To Discuss Nursing Home Board Calls Public Meeting

Lynn Beal
... Homecoming King

Donna Mitchell
... Homecoming Queen

Large Crowd Here For Homecoming

Donna Mitchell, a junior in Robert Lee High School, was crowned homecoming queen as a climax to homecoming activities held here last Friday. Lynn Beal, senior student of RLHS, was crowned homecoming king.

Ronnie Devoll, last year's king, crowned Miss Mitchell, while Miss Kathi Percifull, last year's queen, did the honors for Beal. Miss Mitchell is the daughter of Coach and Mrs. Kenneth Mitchell and

Mrs. Fay C. Roe Gets Recognition

Mrs. Fay Daphne Roe of Robert Lee has been selected to appear in the 1969 edition of "Outstanding Personalities of the South." The publication includes educators, leading businessmen and women, members of state and national legislative bodies, civic and political leaders, elected leaders of various political subdivisions, farmers, ministers, officers and officials of trade organizations, leading sports figures, and many other individuals who, because of past achievements and service to their community and state are recognized as outstanding personalities of the south.

Mrs. Roe is Coke County home demonstration agent, serves on the county historical survey committee, and takes an active role in many civic, church, and school affairs.

The 1967 edition of this book was released in February, 1968 and can be found in the state library of each southern state and the Library of Congress in Washington, D. C.

SCHOOL STUDENTS TO GET THANKSGIVING HOLIDAYS

Students of Robert Lee School will be dismissed from classes next Wednesday at 2:45 p.m. for Thanksgiving holidays.

Classes will be resumed Monday, Dec. 2, at the regular time.

Beal is the son of Mr. and Mrs. Zeddy Beal.

Also honored were Mr. and Miss RLHS, Quinn Conley and Vickie Rowaldt, who were elected by the student body. Conley is the son of Mr. and Mrs. John Conley and Miss Rowaldt is the daughter of Mr. and Mrs. Allan Rowaldt.

Homecoming activities were sponsored by the Beta Club, the student council and high school classes.

Beginning with a reception from 1:30 to 4:30 and hosted by the Beta Club, the homecoming activities also included a parade at 4:30 p.m. in downtown Robert Lee. Robert Lee High School Marching Band, several floats and numerous students marched in the parade.

Crowning of the homecoming king and queen and Mr. and Miss RLHS took place during halftime ceremonies at the Robert Lee-Wall football game.

A large crowd was present for the festivities.

Boys Teams Have First Games

Robert Lee High School basketball teams came out on the short end of the stick Tuesday night when they played four games and won one.

The A and B boys teams, in their season openers at Coleman lost both of their contests, while the A girls won and the B girls lost the games played here with Winters.

Girls Games

The A girls downed Winters 56-50 with Judy Gartman taking high scoring honors with 23. Jackie Conley made 18 and Sharon Walker 15.

The B girls lost, 57-39. Marsha Duncan was high pointer for her team with 15, and Kay McGinley and Angela Reed each sank 12 points.

Boys Games

Coleman's A boys rolled over

The board of directors of West Coke County Hospital District has called a public meeting for Friday night, Nov. 22, at the court house to discuss the pressing matter of what to do about adding onto the district's nursing home. The meeting will start at 7 p.m.

Purpose of the meeting is to get opinions from taxpayers of the hospital district as to their wishes about adding on to the present eight-bed nursing home.

The matter came to a head a couple of weeks ago when it was announced that the district had been approved for a \$55,000 Hill-Burton grant for the purpose of expanding the nursing home. This figure was considerably under the amount requested and, when matched dollar for dollar with local funds, would build an eight-bed addition to the nursing home.

Directors of the district and other friends of the hospital district had wanted to build a 22-bed

addition to take care of persons who need the care it provides. However, the funds approved are only slightly more than half of the \$97,500 requested which when matched would have built a 22-bed addition.

The big question before the board and taxpayers of commissioner precincts 1 and 3 is whether to spend \$110,000 for an eight-bed addition or to spend \$195,000 for a 22-bed addition.

Pair Injured In Auto Wreck

Two Midland men were injured about 8:30 a.m. Saturday in a one-car accident in Coke County about half way between Robert Lee and Sterling City.

Injured were Richard Henderson and James Long. They were brought to West Coke County Hospital. The accident was investigated by a highway patrolman from Sterling City.

It was reported that the car, a 1965 Ford, hit the shoulder of the right side of the highway, was whipped back onto the road and then left the highway on the right side, going through a fence.

Henderson had a laceration of the left knee, back injuries, and multiple contusions and abrasions, but was released from the hospital Sunday. Long remains in the hospital with a dislocated left shoulder and general contusions and abrasions.

The men were on their way to Waco when the accident occurred.

OBSERVER OUT EARLY

The Observer will be printed one day early next week, in order to have it in the mail on Wednesday before Thanksgiving Day.

This means that Monday, instead of Tuesday, will be the deadline for all news and advertising copy. It would be a great help if some news items could be turned in by Friday.

The cooperation of news contributors as well as advertisers is requested in meeting this early deadline.

Cemetery Cleanup A Big Success

The cemetery clean-up last Saturday was quite a success say the leaders of the Robert Lee Cemetery Association. There were more than 25 persons who helped during the day, and leaders said evidently many hours were put in during the week prior to the clean-up day.

They report that load after load of trash was hauled from the cemetery. Most of the area was mowed and some of the graves were cleaned or restored. Only about ten per cent of the mowing around the lots was left undone. It was said that much more work could be done but the cemetery is now in a much improved condition and everyone is invited to drive by and see what has been done.

Bill Beaty and other Cemetery Association officials expressed thanks to the B.C.D., Eastern Star, Lions Club, Masons, City and County officials and to all individuals who showed their civic pride by doing this work.

J. E. Quisenberry, secretary of the district's board of directors, explained that there is only \$85,000 difference in the two figures because of the auxiliary construction which would have to be done if either addition were built.

He said that extra construction besides patient rooms would be about the same for either addition. Included in the construction if either addition is built would be a new nurses' station, dining facilities, lobby, and recreational area.

"In other words what we are facing," Quisenberry said, "is whether to spend \$110,000, add eight rooms and wind up with a 16-bed nursing home, or to spend \$195,000, add 22 rooms and wind up with a 30-bed nursing home."

Either course will require a bond issue, the directors said. If the eight-bed addition is decided upon, it will call for a \$55,000 bond issue and if the 22-bed addition is decided upon, it will call for a bond of \$140,000.

It was pointed out that the larger facility could be operated much more economically per patient than the smaller, as the same number of supervisory employees would be required in either case.

Also, it was brought out that the 30-bed home would yield almost twice as much income as the 16-bed facility, thereby making it entirely feasible for the home to be self-sustaining, and able to retire the larger bond issue.

Quisenberry said that as he sees the matter, taxpayers of the hospital district face one of three alternatives in their decision on what to do about the matter:

(1) They can accept the \$55,000 grant and vote a \$55,000 bond issue to match it to build eight more rooms.

(2) They can accept the \$55,000 and vote a \$140,000 bond and build 22 more rooms.

(3) They can turn down the \$55,000 grant and re-apply for a larger one and take a chance on having it turned down and probably get less for their money because of the steadily increasing costs of construction.

Need Is Here

The nursing home now has a waiting list of 22 persons who need the care offered here. A number of old timers are now being cared for here.

Specials Offered For Thanksgiving

Both West Way Grocery and Baker's Grocery & Market are running page ads in this week's Observer, featuring many specials and catering particularly to the housewife who is buying groceries for a Thanksgiving feast.

Both stores are regular advertisers in the Observer with week-end specials, but this week they are offering some "extra hot specials" before the Thanksgiving holidays.

Readers of the Observer should check these ads carefully for their needs, along with the regular every day low prices offered by the two stores.

County Agents News Column

By **STERLING LINDSEY**

Coke County and the state screwworm numbers dropped during the past week. The cooler weather should and evidently has given some desired relief. The fly's movements should be fairly limited with the cooler weather we have been having.

The one case found in the county last week was submitted by J. O. Rudd from his place south of Robert Lee. We hope this one was the last one for 1968.

Recently a move was made to better prepare ourselves for a rural fire should we have one. From the effort we hope to prepare an alert plan and a listing of equipment that could be pressed into use to control a rural fire anywhere in our area.

We have received 40 of the questionnaires mailed out asking for information on equipment that could be used to fight a fire. We sincerely hope others will be completed soon so that the list can be compiled and distributed to everyone at an early date. As we get deeper into the cool season, the chances of a costly fire occurring will increase.

According to the Texas Forest Service fire records, carelessness while burning trash around the home is the number one cause of outside fires. Everyone needs to be careful and use their best judgement with fires of all types.

We have received a new supply of bulletins on the control of insects and diseases on fruits and nuts. These were out of supply for a while. Should you desire a copy, let us know.

Have you ever stopped to consider how grass plants manufacture food? The grass plant is a sun-powered food maker whose raw products are carbon dioxide and minerals. It returns oxygen and water to the air.

When a plant is grazed the productive level of the factory is temporarily reduced. The plant dies if it is grazed too short because a portion of its production is needed to keep the factory operating. A moderately grazed plant, if allowed to grow for a while without further grazing, will fully restore the production level needed to produce seed, roots and leaves.

Grasses grazed short require three to six weeks of top growth before root growth begins. A moderately grazed grass plant begins root growth within one week after top growth starts. Moderately used grasses grow rapidly when deferred for a short period, while overgrazed grasses may not recover in one growing season and may die during drought.

Grasses differ from trees in the growth of new leaves and stems. The growing point of a grass leaf is at the base of the plant while the growing point of a tree is at the tips. Thus, this grass growth habit makes it an ideal plant for range cover and as a source of forage for grazing animals.

Range management therefore, is of utmost importance in handling our important grass crop. A range or pasture with good cover of desirable grasses and other forage plants protects watersheds and prevents erosion and siltation of reservoirs and other water-holding structures. Proper stocking with higher producing livestock under good range conditions will result in more net income for the stockman and serve as an important aid in keeping the grass factories working at top efficiency.

This information was taken primarily from MP-878, "How Good is Your Range?"

COKE COUNTIANS ATTEND TOM GREEN COUNTY MEET

Five persons connected with historical work in Coke County attended a meeting Monday night of the Tom Green Historical Society. Main speaker for the program was Truett Latimer of Abilene, executive director of the Texas State Historical Survey Committee and member of the Texas Travel Trails Commission.

Attending from Coke County were Mr. and Mrs. Ulmer Bird of Sanco, Mrs. Bryan Yarbrough of Robert Lee and Mr. and Mrs. Elton Mims of Water Valley.

Mims was presented a Distinguished Service Award in recognition for his work with the Tom Green and Edwards Plateau Historical Societies.

Mrs. Ordie Gibbins of Clyde visited here last week with relatives, Mr. and Mrs. A. V. Hughes, Mr. and Mrs. Ell Hatley and her mother, Mrs. Eva Hayley.

POST HOME FROM ARMY

Stanley Post, son of Mr. and Mrs. Perry Post arrived home last Sunday from Fort George Meade, Maryland, after completing a two year enlistment in the U. S. Army.

He is a 1963 graduate of Colorado City High School and attended Angelo State College for three years. He plans to work and attend night classes during the spring semester at ASC.

Steers Drop Final Game Of Season To Wall, 43-20

By RONNIE BAKER

The Hawks flew high as the ball was put into the air at a productive measure. The Steers, had an adequate excuse that quite a few boys were sick with a virus. If it would have made a difference will never be known, but statistically, I believe it would.

The passing game of the Hawks was just too much for the Steers, but the ground game was still held to a reasonable measure. It was the last game for Mike Denman, Roy Blair, Bill Burns, Carroll Green, Andy Cole, Teddy Millican, Terry Hines, Bob Thompson, Lynn Beal, Darrell Pitcock and Larry Sockwell, but the other Steers can say wait until next year, the Bumble Bees will be back!

First Quarter

The Hawks won the toss and elected to receive and with the short onside kick by Beaty, the Wall Hawks took over at their 42. A quick pass moved the Hawks to the Steer 33. Another 1st at the Steer 19 in 3 downs and then they had another at the 4. With 1st and goal, the Hawks plunged over for a quick TD, with only a minute and 45 seconds gone on the clock. The extras failed and it was 6-0 for the Hawks.

The kickoff carried to the Steer 16 and a misplay put the ball down there, 1st and 19. The Hawks held and Mumford quick-kicked to the Wall 36. The Steers held the Hawks this time, throwing them back to the 30. A short punt carried only to the Steer 40 and the Steers started their drive. Sockwell circled end for 30 yards and a 1st at the Wall 30 yard line. Smith hit the middle for a 1st at the Wall 20. Then Randy Smith, again on an off tackle play, burst through the middle and went all the way for a Steer TD. The try for extras failed and the score was 6 to 6.

The Steers kicked deep this time and it showed why they don't do that often. A Hawk took it on

Millican Reunion Held Here Sunday

Descendants of the late Mr. and Mrs. D. F. Millican, early settlers in the Edith community, gathered for a reunion Sunday at the home of Mr. and Mrs. Bud Harmon in San Angelo. There were 76 present.

The children attending were Will Millican and Mr. and Mrs. C. C. Millican of Robert Lee; Mr. and Mrs. Henry (Rachel) Burk of San Angelo.

Also attending were Hazel Smith and Dorothy of Arlington; Nora Mae Hale, Midland; Gary Smith, Nolan; Lillian Blair, Duane and Becky, Mr. and Mrs. Ricky Hopkins and Sandy, Sterling City; Agnes Hardin, Dublin; Edith Conger and Debbie, Zephyr.

Also Mr. and Mrs. Turney Linney, Mrs. LaRue Smith, Mr. and Mrs. Cecil Danford and Patsy, Mrs. Kaye Elliott, Mr. and Mrs. Allen Young and Burk, Mr. and Mrs. J. D. Burk and Mike, Mrs. Mary Reed and Tod, Mr. and Mrs. John Dee Burk and son, Misses Brenda and Melinda Burk, Mr. and Mrs. Bud Harmon, Teresa and Betsy, all of San Angelo.

And Mr. and Mrs. Connie Millican, Tim and Elaine, Mr. and Mrs. Wilbern Millican, Teddy, Waldon, Wibby and Terry Jo, Mr. and Mrs. Finis Millican and Sue Ann, Mr. and Mrs. D. J. Walker, Sharon, Becky, Audrey and Cindy, Mr. and Mrs. Elton Millican, Marshall and Troy and Darrel and Sheri Pitcock, all of Robert Lee.

the 10, cut to his right and without a change in pace 90 yards later he was crossing the goal line for another touchdown. The extra points try was no good and Wall led 12-6.

Wall kicked off to the Steer 15 with a return to their 29. Then Wall held at the Steer 37 and Mumford kicked to the Wall 34. The Hawks made a 1st at the Steer 45 on a penalty and then made three successive 1sts to the Steer 4. Two plays later, Wall scored again with the extras no good and the score was 18-6. Wall kicked off to the Steer 10 and it was returned to the 33 by Mumford. Joe Key made a 1st at the Steer 46 and Smith made one at the Wall 42 on two successive plays as the first quarter ended.

Second Quarter

Wall held at the 50 and Mumford kicked to the Wall 15 and it was returned to their 30. Then the Hawks moved again on the short passes, 10 and 12 yards at a lick, and 7 plays later they scored from the 21 yard line on a quarterback rollout. The extras failed again and the score was 24-6.

Wall kicked off again and the ball was taken at the Steer 25 with no return. Wall held the Steers and Mumford got a beautiful punt to the Wall 24 yard line with a return to the Wall 46. Wall couldn't move and kicked to the Steer 25. The Steers were also held and Mumford quick-kicked to the Wall 29. Wall went to the air and this time the Steers were ready as Jackie Preslar intercepted and returned the ball to the Steer 40 yard line. A long pass to Bill Burns moved the ball to the Wall 30 as the half ended.

Third Quarter

The Steers received the second half kickoff with Mumford getting a good return to the Steer 40. But the Hawks held and again Mumford punted to the Hawk 30 yard line. The Steers are alert again as Mumford intercepted at the Steer 44 on a diving catch. Wall held the Steers again and Mumford punted to the 50 after it was partially blocked. Wall moved for a 1st at the Steer 30, then a quick pass in the flat and a good run by the Wall right end and they tacked on six more points. The kick was good this time and the score read 31-6.

The Hawks kicked to the Steer 15 with Mumford returning it to the 33. Wall got into the act this time and intercepted a pass at the 38. Then came another disastrous pass for 35 yards and a 1st at the Steer 38. Two more first downs and five plays later the Hawks scored again. Bob Thompson blocked the try for extras and Wall led 37-6.

Wall kicked off to the Steer 15 and Joe Key brought it out to the 33 yard line. Wall held at the Robert Lee 37 and Mumford punted again to the Wall 40. Then on the 1st play for Wall, a 60 yard bomb put another six points on the scoreboard for Wall and with the try for extras failing, the score was 43-6.

Wall kicked off to the Steer 39 and there was no return. Wall held and Mumford got off a beauty of a kick to the Wall 12 yard line. Going to the air again, the Hawks got the ball picked off by Sockwell at the Steer 28. The Steers made a 1st at the 49 and two plays later the quarter ended.

Fourth Quarter

The Steers made a 1st on the Wall 37. Danny Percifull made 11 yards and another 1st at the Wall 26. Sockwell went for 13 yards to the Wall 13. Then Mumford and Smith moved to the 4. The

next play Sockwell cracked off left tackle and fought his way into the end zone for a touchdown. Andy Cole kicked the extra point and the score read 43-13.

Beaty kicked off to the Wall 25 with a return to the 36. Wall fumbled on the first play and Teddy Millican recovered for the Steers at the Wall 35. But the Steers gave it back on an interception at the 11 yard line. The Steers held and Wall punted to their own 35. The Steers moved to the Wall 28 where Joe Key ran to his left, cut back upfield behind his blocking and with an extra effort run after being hit, moved in to score. Cole again kicked the extra point and the score was 43-20.

Beaty kicked to the Wall 46 with no return for the Hawks. The Steers held and on the punt attempt an unidentified Steer blocked the kick at the 40. Wall got it back quickly an interception at the Wall 14. The Hawks made a 1st at their own 33. Then on a pass attempt, Bob Thompson intercepted at the Wall 49. Then Wall held the Steers on a six yard gain in four tries and took over the ball on downs. But again Wall fumbled and again Millican recovered at the Wall 48. Doug Burns and Mumford, rotating at quarterback, moved the ball to the Wall 10 yard line as the game ended.

UCRA to Build Pipeline to Angelo

The Upper Colorado River Authority agreed in a meeting with San Angelo officials to build a pipeline and other transmission facilities from Robert Lee to San Angelo.

Attending the meeting from Coke County, were Gerald C. Allen, chairman of the river authority, L. T. Youngblood and Cumbie Ivey Sr.

A report from the meeting indicated that UCRA will issue bonds to construct the pipeline and the City of San Angelo will pay back the money to the authority from water revenue.

Officials of San Angelo have been negotiating with the Colorado River Municipal Water District for use of water to be impounded in the Robert Lee Reservoir. A field survey between Robert Lee and San Angelo is almost complete, it was reported.

Allen attended a meeting last week when Maj. Gen. Clarence C. Haug of Army Corps of Engineers was in San Angelo to discuss water problems of the area.

PERSONALS

Mr. and Mrs. Bill Baker of Tucson, Ariz., were guests in the home of her parents, Mr. and Mrs. Weldon Fikes over the weekend of Nov. 2-3. Other visitors in the Fikes home were another daughter, Farrell Jean, who is attending Hardin-Simmons University at Abilene.

Weekend visitors in the home of Mr. and Mrs. Curtiss Walker were their three sons and their families, Mr. and Mrs. Donald Walker and children of San Angelo, Mr. and Mrs. Bobby Walker and family of Odessa and Mr. and Mrs. Curtis Walker and children of San Angelo.

Mrs. Aubrey Dean Williams of San Angelo, daughter of Mr. and Mrs. Hugh Smith, entered St. John's Hospital in San Angelo last Saturday for treatment of an infected throat gland. She is reported to be improving.

Ray Gloria

RAY GLORIA IN VIETNAM

Ray Gloria, son of Mr. and Mrs. Jesse Gloria, arrived in Vietnam about Oct. 1st. He entered the service in March, 1968, and was stationed at Fort Polk, La., for his basic training. Following that, he was sent to Arizona to a special school for radio communications.

Exes Come Here For Homecoming

A large number of Robert Lee High School exes who are now attending college were home over the weekend to attend homecoming activities. Among those were:

Albert Dale Fields, Kay Roberts, Lois and Linda Heuvel, Danny Smith, Gaylon Pitcock, Marilyn Wallace, Linda McDaniel, Patty Hughes, Craig Thomason, Kathy Percifull, Melinda Percifull, Mr. and Mrs. Bob Lomas, Ronnie and Donnie Devoll.

Mrs. Billingsly is a graduate of Robert Lee High School where she was a twirler, cheerleader, band sweetheart, class favorite and named Most Beautiful Girl. She is a student at Angelo State College.

Her husband, a graduate of Lebanon High School, has attended Purdue University in Lafayette, Ind. With the U.S. Navy, he has been stationed at Goodfellow Air Force Base and is due to leave soon for duty in Vietnam.

HUNTERS STILL SHOOTING

In addition to the list in last week's Observer, the following kills have been reported:

Randy Flanagan got an 8 point buck; Bobby Walker, 6; Paul Burns bagged a buck but no report was received on the size; James Hood, 6; F. C. Millican, 7. Kenneth Prine downed a gobbler.

HOSPITAL MEETING —

Continued from Page 1

ing cared for in the hospital here because of lack of space in the nursing home, but use of the hospital facility for cases of this kind is limited, and those being cared for here soon will have to be placed in nursing homes outside the county. Also a large number of inquiries have been received, but no list has been kept as to the number.

Quisenberry told The Observer that the board has made a thorough study of the addition, and members feel that a \$140,000 bond could be retired from the additional revenue which would be brought in with the 22 new rooms, without adding to the present 49 cents per \$100 tax levy.

Plans on Hand

Inasmuch as the hospital directors applied for a federal grant for a 22-bed addition several months ago, they already have the plans for the construction. They will have these plans at the meeting Friday night and they will be displayed for inspection by anyone present.

Quisenberry said the hospital board would like to have a large representation of citizens present at the meeting. "Our main interest is to do what is best for the district and to fulfill the wishes of the citizens of the district, and we hope everyone who is interested will be present for the meeting," he said.

BCD Members Hear Several Reports

Tuesday's BCD meeting was highlighted by reports on the new highway running through town, the cemetery cleanup held last Saturday and the Girl Scout fund drive.

Contractors were busy Tuesday putting the finishing touches on the part of the new Sterling City highway which runs along Commerce Street in Robert Lee. The highway was rerouted to go around the dam and runs south of its former location.

Commissioner Fern Havins brought up the matter of a stop light at the intersection of Highways 158 and 208 and said he felt a four-way stop light is needed at the intersection. It was reported, however, that the Texas Highway Department plans no signal light installation at the busy intersection.

Sheriff Melvin Childress told those present that definite speed zones are badly needed in all parts of town.

Rev. Bill Beaty, chairman of the Robert Lee Cemetery Association, reported on the cleanup held last Saturday. He said that 90 percent of the cemetery was covered as a result of the fine response and large turnout for the cleanup. He expressed appreciation to everyone who helped with the project.

Supt. Jimmy Bickley gave a report on the recent fund drive of the Girl Scouts. He said those in charge were well pleased with the response, and he praised business firms and individuals who donated to the drive. He said \$640.00 was collected and would be turned over to the Girl Scout Council for maintenance of camp grounds and other uses at the district and national level. Funds for the local Girl Scout program are provided by 10-cent membership dues, proceeds from the annual cookie sale and other drives made by the girls each year.

W. E. Jacoby announced the public meeting which is scheduled for Friday night to discuss a possible addition to the West Coke County Nursing Home.

Eleven members were present for the luncheon and meeting.

DEADLINE SET FOR PURCHASING ANNUALS

Friday, Nov. 22, is the deadline for purchasing school annuals, it was announced this week by school officials.

Anyone who wishes to purchase a copy of the yearbook, and has not turned in his money, should contact Elaine Fikes, Bill Burns, Darrell Pitcock, Debra Vosburg, Donna Mitchell or any member of the annual staff.

DPS Seeking New Recruits to Train

Patrolman Robert Sanders of Bronte has announced that the Texas Department of Public Safety is making a special effort to obtain qualified young men for the position of Patrolman with the Department.

Sanders said "All interested men between the ages of 20 and 35 who are of sound physical condition, have at least a high school education or equivalent, have vision of not less than 20/40 and have high moral standards should contact him or any member of the Texas Department of Public Safety immediately."

Sanders said there are four branches of service for which men are directly recruited — Driver License, License and Weight, Motor Vehicle Inspection and Highway Patrol. Trainees are assigned to the service for which they are best suited.

Upon graduation from an 18 week training program at the modern DPS Law Enforcement Academy in Austin, the trainee is commissioned into one of these services. At the Academy, he will receive a salary of \$500 a month while in training. He will be taught such subjects as Texas Highway Law, accident investigation, first aid, professional driving, care and use of firearms and many other subjects.

Benefits afforded patrolmen include: two weeks annual vacation, 12 or more holidays each year; 12 days sick leave each year; modern retirement privileges and travel expense. DPS patrolmen are furnished all uniforms and equipment necessary for performance of their duties.

Patrolman Sanders urged interested young men to get their application today and take the examination before all vacancies are filled.

Family Business Centers on Rise

Running a home, keeping track of bills, debts, preparing income taxes and maintaining records can be frustrating and almost impossible without order. Have you thought about establishing a family business center?

A desk, drawer or shelf will be adequate if records can be transferred to a convenient work surface, such as the kitchen table.

An organized system, personalized to fit you and your family should make money management easier and eliminate many problems. It will pay off in many ways: easier decision making, improved family relations and a more orderly means for saving for future goals, such as education or retirement.

Keep current bills, check books, cancelled checks, credit payment books, receipts, guarantees and a list of when payments must be made, such as insurance and mortgages, in the business center.

Be sure to keep any bill, receipt or record necessary to figure income tax and itemize deductions.

A free booklet, "Family Business Centers" can be obtained by calling 453-3751, or by writing the County Extension Office.

Holiday Baking

If you haven't already baked your holiday fruit cake, place it at the top of the list for "things to do."

Fruit cakes need time to age and develop the right flavor and texture.

Use high quality fruit and fresh ingredients for a more luscious flavor. And, to cut cost, add raisins and currants for part of the candied fruits.

Remember though that too many raisins and currants give cake a bitter or scorched flavor.

Compare cost of shelled and in-shell nuts for the best buy. Don't forget to consider the time needed for shelling.

Another cost saver to consider is buying ingredients in as large size packages as you will need, keeping your entire holiday baking in mind.

For some good ideas and recipes for holiday baking — the bulletin "Christmas Time at Home" is available for 35c from the County Extension office. It has recipes for cakes, cookies, candies, beverages, etc.

Prepare for Holidays Now

Holiday entertaining is less hectic if your tableware and linens are ready for use. You should inspect your best china and glassware several weeks in advance to make sure that the complete sets are clean and sparkling.

Seldom used pieces — such as a large soup tureen, turkey platter, and punch bowl — will need washing. After polishing the silver, wash it with hot suds and rinse, wipe dry and rub with a soft cloth. Also inspect your "banquet cloth" and napkins. They may need laundering and bleaching to restore their whiteness.

Lunchroom Menu

Monday, November 25

Hot dogs with chili, buttered corn, combination salad, potato chips, milk, gingerbread.

Tuesday, November 26

Turkey and dressing with giblet gravy, green beans, mandarin orange salad, celery sticks, milk, hot rolls, butter, cranberry sauce.

Wednesday, November 27

Fish sticks with tartar sauce, creamed potatoes, garden salad, hot rolls, butter, milk, oatmeal cookies.
