'66 Chevrolets Shown Today At Vaughans

Bob Vaughan, owner of Vaughan Chevrolet Co. in Robert Lee, has issued an invitation to everyone in this area to be the guest of his firm today (Thursday) in viewing the new 1966 model Chevrolets.

Vaughan said he will have a nice selection of the new cars on hand for the showing, but at press time did not know exactly how many.

2 RL Youths Awarded Star Scout Badges

Two Robert Lee Boy Scouts were awarded Star badges of rank at a Court of Honor held Tuesday at noon in connection with the weekly meeting of the Board of Community Development. The two Scouts are Joe David Key and Freddie Smith.

Scoutmaster Gene Hinnard gave a short talk on scouting and told of some of the accomplishments of the new Stars. Scout Key has earned a total of 10 merit badges during his 2½ years in Boy Scout work and Scout Smith has completed all the requirements for nine merit badges in the two years he has been a scout.

Supt. Jimmy Bickley presented and pinned the new Star badges on Key and Smith. Bickley told those present at the luncheon meeting that he would like to see every boy in the Robert Lee Schools active in Scout work.

Hinnard said he now has 16 active Boy Scouts in the local troop.

Mayor Robert Vaughan spoke briefly on prospective growth and accompanying problems. He said it will not be long before Robert Lee will have to make some decisions on such questions as zoning. The mayor also said he has received a letter from Federal Housing Authority that no money is available at this time for low rent housing. A meeting was scheduled for Tuesday night to discuss the matter.

It was also announced that the Colorado River Municipal Water District plans to purchase some land on each side of the lake which will be built here for use of the public. The land will be used for a park area, boat ramps and other facilities for the public.

The two Scouts were guests and 14 members were present at the meeting.

Dogies and Trent Tie Tuesday Night

Robert Lee Dogies and Trent played to a 6-6 tie here Tuesday night. Joe David Key made Robert Lee's single touchdown.

Key and David Jasso were cited for doing an outstanding job on the offensive operation, while Luther Large and James Fields received special recognition for their defensive work.

Next week is an open date for the Dogies, and the next contest will be here Oct. 21, when the Bronte Shorthorns visit the local stadium.

Mr. and Mrs. Leroy McDaniel and family moved last week to the R. D. Day residence, which has been completely redecorated.

In case of fire Dial 453-4291.

Along with getting to see the new automobiles, visitors will be treated to free refreshments and free gifts.

Vaughan said, "We are so pleased with the new models this year that we want all our friends and customers to come and see them."

Variety, safety and new peaks of luxury highlight the new cars, and the greatest assortment in Chevrolet division's 55 year history will be available to the public — a total of 50 models in six passenger car lines.

A new top-of-the-line series, the Caprice, will be on display for the first time this year. It will feature four prestige models and is added to the regular line of Chevrolets. Also a four door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series.

The Chevy II receives its first complete redesign since its introduction in 1962. The Chevelle is also restyled, there are design refinements in the Corvair, and the regular Chevrolet has an even "bigger car" look.

Numerous safety features are made standard in all models, ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

New engines include a 250 cubic inch L6 and two 427 cubic inch V8s. A new three speed full synchronized transmission is standard on all Chevrolet models.

Dozens of options are available in all models, enabling a buyer to purchase a practically "custom" made automobile to suit his needs.

Vaughan said the new line of Chevrolet is really something to see and he urged all his friends to drop by today (Thursday).

Mr. and Mrs. Ben Bessent and family of San Angelo visited her parents, Mr. and Mrs. Robert Vaughan over the weekend.

COKE EXHIBIT SET FOR OCT. 8-9

Annual Coke County Exhibit will be held Friday and Saturday, Oct. 8-9, in the Robert Lee Recreation Center in the Park. Exhibits will be free to the public from 11 a.m. to 5 p.m. Friday and 9 a.m. to 5 p.m. Saturday. Mrs. Tom E. Rives is general chairman of the event.

The Exhibit, sponsored by the Coke County Home Demonstration Council, is open to people from all areas of the county to show items of interest and to visit the show.

Items are needed in the following divisions: horticulture, clothing, antiques and historical items, art, crafts and gifts, scrapbooks and youth. The youth may show baked goods and any article of clothing, crafts, hobbies, etc. they have. All exhibits are to be in the building by 9 a.m. Friday.

The public is invited. There is no admission charge.

HOLLAND PROMOTED

Robert Holland of Robert Lee has been promoted to first lieutenant in the cadet corps at Schreiner Institute, Kerrville. The promotion was announced by the military affairs committee of the school. Holland is the son of Mrs. Pauline Holland of Robert Lee.

Steers, Eden To Meet Fri. Night

The Robert Lee Steers face another tough opponent this Friday when the Eden Bulldogs invade the town.

The Bulldogs were rated in second place in District 22-B at the start of the season, and they have maintained that position winning three and losing one to date.

Game time is 8 p.m. and all Steer

fans are urged to be present for the kickoff.

Last Weeks 8-B Results

COKE COUNTIANS INVITED

TO ANGELO HISTORICAL MEET

An invitation has been extended to Coke County residents who are interested in early day history of this area to attend a meeting Oct. 16 in San Angelo.

Highlight of the program will be the dedication of a marker honoring Ben Ficklin, early day stage line operator. Earlier in the day registration will start at 9:30 a.m., followed by presentation of historical papers and a dinner.

The program will be sponsored by the Edwards Plateau Historical Association, which is headed by a Coke County resident, Elton Mims of Water Valley.

Bangs Trounces Steers, 30-0 In Last Weeks Contest

By RONNIE BAKER

Bangs 30—Robert Lee 0.

Depth, precision, and a mighty fine ball club, the Bangs Dragons showed the local fans a pretty good show of defense and an offense that can go all the way in one play. The Steers fought to the bitter end and played fine ball. The Steer defense held the Dragons to less points than they usually score and played exceptionally well with the loss of personnel. There is no doubt about it, the Steers were beaten by one of the finest B clubs in the area.

First Quarter

Bangs received the opening kickoff and fumbled it around the 10 yard line. By the time it was picked up the Steers swarmed the carrier at the 11 yard line. On first down, Bangs was thrown for a 5 yard loss, but on the next play, they circled left end for 75 yards before Gaylon Pitcock made a fine tackle at the 20 yard line. In two plays the Dragons scored and made their extra points and they had a quick 8 to 0 lead.

Bangs then kicked off deep with Wink returning the ball to the 27 yard line. The Dragons held and

the Steers had to punt. With a short kick to the 44 yard line, the Dragons moved to the Steer 30. Then on an attempted pass, Skipworth intercepted at the 5 yard line. As he was hit he lateraled to Ray Roe, who circled right side up to the 40 yard line. But the Dragons held again and the Steers had to punt again. This time the Steers held on downs and Bangs punted to the Steer 23 yard line. With a loss of 12 yards in two plays, the Steers were forced to punt from their own end zone. The Dragons charged through and blocked the kick. This added another 2 points on their score and at the end of the first quarter the score was 10 to 0.

Second Quarter

In the second quarter, the Steers held their own for 11 minutes of play. The defense held and kept the Dragons at midfield until the waning minutes of the first half. Bangs put on their scoring drive with 2 minutes left and drove to the 2 yard line with first and goal to go. Then to the surprise of the Dragons it took all 4 downs for

them to score. Try for extra points was no good and at the half Bangs led 16 to 0.

Third Quarter

Robert Lee received the second half kickoff and with the ball at the 30 was forced to punt. Williams kicked to the Dragons 40 yard line. In 9 plays the Dragons moved 60 yards to score. Try for extra points was no good and the Dragons now led 22 to 0.

The Steers then again held their own as the football was exchanged a couple of times. The Steers punted to the Steer 45 yard line as the 3rd quarter ended.

Fourth Quarter

This time the Dragons weren't stopped and moved to score again. The try for points was good this time and the Dragons rounded out their scoring 30 to 0.

The Dragons couldn't move again after this, but neither could the Steers. The remainder of the game was played between the 30 yard lines as the Steers were forced to punt twice and the Dragons fumbled twice. Bangs had possession of the ball at their 30 yard line as the game ended.

Workers Here for Preliminary Work On Dam Project

Workers are already in Robert Lee to do preliminary survey and land acquisition work on the big dam on the Colorado River above Robert Lee.

Kenneth Esmond & Associates of Odessa have a six man crew here to do preliminary surveying in locating the huge earthen structure which will hold back 489,000 acre feet of water when full.

R. A. Schooling, who has been employed by the Colorado River Municipal Water District at Lake J. B. Thomas, is the district's land man and is already here to begin work toward securing land for the project.

Work on the project is going ahead, despite the fact that Mitchell County and Colorado City have filed a suit in District Court at Austin to stop construction on the dam.

Originally, a permit was issued to build the dam in Mitchell County; then on Sept. 1, the Texas Water Rights Commission granted a permit to move the site downstream to two miles above Robert Lee.

CRMWD, in requesting the change in location, said that soil structure in the original location is unsuitable for a reservoir location and that insurmountable salt pollution problems would be encountered at the Mitchell County site.

Mitchell County and Colorado City, in their suit, declare that construction of the dam in Coke County will hurt development of a public source of water supply in the county and have a drastic effect on the economic welfare of the county.

Coke Farm Bureau Convention to Be Held in Bronte

Annual convention of the Coke County Farm Bureau will be held next Monday night, Oct. 11, at the Bronte school. The meeting will begin with a barbecue supper at 6:30 p.m. in the lunchroom.

The business meeting will follow in the auditorium. New officers will be elected and half of the board of directors will be elected. LeDrew Arrott and Dolan Mackey will give a report and show features of the Institute on Wheels tour which they recently attended.

Delegates and alternate delegates to the state convention will also be elected. All Farm Bureau members are invited and urged to attend.

Ledbetter Brothers Meet in Germany

Two Robert Lee brothers were recently reunited in Germany after a period of four years of being separated.

S4C Gary Ledbetter of the United States Army and A2C Bill Ledbetter of the United States Air Force are sons of Mr. and Mrs. (M. Ledbetter of Robert Lee. The soldier has been stationed in Germany for three years while his airman-brother was stationed in Japan for two years.

Both men have been home on leave since their entry into service, but had missed each other, making it four years since they had seen each other.

Bill was home recently on leave after his tour in Japan, and, without Gary's knowledge, reported to Germany for duty. When the airman arrived in Germany, he started making inquiries about his brother's place of station, found out how and where to find him, and walked in unannounced. When Bill walked in, Gary was so astounded, he didn't even recognize his brother for a few seconds. When it dawned on him that his visitor was his brother, the men had a joyful reunion.

The brothers went from Kitzingen, where Gary is stationed, to nearby Frankfurt to pick up Gary's wife and 18-month-old baby, who were visiting friends. They had a wonderful visit before Bill had to return to his base.

The two men are looking forward to seeing each other oftener than once in four years, now that they are stationed only 1½ hours apart.

Their parents said they are looking for a telephone call from the boys in the near future.

Mrs. Ralph Blair of Odessa were here last weekend visiting relatives and friends. Her daughter, Carolyn, is employed at the Honey Hutt.

FIFTH GRADE OFFICERS

The fifth grade class met Monday, Sept. 20 and elected officers. The new officers are: Sterling Allen, president; Rosanna Boykin, vice president; Kathi Prince, secretary; Delbert Mathers, treasurer; Jamie Craig, reporter. The reporter's staff includes Jane Hughes, Jerry Wojtek and Harvey Wink.

A group of homemakers from the Robert Lee area met Friday to organize a Home Demonstration Club. Officers elected were: Mrs. E. E. Eldred, president; Mrs. Virgil Streng, vice-president; Mrs. Carlton Caston, secretary-treasurer; and Mrs. Forrest Wanker, council delegate. The next meeting will be Oct. 14 and I will give a program on Clothing. Other officers and committee chairmen will be named.

Foods leaders are needed now to work with 4-H members in Robert Lee, Bronte and Silver. Any one interested in helping young girls to learn to cook simple foods should call me at 453-3751 or drop me a card. This effort is truly a worthy one — leaders learn and get the satisfaction of having helped some young girls to be better 4-H'ers. The girls need you!

108 Women Attend Meals Programs

"Meals should meet the family's health needs and quick meals can do this as well as meals that take a long time to prepare if the homemaker, plans menus, shops and works efficiently," said Mrs. Fay C. Roe, County Home Demonstration Agent, in the Quick Meals programs held last week in Robert Lee and Bronte.

Mrs. Joyce Drake, Home Service Advisor with West Texas Utilities Co., demonstrated how to prepare various quick meals as did Mrs. Roe.

The prepared food was given away as door prizes.

The programs were planned by the Coke County Family Living Committee and were attended by 108 persons from Silver, Robert Lee, Bronte, Blackwell and Tenynson.

Rich styling, luxury prevail in

1966 Caprice and Chevelle Coupes

Two of Chevrolet's newest additions for 1966 are the luxurious Caprice Custom Coupe (below) and the stylish Chevelle Super Sport 396 Coupe. The Caprice Coupe is destined to be the style leader among regular size cars and the Chevelle Super Sport is distinguished by a new roof line with recessed rear window and a '396 SS' identification in grille and rear cove area. Caprice models feature distinctive wraparound rear lamps. Along with these two models, Chevrolet will offer 48 other models for 1966. Dealers will show the new cars for the first time Oct. 7.

2,190,700 Boys and Girls Are Enrolled In 4-H Club Programs in 50 States

More than 2,190,700 boys and girls, belonging to 94,800 4-H Clubs, observed National 4-H Club Week this fall, Sept. 25 to Oct. 2.

Sharing with them were parents, leaders, and 4-H friends in all 50 states and Puerto Rico. About 23,000,000 different young people have participated in the "learn by doing" program since 1914, when the Smith-Lever Act authorized Extension, and federal legislation first helped finance and conduct 4-H Club work. Figures show 4-H now extends far beyond rural areas—with 46 per cent of members coming from farm homes, 32 per cent from rural non-farm homes, and 22 per cent from urban homes. All races and creeds, and families of all economic backgrounds, are represented.

Purposes of National 4-H Club Week in 1965:

- To influence more young people to join or form 4-H Clubs.
- To acquaint more parents with 4-H and seek their cooperation.
- To encourage a larger number of capable men and women to become volunteer 4-H leaders.
- To increase public understanding of 4-H aims and methods, and expand support for activities throughout the year.
- To recognize the important part

played by friends of 4-H locally and nationally, and express appreciation to them.

4-H Year-Round Goals

Ten objectives guide 4-Hers in their head-heart-hands-health program. They are to:

1. Gain new knowledge, skills, and attitudes through real-life experiences.
2. Realize the satisfactions and dignity of work.
3. Develop leadership talents and abilities.
4. Recognize the value of research and learn decision-making processes.
5. Understand how agriculture and home economics contribute to the economy and human welfare.
6. Explore career opportunities and continue needed education.
7. Practice healthful living and constructive use of leisure time.
8. Appreciate nature and apply conservation principles.
9. Strengthen personal standards and citizenship ideals.
10. Cultivate desire and ability to cooperate with others.

Popular 4-H projects that are meeting youth needs today in town and country include plant and animal science, health and nutrition, clothing, personality improvement, career exploration, home beautifi-

cation, horsemanship, automotive care and safety, electrification, entomology, conservation, money management, leadership and citizenship development. Number of projects 4-Hers may choose from range from 25 in some states to about 95 in others.

Dogies Lose Tilt To Shorthorns

The Dogies lost a ball game last Thursday night when they met the tough Shorthorns at Bronte. Score in the contest was 28-0.

Randy Barbee started Bronte's scoring spree early in the first period when he crashed over the line for a TD. The host team made the extra points to make the score 8-0.

Early in the second period Robert Lee received a 5 yard penalty but rallied for a first down after engaging in some rough and tumble mid-field football, during which Thomason, Key and Dodson were Dogie ball carriers.

Bronte regained possession on a Dogie fumble. Fields stopped the ball carrier on the first try and the Shorthorns drew a 15 yard penalty for holding. Then Joe Basquez made a long run for another touchdown. James Vaughn ran the extra points to give the Shorthorns 8 more points.

After kicking off to the Dogies, the Shorthorns recovered a Dogie fumble and Basquez went for another counter. Try for extra points failed, and the score at halftime was 22-0.

Fields kicked off to start the second half of the ball game. Bronte drew a 5 yard penalty and was unable to make a first down. The Shorthorns kicked but recovered the ball after it was touched by a Dogie player. Then Robert Lee recovered a fumble and a nice run was made by Fields. However, the Dogies were forced again to kick and it went to Basquez who ran it back 55 yards for another Bronte touchdown.

Action in the 4th quarter saw Robert Lee draw a 5 yard penalty, a pass from Key to Thomason went incomplete and Bronte drew a 5 yard penalty. After a 1st down and near touchdown by Fields, the Dogies drew another 5 yard penalty. The Dogies lost the ball on as the final horn sounded.

Mr. and Mrs. J. O. Creighton of Elida, N. M., visited last week with her brother, A. J. Bilbo, and family.

Mrs. Paul Brown and Mrs. Marcus Turner of San Angelo visited Tuesday with their sisters, Mrs. A. J. Bilbo and Mrs. Freeman Clark. Mrs. Clark is in West Coke County Hospital with a broken knee cap received in a fall Saturday.

NOW! '66 CHEVROLETS

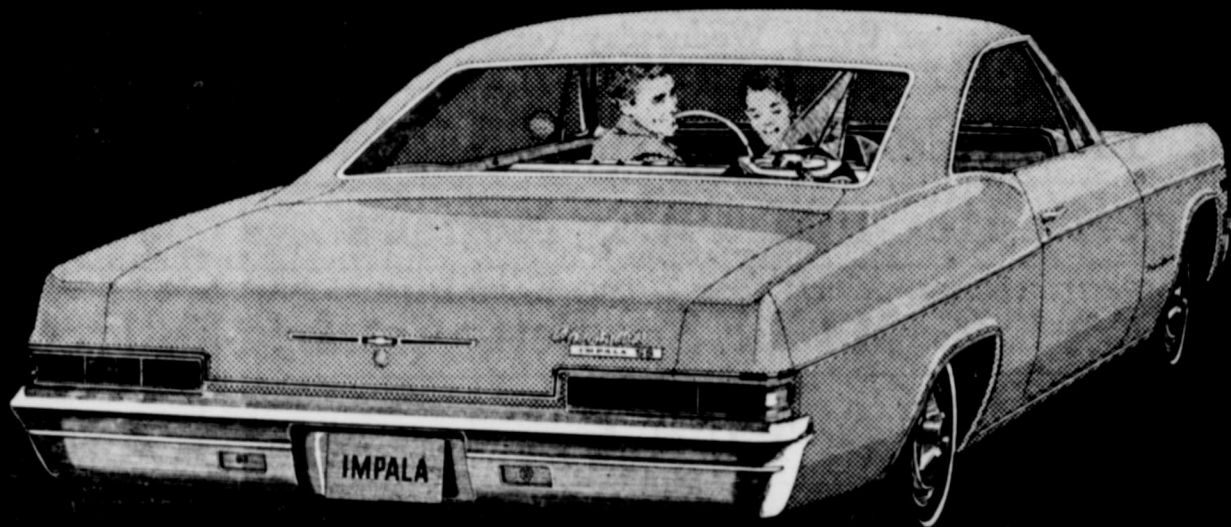

Caprice Custom Coupe

NEW **CAPRICE** BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

IMPALA

NEW CHEVROLET **JET-SMOOTHER**

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE **SUPER SPORT 396**

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevelles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevelles in all—and all as new inside as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR **UNIQUE**

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvair, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.

PTA Holds District Meeting at Silver

Sixteenth District of Texas Congress of Parents and Teachers held their fall board meeting Sept. 25 at Silver School.

Mrs. Alvie Cole, Sterling City, president of Sixteenth District, introduced Mrs. Chesley McDonald of Sterling City, state vice president, who spoke on "The Three C's — Communication, Cooperation and Cogitation." Mrs. McDonald said that it takes all three C's to make and keep a good, working, Parent Teacher Association.

A school of instruction was given for the district officers and chairmen by Mrs. McDonald. She stressed the importance of each officer knowing and performing their duties.

Mrs. Cole presided over the business meeting in the afternoon. A fall workshop for District Sixteen PTA units was planned for Oct. 16 at Bronte.

Twenty four district board members and three guests attended. Towns represented were Bronte, Robert Lee, Silver, Sterling City, Colorado City, Big Spring, Sweetwater, Maryneal, Ackerly and Lenora.

Coffee was served by Silver PTA.

Bronte Program Will Dedicate Ft. Chad. Marker

A program to dedicate the Fort Chadbourne marker in front of the Bronte city hall will be held Tuesday, Oct. 12, in the Bronte school auditorium. The program will begin at 1:40 p.m. and everyone in the area is invited.

Elton Mims, president of the Edwards Plateau Historical Association and member of the Coke County Historical Survey Committee, will be main speaker for the event. Mims, long active in various historical groups in West Texas, is considered an authority on Coke County and West Texas history. He is a resident of Coke County, and resides on his ranch near Water Valley.

Others on the program will include County Judge W. W. Thetford and Mrs. L. E. Dudley of Abilene, a member of the state historical survey committee. She will speak briefly on the "Ramps" program of the state committee.

Special guests and those on the program will eat lunch at the school cafeteria prior to the program. Included among the guests will be Mayor Royce Lee of Bronte and members of the Coke County historical survey committee, headed by Mrs. Bryan Yarbrough of Robert Lee.

The marker was erected in front of the city hall several months ago. On one side is a short history about Fort Chadbourne while it served as a frontier outpost for the U. S. Army. The other side gives some information about the post while it was under control of the Confederate States of America during the Civil War.

The public is cordially invited to attend the program.
