duced this big one had 25 potatoes on it and the total for the vine was 60 pounds. One yam measured 30 inches long and another 54 inches. Mr. and Mrs. Seltz are former Robert Lee residents.

Christmas Seals Arriving in Coke

Christmas Seals are now being delivered to residents of Coke County. The mailing marks the annual Christmas Seal campaign kickoff throughout the 32 West Texas counties of the Big Country Area of the Texas Tuberculosis and Respiratory Disease Association.

According to Mrs. Truman Hines, BCA board member from Robert Lee, the slogan, "There's More to Do—Give More Christmas Seals," is especially fitting. Donations from the seals "give the gift of life and breath in the year round fight against emphysema, tuberculosis and other respiratory diseases. In addition, the seals spread good cheer in the holiday season through their uses on holiday cards and packages."

Mrs. Hines noted that monies received are spent generously in research and health education. Emphysema, a chronic respiratory disease, is second among disabilities for which workers are awarded Social Security benefits. Bronchitis, emphysema and asthma combined rank ninth among causes of disease deaths, with emphysema being the fastest growing cause of death in this country.

Mrs. Hines urged everyone to contribute liberally when seals are received.

Homecoming Tilt to Feature Steers, Eagles

Fans will be treated to another home football game Friday night when the Robert Lee Steers host the Eldorado Eagles in a District 9-A contest.

The Steers are expecting to bounce back into the win column this week after suffering two defeats in their first two district games—with powerful Wall and Sonora.

The Eagles don't have quite as good a season record as do the Steers. So far, they have a 3-4 season record, compared to the Steers' 4-2. Eldorado has scored 151 points to their opponents' 160, while Robert Lee has made 137 points to their opponents' 68.

Another interesting contest in District 9-A Friday night will see the two big powerhouses of the loop, Wall and Sonora, go up against each other.

Last Week's Results

Sonora 34, Robert Lee 0; Eldorado 3, Junction 0; Mason open; Wall 61, Menard 6.

This Friday's action will find Eldorado at Robert Lee; Junction open; Menard at Mason; Wall at Sonora.

COKE COUNTIANS ATTEND OES GRAND CHAPTER

Seven persons from Coke County attended Grand Chapter of the Order of the Eastern Star, held Oct. 16-20 in the Tarrant County Convention Center in Fort Worth.

Among the 5,716 members who attended the gathering were Mr. and Mrs. Gerald Allen, Mrs. Barton Waldrop and Mrs. Bobby Roberts all of Robert Lee; Mrs. Doyle Hubbard and Mr. and Mrs. Eddie Collins, all of Bronte.

Mr. and Mrs. James Curry of Mercury were guests of Mr. and Mrs. A. R. Palmer last Thursday. Sunday guests in the Palmer home were Mr. and Mrs. W. J. Palmer of San Angelo and Mr. and Mrs. John Palmer of Colorado City.

It will be a gala time in Robert Lee Friday afternoon and night, as ex-students, teachers and friends come back for annual homecoming.

Actually the celebration started Wednesday night when kids and adults alike held a pep rally and bonfire. Prizes were awarded for the biggest and neatest stacks of wood for the bonfire. Presented by the Student Council, first prize of \$10 went to the eighth grade; second prize of \$7 went to the freshman class; third prize of \$5 went to the sophomore class.

Friday afternoon activities will get underway with a parade, beginning at 3 p.m. The floats and other entries will assemble at the courthouse square and travel

from there to the school. The Robert Lee Steer Band will be a featured part of the parade. Prizes will also be awarded for the best floats.

Immediately following the parade, there will be a pep rally in the gym.

There will be no tea for exes, sponsored by the Beta Club, this year.

Highlight of the day's activities will come Friday night when the Robert Lee Steers meet the Eldorado Eagles on the local football field.

Colorful halftime activities will include crowning the Homecoming King and Queen. Four nominees for king are Alex Costilla, Bill Rowoldt, Randy Flanagan and Rudy Abalos; for queen are Sterling Allen, Debra Beal, Debra Hendry and Dee Anna Percifull.

B Team Loses; Dogies Take Win

By Ronnie Baker

The Robert Lee B team lost to San Angelo Lee, 12-7, in the contest played here last Thursday.

The B team played a good game for a half against the Rebels, leading them 7-0 at the half. But in the second half it was all San Angelo as they scored two touchdowns to make it 12-7.

Due to a light drizzle during the game there were numerous fumbles with Robert Lee coming out with the most recoveries. Jessie Costilla, James Beaty, Jessie Eads, Poly Abalos and Walter Flowers recovered fumbles for the B team.

The scoring was done by Poly Abalos with Doug Herford kicking the extra point.

Jr. High Powers Past Bronte
The Dogies came out a lot better as they simply downed the Bronte Shorthorns 18-0.

There never was a scoring threat from the Shorthorns, as Bobby Duncan, Barry Preston, Anthony Percifull, Shell Williams and Johnny Torres led the Dogie defense.

Two punt returns for TDs, one by Percifull for 25 yards and one by Torres for 80 yards, were the big things. Duncan scored on an end sweep for the other TD. Duncan intercepted a pass and Terry Sparks and Dallas Johnson recovered fumbles for the Dogies.

Cool Weather, Rain Come with Front

Soaking rains and low temperatures resulted from a cold front which moved into this area late last Wednesday. The cool air dropped the mercury into the low 50s.

Cold rain continued Thursday, Friday and Saturday, with clear skies, sunshine and high winds for Sunday.

Rainfall reported to the Observer over the west side of Coke County were as follows:

Lowell Roane, west of Robert Lee, 2.9 inches; Edith community, 4.2; Sanco and Silver, 4; J. W. Service Sr. to the north, 3.6; M. A. Cox, northeast 4.5; Dottie Childress, east, 2.5; Frank Percifull, southeast, 2.75; Bobby Baker, south, 4 inches.

Three reports received in the city limits said 2.6, 3.7 and 4.1 inches.

Cold, cloudy damp weather was on hand all day Wednesday.

Kirkland Funeral Held at Lubbock

James Vernon Kirkland, 59, of Lubbock died early Tuesday from an apparent heart attack. He was a relative of several Coke County residents.

Funeral services were held Thursday at 2 p.m. in Forest Heights Methodist Church in Lubbock, with burial in O'Donnell cemetery.

He is survived by his wife; one son, David Kirkland and one daughter, Margie, all of the home; two grandchildren; his mother, Mrs. Dovie Kirkland; two sisters, Mrs. Waldene Malone of Clovis, N. M., and Mrs. Jettie Stanford of Belen, N. M.; one brother, Charles Kirkland of Clovis.

Relatives attending from Robert Lee and Bronte were Mr. and Mrs. O. B. Jacobs, Mrs. Lowell Roane, Rupert, Carroll and Frank Robbins and Mrs. Helen Kirkland; also Mrs. Pamela Reed and Mrs. Leslie Dean Caperton of San Angelo and Mrs. Ollie Hogue of Bickwell.

Community Meeting Is Called

Sanco Community, Cemetery, and Tabernacle Associations are being called to meet at 7 p.m. Thursday of next week, Nov. 2, at the former school building in Sanco, to elect officers and to consider other important business.

This announcement was made by Ulmer Bird, longtime president of the three organizations, and Nolan Pentecost. The two men are on a committee named by several persons who have offered to make a considerable donation to a permanent fund, the interest or income from which would be applied annually to care for the cemetery and possibly the

buildings at Sanco.

Those offering to make the donations requested Bird and Pentecost to draw up a plan whereby an endowment fund might be established, administered and protected to aid in the future upkeep. A tentative plan will be submitted for action Thursday night.

Anyone who has made any donation of work or money in 1972, or with some regularity in past years is eligible to vote on the proposal, which is intended to set up the legal base for a non-profit, tax-deductible fund for the future.

A meeting which was called for

Homecoming in June, due to certain circumstances, was not held at that time, but planning along those lines has continued. Those calling the meeting next Thursday emphasized this is the time for everyone interested to become familiar with and express themselves on this proposition. Those offering the donations need to have the fund set up before the first of the year for income tax purposes. A resolution in the minutes is required to do this.

Everyone interested, whether actually at present a voting member or not, is invited to attend.

Austin — Competitive auto and homeowners insurance rating legislation failed to clear the special session, but Gov. Preston Smith claimed the gathering served a purpose.

Smith, disappointed at a logjam in conference committee on the session's windup night, declined to call lawmakers back to work as he had hinted he might. He said he and legislative leaders decided another session now would be fruitless.

The Governor announced he will make recommendations for "thorough reform" of the insurance regulatory system before he leaves office in January.

"I am hopeful," he said, "that because of the exposure and pub-

lic attention that this issue has received during the past 30 days, competitive rates and other insurance reforms can and will be approved."

He cited these accomplishments of the session in addition to those which had been wrapped up earlier.

* Establishment of a Texas Offshore Terminal Commission to define the role and responsibility of state government in developing a deep draft offshore port for supertankers.

* Relaxing of trailer and brake lighting requirements for trailers.

* An increase in funds by \$1 million for the Anderson County junior college occupational extension center.

* Defining the legal age at which both male and female youth offenders can be tried as adults.

* Appropriation of \$211,372 for a citrus and vegetable training center and improved beef production programs at Texas A&I University.

The Legislature also passed a bill to lower rates in the hurricane windstorm insurance pool for coastal areas. It petitioned Congress for an anti-busing amendment.

ALLOWABLE MAINTAINED — For the eighth straight month, the statewide oil allowable will be retained at 100 per cent for November.

Major oil buyers requested 3,753,055 barrels of crude daily next month, a decrease of 23,538 from the October record.

The East Texas field, where an 86 per cent production figure was set, is an exception to the 100 per cent allowable. So is Kelly-Snyder at 76 per cent, Tom O'Conner at 70 per cent and Big Wells at 80 per cent.

Only one of the 15 major crude buyers requested more oil next month than this month, while 11 asked the same amount and three asked less.

Texas crude stocks totalled 97.6 million barrels on Oct. 6, a decrease of 4.2 million from the October 1971 level.

DEATH PENALTY RESTORATION — A bill to restore the death penalty for certain cases of murder started too late to get through the Legislature in special session.

It was knocked out in both the House and Senate because it had not emerged from committees until the last 72 hours of the session.

The legislation sought to permit the death penalty (outlawed by the U. S. Supreme Court) in cases of atrocity murder, murder by hired assassins, murder of prison guards, intentional homi-

cide during kidnapping, rape, burglary, robbery or arson, murder of policeman or fireman and killings during prison escapes.

BUILDING SHIFT ORDERED — The State Highway Commission received firm advice from the Legislature to move the proposed site of its controversial new 11 story, \$20 million building.

Lawmakers said they don't want the building on the block across the street from the state capitol and governor's mansion.

AG OPINIONS — A school district may not sell land to a company in which a school trustee is interested, Atty. Gen. Crawford Martin said in a new opinion.

The same opinion stated a school district may not lawfully purchase supplies or services from a company in which a trustee owns nearly 10 per cent of the shares. The district can contract with a firm which receives its supplies from another in which a trustee owns an inappreciable number of shares.

In another opinion, Martin concluded election code provisions are applicable to water district elections where they are not inconsistent with special statutes controlling the district or the water code.

Short Snorts

Presidential candidate George McGovern received an exceptionally warm welcome to the Texas capitol during his last visit to Texas.

Efforts to raise hunting and fishing license fees failed in the House of Representatives. Another try will be made next year.

Sen. Wayne Connally of Floresville will head a national campaign for a constitutional convention to prohibit forced busing to achieve racial balance in public schools.

A \$48,000 national grant will help Texas A&M Agricultural Experimental Station finance a study of the gulf shrimp industry.

Sen. John Tower advised Texas farmers and ranchers who suffer crop, livestock or property losses from natural disaster since June 30 they may be eligible for federal assistance.

Sonora Stuns Steers, 34-0

The Observer, Robert Lee, Texas

Oct. 26, 1972

By Ronnie Baker

Devil's River Bandits, Red Hosses, Big Red, Broncos, State Champs and Sonora. They are called by many names, but whatever they are called, they are good, believe me. Whatever they are rated, they deserve it. It may sound like a brag on Sonora, but it's not; it's just the truth. It's to let you know that the Steers played the best in Class A football and lost 34-0. The Steers battled them as good as any team possibly could and the MAIN thing is the Steers didn't quit hitting. They are not quitters.

First Quarter

Sonora received the kickoff at their 5 and returned to their 23. They punched the Steer line for three 1st downs to the Steer 43. Then on 1st down the Sonora all-state halfback broke through the left side and with sheer speed went for a Bronco TD. The extras failed and Sonora had the lead, 6-0.

Sonora kicked off to the Steer 1

yard line and Abalos returned it to the 21. They Steers made 8 yards and were forced to punt. Johnny Wolfe punted a high good one to the Broncos 45 and the wall formed on the left side and they returned it all the way for another TD. The extras were good and it was 14-0.

The Broncos kicked off into the end zone and the ball was brought out to the 20. The Steers went to the air and Sonora intercepted at the 30 and returned to the Steer 21. Three plays later, they burst over again from the 12 for another TD. The extras failed and it was 20-0.

Sonora kicked off again to the goal line with Sockwell returning it to the Steer 32. Sonora held at the Steer 36 and Wolfe punted to the Bronco 31 with the ball dead at that point. Sonora made a 1st at their 41 as the first quarter ended.

Second Quarter

The Steers held and Sonora punted to the Steer 37. The Bron-

cos held and Wolfe punted to the Sonora 15. Sonora made a 1st down at the 25, then another at the 43, but then they lost yardage back to the 20. On the next series they fumbled and Alex Costilia recovered at the 21. The Steers moved to the Bronco 14 before they held and took over on downs.

The Steers held the Broncos for short yardage and they punted to the Steer 48 with Abalos returning to the Sonora 49. The Broncos held on downs at the 45. They drove for a 1st down at the Steer 20 where time ran out at the half.

Third Quarter

The Steers received the second half kickoff and returned it to their 27. Then they lost the ball on a fumble at the 35 where Sonora took over. The Broncos put it in from there on three 1st downs and scored from the 2 yard line. The extras were good and it was now 28-0.

Sonora kicked off to the Steer

7 with a return to the Steer 21. The Broncos held for no gain and Wolfe punted to the Bronco 36 with no return. The Broncos ran a couple up the middle and then unloaded a bomb for a 62 yard pass and run play. The extras failed and it was 34-0.

The Broncos kicked off to the Steer 5 with a return to the 24. The Sonora team held again and Wolfe punted to the 50 yard line. Sonora fumbled at the 50 and Harvey Wink recovered for the Steers. The Broncos held for no gain again and the Steers punted short and out of bounds at the Sonora 35. The Broncos moved to the 43 as the quarter ended.

Fourth Quarter

The Steers held on downs at the Bronco 41 but then the Broncos held on downs at their 36 yard line. Sonora made a couple of 1st downs and then the Steers held again at their 26. Sonora halted the Steers and Wolfe punted to the Robert Lee 44.

Sonora made a 1st at the Steer 31. Then Sid Burns intercepted a pass and on the return the ball was knocked loose and Sonora

had it again at the Steer 20. The Broncos attempted four passes to end the ball game.

Mrs. Owen Smith of Arlington and her aunt, Mrs. Naomi Brown of San Angelo, visited Tuesday in the home of Mr. and Mrs. Conrad Millican.

Rich Anderson is sure Texas doesn't need another Sharpstown scandal.

Rich Anderson believes the Sharpstown stock scandal occurred because elected state representatives allowed it to occur. These were men who, for reasons of favor, fear or carelessness, allowed their votes to be controlled by powerful committee chairmen and special interest groups.

In many sections of the state Texas voters have already determined to change the way the state's being run from Austin. "Power politics" and "power politicians" hopefully have had their day.

What about this district?

Rich Anderson believes this newly created district needs a strong new voice—not a hollow remnant from the past. Rich Anderson intends to be a straightforward, independent representative. His only campaign promise is to be a representative you'll be proud of.

Tastes Change

Times are constantly changing. Gone are the days when a businessman wouldn't be caught in anything but a dark suit, white shirt and dark tie. Gone are the days when the pea bean was America's favorite bean — what? You say you can't believe it?

Well — that's right — until 27 years ago, the pea bean was the most popular bean in the U.S. — perhaps because it was used in the making of baked beans, a favorite American dish.

But today, chili has become the nation's leading bean dish, and the pinto bean—a rosy, speckled bean preferred in the Southwest for chili—is now top bean in the U. S.

All dry beans are American favorites—whether they're Kidney beans, Limas, Great Northern, Pintos, Black-eyes, or split and whole peas. They are economical, versatile and a good source of iron and B vitamins (particularly thiamin).

Economical and nutritious dry beans will be plentiful this month so use them often in your menus. Trade sources predict that the

dry bean crop this year will be greater than last year. Crop predictions for the various types of dry beans range from a five per cent increase to almost double last year's harvest, making it clear that abundant stocks will be available.

One of the greatest assets of dry beans is their versatility. They can be served with other fare as an interesting side dish or can carry the entire load as the main dish. Here are some recipes which keep dry beans a continuing family favorite.

Curried Lima Beans and Pork Chops

- 1 cup large dry lima beans
- 2½ cups water
- 1 teaspoon salt
- 4 pork chops
- Salt, pepper, flour, fat
- ½ teaspoon curry powder
- ¼ cup catsup

Soak beans in the water. Add salt and boil gently 30 minutes. Drain, saving the cooking water. Sprinkle chops with salt, pepper and flour; brown in a little fat in heavy fry pan. Combine the beans with the curry powder and catsup in a baking dish and top with the browned chops. Rinse out drippings from fry pan with the cooking water from beans and pour this over the chops. Bake, covered, at 350 degrees (moderate oven) 45 to 60 minutes.

Makes 4 servings.

Bean and Cabbage Soup

This dish can precede main dish fare or become a meal in itself.

- 2 medium sized carrots, sliced.
 - ¼ cup chopped celery
 - 1 small onion, chopped
 - 3 cups meat stock
 - 2 cups cooked dry beans or lentils
 - 1 cup finely chopped cabbage
 - Salt, pepper, garlic salt
- Cook carrots, celery and onion in stock until almost tender — about 15 minutes. Add beans or lentils and cabbage and cook 5 minutes longer. Season to taste. Makes 4 servings. FOR AN ITALIAN STYLE SOUP: cook ½ cup spaghetti broken in 1 inch lengths with carrots, celery and onion. Sprinkle each serving with grated cheese.

Frontier Bean Dip

This is great for snacks and parties.

- 4 cups pinto beans
- 2 tablespoons Tabasco
- 1 teaspoon garlic salt
- 1 cup hot bacon fat
- 1 tablespoon Worcestershire sauce
- Juice of 1 lemon

Cook beans; drain. Heat bacon fat in large skillet. Add beans and fry, stirring constantly, until

lightly browned. Drain off surplus bacon fat. Mash the beans to a smooth consistency. Blend in remaining ingredients. Add salt and pepper if desired. Serve hot with corn chips or cheese crackers. Yield: about 6 cups dip.

HISTORICAL ASSOCIATION HAS MEETING AT BURNET

The 11th annual meeting of the Edwards Plateau Historical Association was held at Burnet recently, with President George Stoepler presiding.

The Early History of Burnet, a History of Fort Croghan and the story of the Mormon settlement in the area were given for the program.

After the noon meal, a business session was held. The 1973 meeting of the association will be held Oct. 6, 1973, at Eden.

Mr. and Mrs. Russell Zoet, Paula Jo and Gary of Houston were weekend guests of Mr. and Mrs. Otis Watson and other relatives in Robert Lee. Elmo Bell returned home with the Zoets Sunday and entered a Houston hospital for surgery on his nose. He expects to be a patient in the hospital for a week or 10 days.

Items of Interest From R-Lee BCD

Main topic of discussion at the Tuesday meeting of the BCD was on obtaining industry for Robert Lee and Coke County. It was brought out that such a program might be financed through the Rural Development Act just passed by the Legislature. Loans of 40 per cent may be available and, when combined with loans from other agencies, 100 per cent could be obtained. Roy Ford, Judge W. W. Thetford and Bill Allen were appointed on a committee to check into this matter.

Two guests and 15 members were present. Vice President Bill Allen presided.

Mr. and Mrs. A. J. Roe Jr. returned Wednesday from a two week trip to Denver, Colo., and other points of interest in Colorado. While in Denver, Mrs. Roe attended the National Association of Extension Agents meeting. They visited Mrs. Carl Money, former County Extension Agent in Sweetwater, in Greeley, and with Mr. and Mrs. M. T. Tilley in Lamar, Colo. Their daughter, Mrs. James E. Brown of Lubbock, returned home with them and was joined Friday by Mr. Brown. Other visitors in the Roe home were Mr. and Mrs. Tilley, Mr. and Mrs. Joe Slaton and Mrs. D. L. Roe of Abilene.
