## Friday Scrimmage At Ozona

### New Residents May Vote In Presidential Election

Voters who have lived in Texas less than a year must apply for a ballot during a 15-day period beginning Friday, Sept. 6, if they want to vote for President and Vice President in the coming general election, County Clerk Mrs. Winnie Waldrop announced today. Applicants must appear in person at the county clerk's office.

This will be the first time that persons having less than a year's residence in the state will be able to vote in a presidential election, Mrs. Waldrop said. A law passed by the Texas Legislature last year permits a voter who moved to Texas from some other state less than a year before general election day to vote for President and Vice President,

### Service Held For Mrs. Richardson

Funeral services for Mrs. T. A. (Leila Harris) Richardson were held at 10 a.m. Monday in the Church of Christ in Robert Lee with the minister, Reuben White, officiating. Burial was in Robert Lee cemetery under direction of Williams Funeral Home.

Pallbearers were James Craig, Jim Barnhill, W. E. Jacoby, Roy Hood, Tom Rives, John Gregston and Chism Brown.

Mrs. Richardson died at 5:15 p.m. Saturday in St. John's Hospital in San Angelo after a long illness.

Mrs. Richardson was born in Tyler County Feb. 28, 1901. She was married to T. A. Richardson in Dec. 1925 in Sweetwater. They moved to Robert Lee in 1936. She was a member of the Church of Christ.

Survivors include her husband; a daughter, Mrs. Owen Cosgrove of Moore, Okla.; two brothers, Elmer Harris and Homer J. Harris, both of Bullard; two sisters, Mrs. Horace Keele of San Angelo and Mrs. Fred Stripling of Bullard; and four grandchildren.

### Plans Started For MOD Tournament

Preliminary plans are in the mill for the annual March of Dimes golf tournament between golfers of Robert Lee and Bronte. Latest information available to the Observer said the tourney will be held some time in October or early November.

Proceeds from the annual affair go to the Coke County March of Dimes.

This year's tournament will be held in Robert Lee, since the site is alternated between Robert Lee and Bronte.

Mr. and Mrs. Fern Havins spent the weekend at Ruidoso, N. M. They reported a very enjoyable trip and that they enjoyed the cooler weather.

but for no other offices, if he will have lived in Texas at least 60 days on election day.

In order to vote, he must possess all the qualifications required of electors under Texas law except the ordinary residence requirements, and it must also be shown that he was either a qualified elector in another state

### Vehicle Inspection Begins in Texas

AUSTIN — The 1969 vehicle inspection period began Sept. 1 in Texas according to Colonel Wilson E. (Pat) Speir, acting director of the Texas Department of Public Safety.

"More than six million vehicles are expected to receive the compulsory inspection prior to the April 15, 1969, deadline," Speir said. Inspections may be performed at any of the almost 5,500 vehicle inspection stations in Texas, each of which displays the official vehicle inspection station sign. Texas law requires inspection of the brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, front seat belts in vehicles where seat belt anchorages were part of the manufacturers original equipment on the vehicle, steering (including power steering) and wheels and rims (not to include the removal of the wheel from the vehicle) on all motor vehicles registered in the state. Special inspection provisions apply to trailers, semi-trailers, pole trailers or mobile homes having a loaded gross weight in excess of 4,000 pounds.

The minimum fee is \$1.75. This does not include the cost of repairs or adjustments necessary to enable the vehicle to pass inspection.

Speir said the new vehicle inspection sticker will be a two and one-half inch square replica of a DPS patrolman's badge with red background. Motorists are urged to have the 1969 inspection performed as soon as possible to insure that their vehicles are mechanically safe for fall and winter driving.

immediately before his removal to Texas or that he would have been eligible to vote in the presidential election in the state where he formerly lived if he had remained there until election day.

Mrs. Waldrop said that a person who had been issued a voter registration certificate, voter identification card, or other document showing that he was a registered voter in the state from which he moved should take this document with him when he goes to the county clerk's office to apply for a ballot. If he does not have written proof of his registration, it will be necessary for the clerk to obtain verification of his voting eligibility from the voter registrar or other appropriate election official at the place of his former residence before he will be accepted for voting.

Applications must be filed with the clerk by 5 p.m. on Friday, Sept. 20. However, the voters will not actually vote until the period of Oct. 21-Nov. 1, when they will return to the clerk's office and cast their ballots. Mrs. Waldrop said that each applicant will be given written notice informing him whether his application has been accepted after the clerk receives a reply from the voter registrar in the state of former residence.

Persons voting in the presidential election under this special procedure need not be registered as voters in the county where they now live.

Mrs. Waldrop emphasized that this voting procedure applies only to persons who will have lived in Texas less than a year on election day. If a person moved to Texas before Nov. 5, 1967, he must be registered with the county tax assessor-collector in order to vote in the general election on Nov. 5, and he will vote in the regular manner on election day. However, only those persons who became residents of Texas after Oct. 1, 1967, may register at this time, and they must register by next Oct. 5 in order to vote in the election on Nov. 5. Registration for persons who became residents on or before Oct. 1, 1967, closed last Jan. 31.

### QB Club Barbecue A Huge Success

Annual Quarterback Club barbecue which was held last Thursday was called a "tremendous success" by officers of the club. The large crowd consumed huge quantities of barbecued beef, beans, potato salad, pickles, onions, bread and drinks.

In addition to the big meal, those present were treated to the first scrimmage of the season by the Robert Lee Steers. A team from Early High School, Brownwood, was here for the preseason exhibition contest.

The Quarterback Club is presently conducting a membership drive and new members are badly needed. Memberships in the organization are the main source of revenue for the club to carry on its work of assisting the Steers in their forthcoming 10 game season.

Memberships are for sale at \$3.00 each and may be purchased from officers and members of the club.

Officers for this year are Bob Fields, president; Durwood Mumford, vice president; Ronnie Baker, secretary-treasurer.

Robert Lee football fans will have another opportunity Friday to observe the 1968 Steers in action. The local lads will travel to Ozona for a pre-season scrimmage with the Lions. The contest will start at 6:30 p.m.

At last report there were 32 boys out for football, all hopeful of making the starting team.

Coach Kenneth Mitchell has been putting his charges through some stiff workout sessions for over two weeks. They expect to be ready for the first game of the season, Sept. 13, when Menard comes here.

### Pocket Size 1968 Steer Schedules Now Available

Pocket size schedules listing the 1968 games of the Robert Lee Steers are available at the school and The Observer office. The schedules are printed on orange paper in black ink. They are free for the asking.

### Sam Williams Completes Course

Sam Williams, owner of Williams Funeral Homes in Robert Lee and Bronte and ambulance service operator for Coke County, recently completed a three day course entitled Initial Emergency Management and Transportation of the Sick and Injured. The course was held in San Angelo.

Sponsors were the Texas State Department of Health and the committee on injuries of the American Academy of Orthopedic Surgeons, in cooperation with Shannon Hospital. It was designed especially for ambulance attendants, nurses, firemen, policemen, safety engineers, volunteer rescue teams, emergency squads and other groups interested in emergency care.

Approximately 17 physicians taught various phases of the course, including fractures of the spine, arms, legs, head injuries, chest and abdominal injuries, eye and facial injuries, radiation hazards, circulation, bleeding and strokes, emergencies involving children, electrical power lines, and childbirth.

"What is Emergency Care" was the topic of a special lecture by Dr. Charles A. Rockwood Jr., chairman, Department of Orthopedic Surgery of the University of Texas Medical School at San Antonio.

A diploma authorized by the executive committee of the American Academy of Orthopaedic Surgeons was awarded Williams upon successful completion of the course.

### Enrollment Jumps To 468 at School

Enrollment in Robert Lee School has increased by eight since a report was issued last week. The additional students bring the enrollment up to 468.

Supt. Jimmy Bickley said there may be other school age children in the district who have not yet enrolled for the 1968-69 school term.

### BCD Discusses City Park Board

Discussion was held at Tuesday's BCD meeting on the formation of a city park board. Mayor Wilson Bryan told the group present that a five man board is being formed and a member from the BCD is wanted to serve on the board.

Four members for the new board have already been appointed; they are Gene Hinnard and Jack Denman, members of the city council, and Fern Havins and Charles Atkins, members of

the Lions Club.

A motion carried for the BCD to appoint a member to serve. President Hugh Lewis Jr. asked for a few days to talk over the matter with BCD members and find out who would like to serve.

Lewis read a letter from the Farm Bureau requesting that clubs, civic organizations, churches, schools and other organizations use the two students who recently attended a Citizenship Seminar at Baylor University as speakers for programs.

The BCD agreed to invite Darrel Pitcock, Robert Lee senior who attended the seminar, to speak at an early date. The other Coke County Representative at the seminar was Joy Cervenka, a senior in Bronte High School.

There was some discussion on Texas Water Laws about the distance from the water's edge persons may travel without trespassing on private property of those who own property on the lake front.

Thirteen members were present.

**FISH FRY, TO BE HELD FOR SCOUT LEADERS**

Clarence Owens, Miles, district commissioner of the Tri-Rivers District, announced today that more than 150 members of the Boy Scouts of America district, will gather Sept. 7 at Pfluger Park in Eden for a fish fry. The meeting will mark the beginning of the fall roundup rally for scouting.

Purpose of the rally is to acquaint Cub Pack, Troop and Explorer Post leaders and district officials with plans for rounding up more boys for scouting. Wives and families of these men also have been invited.

A practical reason for timing the round-up at this time, Owens said, is to make it easy for boys who have moved into new neighborhoods during the summer to enlist in appropriate scouting programs at their new homes.

Troop 421 of Eden is hosting the fish fry and meeting.

Owens added that any adults interested in working with the scouting program are welcome to attend the fish fry and find out where they can help.

## MASONIC LODGES HONORED

Three Masonic Lodges in this area will receive awards during a Masonic Workshop meeting to be held Monday, September 16, at the Masonic Lodge Hall in Robert Lee.

Bronte Lodge 962, Sterling Lodge 728 (Sterling City) and Hayrick Lodge 696 (Robert Lee) will be honored during the meeting for outstanding attendance during the Spring series of Masonic Workshops, a project of the Grand Lodge of Texas which is aimed at improving the quality of Lodge officers.

The Workshop being held in Robert Lee will have Dr. James T. Cook, chairman of the seven-county Masonic Workshop Area F-3, presenting the awards and conducting the meeting. Dr. Cook is from Ballinger.

He said the Workshop is a part of the semiannual program held for officers of the 972 Lodges in Texas. The Masonic Lodge is the largest fraternal group in the state, with membership of nearly 250,000. The group is noted for its charitable activities.

### How Does Your Food Measure Up

Aging folks need "growing food" just like the kids do. One grows "old" when he ceases to produce new body cells, so you can totter at 60 or be a young 80, depending largely on how well you eat to repair yourself.

To a large extent, you can control aging by persistent good "or bad" habits.

Many older citizens need better diets. For a recognized standard that provides information for choosing the right food, use the "Daily Food Guide" available from my office.

There are two angles to this growing-older problem. One is physical, and the other is mental. Food has a lot of bearing on both angles. Some of the old ideas must be discarded if the good protective foods are going to be eaten regularly.

Don't get food-cranky about what you eat. Don't try to live on "tea and toast" or "bread and butter." Don't let vitamin pills suffice for food unless your doctor prescribes them.

Don't be a "meal-skipper." Don't refuse to try new textures in food. If chewing is difficult, cube-it, chop-it, mash-it, or grind-it to help the work of your teeth. Don't be a snacker. Three "squares-a-day" can add the variety in foods necessary. Don't be an over-eater. We need less food as we add years.

### Fall Fashions In Short

For women who sew, the feminine look is easy to achieve with a new offering in piece goods: fabric with matching trims.

Color lineup for fall: Gray is the leading shade, often sparkled with bright colors. White and

cream are elegant accent touches. Brown in wide range of tones from chocolate to softened camel is back.

If you are planning to sew with flower-printed fabric, here is a tip. When you lay out the fabric for cutting, fold it lengthwise with the right side out. Make sure the motifs on the under layer of fabric are directly under the ones on the top layer. Try to match the largest flower designs at the seamlines, not the cutting lines.

### Homemaking Tips

If you are planning to serve ham steaks be sure you buy a whole ham or a half ham so you will have nice center slices to use. If you buy the shank or butt portions the center slices have already been removed.

Do you ever get to the picnic area and find the kids want to dig into those mouth-watering hot dogs the moment the car stops? With a little preparation you can have them ready without stopping everything and starting a fire. Before you leave home, put a bunch of hot dogs into a wide-mouthed vacuum bottle and fill it with boiling water. By the time you reach the picnic spot, the franks will be ready for the youngsters to add the mustard, relish and a bun with no waiting.

Looking for a new luncheon sandwich idea? This Western Egg sandwich is sure to be a hit. Beat eggs with milk and season to taste with salt, pepper and any favorite herb or seasoning such as thyme or basil. Then fry or bake with diced ham and diced green pepper, in plenty of butter. Place on toasted bun and serve with relishes and tall glasses of refreshing milk.

### Milk a la Mode

Want to serve your family and friends something refreshingly

different? Make it Milk a la Mode. That's simply milk, plus ice cream, plus your favorite flavoring, jelly, jam, sauce or fresh fruit. For example, mix up Orange Chocolate Shakes for a teenage crowd. In a mixing bowl put 1 quart softened vanilla ice cream. While beating the ice cream blend 1 can (6 oz.) frozen concentrated orange juice, thawed, and 1/4 cup confectioners sugar. Gradually add 1 quart chocolate milk. Pour into tall glasses, top with additional scoops of vanilla ice cream. Makes about 7 cups.

### September Plentiful Foods

September plentiful foods help you to serve better meals at a lower cost. Be sure to use them often: Broiler-fryers, milk and dairy products, peanuts and peanut products.

Mr. and Mrs. Dale Lofton, their children, and a friend, Josie Flores, all of Oklahoma City, were Labor Day weekend guests in the home of his mother, Mrs. Alfred Lofton. Miss Flores is a student at Central State University in Oklahoma and the Loftons are her host family while she is in the United States. She is from Guatemala. Other visitors of Mrs. Lofton this weekend were Mr. and Mrs. Keith Lofton and family of Snyder.
