### Citizens of Tomorrow

Sharla was 11 months old when this picture was made. She is the daughter of Mrs. Gaylene Millican.

Lynn is the 9 year old son of Mr. and Mrs. Bob Gulley of the Meadow Creek Ranch near Robert Lee.

## Absentee Voting Now In Progress

Voters in Precincts 1 and 3 will find two propositions on the ballots to be used in special elections on June 6. Absentee voting is underway for both elections, as well as the June 3 Democratic Primary runoff election.

The first entry on the special elections ballot will be to elect a replacement for State Sen. David Ratliff, who resigned recently in the face of nepotism publicity.

Seeking this post is Bill Tippen, prominent Abilene attorney and a former West Texas member of the Texas Legislature.

Tippen was a state representa-

tive from Taylor County from 1947 to 1950, and later served as county attorney and district attorney before entering private law practice in Abilene.

The 49 year old attorney is a graduate of Abilene High School and Hardin-Simmons University, and served as president of the student council at both schools. He received the B. A. degree from H-SU and a law degree from the University of Texas.

Tippen cited his experience as the main reason for deciding to run for the Senate. Ratliff's resignation leaves only a short term, until the end of 1972 and Tippen said, "I am not politically ambitious for a lengthy career in legislative service, but would appreciate very much the opportunity to serve for the duration of this term."

### Voting in Beer Election

The other proposition on the ballot calls for a vote on legalizing the sale of beer for off premises consumption only, in Justice Precincts 1 and 3.

### June 3 Primary

The June 3 runoff primary election features four contests: Barefoot Sanders vs. Ralph Yarborough for U. S. Senator; Frances Farenthold vs. Dolph Briscoe for governor; Bill Hobby against Wayne Connally for lieutenant governor; and Robert Calvert vs. Jim Wilson for comptroller.

Absentee voting in both elections is taking place in the office of County Clerk Mrs. Winnie Waldrop at the courthouse in Robert Lee.

## Crowd Hears Band Concert

Robert Lee Steer Band and the Junior High Band were presented in concert Tuesday night. Band Director Kenneth Mitchell was in charge of the program.

Outstanding bandmen awards were given to Jan Havins, Kay McGinley and Edwin Lindsey.

In other awards, the 10 most valuable band members were named and included: Lindsey, Misses Havins and McGinley, Randy Flanagan, Patti Hearn, Cookie Hinnard, Susan Ivey, Marilyn McBroom, Donna Wallace and Jerry Wojtek.

Band Beau Randy Flanagan and Band Sweetheart Kay McGinley were introduced.

Senior members of the band are Jan Havins Patti Hearn, Susan Ivey, Donna Wallace, Edwin Lindsey, Marilyn McBroom, Jerry Wojtek, Cookie Hinnard and Kay McGinley.

Mr. and Mrs. Maurice Yarborough spent last weekend visiting their daughter and son-in-law in Houston. While there they visited San Jacinto Monument and toured the Battleship Texas. They saw lots of water on the way down May 12, and everything in the Houston area was green and beautiful, they said.

## Rites Held Monday For Pat Havins

Funeral services for Patrick Henry (Pat) Havins, 78, were held at 3 p.m. Monday in Robert Lee Baptist Church. E. V. Glenn, elder of Primitive Baptist Church in Eldorado, officiated. Burial was in Robert Lee Cemetery, directed by Newby Funeral Home.

Austin — Texans displayed at May 6 primaries a strong enough desire for new state governmental leadership to assure a change in top offices and a major legislative turnover as well.

Reform candidates Dolph Briscoe of Uvalde and State Rep. Frances (Sissy) Farenthold of Corpus Christi charged into the Democratic gubernatorial runoff. Mrs. Farenthold scored a stunning upset over Lt. Gov. Ben Barnes. Gov. Preston Smith finished a distant fourth. Republican gubernatorial runoff candidates are State Sen. Henry Grover and Albert B. Fay, both of Houston.

Houston newspaper executive Bill Hobby led State Sen. Wayne Connally of Floresville in the lieutenant governor's race and both already are campaigning hard for the June 3 runoff.

John Hill of Houston squeaked through without a runoff over

Atty. Gen. Crawford Martin and Bill Pate of El Paso.

From there on, the statewide incumbents managed to stay on top. One, Comptroller Robert S. Calvert, led widely but was forced into a runoff with a former employee, Jim Wilson of Austin.

Former U. S. Sen. Ralph Yarborough has a runoff with Barefoot Sanders for the Democratic nomination to face GOP Sen. John G. Tower.

There will be at least 14 new faces in the Texas State Senate, and all observers concede the body will be more conservative than the present Senate. Six senate seats will be decided by runoffs. Republicans will oppose Democrats in 12 general election races. One Republican senator is unopposed.

In the House, a total of 64 incumbents did not seek reelection or were defeated. (Actually, 14 were defeated.) Sixteen more incumbents were forced into runoffs, including Speaker Rayford Price of Palestine. More than 65 incumbent representatives were renominated. Republicans were nominated in 76 of the 150 districts.

**CANE ACREAGE ALLOCATED** — The U. S. Department of Agriculture has allocated 25,700 acres in the Lower Rio Grande Valley for sugar cane harvest.

The allotment includes counties of Hidalgo, Cameron, Willacy and Starr. Allocation is the first

**A Statement to the People  
Of Coke County:**

I sincerely appreciate the many votes I received for State Representative in the primary election. During the past few months it has been a pleasure to visit old friends and to make many new acquaintances. I am grateful that people throughout the six county district have expressed confidence in my ability to serve this area because of my experience and background.

I am looking forward to meeting and visiting with others of you prior to the general election in November. I will appreciate your support and goodwill, and pledge my support of sound state government.

Sincerely,

**RENAL B. ROSSON**

in almost 50 years for Texas and, according to U. S. Sen. John Tower, is expected to return a cash crop worth more than \$50 million to Texas growers.

**MISSION SEEKS BUSINESS** — A 10 member Texas trade mission team in Moscow and Bucharest may return with more than \$60 million in business for oil drilling and petrochemical manufacturers.

Texas Industrial Commission said the mission which began last month offers an opportunity for Texas to take the first step toward capturing a portion of a virtually untapped \$22 billion market in Eastern Europe.

The tour, organized by the petrochemical industry, is the first of its kind behind the Iron Curtain. It is designed to promote sales of oilfield equipment, refinery and chemical production equipment and instrumentation, controls and services of these operations.

**STAMP PROGRAM PLANNED** — The State Department of Public Welfare has been called on by the governor to develop a pilot food stamp program in preparation for a statewide plan.

A state funded program will be proposed in the special session of the Legislature next month. Federal courts have ordered all counties to have either a food stamp or a food commodity program for the needy. The stamp program is expected to generate \$285 million in economic activity.

**"BILLION DOLLAR" VICTORY WON** — Attorney General Martin hailed a favorable decision for Texas in a boundary dispute with Louisiana as "a billion dollar victory" for the state and the cities of Orange and Port Arthur.

A special master appointed by the U. S. Supreme Court decided Texas is entitled to the western half of Sabine River, Sabine Lake and Sabine Pass. Louisiana's claim to the entire stream was denied. Martin filed the suit in 1969. Louisiana will have an opportunity to file an objection to the master's decision in the court.

**GRAND JURY PROBE BEGINS** — Travis County grand jurors this week began an investigation of hiring practices of two state legislators.

The panel subpoenaed daughters of Sen. David Ratliff of Stamford and Rep. John Allen of Longview and several other witnesses. Ratliff and Allen hired each other's children over a period of years.

House and Senate payroll clerks have been instructed to bring their records on certain employees of Ratliff and Allen. Ratliff resigned April 26 after widespread newspaper coverage of the hiring practices.

(Editor's note: Voters of Coke County will have an opportunity to participate in an election on June 6, which will be conducted to name a replacement for Ratliff.)

**NEW WELFARE GUIDELINES ADOPTED** — New guidelines have been adopted by the State Board of Public Welfare to eliminate abuse by medical assistance recipients.

One purpose is to eliminate unnecessary medication and unnecessary doctor's office visits. Guidelines will limit prescriptions to three a month and limit cost per prescription to a maximum of \$15, with a \$35 monthly maximum. Drugs used to treat chronic illnesses will be exempt.

A second rule would limit visits to a doctor's office to five per month per recipient, not to exceed 10 a year. Some exceptions are possible.

**RELIGIOUS SURVEY SUNDAY AFTERNOON**

Robert Lee Baptist Church will conduct a religious survey of the community Sunday afternoon. The house to house survey will begin at 2 p.m. Purpose of the survey will be to determine the church affiliation of each resident of the community, said church leaders.

Such a survey has not been conducted in six years and it is felt that there have been quite a number of families moving in or out since that time. Both young people and adults will help with the survey.

**PERSONALS**

Saturday visitors in the home of Mr. and Mrs. Harvey Reid were Mr. and Mrs. Ronnie Reid of San Angelo. Sunday guests were their two daughters, Mrs. Harold Sword and Ruthann and Lyon Reid, all of San Angelo.

Mother's Day guests of Mrs. E. O. Higgins were her daughters and their families, Mr. and Mrs. F. L. Smith and Layne, Mr. and Mrs. W. N. Terry and Steve and Mrs. Floyd Higgins, Linda and Cindy, all of San Angelo.

Weekend visitors of Mrs. Lillian Gaines were her son and family, Mr. and Mrs. Monroe Gaines, David and Georgie Bob, of Levelland. Robert Gaines of Hamilton and Monroe Gaines and family and Jasper Gaines and Linda, all of Levelland, visited with Mrs. Gaines on Mother's Day, and with their sister and family, Mr. and Mrs. Jesse Eads. This was the first time in over 19 years for Mrs. Gaines to have all her sons at home at the same time. A daughter, Mrs. Forrest Wanker of Fairview, Okla., was unable to attend the family gathering.

Mr. and Mrs. Jack Brewer of Odessa spent the weekend here in their trailer home and did some fishing at Lake Spence. They reported good luck with a string of 14 bass weighing one to five pounds each.

Sunday visitors of Mr. and Mrs. H. L. Bloodworth of Silver were Mr. and Mrs. Ernest Bloodworth; Mr. and Mrs. Raymond Bloodworth and Charles; Mr. and Mrs. Carl Bloodworth and Lori; Mr. and Mrs. Clayton Bloodworth, Patty, Janice and Clay; Mr. and Mrs. Waymon Robertson; Mr. and Mrs. J. C. Wallace Jr., Donna, Susan and Buddy; and Troy Millican.

Willie Price and daughter, Cynthia, of Akron, Colo., were weekend visitors of Mr. and Mrs. H. L. Bloodworth of Silver. Mr. Price went to Austin Saturday to visit his father, M. C. Price, who is seriously ill in an Austin hospital.

Mrs. Jackie Latham and Mrs. Virginia Latham were guests over Mother's Day weekend in the home of Mrs. Elsie Latham. Other guests Sunday afternoon were Mr. and Monroe Gaines and boys of Levelland.

Mrs. Terry Ashton

**Miss Beverly Nell Shandley and Terry Ashton Exchange Wedding Vows in Ceremony in Robert Lee Church**

Miss Beverly Nell Shandley became the bride of Terry Ashton during a ceremony Saturday in Robert Lee Baptist Church. The Rev. Bill Beaty, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Ray Shandley of Robert Lee. The bridegroom is the son of the late Mr. and Mrs. Ben Ashton of Greenfield, Okla. The bride wore a formal Empire gown of silk organza trimmed with lace. She wore a chapel length train.

Wedding music was provided by Miss Jo Adkins.

**ATTEND CISCO GRADUATION**

Mr. and Mrs. Fred Beaty attended commencement exercises at Cisco Junior College at 2 p.m. Friday, May 12. The program was held in the Harrell Fine Arts Building.

Their son, Lane Beaty, completed two years of college work and was among the 170 candidates who won an Associate Degree.

Dr. George Beto, Director of the Correctional Institute at Huntsville, was guest speaker.

Beaty was president of the sophomore class and vice president of the student council during the 1971-72 semesters.

He plans to attend ASU this fall.

**CHURCH SERVICES EARLY**

Due to the the Robert Lee High School Baccalaureate Services the Southside Church of Christ scheduled Sunday evening services for 6:30 p.m. Everyone is invited to attend the early services.

Mr. and Mrs. Pete Hickman and children of Fort Stockton were weekend guests of his mother, Mrs. Ed Hickman. They all attended a Mother's Day dinner in the home of Mr. and Mrs. Frankie Percifull. Others attending the dinner were Mr. and Mrs. Bill Hagel, Mr. and Mrs. Hadley Richards and Mrs. Nancy Roach and baby, all of Robert Lee, and Mrs. Ruth Sandusky and Gerald Sandusky of Bronte.

**Items of Interest From R-Lee BCD**

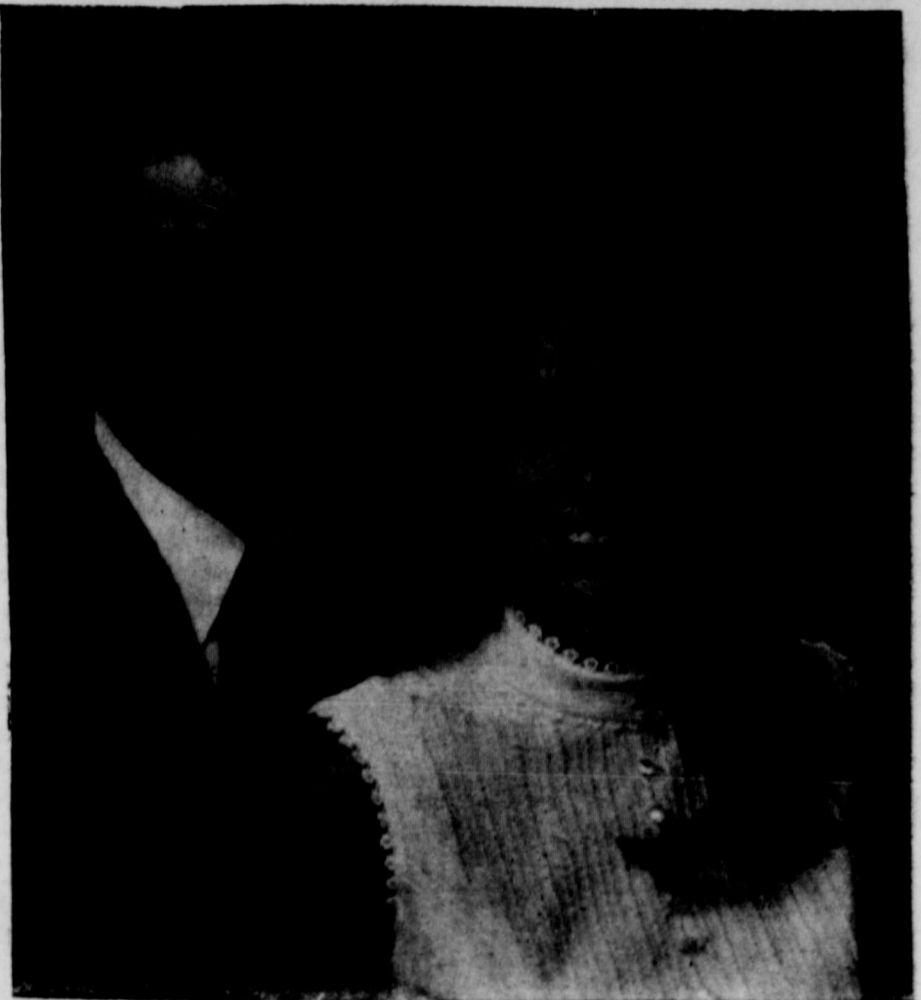

Bill Allen, vice president, presided at the Tuesday noon meeting of the BCD. He told members that he had checked the possibilities of enclosing the new brochures in subscribers' copies of the area daily newspapers, but found the cost prohibitive. He said it would cost around \$800 to enclose the brochures in Odessa, Midland and Big Spring papers. BCD members agreed that they couldn't furnish the brochures and be out that large expense, too.

Some members reported that they had already sent brochures to their companies in other towns, requesting that they be handed out.

Allen also said that rains of the past 10 days have resulted in about 8,000 acre feet of water being caught in Lake Spence, making a total of 92,000 acre feet in the lake at present. Highest level for the lake last year was 106,000 acre feet.

Allen read a letter from the San Angelo Board of City Development inviting Robert Lee members to attend an Area Managers Seminar on May 27. Mayor S. E. Adams said he would attend and represent the local BCD. Thirteen members were present.

Mr. and Mrs. Gaylon Pitcock honored their parents and grandparents with a Mother's Day dinner in their home Sunday. Attending were their parents, Mr. and Mrs. Teddy Pitcock and Mrs. Reba Roberts. The grandparents were Mr. and Mrs. Bryan Gartman and Mrs. Will Wood. Other guests were Mr. and Mrs. Darrel Pitcock of Brownwood, Mr. and Mrs. Larry Blair and Sheri Pitcock.

Miss Heuvel and Mr. Fields

**Lois Marie Heuvel and Albert Dale Fields Announce Engagement; Baptist Ceremony Planned for Aug. 5**

Mr. and Mrs. Lewis Heuvel are announcing the engagement and approaching marriage of their daughter, Lois Marie, to Albert Dale Fields, son of Mr. and Mrs. Bob Fields. Both families reside in Robert Lee.

The wedding has been set for Aug. 5 in Robert Lee Baptist Church.

The couple are graduates of Robert Lee High School and have attended Southwest Texas State University at San Marcos for four years. They both will graduate

from the University with honors on May 19.

The bride-elect will receive a Bachelor of Science degree with a major in business and a minor in physical education. The prospective bridegroom will receive a Bachelor of Business Administration degree with a concentration in marketing.

## County Agents News Column

By STERLING LINDSEY

Judging from pecan nut casebearer moth emergence, indications are that the best time to spray for control of the pecan nut casebearer in Coke County will be during the period of May 19 to 22. Very little casebearer sign has been found to date. We hope the lack of sign means the infestation will be light this year. However, the cool nights we have experienced lately no doubt have delayed and elongated the casebearer egg laying period. As of Monday, May 15, the infestation was light enough that spraying would be of little economic value.

All pecan trees in our area of

alkaline soils need zinc to ward off rosette or dieback. If you do spray, be sure to add zinc sulfate to your spray solution. If you do not spray to control the casebearer, a spraying or feeding of zinc is still recommended.

To determine the best time for applications of controls for the pecan nut casebearer on a particular tree, observation of the ends of the nutlets for eggs of the pecan nut casebearer is most reliable. Generally spray applications should be applied four to five days after eggs are first found. The newly laid eggs appear white to pale green in color. As they mature the eggs take on a reddish cast and after eggs begin to exhibit this red appearance, control measures should be applied the following day. Another good indication that it is time to spray for the pecan nut

casebearer is to inspect the nutlets on the pecan tree daily and apply the control application immediately after the first nutlet entry by the pecan casebearer is observed.

The insecticides that can be used for control of pecan nut casebearer are Guthion, Thiodan, Malathion and toxaphene. Thorough coverage is essential for control of the casebearer. Be sure that the sprays are applied to the tree to the point of runoff.

For most effective control a second application of insecticides may be needed. This can be determined by observing the nutlets for newly laid eggs several days after the first application. When observed a second application of insecticides should be applied seven to 10 days following the first application.

Several people have inquired about a control for insects on elm trees. Some elm trees in the area have been hit hard by the elm leaf beetle. Insecticides recommended to control the elm leaf beetle are sevin, chlordane, dieldrin or toxaphene. Be sure to follow the manufacturer's directions in mixing and using the chemicals. A repeat application 10 days to two weeks after the first one will insure a better control of the pest.

Mr. and Mrs. John Fenley spent last weekend at Lufkin visiting his sister and brother-in-law, Mr. and Mrs. L. Green. They all attended a family reunion held there in the community. The Greens returned home with the Fenleys for a few days' visit here with other relatives.

Mrs. Louis (Jane) Collins of Balmorhea spent last week here visiting in the homes of her sisters, Mrs. Floyd Harmon and Mrs. W. E. Burns.

After opening a package of dry beans, peas or lentils, don't mix the contents with that of other packages bought at separate times, particularly several months apart. Mixing packages will result in uneven cooking since older beans take longer to cook than fresher ones. Keep the product in the original package until opened. Then store in a glass or metal jar or a container with a tight fitting lid.

Canned and frozen beans come in both green and yellow pods. Those in yellow pods are usually called wax beans. Both green and

yellow beans contain vitamins and minerals, but green beans have more vitamin A.

Almost all fresh milk and cream on the market in this country is pasteurized for your protection. In pasteurizing, milk is heated briefly to kill harmful bacteria—then chilled rapidly. Most fresh whole pasteurized milk is homogenized. The homogenizing process disperses the fat evenly through the milk.

Fondue's the newest food craze. It's fun — and nourishing, too. Cheese fondue means easy, casual entertaining. Serve unusual "dippers" such as raw fruits—apples, pears and pineapple—and favorite raw vegetables.

Freeze individual cans of juice overnight to pack in lunches and keep sandwiches cold.

Soak oranges in warm water for 3 to 4 minutes for easy peeling.

Trim the worn edges of rubber spatulas off and keep scraping with a new edge.

Cheese Biscuits are delightfully different for dinner. Make them with prepared buttermilk biscuits. Simply place the biscuits about one-quarter inch apart on a baking sheet. Brush them with milk and sprinkle the tops with finely shredded Cheddar cheese. Then bake as usual.

## FISHING REPORT from Lake Spence

Runoff into Lake Spence slowed fishing somewhat during the past week, but those fishing for channel cat reported good luck.

The lake increased nearly two feet in level and picked up some 8,000 acre feet of new water.

Mr. and Mrs. Earl Collins, Robert Lee, reported 12 channel cat up to three pounds, and Mr. and Mrs. Howard Edmondson, Odessa, caught 15 channel cat with the largest weighing three pounds. The best of a 15 string of channel cat for Martin Casey and Cliff Calder, Robert Lee, was a 4½ pounder. Hank Baker, Robert Lee, went one better with a 6 pounder on his string of 13 channel cat.

On their fishing junket, Walter Basse and Charley Jackson, Odessa, reported catching 40 channel cat.

Just to change the pace, John Paige, Robert Lee, came in with a 11½ pound yellow cat.

### DROUGHT SURVEY MADE AVAILABLE BY UNIVERSITY

University of Texas Natural Fibers Economic Research has released meteorological drought surveys for the Edwards Plateau region for 1931-1950 and 1951-1970.

The surveys are based on the Palmer Drought Severity Index, which is calculated from the data of all active weather stations located within those counties for the period of record.

The Edwards Plateau area includes the counties of Bandera, Blanco, Burnet, Coke, Concho, Crockett, Edwards, Gillespie, Irion, Kendall, Kerr, Kimble, Kinney, Lampasas, Llano, McCulloch, Mason, Menard, Reagan, Real, San Saba, Schleicher, Sutton, Tom Green, Upton, Uvalde and Val Verde.

For further information concerning the drought surveys or for copies of the surveys, interested persons should write to Natural Fibers Economic Research, The University of Texas, P. O. Box 8180, University Station, Austin, Texas 78712.

# What you don't see is what you get.

We all know the old paycheck disappearing act: now you see it—now you don't. Somehow, all the money gets spent before you get a chance to stash away some savings. But there is a way to beat this—with U.S. Savings Bonds.

When you join the Payroll Savings Plan, the money you want to save is set aside from your paycheck and put into U.S. Savings Bonds, before you can get your hands on it. That way, the money's out of sight—and out of mind—until you need it.

And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years, 10 months (4% the first year). That extra ½%, payable as a bonus at maturity, applies to all

Bonds issued since June 1, 1970 . . . with a comparable improvement for all older Bonds. That means your savings will grow faster than ever before.

Join the Payroll Savings Plan. The money deducted from your paycheck is what you don't see—but what you're getting is a healthy nest egg of Savings Bonds—and that's a lot.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

## Take stock in America.

Now Bonds pay a bonus at maturity.
