Big Christmas Party, Santa Visit Saturday

A last minute communique, received Wednesday afternoon just before press time, indicated that Santa Claus will be here on schedule, unless something unexpected happens.

He was in communication with BCD officers and told them by short wave radio that he has a big order of red wagons to get out, but if all goes well, he will be able to leave the finishing touches to his helpers and head for Texas in plenty of time to be in Robert Lee Saturday afternoon.

"I'm expecting members of the Robert Lee Fire Department to meet me outside of town Saturday afternoon," he said, "so you guys be sure you're out there. Our whole crew has been working night and day getting ready for Christmas, and I sure won't feel like walking."

The bearded gentleman said he likes to ride into town on a fire truck better than any other way. "The big red fire truck at Robert Lee matches my clothes to a T, and you wouldn't think a guy like me would care anything about stuff like that, but I like for my transportation to match my suit."

"You can imagine how my red suit matches some of those mangy reindeer I sometimes use for transportation. As a matter of fact, Rudolph, with his red nose, is the only one of the lot that has any real color about him," Santa said.

Santa told BCD officers that he would certainly like to have a big crowd in town Saturday afternoon. "I want all the kids from all over the town and countryside, as well as their mothers and fathers to be in town," he said.

"The moms and dads may not be interested in seeing me so much," he said via the short wave radio, "but I know they'll be interested in shopping the many fine Christmas gift bargains being offered by Robert Lee merchants. I checked in a lot of towns and I know the folks will be pleasantly surprised with the stock carried by merchants of Robert Lee."

So, kids, if you want to make Santa happy, get your mom and dad to bring you into town Saturday afternoon.

And something else, don't forget to come right after lunch, for you'll have time to see a free show before Santa gets here. It'll be at the Alamo Theatre, starting at 1 p.m.

Decorations To Be Judged Dec. 17th

Robert Lee residents who wish to enter the BCD-sponsored Christmas decorations contest will have their efforts judged Saturday night, Dec. 17.

Members of El Valle Garden Club will decide who wins the three prizes of \$10, \$15 and \$2.50 to be awarded by the BCD.

Mrs. Willis Wayne Smith, president of the garden club, said Tuesday that club members will drive throughout the town on that night and judge the decorations.

Entrants Should Call

Persons who wish to have their decorations entered in the contest and judged by the garden club ladies should call Mrs. Smith and tell her that their homes are entered in the competition.

A definite date for the judging was set, so that everyone who wishes to enter will have an opportunity to have his decorations looking

Boys and Girls Win Tournament Honors

Robert Lee's A girls basketball team took third place honors last weekend when they entered the Lake View tournament. The girls played four games and came out on the long end of the score in three of them.

Their first contest was with Lake View, and they took it in an exciting game, which ended with the scoreboard reading 38-34 in favor of Robert Lee.

Jeannie Hatch took top scoring honors with 16. Lois Heuvel had 13, Kitten Dean made 5 and Judy Gartman 4.

In the second game of the tourney, Robert Lee swamped Brady, 59-26. Dean was high pointer with 19, followed by Hatch with 14, Heuvel with 12, Gartman with 9, and Kathy Denman with 5.

Talpa Trouble

The girls ran into trouble when they met a strong sextet from Talpa. The Talpa girls squeaked by the locals, 56-52. Heuvel was leading scorer with 26, Hatch had 17, and Dean made 9.

The final game of the tourney was also a thriller, as the Robert Lee girls went over Rankin by a close 34-32 score. Heuvel was high with 2, Gartman had 7, and Dean made 4.

All-Tournament

In addition to taking third place team honors, the Robert Lee girls placed two players on the all-tournament team. Forward Lois Heuvel and guard Jackie Counts won a berth on the mythical team and received individual awards for their efforts.

Robert Lee's Steers basketball team took consolation honors in a tournament held last weekend at Junction. The local hardwood artists took two of three games played to win consolation honors.

They lost their first contest, with Ricksprings, with a score of 49-36. Gary Sam Williams was high pointer man with 15. This game was played Friday night.

In Saturday's first contest, the locals came out on top of a 47-31 score against Mason. Quinn Conley was high pointer with 13, and Williams had 12.

The consolation finals pitted Robert Lee against Harper, with the Steers taking the game, 59-41. Williams was again high pointer with 15, Roy Blair made 13, and

Saturday's the big day. That's the day when everybody will be in town for the BCD's big annual Christmas party and visit from Santa Claus. Festivities will get underway shortly afternoon, with a free show for all kids under 18 at the Alamo Theatre.

Assisting the BCD in sponsoring the event are members of the Volunteer Fire Department, Robert Lee business men, Robert Lee-Silver Lions Club, Coke County Sheriff's Department, and the City of Robert Lee.

The BCD committee which is in charge of the overall operation is composed of Jimmy Bickley, Bill Beaty and Garland Davis.

After the movie, which will begin at 1 p.m., a parade will form with Sheriff Melvin Childres leading it. He will be followed by the Robert Lee School Band, under direction of Willis Parker, and then by Santa Claus riding in the big red fire truck.

The parade will make its way downtown, where Santa will visit

School Holiday Starts Tuesday, December 20

What most school students like best — holidays — will start next Tuesday, Dec. 20, for teachers and students of Robert Lee High School.

Supt. Jimmy Bickley announced this week that classes will be dismissed Tuesday at 2:35 p.m. and will be resumed Tuesday, Jan. 3, at the regular hour.

M. C. Hendry New SCD Chairman

M. C. Hendry of Silver was elected chairman of the Coke County Soil Conservation District at a meeting of directors Tuesday, Dec. 6. Elected to serve during 1967, Hendry succeeds D. K. Glenn of Bronte as chairman.

Other officers elected include J. W. Service, vice chairman, and Joe Rawlings, secretary. Weldon Fikes and Glenn are supervisors in their areas of the county.

Burns Retires

W. E. Burns, who has been supervisor from the western part of Coke County for 13 years, has retired from his job with the district.

Burns was elected a supervisor when the district was organized in 1947. During this period, he has served on the board, and was highly praised by his fellow members for his long period of service to the district. He was replaced by Weldon Fikes.

with the children and distribute candy.

At 3:15 p.m., a drawing will be held in front of The Observer office. Hundreds of dollars worth of free gifts will be distributed to the lucky persons whose names are drawn. Just about all Robert Lee business firms have contributed free gifts to be presented at the drawing.

In order to have a chance to receive one of the free gifts, a person will have to register at places of business which are participating in the Christmas Party. They will all be turned in by 2:45 p.m. and placed in a cage, from which they will be drawn. Sam Williams will conduct the drawing.

Only persons who are 16 years old or older will be allowed to participate in the drawing. Another requirement to win a prize is that the person whose name is called must be present.

Many persons have been, and are still, working to make the big Christmas party a success.

E. H. Ivey, president of the Fire Department, has agreed for his organization to furnish transportation and helpers for Santa. Sheriff Childres will lead the parade; Band Director Willis Parker and the school band will provide music and snappy action for the parade; Sam Williams will conduct the drawing, and provide a PA system and Christmas music. Mary Prine has handled the publicity. Fern Havins will have the cage ready for the big drawing. Scoutmaster Gene Hinnard and his Boy Scout troop will sack candy and have it ready for Santa. Other members of the BCD and other organizations have also contributed in the overall effort.

BCD President Vaughan Davis said this week that the annual Christmas party is sponsored by the BCD and other organizations as a token of the appreciation of local businessmen for the fine patronage which residents of this area have given them during the past year. He added, "The Christmas Party is intended for everybody in the Robert Lee area, and everybody is invited to be in town Saturday and take part in it."

You can perform home magic at very little cost by trying some dramatic lighting effects.

Light and shadow patterns will transform an ordinary room into a wonderland. Planning and an inexpensive spotlight are all it takes. You can spotlight your Christmas tree, or some Christmas plants. Such treatment can produce big scale, fantastic patterns over the walls and splash bold decorations across ceilings.

This richness of projected shadows can elevate one plant or an arrangement of branches to a position of important decoration. You'll be painting with shadows, moving the spotlight in close or backing away to find the most effective play of silhouettes.

To achieve just the right intensity, you can add a dimmer control or experiment with bulbs of different wattage.

You can use the same spotlighting idea outdoors. Light the branches of picturesque trees or bushes and bring them forward as sculptural features; or cast dappled patterns of natural forms across walls or pavings.

It's a good way to have a lot of fun for very little money. And you'll gain experience in how to make your home more attractive the year-round.

Home Economics Briefs

Turkey Time — A turkey roast, free of bones or waste, and oven-ready in its own foil pan, can simplify holiday meal preparation. A turkey roast that costs about \$1.13 a pound is equivalent to a whole turkey selling at 45 cents a pound. The reason is that only 40 percent of the whole-turkey weight is edible meat.

Linen Care — It would be a minor miracle if your best table linens escaped splatterings of gravy and a few other dribbles during holiday meals. But such accidents are no longer a calamity, if given prompt attention before stains can set. Just remember to sponge stains promptly with cold water, or soak the entire linen in cold water for at least 30 minutes. Follow this with a regular washing in a low-suds detergent.

The Christmas Poinsettia

One of the most popular pot plants at Christmas time is the poinsettia. Given proper care the colorful bracts and the dark green foliage can provide attractive colors for your Christmas decor throughout the holiday season. In order to get full benefit from the poinsettia plant, there are several requirements which must be fulfilled.

The poinsettia will do best when placed in a sunny location and protected from sudden temperature changes frequently caused by drafts, heat vents, or opening doors. Night temperature should not drop below 60 degrees F.

Proper watering techniques can do much to prolong the life of the poinsettia. Due to the low humidity in most homes and the large leaf surfaces on the plant, the water requirements are relatively high. The soil ball should not be allowed to become so dry that the leaves start to wilt.

On the other hand, the soil must not be kept saturated with water as this cuts off the oxygen supply to the roots resulting in loss of feeder roots. Frequently, the pots are covered with an attractive foil to enhance their appearance. Be sure to check if the drainage hole in the bottom of the pot has been stopped up with foil. If it is covered the excess moisture cannot drain out and the soil remains waterlogged.

About three weeks after the plant has been received, it would be a good idea to fertilize with a complete fertilizer such as 5-10-5. Use 1 level teaspoon per six inch pot. Ap-

ply the fertilizer over the surface of the soil and water thoroughly. Seldom more than one application is needed; however, this application may be repeated at three-week intervals until the colored bracts fade and drop.

Forgotten Cookies

Time is precious this near Christmas. I want to give you a recipe for cookies that bake while you sleep, clean house or shop! I think they are just wonderful cookies — they do not stay long at my house unless I hide them. They would be nice "extras" for the children to leave for Santa!

Set oven at 350 degrees before beginning cookies. Beat the whites of two eggs until foamy and thick (but not as thick as for meringue); gradually beat in 3/4 cup sugar; add

1/4 teaspoon salt and 1 teaspoon vanilla. When all the sugar is in, fold in 1 cup chopped pecans and 1 cup chocolate chips. Drop by teaspoonsful onto brown paper on a cookie sheet. Turn off oven, put cookies in oven and leave overnight or for 4 or 5 hours. Yield: 36 cookies.

VARIOUS ITEMS DISCUSSED AT BCD MEETING HELD TUESDAY

Sundry topics were discussed at Tuesday's BCD meeting. The next to the last session of 1966 of the community organization was highlighted with some talk of the forthcoming Christmas Party and Santa Claus visit, and with the Christmas decorations contest, both of which are discussed in separate articles in this week's Observer.

President Vaughan Davis told members that he considered one project is sorely needed by the city and Coke County had been neglected in 1966. The BCD president was referring to a new jail for the county.

Davis said he felt that the jail project had taken a back seat during the past year because of top priority being given to Robert Lee's new sewer system. The urgency of getting the sewer system underway, and the construction of the dam caused the new jail to be dismissed from minds of Robert Lee citizens, the president said.

"I hope that 1967 will bring a renewed interest in this project," Davis told members. He added that painting and repair work now in progress at the jail points up just how bad the condition of the county jail is.

Sewer Project Coming Along

Robert Lee's new sewer system project is coming along fine, Davis reported. Jake Oliver of Austin, engineer for the project, is making final plans, and city officials hope to be able to call for bids by Jan. 15.

The city has secured 12 acres of land south and west of town on which to locate the sewage disposal plant. Work is being done toward opening up streets leading to the site, to provide access to the area and to provide a route for laying lines into the plant.

BCD members voted to have a turkey dinner at the next meeting, on Dec. 20. This meeting will conclude the 1966 program of the organization. Thirteen members were present at this week's meeting.

History Committee Says "Thanks"

More thanks are due to those who helped with Coke County Historical Survey Committee's exhibit at the state convention held at Green Oaks Inn in Fort Worth, Dec. 1, 2, and 3.

Our exhibit emphasized the pre-organization period in Coke County's history, especially the eras of "Indian Occupation and the 'Fencing War,'" which marked a struggle between the advocates of the "Open Range" and the settlers who introduced the barb wire—the wire that fenced the West — into the area.

We are indebted to Mr. R. L. Flanagan for the loan of two frames of Indian artifacts, which added materially to the attractiveness of our exhibit. We thank him for risking his treasures with us.

We are especially thankful to Mr. D. P. Key for assistance in collecting our barb wire exhibit. Mr. Key added more than thirty varieties to our collection which now numbers 50 or more different specimens.

Also thanks are due to Mr. and Mrs. C. H. Cartwright and Ulmer Bird for donating wire specimens.

Sincere thanks to Miss Gladys Waldrop and to the San Angelo Standard Times for pictures used in our exhibit.

And special thanks to Mrs. Houston Hill, who helped mount the barb wire, furnished transportation to Ft. Worth and helped arrange and set up the exhibit; to Mrs. G. A. Besman and Mrs. Hill who were delegates (for Sterling Lindsey and Mrs. Fay C. Roe, who were unable to attend), and to Ben Oglesby, who donated a one-year subscription to the Robert Lee Observer and The Bronte Enterprise as door prizes.

John E. Atkins has returned to his native state, after being away for 53 years. He and Mrs. Atkins have lived in California all of their married life, but decided to return to Coke County to make their home.

Mr. Atkins told The Observer that there is too much traffic and smog in California to suit them, so they decided to return to get away from these unpleasant conditions.

He is the son of the late Mr. and Mrs. Jack Atkins, pioneers of the Sanco community. He went to California in 1913, living all this time at El Centro and San Diego. He spent a number of years in helping develop the big Imperial Valley irrigated farming area.

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea — He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort.

"Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

Attend the church of your choice this coming Sunday and receive the blessings awaiting you.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the well-being of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
