

Band is No. 1 again

Dimmitt High School's Bobcat Band earned a Division I rating for the 23rd year in a row last Wednesday in the Region 16 UIL Band Marching Contest in Lubbock.

RALPH SMITH'S Bobcat Band was the only Class AA unit in the region to receive a unanimous Division I mark from all three judges.

Marching on the AstroTurf of Texas Tech's Jones Stadium, the Bobcat Band moved into eight different formations during its seven-minute show of precision drills.

While performing their drills, the 100 young bandmen

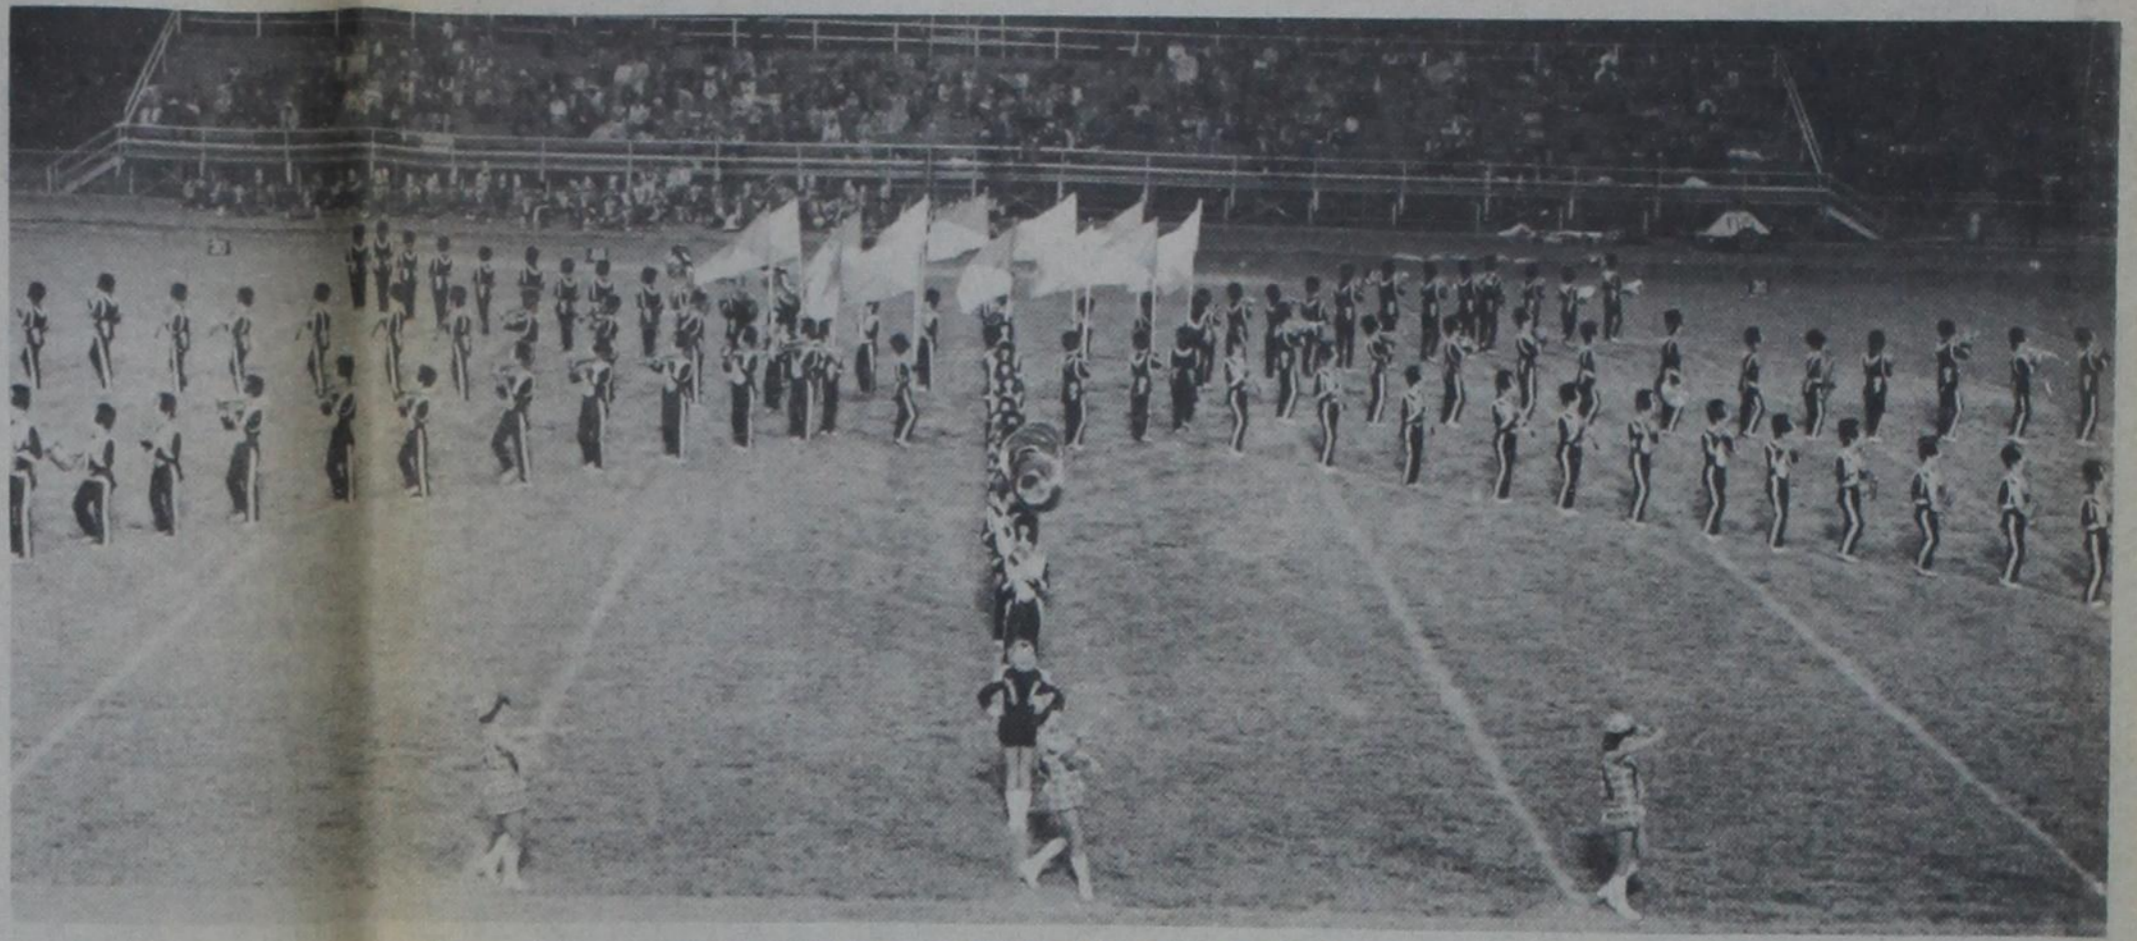

played excerpts from six march numbers—"Colonel Bogey," "So Nice," "I Wish You Love," "King Size," "National Emblem" and "Bye Bye Blues."

THE victorious band performed its regional contest routine during halftime of Friday night's Dimmitt-Friona football game.

Sixteen Class AA bands competed in the regional marching contest. The only other Class AA bands to earn Division I ratings were Littlefield's and Floydada's.

A Division I rating in marching is the first necessary step toward an annual Sweepstakes award in Interscholastic League band competition. A Division I ranking also is necessary in concert and sight-reading competition in the spring. The Bobcat Band has been a perennial Sweepstakes award winner.

IN INDIVIDUAL events, Dimmitt twirler Debbie Muddock received a Division I rating in solo twirling for the second year in a row, and twirlers Melissa Moore and Carla King earned Division II ratings.

Big football games on tap Friday night

Dimmitt's Bobcats and Hart's Longhorns will go in two directions Friday night in search of Mustangs and trophies.

THE LONGHORNS, who have already cinched a trip into the playoffs, could avoid a tie with Vega and win the District 3-A championship outright with a victory over Bovina's Mustangs. Kickoff time will be at 7:30 Friday at Bovina.

With a sparkling 8-1 record, the Longhorns are undefeated in conference play. But Bovina (5-3-1), which is out of the district race with losses to Springlake and Vega, is a respected team that could still deal misery to Hart's hopes of an outright championship.

So Coach Lonnie Phillips and his Longhorns can't look ahead to the playoffs yet. It wouldn't do them any good anyway, since the District 4-A race is in a turmoil and they won't know who their bi-district opponent will be until after Friday night. It could be Petersburg, New Deal or Crosbyton.

THE BOBCATS could throw the District 3-AA championship

race into a three-way tie by upsetting their old nemesis, the Olton Mustangs, Friday night at Olton.

The Mustangs, with virtually the same squad that won the bi-district championship last year, were understandably picked to repeat as the District 4-AA title team this season. They've been living up to their advance billing, and are undefeated in district play.

Coach Bobby King's young Bobcats, meanwhile, were picked to finish in the district cellar. But they're already assured of at least third place with victories over Morton and Friona. Their only conference loss has been to Littlefield, which suffered its first loss of the year Friday night at the hands of Olton.

IT TAKES three words to adequately describe the Mustangs—powerful, balanced, versatile. Paced by fullback Glen Johnson (South Plains Player of the Year last season) and quarterback Jimmy Parker—one of the most versatile field generals on any team, any

Miss Parker wins trip to Washington

Annita Parker will be Dimmitt's delegate to the Presidential Classroom for Young Americans this year in Washington, D.C.

SHE WILL spend a week in the nation's capital in February in an intensive study of federal government operations, conducted by government officials, news media representatives and non-government experts in various fields.

The cost of her trip will be underwritten by school organizations, civic/service clubs and the United Way.

In turn, during the coming year she will report to local classes and clubs on the information gained in the Presidential Classroom.

MISS PARKER was elected by the D.H.S. faculty from a list of juniors nominated on the basis of proven scholarship, citizenship and leadership abilities.

The daughter of Mr. and Mrs. Ronnie Parker, she is in the National Honor Society, vice-president of the Lyre Club, and a member of FHA, Bobcat Band and varsity girls' basketball squad.

There has been an abundance of news recently from the local to national level. The most important happening, probably, was the shake-up in the president's cabinet and reshuffling of high-level government officials. Unlike President Truman who, when making a change in his official family, would call in the incumbent and tell him pointblank, "You're fired," in the recent firings President Ford leaked the information to the press through reliable sources, which proved to be somewhat of a departure from his established straight-forward, honest country-boy style.

There's nothing wrong with ambition. Everybody should have some. But after a reasonable effort, an honest effort, we should be satisfied with what we've got.

Apparently Governor Briscoe has joined the president in pushing for higher energy prices. He, too, believes higher prices is the best way to increase the fuel supply. It is the farmer's responsibility to see that the people are supplied with food and fibre, and they do it year after year without knowing or having any say over what they will get for their product, but the supply has always been plentiful. Unlike the farmers of the nation, the oil and gas companies, in effect, say we get higher prices or there will be a shortage and some of the people will suffer from the cold this winter. The implication is that higher prices will produce an abundance of fuel, which would indicate that the oil companies are not as

'Career night' set for students Monday

Dimmitt High School will host "career night" for area high school students Monday night, starting at 7 o'clock.

REPRESENTATIVES of colleges, universities, vocational

Bicentennial meeting set

Linda Maxwell, general chairman of the Dimmitt Bicentennial Committee, encourages every club, group, church, service organization, and interested individual to attend the Bicentennial planning session to be held Tuesday at 7:30 p.m. in the city hall council room.

PURPOSE of the meeting is to generate interest in Bicentennial projects and to coordinate the efforts of different groups.

"We want people who are representative of every area of the life of our community, from elementary kids to members of the different ethnic groups," Mrs. Maxwell said. "We also want to have participation from the merchants and businesses in town."

schools and all branches of the military will be on hand to tell students about their course offerings, training programs, tuition costs, etc.

DHS Counselor Kenneth Ringo, who is coordinating the annual college and vocational school night, said all area high school students and their parents are invited to attend.

There will be three sessions of 30 minutes each, so students will need to decide which three schools they want to interview, Ringo said.

SCHOOLS that will be represented include Lubbock Christian College, West Texas State University, Amarillo College, Hardin-Simmons University, Texas Tech University, Abilene Christian College, South Plains College, McMurry College, Clarendon College, Plains Memorial Hospital School of Vocational Nursing, Southwestern Business College of Plainview, Texas State Technical Institute of Amarillo and Northwest Texas Hospital School of Nursing in Amarillo, plus all branches of the military.

JUDGE WELDON BRADLEY CONGRATULATES 4-H GOLD STAR WINNERS
... Cinde Sides and Matt Howell, both of Bethel 4-H Club

4-H award winners named

Cinde Sides and Matt Howell, both members of the Bethel 4-H Club, were announced as Castro County's Gold Star 4-H Girl and Boy at the annual 4-H Awards Banquet Saturday night.

THEY RECEIVED plaques from County Judge Weldon Bradley, who made the announcement.

The Gold Star Award is the highest honor a 4-H'er can receive at the county level. Miss Sides' and Howell's records are automatically entered for district Gold Star honors.

Miss Sides is the daughter of Mr. and Mrs. George Sides. Howell is the son of Mr. and Mrs. Jack Howell.

4-H'ERS received 86 medals, pins and certificates for their achievements in 25 different 4-H programs during Saturday night's banquet in the County Expo Center. Thirty-eight adult leaders also were honored, and County Extension Agents Irene Keating and Charles Hottel were given a standing ovation by 4-H'ers and adults for their work in the youth training program.

Hottel presented Club Certificates for outstanding achievement to the Bethel 4-H Club (red award), the Happy Helpers 4-H Club (purple award) and the Nazareth 4-H Club (purple award).

Three special awards were presented by Mrs. Keating.

H. A. Morris dies Thursday

Henry Alford Morris, 89, a resident of South Hills Manor, died at 10:15 p.m. last Thursday after a lengthy illness. He was the father of Mrs. Bobbie Webb of Dimmitt.

FUNERAL services were held at 3 p.m. Saturday in the First Baptist Church of Silverton, with Rev. Charles Higgs of Dimmitt and Earl Campbell, minister of the Rock Creek Church of Christ, officiating.

Burial was in the Silverton Cemetery, under the direction of Silverton Funeral Home.

A native of Gainesville, Mr. Morris married Mamie Mosley Feb. 14, 1905, in Tioga. His wife died in 1969.

They were:

—PLAINS Key Awards for outstanding 4-H leadership by a boy and girl—Elaine and Bernard Acker, Nazareth 4-H Club.

—"I Dare You" Award for leadership qualities—Cinde Sides of the Bethel 4-H Club and Norman Acker of the Nazareth 4-H Club.

—Foley Award for outstanding 4-H'er in the foods program—Cinde Sides of Bethel.

Mahon will speak at WA dedication

Saturday, Nov. 22 has been set as the date for the grand opening and dedication of Western Ammonia's new plant addition here.

CONGRESSMAN George Mahon will deliver the official dedication speech.

The day's events will be co-hosted by the Western Ammonia Division of Goodpasture, Inc., and by the Dimmitt Chamber of Commerce.

Refreshments and tours of the modern plant will begin at 10 a.m. A barbecue lunch will be served at noon, and the dedication ceremony will begin at 1 p.m.

LOCAL, state and national figures, as well as industry representatives and news media

presented the pins, medals and certificates for individual program achievement.

IN ANNOUNCING Miss Sides as this year's Gold Star 4-H Girl, Judge Bradley said:

"The 1975 Gold Star Girl has been in 4-H club work for five years and has been very active in the club, county and district."

"She has been very active in numerous 4-H projects, includ-

Sunnyside to host festival Saturday

The Sunnyside community will host a harvest festival for all residents of the area Saturday from 6 to 8 p.m.

A THANKSGIVING supper with home-grown vegetables and homemade salads and desserts will be served in the Sunnyside Community Building.

No charge will be made for the supper, although donations will be accepted to help with payments on the community building.

J. L. Dowty's rites are held

Funeral services were conducted Monday afternoon for James Louis Dowty, 78, a resident of Dimmitt for 37 years.

MR. DOWTY died Sunday at 9:45 a.m. in Plains Memorial Hospital.

Last rites were conducted at the Bedford Street Church of Christ. Officiating were Mr. Dowty's grandson, David Harp of Abernathy, and Viggo Ulrich, minister of the local church.

A retired farmer, Mr. Dowty was born in 1896 in Arkansas. He married Martha Finney in Olton in 1927, and the family moved to the Sunnyside community in 1938. He farmed at Sunnyside until 1952, when he retired from farming and moved in to Dimmitt.

HE IS survived by his wife, Martha; four daughters, Mrs. Elbert Harp of Abernathy, Mrs. Charles Heck of Nazareth, Mrs. Richard Moore of Dimmitt and Mrs. Bob Henley of Lubbock; four sons, David of Dover, Del., Jim of Dumas, Ed of Hartley and Frank of Amarillo; 25 grandchildren, and five great-grandchildren.

Palbearers were Lonnie Bell, Winston Waggoner, Trellis Summers, Elbert Summers, Claude Millsap and John Gilbreath.

NEW FLAGPOLES—Members of Castro Memorial Post 8056, Veterans of Foreign Wars, erected these two new flagpoles in front of the courthouse Saturday while hosting the district VFW convention here. The new 43-ft. poles, slightly shorter than the courthouse pole for the American flag, will hold the Texas and Bicentennial flags. One was financed by the VFW post and the other by the county. On hand for the completion of the project were [from left] Past VFW Department Commander Clyde Hall and his wife,

Juanita, of Lubbock; Joe Crawford of Amarillo VFW Post 1475; District VFW Auxiliary President Dorothy Gauden of Canyon; Sylvia Stubblefield of the local VFW Auxiliary; Senior Vice-Commander Ted Stubblefield, who made the flagpoles; local VFW Auxiliary President Florene Leinen, who is the heritage chairman for the Dimmitt Bicentennial Committee; Herman Acker, who constructed the concrete piers; District VFW Commander Paul Guerra of Plainview; and local VFW Commander Harry Hauf.

The Marvels of God's Creations. WHY DO FISH LIVE IN WATER? We can answer this question partially by saying: that their lungs were created to draw oxygen from the water. However, to know how and why, we must look to God's word. 'In the beginning God created the heaven and the earth.'... 'And God said, let the waters bring forth abundantly the moving creature that hath life...' Attend Church and worship the one who created these marvels. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Milo team in Europe

A four-man grain sorghum sales team, sponsored by the US Feed Grains Council, has begun three weeks of European seminars promoting the use of US No. 2 yellow sorghum.

THE TEAM left Texas Nov. 1, and is expected to make stops in England, Spain, Holland, Germany, Switzerland, Yugoslavia and Poland.

USSR Deputy Minister of Agriculture Boris Runov has extended an invitation to the team to make presentations in Moscow also, before returning to the US on Nov. 26.

Team members are Elbert Harp of Abernathy, executive director of Grain Sorghum Producers Association and Texas Grain Sorghum Producers Board; Jack King of Lubbock, GSPA-TGSPB research director; John Baumgardner, animal

nutrition specialist from Texas Tech University; and Dr. Lloyd Rooney, cereal chemist from Texas A&M.

THE SEMINARS will focus on countering the poor image which sorghum has in some countries because of its tannic acid content. US No. 2 yellow sorghum is very low in tannin, compared with bird-resistant sorghums in other countries.

The US Feed Grains Council is a cooperative effort of private enterprise and the US government, dedicated to expansion of foreign markets for US agricultural products. The council operates out of its Washington, D. C. Headquarters and 12 foreign offices located around the world.

EPA regulations may cause delays

Lengthy environmental assessment reports may soon be called for by the Environmental Protection Agency before certain new agricultural and industrial operations can be constructed.

An agricultural engineer in waste management with the Texas Agricultural Extension Service says that the proposed EPA regulations would subject new feedlots and certain other agricultural "point sources" to the Environmental Impact Statement (EIS) Program established under the National Environmental Policy Act of 1969.

Bicentennial Farm Feature

Almanacs Were Popular Farm Information Source

Two books shaped the lives of Colonial farmers. One, of course, was the Bible. The other book, although not as highly revered, was certainly respected and considered quite indispensable. It was the farmers' almanac.

Prior to the Civil War, few farmers gleaned any information about agriculture from the printed page. Many were illiterate. Most of those who could read and write were content with the simple wisdom found in almanacs. Books, memoirs of agricultural societies and farm periodicals were read only by gentlemen farmers. Most tillers of the soil considered "book farming" purely theoretical and hence impractical.

The almanac was by far the most important means of disseminating information on agriculture. It was the literate farm family's newspaper, radio, TV and magazine rolled into one. Many families stitched the annual editions together, and hung them on a nail by the fireplace. These were sometimes preserved in unbroken sequence for 50 years or more. Needless to say, no well brought up farm child would destroy or mutilate an almanac. To do so would be an unpardonable act of vandalism.

Not only did the almanac serve as the farmer's weather reporter, moral guide and practical advisor, it served also the function of notebook, diary and account book. Blank pages and margins were covered with notes and comments, some of which no doubt could only be deciphered by the writer himself.

For example, a copy of Conrad's Agricultural Almanac for the year 1825 contains these notes: "First Month, 5th. Bought boar pig of John Pascal, 4 weeks old, 1 dollar. Fourth Month, 12th. Finish sowing oats. Hired Josiah Webster for one month at 9 dollars. Sixth Month, 27th. Cradled wheat, 32 bushels on one acre and one half. Eighth Month, 8th. Cart rim came off."

The earliest almanac published in America was originally issued by William Price at Cambridge, Massachusetts, in 1639. Comparatively few almanacs were distributed, however, until after 1732 when Benjamin Franklin began publication of his "Poor Richard's Almanac." This was the most famous almanac, and became next to the Bible, the most widely quoted publication in America.

In later years, Franklin told how he had started this book which was a milestone of American history and agriculture. "In 1732 I first published my Almanac, under the name of Richard Saunders; it was continued by me about twenty-five years (1732-1757) and was commonly called Poor Richard's Almanac. I endeavored to make it both entertaining and useful and accordingly it came to be in such demand that I reaped considerable profit from it, yielding near ten thousand."

It was generally read, scarce any neighborhood in the province being without it."

Some of Poor Richard's more pithy sayings were:

"The worst wheel of the cart makes the most noise."

"If you know how to spend less than what you get, you have the philosopher's stone that turns iron to gold."

"Keep your eyes wide open before marriage, half shut afterward."

"Poor Richard's Almanac" was succeeded by "Poor Richard Improved", which was published from 1757 until 1773. It devoted space to such items as "For a foundered horse", and "Easy methods of increasing the milk of cows". Many of these were bits of experience contributed by subscribers.

The weather forecasts in all almanacs were a mixture of whimsy and hocus pocus, and usually more entertaining than enlightening. Statements like, "It may gather up for a storm today," or "It looks like rain but there probably will be none," were common. One almanac, with pungent humor, states, "This year the sun will repeatedly rise before many people leave their beds and set before they have done a day's work."

After the Civil War, literacy and printing presses spread rapidly through America. Farm papers and country journals were more widely read. This competition for the reader's attention was more than most of the almanac publishers could withstand, and so they turned to other endeavors.

TOTAL insulation can cut down as much as 75 percent of a home's total heat loss. Partial insulation in an older home can save up to 30 percent, according to Mrs. Patricia Seaman, man, housing and home furnishings specialist with the Texas Agricultural Extension Service.

Good crowd attends World Community Day service

By MRS. AGNES BROCKMAN

The Catholic Daughters of America sponsored World Community Day last Friday. Rev. Father Stanley gave a short talk on "Where are the Seeds of Hope in our World Today?" and Rev. Marvin Rorark, pastor of the First United Methodist Church of Dimmitt, spoke on "The Parable of the Great Banquet." There was a nice crowd from Dimmitt and Nazareth present.

THE CHRISTIAN Mothers held their monthly meeting Monday night. A program was put on by Kern Plumbing and Electric. Slides were shown of safety in the home, and demonstrations of electric appliances were shown and explained by the boys working with Kern Plumbing and Electric.

Marsh Lake and Debra Taylor of Farmington, N.M. visited with the Kerns and Warrens over the weekend.

Lena Josephine, baby of the Paul Durbins, was baptized Sunday, Oct. 26 by Rev. Father Stanley. Mr. and Mrs. Vincent Guggemos were the sponsors. The little one has six brothers and two sisters.

Mrs. Flo Backus and Helen Backus went to Hereford Wednesday to visit with relatives and friends.

THE FRANCIS Backus family spent Sunday in Nazareth with Helen Backus and the Leonard Gerbers.

Mr. and Mrs. Lon Brockman went to Denver City to visit their son Gerald and family, then on to Midland to see the Vick Brockmans.

On Saturday Cub Scoutmaster Alphonse Huseman, den mothers Joan Durbin and Georgian Kleman took the Cub Scouts Lonny Huseman, Billy Huseman, Douglas Huseman, Francis Kern, Val Hatla, Kenneth Kleman, Marlan and Wade Durbin, Gary Verkamp, Den Chiefs Michael and Jimmy Kern to Plainview to the Scout-O-Rama. They won a blue ribbon for proficiency on their display of the town of Nazareth.

KATIE HUSEMAN went to London, Texas with Mr. and Mrs. Urban Huseman for a visit with Mr. and Mrs. Lee Meeks and Julian Huseman.

Cornelia Annen returned last week after spending three weeks with relatives in Hemingford, Nebr. and Manville, Wyo.

Mr. and Mrs. John Schuchert of Bentonville, Ark. spent several days in Nazareth visiting her sister Mrs. August Huseman and her brothers

Cotton growers urged to contact local ASCS office

Cotton producers on the High Plains are being advised to contact without delay their county ASCS office to discuss the disaster section and other provisions and regulations of the current farm program as they relate to low yields from the 1975 crop.

THE ADVICE comes from Donald Johnson, executive vice-president of Plains Cotton Growers, Inc. PCG is the 25-county High Plains organization responsible for the section of the law which provides supplemental income to partially offset crop losses or extremely low yields that result from conditions beyond producer control.

Also, there is provision for a weather adjustment in production records used for 1975 by ASCS to establish each farm's future payment yields. However, neither disaster payments nor yield adjustments are automatic, Johnson warns producers.

"Producers must make application at their county offices for a yield adjustment and/or payment," he states, "and the application must be made no later than 15 days after completion of harvest."

JOHNSON points out that it is not necessary for producers to complete ginning and have production records in hand before applying to ASCS for low yield consideration.

"The application form can be filled out any time between now and 15 days after harvest and production figures supplied later, at which time the final eligibility determination will be made," he said.

More than 33 million 4-H alumni continue to live the 4-H motto: To Make the Best Better.

Raymond Annen, also here, and Frank Annen in Hereford.

THE KNIGHTS of Columbus sponsored a Steak Out Saturday with the proceeds to go for the Nazareth Swift Band. Sev-

eral articles were also raffled off and the winners were Lonnie Huseman, who won a painted picture; Mrs. Robert Huseman, an afghan; and Joe Carver of Dimmitt, the macramé. The committee would

like to thank all for coming and all those who helped in any way.

Cornelia Annen visited with Mr. and Mrs. Frank Annen in Hereford Monday. Mr. and Mrs. Raymond An-

nen, Mr. and Mrs. John Schuchert and Cornelia Annen had supper with the Larry Spencers in Amarillo Tuesday evening.

Mr. and Mrs. Vincent Pohlmeier spent the weekend in

Paris, Ark. with their son Tom and family.

GOING TO Lawrence, Nebr. for the 60th wedding anniversary of the Bill Hoeltings from here were the Greg Hoeltings,

Florence Albrachts, Philip Pohlmeiers and son Bob, Paul Pohlmeier, Max Acker, Ed Hoelting, the Herman Birkenfelds, the Leroy Pohlmeiers, the Randy Schillings, and Ernie and Arnold Brockmans.

Mr. and Mrs. Cyril Brockman spent the weekend in New Mexico.

The Gene Schachers of Lazbuddie spent Sunday visiting Rose Birkenfeld and the Florence Schachers.

Cage; season is here; outlook good for locals

Now, what is Coach Kenneth Cleveland going to do for an encore?

HE'S GOING to put a team of tall, talented juniors and seniors on the floor and play the new season the same way he did last year's historic one—one game at a time.

The defending state champions will get their first outside competition Saturday morning when they travel to Amarillo to scrimmage the Sandies at 10 o'clock in the AHS gym on Bell Avenue.

The 1975-76 season will officially get underway Tuesday night when Dimmitt hosts Hartley in a full slate of four games in the Middle School gym. The night's card will feature the junior varsity girls at 4 p.m., the jayvee boys at 5:30, the varsity girls at 6:30 and the varsity boys at 8.

IT WILL be the first of five home bouts for the Bobcats and Bobbies before they have to go on the road.

Starting for the Bobcats in Tuesday night's season opener will be all-state forward Jim Birdwell, 6-1 senior, 6-3 junior forward Keith Crum, 6-4 senior Danny Vaughan at post forward, and 5-11 junior Johnny Hampton and 6-1 junior Jerry Schaeffer at the guard spots.

Birdwell is the only returning starter from last year's state championship team that posted a 35-3 record. However, Hampton was the state champions' sixth man last year as a sophomore, and has earned so much experience under pressure that he's expected to be the team's floor leader this season.

OTHER varsity squad members—many of whom will see a lot of action, Cleveland said—are 5-10 junior guard Brad Glenn, 5-9 junior guard Brad DuLaney, 6-1 junior forward Gary Nutt, 6-0 senior post forward Mark Merritt, 5-9 sophomore guard Thompson Mayberry, 6-0 senior guard Hal Miller, 5-10 senior guard Kyle Touch-

stone, 6-0 senior forward Thomas McGuire, and 5-10 senior guard Kris Dowell.

"Several sophomores are looking pretty good, too—especially Jim Bradford, Rocky Rawls and Jeff Bell—and we may move them up to the varsity later," Cleveland said.

THE BOBBIES will start the new season with an experienced crew of nine girls who lettered last year. They are senior forwards Kathy Wales and Debbie Murdock, senior guards Kerry Broderson and Marla Winders, junior forwards Beth Cleveland, Joyce Wooten and Linda Wise, and junior guards Mel Nelson and Nita Parker.

Other girls on Coach Sam Nichols' varsity squad are senior transfer Cathy Thomas, junior forwards Sandra Tischler and Brenda Underwood, and junior guard Ola Fay McLaughlin.

Nichols hasn't named a starting lineup yet for Tuesday

night's season opener.

HART WILL open its varsity basketball season Tuesday night at Littlefield, with the girls playing at 6:30. Coach Larry Cole has canceled the Longhorns' scheduled opener against Littlefield since nearly all the boys on the varsity squad are also on the football team, which will go into the playoffs next week.

COACH WES Poarch's Longhornettes are one of the few fem teams in the country with all of last year's starters back. They are forwards LaDonna Hart (all-district), Dana McLain and Rhonda Rowland, and guards Sharla Carson (all-district), Bobbie Washington and Pat Smith.

Other returnees who earned letters last year are guards Teri King and Karen Foster, and forwards Jana Mapp and Mary Lu Mancias.

NAZARETH'S Swifts will op-

en their season by hosting Hartley Friday night, although the girls' team already has played two games.

After playing Friday night, the Swiftettes will go to the Wayland Basketball Clinic Saturday, then both the boys' and girls' teams will travel to Muleshoe Tuesday night.

The Swiftettes, defending bi-district champions, have a new coach this year. She's Kathy Wilson, who was an all-stater at Petersburg and a standout for four years for the Wayland Flying Queens.

THE SWIFTS also are under the tutelage of a new coach—Buddy Birks, a Snyder native and Texas Tech graduate.

Only two boys return from last year's Swift squad, although both were starters last season. They are all-district post forward Norman Acker and senior forward Darrell Huseman. They're joined on the varsity crew this year by forwards Derwin Huseman and Danny Gerber, postman Royce Huseman and guard Rudy Bermea.

Store fresh turkey in the refrigerator no longer than two days before cooking, advises Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service.

Freshmen play 6-6 tie

A tie really IS like kissing your sister, Dimmitt High School's freshmen learned last Thursday at New Deal.

THE FRESHMAN Bobcats are still unbeaten, but they had to settle for a 6-6 tie with the young Lions after having several drives thwarted by untimely fumbles.

The tie brought the freshmen's record to 8-0-1 for the year, with one game remaining.

New Deal was only the third team to score on Dimmitt's freshmen in nine games. Coach Larry McMinn's classy freshman crew has given up only 24 points to opponents this year.

New Deal drew first blood in the second quarter after recovering one of six Dimmitt fumbles and driving 40 yards for the score. The point-after attempt failed, and the Dimmitt freshmen found themselves having to play catch-up for only the second time this year.

IT APPEARED Dimmitt was on its way to a touchdown in the third period, but a fumble on the New Deal 2-yard line

halted the drive. Finally, early in the fourth quarter, Chris Fry took a pass from quarterback Randy Roberts and raced to the end zone for Dimmitt's touchdown. The scoring play covered 40 yards. Dimmitt's try for a two-point conversion was inches short.

Dimmitt's offense was hampered by having to play without starting fullback Joe Arce and regular halfback Jack Stewart.

Tailback Eloy Gonzales paced Dimmitt's offense. Top defensive linemen were end David Patterson and tackles Randy Hunter and Danny Reyes. Coach McMinn praised the play of Dimmitt's entire defensive secondary—Dennis Veals, Eloy Gonzales and Johnny Merritt.

The freshmen will close out their season today (Thursday) when they travel to Lockney for a 5 o'clock game.

AGENCIES OF THE
DIMMITT UNITED WAY, INC.

- Dimmitt Little Dribblers**
A program to give young boys their first organized team-basketball experience, with a round-robin season schedule and a championship tournament. Local all-star teams in two age divisions represent Dimmitt in the district tournament, with a chance to advance to the National Little Dribblers Tournament in Loveland. All coaches, referees and league officials are volunteers.
- Boy Scouts of America**
An educational program serving boys from first grade through high school, in Cub Scout and Webelos dens and Boy Scout troops. Teaches personal fitness, spiritual awareness and citizenship training. Camping facilities are provided at Post and Silverton, Texas, and Tres Ritos, N.M. Almost 200 boys are enrolled in Cub Scout, Webelos and Boy Scout programs in Dimmitt.
- Presidential Classroom for Young Americans**
A unique opportunity for a Dimmitt High School junior to attend an intensive seminar each spring in Washington, D.C., to learn—from government officials themselves—how the different branches and agencies of the federal government operate. The delegate, chosen on the basis of grades and leadership, reports to classmates and community during his or her senior year on the lessons learned in the Presidential Classroom.
- American Field Service**
"Walk together, talk together, all ye people of the earth—then and only then shall we have peace." The AFS program seeks to attain this goal of international understanding through the exchange of students among nations. Dimmitt has hosted a foreign exchange student almost every year since 1960.
- Texas Girls' Basketball, Inc.**
An organized program that encourages physical activity and teamwork for young girls who are interested in basketball. After playing a local season schedule, an all-star team is chosen to represent the community in the playoffs, with the opportunity to advance to the Texas Girls' Basketball Championship Tournament.
- Salvation Army**
The work of the Salvation Army in Dimmitt includes such services as temporary assistance to families, shoes and clothing for needy children, meals for transients, camps for underprivileged, home and hospital for unwed mothers, and the all-important service of disaster relief when needed. The local program is administered by the Salvation Army Service Committee, made up of county officials and community leaders.
- Babe Ruth and Little League Baseball**
Administered by the Dimmitt Baseball Commission, these junior baseball programs give boys from age 8 through 18 the chance to learn and play "the great American game." Dimmitt has made significant advances in boys' baseball in recent years, and our modern baseball parks—built with voluntary donations and labor—are used increasingly for area and district tournaments. The Minor League, Little League, Junior Babe Ruth League and Senior Babe Ruth League serve more than 200 Dimmitt area boys.
- Satellite Training and Work Center**
This program provides training right here at home for the retarded children of our community. The program is a joint venture of the community and the Amarillo State Center for Human Development. Ultimate goal of the program is to train our retarded youngsters to become wholly or partially self-supporting so that they can lead useful, dignified lives as contributing members of our society.

Dimmitt 8th wins by 18-0

Dimmitt's eighth grade griders struck three times in the final quarter to shut out Littlefield, 18-0, last week.

THE VICTORY in the season's final game left the eighth grade team with a respectable record of five wins and three losses.

Tailback Jimmy Stewart scored all three of Dimmitt's touchdowns off right tackle, with Gary Don Malone and Joe Barrios opening the hole and fullback Norris Cole and halfback Donald Ewing providing the lead blocks.

Dimmitt's first TD came when Stewart raced nine yards into the end zone to cap a 70-yard scoring drive.

DIMMITT's defense held Littlefield on downs, then as soon as the Bobcats took over, Stewart raced 55 yards on first down for his second TD.

The third TD was a repeat act—Littlefield tried three plays, punted, then on first down Stewart broke off right tackle again and raced 50 yards to make it 18-0.

"We should have had another touchdown in the second quarter," Coach Jerry Durham said, "but we fumbled half a yard from the goal line just before the half."

DURHAM lauded the offensive play of Stewart, Cole and quarterback Matt Gilbreath. He also praised his entire defensive unit, which was paced by Joe Barrios at left tackle. Dimmitt's eighth grade defense gave up only one first down in the final two games.

More about Football games . . .

[Continued from Page 1] class—the Mustangs have scored at least 25 points every outing.

Olton runs right at its opponents with a powerful ground attack fronted by a big, quick, strong line. But when he takes the notion, Parker can also wing the ball, and he has two of the finest receivers in the district in Mark Strobel and Mike Franks.

The Mustangs don't have much use for extra-point kicks. Their murderous conversion run—a wide-ranging option play spearheaded by Parker and Johnson—usually succeeds in tacking two extra points on the board.

DIMMITT will be ranked as the underdog Friday, and the point spread is likely to reach three touchdowns or more in coffee shops around the district. But the Bobcats play a good brand of football and have proven their ability to carry the fight to bigger, more experienced foes.

And after all, football is a game in which anything is possible. You could check it out with the Kansas Jayhawks.

Home butchering program planned in Expo Center

Consumers have always known that it is more economical to buy meat a half or so at a time, but now more people are interested in saving the cost of processing also—often 15 to 20 cents per pound.

TO LEARN how to slaughter, cut up, package and freeze your own meat, attend the home slaughtering program at 1 p.m. Tuesday in the County Exposition Center.

Woodrow Bailey, Extension specialist in livestock and meat, will demonstrate how to slaughter and dress small calves, hogs and lambs, as well as proper chilling, processing, etc.

The program is sponsored by the County Program Building Executive Committee and the Agricultural Extension Service and is open to everyone who is interested. There is no charge.

"She has been president of her club, treasurer of 4-H junior leaders and is currently 4-H Council chairman."

IN PRESENTING Howell with the Gold Star Boy award, Judge Bradley said:

"Matt is president of the Bethel 4-H Club and has been active in 4-H for six years. He is past president of the Castro County 4-H Horse Club. He helped organize the Six County Horse Association."

"He was a district winner in this year's District I Horse Show and placed third in the State Horse Show. Matt also represented Texas at the Southern Regional Horse Show this year at Jackson, Miss."

"His other projects have been livestock, rifle, rockets, and junior leadership."

THE BANQUET menu featured pit-barbecued lamb, prepared by Edd McLeRoy with the help of the County 4-H Council and Junior Leaders.

SOME PARENTS were discussing their overcrowded neighborhood schools.

"In our school," said one, "it's so bad the kids have to take turns being absent."

'Family tree' help will be offered here

The Castro County Genealogical Society will have a member in Rhoads Memorial Library Wednesday from 2 to 6 p.m. to help anyone interested in genealogy to start a "family tree" search or fill in family sheets.

Census rolls on microfilm are also available on a limited basis, and how to use the library's viewer will be demonstrated if desired.

REGULAR meeting of the society will be next Thursday at 6 p.m., and is open to the public.

New members are always welcome. Annual dues are \$5, which are used to put more materials in the library. You do not have to be a member to use the materials that are available.

Seventh grade ends with win

Dimmitt's seventh grade ended its season on a winning note last week, defeating Littlefield, 8-6, at Littlefield.

TRAILING 0-6 at halftime, Dimmitt came back in the second half with a 60-yard scoring drive. Tailback Monty Roberts set up the touchdown with a 15-yard run to the Littlefield 5, then carried the ball into the end zone on the next play to tie the score at 6-6. Adrian Stanton scored the two-point conversion that made the difference for Dimmitt.

The victory gave the Dimmitt seventh graders a season record of two wins, five losses and a tie.

Coach Larry Birdwell praised the offensive play of center Tirso Carillo and the entire backfield—tailback Monty Roberts, halfback Adrian Stanton, fullback Danny Underwood and quarterback Terry Mixon.

On defense, standouts were Monty Roberts, Danny Underwood, Todd Touchstone, Bobby Crozier and Clemente Olvera.

City reschedules Friday's meeting

A special meeting of Dimmitt's city commission, originally scheduled for 6:30 p.m. Friday, has been re-scheduled for 1 p.m. to avoid a conflict with Friday night's Dimmitt-Olton football game at Olton.

ITEMS on the agenda of the called meeting are the letting of a contract for paving and sewer-water systems in the new Latham Addition, and annexation into the city of the First Christian Church on Western Circle Drive.

Choir is called for Thanksgiving

A community choir is being formed for a county-wide Thanksgiving service to be held Nov. 26.

JIM MASSEY, who has been appointed to direct music at the service, asks that all singers interested attend rehearsal an hour before the service. The community Thanksgiving worship will be held at 7:30 p.m. Nov. 26 in the First Baptist Church of Dimmitt.

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

More than 400 widows of servicemen who died of service-connected causes and wives of men listed as missing in action purchased homes with loans guaranteed by the Veterans Administration during fiscal year 1975.

The GI home loans were among 292,856 guaranteed by the VA during FY 1975. Included were 21 loans to wives of men listed by the Department of Defense as missing in Southeast Asia.

MORE THAN 8.8 million veterans and eligible dependents have borrowed \$113.5 billion under the VA loan guaranty program since 1944. Entitlement was extended in 1950 to include unmarried spouses of veterans whose deaths resulted from military service during or after World War II.

The maximum GI loan is \$17,500. This is the amount the VA will guarantee private lenders making loans to veterans for buying, building or improving homes. The VA guarantee permits loans without large down payments, required for conventional loans, to purchase homes with capital attracted by the guarantee.

There is no requirement by the VA for a down payment by a veteran purchasing a home. Nor is there a guaranty fee or charge by the VA for home loans. There is no expiration date on loan entitlement to eligible veterans and dependents.

THE VETERANS Housing Act of 1975 made it possible for a veteran to obtain a second loan, provided his original loan is paid in full or another veteran uses his eligibility to assume the outstanding balance on the loan.

Complete loan information may be obtained at the Veterans' Service Office on the second floor of the courthouse, or at any VA office.

QUARRELING should not be used to purposely hurt another person or to prove one's own superiority, Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, says.

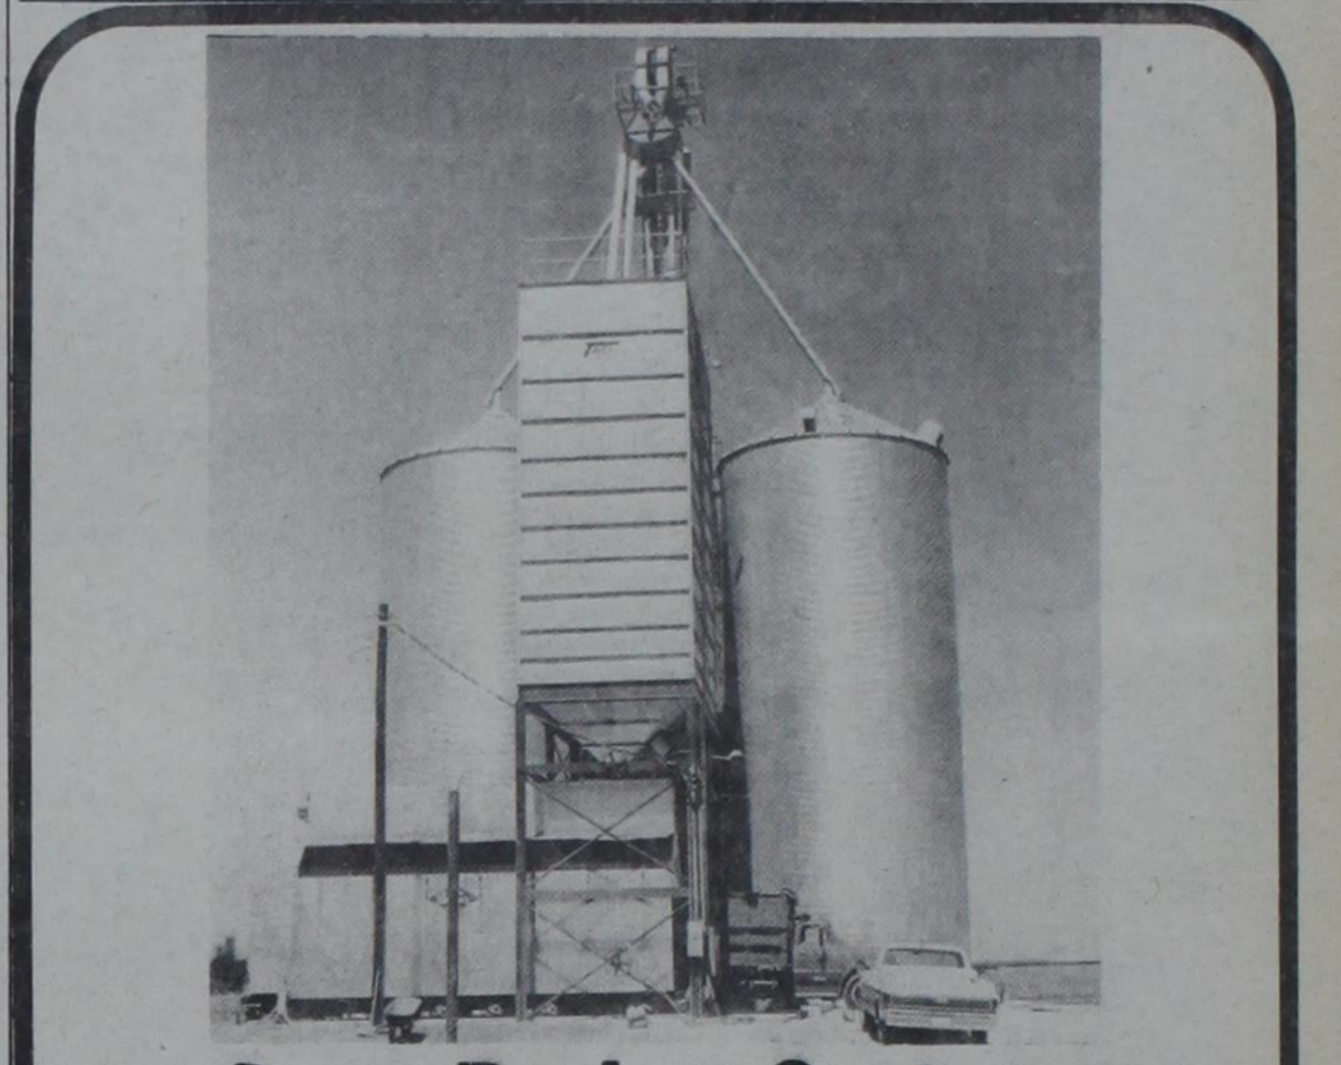

Band supper to be Nov. 22

The Dimmitt Bobcat Band parents will sponsor their annual Thanksgiving supper Nov. 22 from 5:30 to 7:30 p.m. in the Helen Richardson Elementary School cafeteria.

ADMISSION price will be \$2.50 for adults and \$1.50 for children under 12. A meal of turkey and all the trimmings will be served. Profits from the supper will

be used to help defray expenses of the band trip. All area people are invited.

JIMMY Townsend says, "I like the middle age. That's the period when nobody tries to understand you."

Heart-breaking 7-0 loss ends Swifts' grid season

By MARTY CATOE

The Happy Cowboys slipped past the Nazareth Swifts, 7-0, in the season's final game last Thursday night, with the only score coming late in the first quarter.

PLAYING at Happy, the Swifts got the opening kickoff, but the possession was short-lived and the Cowboys took over at their own 27-yard line after a Nazareth punt. The Cowboys moved the ball to the Happy 49, where the Swifts forced them into a punting situation. However, a roughing-the-kicker penalty gave the pigskin back to the Cowboys on

the Swift 36.

From that point the Cowboys advanced the ball to the 1-yard

line, then senior quarterback Terry McDonald scored on a keeper. McDonald booted the extra point and the winning score was on the board with 3:42 remaining in the first quarter.

The second period passed with the stubborn defensive teams stealing the show. Each offensive unit managed one midfield penetration, but could not score.

MIDWAY in the third quarter Mark Hoelting blocked a Cowboy punt and the Swifts took possession on the Happy 10. But the Swifts had to turn the ball over after four plays, inches short of the TD.

Again the defensive units came under the spotlight and dominated the remainder of the game.

The young Swifts ended their 1975 grid season with a 3-7 record, but are looking to a new season next year with a more experienced team.

SENIORS seeing their final action last Thursday night were Joel Gerber, tackle and line-backer; Darrell Huseman, offensive and defensive halfback; Kenneth Schilling, tackle; Paul Brockman, end and kicker; and Mark Hoelting, end. The Swifts will also lose guard Glenn Dohmeier, who has not seen action since the Lazbuddie game because of a knee injury.

Junior Babe Ruth uniforms called in

Junior Babe Ruth baseball players and parents are urged to turn in their uniforms to Mr. or Mrs. Bill Goldsmith, 811 W. Halsell St., or call them at 647-3497 for pick-up.

Several team uniforms as well as all-star uniforms are still out, Goldsmith said.

Frio

Homemakers study holiday cooking

By MRS. OWEN ANDREWS

The Frio Homemakers Club met Monday at Southwestern Public Service community room in Hereford. The program on holiday cooking was presented by Diane Bim, home economist for SWPS. Her program consisted of making several dishes to add interest and variety to the holiday fare, and practical ideas for more festive tables. Approximately 30 members attended.

MR. AND MRS. Glenn Andrews, Hal, Clint and Lynn of Carthage, Mo. were here Sunday night through Tuesday with their parents the Owen Andrews and others of the family.

Mr. and Mrs. John Cole of Wolf City came Sunday night to visit the Floyd Coles. Monday evening both couples went to Clovis to visit their nephew Ray Cole and family.

Expected here for the weekend are the Floyd Cole's children, the Herman Vinsons of Childress, the Sol D'Amaros of Stillwater, Okla. and Beverley of Lubbock. Vinson will be attending the Area Teachers Conference in Amarillo on Friday.

Gary White of Biloxi is to be here this weekend and plans to ride back with his brother Mike. Mike, who has lived here with the Clark Andrews for two and a half years, is planning to live in Biloxi, leaving the first of the week.

MISS ALMA Andrews went home with Jean Andrews of Amarillo when she was here last weekend with her parents the Henry Andrews. Alma visited her sister Mrs. Charles King in Amarillo, returning home here with Mrs. Eugene Baldwin on Wednesday.

Out of town people here to be with the Simpsons at the time of Mr. Simpson's funeral on Monday included the following: Mr. and Mrs. Wesley Lindley and children of Guyton, Okla. Mr. and Mrs. Leon Roberts, Pat and Kandi Ford of Wellington, Mrs. Joe Simpson, Mr. and Mrs. J. B. Wade, also of Wellington, Mr. and Mrs. Earl Simpson of Midland, Mr. and Mrs. Melvin Watkins, Mrs. M. V. Watkins of Pampa, Mrs. Walter Harrison of Springdale, Ark., Ted, Donald and Jerry Harrison and Mrs. Roy Precure, all of Muleshoe, Mr. and Mrs. F. D. Pollard and Floyd Hudson of Dumas, Mrs. Paul Campbell and Tressia of Lubbock, Mr. and Mrs. Earl Carpenter of McLean, Laura Hudson, Mr. and Mrs. Lloyd Cox and Mrs. Cassie Silver, all from California, Edie Martin of Grand Prairie and from Amarillo were Mrs. Essie Lee Fetzner, Mr. and Mrs. Tommy Sugg, Mr. and Mrs. Bill White, Ronnie Roach, Mr. and Mrs. Mike Pitts and daughter, Freddie Don Nipper and Martha Davis.

Mr. Simpson died Saturday, Nov. 1 in the Hereford hospital

after several years of declining health. He was 91 years of age. The Simpsons moved to the Frio community in 1945, coming here from Wellington. They farmed two different places south of town, one being the Hamm place. After retiring

they continued living in the community on the R. L. Simpson farm until moving into town about two years ago.

MR. AND MRS. Bill Laubach have visited this week with her parents the Don Adams and

brother Kenneth. The Laubachs left Thursday to make their home in Chicago, where he will be in business with his father in a business of soft water service. The Laubachs have lived in Lubbock since their marriage. He was in the

Air Force, stationed in Lubbock until being released in February. Since that time he has taken a business course with Draughans.

Joe Clay, a WTSU sophomore student who was seriously injured in an accident on the Amarillo expressway Wednesday night, is Mrs. Donald Adams' nephew. Clay, from Nara Visa, N.M., is the 19-year-old son of Mrs. Adams brother.

MRS. CHARLES WESSON McLEAN
... The former Jill Elyse Braafladt

Braafladt-McLean vows are recited

Miss Jill Elyse Braafladt became the bride of Charles Wesson McLean in a formal afternoon ceremony Nov. 1 in the Presbyterian Church of Dimmitt.

THE BRIDE is the daughter of Mr. and Mrs. L. C. Braafladt. The groom's parents are Mr. and Mrs. Bob McLean.

Rev. Ed Manning officiated at the double-ring ceremony.

Mrs. Avery Thrasher, the bride's sister, served as matron of honor. Mrs. Chuck Braafladt, the bride's sister-in-law, was the bridesmatron.

SERVING AS best man was Danny Ebeling, Robert McLean, the groom's brother, was the groomsman. Ushers were Avery Thrasher, brother-in-law of the bride, Gil Vining, Jay Stanton, Michael Dodson and Shannon DeVaney.

Christian Braafladt and Chip Thrasher served as pages, and Todd Braafladt was the ring bearer. Flower girls were Tiffany Braafladt and Tracy McLean.

Dwight Joiner, organist, performed traditional wedding music and accompanied the bride's brother, Chuck Braafladt, who sang "If," "Sometimes" and "The Lord's Prayer."

THE BRIDE was escorted by her father down an aisle that was lined with candeliers entwined with greenery. She wore a formal wedding dress of ivory jersey with a cathedral train. Each tier of her four-tiered veil was outlined in lace. She carried a bouquet of gardenias, red roses, greenery and baby's breath.

Her attendants wore formal burgundy dresses trimmed in Ecru lace. The wedding reception was held at the Dimmitt Country Club, which was decorated with hanging baskets containing lattice entwined with greenery and flowers. The houseparty included Ginger Lyons, Mrs. Richard Jackson, Mrs. Jerry Killingsworth, Mrs. Donald Ray Carmichael, Mrs. Robert McLean and Cindy Scoggin.

Mrs. Andy Rogers registered guests at the wedding, and Vicki Carpenter and Marla Mayfield presided at the register at the reception. THE NEWLYWEDS are now at home in Dimmitt, following a wedding trip to Las Vegas, Nev. The bride, a Dimmitt High School graduate, attended Texas Tech and graduated from the Amarillo College School of Dental Assisting. The groom, also a Dimmitt High school graduate, is engaged in the ranching and cattle business here.

Sisco-Bayless vows recited in Tennessee

Miss Patricia Ann Sisco and Lance Cpl. R. J. Bayless exchanged wedding vows Saturday in the home of the bride's grandmother, Mrs. Etha Duncan Sisco, in Hohenwald, Tenn.

THE BRIDE is the daughter of Mr. and Mrs. Osby Owen Sisco of Dimmitt. The groom's parents are Mr. and Mrs. Robert Bayless of Mexia.

Officiating at the ceremony was the bride's uncle, Gene Sisco.

The newlyweds will make their home at Camp LeJeune, N.C., where Bayless is stationed with the US Marine Corps.

Kirkpatrick's attend Haskell's homecoming

Mr. and Mrs. W. E. Kirkpatrick recently attended the biennial homecoming of Haskell High School, where their graduating class, the Class of 1913, was among those honored.

TWENTY-SIX graduates were present who were over 80 years of age. The oldest person present had graduated from Haskell High in 1903 and from Baylor University in 1908. She

was Mrs. Florence Couch Hammer, a sister of Mrs. Allene Wall, former Dimmitt resident whose husband opened Cobb's in Dimmitt in 1953.

Highlights of the homecoming for the Kirkpatrick's was a breakfast hosted by Mr. and Mrs. Fred Wanakan of Athens, Tenn. for the classes of 1909 through 1914. Wanakan, 85, brought Tennessee ham and all the trimmings for the breakfast—a homecoming tradition he started years ago—and helped prepare the meal.

The Kirkpatrick's hosted their former classmates in the home of a niece, Mrs. Opal Gilliam, Saturday evening. At this time, class meetings were being held in many homes throughout the city. The Kirkpatrick's also enjoyed a family gathering, with 23 nieces and nephews present.

At the homecoming game, the Kirkpatrick's great-niece, Kim Campbell, directed the halftime ceremonies as drum major. The Haskell Indians defeated Munday, 53-14.

Haskell has been designated a Bicentennial City. Rice Springs, in the southeast part of the town, was once a watering place for the Tonkawa Indians and is now a city park. The old Wichita Valley Railroad station has been moved to the park as part of the city's Bicentennial museum project.

Follow these tips on holiday sewing

By IRENE KEATING

The holidays are rapidly approaching and everyone gets more rushed as the time draws near. If you will be sewing, here are several things that will help you.

REMEMBER to select the proper size sewing machine needle for your fabric and thread. The smaller the number of the needle, the smaller the needle. If you will be using buttonhole twist, use a larger needle. Also, use the same thread in both the needle and bobbin (an exception, of course, could be in top-stitching) as this makes a more uniform stitch. Change your needle frequently. Keep your sewing machine clean and oiled.

Accessories are good gift items and many patterns are available. You can use your creative ability and utilize scraps to make patchwork fabric for some items. Scarves can be easily made with one-fourth

to one yard of lightweight fabric. For hemming, you may make your scarf double or on the single fringe, hem or overcast the raw edges. You can use decorative braid, fringe or ruffles on your scarves.

Since all goods are increasing in cost much faster than our incomes, it becomes a real challenge to homemakers to give nice gifts at reasonable cost. Begin now and you'll get lots of things done.

IF FRUITCAKES are in your plans, now is the time to begin making them. They become better with age.

HARVEST end-of-the-season green tomatoes and peppers just before the first killing frost. Let large tomatoes ripen at room temperature and use fresh or make green tomato and pepper relish. Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, advises.

DELLINDA TYLER AND BOBBY EBELING
... Will exchange vows in Sundown

Dec. 20 vows planned

Dellinda Tyler and Bobby Ebeling, both of Lubbock, will exchange wedding vows Dec. 20 at 7:30 p.m. in the First Baptist Church of Sundown.

MISS TYLER, daughter of Avis Parks and Ray Tyler of Sundown, is a second-year law student in the Texas Tech School of Law. She is employed by Lubbock attorney John T. Montford.

Ebeling, a Dimmitt High School graduate, is completing

work toward his master's degree in history at Texas Tech, and is also teaching history and government in the New Deal Public Schools. He taught in Dimmitt Public Schools before entering the Texas Tech Graduate School.

Residents attend reception in Pampa

Dimmitt residents attending a reception and dinner Saturday in Pampa honoring Mr. and Mrs. Seth Buckmaster Jr. were her sons, Tommy and Timmy Kenworthy, and Mr. and Mrs. Andy Alexander.

THE DINNER was held in the Red Banquet Room of the Country Inn in Pampa, followed by a reception in the home of Mr. and Mrs. Edward Burchell.

Other guests attending included Mrs. Buckmaster's parents, Mr. and Mrs. Fred Doane of Sawyer, Kan., and her sister, Mrs. Bob Tregalis of Pratt, Kan.

Christmas Seal donations urged

Jim Petra of Dimmitt this week reminded Castro County residents of the need to support the fight against emphysema, asthma, and other lung diseases through their Christmas Seal contributions.

CITING official state statistics, he said that Texas reported over 2000 cases of tuberculosis from January through October, adding that lung disease comprises the "fastest-rising cause of death in the nation."

Petra is a member of the American Lung Association of Texas.

'Horns clinch playoff berth

By JESS HUDNALL

The Hart Longhorns, aided by Vega's 37-14 triumph over Bovina, clinched a playoff berth by soundly defeating the Farwell Steers 39-7 Friday night.

THE LONGHORNS parlayed an awesome offensive attack which netted 478 total yards and a defense that held Farwell to 176 yards.

The win elevates Hart's record to 8-1, while the Steers fell to 2-7.

From the onset of play, it appeared Hart would blast the underdog Steers off the field as quarterback Eliazar Castillo raced 65 yards on the first play from scrimmage. Kerry George kicked the extra point to give Hart a 7-0 lead with only 18 seconds elapsed in the game.

HOWEVER, the determined Steers took the ensuing kickoff and marched to the Hart 38-yard line, where they relinquished the ball when they failed on a fourth-and-six play.

After Terry Hill gained a yard, Farwell's Travis Bibbs intercepted a Castillo pass on the Longhorn 44-yard-line and returned it to the Hart 35. On the following play, sophomore quarterback Russ Jones hit older brother Brad Jones with a scoring strike. Mike Goetsch's point-after kick split the uprights and knotted the score at 7-7.

Neither team scored again in the first half, although both moved within striking range. Hart, blessed with outstanding rushing balance from their backs and good line blocking, drove to the Farwell 12-yard line late in the first period. The big play was a 33-yard run by Barry George, who compiled 148 yards in 17 carries for the night. After a loss of five on first down, three Longhorn passes failed to connect and Hart surrendered the ball.

FARWELL threatened to take the lead midway through the second period after a Castillo punt gave the Steers possession on their own 30-yard line. Once again the Jones-to-Jones combination proved effective as they clicked for 11 yards to the Hart 41. After Goetsch gained five yards, Hart was penalized for a personal foul, which advanced the ball all the way to the Longhorn 39-yard line. After Goetsch picked up four yards, Farwell failed in its next three plays to gain first-down yardage and again turned the ball over on downs. Neither team posed another serious scoring threat and went into the locker room with a 7-7 tie.

Hart reverted to its ground game entirely in the third quarter and rolled up 122 yards while Farwell could manage only 17 yards. The Longhorns completely dominated play as the Steers ran only six plays from scrimmage the entire quarter. Hart's only score of the period came when Kerry George, who amassed 101 yards in only six carries, sliced in from three yards out. This score culminated an 81-yard drive in 10 plays. Kerry George also ran the two-point conver-

sion to put the Longhorns on top, 15-7.

WITH 11:14 left in the last quarter, Kerry George again found paydirt—this time from nine yards out. Instrumental in the drive was a pass from K. George to Lester Aven. Aven, who had been injured in the past few games, showed that he was sound again and ready for action. The Longhorns failed to convert the extra point

and the score remained 21-7.

On the next series, Farwell's Russ Jones fumbled and Dean Hill recovered to give the Horns field position at the Farwell 41. After gaining three yards on the ground, Castillo found Bryan Irons open and hit the Horns' leading receiver with a 38-yard scoring pass. Again the point-after failed, and with 8:26 left, Hart led 27-7.

Hart's defense, now playing with reckless abandon, forced another Farwell turnover. This time it was linebacker Cary McLain who pounced on a Steer fumble at the Farwell 40-yard line. Sensing Farwell's dejection, K. George struck quickly with a 40-yard pass-run combination to Irons, who outraced the defenders the last 25 yards. Again Hart missed the point-after and with 4:07 remaining,

the score was 33-7.

THE FINAL score of the night came with only 1:13 left to play as Castillo scampered 16 yards. This gave the brilliant sophomore 95 yards in only five carries. The score climaxed a six-play, 85-yard drive. The big play was a 57-yard dash by Kerry George. Again Hart failed to convert the point-after, and the final score stood at 39-7.

PROMOTED—David L. McElroy, son of Mr. and Mrs. J. D. "Bud" McElroy of the Hub community, has been promoted to the rank of Specialist-5 at Fort Sill, Okla. Sp-5 McElroy is a 1973 graduate of Dimmitt High School.

Remember my grandmother? If you've been reading this column, you'll recall I mentioned her previously. Well, one sure-fire method of starting her adrenalin flowing is to mention the name of Abraham Lincoln.

I SHOULD explain she feels Lincoln sold out the South during the Civil War and through the year's we've had many lively discussions about Lincoln.

I have a great admiration for Lincoln, and whether one agrees with my grandmother or not, one aspect of Lincoln's life just has to be inspirational. Abe was a great lover of knowledge and spent his life in pursuit of it. My favorite Lincoln is the one who read books by the fireplace, and I guess my view of Lincoln will always be colored by that. Lincoln had little access to formal education, but that didn't stop him from becoming well-educated.

WHILE IT'S true that a college education is much more accessible today than ever before, many people who are mentally capable of doing college work never attempt it. Getting a college education has been given an air of mystery which intimidates people into feeling it's a goal beyond their reach. Well, cancel all that. There's a program available today for people who are interested in improving themselves, as Lincoln did, who would like to go to college but feel they have no background

for college work, or who feel that it's too late to try.

The College-Level Examination Program (more affectionately known as CLEP) is offered by the College Entrance Examination Board for those who obtained a significant part of their education outside the usual academic channels. Examinations indicate their academic level and may enable them to gain as much as two full years of college credit.

The Dallas Public Library pioneered a CLEP program, and has published some very gratifying results which point up an area of community service any library can benefit from.

HERE AT Rhoads Memorial, we have acquired a few copies of the CLEP book for your inspection and will be working up plans for future implementation of the program. More on this later.

This week our thanks go to Virginia Hansen and Alpha Epsilon Tau chapter for their generous donation of \$50 to the projector fund.

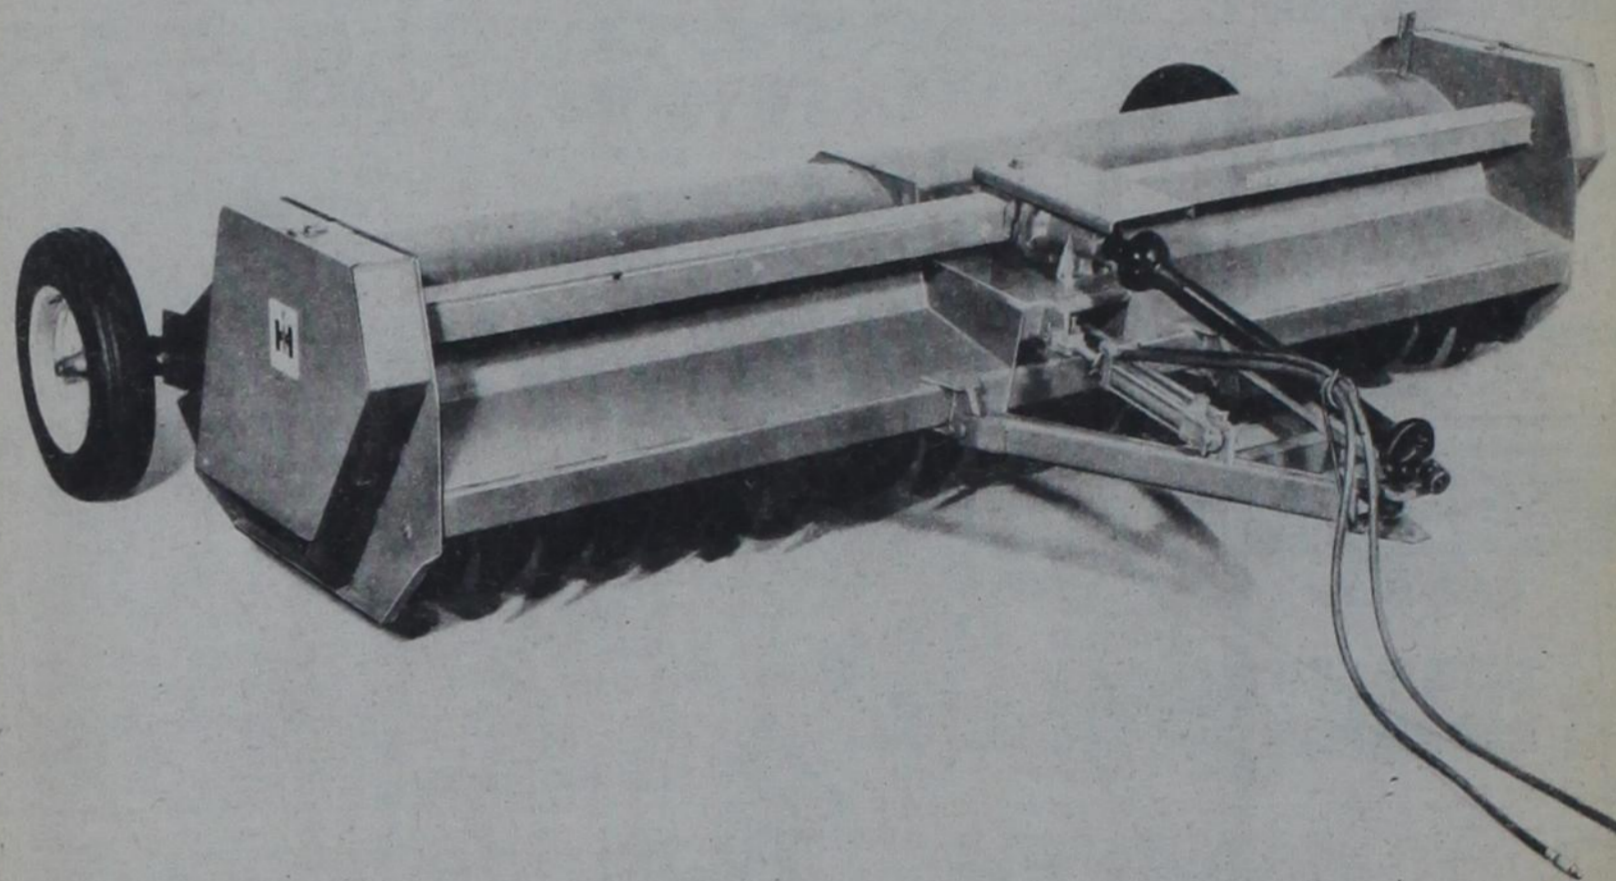

Well, this is Carlton at the book store saying thanks so much for listening, be good everybody.

Heavy-duty, big-capacity machines for tough shredding jobs

INTERNATIONAL® 50 and 60 SHREDDERS
150 and 170-inch cutting widths

Ideal for shredding cotton, corn and sorghum stalks, clipping pastures, trimming headlands

International shredders are the most effective way to reduce crop residues without burning. Both models shred heavy, tough crop residues finely to hasten decomposition and make follow-up tillage and planting operations much easier.

These shredders are also useful in clipping pastures, and in cutting and shredding weeds, tall grass and brush all around the farm.

Cotton growers will appreciate the way International machines destroy bolls as well as stalks. This helps control pink bollworm infestation.

Farmers will find that they can run a gear faster with an International shredder. They take less power than others, primarily because of the unique knife arrangement on the rotors.

Buyers have a choice of two sizes to cover up to five 40-inch rows. The 170-inch-wide 60 can be moved into transport position quickly and easily; no extra parts are needed.

IDEAL MACHINES FOR...

- farmers who have bigger than average acreages of corn and cotton stalks
- farmers who want to hold tillage operations to a minimum
- farmers who need aid in controlling pink bollworm infestations in their cotton
- farmers who have enough power to handle a big shredder

IH competitive advantages include...

- IH shredders use less horsepower than other makes because of the way knives are spiralled on the rotors
- IH shredders are simple machines, easy to maintain, adjust, and move into transport
- IH shredders have extra-rugged power trains that can stand up under really tough cutting jobs
- IH shredders have unique shatter-shear knives that give farmers a choice of shredding action
- IH shredder knives are low in cost to replace

The Federal Safety Law was passed three years ago. It, among other things, established the Consumer Product Safety Commission. The CPSC has the exclusive authority to initiate the rules for establishing safety on consumer products. If the CPSC doesn't move fast enough in clearing the safety features of various consumer products, then the consumer can take the CPSC to court and force action. No other federal agency has such a time limit imposed on matters before it. The CPSC has to move in 120 days or into court they go, if a private party wants action. The provision was placed in the legislation as an experiment which might eventually be used with other federal agencies. The reason for this was that no outside party could force the federal agencies to take action on any issue.

THE BIG users were expected to be consumers. But, business is threatening to cause a tremendous burden to the Commission's legal problems by getting in early with safety problems for individual industries in order to blunt what could be excessive safety

demands by various consumer groups.

Business is also trying to get the pressure off one industry by asking for tougher safety standards in other industries. A National Bureau of Standards report found that cigarettes were the "dominant ignition source" of furniture fires. The furniture manufacturers paid for a study by Arthur D. Little which showed that "90% of furniture fires would not have occurred if cigarettes had self-extinguished within 10 minutes of contact." So a group of furniture upholsterers last year asked the CPSC to regulate cigarettes as the primary source of ignition in furniture fires.

The CPSC didn't want to get into the middle of the cigarette issue. It asked Congress to remove its power to regulate the cigarette safety rules. But, you know, that really isn't a bad idea—a cigarette that self-extinguishes in ten minutes!

West Texas CofC releases results of opinion survey

By an overwhelming majority, West Texas Chamber of Commerce members favor private enterprise being allowed to compete with the US Postal Service in delivering the mail, oppose the current level of the food-stamp program, and feel that longshoremen should not be allowed to halt foreign shipments of American agricultural products.

THE RESULTS of a recent mail survey of WTCC members regarding national affairs issues were released last week by the organization.

Included in the survey were 12 questions of vital interest to West Texans. Federal legislation regarding some of these issues is now before Congress. The results of the survey, by those responding, were:

DO YOU favor private enterprise being allowed to compete with the US postal Service in delivering mail? Yes—87%; No—7%; No Opinion—6%.

Do you favor oil price decontrol? Yes—80%; No—13%; No Opinion—7%.

Do you favor natural gas price deregulation? Yes—80%; No—12%; No Opinion—8%.

Do you favor creation of a Federal Consumer Protection Agency? Yes—5%; No—86%; No Opinion—9%.

DO YOU favor the present US actions in regard to detente with Russia? Yes—41%; No—42%; No Opinion—17%.

Do you favor sending US military forces to Israel and Egypt to maintain a truce? Yes—26%; No—65%; No Opinion—17%.

Do you favor the present level of the federal food stamp program? Yes—4%; No—90%; No Opinion—6%.

Do you feel that the Bicentennial Celebration offers involvement to all citizens who want to participate? Yes—80%; No—10%; No Opinion—10%.

SHOULD longshoremen be allowed to halt foreign shipment of agri-products through work stoppage? Yes—3%; No—90%; No Opinion—7%.

Do you favor limiting sales of agri-products for export to transactions between governments, eliminating sales by private business? Yes—8%; No—90%; No Opinion—2%.

Do you support the long standing WTCC philosophy that our National Parks should be developed for the use and enjoyment of the majority of the public? Yes—93%; No—0%; No Opinion—7%.

Do you foresee a need for the development of additional package travel tours throughout West Texas? Yes—72%; No—18%; No Opinion—10%.

TEXAS TALK

By Jim Hays

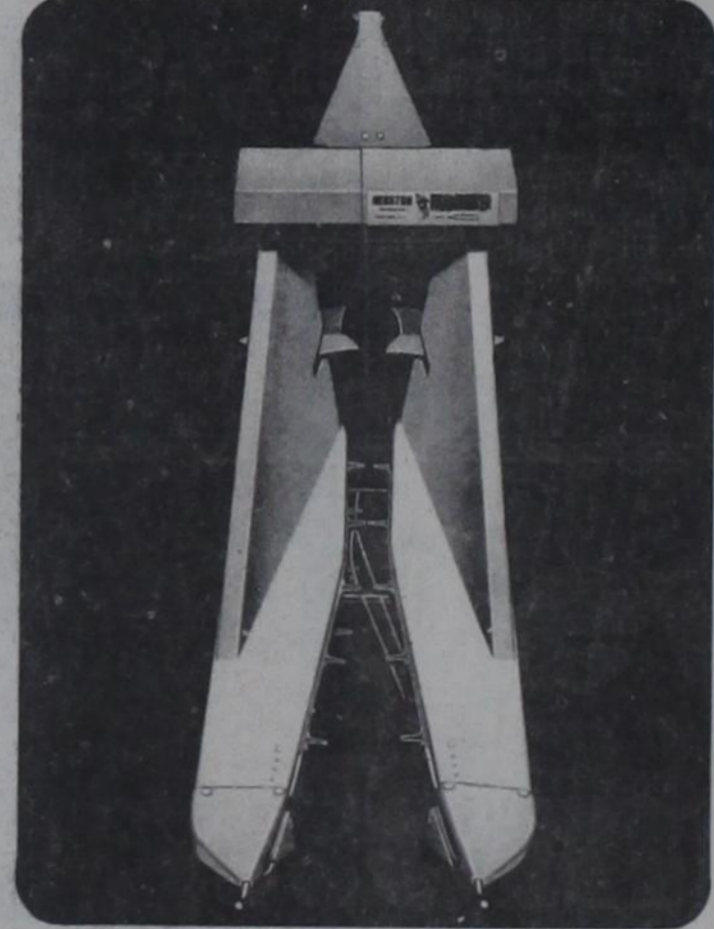

One of the ideas drifting out of the Industrial East is that farmers need to give up tractors and irrigation and return to the horse and mule as power sources. Along with this minor change the farmer could also give up modern pesticides and fertilizers. The thought (if there was any) behind this nostalgic notion was that the energy saved would alleviate the fuel crisis and that the jobs created would solve the unemployment situation. . . . couple of problems with this idea. First we would have to wait until 1993 in order to have enough horses and mules to go to work. Then there's the matter of 180 million extra acres to feed the 61 million animals required. Then there's 27 million people needed to take care of the 180 million acres and 61 million animals. Top it all off with an overall 150 percent increase in food prices and such a proposal takes on its appropriate designation . . . ridiculous!

HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions

Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

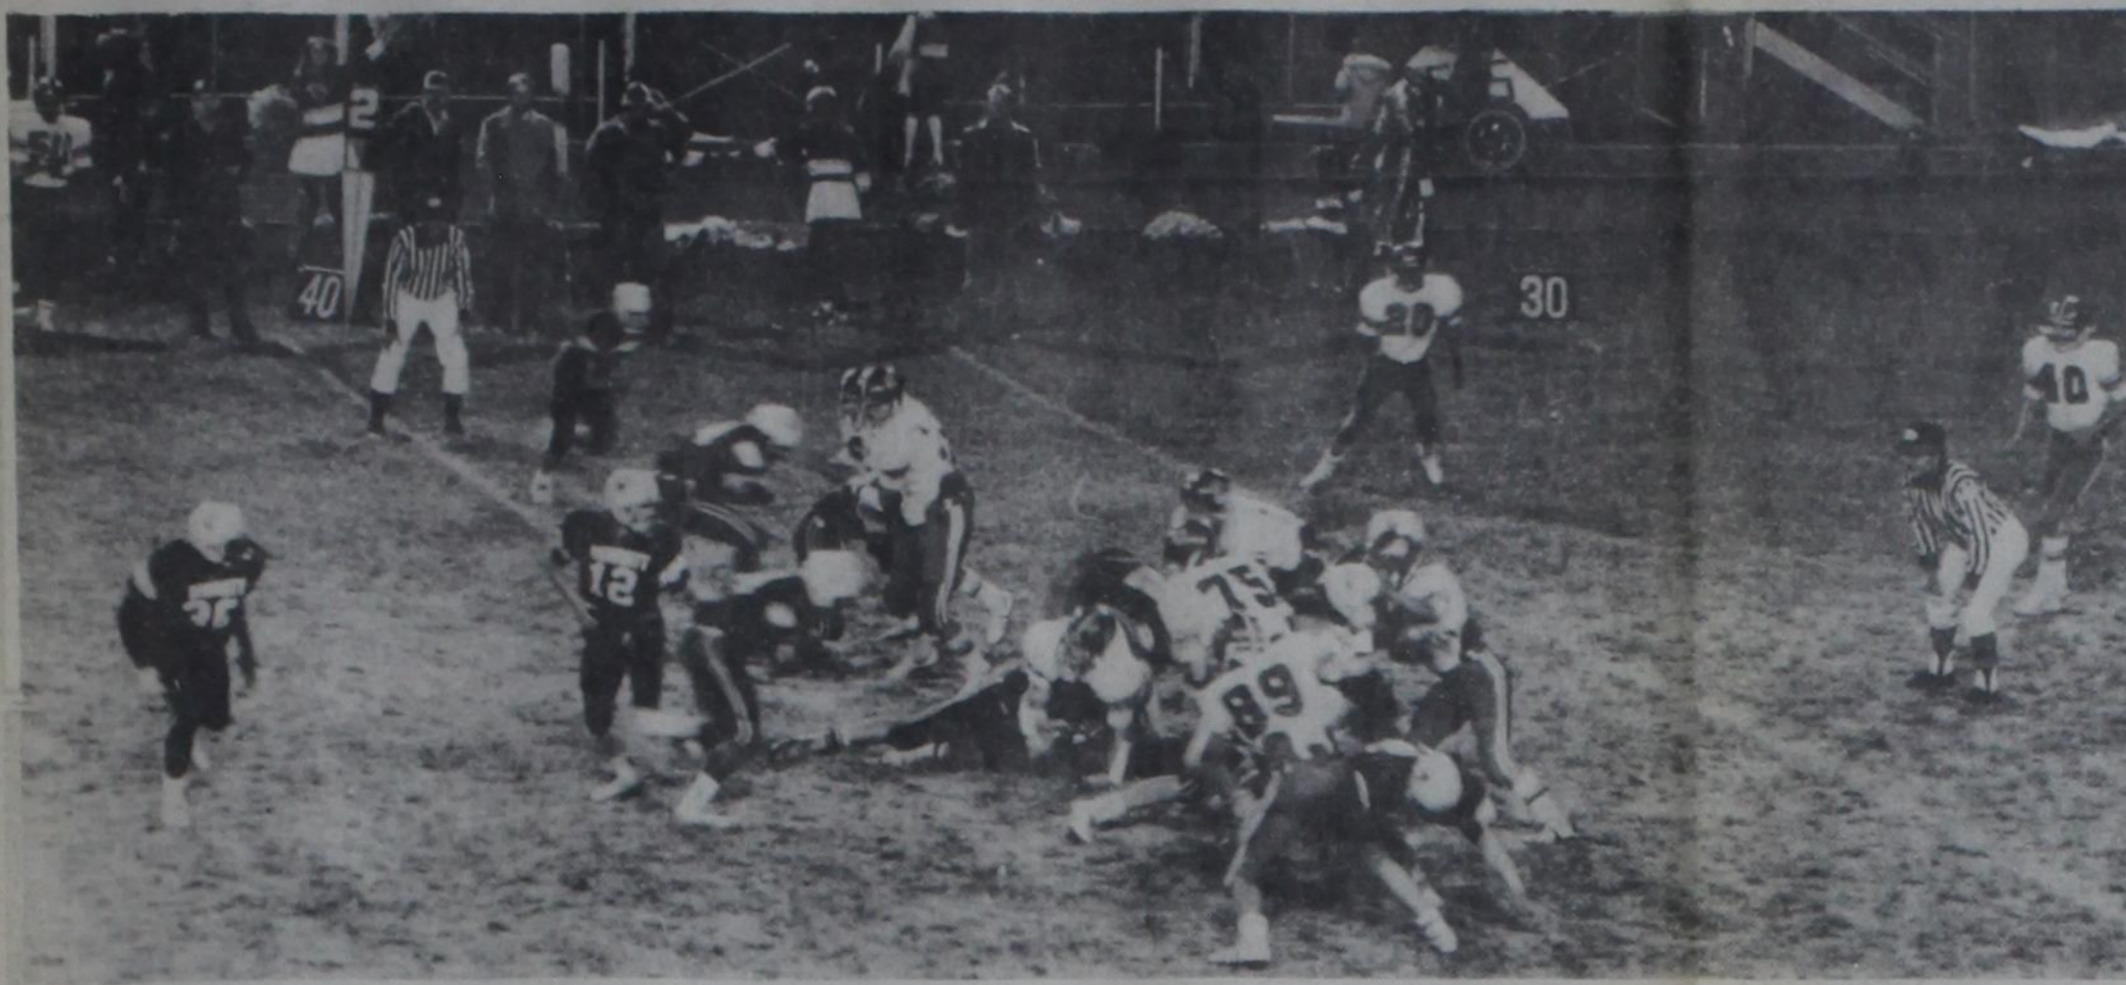

Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

MAYBERRY TO THE RIGHT—Dimmitt halfback Thompson Mayberry takes the handoff from quarterback Ronnie Lawson and speeds into the right side of the line in the fourth quarter of Friday night's Dimmitt-Friona game. Friona's

stubborn defense closed the hole, and Mayberry had to settle for two yards. This telephoto view was taken from atop the press box.

Cats win 7-6 as 'Red' rages

By JIMMIE CHAPMAN

A stout Dimmitt defense stopped Friona's Davy Carthel a yard short of the goal line on a try for two extra points with 1:39 left in the game Friday night to protect a close 7-6 District 3-AA win at Bobcat Stadium.

FRIONA'S late touchdown had resulted from a Bobcat fumble on their own 4-yard line following a beautiful 59-yard punt by Friona's David Barnett with a little over three minutes left in the game and Dimmitt leading 7-0. Sophomore fullback Glen London scored the TD on a one-yard plunge over left guard.

Dimmitt scored its only touchdown in the third quarter on a 19-yard run by freshman Larry Bossett, climaxing a 32-yard drive by the Bobcats, after they had recovered a Friona fumble. David Espinoza kicked the all-important extra point to give Dimmitt a 7-0 lead.

Friona could never get inside Dimmitt's 30-yard line until the fumble, and Dimmitt had numerous drives stopped because of penalties and timely defensive plays by Friona's line.

The two teams made only two first downs apiece in the entire second quarter, and Dimmitt's defense did its job in holding the Chieftains' attack under control.

THOMPSON Mayberry and Tony Washington led the Bobcat offense, with Bossett doing the scoring. Mayberry ran with the ball 13 times that counted, gaining 82 yards, and caught one pass that netted a yard. Washington got 53 yards on 16 carries and grabbed one pass that netted 14 yards. Bossett got 27 yards on six carries, and quarterback Ronnie Lawson paced off 29 yards on five trips.

Most of Dimmitt's best gainers were called back due to penalties. The Cats were penalized 12 times for 118 yards. Sophomore fullback Glen London was the offensive standout for Friona, carrying 21 times for 89 yards. Quarterback Keith Martin ran with the ball 10 times and picked up 34 yards, 15 of them on the last play of the game when he was forced to run with only two seconds left after trying to get off a pass.

NEITHER team threatened in the first period, although

Dimmitt did get to the Friona 32-yard line. But a fumble stopped the drive.

Early in the second quarter, Dimmitt got a good scoring opportunity when Mayberry broke loose on a 50-yard run that put the ball on the Friona 24. Bossett was held to three yards on two carries, and after two incomplete passes Friona took over at its own 21 yard line.

The Bobcats advanced the ball to the 31 and 35-yard lines on two other occasions, but the drives were stopped by Friona's determined defense. Dimmitt punted only once in the first half.

Dimmitt got its only scoring drive started in the third period after Jody Minnick recovered a fumble by Keith Martin at the Chiefs' 32-yard line. Washington got two good gains of seven and five yards, but again Dimmitt drew a 15-yard penalty for holding. Lawson swept right end for 15 yards to put the ball on the Friona 19-yard line. Bossett got good blocking on the right side of the line and raced 19 yards for the TD. Espinoza's kick made it 7-0 with 4:40 left in the third quarter. NEITHER team could move

consistently, and nothing of any consequence happened until, with a little less than four minutes left to play, Friona's David Barnett got off a 59-yard punt to the Dimmitt 5-yard line, and Dimmitt was penalized half the distance to the goal line for clipping on the return. Mayberry tried the line and got nowhere, then Friona's Stowers recovered a fumble on the 4-yard line to give the Chiefs a crack at a TD.

London got three yards on his first try, then blasted over from the 1-yard line with 1:39 left in the game to pull the Tribe within a point at 7-6.

Carthel, a linebacker who ran with the ball only once during the game, came in to try for the two extra points that would have spelled victory for the visitors. He tried the same spot that London had made the TD on at left guard, but was hit by at least five Bobcats and stopped a yard short of the goal line when the whistle blew. After the play was whistled dead, Carthel ran on into the end zone and the Friona fans thought that victory was theirs, but it wasn't. The officials penalized Friona's coach 15 yards

on the kickoff for unsportsmanlike conduct and Dimmitt got the ball on the Friona 39-yard line.

THREE running plays and three penalties later, Dimmitt punted to the Friona 37-yard line with two seconds left to play, and drew another 15-yarder for a late hit. Keith Martin was forced out of the pocket as he tried to pass and ran 15 yards before he was knocked out of bounds after the clock had run out.
