## For enlarged commission

# Youts to order election Monday

"SEEING IS BELIEVING—the economic losses here are self-evident," Secretary of Agriculture Bob Bergland [in vest] tells reporters while surveying the hail damage to Billy Smith's cotton crop in Lamb County Thursday. Helping Bergland field reporters' questions are Smith [left], Congressman Kent Hance

[in suit] and Texas Agriculture Commissioner Reagan Brown [behind Hance]. Bergland said during his whirlwind tour of crop damage in the area that he hopes the USDA can "formulate some programs that are tailor-made for individual areas and situations, such as exist here."

Petitions signed by 364 persons have been turned in to Mayor Elmer Youts, calling for an election in November to change the present three-man city commission to a six-man governing board, with five aldermen and a mayor.

Youts said the signatures must be certified by Monday, and asked that anyone else carrying petitions deliver them to him this week. The petitions began circulating the week of July 23.

Petitions bearing the signatures of 10% of the city's registered voters are required to call the election. City Attorney Jack Edwards has said that 195 certified signatures would be required.

Youts said he plans to order the election Monday, after certifying the legally required number of signatures. The earliest date the election may

be held, under state law, is Nov. 6, City Attorney Jack Edwards said.

Youts has openly supported the aldermanic form of government, while Commissioners J. R. Brown and Chet Braafladt—who voted against the change last year—have said they aren't opposed to the different form of government but are concerned whether enough candidates would be willing to serve on a five-man board of aldermen.

Youts started pushing for a larger governing board in July after being outvoted on a proposed raise in police salaries.

Brown and Braafladt said they opposed the raise because it had already been discussed and excluded from the adopted city budget, and because it would not be accompanied by similar raises for other city employees.

## '59 and '54 classes of DHS set reunions

Class reunions for Dimmitt High School exes will be a part of the annual DHS Homecoming weekend Oct. 5 and 6, with the graduates of 1959 as the honored class this year. The Class of 1954 has also announced plans for its silver anniversary reunion.

Activities for the '59ers will start at the pep rally Friday afternoon. Class members will sit together and be recognized on the program. A reception will follow the pep rally, in the DHS home economics department.

After the Dimmitt-Tulia game that night, the class will hold a get-together in the home of Don and Carlee Warren. He is one of the '59 grads. A noon luncheon at the Colonial Inn Saturday will conclude entertainment for graduates and their families.

Arrangements are being made by Brenda Andrews, Patsy Roberts, Marilyn Ginn and Sandra Nelson. They report that of the 43 who graduated in the class, all but two have been located and a num-

ber are expected for the reunion. Two members of the class are deceased.

Officers of the group were Morris Westberry, now of Canyon, president; Gordon Thanisch, Arlington, vice-president; Sandra Leeth Michels, Houston, treasurer; Lynn Hendrix Langford, Amarillo, secretary; Jo Beecher, now living in Germany, reporter; James Rogers, Carrollton, and Gary Wyatt, Pasadena, Tex., business managers.

Avis and Ralph Smith were the class sponsors. The Class of 1954 will hold its reunion from 11 a.m. to 2 p.m. Oct. 6, according to Carolyn Sides. Efforts are being made to contact all its members.

Any other class planning a reunion is asked to notify the high school office to aid in arranging Homecoming programs. The Castro County News will publicize announcements for classes wishing to contact members if the announcement is brought or telephoned to the office.

## Hereford man announces state senate candidacy

Gerald McCathern of Hereford became the first announced candidate for State Senator from District 31, the seat now held by Republican Bob Price of Pampa, when he confirmed at a news conference last week that he will be in the Democratic primary race.

Two other Hereford men, Clint Formby and Bill Sarpalius, as well as Mel Phillips of Amarillo have said they are considering making the race but have not announced formally.

"I feel that my educational and business background reflects my qualifications to the people of District 31," McCathern said. "I can relate to the problems of all the people—labor, business, educators, the oil and gas industry, as well as agriculture."

McCathern is past chairman of the agriculture committee of the Deaf Smith County Chamber of Commerce, voted outstanding farmer in Deaf Smith County in 1968 by the Lions Club, served as vice-president of the Texas State National Farmers Organization, secretary of the Texas Grain Sorghum Producers Board, a director of the US Food Grains Council and was a leader in the American Agriculture Movement.

"The problems confronting us today in energy, inflation,

education, and taxation demand that we have the best qualified persons possible serving in our state legislature.

"I pledge to the 31st District that, when elected, I can and will dedicate my time to being a servant of the people of District 31, a senator that the people can be proud to have representing them," McCathern said.

## File this away for future use

Secretary of Agriculture Bob Bergland said last Thursday, while standing in Billy Smith's hailed-out cotton field near Littlefield:

"Ted Kennedy won't run

"I've been in 14 campaigns in 30 years, losing two and winning the rest. With that number of years, you develop some instincts, and my instinct is that Ted Kennedy won't run (for the Democratic presidential nomination).

"It would be foolish for him to get into a knock-down, drag-out fight with President Carter. It doesn't make any political sense.

"I know what I'm talking about—I'm from Minnesota, and up there we Democrats get into a big split and fight about every 10 years, and hand it over to the Republicans."

## Bergland promises 'full support'

After touring hailed-out cropland in the South Plains last Thursday, Secretary of Agriculture Bob Bergland promised full federal support to stricken farmers.

"ASCS disaster payments will be made routinely, and quickly," Bergland said, "and I'm going to be instructing the Farmers Home Administration to get the loan program going, to get the necessary loans made or extended as quickly as possible."

He added, "We have statutory limits in the Farmers Home Administration as to how much we can loan for operating purposes. But there is no limit on disaster loans, and we intend to use them to the fullest extent—especially for the farmers who have been hit three years in a row."

Congressman Kent Hance, who arranged Bergland's tour, termed it a "highly successful" effort.

"The Secretary said he would get the Farmers Home Administration to do everything possible to make new loans, extend old loans, and to avoid foreclosures if at all possible," Hance said.

Hance had proposed a 20% reduction in outstanding FmHA loans to hail-stricken

farmers, but admitted last Thursday that he didn't really expect to get it.

"The Secretary told me that with the budget process, it would be very, very difficult to get the 20% reduction," Hance said. "I thought it would be difficult, so I was hoping to get a compromise solution—a five-year extension of present loans and a pledge against foreclosures. The Secretary agreed to this, and I think this is the most important accomplishment we had at this meeting."

Bergland also said he'd like to see future USDA programs tailored to fit the needs of different areas, instead of being generalized on the basis of national averages.

Fielding reporters' questions in a hailed-out cotton field near Littlefield, Bergland said, "The main reason I'm here is to see if we can't formulate some programs that are tailor-made for individual areas and situations such as exist here."

In the past, he said, farm programs have been written in general terms, "but the problems here are considerably different than those in New York, Minnesota or Maine."

He specifically mentioned the federal crop insurance

program. Saying that the old program "wasn't very good, really," he outlined plans for a new crop insurance program that could be tailored for different areas according to cost of production, risk factors and crop history, "which I think will be a tremendous improvement over what we've had in the past."

During the Thursday morning tour and at a public meeting in the Lubbock Civic Center auditorium that afternoon, Bergland defended the Carter Administration's farm policies—especially the grain reserve and export programs—and ruled out the "bushel of wheat for a barrel of oil" idea as unrealistic.

Present farm programs "are better than they have been," he said, and have resulted in higher prices for farm products this year, "except in a few places."

"If it weren't for the grain reserve program, corn prices this year would be a disaster, with the record corn crop—they'd be down there around the loan rate," the Secretary commented.

The oil-producing countries of the Middle East, he said, "don't need our wheat nearly as badly as we need their oil. If we go up on our price, they'll simply go elsewhere. We don't have that much muscle with them, and after all, how big is Saudi Arabia? Six million people—half as many as Texas."

He said an increase in US grain prices could also jeopardize exports to Japan and other nations that are large-volume buyers of US commodities. He also said that poor nations would have to cut their present imports of US farm products if the US raised prices "because they won't have any more money than they have now to spend for our grain—they could use more of our grain, but they're

limited on how much money they can spend overall."

Among the 100 or more who accompanied Bergland on his inspection tour of South Plains cropland Thursday were County Judge M. L. Simpson Jr., County Commissioner Anna Margaret Moss, Carl King, president of the Texas Corn Growers Association and state Democratic executive committee member, Texas Agriculture Commissioner Reagan Brown, and a host of state and federal officials and reporters.

King also co-hosted a banquet at noon Thursday honoring Bergland, Hance and Congressman Charles Stenholm. A large delegation of Castro Countyans was present at the luncheon in the Hilton Inn banquet hall.

## Homecoming set at DHS

Homecoming week for Dimmitt High School will be climaxed by the Bobcat-Tulia game to be played at 8 p.m. Oct. 5 at Bobcat Stadium.

Students will come to school dressed in their western attire Tuesday for western day at DHS. Hall decoration night will begin at 4 p.m. Tuesday, and the students will have until 9 p.m. to decorate the high school halls for Spirit Week.

Class T-shirts will be worn on class day, Wednesday. Trash day is Wednesday. School will dismiss at 2:40 p.m. to give the students an opportunity to collect trash for the bonfire next Thursday night, where the Flame King and Queen will be presented and crowned.

The bonfire will be held at 8 p.m. Thursday east of the high school gym.

The public is invited to attend the pep rally Friday. The annual FHA barbecue will be served from 5-7 p.m. in the East cafeteria at Richardson Elementary School.

Students will come to school Friday dressed in their best attire for the school's dress-up day.

The Spirit Week dance will be held in the west cafeteria at Richardson Elementary School after the game.

Homecoming in the Nazareth School is planned for Oct. 12 and Hart plans its homecoming for Oct. 19.

## Beet crop prospects promise bumper yield

The 1979 sugar beet crop in Castro County is "encouraging, and we expect a bumper harvest" starting Oct. 9, according to Calvin Jones, agricultural manager of the Holly Sugar Corp. Hereford plant.

Beets that were defoliated by hard hailstorms of late summer have been sampled the past two weeks and show the sugar content holding at a high level, Jones said. Sugar content on the entire crop is up somewhat this year, he added.

Growers were concerned that the hail-damaged plants would expend energy growing new leaves above ground, and so cut down on the sugar content of the beets, but this has not occurred to a great extent, Jones explained. Optimum moisture in the soil prevented growth from affecting sugar content.

"The foliage has continued to grow due to timely rains and shows good recovery from the hail damage," he said. "At the same time the sugar content has not dropped drastically. It was fortunate that the hail came about six weeks before harvest."

## New CofC manager is Delores Golden

Delores Golden will be the new Dimmitt Chamber of Commerce manager, and is already at the chamber office learning her duties, the Board of Directors has announced.

Mrs. Golden will succeed Shirley Hall, who recently resigned and will leave the manager's job Oct. 1.

"I am looking forward to working with the people of Dimmitt in the Chamber of Commerce," the new manager said Monday.

Mrs. Golden has lived in Dimmitt since early childhood and is a 1970 graduate of Dimmitt High School. She has been employed the past year in the accounting department of the Dimmitt Amstar Plant.

A member of First Baptist Church, she is a Sunday School teacher and an active member of Baptist Young Women. She is a member and

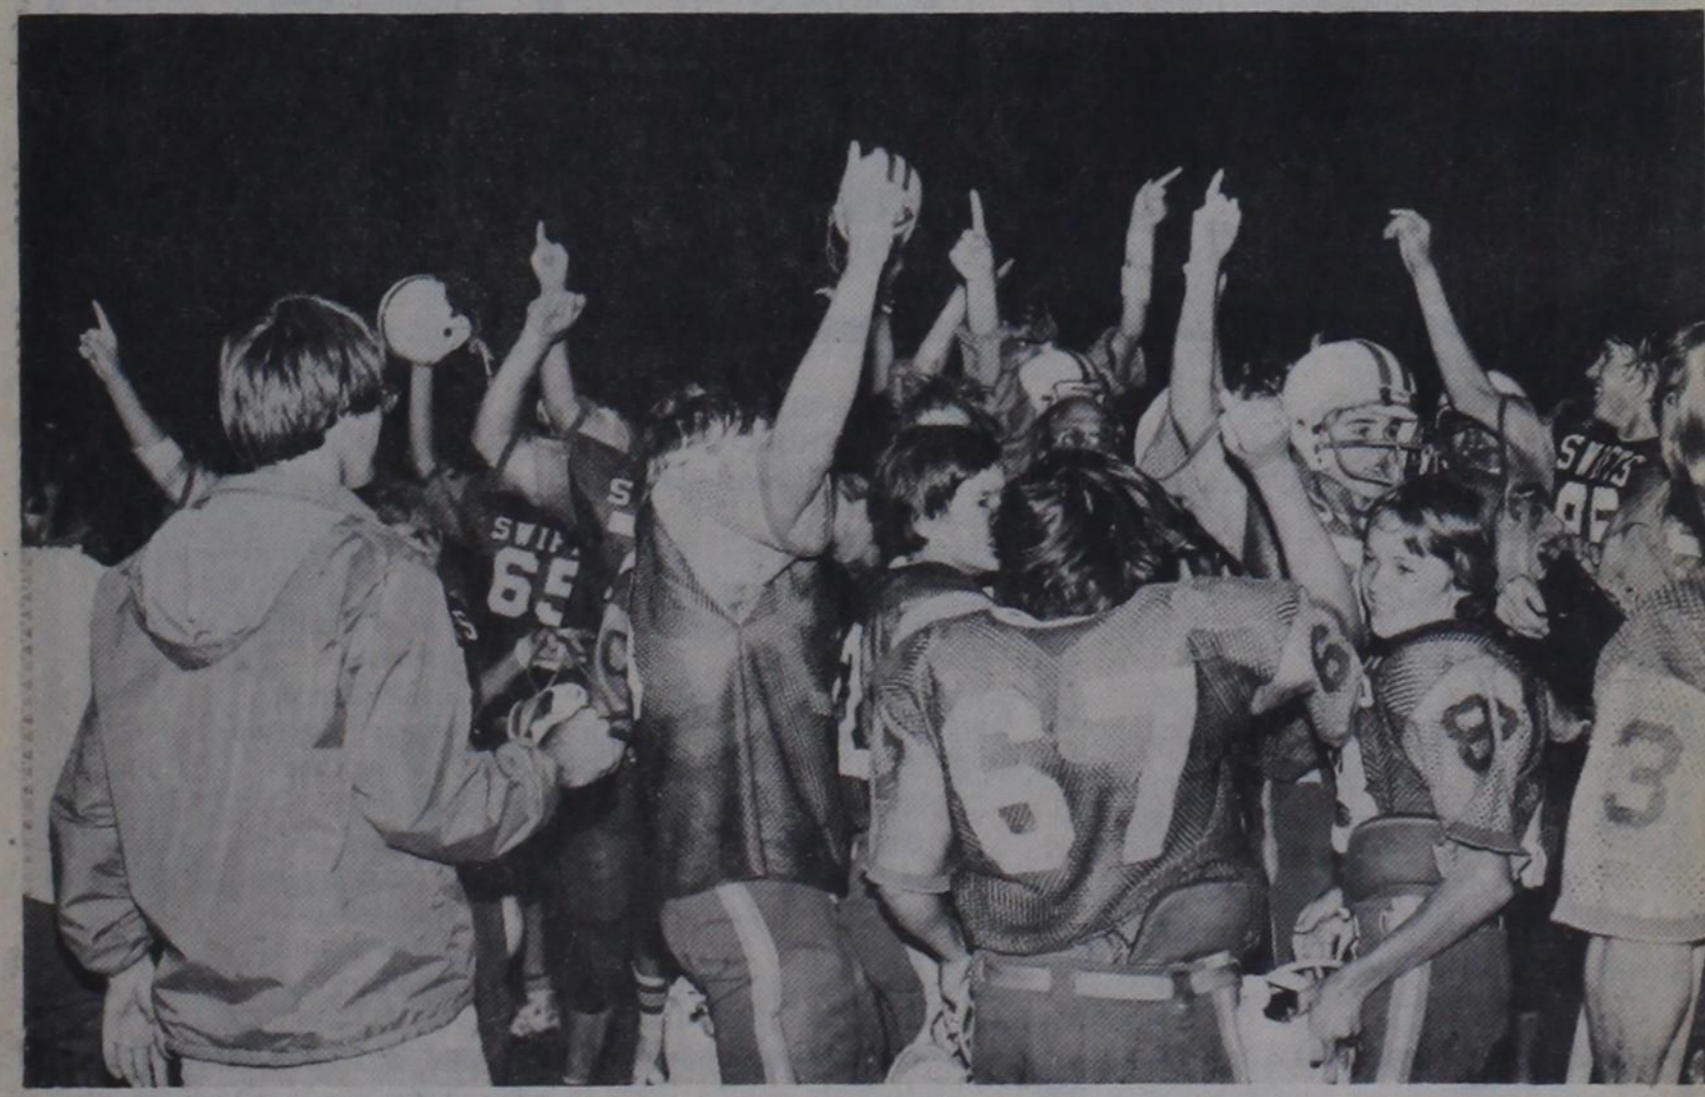

past officer of Alpha Epsilon Tau Chapter, Beta Sigma Phi sorority. She has been active in working with the Heart Association and the American Cancer Society fund raising campaigns.

As chamber manager she will be responsible for the operation of the Chamber of Commerce office, communicating with the chamber membership and working with various projects and activities.

Mrs. Golden lives with her three children at 901 West Bedford.

"We appreciate the outstanding work of Shirley Hall in the Chamber Office and we wish her success in her future endeavors," Chamber President Jerry Marvin said.

"We feel fortunate to have Delores joining us in our work for a bigger and better Dimmitt."

JUBILATION—This is all you need to know about the annual Hart-Nazareth shootout Friday night at Nazareth. The blue-clad Swifts gather in celebration at midfield after the final buzzer to celebrate their 7-0 victory over their intra-county rivals. The arm in the middle, with a sleeve on it, belongs to

NHS Head Coach Eddie Hooper. In left foreground is Assistant Coach Bud Birks. The Swifts scored in the first quarter, then held off five scoring threats by the visiting Longhorns to capture the victory, their first of the season.

Bridge tourney is one feature of Caribbean trip

By MYRTLE SHEFFY

Gladys Benson, Faun Welker and Mrs. John Blaine, or Juanita, and her friend Edith Stanfer of Plainview are home from a jet trip to beautiful Puerto Rico and San Juan City in the Caribbean. This was to attend a national bridge tournament of six days. The director of games was from Canada. Many people from the Dallas-Fort Worth area and more from Florida than any other state. The girls didn't win first but had fun there and the tour of the islands—beautiful place, palm trees, bananas, and they enjoyed fresh pineapple juice. Saw the old fort, or as it is called, The Castillo, San Felipe Del Morro. That was built by Spain in 1766-1772. It faces the sea with big guns to guard the place. Puerto Rico has lovely homes and government buildings (some not so pretty) waterfalls, fruit markets and a fine view of the sea.

Pat and Polly Patterson spent 10 days up in Red River Valley. They stayed at Tall Pines Lodge. They rested and fished for trout. Polly says the flowers were extra bright and pretty. That is a beautiful valley on past Eagle Nest Pass and through the colorful Cimarron Valley.

Dick and Leola Sullivan are home from a fishing trip to Conchas Lake. They had a showdown, catching 70 crappie that weighed up to 1 1/2 pounds. Before the fishing they drove over to Las Vegas, N.M. to meet Dick's daughter and husband, Mr. and Mrs. Ford Kyes, who came that far by train from Pacific Grove, Calif. They went home by train. They had not had a train trip in a long time. The Sullivans have a small mobile home at the lake.

Opal Bearden went to Hollis this Wednesday to attend the memorial service for her brother, Bill Wayne Anderson of Dallas. Seems to have been heart failure of some kind. Bill was only 50 years old and her youngest brother. He was a commercial artist.

CARLILE Theatre Dimmitt, Texas

Ceal Carlile and Edith Graeff are home from their 16-day trip to Alaska. They flew to Los Angeles and there took the Love Boat Cruise to the North State. Ceal says they did all the tours. It was lovely down that narrow waterway pass. The most memorable sight was icebergs with rainbow colors, where the cracks in the ice are and the sun shines on. It is a beautiful deep blue. Many parties were held on the ship. She danced with the Captain, quite an honor. Didn't talk to Edith, but they think the trip was well worth going on.

Eddie and June Sutton have moved into their new home on Sunset Circle. Sunday morning at 6 a group of "so called" friends went out to warm the house. They did take bacon and eggs so all could eat. These are the friends, Jerry and Patti Cartwright, Gary and Linda Langford, Bill and Suzan Sanders, Ronnie and Connie Kenmore and Rhonda Schaeffer. The Mr. couldn't make it.

The Senior Citizens have been very busy these days. 48 people came to the Tuesday night supper and party. "42" was the game. And one day guests Gerald DeViney of Austin and Barbara Serres of Amarillo came to see the newly decorated club house. Mrs. Carlile loaned several of her oil paintings to decorate the house for the fair visitors.

And the ladies have several pretty quilts for sale. Where there is a special room where clothes "like a garage sale" are shown. Come see and buy. Peggy West, the director, welcomes guests and new members.

Mr. and Mrs. Jack Slayton were here from Roseburg, Ore. visiting their kin Gene and Connie Ivey and Coy and Nora Dunn. The Iveys had the family get together at the Littlefield community room last Sunday. Many came from Oregon, Mississippi, El Paso and all around this area.

Mr. and Mrs. Bill Rice and baby of Wichita Falls were weekend guests of families, the James Sloughs and the Tom Mosses.

The Shoe Tree people were hostesses at an open house Friday and Saturday. Quite a crowd came by to see the shoes and cloth. Owners are Jimmy Schulte and daughter Lynn. Their daughter Louie Wethington painted the sign. Do go see it and the store. Go in at the door at Carolyn Rawlings Jones' office. Florene Brockman served those good home baked cinnamon rolls and cakes and coffee. Visiting at the coffee table with me were Shirley Hall, Rose Acker, Jerry Marvin of KDHN, April Guy from the News, Alan Newman, Mayor Youts, Mrs. Paul Acker and Max Martinez. Dorothy Mayfield came by in a hurry and Leonard Schulte, doing some of the chores for Jimmie.

Bernie Wethington, a truck driver, made a trip to Oklahoma City, will be gone a week. His wife Louie and babies are at the Schultes.

She helped with the grand opening.

Loys Raymer, the artist, is in New York City for a few days. A few years ago she lived in the pretty town of Kerrville, that is in the Hill Country.

Joylyn Broderson and Donna Schilling went to Six Flags last weekend. Donna says they made all the rides and stuff like that.

Jettie Sheffy spent a few days at Brownwood visiting her daughter Oneta and husband Jim Gregg, coming back by Mangum, Okla. to see about some property and visiting a sister.

Shelley Burrous of Childress came home with Cheryl Robb for the weekend with the Ted Robb family. Both girls are students at WTSU at Canyon.

At the Tots and Teens Store we chatted with Leanne Crozier and her mother Jackie. Leanne is a student at Lubbock Christian College, home to see Bob and Jackie. The grandmother, Gladys Wright, has been on the puny list but better now.

Harold Stephens came through his heart bypass surgery well and is recuperating at a Lubbock hospital. Ted and Dorothy Sheffy have been with him, as has his family, Shirley, John and Margaret Womack and aunt Myrna and Jack Cowser, and his mother, Mrs. Ozro Stephens of Amarillo.

I hear that Leonard Dempsey suffered a heart attack.

We do wish for him a speedy recovery.

Dale and Janet Broadstreet went to Lubbock Sunday for a visit with her parents Mr. and Mrs. Jerry Lovall. They also went to the Fair. You can see Janet in the gift department at Parsons Drug.

Eleven members of the Senior Citizens went to Amarillo to see the Fair and other entertainment. Clara Dollar is the driver of the van. I know that Wilda Hawkins went, also Mae and Amzie Taylor, nine others. Do go to the "42" parties at the Senior Citizens' club each Tuesday evening at 7.

C. W. Boothe was 99 years old Sept. 18. He lives at South Hills Manor. He isn't very well, but can be in his wheel chair. Mr. Boothe came to Castro County in 1928, was an elevator man and owned land. His children are Truett and Johnnie and Bessie and Dent Bradley, Dan and Lois, who came from Hollis, Okla. All went out for a visit. He and his family came to Dimmitt

from Floydada.

Beral Hance watched the Tech Red Raiders play Arizona Saturday. Dimmitt's Dennis Veals of Tech was playing. I didn't get details, maybe you did.

Dr. and Mrs. Weldon Butler, he is District Superintendent of the Methodist Plainview District, was a guest at Dimmitt's Methodist

Church Sunday. He was visiting friends, too, and says he is a second cousin of minister Howard Quiett.

Joe and Nancy Upton are here from Madill, Okla. for a visit with her dad Leland Lee and sister Carolyn Copeland and the aunts Allie Mae Willis and Anita and Peewee Morris.

At the cafe I was chatting with young Brian Stewart,

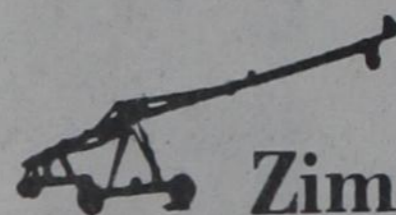

who had been to the Amarillo Fair. He had money his grandparents gave him. They are Mr. and Mrs. Brotherton from Morton, Well, the story. Brian worked and worked, spent his money to get a gold fish, then had to go to town and buy a bowl for him. Brian says he is a very special fish. Someone said their kids' money went trying to get a teddy bear. Many people enjoyed

hearing Johnny Cash sing, also others.

Margaret and Ray Nelson have returned home from four weeks in Corpus Christi. Ray's trucks have been running out of there for several weeks. It rained almost every day and they took a look at the oil spills on the beaches at Padre Island.

The TIE that Binds...

Man and woman began their married life in church and according to God's holy word are joined together. With the Bible as the basis for the beginning of a new life together, it seems only reasonable that a continued study of God's word would strengthen and serve as a guide to any couple. The Bible can truly serve as a tie that will bind two together in accord. The church as God's agency on earth can help you in Bible study, and with the guidance of the Holy Spirit can help you to understand God's will in your life.

"And the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones; and thou shalt be like a watered garden, and like a spring of water, whose waters fail not." Isaiah 58-11

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## OEA chapter elects officers

The Dimmitt Chapter of Office Education Association elected officers at its meeting last Monday in the High School OEA room.

Those elected were Tina Jones, president; Elsa Montes, vice-president; Janice Johnson, secretary; Sheryn Derryberry, treasurer; and Jeri Mann, reporter.

They also discussed fund raising projects for the year. The OEA students are now selling key chains.

"The organization is looking forward to a second successful year," Jeri Mann said.

# Chatter

[Continued from Page 2]

Friends from Wellington, Wayne and Jean Cudd, also go to Corpus in the summer and they and the Nelsons have a great time eating out and going places.

Margaret came back by Throckmorton for a visit with daughter Greta, Stan, her husband, and grandchildren, Aimee and Juston.

Greta, Stan and Aimee and Juston came up Friday to take the kids to the Tri-State Fair. Every year at fair time Greta meets her college roommate and sorority sister, San (Owens) Clay of Amarillo, and they get together and have a nice visit. They will spend Sunday with Ray and Margaret before returning to their home.

Clint and Mae Cox are home from a visiting trip to San Angelo, with a niece Mrs. J. W. Mackey and sister-in-law Mrs. F. H. Anderson. Mae says a whole bunch of nephews came from San Angelo, Del Rio and one, Jack Swain, from Phoenix, Ariz.

Jean DuLaney was hostess with a luncheon and bridge party Tuesday at Somethin' Special. LaQuita and Sue served those good rolled chicken breasts in noodles with all the trimmings to Martha Isaacs, Roxie McLean, Carlee Warren, June Sutton, Sue Kemp, Vicki Clary and Martha Dannevik.

Mrs. Eunice Thornton was hostess to the supper and bridge club Thursday evening. Husband W. E. helped serve food to Helen Richardson, Faun Welker, Evie

Froehner, Joe and Gladys Benson, Glen and Koma Ratcliff, Weldon and Ruth Skinner, Emmett and Sue Broderson and Joe and Alice Cowen.

Jo Eddie Riley was hostess to her bridge club at their place southeast of Sunnyside Thursday. Good food and coffee were served to Doris Lust, Polly Simpson, Ina Cleavinger, Ruth Jackson, Dorothy Gilbreath, Sandra Clark, Carolyn Jones and Sue Merritt. The Riley boys play ball at Springlake-Earth school.

Raymond Hance had lung surgery one day last weekend at a Vernon hospital. Going to be with him were his sister, Cletha George, brother Clarence and Leada Hance and niece Martha Isaacs.

Mr. and Mrs. Ira Brown went to Santa Fe for a few days visit with their two daughters. Many things to see in that old town.

Dr. Robert Froehner of Fort Worth was a weekend visitor in the home of his parents, Nolan and Evie Froehner.

Robert Duke made a business trip to Denver. Several friends from this area went along. Robert sells some kind of chemical. And while he was gone Frances made a teacher-related trip to Amarillo.

Jimmy Cleavinger, a student at Tech, was a weekend visitor at home, with his parents Jim and Ina and also brother Tommy and family.

Fred and Helen Kuntz were hosts at a Sunday dinner and visiting time to kin Lilyan Anthony and Lillian Siemeter of Clovis and mom Alice Anthony.

## Secretaries Association plan bosses' banquet

The Peak of the Panhandle Educational Secretaries Association met for the first time this year at the home of Shirley Underwood last Monday night.

After a salad supper, the business meeting was conducted during which Dorothy Mercer, program chairman, distributed new year books and explained the theme — Emphasis on Me, Personally — and told something about each of the planned programs. Highlight of the year

will be the bosses' banquet to be held in January.

Dr. David Albracht and Dr. Carl Hudson from the Albracht Clinic in Amarillo presented the program on nutrition and physical fitness for the educational secretary.

Secretaries attending from Dimmitt were Delma Myers, Lucille Dollar, Laverne Benethy, Billye Gwen Davis, Elberta Dyer, Dorothy Sheffy and Shirley Underwood.

## Hill pledges frat at TCU

Kelley Hill of Dimmitt is among 120 students at Texas Christian University who recently pledged fraternities. Hill is a pledge of Sigma Alpha Epsilon.

He participated in formal rush activities of the eight men's Greek-letter organizations on the TCU campus, and received a bid at the end of the rush period.

## Wilhelm gets A&M degree

Gordon H. Wilhelm of Dimmitt received a bachelor's degree as a major in recreation and parks at recent summer commencement exercises of Texas A&M University.

Wilhelm was among the 1,337 students receiving degrees, one of 911 undergraduates. There were 324 masters and 102 doctorates awarded.

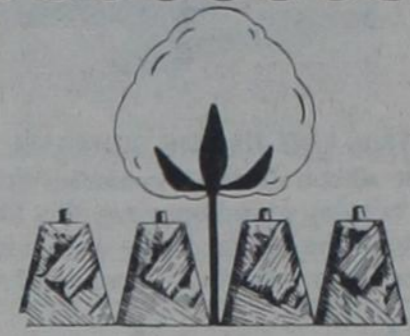

## Lunch program offered at S. C. Center

Senior Citizens are urged to take advantage of the lunch program at the Senior Citizens Center from 11:30 a.m. to 12:30 p.m. Monday through Friday.

"The program is beneficial to those who live alone as it is difficult to prepare a meal for one person," Peggy West, center director, said. "The meals afford a nutritious noon meal," she added.

The price of the meal is on a contribution basis, each person pays what he can afford. Mrs. West said.

Those interested in participating in the program are urged to come to the Senior Citizens building for the noon meal. Reservations are not necessary.

### Nursing home operation in Dimmitt is explained

Life in a nursing home is not necessarily the depressing experience many people dread, Dimmitt Kiwanians were told Monday by Dolores Gilliland, administrator of South Hills Manor here, as she spoke at the Kiwanis Club lunch.

"It's more pleasant for the patients than most people think," she said, "because most of them appreciate being relieved of responsibility, worry and daily duties in a protected situation. And our first goal is to maintain a homelike atmosphere."

South Hills Manor is larger than most Dimmitt residents realize, the administrator explained, with an average of 75 to 90 patients in residence and a payroll of 50 persons. An average of 15 to 20 staff members are always on duty, she added.

The facility is licensed to care for 118 persons, but does not house that many because

private rooms are available to those who want them, rather than semi-private rooms as permitted by the license.

Some of the patients are ambulatory and quite active, while others are in terminal stages of illness, she said, and length of stay ranges from "a few hours to the 11 years the nursing home has been in operation here."

Mrs. Gilliland, introduced by Cliff Lewis, answered questions about accommodations and charges.

Guests at the lunch included Lisa Davis and Terry Mixson of the Dimmitt High School Key Club and Rev. Albert Fuytink of Odessa.

WHEN buying life insurance, consider the "waiver-of-premium" option which frees you from paying your annual premium if you become disabled.

### TGSP elects Gilbreath to term on board

John Gilbreath, who farms southeast of Dimmitt, has been elected to the Texas Grain Sorghum Producers board by vote of fellow producers in a 29-county area.

Also named to the board were Dennis Anthony of Friona, Steve Lee of Hale Center and Albert Scheele of Lockney. They will serve a six-year term.

Texas GSP board works to solve production problems for sorghum growers, develop new markets for the grain and provide information on grain marketing.

### SPS announces staff addition

Berl Springer, president and chief operating officer of Southwestern Public Service Company, has announced the appointment of Marshall Pharr as manager of governmental relations for the electric company.

Commenting on the addition of Pharr to the public affairs staff at SPS, Springer said, "We are very pleased to have a man of Pharr's experience and background. We feel he will be able to provide the management of Southwestern additional insight in our relationships with government at all levels."

Pharr has been serving as an administrative assistant to United States Congressman Kent Hance for the past year. He is a native of Lubbock and a graduate of Texas Tech University where he earned a bachelor of business administration degree in 1955.

Before joining Congressman Hance, Pharr served as the city manager of Plainview for 15 years. Prior to that he was the city manager at Andrews and an administrative intern for the City of Lubbock.

### County corner 145 feet off, surveyor says

Castro County may not actually be 30 miles on each boundary as provided by the Texas Constitution of 1873 County Surveyor John Alldredge told the Commissioners' Court last week. He said that those legislators of the 1870's were nei-

ther astronomers nor geographers, and did not take into account that the north-south meridians bend to converge at the North Pole.

When Castro and Swisher Counties were surveyed to establish the original county boundaries, two different surveyors were involved, one for each county, Alldredge explained. There is a discrepancy of 145 feet between the two surveys at the northeast corner of Castro and northwest corner of Swisher Counties, he said.

Alldredge told the court

that this discrepancy may have to be cleared up some time in the future.

### Charlotte Dow is elected to bank office

Charlotte Dow, former Dimmitt resident who is the daughter of Mary and Charlie Hestand, has recently been elected assistant treasurer of the Bank of Bethesda in Bethesda, Md.

Mrs. Dow has been with that bank several years, and was manager of its Aspen Hill Branch the past two years.

The former Charlotte Hestand, she attended Dimmitt schools and graduated in 1959. After high school she attended Lubbock Christian College.

# GA's hold special service

By TEENY BOWDEN

A Girls in Action recognition service was held Sunday night during the worship service. Candlelighters were Misty Ott and Kristie Owens. Terrie Carson brought the special music. Those receiving Badge I were Karla Sadler, Mecca Sauseda, Shannon Ott and Melody Sadler. Those receiving Badge II were Sharon Bradley, Chanin Ross and Cinnamon Cox. A reception in fellowship hall followed the service and the girls' work was on display.

A new daughter was born to Mr. and Mrs. Jimmy Wag-

goner in Central Plains General Hospital in Plainview Monday morning. She weighed 7 pounds, 12 1/2 ounces and was named Kodi Michelle. They were dismissed Thursday but will stay in Dimmitt a few days with her parents, Mr. and Mrs. Vernon Hasley. Stacy and Jana have been staying with their grandparents, Mr. and Mrs. J. Paul Waggoner.

Mrs. L. B. Bowden met with the Castro County Historical Commission and Judy Cotton of Lubbock Tuesday, and with other volunteer workers. Mrs. Bowden and Mrs. Cotton were guests of the Lions Club at noon where Mrs. Cotton was the guest speaker.

Rev. Raymond Jones attended the Sunday School Regional Convention in Plainview Tuesday.

R. V. Bills and another man killed two rattlesnakes this week on the Larry Bills farm. One had nine rattlers and a button and the other six and a button.

Mrs. Raymond Jones returned home from her visit

with relatives in Fort Worth Wednesday evening.

Dara Loudder has been elected reporter for the Springlake-Earth junior high Honor Society.

Mrs. Cliff Brown and the Uppitts had charge of the children's sermon Sunday morning. Fifteen children attended.

Mr. and Mrs. Earl Phelan and Mr. and Mrs. Lawrence Phelan of Weatherford visited Friday through Saturday nights with Mr. and Mrs. Roy Phelan.

Paul Nash, a former resident of the community, and Patsy Lavender, both of Azle, visited Sunday afternoon with his niece, Mr. and Mrs. E. R. Sadler.

Mr. and Mrs. Mike Bernhardt, Joe, John and Shane from Fort Worth spent Saturday night with Mrs. David Sadler, Melody and Karla.

Mrs. Mary Shultz spent the day Tuesday with her nephew, Mr. and Mrs. E. R. Sadler.

The WMU Council met Thursday morning for the first phase of annual planning with

Mrs. Raymond Jones in charge. She will continue to be the director. Mrs. E. R. Sadler will serve again as BW president, Mrs. Carl Dean Carson BYW president, Mrs. Terry Guy Acteen director-leader, Mrs. Hershel Wilson GA director-leader, Terrie Carson GA leader and Mrs. Lee Bradley mission director. Other members of the council are Mrs. Roy Phelan, centennial chairman, Mrs. Milburn Haydon, mission action director, Mrs. David Sadler creative arts director and Mrs. L. B. Bowden secretary-treasurer.

Baptist Women met for annual planning Monday morning with Mrs. E. R. Sadler in charge.

Daneen Wilson was home from Tech for Saturday and Sunday and attended the services Sunday with her parents, Mr. and Mrs. Hershel Wilson.

Susan Sadler was home from Tech Sunday afternoon and attended the church services Sunday night with her parents, Mr. and Mrs. Gale Sadler.

[Delayed from last week] The Baptist Young Women honored the Baptist Women with a brunch at the church recently, with 11 present.

Rev. Raymond Jones and Hershel Wilson attended the Brotherhood Training Session at the Lubbock Area Center. Wilson took the course for Baptist Men, and Rev. Jones taught the RA Crusader course.

Mrs. Raymond Jones visited in Fort Worth with her mother, Mrs. Mae Etta Watts, and her sister and brother-in-law, Mr. and Mrs. Fred Allen and family, who are music missionaries to Zambia, home on furlough and living near Fort Worth.

Gary Lillet was dismissed from Central General Hospital in Plainview after several days of tests.

Mrs. Jess Lilley called from Stephenville to ask about getting their stories in for the Castro County History Book. She and her three daughters are planning to submit stories. We need more people this dedicated.

Hershel Wilson and Jessica Wilson were honored with ice cream and cake to celebrate their birthdays. Friends and relatives from Ropesville, Wolfforth, Olton and the Sunnyside area helped them with the celebration.

Mrs. Lillian Carson and Greg George of Dimmitt were honored with a supper at the home of Mr. and Mrs. Lee Bradley. Resa Carson was home from Lubbock to help with the celebration, along with Mr. and Mrs. Carl Dean Carson and Deakon.

Mr. and Mrs. Bob Ott of Avinger came to help with the corn harvest and visit with Mr. and Mrs. Don Ott and girls and other relatives and friends.

Lonnie Wilson was honored with a birthday supper in the home of Mr. and Mrs. Phillip Jones.

Mr. and Mrs. Cliff Brown and Lynn, Tammy and Rhonda Ross, Carrie and Stacy Sadler and Ginny and Anne Guy attended a puppet training seminar in Brownfield. Mr. and Mrs. Martin Leff were met there and they had lunch together.

# Nazareth's member named for tax board

Moving to comply with a new state law providing for a county-wide tax appraisal board, the Nazareth Independent School District board last Wednesday appointed Cyril Brockman to represent Nazareth school district, city and community on a five-man board.

The new law is aimed at equitable appraisal for taxes of all property in city and school district taxing entities. The board is empowered to appoint a county board of equalization.

The appraisal board will include a member from the Nazareth area, one from the Hart area, one from the City of Dimmitt and one each from Precincts 2 and 3. The county has an option of delaying its participation in the appraisal district until 1981, and Castro County commissioners voted recently to exercise that option.

At last week's meeting the Nazareth school board also voted small wage increases to all personnel paid by the hour, effective Sept. 1, and made wage adjustments to comply with minimum wage requirements. A proposal to increase school bus drivers' salaries was tabled until next

year. In other action, the board: — Sent notes of appreciation to the Dimmitt ISD board of trustees for donation of a football scoreboard for Nazareth's football field, and to Big T Pump Co. for help in removing the board from its former location at Dimmitt. — Voted to replace present gymnasium lights with new vapor-type fixtures which will increase light power in the gym, use less energy and cost less for repair and replacement. Members were told that bulb replacement alone

in the old-style fixtures costs \$500 a year. — Decided to put a 1963 Chevrolet 54-passenger school bus up for sale by bid.

— Approved three students who attend the Area Vocational School in Tulia to drive the bus each day. Greg Birkenfeld will be the regular driver with Carey Acker and Dale Hoelting as alternates.

— Approved School Supt. Johnny Mason to represent the board at a school conference in San Antonio Oct. 5-7.

— Adopted a policy which

prohibits the school lunchroom buying food for resale. Employees and citizens may not purchase food from the lunchroom directly or indirectly.

— Chose Craig Agency to write insurance on school buses and band instruments. This agency handles other insurance coverage for the NISD.

— Amended the school calendar to make Nov. 1 a teacher in-service day, and cancel the in-service day scheduled for Jan. 2.

— Formally approved an employee complaint procedure, already in effect in the school, to comply with federal regulations that such approval must be filed with the PESO Regional Service Center.

## What's cooking at the school

Here are the lunch menus for Dimmitt schools for the week of Oct. 1-5.

MONDAY — Hamburgers, buttered corn, cake, milk.

TUESDAY — Smoked sausage, creamed potatoes, green beans, gelatin, rolls, butter, milk.

WEDNESDAY — Beef stew, pineapple slices, cinnamon rolls, corn bread, crackers, milk.

THURSDAY — Lasagna, tossed salad, blackeyed peas, pudding, rolls, butter, milk.

FRIDAY — Sandwich tray, French fries, peanut clusters,

## Pistol match slated

A pistol match will be held at 10 a.m. Saturday at the police firing range at the Dimmitt Airport.

Competition is open to civilians. Those attending must bring their own weapons and ammo.

Our new Summitt Engine Lathe makes it possible for John Wait to do nearly any lathe work that needs to be done in our area.

If you know anything about lathes, you'll appreciate these features:

It has a 28-inch swing with 80-inch centers. A four-inch bore in the spindle. It has a precision taper attachment.

It converts to US or metric measurements.

It will thread full joints up to half-inch pipe—either US threads or metric threads.

With an RPM range of 22 to 1,500, it can drill or lathe to exacting precision when needed, or for fast turnout when needed.

If you DON'T know anything about lathes, you only need to remember this:

Whatever lathe work you need done, we can do it at Dimmitt Welding & Electric.

Of course, that also holds true for multi-metal welding, millwright work, industrial electrical work, and all types of metal machining.

## Dimmitt Fresh top Hart's JV

Dimmitt's freshmen hiked their season football record to 2-0 last Thursday with an 18-6 victory over the Hart junior varsity.

Turnovers spelled the difference as Andrew Sepeda and Bill Grosz recovered Hart fumbles to set up Dimmitt touchdowns, and Johnny Gonzales made a key interception to stop a Hart drive.

Dimmitt opened the scoring in the first quarter when Fernin Gonzales returned a Hart punt 65 yards for a TD. In the second period, quarterback Ron Rickenbrode passed to Jeff Watts on a 20-yard scoring play that gave Dimmitt a 12-0 halftime lead.

Dimmitt stretched its lead to 18-0 in the third period when Ruben Casas broke loose on a 35-yard scoring run.

Hart retaliated with a fourth-quarter drive capped by a four-yard touchdown plunge to make the final score 18-6.

"I thought our offensive line was outstanding, and our whole defense played well," Dimmitt Coach John Thomas said.

JOHN STEFFENS, Nazareth quarterback, finds himself airborne as he gains seven yards against Hart in Friday night's intra-county shootout at Nazareth. Identifiable Longhorns in on the leather-popping play are Jorge Barretero [22] and Isaias Ponce [7]; other Longhorns coming up are Melvin Washington [41], Marlin Marble [74] and Chad Black [31]. Nazareth blockers are Bryan

Huseman [30], Dwayne Acker [44] and Gary Book [85]. This was the last running play in a Swift drive that started with a touchdown-saving fumble recovery at the Nazareth 2. Steffens came up two yards shy of a first down, forcing a Nazareth punt from the 32. The Swifts won the fierce defensive battle, 7-0.

A scoreless tie for Dimmitt and Plainview seventh graders was dissolved in the last minute and a half last Thursday when Dimmitt's Michael Love ran a 12-yard touchdown around the left end for a 6-0 win.

Dimmitt had gained 10 yards on the same sweep in the previous play to overcome a second-and-20 situation. The score came with 1:30 remaining in the game.

The Dimmitt defense, sparked by Jay Sears and Bobby Nino, held Plainview in check throughout the game. "Defense improved tremendously in this game," Coach Pruitt said, "and the offense also looked better." He cited the offensive play of Love and Nathan Nelson.

WILLIAM Howard Taft tipped the scales at 353 pounds while in the White House.

## Swifts upset Longhorns, 7-0

By CHRIS ALBRACHT

The Nazareth Swifts, 18-point underdogs by the Harris Rating System, used a balanced defense and a consistent running game to upset the Hart Longhorns, 7-0, at Swift Stadium Friday night.

The Swifts relied on good running from Bryan Huseman (19 carries for 85 yards) and a defense led by Dale Wilhelm (10 tackles) as they chalked

up their first win of 1979. The Swifts began the game's only scoring drive at the Hart 42 in the opening quarter.

The drive was aided by two crucial penalties: On fourth and 11 from Hart's 33, Nazareth's Calvin Schulte punted, but two Hart defenders rushed in and knocked him down. The roughing-the-kicker penalty gave the Swifts excellent field position on Hart's 18-yard line.

ginning of the fourth quarter, the two teams' defenses dominated the game.

In the fourth quarter, the Horns penetrated to the 6-yard line, but the Swift defense forced them to give up the ball on the 9 four plays later.

Hart was denied another scoring opportunity by the Swifts when cornerback Hugh

Wilhelm picked off a Derek Rich pass on second and 10 from the Swift 38 with 2:12 left in the game. The Swifts then punted and with six seconds left, the Longhorns had their last chance to win.

With the ball on the Nazareth 35, Rich dropped back and found fullback Melvin Washington at the 10-yard line, but Washington couldn't

hang onto it. "I was very proud of our defense, for the goal-line stands they had," said NHS Coach Eddie Hooper. "I was satisfied by our passing and rushing defense.

"Offensively, we were in a hole in the second half, although we were annoyed by fumbles (4) and penalties (6 for 45 yards) that cost us field position," Hooper added.

## GET IN THE ACTION!

# PP&K'79

### COMPETE SATURDAY IN PUNT, PASS & KICK

**It's free, and open to boys and girls ages 8 to 13.**

Compete with others in your own age group. If you will be 8 to 13 years old as of Dec. 31, 1979, you're eligible. Competition will be in six age divisions, and trophies will be awarded for first, second and third place in each division. If you win, you'll advance to the District Punt, Pass & Kick Contest in Amarillo Oct. 6. You could even compete in the PP&K National Championship Finals held at Super Bowl XIV to be played Jan. 20, 1980, in Pasadena, California.

**Register at your school.**

Registration is simple. Just pick up a form at your school. Stan Byrnes Ford, Inc., has distributed forms to Richardson Elementary School, Dimmitt Middle School, Hart Elementary School and Nazareth Elementary School. After you register, come by Stan Byrnes Ford, Inc., for a free PP&K Tips Book. It has pointers from the pros and is designed to prepare you for Punt, Pass & Kick.

**Contest will be Saturday at 2 at Bobcat Stadium.**

The 1979 Castro County Punt, Pass & Kick Contest will be held at 2 p.m. this Saturday at Bobcat Stadium in Dimmitt. We hope to see you there. Stan Byrnes Ford, Inc., is proud to conduct PP&K here again this year, and to sponsor our county winners in higher levels of competition. Good luck!

# UW tennis tourney winners announced

Winners in the Dimmitt United Way tennis tournament, held last weekend on Ruskin Racquet Club Courts, have been announced. The tourney was a benefit affair to add to funds being collected in the annual UW drive.

In the A Division of the net tourney, Cindy Davis was first and Suzanne Farris second in ladies singles, and they teamed to lead the doubles event with Beverly Hill and Joyce King ranking second.

Charley Hill and Joe King were paired to win mens doubles, followed by Charles Grisham and Jerry Vera. Mrs. Farris and King were winners in mixed doubles, Diane Townsend and Jim Killingsworth second.

B Division winner in mens singles was Doug Pybus and Charles Grisham was second. Mrs. King and Pauline Moore took first place, D. Townsend and Rhenea Webb second in ladies doubles.

Grisham and Bill Harman took first place, Pybus and Robert Ryan second in mens doubles. Mixed doubles winners were Mrs. King and Pybus, with LaVon and Don Reeve second.

In the C Division, Deanne Clark and Doricell Davis placed first, Jeanette Malone and Kay Keller second in ladies doubles. Darryle Frazier and Craig Potts were first in mixed doubles, the Larry Manbys second.

Mrs. Clark and Mrs. Davis won the two top spots in ladies singles, Jerry Heller and Manby were first and second in mens singles.

## Plainview JV drops Dimmitt

Dimmitt's Junior Varsity dropped its third game last Thursday, this time to Plainview by a 22-8 count.

Plainview surged to a 14-0 halftime lead before Eli Garcia scored for Dimmitt on a 12-yard run. Ricky Gonzales added two points with a conversion run. Plainview struck again in the third period with a TD and a two-point conversion, and the fourth quarter was scoreless.

**OUTTA MY WAY!**—Dimmitt tailback Jimmy Stewart stiff-arms Tahoka's Tracy White out of the way as he turns the corner on a seven-yard run in the first quarter of the Bobcat-Bulldog encounter here Friday night. Tahoka's Todd Brown [24] and Clifford Oages [26] eventually made the tackle, but not

until Stewart had earned a first down at the Dimmitt 38. Stewart was the game's leading ground-gainer, and scored Dimmitt's only touchdown on a 41-yard run in the third period. The visitors from District 5-AA won the game, 21-6.

# Dogs outlast Cats, 21-6

After denying Dimmitt a crucial TD in the second quarter and following up with an 80-yard scoring drive for a 14-0 lead, Tahoka's Bulldogs went on to win a hard-earned 21-6 decision over the Bobcats here Friday night.

After Tahoka drove 54 yards for a 7-0 lead with 3:39 left in the first period, it looked as if Dimmitt was going to tie it up when the Bobcats moved inside the 1-yard line midway in the second.

Quarterback Robin Ryan—who had advanced the ball to within stepping distance of the end zone with a five-yard run—handed off to tailback Jimmy Stewart through the middle for the TD try. But the ball popped loose and Tahoka recovered it in the end zone for a touchdown.

Getting the ball on their own 20-yard line, the Bulldogs started a ground march that moved the ball deep into Bobcat territory. The drive was highlighted by the consistent running of fullback Clifford Oages and speedy halfback Tracy White.

With the ball at Dimmitt's 21, Bulldog quarterback Todd Brown pulled a no-fake rollout and raced into the end zone

for Tahoka's second touchdown to climax the game's turn-about. Kevin Elmore kicked the extra point to give the visitors a 14-0 lead with 3:05 remaining in the first half.

Tahoka threatened again before halftime when Brown hit White on a 40-yard pass play that carried to the Dimmitt 20. But time ran out with the Bulldogs 14 points up and the Bobcats still looking for their first score.

Dimmitt's defense stopped the hard-running Bulldogs in the third period and the Bobcats launched a long-strike scoring drive from their 26-yard line.

Stewart—after having two long gainers nullified by penalties—broke over left guard and raced 41 yards for a touchdown in the game's longest run. The Bobcats opted for a two-point conversion play to close the gap to six, but Ryan's pass was incomplete and the score stood at 14-6 when the quarter ended a minute later.

The two teams fought on

even terms through most of the fourth quarter, until another Dimmitt turnover led to Tahoka's clinching TD.

With just over four minutes remaining, Tahoka fell on a Bobcat fumble on the Dimmitt 24, and two plays later Oages

broke loose on a 25-yard scoring run. Elmore booted his third extra point of the night to hike Tahoka's lead to 21-6 with 3:51 remaining.

The two teams exchanged punts again, and Dimmitt got one last chance to narrow the margin when White fumbled the ball away at the Dimmitt 26, with just 25 seconds left. But Oages intercepted a Ryan pass on the next play and returned it to the Dimmitt 22. The Cats held for two plays to end the contest.

Stewart was Dimmitt's leading runner, gaining 116 yards in 19 carries for a 6.1 average. Fullback John Laurent gained 27 yards on only two carries. Tahoka came up with seven quarterback sacks to cut into Dimmitt's net yardage.

White was Tahoka's leading gainer with 109 yards on 23 carries. Oages got 85 yards in nine trips, and Brown picked up 56 yards in 11 tries.

Senior end Gary Naylor again sparked the Bobcats on both offense and defense, and got off one punt that traveled 50 yards.

# 8th grade smothers Plainview by 34-0

Down 20-0 at the close of the first quarter, the Plainview White never came in sight of Dimmitt's eighth graders in a game here last Thursday, and was swamped 34-0 by the time it was all over.

Everybody on the home team "got to play quite a lot," Coach Jerry Durham said, and Dimmitt took it easy in the scoreless last quarter after adding 8 points in the second and 6 in the third to the initial outburst.

Mark Bruegel made the first tally on a 20-yard run to climax a 65-yard drive, then staged his own 40-yard drive for another, while Timmy Kenworthy pushed over a yard for the remaining first-quarter scoring to complete a 20-yard Dimmitt effort.

Kenworthy missed on PAT pass attempts to Simpson and Dennis Burnham, but made 2 points on a run.

The second quarter TD was

by Roy Tijerina, who ran 22 yards of a 25-yard push. Dwight McDonald's pass to Brandon Cox was good for 2 more points.

Set up by a 25-yard punt return by Paul Flores, a gain of 25 more by Sammy Mendez accounted for the 6 points scored in the third frame. A pass from Scott Lane to Mendez failed for the extra tally.

Richard Saucedo was cited for action on the offense, as well as Kenworthy and Bruegel, while Kennon Howell and Cox stood out on defense, Coach Durham said.

Your chances of dying from a heart attack or stroke are 50-50.

## View from the Library

By BRICK AUTRY  
 Librarian

There's more. "Hey, Mr.," comes a cry, "where's the fiction? I need the fiction."  
 "It's right in front of you."  
 "Where, right in front of me?"

It's even worse when they're after something. "Hey, Mr., I need a report on these little black things."  
 "What little black things? Beads, bugs, dots...?"

Oh, you know, these little black things that roll up in the dirt."  
 "Worms?"

"No, you know, they crawl under rocks and curl up in a ball."  
 "Snails?"

"Oh, never mind. Come on, Izzy, the library doesn't have anything."

So you see? That's the reference interview. By the way, will the teacher who assigned a report on the little black things please tell us what they are?

### Venhaus infant services held

Funeral services for Amanda Dawn Venhaus, infant daughter of Mr. and Mrs. Clyde Venhaus, former Nazareth residents, were held Tuesday in Dumas.

She is survived by her parents; two brothers, Dave and Wade; a sister, Kendra; her grandparents, Mr. and Mrs. Albert Venhaus and Mr. and Mrs. Leonard Conrad, all of Nazareth, and a great-grandmother, Mrs. Flora Backus of Dimmitt.

## Funds to fight lung disease in children sought in drive

Volunteers from the Dimmitt Young Homemakers Club and the high school Future Homemakers will call on their neighbors during next week in the annual Breath of Life campaign of the National Cystic Fibrosis Foundation.

This year's drive has been designated as "Kiss a Baby" campaign. Funds raised in this campaign will benefit children with CF and other diseases of the lungs, which annually cause deaths of more children in the United States than any other disease except cancer, according to Jeannie Sammann, campaign chairman.

Bobbi Wooten, business solicitation chairman, and Mrs. Sammann will lead the drive for funds to aid children in this area and help support a national network of more than 100 CF centers, research

and educational programs. The centers, most located at teaching hospitals, provide diagnosis, treatment and referral for children with CF, asthma, chronic bronchitis, bronchiectasis, "childhood emphysema" and recurrent pneumonia. There are hospitals dealing with gastrointestinal disorders relating to CF located in Dallas, Houston and San Antonio.

"This cause is an important one," Mrs. Sammann said. "Cystic fibrosis is the No. 1 genetic killer of children and about 40 percent of the cases are not yet diagnosed."

"One goal of research is to find the cause and cure for CF, and another is developing better methods of treating children with any lung-damaging disease."

"Almost half the money we raise here will stay in this

area," she emphasized.

Mrs. Sammann added that CF affects one of every 1,500 infants born each year, and although the disease is incurable it can be treated effectively.

The taste of salt on a baby's skin is a symptom of CF, she said in explaining the significance of the name for the current campaign.

"When you kiss a baby and taste salt on the skin, see a doctor because diagnosis and immediate treatment are vital to his life. So kiss your baby, your friends' babies, lots of babies this week. You'll love it and so will they, and it could help detect a serious illness that might be controlled," she said.

### Annual picnic held by Lucky 7 CB Club

The annual picnic for the Lucky 7 CB Club was held Sunday at the home of Sam and Grace Killough.

Barbecue chicken, hot links, hamburger, potato salad, baked beans and all the trimmings were served along with ice cream and cake to 39 people.

During the business meeting the club decided to continue the weather watch and to host the Muscular Dystrophy Telethon again next year since it was such a success this year. Rest stops will be operated again Jan. 1 and July 4 for motorists traveling through the city on major highways.

"The club is willing to help with any community project where they can," Killough, program chairman, said. "The CCL7 Club members are aggressive in doing civic work to help their community."

Officers for the local CB Club are president, Roy Leingang; vice-president, Kenneth Talley; secretary-treasurer, Anthony Kirby, and program chairman, Killough.

## Brockman will attend Pope's special mass

Jerome Brockman of Nazareth was notified recently that he is one of 150 persons chosen to receive Holy Communion from the hands of Pope John Paul II at a field mass to be celebrated Oct. 4 at Des Moines, Iowa.

Brockman is one of 10 diocesan rural life directors in the country selected because he is actively engaged in farming while serving part time as a permanent deacon, a recently restored ordained ministry in the Catholic Church.

A huge crowd is expected to take part in this mass which the Pope will offer on Living Heritage Farm, a working museum type farm owned by a private foundation just outside Des Moines.

This farm, a tourist attraction, demonstrates various farming techniques and implements from the earliest American pioneer days to the present.

Pope John Paul II, like most Polish people, has an active interest in crop and livestock farming and when an invitation was extended by Bishop Maurice Dingman of Des Moines, through the National Council of Catholic Bishops, the Pontiff readily accepted. Brockman is a member of

Holy Family Church at Nazareth and is director of the National Catholic Rural Life Conference in the Amarillo Diocese.

NCRLS is an organization of Catholic laity and clergy interested in the preservation of Christian life and fellowship on the farms and ranches and in the rural communities of America.

It is a strong advocate of conservation of natural resources and of the family-size farm or ranch and through its informational, instructive and organizational leadership encourages and promotes the continued health and prosperity of America's rural communities where life is usually more relaxed, enjoyable, peaceful and satisfying than urban dwelling.

Brockman's task as NCRLC director in the diocese is to promote these ideals, serve as a clearing house of information, promote meetings and activities which lead to a deeper appreciation of rural values and benefits.

Brockman and his wife, Margaret, anticipate this occasion as a "chance of a lifetime" and hope to return with many pictures and a personal account of Pope John Paul's historic visit to rural America.

## Corn harvest at peak, lettuce being shipped

Corn harvesting hit full speed this week in all parts of Castro County; soybeans from a larger crop than usual are beginning to come into the elevators and vegetable processing plants are shipping lettuce and carrots as the area enjoys near-perfect harvest weather.

A less than normal lettuce crop is being marketed with good demand and prices holding at \$5.50 to \$6, the processing plant managers here say.

The crop is short not only because some fields were wiped out by hail last month, but earlier in the summer rains caused delays in planting as they washed out young plants.

So far, the California lettuce crop is of poor quality and is short because of extreme hot weather on the West Coast this summer, so it is not competing as strongly with the Texas crop as usual.

Demand is slow for carrots, the packers say, and growers are being paid only about \$30 a ton. Carrot harvest usually extends into December in this area.

The larger soybean crop this year is attributed partly to plantings made after hail or hard rain destroyed young cotton, too late in the season for replanting that crop. Faster-maturing soybeans were planted instead, and are just maturing. The price is a little lower than expected, an elevator operator said, "but not

bad."

Corn harvesting may be 75 percent completed by the end of this week in the south part of the county, A Sunnyside elevator manager said, but is "just getting started good" at Easter in the northwest sector.

Yields are reported better than expected and quality of the grain is good, with moisture content still somewhat high but improving as the warm dry weather continues. The price dropped a little early this week, but was still around \$5 per hundredweight Tuesday.

## Girl Scout organization meeting set

A meeting for parents of any girl interested in becoming a member of Girl Scouts or Brownies will be held at 7 p.m. next Wednesday in the city hall assembly room.

More leaders for Girl Scouts in Dimmitt are needed, and any mother interested in working with the program is urged to attend this organization meeting, which is for adults only.

Parents of a girl who is interested in joining Girl Scouts or Brownies, who are unable to attend the meeting next week are invited to telephone Beth Dutton at 647-3175.

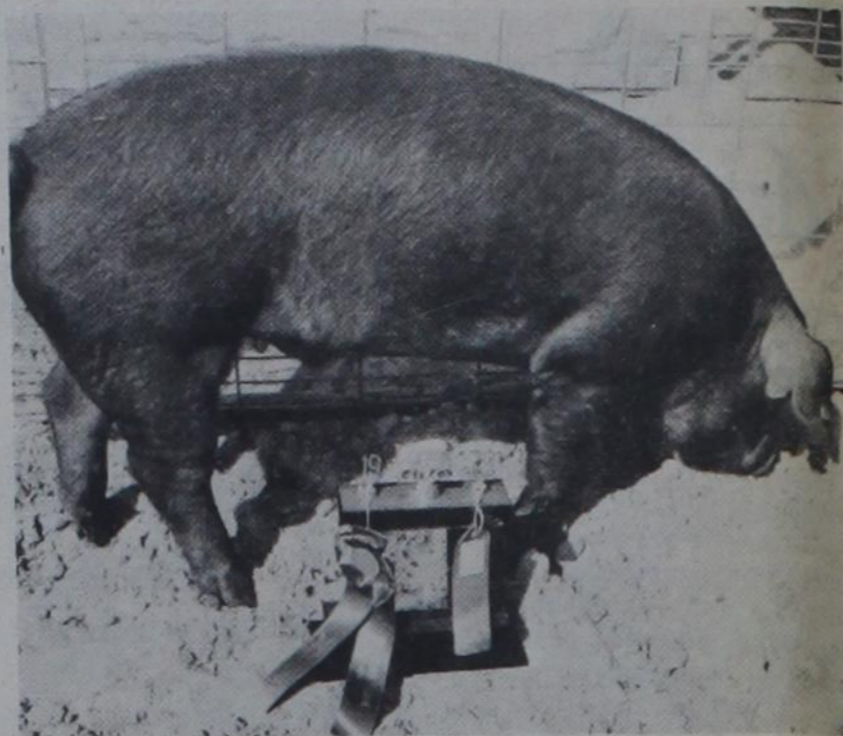

Registration forms will be distributed in Dimmitt schools Monday. Girls are asked to have the forms completed so the parents can take them to the meeting, or they may be returned to Mrs. Dutton.

## Helen Hamby services held

Funeral services for Helen Owens Hamby, 49, of Olton, stepmother of Houston Hamby of Hart, were held Sunday in Jayton.

Mrs. Hamby died in a Lubbock nursing home Friday. She was a native of Abernathy and a member of the First Baptist Church of Jayton, where she formerly lived.

She is survived by her husband, J. C. Hamby of Olton; a daughter, Stephanie Owens, and a son, Steve Owens, both of Lubbock; a stepson Houston Hamby of Hart, a stepdaughter Sandra McCoy of Plainview; two brothers and two sisters.

GRAND CHAMPION OF LUBBOCK SHOW  
... Gaines Howell's Duroc barrow

## Swine from county are tops in shows

Gaines Howell, Dimmitt swine breeder, won the grand champion trophy and \$1,000 cash award for his Duroc barrow at the Panhandle South Plains Fair at Lubbock this week, after taking the reserve championship in the Dumas Barrow Futurity, with a \$900 award, last week.

Barrows from three states were entered in the open show at the Lubbock fair. Howell is a registered Duroc breeder. His pig won first place for heavyweight Durocs and the breed championship before going on to become the show champ. Howell also took third place for a Crossbreed.

Another championship barrow from Dimmitt was shown by Bobby Crozier last week in the Tri-State Fair at Amarillo. His was a middleweight Duroc which won \$200 in prize

money. Crozier showed the fifth place middleweight Duroc at Lubbock. Randy Huseman of Nazareth 4-H Club took reserve championship for Other Purebreds on his heavy pig. Other awards at Lubbock went to members of the Future Farmers chapter at Dimmitt High School. Ben Holcomb's heavy Duroc, which was judged second to Howell's animal in its class, was reserve champion for his breed.

Brad Brock's lightweight Duroc placed first in its class. In the Hampshire division, Jan Robb showed the first place lightweight.

Danny Underwood won sixth place for heavy Hampshires and sixth for light Hampshires. Underwood also showed the fourth place middleweight Crossbreed.

the Sheriff's Account should be turned over to the county treasurer except for a small amount to be left in an emergency fund.

A request by Bob Killough to rent a quonset building near the Expo Building was denied.

A request from the County Historical Committee that the county underwrite the cost—\$150 per page—of the history of the county in the Castro County history book now being prepared was favorably considered.

The exact cost will not be known until the history is edited and placed in the book.

## Work on replacing burned DDD equipment in progress

Equipment to replace fire-damaged equipment at Continental Telephone Company here has been received.

Progress is being made to restore direct distance dialing service to the affected customers of Dimmitt, Hart, Nazareth and Sunnyside.

Employees are now in the process of cleaning out the destroyed equipment and preparing the new equipment for

replacement, Reeford Burrous, service center supervisor, said.

"We hope for an early restoration of DDD service for our customers. Restoral will be upon the completion of testing and examination of the new equipment," Burrous said this week.

Operators have been imported from other areas to serve the needs of the customers. "We want to assure all customers that station-to-station calls routed through the operators will be given the DDD rate," Burrous said.

The use of DDD service has been out as a result of a fire on Sept. 9.

"We appreciate our customers' understanding and patience in this matter. We will continue to keep all our customers informed on the progress of the equipment replacement," Burrous added.

## 75 students board bus at CCH Project

Approximately 75 students boarded the school bus for the first time Monday at the Castro County Housing Project, school superintendent Robert Ryan announced this week.

The bus will run at 7:45 a.m. to pick students up for school and then will make two trips in the afternoon due to the difference in dismissal times for the different grades.

The Dimmitt School board approved the bus-service plan for the students living at the Castro County Housing Project at its September meeting.

## Museum meeting and workshop on histories set

The Castro County Museum Association will hold its meeting at 8 p.m. today (Thursday) in the museum building on West Halsell St.

A workshop to help residents prepare family histories for the Castro County History book is announced for Friday, from 2 to 8 p.m. in the meeting room of Rhoads Memorial Library. This session is being sponsored by the history book committee.

All county residents, past and present, are urged to submit brief family stories for the volume, which will also contain an outline of the county's history and stories of its early settlement, the schools, churches and communities as well as the people who contributed to its progress.

The committee members will be present at the workshop to assist those who are not sure how the family histories should be written.

## Punt, Pass and Kick contest set Saturday

The Punt, Pass and Kick county contest will be held at 2 p.m. Saturday at Bobcat Stadium conducted by Stan Byrnes Ford.

Competition is open to boys and girls 8 to 13 years of age as of Dec. 31, 1979.

Registration forms are available at Richardson Elementary School, Dimmitt Middle School, Hart Elementary and Nazareth Elementary School.

There will be six divisions in the competition. Trophies are to be awarded for first, second and third places in each division. First place winners will advance to the district PPK contest in Amarillo Oct. 6.

PP&K tips books are available at Stan Byrnes Ford.

Nationally, PPK is celebrating its 19th anniversary. It is sponsored by the Ford Dealers of America in cooperation with the National Football League. Since it started in

1961 the program has attracted millions of youngsters.

There is no entrance fee, no special equipment is needed and participating does not impair a youngster's amateur standing.

Scoring is based on distance and accuracy with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off the center line.

Twelve national finalists will compete for the National Championships in their age group at Super Bowl XIV on Jan. 20 in Pasadena, Calif.

Winners will have their names permanently inscribed in the Pro Football Hall of Fame in Canton, Ohio. Trophies will be presented by NFL Commissioner Pete Rozelle.

## Emergency help offered local businesses

An emergency business notification plan has been started by the Dimmitt Police Department to assist local officers in contacting businessmen after hours in the event of burglary, fire, or open doors.

Many Dimmitt businesses have been contacted but the assistance of those businesses not contacted is being sought. "If the business has not been contacted," Virginia Covert, PD secretary, said, "we urge managers to get in contact with our office to give us the needed information."

The police department needs the name and phone number of the owner, and the name of another person who can be contacted in the event that the owner is not available.

The phone number of the police department is 647-4545.

## County purchases four road graders

The Castro County Commissioners' Court accepted bids from West Texas Equipment Co. for the purchase of four road graders at its meeting Monday.

Two of the Caterpillar motor graders are for Precinct 1 and one each for Precincts 2 and 4. A bid had previously been accepted to purchase a road grader for Precinct 3.

The machines will probably be delivered in about three months, at which time the ones now in use will be traded in.

The commissioners voted that the accumulated funds in

## Committees for area meet named

Committees for the Area Recognition Day which the Dimmitt Tops Club will host here Nov. 3 were announced at the club's weekly meeting in Rhoads Memorial Library Monday evening. Oleta Raper will serve as general chairman.

Francis Goodwin is chairman of advertising and publicity, Vivian Pigg of decorations, Nelle Newton of refreshments, Emily Clinging-smith of scrapbooks and name tags.

The special day will bring members from over the entire West Texas area as far south as San Angelo. The local club expects around 250 visitors.

The September fellowship session followed the business meeting Monday and plans were made for a Halloween masquerade party as the October fellowship, on Oct. 29.

Mrs. Raper presided at the meeting, when 26 members recorded a total weight loss of 10 pounds for the week. Mrs. Pigg was Kops of the Week. James Slough, with a loss of 4 pounds, 8 ounces, and Margaret Waggoner, who lost 1 pound, 12 ounces, were Tops of the Week.

### 4-H food group open

By TERESA L. CRISWELL

If you are at least nine years old, you are eligible to join the 4-H foods and nutrition project group.

In the project you will learn to prepare different kinds of food, learn what nutrients you need to be a healthy person; you will learn about meal planning, food buying, food safety, and social and cultural roles. Learning to prepare dishes is lots of fun when you're learning with a friend.

At the end of the project, those who are interested can enter in the County Food Show and win a ribbon for what you have prepared and the things you've learned.

The 4-H foods and nutrition project is open to any boy or girl between the ages of 9-19, regardless of your economic level, color, race, sex, religion or national origin. If you are interested contact Teresa Criswell, County Extension Agent, at 647-4115 before 5 p.m. Friday.

Included are a few recipes that you may be trying in your project group. Try it, I know you'll like it.

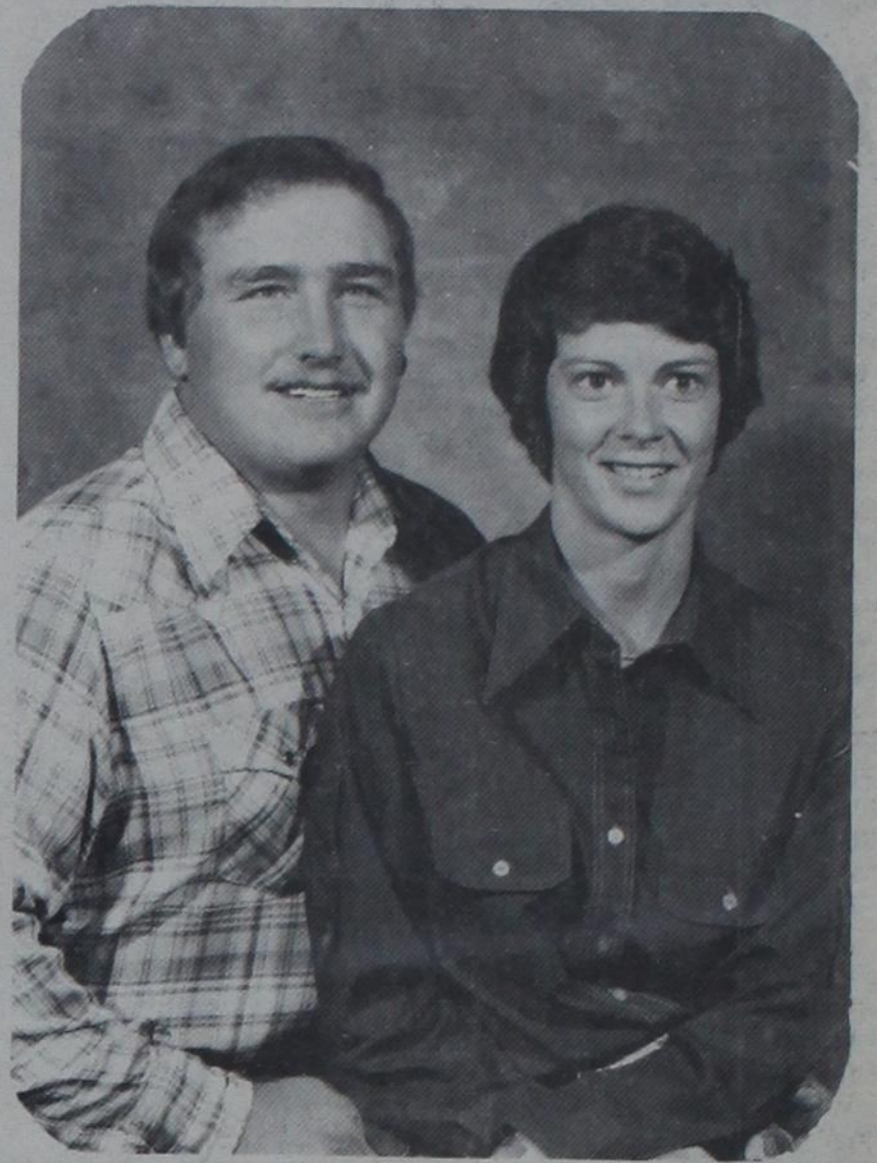

**Butterscotch Brownies**  
½ cup margarine, softened  
2 cups brown sugar, firmly packed  
2 eggs  
1½ cups flour  
2 teaspoons baking powder  
1 teaspoon vanilla  
1 cup nuts, chopped, optional

Cream margarine until fluffy. Add sugar and beat until very light. Add eggs. Stir flour and baking powder into the mixture. Add vanilla and nuts. Pour into a greased and lightly floured pan, 11x7½x1½. Bake at 350 degrees F. for 30 to 35 minutes. Cool and cut in squares. Yield: 24 squares.  
This is not a cake-like

brownie. It will be moist and chewy.

**Cool Strawberry Shake**  
Strawberry ice cream  
1 cup milk  
Place about 1½ to 2 cups of strawberry ice cream in a shaker, jar with a lid, or blender. Add the milk. Cover the shaker with lid; shake hard. Pour into glasses. Serves 2.

**Tasty Chili**  
1 medium onion, chopped  
1 pound ground beef  
2 8-oz. cans tomato sauce  
1 teaspoon salt  
1 16-ounce can pinto beans, optional  
1½ teaspoons chili powder.  
Cook and stir onion and ground beef in saucepan until meat is lightly browned. Spoon off excess fat. Stir in tomato sauce; cook over heat. Add salt and beans if desired. Cook until hot. Stir in chili powder. Serve with crackers. Serves 6 people.

COUPLE PLANS TO WED—Mr. and Mrs. Rex Wooten announce the approaching marriage of their daughter, Joyce Ann, to Randy Dwayne Bills, son of Mr. and Mrs. Richard Bills of Earth. The couple plans to be married at 6 p.m. Thanksgiving Day, Nov. 22, at the First Baptist Church in Dimmitt. Miss Wooten, employed at Citizens State Bank in Earth, is a graduate of Dimmitt High School and attended Texas Tech University. Bills is a graduate of Springlake-Earth High School, attended South Plains College and farms.

## Party honors Shirley Hall

Shirley Hall was honored at a going away party in the home of Arlene Newman last week. Mrs. Hall is leaving her post as Chamber of Commerce manager.

## Police calls Robert E. Ewing completes training

Fifteen hundred dollars in tools were reportedly taken from Dimmitt Motor Co. Tuesday.

The burglar gained entry by breaking a window and then opening the door enough to crawl under. The case is still under investigation.

Police also investigated two traffic accidents during the week and several other minor incidents.

Pvt. Robert E. Ewing has completed his training as a cannoneer under the One Station Unit Training Program at the US Army Field Artillery School at Fort Sill, Okla.

Ewing is the son of Mr. and Mrs. Robert E. Ewing of Dimmitt.

OSUT is a 13-week period which combines basic combat training with advanced individual training.

### 4-H steering committee shapes plans

The Castro County 4-H youth sub-committee met last Wednesday in the assembly room of the courthouse. This was the first meeting of the committee, whose purpose is to aid in involving youth of the county in activities sponsored by the Texas Agricultural Service.

Activities and projects agreed upon by the committee as the most effective to realize that purpose are implementing programs at schools, organizing a county fair booth, sending birthday cards to nine-year-olds, Fun Day Olympics, bicycle project and rodeo and a Christmas party for all the youth of the county.

These activities will be organized by the committee, the Extension Service staff and 4-H members and leaders throughout the year.

The committee is enthusiastic about the new project and invites suggestions and support in carrying out these activities, according to Neal Tindol, assistant county agent and 4-H Club director.

FIREMAN OF THE YEAR Bill Conyers (left) and Runner-up Ben Rayes Jr. show the awards they received from Mayor Elmer Youts at the annual Dimmitt Firemen's Banquet last Thursday night.

## Bill Conyers is named city's 'Fireman of Year'

Bill Conyers was announced as the Dimmitt Volunteer Fire Dept.'s "Fireman of the Year" and Ben Rayes Jr. as the runner-up at the annual Firemen's Banquet last

Thursday night. In announcing the award winners, Mayor Elmer Youts said the department had 103 calls during the year—27 fires inside the city, 25 fires outside the city, and 51 practices. Conyers led the department by making 97 of the calls, while Rayes was present at 91.

Conyers, 32, has been a member of the DVFD six years, and has attended firemen's schools at College Station, Lubbock and Canyon. He's also a member of the district championship pumper team. Rayes, 26, joined the DVFD four years ago, and is now secretary of the department. He's a member of the pumper team that won the district championship, and has attended firemen's schools at College Station and Canyon.

Main speaker at the banquet was Rev. Doug Manning, pastor of Hereford's First Baptist Church, who drew constant guffaws with a short joke-filled speech. Master of ceremonies was Jerry Marvin.

Four retired members of the department were present at the banquet. They were J. D. Rodgers of LBJ Lake, John Hardy Wood of Levelland, Harlan Dodd and J. B. Blackwell. Mrs. Rodgers, Mrs. Dodd and Mrs. Blackwell also

were present. Fire Chief Clarence "Dagwood" Wood, who left his hospital bed to attend the banquet, thanked those who handled the banquet details and commended the department as "a good group of men."

The banquet, attended by more than 50 firemen, wives and guests, featured a catered barbecue dinner.

### County ACS Unit receives awards, plaque

Awards were presented to officers of the Castro County Unit, American Cancer Society, at its September meeting last Thursday.

Golden Achievement Awards went to George Lamberth, president, and Paul Weaver, fund campaign leader, for reaching an all-time high in Cancer Crusade income. A certificate of authorization was given to the county unit as a whole.

Nancy Acker, who received a Special Events Plaque, in turn presented it to Cleo Forson for her assistance and backing. The presentations were made by Al Thernes, District 15 leadership development chairman, who with Gary Moberly, area representative, was a guest.

Dale Wells was elected vice-president to succeed Shirley Hall, who resigned that office. Wells volunteered to serve as special events chairman.

Mrs. Acker gave a short review of a division meeting in Houston which she attended in July, saying that emphasis was on special events and public information activities of units.
