the challenge of those forces wishing to defeat through armed conflict the cause of individual determination."

Teachers in county schools who are not TSTA members attended in-service workshops in their own schools on the day of the convention.

The House of Delegates met last Thursday night and joined in the Legislators' Appreciation Banquet at which plaques were presented state senators and representatives of this area. Ex-Senator Max Sherman, now president of West Texas State University, was especially honored.

Stephenson, Patterson and Peggram have served on district committees the past year. Stephenson is serving his second year as county president and was elected delegate to National Education Association conventions at

The following institutions and their personnel have contributed or pledged an average of \$36 or more per person to the 1977 Dimmitt United Way campaign:

- Huckabay Abstract Co.
- Rhoads Memorial Library
- Castro County Probation Office
- Dimmitt Appliance Center

# Bobcat Band No. 1 again

Another Division I rating, their 24th straight, was earned by Dimmitt Bobcat Band members in the UIL regional marching contests at Jones Stadium on the Texas Tech campus at Lubbock last Wednesday.

This is the first requirement toward the Sweepstakes award, which Dimmitt High School bands have won 23 times in the last 23 years. Division I ratings in sight reading and concert playing as well as in marching are necessary to take Sweepstakes.

The DHS bandsmen directed by Ralph Smith performed in the contests for Class AA high schools of Region 16.

AA school bands besides Dimmitt's which were rated I at Tech last week are Friona, Floydada, Littlefield, Lockney and Frenship.

# John Conyers rites planned

Funeral rites for John E. Conyers of Hereford, father of Bill Conyers of Dimmitt, will be conducted at 3:30 p.m. today (Thursday) in the Smith & Co. funeral chapel at Hereford. Mr. Conyers died Tuesday afternoon at his home in Hereford at the age of 69.

He was a native of Burnille, Okla. and a retired farmer who had been a Hereford resident 27 years. He was married in 1942 at Ardmore, Okla.

# Paving bond vote slated at Nazareth

A \$75,000 bond election for improvement and extension of street paving in Nazareth has been called by the Nazareth city commission, with voting set for Nov. 29 at the Community Hall.

The proposal calls for repaving streets in Nazareth which are presently paved, to provide better drainage, and to pave the remaining streets. Curb, gutters and surface paving is planned.

All business and residence areas of the town would have paving when the proposed project is completed, according to the commission's plans.

About 2 1/4 miles of paving is included in the plans, at an estimated cost of \$270,000. The city would pay approximately a third of this total with the \$75,000 which the election calls for, supplemented by funds now available, according to Jack Edwards, city attorney for Nazareth.

Property owners would pay the remainder, Edwards said. The cost to owners of abutting property is estimated at about \$6 per linear foot, and will not be more than \$10 per linear foot, he explained.

Mrs. Leo Ehly has been appointed presiding judge for the election with Mrs. Agnes Brockman as alternate. Two or more clerks are to be chosen, one of whom will speak Spanish in order to aid any voters desiring the help. Polls will be open from 7 a.m. to 7 p.m.

Absentee voting will be conducted in the office of the city clerk during the hours of 8 a.m. to 5 p.m. except on Saturdays, Sundays and official state holidays.

# Scott now sergeant

Bill Scott, a patrolman with the Texas Department of Public Safety since June, 1967, has received an appointment as sergeant, effective Dec. 1 when he will be transferred to Brookshire, a Houston suburb, as a Texas Highway Patrol area supervisor.

Scott has been a highway patrolman 15 years and was made a sergeant following statewide tests in August and appearance before an interview board in September. Of 162 who took the tests, 25 were called before the board and three received appointments as sergeants.

In Scott's new post he will be supervisor of a 14-man patrol. He received a degree in law enforcement last year from Wayland College.

"I've enjoyed working with the people here. I like Dimmitt and have been here long enough to consider it home," said Scott, who is married to the former Carla Ward of Dimmitt.

"I'm leaving with mixed emotions," he added. "I feel we have a lot of friends here and have the support of the people. Without that support you can't have an effective law enforcement program."

# City hikes police pay

Dimmitt's city commission hiked all police salaries Monday night to bring them in line with other police departments in the area and also to make it easier for Chief Joe Ben Mitchell to hire good replacements for two policemen who have resigned.

The new scale ranges from a starting salary of \$825 per month for an inexperienced policeman to \$950 per month for a certified policeman with at least a year's service in the department.

The commission authorized a schedule of raises and uniform allowances that will result in a \$950-a-month salary for all certified, tenured policemen.

Also, the commission hiked Chief Mitchell's salary to \$1,200 per month plus a \$75 clothing allowance, and set the police sergeant's salary at \$50 above that of patrolmen. Santos Perez is the only sergeant on the force.

Mitchell said the scale is now competitive with police salaries paid at Dumas and Dalhart, slightly lower than Hereford's and considerably higher than Tulia's.

The City Police Dept.'s pay scale also is higher than the County Sheriff's Office scale. Inexperienced deputies start at \$650 a month, while certified deputies get \$700, County Judge Weldon Bradley said. All deputies receive a \$50-a-month raise after six months in the department.

# Wicca religion ...

[Continued from Page 1] beliefs and the fact that they were self-professed witches.

Mrs. Stone was quoted by the wire service as saying that Halloween is a "major" holiday because it marks the beginning of the Wicca New Year. In the Dallas paper the Stones said they generally celebrated the holiday by inviting area followers of their religion to their home for a "meditation period," but had decided to spend the night alone without any celebration this year.

At 7:30 the night of the murder, the sheriff's office received a complaint of harassment from the Stones. Reportedly, carloads of teenagers were coming by to "see what the witches were doing."

Investigators suspect that the harassment was additionally triggered by an earlier appearance by the Stones on an Amarillo television station, in which they told of their beliefs in conjunction with an occult gathering there.

Stone told the Dallas paper that as soon as the Halloween tragedy occurred, he began receiving telephone calls from psychic friends throughout the county.

"They knew something bad had happened," he said. "Some weren't sure what it was; only that we were in some kind of trouble." Others, he indicated, were able to enlighten him and his wife about what actually took place that evening.

The Stones have said they knew nothing of the shooting and that they heard no shots at their farm on Halloween night. Mrs. Stone said she and her husband had noticed the passing cars of curious teenagers that night, and had called the sheriff's office "like we've always done in the past."

# Attorney named

[Continued from Page 1] of Lubbock High School, Davis graduated from Texas Tech and from the University of Texas Law School. He has been an assistant district attorney in Lubbock since passing his state bar exam.

"I've been to Dimmitt several times before when I used to come home with my schoolmate and work associate, Kent Hance," Davis said. "Another schoolmate of mine was Mrs. W. J. (Sarah) Hill."

Davis is presently serving as the president of the Lubbock County Junior Bar and as president of the Lubbock Kiwanis Club. He and his wife are Baptists.

"I have visited with members of the local bar association and I was well impressed with them and will enjoy working with them," Davis said. "I'm excited about this job, and my wife and I are excited about coming to Dimmitt."

In other action Monday, the commissioners approved the project agreement on flood water structure No. 1 on the Running Water Draw two miles east of Sunnyside.

The Running Water Soil and Water Conservation District and the county commissioners are joint sponsors of the project.

District Conservationist N.A. Bryson said that construction is scheduled to start in December with the foundation excavation and fencing. He added that bids on the project will be advertised for soon.

HELPING HANDS IN COTTON HARVEST  
... At Mrs. M. L. Harlan's farm

## Dozens aid Mrs. Harlan in cotton harvest Friday

The recently widowed Mrs. M. L. Harlan, whose farm is two miles east of Dimmitt, was once again descended upon by an army of eager helpers when it was time to harvest her 55 acres of cotton. Two weeks ago friends and neighbors helped Mrs. Harlan with the harvest of 108 acres of maize.

Friday from 10 a.m. to 2:30 p.m., eight cotton strippers loaded up 18 to 22 trailer loads of cotton that was taken to North Gin in Dimmitt where it made 49 bales.

Twenty-four men helped with the harvest, while some of their wives made and served lunch to the workers.

### Hearing set on commodity futures

Over the years agricultural producers who have dabbled in the commodity futures market have had both good and bad experiences. Now a move is underway to provide additional protection to those who engage in futures trading so that the bad experiences will be kept to a minimum.

A public hearing on the commodity futures market is scheduled for Nov. 16 at 10 a.m. in the Earl Cabell Federal Bldg. at 1100 Commerce St. in Dallas. Purpose will be to review the proposed rule changes that were published in the Sept. 6 Federal Register. The proposed changes are designed to provide additional protection to customers who trade in commodity futures, options or leverage contracts.

Proposed rule changes will cover these areas: suitability, supervision, disclosure of risk, discretionary accounts, advertising, churning, and handling of customer orders. Producers interested in obtaining a copy of the proposed rule changes may contact Dr. Ernest Davis, Agriculture Bldg., Texas A&M University, College Station, 77843.

### Grain storage on farm safe if care used

Grain can be stored safely on the farm providing a few precautions are taken, Melvin Barton, chairman of the Castro County Agricultural Stabilization and Conservation committee said.

"Particular attention must be paid to the moisture content of the grain and you need a structurally strong and weather tight building. Grain must have a low moisture content for safe storage. Excessive moisture will cause souring, heating or molding and will promote insect infestation. Grain can be dried in storage to a safe moisture content using either heated or unheated air.

"Even in dry grain there is a tendency in the colder climates and in larger bins, for moisture to build up in the upper layers of grain during the fall and winter," Barton said.

Spoilage can be prevented by installing perforated pipes or ducts in the bin, he said, then during cold weather a small fan can draw cool air through the grain to equalize the temperature and prevent moisture from being deposited in the upper layers.

"Even clean grain with a safe moisture content can't be stored and forgotten," Barton warned.

### Dimmitt men named by Baptists

Two Dimmitt residents were elected to major positions during the annual meeting of the 2-million-member Baptist General Convention of Texas at Fort Worth last week.

John T. Street, pastor of the First Baptist Church, has been re-elected to serve on the 192-member executive board, which is composed of laymen and ordained church leaders who conduct the business of the BGCT between annual sessions.

Charles Vandiver, a Dimmitt dentist, has been elected to serve on the board of trustees for Wayland Baptist College.

The Texas Baptist Convention owns and operates eight colleges and universities, an academy, eight hospitals and four children's homes.

The work is supported by the 4,400 churches and missions of the Convention.

Electric utilities have depended on high-voltage transmission lines for carrying electric power efficiently and to meet the growing demand for electricity. But now there is increased opposition to high-voltage lines.

The usual high-voltage line carries 345 kilovolts. Now there are 765 kilovolt lines which carry three times as much electricity as the 345 kv lines. But they cause nearby television screens to flicker, play hob with pacemakers and the surrounding atmosphere crackles. There are some experts in the Environmental Protection Agency who believe high-voltage lines may also cause long-term biological damage.

High-voltage lines have been around since 1969 and there are 1,400 miles of them, mostly in remote and rural areas. There have been few attacks on the high-voltage lines because most arguments between consumer groups and the utilities have been over rates and nuclear power.

Recently the New York State Public Service Commission laid down new ground rules which may become standard for the rest of the country. High-voltage lines must have an additional 200 feet of right-of-way near any housing and 48 ft. clearances over highways. One of the most common dangers is the tendency of ungrounded metal objects near the lines to pick up dangerous electrical charge.

## Bazaar is set by PMH Auxiliary

Women of the Plains Memorial Hospital Auxiliary make themselves the articles they sell in their annual holiday bazaar, and that includes two special items which will be given as door prizes in a drawing.

The gift sale and luncheon will be held this year Dec. 2 in the County Expo Center. To be awarded in the drawing that afternoon are a unique dollhouse and a needlepoint bell pull. Winners need not be present.

All decoration and furnishings of the 20 by 20-inch dollhouse were placed in it by Auxiliary members, assisted by Mary Cluck and Sue Phillips. The house, in three stories, is ready to be a luxurious home for a doll family. Jo Kirkpatrick made the bell pull, a handsome item for home decoration. It and the dollhouse will be placed on display in Dimmitt stores before the date of the bazaar.

Tickets are on sale now at Something Special Shop and the Village Shop. The public is invited to visit the bazaar, select Christmas gifts and attend the holiday lunch.

FIREWOOD may be sold by the standard cord, face cord or truck load. The best way to compare prices is to calculate the cubic feet of wood.

How many pivot companies tailor lease payments to crop prices?

# A New Lease from Lindsay.

Lindsay's Zimmatic Crop Lease is a revolutionary leasing program. If you don't take a long, hard look at it, you'll be shortchanging yourself. The Zimmatic Crop Lease is unique in the industry. When you study this offer you'll see that Lindsay is ready to go the distance with you and share some of the same risks you face every year.

**Here are the details:**

Term:	12 years
Payment:	Arrears
Security Deposit:	5% of equipment cost
Rate:	Depends on corn price
Option:	Conversion to standard 10-year lease

Consider the features of the Zimmatic Crop Lease. First of all, if corn prices plunge, so does your lease payment. But also consider the low security deposit (lowest in the industry) and the fact that it's a 12-year lease (longest in the industry). Both features improve your cash flow each year of the lease. Your Zimmatic is out there raising your first year's crop before your first payment is due. And you'll be getting an annual interest payment on your security deposit to use as you wish. Whether you raise corn, alfalfa, wheat, sugar beets, potatoes,

soybeans or whatever, the Zimmatic Crop Lease can work for you. Although the lease payment is based on the changing price of corn, Lindsay designed the program considering that over the long-term other crop prices generally fluctuate with corn. Come in and see us soon. When we put a pencil to this program, you'll see that no other center pivot irrigation company has a finance program that can compete with the Zimmatic Crop Lease.

## County Farm Bureau names TFB delegates

Castro County Farm Bureau has qualified to send seven voting delegates to the 44th annual meeting of the Texas Farm Bureau Nov. 27-30 at the Shamrock Hilton Hotel in Houston, according to Gale Sadler of Sunnyside, president of the 629 member organization.

County delegate strength is based on number of members in the county.

Attending as voting delegates from this county will be Sadler, Dan Heard, Don Moore, Larry Hausmann, Steven Hanes, Edgar Dennis, Jimmie Howell and Richard Connell.

Also planning to attend are Verna Sadler, Oma Dee Heard, Gwyn Hanes, Betty Dennis, Sue Howell and Johnna Connell.

More than 1,000 voting delegates from the 210 organized county Farm Bureaus in Texas will gather to adopt state policies and approve recommendations for national policies.

The latter will be forwarded to the annual meeting of the American Farm Bureau Federation which will be Jan. 8-12, also in Houston.

Texas Senators Lloyd Bentsen and John Tower will address the TFB meeting. Tower will speak Monday morning and Bentsen will address the Tuesday morning session.

TFB President Carrol Chaloupka of Dalhart will speak Monday and Executive Director Warren Newberry of Waco will give his administrative report Tuesday.

Brenda Baumgardner Drowes of Houston will speak at the ladies' luncheon Nov. 28. She is an instructor for

rather than having each affiliate apply.

For organizations in the northern half of Texas, the application for recognition, Form 1024, "Application for Recognition of Exemption," is filed with the District Director of Internal Revenue in Dallas.

Detailed information on applying for recognition of exempt status may be found in the free IRS Publication 557, "How to Apply for Recognition of Exempt Status for an Organization," available from IRS offices or by phoning the IRS.

Total Woman, Inc.

First day activities include state finals of the discussion meet and talent find competition. Eleven district finalists will compete for the title of TFB Queen.

The business session will begin Tuesday morning and continue until all proposed resolutions have been voted on. The last order of business will be the election of directors (from odd-numbered dis-

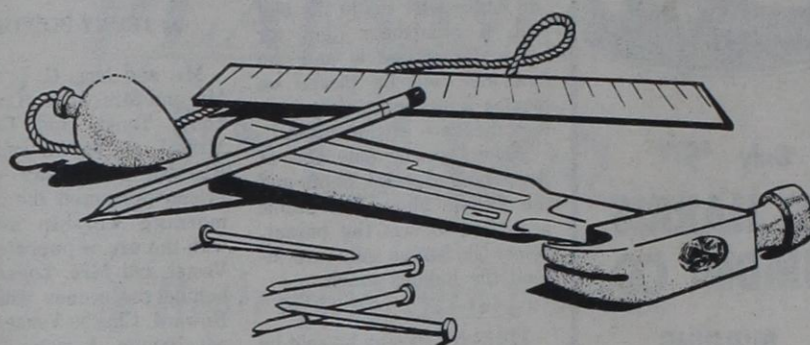

tricts this year) and the state president.

Following adjournment, the TFB Board of Directors will meet and elect a secretary-treasurer and a vice-president.

# The heat pump

"THE ELECTRIC SAVINGS MACHINE"

BUYING, BUILDING, REMODELING?

It's time to consider the heat pump. Southwestern Public Service Company can suggest the system that will give you the most for your energy dollar, and come up with some accurate information on installation and operating costs.

The heat pump is the electric savings machine. And usually a machine of such sensitive operation calls for a lot of space and some pretty technical installation procedures. NOT SO WITH THE HEAT PUMP! "Split systems" — most adaptable to homes — consist of an outdoor and indoor section, easily tucked away in a closet, garage, basement or attic. The single package unit looks very similar to a central air-conditioning unit that's placed outdoors. Both systems can be installed in most every home or office that has central air ducts. If you're buying, building or remodeling, it's time you said...

"Yes, the heat pump!"

NOTHING WAS LEFT to save by the time Dimmitt firemen could get to this burning mobile home on the Carl Bruegel farm 13 miles northwest of Dimmitt Sunday. Occupied by the Ernest Chance family, the mobile home caught fire at noon and was a total loss within a matter of minutes. No one was in the home when the fire started; Chance was stripping cotton nearby and his wife and children had just taken his lunch to him in the field. Cause of the fire was unknown.

## Senate runoff looms

Bob Simpson of Amarillo and Bob Price of Pampa will apparently be candidates in a runoff election for state senator from the 31st District, polling totals of 5,582 and 5,036 votes respectively in incomplete returns to lead the field of five candidates.

Castro County voters Tuesday gave Price the top count of 245, with Simpson and Mel Phillips tied for second place at 217 votes each. Burk Whittenburg received 138 votes in the county and Jim Brandon 135. Of the county's 4,000 registered voters, 971 or 24.3 percent went to the polls.

This was a larger percentage than most of the 26 Panhandle counties showed, however, on a cold and snowy election day. Potter County, where Amarillo is the county seat, had a turnout of only 16.79 percent.

All except Price, of the candidates for the Texas senate seat recently vacated by Max Sherman, were Amarillo residents.

Over the district, incomplete returns at midnight Tuesday showed 3,846 votes for Brandon, 3,814 for Mel Phillips and 2,993 for Burk Whittenburg.

Castro County voters approved five of seven amendments to the Texas constitution which were subject to statewide voting. Early returns from over the state indicated voter disfavor for the amendments that would permit electronic banking and formation of marketing associations.

In this county, voters turned down electronic banking by a 540 to 370 margin and by a close margin of 458 to

456 disapproved granting tax relief to certain cultural, historical or natural history resources. They favored formation of marketing associations by 534 to 388.

Also the Castro County ballots approved the other four amendments, by 648 to 266 for increasing the number of Criminal Appeals Court judges, 550 to 359 for additional bonds for the Veterans Land program, 828 to 106 for denying bail in certain felony cases, 470 to 421 for changing the name of a state commission.

## Voters kill cloud-seeding

A final blow to weather modification efforts on the South Plains was dealt by Hale County voters in a special election Tuesday, when they defeated a proposition that would have authorized the Texas Water Commission to issue a permit to Plains Weather Improvement Association.

The Plainview-based firm sought the permit to make hail-suppression flights over Hale County and parts of Castro, Lamb, Swisher and Floyd Counties.

Voters in precinct elections have previously halted aerial cloud seeding operations in other part of this area. Permits for hail suppression flights over the area may not be considered for at least two years now.

## Anton loses to Swiftettes

The Nazareth Swiftettes racked up their third win of this season over teams that were district champs last year, when they took a decisive 69-47 victory over Anton at Anton Tuesday night.

Cheryl Hartman poured in 38 points to lead scoring for the defending state Class B champions from NHS and won commendation from Coach George Cox.

He said he was "real pleased with her performance, and proud of our guards who held down Perrin and Nichols, a couple of very good Anton forwards." Nazareth was leading 39-23 at halftime in the game.

Karen Schulte put 22 points on the Swifts' scoring total, Glenda Gerber got 9 and Doretta Ramaekers 2.

Nazareth's JV girls also beat an Anton team, 51-37 with a strong second half after trailing 21-26 at the end of the first. Cox said defense was especially notable in third and fourth quarters, when the Swiftette JV's allowed only 4 and 7 points respectively.

Lori Gerber accounted for 29 NHS points while Sharon Gerber added 9, Marlene Huseman 8 and Christine Huseman 5.

Nazareth girls will host teams from Roosevelt Tuesday, with game times at 6:30 and 8 p.m.

## small talk from South Hills Manor

By BERAL HANCE

Last week was a busy one for the folks at South Hills Manor. Sunday morning Bro. Henry Perrin of the Nazarene Church conducted services and at 4 several members of the Church of Christ held a service.

Monday evening, Halloween, was a great night at South Hills. Beginning at 6 groups of young people and children from the churches in the community began coming in. Instead of "Trick or Treat" they were giving sacks of treats, candy, cookies, etc. to each resident. The people there love having children come in, so it was a great time for everyone. After everyone had left and the residents were enjoying their treats, a grown-up witch came in the back door, wailing that no one had given her any treats! They were amused at the old witch and were wondering where Geneva Justice was.

Tuesday morning Mrs. Hotel, home economics instructor at the high school, and her students came to take down the Halloween decorations they had put up earlier. They then decorated for Thanksgiving. You might like to go by and see the decorations. They are well done.

We would like to thank the Methodist youth for their devotional and singing Wednesday evening. The First Baptist Church has begun a Thursday evening program showing slides, Tom Burnett showed slides of the Navajo Indians last week and Delores Golden will be in charge this week.

Dorothy Musick spoke to a women's group at the Church of Christ Tuesday morning concerning volunteer work. Dorothy will speak about it to any church group or organization. Plans are being made now for a Christmas party for the South Hills Manor Auxiliary at the Colonial Inn in December.

There are two new resi-

dents who came in last week, Mrs. Ida Miller of Hereford and Mrs. Minnie Boone of Springlake. Mrs. Miller is an aunt of Shorty Trimble.

Mrs. Prudy Black's nephew, Jim Pritchard of Bartlesville, Okla., was a guest Sunday. Mrs. Leona Packard celebrated her birthday Sunday with her children in Hereford. Patsy Sparkman of Hereford was here Sunday to visit her grandfather, C. W. Flack. Patsy's in-laws, the T. L. Sparkmans, have been friends of mine for 40 years.

Mrs. Eva McGowan's son Jerry of Midland visited her Sunday and they had lunch with Jo Parks. Mr. Kern visited his folks at Nazareth Sunday.

Margaret Boren and L. A. Tucker are in the hospital. We hope they're improving.

If you'd like to adopt a grandmother or grandfather at the Manor, call Dorothy Musick there. She said several residents do not have relatives here and would really appreciate visits. You might want to run an errand, maybe read to them occasionally. There are endless possibilities that will require such a little bit of time.

## Girl Scouts pick officers

Girl Scout Troop 171 elected officers for November at its meeting last week, with Barbara Lewis as president, Tammy Washington vice-president, Tricia Touchstone secretary and Debbie Wilke

treasurer. Susianne Ward was named to serve as poster keeper, Tracy Roark as hostess, Angie Kitchens as song leader, Traci Cearley as chairman of health and safety.

# Cats fall to resurging Chieftains, 34-7

By JIMMIE CHAPMAN

The Dimmitt Bobcats got knocked out of the District 3-AA race Friday night when the Friona Chieftains handed them their worst defeat since 1971, 34-7, on sheer running power.

The Chiefs passed only twice (completing one) and punted only once before the fourth quarter.

The Chieftains sent eight different backs at the Cats—and they were all big except quarterback Chris Barnett. Terry Wilcox gained 117 yards on the ground, followed closely by 203-lb. fullback Glenn London, Jeff Whiteside and Barnett. These four gained all but 28 of the Chieftains' 409 rushing yards.

Thompson Mayberry led the Bobcat attack with 154 yards on 20 tries, and Dennis Veals got 34 on 11 carries. Tommy Kenworthy, Randy Roberts, Tobin Touchstone, Reggie Washington, Mayberry and Veals turned in good defensive efforts.

The resurging Chieftains let the Cats and fans know at the start what their game plan

was. On rushes by London, Wilcox, Whiteside and Barnett, the Chieftains drove 75 yards for a TD on their first possession, with Whiteside going over from the 2-yard line. Kevin Pope kicked the point-after and Friona led 7-0 with half of the first quarter gone—and the Cats had not had the ball yet.

The Cats got to run six plays and picked up a first down before they were forced to punt. Starting from their own 25-yard line, the Chieftains launched another long drive upfield. When the quarter ended four minutes later, the Chieftains were on the Dimmitt 14-yard line. Friona had kept the ball the entire quarter except for six plays.

It took the Chieftains five more ground plays and almost two minutes of the clock to push in for their second TD, with London going over from the 2-yard line. Pope kicked the extra point and Friona had hiked its lead to 14-0 with 9:55 left in the second quarter.

The Bobcats picked up a couple of first downs on their next possession before Tommy Kenworthy got a bad snap from center on a punt attempt and the Chiefs took over on the Friona 41. But the Cats held, forced the Chiefs to punt and took over on the Dimmitt 36 after a 15-yard penalty was assessed against the Chiefs for hitting receiver Tobin Touchstone before the ball arrived.

Mayberry gained five yards, but then Kevin Kothmann intercepted a Jack Stewart pass at the Dimmitt

**GOTCHA!**—Dimmitt's Tobin Touchstone [21] and Tommy Kenworthy [10] drive Friona's Kevin Kothmann out of bounds at the Dimmitt 30-yard line in the third quarter of Friday night's District 3-AA battle in Friona. Also pursuing Kothmann in background is Donny Carpenter. This play came during a 59-yard drive by the Chieftains that resulted in their fifth touchdown and a 34-0 lead. Dimmitt scored in the final period to make the final tally 34-7.

took over at their own 34. The Cats never threatened again, but Kenworthy did get off a beautiful 60-yard punt that went dead on the Friona 10. Dimmitt got the ball one more time, but again Kothmann intercepted a pass and the Chieftains ran out the clock with reserves.

The 34-7 defeat was Dimmitt's worst since 1971, when

Littlefield recorded a 34-3 victory over the Bobcats. It was Friona's most lopsided victory over Dimmitt since 1944.

In addition to knocking the Bobcats out of the district title race, the Chieftains stayed in a first-place tie with a 3-1 conference mark—despite a lackluster 4-5 season record overall. Dimmitt is now 2-2 in conference play and 5-4 overall.

### The Business End

The working end of a new concept in crop tillage is shown here in the Culti-Chopper, which was invented by a Dalhart farmer. Produced in Guymon, Okla. the rig features ground-driven cutter blades, similar to those on old-style draw-back stalk cutters. The blades chop up weeds and bury them while a unique furrowing-out plow which can be mounted on the cultivator also performs an important function. The plows utilize specially-designed wings to lift the lower leaves of the crop and crowd dirt in against the plant without disturbing it. The burrowing plows allow cultivation to be done at much higher speeds than are now common in row crops. (Brand photo by Jim Steiert)

### Stewart gets state honor roll listing

Mention on the Associated Press Schoolboy Honor Roll for the entire state of Texas was given last week to Dimmitt's quarterback Jack Stewart for his part in the 28-14 Bobcat victory over Morton High Oct. 29.

Although Stewart completed only three of 10 passes, they resulted in three touchdowns and gained a total of 201 yards for the DHS Bobcats, the AP said in listing him on the weekly honor roll.

Stewart ran 56 yards to set up the fourth touchdown, in addition to completing passes of 56, 81 and 64 yards that led to previous scores.

The Dimmitt player was mentioned along with Brad Beck of Perryton, and high school gridgers from Converse, Judson, San Antonio, Daingerfield and McKinney.

**Swifts ends season on Happy note, 45-0**

By PATRICIA KERN

Derwin Huseman rushed for an amazing 310 yards and scored four touchdowns, five extra-points and a field goal to lead the Swifts to a lopsided 45-0 victory over Happy Thursday night at Cowboy Stadium.

Jimmy Huseman broke away on a 36-yard touchdown run only four plays after the game began to cap the 72-yard opening drive for the Swifts.

Derwin Huseman booted a 17-yard field goal in the first quarter, then added touchdown runs of 18 and one

yards in the second period to give the Swifts a 24-0 lead at halftime.

D. Huseman, who gained 131 yards himself in the first half, continued his performance with a one-yard touchdown plunge in the third quarter and a 39-yard score in the fourth. He racked up 179 yards rushing in the second half for a 310-yard total.

Huseman finished the season with more than 1,000 yards, even though he was out most of two games with

an ankle injury. The Swifts, who were favored by only one point, came up with the landslide victory because they were "prepared well and were mentally ready to play," according to Coach Eddie Hooper.

Vincent Venhaus led Happy's rushing attack with 23 yards.

Nazareth was forced to punt only twice in the game, compared with eight by Happy—two of which they chose to punt on first down.

"I don't think anyone really understood why they did it. It was the first time I've ever seen anyone punt on first down," commented Hooper.

With the win over Happy, Nazareth secured the third-place spot in the District 2-B North Zone standings, behind Motley County and Sudan. The Swifts came out ahead of Lazbuddie, Valley, Happy and Silvertown respectively with their 4-2 conference record. The Swifts were 6-4 overall for the 1977 season.

**NHS' Book is No. 1 as runner**

Gayle Book of Nazareth High School's cross-country team placed first in the junior varsity division of the Amarillo Girls' Cross-Country meet at Thompson Park Saturday afternoon.

Her time in the two-mile run, 14 flat, knocked off 1.15 from that of the previous week, when Nazareth entered a girls' cross-country team in a meet for the first time in school history.

Another Nazareth girl, Teresa Brockman, made the run in 16.42 for 17th place in the meet. Debbie Schacher, third girl on the team, was out with an ankle injury but Coach George Cox hopes she will be

**PLEASE, JUST TWO MORE YARDS**—On a fourth-and-four in the second quarter Friday night, Dimmitt fullback Tommy Kenworthy is driven out of bounds at the Friona 41—two yards shy of a first down—by a swarming Chieftain defense. Kenworthy had been back

to punt, but a low snap and bobble had forced him to run for it. The Chieftains, who were "sleeping giants" until two weeks ago, continued on their upsetting march toward a share of the 3-AA championship by downing the Bobcats, 34-7.

**Farwell tops Hart 3-0 in long, long contest**

By MONTY UPTON

Seniors Glen Black, Kent Hill, Clay Hanes, Larry Marble, Kelley King, Rodolfo Gonzales and Johnny Newsom played their last high school game before the home crowd Friday night as Hart lost to Farwell, 3-0.

Missing from the game due to a rib injury was senior standout Eliazar Castillo. Starting in place of Castillo was Ricky Rowland.

Farwell took the opening kickoff and returned it to their own 32. From there, the Steers moved to two first downs before a Russ Jones

pitch went astray and Kent Hill covered it on the 'Horns' 44. However, Hart could not get the ball going. Following an exchange of punts, Hart moved to what was to be its only first down of the first half before being forced to punt again.

Farwell, starting at its own 11, established a drive that went to the Hart 26 before a Jones pass was thrown incomplete and Hart took over. Again unable to move on its fourth possession, Hart punted to the Steers' 23. Farwell

then started a drive that included 12 and 14-yard runs by halfback Vick Christian and a 23-yard burst by halfback Kevin Kelley. Christian got to the Hart 1 before a 15-yard penalty set the Steers back. Finally, on a fourth-and-10, Robin Roberts kicked a field goal from the 17 for the only score of the evening.

Following the 'Horns' next punt, Hart got the ball back when Johnny Newsom picked off a Jones pass in the end zone. However, there was time for only one play before the clock ran out.

After the halftime show, Hart received the kickoff but the offense was again unsuccessful at moving the ball. After an exchange of punts, Hart—on its second possession of the half—moved to two first downs on Farwell penalties, one a face-mask call and the other a defensive holding call. Moving to the Farwell 21, downs ran out when Rowland's pass fell incomplete on a fourth-and-9.

Both teams failed to mount a threatening drive the rest of

the ball game. There were three Hart punts and two Farwell punts, one a quick kick from the Farwell 15. One of Hart's punts was fielded by a Steer who could not find the handle and Johnny Newsom scooped it in on the Farwell 40, but the 'Horns were unable to capitalize. With just seconds left, Farwell was successful at running out the clock in what had been a lackluster ball game.

Farwell had both Kelly and Christian with over 100 yards rushing. About the only Hart

highlights were another good night for Johnny Newsom with around 15 tackles, a fumble recovery, and a probable touchdown-saving interception; Glen Black with numerous tackles; and the kicking game of Clay Hanes, who was kicking in place of the injured Castillo. Hanes' kicks had a lot to do with the Steers being unable to score, as he averaged 43.4 yards on eight punts.

Friday night, Hart meets Bovina there in the season's final game.

Mrs. Larry Hendrickson, who was Donna Raper before her recent marriage, was the honor guest at a bride's shower Saturday morning in the home of Mrs. Stanley Schaefer. Twenty hostesses entertained.

Greeting the guests were the honoree, her mother, Oleta Raper, her husband's mother, Mrs. Bob Hendrickson of Canyon, and Jackie Byrnes.

Laural Summers, Liz Murphy of Abilene, Mary Cluck, Shirley Wise and Mrs. Phillips served hot spiced cider, sausage rolls and tiny cinnamon rolls from a pretty table with a fall flower arrangement. The refreshments were prepared by Jana Hill.

Out-of-town guests included Faye Hendrickson of Canyon, Mrs. Joe Boozer and Sadie Leasure of Hereford.

# Griffin-Hill vows spoken at Olton

Mandy Jean Griffin and Billy Dean Hill were married in a Saturday afternoon ceremony in the home of the bride's parents, Mr. and Mrs. Leon Griffin of Olton. After a trip to San Antonio the couple will be home in Olton.

The groom, a graduate of Hart High School, is the son of Bill Hill of Hart and Evelyn Hill of Lubbock. He farms in the Olton vicinity.

Rev. Jerry Haley, pastor of Edmonson, conducted the wedding ceremony as the couple stood in a candlelight area before the fireplace. Tall pink tapers, pink roses, carnations and lemon leaves were arranged on the mantel, with spiral candelabra based in greenery on either side.

Escorted by her father, the bride was dressed in candlelight organza with fitted bodice of lace. Vertical rows of seed pearls adorned the bodice and high collar. Narrow lace outlined medallions on the long sleeves and was stitched in vertical rows down the spreading skirt which formed a chapel train. Wider lace edged the hemline.

A waltz-length illusion veil was attached to a lace Camelet cap. The bride's bouquet of burgundy roses, pixie carnations and babybreath was showered with candlelight ribbon. It was carried on a Bible which the bride's mother carried in her own wedding. Luck pieces included her maternal great-grandmother's wedding band.

Bobbe Craig, maid of honor, wore a burgundy velvet gown with candlelight lace bodice. A wide lace ruffle formed a Bertha collar and matched the hemline ruffle. Her nosegay was of flowers like those in the bridal bouquet and she wore in her hair a spray of babybreath tied with burgundy ribbon.

Megan Davis, the flower girl, and the bride's sister, Donna Griffin, and Kaula Burrus all were dressed in lace-trimmed burgundy.

Randy Popejoy of Hart was Hill's best man. Flint Griffin carried the rings and Gregg Griffin was usher. Both are brothers of the bride.

Mrs. Brooks Carroll pre-

sented wedding music, "Bridal Chorus," "Walk Hand in Hand" and "Just a Closer Walk" as organ solos. She played "Mandy" as the couple lit a memory candle at a table decorated with flowers and tapers.

At the wedding reception the bride's aunt, Dixie Griffin, registered guests. Laurie Brown, Carol Prentice and Lorenda Couch presided at the bride's table; Tammye Hill, sister of the groom, and Cynthia Light were at the groom's table.

Topped with white bells and dove figurines on pink satin, the three-tiered wedding cake was ornamented with burgundy and pink sugar roses. Pink roses and carnations were arranged with a tiered candelabrum on the table which was laid with ivory linen over pink.

The chocolate cake on the groom's table was topped with a miniature potato truck. Dried flowers in the wedding colors made the centerpiece.

Parents of the groom were hosts Friday evening for the rehearsal dinner in the Griffin home.

# Auction plans made by Tops

Dimmitt Tops Club, at its meeting Monday, planned an auction and social evening in Bea Acker's home Nov. 21.

Each member will bring a handmade article, potted plant, food—something he has made—to be auctioned to start a fund for sending representatives to a state meeting next spring.

An executive meeting was scheduled to follow the weekly session Monday.

Nineteen members weighed-in at this week's meeting, where Vivian Pigg presented the program concerning the International Women's Year.

Oleta Raper was named Angel of the Month, the member who has helped others most. Carolyn Copeland was cited as Kops of the Week and Oleda Schumacher Tops of the Week.

# New HD club will elect its officers

Downers Home Demonstration Club, a newly organized group for employed women, will have a program on gift wrapping at its meeting Tuesday. Hostesses will be Pat Evans and Patricia Powell.

Formed for the convenience of women whose jobs or other duties prevent attendance at daytime meetings, the club is open to anyone without regard to race, color, creed, sex or national origin.

Information about membership is available through telephone calls to Irene Keating at 647-4115.

A general meeting of the Association of W's, to elect officers and plan activities of the coming months is announced for 7 p.m. Tuesday, also a public meeting at 10 a.m. Nov. 22 when Mrs. Don Workman of Lubbock will be the speaker.

Mrs. Workman has been appointed lately by Gov. Dolph Briscoe as a member of the Status of Women Commission in Texas. She will speak here at the Lee Street Baptist Church.

The general meeting Tuesday will be held in the home of Jean Whitsett, 709 Oak, current president of the Dimmitt W's. Community problems of communication and fund raising projects will be discussed. The meeting is open to anyone interested in aims of the organization, willing to share in its work or present new ideas, Mrs. Whitsett said.

Information Mrs. L. C. McLain has shared with various groups about the IWY state meeting at Austin last summer has roused interest in the W's, she said, and she has received inquiries about it.

Organized in Dimmitt 18 months ago, the group is part of a statewide organization

# Irene's Ideas Holiday baking ideas

By IRENE KEATING

Two weeks ago a group of 4-H girls, leaders and I went to judge the Floyd County 4-H food show at Lockney. We got a very good pumpkin pie recipe that I've been recommending. My family really likes it and you homemakers will appreciate how easily it is made.

## PUMPKIN DREAM

Crust: 1 stick oleo  
1 cup flour  
3/4 cup finely chopped pecans

Combine these ingredients into a dry dough and press

into a 9 inch glass pie plate. Bake in microwave oven 6-8 minutes or 20 minutes at 350° in your conventional oven. Cool.

Filling: 1 small package vanilla instant pudding  
1 can sweetened condensed milk  
1 cup pumpkin  
1 cup non-dairy topping  
1 tsp. pumpkin pie spices

Combine all ingredients until light and fluffy. Spoon into cooled shell. Garnish with more whipped topping and crushed pecans.

Since we're talking about food I'd like to share some reminders with you about cookie making. Surely all of you have noticed that it will soon be Thanksgiving and then Christmas. So let's all get started baking now so we can enjoy the holidays. Be sure to let your children share in baking.

Remove cookies from cookie sheet with a wide spatula; lay flat (don't stack) on wire cooling racks and cool before storing. Place each kind of cookie in its own container so cookie flavors don't mingle. Store soft cookies in a tightly covered jar or can and crisp cookies in a container with a loose cover.

A clever way to store (and give) cookies is to utilize empty oats and corn meal tubes. Place a plastic bag in the tube, fill with cookies. Then you are ready to seal and wrap the gift.

# 92nd birthday is celebrated by R. L. Gunn

A great-great-granddaughter was a guest, with other descendants of R. L. (Bob) Gunn, when he celebrated his 92nd birthday recently in the home of his daughter, Lula Burnett, and her husband, Dail, at Sudan.

A former resident of South Hills Manor here, Gunn now lives in Amherst Manor. His two other children, Zethel Bradshaw and her husband, Reuben, of Ardmore, Okla., and Hershel Gunn and Mrs. Gunn of Sudan, were also at the party.

All of his grandchildren, many accompanied by their spouses, attended the birthday celebration. They include Nell Burnett Blankenship and Loretta Burnett Reid of Sudan, Betty Gunn Odell of Stratford, Bobby Bradshaw and Mickey Bradshaw Russell of Ardmore, Nora Bradshaw Baker of Perryton, Oreda Bradshaw Campbell and Leon Gunn of Dimmitt.

Most of his 17 great-grandchildren were present, and the great-great-granddaughter, Roxann Gunn of Sudan.

# Awards won in Nazareth art festival

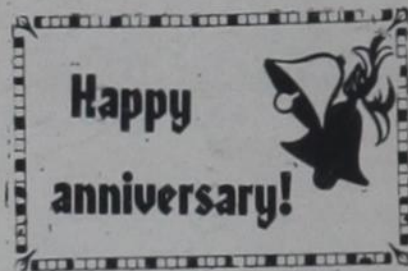

Irene Wilhelm was given the award for Best of Show at the Holiday Arts and Craft Festival sponsored by the Nazareth Art Club Sunday. She won first place in the "Structures" division.

Visitors numbering 220 registered for the festival. Margo Boyd of Dimmitt received the door prize.

In the other four division, Fran Frazier won first. She took second and third places for Structures also. For Scenery, Kay Stephens won second and third; for Still Life, Alvin Frazier was second and Weldon Skinner third.

Helen Gerber placed second and third in the Miscellaneous division, also second for Windmills while Kay Stephens was third.

An art class will be conducted at 7:30 p.m. Monday by Rev. Stanley Crochiola. It is open to the public without charge and interested persons are invited to bring material for work and come to the church basement at Nazareth.

# Girl Scouts learn wire craft skills

Girl Scouts of Troop 107 practices the craft of wire sculpture, making a small tree to be mounted on wood, after a lesson by Debbie Annen, a guest at their meeting last week. They plan to begin work on Christmas crafts at a meeting Tuesday.

Present were Sandi Schinkus, Denise Behrends, Jane Hicks, Kristal Scott, Becky Benton, Darla Butler and the leaders, Sherri Matthews and Rhenea Webb.

# Wedding in home conducted at Hart

Mr. and Mrs. Terry Dalton Myers are residing in Dimmitt after a short trip following their recent marriage, which took place in a twilight ceremony at the home of the bride's grandparents, Mr. and Mrs. Everett Cole of Hart.

Mrs. Myers is the former Cheryl Pevehouse, daughter of Nathan and Ann Pevehouse of 411 W. 9th. Parents of the groom are Aubrey and Nelda Myers of Hart.

Light from a living room window fell on the wedding party as the vows were exchanged, and the couple stood before an arch of greenery studded with daisies. Rev. Joe Cariker, pastor of the First Baptist Church at Hart, officiated.

Ronda Pevehouse was her sister's maid of honor, with Luella Power of Hereford and Sharon Cochran of Hart as bridesmaids. Brent Lilley, best man, and the bride's brothers, Charles Wayne and Danny, were the groom's attendants.

Younger members of the wedding party were Linda Renea Harman of Dimmitt, flower girl, and the groom's cousin, Shawn Dalton, ring bearer.

As a prelude to the ceremony Lucille Myers sang a solo, "Let Me Be There."

The bride, given in marriage by her father, chose a gown in Queen Elizabeth style with long lace sleeves and tilted collar. Her illusion veil

was a shade darker than the candlelight hue of the gown, and was bordered with daisy appliques to match the yellow daisies of her corsage.

Feminine attendants wore yellow dresses with lacy picture hats, the crowns encircled with yellow ribbon that formed streamers down the back. Their flowers were white daisies.

A reception in the Cole home followed the marriage. The wedding cake, five-tiered, was decorated with garlands of daisies and on top were bride-and-groom figurines set on a pedestal. The table was covered with white and yellow.

Aunts of the bride, Linda Baker and Carolyn Harman, served the cake and punch. Karen Myers, the groom's sister, invited guests to register.

For the wedding trip the bride wore a gray pantsuit. She attended Dimmitt schools and graduated last summer from Lubbock Christian High School. The groom, who attended school at Hart, is a contractor here.

GOING TO DISTRICT are seven winners from the Castro County 4-H Food Show held Monday night in the County Expo Building with 39 participants in four categories. Shelly Frye [far left], junior winner in the main dish category, is showing her dish to Jan Nelson [front], junior winner in side dishes, and Laurie Sides [back], junior winner in snacks

and beverages. Kylene Behrends [far right], senior winner in the main dish category, is showing her roast beef to Dorothy Durbin [front], junior winner in breads and desserts, and Leanne Crozier, senior winner in side dishes. Not shown is senior breads and desserts winner Edith Durbin.

## Seven 4-H'ers to go to District

Seven first place winners in four categories at the Castro County 4-H Food Show Monday night at the County Expo Building will be advancing to district competition in Lubbock Saturday.

"We had 42 4-H'ers involved in food projects in all the clubs of the county," Irene Keating, county Extension agent, said. "I was really pleased to see so many—39—enter the food show."

The seven going to district are senior 4-H'ers Leanne Crozier of the Dimmitt Club in side dishes, Edith Durbin of the Nazareth Club in breads and desserts and Kylene Behrends of the Happy Helpers in main dishes; and junior 4-H'ers Dorothy Durbin of Nazareth in breads and desserts, Shelly Frye of Happy Helpers in main dishes, Jan Nelson of Dimmitt in side dishes and Laurie Sides of the Bethel Club in snacks and beverages.

If the senior 4-H'ers win at district they may advance to state competition, while the juniors stop at the district level.

"As far as we know this is the first time there has been a pee wee division in the food show," Mrs. Keating said. "The division was for eight-year-olds. Ribbons were given but they don't advance and don't have first places singled out."

Entrants in the pee wee division all received blue ribbons: Laura Nelson in the breads and desserts; Gay Waggoner, Katrina Keating and Laura Sadler all in the snacks and beverages category.

All other entrants were in the junior division, amassing

16 other blue, seven other red and five white ribbons.

In the main dish category, Rebecca Oldham, Amy Downing, Karen Huseman and Kris Kern won blue ribbons, and Holly Waggoner and Tammy Behrends won reds.

In the bread and dessert categories white ribbons were awarded to Anessa Scott, Josephine Cantu, Becky Benton and Bernice Thomas.

Side dish category winners were Mary Jean Huseman, Beth Benton, Carla Frye, Stephanie Killingsworth, Becki Gregory and Sue Crozier with blue ribbons; Dee

Roy Thomas and Janis Hutcherson with red; and Martha Flores with a white ribbon.

Participants in the snacks and beverages category were Lisa Nelson, Kyla Boozer, Janet Huseman, Jill Nelson, Camille Summers and Laura Downing with blue; and Karen Nelson, Stacy Sadler and Stephanie Thomas with red ribbons.

Judges for the event were county agents, leaders and junior leaders from Floyd and Swisher Counties.

All the participants in the show were also presented with a kitchen towel.

## Hundreds don't beat train, speaker warns Rotarians

"In those old time movies we just knew the Keystone Kops would get out of the way of the train every time, and a lot of people today feel the same way about themselves," Austin Dunning of the Texas Railroad Commission told the Dimmitt Rotary Club at its Friday meeting.

Dunning, a Rotarian himself, added that many times people don't beat the train, with 1500 deaths per year from train-auto collisions.

"Most of these deaths are not tourists unfamiliar with the area," Dunning told the group. "It's local people who have crossed the same crossing hundreds of times, and just aren't paying attention."

In the business part of the meeting, Gary Moore reported on the proceeds from the club's booth at the Halloween

Carnival, with \$16.02 profit. Leftover pickles and lemons were given to the Band Boosters, whose popcorn popper the club borrowed for the booth.

Elmer Youts moved to applaud the efforts of members Bill Behrends and Bill Dannevik for their help to the Meals on Wheels program last week.

Eleven members were joined by nine guests and the club sweetheart. Among the guests were visiting Rotarian Kenneth Henry of Muleshoe and honored guest of the club Jack Patton, who donated sacks and popcorn for the carnival booth, as well as Bobby Byers and his son Robbie, Zane Ellison, and Jo and Dean Behrends.

The program Friday will be presented by Jack Flynt on Veterans' Day.

## Swiftettes post win over Follett, 59-34

Defensive action by Swiftette guards backed a scoring attack led by senior Cheryl Hartman's 27 points to give Nazareth a 59-34 victory over the Follett girls at the Darrouzett Clinic Saturday afternoon.

Karen Schulte, also a senior, added 22 scoring points while junior Glenda Gerber got 8 and sophomore Michelle Acker 2 for the Swiftettes.

"Our forwards' execution was not quite up to par, maybe as a result of the long ride to the Northeast Panhandle city, but they are rounding into form after only a couple

of games," the state champion Swiftettes' new coach, George Cox, said after the game.

"It was the hustle and determination of the guards, Germaine Pohlmeier, Lynora Braddock and Colleen Gerber, which kept the Follett girls from scoring as they are capable of doing, that made the difference," Cox said. "They held Follett to 6 points in the second and 4 in the third period."

Follett girls were champions in their district last year, when the Swiftettes went on to win the Texas Class B title.

## Middle School teams split with Friona

Dimmitt Middle School gridders won two games and lost two against Friona last week, as the 7-A and 8-B teams kept their no-loss records intact for this season.

Coach Shott Miller's 7-A boys held their opponents scoreless and made their only score on a 27-yard run by Fermin Gonzales late in the first half. The play was set up by Kevin Cleveland's interception and return.

Good overall defense by Keith Gregory, Bill Grose, Johnny Gonzales, John Smith, Steve Lunsford and Cleveland was cited by Miller. He mentioned Steve Martinez and John David King with F. Gonzales on offense and David Ogas for "a fine job of punting."

Friona downed the 7-B team 6-2, leaving the Dimmitt boys with a season record of 2-2-2. Dimmitt's only tally came on a safety when John Collins, Mike Smotherman and John Nino tackled the Friona quarterback in the end zone. Six fumbles slowed the Dimmitt offense.

A 30-yard sweep to a touchdown was made by Friona's quarterback before the first

half ended. There was no scoring in the second half and the Dimmitt coach commended Roy Schilling, Kelly Ballard, Nino, Collins and Smotherman for defensive play.

Against the 8-A's, Friona scored in the first and last quarters to defeat Dimmitt 14-0, as a last-minute drive by the locals was stopped with three seconds to go. The season record for 8-A stands at 1-5-1.

Sheffy, Espinosa, Cearley, Garcia and Jordon were named for offensive play, Varner, Castelberry, Gonzales, Cluck and Flores for work on defense.

In the 8-B game, Dimmitt kept its six-game record of not allowing a TD by any of its opponents as it won 6-0. For the season the record is 5-0-1.

Gabriel Montiel filling in at quarterback for ailing Kyle Weatherford, rolled out on a keeper play and scored from 12 yards in the last quarter after Dimmitt had repeatedly driven the ball to the Friona 10 or 15 and then been stopped.

Players mentioned were Willie Lewis, Manuel Saenz, Donny Wassom, Todd Hatla, Dwayne Smith, Dan Glover, Frank Herrera, Jeff Moss and Montiel.

## Huseman is B player of week

Derwin Huseman, Nazareth Swifts' linebacker, gained 310 yards on 20 carries and scored three touchdowns against Happy Friday, also added a field goal and kicked six extra points besides playing a solid defensive game.

That earned him the Amarillo GlobeNews Area Class B Player-of-the-Week award.

Huseman has made 12 touchdowns as he gained 1,151 yards for the Swifts this year, well on his way to equaling his total of 1,500 yards last fall.

"One of the best athletes I've ever coached," was Head Coach Eddie Hooper's summary of the 185-pound senior's abilities. "He's our best defensive player, averaging 16 or 17 tackles a game."

Huseman was credited with five unassisted tackles and 13 assists from his linebacker position in the 45-0 victory over the Happy Cowboys.

He has totaled the 1,150 yards this year in spite of an ankle injury that kept him out two weeks.

"We're a different team with him in the lineup," Hooper commented. "He's a tremendous leader."

Quarterback Kenny Brockman was also mentioned by the Swifts' coach for his performance Friday. He completed 10 of 17 passes, throwing touchdown passes of 37, 9 and 21 yards.

## Bingo Nite slated by Lions Club

Dimmitt Lions Club will hold a "Bingo Nite" Saturday at the Castro County Country Club, to award donated prizes that were left over from the Halloween Carnival bingo concession.

All proceeds of the Saturday night event will go to the Dimmitt Satellite Training and Work Center.

Bingo games will begin at 7:30 p.m. and the public is invited.

OFFICE ON WHEELS—State Rep. Bill Clayton, right, and his district assistant Bill Sarpalus of Hereford, will travel Clayton's legislative district in Bailey, Castro, Cochran, Deaf Smith, Lamb, Oldham and Parmer Counties in a mobile office to provide

assistance to constituents. The van will make regular stops in every town and community in the seven counties. Stops are scheduled for Dimmitt on Monday, as well as Nov. 28 and Dec. 12.

## Clayton's traveling office to make first visit Monday

State Representative and Speaker of the Texas House of Representatives Bill Clayton's district assistant, Bill Sarpa-

lius of Hereford, will be in Dimmitt Monday from 9 a.m. to 4 p.m. in Clayton's new traveling office—a modified van. The van is also scheduled to be in Dimmitt Nov. 28 and Dec. 12.

"Since I became Speaker in 1975 and had to stretch my time, I have felt that something was needed so that people in the district could have contact with my office other than by telephone or when I had a chance to visit.

"The mobile office will solve that problem by giving people in the district towns the chance to stop by and visit on a regular basis. We will be coming to answer questions and want to be helpful in solving problems involving state government," Clayton said.

Because Clayton's duties as Speaker require a part of his time to be spent at the Capitol in Austin, Sarpalus will do

the traveling alone when Clayton is away.

Painted signs on the sides and front of the van make it instantly recognizable. Citizens can also contact Clayton's office by telephone at (512) 475-3311 in Austin or (806) 364-7041 in Hereford.

## State Fair awards won

Kelley Hill of Dimmitt High School FFA placed fourth in a field of 35 entries for his crossbred steer in the junior livestock show of the State Fair of Texas, while Mike Anthony of Castro County 4-H Club took eighth place among 36 entries in another class.

Anthony's animal was entered in the 1130-1185 pound class, while Hill showed a lighter-weight animal in the 995-1035 pound class.
