While the national economy seems to be a little shaky, locally things seem to be looking up. Last Friday saw the opening of one of the finest vegetable processing plants in the country, or anywhere for that matter, in East Dimmitt. Dimco Industries is not a vegetable processing plant built as a result of an advertising campaign or a chamber of commerce type of promotion, but is the result of five local young men pooling their resources in going first class in processing and marketing their own produce. The two vegetable processing plants in Dimmitt will have several hundred people on their payrolls during the major portion of each year. If the rest of the country would use the same ingenuity as exemplified by the agricultural industry in Castro County, there shouldn't be a national unemployment problem.

Dimmitt merchants are very apprehensive about the effect that the current street paving program will have on business through the next several months, or years. With parking space at a premium, under the best of conditions in downtown Dimmitt, merchants are very concerned about the prospect of losing what available parking space there is. If it had been up to a vote of merchants, with businesses fronting on the affected portions of Highways 385 and 86, it is doubtful if they would have favored the rebuilding of the highways.

Since the merchants had no control over the paving project, they will make every (See DIMMITT, Page 16)

Boys left homeless by blaze

Five boys from the Lubbock State School, living on the J.D. Rodgers farm at Hart and taking part in a work-training program, were left homeless when fire completely destroyed the house they occupied behind the Rodgers home.

Believed to have started from a short in a television set, the blaze last Thursday night destroyed the house and all belongings of the retarded boys according to Norma Conard of the MH/MR Satellite Center here.

Mrs. Rodgers, moving a truck used by the boys in their work and attempting to save some of the house's contents, received burns on her arm. She was hospitalized in Plainview for treatment of the burns and shock, but was dismissed Sunday.

The boys moved into the Rodgers home temporarily, until another house could be moved to the location. The place farmed by the Rodgers is owned by Harold Smith of Hart.

Mr. and Mrs. Harold Smith and David Smith had the boys outfitted with necessary clothing to tide them over until their belongings can be replaced. Some residents of the Hart community have contributed to meet their needs also.

Arts-Crafts Show is part of Festival

An Arts-Crafts Show and Sale will be a feature of the annual German Festival at Nazareth again this year, and visitors will be invited to vote on their favorite entry in the art show.

Work done by members of the Nazareth Art Club will make up the display, which will be held from 3 to 8 p.m. Saturday in the Nazareth School lunchroom. Members are asked to bring their entries in both the arts and crafts divisions to the building on Friday.

Paintings will be judged and ribbons will be awarded at 7 p.m. Saturday, according to Patsy Huseman, Art Club president. Purchasers of paintings will be asked to leave the pictures on display until after that hour.

FIRST ONIONS BEING PROCESSED AT NEW DIMCO PLANT MONDAY MORNING
... New brand names, "Big Al," "Dimco," and "Dimmitt" hit national market

New million-dollar plant opens

Three new brand-labels of fresh vegetables—"Big Al," "Dimco" and "Dimmitt"—are hitting the national market this week as the million-dollar Dimco Industries, Inc., plant prepares to ship out its first loads of onions and potatoes.

Ribbon-cutting ceremonies were held Friday morning at the innovative new plant on State 86 east of Dimmitt. Monday morning, the plant processed its first onions, which came from a company-owned 10-acre field just north of the plant site.

The first load of potatoes came in Monday afternoon. "We're just now establishing our markets for the first vegetables," said Alan McClure, co-owner and sales manager. "We needed to wait until the vegetables came in so we could provide our prospective customers with an accurate description of them."

The company expects to ship its processed vegetables

Traffic light, one mishap on Fourth weekend

With traffic not as heavy as expected for the Fourth of July weekend according to State Trooper Jackie Gunnels, the only mishap reported in Castro County happened about 1:35 a.m. Tuesday in Nazareth.

James Huseman of Nazareth was driving a 1971 Pontiac on the street in front of the Holy Family Catholic Church when he "apparently slowed down to talk to someone," Gunnels said.

A 1974 Ford pickup driven by Dwayne Heck of Nazareth ran into the rear of Huseman's car. Damage was slight and no injuries were reported. Both drivers were cited—Huseman for failure to signal a stop and Heck for following too closely.

Gunnels said traffic for the holiday period was "just about a normal weekend."

Dr. R. E. Cogswell dies; rites held in Plainview

City to hear gas proposal on July 17

The Dimmitt City Commission has postponed until its July 17 meeting any action or discussion on notification received from Pioneer Natural Gas Company on possible rate increases.

The gas company is waiting for further studies before announcing any specific price increases.

In other action at Monday's meeting, the commission discussed various paving projects and the new tennis courts.

The commission moved to amend the new budget to cover extra expenses in the construction of the courts. \$22,500 was put in the budget for various improvements in the parks department, including the tennis courts, but the accepted bids for the courts totalled \$46,400.

An estimated cost for the paving of the road to the city dump ground was given at \$60,782.40 for 6,250 feet of road. No action was taken.

To pave 350 feet of East Jones from Southeast Seventh to Southeast Eighth would cost an estimated \$9,800 plus another \$3,290 for curbing, making a total of \$13,090. The commission decided to look into travelling the road.

Another 520 feet on East Jones from Southeast Fourth to a half block past Southeast Fifth is also in need of improving. The Jones work is needed for parking of grain trucks, during harvest, since they cannot be parked on Hwy. 86 because of construction.

It was also mentioned at the meeting that Jack Miller and Bill Behrends have been selected as the citizen members of the Dimmitt Volunteer Fire Department's Board of Trustees.

and Roy Lyles is the plant manager.

All vegetables being processed at the new Dimco plant this summer are coming from the owners' farms—1,000 acres of potatoes, 600 acres of onions, 400 acres of carrots, 400 acres of lettuce and 20 acres of pumpkins. The own-

ers have said they also plan to experiment with other vegetables, and that they may contract with other local farmers to grow vegetables in the future.

The Dimco plant, under construction since January, is the second vegetable processing plant to be located in Dimmitt. The plant built by Dimmitt Produce Co. in the 1950's and purchased last year by La Mantia, Cullum, Collier & Co. will process 1,100 acres of potatoes, 800 acres of carrots and 500 acres of lettuce this year.

The increase in vegetable production in the Dimmitt area is intended to give local farmers more options as they battle spiraling production costs and lower market prices on traditional field crops.

Dimco's "Big Al" brand label is named for McClure—it has long been his nickname in the vegetable industry. The "Big Al" and "Dimco" labels are put on No. 1 vegetables while the No. 2 products are shipped under the "Dimmitt" label.

The 36,000-sq. ft. Dimco plant is loaded with new innovations intended to speed up processing and put pampered vegetables on the nation's food shelves. The owners studied processing plants throughout the nation before building theirs.

When the Castro Co-op Hospital—forerunner of Plains Memorial—was organized in 1946, Dr. Cogswell closed his private hospital and built the clinic which is now the Dimmitt Medical & Surgical Clinic, P.A.

After some 30 years of general practice, he became a specialist in proctology, then moved to Plainview in 1966. He practiced medicine there until his retirement.

Dr. Cogswell was a member of the Church of Christ, the Hale County Medical Society, Texas Medical Association, the American Medical Association, and the Southern Medical and Medical Education Foundation.

During his medical career he did postgraduate work at Polyclinic in New York, N.Y., at Tulane University Medical School, Johns Hopkins University in Baltimore, Md., and the Mayo Clinic in Rochester, Minn.

He is survived by his wife, Grace, and several nieces and nephews.

German Festival on tap Saturday

Lively music and hearty food with a German flavor will share the spotlight at the Nazareth community's sixth annual German Festival Saturday.

Dancing, baseball, an arts-crafts show and table games are on program beginning with the ballgame at 1 p.m. In previous years the festival has been held on Sundays; sponsors hope more people can attend the Saturday event.

Each year the Nazareth residents, who are mostly of German descent, invite their neighbors for the festival featuring dances, music, games and food reminiscent of entertainment from the land of their ancestry.

The traditional German sausage festival with food prepared by residents of the community will begin at 4 p.m. and continue to 7 p.m.

Supper and most of the other activity will be at the community hall a block east of the church at Nazareth.

In addition to the sausage for which the town is noted, sauerkraut, beef Stroganoff, German potato salad, fresh vegetables, homemade bread, apple strudel and German chocolate cake will be served. Diners may help themselves

for a charge of \$3 a plate. A free outdoor concert will be a new feature this year, with any area musicians invited to participate from 3 to 8 p.m. No advance notice is required, but the committee has already been notified that performers from Dimmitt, Hart, Lubbock and other area cities will be there.

Dancing will begin at 1 p.m. and continue for groups with a liking for various steps. Les Grumke of Amarillo will key the rounds, including the German favorite, polkas, during the first hour and Sid Perkins will call squares from 2 to 4:30.

In the evening a Western dance will start at 9 p.m. with music featuring Wendy Kay, the wife of Tiny Lynn. The admission fee is \$2.50.

Admission is free for spectators at the afternoon dances, and the fee for dancers is \$2. The round and square dancing is sponsored by the Kurley-Q's Square Dance Club.

Jerome Brockman is general chairman for the festival. Practically all residents of the town work to prepare for the various events and then play host to visitors on the special day.

Junior Babe Ruth tourney is under way

Tonight (Thursday) will see the second round of action in the Junior Babe Ruth Baseball Tournament in Dimmitt, for 13-year-olds.

The first round was to have been Wednesday evening with Muleshoe playing Plainview at 6 p.m. and Olton playing Dimmitt at 8:00 p.m. The losers of the first round will play at 6 p.m. tonight (Thursday) with the winners playing each other at 8:00 p.m. tonight, also.

The third round of play will be between the losers in the

first bracket and the winners in the second bracket. It will be at 8 p.m. Friday.

At 8 p.m. Saturday, the winners bracket may determine the championship of the tournament, but if it goes into another round the finals will begin at 2 p.m. Sunday.

July 11 will start the all-star tournament in Olton for players 14 and 15 years old. The Dimmitt team's first game will be that day at 6 p.m. against Plainview. The other game of opening night matches Muleshoe and Olton, starting at 8:30 p.m.

Elder named president of Museum Association

Directors of the Castro County Historical Museum elected Jim Elder president when they organized for the coming year at a meeting last Thursday preceding the monthly membership meeting in the museum building.

In their session the members decided to cooperate in sponsoring Old Settlers Day here Sept. 9.

Bryce Dowell and George Sides were re-elected vice-presidents and Clara Vick will continue to serve as secretary. She presented certificates of appreciation to those who were directors for the organization's first two years.

Four directors retired, including B.M. Nelson, the first president. The others whose terms ended are George Bagwell, Weldon Bradley and Robert Duke.

Those who will serve the next term drew for term-lengths with Lon Woodburn,

Elder and Dowell drawing two-year terms; H.C. Nelson, Dale Winders and Sides three-year terms.

Plans for the Castro County Reunion were discussed at the membership meeting and Elder appointed committees to study possibilities and report next month.

Members agreed to cooperate with plans of the Dimmitt Chamber of Commerce to coordinate the reunion with the Castro County Fair Sept. 9, and hold open house at the museum building that day for the old timers. Cold lemonade will be served during the day and cool water from the windmill on the museum grounds will be available.

Tentative plans call for quilting and soap-making to be in progress, and the museum's branding project will continue. Brands are burned on a wall for anyone who makes a gift of \$25 or more to the museum.

All-stars may hold tourney

A possible tournament for 11 and 12-year-old boys, the Dimmitt Major League all-stars, is being arranged for Monday and Tuesday, according to Bill Behrends, director of Dimmitt Kids Inc.

If the tourney materializes, it will be a four-team single elimination event and Dimmitt will play in the first game at 6 p.m. Monday. The championship game would be played Tuesday.

DIMCO RIBBON CUTTING ceremonies were held Friday, with [foreground, from left] County Judge Weldon Bradley, Dimmitt Chamber of Commerce Vice-President Maxine Childers, and Dimmitt Mayor Elmer Youts doing the honors. Co-owners and manager of the vegetable processing operation were also on hand: [second row, from left] Alan McClure, owner and

vice-president in charge of sales; Truman Touchstone, owner and president; Roy Lyles, manager; Ben Holcomb, owner; [third row, from left] Jerry Watts, owner and secretary-treasurer; and Carl Bruegel, owner. Seated is Fred Bruegel, Sr., who "lent much valuable advice and assistance," according to Lyles.

Sheffy's Chatter

Ranch, too, is found in Hawaii

By MYRTLE SHEFFY

Russel and Myrtle Lois Moran and Raymond and Mary King flew off to Hawaii to celebrate someone's anniversary. They say it a most beautiful place. They made a tour of all four islands, saw the sugar cane and pineapple fields and were impressed with that big Parker Cattle Ranch. We never think of cows with or in Hawaii. Russel says he is an official "Hula girl watcher." They are cute and wear scanty grass skirts that sway and dance. A good trip except that the last day Mary King got very sick. They think it is maybe an ulcer. She stayed there in the hospital a while but Evelyn Noble called me Monday to say Mrs. King is now home.

David and Ann Hays are home from San Francisco where David received a trip as winner of a sales achievement award for this district. They made all the tours, China Town, the Golden Gate Bridge, all of the interesting places. Ann says the food is extra good there and the weather was cool those days when we had over 100 degree temperatures.

The children Scott and Don-di stayed in Summerfield with grandparents Mr. and Mrs. Earl Lance.

Sunday, Jim and Ruth Hays, David and Ann and Doug Hays went to Amarillo for a visit with Penny and Tom Jarecki who have a new home in Rolling Hills, west of town. Tom's kin were there for the family get together too.

Jackie McLeroy and her mother Mary Small of Lubbock are home from a good visiting and sightseeing trip to Concord, New Hampshire. They visited Jackie's sister and family in Epsom. Every day was a new adventure, to the Shaker Village and to the

Strawberry Benke at Portsmouth. And they made a cruise around Lake Winnepasokie (what a name!). Lovely country up in the northeast with flowers and trees and old homes.

Richard and Bernice Williamson and 16-year-old Miss Niki, the daughter, came by here for a visit with aunt Ceal Carlile en route home to Olympia, Wash. The Williamson have had quite a tour over much of Texas visiting and looking.

And another day Mrs. Carlile went to Odessa to visit the McHaneys. They are Horace's nephew and niece. And Ceal says she has bought a big white dog for company. Just thought you wanted to know.

Mr. and Mrs. Alan Newman and daughters Kerry and LeAnna went to Dallas last week to visit the girls' mother Sherri Newman there from Boston. They did other visiting and sightseeing.

Ruidoso is the place where folks are going for the next few weeks, nice and cool.

For instance, a group of ladies who call themselves "The Lady Bug Bridge Club" went out and rented Buster Cooper's place. Did some cooking, some gadding around, did not go to the horse races. These are the "bugs" going: Jeannie Johnson, Joyce Ricker, Carol Lantz, Helen Richardson, Ruth Skinner, Pat Keith, Martha Hyman, Kay Kellar. And they kept score the four days and Kay won high, Jeannie got low but won a sweat shirt. They saw Clarence and Lee Norris, Andy and Janet Mays and June and Shirley Norris, and several other Dimmitt people. Buster Cooper went out the last weekend with friends.

Newt and Alma Dunn of Maricopa, Calif., were here last weekend to visit his mother who lives at South Hills Manor and sister Connie and Gene Ivey and brother Coy and Mrs. Dunn of here and the other three brothers Herbert and his Mrs., John and his Mrs., and their grandson John, Joe from Big Spring and the Finleys from Littlefield, all that family and Alvin and Frances had the big supper at the Odd Fellows Hall. They, with Dutch LaRue made beautiful music Saturday evening at the Home.

Nettie Graham is home after a few months stay in Fort Worth with her daughter Jean and A.J. Kemp. Nettie has had much treatment for her eyes in Dallas, due to a broken blood vein in the eye. A.J. and Jean brought her home and he sees about his farm business.

Bobbie Damron is home from Durham, North Carolina where she visited son Clyde Jr. and Judy and their new baby boy Justin. Clyde Jr. is working toward his PhD in political science at the college there. Bobbie did make a tour of that building. Such pretty country but no time to go see. And this Friday Mrs. Damron was hostess to the Bridge Club. She served tea and coffee, dips and cookies to

Opal Bearden, Josie Bradford, Ruth Coleman, Betty Renfro, Myrtle Sheffy, Carolyn Copeland, Cletha George, Dorothy Elder, Jeannie Miller, Retta Cluck, and Bobbie and Gladiola Shipley won high score.

Don and Betty Acker have bought the Dave Acker home between Dimmitt and Nazareth—They will move soon and the Dave Ackers will move to Amarillo. I saw Betty at the Anthony store.

All the Reynolds family had a get-together at the Legion Hut in Lubbock Sunday and going from here were Alma Reynolds Umberson, Mrs. Floyd Reynolds and Annie Reynolds from Brownwood, Nell from Spokane, Marilyn and Lewis from off and two from Albuquerque, Juanita from Austin and Regina and husband from California. I think around 75 people were there. Mary Reynolds Gollehon of Lubbock also attended.

At the musical I met Mrs. Benton Creacy and her husband from Stinnett here for a visit with her sister Velma and Ralph Lambright.

Mr. and Mrs. Mike Chaney of Friona were hosts last weekend to his grandmother Mrs. Florence Cooper of here and her daughters and families, food, talk, picture taking was the order of the day for daughters Jerri and Earl Chaney, Mr. and Mrs. Glen Elliot of Longview, Mr. and Mrs. Frank Howell of Windom, Mr. and Mrs. Roy Dukes of Rankin, Mr. and Mrs. Ron Shultz and sons from Richardson and

granddaughter Sue and Roy Battles and sons from Irving.

Jimmie and Della Chapman had an exciting weekend with good news coming from all sides. To start it off their son Duke who is stationed at the Dallas Naval Air Station called to inform them that he had been one of 11 Marines promoted to the rank of Warrant Officer in the Marine Air Wing.

They went to Oklahoma Saturday and Sunday to visit Della's mother at Lawton and her sister who is recuperating from an accident in a convalescent home at Atoka and then went to Church with Jimmie's aunt, Helen Davis, at Norman Sunday. They ran into Brick Autry at Norman who was also visiting his two aunts there.

Then when they returned home Sunday night they received a telephone call from their daughter, Margaret Leinen to inform them that Jim Bob, Jimmie and Della's grandson, had made the Little League All-Star team at San Dimas, Calif. But Jimmie's good luck came to an end yesterday when he was scheduled to start umpiring the District Babe Ruth tournament here.

Mr. and Mrs. James Bradford, Jim and Jean recently completed a trip to the west coast. They did the usual tourist things in and around Los Angeles, then to Davis, Calif. to visit their son Kent who is a student at the University of California. They

toured San Francisco and a trip to Lake Tahoe then to Meford, Ore. to visit Mr. and Mrs. Loyal Lust. After a trip to Crater Lake the Bradfords returned home by way of Salt Lake City and Denver. They report that there has been lots of rain in the west and all the lakes and rivers are full of water.

Mr. and Mrs. Earl Peters of "Charlie" a town north of Wichita Falls have been here for a visit with their daughter Sandy and Gary Cook. Gary is minister of the Assembly of God Church. He and Sandy are good musicians too.

Capt. Kenneth and Peggy Fuller from the airforce base at San Antonio are here for a visit with his folks Brad and Juanita and Peggy's mother Faye and stepdad Dub Cline —when you go there do call the Capt. and Peggy.

Mr. and Mrs. McRee are the proud grandparents of a new 7 1/2-lb. boy whose name is Burris Keith. He and parents Mr. and Mrs. Burris McRee live at Brownsville and the other grands are Mr. and

Attitude... OF PRAYER "Give ear to my words, O Lord, consider my meditation. Harken unto the voice of my cry, my King, and my God: for unto thee will I pray." Psalms 5: 1-2

God hears and answers prayers, but not everyone knows how to pray. Even the Lord's disciples asked that he teach them how to pray.

Attitude of the individual is important in prayer. Prayer is the opportunity that we have to tell God of our blessings and give thanks. It is an opportunity to petition for help, but above all, our hearts should be willing that God's will be done.

Prayer should be offered individually and in groups.

ATTEND CHURCH AND PRAY WITH OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. General George Patton had "subconscious memories of these previous incarnations: 1. A prehistoric warrior who "battled for fresh mammoth" and "warred for pastures new." 2. A Greek hoplite who fought the Persians of King Cyrus. 3. A soldier of Alexander the Great at the siege of Tyre. 4. A legionnaire with Julius Caesar in northern Gaul. 5. An English knight at the battle of Crecy during the Hundred Years' War. 6. A Napoleonic marshal at a time "when one laughed at death and numbers, trusting in the emperor's star."

Sunnyside Lions install officers

By TEENY BOWDEN

The Lions Club had their installation of officers at K-Bob's in Dimmitt Monday. Wayne Ward of Levelland had charge of the installation. Charlie Hall Jones was installed as Boss Lion, Ben Montiel as vice-president, Tomas Pina Jr. secretary, Cliff Brown treasurer, Lynn Cox tail twister, Roy Phelan lion tamer, and Jim Waggoner and Lewis Jurado as Directors.

Jerri Ka Clark won Reserve Champion with her mare Speckalass in the six-county 4-H Horse Show in Dimmitt last Saturday. She also won the junior sportsmanship trophy, first in the registered mares four and under, third in junior showmanship, second in Junior Pleasure, second in junior poles, second in junior pole bending, third in junior barrels, and fifth in junior flags.

LaVerne Lee and David Patterson of Dimmitt were married in a single ring ceremony in the Sunnyside Baptist Church Friday night. Rev. Raymond Jones officiated. Mrs. Gale Sadler provided the organ music. His brother, Mike Patterson was best man. Her sister, Brenda Lee was the bridesmaid. Mrs. Milburn Haydon, Mrs. David Sadler, Mrs. Raymond Jones, and Mrs. Gale Sadler helped with the reception following the ceremony. The couple will make their home in Dimmitt.

W.T. Autry was admitted to St. Mary's Hospital in Lubbock Thursday for tests after becoming quite ill. Tests revealed blood clots in both lungs. Mr. and Mrs. Ray White visited with him Friday afternoon.

Dee Jones, father of Rev. Raymond Jones, was admitted to St. Mary's Hospital in Lubbock Tuesday and underwent eye surgery Wednesday morning, and was dismissed Thursday afternoon. Their son Hubert of San Angelo visited with them Friday and took them home Friday afternoon. Mrs. Doyle Bothwell of Plainview visited with them Monday and Tuesday.

Tom McGill was dismissed from Methodist Hospital in Lubbock Wednesday afternoon.

From a trace to .50 inch of rain was received in the community Monday. Total for the month of June was 3.85, but the extreme 103-105 the last weekend took away most of the benefits of the rain.

Melody Sadler, Kay Owens, and Laura and Stacy Sadler attended G.A. Camp at Plains Baptist Assembly Monday through Thursday with their leader, Mrs. Carl Dean Carson.

There was an all day quilting bee at the church Wednesday. The quilt was finished Thursday afternoon. It was a birthday present for Mrs. C.W. Thomas, a former pastor's wife, who lives in Sherman and will be celebrating her 90th birthday July 8.

The Sunnyside Uppitts were invited to be guests Sunday night of the First Baptist Church in Lubbock. NEW SALES OFFICE AT LA MANTIA, CULLUM, COLLIER & CO. Automatic equipment also being added to plant

LMCC adds facilities for vegetable harvest

La Mantia, Cullum, Collier & Co. is starting the vegetable harvest season with a new sales office and a lot of new automatic processing equipment.

The automatic equipment will require more, rather than fewer, employees at LMCC this summer and fall, according to plant manager Albert Maxwell.

Main purpose behind the new facilities and equipment is to speed up the processing, sales and shipping of this year's vegetable crops, rather than to cut the work force, Maxwell explained.

"We're going to all automatic equipment on sacking carrots," Maxwell said. "The carrots will still be hand graded, but everything else—the sizing and packing—will be automatic."

"We're also mostly automatic on potato processing now," he added. "We're putting in two new electronic photosizers, and we already had the automatic 50 lb. and 100 lb. baggers."

The new equipment will increase the LMCC work force because more graders will be needed to keep up with the automatic equipment, Maxwell said.

"We'll need people to run the new equipment—for instance, two people per shift to operate the automatic carrot baggers—and we'll have to double our grading force," Maxwell said. "But we won't have any packers. The net result will be a slight increase in the number of employees."

He added, "We needed to go this route to speed up the operation—we have such a short period of time in which we need to get these vegetables processed, sold and shipped."

The faster the vegetables are harvested and processed, the faster they have to be sold and shipped. Most of the sales and shipping orders are done by phone.

As LMCC has increased its processing efficiency through the years, the old sales offices became an overcrowded madhouse of ringing phones, flying contract forms and cramped salesmen trying to talk over each other's conversations.

That's been changed now, though. The "madhouse" has been replaced by a new 800-sq. ft. annex that includes a large sales office. In the middle of the new office is a custom-made, circular sales

desk with six pie-shaped stations separated by plexiglas. In the center of the desk is a compartmented turntable that gives each salesman instant access to sales orders and shipping forms that are in process.

The new sales office is designed so more stations can be added in the future, and also includes a coffee bar, closet, etc. A new office for the plant manager also is included in the annex.

LMCC workers started processing onions last Wednesday, and will start on potatoes Monday.

Processing of the early carrot crop will begin in August—while onions and potatoes are still being processed—and the harvest of lettuce and late carrots will start in late September or early October.

LMCC has also under contract 1,050 acres of onions, 1,100 acres of potatoes, 800 acres of carrots and 500 acres of lettuce—about the same as we normally contract," Maxwell said.

The early carrot crop is down, though, because of recent heavy rains.

"We've lost most all of our early carrots," Maxwell said. "The heavy rains washed the seed out. Every time we'd replant, it would come another big rain. We lost about 500 acres of early carrots, and have about 100 acres left."

Still, quality of this year's carrots is good, he said.

Right now, the potato crop has the brightest prospects.

"This is probably the best potato crop we've ever had, both in quality and yield," Maxwell reported. "The market is \$9 to \$10 now, which is good. And I don't foresee anything that will change it—at least during the month of July."

Early onions "will be just fair quality because of the heat wave we had," Maxwell said, "but the late onions look good."

LMCC will be shipping Dimmitt vegetables all along the East Coast, from Florida up to Canada, as well as to the Midwest and to the Denver area. They'll be shipped mainly under the "Sugar Sweet" and "Big D" labels.

Your auto repair bills could go up sharply if a recent court ruling prevails. A California superior court judge enjoined a local automobile dealer from charging fixed rates for repair work when the posted hourly labor rate would have resulted in a lower cost.

Consumer advocates are cheering the verdict in the belief that the injunction will drive repair costs lower. But there are numerous loopholes in the decision. The end result may be higher repair bills with the consumer again on the receiving end.

Almost all repair shops use the flat-rate billing method. The nation's service stations, auto dealers and repair shops charge customers not for the actual time spent repairing a vehicle, but for the time a manual published by the auto manufacturers or independent organizations allocates for the job.

In the San Francisco case, the dealer had prominently displayed a sign stating \$37 per hour labor rate. But an investigation by the city fraud unit indicated that out of 540 repair jobs studied, 60 percent of the customers were overcharged.

The report found that the average customer of this particular dealer is paying \$12 more per hour than the posted rate. It seems the mechanics were spending less than the allotted time on the jobs.

The biggest loophole in the court decision is the wording which says hourly rates will be used "unless the customer is informed at the time the estimate is made that a different charge will apply." The repair shops believe this will enable them to charge the flat rates. In many cases, the repair shops will take down the hourly rate signs.

The rate manuals are the

small talk from South Hills Manor

The Justice family had a music program Sunday night. Their daughter Avie Lewis and grandchildren Kerry and Rona helped present the music.

Rev. Ronnie Travis visited Mrs. Simpkins and Mrs. McMurry Friday.

Part of the Dunn Brothers presented a song service Saturday night. The music was lovely. Next Saturday all the Dunn brothers and helpers will be out playing and singing.

Visiting from the Fourth and Bedford Church of Christ were Gwen Haynes, Gerri Chaney, Marilyn Ginn, Walden Webb, Dorothy Vaughn, Johnna Connell and children. The residents enjoy visitors so very much.

Mrs. Godrey came down from Missouri for a visit with Mrs. Rothwell.

Mr. and Mrs. Cecil Hart, great-granddaughter Alison from Dallas and Carrie Ferguson were here visiting Floyd Hart and Hattie Webb.

Althea Jouett had a nice visit with daughter Ann Mayhew, who brought Althea's great-grandbaby out for her to see.

I invite you out to visit Mrs. Luda Lindsey. You will enjoy her sweet personality and her keen sense of humor. She has been crippled with arthritis for 42 years and is confined to a wheel chair but it has not dampened her spirits at all.

She was born in Comanche County in 1900. She was the oldest of ten children and was her daddy's "boy" until finally the sixth child was a boy. She said for entertainment they branded, worked and dipped cattle and rode horses. Sure sounds like fun, doesn't it?

In 1911 her family moved to Meadow and there she met R.K. "Cap" Lindsey and in 1918 they borrowed his Dad's car without permission and drove to Lubbock and married.

Luda and Cap ranched and farmed for a few years, then moved into Ropes and bought a feed store. Luda worked in the office.

In 1943 they bought the feed store at Morton and moved there. Luda continued to work in the office.

She is a member of the

First Baptist Church in Morton and of the Eastern Star. She has always loved her church work.

Luda and Cap moved to the home three years ago. Cap passed away in September of 1977. Luda says she couldn't have carried on after losing Cap if it weren't for her faith in the Lord.

Come visit Luda. She'll be a blessing to you and you will get a laugh also as she loves laughter.

Bennie Gollehon from Grapevine was out to visit his grandmother Mrs. McMurry Friday.

Velma Tucker and Hattie Webb have decided their eyes are used up. They have been working on cute little girl swatters in the activity room. They can't see the thread in their needles. They have lots of fun, though.

A joint birthday party for Jimbo Tucker, one year old, and Lana Tucker, sixteen, was the highlight of Velma Tucker's week. Mr. and Mrs. Lanny Tucker were the hosts and guests were Connie Beavers, Tracy Tucker, Larry Nye from Lubbock and Mr. and Mrs. Kelly Campbell from Plainview.

Linda Dunn has had her son Newt Dunn from California here visiting this week.

Deloris Gilliland, Dorothy Musick and June Etheridge attended the funeral services for Laura Weems in Olustee, Okla.

Joyce Adrian and Sharon Leinen attended Prudy Black's funeral services in Hereford.

Tuesday evening, Sharon Leinen took Luda Lindsey, Sunny Lemons, Mrs. Parker and Mrs. McClure for cokes in Darrell and Dorothy Musick's beautiful back yard.

Sunday Luda Lindsey's sister and husband, Mr. and Mrs. Pete Lindsey of Morton visited. Coming with them were their children Mr. and Mrs. David Rozelle from Liberty and their son and daughter. Luda certainly enjoyed their visit.

Tom Burnett, youth director at the First Baptist Church had the Sunday morning services.

Mrs. Umberson attended a family reunion in Lubbock Sunday.

Eva McGowan got to go to Midland Saturday for a visit with son Jerry and family.

MINOR LEAGUE ALL-STARS in Dimmitt Kids, Inc., Baseball were named Friday night in season-closing ceremonies. Chosen by coaches and program officials as the top 10 players in the

league were [from left] Juan Baldwin, Eloy Catano, Orlando Catano, Todd Durham, Todd Hill, Ruben Martinez, Scott Sava, Tim Sims, Mark Standlee and Frank Cluck [not pictured].

MAJOR LEAGUE CHAMPIONS in Dimmitt Kids, Inc., Baseball are the Cards who completed an undefeated season Monday night. Kneeling, from left, are Bill Patton, Kevin Mansell, Jerry Cordova, Javier [Harvey] Anes, Raul Ramos

Jr., and batboy Kelly Howell. Standing, from left, are Coach John Nino, Jason Morris, Kennen Howell, Scott Simpson, Bobby Nino, Nathan Nelson and Coach David Nino.

Burks to work for Santa Fe

Ronnie Burks, 1969 graduate of Dimmitt High School and the son of Mr. and Mrs. Charles Burks of Dimmitt, July 1 assumed the title of assistant to the manager of agricultural development for Santa Fe Railway Co.

Burks, 27, had formerly been serving as agri-business manager for the Amarillo Chamber of Commerce, instituting agribusiness tours, planning the Golden Spread Agribusiness Seminar, sponsorship of the Hi-Plains Fed Beef Carcass Show, the National Cutting Horse Finals, Old Time Ropers Finals and Southwest T-Bone Club. He will remain a member of the Chamber's Agribusiness Committee.

With a bachelor's and master's degree from West Texas State University, Burks had been named to the "Who's Who in American Colleges and Universities," and was president and founder of Sig-

ma Phi Epsilon. Burk's wife, Nancy, is an accountant at Maywood, Tex. of Amarillo.

Feedyard fall causes death

A feedyard accident at Friona Saturday morning took the life of Robert L. Jackson, 46, who was the father of Mrs. Robert Mayberry of Canyon. Mayberry is a former Dimmitt resident, a well-known athlete in Dimmitt High School and West Texas State.

Mr. Jackson, apparently trying to free something that had stuck in a feed auger he was loading, fell into the auger and was killed.

He was born at Evergreen and had lived 22 years at Friona. The funeral was conducted Monday afternoon in Calvary Baptist Church there, with Rev. I.S. Ansley and Rev. Murie Rogers officiating. Burial was in the Friona Cemetery.

Survivors include his wife, two daughters, two sons, his father, four sisters, three brothers and one grandchild.

City woman's father dies

Funeral services for W.B. Sanders of Tulia, father of Mrs. P.L. Hoyle of Dimmitt, were conducted at Tulia Saturday and burial was in Rosehill Cemetery there. Mr. Sanders died last Thursday.

He was a native of Johnson County, born Feb. 15, 1896, and married Amber Brown there Nov. 14, 1914.

Survivors include his wife; five daughters, Mrs. Hoyle, Mrs. B.N. Fincher of Tulia, Mrs. William Barfield and Mrs. Dora Hedrick of Amarillo and Mrs. Omar Orr of Claude; six sons, W.C. and J.K. of Tulia, Eddie and Eldon of Levelland, A.T. and J.L. who live in Oklahoma; three sisters, 34 grandchildren and 27 great-grandchildren.

BABE RUTH ALL-STARS from Dimmitt and Nazareth in the 14-15 age division will represent the local league in the Junior Babe Ruth Tournament at Olton starting Tuesday night. Kneeling, from left, are John Henderson, alternate, Calvin Schulte, Ezekial Garcia, alternate, Mario Morino, Larry Espinoza, Brad

Murdock, Ricky Gonzales, Jerry Ogas and Scott Sheffy. Standing, from left, are Coach J.R. Mixson, Bobby Crozier, Dwayne Acker, Terry Mixson, Deke Cearley, Bryan Huseman, Trent Armstrong, Ronnie Varner, and Coach Bob Murdock.

Krueger's candidacy promoted

Alan Schoenbaum of Austin and Jay Kirkman of Amarillo were in Dimmitt Monday on their way to the Democratic

candidate for the US Senate Bob Krueger's "Old Fashioned Family Fourth of July Picnic and Rally" in New Braunfels.

Both the men are campaign workers for Krueger and were part of a car caravan traveling to the rally which is to kick off Krueger's fall campaign drive against Republican John Tower.

The rally was expected to draw more than 8,000 people.

In a news release, Krueger said the momentum of his campaign has grown since his victory over other Democratic contenders in the primary

election in May, and added that his ever-increasing support from a cross-section of Texans representing all factions has convinced him that the voters want to see new, effective leadership in the U.S. Senate.

Dance for youth slated at club

A youth night dance for all youths is announced at the Castro County Country Club beginning at 9 p.m. July 12. The charge will be a dollar per person.

Junior golf lessons on the country club course will begin at 10 a.m. that day, and continue on July 19 and 26, according to Joe Ziegler, club pro.

Club events for youths are a part of the club's emphasis on family entertainment. Second and fourth Tuesdays of each month have been designated as family nights in the restaurant with menu specials to please children as well as adults.

View from the Library

By BRICK AUTRY

Surveying the available subjects to cover this week, I have thought about an article about nothing in particular. However, a whole paragraph of periods just is not very interesting reading. Try it yourself.

Just not very interesting this week. Everyone is afforded an off week sometimes.

One of the reasons that I am off this week is because the library is replacing the story hour reader. We need a kind soul who specializes in pre-school age children and who will spare a Friday afternoon for, say, about an hour.

We have received several calls about the ad we put in

the paper. The voice on the other end had beautiful qualifications but has not come by to talk to us.

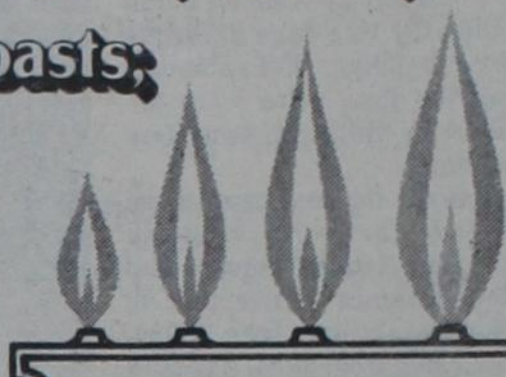

Any person with the qualifications listed above is urged to come by the library to talk to us.

When the library has a story hour reader, I will be able to go back and think of interesting columns for you to read. You see, right now, I am the story hour reader and, although the children are tolerating me, they doubtlessly would like someone else. I just can not compete with little old ladies when it comes to story hours. I am also no match for big sisters, which, I am told, puts me on the list of Most Hopeless with Young Children.

GAS COOKING OUTDOORS

Gas cooking outdoors sure makes sense in the summertime. It keeps the heat out, so your house stays cool. You save on air conditioning. Plus there's no charcoal or lighter fluid to buy, and no wait. Gas reaches cooking temperature fast and cooks full family dinners, everything your inside range and oven can cook, with that great outdoor flavor.

Take the heat out of the kitchen. Install a gas grill on the patio. It sure makes sense in the summertime, or anytime!

SQUARE DANCE TIPS

By TERRY & APRIL GUY

Spirits were high as both members and guests slipped the clutch as Curtis Sarah called the tips June 27 at the Expo building. Refreshments and the door prize were donated by Bill and Ann Henderson.

Square dancers came from all over the world to attend the 27th National Square and Round Dance Convention in Oklahoma City, June 22-24. Ten came from as far as South Arabia, and 22 from Japan. Texas Promenaders that attended were Gary and Kathy Cole, Frankie Ann and Rhonda Pevehouse and Carl and Joan Henderson.

Look for the Promenaders to have a float in the Earth Frontier Days parade that will be held on July 20 at 5 p.m. Also the Promenaders will have a float and sponsor the dance for the Hart Days Parade, this will be on August 5. Hart Days is in honor of Mr. and Mrs. Perry Hart. We are honored to accept these two very fine invitations.

We were proud to have as our guests this week Sharla and Ronnie Cole, Helen Sarah and Renea Harman.

June birthdays are Jerri Mann and Anne Guy. Happy Birthday, girls.

Guest caller for the July 11 meeting and dance will be Randy Costley. Come on out, join the fun and yellow rock!

NEW BOSS LION—Kenn Justice [right], president of the Dimmitt Noon Lions Club for the past year, passes the gavel to new Boss Lion Bob Baker during the club's annual Installation Banquet and Ladies' Night last Thursday in the high school cafeteria. Seated is the club's new sweetheart for the coming year. Heidi Bruegel. Other officers installed

were Tommy Fowler, D.W. Harkins and Jack Edwards, vice-presidents; Joe Josselet, secretary; Totch Upshaw, treasurer; Al Jackson, tail twister; Don Reeve, Lion tamer; and Bob Caddell and Virgil Justice, new directors. B.M. Nelson conducted the installation. Banquet speaker was County-District Attorney Jimmy Davis.

Hart Days to have several contests

Several contests will highlight the various activities scheduled for Hart Days August 4-5, including everything from a beauty contest to a tractor pull.

The tractor pull is set for Saturday of the celebration and will start at 3 p.m. It will be sponsored by the Hart Jaycees. More information may be obtained by contacting Jaycees president David Smith.

Mr. and Mrs. Kim Williamson, general chairmen for Hart Days, said, "We want to encourage any prospective entrants for the Miss Hart Contest to be sure and contact Mrs. DeWayne Brown or Mrs. Harold Bob Bennett."

Entrants must be from 15 to 20 years old and single. The entry fee is \$10. Sponsors are available.

Another contest planned is the Little Miss Hart Contest, sponsored by the Hart Senior Class. The entry fee is also \$10.

Williamson added that additional entrants are welcome for the parade and the fiddlers contest. Parade entries should contact Virginia Reed and fiddlers need to contact

Jimmy Ray Davis. Other activities arranged for the celebration include a carnival of rides set up by Greater Southwest Shows, including rides for all ages. It will be open Thursday through Saturday.

The barbecue set for Saturday from 7-8:30 p.m. will be co-sponsored by the Jaycees and the Hart Lions Club. Joe Drerup of Nazareth will be

doing the cooking. Dancing is also included in the plans, with the square dance set to begin at 8:30 p.m. Saturday. A teen dance will be the same day from 9 p.m. to 1 a.m. The disc jockey will be C.C. Crow of radio station KFDA of Amarillo. The high school twirlers are sponsoring this dance and there will be no admission charge, but donations will be

asked. Several groups and organizations will also be offering items for sale. The Zealot Club will sell ice cream, Chi Psi will have a bake sale and the Hart Home Demonstration Club will sell snow cones. Drawings will be held by Xi Mu Iota for a 40-inch teddy bear and by the Good Neighbor Club for an afghan made by Mrs. Mark Bowman.

Hart employs four teachers

The Hart Independent School District board of trustees voted at a called meeting last week to employ four new faculty members.

Carolyn Rowland was employed as high school English and journalism teacher, Dennis Syring as band director, Mrs. Syring as a half-time music teachers' aide for the elementary school and Eloida Rodriguez as a Title I special programs teacher.

Syring was band director for Nazareth High School last term and formerly taught in the high school at Campo, Colo. He holds a BME degree from West Texas State University and has done graduate work in applied brass at Angelo State University, San Angelo.

Kin of local woman dies

Funeral services for Mrs. Fannie C. Watts, 85, of Hereford, sister of Mrs. W.A. Lowrance of Dimmitt, were conducted Monday afternoon at Central Church of Christ in Hereford. Bob Wear, minister, officiated and burial was in Restlawn Memorial Park.

Mrs. Watts, who moved to Hereford from Abilene 52 years ago, died Saturday. She was born in Coryell County.

Survivors include a daughter, Dorothy Ward, and three sons, Glenn, Verdon and L.V., all of Hereford; three sisters, 12 grandchildren and six great-grandchildren.

Miss Huseman weds in Nazareth vows

The marriage of Anna Marie Huseman of Nazareth and Billy Joe Lee of Tulia was solemnized in the Holy Family Catholic Church at Nazareth Saturday, with Rev. Stanley Crocchiola, pastor, celebrating the nuptial mass.

Parents of the couple are Mr. and Mrs. Robert Huseman of Nazareth and Mr. and Mrs. Jesse Lee of Tulia.

Members of the bride's family were among attendants at the mid-afternoon ceremony. Her sister, Julie Huseman of Amarillo, was maid of honor. Another sister, Christine, and a cousin, Jenny Huseman, with Debbie Schilling of Dimmitt were the bridesmaids.

Edwin Davis acted as Lee's best man, with Randy Smith, Robert Henthorn and Steve Davis as groomsmen. All are Tulia residents. Joe Lee, Donald Lee, Terry Huseman and Raymond Huseman were ushers.

The bride's younger sister, Rachel, and a niece, Amy Gressett of Perryton, were the flower girls. Rings were carried by the groom's nephew, Tommy Lee of Amarillo.

Serving as altar boys were Billy Huseman, Lonny Huseman, Paul Huseman, Randy Huseman, David Huseman and Greg Huseman.

A prelude of wedding music, the marches and selections during the service were presented by Mrs. Leonard Conrad, organist, and the vocalists, Mrs. Richard Hoelting and Tricia Gerber. Songs were "Twelfth of Never," "Wedding Song" and "Mother at Your Feet."

Sunshine yellow gladiolas on the main altar and daisy

mums in matching color on the side altars decorated the church.

The bride, given in marriage by her father, wore a gown of organza over bridal taffeta, with re-embroidered Chantilly lace inserts at the high neckline, bodice front and on wide cuffs to which the full sleeves were gathered.

The bell skirt was finished with a pleated flounce at carpet length and was styled with back fullness to form a slight train. Her lace-edged illusion veil, held by a lace coil, extended into a longer train. She carried a nosegay of yellow roses, daisies and babybreath.

Feminine attendants were dressed in sunshine yellow satin with wide white lace trim. Their frocks had bell sleeves and gathered skirts widened with ruffles at the hemline. Their flowers were long-stemmed silk roses.

The wedding supper was held in the Nazareth Community Hall, where tables were ornamented with yellow silk roses made by the bride's mother. Dancing after supper was to the music by Melodies Six.

Mr. and Mrs. Lee will make their home in Tulia. She is a 1978 graduate of Nazareth High School and he is assistant manager of Royal Park Fashions at Tulia. He graduated from Tulia High School in 1975.

GRAVEL BEING APPLIED AT SOUTH END OF 385 PROJECT
... When this project is completed, another will start

Sept. 1 target set for end of Hwy. 385 construction

Completion of construction now in progress on US 385 south of Dimmitt is in sight, with Sept. 1 as the target date, according to Rhea Bradley, resident engineer at the Texas Highway Department's Littlefield office.

"We are shooting for completion by Sept. 1, and expect to have a riding surface on the highway by Aug. 1 so it will be open to travel although the final coating will remain to be put on," Bradley said this week.

Work on the project began about Sept. 1 last year.

As soon as the present segment of work is finished, on the 7.78 miles from the "Y" south of Dimmitt to the intersection with FM 1524,

work will begin on the next stretch, Bradley said. That segment, about equal in length, will take the work to the Lamb County line.

"It will probably be mid-winter before we get a riding surface on that stretch," Bradley said, "then we will aim for completion by next summer."

The contractor, Boswell and Crafton of Lubbock, is keeping a full crew at work on the highway, which is being completely rebuilt with a new base, widened and having shoulders paved.

Bradley said the contractor on the 385 work, also the Jake Diel Construction Co. which is working on Hwy. 86 construction in the city of Dimmitt,

will give their employees a vacation next week, including July 4.

"They decided the work will go faster if everybody takes a vacation at once, rather than one at a time through the summer," he explained. "Only a skeleton crew will be on duty for maintenance."

After US 385 is completed to the Lamb County line, the next work will be on the strip to Springlake, Bradley said, but he added that it will be next year before a start can be made toward work on it.

That project has been approved by the Texas Highway Commission, but plans have not yet been drawn, the engineer said. The improved stretch in Lamb County will connect with a segment north from Littlefield which has already been resurfaced and has paved shoulders.

Considered an agricultural state, Texas has 25 federally designated Standard Metropolitan Statistical Areas — more such urban concentrations than any other state.

Cub Scout camp days announced

Cub Scouts of Dimmitt and their parents will have a part in two special events at Camp Post in July.

Cub Day at the Boy Scout campsite will be held July 8. Parents and other family members are invited to accompany the boys for that assembly.

Lad-Dad Day is scheduled for July 15, when the Cubs will have their fathers as guests.

The Dimmitt Cub Pack heard announcements of these camp events at a meeting Saturday evening, when they played baseball at the park.

SSA office fixes schedule

The Social Security Administration office at Plainview has announced the schedule of visits to Dimmitt by its representative for the next three months.

The representative will be at the Castro County Courthouse here from 10 a.m. to 12 noon each Thursday, and area residents who have business with the SSA or questions concerning its programs are invited to consult him then.

Those who need information at other times may visit the office at 1401-B West 5th in Plainview, or telephone free of charge by calling the operator and asking for Enterprise 8-4132.

4-H district horse show on program

Castro County 4-H Horse Club members will compete against youths from 20 other counties at the District 2 4-H Horse Show in Lubbock this weekend, and winners will advance to a state show at San Antonio July 26-29.

Showmanship and halter classes at the Lubbock Fairgrounds Pavilion will begin at 12:30 p.m. Friday and performance classes at 8:30 Saturday morning. At the close of the events 20 of the 200 contestants will be qualified for the State 4-H Horse Show. District competition is earned by showings in a series of area meets, and 10 young horsemen from Castro County have won the right to enter the Lubbock show.

Those qualified are Robin Cluck, Jerri Ka Clark, Scott Bagley, Morris Cole, Carol Bagwell, Kelly Nelson, Kelley Hill, Mike Anthony, John Smith and Monte Johnson. Qualification is on a point system based on the first four shows on a six-county circuit.

Two more of the six-county shows in which the Castro County youth compete are still to be held. One at Earth

was rained out Saturday for the third time, and postponed again to July 17.

PMH cited for efforts to cut costs

Plains Memorial Hospital of Dimmitt has been awarded a certificate indicating its participation in the state and national attack on rising health care costs. O. Ray Hurst, president of the Texas Hospital Association, (THA) Austin, said, "We are pleased to recognize another THA member hospital for its dedication to help hold down the rising cost of health care." "Although hospital costs in

Texas are 20 percent below the national average, hospitals across the state are joining in the voluntary effort to help reach a national industry goal of two percent per year reduction in the rate of increase for two years."

Participating in the Texas Voluntary Effort together with hospitals are physicians, nurses, pharmacists and other health care groups. Over 20 health, business and state government groups, including the governor's office have organized to effectively deal with the problem of rising health care costs.

Representatives of agriculture, business, labor and consumer groups from throughout the nation will gather at Texas A&M University Dec. 4-6 to explore farm problems and their effects on the lives of Americans.

Now is the time extra water will pay off

By William P. Dannevik, P.E.

"How much rain do you get in a season?" "Oh, about seven inches." "Gee, that's not very much." "No, but you should have been here the day it fell." Present conditions are hot and dry, so be careful not to stretch irrigation water too far.

This introduces many of the problems the dryland farmers have and we've enough of our own. Some Tensiometers developed 10 centibars vacuum in two days last week.

In corn, spider mites tend to build in moisture stressed spots. Stalk rots that cause lodging are also introduced through moisture stress.

Extra irrigation water, applied after spider mites become established or later to prevent lodging from stalk rots, is not effective. Now is the time the extra water will pay!

I suspect sugar beets are similar in growth characteristics to corn and other crops. Incidents of disease such as

Downy Mildew and Leaf Spot seem to coincide with peak water use which occurs in the month of July.

Adequate moisture may not prevent these problems but it will reduce the effects in two ways; first, yields will be increased, second, the seriousness or extent of the disease will be reduced.

Irrigation water must pay its way. It's the single most productive input to our crops, which doesn't mean it is always profitable to irrigate. Corn and beets usually require about 20 inches of water, however if it is all applied in June not much production will be expected. Allright then, how much can we afford to spend on proper timing?

Probably quite a bit if timing is the only problem and if we know exactly what constitutes proper timing. There are, however, several methods of improving timing that aren't very expensive.

One, in furrow irrigation, is to change row direction to reduce slope in the direction of irrigation. This increases the rate the water moves into

the soil and reduces the amount of time required to refill the root zone.

Another is to know how much water is available in the critical month of July for watering corn and sugar beets, and base planting on

the acres that can be properly watered.

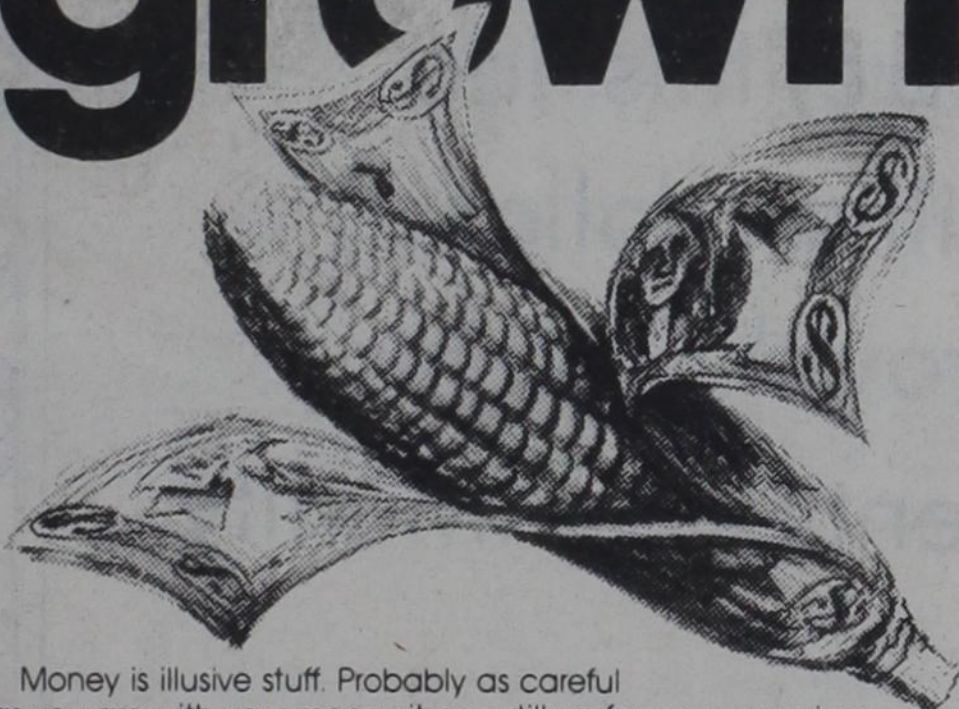

A third is to base row length on soil type. The lighter soils, Estacado and Olton, should have shorter lengths of run than the heavier Pullman. Some more costly methods

of improving the timing of irrigations are land leveling, developing storage areas and the use of sprinkler irrigation on heavier soils. All have their place and may pay big dividends for the irrigation farmer.

PENNANT WINNERS for the minor league division of Dimmitt Kids Baseball is the Dodgers, with a season record of 10 wins, two losses. Team members are [front, from left] Jeremy Warren, Joel Nelson, Johnny Flores, Patrick Killingsworth, Lupe Galvan, Coby

Moke [bat boy], [second row, from left] Michael Maples, Scott Sava, Todd Hill, Mark Standlee, Trampus Moke and Russell Cowen. Coaches are [back, from left] Ed Standlee, Don Moke and Charley Hill.

All-Stars of senior team listed

Three players from the Senior Babe Ruth team in Dimmitt will be among all-stars who will play an all-star team from the Plainview area for the regional championship July 10-13.

Henry Ogas was picked as a catcher, Tim Fewell shortstop and Harvey Arce as a pitcher and third baseman, when the all-star team was selected last week.

Dimmitt's team is in the Almo League, comprising Olton, Littlefield, Sudan, Friona, Anton and two Muleshoe teams. Tim Hucks is the Dimmitt coach. Dimmitt had a 6-6 record for the season.

The winner of two out of three games in regional next week will compete in the state tournament, which will be staged at Pampa.

MAJOR LEAGUE ALL-STARS in Dimmitt Kids, Inc., Baseball were announced Monday night as the local league closed out its season. Named to the all-star team of boys 10 through 12 were [kneeling, from left] David Barton, Tommy Casas, Kennen Howell, Tim Kenworthy, Alex Lopez, Danny Martinez, Tony Martinez and Dwight McDonald, and [standing, from left] All-Star Coach John Nino, Doug Nelson, Robert Nelson,

Singled out for special awards were league statistician Marie Howell, named "Mr. Baseball, 1978"; concession stand coordinators Jo Behrends and Jean Robb; Kids, Inc. Director Bill Behrends; and umpires John Brooks, Larry Rawls, George Howell, Greg Howell and J.R. Mixson.

Dodgers are Kids Minor champions

Final games for the Minor League in Dimmitt's Kids Baseball were played Friday night, leaving the Dodgers still at the top of the standings with 10 wins to only two losses for the season.

Rangers and Astros were tied for second place with 7-5 records, while the Yankees stood at 5-7 and the Cards 1-11.

The Dodgers defeated the Cards 9-3 Friday, and the Rangers downed the Astros 11-5. In earlier games for the Minors last week the Astros beat the Yanks 18-10, Rangers defeated the Cards 19-9.

In the Majors, standings at the end of last week were: Cards 12-0, Astros 10-4, Dodgers 8-5, Braves 5-7, Yanks 3-10 and Tigers 1-12.

A homer with one on by Terry Cearley helped the Astros to a 12-7 victory over the Yanks last Thursday. In other games that night it was Cards 21, Braves 4; Dodgers 11, Tigers 4.

Rites planned at graveside for infant

Graveside funeral services for Jarrod Michael Stidham, infant son of Mr. and Mrs. James Michael Stidham of Amarillo, formerly of Dimmitt, were scheduled at 3 p.m. Wednesday in Westlawn Cemetery in Dimmitt.

Nathan Pipkin was to officiate for the service and burial was to follow under direction of Smith & Co. Funeral Home of Hereford.

The baby was born Monday in an Amarillo hospital and died there Tuesday afternoon.

Survivors in addition to the parents include a sister, Jamie and grandparents, Mr. and Mrs. Clyde Vick of Dimmitt, Lanora Stidham of Dallas and James Stidham of Amarillo.

Competition in roping scheduled

The Fifth Annual County Roping Contests, for county residents only, will be held July 15 at the Dimmitt Rodeo Arena, with events for adults and also juniors age 17 and under.

The public is invited to see the roping, beginning at 6 p.m. Entries and inquiries should be made to Cowboy Johnson, phone 647-5653, who with Spicer Gripp and Bob Schulte is coordinating the contest.

A barrel race will be held also if enough riders are interested.

In the adult roping division, each contestant will rope three steers as a team event and three calves as an individual. Best time on the six head will be good for the award of a Billy Cook "Longhorn" saddle. Runners-up will receive belt buckles. The entry fee will be \$30, Johnson said.

In junior steer roping the entry fee will be \$10 for two head and winners will be awarded belt buckles. If the barrel race is held, the awards will also be belt buckles.

The Cards blanked the Tigers 12-0 June 27, and on the previous night the Astros were again aided by homers in a 13-4 win over the Braves.

Robbie Hottel and Cearley each hit the circuit with one on. The Yankees beat the Dodgers 8-3 in another game that night.

Rotary offices filled at Ladies Day lunch

At a Ladies Day luncheon in the Colonial Inn Friday the Dimmitt Rotary Club installed new officers for a year. Ron Montgomery became president succeeding Bill Dannevik, who conducted the ceremony.

George Lambreth became vice-president, Bill Behrends began a new term as secretary and Zane Ellison took the treasurer's post. Gary Moore was installed as sergeant-at-arms.

Inducted to the board of directors was the retiring president and Woodrow Killingsworth.

A plaque was presented by the new president to Dannevik with an expression of appreciation for his services.

Elmer Youts was named program chairman for the coming month, to arrange program for beginning the new year.

For the Friday program, a film was presented by the American Cancer Society with comments by Gwen Bryant. Supplied by the Castro County Unit of the ACS, the film stressed importance of regular physical examinations for men who feel they are "too busy" to take the time for a check-up.

Jail assault charged, but not confirmed

A prisoner who was involved in a fight in the County Jail's "drunk tank" early Sunday told sheriff's officers that one inmate had been homosexually assaulted by two others and that he had been threatened with the same fate.

But county officials investigating the incident said that a medical examination of the man who allegedly was raped doesn't confirm the first inmate's charges.

According to sheriff's officers, four men were in the "drunk tank" when a fight broke out among them at about 2:30 a.m. Sunday. All four men had been booked into jail earlier Saturday night and Sunday morning.

A 35-year-old prisoner received lacerations on the right side of his head and face during the fight, and was taken to the hospital for treatment.

"He claimed that one of the other men in the cell had been sexually assaulted and that the two men who did it had told him he was next," County Attorney Jimmy Davis said. "But the alleged victim has not corroborated the man's story."

Sheriff Granville Martin said that after the man had made his charge, the alleged victim was taken to the hospital for examination, "and the doctor was unable to determine that any such assault had taken place."

"Of the four men who were in the cell at the time, one had been booked just three hours earlier and had tested .17 on the intoxication meter, and the man who made the charge had been booked in two hours earlier and had tested .19," Davis added. "These two, especially, were pretty drunk. The legal intoxication level is .10."

"We're going to conduct further interviews with the prisoners involved," Davis added.

Fire calls

The Dimmitt Volunteer Fire Department was called out when fireworks started a grass fire by Dimmitt Wheat Growers' shop in Dimmitt Sunday about 5:10 p.m., according to Assistant Fire Marshal Charles Littlejohn. No damage was reported.

Another fire was reported at 10:40 p.m. Tuesday at the Jackie Matthews place three miles north of Dimmitt. Littlejohn said about five acres of grassland were burned, but there was no further damage. The cause was unknown.

Cards champs as play ends in Majors

Final games in the Major League of Dimmitt Kids Baseball were played this week, with final standings showing the Cards still unbeaten and at the top of the list with 12 wins for the season.

The Astros closed the season at 10-5, Dodgers 9-5, Braves 6-7, Yankees 3-11 and Tigers 1-13.

The Braves defeated the Tigers 10-5 in a Monday night game, the Yanks forfeited to the Cards and the Dodgers downed the Astros 8-3.

hour. Another new Dimco feature is "cold rooms," where vegetables can be stored for future sales and shipping. The two huge "cold rooms" are expected to take some of the day-to-day price hazards out of marketing the perishable products.

The main part of the plant is a large, covered dock-and-processing area designed to speed up the work flow. All potatoes and onions are processed in this open area, with the dumping bins and loading docks located around the edges of it.

Carrots, which are harvested during colder weather, go into the same dumping bins and through the same "water conveyor" system as potatoes, but then are diverted into an enclosed processing room.

Lettuce is packed in the fields and brought to the plant for shipping.

Warning given on possible crop penalty

Another reminder of the importance of accurate certification is given to area farmers by Charley Hill, director of the Castro County ASCS office.

"We realize that possibly some of you have been a little careless in the past about certifying to your acreage accurately, but for 1978 there will be a payment reduction for deficient set-aside, understated or overstated acreage of program crops, excess NCA crop acreage and unauthorized grazing or haying set-aside," he warned.

Nazareth Supper benefits community center

By VIRGIE GERBER

The Nazareth Knights of Columbus sponsored a "Barbecue Beef Supper" Sunday evening for the benefit of the Nazareth Community Center. A raffle will be given away at the German Festival. A large crowd enjoyed a very good meal.

The Nazareth FHA girls hosted a farewell party for Mrs. Debbie Mumme who has taught Home Economics the past several years. She will be moving to Hondo, Texas where her husband Bill has bought into his Dad's business. She will surely be missed in our school system.

Funeral services for Dr. R.E. Cogwell, retired family doctor and friend of many Nazareth people were held Monday July 3rd at the

Golf tourney dates fixed at CCC Club

The Men's Club Championship Golf Tournament at the Castro County Country Club will be held July 29-30, on a change of date from the original setting July 1 and 2, according to Joe Ziegler, club professional.

In connection with the tourney a dance will be held July 29 for all club members and guests.

The next big tournament for men will be on Aug. 26-27, Ziegler said. It will be a two-man scramble. The recent Doc Renter Memorial Tournament was a huge success, the pro said, and plans are under way to make the August tourney as successful.

The City Ladies' Low-Ball tourney, open to all women living in Dimmitt, will be held on the club course July 15-16.

Mrs. Elliott's father dies

W.C. "Bill" Chandler of Tulia, the father of Mrs. Don Elliott of Dimmitt, died Saturday.

Services were held Monday afternoon in the Sixth and Gaines Streets Church of Christ in Tulia with Ernest Smith, minister, officiating. Burial followed in Rose Hill Cemetery by Wallace Funeral Home.

Mr. Chandler, 70, was born in Howard County, Ark. and married Evalena Young in 1935 in Silvertown. Moving to Tulia in 1945 from Quitaque, he was a retired service station operator and used car dealer. He was a member of the Church of Christ.

Survivors include his wife; two other daughters, Mrs. Ed Workman of Tulia and Mrs. Cliff Freeman of Farmington, N.M.; two sons, Bill D. of Fort Worth and Ronald of Lubbock; six sisters; four brothers; and eight grandchildren.

THE Colt revolver, the celebrated "six-shooter" of the American West, was named after its inventor, Samuel Colt.

Approved ACS service items available here

Elements making up an approved service program for the American Cancer Society are offered by the Castro County unit, according to Mrs. Claude Forson, chairman of service and rehabilitation.

Information and counseling service provides pertinent information and assistance to the cancer patient and his family, Mrs. Forson said.

Loan and gift service items include rubbing alcohol, adhesive tape, room deodorant, bedpans, urinals, baby lotion and powder. Loan equipment comprises hospital bed and mattress, side rails, walkers, crutches, commode chairs.

Another service is transportation, which is carried out by qualified volunteers since there is no direct payment for transportation at present, Mrs. Forson said.

Further information on these services of the ACS may be obtained from Mrs. Forson, telephone 647-4313.
