ers voting in the referendum approve quotas for the 1967 upland cotton crop, growers who agree to reduce their cotton acreage below the effective farm allotment will have available a program that offers loans, price-support payments, and diversion payments. Marketing quota penalties would apply to any excess cotton produced on a farm. However, growers who elect not to participate in the reduction program also have the chance to produce cotton for export only, without marketing penalties or Government subsidy.

If more than one-third of the voters oppose quotas for the 1967 crop, the regular allotment program will remain in effect, and price-support loans will be available at 50 percent of parity to growers who do not exceed their acreage allotments, as provided by law.

Lease or sale of cotton allotments is provided for the 1967 crop; however, transfer documents have to be filed with the county office not later than January 3, 1967. The outcome of the marketing quota refer-

#### Longhorns Play In Regional Game

The Bronte Longhorns will play the Vega Longhorns for the Region I football title Friday at 7:30 p.m. in Brownfield.

Supt. C. B. Barbee of Bronte said this week that Robert Lee football fans have a cordial invitation to attend the game, and that Bronte would be grateful for any support given.

The Longhorns took an easy 33-12 victory last Saturday night in Crane over the Fort Hancock Mustangs, title winners of District 3-B. The bi-district win gave the Longhorns a berth in the regional game.

Vega, champs of District 1-B, downed Sundown, District 2-B champs, by a score of 34-16 on Thanksgiving Day.

Mr. and Mrs. Charlie Salvato of San Angelo and Mr. and Mrs. Charlie Welch and children of New Orleans, La., were Thanksgiving visitors of Mrs. Daisy McCutchen.

### Historical Committee Says Thanks

The Coke County Historical Survey Committee wants to thank each and every person who has helped to carry out the program of the committee in their efforts to preserve our county's heritage.

We are grateful to the Courthouse Staff who assisted in giving the coffee for the COKE-RUNNELS Historical Tour on August 18, and to all who helped with the Pioneer Day Tea.

We are especially grateful to all who helped with our project of cleaning and restoring the graves of CIVIL WAR VETERANS.

endum will have no effect on the lease or sale of allotments. Producers who shared in the 1966 upland cotton crop or its proceeds are eligible to vote; where no cotton was planted in 1966 on an allotment farm, only the owner and operator may vote. Questions about eligibility to vote should be referred to Coke ASCS County Office.

W. J. Rabel and Johnnie of Abernathy, Mr. and Mrs. W. D. Wright and family of San Angelo, Mr. and Mrs. W. A. Blaylock of Eldorado and Barbara Blaylock of Angelo State College were visitors during the Thanksgiving holidays in the home of Mr. and Mrs. Bert Blaylock. Bobby Blaylock, also a student at ASC, spent his holidays in Clinic Hospital in San Angelo, where he underwent a tonsilectomy.

Santa Claus will be in Robert Lee Saturday, Dec. 17, for his annual visit, it was revealed at Tuesday's BCD meeting. A communication directly from the bearded gentleman, which was postmarked at the North Pole, stated that Robert Lee is on his calendar on that date for a visit.

He stated in the letter that he would like to have all the boys and girls of the Robert Lee area, as well as their mothers and fathers, in town during his visit. "I am eagerly looking forward to my visit in Robert Lee," he wrote, "and hope members of the BCD will have all the boys and girls from miles around on hand, so I can give them some candy and visit with them."

The letter continued, "Also, be sure to have the children bring mother and daddy, for they'll have lots of fun, too, and might even want to take advantage of the many Christmas bargains which Robert Lee merchants will be offering on Dec. 17, and all through the Christmas season."

Members of the BCD made plans this week to make Santa's visit a momentous occasion.

Plans were discussed for a drawing, and Jim Bickley, Garland Davis and Bill Beaty were named on a committee to contact all business firms for the purpose of securing a \$2.00 donation for financing the Christmas celebration, and a prize for the drawing.

Fern Havins furnishes the cage for the drawing each year. The Robert Lee School Band will be called upon to perform in the Christmas parade, provided the date does not conflict with school activities which have already been scheduled.

A community-wide Christmas decoration contest was discussed, and members present voted for the BCD to sponsor it. Prizes of \$10, \$5 and \$2.50 will be awarded the top three entries. Members of El Valle Garden Club will be asked to act as judges.

The matter of who is eligible to participate in the Christmas drawing was discussed but no decision was reached. The organization's next week's meeting will decide age limits and other requirements for participation.

President Vaughan Davis reminded a committee composed of Cumble Ivey Jr., W. D. McAdams and Willis Wayne Smith that they are responsible for working up a slate of officers to be nominated for service in the BCD during 1967.

Thirteen members were present at the meeting.

#### Special Edition Due In January

A special progress edition of The Observer which was planned for early December will not be issued until sometime in January. A shortage of time has caught up with the Observer staff, and there will not be enough time to get the paper together in the manner desired.

Some emphasis will be placed on the history of Robert Lee during its 75 years as a town. However, the main emphasis will be placed on the bright future which lies ahead for the city and the area.

Some ads have already been submitted for the special edition, and other firms will be contacted between now and the date of issue. It would help a great deal if any firm or person who would like to run an ad in the special edition would call or come by The Observer office and let us know about what is wanted.

The Observer staff hopes to make this paper one that the entire community will be proud of, but we will need the cooperation of everyone in making it go over. Your cooperation will be deeply appreciated.

#### FIREMEN PUT OUT GRASS BLAZE AT ARTHUR TUBB'S

#### Pleasant Foods For Holidays

Holiday food shoppers can look for especially good supplies of broiler-size chickens this December.

Reports from the U. S. Department of Agriculture indicate broiler supplies will run about a tenth greater than this time last year.

There'll also be big supplies of pears, grapes and raisins. In addition, you'll see lots of pork and canned salmon at local food markets.

This year's big Bartlett pear crop

is overlapping into the winter season. So you'll find unusually large stocks of these pears, along with the winter varieties of Anjou, Comice and Bosc.

Market news office of USDA's Consumer and Marketing Service report increasing arrivals of such popular California table grapes as Emperor, Almeria and Ribier. They'll make a delicious looking centerpiece for your holiday table.

Raisins will be a real boon to your holiday baking. They add flavor to such a variety of cakes, cookies and pies. A raisin pie is hard to beat for the holiday season.

With such good supplies of pork on hand, you'll want to include a ham on your shopping list. Baked ham and cans of salmon in the

pantry can make snacks extra-easy to prepare.

For the best in eating this December, plan your shopping around these plentiful foods.

**GOING UP...**

A building is being erected. It is made of strong materials, steel and concrete. The foundation is firm and deep. The edifice is built to endure.

We need to build our homes to endure. They need a strong foundation. They need to be built on the rock of Christ. Psalm 127:1 reads, *Except the Lord build the house, they labour in vain that build it.* Attend church regularly that your house may be instructed in the ways of the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
