Robert Lee, Coke County, Texas, Thursday, October 14, 1965

Single Copy 10c

**CLOTHING EXHIBIT** — Mrs. Fred McCabe, Jr., left, and Mrs. Tom Rives show some of the items included in the clothing exhibit held last Friday and Saturday.

**OLD SPINNING WHEEL** — A. B. Sheppard turned to face the camera after examining an old spinning wheel which was exhibited by Mr. and Mrs. Finis Millican. The spinning wheel was one of many antiques the crowd found interesting.

## Outstanding Items Shown At Exhibition

By MRS. FAY C. ROE

Antiques, needlework, scrapbooks and gift items seemed to "steal the show" during the annual Coke County Exhibit Friday and Saturday. Over 175 persons, including many from out of the county, spent hours talking, looking and reminiscing as they viewed the many items on display in the Community Building in Robert Lee.

The Exhibit was sponsored by the Coke County Home Demonstration Council with the E.E.E. Committee in charge. Mrs. Tom E. Rives, chairman of the E.E.E., was general chairman of the show. Working with her were Mrs. Sloan Boone, Mrs. J. C. Boatright and Mrs. Fay C. Roe, home demonstration agent.

The antique division displayed many items over 100 years old. Among them were a spinning wheel owned by Mr. and Mrs. F. Millican of Silver; several quilts, a clock, glassware, books and Bibles.

A conversation piece was a coffin displayed by Mr. and Mrs. Sam Williams that was well over 70 years of age. Willie I Tubb of San Angelo, displayed a rare pistol and many items of historical interest from the Silver area. Members of the committee in charge of this exhibit were Mr. and Mrs. A. B. Sheppard, Mr. and Mrs. Ulmer Bird and Mmes. Bryan Yarborough and F. H. McCabe Jr.

Hand knitted sweaters and stoles and other articles of clothing were looked at and admired by visitors. Displaying handmade clothing articles were Mmes. J. B. Glenn, McCabe, Bobby Roberts, Frank Smith, Earl Boggus, B. J. Luckett,

Barton Waldrop and Gaylene Eldred. Committee in charge were Mmes. Luckett and Roberts.

Scrapbooks filled two large tables. Show visitors could be seen looking through the books, some laughing from pleasant memories, others moved by less happy memories. Mmes. R. L. Page and Delmir Sheppard were in charge.

Needlework, crafts, arts and gifts divisions contained hundreds of items of interest. Some articles were crocheted tablecloths, bedspreads, doilies, handpainted articles, quilts, pillows, aprons, colored bottles, ceramics, pictures, dolls, purses and many others. Workers in this large section were Mmes. Willis Smith, Edgar Bagwell, Frank Clawson, Lowell Roane and Pat Rives.

Beautiful flowers and plants that were grown in Coke County highlighted the horticulture division under supervision of Mmes. J. D. Harmon, Charles Ragsdale and Dave King.

Youth display was headed by Mrs. E. E. Eldred. Crafts and hobby items were shown.

R. L. Flanagan displayed several groups of arrowheads.

The hospitality committee, headed by Mrs. Glen Waldrop, served refreshments during the two day show. Homemade cookies were furnished by H.D. club members. Mrs. J. B. Arrott and Miss Gladys Waldrop assisted with the refreshments.

Mr. and Mrs. J. W. Swofford of Dallas visited recently in the home of Miss Ollie Green.

## Services Held Wednesday for Jack Capps, 53

Funeral services were held Wednesday at 2:30 p.m. in Northside Church of Christ for M. D. (Jack) Capps, 53, well known Robert Lee carpenter and contractor. Burial was in Paint Creek Cemetery under direction of Williams Funeral Home.

Mr. Capps died Monday at 3:20 p.m. after suffering an apparent heart attack. He was working on a construction job when he was stricken, and died suddenly. Efforts to revive him failed.

Mr. Capps was born Nov. 19, 1911 in Hazel, Okla. He came to Coke County in 1930 from Denton County. A bachelor, he served as a corporal in the U. S. Army Medical Corps during World War II.

Survivors include three brothers, George Capps of Sagle, Idaho, W. J. Capps of Robert Lee and A. J. Capps of Pilot Point.

Pallbearers were Martin Casey, B. F. Jeffries, Jett Hood, Roy P. Ross, Otho Long and Dale Brown.

## Kaye Roberts To Participate In Dress Revue

By MRS. FAY C. ROE

Who's the best 4-H seamstress in Texas?

Answer to this question will be provided by 46 4-H club girls Oct. 15-16 during the State 4-H Dress Revue in Dallas. Judges will be the 4-H finalists themselves, who will grade work of the other participants.

Traditionally, the state 4-H Dress Revue is a feature of the State Fair of Texas. Judging will take place Oct. 15 and winners will be announced at 3 p.m. in the Cactus Room of Hotel Adolphus.

Kaye Roberts, member of the Future Leaders 4-H club of Robert Lee, will be among 46 participants in the State Revue. She is the daughter of Mr. and Mrs. Artell Roberts of Robert Lee and will model a blue wool "hipster" dress that she constructed. Mrs. Roberts will attend the Revue Saturday.

Kaye will make the trip to Dallas with Miss LaWanda Osborne, assistant home demonstration agent from San Angelo. Director John E. Hutchison of the Texas Agri-

## Mitchell County Withdraws Suit

Apparently the last obstacle in the way of the big dam and lake on the Colorado River above Robert Lee has been cleared away and the Colorado River Municipal Water District has clear sailing ahead in its gigantic construction job.

CRMWD reached an agreement early this week with Mitchell County and the cities of Colorado City, Loraine and Westbrook, whereby they will withdraw their suits contesting building of the dam. In return for withdrawal of their suit, CRMWD agreed to give Mitchell

County and its three incorporated towns the right to call on the district any time in the future for needed water.

Joe Pickle of Big Spring, secretary of CRMWD, said Wednesday that the agreement did not give Mitchell County unlimited amounts of water but only the right to share in its use along with other users. Rate structure for Mitchell County and the three towns will be basically the same as for other users, Pickle said.

It is expected that representatives of Mitchell County will file a motion early next week in 53rd District Court in Austin asking that the suit against CRMWD be dismissed.

Surveying the site for the dam is progressing well, and some core drilling is already underway at the northwest end of the dam site.

In a meeting of the CRMWD board of directors Monday, a contract was signed with George Thompson of Sweetwater to serve as land appraiser in securing property for the dam and lake. A contract was also signed with Colorado State University to build a scale model of the dam's spillway.

Pickle said directors thought a scale model for testing purposes is necessary, in view of the \$2 million plus cost of the spillway.

Pickle said that CRMWD directors are hopeful they can take bids on some \$11 to \$12 million in bonds about March 1966. The money would be used in the construction job. He added that it is possible the district will be far enough along with the project by May or June to take construction bids.

## STEERS IDLE THIS WEEK

Robert Lee Steers will have a day off Friday, the only break in their busy ten-game schedule for 1965. The Steers' next contest will be Oct. 22.

Loraine is the only team in District 8-B which has a game this week. The Bulldogs will play at Forsan.

District 8-B teams didn't fare well in last week's contest, as the Bronte Longhorns were the district's only victors. Results were as follows: Bronte 14, Bangs 13; Eden 55, Robert Lee 6; Turkey 30, Jayton 22; Rule 12, Hermleigh 6.

Only two 8-B players are among the leading Class B scorers of this area. They are Eddie Morales of Jayton who is in third place, and Doug McCutchen of Bronte, who is in ninth place. Elroy Garcia of Eden, District 22-B, is in top place for this area, with 50 points this season.

## Boykin Re-Elected Farm Bureau Head

Coke County Farm Bureau had its annual convention Monday night in Bronte. A barbecue supper was served in the school cafeteria and the program followed in the auditorium.

Ben A. Boykin of Robert Lee was reelected president of the Coke County organization, which is made up of farmers and ranchers and others interested in and connected with agricultural activities of the area. Wayne Arrott was re-elected vice president, and Mrs. C. E. Arrott was re-named secretary-treasurer.

Half of the 14 directors of the organization were elected. They are: James Tidwell, Fred McCabe, Jr., R. Q. Spence, H. L. Reid, LeDrew Arrott, Louis Gallaway and Bert Blaylock.

Delegates elected to the state convention, which will be held Nov. 14-17 in Dallas, are James Allen, Finell Smith and Finis Millican. Alternates are Fred McCabe, Jr. and Ben A. Boykin.

The program was started with an invocation by County Agent Sterling Lindsey. President Boykin introduced guests and reports were given by Barbara Blaylock and Ferrell Jean Fikes on their trip to a citizenship seminar held last summer in Huntsville. Farm Bureau queens, Brenda Scott, Kaye Roberts, and Rosanna Boykin, were

recognized.

Boykin mentioned that the Farm Bureau Talent Find contest held last summer was won by Jerry Don Holcombe, who went on to win second place honors in the district. He also introduced Coke County second place winners, Janet Lee and Bennie Carol Oglesby, who sang a number for the audience.

Dolan Mackey and LeDrew Arrott showed slides made on their trip through the Middle West last summer. The tour, called "Institute on Wheels," took the men, along with hundreds of others, through Oklahoma, Kansas, Nebraska, Iowa, Illinois, Missouri and Arkansas.

O. T. Colvin spoke on the new loss of time insurance policy now being written by Farm Bureau Insurance Co., and Elroy Butler spoke briefly on the Farm Bureau tire program.

The group adopted three resolutions to be presented at the state convention:

To support legislation which would require truck dealers to inform truck buyers that they owe highway use tax when a vehicle is purchased.

To oppose compulsory check off on any agricultural commodity.

To reaffirm Farm Bureau's policy as set forth in 1964.

H. H. Holland won the door prize.

Mrs. Claud Dean has had as her guests for the weekend three of her daughters, Mrs. Nora May of New York City, Mrs. William Henry of Phoenix, Arizona, Mrs. D. H. Kingston and her daughter-in-law, Mrs. Johnny Kingston of Balmorhea.

Mr. and Mrs. Clifford Wilson were hosts Sunday to some friends, Mr. and Mrs. Sullivan and three children of Rankin.

#### Select Vitamin-Wise Vegetables

Be vitamin-wise when you select vegetables. In general, freshly harvested vegetables have more vitamins than those held in storage. You get several times as much vitamin A value from bright-orange, mature carrots as from pale-colored, young ones. Even so, young carrots are a good source of vitamin A. Choose them if you prefer. Deep-orange sweet potatoes have a maximum vitamin A value.

Good sources of riboflavin as well as vitamins A and C are turnip greens, kale and collards. Appreciable amounts of thiamine and protein are contained by lima beans, peas and young cowpeas, including black-eye peas.

The dark-green leafy vegetables are richer in nutrients — particularly vitamin A, calcium and iron, than light green vegetables. Leaf lettuce has more vitamin A value than pale-green head lettuce. The dark-green, outer leaves of head lettuce are much higher in vita-

min A value than the inner leaves. For maximum food value, look for dark-green lettuce.

If the tops of beets are attached and still tender when you buy them, cook them. They are good sources of vitamin A. Peppers are high in vitamins A and C.

For some good vegetable recipes to put variety in your meals, call or write me for a free copy of B-923, Vegetables, and B-945, Salads.

#### Teenage Marriages Increasing

Parents of pre-teens, here's a question for your consideration: Will your youngster soon join the ranks of married teenagers?

Not much chance with your youngster, you may say. But you had better look again if your teenager is a girl.

Studies show that you have almost a 50-50 chance of a teenage daughter marrying before she is 20. In 1960, 48% of all Texas' girls — or some 156,000 young women between the ages of 14 and 19 — were or at some time had been married. This high rate of teenage marriages isn't likely to go down a great deal.

You can help prepare your daughter or son for responsibilities of marriage and a home by encouraging them to enroll in high school home economics courses which teach management in the family and consumer buying. You can also urge them to take courses which teach management in the family and consumer buying. You can also urge them to take courses which may be offered in family relationships or family living.

These courses may not prevent teenage marriages, but they do afford a chance to prevent some teenage divorces. A frequent cause of marital problems is money. Parents can give their youngsters sound preparation for the future by teaching them to do the family grocery shopping or keeping the family business records or paying the family bills.

#### Home Economics Briefs

It's apple season again, and leading varieties now on the market are Jonathan, Red and Golden Delicious. There's an apple for every purpose, so select the best variety to fit your need. The sweet-flavored delicious varieties are best for eating out of hand. For baking, choose a variety that will hold its shape when cooked. Apples with a tart flavor that cook tender in a short time are best choices for pie or sauce.

#### Schedule

Thursday, Oct. 14 — Office  
Friday, Oct. 15 — 9:15 a.m., 4-H

leader training, conference room. 2 p.m., clothing class, Mission Baptist Church.

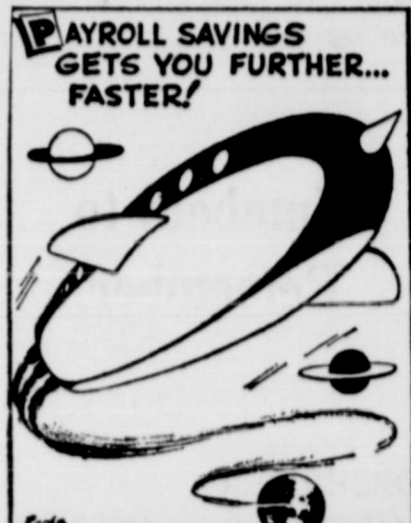

Monday, Oct. 18 — Office; 2 p.m., 4-H leader meeting, Bronte school.  
Tuesday, Oct. 19 — 9:30 a.m., Silver 4-H leader meeting; 1:30 p.m., family living committee, conference room; 7 p.m., 4-H council, conference room.

Wednesday - Friday, Oct. 20-22 — San Angelo, district THDA meeting.

**AT MARKER DEDICATION** — Standing around the marker which was dedicated at Bronte Tuesday afternoon are persons who were on the program. From left, Mrs. L. E. Dudley of Abilene, vice president of the State Historical Survey Committee; Bronte Mayor Royce Lee; Ulmer

Bird, member of the Coke County Committee; Mrs. Bryan Yarbrough, president of the Coke County committee; County Judge W. W. Thetford; Elton Mims, president of the Edwards Plateau Historical Association, who was the principal speaker.

**RL History Class Hears Dedication**

A history class, under the direction of Frank Coalson, attended a program in Bronte Tuesday afternoon. Purpose of the gathering, which was held in the school auditorium, was to dedicate a historical marker commemorating Fort Chadbourne. The marker is situated on the city hall plaza in downtown Bronte.

Mayor Royce Lee presided at the program and introduced Supt. C. B. Barbee who gave a short welcome to visitors and led the group in reciting the Pledge of Allegiance to the Flag. Ulmer S. Bird, Sanco ranchman and member of the Coke County Historical Survey Committee, gave the invocation.

Judge W. W. Thetford spoke briefly on the county committee and its relation to the county government and introduced Mrs. Bryan Yarbrough, president of the committee. She told of some of the work of the committee and touched on the colorful history of this county.

Elton Mims of Water Valley, president of the Edwards Plateau Historical Association, introduced Mrs. L. E. Dudley of Abilene, vice president of the Texas Historical Committee and prominent Texas club woman. Mrs. Dudley spoke on the RAMPs program of the state committee, and stated that the five initials which make up the word stand for Recording, Appreciation, Markings, Preservation and Surveys.

Mims was the main speaker at the dedication program. He outlined the history of Fort Chad-

bourne from its beginning on Oct. 28, 1852, up until it became headquarters for ranching activities for Col. Garland Odom in 1876. The fort is still in possession of the colonel's descendants.

In his talk, Mims said, "Coke County has more history than you can see in Wagon Train, Rawhide, The Virginian and Gunsmoke." He pointed out that Fort Chadbourne was established as one of ten frontier forts to protect the advancing white man from attack from marauding Indians. The fort was named for Lt. Theodore Lincoln Chadbourne, a native of Maine who was killed during the Mexican War at the battle of Resaca de la Palma.

The fort was used by United States forces until 1861, when it was abandoned because of the Civil War. Confederate troops were in charge of the outpost until cessation of hostilities, when U. S. troops once again occupied Fort Chadbourne. It was finally abandoned in 1867.

In addition to being an outpost to protect settlers against Indians, it was an important station on the Overland Stage route, better known as the Butterfield Trail. The Overland company operated stage coaches from St. Louis, Mo., to San Francisco, Calif., and one of the stops was at Fort Chadbourne.

The speaker emphasized that every resident of Coke County, particularly school students, should acquaint himself with the rich heritage of this area and "take pride that so much of our state's history took place in our own county."

**BCD TALKS LOW RENT HOUSING, DAM CONSTRUCTION AT MEETING**

H. S. Lewis Jr. told BCD members at their regular luncheon meeting Tuesday that confirmation has been received that Robert Lee has been approved for some low rent housing units. The approval was received in a phone call to the Federal Housing Authority. Lewis stated that some definite word on construction should be received within the next two weeks.

Gerald Allen told the group that O. H. Ivie, manager of the Colorado River Municipal Water District plans to meet with the BCD Oct. 27. Allen said that Ivie told him he would have a map to show the group. The map will show this area along with plans for the dam and lake on the Colorado River above town.

Supt. Jimmy Bickley told the group that the school board recently approved Robert Lee School's participation in the Small School's Program. Purpose of the program is to improve educational facilities and teaching methods in schools with under 500 scholastics.

Bickley also stated that the board has decided to go ahead with a heating project for the gymnasium and band hall. The board decided, he said, that even if a school remodeling project is carried out in the future, the equipment could still be used.

Sterling Lindsey said Sheriff Melvin Childress has approached him about sending a letter to Lt. A. G. Dalton of San Angelo in regard to

obtaining a Highway Patrolman for the Coke County area. Lindsey is a person friend of the lieutenant, and the BCD gave its blessing to pursuing the project further.

Seventeen members and one guest were present. Wayne Miller, a sporting goods firm representative, was a guest of Bill Tom Roach.

## PTA To Meet Thursday Night

Superintendent Jimmy Bickley will speak on "Developing a Community Climate for Education" at the PTA meeting to be held Thursday (tonight) at 7:30 p.m. in the Robert Lee high school auditorium.

In a previous meeting two weeks ago, plans for a Halloween Carnival were discussed. The committee chairmen have voted to have the carnival with the purpose in mind of using the money for air conditioning in the school auditorium. Classes have chosen their king and queen candidates.

School patrons are urged to attend the meeting.

## Game Mgt. Group To Meet Sat. Night

Annual meeting of the Coke County Game Management Association will be held Saturday night at the Bronte County Park. Everyone is invited to start gathering at 5 p.m. for an hour of renewing acquaintances. At 6 p.m. a barbecue supper will be served, followed by a business session and program.

C. E. Arrott, president of the association, said that all members, as well as others who are interested in game management, are invited to the annual supper and program. Wives are also invited to attend.

A letter signed by Arrott and Secretary-Treasurer Melvin Childress, said, "Come prepared to enjoy a good meal and program, to do some visiting and to help with the business of the association."

## Dentist's Office Closed Friday

Dr. Don A. Smith, who has operated a dentist office in Robert Lee the past several months, closed the office last Friday and has moved to Dallas.

Dr. Smith announced before he left that records of his patients were left at West Coke County Hospital and may be picked up there.

Mrs. Polly Roe, who owns the building where the office is located, said that every effort is being used to secure another dentist to take Dr. Smith's place. She said she is hopeful a dentist will move here for permanent practice.

## Absentee Amendment Voting Underway

Absentee voting started Wednesday on ten Constitutional Amendments which are being submitted to voters of Texas in a special election Nov. 2.

Ballots have been delivered to the office of County Clerk J. L. (Chilly) Tinkler and persons who are unable to go to the polls on election day may obtain ballots from him and vote absentee.

## CORRECTION

(Editor's Note: It is extremely easy to get corrected information after an error has been published in a newspaper, but The Observer was unable to obtain correct data before a story was written for last week's paper concerning Robert Lee college students. We received incorrect information on the following young people and are glad to publish below the corrections.)

James Waldrop is attending San Angelo Business College after attending San Angelo College last year.

Joe Roe is attending Angelo State College, after spending his first year at Sul Ross and his sophomore year at SAC.

Mike Malone is in his first year of college at Texas Tech.

Shirley Roe is looking for employment and plans to attend night school at Abilene or San Angelo.

### QUINCEY WRIGHT IS SILVER 4-H CLUB HEAD

Quincey Wright was elected president of the Silver 4-H club in a recent meeting held in school. Other officers elected were Debra Beal, vice-president; Nita Gay Copeland, secretary; Marsha Duncan reporter; and Susan Prentice, recreation chairman.

The club will meet on the fourth Wednesday of each month. Mrs. Fay C. Roe, county home demonstration agent, was present for the meeting. She discussed plans for the year's work.

Bill Rankin Roach, student at Texas Christian University in Fort Worth, spent the weekend here with his parents, Mr. and Mrs. Bill Tom Roach. He was accompanied by Charles Machemehl of Brenham, also a TCU student.

## PERSONALS

The Observer, Robert Lee, Texas

Oct. 14, 1965

Paul and Jerry Tinkler, son of Mr. and Mrs. J. L. Tinkler recently received discharges from the U. S. Army. Paul was discharged Aug. 18 and is at home with his family in San Landro, Calif., and is expecting to visit his parents here soon. Jerry received his discharge Sept. 13 at Oakland, Calif., and after spending a week visiting Paul and family, arrived home for a visit. He has been employed with Cherry, Eckert and Story Accounting firm in San Angelo and is scheduled to begin work there this week. He was stationed in Hawaii during his two year enlistment.

Mrs. George Pennington of Midland, Mrs. Jimmy Kuhn and Robert of Childress, visited Saturday and Sunday with their parents, Mr. and Mrs. C. E. Mathers, and other Robert Lee relatives.

Mrs. Bell Parker recently moved to San Angelo to make her home with her daughter, Mrs. Josephine Linley at 1518 South Park St.

## A NEW DENOMINATION

## A NEW REASON TO BUY U. S. SAVINGS BONDS

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

# '66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair & Corvette at your Chevrolet dealer's

## LAST ISSUE

### the BIG difference

Startling words, aren't they. Could this be the last issue?

What were your immediate thoughts? What if you saw the same headline in the daily newspaper you read every morning or afternoon?

Your first thoughts characterize the theme of National Newspaper Week, being observed October 11-17—Newspapers Make a BIG Difference in People's Lives!

What would your reaction be if you didn't have The Observer each week? Even a hometown weekly newspaper—with no state, national or international news. A newspaper without comics, without the many syndicated columnists, without TV supplements or all that the big dailies offer. You'd find a definite void in your world here in Coke County, Texas, just as people in Ballinger, or Muleshoe, or Stephenville, would find a void should their newspapers cease publication.

Newspapers do make a BIG difference in people's lives. Whether

you agree or disagree with the editorial philosophy of a newspaper; whether you like or dislike the manager or any of the people who help put out your newspaper; you find the newspaper as the permanent, printed record of the events of the day. You find the facts, easily digestible, chronicled for history in your newspaper.

In countries and towns behind the iron curtain newspapers are controlled by the state, and people read only that which the dictators feel should be read.

In America a free press is guaranteed by the Constitution, and to remain free, the press must guard the freedoms guaranteed to the people.

LAST ISSUE? Hardly, but we do like to stop and take stock during National Newspaper Week each year to rededicate ourselves to serving the people of Coke County and this area so that we can say that The Observer makes a BIG difference in Coke Countians lives.

# Steers Drop Game To Eden Bulldogs, 55-6

By RONNIE BAKER

A good licking from a good team. The Eden quarterback was still superb in his handling of the ball, and his passing is something else. He could hit a 5 gallon bucket at 40 yards. The Eden team has to be praised for the way they move the ball and they have one of the finest kickers in this part of the country. He kicked soccer style (with the side of his foot) and he didn't miss either. The Steers fought, but it wasn't enough for this type of competition, they were ready, we weren't.

### First Quarter

The Steers received the opening kickoff and returned it to the 30 yard line. The Steers moved 40 yards and looked good only to reach the Eden 30 yard line and bog down. Williams punt into the end zone was brought out to the 20. Eden then moved downfield to the Robert Lee 40 yard line where with 2nd and 3, Stansberry, the Eden quarterback, hit his right end 30 yards out and he raced into the end zone for a touchdown. Kick for extras was good and Eden led 7-0.

The kickoff to the Steers was returned to the 32 yard line by Parker where Eden held with short yardage made and Williams punted to the Eden 35 yard line. Eden then drove to the Steer 45 as the quarter ended.

### Second Quarter

As play continued, the Bulldogs continued their drive downfield 2, 4, and 5 yards at a whack. On 2nd and goal to go, Stansberry kept around his right end and went in for another T.D. The extra point kick was good and Eden led 14 to 0.

The kickoff went to Wink and was returned to the 25 yard line. The Steers moved to their own 33 before having to punt. Williams kicked to their 41 where the ball was downed. Eden drove to the Steer 14 and with a show of defense, the Steers held and forced the Bulldogs into a field goal situation, which is fine with a kicker like Eden's. Konz kicked the ball through the uprights for 3 points and ran the score to 17-0. Williams took the kickoff and returned it to the 22 yard line. A screen pass moved the ball to the 41 for a first down. Two plays later with 3rd and 6 the first half came to an end.

### Third Quarter

Eden received the 2nd half kickoff and brought it out to the 31 yard line. On the first play from scrimmage, Eden's right half back burst through and was long gone, 69 yards for a quick T.D. The kick was good again and Eden led 24-0.

Williams returned the kickoff to the 25. On the first play, the Steers fumbled, with the ball bouncing back to the 15 yard line where the Bulldogs recovered. But they ran one play and fumbled at the 10 and Wink recovered for the Steers.

Eden was tough and the Steers were forced to punt again. With the punt going to the 46 yard line, the Bulldogs brought it back on a fine run to the 26 yard line. The Bulldogs were penalized 15 yards to put them back on the 41 yard line. A fine 26 yard pass put the ball back on the 15 and with a 1st and 10, they skirted the right side for a TD. The try for extra points was blocked by Bloodworth and Eden led 30-0.

The Steers received the kickoff and moved to the 27 yard line and again were forced to punt. Eden made a fine return to the Steer 43 yard line. Again a few yards at a time, they moved to score with the final run of 12 yards. The try for points failed, making the Bulldogs lead 36-0.

Ray Roe returned the kickoff to the 32 yard line where again the Steers were stopped and forced to punt. Williams' punt went to the Eden 30 and it was returned to the Steer 35 yard line. There was time for only one play before the end of the quarter.

### Fourth Quarter

As the quarter begins with 2nd and 9, Stansberry threw a quick strike to his left half who sped 34 yard for a touchdown. The kick was good and Eden was ahead 43-0.

At this point the Steers had one moment of glory. Williams took the kickoff on his own 10 yard line and started down the right sideline. After a few blocks were thrown, all he had to do was run and he went all the way, 90 yards for the Steers only score of the night. The try for points failed and the score was 43 to 6.

Williams kicked to Eden with a try for an on side kick but it went out of bounds at the Eden 43 where the Bulldogs took possession. Stansberry went to the air again, tossing the ball 30 yards like an arrow and the receiver was brought down at the 18 yard line. Eden's right half back then skirted left end for the TD. The extra point kick was blocked and Eden led 49-6.

The kickoff to Wink was returned to the Steer 25. Robert Lee then drove 50 yards down field only to loose possession at the Eden 26. Eder ran one play for 4 yards and then Mr. Stansberry cut loose again. He hit his man at the 45 yard line and with a long stride the receiver outran or ran over the Steers on a 70 yard touchdown romp. Extra point try was blocked and Eden led 55-6.

The rest of the game was checkmate. The Steers had two passes intercepted and the Bulldogs would give it back to them on fumbles. The game ended as Eden fumbled on an attempted pass.

### Rev. Bill Beaty Conducts Bible Study for Ladies

The Rev. Bill Beaty directed the Bible study held Tuesday, Oct. 12 at the Baptist Church. His subject was "Possessing the Land of Promise". The call to prayer was given by Mrs. Gerald Allen with the prayer for missionaries.

Mrs. Cumbie Ivey, circle chairman, was in charge. Mrs. Virgil Streng was a guest.

On Wednesday night, Oct. 6, the Dale Moore and Sue Snider circle met at the church for the Royal Service program "Proclaiming through Woman's Missionary Society."

Mrs. Cumbie Ivey, Dale Moore circle chairman, called the meeting to order. Mrs. Hays Prince read the call to prayer with the prayer for missionaries led by Mrs. S. R. Young.

Other program parts included: scripture, Mrs. Cumbie Ivey; a vocal trio, Mmes. Victor Wojtek, John Stewart and Cumbie Ivey; outline of the year's work; stewardship, Mrs. John Stewart; plans for mission study, Mrs. Mark Chumley; prayer, Mrs. Hays Prince; programs, Mrs. Gerald Allen; community missions, Mrs. Curtis Walker; watchword for the year, Mrs. Allen; closing prayer, Mrs. Frank Coalson.

Mrs. Martin Casey has returned home after a weeks visit with her daughter, Mrs. Carl McDaniel, and family at Midland, and another week with his brother and family, Mr. and Mrs. Warren Bessent at Pecos.

In case of fire Dial 453-4291.

### KAYE ROBERTS —

Continued from Page 1

cultural Extension Service will introduce participants and announce winners.

Two public Dress Revue presentations are scheduled for 10 and 11 a.m. Oct. 16 in the theater of the women's building at State Fair Park.

Top winner of the event will receive a trip to the National 4-H Club Congress in Chicago this fall and will model her prize-winning ensemble there.

Cotton will be in the spotlight at the State Dress Revue, and the girl with the most outstanding cotton garment will receive a \$50 certificate for the purchase of cotton fabric.

Girls competing in the Dress Revue represent about 16,000 Texans enrolled in the 4-H clothing program this year. In order to qualify for the state event, contestants had to first win top awards in county and district dress revues.

### HOSPITAL NEWS

Oct. 5 — Mrs. Laura McDorman admitted.

Oct. 6 — Mrs. F. C. Clark dismissed.

Oct. 7 — Mrs. Laura McDorman dismissed.
