By JOHN H. KING II

This past Saturday Merle and I went to Lamesa where we attended the funeral of a family friend and colleague of mine.

J. W. Smith Jr. was 58 at the time of his death that was caused by cancer.

"Smitty," as he was fondly called by the many persons that knew him, was reared in the shop of the Lamesa Reporter, a weekly newspaper that was founded by his father.

He learned to do everything well that was to be done on a newspaper as he was growing up in the South Plains town of Lamesa.

The task that he enjoyed most was that of laying out neat, well balanced ads that would bring splendid results for his clients, the advertisers of the newspaper for which he worked.

Smitty left Lamesa in 1942 and worked for a short time on the newspapers in Sweetwater and Mission before he accepted an advertising position on the San Angelo Standard Times the same year.

He left San Angelo in 1952 and joined his brother, George "Buddy" Smith, in publishing the Dawson County Free Press in Lamesa for a while.

Smitty joined the Big Spring Herald's advertising staff in July of 1954 where he was working at the time of his death.

He is survived by his wife, son, daughter, several grandchildren, several brothers and sisters.

Those are sketchy statistics of a man you may not know, but it's my thought you might want to know the following about a man who was completely devoted to his profession.

It has been said by publishers, ad men, printers, advertisers and newsmen that J. W. Smith Jr. could layout the neatest ad that they ever saw, and that he used all the knowledge and skill that he had developed over the 50 years that he had been in the business.

However, unlike many that are highly skilled in a trade or profession, he wasn't egotistical about his work, nor did he ever hesitate to help a beginning advertising man whether or not the beginner worked on the same publication that he did.

Smitty was extremely patient with young people who had the desire to be of service to their customers and employer. He has interrupted his busy schedule numerous times to help a fellow worker locate the "right" illustration, or letter the style of type

Steers Lose District Opener To Roby, 18-6

Coach John Malone's Robert Lee Steers suffered their first District 6 B defeat in the 1961 season Friday night at the determined hands of Coach W. C. Hodges's Roby Lions by a score of 18 to 6.

The Roby Lions made two marks on the scoreboard before Robert Lee could dig out a TD. The Roby scores were made in the 1st, 2nd

and 3rd quarters. Robert Lee's lone tally was made late in the second quarter.

Ronald Henry, 168 lb. Roby halfback, scored from the 5 yard line on a left end run that climaxed a 49 yard drive early in the first quarter.

Henry made the score 12 to 0 in the second quarter when he received a short aerial from senior halfback Tommy Hood.

Robert Lee retaliated late in the second quarter when senior fullback Joe Roe took a handoff from junior quarterback Comie Hallmark over the right side for 9 yards and the touchdown.

Quarterback Larry Randolph, 135 lb. junior, made the final score of the evening when he ran a quarterback sneak for 2 yards and the tally.

FIRST QUARTER

At the beginning of the game, Roby won the toss and elected to receive.

Steer fullback Joe Roe attempted an onside kick, but the boot was slightly long and the ball went out of bounds on the Roby 47 yard line.

On the first play Lion quarterback Larry Randolph was thrown for a three yard loss when the Steer line formed a defensive spear that pierced the Roby defensive line.

Tommy Hood, on a handoff by Randolph, was heading for pay dirt until Rusty Dodson, 160 lb. Steer freshman defensive halfback, put the stop on him soon after Hood made enough yardage for the first down.

Roby received a penalty of 5 yards on the next play. Then Ronald Henry went over the right tackle for 12 yards and the first down before he was brought down by Hallmark, Roe and sophomore Lynn White.

Henry again tried the right side, but he was nailed by Roe and Eddie Parker, 130 lb. sophomore guard. Henry tried the right side that carried him to Robert Lee's 14 yard line before he was stopped by White. Henry made another run for 9 yards and again was tackled by White.

The entire Robert Lee line and line backers stopped Hood at the line of scrimmage on the next play. Then Henry went around the left side for a stand-up touchdown. The run for extra points failed when the left side of the Steer line made an unmovable wall.

Senior halfback Curtis Higginbotham received the low, end over end, kick on his own 15 yard line, momentarily juggled the ball and then he ran it back to the Steer 25 yard line.

The Steers gained 5 yards on the ground in the next two plays on hand offs by Hallmark to Roe and Higginbotham. Roe quick-kicked on the 3rd down to the 50 yard line.

Lauro Galan, 175 lb. junior Roby halfback and Tommy Hood ground out 15 yards in the next 3 plays, but Roby received a 5 yard penalty on Galan's 3 yard drive for backfield in motion. Then Hood pushed for 4 before he was stopped by freshman defensive halfback Terry Thetford, Roe and Dodson. Henry, on the play made short yardage through the middle, but enough for the first down and the

District Teams Tied for Three Places

District 6-B competition opened Friday and Saturday morning found the six teams tied for the first 3 places.

1st place: TRENT AND ROBY.
2nd place: BRONTE AND HERMLEIGH.

3rd place: ROBERT LEE AND LORAIN.

Trent defeated Loraine in a disputed score of 20 to 14. Bronte and Hermleigh fought to an 8 to 8 tie, and Roby defeated Robert Lee 18 to 6.

Robert Lee travels to Hermleigh Friday night with several of the starters on the injured list early in the week. Game time at Hermleigh will be 7:30 p.m.

Other district 6-B games are: Bronte at Loraine and Trent at Roby.

District Number Changed

The district that is comprised of Bronte, Hermleigh, Loraine, Trent and Robert Lee will be known as District 7 B in 1962.

Roby will be in District 6 B with Rule, Aspermont, Rochester, and Knox City.

An Editorial

A Trent football fan witnessing the Trent-Loraine football contest at Loraine paid a fine for charging onto the playing field and making threats toward the officials of the game.

The fan could have been the cause of both Trent and Loraine being suspended from Interscholastic League Play for an indefinite period of time.

Other action that could have been taken by the Texas Interscholastic League would be that particular game forfeited and one or both teams eliminated in participating in the District 6-B title.

School officials are charged with the responsibility of the behaviour of both fans and players, and when one displays contempt for the officials or the players the schools are held liable for the actions of the individual or groups of persons.

Let us all practice the rules of good sportsmanship away and at home and not be guilty of marring the reputation of our players, school and town.

Austin, Tex.—Year-round colleges, less work for the Attorney General and more realistic election laws could result from studies being undertaken by the Texas Legislative Council.

The Council, the Legislature's research arm, agreed to undertake eleven studies during the coming year. A total of 25 were proposed. List was trimmed down because there just isn't enough time or money to study them all.

Subjects selected for study include:

Election Code Revision.
Space Utilization by Institutions of Higher Education.

Coordination of Health and Welfare Services of the State.

Non-constitutional Duties of the Attorney General.

Opinion Authority of the Attorney General.

Laws Based on Population Classification.

State Hospitals and Special Schools.

Texas Utility Regulations.

Discrimination in Employment Because of Age.

Mentally Ill Children.

Health, Accident and Hospitalization Insurance Claims.

Findings will go to the 1963 session of the Legislature for the lawmakers' consideration.

WATER POLLUTION — Governor Daniel will soon name the members of the new State Water Pollution Control Board. This new agency will operate to some extent as a branch of the State Health Department, in that its executive secretary and only full-time official will be the Health Department's director of water pollution control.

Many areas of Texas are having water pollution problems, and those who sought help in Austin went to four or five offices with-

out finding much response.

So legislators set up a new agency, but did not give it any operation money. It authorized Governor Daniel and the Health Department to allocate part of their appropriations, if they can spare it, to the new agency.

Daniel will ask this winter's special session of the Legislature to make some improvements in the law and to provide some cash for the agency to begin a real attack on water pollution.

After November 7, no one can discharge any kind of waste into the waters of Texas without a permit from this board.

SALES TAX TIME—Merchants who have been collecting the new state sales tax will make their first payments to the state October 31, covering collections for September.

Payments will then go on a quarterly basis. Collecting stores get to keep one per cent. If they make estimates and pay in advance for each quarter, they can take a three per cent discount. Advance payments on the fourth quarter of 1961 will be due by November 15.

Comptroller Bob Calvert issued some more interpretations of the new law. If you pay the sales tax to the state on credit sales, and then charge them off as bad debts, you can deduct the tax on the tax return for the quarter in which you gave up on collecting.

Unless seller keeps books to show clearly what part of a credit sale is for the item, and what part is for interest, carrying charges and insurance, he must collect the tax on the whole price of the sale.

Shirt boards and clothing bags are exempt from the sales tax when bought by a clothing store for selling new goods. But laun-

dries buying the same items would have to pay the sales tax on them.

A bottler would pay the sales tax on soda pop bottles when he buys them from the factory. But when you put up a deposit on returnable bottles at the corner store, there's no sales tax on the bottles.

PAPERBACKS — Students in 110 classrooms in Texas will be using paperback school books in January.

Legislators, looking for ways to save money, told the State Board of Education to test out paperback school books and report back by 1963 on whether tax money can be saved.

The board will adopt new books at its meeting November 13. It will vote on 27 books recommended by a teachers textbook committee. Protests have been made by Rancher-Writer J. Evetts Haley of Canyon, speaking for the Texans for America organization.

Flower Show To Be Presented

The Big Spring Council of Garden Clubs has announced the date for their Fall Flower Show, "Cities of America in Bloom," to be held Saturday, October 28, at the Howard County Junior College Gymnasium, in Big Spring, Texas. The show will be opened from 3 until 6 p.m., and there will be a voluntary admission of fifty cents. The residents of Robert Lee are extended a cordial invitation to attend this show and will be interested in the quality and quantity of the exhibits in both the Horticulture and Arrangement Divisions.

The theme of the show this year is "Cities of America in Bloom," and will present interpretative designs representing such cities as New York, Chicago, Tulsa, Mobile, Minneapolis-St. Paul, Williamsburg, and Big Spring, among others. The Big Spring Council will be happy for members of Texas Garden Clubs, Inc., to enter the Class 1-B, "New York," a massed line arrangement, which will be judged by the scale of points number 30 from The Handbook for Flower Shows. Also, Class 12-B, "Phoenix," is an invitational class calling for dried material and will be scored from number 43 in The Handbook. The Council is anxious to have exhibits from neighboring cities and hope that this will be helpful to those needing Flower Show ribbons for credit toward their Judging Certificate.

Entries will be received from 8:30 until 11:30 a.m. Pre-registration may be had by contacting Mrs. R. O. Carothers, 1405 Stadium, Big Spring, Texas. Mrs. Bill Tubbs, Box 586, Big Spring, is publicity chairman for the show.

If an operator wishes to cooperate in the program—it is strictly voluntary—he or she may do so by tagging his cows as they are sent to market. The tags will be secured from our office or directly from the State Animal Health Commission.

Time and space will not permit a full explanation of the program. More information on the program will be prepared in the near future. Also, a general meeting will be held to discuss the program as soon as a representative of the Animal Health Commission can be scheduled. I have asked them for a date in November or December.

If you have any questions on the program or would like to cooperate in the move, give us a ring. The back tags and glue have not been received, but they should arrive in the next few weeks.

The rainfall was spotty last week but as a whole Coke County is now pretty wet. Our position going into winter is most favorable, even if we have the early frost many are predicting. West Texas Senator Enter Race for Lt. Gov.

State Sen. Preston Smith of Lubbock today announced that he will be a candidate for Lt. Governor of Texas.

This will be his second campaign for the state's second highest office. He ran in 1950, placing third in a field of 12 candidates and leading the ticket in 68 counties.

Smith, 49, a veteran lawmaker and businessman, was unanimously elected president pro-tem of the Senate during the first special session of the 57th Legislature. He served as Governor of Texas on August 4 in the absence of Gov. Price Daniel and Lt. Gov. Ben Ramsey.

His career in Texas government began in 1944 when he was elected

to the House of Representatives, where he served three terms. In 1956 he was elected state senator from the 11-county 28th Senatorial District, and was re-elected without an opponent in 1960.

During his tenure as a member of the House and Senate, he has served on many of the state's most important legislative committees, including the Senate Education and Agriculture committees.

He served as vice chairman of the Senate Finance committee during the last two sessions and is presently a member of the Texas Legislative Council, one of the state's most important fact-finding and recommending bodies.

Smith is a graduate of Texas Tech College in Lubbock. He and his wife, Ima, have two children, Mickey, 20, and Jan, 16.

His formal announcement will be made at later date.

BLUE RIBBON PRIZE WINNER,

Mrs. Bob Branch, 818 Glenhaven, Abilene, Texas, has good reason to believe flameless electric cooking is best. The rolls she baked on a flameless electric range won the blue ribbon prize at the 1961 West Texas Fair.

Like so many good cooks — Mrs. Branch has secrets not found in recipe books — and flameless electric cooking is one of them. BE CHOOSY—do as prize-winning cooks do — cook ELECTRICALLY!

Elks Observe Newspaper Week

San Angelo Elks Lodge No. 18-80 will observe National Newspaper Week, October 15-21, Exalted Ruler J. A. Cates Jr., announced today.

Exalted Ruler, Mr. Cates, said that San Angelo Lodge No. 1880 would be among 1,978 lodges of the Order of Elks participating in the observance, the theme of which is "Your Newspaper — Heritage of Truth, Frontier of Freedom."

"It was a free press that led the American colonies to liberty 200 years ago and it is our free press that must lead in the strengthening of our democratic society in the life and death struggle against communist tyranny," Mr. Cates said, "because a free press is basic to all our freedoms, we plan to tie in National Newspaper Week as a feature of our Elks Americanism program."

Mr. Cates explained that the objectives of the Americanism program are to arouse citizens to a militant defense of their freedoms and a vigorous campaign against communism and all other subversive "isms."

The Lodge's National Newspaper Week observance will be planned and directed by committee chairman, Joe R. Gabriel.

STEERS LOSE —

Continued from page 1
end of the first quarter.

SECOND QUARTER

In the first moments of the 2nd quarter Roby's Hood punched for a first down around the right side. Then Hood went over left tackle for 6 before he was stopped by Thetford, White and Parker. Then Hood made the touchdown, but the score was nullified for illegal motion in the Roby backfield.

Then Hood punched for 2 yards. On the next play Curtis Higginbotham stamped through the Roby Lions to throw Hood for a 5 yard loss.

Robert Lee gained possession of the ball on downs, but a fumble that was recovered by the Roby Lions proved costly when seconds later Hood passed to Henry for 5 yards and a touchdown.

After the tally Roe received the ball deep in Steer territory and ran it back to the Robert Lee 28 yard stripe.

Higginbotham punched for 8 yards; Hallmark on a quarterback keeper made the necessary yardage for the first down. Roe tried the right side for 2 yards and Hallmark again elected to keep for another first down.

It looked as if the Steers were well on their way, but a fumble that was recovered on the Steer 39 yard line by Roby stopped the drive.

Jerry Craig, 155 lb sophomore Steer guard, slashed through the Roby wall to throw Hood for a 6 yard loss. Roby punted and Roe caught the boot and lugged it to the Steer 39 yard line.

Hallmark placed the ball in Roe's hands for a 5 yard gain around right end. On the next play Higginbotham was stopped at the line of scrimmage. Then Roe scampered for the first down.

Hallmark kept for 10 yards and first down but he fumbled when he was hit hard by Roby linebacker Hurbert Young; however, alert junior Steer tackle Taylor Jones recovered the ball.

Roe connected with a flat pass to sophomore end Derwood Coalson for a gain of several yards. Hallmark, on the next play, gave the ball to Roe, who took advantage of a big hole the Steers made for a gain of 31 yards. Hallmark kept for a gain of 1 yard.

Roe carried the ball around the right side for 9 yards and the only score of the evening for the Steers.

THIRD QUARTER

Higginbotham received for the Steers in the third quarter and carried the ball to midfield.

The very first play in the third period was an attempted pass by Roe that was intercepted by Roby Lion backer, Hurbert Young on the Roby 32 yard line.

On a series of drives by Henry, Hood and Randolph, Roby scored the final touchdown of the evening on a carry of two yards by Randolph.

FOURTH QUARTER

The Steers received the kick on their own 15 yard line. White on the first play carried for 13 yards and the first down. Then yardage was ground out to the Roby 5 yard line by Hallmark, White, Roe, Higginbotham and a 10 yard pass received by Coalson. The drive was killed at the 5 yard line.

The fourth quarter of play was predominantly defensive playing by both teams with a Roby drive stopped by Hallmark on the Steer 10 yard line.

Steers who participated in the District 6-B game Friday night were Terry Thetford, Comie Hallmark, Mike Ledbetter, Curtis Higginbotham, Lynn White, Joe Roe, John Jacobs, Rusty Dodson, Clark Godwin, Mike Malone, Jimmy Caraway, C. L. Sparks, Bill Roach, Robert Holland, Jerry Craig, Taylor Jones, Derwood Coalson, Dwain Walker and Eddy Parker.

Senior quarterback John Kinsey was out of the lineup Friday night due to injuries he received in the Eldorado contest.

J. W. has many proteges. Many are working on large city newspapers and some are publishing their own publications.

Yes, he has even smoothed off the rough edges of many men who had been in the business for a number of years but had not quite found the "fine" touch.

He did not have patience with so called "dead wood" or persons that were guilty of being sloven in their work and attitude toward others.

The newspaper profession and the local advertisers in Big Spring have truly lost one of the best in the passing of Smitty.

When I first began in this business working for the Sheep and

Goat Raiser Magazine in San Angelo in 1947, Smitty spent many hours over the coffee cup with me suggesting how I could best develop into an all around print media man worth his salt.

He perhaps did not acquire much in the way of worldly goods for his 58 years on this earth, but he acquired a wealth of satisfaction in doing his job everyday that

he worked to the best of his ability.

There are many successful ad-men and business men that owe a portion of their success to J. W. "Smitty" Smith Jr., truly a good newspaperman and a friend.
