Steers Edge Loraine In District Game 8-6

Coach John Malone was able to muster his complete starting squad of Steers Friday night to defeat the Loraine Bulldogs 8 to 6 in a district 6-B contest.

Alternating effectively at the quarterback slot Friday night were John Kinsey and Comie Hallmark.

Robert Lee's first score came in the first quarter when Eddy Parker, Dwain Walker and Curtis Higginbotham rushed through the Bulldog line and tackled halfback Lorenzo Moreno in the end zone for a safety and two points.

Lorenzo put his team out front

in the second quarter when a hole was opened for him through the secondary and he carried the ball for an 80 yard run for the touchdown. Buster Jernigan attempted to run the extra points, but was stopped short of the goal stripe by end Derwood Coalson.

Robert Lee's touchdown came in the second quarter when halfback Curtis Higginbotham punched through from the 1 yard line. This drive started on Robert Lee's 39 yard line and 15 plays later that consisted of hard drives by Kinsey, Hallmark, Joe Roe, Lynn White, and Curtis Higginbotham, Robert Lee went out front to stay with a score of 8 to 6.

The second half was a defensive battle all the way for both teams; however, Robert Lee was in threatening distance twice in the 4th quarter by getting to the Loraine's 22 yard line and again late in the last period to the Bulldogs' 12 yard line.

Robert Lee now has a district won-loss record of 1-3 and Loraine on 0-4 record.

Putting forth outstanding defensive effort that insured Robert Lee's victory for the capacity home-coming crowd here in 42 degree weather were:

Rusty Dodson, Terry Thetford, Roe, Hallmark, Parker, Walker, John Jacobs, Derwood Coalson, Taylor Jones, Kinsey, Lynn White, Bill Roach, Clark Godwin, Jimmy Caraway, Charlie Sparks, Charlie Askins, Robert Holland, Jerry Craig, Ricky Hatch and Mike Malone.

The Bulldogs in the last period were desperately trying to go ahead by passing, but Derwood Coalson intercepted one of the Loraine aeriols on the 22 yard line in the closing minutes of the game.

Robert Lee now has a season record of three wins, 5 losses and 1 tie.

Harris Is Promoted

Mr. Hulan Harris, vocational agriculture teacher in the Robert Lee Schools for the past eight years, has tendered his resignation to become effective January 1, 1962.

Mr. Harris has been promoted to the supervisor for vocational agriculture work throughout Area II in West Texas. He will be headquartered in Big Spring, and replaces Clemon Montgomery, who was promoted to executive secretary of F. F. A. work throughout Texas.

This promotion has been contemplated for about 10 days, but received final approval only Monday of this week, when Mr. Harris met with Mr. M. A. Browning, Assistant Commissioner of Vocational Education in Austin.

ANTI-COMMUNISM FILM TO BE SHOWN

The film, "Communism on the Map," will be shown at the Robert Lee School Auditorium Tuesday night, Nov. 14, at 7:30 p. m. There is no admission charge, and everyone who is interested is invited and urged to see this very informative film.

Topographic Survey to Be Made in Coke

A topographic (map) survey of Coke County was launched this week by the U. S. Interior Department.

H. A. Riebe, field engineer, and a crew of four men arrived in Robert Lee the first of the week to carry on the work. Mr. Riebe will occupy a garage apartment at the W. B. Clift home and others in the party will reside in private homes.

It is possible that the survey may have a bearing on the proposed Colorado River Dam below Robert Lee, which has recently attracted renewed attention.

Mr. Riebe was a guest of Mr. Clift at the BCD luncheon Tuesday noon.

Other luncheon guests were Joe Roe and Curtis Higginbotham representing seniors who are members of the high school football team. John Kinsey, also a senior and first string player, was not present.

Members of the Steer squad have been entertained at the BCD luncheons the past four weeks, starting with freshmen, followed by the sophomores and juniors.

Both Roe and Higginbotham feel Robert Lee will give Bronte a real battle when they close out the season Friday night on the Longhorn field at Bronte. All members of the Steer squad are in top condition after having been plagued with injuries most of the season.

Few Institutions to Be Closed Saturday

In observance of Veterans Day, Saturday, November 11, some public institutions will be closed all day.

Those scheduled to close all day Saturday in observance of the national holiday are: The Robert Lee State Bank, the U. S. Post Office and all offices at the Coke County Courthouse.

All other business establishments in Robert Lee will be open all day Saturday since this is not one of the 6 holidays that the merchants observe during the year.

Recent visitors in the home of Mr. and Mrs. Lenzy McDorman were Mr. and Mrs. Raymond Grimes of Pauls Valley, Oklahoma. Mrs. Grimes and Mrs. McDorman are sisters.

Services Held Here Monday for Local Businessman, Charlie F. Vowell, 51

Services were held at 2:00 p. m. Monday in the Robert Lee Baptist Church for Charlie F. Vowell, 51, under the direction of Clift Funeral Home with Tommy Williams, minister of Stanton Church of Christ, officiating.

Mr. Vowell, owner and operator of Vowell Automotive Service, died in a San Angelo Hospital at 7:00 a. m. Saturday, November 4, after being critically ill for 3 months.

He was born July 6, 1910 in the Valley View Community near Robert Lee. He was married to the former Daisey Ruth Davis February 4, 1933 at McCamey.

Mr. Vowell, an automotive mechanic since becoming an adult, was well known for his knowledge of the mechanics of automobiles, trucks and other engines. He was

Steers Primed To Tame Bronte

Coach John Malone's Steers are planning to reduce Bronte's chances in winning the District 6-B championship Friday night.

If Coach Malone continues to use Comie Hallmark and John Kinsey alternately at the quarterback slot so that Kinsey will have an opportunity to display his speed along with backfield teammates, Joe Roe, Curtis Higginbotham and Lynn White, Robert Lee has a good opportunity to beat the Bronte Longhorns.

Should Robert Lee defeat Bronte,

College Professor To Speak

An invitation has been extended to the public to hear an address by Dr. John C. Stevens, assistant president of Abilene Christian College, at Silver Peak School at 8:00 p. m. Monday, November 13.

Dr. Stevens, 43, is a professor of history at Abilene Christian College where he has been serving since 1948.

He received his B. A. degree at Abilene Christian College, his M. A. degree at University of Arkansas and his Ph.D. at University of Arkansas.

Dr. Stevens served during World War II in Europe as a chaplain with an infantry regiment.

A native Texan, Dr. Stevens serves the Abilene college as Director of American Studies Program. This program currently brings 100 public school teachers to the campus of Abilene Christian College each summer for six weeks of intensive refresher work in American history, economics, and government.

Dr. and Mrs. Stevens have two children, a son, Clark, 11, and a daughter, Joyce, 9.

Members of the Coke County Teachers' Organization anticipate a large crowd of laymen to hear Dr. Stevens Monday evening. There will be no charge for this affair.

Mr. and Mrs. Billy Vick and Mr. and Mrs. Bobby Deans of San Angelo visited Saturday with Mr. and Mrs. Bobby Walker and son.

the Longhorns would be tied for first place in conference games with Hermleigh, should Hermleigh beat Trent; however if Trent wins and Bronte loses, Trent would be district champs.

Barring any injuries in practice sessions this week, the Robert Lee line will be at full strength Friday night which could easily make the victory for the Steers.

District 6-B

Last Week's Results

Bronte 14, Trent 8
Roby 16, Hermleigh 6
Robert Lee 8, Loraine 6

This Week's Schedule

Loraine at Roby
Trent at Hermleigh
Robert Lee at Bronte

Robert Lee Schedule For 1962

The 1962 football schedule for the Robert Lee Steers has been released. Roby, a former member of the district, has been assigned to another district and is to be dropped from the schedule.

New schools added are Eden, Iraan, and Ozona.

The Hermleigh game will again be played in Hermleigh because had it not been, two schools in the district would have had an unbalanced schedule of home and away games.

It remains extremely difficult to schedule games without having to travel at least one or two long distances, since so many schools the size of Robert Lee play either six or eight-man football.

The schedule is as follows, the last four games being District 7-B games.

September 7, Menard, Here
September 14, Eden, There
September 21, Melvin, There
September 28, Sands, Here
October 5, Iraan, There
October 12, Ozona, Here
October 19, Open
*October 26, Hermleigh, There
*November 2, Trent, Here
*November 9, Loraine, There
*November 16, Bronte, Here.
* Denotes conference games.

ALLENS FETED WITH HOUSEWARMING

Mr. and Mrs. Bill Allen were honored with a housewarming at their new home Saturday evening.

Hostesses for the affair were Mmes. Bernard Petty, Will Perci-full, Artell Roberts, Dale Brown, J. D. Harmon, Eddie Good, and Vaughan Davis.

A large number of guests called between 7:30 and 9:30 p. m.

Silver News

While vacationing in Shreveport, La., with her daughter, Kay and family, Mrs. John T. Stewart received news of her nephew, Clyde Nepevrex, age 17, of Orange, Texas, having been killed in a rabbit hunting accident Nov. 1st at 7 p.m. On Friday at 5 a.m. Mrs. Stewart's cousin, A. J. Monson, 43, of Port Arthur, Texas, died after a long illness. Mr. Stewart arrived by plane Friday to be with the family and all returned Sunday.

Mrs. Billy Wayne Roe, formerly of Robert Lee, has moved into Tubb Camp with her parents, Mr. and Mrs. A. H. Jones, while her husband is serving with the Armed Forces.

Curtis Parish is in Beaumont for four days on business for Sun Oil Co.

Mrs. Lawrence Feaster and daughter left last Wednesday for Mississippi to be with her brother who is very ill.

Mr. and Mrs. H. H. Long of Big Spring spent the weekend with their daughter, Mrs. Wilber Milligan and family.

Mr. and Mrs. Ray Brubaker entertained the Church of Christ folks at a game party Halloween night at the Texas Natural Rec Hall.

Mr. and Mrs. Frank Mullican and Larry spent the weekend with her uncle at Abilene.

Recent visitors of the Ray Brubakers included Mrs. Billy Chism and children of Brownwood.

Teachers' Meeting To Be Held

A Coke County Teachers' meeting will be held Monday, November 13, at 8:00 p. m. at Silver Peak School in Silver.

Prior to the speaking program, a dinner will be held for the teachers at 7:00 p. m. at the Silver School.

TURKEY SHOOT TO BE HELD

The Silver Lions Club will sponsor a turkey shoot at the Silver School's football stadium Saturday from 1:00 p. m. until 6:00 p. m.

Charge for the turkey shoot will be \$1.00 for 3 shots. Winners of the flights will receive turkeys.

Proceeds from this event will go to the Silver Lions Club's charitable projects.

HOLLIS RECEIVES CERTIFICATE

J. E. Hollis, engine operator at Sun Jameson Gas Plant at Silver, received his 10 year service certificate from Sun Gas Company Tuesday of this week.

Hollis has been employed at the Silver Gas Plant for several years.

PERSONALS

Mr. and Mrs. Ted Hooper of San Angelo and Mrs. Stella King of Big Spring were weekend guests in the John King home.

Mr. and Mrs. Mack Tubb and Tamela of Abilene were in Robert Lee Friday evening for the Homecoming and football game. His parents, Mr. and Mrs. Arthur Tubb, visited with the young family in their Abilene home Sunday. They also visited Mr. and Mrs. H. C. Colbert, former Robert Lee residents, and Mr. and Mrs. L. E. Mitchell.

Mr. and Mrs. Robert Vaughan and Paula spent Sunday in San Angelo visiting their son-in-law and daughter, Mr. and Mrs. Ben Bessent and children. They also attended the Ft. Concho dedication ceremony in which Mr. and Mrs. Bessent participated.

HOME ON LEAVE

Paul Tinkler, USN, is visiting in the home of his parents, Mr. and Mrs. J. L. Tinkler, while on leave from duty with the U. S. Navy. Tinkler has recently completed recruit training at San Diego, Calif.

COWLEY ON LEAVE

Bobby Cowley arrived home Friday evening, flying from San Diego, Calif. to Midland, Tex. Bobby has completed his training period at Naval Training Center and will leave Nov. 17 for new assignment at Jacksonville, Fla. Brenda Cowley was home from San Angelo College for a week-end visit with her brother, Bobby, and their parents, Mr. and Mrs. Jack Cowley.

FIRST BEATNIK: Why, man, that's a fantasy kick going the rounds. There's this stove, see, and it thinks. You're not hep to fairy tales if you haven't heard this one.

SECOND BEATNIK: That's square—real way out. Next there'll be another Buck Rogers story—like housewives are obsolete.

Housewives aren't obsolete when they cook with flameless electricity—but they're in perfect control of the situation. Your modern electric range offers perfectly controlled flameless heat. We don't promise you another "brain" around the house—but we do promise you cooler, cleaner, safer, flameless cooking. And, it's economical too... for customers served by West Texas Utilities it costs less than 3¢ to cook a complete meal. See your electric appliance dealer for your electric range.

County Agents News Column

By STERLING LINDSEY

A committee of livestock men from all parts of the county will meet in the conference room of the courthouse to plan and initiate a local program in conjunction with the Southwest Animal Health Research Foundation's proposed program of screw worm control.

Hulan Harris, Robert Lee vocational agriculture teacher, J. T. Henry, Bronte vocational agriculture teacher, and I will meet with the group at 7 p.m. You are welcome to meet with us if you so desire.

I recorded a few rainfall measurements from the rain last week.

Buster Burson recorded 2 inches at his place on the west side of the county. Nolan Pentecost also had 2 inches and so did L. E. Wink (2.3 inches from both rains). Pat Havins recorded 1.5 inches in the Valley View community, while Floyd Harmon measured 1.3 inches in the Wildcat community, as did J. T. Henry at Bronte. Joe Rawlings measured the least, .8 of an inch at Lometa, while T. M. Wylie Jr. recorded 1.4 at his home in the Friendship community. Walter King measured an even 1.5 inches on his place west of Blackwell.

Some interest has been shown in planting peas in the county. This has been a growing enterprise in Dawson County to the west. I see no reason why it should not be a good practice here. Peas are good soil builders, add nitrogen to the soil when inoculated and will work fine in rotation with cotton. You might give the idea some thought. Cow peas, crowders, cream peas and purple hulls were listed as the kinds grown in Dawson County.

I would be watchful of frost bitten plants in the near future. Johnson grass and sorghum plants sometimes develop a high prussic acid content following frost.

The best cure for prussic acid poisoning is to prevent its occur-

rence. Do not graze it until it is completely dry following frost. Or if you plan to make hay, the crop may be cut the day of the frost if it is allowed to completely cure before baling or stacking.

Frost-wilted plants can still be used for silage if you prefer. Usually enough acid is lost in the ensiling and removal to make it safe for livestock consumption. To be positive though, the authorities say to check it by feeding it to one or two inferior animals or have it tested by a veterinarian.

Hunting and fishing are big businesses in the U. S. now. These past times are providing added income to many industries and to land owners and operators. According to a recent survey by the U. S. Fish and Wildlife Service, 30 million people in the United States hunt and fish. This mass of people bent on having a good time spend \$4 billion for equipment, transportation, food and lodging, lease fees and licenses.

With the above figures in mind, we need to look to the future and give thought to conserving our treasured fish and game. There will be plenty for the increases that are occurring in wildlife pursuit, but only if we use wisely that which we presently possess.

Turner To Vietnam

Leaving Fort Carson, Colo., this week with a college degree, \$225 in prize money and front-page clippings from local and national papers is Capt. William Turner of Company D, 2nd Training Regiment, son of Mrs. Evelyn Blankenship of Robert Lee.

The Turners, who have been Carson residents for the past two years, are dividing thier forces. The captain's next assignment is to Vietnam, while Mrs. Turner and their twin sons will wait for his return in Tallahassee, Florida.

Turner completed his studies, which began at the University of Texas, at Colorado College in Colorado Springs. He won a bachelor's degree in economics in June, 1961, through Operation Bootstrap while on active duty.

On Oct. 29 the Turners received \$225 as half of first prize in the Colorado Springs Free Press SKILWORD contest. The other half went to an Ent Air Force Base officer. This resulted in a front-page photograph.

The captain's picture also appears on the front page of Army Times, international weekly, in a

The Observer, Robert Lee, Texas

Nov. 9, 1961

company promotion photograph published in the Nov. 1 issue which features Carson's new Army Training Center.

PTA WILL NOT MEET

The Robert Lee P. T. A. will not meet this Thursday evening. The regular meeting has been postponed until November 16 due to the meeting of Robert Lee Independent School Board of Trustees this Thursday night.

An all-new Ford . . .
right size . . . right price . . .
right between
Galaxie and Falcon

Some cars have new names... this name will have a new car!

The name is familiar—the Ford Fairlane 500. The car itself is totally new—so new you'll see nothing else like it this year. It is one of Ford's milestone designs—and will be as influential in its way as the first mass-produced car (a Ford Model T), the first popular station wagon (a Ford Wagon), the first four-passenger luxury car (a Ford Thunderbird), the world's most successful compact (a Ford Falcon).

Right between Galaxie and Falcon in size and in price, the 1962 Ford Fairlane 500 is just the right car for just about everybody; you have never been able to buy anything so right before.

Big in room, ride and performance, it is still priced under most compacts. It nurses a nickel as though it never expected to see another. It moves like a rabbit on roller skates.

New unitized body a foot shorter outside . . . full-size inside

Ford engineers have changed the proportions of the automobile: a completely new unitized body gives you more room inside with less bulk outside. A foot shorter than previous Fairlanes, the new Fairlane 500 is pleasantly parkable, delightfully driveable, easily garageable. At the same time it packs into its neat and nifty 197 inches as much passenger room as you had in some of the biggest Fords ever built.

Twice-a-year maintenance

Service is reduced to a minimum—30,000 miles on many items, twice a year on the rest. You go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. You don't have to touch the engine coolant-antifreeze for two years—or 30,000 miles—at a time. Brakes adjust themselves.

All-new economy Eight from world's V-8 leader

The hand that honed the Thunderbird—and sped the Falcon to all-time Economy Run honors—turned to a new problem here, the world's first economy V-8. Made possible by new Ford foundry methods, the new Challenger V-8 is as strong as iron—and a lot lighter than iron's ever been before. As lively as you'd like . . . thrifter than you'd expect a V-8 to be . . . it's a natural powerplant for America's first eat-your-cake-and-have-it car.

For those who want even greater thrift, there's a new Fairlane Six. Its economy

would be gratifying in a smaller car. In a car this size it's a downright delight.

Preview America's newest car now

As part of Preview Run U.S.A., new Fairlane 500's are riding the nation's highways and main streets right now. Watch for them. See what thousands have already seen—and raved about. Take a turn at the wheel—and perhaps do a little raving yourself.

We think you'll agree: this all-new Ford is just right for just about everybody. No matter how many new cars you've looked at, you haven't seen anything like this one. It will be at your Ford Dealer's next week. If you miss it now, be sure to see it then.

JUST RIGHT FOR
JUST ABOUT EVERYBODY!
FORD
FAIRLANE 500
ONLY THE NAME'S THE SAME!

Screwworm Control Program Launched in Texas

A 100-million dollar problem is the immediate target of an aroused group of Texans who recently banded together to form the Southwest Animal Health Research Foundation. Though its long range goal is the study of all animal health problems, the Foundation's first campaign will be launched against the screwworm, generally considered Public Enemy No. 1, by livestock producers throughout the southwest.

Incorporated as a non-profit organization by the State of Texas,

The Observer, Robert Lee, Texas

Nov. 9, 1961

the Foundation will be supported by voluntary contributions and governed by a 15-man board of trustees. Initial board members are Dolph Briscoe Jr., Uvalde; T. A. Kincaid Jr., Ozona; C. H. Devaney, Coahoma; Marvin Bridges, Buffalo, and C. G. Scruggs, Dallas.

Foundation spokesmen said they would employ the sterile-fly technique so successfully used in Florida and the Southeast where screwworm control now is almost complete.

County agricultural agents and vocational agriculture teachers have taken the lead in presenting details of the screwworm control program to livestock producers in each Texas county. Action committees have been formed in 10 counties and preliminary meetings are underway in many others. Already, more than 70 per cent of the livestock producers in Crockett county have made voluntary contributions totaling \$27,346.

Wayne West, chairman of the Crockett county committee, said that many retired ranchmen also had contributed.

Complete information regarding the foundation and its objectives can be obtained by contacting any county agent or vocational agriculture teacher, or by writing directly to the Southwest Animal Health Research Foundation, 546 Rio Grande Building, Dallas 2, Texas.

BIRTHS

DEVOLL—Mr. and Mrs. Lendy Devoll announce the arrival of a daughter, Lisa, on Nov. 4th at 8:01 a.m. Born at the Clinic-Hospital in San Angelo, the baby weighed 7 1/2 lbs., 11 1/2 oz.

Lisa has twin brothers, Donnie and Ronnie, age 12. Her grandparents are Mr. and Mrs. W. M. McCutchen of Robert Lee and Mr. and Mrs. I. H. Devoll of Burnet, Texas.

Gov. Designates Veterans Week

As a tribute and in remembrance of those who took up arms in the cause of democracy and freedom in World War I, Gov. Price Daniel has designated the week beginning November 11 as World War Veterans Week in Texas.

Veterans Day, Nov. 11, has for the past several years served as a day of Commemoration for the veterans of all American wars. This observance, originally known as Armistice Day, began as a tribute by a grateful people to the American soldiers, sailors and marines who fought and died in World War I.

The observance begins on the 43rd anniversary of the signing of the armistice which ended hostilities between Germany and the Allies on Nov. 11, 1918.

Next Sunday, Nov. 12, at 1:30 p.m. a World War I Memorial will be unveiled on the State Capitol grounds in Austin. Located in the northeast corner of the grounds, the 9-foot red granite shaft is being erected without expense to the state.

Lt. Gov. Bruce Reagon will be the principal speaker at the unveiling ceremonies. All veterans of World War I and their relatives and friends are invited to be in Austin for the event. Senator Ralph Yarborough will be the featured speaker at a WWI veterans dinner at the Driskill Hotel on Saturday, Nov. 11, at 7 p. m.

COKE WWI BARRACKS

Coke County Barracks No. 2409 Veterans of World War I was organized early this year and has a paid up membership of 32. The veterans meet once a month and alternate their sessions between Bronte and Robert Lee.

At the monthly meeting last week in the American Legion Hall at Bronte plans were discussed for boosting next year's membership to 40. A barbecue and program for Nov. 11 was abandoned, but a dinner meeting with the ladies as guests is planned for January.

New officers are to be elected at the meeting in Robert Lee on Dec. 7.

Robert "Bob" Baker Dies In Brownwood

Word has been received here of the death of Robert "Bob" Baker, a road construction contractor, who built bridges in Coke County near Robert Lee in 1950 and 1955.

Mr. Baker died in a Brownwood hospital after being stricken with cancer for several months.

Services were held in Brownwood on October 26 at 3:00 p.m.

Survivors include: his wife; a daughter, Mrs. Mary Reynolds, both of Brownwood; three brothers, Vernon of Abilene, F. S. of Tucson, Arizona, and Fred of Denver, Colorado; 1 sister, Mrs. Mary Willman of Temple, and one grandson, Jerry Reynolds of Brownwood.

Also surviving is Billy Baker, a nephew, who is married to the former June Duncan of Robert Lee, now residing in San Angelo.

During his construction tour in this area Mr. Baker made many friends and acquaintances here.

CARD OF THANKS

Words could never express the heartfelt thanks and gratitude for the many kindnesses and deeds bestowed upon us during the long illness and death of our beloved, Charlie F. Vowell.

May God's richest blessings rest with each and everyone.

Mrs. Ruth Vowell and the Family of Charlie Vowell

CARD OF THANKS

We take this method of expressing our sincere appreciation for the many calls, visits, cards, flowers, and gifts, following our daughter Debra's accident and hospitalization. A special "thanks" to Mrs. Ivey Eubanks, R. N., and to Bruce Clift and Sam Williams for their fast, efficient services which meant so much.

John and Merle King

Hurley Is Serving with First Fleet

SAN DIEGO, Calif. (FHTNC) — Jerry M. Hurley, radarman second class, USN, son of Mr. and Mrs. Carl Hurley of Sanco, is serving aboard the destroyer USS Wedderburn, home ported in San Diego, Calif., a unit of the First Fleet taking part in Exercise "Covered Wagon" off the coast of Southern California.

The seven-day exercise, scheduled to begin Oct. 20, includes a fast carrier striking force of surface ships opposing shore-based patrol aircraft, medium jet bombers and submarines.

A major replenishment at sea is also scheduled for the task force by fleet oilers, ammunition and stores ships.

Vice Admiral Charles L. Melson, First Fleet commander, scheduled the exercise, and his flagship will

The Observer, Robert Lee, Texas
