

Big Cat-fight on tap here Friday

WINNING TOUCHDOWN—Dimmitt tailback Chad Davis dives over the goal line for the winning touchdown with 1:21 remaining in the Bobcats' District 2-AAA opener at Muleshoe Friday. After having two apparent touchdowns called back, the Bobcats came from behind

to defeat the inspired Mules by a 20-14 count—their closest winning margin so far. The victory left Coach Army Salinas' Bobcats undefeated and set the stage for their conference showdown against the Littlefield Wildcats here Friday night.

By DON NELSON

In the boxing game, if you're the challenger, there's only one sure way to take the champion's title away from him. You'd better knock him out.

And in District 2-AAA, if you want to go for the championship, you'd better knock out Littlefield.

That's what the Bobcats hope to do Friday night in their toughest test to date.

The Game of the Week in 2-AAA will be staged at Bobcat Stadium, with a 7:30 kickoff, and it's bound to draw a standing-room-only crowd.

The Wildcats are the defending champions, and have been for 11 of the last 15 years. They were the pre-season favorites to repeat again this year, while the Bobcats appear to be the most likely team that could keep them from it.

The Harris Rating System ranks the Wildcats No. 16 this week with a power rating of 172 and the Bobcats No. 21 with a power rating of 170. However, Harris favors Dimmitt by one point because of its home field advantage.

Littlefield has lost only one game, a 19-0 setback in their opener at the hands of Guymon, the defending Oklahoma state champion.

Since then, the Wildcats have rolled over five opponents, holding three of them scoreless. They de-

feated Abernathy 21-0, Post 33-0, Snyder 19-7, Canyon 27-12 and Friona 35-0. That comes out to an aggregate score of 135-38 and an average score of 23-6 against a pretty tough lineup.

The Bobcats, meanwhile, have beaten their six opponents by a total of 179-38 for an average score of 30-6.

The only common foe the two teams have played is Abernathy. You can compare Littlefield's 21-0 win over the Antelopes with Dimmitt's 37-7 margin, for what it's worth.

It's a typical Littlefield team this year, with 41 players on the varsity roster—all seniors (24) and juniors (17)—and they know how to play the game.

"They're well balanced, offensively," Dimmitt Coach Army Salinas reported. "They do a good job with both running and passing."

The Wildcats operate out of slot-I and pro-I offensive formations, and on defense they use a five-man front with two linebackers.

Quarterback Gilbert Gonzales (170, Sr.) "throws the ball as well as anybody we've seen," Salinas reported. The main backs he'll hand off to on running plays are No. 44, tailback Terry Davis (165, Sr.) and No. 41, halfback Michael Smith (150, Jr.).

The main Wildcats in the line are No. 67, Jerry Duenes (180, Sr.) "who is as good a guard as we've seen this year," and No. 84, Stephen Hernandez (150, Sr.), "an excellent split end," Dimmitt's scouting coaches reported.

"The rest of their boys aren't a full step behind these," Salinas said. "They're just a solid football team."

Will it be a high-scoring game? Based on the two teams' scoring punch so far, it will.

Or will it be a low-scoring contest? Based on the two teams' defensive records, it will.

We'll just have to wait and see. Either way, it shapes up as a battle royal.

"We're going to have to play a heck of a lot better than we played Friday night," Salinas said. "They're by far the toughest team we've faced so far."

YMCA idea being studied

Local residents elected a steering committee Monday night to study the possibility of buying the Ruskin Racquet Club facilities and adding to them to create a community activities center or a YMCA.

Thirty-eight persons attended Monday night's meeting in the Chamber of Commerce office.

Jerry Stump, reporting on the findings of a preliminary study group, said that Ruskin Racquet Club could be purchased and a new 4,400-sq. ft. building be added to provide a meeting area, handball courts and fitness center, at an estimated cost of \$300,000, including start-up administrative expenses. He added that the study group had learned the current Rus-

kin facilities couldn't be duplicated for less than a million dollars.

Stump said the group investigating the idea indicated there were three possible avenues for purchase of the facility—a non-profit group, city-county ownership or YMCA affiliation.

Main purpose of Monday night's meeting was to get information on possible YMCA participation in the project. Meeting with the group was John Greenwood of the YMCA national offices, who gave a video presentation about YMCA start-up programs and the mission philosophy of the international organization.

Greenwood stressed that Y's are locally autonomous and that the

national offices primarily provide staff training and assistance with fund-raising and developing new programs.

Greenwood suggested a steering committee be appointed to work with YMCA officials in conducting a feasibility study here. The study would indicate whether the community is capable of raising pledges for \$150,000 to be paid over a three-year period, and whether there would be enough volunteer support for the project, he said.

Greenwood said the study should be completed within 60 days.

Elected to the steering committee were Barbara Bain, Randy Schu-

macher, Johnny Ethridge, Deanne Clark, Ann Morris, Edd McLeroy, Garland Coleman and Denise Wright.

Lions to serve pancake meal Friday evening

The Dimmitt Lions Club will hold its annual public pancake supper Friday evening at the Dimmitt-Littlefield game.

The Lions will serve pancakes and bacon—all you can eat—from 5 to 7:30 p.m. in the Dimmitt High School cafeteria. Prices are \$3 for adults and \$2 for students, with children under 6 served free.

"We hope to have a good crowd come out and enjoy the food and fellowship with us before the game," said Chuck Braafladt, chairman of the pancake supper.

School board talks about improvements

Dimmitt school board members Monday night discussed several improvements needed for school property, but tabled the issue until further details could be obtained.

Discussion on purchase of a shed to protect the buses was dropped when members could not agree on the necessity of the expenditure, estimated to run about \$25,000.

Board member Dr. James Sims said, "In view of the recent tax raise, I think we can get along without this expense."

Board member David Schaeffer said he felt the project should be viewed on the basis of merit or need, rather than on whether or not taxes have been raised recently.

Pavement at the middle school was also discussed. Supt. Robert Ryan said the area north of the field house along the side of the east-west alley could be paved to provide parking for about 60 cars, and would also facilitate student access to the field house in inclement weather. Board members inquired about the cost of extending the pavement clear across the remainder of the north edge of the school property to where the alley turns south.

Ryan also noted that paving would be useful at the high school behind the shop building. He said that it could be used for parking during football season, and could also serve as a paved area for band marching practice.

No decision was made on the paving until more complete figures could be obtained.

In other business, the board agreed to cover the \$2,271.70 deficit in the industrial arts wood activity account, with the stipulation that those responsible for the account keep it in the black.

Parent members of the Language Proficiency Assessment Committees were appointed — Yolanda Moran for Richardson Elementary, and Gustavo and Carmina Castillo for the middle school.

NHS Homecoming underway

The Spirit King and Queen of Nazareth High School will be named today (Thursday) at the Homecoming Pep Rally, set for 7:30 p.m. in the Swift Stadium, as a part of the Homecoming activities.

Senior candidates for Spirit King and Queen are Damon O'Daniel and Tammy Drerup, juniors are Bobby Kern and Nikki Schulte, sophomores are Vance Acker and Monica Kleman, and freshmen are Trey Johnson and Traci Drerup.

Also at the pep rally, winners of the hall decoration contest will be announced.

Prior to the pep rally and following it, the Home and School Association is serving a chili supper at the cafeteria. Serving will be from 6 p.m. to 7:30 p.m., then resume after the rally, continuing until about 10 p.m. Prices will be \$3.50 for adults and \$1.75 for elementary.

On Friday, pre-game ceremonies will begin at 7:10 p.m., and the Homecoming Queen will be crowned. Candidates are senior Stephanie Brockman, junior Gwen Hoelting, sophomore Shelly Albracht, and freshman Christie Birk-elfield.

The Homecoming football game will feature the Swifts against the Springlake-Earth Wolverines at 7:30 p.m. Friday.

The Wolverines, 2-3 for the season, feature tailback Donald Spencer, who ran for 196 yards against Sudan Friday.

"Springlake-Earth is explosive offensively," Coach Les Goad said. "What we're going to have to do is shut down Spencer."

The Swifts (0-5-1) will be playing without Howie Annen, who probably is lost for the rest of the season due to ligament damage.

"That limits us to two seniors now, and we also lost the leader of our defense," Coach Goad said. "We just hope that some other young men step in there and do the job."

Mel Phillips

For State Senate

Voters in the 31st Senatorial District should elect Mel Phillips (D-Amarillo) to the Texas Senate.

Our senatorial district now includes 29 counties—an area bigger than 13 states—but with its comparatively sparse population, it needs every advantage possible if it is to have effective representation in the coalition-type workings of the State Senate.

Phillips can give us those advantages.

First and foremost is the tactical advantage. Phillips would be one of 24 Democrats in the Senate. If his Republican opponent, Teel Bivins of Amarillo, were elected, he would be one of only six Republicans on the floor. Phillips would stand a much better chance of getting legislation passed to benefit our area.

Phillips already knows his way around the legislative process and the all-important workings of state agencies. He has toiled 11 years in the political vineyards as a precinct worker, as chairman of the Randall County Democratic Party (1980-84), and as president of the Texas Association of County Democratic Chairmen. As a member of the Texas Aeronautics Commission, he helped secure funding for improvements to the Dimmitt Municipal Airport. He also served three years on the Canadian River Authority board. His service in the party and these agencies has brought him in contact with the movers and shakers of our state government. This experience and these contacts would give him a head start in the Senate.

Another consideration that could prove to be important is Phillips' family tie. He is the nephew by marriage of Sen. Lloyd Bentsen. Phillips sees this "accident of political fortune" as an opportunity to establish federal-state cooperation for economic development and prototype projects in our area. Whether Sen. Bentsen remains in the US Senate or moves to the vice-presidency, it could certainly do our area no harm for our state senator to have his ear.

Because of their basic conservatism, Phillips and Bivins have similar views on several key issues. Both are opposed to a state income tax. Both favor combining state agencies for more efficiency in government. Both favor major improvements in public education. Both advocate the construction of more state prison facilities to alleviate the aggravating problems caused by our overcrowded jails and prisons (including the unpopular prisoner furlough program). Both have strong ties to the land (Phillips in real estate development and farming, Bivins in cattle feeding), and would adequately represent Panhandle agriculture in Austin.

Both candidates are good men. But Phillips can give our area significant advantages in the Texas Senate.

OPEN FOR BUSINESS — The Castro County Republican Campaign Headquarters is now open at 210 W. Bedford St. A gathering of 30 persons, including state senatorial candidate Teel Bivins and Mayor Wayne Collins, were on hand last week for the formal opening, which included refresh-

ments and a balloon lift-off. Volunteers are keeping the office open five days a week until the Nov. 8 general election to make bumper stickers, posters and campaign literature available. The headquarters phone number is 647-2425.

On the Go with Mary Edna Hendrix, 647-3343

Flo Nichols of Tulia, and a former Dimmitt resident, sent me a clipping from the *Abilene Reporter News* reporting the special dinner to honor the Abilene Christian University alumni of four generations. The Generation Family Reunion Dinner was held in ACU's Moody Coliseum in Abilene. There are 11 four-generation families and 183 three-generation families who had been invited. In 10 of the four-generation families, the oldest generation is deceased.

In Flo's four-generation ACU family, her father, Marvin Carlile, who is deceased, graduated in 1923, Flo graduated in 1947, her son, Tom Nichols of Lubbock, graduated in 1969, and his son, Scott of Lubbock, plans to graduate in 1989.

Tom graduated from Dimmitt High School in 1965, and is now president of Ford Banking Group First National Bank of Lubbock. Scott is a graduate of Lubbock Christian High School, and is a junior at ACU.

Flo and her husband, John Will,

have retired from the First National Bank in Tulia and are moving from the country into Tulia. Flo is trying to conquer an IBM computer with the help of her other son, Jack. She reports that is the most exciting and mind-boggling machine, but she is putting information concerning her genealogy into it. Jack is also a graduate of Dimmitt High School, and is now a computer analyst with Lomas and Nettleton.

Mabel Brock visited her son and family, Dr. Bob and Patricia Brock, and a friend, Mae Suenll, in Phoenix for 10 days recently. She celebrated her birthday while there, and then had an extended birthday celebration with Glenn and Mona Merritt when she came home.

Cleo Forson was hostess to the Thursday bridge club that met at the Senior Citizens Center for lunch and a day of bridge. Dude McLauren won high score and Susie Reeves won second-high.

I visited with Diane Hatla, and she reports that Tracy is enjoying attending Texas Tech, and is mak-

ing many friends.

Visitors from out of town at the museum were Loris and Winona (Herring) Hunt from Lubbock, Margaret Majors and Jauvada Curtis from Garland, and Kevin, Neely, Adria, Matt and David Lankford of Amarillo.

Calbert and Nell Haskin of Lipan came by for an hour's visit Saturday morning with Nell's aunt, Kate Beecher. The Haskins are members of a motorcyclists for Christ group. They tour about 30 county seats of Texas during the year and have at least one big get-together. They had spent the night in Crosbyton and were on their way to Hereford, Perryton and Clarendon. They take pictures in each place and make a scrapbook later.

Corky and Virginia Nelson went to West Virginia to visit her mother, who they hadn't seen in four years. They also visited with her brother and sister and their families. They went through an exhibition coal mine at Beckley, W.V., which they found particularly interesting since Virginia's late father

had been a coal miner. They also had fun visiting lots of antique stores.

The Nelsons went on to Summerville, S.C., and visited with Corky's niece and her family. They said it sure was nice to get back to the flat land of Texas, where you can see where you're going.

Houseguests of Dan and Oma Dee Heard last week were Oma Dee's cousin, Joe and Ilene Rodgers from Cheyenne, Wyo.

Ysleta Ball and Oma Dee Heard returned Monday night from Dallas. They left Thursday. They were down opening the TDA Corn booth at the State Fair. Their WIFE Organization will be taking care of the booth during the fair. It was interesting to note that lots of people didn't even know that grits and hominy are made from corn.

At Amarillo they visited with Arlene Oldfield Newman, who was on her way back to Houston. She had been in Amarillo visiting two of her sons, Eddie and Barry. She spent some time in Dimmitt visit-

ing friends. Arlene and her family are former Dimmitt residents.

While in Dallas, one night Oma Dee's cousins from Duncanville took them out for dinner and a drive in downtown Dallas, where they walked through the fountain square. It was a beautiful sight with all the pretty lights and all the water fountains making all kinds of patterns.

One night, Debra and Ysleta's real close friend, Linda King, came and took them to a fun place to eat. It was the Trail Bush Restaurant.

The food was fabulous and a good band and lots of fun things.

It was a good time, but it's always good to be back in Dimmitt.

We Salute The Booster Club

There's an organization in town that's making a lot of noise and promoting a lot of fun and spirit this year. It's the Dimmitt Athletic Booster Club, and if you haven't heard or seen what this bunch is doing, you just haven't been paying attention.

The Booster Club is making the high school pep rallies and football games a lot more fun for everyone. Throughout the school year, they'll do the same thing for all the athletic teams.

Did you see the plane that flew over Bobcat Stadium with the banner before the first home game?

Did you see the purple-and-white field decoration at the Homecoming game, and the new signs and artwork at the stadium and field house?

Have you been to a pep rally and seen the funny skits that are performed for the students?

Do you catch the game notices and congratulatory messages on Cable Channel 6?

Have you seen the big color photos of our individual football players around town, mounted on colorful football-shaped mats?

Have you enjoyed thumbing through one of Dimmitt's football programs?

Those are all projects either carried out or shared by the Booster Club.

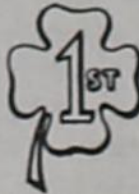

The football programs are a joint project of the varsity cheerleaders and the Boosters. The school district shared in the cost of the stadium and field house signs. And the Band Parents and school district cooperated with the Booster Club to buy the new picnic tables near the concession stand at the stadium.

It takes a lot of work by a lot of talented individuals, and a lot of effort by people pulling together to get all these things accomplished. The Booster Club's goals, and results, are happy ones—more community spirit, more school spirit, more team support, and more fun for everyone.

The Booster Club's officers this year are Joe Josselet, president; Johnny Davis, vice-president; Kathy Ethridge, secretary; Jean Petty, treasurer; Sarah Hill, membership chairman; and Pam Josselet, spirit chairman. A lot of other volunteers work with these officers to turn Booster Club ideas into realities. And they do it with a special flair that lets everybody know that Dimmitt is a special place, with special people.

If you'd like to be part of the Booster Club but haven't joined yet, just see any of these officers or show up at the weekly meeting Tuesday night at 7:30 in the high school cafeteria. You'll enjoy the fellowship, the game film, the coaches' reports, and the fun.

Boosters, we're glad you're part of Dimmitt!

Historical group to meet

The regular quarterly meeting of the Castro County Historical Commission has been delayed until next Thursday, Oct. 20, at 2 p.m. in Rhoads Memorial Library.

All interested persons are urged to attend this important meeting.

THIS CUTE AND CUDDLY cream-colored mixed breed dog needs a home, according to Animal Control Officer Charles Whitman. The male dog was found in the northwest part of Dimmitt and must be claimed or adopted by Monday or it will be put to sleep. The dog needs a rabies shot, which is \$9, but other fees are negotiable. Anyone who wishes to adopt the dog should contact Whitman at the police station.

Commissioners deny proposed pay raise

In a light session Monday, the County Commissioners' Court denied a pay-hike recommendation for the county constable, called for bids for a new Extension Service pickup and clarified the fees for teen dances at the Expo Building.

The County Grievance Committee had recommended that the monthly salary of Constable James Dobbs be increased from its present \$870 per month to \$1,000 per month, although committee members reportedly had said they were "in the dark" on the issue because of not having a specific job description.

Judge Polly Simpson had to break a tie vote on the question. Precinct 3 Commissioner Jeff Robertson made the motion to accept the Grievance Committee's recommendation and set the salary at \$1,000, and Precinct 4 Commissioner Vincent Guggemos seconded. However, Curtis Snitker of Precinct 1 and Dale Winders of Precinct 2 voted against it. Judge Simpson broke the tie by voting "to leave the salary as is."

The county earlier had raised the salary by \$157.75 per month to its present level.

The newly revised fee schedule and policy for the Expo Building

sets the rental fee at \$25 for "school dances," with supervision by parents and school officials required, and \$200 for "dances other than school dances," with two security guards required.

The Immaculate Conception Catholic Church asked whether church-sponsored teen dances could be held for the same fee and under the same rules as for school dances.

The commissioners voted to classify the church-sponsored dances as "other than school dances," with a \$200 rental fee and two security guards required.

Commissioners voted to call for bids for a 1989 model heavy-duty, 3/4-ton, super-cab pickup for the County Extension Office. They agreed to either mail copies of the specifications to all automotive dealers in the area or to run classified ads in the regional dailies, in addition to printing a legal notice in the *Castro County News*, since the county has only one dealer.

Commissioners also adopted an addition to county policy specifying that the county will pay meal costs of up to \$20 per day for county employees while on official business, and requested that employees get prior approval for such expenses when possible.

Mr. and Mrs. Kirby establish Gruver home

Mr. and Mrs. Ronald Kirby are at home in Gruver following a wedding trip to Angel Fire, N.M., after their Sept. 24 wedding.

The bride is the former Sandy Carolin Spivey, daughter of Mr. and Mrs. Hix Spivey of Gruver. The groom is the son of Nancy Kirby of Amarillo and Mr. and Mrs. Dean Kirby of Dimmitt.

The couple exchanged wedding vows Sept. 24 in a candlelight ceremony performed in the First Baptist Church of Gruver, with Rev. Larry Miller officiating. The altar was decorated with a brass arch candelabra flanked by heart candelabras. A unity candle in the center of the altar was lit by the pair during the ceremony. Peach bows decorated the pews.

Candlelighters were Kyle Deeds and Kevin Spivey, nephews of the bride, Asia Kirby, sister of the groom, and Tiffany Wilcox, cousin of the groom, both of Dimmitt.

A traditional wedding music tape by Carolyn Fletcher was played while the guests were being seated. Vocalist James Walker sang the "Wedding Song," and Gyene Spivey, sister-in-law of the bride, sang the "Wedding Prayer."

The bride was escorted to the altar by her father, and was given in marriage by her parents. She chose a designer gown by Antonio D'Nucci of Paris. It was made of candlelight regal satin and sparkle organza, and featured a Victorian neckline crowned with a high collar. The bodice was adorned with pearl swirls and jewels. The slim-styled skirt was decorated with crystallized hand beaded designs. A cathedral-length train created a cascade of ruffles from the lower back. Her fingertip-length veil was designed and made by the mother of the bride.

The bride carried a silk bouquet with a large peach orchid and peach roses, accented with baby's breath and stephanotis. In the bridal tradition, for something old, she carried her grandmothers' rings in her bouquet. Something new was her dress, and something borrowed and blue was her grandmother's handkerchief. She also wore a sixpence in her shoe. The coin was a gift from Mrs. Alma Gruver.

Attending the bride as matrons of honor were Debbie Deeds of Gruver and Jana Wright of Canyon, sisters of the bride, and DeDe Johnson of Gruver. The attendants wore peach taffeta tea-length bubble dresses with puffed sleeves. They carried grapevine heart-shaped wreaths accented with peach flowers and baby's breath, which were designed by the bride.

Attending the groom as best man

MR. AND MRS. RONALD KIRBY
... She's the former Sandy Carolin Spivey

was J.P. Spencer of Dimmitt. Groomsmen were Roger Reed of Dimmitt and Chris Johnson of Gruver. Ring bearers were Ky Kirby of Dimmitt, brother of the groom, and Aaron Wilcox of Dimmitt, cousin of the groom. The men of the wedding party all wore ivory tuxedos with peach cummerbunds and bow ties. The groom was attired in ivory tails with a peach rose boutonniere.

Serving as ushers were Brad Spivey, brother of the bride, Chris Spivey, nephew of the bride, and Roy Deeds and Chris Wright, brothers-in-law of the bride.

Presiding at the guest book was Gyene Spivey of Gruver.

The reception was hosted by the bride's parents following the ceremony.

The bride's table was draped with a white lace cloth, and complemented with a silver punch bowl. A bubbling fountain separated the layers of the three-tiered cake, which was topped with a silk flower arrangement thrown by the bride during the reception. Side cakes featured attendants crossing a

bridge. The cake was decorated by Opal Wallin. Serving at the bride's table were Dee Dee Wilson of Alva, Okla., and Dee Renteria of Gruver.

The groom's table was covered with a hand crocheted cloth, made by the bride's grandmother, Mrs. Jessie Spivey. The centerpiece was a ceramic boat surrounded by a hay bale and spurs. The groom's Italian cream cake was made and decorated by the bride's mother. A silver coffee service completed the table. Servers were Tama Reed and Sabrina Mays, both of Dimmitt.

The hors d'oeuvre table was served by Tera Boyd of Turpin, Okla. Nicole Gutierrez, cousin of the bride, passed out peach taffeta roses filled with wheat during the reception.

For her going away outfit, the bride wore a royal blue and white striped jumpsuit.

A rehearsal lunch was held Saturday at noon. The bride was also honored by a lingerie shower in the home of Mrs. Dee Dee Johnson.

Flag corps earns honor

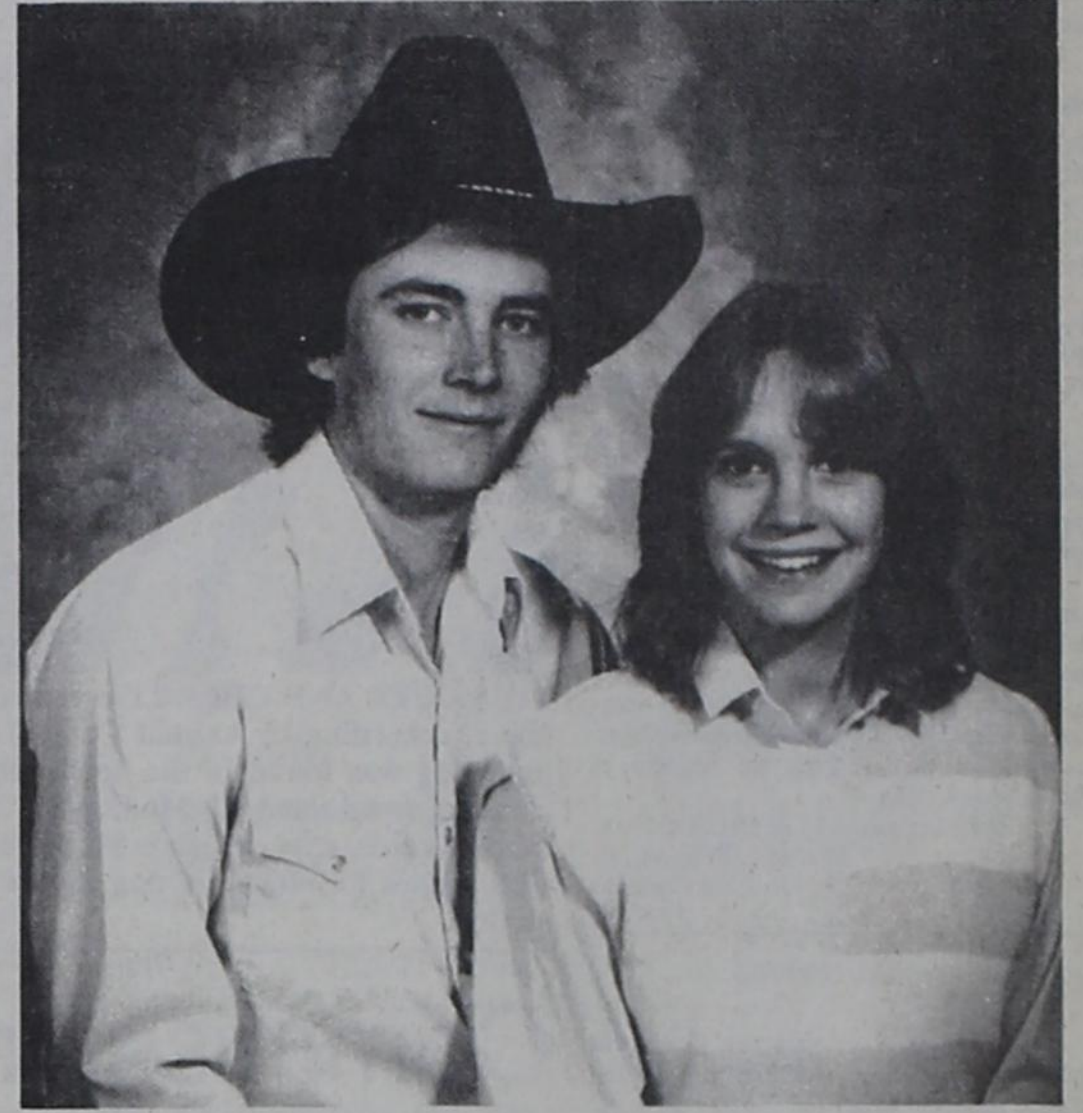

The Dimmitt High School Flag Corps received a rating of "Excellent," and placed third overall at the West Texas Auxiliary Festival Saturday, according to assistant high school band director Priscilla Garrett.

The group performed a flag routine to the music of "Rock Around the Clock," and was the only group from a 3A school. Other competitors were from 4A and 5A schools in the Amarillo area.

Members of the group that attended the competition were Karen Casas, Debbie Fuentes, Denea Hanes, Naomie Hernandez, Yvonne Hernandez, Faye Killough, Sabrina Mays and Becky Rutkowski.

Garrett said that the flag corps adds visual effects to the overall sound and picture of the marching band.

The band will be participating in the UIL Marching Contest Saturday in Borger Stadium at 4 p.m.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Roger Edwards of Woodward, Okla., announce the engagement and approaching marriage of their daughter, Marla Sue, to Henry Lee Beavers, son of Alvin and LaNell Beavers of Woodward. The prospective groom is also the grandson of Bill and Doris McClenney of Dimmitt and the late O.L. and Minnie Beavers of Hart. The couple will exchange vows Oct. 29 at the Church of the Nazarene in Woodward.

Parents nominated for WTSU honors

Three local couples were included among nominees for the West Texas State University honor of

Parents of the Year. Bob and Rita Morgan of Hereford were named winners of the annual award.

Mr. and Mrs. Herman Birkenfeld of Nazareth, Vincent and Eileen Gerber of Nazareth, and Bill and

Jacque Sava of Dimmitt were all nominated by their children.

The Birkenfelds were nominated by their daughter, Gail, a junior majoring in general business at WT. Five of their 12 children have attended WT. In her nominating statement, Gail wrote, "My parents will always be Parents of the Year in my book because of the opportunity they gave me to attend college. Without them and their hard work, loyalty and support, I would not be attending WT today."

The Gerbers were nominated by three of their seven children—Sid, Leona and Gregg, who are all cur-

rently attending WT. Leona wrote, "Without their encouragement and support, I wouldn't be where I am today. They have taught me to appreciate the things I have, and to always give your best at what you're striving for. They are the perfect example of what I hope to be some day."

Debra Sava, who will graduate from WT in December, nominated her parents. Their son, Scott, is a freshman at WT. "These two wonderful people are the wind beneath my wings. They are the type of parents I hope to be one day," Debra wrote.

EMILIO ARCE (11) races home with a two-point conversion following the Bobcats' winning touchdown at Muleshoe Friday night. Chaperoning him is Jason Griffith. Arce caught a 45-yard pass from Mat Bradley to set up the winning TD, and also scored Dimmitt's first touchdown on a 20-yard run. He finished as the Bobcats' leading rusher

with 80 yards on seven carries. Griffith scored Dimmitt's second touchdown on a 28-yard pass from Clay Lytle. This two-point conversion came with 1:21 remaining in the game and gave the Bobcats a hard-earned 20-14 victory over the Mules in the district opener.

Bobcats prevail over inspired Mules, 20-14

It was obvious from the start that the Mules weren't interested in the Bobcats' press clippings.

The Mules, trying to recover from the deaths of a football teammate and a cheerleader, had their own agenda for Friday night's meeting in their home stadium, and the heavily favored Bobcats barely escaped with a 20-14 victory.

The Bobcats got a hint of how heavy the situation was going to be when the Mules came out wearing the number 72 on their helmets. That was the number of Lee Palmer, sophomore starting tackle, who had died in a car accident three weeks earlier. The Muleshoe team had dedicated the game to the memories of Palmer and Lisa Triana, varsity cheerleader who had been killed in another auto accident the previous Sunday.

"Those kids were inspired—they really played hard," Dimmitt Coach Army Salinas commented. "It appeared as though the two tragedies drew them all together and rallied them. You can't help but feel for them."

The Mules won the first half of the district opener in nearly all categories—score (14-6), rushing yardage (89-45), first downs (9-4), number of plays run (35-21) and interceptions (1-0).

It took some second-half heroics by Emilio Arce, Clay Lytle, Jason Griffith, Mat Bradley, Chad Davis and Dimmitt's defensive front for the Bobcats to pull out the victory on their final possession of the game.

The Bobcats evened up the touchdown count late in the third quarter but couldn't make their extra points and needed a third score to win. They got it with 1:21 left in the game, when Davis dived over from two yards out to capitalize on a 45-yard clutch pass from Bradley to Arce that had carried to the 5-yard line. Arce, who had scored one TD and was the Bob-

cats' leading ground-gainer, added a two-point conversion run to give Dimmitt its 20-14 victory margin.

Muleshoe stopped Dimmitt's opening drive on the fifth play of the game with an interception, then hammered out 54 yards in 13 plays for their first touchdown. Powerful 218-lb. senior tailback Lee Dunham skirted left end for the final nine yards and Daniel Olivas kicked the extra point to give Muleshoe a 7-0 lead with 2:52 remaining in the first period.

Dunham, one of the toughest backs the Bobcats have encountered all year, carried the ball 50% of the time for the Mules and finished as the game's leading rusher.

The Bobcats ran four plays inside their 15 after the ensuing kickoff, then the Mules went on the march again, this time driving 30 yards in nine plays, with fullback John Orozco running left for the second TD with 2:47 elapsed in the second quarter. Olivas added the extra point and it was 14-0. Dimmitt still had run only nine plays.

The Bobcats finally ripped off 51 yards on three plays midway in the second quarter for their first TD.

After seeing his first pass intercepted and four more dropped by his receivers, Bobcat quarterback Clay Lytle got his first completion on a third-and-10 toss to Kevin Petty. The play covered 25 yards,

from the Dimmitt 49 to the Muleshoe 26. Kelly Howell gained six yards, then Arce raced right on a 20-yard touchdown run with 4:02 remaining in the second period. The extra-point kick was wide, and it was 14-6 at halftime.

The Mules continued their ball-control game in the third, maintaining possession more than nine of the quarter's 12 minutes. But late in the period, the Bobcats broke loose on a quick four-play, 55-yard scoring drive that was climaxed by a beautiful 28-yard touchdown pass from Lytle to Griffith. The Bobcats went for a two-point conversion pass to tie the score, but it fell incomplete, leaving Dimmitt still on the short end, 14-12.

Midway in the fourth, the Bobcat line sacked Mule quarterback A. J. Liles and forced a fumble, which Griffith fell on to stop a Muleshoe drive at the Dimmitt 34 with 5:10 left in the game.

Arce, Howell and Davis gained two first downs to the Muleshoe 40 in five plays, but then Lytle was sacked for a 10-yard loss as the clock neared the two-minute mark.

Then the Bobcats staged one of their biggest plays of the game as Bradley raced to the right at midfield on second-and-20 and fired a clutch pass to Arce going deep. Arce went high, hung onto the pass for dear life and finally was (Continued on Page 10)

Vega downs Swifts, 41-0

By LORELEA ACKER

Vega's powerful defense held the Nazareth Swifts to only nine offensive yards while blanking the Swifts, 41-0, in their District 3-A opener Friday night at Vega.

The Longhorns charged into the lead in the first quarter, racking up a comfortable 21-point advantage. Meanwhile, the Swifts were unable to move the ball and found themselves having to lean heavily on their defensive unit.

Vega's Damon Tanck, Mike Crouch and Cory Kendrick each found the end zone during the first period. A two-point conversion pass from Roger Brorman to Tanck filled out the Longhorns' 21-point lead in the opening stanza.

During the second quarter a series of interceptions, fumbles and incomplete passes kept both teams from finding daylight, and the score still stood at 21-0 at halftime.

The Swift defense, led by Marty Gerber, Bob Kern and Tommy Cobb, held Vega back in the opening of the third quarter, but the Longhorns were not to be denied for long.

At 10:26 of the third, Tanck found an opening and raced 65 yards for the fourth Vega touchdown. The PAT by Cody Walker was good, making it 28-0.

Then at 4:06 in the third, James Luster struck gold. The PAT by Walker again was good, upping Vega's lead to 35-0.

A fumble recovery by Vega in the fourth quarter set up the Longhorns' final touchdown—a four-yard pass to Dirk Harle. The PAT was wide left, leaving the final

score at 41-0.

"We got kind of a slow start," Nazareth Coach Les Goad said. "They are a very good football team—they're ranked No. 17 in the state—and they played like it."

"One good thing that we're seeing is that we're not giving up, and we're playing hard all the way to the end," Coach Goad added. "Our intensity is still there."

"We didn't play that badly," he said. "We're just putting ourselves into such bad positions. Brian (Schmucker) is punting very well. The thing is, we need to move the ball so we don't have to punt all the time, and we've got to start making the other teams punt a little more."

Freshmen top Muleshoe, 28-2

The Freshman Bobcats added another victory to their unbeaten string with a 28-2 win over Muleshoe last Thursday.

Armando Arce scored two touchdowns and ran a two-point conversion, and Robert Ruiz scored two TDs—one on a 25-yard pass from Arce. Lincoln Stewart got Dimmitt's other two points on a PAT pass from Billy Ray Thomas.

Muleshoe got its only points from a safety.

Dimmitt rolled up 217 yards on the ground and 36 yards on two-of-five passing for 253 total yards in 36 plays.

Ruiz was Dimmitt's leading gainer with 96 yards on 14 carries, while Arce got 82 yards on 14 carries and Thomas carried twice for 23 yards.

Longhorns knock off unbeaten Steers, 14-13

By TERRY PITTMAN
Hart's Longhorns took a giant step in the District 3-AA race when they edged the previously undefeated Farwell Steers, 14-13, in their district opener Friday night.

Farwell, playing on its home field, had been favored by as much as two touchdowns.

Hart's victory — which wasn't reflected in the game's statistics — helped set the stage for a wild race in tough District 3-AA, where as many as four teams have legitimate chances for a playoff berth.

Abernathy downed Olton, 13-7, in the game between the district's two other ranked contenders.

Farwell took the opening kickoff Friday night and picked up a first down before punting to set Hart up on its own 16-yard line. But three plays later the Longhorns had to punt it right back. The Steers put together a drive that carried to Hart's 14, where an incomplete third-down pass forced a field goal attempt.

A bad snap and a bobbled hold attempted delayed the kick, and defensive tackle Roger Avila blocked it. Defensive end Roger Medrano, reacting quickly, picked the ball up and ran 79 yards for a touchdown.

Junior Washington's extra-point kick hit the crossbar and fell over,

putting Hart in command, 7-0. This was the first time the Longhorns had scored in the first quarter, and it couldn't have come at a better time.

Farwell scored on a six-play, 52-yard drive that tied it at 7-7 with 9:36 remaining in the first half. The remainder of the half saw only stalled drives by the two teams.

The defensive battle that highlighted the first half continued in the second. Both teams struggled throughout the third period as the score remained knotted at 7-7.

On their first possession of the fourth quarter, the Steers marched 74 yards, including a 30-yard touchdown run by fine sophomore running back Shawn Stewart. The extra-point kick soared high and to the left, and it was Farwell 13, Hart 7 with 6:52 left in the game.

Washington returned the ensuing kickoff 62 yards to the Farwell 26. Washington was called on for the next four plays and he picked up 23 yards. These runs and an offsides penalty against the Steers put the ball a foot from the goal line.

The Farwell defense and the fans assumed that Washington would be called on again. He was, but this time as a blocker. Larry Brown followed him in for the touchdown with 4:10 remaining in the game. Washington's extra-point kick was

perfect and Hart had the lead again, 14-13.

It wasn't over, however. Farwell used its tough defense and its timeouts well to get the ball back and make one final push. But Hart's defense continued to play tough, and a final "Hail Mary" pass fell incomplete as time expired.

The victory was a big one for the Longhorns. It moved their season record to 4-2, but more importantly it gave them a 1-0 mark in district play.

7th, 8th Bobcats defeat Muleshoe

Dimmitt's seventh and eighth grade teams both scored victories over their Muleshoe counterparts last Thursday.

The seventh grade Bobcats hiked their record to 3-0-1 with a 14-6 victory.

Anthony Mirelez scored Dimmitt's first TD on a 40-yard run in the first quarter. Aaron Salinas passed to Richard Ramirez for a two-point conversion to make it 8-0.

In the second period, Mirelez took a pass from Salinas and scored on a play that covered 20 yards. The extra-point attempt failed.

Guy Lewis led the seventh grade Bobcats' ground gainers with 53 yards on seven carries.

The eighth grade Bobcats earned a 20-12 victory, with Kyle Hanes scoring all three of Dimmitt's touchdowns.

Hanes, who gained an impressive 174 yards on 26 carries, opened the scoring in the first quarter with a 20-yard TD run. Shad McDaniel passed to Dax Wardlaw for a two-point conversion, giving Dimmitt an 8-0 lead.

Hanes scored again in the second quarter on an eight-yard run and in the third on a six-yard scamper. The extra-point attempts after both touchdowns failed.

Muleshoe scored a touchdown in the second and one in the fourth.

The victory hiked the eighth grade Bobcats' record to 2-1-1.

JV Bobcats zap Muleshoe, 41-0

Dimmitt's Junior Varsity hiked its record to 6-0 with a convincing 41-0 victory over the Muleshoe JV last Thursday at Muleshoe.

Dimmitt scored 14 points in the first quarter, 21 in the second and six in the third while holding Muleshoe scoreless.

The JV Bobcats' defense allowed the JV Mules only eight plays and no yards in the first half, then gave up only 52 yards in 17 plays in the second half. The Dimmitt offense, meanwhile, ran up 267 yards on the ground and 135 in the air for a total 402 yards.

Freddie Martinez threw four touchdown passes and ran for another TD, and Arthur Velasquez paced the defense with three fumble recoveries.

James Flores caught a Martinez pass for Dimmitt's first TD, and John Ortegon passed to Flores for a two-point conversion.

Later in the first, Ortegon scored on a 20-yard run. The PAT attempt failed.

Martinez passed for three touchdowns in the second quarter—a 22-yarder to Miguel Ontiveros, a 20-yarder to Roger Gauna and a 35-yarder to Filiberto Alafa. Mikkel Holm kicked the extra point after all three touchdowns to give Dimmitt a commanding 35-0 halftime

lead.

Martinez ran the final touchdown from three yards out in the third period. The extra-point kick failed.

Martinez completed seven of 11 passes for 132 yards, while John Ortegon was one-of-one for a two-pointer.

Dimmitt's eight completed passes were caught by Ontiveros (2), Flores (2), Henry Rocha (2), Alafa and Gauna.

Ortegon was Dimmitt's leading rusher, gaining a hefty 120 yards on 15 carries for an eight-yard average. Ontiveros carried seven times for 46 yards, Daniel Espinosa gained 43 yards on eight carries, Alafa picked up 38 yards on five totes and Rocha earned 23 yards on seven carries.

brought down at the 5-yard line. Two plays later, Davis dived the final two yards for the winning TD with 1:21 left in the game. Arce, who finished as Dimmitt's leading ground gainer, ran a two-point conversion to make the final score 20-12.

"Our kids were ready, but they did some things we weren't expecting," Coach Salinas said. "They gave us a different offensive look, and they just loaded up that 44 (Dunham) and fired him through."

"By the time they had 14 points, we had run only nine plays, yet by halftime we were down only eight points and were still in the game—that showed a lot about our team," Salinas said. "We made some half-time adjustments, and that helped. But you can't let the opposition have that many snaps."

Muleshoe ran 63 plays to Dimmitt's 41. The Mules held Howell, Dimmitt's leading ground-gainer, to 37 yards, but Arce made up the difference with an 80-yard performance on seven carries.

"They were keying like crazy on Kelly," Salinas noted. "When a

team does that, the plan is to spring one of our other backs loose, and that's what we were able to do."

The Bobcat defense thought it scored two more TDs—one on a second-quarter interception and runback by Bradley, who thought the ball had bounced off the intended receiver's foot, and the other on a stolen ball and 48-yard run by Arce in the third—but the referees disallowed both. Oddly, after calling back Arce's run, the refs gave the ball to Dimmitt anyway.

Sunnyside By Teeny Bowden, 647-5703

Jodie Lippard, a former resident of the community, died Wednesday in St. Anthony's Hospice Unit, with terminal cancer. Funeral services were held Saturday afternoon in Amarillo. Born in Tulia, Mrs. Lippard married Calvin in 1958 in Tulia. Calvin farmed the Boys Ranch Farm west of Sunnyside for several years, and they were active in the affairs of the community. Dana was small at the time.

Bess Bills was admitted to Methodist Hospital in Lubbock Thursday morning and underwent surgery on her right shoulder. Rev. David Fletcher went to be with the family during the day, and reported she came through the surgery well, and that the doctor was pleased with the results. She was dismissed Sunday afternoon and made the trip home just fine.

Mrs. C.G. Ballard was admitted to Plains Memorial Hospital in Dimmitt Sept. 28, and is still not feeling very well. Her granddaughter,

Kaye, spent the afternoon with her Friday. She was home from Tech for the weekend.

Maria Marquez and son, Joe Jr., were dismissed from Methodist Hospital in Lubbock Monday, but Maria has to go back each day for a while for therapy.

La Wanda Wilson's grandfather, T.C. Glaze of Lamesa, is still in Methodist Hospital in Lubbock, but is doing better. Melinda Wilson was home from Tech Sunday.

Embree Roy and Willie Mae celebrated their 55th wedding anniversary by going out to eat Friday night.

Teeny Bowden visited at Llano Estacado Museum in Plainview with Eddie and Patti Guffee on Monday and again on Thursday afternoon. She had dinner in K-Bob's Friday with Clara Vick, and they ate and visited with Robert McLean of Amarillo and Alma Kenmore of Ruidoso.

Juanelle Windson of Fort Worth

attended the Conard Reunion at Thompson Park in Amarillo last Sunday with Tex and Norma Conard, Larry and Sharon Sadler, Stacy Norman and Jeremy and Laura Hurtado and Matt of Muleshoe. They took her to the plane after the reunion. She also attended the class of 1968's 20-year reunion and homecoming Sept. 23-24.

Teeny Bowden visited with Johnny Wayne Holbrooks at Toot's house Friday morning while he was there to pick up some things and do some work. He said Toots came with him last week, but didn't get to see anyone because she gave out too soon, and had a little spell with her blood pressure the next day. She is walking again with her walker some, and has a better appetite, but her blood pressure is still very unstable.

Ezell and Verba Sadler went to Breckenridge Lake from Canton Monday night, but spent the week there since some of the Hereford

music group called to see if they could come down.

World Hunger Day was observed in the church Sunday morning. The pastor pointed out some startling facts in the message and bulletin. Every day 40,000 children die of hunger and hunger-related diseases.

Kevin Riley had ear surgery recently to repair an ear drum that had burst this summer. He is fine now.

Becky and Kathy Norrell and Melissa Richardson, all of Level-land, spent the weekend with their parents, James and Joan Norrell, and attended church with them Sunday.

Emma Jean visited with her daughters, Betty and Bob Sutton, Brandy, Brien, and Brett of Kermit where Betty has entered nursing school, Margret and Otus Williams of Eunice and her son, Jimmy King of Hobbs over the weekend. Billy visited in Amarillo Saturday with Francis and Mary King.

Nelda Curtis and Emma Jean King and Mrs. Shirey of Earth attended the Birthday Club Party

honoring Mattie Axtell in Earth Friday afternoon. The others were unable to attend.

Wise Dr. Benjamin Franklin knew well the value of time. His brilliant career varied from inventor and writer to publisher and statesman. And he devoted the time to become proficient and highly successful in each. "Treasure each moment, guard it well and spend it wisely," he said.

Next to God's promise of Eternal Life, His gift of time is possibly man's greatest possession. In return for this priceless blessing He asked that man honor Him on the Sabbath. To spend a part of man's time in God's House. Begin tomorrow to repay Him for your life, for your Sands of Time. Go to the church of your choice and take your family.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEW VARIETY STORE OPENS—Tom Gray, manager of the new Perry's variety store in Dimmitt, cuts the ribbon to officially open the store. Holding the ribbon for him are Carolyn Jones (left), member of the Dimmitt Dynamios, and Delores Heller, executive director of the Chamber of Commerce. In background, from left, are Ysleta Ball and B. M. Nelson of the Dimmitt Dynamios;

Mayor Wayne Collins; Carl Stjernstrom, Perry's assistant manager in Tomball, who helped stock the store for opening; Chamber of Commerce President Doug Pybus; Doren Light, Perry's district superintendent; John Hill, Perry's assistant manager at Bay City; Gary Patton, Perry's assistant manager at Vidor; and Jeff Warford, assistant manager of a Perry's store in Dallas.

Cobb's closing location

After 35 years in Dimmitt, Cobb's department store will close its location in the 100 block of East Bedford Street.

Al and Dorothy Jackson, owners, said they will retain the Cobb's name and will continue their pet-ter shop in another location.

The store's clearance sale will start Saturday. The store has been closed this week in preparation for the sale.

"We decided 10 years ago, when we signed our last 10-year lease, that we would give up the lease in 1988," Jackson said. "We have other interests that we want to pursue."

He added, "I feel sure someone will want to lease the building because it's a first-class building in a first-class location."

The store was opened in a new building in 1953 by the Cobb's chain, headquartered in Lubbock, which at one time had 23 stores in Texas, New Mexico and Arizona. The Dimmitt store is the last one with the Cobb's name on it.

The Jacksons bought the local store in partnership with Bob and Gertrude Cobb in 1961 and came here from Odessa as managing partners. They became the sole owners in 1978.

"Looking back, we've had some of the finest customers you could have, and some of the finest, cleanest competition you'll ever go up against in the Mannings, the Har-mans, the Hickeys and the Shef-fys," Jackson said. "We were al-ways competitors in business, and

that was good for everybody, but we were always friends, too."

Jackson said he feels "mixed emotions" about closing the store which he has run for 27 years.

"A legend is ending," he said. "This is the last store with the Cobb's name on it."

Running stocker calves on wheat pasture?

Now, more than ever, **IVOMEC®** can build your profits.

(ivermectin)

At this year's beef prices, every pound you put on your calves is worth good money. And with IVOMEC® (ivermectin) you can put on plenty of extra pounds.

Whenever you have cattle on pasture, you're bound to have parasites. And if your calves have been sold and resold before shipping, you can't know what parasites they've picked up. And parasites steal weight.

But one shot of IVOMEC kills 31 different kinds of parasites—more than twice as many as TRAMISOL® and WARBEX® combined.

IVOMEC kills mature and immature worms, so you don't have to use it again in a couple of weeks. And IVOMEC gets external parasites, too. It does it all with just one simple shot under the skin. No wrestling. No Mess. No stress.

So go with your best shot. Get IVOMEC.

Police calls

An estimated \$1,686 worth of electronic, photographic and personal goods were reported stolen last Thursday night from the home of Andrew Blesi, 107 SW Ninth St.

Blesi told the Dimmitt Police Dept. that while he was at a meeting, someone burglarized his home of a Technics stereo, a microwave oven, a Radio Shack four-channel scanner, a Ricoh 35mm camera, a men's gold bracelet and a Makita cordless drill.

Another burglary occurred last week at Dimmitt Equipment Co. Gerald Thomas reported to police that someone had broken the glass in two doors to gain entry to a storage room and the main part of the building. The company reported later that a half-inch Black & Decker reversible electric drill and a half-inch Chicago Pneumatic impact wrench were missing.

Max Ellison of Pro-Ag, Inc., told

police last Thursday that someone had broken into a company spray plane and had stolen a military-style helicopter pilot's helmet from the cockpit. He described the helmet as being red, white and blue, with a swing-down visor and an aircraft radio microphone mouthpiece, and set its value at \$350.

Daniel Espinosa reported to police Friday afternoon that someone had broken the windshield of his pickup and possibly tampered with the trailer-hitch wiring while the pickup was parked at the County Expo Building. Cost of the windshield replacement was estimated at \$400.

A two-vehicle accident at the intersection of US 385 and State 194 Friday at noon caused moderate damage to a 1984 pickup driven by Vaden Kirby and a 1988 Ford sedan driven by Lon Woodburn.

City police reported that Kirby was turning left from Highway 385 onto Highway 194 toward town when his pickup collided with Woodburn's car, which was west-bound through the intersection on 194. Kirby told police that, although he had stopped at the stop sign on 385, he had not seen Woodburn's oncoming car when he made his turn.

Neither driver was injured, police said.

Local law officers during the week jailed three persons for public intoxication, two for DWI, one for disorderly conduct and one for having no driver's license, insurance or current inspection sticker. All have since been released or transferred to other agencies on warrants.

The county jail's population was down to 11 inmates as of Tuesday afternoon.
