## Robert Lee Cowboys Have Field Day Mon.

Cowboys in the Robert Lee area had a field day Monday morning when they were called upon to help roundup over 60 head of cattle which were running loose on the town site.

The loose cattle were the result of a truck accident which occurred about 1 a.m. Monday at the Y intersection of Highways 158 and 208. The truck was carrying the cattle to the Jim Maddox place at Silver and failed to negotiate the curve which turns from the highway to Bronte into Robert Lee. The big trailer, aid-

## 4 from Coke Going To Atty. General Youth Conference

Four young people from Coke County will attend the annual Attorney General's Youth Conference this coming weekend in Austin. Mary Wojtek and Linda Jacoby of Robert Lee and Frances Glenn and Ronald Hooper of Bronte will represent this county at the meeting.

This year's conference is the third such gathering under sponsorship of the Texas attorney general. Dates are Aug. 20, 21 and 22. Some 1600 delegates from all over Texas are expected at the meeting.

Purpose of the conference is to work out new methods of combatting crime and delinquency in the state. The conference provides a clearing house for the exchange of ideas among youth workers, church leaders, educators, law enforcement officers, recreation workers and young people themselves.

Coke County delegates are being financed by the Robert Lee BCD and the Bronte Lions and Jaycees. County Attorney Frank C. Dickey is local representative of the attorney general's office in selecting delegates, making plans etc.

The Coke County delegates will go to Austin by bus with the Tom Green County delegates.

Mrs. Wayne Roberts, Kim and Waynette of Jal, N. M., are spending the week here with her parents, Mr. and Mrs. Elmo Bell. Mrs. Bell is hospitalized and is to be transferred to San Angelo Thursday for further treatment.

ed by the shift of the weight of the cattle, slid over on its left side just beyond the Ross Conoco Station. The accident freed the cattle.

It was reported that a total of 65 head were in the truck and five of them were either killed in the turnover or were run over by passing motorists who came along before warning flares could be set up.

A report Tuesday to The Observer said that 32 of the animals had been accounted for and 28 are still missing.

The truck, which belongs to Pope Trucking Co. of San Angelo, sheared off a power line pole before it came to rest on its side. The truck was coming from Bronte when the accident occurred. Driver of the truck was unhurt, it was reported.

Joe Willey and Lester Cavitt, highway patrolmen, investigated the accident.

## Hinnard Shows Movies of Canoe Trip in Canada

Robert Lee Scoutmaster Gene Hinnard had the principal part on the BCD program Tuesday when he told and showed movies about his recent canoe trip through the Canadian wilds. Accompanying Hinnard on the trip were Scouts Mike Denman of Robert Lee and Gene Kincaid of Silver.

Hinnard said the group left here July 24 and arrived in Canada on Monday, July 26. The canoe crews shoved off Tuesday afternoon, July 27 on the approximate-180 miles of the trip.

Hinnard's group had nine boys and four canoes. Each boy had to carry all of his belongings and equipment in a pack weighing 80 to 90 pounds. The Scoutmaster said he had three of the smallest boys on the trip in his outfit. One boy who weighed only 98 pounds, made the entire trip with a 90 pound pack on his back.

Hinnard showed movies of the entire trip, which gave the viewers a good idea of the rugged beauty of the country.

Elmer Hurley of Bronte was a guest at the meeting. He came over to invite BCD golfers to participate in a tournament to be held this weekend at Bronte. Twelve members were present.

A roster released this week by the school shows 33 boys on the 1965 Steer roster.

## Developments Give Hope For RL Dam Approval

(Editor's Note: The following article is taken from the Friday, Aug. 13 issue of the Big Spring Herald. Joe Pickle, editor of the Herald is secretary of CRMWD.)

There were some signs Friday that there may be hopes of a break in the log jam which has held up the application for a dam on the Colorado River above Robert Lee.

Word from Austin was to the effect that the Texas Water Commission has ordered a permit drawn for moving the Colorado River Municipal Water District's proposed dam downstream to Robert Lee. It was noted, however, that instruction to legal examiner Burrell Rowe to draft the permit does not necessarily mean that

the commission is prepared to grant the request.

Word that a permit has been ordered drafted could well quicken response from the Lower Colorado River Authority, which threw up most of the log jam with its protests to the amended application last December and January at a hearing before the TWC in Austin and to efforts to negotiate difficulties surrounding the permit.

Almost since the hearing was concluded, the district, at the suggestion of TWC has been in contact with LCRA to reach some area of agreement. While LCRA expressed interest in various feelers and proposals, there has been no action by LCRA. Press reports

Friday did say that C. R. Marks, hydrologist for the LCRA, was prepared to make a report on a CRMWD study regarding the possibility of recapturing water below Austin to satisfy lower end users by means of a channel dam. This might be taken as an indication that LCRA is going to take a serious look at the matter.

There has been no official confirmation that a compromise was being discussed, but O. H. Ivey, general manager of the CRMWD, said that the district had engaged in several discussions with LCRA in an effort to overcome amicably objections to the amended permit.

"They indicated to us a serious interest in some of the proposals and alternatives which were sug-

gested," said Ivey. "There has been no recent contact, pending the study by C. R. Marks, of our engineering figures.

"We are hopeful, however, that the commission will see fit to issue a permit because we have already lost nearly a year on our timetable for securing the water needs of this area of West Texas before they become critical."

The CRMWD was granted a permit originally to impound a lake in southern Mitchell County, provided it could demonstrate to the commission an ability to control and abate salt water pollution on the river above the lake.

In the meantime, studies were made which led to a decision by the board to apply to move the

damsite down stream and increase the lake capacity (although not the appropriation). This led to protests first from Mitchell County interests, then from LCRA, which in turn mobilized other protestants in its area and below Austin. First LCRA asked for a delay in the original hearing date in September, and this was granted. The hearing got underway in Austin in mid-December but it had to be recessed to January.

Shortly thereafter H. A. Backwith of Eagle Pass was succeeded on the board by Bill Berger, Hon-do. This left Joe Carter, Sherman, chairman, and O. F. Dent, Littlefield, to reach a decision, and now Judge Dent's term is nearing expiration.

### HUNTING, FISHING LICENSES MAILED TO 2500 TEXAS DEALERS

Austin — The annual scramble for hunting and fishing licenses will be eased this fall by earlier shipment of the permits to the approximately 2500 dealers throughout the state.

Bill Marks of the Texas Parks and Wildlife Department staff, said arrangements have been advanced to have all licenses in the hands of dealers well before the new state fiscal year begins September 1.

The total consignments will comprise 775,000 fishing licenses and 736,000 hunting licenses of which 175,000 will be exempt hunting licenses.

In the past, efforts to make last-minute delivery to avoid conflict with the old license routine caused some inconvenience among sportsmen and also a sizeable problem for the harassed dealers, said Marks.

"We expect to have the licenses in the mail very shortly," said Marks. "Of course, there will be the usual rare instances of unreceived shipment, unavoidable in

handling the great number of parcels, but the extra time will help us adjust these cases."

Marks wanted to make it clear that the new licenses will not be good until Sept. 1 and that the old licenses will be invalid after this date.

Sale of hunting and fishing licenses provides more than half of the revenue needed to finance departmental operations, including costs of the vast experimental projects leading toward better luck for the angler and better shooting for the hunter.

The ordinary sports fishing license costs \$2.15 and the resident hunting license \$3.15. There are numerous exemptions, such as for those under 17 and older than 65 years. But in the case of deer hunting, these privileged persons need a special exempt license to provide the proper tags, which may be obtained for an issuance fee of 25 cents per license.

Observer want ads are very effective and cost very little.

# Cumbie Iveys Return from 3-Weeks Trip Through West, Midwest, Canada

Mr. and Mrs. Cumbie Ivey, Sr., have returned from a three-week vacation tour through the mid-western and west coast states and Canada.

The trip combined visits with two of Mr. Ivey's brothers, Paul and Bryan Ivey, former residents of Coke County, a nephew and some friends with sightseeing and fishing.

On the first leg of the trip, the Iveys flew by jet liner to Reno, Nevada, where they were joined by Mr. and Mrs. Paul Ivey. The two couples drove from Reno to Port Angeles, Washington, crossed

Juan de Fuca Strait by ferry to Victoria, Vancouver Island, British Columbia.

From Victoria they continued north to Kelsey Bay, a distance of 1,100 miles from Reno, for a visit with Mr. and Mrs. Oscar Ivey, son and daughter-in-law of the Paul Iveys.

Last year Oscar bought Farquhson Island off Johnstone Strait. Since the timber-covered island is uninhabited and has no housing, the group spent their six days here aboard Oscar Ivey's yacht, visiting, sightseeing and fishing. Their fishing yielded abundant

catches of shrimp, crab, red snapper, red salmon and ling cod.

It was in a lagoon cove near Farquhson Island that the Texans saw a row of floating houses which were home of commercial fishermen and loggers. The houses were supported by huge log rafts which were lashed together. The Iveys watched the fishermen come in with their catch and empty and mend their nets. They also observed that children living in the houses put on life jackets upon arising and wore them all day.

Since there is only one road up Vancouver Island to Kelsey Bay, the Iveys retraveled the route back as far as Nanaimo, where they boarded a ferry which took them to the city of Vancouver, a

reat industrial center and Canada's third largest city and most important western port.

From Vancouver, they traveled to Lakewood, Calif., to visit the Bryan Iveys. They also visited a friend, Sam Hearrell in Long Beach. Hearrell is also a former Coke Countian.

Mr. and Mrs. Ivey returned from Los Angeles to Dallas by jet liner. Comparing modes of travel they said, "It took us two and one half hours to travel by ferry from Nanaimo to Vancouver and only two hours by jet from Los Angeles to Dallas. We left Los Angeles at 3:30 p.m. Pacific time, arrived in Dallas two hours

and twenty minutes later, changed lanes and arrived in San Angelo about 9 p.m., Central time. Of course we had lost some time hanging planes in Dallas and since we were travelling east, we had lost time by travelling through three different time belts."

Mr. and Mrs. Carl Grubenman and Johnnie of Dallas came to spend the weekend with her parents, Mr. and Mrs. Frank Smith. They took the children, Carla and Kyle, who had spent a week with their grandparents, home with them.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for the issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

# The Big Inch

The ruled box above is a one-inch ad. It measures one column wide by one inch deep. It costs advertisers 60c.

It looks kinda lonesome by itself.

But look at it this way.

What you get when you buy a one inch ad in the Observer is not just a single inch of space in the paper, but one inch multiplied by 900 copies weekly.

So you are really buying 900 inches, which at 80 inches a page would be more than 11 full pages of printed newsprint.

That's a mighty big chunk of space for a cost of only 60c. And that price includes delivery to the reader. Just imagine the cost of reaching all those Observer families by postcard. It would amount to \$36.00 just for the postage. But the Observer does it for a mere 60c.

So you can see that a little one-inch ad is really a pretty BIG inch when it's advertising space in the Observer. And the figures show that it's the most effective and economical way possible to let people in this area know that you have wares and services they could use.

Call 453-3501 and let us show you how a little Big inch can wake up sales for you.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:

"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

"(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

"(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.

"(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature."

### Fashions Softer, More Graceful

New fashions feature a softer, more graceful silhouette. The new softness is achieved through design, cut and fabric. All three combine to provide the softest look in many seasons.

The new silhouette is characterized by the blouson, the deep, full dolman sleeve and the full skirt.

Gathers, panels, pleats or gores give the skirt an illusion of fullness. Dirndl skirts also return to the fashion world and are slated for increasing importance this fall.

### Evolution of the Daily Bath

When small boys object to taking baths, they may be simply reverting to a throwback status of their ancestors.

Bathing was considered a harmful practice by many ancient peoples. In the Middle Ages, one bath in a lifetime was as far as anyone would go. By the time of Shakespeare, however, people were getting brave enough to try it more often. The Queen of England, Elizabeth the First, set a royal example for cleanliness.

Even as late as Grandpa's day, bath night came only once a week. Happily enough the 20th century introduced the concept of the daily bath. Not only did people discover that it was healthier to be clean, they found that a soak in the tub would soothe the nerves, cool one off in hot weather, and serve as a sedative for the sleepless.

Of course, bathing is much more pleasant than it was in the old days. The Romans, for instance, cleaned themselves by rubbing their skins with iron scrapers.

Today, easy-to-lather soaps and soft cotton terry wash cloths are standard equipment. There's also plenty of hot water and a good supply of thick, absorbent cotton terry towels. The daily bath is both inexpensive and easily available.

### Economical Summer Menus

Having budget problems this summer?

Summer lunches for children can be economical and easy if you plan ahead and let the youngsters serve themselves. A good lunch includes meat, cheese, eggs, fish or some other protein food; vegetables or fruit; bread and milk.

In shopping, you may find these buying tips helpful:

Watch for sales on tuna. Grated tuna is less expensive than chunk and is fine for sandwiches. Bananas are at their eating best when flecked with brown. However, since they don't keep well, they are sometimes sold for less. So if you intend to use them right away, they may be the ideal choice.

Your best bargain in peanut butter is often the three-pound container, which keeps well in a cool cupboard. Compare prices. Local tomatoes now arriving at the market should be lower in cost and at their peak of goodness. Processed cheese is often less expensive than natural cheese — and many children like the milder flavor.

Tuna fish sandwiches can be deliciously accented by carrot strips, a banana or peach and chocolate milk.

For budget pleasing chocolate milk, sift 1 lb. instant dry milk, 1 cup sugar, ¼ cup cocoa and ¼ teaspoon salt together three times and store in a glass jar or metal canister. To prepare a quart of chocolate milk, measure 1-1 3/4 cups mix and stir in enough water to make a paste. Add a quart of boiling water, cool and then chill in the refrigerator.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57

proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iiii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iiii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iiii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.
