Bank burglars break in, break out

CEILING TILES aren't where one would usually expect damage in a bank burglary, but apparently the intruders in Dimmitt's First State Bank over the weekend were either trying to get into a vault,

or looking for a way out after locking themselves in. A damage estimate hasn't been completed yet, but money losses were estimated at \$400 in change.

Photo by Linda Maxwell

Burglars broke into the First State Bank of Dimmitt about 1 a.m. Monday, then had to find a way to break back out.

All they got for their trouble, apparently, was loose change from employees' desks, estimated at \$15 to \$400.

City police officers reported that the burglars — exact number unknown — threw a rock through an east-facing window of the bank's drive-up building to gain entry.

In the process, they apparently turned off the automated teller machine inadvertently, which set the time of the break-in at 1 a.m. Monday, police said.

After getting into the drive-up facility, the burglars evidently went into an underground access tunnel into the main building. In doing so, they closed a one-way tunnel door behind them and locked themselves into the bank.

Once inside the main bank building, the intruders went through desks and cabinets, taking loose change. They also broke into a locked antique armoire in the board room.

"We just use that armoire to store soft drinks and canned fruit juice for the board meetings," FSB President Ray Bain said. "It so happens that the doors don't fit well, so we lock it. They got a few cans of drinks out of it."

More Photos, Page 14

Back in the basement, the

burglars knocked out several ceiling tiles.

"Apparently they were attempting to get into the attic of the basement to get into the underground vault," Bain said. "But it's solid concrete and steel on all sides, and there's no way they could have gotten into it. Even if they had gotten into it, there wasn't anything in it."

The burglars evidently did go into and out of the underground data-processing department through the basement attic, police said.

To get back out of the bank complex, evidently, the burglars broke out a window in the tunnel door that had locked behind them. Then they left through the same window they

had broken out at the drive-up facility.

"The bank has a silent alarm system, but 'we don't know why it didn't go off,'" Bain said.

Bank Cashier Joe Don Hadley discovered the break-in at 7 a.m. Monday when he arrived at the bank to make a routine security check before other employees came to work.

The intruders got little for the risk they took.

"We don't keep anything of value out," Bain said. "Everything of value is locked in the main vault overnight. Other than loose change in the employees' desks, there's not a whole lot they could steal that would be of any immediate value to them."

Two men convicted in tractor thefts

Mark Ancira, 30, and Pedro Payan, 32, were convicted last week in a federal court jury trial in Lubbock in the thefts and transportation of tractors from the South Plains area, occurring between Oct. 3, 1990 and June 22.

Testimony showed that the two men were suspected in 15 thefts of tractors, including two from Castro County.

Ancira, from Las Cruces, N.M., was found guilty on one count of conspiracy and 16 counts of interstate transport of stolen property. He was acquitted of one count of transportation.

Payan, a citizen of Mexico, was convicted of conspiracy and 11 of 15 counts of interstate and foreign transportation of stolen property.

He was acquitted on four counts.

Castro County Deputies were included among those called to testify at the trial.

Mailed ballot request deadline nears

The last day applications may be received for balloting by mail for the Nov. 5 election is Tuesday. Only voters temporarily residing out of the county (such as college students) may apply for ballots by mail, and they must be returned by Nov. 5.

Early balloting may be done at the County Clerk's office each weekday from 8 a.m. to 5 p.m. through Nov. 1.

Jones recommended that voters bring their voter's registration cards when they come to vote.

"It is the law," she stated, adding that she would like to encourage all registered voters to get out and vote.

Other amendment proposals concern charter amending for cities

fewer than 5,000 population, expenditures for toll roads, Veterans' Land Board investment authority, bonds for prisons and other institutions, tax exemptions in enterprise zones, establishment of a Texas Ethics Commission, public retirement system investments, presentation of state debt questions, issuance of land patents, tax exemption for nonprofit water corporations, water development bonds for colonias, and bonds for college student loans.

1:1 By Don Nelson

Don't overlook your copy of the *Voters Guide* in this issue. It will give you a good insight to the 13 proposed amendments to our state constitution. The election is less than two weeks away, and early balloting already is underway.

I, for one, really appreciate the League of Women Voters for all the work and research they do in preparing their non-partisan *Voters Guide* before each election.

Those of us in the political hinterland quite often aren't privy to all the pros and cons of the issues, and sometimes the only advice we get (even through "official" news releases) is from someone with a point of view to sell.

The *Voters Guide* gives you an explanation of each proposed amendment, arguments for and against, and lets you make up your own mind.

In addition to providing the *Voters Guide* in the newspaper, the *News* and *American Fructose-Dimmitt* make copies available to the civics classes in our county's three high schools.

The City of Dimmitt has a direct stake in the outcome of Amendment 1 in the Nov. 5 election. The amendment would allow home-rule cities with less than 5,000 population to amend their charters by popular vote.

Only cities of 5,000 or more population are authorized to adopt home-rule (city charter) government. If you remember, Dimmitt adopted its current city charter while the population was still officially over 5,000, according to the 1980 Census. But we dropped below the 5,000 mark in the 1990 Census.

This has also happened to 36 other cities in Texas. Amendment 1 is targeted directly at these 37 cities.

It's an enabling amendment to avoid confusion and legal challenges in the future. There is no provision for taking a home-rule city's charter away just because it drops below a certain population level, but there also is no specific state provision enabling cities of less than 5,000 to amend their charters.

(Continued on Page 16)

WHAT DO YOU MEAN, 'FALL BACK?' — Learning to tell time can be confusing when it's always "changing," just ask Dimmitt first grader Ramey Rice, who learns how to change his clock back one hour in preparation for the end of

Daylight Savings Time, which officially comes to a close Sunday at 2 a.m. Everyone must turn their clocks back one hour so they will be on time for church and other activities on Sunday morning.

Photo by Linda Maxwell

Holiday Calendar

FRIDAY: Plains Memorial Hospital Auxiliary will sponsor a holiday bazaar and barbecue dinner at the Expo Building. The bazaar will be open all day. The meal, which will cost \$5 per person, will be served from 11:30 a.m. to 1:30 p.m.

OCT. 31: The Dimmitt Kiwanis Club's Halloween Carnival will be held at the Expo Building. Food and activity booths will be set up.

OCT. 31: The Easter Spook House will be open at 7 p.m. at the Easter Community Building. Admission is \$3 per person. Also planned is a Halloween Carnival, with many games and food booths planned. The carnival opens at 6 p.m.

NOV. 2: Easter Spook House will be open at 7 p.m. at the Easter Community Building. Admission is \$3 per person.

NOV. 5: The United Methodist Women will sponsor their annual holiday bazaar and turkey dinner at the Methodist Church in Dimmitt. The bazaar will feature baked goods and handmade craft items. The turkey dinner will be served from 11:30 a.m. to 1:30 p.m. and tickets are \$5 for adults and \$3 for children.

NOV. 24: A holiday arts and crafts show will be held from 10 a.m. to 4 p.m. at the Nazareth School Cafeteria.

NOV. 24: The Christian Mothers Society of Nazareth will sponsor a Thanksgiving dinner at the Nazareth Community Hall. The menu will include turkey, dressing and all the trimmings.

DEC. 7: Alpha Chi Omega of Dimmitt will sponsor an arts and crafts show from 9 a.m. to 5 p.m. in the Expo Building. A concession stand will be open throughout the day.

DEC. 7: The Republican Organization for Women will sponsor a holiday home tour, Homes featured on the tour include Steve and Vicki Buckley's, Rose Acker's and Gary Thompson's.

On the Go

Mary Edna Hendrix, 647-3343

The "Roving Reporter," Bryan Harkins of San Antonio, was in Dimmitt last week, taking pictures and interviewing Sam Raper concerning his trains, airplanes, houses and other objects made out of soft drink bottle caps. Sammy and Pearl help collect the bottle caps, and they all came to the museum to see the trains and house that Sam had donated to the museum.

Jettie Sheffy went to the diamond mines in Murfreesboro, Ark., with her cousins, Mae, Myrtle and Cynthia of Big Springs. They had no luck finding diamonds, so they went on to Fort Cobb Lake and visited cousins Leona and Norva Bradley. They spent a day resting and visiting there, and came home very disappointed — no diamonds for any of them!

The Castro County Farm Bureau held their annual meeting and supper at the Dimmitt High School cafeteria Saturday evening. The meal was catered by the "Cattle Call" of Amarillo and wives of the board members served homemade ice cream. Joe Lust was the master of ceremonies, Don Moore gave the welcome, Rayphard Smithson gave the invocation. Monty Moore gave a brief report on his trip to the citizenship seminar last summer. Don Smith of Hopkins County in East Texas was the guest speaker. He said the farmers have a challenge each year to make a crop. Marilyn Smith accompanied her husband to the meeting.

The Cub Scouts of Den. No. 267 in Dimmitt toured the museum on Thursday afternoon. Scouts Alex Wilkerson, Coby Williams, Ramey Rice, Patrick Hunter, Casey Jones, Casey Hargrove, Keenan Doss, Brandon Webb, Steve Martinez, Dalton Fisher, Harold Casas, Raul Casas, and Isaac Velasquez were accompanied by mothers, Darla Fisher, Teresa Williams and Dena Wilkerson.

Out of town relatives and friends who attended the Gilbreath-Cowsert House dedication on Oct. 13 included Linda Gladman Steen of Cloudcroft, N.M.; Scott Steen of Roswell, N.M.; Mrs. W.W. Gilbreath, Lucille Gilbreath Posey, and Ina Mae (Hastings) Gilbreath, all of Hereford; Carole and Camille Farris of Dalhart; Bill and Mary Manire and Donna Cowsert Morton of Albuquerque, N.M.; Joe and Charlene Killgore of Maryneal; Zay Gilbreath of Amarillo; Josephine Coswert Russell of Corpus Christi; Norma Gladman of Plainview; Mary Schilling and Joan and Arthur Few of Houston; Mr. and Mrs. Roger Haberer, Davey, Debbie, Mark and Ryan Haberer of Earth; Richard, Camille, Sara and Nina Lewis of Springlake; Mr. and Mrs. Bob Riley and Melinda of Big Springs; Jim Cowsert of Georgetown; Kent Cowsert of Dallas; Matt and Ronda Gilbreath and son of Hart; and the Gilbreaths and Cowserts from Dimmitt.

Rosetta and William Bellinghausen have just returned from Sterling, Colo., where they visited William's sister, Luise Ebberts. While there, they visited the Overland Trail Museum. The museum building is a replica of an old fort, and includes a large fireplace of petrified wood. Other structures on

the grounds include a one-room school (which holds school sessions for children during the summer) and a country Evangelical Lutheran Concordia Church (which is used for weddings and christenings occasionally). The Bellinghausens drove throughout the city to see the living trees carved by Bradford Rhea.

On Sunday, there was a surprise birthday brunch and a party for William, hosted by Luise. Grace Hill, William's niece and family, and some of Luise's friends came to wish William a happy birthday.

The Bellinghausens got home just in time to greet William's niece and family, Margaret and Bob Boyette and daughter, Jennifer, of Eagle, Idaho. They were on their way home from Oklahoma City.

Benny Baker, minister of the Fourth and Bedford Church of Christ in Dimmitt, and his wife, Donna, hosted a Fall Foliage tour for a group of ladies. Those going on the tour to the New England states were Florene Stafford, Louise Cathey, Gerry Chaney, Rhoda Mays, Anna D. Gibbs, Molly Scott, Dolores Griffitt, Beulah Ivie, Clotie Minchew, Virgie Moulton, and Mae Taylor, along with two of her sisters, Willie Huffman of Brady and Myrtle Perkins of Abilene, and a sister-in-law, Thelma Driggers of Clyde. Also joining the group were Marie Hines of Hereford and Glenna Jacobson of Amarillo.

The group left Dimmitt Oct. 1 and returned Oct. 13, traveling a little less than 5,000 miles. The states visited included Oklahoma, Missouri, Illinois, Indiana, Ohio, Pennsylvania, New York, Vermont, Massachusetts, Virginia, New Hampshire, Delaware, Maryland, New Jersey, Connecticut, Tennessee and Arkansas, along with the District of Columbia and Canada.

There were 18 who left on the trip and 20 returned. Andrew Baker flew out and joined the group in Syracuse, N.Y., and in Utica, N.Y., a friend of the Bakers, Eleanor Carlson, returned with them for a visit in Dimmitt.

The group was impressed with the "Gateway to the West" in St. Louis, and they said the beautiful, colorful lacy trees and other scenery were hard to describe.

In New York state, the changing colors were at their peak. The group visited Niagara Falls, going to the Canadian side to enjoy a more breath-taking view. All along the way, the tour group stopped at several souvenir shops and for food and rest stops.

Upon arrival at Utica, the tour group was greeted by members of the congregation there, who showed them their church building and hosted some of the tour members in their homes, while some stayed in a motel. They stayed two nights in Utica, and had a lovely time with the friendly people. This is the congregation Benny used to preach for, and was home to the Baker family for five years.

On Saturday evening, they were having a youth rally and on Sunday morning, Benny preached again in the pulpit that was so familiar to him. On Saturday, Benny and Donna took the group on a local tour to see more of the beauty of the area.

The group viewed the old Eric Canal and visited in the Park, taking lots of pictures. They went to Chittenango, where there are quaint-looking homes and tall, lovely trees, that were so colorful. On Saturday they traveled north to Old Forge, N.Y., and stopped at a shoe outlet store, where several bought shoes. They passed White Lake and many other streams of flowing water, and they stopped to eat at Loon Restaurant in Inlet, N.Y. They really enjoyed this Saturday. They were taken to a mall in Utica, and several of the ladies went to beauty shops to get their hair done. They spent about three hours in the mall before being picked up.

On Oct. 6, they attended Bible classes in Utica, and also worship services. The congregation prepared a lot of delicious food for lunch for the group, who then continued their trip at around 2 p.m. They spent the night in Albany, and left there the following morning.

After spending some time in the Lake George area, they crossed on a ferry from New York into Vermont and saw some lovely dairy farms. Although Vermont is a beautiful state, it was getting cold for the Texans. Mostly, they had nice weather, though.

They spent the night in Springfield, Mass., and Benny's cousin visited him while they were there. When they left the next morning, they drove into Connecticut and into New York City.

After crossing under the North River in a tunnel, they saw the Statue of Liberty and most rode the ferry out to get a better look and take some pictures. It was a sight to see! Upon leaving, they took a tunnel under the Hudson River. Someone had pointed out the Brooklyn Bridge to them, too.

They crossed a bridge from New York into New Jersey and drove on into Pennsylvania, spending the night in Bristol, Penn., near Levittown, Penn. They attended Wednesday night church services there, and again they met lovely, friendly people. The next morning, they drove toward Delaware and Maryland.

In Washington, D.C., they spent a while seeing different buildings and many interesting, historical sights. After leaving there, they traveled into Virginia, crossing the Shenandoah Valley and the Smoky Mountains. It was getting hot, and quite a few deer were grazing at the road side. They spent this night in Christenbury, Va., then drove through more beautiful country throughout the state of Virginia, and on into Tennessee.

After driving through the Tennessee Valley and crossing the Tennessee River, they shopped again at an outlet place, where they had clothing, paper goods, shoes—almost anything anyone might want for gifts or for themselves.

They arrived in Nashville and spent that Friday night there. They were tired and most of the group stayed in Clotee's son, Don Minchew, and his wife, Judy, took her out for some treats. They live in Murfreesboro, Tenn., not far from Nashville. Also, Myrtle's grandson took the "four sisters" out for a while.

They left Nashville on Saturday morning. While traveling through Tennessee, they stopped at Loretta Lynn's Restaurant and Gift Shop. The Tennessee River is the only river that runs north. As they traveled on, they stopped at Casey Jones Gifts, etc., and took more pictures. They passed through Memphis into Arkansas and stopped at a roadside rest area.

Benny's mother and step-dad met them there. They live in Mississippi, and since they were heading for Oklahoma to attend a family reunion, she rode with the group on the bus, and Andrew rode with him in their vehicle.

The group stopped for the night in Checotah, Okla. The next morning (Sunday) Benny's parents left the group. The tour group attended worship services in El Reno, Okla., then traveled on toward Texas.

In Amarillo, they dropped off Glenna Jacobson, and left Marie Hines in Hereford. They were back in Dimmitt around 7:30 p.m., very tired, but very happy to see Dimmitt again.

The tour group members were thankful to Benny and Donna for being brave enough to take a group of women on such a trip, which was certainly enjoyed by all.

LAZY DAYS OF HALLOWEEN—This pair of "stuffed" jack-o-lanterns is hiding out at the home of Mr. and Mrs. Garlon Crosby in Hart until

Halloween arrives next Thursday. Halloween decorations like these are common in yards throughout Castro County.

Photo by Deana McLain

What's Cooking?

Here are the school lunch menus for Dimmitt, Hart and Nazareth from Oct. 24 to Nov. 1.

DIMMITT

THURSDAY: Chicken fried steak with gravy, creamed potatoes, green beans, rolls, peanut butter cup and milk.

FRIDAY: Corn dogs, tater tots, pork and beans, chunky fruit and milk.

MONDAY: Pizza, corn on the cob, prune cake, fruit salad and milk.

TUESDAY: Chicken strips, gravy, creamed potatoes, mixed vegetables, rolls, spicy applesauce and milk.

WEDNESDAY: Enchilada casserole, pinto beans, vegetable salad, banana pudding and milk.

THURSDAY: Beef stew, pineapple rings, cornbread, carrot sticks, cinnamon rolls and milk.

FRIDAY: Ham and cheese on whole wheat bread, potato chips, lettuce, pickles, fruit and milk.

HART

THURSDAY: Hot dogs with chili, pickles, onions, cheese, peaches and milk.

FRIDAY: Beef nachos, pinto beans, tossed salad, pears and milk.

MONDAY: Tacos, pinto beans, salad, chocolate chip bars and milk.

TUESDAY: Hamburgers with all the trimmings, French fries, ice cream and milk.

WEDNESDAY: Steak, whipped potatoes, broccoli with cheese sauce, rolls, apricot cobbler and milk.

THURSDAY: Spooky spaghetti with goblin meat sauce, jack-o-lantern salad bowl with black cat dressing, skeleton bread, bobbin' apple crisp and witches' brew.

FRIDAY: Pizza, corn on the cob, salad, chocolate cake and milk.

NAZARETH

THURSDAY: Frito pie, mixed vegetables, cornbread, fruit cocktail and milk.

FRIDAY: Chicken fried steak, whipped potatoes and gravy, green beans, hot rolls, cookies and milk.

MONDAY: Mexican casserole, sopapillas, tossed salad, pineapple and milk.

TUESDAY: Corn dogs, baked potatoes, cheese topping, pears and milk.

WEDNESDAY: Chili, peanut butter and crackers, carrot and celery sticks, cinnamon rolls, and milk.

THURSDAY: Sloppy Joes, green peas, peaches, and milk.

FRIDAY: Ham, scalloped potatoes, green beans, cornbread, apple cobbler and milk.

MIHIA clinic scheduled here

The MIHIA program of the Texas Tech University Health Sciences Center will hold a prenatal care clinic in Dimmitt on Nov. 7.

The clinic will be held at Plains Memorial Hospital in Dimmitt. The MIHIA program is a comprehensive program funded by the Texas Dept. of Health to bring prenatal care to pregnant women who are financially needy in the top 26 counties of the Texas Panhandle. The program currently is being administered by TTHSC.

LYH plans craft show

The Littlefield Young Homemakers will sponsor an arts and crafts festival Saturday in the Lamb County Ag and Community Center.

The show will feature 50 booths filled with country decorating items, wooden toys, oil paintings, ceramics, dolls, jewelry, decorated sweatshirts, Christmas items and other hand-crafted items.

An admission fee of \$1 per person will be charged and this entitles each person present a chance to win a door prize. Children under 10 will be admitted free. Proceeds from the admission charge will benefit community and charity work.

Homemade items will be sold from the concession area, which will be open throughout the day.

Crafts show is planned in Hereford

The Wesley United Methodist Church of Hereford will host its 11th annual arts and crafts festival on Dec. 7 from 9 a.m. to 5 p.m. at the Hereford Community Center.

Only a limited number of booths are available and applications will be screened.

Booth fees are \$10 and applications may be obtained by writing to Ellen Collins, 801 Miles, Hereford, Texas 79045; or by calling her at 1-364-0774.

Senior Citizens

MONDAY: Beef stew, cornbread, vegetable salad, dessert, tea and coffee.

TUESDAY: Barbecue riblets, bean, potato salad, coleslaw, dessert, bread, tea and coffee.

WEDNESDAY: Meat loaf, macaroni and cheese, corn, salad, dessert, bread, tea and coffee.

THURSDAY: Turkey and dressing, cranberry sauce, salad, dessert, tea and coffee.

FRIDAY: Spaghetti and meat sauce, salad, bread, dessert, tea and coffee.

We Salute Our New History Book

If you want to be sure you get a copy of our county's Centennial history book, *Castro County, Texas, 1891-1991, Volume II*, you'd better hurry.

Five hundred copies were printed. Three hundred have been sold, and the book soon will go into international circulation.

One story in particular is creating quite a demand for the new book.

Last month, Italian veterans who were interned in the Hereford Prisoner of War Camp during World War II reserved 100 copies to get the recorded story of the POW camp and the restoration of the chapel there. Our history book is so popular with the Italian vets that they're having the entire volume translated into Italian.

Restoration of the POW Camp chapel by the Castro County Historical Commission has rekindled many international friendships for the people of our county. The story will be featured soon in *Texas Highways* magazine, and undoubtedly will continue to gain national and international recognition for our county—and perhaps more demand for our Centennial history book.

The books are on sale for \$75 each at Cowsert Abstract and the Castro County Historical Museum.

We salute those Castro Countians who brought this new history book into being.

Story processors and proofreaders were Teeny Bowden, Clara Vick, Emma Jean King, Madge Robb, Teeny Bowden, Suzzie Hubble, Rosetta Bellinghausen, Ed and Jacqueline McLeroy, Mary Small, Mildred Sheffy and Helen Richardson.

The Book Committee consisted of bookkeeper Madge Robb and field representatives Emma Jean King (manager), Joan Durbin, Leola Ramaekers, Frances Duke, Leta Mae Hawkins, Dorothy Gilbreath, Marguerite Mobley Cole, Juanita Buregel, Darrene Collins, Jimmy Cluck and Corinne Wyr Burke.

Those who operated computers and typed picture captions for the project were Clara Vick, Stacy Norman, Teeny Bowden, Darrene Collins, Janie Vick, Darlene Collins and Mark Bain.

We're proud that each of you is a part of Castro County!

Sunnyside By Teeny Bowden, 647-5703

David Montiel, who was raised in the community but had recently made his home in California, died in an Amarillo hospital Oct. 16. His services and burial were in Olton.

Rev. David and Debra Fletcher, Haley and Harmony, and James and Joan Norrell attended the revival services at Lee Street Baptist Church in Dimmitt Friday night.

Larry Sadler spent most of last week in the Snyder and Roby area looking for work. He received orders for a great number of troughs.

Lyle Loudder brought in the first module of cotton to the Sunnyside Gin Monday from the Bolinger place, with Lance Loudder close behind him with a load from the Bowden place.

James and Joan Norrell left after church Sunday for Levelland to help his dad celebrate his birthday. They were back for the Sunday night services. Teeny Bowden first gave a report from the Baylor Town Hall meeting in Amarillo at High Plains Baptist Hospital. She also read from a Texas History Book published in 1923 and written by J.M. Carroll, brother of B.H. Carroll, that Baylor was chartered

by the Republic of Texas 44 years before the Texas Baptist Convention was established. Teeny also read the written report by Clara Vick about the meeting since she had to be out of town and she and Rita also attended the meeting and all three are messengers to the state convention. Next came the song service and preaching of the message, and then Bro. David read the church letter for Teeny.

Gerald and Pat Elkins left after Sunday school to check on his mother in Olton, who has been ill.

Ezell and Verba Sadler called to see how J.B. Henslee was doing. He is still in the burn center at University Medical Center Hospital, and will have to have some skin grafts.

Ezell and Verba Sadler went to the bluegrass music at Farwell Thursday night.

David and Gay Sadler went to Amarillo in September to help Bethany Johnson, her sister's granddaughter, celebrate her birthday.

Becky Ott had her granddaughter, Kenzie Bateman, with her at church Sunday night. She will stay two or three days.

NO PROBLEM—After all, these girls aren't swimming. Since there's no sign that prohibits running, the girls enjoy a jaunt Saturday on a dirt-bike path through the runoff impoundment along Highway 86 in West Dimmitt. The girls, from left, are Ashley Irons, Sharla

Kenworthy, Angela Cartwright and Sally Stahl, who had already gotten in a swim at the Ruskin Racquet Club pool before making their "dry run." The impoundment hasn't had a significant amount of water in it since June. *Photo by Don Nelson*

Nazareth By Uirgle Gerber

National Catholic Daughters' Day was observed Sunday with a dinner for the local court members and their families, the Junior Catholic Daughters and their parents at the Nazareth Community Hall.

A bridal shower honoring Kelly Buchanan was held Sunday, Oct. 5, at the home of Mary Ann Schulte in Nazareth. Hostesses for the event were Ethel Schmucker, Juanita Schacher, Bobbie Schmucker and Mary Ann Schulte.

A baby shower honoring Amber Dawn and Mandy Jo, infant twins of Mark and Kim Makeever, was held Sunday at the home of Chelle Wilcox in Nazareth. A wide variety of useful gifts were presented to the family. The twins' brother, 3-year-old Corey Michael Makeever also was presented a gift—a play John Deere tractor. Some of the members of Mark's Swift basketball team also came to bring a gift to the twins.

Kim's mother and sisters were guests along with a large number of friends. The shower was hosted by friends of the Makeevers.

Philip, Dora and Rita Pohlmeier attended the baptism of David John Witt, son of John and Germaine Witt of Amarillo, on Oct. 20 at St. Hyacinth's Catholic Church in Amarillo with Father Di Benedetto officiating. David's sponsors were Robert and Donya Pohlmeier of Yukon, Okla.

Cary Buchanan and Kelly Hoeltling were married Saturday afternoon at St. Ann's Catholic Church in Canyon with the Rev. Pat Caruthers, pastor, officiating. A reception for family and friends followed at the parish hall.

Ralph Brockman, area supervisor for Germania Insurance, and his wife, Sharon, recently attended the Texas Claims Association Convention in Corpus Christi. They drove down with friends Randy and Barbara Kizer from Lubbock. They met with other friends in San Antonio before going on to the convention.

While Ralph attended the workshops, Sharon and the other adjusters' spouses toured the new aquarium and the annual Bayfest with its arts and crafts show.

For the convention banquet on the last evening, they were joined by their daughters, Missy and Jenny. The girls had been flown to Corpus Christi as guests of the

TCA to be recognized as recipients of two of the four scholarships that Germania Insurance had awarded. In September, Missy received a \$1,250 scholarship (second place) and Jenny received an \$875 scholarship (tie for third and fourth place). While there they met all the other area supervisors and their wives from Germania who were attending the convention.

Everyone had a great time.

Auxiliary plans bazaar, barbecue meal

Plains Memorial Hospital Auxiliary will hold its annual holiday bazaar and barbecue dinner Friday at the Expo Building in Dimmitt.

The bazaar will feature many craft and gift ideas for the holidays and will be open to the public throughout the day.

The barbecue dinner, which features roast beef and all the trimmings, will be served from 11:30 a.m. to 1:30 p.m. Cost for the meal is \$5 per person.

During the bazaar, the auxiliary will be accepting donations and names for the Operation Christmas Greetings Project, a community Christmas card list which is published in the Christmas edition of the *News*.

Clarification

In last week's issue of the *News*, in the report about the Dimmitt school board meeting, the wording was not clear in describing Dr. Gary Hardee's participation in the investigation of a bacterial illness that had affected several students and staff at Richardson Elementary.

Dr. Hardee, as health officer for the City of Dimmitt, initiated the investigation after confirming shigella bacteria in cultures from at least three patients. The word "instigated" was improperly used in saying Dr. Hardee was the first to begin looking into the matter, which is part of his job as City Health Officer.

The *News* apologizes for any misunderstanding and for failing to consult with Dr. Hardee before publishing the article.

Dr. Hardee did confirm that conditions in the cafeteria were not at fault for the outbreak.

The final report from State Health Inspector William Hertner also gave the cafeteria a "clean bill of health."

Brass quintet to perform concert in Hereford tonight

The Saturday Brass Quintet will perform in Hereford tonight (Thursday) as the first in a series of concerts sponsored by the Hereford Community Concerts Association.

Admission to the concert will be by membership in the community concerts association.

The concert will begin at 8 p.m. and will be held in the Hereford High School Auditorium.

The Saturday Brass Quintet, which holds a reputation as a serious chamber music ensemble, debuted in New York in 1984, and since that time, it has won numerous awards.

The quintet has been awarded the 1990 Water W. Naumburg Award for Excellence in Chamber Music. It also has won prizes at the Fischhoff, Mendez and Artist International Competition. The quintet also has received three awards from Chamber Music America — the 1987 and 1989 Ensemble Commissioning Awards, and the 1989 Residency Grant.

The group has given more than 600 performances in North America.

Active in Arts-In-Education, the quintet is the "Quintet in Residence" at the Manhattan School of Music. It has given master classes at the Juilliard School, the San Francisco Conservatory and the

Shepherd School of Music at Rice University. It currently is on the artist roster of Lincoln Center's Meet the Artist, Carnegie Hall's Neighborhood Concert Program, New Jersey Young Audiences, New Jersey Young Audiences and the New York Philharmonic/New York Young Audiences Musical Arts Experience.

It has commissioned and or premiered new compositions by lead-

ing composers including John Harbison, Anthony Davis, Ned Rorem, Richard Danielpour, Elliot Goldenthal, Brian Fennelly, Linda Bouchard, Richard Wernick and Kurt Schwertsik.

Members of the quintet include Terry Szor and Charles Olsen, both on trumpets; Lawrence A DiBello Jr. on French horn, Richard Kessler on trombone and Kyle Turner on tuba.

Library offers story time to pre-schoolers

A "story time" session for four-year-old children is being held on the first Friday of each month at 10:15 a.m. at Rhoads Memorial Library in Dimmitt.

Nine four-year olds are attending the sessions and the next scheduled "story time" will be Nov. 1 at 10:15 a.m.

"We want to make reading and going to the library fun for kids," said Cindy Pottorff, Rhoads Memorial's librarian. "At each story time, we read a couple of books to the kids, and then have some time of entertainment or activity the kids can participate in."

Anyone interested in having their child participate in story time should contact the library at 647-3532.

CENTENNIAL MOMENT: The Castro County Community Action Board and many representatives of local civic clubs met at the City Hall on Oct. 27, 1975 to organize the Senior Citizens of Castro County, Inc.

CENTENNIAL MOMENT: The first Railway Depot Agent in Hart was Jack Hall and the first schedule had the train running daily from Plainview to Dimmitt and remaining in Hart overnight.

LEGAL NOTICE

The City of Dimmitt, Texas is accepting bids for a computer system. The purpose of this Request For Proposal (RFP) is to solicit proposals for computer hardware and operating system software that meet the requirements outlined in the body of the RFP.

The vendor proposals are intended to serve as a guide in the selection of data processing capability and are in no way binding upon the city. To be considered, a complete copy of this RFP must be received no later than 5 p.m., Nov. 1, 1991. We ask that you include with your proposal any visual aids, manuals or documentation which may aid us in evaluating your system solution.

We are requesting delivery on hardware and operating system software by Jan. 6, 1992.

We would like to take this opportunity to thank you for your participation and to assure you that your efforts are fully appreciated. We expect to take two weeks after receipt of the proposals to analyze and review them. After this period, we will notify you of your decision.

REEFORD BURROUS
City Manager

LEGAL NOTICE

Dimmitt Independent School District is accepting bids on athletic shoes. Bids will be accepted until 2 p.m. on Oct. 24, 1991, at the DISD Administration Office, 608 West Halsell, Dimmitt, Texas 79027.

15-27-21c

LEGAL NOTICE

Notice is hereby given to all citizens of the City of Dimmitt, Texas that the City Commission shall hold public hearings on Oct. 21, 1991, at 6:30 p.m. and on Nov. 4, 1991, at 6:30 p.m. in the Council Chambers located within the City Hall at 201 East Jones, Dimmitt, Texas. The purpose of these hearings is to receive citizen input for the adjustment of the boundaries of the voting precincts within the city limits of the City of Dimmitt, Texas.

The hearings are to achieve compliance with Section V of the Voting Rights Acts of 1965, as amended by the United States Government. All persons interested in assisting the councilman in adjusting the boundaries to equalize the number of voters in said single councilman district should be in attendance at these scheduled public hearings. A city map compiled by the United States Census Bureau is available for viewing at the City Hall.

**VFW plans
family night**

The Dimmitt VFW Post and Auxiliary is having a family night at the post Monday at 7 p.m.

The post will supply the main dish for the meal, with members bringing pot luck side dishes.

Families will participate in games and activities following the meal.

**Chamber asks
for pheasant
land leases**

Landowners who wish to lease their land to pheasant hunters this season should sign up now at the Dimmitt Chamber of Commerce office.

Pheasant season opens a week later this year (Dec. 14) and will run through Dec. 29.

The Chamber office receives many requests for places to hunt, and it hopes to provide prospective hunters with an accurate list of landowners who wish to lease their land. Last year the chamber received approximately 200 requests from prospective hunters.

Members of the Chamber of Commerce may place their land on the list for no charge, but non-members will be charged \$20 to have their land included.

Anyone who wants to sign up, or who needs more information should call the Chamber office at 647-2524.

**Methodist Women
set meal, bazaar**

The United Methodist Women will hold their annual holiday buffet and bazaar on Election Day, Tuesday, Nov. 5, at the First United Methodist Church in Dimmitt.

Everyone is urged to get out and vote, and then stop by the church for a Thanksgiving dinner featuring turkey, dressing and all the trimmings. Take outs will also be available.

The dinner will be served from 11:30 a.m. to 1:30 p.m. and tickets are \$5 for adults and \$3 for children. Tickets will be available at the door or may be purchased in advance from any Methodist woman.

The bazaar will feature homemade baked goods and hand crafted home and gift items, and will open to the public at 10 a.m.

**Christmas bazaar
scheduled Dec. 7**

Alpha Chi Omega of Dimmitt, formerly the Dimmitt HOME Club, will hold an arts and crafts bazaar Saturday, Dec. 7, from 9 a.m. to 5 p.m. at the Expo Building in Dimmitt.

Only 39 booth spaces are available for rent and each will be \$30. Booth fees must be received by Nov. 10, and booths won't be reserved until paid for.

Each booth contains two banquet-size tables. Booths are 8 x 10-feet. Walls are metal and no nails can be used. Electrical outlets are available, but exhibitors must provide their own extension cords. If you will need electricity in your booth, please indicate so on the booth reservation form, which may be obtained from Sherri Wilkerson, P.O. Box 201, Dimmitt, Texas 79027.

A concession stand with food, drinks and snacks will be available during the day.

**Methodist women
attend meeting**

Mary Lu Smithson, Margret Parsons, Ina Cleavinger, and Mildred Bradford, of the First United Methodist Church of Dimmitt attended the Northwest Texas Conference 18th annual meeting of United Methodist Women Oct. 11 and 12 at First United Methodist Church, Midland. The theme was "Faithful Witnesses for God's World."

The annual meeting included worship, business and fellowship. New officers for 1992 were elected and installed and a memorial service was held for the United Methodist Women who have died this past year.

Featured speaker was Rev. Meridi Whitaker, a missionary who serves as director of the Cookson Hills United Methodist Center and General Board of Global Ministries mission to the Cherokee people in Cookson Hills, Okla.

A special offering of children's clothing and fabrics was collected and presented to the center.

Jeanne Gramstorff if the United Methodist Women conference president.

Breast cancer screening to be here

The breast cancer screening program of the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital in Amarillo will hold a community outreach clinic for early detection of breast cancer in Dimmitt on Nov. 4.

The clinic provides low-cost screenings, including a breast exam by a registered nurse trained in breast cancer detection, teaching of self-examinations and a mammogram.

Appointments are required for the exams, and the clinic will be

open from 10 a.m. to 2:30 p.m. at Plains Memorial Hospital.

For more information about the clinic or to make an appointment, call the Harrington Cancer Center, toll-free, at 1-800-274-4673.

Funding is available through the Texas Cancer Council for screening mammography for Texas residents qualifying for financial assistance.

Early detection is the major goal of cancer control for each woman seen in the clinic.

The guidelines are to learn and perform breast self-examinations every month, have a physical exam each year, and have a mammogram according to the recommendations by age, which include one baseline mammogram for women ages 35 to 40, a mammogram every one to two years for women ages 40 to 50 and yearly mammograms for women over age 50.

Early education program to help migrant children

Building Bridges is a federal education program for three-year-old migrant children that has been adopted by the Hart Independent School District.

The home-based program was designed and tailored to prepare

migrant children to succeed in school.

The program's goal is to provide parents with the knowledge, guidelines, training and information necessary to teach their child at home, preparing him or her for school.

The purpose of this program is to

involve the parents—a child's first teachers—in developing language and improving intellectual potential.

The program coordinator teaches the parents about child growth and development and helps the parent develop activities to build skills in the areas of cognition, language, psychomotor and social emotional development.

Gloria Ponce is the coordinator for Hart ISD.

After participating in program training in Amarillo, Ponce began identifying families who are eligible for the program. At this time, seven three-year-old migrant students are being served. Twice each week, Ponce visits the homes. During her one-hour visits, she works with the child to see if he understands the concepts presented by parents since the previous meeting. Then Mrs. Ponce answers any questions the parents might have and instructs the parents in the next skill presentation. The parents must be committed to working with their child for at least one hour between

the home visits.

The activities are designed to use general household items (such as pictures on food containers, egg cartons, newspapers and paper sacks) to teach skills.

The children will complete several units while participating in the program. The children currently are learning about themselves and their relationships. Other units to be covered include food, community and school.

The children learn the concepts in their home language. At this time, one of the participants receives their instruction completely in Spanish. The other children learn the skills in both Spanish and English or solely in English.

A sample activity like the ones in the program follows:

Place several different food packages on the table. Include canned foods as well as boxed food. Play "I Spy" using these items. Some sample clues might be: "I spy something yellow."

"I spy something yellow in a can."

"I spy something yellow, in a can, and you eat it for supper."

Continue giving clues until the child is able to guess which item you are describing.

Kiwanis to hold Halloween carnival

The Dimmitt Kiwanis Club will sponsor the annual Dimmitt Halloween Carnival on Halloween night at the Expo Building from 6 to 10 p.m.

Admission to the carnival will be \$1 for adults and 50 cents for ages 12 and under. Booth reservations are \$15 each, and some booth spaces may still be available.

A special feature of the carnival will be the Dimmitt Key Club's spook house set up in one of the quonset barns next to the Expo building. Other booths will include a pillow fight, bowling alley, cotton candy, and a cake walk.

Booth reservations may be made by contacting any member of the Kiwanis Club or by calling 647-3286 or 647-3444 or 647-2197.

JULIE MARTINEZ (left) instructs her 3-year-old son, Ruben, in language skills he will need when he starts school in two years. She is involved in a "Building Bridges" program through Hart Independent School District. The program is designed to prepare migrant children for school and currently seven three-year-olds at Hart are involved in the early-education program.

Behrends, Crismon wed on Saturday

Kay Crismon of Hereford became the bride of Clarence Behrends of Hereford Saturday morning.

The couple exchanged wedding vows in the home of Mr. and Mrs. Bob Adams in Hereford with Benny Baker, minister of the Dimmitt Church of Christ, officiating.

The home's living room was decorated with fresh greenery and assorted fresh plants.

The couple's selected music included *I Pledge My Love*, *Wedding Song*, *Always, More* and *I Love You Truly*.

The bride wore a long peach-colored silk dress and she wore a wrist corsage of peach and white carnations accented with peach and white ribbons. A diamond bracelet and earrings completed her attire.

Following the wedding, the couple were honored with a reception.

Two brass candelsticks holding peach tapers graced a serving table which was covered with a coral linen cloth. Punch, nuts, mints and coffee also were served from the table.

The bride's two-tiered wedding cake was frosted in white and was topped with silk peach-colored roses. Basket weave trim accented the creation.

The bride's cake was served by the groom's daughter, Kylene Thomas of Dumas and his daughter-in-law, Teresa Behrends of Arlington. Tammy Turmel of Bryan, the groom's daughter, served coffee.

The groom's German chocolate cake centered another table, which was covered with a white lace cloth. It was served by Annette Rinehart.

Leona Schilling of Hereford presided over the registry table. Others assisting with the reception were the bride's niece, Penny Rinehart of Shallowater and the groom's daughter - in - law, Donita Behrends.

Out-of-town guests were Mr. and Mrs. Bob Behrends of Arlington, Mr. and Mrs. Bill Turmel of Bryan, Mr. and Mrs. Gary Thomas of Dumas, Mr. and Mrs. Earl Behrends of Dimmitt, Mr. and Mrs. Donnie Rinehart and Betty Decker, all of Shallowater.

The groom farms in the Easter community.

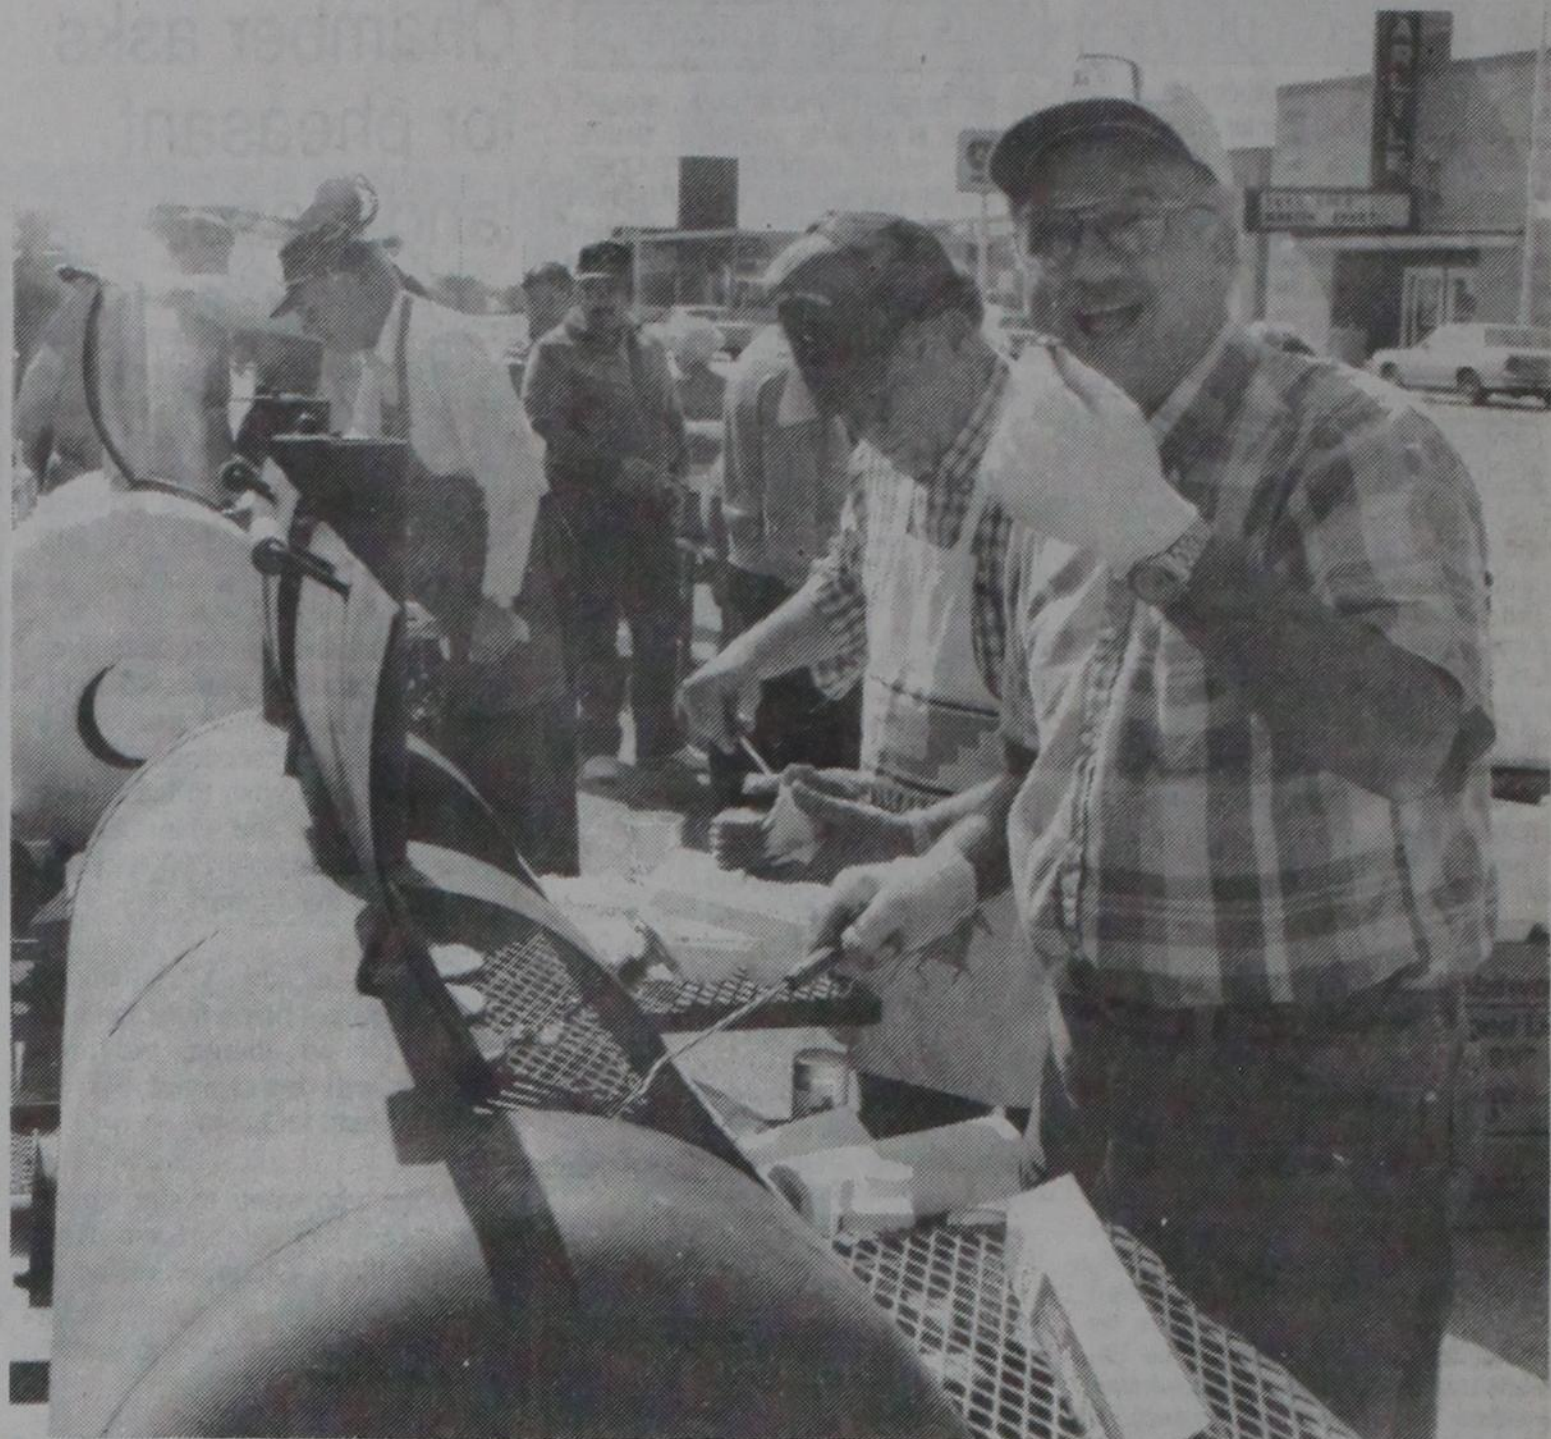

Canyon group plans bazaar

The Heritage Women's Club of Canon will hold a Christmas bazaar on Nov. 23 at the Rex Reeves Elementary School's all-purpose room, located at 1005 21st Street in Canyon.

The bazaar will be open to the public from 9 a.m. to 5 p.m. and will feature booths featuring exhibitors from across the Panhandle.

A bake sale and snack bar will offer delicious food to freeze or eat on the spot.

Proceeds from the bazaar will be used to help support area organizations that serve the Panhandle.

MM-MMM, GOOD! — Chef Chuck Braafladt samples the fare during the Dimmitt Lions Club's Beef Appreciation Day hamburger cookout at the Centennial Plaza Saturday. At the same cooker is

Marvin Bryant; identifiable in background are Walt Hansen (cooking) and Les Miller (serving). The Lions served hamburgers to 480 customers during the mid-day event.

Garrison receives TTU honor

Shirley Leon Garrison of Hereford was honored Friday by Texas Tech University's College of Agricultural Sciences during its 12th annual Distinguished Agricultural Alumni Awards reception and luncheon.

Garrison received a bachelor's degree in agricultural education from Texas Tech in 1940.

After serving in World War II, Garrison spent two years in a post-war program of food distribution and agricultural rehabilitation in Europe.

After farming at Idalou and Hart, he eventually settled in the Easter Community. He started producing seed and formed Garrison Seed Company in 1966. He served as its president from 1966 through 1989.

An active farmer and cattleman, Garrison helped start the Bar G Feedyard in Summerfield and currently serves as its president, an office which he has held since 1983.

He has been the chairman of the board of the First State Bank of Dimmitt since 1987.

Garrison has received many honors and awards including the Distinguished Service and Outstanding Leadership Award, presented by the Texas/New Mexico Sugar Beet

Growers, an organization which he served as president in 1966. He has received three service awards over a nine-year period from McMurry College and has served four terms as a board trustee of the university.

Garrison was a 22-year member of the Texas Cattle Feeders Association and served on its board of directors from 1984 to 1987. He also was active in the Texas and Southwestern Cattle Raisers Association, the National Cattlemen's Association, the National Grain

Sorghum Growers Association and served on the board of the Texas Corn Growers Association for three years.

He is a member and director of the Easter Lions Club and the Golden K Kiwanis Club in Hereford, and has been active in the Hereford Senior Citizens program. He was a member of the Hart Independent School District Board of Trustees and served as its president for one year.

Spooks booked for Oct. 31 and Nov. 2

The Easter Spook House will be filled with shrieks of delighted fright once again on Oct. 31 and Nov. 2, beginning at 7 p.m. both nights.

The Easter Lions is sponsoring the event to raise money for the club's scholarship funds and for other community service projects.

Admission to the Spook House is \$3 per person, and tickets may be purchased at the Easter Community Building.

While waiting in line for the traditional hearse ride to the fright-

site, patrons may participate in the Carnival on Oct. 31, with lots of booths, including bingo, a cake walk, and other children's games, beginning at 6 p.m.

A snack bar will be staffed by the Lions, too, on both evenings, with frito pie, popcorn, nachos, candy bars and soft drinks among the offerings.

A spokesman for the Lions said the Spook House will feature many new delights and frights this year, as well as having some of the old favorites.

Whirlwinds stymie Bobcats, 27-6

By DON NELSON

The Whirlwinds pulled that old Floydada trick here Friday night.

Faced with a big district game away from home, they won convincingly.

They executed their wishbone offense well, swarmed on defense, and turned two of Dimmitt's four turnovers into touchdowns in a 27-6 win to stay on top in the District 2-AAA race with a 2-0 league mark.

The loss forces the Bobcats, now 1-1 in district play, to fight for their lives if they're to realize their dream of going into the playoffs.

"They were strong. They're the best team that we've played this year," Bobcat Coach Bill Rogers said. "They killed us offensively and defensively. They didn't do anything fancy—you don't have to when you've got the beef up front." (The Whirlwinds held a 30 lb.-per-man advantage on the line.)

After a scoreless first quarter, Floydada struck for three touchdowns in the second—two of them off of Dimmitt turnovers as the Bobcats suffered three interceptions and a lost fumble.

The Whirlwinds added a fourth TD in the final quarter before Dimmitt finally scored on a 66-yard pass play from Billy Ray Thomas to Jeromy Casey with 1:58 left in the game.

"We had been telling our kids that the difference in the game would be the mistakes, and that's the way it turned out," Rogers said. "We cured a lot of the mistakes that had been costing us penalties, but we had those turnovers that killed us."

"I personally thought it would be a lot closer," Rogers added, "and it would have been if we hadn't given them those two touchdowns."

Floydada's first quickie TD came after linebacker Ramiro Rios tipped a Tait Crow pass, then followed it and nabbed it at the Dimmitt 40 late in the first period.

Seven plays later—just two plays into the second quarter—halfback Jamie Davis broke off left tackle for the final seven yards. Michael Gilliland booted the extra point to make it 7-0.

Tragedy struck the Bobcats again on the Floydada kickoff when Lincoln Stewart took the kick at the 15 and spun out of several tackles on a good runback, only to have the ball knocked loose and recovered by Floydada at the Dimmitt 32.

With their backs to the wall, the Bobcats held off two Floydada thrusts that carried to the 8 and the 15.

After an 86-yard run by Stewart was called back for illegal procedure, freshman runningback Derrick Thomas bobbled a pitch-out

and Floydada recovered it at the Dimmitt 5. Two plays later, Michael Henderson scored on a three-yard run to hike the visitors' lead to

13-0.

The next time the Whirlwinds got the ball—after Dimmitt failed on a fourth-and-four run at midfield—they drove 47 yards in five plays for their third TD. The score came on a three-yard pass from quarterback Billy Villareal to Jesse Rodriguez with just 34 seconds left in the half, and sent the Bobcats to the field house trailing 19-0.

Dimmitt crossed the midfield stripe only twice in the first half, but never got within 45 yards of Floydada's goal line.

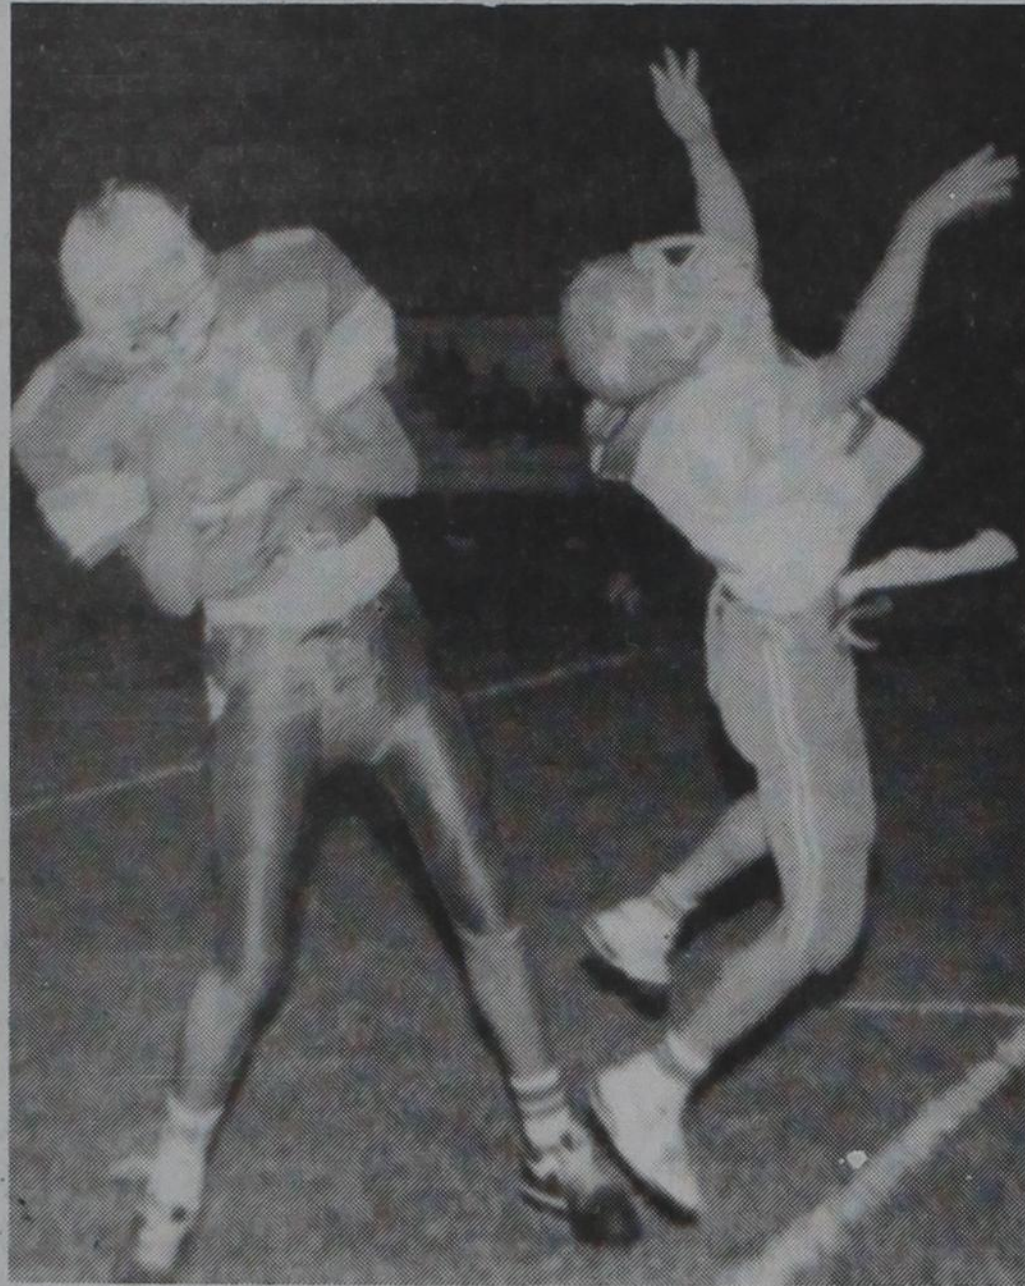

Although the third quarter was scoreless, the Bobcats owned the ball only four plays. The ball-controlling Whirlwinds finally gave it back at the Dimmitt 27 after an incomplete fourth-down pass on the first play of the final period.

The desperate Bobcats went for it on fourth-and-one at the 36 four plays later, but the Whirlwinds held and took over. Then they turned fullback Ruben Chavarria loose on runs of 17 and 18 yards, and sent him over the middle on a power plunge for the final yard for Floydada's fourth TD. Chavarria also ran a two-point conversion to make it 27-0 with 4:02 left in the game.

"We knew (Michael) Henderson and (Jamie) Davis would be a threat, but that little fullback (Chavarria) really hurt us," Coach Rogers lamented.

After Casey Summers returned Floydada's kickoff to the Dimmitt 33, Billy Ray Thomas sailed a high,

wounded-duck pass toward Jeromy Casey near the Floydada 40. Casey leaped and plucked it from between two defenders, then raced the rest of the way for Dimmitt's only touchdown, a 66-yarder with 1:58 remaining. A two-point pass play failed.

TOUCHDOWN RECEPTION—Dimmitt end Jeromy Casey outleaps a Floydada defender to snare a pass from Billy Ray Thomas near midfield in the fourth quarter of Friday night's big District 2-AAA game here. After catching the pass, Casey raced the rest of the distance to the end zone to complete a 66-yard touchdown play. It was Dimmitt's only TD as the Bobcats lost, 27-6. Photo by D.D. Leingang

GOTCHA!—Dimmitt's Monty Moore (52) wraps up Floydada's Jamie Davis at the Dimmitt 18-yard line in the third quarter of Friday night's District 2-AAA game here. The Whirlwinds advanced to the Dimmitt 8 on this drive, but it ended at the 24 after a clipping penalty and a quarterback sack. However, the Whirlwinds won the contest, 27-6. Photo by D.D. Leingang

Hart schools honored

Hart Elementary School and Hart High School have received recognition from the Region XVI Education Service Center for increasing math test scores.

The award was given to Soila Fierro, Nancy Wescott, Shirley McLain, Eloisa Gonzales, Beatriz Guzman, Norma Reyna, Sharon Davis, Mary Reyna, Elodia Rodriguez, Norma Carrasco and Juanita Velasquez.

These teachers and assistants work directly with students to help overcome academic weaknesses documented through TAAS scores. The professionals attribute their success to the networking among teachers, assistants and principal, Darla Underwood Baggett. The stu-

dents receive help in small group and in one-on-one settings. The teachers and assistants are able to individualize instruction and reinforce new skills taught in the regular classroom.

Euva Skiles and Barbara Diaz received recognition at the high school level. They work with the students who need extra help in math.

When asked what they did to improve student learning, they emphasized the recognition was earned by everyone working with Hart students. The student gains were a result of a school-wide push to improve reading and math skills.

Skiles and Diaz pull children from regular classes throughout the day to reinforce and reteach skills taught by other teachers. Many times the students understand the new skill but need a little extra time to practice.

Skiles and Diaz added that Shirley Barnes, administrative assistant and high school counselor, is instrumental to the success of the program. She is the Chapter 1 program coordinator and responsible for the organization and management of the program at the elementary and the high school.

JV Bobcats lose thriller

The JV Bobcats fought back from a 20-6 first-quarter deficit to tie the score at 20-20 in the third, only to lose a 32-28 thriller to Floydada there last Thursday night.

Dimmitt's Max Moore did a great job in Floydada's backfield. He intercepted two pitchouts and returned them for touchdowns.

Moore first surprised the JV Whirlwinds in the opening period when he grabbed an option pitch and ran 85 yards for Dimmitt's first TD.

The JV Bobcats got their second touchdown when Johnny Dozier raced 10 yards on a quarterback keeper in the second period. Dozier then passed to Moore for a two-point conversion to close Floydada's lead to 20-14.

In the third, Moore joined Floydada's backfield again, intercepting another pitch-out and racing 22 yards for a TD to tie the score. A two-point conversion attempt failed.

In the final period, Stephen Villeneuve broke through on a trap play and raced 50 yards for Dimmitt's fourth TD. Dozier ran a two-point conversion.

But the JV Whirlwinds—who had been held scoreless since the opening period—struck for two touchdowns in the final period to pull out a victory in the high-scoring contest.

"Max Moore had 156 all-purpose yards by himself," Coach Bobby Feaster reported. "Max has been a solid player for us all year."

In addition to his 107 yards on pitch-out returns for TDs, Moore gained 34 yards on five carries, caught two passes for 15 yards and a two-point conversion.

Steven Villeneuve had a great game, too, as he carried 13 times for 101 yards and a touchdown, and caught a pass for two yards. Dozier finished with 38 yards, a TD and a two-point conversion on 13 carries.

Top players in the offensive line were Nathan Strickland, Emilio Nino, Dustin Buckley, Danny Silva and Nick Lara.

On defense, Justin Stroud, Phil Thrasher, Daniel Trigo, Richard Ramirez, Michael Velasquez, Eric Mays and Raymond Limas turned in good games.

"The defensive secondary and offensive line had their best game of the year," Coach Feaster reported. "Coach Bell and I are very proud of this team."

The JV Bobcats, now 1-5, will host Littlefield today (Thursday) at Bobcat Stadium.

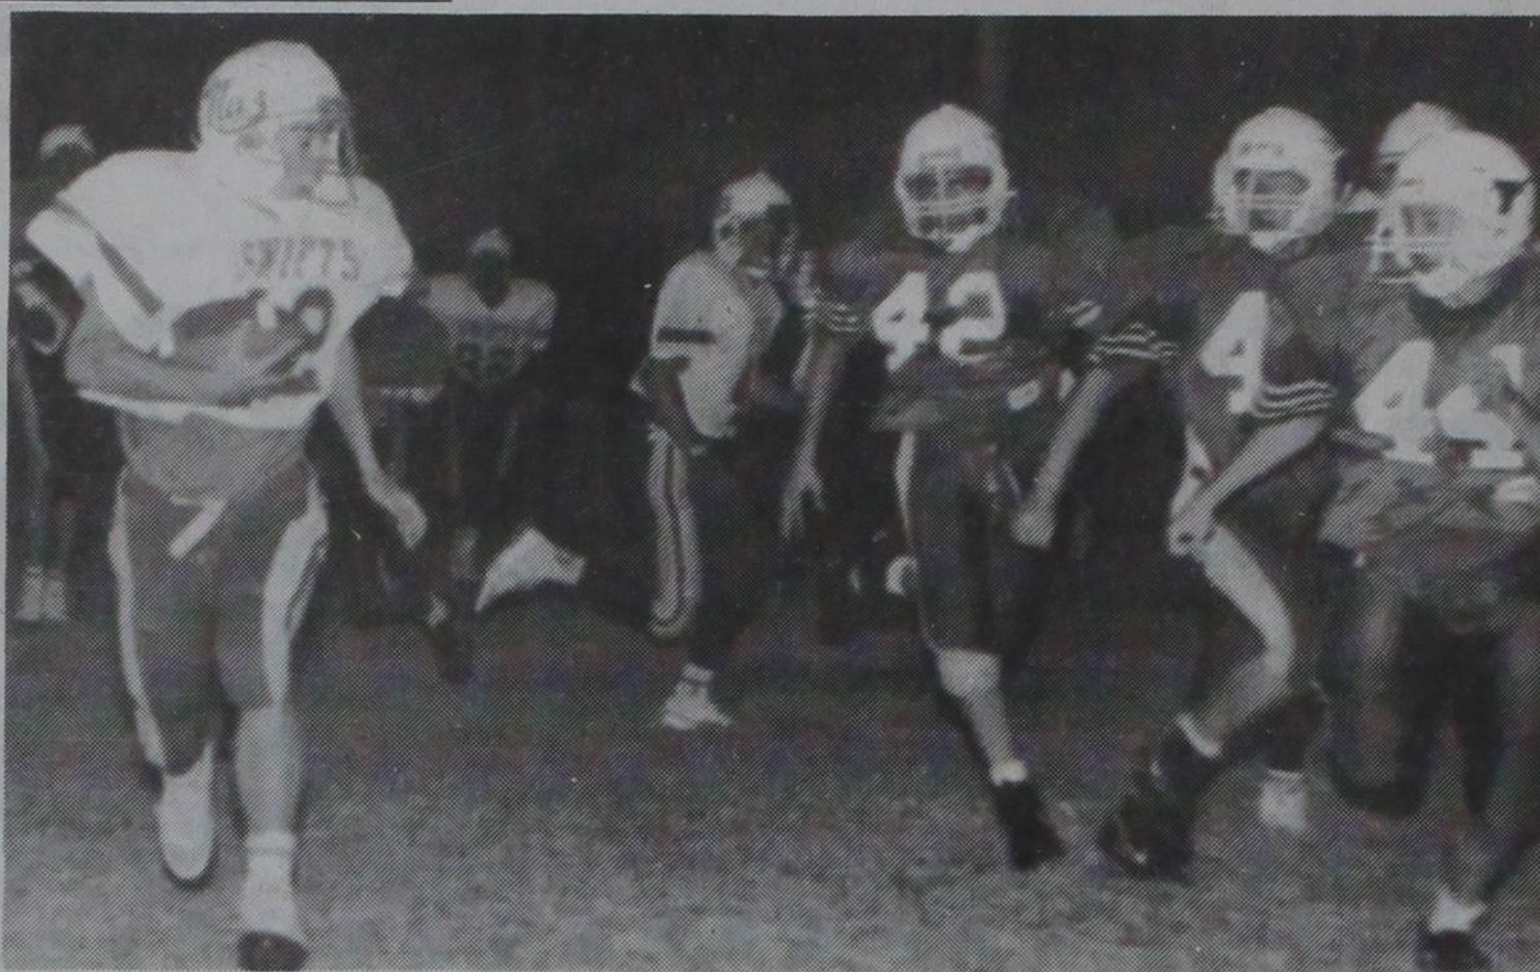

Punt, pass kick contest is scheduled

A punt, pass and kick contest will be held Saturday at 1 p.m. at the Dimmitt High School football stadium.

Boys and girls ages 6 to 12 (first through sixth grades) are invited to participate in the contest, which is being co-sponsored by the Immaculate Conception Catholic Church's Holy Cross Society and local merchants.

Everyone is invited to watch the contest.

The Old Faithful geyser in Yellowstone National Park spews forth more than 33 million gallons of water each day.

LONG GAINER—Lynn Nelson (12) rounds the corner and races upfield for a 31-yard gain and a first down before he's stopped by Steer defenders Lance Anderson (42), Brent Harrison (44) and others at the Farwell 46-yard line with 8:20 left in the second quarter Friday night. Nelson's play

came after Swift quarterback Michael Schmucker had been dropped for a loss, forcing the Swifts into a 2nd-and-20-plus situation. Nazareth went on to win the District 2-A battle in Farwell, 41-6.

Photo by Anne Acker

Swifts ravage Steers, 41-6

By KIM DOBMEIER

Nazareth's potent offense and merciless defense were too much for the Farwell Steers to handle, as the Swifts jumped out to an early 27-0 lead, then held Farwell scoreless until the final seconds in the game to claim a 41-6 victory Friday night in Farwell.

The undefeated Swifts improved to 7-0, 2-0 in District 2-A play; while the winless Steers fell to 0-6-1, 0-2.

For the Swifts, Friday night's victory avenged last year's 40-13 loss to the Steers.

Nazareth's defense held the Steers to a mere 100 yards offense—seven in the air and 93 on the ground. Farwell barely managed to get past midfield, accomplishing the feat only five times.

Mac Annen led the defensive attack for Nazareth, recording 10 tackles. Russell Huckert had eight solo tackles and blocked a punt. Other defensive leaders for the Swifts were J.J. Bermea with six tackles; Nick Johnson, five tackles; Brent Wilhelm and Brandon Schilling, four; and Bill Hochstein, Adrian Farris and Lynn Nelson, three each.

The Swifts forced Farwell into turning the ball over seven times (four fumbles and three interceptions), including three fumbles in the first six minutes of the game. T.J. Garza, Annen, Schilling and Farris each recovered a Farwell fumble. Intercepting Farwell quarterback Chad Byrd's passes were Farris (twice) and Colby Pohlmeier.

The Swifts' explosive offensive attack was led by quarterback Michael Schmucker, who completed 6-of-16 passes for 130 yards and two touchdowns. Brandon Schilling was on the receiving end of two passes for a total of 54 yards, including a 40-yard TD catch. Farris hauled in a 45-yard scoring pass and Nick Johnson caught three passes for 31 yards.

The Swifts scored on four out of their first five possessions.

Garza broke through the middle to score on an 18-yard jaunt just two minutes into the game. Johnson kicked the point-after-try and Na-

zareth jumped to an early 7-0 lead.

With 6:47 left in the period, Nazareth scored again when Schmucker went deep to Farris for a 45-yard scoring play. Johnson's extra point gave Nazareth a 14-0 lead with 6:47 left in the opening period.

Garza rounded out the first quarter scoring when he broke several tackles and raced around the left end for the score with 1:53 left. Johnson's kick failed to split the uprights, leaving the score 27-0.

The teams battled to a scoreless tie in the second quarter, but the Swifts came out with guns blazing in the third period.

Farwell took the opening kickoff, but couldn't do anything with it and Nazareth took over.

Garza got the call again, and raced 19 yards for the score with 10:10 left. Johnson added another PAT to give the Swifts a 34-0 lead.

Schilling put the Swifts up 41-0 with 5:12 left in the third when he caught a 40-yard TD pass from Schmucker. Johnson's kick was good, again.

The fourth quarter was quiet, until Farwell managed to move the ball into Swift territory.

The Steers started the drive on their own 46 and worked their way down to the Nazareth 10, threaten-

ing to score as time trickled down.

With 18 seconds left on the clock, Lance Anderson caught a pass in the end zone from Steer quarterback Brent Harrison to give Farwell its first score of the game. A two-point conversion attempt was stopped by the Swifts, making the final score 41-6.

Fourth Quarter
 F—Lance Anderson 10 pass from Brent Harrison (pass failed)

Records: Nazareth 7-0, 2-0; Farwell 0-6-1, 0-2

Junior high teams split with Floydada

Dimmitt's 8th Grade Bobcats logged the only victory over Floydada last week, winning 16-12 to hike their season record to 4-1.

Meanwhile, the 7th Grade Bobcats scored first only to come up on the short end of a 28-6 score.

Both games were played at home.

In the eighth grade game, Dimmitt forged an 8-6 lead in the first quarter, then erased a 12-8 deficit by scoring the winning touchdown in the final quarter.

Dewayne Espinosa gained 125 yards on 16 carries and scored a touchdown while Gabriel Rodriguez gained 47 yards on eight carries and scored a TD. Albert Charles earned 50 yards on four totes, and Joe Larra caught two passes for two-point conversions.

The 8th Grade Bobcats gained 225 yards to their visitors' 202 as guard Will Sanders paced the offensive line play.

In the seventh grade game, Michael Medrano raced 37 yards on a quarterback keeper to give Dimmitt a 6-0 lead on the first play of the second quarter.

But Floydada struck back late in the waning minutes before half-time, scoring on a two-yard run with 2:34 left and on a reverse with 48 seconds remaining. The 8th Grade Whirlwinds added two-point conversions after both TDs to take a 16-6 lead to the locker room.

Their reverse at the last of the second quarter really hurt, and we just couldn't rebound from it," Coach David Webb said.

The third quarter was scoreless. The fourth one was, too, until the last minute, when Floydada struck for two more TDs—one with 58 seconds left and another on a returned fumble with three seconds remaining.

Dimmitt quarterback Jason Nino was hurt in the first quarter and Michael Medrano handled the QB chores the rest of the game "and did a good job," Coach Webb said.

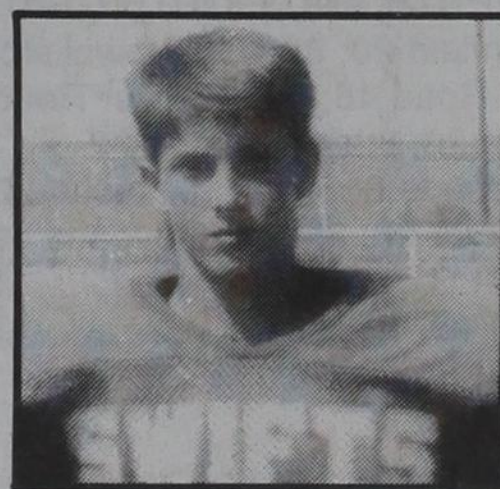

"Our kids are improving each week, and we were really proud of the way they played Thursday night," he said.

Top defensive performers were Fermin Sanchez with 12 tackles, Chad Rogers with nine tackles and Chris Abalos with a key fumble recovery.

TJ'S TD SCAMPER—Nazareth fullback T.J. Garza (30) outruns Farwell's Ruben Lucio (52) and other Farwell defenders enroute to his second touchdown of the first quarter during Friday night's District 2-A matchup between the two teams. Garza led the Swifts in rushing with 114 yards on 13 carries and scored four TDs to boost the Swifts to a 41-6 victory at Farwell.

District races heating up

Dimmitt at Littlefield

"The key factor for us is to get our kids back up for this game after such a disappointment," Bobcat Coach Bill Rogers said.

If the Bobcats want to hang onto their dream of going into the playoffs, they can't afford to lose another game. They'll have to shake off Friday night's 27-6 loss to Floydada in a hurry and get ready for another toughie.

Last year, Littlefield Coach Lewis Boomer took a young, inexperienced bunch after a losing season and took them into the playoffs. This year, he built his team around three offensive and three defensive returnees, and is trying to do it again.

The Wildcats have forged a 4-2-1 record from a tough schedule so far and are tied with Floydada for the District 2-AAA lead with a 2-0 mark.

Littlefield tied Canyon 13-13 to start the season, then suffered its only two losses back-to-back: 26-30 to Class AA power Abernathy and 18-26 to Snyder, defending 2-A-AAAA champion.

Since then it's been all W's for the Wildcats: 14-13 over Denver City, 41-0 over Lubbock Cooper, 35-7 over Tulia and 14-7 over Friona.

Blessed with both size and quickness in the line, the Wildcats use their familiar power-I formation, and they power it right over you," Coach Rogers said. "One of our main concerns is the size of their line."

Littlefield's offensive line averages 179 lbs. per man, with a high of 200 and a low of 155. The line includes three seniors, three juniors and a sophomore.

Quarterback Michael Vaught (150, Sr.) "hasn't been real accurate, but he has a good arm and is a threat," Coach Rogers reported. The Wildcats' main ball carrier is tailback Anthony Goodson (160, Sr.). Other Wildcat toters are fullback Justin Johnson (155, Soph.) and wingback Trevor Blair (175, Sr.).

The Wildcat defense is bolstered by a pair of all-district performers in 180-lb. senior linebacker Mark Cox and 190-lb. junior noseguard Darren Fletcher.

How do the Bobcats plan to deal with their do-or-die situation now?

"We've got to get real aggressive," Coach Rogers said. "We're going to have to tend to business in the next three ball games—go back to the basics that we were doing real well at the beginning of the year."

This will be the Bobcats' final road game before the playoffs.

BRYAN WELPS (77) of Hart drags down Shallowater's Josh Keeney (15) behind the line of scrimmage in Friday night's District 3-AA football matchup in Shallowater. The Mustangs capitalized on Hart mistakes to take a 17-0 victory.

Photo by Deana McLain

Happy at Nazareth

Anytime Happy and Nazareth get together on a playing field, look out folks. It's going to be a tough, hard-fought battle. And the outcome of the game usually has play-off implications.

This year's Swift-Cowboy gridiron matchup is no different.

The Swifts will try to keep their perfect record intact Friday night when the Cowboys come riding into town in a key District 2-A matchup. Kickoff is slated for 7:30 p.m. at Swift Field.

Last year's Cowboy team finished 2-6-1 overall, and 1-3-1 in district play. But this year's squad is loaded with experience and they are one of the top teams in District 2-A. The Swifts won last year's contest, 25-14.

Nazareth and Happy are currently tied for first place in district play with 2-0 records. While the Swifts remain undefeated, Happy has one notch in the loss column and that came at the hands of Claude, a team which Nazareth beat 14-12 earlier this season. Both teams are fighting for first place, while Bovina is waiting in the wings in second place, with only a conference loss to Happy last week marring their record. The Swifts will face the Mustangs in the last game of the season.

"If we beat Happy, we're in great shape, but we'll still have to beat

Bovina, or else the district could be thrown into a three-way tie for first place," said Nazareth Coach Rick Price.

That means the Swifts need to win the remaining three games to be assured of a district championship.

The Cowboys are young, but Price says they are an experienced, physical ball club and they have two excellent running backs which the Swifts will have to contain.

They are Todd McCarley, a 5-8, 150-pound tailback; and Jimmy Stockett, a 5-10, 190-pound fullback.

"There's no doubt about it, we're going to have to stop their running game. McCarley's been getting the ball 25 or 30 times a game. If we can shut him down, that's going to be a major factor in the outcome of the game," Price said. "They've also got a good receiver in Scott Bressler (5-10, 150), and we'll have to keep him covered up. If we can do all that, we should be able to hold them."

He added that the Cowboys have good size across the line, especially with Brandon Clark anchoring the unit. Clark is a 6-4, 260-pound senior who plays tackle on both sides of the ball and he's the key to the Cowboys line.

Price said Happy has been moving the ball well in recent games, and although they started off the year running a Wishbone offense, they've switched to an I-formation in recent weeks.

Defensively, Clark is the anchor on the 4-3 defense which features nine returning starters. That defensive unit has given up just 51 points this year.

Claude, the only team to beat the Cowboys this season, threw the ball against them and had quite a bit of success, so Price hopes his team can do the same.

"We're just going to have to see what will work against them. We feel like we have enough offensive threats that we'll be able to get somebody open."

Returning to the Swifts' defensive lineup this week will be Ricky Leavitt, who was sidelined for a couple of weeks with a leg injury.

Olton at Hart

The Hart Longhorns must beat Olton Friday night to stay alive in the race for the District 3-AA playoff berths.

The Longhorns and Mustangs square off in Hart Friday night with kickoff slated for 7:30 p.m.

Olton returns 11 of 18 lettermen from last year's 8-4 team which qualified for the playoffs as the first place team from District 3-AA. Included in that group of 11 are six offensive starters and eight defensive returnees. That experienced squad has posted a 5-2 record so far this year and have won three district games, while losing just one. The Mustangs and Abernathy currently are tied for third place in district play behind Shallowater and Springlake-Earth (teams with 4-0 marks).

Leading the group of experienced offensive players is quarterback Brian Baize (5-10, 150), who completed 43% of his passes last year and was the area's second-ranked passer. Baize was named to the 1990 All-South Plains Class AA team by the sports staff of the *Lubbock Avalanche Journal*.

Joining Baize in the backfield will be running backs Jimmy Garza (6-1, 195) and Arturo Aviles (5-9, 145). Another offensive weapon, Randy Milloy (5-10, 140) will line up at end. And that backfield has a lot of help on the front line, which is anchored by tackles Dennis Stiles (6-2, 230) and Keith Bizzell (5-11, 165). Also returning to the starting line will be Danny Cox, a 5-11, 170-pound guard.

The Mustangs will operate out of an I-formation on offense and they rely on Baize to perform as a play caller, passer and runner and Hart will have to concentrate on stopping him, along with the two backs.

On defense, Olton returns Bizzell, Baize, Garza, Cox and Stiles, along with tackle Jason Smoot (6-4, 245), noseguard Angel Moreno (5-5, 150), linebacker Chad Snider (5-5, 125). They will defend their goal line with a 50-split defensive formation, and the unit has given up just 70 points all year.

QUARTERBACK KEEPER—Hart quarterback Jason Aven (7) tucks away the ball and races for the first down marker during action against Shallowater Friday night. Aven picked up enough yardage for the first down thanks to a well-placed block by teammate Anthony Washington (18).

Photo by Deana McLain

Shallowater capitalizes on Hart mistakes to win

Hart won the numbers battle Friday night, but Shallowater came out ahead on the scoreboard, 17-0, in a District 3-AA matchup at Shallowater.

Hart topped the Mustangs in yards gained and first downs, but the Horns couldn't put points on the board thanks to a couple of "untimely" turnovers and "costly" penalties in the first half, which allowed Shallowater to take a 9-0 half time lead.

The first score of the game came in the first quarter when Shallowater quarterback Brandon Hartman found a weak spot in Hart's secondary and hit Sean Campbell with a 15-yard touchdown pass. That gave the Mustangs a 6-0 lead in the opening stanza.

Hart's offense moved the ball successfully on several possessions for the rest of the half, but the drives always were halted by mistakes. On one drive, Hart found himself deep in its own territory when

a ballcarrier fumbled. That gave Shallowater possession.

The Mustangs were unable to push the ball into the end zone, but they did manage to score off of the Hart error when Justin Foraker connected on a 40-yard field goal to give his team a 9-0 lead at halftime.

The teams battled to a scoreless third quarter and Hart's defense held strong for the rest of the game.

But that didn't mean Shallowater wouldn't find the end zone one more time, courtesy of another Hart mistake.

Hart's punter Jason Aven dropped back to accept the snap, but it sailed over his head and after a mad scramble for the ball, Shallowater's Joe Gangemi fell on it in the end zone for another six points. The two-point conversion pass from Hartman to Aaron Brown was good, giving Shallowater a 17-0 lead and the victory.

Despite the loss, Hart coaches were pleased with the play of several individuals including Carlos Velasquez and Anthony Washington, who recorded an interception apiece; Aven, who gained 67 yards on 10 carries; Cesar Salas, who broke the 600-yard mark this year by gaining 94 yards on 13 totes; and Brian Welps and Jeremy Hawkins, who turned in "outstanding" defensive performances.

Swiftettes win cross country title

The Nazareth Swiftettes won the District 3-A cross country meet Saturday with a score of 28 points, eight better than the second place Lazbuddie team.

The two-mile race was held at Mae Simmons Park in Lubbock.

Jill Pohlmeier won the race with a time of 13:21 while teammates Lynette Kleman, Denia Durbin and Peggy Huseman finished fourth, fifth and seventh, respectively, to pace the team.

Kleman finished with a time of 13:47, Durbin posted a time of 13:57 and Huseman crossed the line in 14:16.

The victory earned the Swiftettes and Lazbuddie spots in the Region 1-A meet, which will be held Nov. 8 at Mae Simmons Park in Lubbock.

Wales to speak at agricultural forum

Lois Wales of Dimmitt will speak on concerns about seed labeling at a meeting of the Texas Agricultural Forum in Lubbock on Nov. 4. Wales is current vice president of the Texas Women In Farm Economics (WIFE) and is a member of the Texas Corn Producers Board.

Several items causing concern among farmers, ranchers, agribusinesses and governmental officials will be discussed during the meeting, which will be held at the Holiday Inn Civic Center, located at 801 Ave Q.

The meeting is one of a series held each year for leaders of government, business and all facets of agriculture. It will begin at 7:45 a.m. and will adjourn at 4 p.m.

The sessions, open to anyone, provide an opportunity to exchange views of current issues, said Dr. Ed Smith, forum coordinator. He is an agricultural economist and specialist in marketing and policy with the Texas Agricultural Extension Service at College Station.

Four legislative leaders, a banker and two businesses and grower

organization executives will lead the day's discussions.

Following a welcome by Dan Pustejovsky, Texas Ag Forum chairman, State Sen. John Montford of Lubbock will discuss financing of state agricultural programs.

The prospects for a boll weevil eradication program in Texas will be examined by State Sen. Steve Carriker of Roby and Jim Ed Miller, chairman of the Texas Pest Management Assn.

The impacts on Texas agriculture and economy of proposed free trade agreements with Mexico will be analyzed by Harvey Rosenblum of Dallas. He is senior vice president and director of research with the Federal Reserve Bank of Dallas.

At the luncheon, State Rep.

James E. "Pete" Laney of Hale Center will provide a legislative update. A panel including Laney, Carriker and State Sen. Bill Sims of San Angelo will respond to questions from the audience.

Registration for the forum is \$25 and is payable at the door.

WHEAT FIELDS across Castro County are "drinking" in any moisture they can find because Mother Nature hasn't cooperated with sustaining the crop lately. Many farmers are irrigating their

crop so it will root down and be more resistant to freeze. This wheat field under irrigation is located northeast of Hart. Photo by Deana McLain

LONNIE W. ROBB of Dimmitt (right) accepts congratulations and a plaque from R.C. Hummel, president of Lextron, Inc. after he was named one of the companies top sales representatives. The honor was presented to six people out of a sales force of 79 people. Robb was flown to Jackson Hole, Wyo. to participate in activities honoring him on Sept. 11-14. Robb is a sales representative for Lextron-Texas, a division of Lextron, Inc., which is based in Greeley, Colo.

ROW discusses proposed amendments

Dr. Evelyn Milam, longtime president of Cottey College, spoke to the Castro County Republican Organization for Women at the group's October meeting.

Dr. Milam spoke on "Choices Career Women Make." She gave up her career in education to return to Sudan to take care of her 96-year-old mother. She encourages women to overcome their fear of math and science and take part in all areas of public service from law to politics and medicine.

The Republican Women voted to support a "Porn Awareness Drive" and a "Turn Off TV Day" for Tuesday. The group feels that the media has gotten out of hand by airing "sleazy programming."

The group sent letters to legislators regarding spending, limited terms, gun control and gay marriages.

Patsy Franks shared comments by State Sen. Teel Bivins and Rep. David Swinford, which were made at a recent Republican training session in Amarillo.

The group also discussed pros and cons for the 13 constitutional amendments proposed by the Texas Legislature. The amendments will be voted on during the general election on Nov. 5.

Marguerite McLain researched the amendments and gave her opinions of them. A synopsis of McLain's opinion on each amendment follows.

Amendment #1 will only affect 36 cities, and charters are seldom amended, so is it necessary?

Amendment #2 calls for an already burdened state budget to underwrite turnpike construction that are supposed to produce their own revenue.

Amendment #3 deals with expanding the investments of the Veterans' Land Board. The Board does not and should not be given the authority to invest in risky business ventures.

Amendment #4: This prison facility bond package and its debt service should be postponed until reforms which could possibly reduce the need for expanded facilities are enacted. This does not include additional funds needed to operate these facilities once they are completed.

Amendment #5: Another ad valorem tax exemption. How many can the taxpayer allow?

Amendment #6: An Ethics Commission which can be politically

controlled and can recommend salary advancements does not address ethics.

Amendment #7: Real estate investments are unduly speculative, and investment managers should not be allowed to take risks with pension funds.—NO!

Amendment #8: If this amendment will require the same legislative and voter approval to create state debt as the constitutional process now requires, what purpose does it serve?—Be careful.

Amendment #9: Confusing unless directly involved.

Amendment #10: If this amendment is defeated, it probably will

be back at a later date. Exemption of ad valorem taxes is involved again and gives non-profit corporations an unfair advantage and limit free enterprise.

Amendment #11: State lotteries do not eliminate the need for other, increased taxes, it will promote gambling by people least able to afford it, and often reduces business receipts by the same amount as the lottery gains.

Amendment #12: A toss up—Residents who have tried to solve

their own problems but lack the tax base needed to support repayment

of local bonds vs. colonias are a local problem that should be dealt with at the local level through municipal utility districts or some other means of local financing.

Amendment #13: General obligation

bonds to continue programs to provide educational loans have existed for several years and the rate of repayment has not been good, although the program should have become self-supporting. Do the benefits outweigh the liability of placing a severe strain on the credit of the state? Probably not.

STOCKER CALVES

We supply good quality calves suitable to go on wheat grazing. Just call us and we'll price them delivered.

Church Happenings

Church of Christ

Dimmitt's Fourth and Bedford St. Church of Christ is continuing the "Building Families That Last" film series each Wednesday night at 7 p.m., continuing through Nov. 27.

The feature for Oct. 30 will be "With Love to Parents Who Hurt," and everyone is invited to attend free of charge. Babysitting and classes are provided for children up to the fourth grade.

The films feature nationally-known family experts sharing practical and solid advice for strengthening the family.

For more information, call 647-4435.

Immaculate Conception Catholic Church

A bible school will be held at the West Community Center today (Thursday) at 8 p.m.

Deacons Tony Garza, Joe Ortega and Roberto Gonzales will attend a continuing education program this weekend at the Bishop DeFalco Retreat Center.

October is "Respect Life Month."

Students in the sixth through eighth grades who plan to attend the "Day of Discovery" at the Diocesan Activity Center will gather in front of the church Saturday morning at 8 a.m. Contact Patrice Schaaf for more information.

The 9 a.m. Eucharistic Celebration on Sunday will be offered for our youth and the youth choir will provide the music. We urge all young people to attend.

TRYING TO MAKE A WITHDRAWAL the hard way, burglars apparently used a rock to break out this east window on the back side of the drive-up building at the First State Bank of Dimmitt.

Photo by Linda Maxwell

During the Middle Ages, the year began at various dates in different times and places. In England it was not until 1751 that January was restored to its place as first month, as it had been during the Roman era.

Police Calls

A 22-year-old Dimmitt man was arrested Sunday evening in Dimmitt on warrants for theft and theft of cattle. He remained in jail Tuesday.

A 15-year-old Dimmitt youth was ejected from the Dimmitt football field Friday night after refusing to leave as instructed by school officials. The suspect was referred to juvenile authorities.

Ray Sandoval Jr. of Dimmitt told police Saturday afternoon that a juvenile had allegedly used a BB gun to shoot out a window of his mobile home. Damage was estimated at \$50.

James Long of Dimmitt reported to police Saturday evening that someone had taken two bottles of drink mix from a vehicle parked at his home. The two bottles were valued at a total of \$25. Long gave a description of two suspects who were observed in the vicinity of the vehicle just before the bottles were noted missing.

An 18-year-old Dimmitt youth was given a citation on charges of being a minor in possession of an alcoholic beverage. The police report states that the youth was observed around 11:02 p.m. Friday night at "Roadside Park," and was allegedly seen putting a bottle of liquor in the bed of a pickup he was standing near. Upon closer investigation, the reporting officer said he found a bottle of whiskey which was three-fourths empty.

A 63-year-old Dimmitt man told police this week that someone has been harrasing him and his family over the phone by calling numerous times and hanging up when anyone would answer.

A 31-year-old Hereford man was jailed Friday morning and is being held on \$2,500 bond on felony charges of DWI, third offense.

A 44-year-old Dimmitt man is

on bond on felony charges of DWI, third offense, after he was arrested Sunday.

Around 7:05 a.m. Sunday, a 1976 Chevy pickup driven by Maurillo Rodriguez, 38, of Dimmitt was traveling west on West Halsell and left the roadway, damaging two roadside reflectors and a barbed wire fence. Rodriguez was ticketed for leaving the scene of an accident.

Javier Sanchez, 22, of Tulia was ticketed Sunday night for hit and run, no driver's license and no proof of liability insurance. He was driving a 1977 Monte Carlo and was on West Halsell attempting to make a right turn onto North Broadway, when his vehicle reportedly struck the front left quadrant of a 1981 Ford pickup driven by Jimmy Tidwell, 35, of Hereford. Both vehicles received moderate damage, and no injuries were reported.

Anthony Frank Brito, 16, of Bovina was ticketed Friday afternoon for no proof of liability insurance after the 1982 Chevette he was driving struck a 1974 Lincoln driven by Ernesto Torres Jr., 18, of Dimmitt. Brito had been attempting to turn left from West Halsell onto North Broadway and struck the right side of Lincoln, causing moderate damage to both vehicles. A passenger in the Lincoln was reported with possible injury.

Saturday afternoon, Irene Carpenter, 81, of Dimmitt backed her 1988 Ford LTD out of her driveway in the 600 block of West Dulin and struck a 1976 Chevy pickup owned by Severo Espinoza of Dimmitt. Damage to both vehicles was reported as light. The pickup had been legally parked across the street from the driveway. No injuries were reported.

Dan Bruton of 600 W. Bedford

in Dimmitt reported to police Saturday that an unknown vehicle had apparently struck a brick fence on his property, causing an estimated \$100 in damage.

ACCESS DOOR to the underground tunnel was the source of trouble for burglars trying to get back out of the bank in a break-in early Monday at the First State Bank of Dimmitt.

STATE CERTIFIED SEPTIC SYSTEM INSTALLER

Running Water Soil and Water Conservation District

ANNUAL REPORT—OCTOBER 1991

This past year, under the ACP and GPCP program, the District assisted the Soil Conservation Service in installing 61,544 LF of underground irrigation pipeline. These pipelines were installed to reduce water loss from an open ditch, replacing old leaky lines and installing a center pivot sprinkler.

This past year, under the CRP program, the District assisted the local SCS personnel in another CRP signup. During the 1991 signup, the SCS and district assisted 50 local producers on 18,073 acres to submit a bid. Only two bids were accepted on 828 acres. At the present time, Castro County has 181 contracts. The SCS has released 106 of these contracts on 27,587 acres to the ASCS for management of the grass for the duration of the contract. After the grass is established, they are released to ASCS.

The Board of Directors would like to remind local producers who have an FSA (Farm Security Act Plan) developed for their HEL fields with the SCS, the board, and the operator that they need to maintain some crop residues on the soil surface. Crops such as grain sorghum, corn and hay grazer are considered high residue crops, but they must maintain some of this residue on the soil surface during the next few months, otherwise they may not be in compliance with their plans. Anyone who is not sure of what is required, is encouraged to contact the local SCS office.

This past year, through the GPCP program, the District assisted a local landowner in the layout and construction of two diversion terraces. These diversions were installed to help control concentration of outside water that was cutting washes and gullies across the producers fields. Other practices that are cost shared under the GPCP program include pasture planting, range seeding, parallel terraces, waterways, windbreak trees and critical area shaping. Also this year 100 acres were seeded and established to permanent pasture under the GPCP program. Anyone interested in a GPCP contract should contact the local SCS office in Dimmitt.

Clarence Behrends, who has retired from the board, has served as a director of the Running Water SWCD for Zone 3 for the past ten years. During that time, Clarence has served as a member, secretary, vice-chairman and chairman. He has been very active and has assisted the board on tours, field days and has attended numerous state and local meetings. The Running Water SWCD would like to thank him for the time and dedication that he has given to the district.

Also, they would like to remind producers that any modification to a playa, without first contacting the SCS prior to starting work on the modification, is considered swampbusting and a producer would be in violation. Anyone considering modifying a playa is encouraged to contact the local SCS office.

Curtis Bruegel is the District's board member. Curtis was elected to the board to serve as director for Zone 3. Curtis is active in farming in Zone 3 at the present time.

The Running Water Soil and Water Conservation District had an outstanding year in carrying out a sound conservation program. This past year, the Running Water Soil and Water Conservation District assisted in the completion of the following work:

- Landowners assisted—637
- Operators applying conservation practices—372
- Cropland with conservation being applied—98,103
- Rangeland with conservation being applied—11,956
- Pastureland with conservation being applied—1,819
- ACP referrals serviced—46
- Irrigation pipeline installed—61,544 LF
- GPCP contracts—12/13,522
- Diversion Terraces—181/51,835
- Windbreak trees—2,705

Obituaries

Ruby Cushenberry

Funeral services for Ruby Mae Cushenberry, 81, of Quitaque, the sister of two Dimmitt residents, were held Saturday afternoon in the First Baptist Church of Quitaque with Rev. Bob Lackey, pastor, and Elgin Conner, minister of the Church of Christ of Quitaque, officiating. Burial was in Resthaven Cemetery in Quitaque by Schooler-Gordon Funeral Directors.

Mrs. Cushenberry died Oct. 16 in Methodist Hospital in Lubbock after a lengthy illness.

Born in Hall County, she moved from Lakeview to Quitaque in 1925. She was a homemaker and a member of the First Baptist Church of Quitaque. She married Reginald Cushenberry. He preceded her in death in 1970.

She is survived by a son, Layne of Amarillo; a daughter, Bobbie Udasher of Shreveport, La.; three sisters, Johnnie Morrison and Era Heckerson, both of Quitaque, and Neva Hickey of Dimmitt; three brothers, Bryant Eddleman of Silverton, Bailey Eddleman of Dimmitt and W.C. Eddleman of Eureka, Calif.; and a grandson.

Alvin Endebrock

Services for Alvin Herman Endebrock, 89, of Hamilton, will be held today (Thursday) at 2 p.m. at St. John's Lutheran Church in Hamilton with Pastor Timothy Carr officiating. Burial will follow in Hamilton's Oakwood Cemetery under the direction of the Riley Funeral Home, Inc. of Hamilton.

Mr. Endebrock died at 11:57 a.m. Tuesday at Goodall-Witcher Hospital after a short illness.

He was born Sept. 27, 1902, in Navasota and had lived most of his life in the Hamilton area. He lived in the Aleman Community before moving to Hamilton in 1974.

He married Vera Klatt on Oct. 23, 1929. He was a farmer and stock man and was a member of St. John's Lutheran Church in Hamilton.

Survivors include his wife; four daughters, Dorothy Lilljedahl of Brownsville, Sharon Young of Harker Heights, and Joanne Snider and Dawn Goolsby, both of Dimmitt; a son, Elton Endebrock of Los Alamos, N.M.; two brothers, Henry Endebrock of Hamilton and Arthur Endebrock of Fort Worth; and eight grandchildren.

James Lee Jr.

Services for James L. Lee Jr., 64, of Hart, will be held today (Thursday) at 2 p.m. at the First Baptist Church in Hart. Rev. Ford Jennings, pastor of the New Hope Baptist Church of Amherst, and Rev. Bobby Hill, pastor of Mount Calvary Baptist Church in Hart, will officiate at the service.

Burial will follow in Hart Cemetery under the direction of Foskey Funeral Home of Dimmitt.

Mr. Lee died at 11:05 a.m. Saturday at the Veteran's Hospital in Amarillo.

He was born in Waco and had lived in Earth before moving to Hart in 1973. He was a veteran of World War II, having served in the Marines. He was a farmer and a member of the Mount Calvary Baptist Church.

Survivors include a son, Charles Lee of Hart; two brothers, John L. Lee of Hartley and Rev. Matthew Lee of Plainview; five sisters, Edna Patterson, Gertie Mae Hamilton and Annie Bell Prentiss, all of Riesel; and Willie Mae Jefferson and Lillie Pearl Johnson, both of Fort Worth; seven grandchildren and a great-grandchild.

Walter Mayfield

Funeral services for Hart native Walter V. Mayfield, 62, of Amarillo, were held Monday morning in the Southwest Church of Christ with Ross Blasingame, retired Church of Christ minister, and Greg Henson, minister of the Campus Church of Christ, officiating. Burial was in Llano East Cemetery in Amarillo under the direction of Schooler-Gordon Bell Avenue Chapel.

Mr. Mayfield died Oct. 17.

He was born in Hart and grew up in Grady, N.M. He married Oleta Williams in 1947. He worked for Santa Fe Railway for 33 years as a manager of the rate department of the centralized accounting bureau, retiring in 1984. He was a partner in the House of Shades and Lamp Repair, and was a member of the Campus Church of Christ.

He is survived by his wife; a son, Gene Mayfield of Amarillo; a daughter, Ruth Collins of Amarillo; three brothers, Albert of Amarillo, Luther of Grady and Joe of Fort Worth; a sister, Evelyn Shaver of Clovis, N.M.; five grandchildren; and a great-grandchild.

The family suggests memorials to the Amarillo Christian Schools, 4100 Republic Ave., Amarillo, 79109.

David Montiel

David Wayne Montiel, 31, of Amarillo, died last Wednesday (Oct. 16).

Graveside services were held Friday at Olton Cemetery with Rev. Van Earl Hughes of Dimmitt officiating.

He is survived by his parents, Mr. and Mrs. Gabriel Montiel of Dimmitt; his maternal grandparents, Josephine Willars of Marlin; his paternal grandparents, Mr. and Mrs. Jose Montiel of Portales, N.M.; and two brothers, Daniel Montiel of Uvalde and Gabriel Montiel Jr. of Amarillo.

CASTRO COUNTY JUDGE Polly Simpson (seated) signs a proclamation designating Oct. 27 to Nov. 3 as "Pornography Awareness Week" in the county. The observance of the week and an activity to help clean up television by holding a "Turn Off TV Day" are being organized by the Republican Organization for Women. On hand while Simpson signs the proclamation are Linda Merritt, chairman of the organization and her daughters, Jennie and J'Lae.

ROW urges county residents to support 'Turn Off TV Day'

County Judge Polly Simpson and the mayors from Dimmitt, Hart and Nazareth have signed a joint proclamation designating the week of Oct. 27 to Nov. 3 as "Pornography Awareness Week."

The proclamation calls attention to the low moral state of programming by the media and it takes action by promoting a "Turn Off TV Day."

Through this proclamation, Castro County citizens are urged to turn off their television sets on Tuesday to boycott the "blatant disregard for the sanctity of the home, family and church," according to spokesmen for the group sponsoring the event. That group includes members of the Republican Organization for Women, among others. The group adds that "even the Christian religion has been mocked and degraded by various programs."

The Castro County Ministerial Alliance has joined in the crusade to "clean up television and the media," and has adopted a scripture reading from Mark, 9:42, as its theme: "If someone causes one of these little ones who believe in me to lose faith, it would be better for that man if a huge millstone were tied around his neck and he were thrown into the sea."

The Republican Women have initiated this effort in conjunction with the nation-wide campaign by Morality in Media, and will be placing white ribbons on their car antennae, as well as on the trees at the courthouse square.

Residents are encouraged to tie white ribbons on their antennae to remind people to complain to sponsors and networks, and to fight "dial-a-porn" as well as merchants who carry pornographic publications.

Letter

Reader offers another view on Thomas hearings

Dear Editor:

I would like to respectfully offer an opposing view to Mr. Nelson's about the Judge Thomas matter.

It has been said, lightheartedly I hope, that all politicians are crooks. So we just vote for, or believe, the crooks that share our philosophy.

I believe this principle applies so vividly in regard to who you believe in the recent televised hearings concerning the awful charges made by Professor Hill against Judge Thomas.

Hard-core Republicans and Conservatives tend to believe Judge Thomas and all his witnesses, expert or otherwise. Hard-core Democrats and Liberals tend to believe Professor Hill and all of her witnesses, expert or otherwise.

Number me with those who have supported the now-confirmed Supreme Court Justice Clarence Thomas. After all, he stands "innocent" of the wretched charges against him, even though he couldn't possibly prove his innocence. It is because the charges against him were not proven.

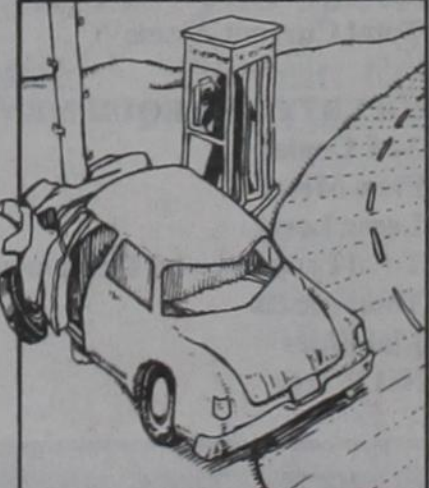

Now, about the black mark that is supposed to be by his name: it just ain't so. Roger Maris did have a real asterisk beside his name in Major League baseball's records for anyone to see, whether they

agreed or not. The black mark beside Judge Thomas will only be real in the hearts and minds of his opponents.

I believe Judge Thomas will make decisions that are more likely to delay the wrath of God on our country. The importance of the laws that are on the books of this country are infinitely above the political realm.

MEMOS FROM A CHILD

✗ Don't make me feel smaller than I am. It only makes me behave stupidly "big."
 ✗ Don't forget that I cannot explain myself as well as I would like. This is why I'm not always very accurate.
 ✗ Don't tax my honesty too much. I am easily frightened into telling lies.
 ✗ Don't be inconsistent. That completely confuses me and makes me lose faith in you.
 ✗ Don't put me off when I ask questions. If you do, you will find that I stop asking and seek information elsewhere.
 ✗ Don't tell me my fears are silly. They are terribly real and you can do more to reassure me if you try to understand.

✗ Don't ever suggest that you are perfect or infallible. It gives me too great a shock when I discover that you are neither.
 ✗ Don't ever think it is beneath your dignity to apologize to me. An honest apology makes me feel surprisingly warm toward you.
 ✗ Don't forget I love experimenting. I couldn't get along without it, so please put up with it.
 ✗ Don't forget how quickly I am growing up. It must be very difficult for you to keep pace with me, but please do try.
 ✗ Don't forget that I can't thrive without lots of understanding love. But I don't need to tell you that, do I?
 We as parents always seem to be in a hurry, and sometimes overlook how a child may feel.

City urges voters to attend hearings

No one showed up for the city's first hearing Monday night on a proposal to redraw the voting precinct lines for Dimmitt.

The lines have to be moved to reflect changes in population revealed by the 1990 Census. US Justice Dept. guidelines require that any precincts already having a majority of minority population must remain that way and those having minority majorities should have at least 60% minority population or higher.

Also, the district populations should not vary more than 10% from the average. The average is the total city population divided by four, and based on Dimmitt's official census count of 4,395 the average would come out to 1,098.

Citizens are encouraged to come out for the next hearing on the matter, which will be held at the Nov. 4 meeting of the City Council at 6:30 p.m. in the city hall meeting room.

City Attorney Jack Edwards suggested that the council make a more concrete plan in order to have a starting point for discussion on the matter. Previously, Edwards had presented a very rough draft proposal that would require only two shifts in precinct lines.

The other councilmen asked Councilman Larry Gonzales if he had any comments yet on the redistricting matter. He replied, "We're waiting."

Gonzales is the one who filed a lawsuit back in 1989 asking that the city go to the single-member district method of electing council members in order to give minorities a better chance of being elected.

In other business Monday night, the council heard a final report on the 1990-91 fiscal year budget. City

Manager Reeford Burros said the city finished the year 1.29% under the budget on expenditures, despite several budget areas that went over the planned amounts.

Burros reported that two councilmen had attended an area meeting on landfill proposals with him recently and he encouraged all the council to attend a similar meeting set for Monday in Tulia.

Harris Picks

Here are the Harris Rating System's picks on this week's games in the area. Home teams are listed in capital letters.

- LITTLEFIELD 8 over Dimmitt
- Olton 18 over HART
- NAZARETH 7 over Happy
- FLOYDADA 32 over Muleshoe
- Tulia 17 over FRIONA
- CANYON 4 over River Road
- CHILDRRESS 7 over Sanford-Fritch
- Dalhart 12 over PERRYTON
- Brownfield 13 over LUBBOCK COOPER
- Slaton 6 over DENVER CITY
- Seminole 30 over LUB. ROOSEVELT
- ABERNATHY 43 over Morton
- SPRINGLAKE-EARTH 8 over Shallowater
- Hale Center 3 over LOCKNEY
- IDALOU and New Deal (Pick)
- Seagraves 24 over POST
- Tahoka 13 over SUNDOWN
- BOVINA 19 over Vega
- FARWELL 17 over Kress
- WHEELER 25 over Booker
- Memphis 4 over CLAUDE
- GRUVER 15 over Shamrock
- Borger 5 over AMARILLO CAPROCK
- PAMPA 15 over Canyon Randall
- HEREFORD 7 over Dumas
- Levelland 10 over LAMESA
- Snyder 5 over LUBBOCK DUNBAR
- Lubbock Estacado 8 over FRENSHIP
- Amarillo 7 over LUBBOCK CORONADO
- LUB. MONTEREY 7 over Ama. Palo Duro
- Ama. Tascosa 33 over LUBBOCK
- San Ang. Central 28 over ABIL. COOPER
- MIDLAND LEE 14 over Odessa
- ODESSA PERMIAN-Midland (No Line)

More about

1:1

(Continued from Page 1)

"Most home-rule cities now below 5,000 have been amending their charters without problems," Mayor Wayne Collins says. "Our charter has already been amended once."

"But if this constitutional amendment fails, it would probably make future amendments to our city charter illegal," he says. "So it would be in our best interests if this amendment passed."

It might have been better if the legislature had just left this issue alone. But since it didn't, Dimmitt residents have a stake in seeing that the proposed amendment passes.

Jean DuLaney of Austin, formerly of Dimmitt, tells of how she and Bob hosted their grandson, A&M freshman T. J. Head of Hereford, for a weekend.

"He called first on Saturday morning to tell us he was coming."

"Then he called again to tell us he'd be late, and asked if we could pick up some things for him that he needed before the stores closed. You'd have to be a freshman at A&M to know why he needed all this stuff. Anyway, he needed a pair of striped overalls, an Army helmet painted black, and an ax."

"So we went to the Army surplus store and got the helmet and ax, and found the overalls, and Bob went to the lumber yard and got the black paint, then we came back

home and I started cooking up a chicken-fried steak supper — his favorite, of course — while Bob painted the helmet.

"When he got there, he had — let's see, he had been in school four weeks by then — he had four weeks of dirty laundry. So I was washing clothes and cooking the chicken-fried steak, then we fed him supper and went to bed."

"The next morning we were up early and he slept in, of course. Bob went outside and put another coat of paint on the helmet, and I was ironing his clothes."

"When he got up, we put some steaks on the grill — the thickest steaks we could find."

"Then T. J. had to study four hours. We said, 'Sure, go ahead — your studying is the most important thing for you to do.'"

"Meanwhile, Bob took T. J.'s pickup down and filled it up, changed the oil and filters, and washed the windshield. (My windshield hasn't been washed since they quit pumping gas at the service stations.) And I'm still washing, ironing and folding his clothes."

"So we fed him the steaks, then we loaded his pickup for him while he studied some more."

"And as he drove off, Bob said, 'Now wasn't that nice of him to come and visit us?'"

"I'll tell you, grandkids are more fun than anything!"
