Steers to Face Tough Mason

Sen. W. E. (Pete) Snelson

Coke Placed In 25th District

As a result of the recent redistricting of the Texas Senate, Coke County finds itself placed in a new district.

Coke will be in the state's 25th Senatorial District. The newly-defined district, represented by W. E. (Pete) Snelson of Midland, will not officially take effect until Jan. 1, 1973. Coke County is currently in the 24th Senatorial District, represented by Sen. David Ratliff of Stamford.

The 25th Senatorial District will have 35 counties, covering some 60,000 square miles, and will be the largest senatorial district in the United States. Counties to be represented include Bandera, Brewster, Coke, Comal, Crane, Crockett, Cuberson, Edwards, Gillespie, Glasscock, Irion, Jeff Davis, Kendall, Kerr, Kimble, Kinney, Llano, Loving, Mason, Midland, Pecos, Presidio, Reagan, Real, Reeves, Schleicher, Sterling, Sutton, Terrell, Tom Green, Upton, Uvalde, Val Verde, Ward and Winkler Counties.

"I wish to welcome the people of Coke County to the 25th State Senatorial District," said Senator Snelson. "I am hopeful that I soon will be able to meet with them to discuss their problems and obtain their views on matters of importance in state government.

Senator Snelson now stands third in line of succession to the office of governor as a result of his election as President Pro Tempore of the Senate. He will serve in the capacity of governor Dec. 4 when both Gov. Preston Smith and Lt. Gov. Ben Barnes will be out of the state.

Snelson is chairman of the Oil & Gas Committee; vice chairman of Education and chairman of its

permanent subcommittee on Public Education; vice chairman of the Local and Uncontested Calendar Committee; and as a member of the committees on Finance; State Affairs; Administration; Agriculture and Livestock; Claims; Constitutional Amendments; Redistricting; Nominations; Transportation; and Water and Conservation.

He is a native West Texan, born and raised at Grandfalls. He has a bachelor's degree from the University of Texas at El Paso and a master's degree in journalism from Northwestern University.

He is a former president of the Texas Jaycees; served first in the Texas House of Representatives and was elected to the Senate in 1964 and reelected in 1968.

He lives in Midland with his wife, Susan, and their four children and is owner and operator of a Midland advertising agency.

Band Gets Div. II Rating at Contest

Robert Lee Steer Band took part in the University Interscholastic League Marching Contest in Abilene Tuesday and received a Division II rating. Karen Bagwell received a first place in the twirlers competition.

Bands from the south zone of Region 6 competed for the ratings.

Other Class A schools entered in the competition and their ratings were: Roscoe, III; Knox City, II; and Albany, II.

The marching contests took place in Shotwell Stadium.

Sightreading and concert UIL events will be held in the spring.

FB Gives Program On Safe Driving

Safe driving must be made a personal habit of every motorist if the slaughter on America's highways is to be curbed, Ben Bullard, assistant safety director, Texas Farm Bureau, declared Tuesday as he spoke prior to conducting driving tests at Robert Lee High School.

"Excessive speed is the greatest single cause of automobile accidents," Bullard said. In the demonstration which followed, he pointed out the conditions under which even 20, 30 or 40 miles per hour can be excessive.

A film on traffic safety was shown to the students, teachers and guests.

Students and teachers took part in the tests which were conducted in a specially equipped car. The test driver was signalled to stop by an electrically controlled detonator. As the shell was fired, the street was marked with yellow paint. A second bullet was fired as brakes were applied and a third after the car came to a complete stop. Distances between the spots were carefully measured to determine in feet and inches how far the car traveled before the driver applied the brakes, or the reaction distance, and how far it traveled after the brakes were applied, or the braking distance.

Bullard emphasized the fact that a driver who observes the

Continued on Back Page

Robert Lee Steers travel to Mason Friday night to take on the Punchers, and probably face their severest test of the season to date. The Steers and Punchers have identical 6-2 season records and 2-1 district records. Sonora continues to lead the league and

Engineer Hired To Study Paving

Harvey W. Schmidt, independent engineer of Amarillo, was hired Monday to do the preliminary work to determine a cost estimate on the proposed sealcoating and other work needed on county maintained paved streets and roads. He is expected to go to work in the near future on a per diem basis.

County commissioners have been receiving petitions and other indications of interest from Coke County citizens asking that the study be made.

Indications are that after Schmidt makes the estimate of the cost to do the work, the commissioners' court will call a bond election, if there is sufficient public support to give it a good chance of carrying. The commissioners have reported all along that a bond issue would be the only feasible way to finance the project, which would include many miles of paving in Robert Lee, Bronte and rural areas.

Dogies Whip Shorthorns, 21-0

Robert Lee Dogies continued their winning streak with a 21-0 victory over the Bronte Shorthorns last Thursday night. The scoring was done by Poly Abalos with 13 points, George Abalos with 2 points, and quarterback James Beaty, with his first touchdown of the year.

The Dogies and the Steer "B" team play Wall here Thursday night.

HOMECOMING TEA SET NOVEMBER 12

A homecoming tea, Nov. 12, will be sponsored by the Beta Club of Robert Lee High School. A come and go affair, the hours are from 2 until 4 p.m.

All ex-students are invited to attend.

rolled over Mason last Friday night, 27-13.

Robert Lee will face Sonora Nov. 12 for a homecoming game in their last contest of regular season play. Sonora is currently rated the No. 2 Class A team in the state.

According to the Harris school-boy ratings, Mason has the edge over the Steers, with the Punchers rated 113.7 and the Steers, 88.9.

All local fans are urged to go to Mason and give the home team all the support possible.

In other action last week, Eldorado swamped Bangs, 83-6. This week's schedule includes Menard at Bangs and Eldorado at Sonora.

Robert Lee's Rudy Abalos continues to lead the district scoring with 76 points; Danny Perciull is second with 54 points and Bobby Mumford is sixth with 36 points.

BCD Objects to Mail Service Cut

Robert Lee BCD members voiced a strong majority against further curtailment of mail delivery Tuesday at their noon meeting. Postmaster Hugh Lewis Jr. said he had been approached by higher ups from the sectional center in San Angelo to dispense with Sunday mail delivery. Lewis said his mention of the matter at the BCD meeting is part of his plan to feel out the public on the question.

The new no Sunday delivery policy already has been put into effect in a number of post offices across the nation.

Members of the BCD agreed that local post office patrons need another mail delivery each day, rather than a cutback in the service.

County Attorney Roy Ford has been making pictures for the proposed brochure and reported that he has made several shots in the city including the marching band and the football team.

Mayor Wilson Bryan reported that the city's business was in "very good shape" at this time. Mayor Bryan said the city has plans for mowing vacant lots and other spots with excess vegetation before cold weather arrives. Also, more general cleanup is planned. The mayor said the commissioners' court hired an engineer Monday to come in and make a study of the needs, costs, etc., of sealcoating and repairing streets in Robert Lee, Bronte and in rural areas where the county maintains paved roads.

President W. D. McAdams, who presided at the meeting, said one house is under construction in the city and two more are planned for construction soon. He said work on the low rent housing project is progressing slowly.

Thirteen members and one guest, Richard Dodson, were present for the meeting.

PATROLMAN TO BE IN COUNTY NOVEMBER 16

The highway patrolman who takes applications for driver's licenses will not be in his office in the courthouse next Tuesday, Nov. 9. He will be present, however, on Tuesday, Nov. 16.

Distinguished Service Award for Coke County

Kudos for an outstanding local history preservation program were recently bestowed upon the Coke County Historical Survey Committee, headed by Mrs. Bryan Yarbrough of Robert Lee.

At the Oct. 29-30 annual meeting of the Texas State Historical Survey Committee in Del Rio, 35 county survey committees received the Distinguished Service Award for organizing progressive and well rounded local history

programs during the past year. Mrs. Yarbrough and Mrs. Ruth Clift of Robert Lee attended the meeting.

Among the rigorous requirements for the Distinguished Service Award are that the local survey committee (1) sponsor at least four official historical markers or spend \$600 for markers during the year, (2) present at least six talks on local history to other civic groups, (3) conduct

at least three historical tours in the county, (4) publish a pamphlet, brochure, etc., showing sites of local historical interest,

(5) sponsor at least one annual history appreciation observance, (6) secure at least \$100 in investments in the Texas Historical Foundation (private affiliate of the Survey Committee), and (7) publish a county committee newsletter at least quarterly.

Austin — The Texas Highway Commission remains convinced its new \$20 million state headquarters building should be located near the capitol and the governor's mansion.

A re-evaluation study of the controversial site, ordered by the Legislature was delivered last week to Gov. Preston Smith.

Legislators suggested the site southwest of the capitol and across the street from the governor's mansion should be developed as a park, parking lot and tourist information center. They recommended moving the new highway building far from the downtown Austin area.

The Commission, on review of its plans, concluded the massive building, rising to 10 stories at its tallest point, would "enhance the beauty and interest of the capitol complex."

At least, observed the report, the structure will be the most attractive thing ever located on the barren block, now given over largely to a parking lot and the remains of old buildings.

The historic Lundberg Bakery still on the site will be preserved, incorporated into the new building and used as a tourist center and Texana museum for artifacts uncovered in excavation. The temporary state capitol once stood on the block.

North and east portions of the highway building are planned at

two story level to maintain scale with the governor's mansion and preserve the view of the capitol from there. Maximum height of 10 stories will be reached at the south edge of the block. Architects plan a public plaza with pools, greenery and shaded walkways along 11th St. nearest the capitol. Landscaping will comprise about 50 per cent of the block if plans are finally approved. The building will be by far the largest of many new state structures in the capitol area.

BUSINESS GEARS FOR POLITICAL YEAR — Organized labor announced its political priorities three weeks ago, and last week in Houston business leaders in Texas looked at their "public affairs" programs for 1972.

At the 49th annual Conference of Texas Industry by the Texas Manufacturers Association, representatives of the business community heard:

Sen. John Tower ask for labor law reform.

Richard Armstrong, Washington, D. C., challenge businesses to develop public affairs departments.

Irving Shapiro, vice president, E. I. duPont de Nemours & Co., ask business to work with labor to develop new national objectives — with everybody sharing the gains.

TMA also passed resolutions asking state legislators to require

10 year budget projections for all "new" state programs approved by the next legislature.

Senator Tower laid the blame on the nation's existing economic ills on "existing labor laws that are in dire need to reform."

Both Tower and TMA leaders spoke out in opposition of laws which permit strikers to receive food stamps and other state and federal aid programs while on strike.

"Labor unions should be placed under existing anti-trust laws," Tower added, and pointed out that he had sponsored legislation to establish a Commission on Labor Law Reform.

NEW SPEAKER CANDIDATE URGED — More than 30 legislators last week picked Rep. Jim Nugent of Kerrville as their choice for House speaker.

Most of the group were previously aligned closely with Speaker Gus Mutscher who now says he may not even be a candidate for re-election to the House. (Mutscher, under bribery indictment, says he has three options: running for re-election and a third term as speaker, seeking another term in the House but not the speakership and retiring.)

Rep. Rayford Price of Palestine says the lawmakers, meeting in San Antonio, were mainly trying to stop his own drive for speaker. Price claims 70 pledges of support in the 150 member House, and adds the Nugent endorsement means nothing to his candidacy. Opponents maintain Price has no more than 42 firm supporters.

Nugent finished first in the straw voting at San Antonio over (in order) Reps. Dean Cobb of Dumas, John Traeger of Seguin, James Slider of Naples, David Finney of Fort Worth and Joe Salem of Corpus Christi. Traeger, Slider and Salem indicated they will go along with Nugent, 48, who will reveal soon whether he will actually make a race.

REDISTRICTING CHALLENGED — An unexpected lawsuit in Dallas federal district court challenged constitutionality of the congressional reapportionment by the Legislature this year.

Another suit has been promised attacking state House of Representatives redistricting.

The Dallas class action lawsuit maintains the new congressional district lineup does not meet federal requirements that 24 congressional districts be "compact, contiguous and as nearly equal in population as practicable."

Plaintiffs offered the court a plan of their own, which they said would create districts which vary only .1 per cent in population.

COURTS SPEAK — State Supreme Court upheld lower court decisions barring Sun Oil Co. from using fresh water from the Ogallala formation beneath a Hockley County farmer's land for injections to build pressure in company oil wells.

High Court set a Dec. 15 hearing on whether private non-profit water supply corporations must pay school taxes.

State laws banning LSD sale or possession were upheld by the Court of Criminal Appeals.

Short Snorts

Texas Public Employees Association will seek a 10.2 per cent pay raise for state workers in a special legislative session next year.

The sixth annual governor's conference on tourist development is scheduled for the Inn of the Six Flags at Arlington, Nov. 10-11.

Texas' state governmental planning efforts won a national merit award at the American Institute of Planners conference in San Francisco.

Supreme Court memorial services were held last week for the late former Associate Justice Clyde E. Smith of Woodville who

died this year at age 73.

Railroad Commission will hold a Nov. 22 hearing to determine whether Dillard Creek is being polluted by brine from Trinity oil field in Houston County.

The Texas Public Welfare Board was informed by budget experts that a welfare reform bill approved by the U. S. House of Representatives would add 750,000 more to aid rolls, raise the cost \$153.4 million, and impose \$170.9 million in medical aid costs.

Ed Grisham, formerly of Olney, was named director of the governor's office division of planning coordination, succeeding Dan S. Petty who became Governor Smith's top assistant.

Food Shopping Hints

Shop with a grocery list and make food buying "cents."

A key to making a thrifty list is checking newspaper ads. Find out what meats, fresh produce, frozen foods and staples are on special, then work them into your weekly menu.

Make the menu as complete as possible so it serves as a guide when planning a shopping list. On the list jot items by departments to save steps in the store.

At the market, learn to recognize economical specials, then how to take advantage of them. If an item that you use often or one that keeps well is on special, it is a good food investment. But buy according to home storage space. For example, family size bags of frozen foods are economical, but only if you have a freezer to store them. Keeping frozen foods in the ice cube compartment of a refrigerator will not maintain their quality, since the compartment does not provide the zero degree temperature necessary for prolonged frozen storage.

Remember, price is no measure of nutritional value of food. Even though loin steaks are pleasurable eating, other cuts such as chuck or round provide the same healthy boon at a more economical price.

Large cuts of meat on special often mean a bargain in price per pound, as well as meat for several meals.

Compare the prices of meats and poultry with the number of servings you'll get from each pound. Here's a rule of thumb—figure on four servings from a pound of boneless meat, two servings from a pound of bone-in, and one serving from a very bony choice.

Eggs are one of the biggest budget boosters. A serving of two can cost as little as 10 cents, often even less. And eggs are good alternates for meat.

If you shop only once a week, avoid waste by using up fresh produce and other perishables first. If necessary, rely on canned and frozen foods for meals at the latter part of the week.

Fruits and vegetables reduced for quick sale rate consideration if you are buying for immediate use. Mellow ripe bananas to stir into bread, or apples with blemished skins for applesauce promise good eating and usually give you your money's worth.

No one ever seems to tire of potatoes—a penny wise vegetable. Potatoes keep well, but only if you store them properly. Keep them in a cool, ventilated, dry spot away from direct light.

Day old baked goods are usually offered at a reduced price, but they are as fresh as if bought the day before and stored at home.

Include alternates on your shopping list in case one food is a better buy than another. A special on canned fruit might be a savings over the fresh ones on your list.

Take time to read labels, com-

paring brands, grades and sizes—the keys to many savings. Canned whole fruits, for example, make attractive salads, but cut varieties in baked desserts taste just as good. Private or regional brands often cost less than nationally advertised brands.

Put a little fun in your shopping cart and surprise the family with something new. Occasional impulse buying won't hamper foods savings, but all impulse buying isn't good.

If saving time and work is important, convenience foods or "instants" may be good buys.

Consider ready to heat foods when making a shopping list. Some convenience foods cost less than homemade dishes. A serving of canned vegetable soup figures out to be six cents. Compare this to homemade vegetable soup.

Also bear in mind how much your family will eat. A small can may be the best choice for a twosome; it generally gives mealtime variety yet eliminates leftovers.

When food shopping, pennies do count. Three to four cents off a 25 cent can of beans, for example, is a 10 to 15 per cent savings—not bad for just a few pennies. Applying this kind of shopping sense can save you as much as \$5 on a \$30 weekly bag of groceries. At the end of the month, that's an extra \$20 in your pocket.

Carpet Care

Nothing adds more warmth or comfort to a room than carpeting. No other item in a home or apartment gives so much wear. Moreover, carpeting is probably the single most expensive item of furnishing a room. To protect that investment, correct and regular care is required.

There should be a definite work plan for routine care of carpeting. Carpet sweep daily before grit is ground in. Three or four individual strokes with the carpet sweeper will remove dust and surface dirt.

Vacuum once or twice per week. Seven strokes over each section are recommended to remove both surface dirt and imbedded soil. Imbedded grit cuts fibers and causes wear.

Treat spots and stains quickly, before they "set."

Shampoo two or three times a year. Appearance can be improved by shampooing. Do it before carpet becomes severely soiled.

Turn rugs, if possible, once or twice a year to spread wear. Do not beat or shake a rug, for this may be damaging to the backing.

Use a powdered shampooer at least once every year. Powdered cleaning can remove all soil, even that which is deeply imbedded. Thus, the beauty of the rug can be restored and longer wear assured.

The actual amount of care needed depends upon the location of your home, the size of your family and the room to room traffic patterns. Proper care of your carpeting will lengthen its life and enhance the beauty of your home.

Take a Look at the Ads.

A little time spent in reading them is time well spent.

CITATION BY PUBLICATION
 THE STATE OF TEXAS
 TO: NOEL G. HILL, Respondent, Greetings:
 YOU ARE HEREBY COMMANDED to appear before the Honorable 51st District Court of Coke County at the Courthouse thereof, in Robert Lee, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 13th day of December A. D. 1971, to Petitioner's First Amended Original Petition filed in said court, on the 29th day of September A. D. 1971, in this cause, numbered 2429 on the docket of said court and styled DON A. HILL, Petitioner, vs. Noel G. Hill, Respondent.
 A brief statement of the nature of this suit is as follows, to-wit: That Petitioner be granted a divorce, as is more fully shown by Petitioner's First Amended Petition on file in this suit.
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
 The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
 Issued and given under my hand and the seal of said court at Robert Lee, Texas, this the 26th day of October A. D. 1971.
 Attest: Winnie Waldrop, Clerk, District Court
 Coke County, Texas.

PERSONALS

Mrs. J. E. Hollis and her mother, Mrs. J. W. Austin, spent the weekend in Dallas visiting her sister and another daughter, Mrs. M. E. Mahon, and in the home of Mrs. Lavada Gwinn at Fort Worth. Mrs. Gwinn returned home with them for an extended visit in the home of her sister, Mrs. Austin.
 Mr. and Mrs. Lyndon Yarbrough and family of Irving were weekend guests in the home of his mother, Mrs. Willie Yarbrough.
 Mrs. James Mitchell and two children of Abilene were weekend visitors in the home of her sister, Mrs. R. C. Patterson, and visited her parents, Mr. and Mrs. Eugene Brooks, who are patients in West Coke Nursing Home.

SEW FAIR PLANNED

The Tom Green County Family Living Committee is planning a Sew Fair for Thursday, Nov. 18 at the Fabric Mart, 1819 Knickerbocker Road, in San Angelo. The program will include Fashions for Young Homemaker Style Show at 10 a.m., followed by Fabric News and "Sew Manly" program by Extension Specialists. There will be a lunch break at 11:30 and the fair will resume at 1:30 p.m. with a Home Demonstration Clubs Members Style Show.
 Extension Specialists will conduct a discussion on Selecting Ready-to-Wear for the Mature and a film on tailoring, "A Tale of Two Costumes," will be shown. The program is planned to reach the young homemaker in the morning session and the mature in the afternoon; however, anyone is welcome to attend the entire session.
 Anyone who wishes to attend and needs transportation may contact the County Home Demonstration Agent's office by Wednesday, Nov. 17.

Observer want ads are very effective and cost very little.

Mr. and Mrs. Kenneth Wallace Therrel

Mr. and Mrs. Kenneth Wallace Therrel Celebrate Anniversary in Dallas Home

Mr. and Mrs. Kenneth Wallace Therrel were honored by their children and grandchildren with an open house Sunday, Oct. 31, at their home in Dallas, in celebra-

tion of their 50th wedding anniversary, Oct. 29.

Mrs. Therrel, the former Bertie Mae Warren, was born in Robert Lee on May 5, 1902, and lived here until 1920, when she graduated from Robert Lee High School. Her parents were Mary Melissa (Murtshaw) and John Hill Warren, longtime residents of Robert Lee.

Mr. and Mrs. Therrel have two children, Mrs. W. Leon Shinn of Dallas and Kenneth Warren Therrel of Beeville; two grandchildren, Ronald Therrel Carlton of Dallas and Mrs. Joseph Whimple of Pensacola, Fla.; and one great-grandson, Ricky Whimple.

ADULT LEADERS NEEDED

Adults are needed to work with small groups of 4-H girls in foods programs, child development, money management groups. Especially needed are women or older girls to work with food groups. Anyone interested in working with 4-Hers is asked to call 453-2461 in Robert Lee.

Mr. and Mrs. A. J. Roe Jr. were in Lubbock Friday and Saturday. They attended funeral services Friday for Eddie George Croslin, a cousin of Mrs. Roe. While in Lubbock they visited Mr. and Mrs. W. B. Croslin, Mr. and Mrs. James E. Brown and Mr. and Mrs. O. D. Reed.

Weekend visitors of Mrs. P. E. Mahon were Mrs. Bobby Mahon of Weimar and Mr. and Mrs. Ralph Johnson and children of Eagle Lake. They also visited in the home of Mr. and Mrs. Ivey Eubanks and other relatives.

PERSONALS

Mrs. Verdis Baker of Childress came Tuesday to spend a week visiting in the home of Mr. and Mrs. Elmo Bell and other friends.

Mr. and Mrs. Charles Palmer and daughter, Sharon, of Eagle Pass were guests over the weekend in the home of his parents, Mr. and Mrs. A. R. Palmer.

Weekend visitors in the home of Mrs. Doyle Caulder were Mrs. George Chew of Blackwell and Mrs. Hazel Caulder of Midland.

Mr. and Mrs. Fred Killam of Mission recently spent 10 days here visiting in the home of Mr. and Mrs. Jimmy Killam, Mr. and Mrs. Ulmer Bird and other relatives.

Mr. and Mrs. John Kinsey and Randy of Goldsmith were weekend visitors in the home of his parents, Mr. and Mrs. Wesley Kinsey.

PERSONALS

Mr. and Mrs. Doyle Robertson and children of Colorado Springs, Colo., are here visiting this week with his parents, Mr. and Mrs. J. B. Robertson.

Mrs. E. O. Higgins spent last week visiting her children in San Angelo. They are Mr. and Mrs. F. L. Smith and Lane, Mr. and Mrs. W. N. Terry and Steve and Mrs. Floyd Higgins, Linda and Cindy.

Robert Lee Observer

Why you need two newspapers

After you've read this paper and digested the home town news, you're ready for the world. For that, you need a second newspaper, with first-hand coverage of national and world affairs. The Christian Science Monitor.

Why the Monitor? Twenty-six correspondents around the globe. Nine reporters watching Washington. Pulitzer Prize winning news coverage. Award winning features. And, according to an independent poll of 1800 newspapermen, the "most fair" reporting in the U.S.

For fresh insight into your world, send us the coupon.

Please send me the Monitor for the introductory term of 4 months for \$10.00. If I am not satisfied, you will refund the balance of my subscription.

Check/money order enclosed. Bill me later.

ROBERT LEE OBSERVER

Robert Lee Steers Outclass Menard Yellowjackets, 44-0

By Ronnie Baker

The Menard Yellowjackets just didn't have a stinger this year as the Robert Lee Steers downed them last Friday night, 44-0, on the local field.

The Steer Bumble Bee defense manhandled the Yellowjackets to allow a minimum of yardage. It was another case of no class against brutal defense that will eat you alive if you show little resistance. For the first three quarters Menard managed only 20 yards rushing and 34 yards

passing, while the Steers were just ramming the ball down their throats.

But now the party's over for the Steers and the work starts this Friday when they will have to put it all together and they are capable of doing just that. I'm with them, are you? Prove it!!

First Quarter

The Steers received the opening kickoff at the goal line and returned it to their 23. One running play and Rowoldt went to the air, was rushed and Menard intercepted at the 29 and returned to the Steer 12 yard line. But the Bumble Bee defense held them at the 4 yard line where the Steers took over on downs. The Steers moved quickly for a 1st at their 16, the 26 by Percifull, the 36 by Rowoldt, and the 47 by Abalos. Then Menard held and Mumford punted to the Yellowjacket 9 yard line. Menard lost 2 yards and had to punt. With a hurried kick the ball got only to the Menard 37, going out of bounds.

Rowoldt connected with a 27 yard pass to Johnny Wolfe at the 10 yard line. On the 1st down play Percifull went over left tackle for the TD. Pass to Abalos for the extras was good and it was 8-0. Abalos kicked off to the Menard 21 with a short return to the 28, where Frank Box raked the ball carrier before he could get untracked. The Steers set the visitors back 4 yards and they punted again to the Steer 34, with

a short return to the 39. The Rowoldt to Wolfe combination checked again for 32 yards and a 1st at the Menard 25. The Steers drove for a 1st at the Menard 14 as the quarter ended.

Second Quarter

The Steers ran one play to the 10, then Abalos circled right end with Percifull and Mumford leading the way and trotted in for the touchdown. Abalos kicked the extra point and it was 15-0.

Abalos kicked off out of the end zone and Menard took over on the 20. One play and then Dan Percifull intercepted at the 20 and returned to the 4 yard line. Freshman Lynn Sockwell came in and got the call. He also trotted in over right tackle for another Steer TD (just 1 minute and 2 seconds after the last one). Abalos kicked for a point to make the score 22-0.

Abalos kicked off to the 15 and a good return placed the ball on the Menard 33 yard line. Menard made their first 1st down at their 47, then they made two more to the Steer 29. The Steers then held on downs at the 24. The Steers moved for a 1st at their 34, then another at the Menard 44. After the Steers threw three incomplete passes Mumford punted to the Menard 7 yard line. The Steers held the Yellowjackets for no gain and they punted to the Menard 43 with no return. The Steers made a 1st at the 32, then again at the 21, but then

on a pitchout, it was misplayed and the Steers fumbled with Menard recovering on the 27. Again the Steers held for no gain and Menard punted to the Steer 45 with a return to the Menard 49. Two pass attempts and the clock ran out the first half.

Third Quarter

Menard returned Abalos' kick from the 10 to the Menard 25. First down, Conley and Percifull crashed through and the ball was shaken loose from the quarterback, with Box recovering for the Steers on the 25. The Steers made a 2 yard gain, then QB Rowoldt faked a line plunge to Mumford, hid the ball on his hip and scooted around the right side for a 23 yard touchdown. A pass went to Abalos for the extras and the score was 30-0.

Abalos kicked off to the Menard 14 and they got no return on it. Again the Steers held and Menard punted to the Steer 47. The Steers made a quick 1st at the Menard 19 on a 32 yard run by Abalos, with just great blocking. But the Steers fumbled at the 8 yard line and Menard recovered.

The Yellowjackets couldn't move and they punted to the Steer 47 yard line again and Abalos returned the punt to the 2 yard line, but a penalty brought it back to the Steer 48. The Steers made a 1st at the Menard 33, then

Menard held for the second time and Mumford punted into the end zone. With the ball on the 20, Menard moved for a 1st at the 30, but the Steers held at the 31, and Menard got a good punt to the Steer 18 with no return. The Steers made a 1st at their 32 and again at their 43, and then they fumbled as the 3rd quarter ended.

Fourth Quarter

The Steers held the Menard team and they punted to the Steer 26 with no return. The Steers started a long drive now, with 1st downs at their 37, at the Menard 34, and a big one by Mumford down to the 9 yard line. Mumford went the final 9 for another TD. Extras failed and the score was 36-0.

Menard returned Abalos' kick-off from the 2 to the 10. The Steers held at the 11 and Menard punted to their 41. The Steers got a 1st at the Menard 16 on a 23 yard burst by Mumford. The Steer subs came in at this point and they couldn't quite make it, so Abalos attempted a field goal, but it was a little wide and Menard got the ball at the 20.

Again the Steers held with the subs still in there and Menard punted to the Steer 40 with Abalos returning to the Menard 46. The Steers lost 3 on a mixup, and from the 49 yard line, Rowoldt escaped a tackler, ran out of the pocket and found Randy Flanagan in the clear at the 20. He fired it to Flanagan who went the final 20 for a nice 49 yard pass and run play. Abalos ran the extras and the score was 44-0.

Abalos kicked off to the Menard 10 with a return to the 19. Again the Steer subs took over and the game ended at the Menard 49 yard line. Score: 44-0.

SAFETY PROGRAM —
Continued from Page 1

speed laws carefully is not a safe driver if he neglects many other items such as proper signalling for turns, approaching an intersection in the proper lane for a turn, the proper way to turn around, and many other things which are essential for safe driving.

The safety demonstration which was brought to Robert Lee under the sponsorship of the Coke County Farm Bureau is part of a long range program of traffic safety conducted since 1957 by the Texas Farm Bureau Safety Department.

Taking part in the special traffic safety program were Danny Percifull and Marcia Duncan, each driving the specially equipped car at 20 mph; Garland Davis, driving 30 mph; and Don Thorpe, deputy sheriff, driving at 40 mph.

Stopping distance for the participants were: 31' 5" for Percifull; 39' 3" for Miss Duncan; 64' 3" for Davis; and 116' 6" for Thorpe.

Also assisting with the program were Rudy Gloria, Janet Brasuel, Mike Conley and Richard Guerant who measured and recorded stopping distances and handed out materials.

HOLIDAY FOODS PROGRAM PLANNED FOR NOV. 10

A program featuring holiday food ideas will be held at 1:30 p.m. Wednesday, Nov. 10, in Robert Lee School auditorium. Miss Jimmie Temple, home economist for Lone Star Gas Co., will present the program.

The program has been arranged by Mrs. Fay C. Roe and Miss Diane Durrett, local extension service agents.

The public is invited to attend. Free recipes and holiday ideas will be given away.

Mr. and Mrs. J. W. Service Jr. and her mother, Mrs. Violet Kirkpatrick, returned Saturday from Lyford after a two weeks vacation spent visiting their daughter and son-in-law, Mr. and Mrs. Joe Brasher. They helped to care for a new grandson, born Oct. 21.

4-H LEADERS, PARENTS INVITED TO SEMINAR

All 4-H leaders and parents of 4-Hers are invited to attend a 4-H leader training seminar to be conducted 7:30 to 9:30 p.m. Nov. 9 and 11. The seminar will be held in room 203 of the Angelo State University Student Center.

Miss Iris Kalich, 4-H and Youth Specialist, will present training on 4-H awards programs, Developing 4-H Method Demonstrations and 4-H Record Books.

Anyone interested in learning more about 4-H work is urged to attend.

Leaders and parents planning to attend are asked to call the Coke County Extension office by noon Tuesday.

HALLOWEEN CARNIVAL SAID SUCCESSFUL

The Halloween Carnival last Saturday night at Robert Lee School grossed \$1231.00. The student council netted \$93.96 and the remainder, after expenses, went to various classes and organizations.

Door prizes were won by Mrs. Garland Davis, Larry Blair and Kimberly Caston.

Lunchroom Menu

Monday, Nov. 8

Sausage whirls, vegetable soup, pineapple with cottage cheese on lettuce, crackers, milk, applesauce cake.

Tuesday, Nov. 9

Hamburgers, buttered corn, lettuce, tomatoes, onions, pickles, potato chips, milk, chocolate pudding.

Wednesday, Nov. 10

Pinto beans, potato salad, spinach, corn bread, butter, milk, peach cobbler.

Thursday, Nov. 11

Charcoal steaks and gravy, creamed potatoes, green beans, hot rolls, butter, milk, jelly.

Friday, Nov. 12

Barbecue chicken, scalloped potatoes, combination salad, hot rolls, butter, milk, peanut butter supreme.

Mr. and Mrs. Wilson King and baby daughter of Houston visited here several days with her father, Judge W. W. Thetford, and with other relatives in San Angelo.

SENIORS TAKING ORDERS FOR HOMECOMING MUMS

The senior class is taking orders for mums for the homecoming event Nov. 12. Mums may be ordered from any member of the class and orders should be placed by Nov. 10.

The seniors are also sponsoring a car wash this Saturday, Nov. 6, at Ivey's Mobil Station.

Mums may be purchased in yellow, white or bronze, and cost ranges from \$3.00 to \$8.00, depending on individual items and whether or not they have glittered name ribbons, etc.

Framma Brown of Odessa spent the weekend here with her cousin, Patti Ann Hearn, and attended the Robert Lee-Menard football game Friday night.
