

Nelda Thomas, Alice Ivey, Jeannine Wimberley
... Of the Four Runners

'Sermon in Song' set by Lee Street Church

A "Sermon in Song" will be presented at the Lee Street Baptist Church, Southwest Second and Lee Street during a three-day revival Friday, Saturday and Sunday.

EMPHASIZING and uplifting Jesus Christ, the Gospel will be presented in music and testimony by "The Four Runners." The group began presenting sacred concerts in 1966 and since that time they have presented concerts throughout United States. One unusual aspect of their concerts is the use of film slides with music. They are now in full time revival and youth work.

Jeannine Wimberley, soprano soloist has sung in revivals, served as director of youth choirs, leader of church choirs,

and served as soloist in Oratorios, Cantatas, and general church music.

Nelda Thomas is featured as organist, pianist, trumpeter, and singer. Her trumpet adds a "Bit 'o Spice" to the concerts. A professional photographer, her photography is used to enhance music with sight.

Alice Ivey, youngest of the Four Runners is Jeannine's sister. She is the folk music singer. She accompanies on the organ, piano and guitar as well.

ATTENDING THE revival will be necessary to find out about the other member of the group. The public is cordially invited to attend the concert. Revival services will be at 7:30 p.m. Friday and Saturday and at 11 a.m. and 7 p.m. Sunday.

Reception to honor Mrs. Winona Bunch

A reception honoring Mrs. Winona Bunch, retiring secretary of the First Baptist Church will be held Sunday at 8 p.m. in the fellowship hall of the church.

MRS. BUNCH has served as church secretary for eight years.

Church members and friends are invited to attend the reception.

Baptist women host international meal

The Baptist Young Women recently hosted an international luncheon in the fellowship hall of the First Baptist Church.

FOOD FROM China, Mexico, Germany and Italy was served. Dolls representing many countries were on display.

Evelyn Martin and Mustafa Tosun, Dimmitt High School's American Field Service exchange students, spoke on the life and ideas of their home countries, France and Cyprus respectively.

THE SAME amount of petroleum that comprises today's synthetic dress will only drive a car three to five miles, Mrs. Becky Culp, area clothing specialist, Texas Agricultural Extension Service, notes.

KING AND QUEEN of Area Recognition Day among North Texas TOPS clubs were Teal Loftis of Plainview Chapter 194, an all-men's club, and Sue Bolding of Plainview Chapter 663. They were crowned at the climax of the fall convention in Dimmitt High School auditorium Saturday afternoon. More than 270 TOPS members from 29 clubs attended the Area Recognition Day here.

TOPS clubs gather here for Recognition Day

More than 270 delegates from 29 TOPS clubs in North Texas gathered in Dimmitt Saturday for Area Recognition Day.

THE FALL convention was held in Dimmitt High School, with meetings in the auditorium and luncheon in the gym.

Dimmitt members served as hostesses for the convention, and Nazareth members prepared and served the noon meal of smoked turkey, baked ham and salads. Juanita Welch of Dimmitt was the convention's emcee.

Area awards were presented during the day to the top weight losers in TOPS (Take Off Pounds Sensibly), KOPS (Keep Off Pounds Sensibly) and KOLS (KOPS of Long Standing).

SUE BOLDING of Plainview

TOPS Club 663 and Teal Loftis of Plainview Club 194 were announced and crowned as the area's king and queen for fall 1974 for their individual weight losses. Mrs. Bolding and Loftis also graduated from the TOPS to the KOPS ranks.

Plainview TOPS Club 194 is the only all-male club in the area. The other 28 clubs represented were composed of women.

Area winners in addition to Mrs. Bolding and Loftis were Margaret Hill of Sunray, Backslider Award; Plainview Club 194, Best Average Club Loss (13.6 lb. average loss), and the No Gainer Club Award; Ropesville TOPS Club, Clan Award for highest percentage of members attending the fall convention; Gruver TOPS Club, Walking Stick Award for most person-miles traveled to the convention (1,956); Amarillo TOPS Club, Banner Award; and Nazareth TOPS Club 855, Scrapbook Award.

PRESENTING awards and helping Mrs. Welch conduct various parts of the program during the day were local TOPS members Topsy Hall, Joyce Davis, Patricia Powell, Frances Goodwin, Jo Hankins, Rita Kern, Emily Clingsmith, Arlene Oldfield and Genell Craig.

Lester Bragg of Plainview gave the TOPS Address Saturday morning, and Naoma Lee of Plainview presented the Kops Address in the afternoon.

Theme of the convention was "From Bales to Bundles." The DHS stage was decorated with a bale of cotton and a shapely shock of milo, plus an archway and tables. Delegates were presented with gold-sprayed cotton boutonnières.

Welcoming the 270 convention delegates to Dimmitt at the start of the day's activities was Bob Caddell, president of the Dimmitt Chamber of Commerce.

DELEGATES chose Sunray as the site of their next Area Recognition Day.

Cities represented by one or more TOPS chapters at Saturday's convention were Amarillo, Plainview, Mobeetie, Brownfield, Muleshoe, Pampa, Lockney, Perryton, Levelland, Slaton, Lubbock, Ropesville, Phillips, Earth, Tulia, Sunray, Hereford, Sudan, Gruver, Dalhart, Canadian, Littlefield, Nazareth and Dimmitt.

On the go

Mrs. Ouida Lowrance hosted her daughter Zoe and Aaron Blackwell of Arizona and Larry and Alona Birdwell, Norvelle and Judy Birdwell and daughter Carol, Jerry and Vicki and baby Christi of Amarillo.

Sorority views slide program

Dimmitt's Alpha Epsilon Tau Chapter of Beta Sigma Phi held its regular monthly meeting Wednesday night at the Castro County Country Club with 19 members present.

THE PROGRAM for the evening was presented by Cheryl Flores, a faculty instructor on food nutrition in Lubbock. Slides were shown which gave guidelines on how to save on shopping and how to buy meat. The informative program was planned by Walter Maynard and Shirley Shrum.

Tickets for the Book Review Series were passed out to all sorority members. The tickets sell for \$5.00 and they admit the buyer to all three reviews which are being held Nov. 18, Jan. 20, 1975, and March 17, 1975 at the First Baptist Church Auditorium.

THE CLOSER YOU LOOK, THE BETTER WE LOOK

This Makes Sense

About New Cars:

The prices on new cars are up for 1975, throughout the industry. All of us knew they would be, because of increasing costs of basic materials. And 1975 new-car prices could go even higher.

About Used Cars:

As the new-car prices have appreciated, so have the prices on USED cars. In fact, the book prices on some models of used cars have gone up by about the same proportion as the prices on new cars.

About Trading:

Put these facts together. New-car prices are as low as they'll ever be, and your present car is worth as much now as it will ever be. So if you're planning to trade for a new car, you'd be smart to do it now.

Barnes displays horse at championship show

Orin Barnes of the C Bar Ranch of Dimmitt will display I'm A Tuff, a quarterhorse owned by Jerry and Carol Cluck of Dimmitt, in the first annual World Championship Quarterhorse Show in Louisville, Ky. today (Thursday). THE ANIMAL is among 1,000 American quarterhorses which have been qualified for the event. The invitational show has a minimum purse of \$1,000 for each class and entries are added to the purse. The show began Nov. 13 and will continue through Nov. 16.

September bond sales announced

In releasing Treasury figures, County Bond Chairman R. E. Wilson, announced that sales of Series E and H United States Savings Bonds in Castro County during September totaled \$1,975. Sales for the nine-month period were \$46,929 for 78% of the yearly sales goal of \$60,000. SEPTEMBER sales in Texas amounted to \$19,110,753 compared to \$17,149,206 during the same period of 1973—an increase of 11%. Year-to-date sales totaled \$173,861,964 for 73% of the \$236.8 million goal achieved.

Scout-O-Rama set Saturday

Dimmitt's Boy Scouts will take part in a district-wide Scout-O-Rama Saturday afternoon in Plainview. THE EVENT will be staged in the Plainview Agricultural Center from 1 to 6 p.m., and will have a "hobby fair" atmosphere as troops operate booths displaying the various skills in scouting. Boy Scout troops and Cub Scout packs from throughout the Haynes District will participate in the Scout-O-Rama at Plainview. Four other districts of the South Plains Council will be conducting Scout-O-Ramas the same day in Lubbock, Floydada, Brownfield and Levelland. DIMMITT'S Boy Scouts have been selling tickets to the big show since mid-October.

On Wall Street
By Bob Hill
Lentz, Newton & Co.

Gold is an emotional substance, not given to a logical or a common sense approach when it comes to the price it should be selling for on the market. It is truly a fear-prompted investment, purchased because the buyer is fearful that the dollar will again devalue (it probably will if the balance of payments keeps running into the red), that inflation will continue at a double-digit rate, that the US will become a "bankrupt" country with the Arabs winding up owning the whole shooting match, or that disillusioned investors will flee the stock market for gold, thereby running the price of gold to over \$300 per ounce. CONSEQUENTLY, gold is extremely sensitive to rumor and idle gossip. The price of gold in London sank to \$120 per ounce from \$147 in the first week of July, then took off like a rocket before the month was over, hitting \$160 before drifting back to the \$145 level in late September. It has since climbed to \$171 at the end of October, all as a result of rumors, first that the Ford Administration would oppose US citizen ownership of gold next January, then that President Ford would suddenly permit Americans to own gold before January.

There are many who feel that permitting Americans to own gold at this time makes little economic sense. In fact gold ownership will add to our balance of payments problems because the biggest part of gold purchased by American citizens once it becomes legal, will come from Europe or South Africa. This means more of our dollars will go overseas, compounding our balance of deficits problem caused by the present high price of Arab oil. Gold coins are still the safest and wisest long term investment in gold, if you are determined to own the yellow stuff. For the short term speculators, gold futures offer the fastest return on your money plus a potential profit, shares of South Africa gold mining companies should be considered.

Sheep growers to vote in wool referendum

Ballots will be mailed to all known wool and lamb producers in Castro County to enable them to vote in a national referendum on a proposed new agreement for the advertising and promotion of wool, according to Jim Elder. The mail referendum being held Nov. 4 through 15 will enable producers to vote their approval or disapproval of a new agreement between USDA and the American Sheep Producers Council (ASPC) which provides for the USDA to withhold a part of any wool payments that might be made to producers to finance advertising and sales promotion programs by ASPC for wool and lamb. The withheld funds would also be used by ASPC to develop and disseminate information on product quality, production management and marketing improvement for wool and sheep. Wool and lamb producers will be mailed an explanatory statement about the proposed new agreement along with the ballot. The new agreement is similar to one approved by producers in 1971. If approval is voted, payment deductions of up to 1 1/2 cents a pound on shorn wool and 7 1/2 cents a hundredweight on unshorn lambs would be made, the same as the maximum deduction rates for the 1966-72 period. Since no wool payments were made for 1973 marketings, there were no deductions for that year. Jim Elder emphasized the neutrality of the US Dept. of Agriculture on the proposal being submitted to wool and lamb producers. "Our sole in-

terest is in conducting a fair and impartial referendum," he said. Anyone may vote who has owned sheep 6 months old or older for at least 30 consecutive days during 1973. Votes may be cast by individuals, corporations, or partnerships. Any producer who is not already known to the County ASCS office is urged by Charley E. Hill to come by or call in order to receive a ballot and explanatory material. The Castro County ASCS office is located at 101 North Broadway in Dimmitt. Any eligible producer may vote in the referendum, without regard for race, color, sex, religion, or national origin.

Sherry McGowan to get degree

Sherry McGowan of Dimmitt is among 18 seniors included in the first of five classes to meet requirements for bachelor of science degrees from the school of pharmacy at Southwestern Oklahoma State University in Weatherford during the current academic term. The new graduates ended professional practice requirements in community and hospital pharmacies Oct. 18. They will not graduate officially, however, until the May, 1975 convocation.

and industry

Hendricks announces support of Clayton

Representative Bill Clayton added another vote to his lead in the race for Speaker of the Texas House of Representatives when veteran House member Bob Hendricks of McKinney announced his support of Clayton at a reception held in Wylie. Representative Hendricks released the following statement: "I have worked closely with Bill Clayton over the past eight years. He is truly a dedicated and sincere servant of the people of Texas and his understanding of the needs of Texas is amazing. He will make our State a great Speaker."

HENDRICKS, who is the present chairman of the House Criminal Jurisprudence Committee, represents Collin and Rockwall Counties. FORTIFIED foods have one or more nutrients added so that the food contains more of the nutrients than was present originally before processing, according to Frances Reasonover, foods and nutrition specialist, Texas Agricultural Extension Service. Representative Clayton, who has released the names of 108 other pledges to his candidacy, is the acknowledged victor in the race for Speaker. Upon receiving Hendrick's endorsement, Clayton stated that he was honored to be able to count on the advice and support of Hendricks, whom he termed "an experienced legislator with superb ability to deal with the important problems facing our State."

WHETHER YOUR CROP IS **STANDING** or **DOWN**

HESSTON ROW HARVESTERS
are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm. In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining... enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions
Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.
Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

Opportunistic Swifts thump Cowboys 28-6, close out 1974 season with 4-5-1 record

By MARTHA CATOE

The Nazareth Swifts closed out their 1974 season Thursday night by trouncing the Happy Cowboys 28-6, giving Nazareth a season record of 4-5-1. The offense gained 199 yards rushing while a heads up defense held the Cowboys to only one touchdown and recovered three fumbles which were converted to Nazareth touchdowns.

THE FIRST period of play was one of little offense for both teams as it ended scoreless.

Happy opened the scoring early in the second period on a

BREAKING OUTSIDE—Nazareth's Junior "J.J." Joiner eludes a Happy tackler as he moves to the sidelines on a gainer in the Nazareth-Happy tilt Thursday night at Nazareth. The Swifts used their veer offense effectively

as the Cowboys were kept off balance by options executed by Swift quarterback Bernie Huseman. Joiner had a good night running to the outside. The Swifts closed out their season with a 28-6 win over the Cowboys.

two-yard run by halfback Mike Todd. The run capped a 44-yard drive in six plays. The attempted kick was wide and the Cowboys took a 6-0 lead with 9:45 remaining in the first half.

The Swifts received the Cowboy kickoff on their own 20 and began an 80-yard scoring drive which took 16 plays and used up 3 minutes and 50 seconds on the clock. Halfback Junior Joiner got the scoring call on a 3-yard scamper. The kick was unsuccessful and the teams retired to the locker rooms with the score knotted at 6-6 at half-time.

The third quarter was much the same as the first with neither team able to come up with much of an offense.

With only 1:30 having elapsed in the fourth period, the Swift defense recovered a Cowboy fumble on the Cowboy 19. The offense quickly took ad-

vantage of the break and drove into the end zone in only three plays. Charles Heck took the ball in from the three and quarterback Bernie Huseman scampered in for the two-point conversion.

ALMOST as if it were an instant replay, the Cowboys received the ball and fumbled again two plays later. This time the Swifts took possession on the Happy 20. Halfback Heck again got the call and scored from the 4. Halfback Doyle Kleman plunged across for the two point conversion to give the Swifts a 22-6 lead.

A third and similar Cowboy fumble again gave the Swifts good field position and set up the final score. The Cowboys fumbled on the first play from scrimmage after receiving a

Swift punt. Quarterback Bernie Huseman carried the ball over from the three for Nazareth's final score. The two point conversion attempt failed and the game ended in a 28-6 Nazareth victory.

Junior Joiner led the offensive attack with 108 yards rushing. Defensive standouts were Bernie Huseman with 13 tackles and Glenn Kleman with 11 tackles.

SENIOR Swifts seeing their final gridiron action for Nazareth were quarterbacks Bernie Huseman and Doyle Kleman, guards Cecil Braddock and Kevin Acker, ends Dwayne Schulte and Ricky Kleman, tackles Weldon Wilhelm and Glen Kleman, halfbacks Charlie Heck and Ted Huseman and center Keith Birkenfeld.

College night set for DHS Nov. 21

A college vocational night will be held at Dimmitt High School Nov. 21 at 7 p.m.

ALL HIGH SCHOOL students and their parents, and particularly seniors, are invited to attend the session.

Representatives from Texas Tech, West Texas State University, South Plains College, Wayland Baptist College, Lubbock Christian College, Hardin-Simmons University, TSTI, Draughons Business College, DeVry Institute of Technology and Southwestern Business College will be on hand in addition to representatives of all branches of the military.

School representatives will be available to answer questions on college requirements and college life.

Community Day to be observed

World Community Day will be observed tomorrow (Friday) at 10 a.m. in the Holy Family Church in Nazareth. All women are invited to attend. World Community Day, a day of prayer, usually observed the first Friday of November is being observed tomorrow because of other conflicts the first Friday of the month.

"Yes! I said 15%!"

For most Texas drivers, State Farm has rates that are 15% less than rates established by the State Board of Insurance. See me for all the details.

Maintaining Strength For A Power-full Future

A power-full future means increased use of electricity at home and on the job. In November of 1971, we held open house at Jones Station where we were then capable of generating 256,000 kilowatts of electricity. This year we're doubling our capacity with our second unit at the largest electric generating station in West Texas, which brings our total system capability to 2,255,100 kilowatts. We're proud of our power plant and we want you to see it in operation.

OPEN HOUSE

Be sure to visit us this weekend. We'll be open Saturday and Sunday between 12 noon and 6 p.m. Take Farm Road 3020 to Jones Station.

BE SURE TO REGISTER FOR A MICROWAVE OVEN

Dimmitt Business and Industrial Review

Here are the John Deere Disks many farmers have been waiting for—the 220 and 230 Power-Flex disks. The 220 and 230 are the first disks from John Deere with hydraulic fold. These two models, along with the heavier 330 Power-Flex disk, offer wide-span flexibility in the field plus convenient control for narrow transport. The 2-section 220 and 3-section 230 provide Level-Action disking in rough and rolling fields.

JAMES HORTON, FIRST STATE BANK
 Vice-president and trust officer

Bank's trust department offers valuable services, counseling

If you want to set up your business or farm as a permanent legal entity to benefit future generations of your family, where should you start?

If you plan to move and want to make sure your property here is managed professionally, who should you contact?

If you want your children and grandchildren to receive maximum benefit from your estate with a minimum of estate taxes, how should you go about it?

THE TRUST DEPARTMENT of the First State Bank of Dimmitt can help you with such problems. The Trust Department is one of the many services provided by Dimmitt's full-service bank.

James Horton, vice-president and trust officer, manages the Trust Department.

A native of Odessa, Horton earned a business administration degree from Baylor University, then graduated from Baylor Law School in 1960. After three years in the US Air Force, he joined the First State Bank as trust officer in 1964.

THE MAIN SERVICES of the Trust Department, Horton explained, are to administer estates and trusts as an independent executor or trustee, and to manage local property as an independent agent.

"An estate," he explained, "is all the assets of a deceased person, which are administered or managed under the provisions of that person's will."

A trust, on the other hand, "is a legal entity whereby the trustee administers the assets of the trust estate for the benefit of the named beneficiaries," Horton said. "A

trust can either be set up during a person's lifetime, or in his will."

THE BANK, however, does not draw wills, probate estates or file federal estate-tax returns, Horton explained. These are jobs for a private attorney, to be engaged either by you or by the bank.

The main benefits of having the bank's Trust Department serve as independent trustee or executor, Horton explained, are the continuity of management and the bonded conservation of assets. "The bank as an institution doesn't die, get sick or move," he commented. "When the bank is appointed to manage an estate," Horton said, "we gather all the assets, get all the legal work done, pay all the indebtedness, then distribute the remaining funds to those entitled to them. If the estate goes into trust, then the bank administers it and pays or distributes the income or assets to the beneficiaries as provided by the trust instrument."

THE TRUST DEPARTMENT also assists with estate planning and with property management for absentee owners.

Acceptance of trusts and decisions on trust management are handled by the First State Bank's trust committee, made up of Horton, Bob McLean, Helen McLean, Robert McLean and Edd McLeroy.

The bank sees to it that entrusted property is well-managed and maintained, that the bills are paid, that the beneficiaries or owners get a regular accounting, and that all benefits are distributed according to the terms of the trust or will.

If we all work together,

GRAND OPENING—Dimmitt's Circle K Food Store held grand opening ceremonies last week. Those on hand to help observe the opening were, from left, Rev. Ted Eaton, Deby Bond, Becky Sandoval, Estelle Davis, local manager, Mayor Elmer Youts, who cut the blue ribbon opening the store officially, Rose Chessher and Harley Davis.

Open house scheduled at C. B. Jones Station

Southwestern Public Service Company will hold an open house at Clifford B. Jones Station, located southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road Nov. 16 and 17 from noon to 6 p.m. each day.

THE SECOND 256,000 kilowatt unit was completed and put on the line in July of this year and the plant now has a total generating capability of 512,000 kilowatts.

There are 6-million pounds of structural steel and 30-thousand tons of concrete in the plant building and the cooling towers weigh 2-million pounds each and have a million board feet of redwood lumber in them. The piping and tubing in Jones Station would reach from Lubbock to Abilene and back if you could get it all in a straight line.

Primary fuel for the boilers at Jones Station is natural gas. The number 2 unit was designed to also use number 2 fuel oil as standby fuel and the

first unit has been retrofitted to also burn fuel oil.

THE HUGE boilers can boil over 10-million gallons of water

Home and hobby

It's fruitcake time, here are some hints

By IRENE KEATING

It's fruitcake-making time, and the fun of baking is a big part of pre-holiday festivity.

Choices range from dark to light types of fruitcake, with both kinds full of fruits and nuts, or for families who like just a hint, the fruit and nuts may be lightly scattered through the cake. If you make your own, cost depends on the recipe. Check costs of the ingredients before you bake. Of course, costs don't consider your time, patience and the cleanup or your satisfaction.

Candied fruits are a necessary part of fruitcakes and a welcome addition to pies, cookies, breads and salads. As you look over the selections of candied fruits, you may want to compare the price with the cost of preparing your own. Some choices are citron, lemon peel, orange peel—available in glaze form, covered with a light coat of sugar, or in drained form, with all the surplus sugar removed. Also cherries are packed whole in glaze form, colored green and red.

Mixed fruit contains four or five diced fruits such as citron, orange peel, lemon peel, pineapple and cherries. Pineapple, packed in glaze form as fingers, slices and diced, colored red, green and yellow is available.

Candied fruit comes in four ounce containers, but can also be found in larger vacuum jars, cello-paks and bulk containers. Consider the total amount of candied fruit you will need for holiday baking and buy it in the larger packages—usually more economical.

Stores usually stock candied fruit to last only through the holiday season since the demand is small during the rest of the year.

NUTMEATS are an impor-

tant ingredient in fruitcakes of all kinds and there are do's and don'ts for buying them. Buy unshelled nuts that are clean and free from scars, cracks or holes. With shelled nuts, look for kernels that are plump and meaty, crisp and brittle, and if used for garnish—uniform in size and color. Unshelled nuts are often, but not always, less expensive than shelled nuts. To compare costs: two pounds of unshelled tree nuts make one pound (3 to 4 cups) of nutmeats. The small, recipe size packages are generally more expensive than the "holiday baking" size (1 lb. packages).

Bake fruitcakes in foil pans, individual-size glass casseroles, or even in tiny muffin tins. Glaze and decorate them after they've cooled. You can bake them in clean, well-washed coffee cans for unusual shapes. For a handsome glaze, heat corn syrup to a full, rolling boil and spread with a pastry brush over the top of the cake. Decorations of nuts and red and green maraschino cherries will cling tightly if first dipped on one side in powdered sugar icing before arranging on the cake. To store wrap thoroughly cooled fruitcake tightly in plastic wrap, then in heavy aluminum foil.

You may want to brush the cake occasionally with fruit juice or cider. Or you can saturate a cloth in the liquid, wrap the cake in it first and then overwrap with plastic wrap. Four to six weeks will complete the mellowing of the delightful fruit flavors. After the fruitcake is well-seasoned, a home freezer or refrigerator is ideal for storing it. If you need a fruitcake recipe, call or come by.

647-3123 For Printing

per day into steam at 2-thousand and pounds pressure. This would be enough water to supply a city of about 50-thousand people, but it is used over and over again with only a small loss—approximately 6 gallons a minute. The steam produced by each boiler passes through 23 miles of tubing and comes out at a temperature of one-thousand degrees—that's hot enough to make a steel pipe glow a dull red. On its return trip to the boiler in the form of water, the steam must pass through another 31 miles of piping and tubing.

The high pressure steam produced by the boiler passes through the turbine blades and causes the massive rotor on which the blades are mounted to revolve at 3600 times each minute. If it were free to roll down the highway, it could cover the distance between Lubbock and Midland in about six minutes. The generator rotor is directly connected to the turbine so that it also rotates at 3600 RPM and while turning, generates electricity at 22-thousand volts. The voltage is increased to 230-thousand volts in the transformers at the substation outside the plant, which improves the economics of power transmission over long distance.

The turbine control system at Jones Station was the first of its kind to be installed anywhere in the world. The turbines—and in fact all the major equipment in the plant—are controlled by a computer which is programmed to perform all the functions of starting, operating and shutting down. It also responds to equipment faults by notifying the operators of the malfunction and in the event of a serious abnormality, it initiates the removal of equipment from service.

This ultra-modern power plant is a viable example that the environment and electricity are not enemies. You can have power generation without pollution and nothing that is harmful is discharged into the atmosphere at Jones Station. On cold days you'll see a big white cloud over the cooling towers, but that's nothing more than water vapor.

VFW NEWS

By GERALD BROADSTREET

Greetings Comrades, Seems like it's been quite a while since I've had the opportunity to write and let you know what has been happening.

I'll start with the last District Convention that was held Nov. 2-3 at Hereford. I was rather surprised at the large turnout we had for that meeting, but I was very glad to see the crowd. I enjoy the district conventions for you get to see and visit with people from other posts and exchange ideas. Our Department Representative was State Commander Clyde Hall of Lubbock. He gave a nice talk on why we need to keep growing and to keep our "sights set high" on our various projects. From Dimmitt we had a total of 13 people present including the Ladies Auxiliary.

LAST Monday night we had our regular monthly meeting at the post home. We were honored to have five visitors from Plainview for an official visit. Our guests were Dist. 13 Commander Fred Shipman, Dist. Sr. Vice Comm. Paul Guerra, Wayne Arnold, Hollis Heath and Lynn Davis.

At the meeting our good comrades Ted Stubblefield and Gene Johnson graciously offered to store all our hospital equipment at their S&K Boat and Camper Storage free of charge. Thanks a lot, men. I know our Service Officer Gordon Fore was happy to hear the news. By the way, if anyone has need for hospital equipment contact Gordon and he will be glad to assist you. Charles Wilkerson, a member of our House Committee, resigned effective Oct. 31. It was voted that Gene Johnson take Charles' place.

COMRADES, we are having at dance at the post home this Friday, Nov. 15. "Tiny" Lynn of Lubbock will be doing the musical honors for us. Most of you know "Tiny" and the fine reputation he has for being one of the best dance bands in the West Texas area. Dancing will be 8 p.m. to 12 p.m., admission price is \$5 per couple and everyone is welcome.

Howard Cook, our faithful and diligent club manager, has resigned after two and a half years. Howard, you're to be commended for the fine job you've done for us and we are going to miss your familiar face. Thanks again for everything you've done for us. We appreciate it.

Taking over as club managers are Don and Mildred Leinen. We are very fortunate to have them for they are well qualified and proven capable, for they have worked with Howard quite often in the past and filled in for him during vacation and illness.

LET ME remind you that we have Game Night every Wednesday night at the post home starting at 8:30 p.m. We've had some big crowds lately so you might want to come out a little early and get your favorite table.

Oh yes, Comrades, let me remind you once again that our annual renewal dues will be up to \$10 Jan. 1. That's an increase of \$1.75, but if you pay your dues now it will be \$8.25. So do yourself a favor, pay your dues now and save that extra expense. Make your check payable to the VFW and mail it to me at 311 S.W. Third, Dimmitt, Tx. 79027.

What's cooking at the schools

HERE ARE the lunch menus for Dimmitt schools for Nov. 18-22.

Monday — Stuffed weiners, creamed potatoes, tossed salad, fruit, rolls, butter and milk.

Tuesday — Pinto beans, spinach, pickled beets, wacky cake, cornbread and milk.

Wednesday — Barbecue on a bun, cabbage salad, blackeyed peas, apple cobbler and milk.

Thursday — Chicken a la king, sliced tomatoes, green beans, chocolate pudding, rolls, butter and milk.

Friday — Pizza, corn, lettuce and tomato salad, gelatin and milk.

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$3 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. SEASON prizes will also be awarded. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Chieftains discover Bobcats can play defense too

By JIMMIE CHAPMAN

Dimmitt and Friona collided Friday night with defense the name of the game, and the lighter, fighting line of the Bobcats came through with two goal-line stands on the one yard line to give the Bobcats a 10-7 win over the Chieftains at Friona. The win sets the stage for this week's title game with the Olton Mustangs.

ROBERT Mayberry, Dimmitt's leading ground gainer,

was held to 108 yards in 10 carries but his 37 yard TD run in the third quarter was the most important one to date, as it gave the Cats a 10-7 lead that held up through the final whistle. Rick Wright booted the important 3-point field goal when he got a 23-yarder in the second quarter.

Robert Calhoun, Harold Love, Randy Porter, Lance Loudder and Robert Mayberry came through with several game-saving tackles, but overall, it was truly a team effort that gave the Bobcats their ninth win of the season. Ronnie Lawson and Thompson Mayberry also played key roles in the secondary in the final hair-raising minutes of the game, as Robert Mayberry was injured and did not play at his defensive safety post when the Chiefs were filling the air with desperation passes.

But for the heads-up play of linebacker Travis Hampton late in the game, the score easily

could have been 14-10 Friona. With a little over 2 minutes to play Friona was sitting on Dimmitt's one-yard line on a third down situation. Clay Bandy, Chieftain quarterback, thought he could catch the Bobcats looking for the line smash that everybody expected and when he threw a short pass intended for big Dale Cleveland, Hampton pulled it in for an interception and Dimmitt had the ball at the Friona 20.

At the start of the game the fog was heavy and it looked like it would develop into a line-smashing defensive game. It did. Dimmitt received the opening kickoff and was stopped after one first down, forcing a punt. Robert Calhoun got off a short kick that went for only 20 yards and Friona had good field position with the wind to its back at its own 40-yard line. Dee King, Friona's running back who carried the ball 21 times during the game, tried three times at the Bobcat line and was thrown for losses on every carry. Friona was forced to punt. Gene Strickland got off a 68-yard punt with the help of the wind and the Bobcats found themselves back at their own 15-yard line.

LAWSON gained a couple and after Mayberry had carried twice he was forced out of the game with a leg injury. Robert Horton immediately showed Friona that Dimmitt still had a ground game going. In an 85 yard drive that resulted in a Bobcat field goal early in the second quarter, Horton ran

Scoring Plays:
 D—Rick Wright, 23-yd. field goal.
 F—Clay Bandy, 5-yard run, Stowers kick.
 D—Robert Mayberry, 37-yard run, Wright kick.

THE FIRST LEG of a lightning-quick scoring drive is paced off by Bobcat halfback Gene Veals in the third quarter of Friday night's Dimmitt-Friona battle. Here, Veals races 26 yards for a crucial first down after Friona had scored to go ahead of the Bobcats 7-3. Two plays after this run, halfback Robert Mayber-

ry raced 37 yards for the TD that put the Bobcats back in front to stay, 10-7. The Bobcats' 70-yard scoring drive took only two minutes of clock time and included the two longest runs broken against the touted Friona defense this year.

★ with the ball six times and gained 32 yards, with most of them coming on third down plays.

★ Brad Sanders hit one of the two passes that Dimmitt was to complete for the night to Travis Hampton for a 10-yard gain and several plays later on the last play of the first period, Thompson Mayberry ripped off 14 yards through the big Chieftains to put the ball at the Friona 6 yard line as the first quarter ended.

★ Robert Mayberry reentered the game but failed to gain anything on two carries and on fourth down Wright kicked the most important field goal of his career to put the Cats ahead 3-0 with a 23-yard boot through the uprights. With 10:41 left on the clock in the first half Dimmitt was ahead 3-0.

★ Dimmitt held Friona on its next possession and took over the ball at the Friona 44-yard line after a short punt into the wind.

LAWSON and Sanders kept the ball on short carries on the first four plays that Dimmitt ran, but after Gene Strickland blocked a pass that was intended for Hampton at the goal line, the Cats tried another field goal. Wright's attempt was from 53 yards out with a good wind at his back, but nobody will ever know if the kick would have been good as the Friona line came through and blocked it, recovering at the Friona 49 yard line.

With Bandy and King carrying for short gains, Friona began to move the ball for the first time in the game. On third down and needing 3, Bandy kept on the option play and went 27 yards to the Dimmitt 1-yard line before a game-saving tackle was made by Robert Mayberry. Robin Baize tried to punch through the line but ended up losing a yard. Then Friona drew its only penalty of the night, a five-yarder for motion. When Bandy tried to sweep the end again he was stopped after only a yard and on third down Shannon True-lock and Mayberry came smashing through to throw Baize for a 2-yard loss. Kenny Stowers tried to kick a field goal that would have tied the game, but the kick was short and low and Dimmitt took over with only 59 seconds left in the first half.

Mayberry went off left tackle and ripped off 41 yards before he was tripped up at the Friona 39-yard line. Gene Veals gained two yards and then David Hutson intercepted Lawson's pass that was intended for Hampton at the Friona 10 and ran it back to the 29 before he was hauled down. King gained three yards and the half ended with Dimmitt leading 3-0. Fri-

★ on a this point had made only three first downs while the Cats had put nine on their side of the ledger.

★ DIMMITT got the wind to its back in the drizzle during the third period but it almost worked against them. After holding Friona on downs Dimmitt got the ball at the Chief's 34-yard line after Gene Strickland got off only a 10-yard punt. But on the first play Veals fumbled the ball after gaining six yards and Davy Carthel recovered for the Chiefs at the Friona 26-yard line. From here the Chiefs set sail on a 74-yard TD drive that was to consume most of the third period at a time when the Cats wanted the ball with the wind to their backs.

★ With Bandy, King and Dusty Peters running the ball, the Chiefs found themselves at the Dimmitt 28-yard line 8 plays later, facing third and 15. Bandy hit Cleveland with a pass for 19 yards to the Dimmitt 9, giving the Chiefs first and goal.

★ KING rammed the ball to the five-yard line and then Bandy kept and went over left tackle for the go-ahead score. Kenny Stowers booted the extra point and Friona was ahead for the first time 7-3. There was 5:20 left in the quarter and Dimmitt had run only one play, that being the fumble.

★ Dimmitt got the ball on its 30-yard line on the ensuing kickoff and went to its running game immediately. Veals ran with the ball four times in a row and moved the ball to the Friona 37. Mayberry, who had been drawing the Friona defense off Veals on the four plays, took the handoff and side-stepped past the line of scrimmage as he rounded the corner, cut back inside, shook off one tackler and raced into the end zone for the score that put Dimmitt back into the lead. Wright kicked the extra point and Dimmitt was ahead 10-7 with 3:15 left in the third period.

★ Moments later, after the

for 12 and 15 yards respectively. Another pass went incomplete, and on the last play of the game Calhoun, Porter and Love wrapped Bandy up for a 20-yard loss and the Cats had a very important 10-7 3-AA win.

★ Robert Mayberry gained 108 yards on 10 carries, Veals 56 on 14 carries, Lawson six for 15 yards, Sanders 10 yards on two carries and Thompson Mayberry 21 yards on his three tries for the night.

★ FOR FRIONA, King carried the ball 21 times and gained only 79 yards, and he was thrown for 49 yards in the losing department. Bandy gained 106 yards in 14 carries and the last two sacks saw him

losing 30 yards. The Chieftains were bigger but the Bobcats had the determination to win and that was the most important factor in the contest.

★ The win sets the stage for the final game of the season to decide the winner of district 3-AA tomorrow (Friday) night at Bobcat Stadium at 7:30. The Bobcats have never gone 10-0 in regular season play. They have their chance at the record books tomorrow night.

INCOME TAX DEDUCTIBLE SAVINGS DEPOSITS

LITTLEFIELD FEDERAL'S SELF-EMPLOYED PENSION PLAN

If you're self-employed, the sooner you set up your pension plan, the better.

Join now. New Federal provisions let you set aside 15% of income, tax-deductible, up to \$7,500 annually.

If you're in business for yourself, you can put 15% of income, up to \$7,500 a year, into our Pension Plan, and it's 100% tax-deductible. (You may set aside up to \$750 a year even if this exceeds the 15% limit!)

Your contribution can earn from 5.25 percent to 7.50 percent per annum.

In addition, your contribution is 100% tax-deductible when deposited, and the interest is tax-free when earned. Your funds will not be taxed until withdrawn after retirement, when you'll probably be in a lower tax bracket.

To qualify for the 1974 tax year, your Self-Employed Pension Plan must be opened during this calendar year.

Ask about our Self-Employed Pension Plan. It'll answer a lot of questions about your future.

SOUTHWESTERN PUBLIC SERVICE COMPANY

293 = 4,665 = Thanks To Our Customers

In the last two weeks we've been honoring our long-service employees... 293 of them with a combined service of 4,665 years... and with individual service for periods ranging from five to 45 years.

And this seems like a good time to recognize the confidence that you, our customers, have in our employees and in our Company. We, all of us, appreciate the understanding you have shown in recognizing that, like everything else, our costs of providing electric service have increased... and that makes it necessary to charge more for electricity. Inflation, higher material costs, higher costs of the fuel we use to make electricity... even the higher costs of borrowing money all account for higher costs of your electric service.

But, so long as we are expected to have electricity ready for you the instant you turn on a switch... to meet your year-around demands for electricity to keep your homes and businesses liveable... then there's just no other way. Increased costs must be reckoned with.

We have good employees... all trying to do the best job they know how, and so it's in order for us all at Southwestern Public Service Company to say, "Thanks," to our customers for their understanding... because your understanding of our problems does make our jobs that much easier.

CONVENTION DELEGATES—Dimmitt High School students Robin Patterson, D'Wan Goldsmith and Mary Bossett attended the District XVI Texas Future Teachers of America convention Nov. 5 on the campus of West Texas State University in Canyon. The yearly convention draws a large number of high school students who plan to become teachers.

A NEW FACE has been making its appearance at recent Dimmitt High School football games. It's the face of the Bobcat mascot, who was chosen and outfitted by the Athletic Booster Club to help the cheerleaders and twirlers whip up enthusiasm. Here, the mascot holds the DHS Spirit Stick high during a recent football game. Who's inside the purple costume? It's DHS senior Eliza Ortiz, daughter of Mr. and Mrs. Nati Ortiz.

Letter to the Editor

DHS cheerleaders praise support

Dear Editor,
You don't know how much we appreciate each and every one that came to our courthouse Pep Rally even though

the weather was something less than perfect. We were thrilled to see that this didn't dampen the spirit. We heard it loud and clear and the boys must have gotten the message because they really put it together on the night it counted.

We would like to thank Don Nelson for his speech at the pep rally. It was not only humorous but had the punch that was needed.

We are not the only ones who feel we've had lots of cooperation from the entire town. The boys have told us how much they appreciate it, too.

We would like to express our need for your continued help, backing and spirit. This week we play our last district game, but we hope it's not our last game of the season, so let the boys know you're behind them one hundred percent! Let your greeting to everyone this week be "BEAT OLTON." Be sure to attend this week's pep rally and game. By now it's been proven that our Bobcats are the best. Tell them so!

Sincerely,
THE VARSITY CHEERLEADERS OF DHS
Mary Ann Nino, Tanya DeVaney, Jana Hill, Kerry Broderson, Loretta Young, Kay Phillips

CARLILE THEATRE
NOV. 19TH
STARTING TIMES 5:30-7:30-9:30

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

We'll be glad to help all receiving their AIQ cards to fill them out accurately at our office in the courthouse. Even with those having dependents whose accountable income would exceed the \$3800 limit, your medical expenses might lower the accountable income. Bring in information concerning this expense which you can prove if necessary. Single persons have a \$2800 limitation, eligible children of veterans a \$2000 unearned income. Please note that all income is not counted. Some items are deductible.

THE ANNUAL income questionnaires were released with the Nov. 1, 1974 check for all payees except parents. Income questionnaires for parents will be mailed separately from the November check.

The questionnaire format will be almost identical with those for 1973-74. Each questionnaire will be accompanied by an instruction sheet and a return envelope.

The return date for questionnaires will be Jan. 1, 1975. NOTE: This is 15 days earlier than prior years. All claimants should endeavor to get their questionnaires in by the deadline to avoid possible suspension of benefits.

AIQ exempt beneficiaries who have attained age 72 in some instances will receive questionnaires. Those beneficiaries who in the past show receipt of railroad retirement, civil service annuities or annuities where the type is unknown will receive questionnaires this year. These questionnaires must be returned. Exempt payees who show receipt of social security but the social security number is not shown or the number given does not match a social security payment will receive questionnaires as well as those who are scheduled for termination 1-1-75.

The Veterans Administration will have the ability to cross match social security amounts reported on AIQ's with the Social Security payment file. Where the amount reported by the claimant is less than that shown by Social Security, the amount shown by Social Security will be used for AIQ adjustments. Where the amount shown by the claimant is greater than that shown by Social Security, the amount reported by the claimant will be used for AIQ adjustment purposes. In every case the letter to the claimant will set out the income on which the adjustment is made. In addition, where the claimant reports income from Social Security that is greater than that shown by Social Security records, the Regional Office will be informed so that necessary development can be undertaken to assure that the income is accurate.

OFFICIATING were John Goss, pastor of the Finney Baptist Church, Dr. Carlos McLeod, pastor of the First Baptist Church of Plainview, and Carl Lamb, a retired Baptist minister.

Mr. Armes died Nov. 4 in Central Plains General Hospital in Plainview following a lengthy illness.

A native of Wise County, he had been a resident of Plainview since 1945. He lived in Castro County from 1925 to 1936 and moved to Plainview from Jack County.

He was a retired farmer and a member of the Finney Baptist Church. He was also an ordained deacon for many years.

MR. ARMES married the former Nellie Koeninger Oct. 22, 1916 at Wills Point.

Survivors include his wife; his daughter, Mrs. J. B. Walker Sr. of Plainview; his son, John Armes of Gruver; a sister, Mrs. Tisha Harris of Seymour; a brother, Chester Armes of Bridgeport; seven grandchildren and seven great-grandchildren.

Burial was in Plainview Memorial Park under the direction of Wood-Dunning Funeral Home.

Rites conducted for Newton Armes

Funeral services were held Nov. 6 in the Wood-Dunning Colonial Chapel in Plainview for Newton Arthur Armes, 82, a former Castro County resident.

Burial was in Plainview Memorial Park under the direction of Wood-Dunning Funeral Home.

Tractor taken Saturday night

A tractor taken Saturday from Red Barn Inc. on the Hart highway southeast of Dimmitt was recovered Sunday north of Hart.

ACCORDING to Granville Martin, deputy sheriff, a 1466 International Harvester tractor owned by Jerry Cluck was apparently taken from Red Barn Saturday night.

Martin discovered the tractor in a bar ditch north of Hart while driving Sunday. He theorized that whoever took the tractor was afoot and apparently "took it for a ride".

The tractor was undamaged and was returned to Cluck.

AS AN older adult, you may be free to leave home for frequent family visiting or travels. For the safety of your possessions—and your own peace of mind—make your house look as if it is still occupied. Mrs. Vivian Blair, family life education specialist—aging with the Texas Agricultural Extension Service, advises.

MAKE CERTAIN the right person is beneficiary on your GI insurance policy, is the Veterans Administration reminder to five million veterans covered under its government life insurance program. Otherwise, you may add to

emotional stress of survivors when it is discovered the intended beneficiary was not named on the policy.

In such cases, VA is obligated by law to pay insurance proceeds to the beneficiary of record. Most of the agency's insureds are World War II veterans who carry National Service Life Insurance.

The problem of insurance benefits going to an unintended recipient arises in most instances because the veteran simply never gets around to changing his beneficiary.

In a typical case, the veteran named his mother as beneficiary when he first took out his policy. When he married, he forgot to notify VA that he wished to change his beneficiary. Besides emotional stress, the result often is unwarranted financial hardship, especially for his widow and young children. Any veteran who wishes to ascertain or change his beneficiary should contact the VA insurance center to which he pays his premiums—either in Philadelphia or St. Paul. Be sure to provide as much information as possible, including policy number, full name and address.

You can find the required VA Change of Beneficiary and other insurance forms at our office at the Courthouse. I shall be glad to assist you and/or beneficiaries in making insurance claims.

Mr. and Mrs. Ray Bradley of Dimmitt are the parents of a girl, Halley Dee. Born Nov. 5, she weighed 7 pounds, 12 ounces.

It's a girl for Mr. and Mrs. David Stordal of Lubbock. Kimberly Joy was born Nov. 4 and weighed 5 pounds, 14 1/4 ounces.

NHS band members to sell gift packs

Members of the Nazareth High School Band will be selling Christmas gift packs of cheese at several Dimmitt businesses Saturday morning.

BAND members will be selling cheese packages at Gibson's, TG&Y, Perry's and Anthony's from 10 a.m. through the afternoon.

Gift packages of cheese range in price from \$2.75 - \$10. Proceeds from the sale of the packages will be used in purchasing new band equipment.

LARGE dosage of vitamin A is toxic to children and adults. Too much vitamin A causes excessive calcium in the blood as well as symptoms associated with a brain tumor, Mrs. Mary Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, points out.

TAKING A LICK—Nazareth quarterback Bernie Huseman gets knocked out of bounds by a Happy tackler after a good gain on an option play in Thursday's Happy-Nazareth game at Nazareth. Huseman had one of his best

offensive games of the year as he quarterbacked the Swifts to three quick touchdowns in the fourth quarter for a 28-6 win over the Cowboys. It was the first time Nazareth has defeated Happy in eight years.

Nazareth

Farmers busy harvesting crops

By Mrs. Florence Albracht

Praise the Lord! Got the wonderful sunshine this Monday. Farmers are very busy getting in their crops.

MRS. ANNIE Venhaus, 93 years old, was laid to rest in Holy Family cemetery Monday morning, Nov. 11. She died Saturday morning after a long illness. Rev. Father Stortz of Happy, assisted by Rev. Father Chen of Dimmitt, officiated at the Mass and burial since our pastor Father Stanley is ill. Attending the funeral from downstate were her nephews and nieces Miss Annie Hermes, Mrs. Everett Tuley and Mrs. and Mrs. Henry Henke. All her step children from here and Happy and their families attended the funeral.

Mrs. Mitzie Brockman and children Cyrilla, Tony, Lance and Stevie, Mrs. Rosemary Ramaekers of Umbarger and Mrs. Susie Bacon of Amarillo drove to Colorado Springs over the weekend to visit the Leroy Hoeltings and their brother Ted who was also visiting them.

AFTER spending several days visiting here and Umbarger with her family the Brockmans, Mr. and Mrs. Lon Brockman took Sister Jane Francis to Muenster to visit her sister Mrs. Mattie Enders and family.

A group of Legionnaires and auxiliary members enjoyed the Veterans Ball at the Villa Inn in Amarillo Friday night.

The Order of Martha met on Tuesday afternoon for their regular meeting and quilting. The members made a quilt for

Acker elected to REC committee

Tony Acker of Nazareth recently was elected vice-chairman of the Deaf Smith Electric Cooperative's 1975 Annual Meeting Steering Committee.

The Committee had its initial meeting Oct. 29 at the Hereford Country Club. Main topic of business was that of discussing possible changes in the REC's Annual Meeting to encourage better member attendance. The Steering Committee composed of 14 families was delegated full authority to plan the 1975 Annual Meeting, traditionally held in Hereford on the last Thursday in April at the Bull Barn.

OTHERS elected to office for 1975 were Pat Robbins of Frio, chairman; and Larry Potts of Rhea, secretary.

Other local committee members are Mr. and Mrs. Richard Connell, Mr. and Mrs. Dan Petty and Mr. and Mrs. Floyd Schulte.

The committee urges all Deaf Smith REC members to contact them as to suggestions for the 1975 meeting.

THE PLACE TO GO!

Horns still tied for lead with 21-0 win over Farwell

By PAT STEIERT

The Hart Longhorns scored a 21-0 shutout over the Farwell Steers at Farwell in a game played in less than desirable weather Friday night.

HART remains in a tie with Vega and Springlake in the District 3-A title race following Friday night's victory.

The Maroon Gang defense handed Hart its margin of victory as it capitalized on Steer miscues and stopped Steer offensive drives.

An apparent score on the part of the Steers was called back when the Steers were

charged with clipping following a runback on an interception.

Hart's Maroon Machine bogged down on the wet field but managed over 200 yards offensively. Jimmy Smith tallied two touchdowns for the Horns while Barry George carried for another.

THE MAROON Gang jarred the Farwell ball carrier loose from the ball at the Farwell 12 on the first play from scrimmage following the opening kickoff. Jimmy Kennedy recovered the Steer fumble and the Horns had their first big break.

Longhorn fullback Terry Hill carried to the Steer 5 on first down and Jimmy Smith smashed in for the score on Hart's second offensive play of the night. Danny George hit the extra point and with 11:17 left in the first period Hart led 7-0.

Following the Hart kickoff the Longhorn defense held and forced a Steer punt which was killed at the Farwell 45.

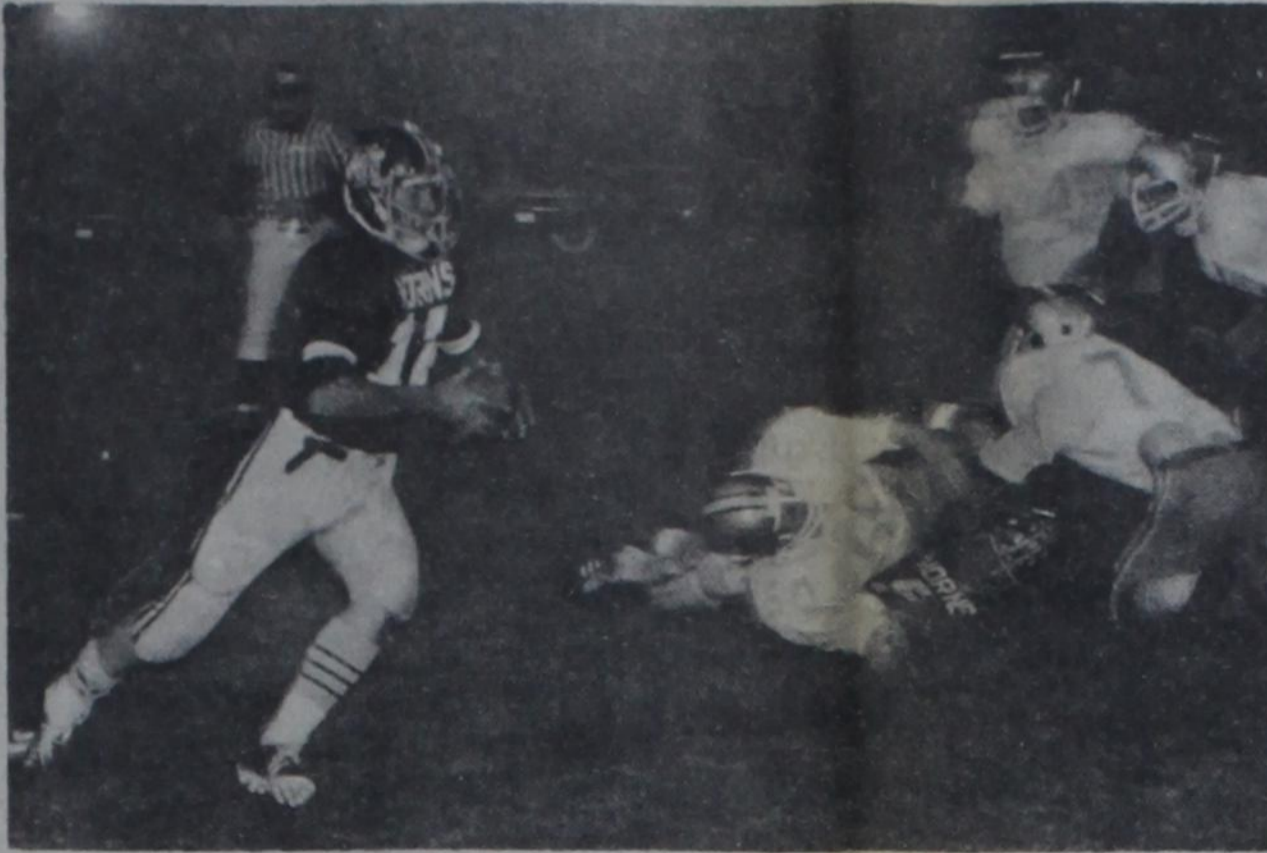

Hart drove to the Farwell 33 before a fourth down pass fell incomplete and Farwell took over.

FARWELL managed a drive to the Hart 48 but the Horns recovered a Steer fumble at the Hart 41.

Hart drove to its 45 and on third down Danny George attempted a rollout pass. Farwell's Mike Goettsch picked off the aerial and raced to the endzone for an apparent Farwell touchdown. However, the Steers were guilty of clipping and the penalty pushed them back to their own 38.

The Steers drove to the Hart 40 before the Maroon Gang forced a punt, which was downed at the Hart 20.

After an exchange of punts Hart took over at its 20. In 13 plays the Horns drove to paydirt behind fine running by

QUARTERBACK OPTION—Hart quarterback Danny George keeps the ball on an option play and turns the right corner on his way to a good gain against the Farwell Steers Friday night at Farwell. Foggy, wet conditions hampered both teams during the game as ball

carriers couldn't find the handle, resulting in numerous fumbles. The Longhorns slogged on to a 21-0 win over the Steers. Hart remains tied with Vega and Springlake-Earth for first place in District 3-A.

Smith, Barry George and Gilbert Rodriguez. The offensive line opened good holes in the drive and Barry George capped the drive with a one-yard plunge. Danny George's kick

was true and with 4:32 left in the half Hart led 14-0. FOLLOWING the kickoff Farwell drove from its 41 to the Hart 30 behind the running of Gerald Hardage and Jay Alana,

but the Horns held on downs at their 30 as the half ended. The teams exchanged punts following the second half kickoff. The opportunistic Maroon Gang forced another break

when Kerry George blocked a Farwell punt and the Horns took over at the Steer 17.

Hart took advantage of the break as Hill, Lester Aven, Rodriguez and Smith shared ball carrying duties. Smith smashed in from three yards out for the score and Danny George tacked on the extra point to give Hart a 21-0 lead with 4:43 left in the third period.

Hart recovered another Farwell fumble following the kickoff and the Horns drove to the Steer 38 before a clipping penalty set them back to their own 43. Hart punted to the Farwell 42 and the Longhorn

defense took over on downs at the Hart 44.

THE MAROON Machine drove to the Farwell 14 with the aid of a personal foul called against the Steers, but the Horns fumbled and the Steers recovered at their 16.

Farwell drove to its 34 before Kent Irons recovered another Steer fumble to end the drive.

The Longhorns were having trouble holding onto the slick football as they drove to the Farwell 10 before fumbling. Hart's defense pushed the Steers back to their 3 to force a punt and the Longhorns took over at the Farwell 27 to run the clock out, clinching their

seventh victory of the season. The Horns now hold a 7-2 season mark with a 3-1 record in district play.

Tomorrow (Friday) night the Longhorns will host the Bovina Mustangs at 7:30 at Longhorn Stadium.

HART MUST win the game in order to have a chance at a share of the district crown. Should Springlake, Vega and Hart win Friday, a coin toss will determine which team will represent District 3-A in bi-district play. Should Farwell defeat Springlake Friday night and Vega defeat Kress, Vega will own the District 3-A championship.

Ladies tie for first in football contest

Geneva Schaeffer and June Sutton tied for first place honors in last week's Dimmitt Athletic Booster Club football contest.

BOTH LADIES picked 12 games correctly but failed to guess the winner of the Missouri at Oklahoma tiebreaker game or the total points.

Polly Simpson finished in second place for the week. She picked 11 games correctly and was three points off the tiebreaker. Also guessing 11 games correctly were Patti Cartwright and Charles Wales, but both were farther off the tiebreaker score.

This week's football contest, featured on page 10, will be the final one of the year.

LEADING in the season race for the grand prize of two

tickets to the Cotton Bowl are Jeannette Hampton and Suzan Sanders. Both ladies have guessed 98 games correctly for the season.

Hart FFA holding citrus fruit sale

Members of the Hart FFA are currently taking orders for grapefruit and oranges to be delivered during the pre-Christmas season.

THE FRUIT is scheduled to arrive Dec. 15 and will be delivered immediately.

Fruit is \$6 per case. Persons interested in ordering may contact any member of the Hart FFA or Lanny Tucker, advisor.

Here's Hart's school menu

HERE ARE the lunch menus for Hart Schools for Nov. 18-22.

Monday - Chicken with rice, green salad, new potatoes, apple cobbler, yeast rolls, milk and butter.

Tuesday - Hamburger steak, green peas, buttered carrots, pudding, hot rolls, milk and butter.

Wednesday - Pinto beans with ham, cabbage slaw, buttered spinach, peach cobbler, cornbread, milk and butter.

Thursday - Hamburger on homemade bun, mustard, tossed salad, onions, pickles, buttered corn, peanut butter cake and milk.

Friday - Fried salmon cakes, tartar sauce, creamed potatoes, green beans, apple-sauce, oatmeal rolls, milk and butter.

314 families utilizing food stamp program here

Three hundred fourteen of the 543 families living below the poverty level in Castro County are now making use of the food stamp program. These families purchased foods, prepared for human consumption only, at nine authorized stores in Castro County.

ONLY citizens and aliens legally admitted for permanent residence are eligible. Although students are eligible to participate if they qualify, foreign students normally cannot qualify because they are not admitted for permanent residence. Aliens in the country illegally are reported to the Immigration and Naturalization Service when the caseworker becomes aware of their presence.

The food stamp program is formulated to provide low income families with a nutritious diet. All families of identical size receive the same dollar value of food stamps. However, the price paid for the food stamps varies with the net income of the family. The net income is derived from deducting various expenses from the gross income of the family. Some of these expenses are federal withholding, Social Security, mandatory school expense (including tuition), certain medical costs in excess of \$10 per month, child care expense when necessary for the mother to accept employment and shelter expense in excess of 30% of the income.

The food stamp program has proved to be an effective way for low income households to increase their food purchasing

power. The US Dept. of Agriculture studied the impact of food stamps on three rural counties in 1970. These were the findings: (1) On the average, low income households more than doubled their food purchasing power if they received food stamps. The 3,200 participating households paid \$1,085,500 for food stamps and received \$2,254,500 worth of bonus stamps. (2) Economic returns to farmers increased from \$1.04 to \$1.17. (3) Food retailers, food wholesalers and wholesale suppliers had to increase their output as bonus stamps provided more buying power. (4) Purchases with food stamps represented from 5 to 10% of the total sales of those stores authorized to accept food stamps. (5) New economy was generated from the community, from \$250,000 to \$1.5 million. (6) The increased economic activity made a total of 130 new jobs potentially available in three counties.

STATE-WIDE FOOD STAMP PROGRAM

Before the state-wide food stamp program was approved in 1972, 28 Texas counties had food stamps. The program which these counties were operating was retained but with several changes.

Administrative costs for the state-wide program are paid by the State of Texas. Previously, the counties were responsible for these costs. The state-wide program is administered by the State Department of Public Welfare. The US Dept. of Agriculture pays for and redeems the food stamps.

Certified households receive an Authorization to Purchase (ATP) card each month in the mail. The ATP cards specify an amount of the stamps and how much money, if any, they must pay for them. The ATP card and the necessary cash is then redeemed for food stamps at the local Post Office.

A variable purchase plan is included in the state-wide program. This allows households to purchase less than their full food stamp allotment.

Households receiving monthly ATP cards will have four purchase options—all, three-quarters, one-half or one-quarter. Stability of the household's income and preference determine whether they receive the ATP card on a monthly or semi-monthly basis.

An ATP card may be used one time, regardless of what option within the variable purchase plan the household chooses. This card is valid only for the month indicated on the card. The state-wide food stamp program promises to put more Texas-produced food on more Texas tables.

WHO IS ELIGIBLE?

Any person receiving a welfare check, who doesn't make much money or who is disabled may be eligible to participate in the state-wide food stamp program.

Other persons possibly eligible for food stamps include those who work part-time, are employed or those who get small Social Security payments or some kind of pension check.

Individuals and households may apply for food stamps but all applicants must have cooking facilities in their place of residence in order to qualify. Cooking facilities do not have to be of the conventional type. An individual with no stove but with a hot-plate will meet this particular requirement.

An individual is anyone who does not live in a boarding house or an institution. A household is a group of people, not necessarily related, living in one economic unit sharing common cooking facilities or for whom food is customarily purchased in common. A single individual can also comprise a household.

WHAT FOOD STAMPS BUY
Retail grocery stores certified by USDA may accept food stamps for the purchase of most food and food products. Items which cannot be purchased with food stamps include alcoholic beverages and tobacco.

Grocers redeem food stamps through banks or authorized food wholesalers. Local banks, in turn, send coupons to the Federal Reserve Banks.

CERTIFICATION PROCESS
All persons interested in applying for food stamps should take the following information to the nearest food stamp office. The food stamp office is located in the Castro County Courthouse in Dimmitt.

1. Identification (Social Security card, driver's license, etc.)
2. Proof of the household's total income (Latest paystubs, pay envelopes, pension award letter)
3. Rent receipts or house payment book and utility bills.
4. Bank books or other papers to show any savings.
5. Medical bills
6. E-16 Claim identification card for those receiving unemployment insurance.

During the application process, all able-bodied household members between the ages of 18 and 65 must register to work. The only exceptions are those responsible for dependent children under 18 or for incapacitated adults; students enrolled at least half-time in any school or training program recognized by a federal, state or local government agency; and those working at least 30 hours a week.

The work registration forms are completed at the food stamp office and then forwarded to the local Texas Employment Commission office.

All jobs offered by the employment office must meet certain requirements, such as paying a minimum wage, providing safe working conditions, and being reasonably close to home. If an applicant should refuse work that meets these requirements, he would no longer be eligible for food stamps.

Persons out of work due to a strike or lock-out are also required to register for work but are not required to work at plants subject to a strike or lock-out. They are, however, required to accept employment in positions not subject to strike or lock-out.

The Consumer Alert

by John L. Hill
Attorney General

Habla espanol? Thousands of Texans do. And for many of these citizens, Spanish is the language preferred for use in business dealings.

SO IT'S especially unfortunate, but true, that some merchants use their own facility in Spanish, or the fact that some consumers are less comfortable speaking, reading, or writing in English to operate unscrupulously.

Recently, the Attorney General's Consumer Protection Division, in cooperation with a West Texas district attorney, obtained a court judgment against a real estate firm that was attracting customers with advertisements in Spanish-language newspapers. When contacted by an interested party, however, the firm refused or was unable to sell at the advertised price and terms.

In addition, representatives of the firm failed to deposit earnest money at title companies or banks as they represented to customers they would, and failed to return the money or apply it to real estate purchases.

The firm's representatives also advertised their services as "notarios publicos" and accepted deposits from Mexican aliens to begin processing US immigration papers. Our attorneys took the position that this was a deceptive trade practice, since in Mexico, as in many Spanish-speaking countries, a "notario publico" is an attorney or a person specially trained in legal matters.

ALTHOUGH the persons were notaries public, we discovered they were not attorneys or otherwise qualified to practice immigration law in the

US and, therefore, they couldn't obtain the necessary papers for their customers.

In another case, a firm operating primarily in the Valley and directing much of their sales efforts toward Spanish-speaking migrant workers, has been permanently enjoined from misrepresenting their services. The firm was selling door-to-door what it described as "aseguranza," or insurance, which salesmen assured prospective customers would cover costs involved if they had an automobile wreck in any state in the country.

In reality, what consumers were sold amounted to membership in an automobile club, for which they were charged high fees.

Since they sold their services in home solicitations, the company by law should have informed purchasers of their right to cancel any contract for more than \$25 within three days by notifying the firm or its salesman in writing.

AND, SINCE their sales pitches were usually made in Spanish, any contract or receipt of sale should have included this information in Spanish. The law says contracts or receipts must be in the same language used in the transaction.

My Consumer Protection Division reports that other states

have experienced the problem of magazine sales crews descending on barrios and using hard sell appeals in Spanish to obtain subscriptions.

And instances have occurred in other states where publishers or so-called "minority" or "ethnic" magazines or newspapers have used long-distance appeals to businessmen in other states for advertising.

The Attorney General's Consumer Protection staff has taken several steps to assure that our Spanish-speaking citizens will be able to get consumer protection assistance and information in whichever language they prefer.

First and most important, our five regional offices in San Antonio, El Paso, Lubbock, Houston and Dallas make our consumer protection services available on a more localized level. And in these offices, as in our main office in Austin, we have bilingual staff members or attorneys who can help with consumer problems.

In addition, we provide bilingual consumer complaint forms in all of our offices, and we have recently translated our "Practical Primer for Texas Consumers," a brochure describing common consumer frauds, into Spanish.

So, for assistance with a con-

DHS Band schedules Thanksgiving meal

The Dimmitt High School Bobcat Band's Thanksgiving supper will be held Saturday, Nov. 23 from 5:30-7:30 p.m. in the South Elementary cafeteria.

TURKEY AND all the trimmings will be served at the supper. The meal will be prepared by the band parents.

Admission will be \$2.25 for adults and \$1.50 for children under 12.

VFD to hold family supper

The Dimmitt Volunteer Fire Department will hold its monthly family supper Saturday night at 7:30 at the fire station.

MEMBERS of the fire department and their families are invited to attend and bring a dish to their liking.

The VFD auxiliary held its monthly salad supper Monday night with eight ladies attending.

sumer complaint, in English or Spanish, consult the Attorney General's Consumer Protection Division.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

Two new branch libraries held open house in Amarillo last Sunday afternoon. The East Branch located at 2232 SE 27th Street is decorated in the earth colors and the North Branch located at 1504 NE 24th Street is decorated in the brighter colors of royal blue and some red. Virginia Pauwells is the librarian at the East Branch and Martha Berends is the librarian at the North Branch. While I was at the North Branch I visited with Dr. Floyd Golden, who has been associated with the Friends of the Library since he moved to Amarillo after retiring as president of Eastern New Mexico University in Portales, N.M. I also visited with Alice Green, librarian at the Main Library. Steve Bagwell, son of Sandra and Milton Bagwell, is working at the North Branch but I missed seeing him at the open house.

MRS. JACKIE Crozier, teacher of the Humpty-Dumpty class of the Lucky U Kindergarten, brought her class to the library last Thursday morning. We showed them the library and read a story to Blaine Gregory, Wally Godino, Samuel Zuniga, Tracy McLean, Patrick Killingsworth, Randy Stephens and Jeremy Warren.

How long has it been since you read a book from the library? The rainy weather brought several farmers in to check out books. Since the weather forecasters are predicting a long, hard winter, why

Committee heads for CofC named

Chamber of Commerce President Bob Caddell announced the chairman of 12 standing committees at Friday morning's meeting of the board of directors.

THE CHAMBER'S executive committee is made up of Caddell, Jack Edwards, Dale Fowler and Bill Behrends, all of whom are officers.

Committee chairmen are:
Education: Jack Edwards.
Tourism: Dale Fowler
FARM AND Agribusiness Promotion: Donald Wright, chairman, Chet Braafladt, member.
Publicity: Jerry Marvin.
Transportation: Bill Behrends.

Retail Trade: Walt Hansen.
Water Resources: Bob Caddell.

New Industry: Bill Behrends.
Commemorative Coins: Bill Behrends, chairman, Robert McLean, member.

Internal Audit: Robert McLean.
THESE chairmen are to name other committee members as needed to help them with the work of their committees.

not take advantage of it and use the library. Check out several books and stay at home and read.

VERLETTA Witt conducted the Children's Story Hour last Friday telling several stories and leading in the games. There were 25 children present, including several older boys and girls and several from out of town, since most of the schools in this area were out for the Teachers Meeting being held in Amarillo. Martha Salinas was out of school so she worked all day and helped with the Story Hour also.

Lions elect two officers

The Dimmitt Lions Club elected two new officers last week and set a tentative date for the club's Christmas party.

GARNETT Holland was elected third vice-president to succeed Jim Day, and Geoffrey Earl was elected a director to succeed John Wood. Day and Wood have both moved from Dimmitt.

The Lions chose Tuesday night, Dec. 10 as their preferred date for the club's annual Ladies' Night Christmas Party.

Water Inc. sets membership drive

"Action Today for Water Tomorrow" is the theme of the annual Water, Inc., Membership Drive launched at a Leadership Rally in Lubbock Saturday. Bob Caddell of Dimmitt attended the session at the First-National Pioneer Building.

BETWEEN now and Dec. 10, area residents will be joining their counterparts from throughout West Texas and Eastern New Mexico in an intensive campaign for new members for the regional organization.

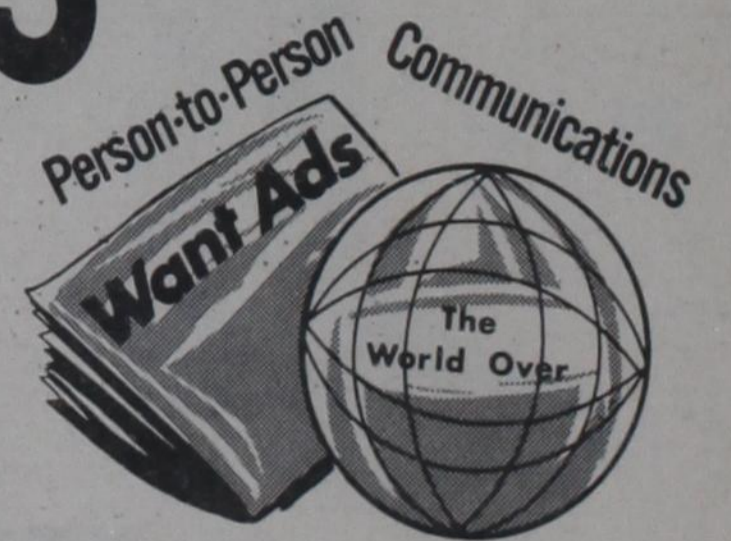

Water, Inc., is a non-profit corporation working to assure adequate future water supplies for all segments of the economy. Mainly through its efforts, importation of water into West Texas and Eastern New Mexico was included in the Texas Water Plan and the focus point of extensive federal studies.

AT THE Lubbock session, Water, Inc., officials told the campaign workers that a strong membership is vital to success in the quest for supplemental water. The organization is financed entirely through membership dues, consequently, the limiting factor on its activities is membership, according to Lloyd Calhoun of Hobbs, N.M., membership drive chairman.

3-AA race to end with Dimmitt-Olton battle

By BILL ELLIS

The District 3-AA race goes down to the last game of the season—just like many predicted it would—when Dimmitt hosts Olton in the title game Friday night.

DIMITT, 9-0 for the season and 3-0 in loop play, is seeking its first appearance in the football playoffs since 1960. Olton, 8-1 and likewise 3-0, wants to represent the district for the first time since 1968.

The teams boast a lot of offense and a lot of defense. The game will pit the league's top two scorers, as Oltons Glenn Johnson leads with 106 points, to 92 for Dimmitt's Robert Mayberry.

In addition, four of the district's top six rushers will be pitted on opposite sides. Johnson, who had a fabulous game against Littlefield, leads with 1,376 yards, to Mayberry's 1,034. Gene Veals of Dimmitt is the district's fifth leading rusher with 514 yards, and Olton's Joe Alcorta is sixth with 458.

But the two teams also can play defense. Dimmitt has allowed the fewest points of any district team—50 (Frona has given up 51). Olton has allowed nine opponents only about 100 yards per game.

OLTON coach Ed Miller says he thinks the Mustangs will have to control the football to beat Dimmitt. "They are dangerous when they have the ball, so we must try to keep it as much as possible," he says. It took several stellar defensive plays by the Bobcats last week against Frona to preserve their unbeaten mark, and set up the title match with Olton.

Robert Mayberry was involved in one of the plays, as he caught Frona's Clay Bandy from behind, at the Dimmitt one-yard line, to prevent a score. End Travis Hampton intercepted a Bandy pass late in the game, in the Bobcat end zone, to prevent another attempted go-ahead touchdown.

WHILE THE leaders are slugging it out, Frona's Chiefs, just a hair-breadth separating them from a title appearance, will attempt to wind up their season with a win when they visit Morton.

Littlefield was the first district team to finish up, and Wildcat coach Jerry Blakely says it wasn't any too soon. Tailback Bill Turner suffered a knee injury against Olton, as did fullback Rick Hopping. Linebacker Reginald Payton also was hurt. "We'd be hard pressed to field a team this week," Blakely says.

Nazareth 4-H'ers hold Monday meet

The Nazareth 4-H Club met Monday night at the Nazareth Legion Hall.

NEW MEMBERS joining the club were David, Greg, Paul and Mary Jean Huseman, Francis Kern and Edith Durbin.

Charles Hottel gave out certificates and pins to members who missed the 4-H Awards Banquet. The Nazareth Club earned a purple seal for turning in records and participation in 4-H projects.

Sheryl Schulte gave a project talk on her hogs. Fred and Don Acker gave their first gun safety class. Elaine Acker led the recreation.

Here are week's best food buys

Poultry prices are on the move again—upward, one authority reports.

She's Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service.

"Chicken, turkey and egg farmers are being forced to curtail production because of high feed costs," Mrs. Clyatt explained.

The price hike follows an expansion of poultry products output earlier this year, the specialist added.

IN SPITE of the current trend upward in poultry prices, there is an accumulation of frozen turkeys in storage—and that should keep their prices from going very high, Mrs. Clyatt said.

By DON NELSON

A Hollywood script writer couldn't have dreamed up a better scenario than has developed for Friday night's Dimmitt-Olton football game here.

WHEN Bobcat Stadium is invaded by the horde from the southeast whose symbol is the Horse, it will be live, loud-poppin' drama, with everything at stake.

The entire season—which already has been a great one for both teams—seems to have been destined to make Friday night's showdown its final, climactic moment.

Indeed, the entire schoolboy careers of all of Dimmitt's starters have come down now to this moment of truth. Whereas Olton's squad is made up mostly of juniors and sophomores, Dimmitt's starters are all seniors. They've been waiting a long time, and have worked hard along the way. They're a close bunch, highly team-oriented, and I'd like to see them win Friday night for their own satisfaction.

BUT WIN or lose, they're a super team.

With note-pad or camera, I've followed some mighty good schoolboy teams—including a state champion—but I've never seen a high school team more exciting to watch than this year's Bobcats. They have so many ways to sting an opponent—speed in all directions, power runs, passing, place-kicking, runbacks, interceptions—and they can break it from anywhere on the field. There haven't been many dull moments at this year's Bobcat games.

WHAT YOU Thought I Said Was Not What I Thought I Said:

More than 270 persons from throughout the Panhandle-Plains area registered Saturday morning for the Area Recognition Day of TOPS Clubs. "TOPS" stands for "Take Off Pounds Sensibly," and members have a lot of fun while helping each other lose weight.

As Chamber of Commerce president, Bob Caddell made

Sorority to host film on cancer

Hart's Chi Psi chapter of Beta Sigma Phi will sponsor a showing of the film "Breast Cancer, Where We Are" Sunday at 2:30 p.m. in the Hart Band Hall.

PRODUCED by the American Cancer Society, the film is made available through the Castro County unit of the ACS.

A question and answer session will be held immediately following the showing.

the welcoming speech. It was his first convention welcome, and he had worked meticulously on his notes.

HE WAS complimentary all the way, and the delegates listened politely. But when he said, "I think this is one of the largest conventions Dimmitt has ever had," the audience broke out in laughter.

"Wait—I didn't mean that..." Caddell said as he tried to sink behind the podium.

Later, he commented, "I was doing okay until then, but when that happened I completely lost my train of thought. I'm not sure what I said after that."

WHAT YOU Thought I Meant Was Not What I Thought I Said:

Agnes Acker, who attended the National 4-H Congress in Chicago last November, described her trip at the County 4-H Awards Banquet Saturday night.

Explaining the state tokens, or "barter items," which youngsters exchanged at the convention as mementos, Agnes said:

"IT WAS hard to understand the kids from Puerto Rico because some of them didn't speak English. This one Puerto Rican boy invited some of us girls up to his room, but when we got there we couldn't understand what he wanted—"

Zap! Laughter City again. But Agnes, although a little red-faced, recouped and pressed on. As it turned out, the boy was trying to explain the barter items he wanted to trade with them.

There must have been an excess of negative ions in the atmosphere Saturday.

More about DeVaney named

[Continued from Page 1]

manager of Western Vegetables and Bruegel Brothers Gin & Elevator Co. He raises registered Semmintol cattle.

DeVaney served on the chamber's board five years, with one year as secretary-treasurer. He was the chairman of the committee that produced Dimmitt's first full-color brochure, and has traveled extensively for the chamber's industrial development program.

A former Jaycee president and state director, he was named Dimmitt's "Outstanding Young Man" by the Jaycees here in 1968, and the following year he was made a lifetime Senator in Junior Chamber International. He is a member of the Dimmitt Lions Club and the First United Methodist Church.

CHAMBER directors voted at their regular board meeting Friday morning to hire a part-time manager, and gave final approval to a new dues structure to help pay the salary.

Under the new structure, CoFC monthly dues are now \$5 per business plus \$1 per employee up to 15 employees, with a maximum of \$20 per month. Individual membership dues—mainly for farmers and professional men who don't own their own businesses—are \$3 per month.

Bill Behrends, chairman of the dues revision committee, reported that the old dues structure was "inadequate as far as being uniform or consistent."

"OUR DUES have always been a matter of 'How much can you pay?'" Behrends said. "The new structure will be fair and equitable, and will be uniform for everyone."

The new dues structure will raise the chamber's monthly income from its present \$509.32 average to \$1,050 per month based on the present number of members, Behrends said. He also reported that the Dimmitt area has an additional 80 to 90 new-member prospects, "which, if a normal percentage would join, would create an additional \$300 per month."

CADDELL reported that the new Castro County commemorative coins will be in within a week.

More about 4-H awards . . .

[Continued from Page 1]

foods, farm safety, poultry, leadership and dog care.

And Commissioner Jimmie Howell presented the medals and certificates for projects on consumer education, safety, health, dress revue, bread, and soil and water conservation.

OF THE 60 adult leaders honored, most were in their first or second year of working with 4-H'ers.

Adult leaders receiving awards for more than two years' service were Kay Young, D. L. Thomason, Dorothy Thomason, David Cole, George Bagley and Charlotte Acker, three years; Luke Acker, Jack Howell, Nell Ingram, Patricia Powell, Ellen Warrick and Billy Warrick, four years; Sandra Bagwell, five years; Mary Behrends and William Hochstein, six years; Mona Acker, seven years; Donald Adams, nine years; Mary Acker, 11 years; Catherine Hochstein, 12 years; and Pauline Adams, 13 years.

Beverly Edwards and Carol Bagwell presented the adult leaders' awards.

4-H member pins and certificates were presented by Robert Moore and Terri Harkins to youngsters who have completed one to nine years' work in 4-H.

THE KEYNOTE speech was given by Agnes Acker of Nazareth, who told of her trip to the National 4-H Congress in Chicago last November. Miss Acker and 1,600 other Texas delegates flew from Dallas to Chicago for the national convention, which was headquartered in the Conrad Hilton Hotel.

She told of how Texas delegates took pecans as state "barter items" to trade with delegates from other states, and showed some of the barter items she brought back—a buckeye from Ohio, raisins from California, miniature straw hats from Puerto Rico, aloha beads from Hawaii, etc.

"By the end of the Congress, many from other states were saying 'y'all' and imitating our Texas accents," she said. "We were surprised that many kids still apparently thought we had dirt streets, six-guns, Indians, and so forth here—which the Texas kids didn't deny. The kids from some of the other states were very gullible—they

More about Pageant . . .

[Continued from Page 1]

ing the lighting and sound system for the production and during the pageant they will operate their equipment from the loft.

In addition to the choir and lighting and sound technicians, narrators, directors and organists also occupy the choir loft, making it a crowded focal point of the production.

The church basement is used by makeup and costume directors, while a prop-jammed backstage area near the church's main altar is used by actors awaiting their cues.

Pageant cast members were selected in September. Many of the parish men selected for parts already have a good start on beads they are growing for their roles.

ACTUAL rehearsals begin Dec. 2, with a full dress-rehearsal set for Dec. 11.

"With only about two weeks of full rehearsals, 31 actors, the choir, narrators and members of the technical crew must synchronize the production's music, tableau and prop changes into a moving story," said Mrs. Acker.

"I'm anxious to try out everything in our first dress-rehearsal. We've been learning from our mistakes and trying to improve from year to year, and I'm eager to see what we've accomplished," she added.

Pageant performances will be held Dec. 18, 20 and 23, and are free to the public.

even believed it about our 'jackelopes.'"

IN ADDITION to taking part in classes and seminars, she said, the 4-H delegates saw the "Nutcracker" ballet, attended a concert and parties, toured Chicago's main museum, made sightseeing tours, and met Col. Sanders of fried-chicken fame.

"The Texas kids made a project of trying to get as many into the elevator as possible. Our tops was 38, and you should have seen the look on the lady's face when the elevator stopped and we all got off."

Norman Acker presided at the banquet. Others taking part in the program were Matt Howell, Kelly Nelson, Morris Cole, Ramonda Young, Carol Hochstein, Cinde Sides and Patti Hochstein.

DHS Band receives Division I rating

Dimmitt High School's Bobcat Band received a I rating in the UIL regional marching contest held at Jones Stadium on the Texas Tech campus in Lubbock last week.

A Division I rating is the highest mark possible in the competition.

Sherman takes part in UH symposium

Max Sherman, member of the Texas Senate from Amarillo, served on a panel, "Pricing and Distribution of Oil and Natural Gas" during the University of Houston's Energy Institute symposium titled "Energy Management: Federal-State Relationships," held on the UH Central Campus Oct. 31-Nov. 1.

THE TWO-day meeting brought together top experts in the fields of government, education and industry.

Eight panel discussions, each moderated by a prominent person in law, industry or government, explored numerous facets of the current national energy crunch. Topics included: Energy facility siting and related questions; capital formation; pricing and distribution of oil and natural gas; taxation, solar energy R&D; energy conservation; tooling up state and local government; human resources; and tooling up state and local government; data collection, retrieval and analysis.

MAJOR addresses were delivered by George P. Mitchell, Mitchell Energy & Development Corp.; Texas Lt. Governor William P. Hobby Jr.; US Rep. Bill Archer (D-Texas); and US Rep. Bob Eckhardt (D-Texas).

A major emerging issue was the need for other areas of the nation to bear their fair burden of production and distribution costs of energy. Texas, which produces more petrochemicals and refined petroleum products than any other state, bears disproportionate burdens of cost, according to Hobby and others.

The UH Energy Institute is directed by Dr. Allen Commander, Vice President for Public Affairs of UH, and was formed last year to study problems of energy and how these problems may be solved.
