A covered dish supper was held

### Nursing Home Addition May Be Completed Early

The enlargement project at the nursing home of West Coke County Hospital is ahead of schedule, it was announced at Tuesday's BCD meeting by J. E. Quisenberry, secretary of the hospital district's board of directors.

He said the contractor has stated the construction job should be completed by late January 1971, if he is faced with no delays in delivery of materials. The contract calls for the work to be completed in March.

Quisenberry said workmen will soon have the outside work done and should be able to work inside by the time cold weather gets here.

Work was begun the first of July on the 22 bed addition by Rose & Son of Midland.

Bill Tom Roach suggested at Tuesday's session that the BCD have a program on the effects of the use of drugs and alcohol. Supt. Jimmy Bickley announced that Prin. Garland Davis is attending a four day workshop this week at the Region XV Education Center in San Angelo for a study of the drug problem, and would be able to provide such a program.

Bickley stated that Robert Lee School has been very fortunate in having had very little drug or alcohol abuse. He said very few schools have escaped the problem, no matter what the size or whether city or rural in location.

Fourteen members were present and Mack Webb was a guest of G. C. and Bill Allen. President George Newby presided.

### MRS. SMITH INJURED

Mrs. L. E. Smith of Robert Lee was painfully injured Monday afternoon when she was pushed down by a cow. She sustained a broken arm and hip.

Mrs. Smith was helping her son, Finnell Smith, with the cattle when the mishap occurred. She is under treatment at Shannon Hospital in San Angelo.

### QUARTERBACK CLUB

Robert Lee Quarterback Club meets each Monday night and all football fans are invited to attend each meeting. Films are shown and discussion held on the previous Friday's game.

Mr. and Mrs. H. H. Long of Fort Worth are here visiting their daughter and her family, Mr. and Mrs. Wilbur Millican.

prior to the program.

Another highlight of the program was announcement of the Gold Star 4-H boy and girl for 1970. The awards this year went to Lane Beaty, son of Mr. and Mrs. Fred Beaty, and Linda Blair, daughter of Mr. and Mrs. Billy J. Blair, all of Robert Lee. Lane is a freshman in Cisco Junior College and Linda is a senior in Robert Lee High School.

Sheri Pitcock was emcee for the program which began with an invocation by Edwin Lindsey. Sue Lindsey and Marvin Ensor led the pledge to the flag and recitation of the 4-H motto.

Entertainment was furnished by Rebecca Walker and the Sweet Purples, made up of Beverly Shandley, Jan Havins, Peggy Green, Jean McDaniel, Jo Adkins, James Fields and Ernest Herford. Marshall Millican gave the welcome address, Deone Derrick introduced special guests and Mark Matlock introduced Dr. Creel.

Award presentations were made as follows: year pins by Mary Cervenka and Harvey Wink; county awards, Linda Blair and Wabby Millican; district awards, Jeania Tinkler and Troy Millican; leaders awards, Mrs. Fay C. Roe and Sterling Lindsey; and finally, the Gold Star winners were announced.

The benediction was given by Rhoda Askins, Audrey Walker, Walta Tinkler and Walter Flowerts.

Merchants, professional and other interested persons have purchased an ad in this newspaper expressing their congratulations to the 4-Hers for their accomplishments. A complete list of the winners is contained on another page of this issue.

### STEER B TEAM, ROSCOE B BATTLE TO 6-6 TIE GAME

The Steer B team and Roscoe B team battled to a 6-6 tie in their recent football tilt.

The tight contest was broken when Rudy Abalos scored on a 97 yard run after picking up a loose ball. Roscoe later tied it up on a 48 yard pass play.

### MRS. DAVIS VISITS BROTHER IN CALIFORNIA

Mrs. E. C. Davis returned last week from a week's visit in the Los Angeles area of California. She visited in the home of her brother and family, Mr. and Mrs. Mack Tubb.

Mrs. Davis flew from Midland to the coast and her mother, Mrs. Arthur Tubb, who has been visiting there for a month, returned home with her.

While on the West Coast, the family toured Knott's Berry Farm, Marineland and Universal Studios where they visited with Bob Hastings.

Mr. Tubb is lead singer with a group of entertainers called "Red Welder Blue." They are currently engaged at Pier 52 at Hermosa Beach. Mrs. Davis and Mrs. Tubb were guests of Mack Tuesday night at the club.

### DOGIES LOSE TO BIGGER ROSCOE TEAM, 14-0

The Dogies lost their contest last Thursday with the Roscoe Clodhoppers, 14-0.

The Dogies were out-muscled by the bigger team, but held their own very well except for two long scoring plays by the Roscoe lads.

## Steers at Home Friday

The Steers will be at home again Friday night when they host Class B Pussan. The Buffs will be looking for a victory, since they are still smarting from a 27-0 loss to the Wall Hawks last Friday. Then, too, the Steers will be looking for a victory, not because they lost last week but because they didn't win. Their Friday night's work ended up in a 13-13 tie with the Roscoe Plowboys.

The Steers have the better season record with a 2-2-1, the Buffaloes have a 1-2-0 record. The Buffs have scored 29

points to their opponents' 46 in three outings. The Steers have chalked up 65 points to their opponents' 33 in four games.

In other District 9-A tilts this week, Bangs will play at DeLeon; Eldorado will go to Junction; Mason will travel to Goldthwaite; Sonora will visit in Rankin; and Menard will host Rocksprings.

In last week's games, Bangs downed Early, 22-0; Eldorado whipped Iraan, 17-0; Mason fell to Brady, 13-7; Menard defeated Santa Anna, 21-6; and No. 1 Sonora got tripped up by Ozona,

# Your 'Right To Know' Didn't Come Easily In This Country

By George Speers,  
Chairman, Dept. of Journalism,  
Northeastern University

Boston, Mass. (NNW)—News-  
paper journalism began in this  
country just 280 years ago.

But there were no celebrations,  
speeches, proclamations, or any  
special occasions to mark the  
auspicious event.

As a matter of fact when PUBLICK OCCURRENCES BOTH FOREIGN AND DOMESTICK, the nation's first newspaper, "hit the streets" in the town of Boston on the morning of Sept. 25, 1690, there was considerable apprehension and a feeling of foreboding.

To be sure, the little four-page newspaper was eagerly accepted by the local residents. As a matter of fact, every copy was snatched up. The demand far exceeded the supply.

And the little paper carried a wide variety of news stories never before produced in the Colonies. There were stories about a smallpox epidemic in Boston, a kidnapping of two children by Indians, a suicide by a depressed old man, who recently lost his wife, a big fire that destroyed 20 homes, a report of the labor shortage and the difficulty of harvesting the crops, an account of skirmishes among the French, Indians, and English troops, and even a story that shocked some concerning the amours of King Louis XIV of France.

There was no doubt about it, editor Benjamin Harris had published an exciting little paper.

But the trouble was he had committed a crime by publishing his newspaper. And it was a serious crime at that. It could mean a jail sentence.

The law of that time, as Ben

Harris knew very well, was that a license must be obtained before any printing was done, and most certainly if the printing contained public information or information about governmental activities.

But Harris took a long chance and waited. He didn't have to wait very long.

He was summoned before the Colonial Governor and Council to explain why he had violated the Regulation of Printing and Licensing Act of 1662. Why, he was asked, didn't he first obtain a license before putting out the newspaper as required under the Act?

Harris, of course, really couldn't answer the question. He knew very well, however, that a license meant prior approval by the government of the contents and that meant a dull, uninteresting, not-too-informative publication. That is not what Harris had in mind.

The fact that Harris put out an interesting newspaper that was extremely popular, probably saved him from a jail sentence. The law was violated, of course, but even the stern Colonial authorities were loath to press too far against the new popularity of editor Harris.

Harris was never jailed. He was prevented from ever publishing again in the American Colonies. His one issue of PUBLICK OCCURRENCES was all that the Governor and Council would tolerate.

In the proclamation issued by the Governor and Council, the official position about publishing newspapers without a license was made very clear in the following words:

"The Governor and Council having had the perusal of said pamphlet, and finding that there-

in is contained reflections of a very high nature: As also sundry doubtful and uncertain reports, do hereby manifest and declare their high resentment and disallowance of said pamphlet, and order that the same be suppressed and called in; strictly forbidding any person or persons for the future to set forth anything in print without License first obtained from those that are or shall be appointed by the Government to grant the same."

The point was made and the lesson was learned about publishing newspapers without permission.

It took 14 years before someone else was able to muster enough courage to try again. In 1704, Boston Postmaster John Campbell did try again, but he made sure he had a license to publish. He published his safe but dull newspaper "by Authority" for the next 20 years.

Another Bostonian in August of 1721 decided to publish a newspaper without a license. He tried it and he got away with it despite the Regulation of Printing and Licensing Act still very much "on the books."

His name was James Franklin, older brother of Benjamin Franklin.

Brother James Franklin was most unlike younger brother Ben in temperament and personality. Ben had all the qualities necessary to get along very well with people. Throughout his life he was considered diplomatic and personable. James was an opposite.

One thing James Franklin did possess, however, was a talent to publish a very interesting and readable newspaper. Right from the beginning his unlicensed newspaper, The New England Courant, "caught on." Everyone in Boston seemed to read it. The reputation of the newspaper spread throughout the colonies.

Why was he allowed to print without a license?

For one thing, the authorities were quick to recognize that the New England Courant was extremely popular. And who enjoys opposing popularity?

For another thing the Courant eschewed the government news. Instead, the Courant concentrated, in the beginning at least, on items about people, witty and entertaining essays, poems, letters, and criticisms of the established church.

Since the church was the one power block that the Governor and Council feared, the governmental authorities were happy to have Franklin oppose the church as much as possible. The longer this went on, the more popular and powerful the New England Courant became.

It wasn't until James Franklin decided to criticize governmental authorities (for laxity of law enforcement) did the Governor begin to object to Franklin's unlicensed newspaper. By now it was too late to invoke the Licensing Act. The authorities had to object on other grounds. The charge: sedition.

Franklin was jailed for a month for the crime of sedition (criticizing the law enforcement policies of the Governor) but the Courant survived.

The New England Courant survived for 5½ years and James was again tried for sedition. The punishment the second time prevented Franklin from owning or publishing the newspaper unless it first be censored by the au-

thorities. Since he refused to do this he was not allowed to keep the newspaper.

His way out of the dilemma was to put the newspaper in brother Ben's name, which, of course, was perfectly legal.

As a fighting force The New England Courant was now finished. Benjamin Franklin soon left for Philadelphia to start a new career and James went to Rhode Island.

But James Franklin and the Courant had won the "war."

Licensing of the press in the Colonies as a viable, workable concept was done. No longer

could authorities insist on a license or permit to publish or print under the Regulation of Printing and Licensing Act.

The shackle that had controlled the press since Gutenberg's time in the mid 1400's was finally broken, thanks to James Franklin.

## Non-Resident News 121 PUBLICK OCCURRENCES

Both FORREIGN and DOMESTICK,

Boston, Thursday Sep. 25th. 1690.

It is desired, that the Country shall be furnished with a weekly (or if any Occurrences happen, of more frequent) account of such considerable things as have occurred since our Notice.

In order hereunto, the Publisher will take what pains he can to obtain a Faithful Relation of all such things, and will particularly make himself diligent to such Persons in Boston whom he knows to have been for their own sakes the diligent Observers of such matters.

That which is herein proposed, is, First, That Memorable Occurrences of Divine Providence may not be neglected or forgotten, as they too often are. Secondly, That points every where may be taken notice of the Circumstances of Publick Affairs, both abroad and at home, which may be worthy to their Thoughts at all times, but at some times also to assist their Judgements and Negotiations.

Thirdly, That some things may be done towards the carrying on at least the Charming of that Style of Lying, which prevails amongst us, who care nothing shall be charged, but what we have reason to believe is true, repairing to the best Informations for our Information. And when there appears any material mistake in any thing that is published, it shall be corrected in the next.

Moreover, the Publisher of these Occurrences is willing to receive, that whoever, there are many false Reports, maliciously made, and spread among us, if any well-minded person will be so good as to send any such false Report, so far as to send him and correct the Birth Raiser of it, he will in this Paper (unless such Advice be given to the contrary) expose the Name of such person, or a malicious Raiser of a false Report. It is proposed, that those who will desire the Proposal, do so, as to be guilty of so villainous a Crime.

THE Christianized Indians in some parts of New-England, have newly appointed a day of Thanksgiving to God for his Mercy in supplying their extreme and pressing Necessities under their late want of Corn. &c. for His giving them now a prospect of a very comfortable Harvest. These Examples may be worth Mentioning.

It is observed by the Husbandmen, that also the Wild Geese of so great a Strength

from them, as what is in the Forces lately gone for Canada, made them think it almost impossible for them to get well through the Affairs of their Husbandry at this time of the year, yet the season has been so unusually favourable that they find they want not of the many hundreds of birds, that are sent from them; which is looked upon as a Merciful Providence.

While the barbarous Indians were lurking about Civilisford, there were minding about the beginning of this month a couple of Children belonging to a man of that Town, one of them aged about eleven, the other near about nine years, both of them supposed to be fallen into the hands of the Indians.

A very Tragical Accident happened at Waver-Town, the beginning of this Month, in Old Mass, that was of somewhat a Silent and Mordant Temper, but one that had long enjoyed the reputation of a Sot and a Jakes Man, having newly buried his Wife, the Devil took advantage of the Melancholly which he thereupon fell into, his Wives detraction and industry had long been the support of his Family, and he seemed hurried with an impertinent fear that he should come to want before he dyed, though he had very careful friends to look after him who kept a strict eye upon him, lest he should do himself any harm. But one evening escaping from them into the Cow-house, they there quickly followed him, found him hanging by a Rope, which they had used to tie their Cows, which he was dead with his feet near touching the Ground.

Epidemical Diseases have grown very common, in some parts of the Country, whereof, tho' many die, but, yet they are scarcely unfitted for their employments; but in some parts a more malignant Fever seems to prevail in such sort, that it usually goes thro' a Family where it comes, and proves fatal unto many.

The Small-pox which has been raging in Boston, after a manner very extraordinary, is now very much abated. It is thought, that far more have been sick of it then they were with it, when it raged so much, both in 1729, and 1735, nevertheless it has not been mortal, Tho' the number of those that have

# Steers, Plowboys Battle to 13-13 Tie

By Ronnie Baker

The Steers played to a draw with the Roscoe Plowboys last Friday night at Roscoe, with the if's and or's and but's going either way. There is no way to tell when the turning point came for either club, for it was as evenly matched a game as there could be. As I said, if a break had come our way, we could have broken the ball game wide open—and vice versa.

## First Quarter

The Steers received the opening kickoff and returned it to their 35. The Steers couldn't move the ball and punted to the Roscoe 30 with a return to the Steer 40. The Plowboys moved for a 1st at the Steer 30 and again at the 19, then another at the 5 yard line. Two plays later the Plowboys drove across to score. The extra point was good and Roscoe led 7-0. The Steers received the kickoff at the 10 and returned to their 31. Roscoe again held and Mumford punted to the Roscoe 24 yard line. Roscoe made a 1st on their own 45 as the first quarter ended.

## Second Quarter

The Steers held at the Roscoe 49 and they punted to the Robert Lee 35. The Steers couldn't go and they punted to the Roscoe 41 yard line. The Steers held them for no gain and they punted to the Steer 25 with a return to the 31.

The Steers started their move with a 1st at the 42, then another at the Roscoe 30 with good runs by Dan Percifull and Marshall Millican. Then Mike Mumford uncorked a long one to Marshall Millican and Marshall made a good second effort catch and scored for the Steers. The extras failed and the score was 7-6.

James Fields kicked off with the return to the Roscoe 40 yard line. The Plowboys ran one play and fumbled with Tony Abalos recovering at the Roscoe 42. The Plowboys held the Steers and Mumford punted a good one to the Roscoe 15.

The Steers stopped the Plowboys for no gain and they punted to the Steer 25 with Tony Abalos returning to the Steer 44. The Steers had trouble and fumbled at their 43. The Steers stopped the Plowboys for a 2 yard gain and they punted to the Steer 9 yard line. The Steers made a 1st at their own 21 and another at the 32 as the half ended.

## Third Quarter

Fields kicked off to the Roscoe 15 with a return to the 30. They made a 1st at the 46, then the Steers held and they punted to the Steer 5 yard line. Mumford hit Ernest Herford for a 1st down at the 20, but then the Plowboys held and the Steers punted to the Roscoe 45, with a return to the Steer 30. They tried the long pass and Mike Mumford picked it off at the Steer 8 yard

line. The Steers made a 1st at their 19 and another at their 30, but then Roscoe held at the 38. Mumford punted to the Roscoe 29 as the 3rd quarter ended.

## Fourth Quarter

The Steers held and Roscoe punted to the Steer 36. The Steers made a 1st at the Roscoe 21 on another pass from Mumford to Herford covering 42 yards. The Steer line opened the holes for a 1st at the 11 yard line and then at the 4, Danny Percifull sliced off left tackle for the score. James Fields kicked the extra point and the Steers led, 13-7.

Fields kicked off to the Roscoe 20 and the return was to their 32. Roscoe made a 1st at the 43, then a long 1st to the Steer 28. The Robert Lee team held on downs at their 30. The Steers made a 1st at their 49, with a 16 yard run by Percifull. But disaster struck on a pass. Mumford was hit as he passed and a Plowboy was on the spot to intercept at the Steer 46. Roscoe completed a pass to the Steer 11 and then their big fullback broke through to score. The extras failed and it was 13-13.

Roscoe kicked off and the Steers returned to their 30. The Plowboys held at the 45 and the Steers punted to the Roscoe 20. Then the Steers held at the Roscoe 25 as the game ended.
