Single Copy 10c

## Steers, Menard To Tangle

### EDDD To Start Sunday In RL

Completion of a \$1.2 million project will make it possible for customers in Robert Lee and 13 other towns served by General Telephone Co. in this area to dial their own long distance calls beginning at 6:30 a.m. Sunday, September 10, according to R. R. McCullough district manager for General Telephone Company of the Southwest.

Towns in the network are San Angelo, Carlsbad, Christoval, Eldorado, Sonora, Sterling City, Big Lake, Bronte, Eden, Mertzon, Miles, Ozona, Robert Lee and Rowena.

More than 40,000 telephones and 27,000 customers are in the network which will make it possible for customers to dial direct more than 93 million telephones throughout the United States and Canada.

All customers will receive by mail before September 10 an instruction booklet which tells precisely how to use the new service. Persons who have not received an instruction booklet or anyone needing additional copies may ob-

tain them by calling the business office during regular office hours, McCullough stated.

The equipment making this new service available is located in San Angelo, McCullough said. Plans for, modification of, and changes in local equipment were begun more than four years ago. In addition to installing the intricate EDDD facilities in San Angelo, the overall project involved constructing new central office buildings in Carlsbad, Christoval, Eldorado and Sonora and placing new central office equipment in the buildings. Additional long distance circuits have been added between San Angelo and area towns so customers in the network can have access to the equipment.

McCullough pointed out that General Telephone customers will have a more advanced type of long distance dialing service than most. "All customers having E-DDD service can dial station - to - station long distance calls; however, the equipment we have also permits customers to dial their own person - to - person, collect or credit card calls."

"Long distance calls dialed by customers are automatically timed and all information about the call is recorded on punched tape, thus making the record of the call complete and accurate," McCullough said. The tape is later fed into a computer so the call is properly charged.

DDD began as an experiment in Englewood, New Jersey in 1951. By 1958, 900 towns in the U. S. had DDD. Now about 86 per cent of the customers in the U. S. can dial their own long distance calls.

The Robert Lee Steers will open their 1967 football season Friday night when they travel to Menard to take on their perennial first-game foes, the Menard Yellowjackets. The Steers have been working hard and the coaching staff members feel they will be able to put up a real battle against the host team.

Kickoff time has been set for 8:30 p.m.

The Yellowjackets will face such veterans as Gary Sam Williams, who will be quarterbacking the Steers. This year he weighs in at 190. Joining him in the backfield will be fullback Donnie Devoll at 145, tailback Roy Blair at 185, and wingback Ricky Whitaker at 185. This foursome assures the Steers will have lots of power and speed.

The Steer line is also well experienced, with most of the forward wall returning lettermen. Ends will be Randy Hall, 145, and Tooter Fields, 170. Lots of weight and power will be found in the

tackles, James Fields at left tackle and either Lonnie Bloodworth or Danny Smith in the right slot. Guards will be Gary Parker and Lynn Beall, and Jackie Preslar will be passing the ball from the center position.

Coach Kenneth Mitchell said the above lineup is tentative and last minute changes are a possibility. He said defensive substitutions will probably include Mike Post, Ronnie Devoll and Darrell Pitcock.

Coach Mitchell told the Observer that Menard has a scrappy club, but the Steers are counting on a win. The Yellowjackets are in District 8-A.

Mitchell's assistants in coaching the Steers include Willie Myers, line coach; Kenneth Rasco, who

also serves as B team coach; and Carl Williams, who also serves as Junior High coach.

**B Team Plays Saturday**  
Robert Lee's B team will take on Garden City A team Saturday night at Garden City. Kickoff time is 8 p.m.

Mitchell said the "B's" have their work cut out for them, as the Garden City club will be running their top men against them. He said the host team is playing 8-man football in district play, but wants to play 11-man in non-district games, as they plan to change over next year to 11-man competition.

Mitchell urged that a full stand of fans attend both the Menard and Garden City games. "These boys are working hard, and they need the support of every football fan in the community," he said.

#### FRAN-CILLA FLOWERS NAMED TO WHO'S WHO

Mrs. T. M. Wylie, Jr., has been notified that Fran-Cilla Flowers has been selected to be listed in the 1968 edition of "Whos Who in the Flower World." Quality of work, ethical standards and other considerations were used in selecting the floral shops to be listed.

Mrs. Wylie is owner of Fran-Cilla Flowers.

#### Services Held For Mrs. Tom Jacoby

Funeral services were held Monday at 4 p.m. for Mrs. Tom Jacoby, 83, of Mason. She was the mother of W. E. Jacoby of Robert Lee.

Mrs. Jacoby died Saturday morning in Menard Hospital after a long illness. The services were held at Mason Funeral Chapel, with burial following in the Jacoby family cemetery.

Survivors include her husband; three sons, Harry Jacoby of Medina, Ed Jacoby of Mason and W. E. Jacoby of Robert Lee; six grandchildren and a number of great grandchildren.

Mrs. Jacoby was a member of the Methodist Church.

#### Large Crowd At Havins Reunion

Annual Havins family reunion was held Aug. 26-27 in the community center in Robert Lee county park. Eight of the children of the late Milton H. and Clara (Wyatt) Havins, attended.

Descendants of John Havins, who came to America from England before the American Revolution, and married Mary Henderson, settled in Virginia. Their descendants have been having reunions for many years. The first one was held in 1915 in the home of their great-great-grandson, Milton Hays Havins.

Present for this year's reunion were Mrs. Mae Winans, P. H. Winans, Mr. and Mrs. Vernon Winans, Mrs. Patricia Kelly, Mrs. Jessie Brant, all of San Antonio; Mr. and Mrs. Fred Havins, Mr. and Mrs. Freddie Hightower, Midland; Mrs. Eva Vowell, Mr. and Mrs. Dee McCleskey, Abilene; Mr. and Mrs. David Reed, Riverside, Calif.; Mr. and Mrs. Thurman Wilson, Ardmore, Okla.; Mr. and Mrs. Fred Bilbo and daughters, Richardson; Mr. and Mrs. Otto Havins and Elizabeth, Wichita Falls; Mr. and Mrs. John Davis and children, Kingsland; Mr. and Mrs. Henry Bogusch, Rockwell.

Family members attending from San Angelo were: Mike Havins, Mr. and Mrs. Cleo Havins, Terry and James, Mr. and Mrs. Clifton Olson, Mr. and Mrs. Bill Havins, Billy and Angie, Murph Havins, Mrs. Vera Pierce, Cathy and Suzie, Mr. and Mrs. Jack Brownfield, Cereta and Paul.

And Mr. and Mrs. Dudge Hallmark, Bill Clary, Bronte; Mr. and Mrs. Fern Havins, Mr. and Mrs. Pat Havins and Wells, Mr. and Mrs. Edd Roberts, Mrs. Ruth Vowell Watson, Mrs. Edna Havins, Jan and Linda, all of Robert Lee.

Visitors to the gathering included Mrs. Jimmy Gray, Miss Laura Martin and Bill Martin of San Angelo.

Jack Brownfield was elected president of the group for the next year. Other officers are Gene Roberts, first vice-president; Cleo Havins, second vice president; Mrs. Thurman Wilson, secretary and Dee T. McCleskey, treasurer.

The next reunion date was set for Aug. 24-25, 1968.

#### Rain In County Measure Up to 3 In.

Coke County escaped the extreme weather which has been prevalent in much of the Southwest during the past weekend and first of this week.

Only earth-soaking rains measuring up to 3.2 inches fell in this area. Robert Lee got 2.2 inches.

Both north and south of here violent weather did heavy damage to crops and buildings. Tornado winds and hail, as well as rainfall measuring up to 12 inches were not welcome where they occurred.

The 3.2 inches was reported by Cumbie Ivey on his river ranch, and he reported 2.5 inches east of town on the Bird ranch. Sanco reported 1.7; Finis Harmon had 1.5; and the Havins Ranch to the south reported 2.1 inches.

The rain offered welcome relief from a summer that has not been over supplied with moisture.

## Officials Discuss Crowded Conditions At RL School

Supt. Jimmy Bickley, who is also president of the Robert Lee Board of Community Development, reported at the Tuesday noon luncheon meeting of the organization that the students are the ones who are paying the biggest price and suffering the most because of the lawsuit which is still pending on the Robert Lee-Silver consolidation.

Bickley was referring to the school district's inability to plan new facilities as long as the suit is in the courts and unsettled. School enrollment has jumped from 338 in 1965 to 490 this year, and additional classrooms and other facilities are badly needed to accommodate the additional students.

The superintendent said that plans are now being drawn up to construct three new classrooms

which will fit into the overall building plan when the suit is finally settled and a building program can be planned. The new classrooms will be built from current funds.

High School Prin. Garland Davis joined the superintendent in concern over the situation as it now exists. He stated that two study halls are conducted in the school cafeteria, but added "we do have everyone inside and the windows can be closed when cold weather begins."

He said the crowded conditions are an inconvenience to teachers and school employees, but the students are the ones who "are paying the biggest price."

Bickley said the last notice he had indicated that the Court of Civil Appeals will reconvene on Sept. 13.

The superintendent said that even though more classrooms and other facilities are needed, school has settled into a routine and is running along smoothly. He told the Observer following the meeting that since the 1966 school started a year ago, school officials have managed to come up with seven new classrooms. This was made possible by using temporary buildings moved here from Silver and by dividing the band hall into two classrooms.

#### Scout Hut Discussed

Hugh Lewis announced that he had talked with officials of the local Lions Club and the members agreed to put the new roofing on the Scout Hut. The Lions were due to meet Tuesday night and discuss the matter further.

Twelve members were present at the BCD meeting.

#### Notes From The Oil Field

Tucker Drilling Co. Inc. and Peter Henderson No. 1-B Cynthia Malone Estate, has been abandoned. It was located 2,173 feet from the north and 552 feet from the west lines of Section 321, Block 1-A, H&TC Survey, five miles southeast of Silver. The wildcat was drilled to a total depth of 6,001 feet.

#### HOMECOMING SLATED FOR NOVEMBER 10

Principal Garland Davis has announced that the annual Homecoming for Robert Lee School will be held on November 10 this year. He said early announcement is made so that class reunions, parties, etc can be planned for that weekend. This date also coincides with the football date between Robert Lee Steers and the Jim Ned Indians on the local gridiron.

#### KINDERGARTEN STARTED

The kindergarten announced in last week's Observer has been started by Mrs. Juanice Jameson. She has named the school Robert Lee Kindergarten.

Mrs. Jameson said this week that she will be able to accommodate some additional students, and she is continuing to register the youngsters this week. Anyone who is interested in sending his child for this pre-school instruction should contact Mrs. Jameson.

She plans to hold classes 5 days each week from 8:30 to 11:30 a.m.

Those attending are Timothy Lynch, Phylis Light, Renee Flanagan, Edwin Wilson, and Johnny Danel.

By MRS. FAY C. ROE

### Now Is The Time

Nature offers the best materials for dried arrangements, and now's the time to collect them.

Dried plant materials are ideal for creating designs for fall and winter with an outdoor or nature theme.

Now is the time to begin collecting grain, weeds, flowers, tree branches and driftwood and drying roses, marigolds, zinnias, salvias, pansies and carnations in a box of dry sand.

Place an inch of sand in the box. Carefully place the flowers on the sandy surface, and slowly pour additional sand over the flowers until covered.

Put only one layer of flowers in a box, and allow 2 weeks for them to dry. At the end of this time, pierce holes in the bottom of the box and allow sand to drain.

Hang milkweed, poppy, yucca, celosia, goldenrod, strawflower and baby's breath upside down to dry. Preserve branches of magnolias, oaks, maples and some woody type flower in glycerin and water. Stand freshly cut branches in 2 inches of equal parts of glycerin and water for about 2 weeks. Branches will have a glossy, fresh appearance and remain pliable.

Place leaves, ferns and grasses between sheets of newspaper and press with flat boards. Spray dried materials with plastic or wax aerosols for prolonged keeping qualities.

### Turkey And Orange Juice Stars Of September Plentiful

Turkey and orange juice take top billing in plentiful foods for September.

Every homemaker knows the value of variety in menu planning. Since turkeys are in ample supply, serving turkey is the perfect way to vary that menu this month. Attractive prices should be in store.

All kinds of orange juice are in heavy supply for September. Packs of concentrate, canned, and chilled orange juice are running ahead of last year's production.

Other foods reported in plentiful supply this month by the U. S. Department of Agriculture's Consumer and Marketing Service are peanut butter and seasonal vegetables. Peanut butter is a real favorite with the kids and blends well with other foods.

Most fresh vegetables will be in plentiful supply in September.

Vegetables expected to be particularly abundant in most areas include cabbage, sweet corn, onions, cucumbers, carrots, green peppers, and potatoes.

For good selection and attractive cost, shop plentiful foods.

### Meals, Not Mealtime, Affect Weight

Eating six meals a day and still maintaining weight may be an idea difficult for some weight-watchers to "digest," but research reports indicate the amount and kind of food consumed, not how many meals per day is the deciding factor.

Agricultural Research Service nutritionists have found that as long as weight - watchers control the amount and kind of food they eat, it doesn't matter whether they eat two light meals and a heavy meal, three meals of equal size or even six meals a day spaced through the waking hours.

The 20 - day experiments included 15 coed volunteers, in groups of five, eating meals in three routines. Mealtimes for two groups came at 7:15 a.m., 12:15 p.m. and 5:15 p.m., with one - fourth of the diet served at breakfast, one fourth at lunch and the remainder at dinner for the first group and equal portions at each meal for the second group. The third group was given six equal but smaller meals at 7:15 and 9:45 a.m. and 12:15, 2:45, 5:15 and 7:45 p.m.

The total daily food intake was the same for all routines. Meals consisted of muffins baked from a special batter containing nutrients in specific proportions. The muffins were supplemented with orange juice, butter and jelly.

The nutritionists found that regardless of eating routines, the volunteers used protein, fat, minerals and vitamins to essentially the same extent.

### Schedule

Thursday, Sept. 7 — Office; 3 p.m., E.E.E. committee.

Friday, Sept. 8 — Office; 2 p.m., Green Mountain HD Club.

Monday, Sept. 11 — Office; 8 p.m., 4-H council.

Tuesday, Sept. 12 — 9 a.m. HD council; Friendship HD club.

Wednesday, Sept. 13 — Office.

JOHN KINSEY IN PACIFIC

USS YORKTOWN (CVS-10) (FHTNC) Aug. 24 - Machinist Mate Third Class John M. Kinsey, son of Mr. and Mrs. John W. Kinsey of Robert Lee, is in the Pacific serving aboard the anti-submarine warfare support aircraft carrier USS Yorktown.

The aircraft carrier recently pulled out of drydock after completing four months of extensive overhaul.

While in the Pacific she will be the command ship of a "hunter-killer" group specializing in anti-submarine warfare.

Mr. and Mrs. Aubrey Denman and David of Midlothian, Texas and Mr. and Mrs. Denman Pate of Denver City were weekend visitors in the homes of Mr. and Mrs. B. B. Pierce and Mr. and Mrs. Guy Denman.

Mr. and Mrs. Ell Hatley visited their son, Bobby Hatley, and family in Helena, Okla., the weekend of Aug. 25 - 26.

PERSONALS

Britton A. Moore, new pharmacist at Farris City Drug Store, is spending a week at his home in Marlin attending to business and visiting a relative, who is ill. He plans to return to work Monday, Sept. 11.

Mr. and Mrs. David Reid of Riverside, Calif., are here spending a two weeks vacation visiting in the home of her sister, Mrs. Ed Roberts, and other relatives.

Mr. and Mrs. Calvin Wallace left last Tuesday for a week's visit in the home of his sister, Mrs. Henrietta Payne, in Clovis, N. M. They will also spend some time in Amarillo in the Bill Wallace home.

Major and Mrs. H. L. Scott and daughters, Marilyn and Sharon, of Tacoma, Wash., are here visiting his parents, Mr. and Mrs. H. L. Scott, for two weeks. The girls will remain in Texas and attend college this fall. Sharon will be a junior in Texas Christian University in Fort Worth and Marilyn will be a freshman at Texas Tech in Lubbock.

Mr. and Mrs. D. N. Vosburg and Mr. and Mrs. D. J. Huse and children, all of Hubbard, were weekend guests in the homes of Mr. and Mrs. Javan Vosburg and also in the George Braswell home in Bronte.

Carlton Boone of Sweetwater visited his parents, Mr. and Mrs. Sloan Boone, over the weekend.

Weekend visitors in the J. B. Robertson home were their son and daughter-in-law, Mr. and Mrs. Doyle Robertson of Abilene and Mr. and Mrs. Travis Starnes, Ronnie and Gayle of Sweetwater.

Mr. and Mrs. John L. Bruton and children of Midland were Labor Day weekend visitors in the homes of their parents, Mrs. E. O. Higgins and Mr. and Mrs. Ralph Garvin.

## Thursday, Sept. 14

Pinto beans with salt pork, turnip greens, buttered potatoes, corn bread, butter, milk, peach cobbler.

## Friday, Sept. 15

Barbecue chicken, creamed potatoes, garden salad, hot rolls, butter, rainbow jello with cream, milk.

# Cong. Burleson In District During Labor Day Recess

Congressman Omar Burleson is in the district for a number of speaking engagements during the Labor Day recess of the Congress. Following his arrival at his district office in Abilene, the congressman said, "I had hoped that the congress would adjourn this session by Labor Day and permit me to spend the rest of the fall in the district, but with the many problems yet to be faced by the Congress, it will be some time now before final adjournment can be reached."

The congressman's schedule during this visit called for him to be honored at a stag barbecue on Lake Colorado City Saturday evening of last week. He was in San Saba for the Lions Club luncheon on Tuesday at noon, and in Lampasas for an appreciation dinner honoring him as the new representative and congressman and O. C. Fisher as the present representative of the Lampasas area. The Lampasas dinner was a jointly sponsored appreciation staged by the Chamber of Commerce, the Lions, Rotary and Kiwanis Clubs of Lampasas and the Lions Club of Lometa, Texas. Master of Ceremonies for the appreciation dinner was Norris Monroe, editor of the Lampasas Dispatch and Record.

In San Saba, the congressman was a guest of former State Senator Louis Crump at the weekly Lions Club luncheon.

The Colorado City barbecue was planned by Dr. Dave Bridgeford, Jinx Powell and several other Colorado City and Mitchell county friends of the congressman.

When questioned about this first session of the 90th Congress, Burleson said, "I can't remember a session when we have worked harder and actually accomplished less in the legislative processes of government." He continued, "There are many problems yet to be disposed of, including the proposed 10 per cent surcharge on income taxes." He added, "My correspondence from the folks here in the district has been extremely heavy this year, largely in regard to the Vietnam war, the rioting and looting problems, and the proposed 10 per cent surcharge on income taxes." Burleson continued, "My mail and personal contacts suggest to me that people are extremely disturbed over things that are taking place and rightfully so." "I share that concern," he added.

Congressman Burleson concluded, "The congress stays in session so long each year anymore, and with the increased size of the district, it is very difficult if not impossible for me to get around and visit over the district as much as I would like to even utilizing holidays and the 'short falls' in recent years."

# RUMMAGE SALE

Sept. 8th & 9th

At 10th & Euel Streets

Sale will include clothing, shoes, coats, crochet bedspread, lamps, dishes, vases, quilt tops and many other items.

MRS. H. C. ALLEN

# TAKE THAT FROWN OFF HIS FACE!

It isn't that the lessons are hard, it's the lighting that's bad. Improper lighting can cause him headaches, fatigue and worst of all, it's causing eye-strain. A well lighted study area may not guarantee him a high I.Q., but it certainly will make homework easier!

Your lighting dealer can show you modern lamps designed for the utmost in sight-saving light. See him before your youngster develops a "Study-Time Frown."

AUSTIN, Tex. — With the tolling of school bells, some 2,598,000 students are back in Texas classrooms. Enrollment is 42,000 more than last year.

An estimated 122,000 professional people (teachers, principals, and superintendents) are required in the 1,275 school districts in Texas.

Texas State Teachers Association reported a month ago that there were only 450 applications for 1,951 vacancies.

Texas Education Agency estimates \$1,350,300,000 will be spent on public school education in 1967-68. This is a four per cent, or \$55,700,000, increase over last year.

During the coming year, Texas will be spending \$505 for each pupil. Average cost per child for 1966-67 was \$479.

With an anticipated continuing teacher shortage, TEA expects an increase in the number of teaching aides employed to do clerical and other non-teaching tasks. Nearly 5,000 of these aides are expected to be employed over the state, compared with 4,317 in 1966-67.

66 - 67. While enrollment continues to grow, some observers have noted that the two per cent increase this year is not nearly as dramatic as the increases in prior years.

Grades one to six will enroll approximately 1,418,000 pupils and grades seven to 12 about 1,179,000.

SIGN DONATED

The new sign situated at Mountain Creek Golf Course was donated to the golf association by San Tex Company of San Angelo. Park and golf course attendants, Lendy Devoll and Sherman Williams, erected the sign.

Mr. and Mrs. A. J. Bilbo spent the Labor Day weekend with Mr. and Mrs. R. L. McGuire of Big Lake.

Mrs. Lynn Herr of Abilene recently visited in London with her husband for ten days. The former Juanice Childress, daughter of Sheriff and Mrs. Melvin Childress, she is married to Lt. Col Lynn Herr, whose home base is Dyess AFB, Abilene. The colonel expects to return to Abilene the latter part of September, after being stationed in England for some time.

PERSONALS

Mrs. Sam Powell recently returned from a trip to the Pacific Northwest. Accompanied by Mrs. Elizabeth Powell of San Angelo, the ladies made the trip by plane to visit Mr. and Mrs. Walter L. Ray of Spokane, Wash., formerly of San Angelo. Mrs. Ray is the niece of Mrs. Sam Powell. They also visited Farragut State Park, Lake Pend Oreille and Lake Priest, all in Idaho; Glacier National Park in Montana; McNary Dam at Umatilla, Ore., and points in Canada.

Jerry Littlefield of Afton, Okla. visited last week with his grandparents, Mr. and Mrs. A. J. Bilbo. Jerry will be a student at Oklahoma A&M College in Miami, Okla. this week.

Guests in the home of Mr. and Mrs. C. E. Mitchell over the Labor Day weekend were Mr. and Mrs. Marshall Mitchell and two children of Lubbock.
