Dimmitt, Texas, Thursday, October 8, 1981

20 Pages Plus Supplement

Paul Catoe is named city manager

Paul Catoe was named Monday night as Dimmitt's new city manager and city secretary by the Dimmitt Board of Aldermen.

Chosen from among several applicants who were termed "really exceptional" by Mayor R.L. Fleming, Catoe has been employed for the last eight years with the Texas Panhandle Community Action Corp., and served as area coordinator for the Comprehensive Employment and Training Act (CETA) program, overseeing four counties.

Catoe will begin his duties for the city Monday.

"I look forward to my new responsibilities and expect to make no immediate changes in the current operation of the city," he said.

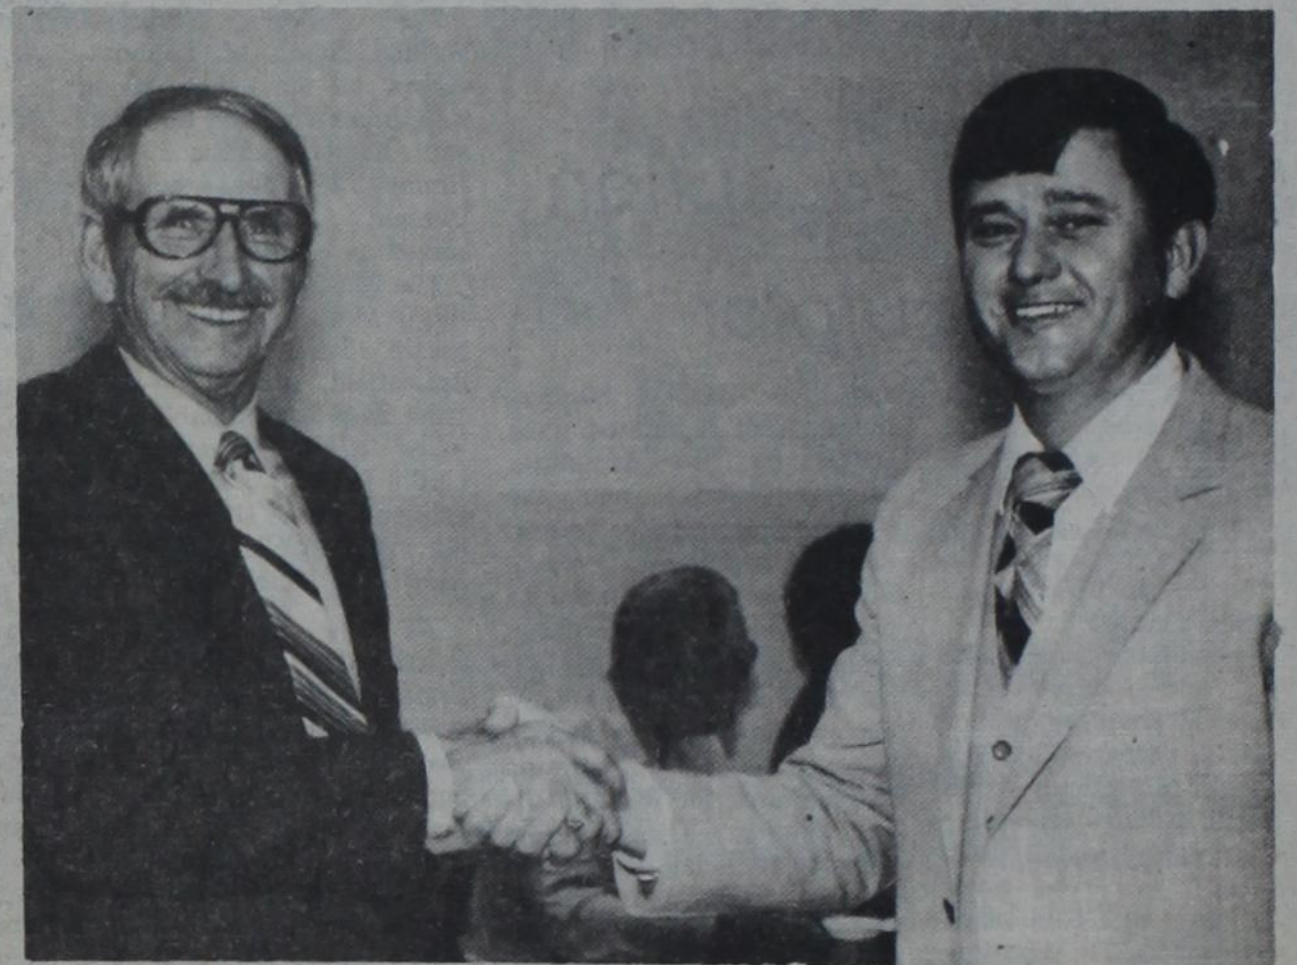

He added that he wants to first become familiar with the various departments, their functions and personnel, whom he termed as "having all performed their duties in an excellent manner during this period between managers."

Catoe said he has lots of experience with personnel and with some managerial skills, but added, "I have a lot of catching up to do," and indicated that he would be glad to attend the annual city manager's training school held in the area.

Born in Houston, Catoe has spent most of his life in Dimmitt, having gone all through school here, graduating in 1967.

After taking liberal arts courses at Texas Tech and Northwest Texas State University in Denton, Catoe worked with Goodwill Industries in Lubbock for 3½ years, and at the Central Plains Mental Health/Mental Retardation Center in Plainview for a year.

He met his wife, Kathlyn Kay, at Tech. They were married Nov. 29, 1969, and have three children, Jeff, Doug and Kathy.

PAUL CATOE [right] receives congratulations from Mayor R. L. Fleming after being announced as Dimmitt's new city manager at Monday night's meeting of the Board of

Aldermen. Catoe will assume his new duties Monday, succeeding Garnett Holland, who has retired.

HOMECOMING HAPPINESS—As the clock winds down on the Nazareth Swifts' 21-8 Homecoming victory over the Anton Bulldogs Friday night, NHS seniors [from left] Vera

Ramaekers, Loretta Book and Karen Huseman do a joyous victory dance. In background is Ramona Heiman.

Class reunions planned

Homecoming week going at Dimmitt, Hart schools

Today (Thursday) is "Trash Day" at Dimmitt High School and "Maroon and White Day" at Hart, as both schools celebrate Homecoming activities this week.

This week was designated as "Spirit Week" at Dimmitt, with a different activity planned for each day. Friday is "Dress Up Day" and the mums ordered from the Student Senate will be delivered.

The traditional Homecoming bonfire is slated for tonight (Thursday) at 8. Students will be dismissed at 2:30 p.m. to build the bonfire. The Flame King and Queen will be crowned tonight as a highlight of the bonfire program.

The Homecoming Pep Rally will be Friday at 3 p.m. in the high school gym. The Home-

coming Queen will be crowned and the Class of 1961 will be honored.

The Friday Homecoming game will be against the Boys Ranch Rough Riders and will begin at 8 p.m. The junior class will sponsor a Homecoming Dance at the Expo Center following the game.

Also scheduled during Dimmitt's Homecoming week is the Class of 1961's 20th year reunion Friday at the Country Club. The class will be honored at a reception following the Homecoming Pep Rally Friday, and will meet at the Country Club following the Homecoming game Friday night.

Among those expected to attend the Class of '61 reunion is Pia Nasman Moberg of Grankulla, Finland, who was Dimmitt High School's first American Field Service exchange student.

Class members said Junior Coffey, the school's most famous former athlete, has indicated he hopes to attend the reunion also, but doesn't know whether his schedule will allow it. Coffey lives in Washington state, where he raises and trains race horses.

Local members of the DHS Class of 1951 will gather in the Rhoads Memorial Library community room after the game Friday night to make plans for a class reunion during the Christmas holidays. Those with yearbooks and current addresses of class members are asked to bring them to the meeting.

Friday will be "Dress Up Day" at Hart High School.

The Flame King was crowned at the bonfire Wednesday night. Friday morning at 10:51 there will be a victory ceremony for the Longhorns, and at 3:15 p.m. there will be a pep rally.

At the morning victory ceremony, the Pep Squad King will be crowned.

Homecoming royalty will be crowned at the game Friday as the Longhorns host Olton in an 8 p.m. contest.

Xi Mu Iota sorority of Hart will serve a spaghetti supper before the Homecoming game.

HISD board hikes budget

The Hart School Board, in a special session last week, approved a budget of \$1,353,041 for the 1981-82 school year.

This budget is an increase of \$102,886 over the previous year. Most of the increase is from state-mandated increases for school personnel, the trustees said.

Janet Mitchell was employed as a half-time elementary remedial reading teacher, to work mostly with first grade students.

The board also voted to take bids on storm windows for the school buildings. Bids will be opened at Monday's regular meeting of the board.

The board accepted the resignation of Johnnie Sullivan and employed Jack Lee as bus driver for route four.

Congressmen looking into migrant workers' housing

A congressional subcommittee headed by Rep. Henry B. Gonzalez, (D-Texas) will be investigating migrant housing today (Thursday) in Dimmitt and Hereford.

The visits to Hereford and Dimmitt today and to San Antonio Friday are part of a nationwide investigation of housing conditions, the San Antonio Democrat said.

"Migrant farmworkers are the worst housed people in America," said Gonzalez, who participated in a visit last month to migrant quarters along the Maryland-Delaware-Virginia peninsula.

"We saw people living in housing that was worse than pitiful," Gonzalez said.

Rayphard Smithson, former chairman of the Castro County Housing Authority, commented that he hoped Gonzalez would get the "true picture" of the situation in Dimmitt.

"I hope something positive will come out of his visit," Smithson said.

The county housing authority last year turned the local project back to its initial

creditor, the Farmers Home Administration. Local commissioners claimed they could not effectively operate the project under the restrictions and rules imposed by the FmHA and a federal court order.

After touring migrant worker housing areas in San Antonio Friday morning, Gonzalez will convene a meeting with the FmHA and a federal court order. [See Congressman, Page 5]

More games are sought for Halloween Carnival

Dimmitt's annual Halloween Carnival needs more game booths this year to balance all the food booths, carnival planners say.

The carnival, coordinated by the Dimmitt Lions Club, will be held on Halloween night this year — Saturday, Oct. 31 — in the onion processing warehouse of La Mantia, Cullum, Colier & Co., Inc., on East Halsell Street.

"We've always had plenty of good food booths. We need to have some more games for the kids," Carnival Co-Chairmen Tommy Fowler and Gary Hufhines said.

They invited all clubs and

organizations in the community to conduct game or food booths. Concessions can be secured and booths reserved by calling Fowler at 647-5236 or Hufhines at 647-5416.

"We've got plenty of space for as many booths as we need," the men said. However, they cautioned that the number of booths requiring a lot of electricity may have to be regulated, despite new wiring in the building.

The carnival will be a four-hour event this year, from 6 to 10 p.m. In preparation for the carnival, the Lions will clean the building the previous [See CARNIVAL, Page 7]

4-H awards banquet set Saturday night

The annual 4-H Awards Banquet will be held Saturday night to highlight National 4-H Week observance in the county.

The banquet begins at 7 p.m. in the County Exposition Building in Dimmitt. Gold Star boy and girl awards will be presented, as well as "I Dare You" awards.

The banquet will be hosted by the Castro County 4-H Council. Each 4-H member who has completed a project will receive a 4-H year pin.

Special award pins will be presented to deserving 4-H'ers. Adult leaders will be recognized with leader pins.

The banquet will feature a covered dish dinner, and each family is asked to bring enough to feed their family.

During National 4-H Week, members across Texas and the nation are using the theme, "4-H Pathways to The

Future."

"This year's theme challenges members to become self-directing, productive and contributing members of society," said Dr. John Pelham, state 4-H leader with the Texas Agricultural Extension Service.

N.H.S. HOMECOMING QUEEN—Karen Birkenfeld (left) beams after being crowned Nazareth High School's 1981-82 Homecoming Queen Friday night prior to the Swifts' clash with Anton. At right is junior candidate Deanna Hoelting. Other candidates were sophomore Shari Schilling and freshman Leona Gerber.

Fire Dept. slates banquet, reception

The Fireman of the Year Banquet tonight (Thursday) will highlight activities this week in Dimmitt during National Fire Prevention Week.

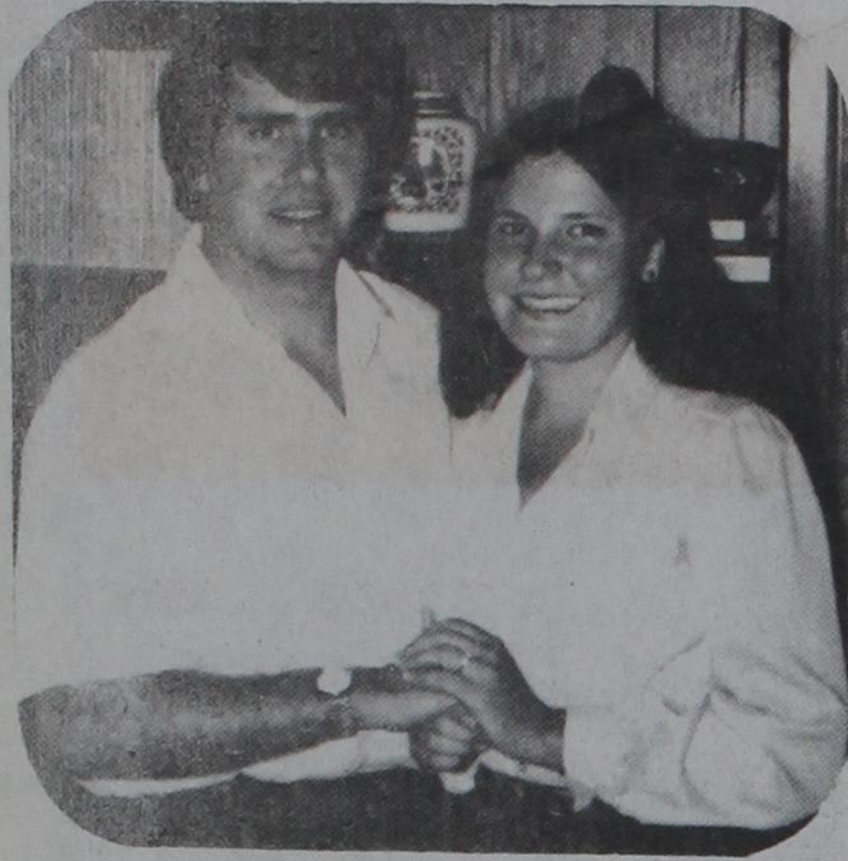

The banquet begins at 8 p.m. at the fire station. According to Fire Chief Randy Griffitt, a Fireman of the Year will be announced at the banquet and a guest speaker will make a talk. Dimmitt volunteer firemen and their wives are invited, as well as retired firemen.

Entry deadline for the DVFD's fire prevention poster

contest for youngsters is today.

An open house reception will be held from 2 to 4:30 p.m. Sunday. Films will be shown at the reception, and fire equipment will be demonstrated.

Fire Marshal Ron Antelak reminded that the leading causes of fires include careless smoking, improper use of electricity and appliances, housekeeping carelessness, faulty heating and cooking equipment, and improper use and storage of flammable liquids.

Rev. Buddy Payne and Patricia Siwy

Nov. 14 date is set

Mr. and Mrs. Daniel Siwy of Seguin announce the engagement and approaching marriage of their daughter, Patricia Ann, to Rev. E.C. (Buddy) Payne III, pastor of the First United Methodist Church at Hart.

Rev. Payne is the son of Mr. and Mrs. E.C. Payne Jr. of Levelland. Miss Siwy is a civil engineering major at Texas Tech University. The wedding will be at 2 p.m. Nov. 14 at Seguin's Faith Lutheran Church.

160 attend reception for artist-sculptor

One hundred and sixty guests gathered at Cobb's Department Store Sept. 28 to meet artist-sculptor Michael Anthony Ricker, admire his works and attend a seminar on "Art as an Investment," which he conducted.

A seven-foot round table, draped with a burnt orange cloth, held an array of hors d'oeuvres prepared by Mrs. Bill Potts, Mrs. Doug Proffitt and Mrs. Kenneth Heard.

A scene of Ricker's sculptures and a carved watermelon filled with fruit served as centerpieces. Mrs. Jack Ingram assisted in serving.

One side of the store was reserved for seating guests who attended the seminar and watched a film depicting the techniques used in casting by

the Ricker-Bartlett Studios. Guests were registered upon arrival for the sculpture, "Barren Land," and the winner was Mrs. Edward Freeman of Dimmitt. David Ellison was the recipient of a poster depicting the carousel.

Out-of-town guests included Miss Doreen Brizzolara, manager of secondary market transactions and registration of sculptures for Ricker-Bartlett studio. Other guests came from Dallas, Red River, N.M., Ralls, Andrews, Omaha, Neb., Amarillo, Lubbock, Friona, Hereford, Earth, Hart and Levelland.

Ricker autographed limited edition sculptures for almost two hours but was unable to sign all that were presented for autographs. However, he indicated he would return to Dimmitt next year.

Pictures will soon be available and on display at Cobb's, showing some of the evening's highlights.

Couple at home in Dimmitt

Mr. and Mrs. Stephen Wesley Anthony are at home in Dimmitt after a wedding trip to Colorado, following their August wedding.

The bride is the former Susan Marie Sears, daughter of Mr. and Mrs. Ernest W. Sears of Snyder, and the groom is the son of Bob Anthony of Dimmitt.

The formal, double-ring ceremony took place in the Colonial Hill Baptist Church of Snyder, with Rev. Miller Robinson officiating.

Serving as maid of honor was the bride's sister, Nell Sears of Snyder. Another sister of the bride, Karen Sears of Snyder, served as a bridesmaid, along with Jackie and Pam Anthony of Dimmitt, sisters of the groom, and Felecia Huddleston of Dallas.

Mark Cluck of Dimmitt served as best man, and groomsmen included a brother of the groom, Mike Anthony of Dimmitt, along with Donny Carpenter, Gary Nutt and David Malone, all of Dimmitt.

The bride's brother, Weldon Sears of Lubbock, served as an usher, along with John Whitaker of Dallas and Randy Smithson and Jimmy Cleavinger, both of Dimmitt. The ushers also served as candlelighters.

The organist was Mrs. Virgil Mott, and the bride's cousin, Susan K. Sears of Brownfield, sang "The First Time Ever I Saw Your Face," "Ave Maria," and "The Lord's Prayer." The attendants entered as she was singing "What Are You Doing the Rest of My Life?"

As she was given in marriage by her father, the bride was dressed in a formal gown of ivory faille. It featured a slightly raised bodice with a high neck, and long, buttoned sleeves, both adorned with Venice lace. Lace beading and satin ribbon graced the pleated stand-up ruffles at the neck and cuffs, and also accented the waist and the deep flounce on the skirt and chapel-length train.

MR. AND MRS. STEPHEN WESLEY ANTHONY
... She's the former Susan Marie Sears

A Juliet cap of Venice lace and seed pearls anchored the fingertip veil, both accented by orchids framing the face.

The bride carried a cascade bouquet of orchids, needlepoint ivy, white starburst mums, baby's breath and springerfern, tied with eggshell, peach and apricot ribbons with green and brown pixie ribbons.

The feminine attendants all wore floor-length dresses of apricot georgette, featuring long sleeves and pleated bodices, and each carried cascade bouquets of the same mixture the bride carried.

Rose Birkenfeld celebrates birthday

By VIRGIE GERBER

Rose Birkenfeld was the honoree at a birthday dinner on Sunday at her home. Those enjoying dinner with her were, the Gene Schacher family of Lazbuddie, the Bryan Birkenfeld family of Lubbock, Mrs. Edna Schulte and Mr. and Mrs. F. A. Fetsch of Hereford, the families of Carol, Joe Lynn and Leslie Birkenfeld and the Allen Dobmeier family all of Nazareth. Lots of good food and an afternoon of fun and visiting.

Sheryl Schulte of Amarillo and Mrs. Vera Ramaekers drove to Odessa Friday to visit with the Bill Hoelting family.

Many football fans attended the game in Lubbock Saturday evening between Texas Tech and A&M.

The family of Mrs. Easy Schulte gathered at the Francis Gerber home Sunday afternoon to celebrate her birthday.

ALL the things I really like to do are either immoral, illegal, or fattening.

ALEXANDER WOOLLCOTT

Eleanor Kline to be speaker for Book Club

Mrs. Eleanor Kline of Lubbock will be the guest speaker at the Oct. 14 meeting of the Dimmitt Book Club in Rhoads Memorial Library at 4 p.m.

Invited by book club member Nancy Ross, Mrs. Kline cites reading as a favorite hobby, having been an avid reader all her life.

"She may speak about the Best Sellers list and why or why not to decide to read its selections," Mrs. Ross said.

Mrs. Kline's husband, who retired last year from his duties as a rabbi, will accompany her. His hobby is art, and he often gives lectures on the subject.

The review is open to the public, and will be preceded by a business meeting at 3:30 p.m. for members only.

Fire auxiliary prepares for open house

The Dimmitt Volunteer Fire Department Auxiliary held its salad supper Monday night at the fire station and 11 members attended.

It was decided that each member should bake one dozen cookies for the open house Sunday at the fire station in observance of Fire Prevention Week. The open house will be from 2 to 4 p.m.

The Auxiliary will hold a bake sale Oct. 12 at Dimmitt Super Market. Each member is to bake two items for the sale which will begin at 9:30 a.m. and continue until all items are sold.

PLAINS MEMORIAL

Susanne Arguijo now has a son, Michael, who was born Oct. 4 at 12:50 p.m. and weighed 7 pounds, 9 1/2 ounces.

A daughter, Cassie Nicole, was born to Olga Gonzales on Oct. 4 at 10:57 a.m., weighing 7 pounds and 4 ounces.

OUT OF TOWN

Mr. and Mrs. John Furr of Dimmitt have a new son, Michael Shane, who was born at 2:02 a.m. Oct. 1 in Northwest Texas Hospital in Amarillo. The infant weighed 9 pounds and 11 1/2 ounces and measured 21 1/4 inches long.

Happy anniversary!

Betty Webb honored by TOPS club

[Compiled from the Community Birthday Calendars sponsored by the Castro County Extension Homemakers and the Nazareth Swift Band.]

OCTOBER 8 — Judy Birdwell, Roy Henderson, Neal Tindol, Tracy Hatla, Madge Robb, Chad Davis, Peggy Huseman, Anita Schilling, Kenny Wagner.

OCTOBER 9 — Brandie Keel, Leona Kleman, Spurgeon Hutto, Pat Hightower.

OCTOBER 10 — Danny Newton, Harold Hyman, Dianna Parker, Bob Keel, Brad Buchanan, Cary Buchanan, Lena Durbin, Kerry Teafatiller, Pearl Hicks.

OCTOBER 11 — Sr. Herman Joseph Berkemeyer, Willie Faye Huseman, Connie Dennis, Margaret Waggoner.

OCTOBER 12 — Rena Standlee, Jake Isaacs, William Bellinghausen, Marie Brockman, Colleen Gerber, Analeen Lane, Kelly Schilling, Calvin Schulte.

OCTOBER 13 — Misty Ball, Ramona Heiman, Ryan Hoelting, Troy Johnson, Kathy Maurer, Kerri Collins, Danny Underwood, Tommy Stanton, Ed Standlee, Lindsey Welch, Isaac Jaso.

OCTOBER 14 — Brenda Bruton, Sam Albracht, Ricky Backus.

OCTOBER 15 — Fred Ball, Scott Brockman, Todd Hill, Keith Hoelting, Gene Hubbard, Mary Jo Pope, Paul Garcia, Rena Cates, Margaret Kuntz, Noma Wike, Paul Johnson, Ann Hays, Ralph Smith.

TOPS of Texas No. 386 met Monday night at Rhoads Memorial Library and the top loser was Betty Webb with two and one-half pounds.

KOPS was Carolyn Copeland. The club members drew for secret pals and discussed ARD in Canyon last Saturday.

The backsliders of the club gave a very interesting talk.

Pro-Family Forum will meet tonight

The Hart chapter of the Pro-Family Forum will meet tonight (Thursday) at 8 in the Farmers' State Bank community room.

A video tape of Sen. Phillip Crane (R-Ill.) making a recent speech in Lubbock will be shown.

The purpose of the forum is to promote Americanism, a spokesperson said.

The meeting is open to the public, according to the chapter's corresponding secretary, Laverne McLain.

15—LEGAL NOTICES

LEGAL NOTICE PUBLIC NOTICE
Notice is hereby given that Deaf Smith Electric Cooperative, Inc. (the "Utility") intends to change rates for electric utility service by adding a purchased power adjustment clause to all rates as soon as may be permitted by law. The changes are applicable to all areas to which the utility provides electric utility service. All classes of customers are affected by the proposed changes. The proposed rates will not immediately produce any increase in the operating revenues of the utility, however, if Southwestern Public Service Company is authorized to increase charges to the utility for wholesale power, then such increases will be charged to ratepayers of the utility.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the utility and the classes and numbers of utility customers affected is on file with the Public Utility Commission of Texas and the municipalities of Hereford and Nazareth.

The statement of intent is available for public inspection at the general office of the utility located at Hereford, Texas.

CAMPBELL MCGINNIS, ATTORNEY FOR THE UTILITY

15—LEGAL NOTICES

LEGAL NOTICE NOTICE
Notice is hereby given that the Board of Commissioners of the City of Hart, Texas, on the 28th day of September, 1981, passed an ordinance, whose descriptive caption and penalty clause is as follows, to-wit:
AN ORDINANCE OF THE CITY OF HART, TEXAS, DECLARING THE APPEARANCE IN PUBLIC IN AN INTOXICATED STATE UNLAWFUL, PROVIDING A PENALTY FOR VIOLATION OF THIS ORDINANCE, PROVIDING A SAVINGS CLAUSE, AND PROVIDING FOR AN EFFECTIVE DATE FOR ENFORCEMENT.
SECTION III: Any person, firm, association of persons, corporations or other organizations violating any provision of this Ordinance shall be punished by a fine of not more than \$200.00. Each and every violation of this Ordinance shall be construed a separate offense, and each day that such person violates any provision of this Ordinance shall constitute a separate offense.
SECTION V: WHEREAS, an emergency is apparent for the immediate preservation of health, safety and general welfare of the public that requires this Ordinance to become effective immediately; therefore, all rules to the contrary, requiring three (3) or several readings of this Ordinance are hereby waived, and the City Secretary is hereby directed to have a descriptive caption, together with the penalty clause of this Ordinance, published in a newspaper of general circulation within the City Limits of the City of Hart, Texas, for two (2) consecutive weeks, and this Ordinance shall be enforceable from and after the date of the second publication.

Obituaries

Lyle B. Jones

Lyle B. Jones, 75, brother of Dorothy Vaughan of Dimmitt, died last Wednesday in Amarillo.

Services were held at 2 p.m. Saturday in the First Baptist Church at Boise City, Okla., with the Rev. R.B. Mathis officiating. Burial was in Boise City Cemetery directed by White Funeral Home.

Mr. Jones was born in Harmon County, Okla., and moved to Cimarron County with his parents. He was a farmer for a number of years in the Wheelless Community.

He was a Denver-Amarillo Express Motor Freight agent from 1948 until the time of his death.

He married Wanda Newberry in 1949 in Clayton, N.M.

Survivors include his wife; a son, Wallace Jones of Boise City; three daughters, Darlene Cox of Guymon, Lynda Wait of Hurst and Jan Burdick of Guymon; two brothers, Sam Jones of Jonesboro, Ark., and Hardy Jones of Palmdale, Calif.; three sisters, Orabelle Odorizzi of Lubbock, Mrs. Vaughan of Dimmitt and Jeannie Weed of Orange, Calif.; and eight grandchildren.

Earl Moore

Services for Earl Moore, 68, a lifetime resident of this area, are pending with Parson-Ellis Funeral Home of Earth.

Moore, of Amherst, died about noon Tuesday in Knight's Rest Home in Littlefield after a lengthy illness.

He was born in Plainview and had lived in Amherst the past 16 years. He was a retired farmer. He married Alma Jones June 30, 1934, in Dimmitt.

Survivors include his wife; a son, Richard of Earth; a daughter, Coleen Scott of Los Alamos, N.M.; a sister, Christine Nunn of Clovis, N.M.; two brothers, Edgar and Robert, both of Clovis; five grandchildren; and two great-grandchildren.

Julia B. Garza

Services for Julia Beltran Garza, 39, sister of Lasara Rodriguez of Dimmitt, were held Wednesday at San Jose Catholic Church in Lockney.

Mrs. Garza, of San Antonio, was found dead about 7 a.m. Saturday under a bridge in Dallas. She had been shot 24 times sometime during the night, according to Medical Examiner Dr. Stephen D. Cohle, who ruled the death a homicide.

Richard Durham

Services for Richard John Durham, 81, brother of two Hart residents, were held Tuesday in the Brownfield Funeral Home Chapel.

Rev. Donald Turyear, pastor of the Church of the Living God, officiated. Burial was in Terry County Memorial Cemetery, under the direction of Brownfield Funeral Home.

Mr. Durham died at 8 p.m. Saturday at an Odessa nursing home after a lengthy illness.

Born June 2, 1900, in Jackson County, Mr. Durham married the former Susie Ellen Daughtery on March 23, 1920, in Parker County. They moved to Terry County in 1940 and to Seagraves in 1958. His wife died Oct. 2, 1978. He moved to Odessa about two years ago.

He was a farmer.

Survivors include two daughters, Mrs. Ernest (Loneta) Carnley and Mrs. Mary Etta Collier, both of Midland; eight sisters, Mrs. Elly Clay and Mrs. Harvey Davis, both of Hart, and Lema Durham, Mrs. Belvia Cameron, Mrs. C.F. Neighbors, Mrs. James Hartsill and Mrs. Jutson Henderson, all of Brownfield; three brothers, Marvin, Hubert and Edward, all of Brownfield; three grandchildren; and seven great-grandchildren.

Michael Darren Webb

Services for Michael Darren Webb, 17, grandson of Mrs. Ruby Webb of Dimmitt, were held Monday at Paramount Terrace Christian Church, with the Rev. Roy Wheeler, pastor, officiating.

Burial was in Llano Cemetery, under the direction of Schooler-Gordon Funeral Directors.

Webb died Friday in what police describe as an apparent firearms accident. Justice of the Peace L.B. Bartlett said it appeared the youth was playing with a .38 caliber pistol and it went off, wounding him in the head.

Webb was a senior at Tascosa High School and was employed by Adam's Rib Restaurant. He was a member of Paramount Terrace Christian Church and a past member of the Navy ROTC.

Survivors include his mother, Sylvia Webb of the home; father, Lee Webb, and step-mother, Mrs. Kathy Webb of Amarillo; one brother, Stephen, of Amarillo; grandfather, Jack Evans of Amarillo; grandmother, Mrs. Ruby Webb of Dimmitt; and great-grandparents, Mr. and Mrs. B. F. Evans of Post.

READY FOR A PIE?—If you need more proof of the outstanding vegetables being grown by local gardeners this year, here it is. Jo Gordin shows some of the sweet potatoes which she and her husband, Les, raised in their garden near the El Paso Natural Gas Co. plant. The big bunch is eight yams on one plant, with most running nine inches in length. The biggest one Mrs. Gordin is holding is 10 inches long and 10 1/4 inches in girth. "Not many people grow sweet potatoes here because they're a little trouble; you have to set out the plants individually," Mrs. Gordin explained, "but we can grow them here as pretty as anywhere."

More about

Congressmen ...

[Continued from Page 1] afternoon hearing on migrant housing development programs administered by the Farmers Home Administration.

The 2 p.m. hearing by the Housing and Community Development Subcommittee will be at the county commissioners' courtroom in the Bexar County Courthouse.

"I want to find out why, and how, the federal government can improve housing programs for all rural Americans. Despite the need, less than half the money available to develop farm-worker housing is actually

used," Gonzalez said. Gonzalez will hold a hearing Saturday morning on the condition of the housing industry in general. That hearing will be at the San Antonio Board of Realtors auditorium in San Antonio.

He will call on builders, suppliers, subcontractors, realtors and frustrated home buyers during the all-day Saturday session, Gonzalez said.

"We have unprecedented demand for new homes, and plenty of people who would be able to buy homes, if they could get loans at affordable rates," he added.

Kiwanis won't meet Monday

Because of the installation banquet set for next Thursday night, the Dimmitt Kiwanis Club will not meet Monday at noon.

It was announced that Dale Wells, local minister, has agreed to lead the singing for the banquet, which will begin at 7:30 in the Dimmitt City Hall meeting room. Club member Elmer Berryhill agreed to serve as master of ceremonies, and club member Leroy Maxwell will give the invocation.

Club President Charles Richard said that District 33 Lt. Governor Tom Caldwell of Amarillo will conduct the installation.

Richard also announced that the 4-H Club of Dimmitt has agreed to help provide additional acreage for the Kiwanis' annual pheasant hunt, and so will share in the profits from the project, along with the Kiwanians and the Dimmitt FFA.

At Monday's meeting Nathan Lockmiller, special education director for the Dimmitt school system, presented a program covering the various aspects of his work.

"Special education covers a wide range of students who are not able to learn in the regular classroom situation," Lockmiller told the group, adding that the needs of the students may vary from the learning disabled, who have a normal or higher level of intelligence, to the trainable mentally retarded, who are extremely limited in their academic abilities.

John Detten of Bovina was a guest at the meeting, along with Key Clubbers Billy Jordan and Rita Ramos. Fourteen club members and the club sweetheart were present.

According to information reported recently by the American Public Health Association, employment-related accidents caused an estimated 13,000 deaths annually in the US and more than 25,000 amputations.

PLAYING THE SIDELINE—Tulia's Mark Stringer [84] and Karl Travis [40] drive Dimmitt quarterback Richard Guzman out of bounds at the Tulia 44 in the second quarter of Friday night's Bobcat-Hornet game. In background, Dimmitt's Mario

Moreno [65] goes after Tulia's Kelly Williams. This third-down defensive play by the Hornets forced the Bobcats to punt. Tulia won the game, 41-7.

Longhorns topple Valley, 23-7; face Olton in Homecoming game

After an off week, the Hart Longhorns traveled up the road to face the undefeated Valley Patriots Friday. At night's end, the Longhorns showed a lot of determination in their 23-7 victory. The win at Valley upped the Longhorn record to 2-2 for the year.

After taking the opening kickoff and making one first down, the Longhorns were forced to punt. Valley moved from its own 17 to Hart's 18, but the Longhorn defense stiffened, forcing the Patriots to give the ball up on downs.

Midway through the second quarter the Longhorns got their offense rolling from the 35 yard line. With good line blocking and key runs from Alex Carrasco and Coy Myrick, Hart had a first down at the Patriots' 25-yard line. Quarterback Derek Rich then hit Jorge Barretero for a 25-yard scoring toss with 6:53 remaining in the half. Clay Barnes added the PAT giving Hart a 7-0 lead.

Valley took the ensuing kickoff and drove to the Longhorns' 4-yard line. The big play was a 47-yard pass from Richey Fuston to Kevin Hendrix. Hendrix was run out of bounds at the four by David Hernandez. The Longhorns dug in and held the Patriots for four downs.

At the half the scoreboard still read Hart 7 and Valley 0. Valley came out "fired up" to begin the second half of play. Taking the ball at their own 28-yard line following the kickoff, the Patriots found paydirt in only two plays. Hendrix reeled off 21 yards on the first play from scrimmage and followed it with a 51 yard touchdown run. Hendrix then

added the tying PAT. With only 27 seconds gone in the third quarter, Valley had tied the score at 7 apiece.

Unable to move after the kickoff, Hart gave the ball back to Valley at their own 31 yard line. From here the Patriots moved to Hart's 14-yard line. Facing fourth down and less than a yard, the Longhorn defense stopped Hendrix thus adding more frustration to the Valley offensive unit.

Hart then mounted a good drive of its own. Aided by runs from Alex Carrasco and Bobby Valadez the Longhorns got as close as the 20-yard line before the Patriots intercepted a Hart aerial in the end zone, ending the third quarter with the score still knotted at 7 apiece.

Midway through the final period Hart was forced to punt from the 50-yard line. Punter Derek Rich got off a booming, high punt. Valley tried to field the punt at the one-yard line. However, good coverage by Jorge Barretero, Dale Scott, and Abel Reyna forced a fumble and Jorge Barretero recovered it in the end zone for a Longhorn score. Bobby Valadez ran for two points to give Hart a 15 to 7 lead with 5:23 remaining in the ballgame.

Hart held the Patriots twice in a row, and with less than 3:00 minutes left Bobby Valadez circled left end, broke a tackle at the line of scrimmage and went the 25 remaining yards for the touchdown that iced the game. Coy Myrick added the final two points to push the score to its 23 to 7 margin and a Hart victory.

"It was a big win for our youngsters and our program," commented head coach Ken Hoskins. "Our specialty team played super throughout the game, especially Derek's punting. This win was truly a team effort." Coach Hoskins added that the offensive line had made great improvement over the past two weeks

allowing Hart to hold onto the football, and not giving the Patriots' explosive offense too many opportunities to score.

Hart will meet Olton Friday in Longhorn Stadium at 8:00 p.m. It will be the Longhorns' Homecoming.

Braddocks sweep Brown Swiss Show

At the 64th Annual Dairy Show of the Panhandle-South Plains Fair last week in Lubbock, every placing, except for one, in the junior and open divisions of the Brown Swiss breed was won by Cecil, Charles, Gerald, Raymond, Thomas or Vincent Braddock, all of Nazareth.

The Grand Champion of the whole breed was shown by Gerald, who also had the Reserve Grand Champion. Vincent was named premier exhibitor and premier breeder.

Champion of the open division was also shown by Gerald, and the junior division champion and reserve champion were shown by Thomas.

Other categories and placings were:

Open Division
Bull calf — Gerald 1st, Vincent 2nd, Raymond 3rd.
Yearling bull — Vincent 1st, Raymond 2nd, Charles 3rd.

Champion bull — Vincent. Reserve champion bull — Raymond.
Junior heifer calf — Vincent 2nd, Thomas 3rd.

Senior heifer calf — Raymond 1st, Cecil 2nd, Vincent 3rd.
Junior yearling heifer — Gerald 1st, Cecil 2nd, Vincent 3rd.

Senior yearling heifer — Raymond 1st, Vincent 2nd.
Junior champion female — Raymond.

Junior get-of-sire — Gerald 1st, Vincent 2nd, Cecil 3rd.
Cow, two years old — Vincent 1st, Gerald 2nd, Thomas 3rd.

Cow, three years old — Vincent 1st, Thomas 2nd, Thomas 3rd.

Vincent 1st, Thomas 2nd, Gerald 3rd.

Cow, four years old — Gerald 1st, Vincent 2nd, Raymond 3rd.

Aged cow — Gerald 1st and 2nd, Vincent 3rd.

Dairy herd — Gerald 1st, Vincent 2nd.

Best three females — Gerald 1st, Vincent 2nd, Raymond 3rd.

Get-of-sire — Vincent 1st and 2nd, Thomas 3rd.
Produce of dam — Vincent 1st, Raymond 2nd, Vincent 3rd.

Best Uddered cow — Gerald 1st, Vincent 2nd and 3rd.

Junior Brown Swiss
Heifer calf — Thomas 1st. Cow, two years old — Thomas 1st.

Aged cow — Thomas 1st.

Police calls

City police and state troopers arrested four men this week on misdemeanor DWI charges. One man paid a fine of \$400, while one paid a \$257.50 fine. The other two posted bond and their cases are pending.

One man and one woman were arrested on drunk pedestrian charges. Both were fined \$100.

A 27-year old Tulia man was arrested on public intoxication charges and fined \$100.

A 48-year old Tulia man was arrested for driving while his license was suspended. He posted bond and his case is pending.

Quail bag limits higher this fall

Strong quail populations across most of the state prompted Texas Parks and Wildlife Commissioners to approve higher than normal bag limits for the upcoming quail season.

The commission had delayed setting the bag limits until August quail counts were completed by Parks and Wildlife Department personnel. A rainy spring and early summer over most of the state caused the bumper crop of birds, officials said.

Most of South Texas, the Eastern Panhandle-South Plains and a portion of North Central Texas will have a bag limit of 20 quail per day and a possession limit of 60.

Other sections of the state will have daily limits of 16 or

12, depending on quail population estimates. In the western Panhandle area, the daily bag limit will be 12.

The 1981-82 quail season for most counties in the eastern half of the state will be Nov. 14, 1981 through Feb. 14, 1982. In the Panhandle, Trans-Pecos and South Texas the season will be Oct. 31, 1981, through Jan. 31, 1982. To determine the season in the county to be hunted, consult the department's free 1981-82 hunting regulations leaflet, available at department offices and hunting license outlets across the state. A complete listing of the bag limits by county has been distributed to department offices and license outlets.

Boys Ranch will be DHS Homecoming foe

By JOHN BROOKS

Dimmitt's Bobcats have seen enough mums the last two weeks to stock every florist shop in, well, Wolfforth and Tulia. Now, it's mums time for the Bobcats, as Boys Ranch comes to Bobcat Stadium Friday for the Dimmitt High School Homecoming game.

Hopefully, the trainers will get to remain "mum" on the sidelines this game.

"Brad Holcomb, Phil King, Bill Johnson, Jay Nelson and Larry Espinosa are all questionable," said Coach Mike Major. Holcomb, King, Johnson and Espinosa were all injured during the Tulia game, while Nelson suffered a leg injury against Frenship two weeks ago.

"Holcomb was dismissed from the hospital over the weekend. He had a deep bruise on his knee, and is the most questionable," explained Major. "Hopefully, he'll be able to go, and so will everyone else. We will probably also have Ty (Koch, who suffered a concussion against Frenship) back this week. He sure wants to go, and the doctor says its okay."

Boys' Ranch has only four returnees back from last year's unit that shellacked the Bobcats, 35-8. The top two returnees are Chris Rattan and Willie Darnell, in the

backfield. "They're big and fast," said Coach Major, "and they have a year's experience going for them that is bound to help. They run out of the Power-I, and these two are just perfect for that backfield — one with strength and quickness, the other with really good speed."

"Coach (Ben) Adams told me on the phone the other day their offense was probably further along this year than it was last year," said Major, "and they've been effective, most of the time, on defense. They like to blitz and stunt with their linebackers. It's going to be tough on our line to pick them up when they play those defensive games with us."

"Friona has thrown the ball well most of this year," explained Major, "but they weren't able to keep Boys' Ranch out of their backfield much at all. We're going to have to keep those guys out of there."

What about the plans for the Bobcats?

"We'll have to keep our contact work (during the week's practices) to a minimum. We've got to get our injured people well," be-moaned Major. "Some of these guys have been weakened by this 24-hour bug or whatever it is going around, and we'd like to have everyone well all week long. Last Monday, we only had 13 varsity people suited up for practice, with injuries and illnesses making it almost impossible to do any real work."

"I can't say enough words about the good efforts of our defensive ends, Johnny Gonzales and Zeke Garcia," praised Major. "When we fumbled the ball the second time in the first quarter, all I could think was 'Oh, no!' But Johnny and Zeke made three outstanding plays in a row, and did another good job when they were knocking on the door at the end of the second quarter, when they got the field goal."

"I think we may have been able to stay with them in the second half, if we had kept Phil healthy and (quarterback Richard) Guzman got banged up a little bit, too. Our backups, Gabriel Montiel and Tim Kenworthy, just haven't had that much work. They're very capable, but Montiel just joined the team last week, and Tim's just a sophomore. I'm confident they'll be able to help us, they just need some work. And they'll gain confidence with experience. But Guzman is our No. 1 man, and he did a great job while he was in there."

"We're going to put in a couple of new things," said Major. "They shoot their linebackers so much, we'll have to do some things in the line to capitalize on that. And we're going to work on our running game. Our ground game was not too effective last week. They (Tulia) were dropping their safety 20 yards off the line of scrimmage. We've got to keep Boys' Ranch more honest than that."

Major also had nice words for the fans.

"We really appreciate the support we had in Tulia, and hearing those folks screaming in the stands for our kids was good to hear. I hope our fans go hoarse this week."

State sets seasons, limits on waterfowl

The Texas Parks and Wildlife Commission has set 1981-82 waterfowl hunting seasons and bag limits with very few changes from the previous year's regulations.

An increased bag limit for dark geese in the eastern portion of the state was adopted with one change. Hunters will be allowed to take one Canada and one white-fronted goose, where last year they were limited to one Canada or one whitefront. Possession limit for dark geese is twice the daily limit.

Hunters are reminded that a new \$5 state waterfowl stamp, created by the 67th Texas Legislature, is required for all waterfowl hunting in Texas in addition to a valid hunting license. The stamps are available from department offices and at hunting license outlets. Federal law also requires hunters to purchase a federal migratory waterfowl stamp, available at most post offices.

All waterfowl regulations will be published in the department's migratory game bird regulations supplement, available at hunting license outlets by late September.

Duck bag limits are based on a 100-point system, with values assigned species and sexes of ducks. All point values for the 1981-82 seasons will be the same as in 1980-81, with the exception of placing black ducks on the 70-point list.

The duck and coot season for the eastern portion of the state will be Nov. 7, 1981, through Nov. 29, 1981, and Dec. 12, 1981, through Jan. 17, 1982. In the high Plains Mallard Management Unit the season will be Oct. 27, 1981, through Jan. 17, 1982. The unit is west of a line formed by US Highway 277 from Del Rio to Abilene, State Highway 351 from Abilene to its junction with US Highway 180 near Albany, then north on US Highway 283 to Vernon and then on US Highway 183 to the Texas-Oklahoma border.

Duck point values are: Canvasbacks 100; hen mallards, Mexican-like ducks, black ducks, mottled ducks, wood ducks, hooded mergansers and redheads are 70; all teal species, pintails, gadwalls, scaups, shovelers, and

widgeon (baldpate) and mergansers (except hooded), are 10 points. All other species and sexes are 20 points statewide. The daily bag limit is reached when the point value of any birds taken reaches or exceeds 100 points. The season is closed on masked ducks, black-bellied and fulvous (whistling) tree ducks.

The goose season east of US Highway 81 will be Nov. 7, 1981, through Jan. 17, 1982. Daily bag limits in that area will be five light (snow, blue, Ross') geese plus one Canada and one white-fronted goose. Possession limit is twice the daily limit.

West of Highway 81, the goose season will be Oct. 27, 1981, through Jan. 17, 1982. Daily bag limit will be five geese, possession limit 10. The daily bag limit cannot include more than two dark (Canada and white-fronted) geese, and the possession limit may not include more than four dark geese.

Shooting hours for ducks and geese statewide are 30 minutes before sunrise to sunset, except during the Sept. 12-20 teal duck season, when the hours are sunrise to sunset.

The sandhill crane season also is basically unchanged from 1980-81. In Zone A (which includes roughly the Trans-Pecos, Permian Basin and Western Panhandle-South Plains) the season will be Oct. 31, 1981, through Jan. 31, 1982. The Zone B (Eastern Panhandle-South Plains) season will be Dec. 5, 1981, through Jan. 31, 1982. Daily bag limit is three, possession limit six in both zones.

The taking of sandhill (little brown) cranes is illegal outside the two designated zones. A special permit, issued free upon written request to the department, is required of all sandhill crane hunters.

Waterfowl may contain pesticide

Some of the ducks and geese migrating to this area this fall may contain high levels of a potent pesticide.

Geese and ducks that fed on spring wheat in Montana have been found to contain high levels of Endrin in their livers, skin and body fat. The pesticide was sprayed on seedling wheat in that region to control cutworms.

Hunters bagging ducks and geese this year are advised to skin the birds, throw away their livers and cut away as much of their body fat as possible. Children and pregnant women are advised to eat little or no wild duck or goose this season, and others are cautioned to have no more than one meal per week of the game birds.

Waterfowl stamp to aid research

The new \$5 stamp required for Texas duck and goose hunters during the 1981-82 hunting seasons will be a valuable management tool for the state's waterfowl biologists.

Revenues from sales of the stamp are to be spent on waterfowl research, management and habitat acquisition, leasing and development. Additionally, the names, addresses and telephone numbers of stamp purchasers will provide a base for harvest surveys in the future.

The stamps are available at Texas Parks and Wildlife Dept. offices and at hunting license outlets across the state. Federal law also requires waterfowl hunters to purchase federal migratory waterfowl stamps, available at most post offices.

TOP STATE WINNER—County ASCS Director Charlie Hill (seated) and District Director Bullet Adams look over Hill's award certificate naming him as recipient of the Administrator's Award for Service to Agriculture — the top ASCS honor in the state. Adams said that Hill's qualifications that earned him the

state title will be forwarded to competition on the national level. Hill was cited for his 40 years of service in the ASCS, for his help to many agricultural projects, and for his training of several employees who have gone into the national ASCS office, as well as some in the state and national legislatures.

City adopts new dance ordinance

At its regular meeting Monday, the City of Dimmitt's Board of Aldermen hired Paul Catoe of Dimmitt as the new city manager/city secretary, adopted a new ordinance governing public dances, found a way to help prevent vandalism at the city airport, and agreed to replace several city water well motors.

Catoe will assume his duties Monday. He succeeds former manager/secretary Garnett Holland, who recently resigned for personal health reasons.

Mayor R. L. Fleming and the board welcomed Catoe and offered him their help and cooperation, saying that he was chosen from among many "outstanding applicants," all local people except one.

Ordinance No. 392 was passed repealing Ord. 236 and amending sections of the city code governing public dances and dance halls.

Any person holding a dance must first apply for a dancehall license for the building where the dance will be held, at a cost of \$2 per year, after application to and inspection by the Dimmitt Chief of Police.

Then a permit for each dance in such building must be obtained by paying a fee based on the estimated cost of police protection, supervision and regulation required for the dance, or the fee may be waived if the applicant provides adequate internal security.

Applications for dance permits may be made from 24 hours to 60 days before the dance is to be held.

On the permit fee regulations, an exclusion is granted for public dances held by reputable, permanently established clubs, and teen dances under the sponsorship of two or more adult couples present at all times, where the proceeds are used in a non-profit project.

In the case of a dance hall providing its own security personnel, they must be licensed as security guards under state law. Any disturbances at the dance must be handled by the security personnel, and any persons attending the dance who are determined to be publicly intoxicated or in violation of state law or city ordinances must be restrained by the security personnel and transported by them to the Castro County jail in the courthouse and remain under their control until signed over to the Sheriff's Dept.

Dimmitt Police Chief Ron Mitchell is authorized to revoke dance permits or licenses for failure to maintain order at dances, or if buildings do not pass inspection.

Alderman Fred Annen reported to the board that a Federal Aviation Administration official in Albuquerque suggested that the best method found by the administration to prevent vandalism at airports was to have someone living on the premises or near the approach to the airport who would keep an eye on things.

Police chief Mitchell agreed to move his mobile home to the airport in exchange for the city paying his utilities.

Annen said that he thought the savings on repair of damage would more than compensate for the cost of the utilities, adding that another plane had been shot up after the early-September incident in which two planes were extensively damaged.

Annen also said that the city has just paid for replacing the beacon light at the airport, at a cost of \$900, because of vandalism, noting that runway lights also have to be replaced frequently.

Mayor Fleming remarked that "Someone around here is sure trigger-happy."

The board voted to have the required two hearings for re-allocation of Revenue Sharing Funds to allow for replacement of some of the electric motors on city water wells by submersible pumps.

Director of Public Works Ned Smith reported that some of the motors are much too powerful for the light load they pull, adding that the submersible pumps would be more efficient and require less maintenance.

In other business, the board:

—Voted to begin work on the outside portion of the drive-in window project at the city hall, including the laying

of the concrete drive, and begin working up specifications for the deposit window unit.

—Named members of the City of Dimmitt Board of Adjustments Jimmy Gregory (in place of Bill Gregory), George Lamberth, Donald

Shelton (in place of Harold Stephens), Bill Snyder, and Carter Townsend, with Earl Chaney and Chuck Braafadt as alternates.

—Approved expenditures on various Dimmitt Volunteer Fire Dept. expenses — purchase of a new US Flag, the

Firefighter of the Year trophy, and travel expense reimbursements for various educational training courses Fire Marshal Ron Antelak has been attending and will go to in the next month.

—Gave police chief Mitchell permission to look into

posting school zone speed limits of 20 miles per hour on all streets around the elementary and middle schools, particularly on West Stinson, because of complaints received from residents of the area and concerned parents of school children.

FORMER FIREFIGHTERS RETURN—When the Dimmitt Volunteer Fire Dept. and Auxiliary hold their annual awards banquet tonight (Thursday) as a highlight of National Fire Prevention Week, it will be the second major event within a month for the firemen and their wives. The department held a reunion during the recent Harvest Days celebration, and these

former firemen were among the 73 attending. From left are Lonnie Shelton, Harlin Dodd, John Wood, Butch Strickland, Joe Wall, Blackie Blackwell, Willie John Word, James Slough and Frank Britt. Several of these former firemen are also expected to be at tonight's banquet to hear the announcement of the 1981 Fireman of the Year. (Photo by Bill Conyers)

HHS students picked for gifted-talented program

Selected students of Hart High School will participate in the Gifted/Talented Seminars

program for the second year. The 1980-81 school year was the first year of participa-

tion in the seminars program sponsored by the Region XVI Educational Service Center. Don Ickles is coordinator for the program in Region XVI.

According to guidelines laid down by TEA and Region XVI Service Center, selected students should be in the top 5% of their school, based on their academic ability. In HHS this 5% would be about eight students, with two alternates permitted.

In the selection process a faculty committee had a list of five students from each class who made the highest composite score on the SRA achievement tests. From this list, the committee selected eight students to participate in the program for the 1981-82 school year. In addition to the eight, two alternates were selected to attend the seminars in case a regular member is able to attend.

Students selected in the final screening by the committee members present were seniors Clay Barnes, Suzahn Rowland, Teresa Mapp and Derek Rich; juniors Jennifer Davis and Dan Jones; and sophomores Denny Lacy and David Wall.

Alternates are Linda Booe, a junior, and Darrell Ethridge, a freshman.

Though the program will have several changes from last year, the goal and objectives are essentially the same.

"The seminars are designed to offer programs that will enable each individual to further develop potential and special abilities," said David Grayson, coordinator, "to develop within students a desire for excellence and a sense of individual responsibility to the school, community and to the changing society."

Steve Anderson and Janis Hutcheson

All-Region Choir has two from DHS

Janis Hutcheson, alto II, and Steve Anderson, bass I, have earned places in the All-Region Choir and are now eligible for a second audition for All-State Choir tryouts.

Sixteen students were selected for each section. The second audition will be Nov. 7 in Lubbock. As All-Region Choir members, Miss Hutcheson and Anderson will attend a two-day choir clinic in December.

Both students are members of the Dimmitt High School Singers and Show Choir.

Young Homemakers plan craft bazaar

Dimmitt Young Homemakers will sponsor an Arts and Crafts Bazaar Dec. 5, and the deadline for reserving booths is Nov. 15.

The bazaar will be in the Castro County Expo Building from 8 a.m. to 6 p.m. Booth spaces are \$20 for one-person booths, and \$25

for more than one in a booth. There will be no admission charge to the bazaar, and door prizes will be given. A concession stand will serve food and drinks.

To reserve spaces, call Sherri Baldrige at 647-3686 after 4 p.m., or Teresa Parsons at 647-4553.

Texas banks major source for agricultural lending

As of the first of the year, 1,212 of the 1,500 banks in Texas held farm loans of more than \$2.9 billion, a spokesman for the Texas Bankers Association reports.

"Of the total amount Texas banks provided for agriculture, \$2.35 billion went for non-real estate purposes, while over \$550 million was devoted to agricultural real-estate lending," said Bob Greer, TBA president, citing results of the American Bankers Association's annual agricultural credit activities report.

"By comparison, Production Credit Associations provided \$963 million; the Federal Intermediate Credit Banks, \$146 million; the Farmers Home Administration, \$865 million; and the Commodity Credit Corporation, \$90 million in non-real estate farm loans in 1980," Greer said.

In real estate loans, Federal Land Banks provided \$1.8 billion; life insurance companies, \$994 million; Farmers Home Administration, \$324 million; and individuals and others, \$1.9 billion. Nationally, banks held a total of \$40.3 billion in agricultural loans, 38.3% of the market share of non-real estate loans and 9.5% of the market share for loans secured by farm land. The total farm debt held by all major lenders during 1980 was up 11.3% from the year before.

Greer, who is also chairman of the Cullen Bank of Houston, said that banks in Texas are making every effort, through improved lending programs, to meet the changing credit demands of Texas farmers.

Four place in Lubbock sheep show

Four Dimmitt girls won honors at the sheep show of the Panhandle-South Plains Fair in Lubbock last week.

Jan and Jill Kaderly swept the Hampshire division, winning seven awards including the champion ewe. They also placed first with a pair of yearling ewes, first with a pair of ewe lambs, and first in the flock class.

The twin 4-H's also rated second place in the yearling ram class, second with a pair of both sexes, and second with a pen of three.

Jerri Ka Clark took third place in nearly every class of the Southdowns division, as well as second place on a pair of ewe lambs in the Hampshire division.

The classes in the Southdowns division in which Miss Clark placed were junior ram lamb, pair ram lambs, pair yearling ewes, pair ewe lambs, pair both sexes, pen of three, and flock.

Connie Robb took third place in the Suffolks, heavy-weight class under the junior lambs division.

Townhall meeting Tuesday to focus on child abuse

A slide presentation depicting victims of child abuse will begin the Castro County Townhall Meeting on Child Abuse Tuesday at 7:30 p.m. in the County Expo Building.

"It's not meant to sensationalize the issue, but rather to bring it home with greater force," said Texas Department of Human Resources Area Supervisor Homer Ann Hooper, who will be one of the speakers at the meeting.

Mrs. Hooper added that several other DHR officials from throughout the area may also attend the meeting, which is being sponsored by the Castro County Child Welfare Board.

Newly appointed 64th District Court Judge Jack Miller will give the welcome, and Castro County Attorney/District Attorney Jimmy Davis will speak on the legal issues concerning child abuse.

"Some of the things we hope to accomplish with this

meeting is to first of all make people aware that a problem of child abuse does exist in Castro County," said Board President Angela Acker.

"Once people are aware of the problem and then of what resources there already are in the community, we hope to stimulate other groups to begin new programs or

provide new sources of support, comfort or aid for the victims as well as for the abusers," said board member Linda Maxwell.

"We'd particularly like to see the starting of a Parents Anonymous group, or something similar, or even just establishing a system of obtaining moral support or

counseling for any who might request it," Mrs. Maxwell added, saying that she felt that church groups might be interested in a project of this kind.

Mrs. Acker said that special invitations are being sent to churches, civic clubs, organizations and groups throughout the county encouraging attendance and asking the groups to send a formal representative to the meeting if at all possible to assure that information from the meeting can be returned to the groups for those unable to attend.

It is particularly important for those who would be on the "front line of action" to be adequately informed, especially doctors, nurses, school nurses, gym teachers or coaches, counselors and ministers — those who would be more in the position to see evidence of abuse or who a child or parent might turn to for help.

Other speakers at the meeting will include DHR foster home licensing worker Debbie Ferriter, speaking about the present foster-care program in the county and the need for more foster homes; local child welfare caseworker Carla Major; Genell Craig, caseworker for the local office of the Central Plains MH/MR Center, will tell about various educational and counseling programs available for those in "high risk" situations; foster parent Mildred Washington, telling the story from the foster parent's point of view; Pat Bagley, Dimmitt High School teacher and CWB member, presenting ideas for community involvement; and Mrs. Acker and Mrs. Maxwell.

The meeting is scheduled to last for only an hour, followed by refreshments and a discussion period.

Get space now for Chamber fun breakfast

The Dimmitt Chamber of Commerce has set Nov. 21 for its Christmas Fun Breakfast to kick off the Christmas season here.

Any merchant wanting to rent a booth space for \$25 is asked to contact the Chamber of Commerce office. Each merchant will gather together all their gift ideas and take them to the Expo building on Nov. 20.

Merchants should decide how they want to handle displays. They may sell on the spot or take orders to be picked up at their store.

A table will be furnished, but any special display equipment will be up to merchants. There are electrical outlets, but merchants must furnish extension cords.

Merchants are advised to reserve a space now, as only 20 booths will be available.

More about Carnival ...

[Continued from Page 1] week, and it will be open all day Oct. 30 and 31 for the setting up of booths.

The Lions Club Tuesday set the admission price to this year's carnival at \$1 for adults and 50 cents for children. An old pair of eyeglasses may be substituted for the admission price.

In addition to having game and food booths, the carnival will feature a costume contest for the youngsters.

Fire prevention

Should you fight that fire or not?

According to the President's Commission on fire, the chances are that the average family will have one fire in every generation serious enough to call the fire department.

How you react to an emergency can determine whether your house burns down or whether you are hurt or killed.

Your first responsibility is to PREVENT fires. The most effective way to accomplish this mission is to know the dangers of fire and the methods used to prevent such fires.

One of the most glaring deficiencies in the prevention service system is the number of deaths and injuries that occur because people do not

know what to do if a fire did occur in their home. Not only should you know what to do, you need to know what NOT to do. For instance:

- Do Not Fight the fire if it is spreading beyond the spot where it started.
- Do Not Fight the fire if it could block your exit.
- Do Not Fight the fire if you aren't too sure how your fire extinguisher works.
- Fight the fire if you've called the fire department first.
- Fight the fire if the fire is small. (Confined to its origin.)
- Fight the fire if your extinguisher is in working order and you know how to use it.
- Fight the fire if you know enough to get out fast if your effort is failing.

Swifts down Anton; prepare for district play

CALVIN SCHULTE picks up some tough yardage against Anton in the Nazareth Swifts' Homecoming game Friday night. The senior fullback was Nazareth's leading ground-gainer and scorer in the Swifts' 21-8 victory.

Virgil Huseman and Calvin Schulte ran for 226 yards and Schulte scored two touchdowns to lead Nazareth to a 21-8 victory over Anton in the Swifts' Homecoming game Friday night.

On the Swifts' first touchdown drive, the offense attacked and carried the ball 64 yards in only six plays. That score came with 4:24 left in the first quarter. Facing fourth down and eight

yards to go on the Bulldogs' 37-yard line, the Swifts went for the first down and ended up with a TD when Johnny Schmucker completed a 37-yard pass to Eric Wilhelm. The kick by Calvin Schulte was good and put the Swifts out in front, 7-0.

With 9:55 left in the second quarter, Anton's only touchdown came on a 15-yard pass to Scotty Davis from Ronnie Buchanan. Buchanan ran in the two-point conversion to give Anton an 8-7 halftime lead.

The Swifts' second touchdown came with 5:24 left in the third quarter on a four-yard run by Calvin Schulte. The kick by Schulte was good and NHS was on top again, 14-8.

A few minutes later, as time ran out in the third quarter, Schulte scored again on a six-yard run. His kick was again good and gave the Swifts their 21-8 Homecoming victory.

Virgil Huseman carried the ball 13 times for 98 yards and Calvin Schulte carried 24 times for 128 yards. The Swifts rushed for a total of 257 yards and completed two of five passes for 44 yards.

"The difference in the game," commented Coach Ken Cole of Nazareth, "was that our offensive and defensive lines controlled the line of scrimmage. The plays of our defensive line, ends and secondary were the key to our

defense. "The play of the offensive line was better than against Whiteface and this allowed us to get the ball to Virgil Huseman more," said Coach Cole.

The Swifts, now 4-1, will travel to Lazbuddie Friday night to begin district play.

"Lazbuddie has a good team and we're going to have to play well to win," said Coach Cole. The game starts at 7:30.

Dimmitt's 7th loses to Tulia

Tulia 7th graders edged a visiting Dimmitt 7th grade team 20-14 last Thursday. Jesse Gonzales scored all of Dimmitt's points. The first score came on a 73-yard run by Gonzales in the third quarter. He also ran over the PAT. Gonzales scored again in the fourth stanza on a 68-yard run.

Gonzales was named an outstanding offensive player, along with Eddie Ellis and Mark Standlee.

Outstanding defensive players were Ruben Martinez, Jerry Gonzales, Scott Killough and Paul Herrera. Dimmitt's record is now 1-3.

Eighth grades deadlock, 6-6

Dimmitt 8th grade went to the air late in the game last Thursday and scored on a two-yard pass to tie Tulia's 8th graders, 6-6.

The tying score came in the fourth quarter when Woody Glass tossed the TD aerial to Noe Castro. The PAT attempt was a pass, and it was incomplete.

Tulia led in the first quarter, but Dimmitt was unable to answer until the 50-yard fourth quarter scoring drive.

Outstanding offensive players for the game were Woody Glass, Noe Castro, Dirk Wright and Pat McDonald.

Outstanding defensive players were Mark Smotherman and Mitchell Brown. Dimmitt's record is now 1-0-2.

AMERICA'S first symphony orchestra was formed in 1744 in Bethlehem, Pa. Known as the Collegium Musicum, it consisted of 14 members — two first violins, two second violins, two violas, two flutes, two trumpets, two French horns, one cello, and one double bass.

Electricity.

Knowing what it's worth is worth knowing.

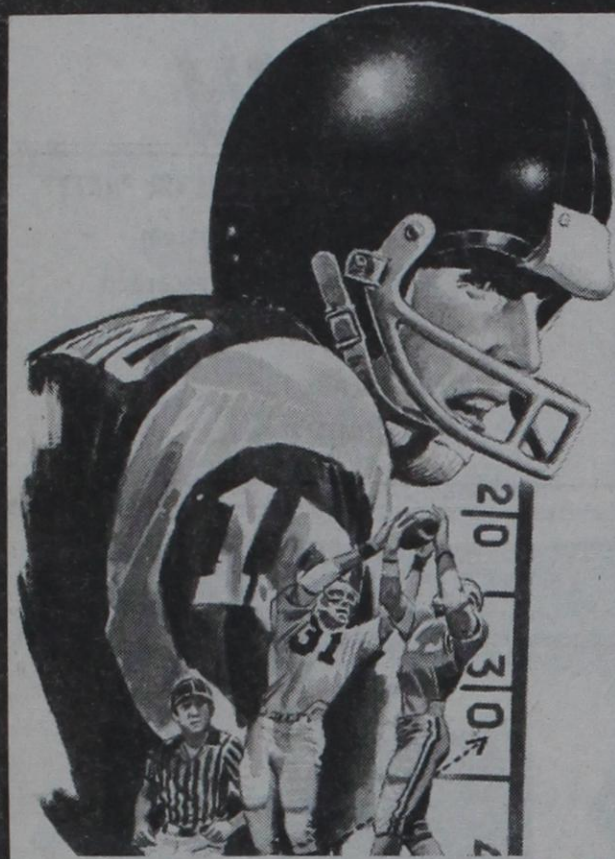

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

Hornets break game open in second half, 41-7

By JOHN BROOKS
Crucial turnovers and key injuries again proved costly for Dimmitt as Tulia rolled in the second half to a 41-7 Homecoming win Friday at Younger Field.

The Bobcats, 0-5, played well in the second quarter. In fact, if not for a case of greasy fingers in the early going, Dimmitt could very well have had at least a four-point lead at halftime.

Crucial turnovers came in the early going for the Bobcats, as Tulia was presented a Homecoming gift at the Dimmitt 29. The Hornets took only two plays to score, with fleet tailback Roland Powell — who ended the night with

116 yards — dashing for eight yards on first down. Fullback Karl Travis, who garnered 166 yards on 20 carries, bulled over right tackle, then went unscathed the rest of the way to put the Hornets up, 7-0 with the game less than two minutes old.

Tulia had another gift at the Dimmitt 24 on the first play after the kickoff. But stand-out defensive work by ends Johnny Gonzales and Zeke Garcia and linebackers Bill Johnson and Brad Holcomb, along with a pair of penalties by Tulia, gave Dimmitt the ball back at the 48.

A 20-yard burst by Powell was negated by a clip, and a motion penalty rubbed out an apparent Travis touchdown. Meanwhile, quarterback Chris Sperry was dumped for a 17-yard loss, and Powell lost four yards on third down. On fourth down and bunches, Travis gained just a yard, and the Bobcats took over.

Tulia, now 3-2 on the year, scored its second TD after a short Dimmitt punt put the Hornets in business at their own 45. The Hornets mixed things up, with Powell going outside and Travis up the middle, but the big play was a 25-yard pass from Sperry to tight end Anthony Davis.

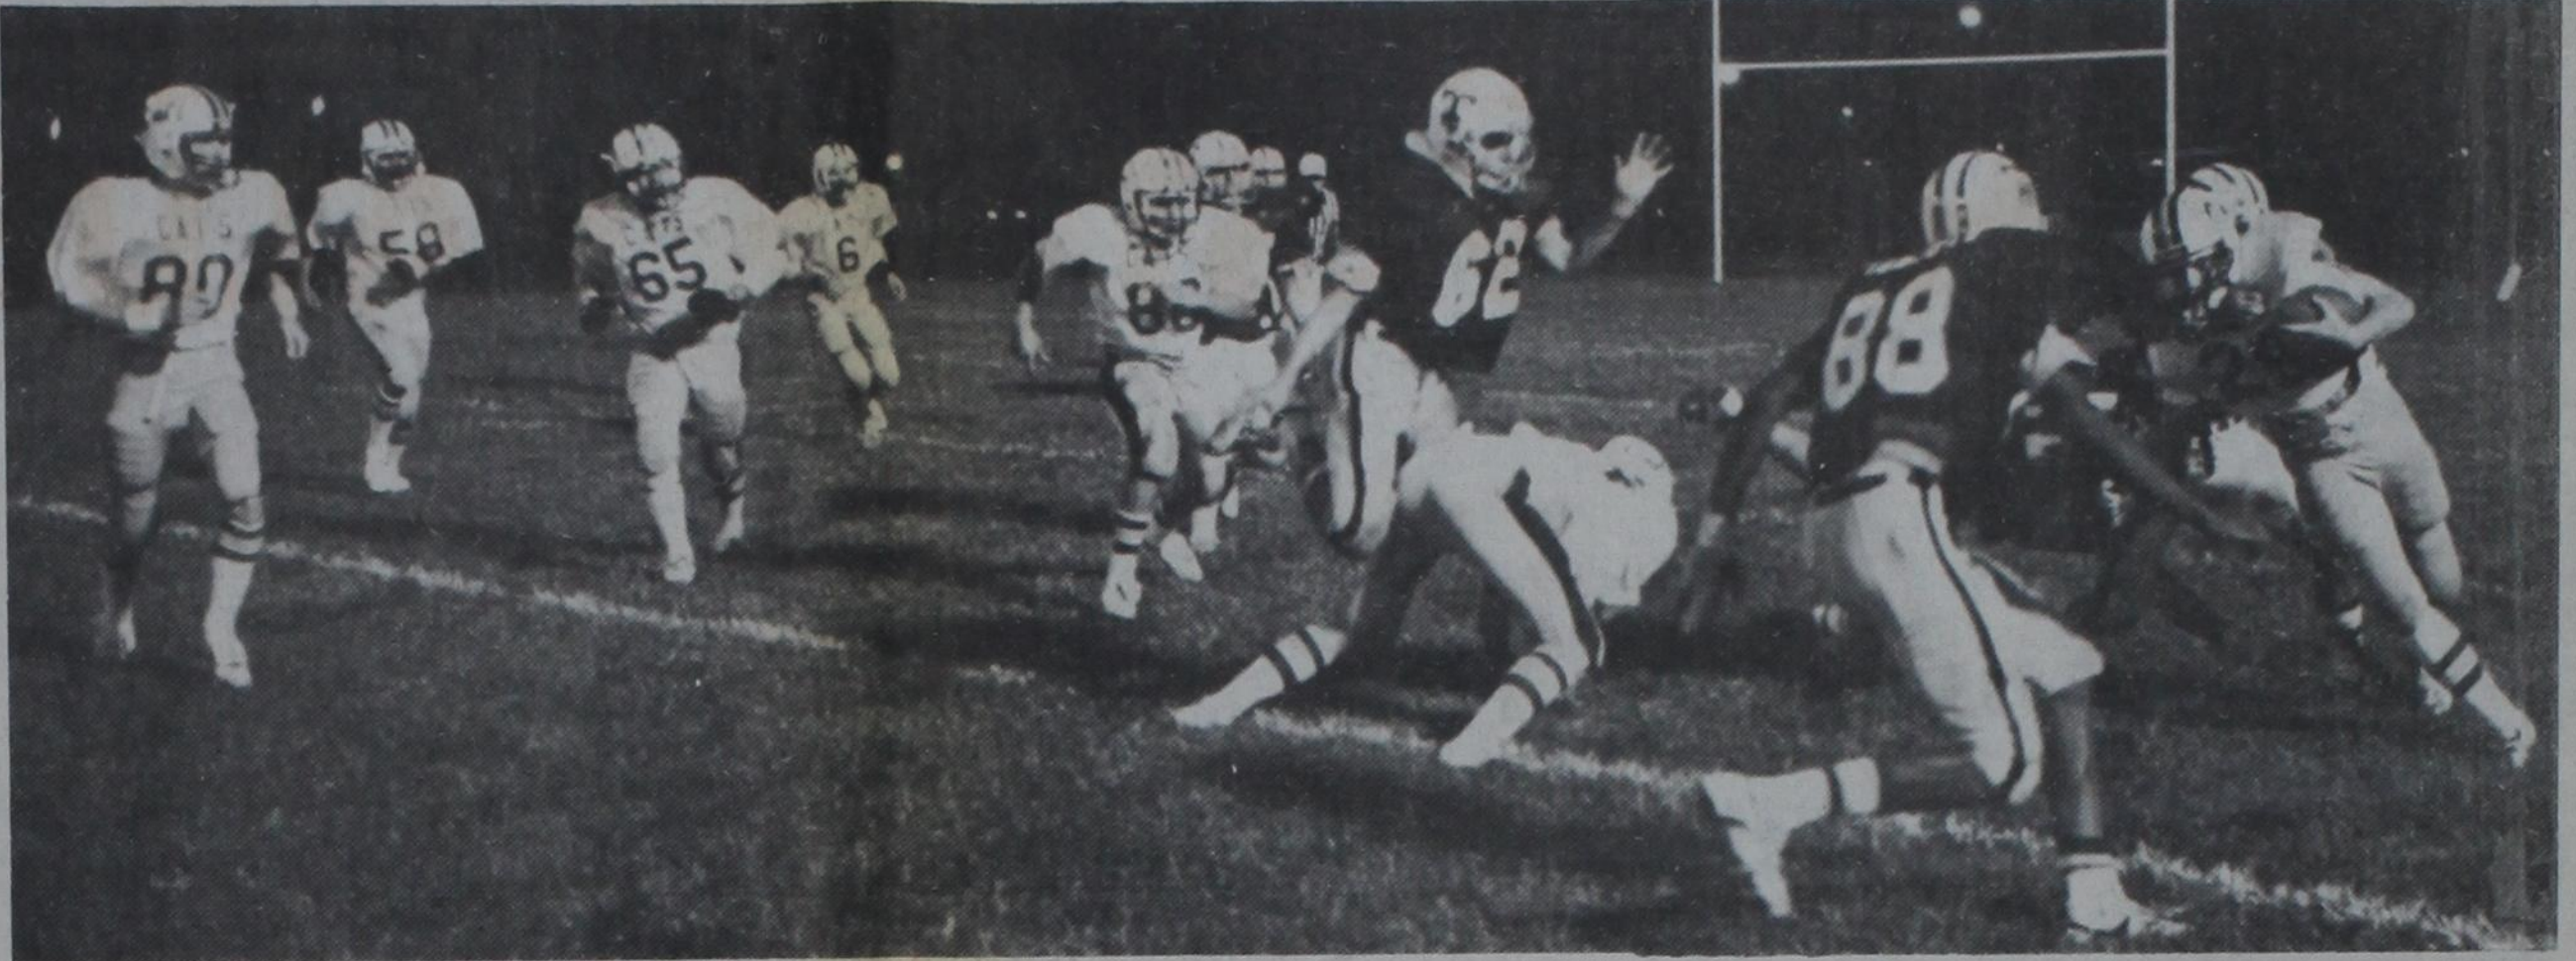

★ GAME AT A GLANCE ★

- T — Travis, 3 run (kick failed)
- T — Tracy Thompson, 4 run (kick failed)

PURSUIT—Tulia's Jerry Keeter [62] and Jim Benard [88] block the path of Dimmitt's Mark Bruegel at the Dimmitt 20-yard line to hold the speedy sophomore to no gain on a fourth-down sweep in the final minute of Friday night's game. Other Dimmitt players identifiable are Paul Carroll [80], Curt Fitzgearld [50], Mario Moreno [65], Bill Johnson [6] and Todd Hatla [88]. Tulia won the contest, 41-7.

Longhorn J.V. handles Valley

Hart's junior varsity handed Valley a 30-6 whalloping last Thursday in football action in Hart.

Hart's first touchdown came after a 53-yard pass from Tony Hoover to Roland Alfaro. Then on Hart's second drive it was Bruce Finch who took it in for the score. Arthur Finch added the two extra points for Longhorns to make the score 14-0 in favor of the Longhorns. Hart's third TD came after Arthur Finch took the ball from the 2-yard line and scored. Two extra points were added when Tony Hoover threw a pass to Kyle Allen in the end zone for the score.

On Hart's final scoring drive Tony Hoover threw a 74-yard pass to Roland Alfaro for the score.

The two extra points were added by Freddy Washington making the score 30-0.

Valley's only score came with 46 seconds to go in the game. Valley scored on a pass, making the final score 30-6 in favor of Hart JV. Hart's JV record is now 3-1.

putting the Hornets at the Dimmitt 5. Travis went unscathed over the right side to put Tulia up, 13-0, with 5:05 left in the first quarter.

Dimmitt began its only scoring drive late in the first period as quarterback Richard Guzman, back after a bout with the flu, hit flanker Tim Wales for 29 yards. It was the only first down of the first quarter for the Bobcats.

After rushing for another first down to begin the second quarter, Guzman went long. Split end Phil King doubled back from the end zone to catch a wobbly pass, then eluded three Tulia defenders and put the Bobcats on the board, 13-7, with 11 minutes left in the first half.

Tulia then played keep-away with the ball — 7:11 worth of keep-away — but got just three points to show for it. Fullback Travis did most of the work, picking up 52 of 65 yards. Tulia got as close as the Bobcat 6, but the Dimmitt defense stiffened and the Hornets could gain nothing on three tries. Mark Hill connected on a 25-yard field

goal to put Tulia on top, 17-7, with 3:50 to play in the second quarter.

The rest of the night was to be a cacophony of moans as, one by one, Dimmitt lost key players to injuries. Guzman connected with King for 25 yards, but King was injured on the play and saw very limited action the rest of the way. Guzman himself was injured later, suffering a slight recurrence of a leg injury that had kept him out of the Bobcats' first two games. Guzman didn't come back until the last minute of the contest.

With the exception of the two fumbles, Dimmitt played a mistake-free first half. Tulia had just two more first downs, 8-6, but the Hornets held a big lead in total yards, 187-94. Dimmitt went penalty-free in the first half, while Tulia was flagged five times for 55 yards.

Everything went wrong that possibly could for Dimmitt in the third quarter. The Bobcats garnered no first downs, and lost one yard net for the period.

Everything went right for Tulia, though, as the Hornets again used a ball-control offense to score their third touchdown of the night.

Tulia kept the ball for the first 4:45 of the third quarter. The Hornets used 10 plays, with just one pass (again to Davis, for 21 yards). Powell picked up 21 yards on three carries, while Travis went for 23 yards, including the score from five yards out, to put Tulia on top, 22-7, with 7:15 left in the third period.

Just 12 seconds later, the Hornets were celebrating again as Clifford Jackson stepped in front of a would-be receiver at the Dimmitt 30 and scampered in for the score. Hill's PAT was good, and Tulia had a 29-7 lead.

After the touchdown, and three plays that went nowhere, Watts appeared to have penned up the Hornets with a 55-yard punt, but the Travis-Powell inside-outside running attack helped the Hornets get on the board again. Powell dashed for 28 more yards, while Travis rambled for 46 steps, includ-

ing a three-yard run for the touchdown. The kick failed, and Tulia had a 35-7 lead with 4:04 left in the third quarter.

Dimmitt suffered its first penalty of the game during the drive, with the Bobcats being charged with spearing Travis after the fullback had picked up 40 yards, from the Bobcat 46 to the Dimmitt 6.

The Bobcats were flagged only three more times during the game, for just 18 total yards.

Dimmitt got its biggest offensive break of the night after Watts punted from his own 24. Sperry took the ball for the Hornets at the Tulia 7, and was trying to elude Bobcat tacklers when he was knocked loose from the football. Dimmitt recovered on the Tulia 6. However, Dimmitt couldn't advance the ball, and Johnny Nino's 28-yard field goal try was just wide to the right.

The fourth quarter was sloppily played by both sides, as Dimmitt had lost King, Holcomb, Johnson and back-up David Ogas to injuries by the late stages of the game,

and Tulia inserted many second-teamers. The Hornets, behind the efforts of backup fullback Tracy Thompson, picked up four more first downs and 83 more yards, plus another score. Thompson scored from four

★ Valley edges Hart Jr. High ★

Valley squeezed by Hart Jr. High 8-2 here last Thursday night. Valley's only score came in the first quarter after a Hart fumble was recovered on the 30-yard line by Valley.

The game was a defensive battle between the two squads with neither team able to move the ball successfully most of the game. However, Hart's Abel Martinez scampered for a 60-yard touchdown late in the first quarter, which was nullified due to his stepping out of bounds.

Hart's only score came in the last 10 seconds of the game when the Shorthorns trapped Valley's quarterback in the end zone for a safety.

yards out with 2:27 left to play. Dimmitt picked up only 24 yards net in the fourth period, with a 10-yard pass to tight end Paul Carroll accounting for the only first down of the second half.

Hart's record is now 1-2 and the Shorthorns play Olton today (Thursday) at Olton.

ACCORDING to some recently released information, margarine outsells butter by a 7-to-1 ratio in the US. A contributing factor might be fact that, on a national basis, butter costs twice as much to purchase as margarine.

Sheffy's Chatter

Nolan Froehner visits Mason, attends Hymnfest

By MYRTLE SHEFFY
Nolan Froehner visited in Mason recently. This is the area in which his late father and mother, Rev. and Mrs. Walter L. Froehner, spent some 12 to 14 years of their ministry. Included in Nolan's visit was the 31st Annual Llano River Valley German Hymnfest at the Bethel United Methodist Church at Hilda, in which Rev. Froehner served for two different terms as well as the former United Methodist Church in Mason itself with the Art United Methodist Church as a circuit charge. The Hymnfest was on Sunday, Sept. 27. Nolan was even called on to sing a solo at the Hymnfest (but in English as his German is a bit rusty says Nolan).

Included in Nolan's visit was a tour of the new High School building in Mason hosted by Supt. R. Clinton Schulze, a former student of Nolan's when he taught in the now defunct two-teacher school at Hilda. Nolan even brought back a beautiful sandstone slab that he recovered from the crumbling foundation where the old two-room schoolhouse used to stand. (Nolan went to school in the old high school building in Mason in 1927-29.) One whole day was spent with Randolph and Lillie Mae Leifeste on the banks of the Llano River at Castell. The Leifestes own many acres of Llano River front as a part of their mesquite and cedar tree ranch. Randolph and Nolan were classmates and roommates years ago at Blinn Memorial College at Brenham besides being good buddies from the years the Froehners lived in Mason County.

Included in the tour of the ranch was the spooking of a number of deer that abound in that vicinity. Nolan is now looking forward to attending the 125th Anniversary of Methodism in the Llano River Valley which will be observed in the near future. Not to be overlooked too is the fact that Nolan stayed in the home of his cousins, Milton and Johnita Bohmfalk in Mason. Rev. Bohmfalk is the present pastor of the Hilda-Castell Methodist Churches — the other two churches in Mason County's Llano River valley are Mason and Art. Hilda is just south of

the Llano River off Highway 87 near Beaver Creek on F.M. 783.

Cleo Forson tells us about the interesting trip to New Mexico. Mr. and Mrs. Weldon Skinner, Helen Richardson and Cleo Forson spent the weekend in Taos and Santa Fe, N.M. Things of interest, the Arts Festival, the tour to Eagle Nest and Red River to see the beautiful Aspen trees in full color, visited the Pueblo De Taos. The Pueblo buildings appear today much the same as they have for the past several hundred years. There is a beautiful white church at the Indian village. They visited the mission of St. Francis of Assisi. It is the oldest un-restored mission church.

The most impressive thing was in the Moreno Valley close to Eagle Nest, "The Vietnam Veterans Memorial Chapel." When U.S. Marine Corps platoon leader David Westphal, along with 12 of his companions died during an enemy ambush in Vietnam, his father Dr. Victor Westphal was determined to erect a visible reminder. They visited Larry Hilburn and wife at his art studio.

Jackie Byrnes and Rhonda Schaeffer went to Fort Worth recently to visit brother Jerry Schaeffer who is a graduate student at Southwest Baptist Theological Seminary. They, along with Rala and Shanna, visited the campus and saw some of the pretty spots of Fort Worth. Jerry has also visited with Mike Jeter who was a youth pastor in Dimmitt a few years ago. Mike is at Oak Temple Baptist Church in Dallas. Several Dimmitt people are in the area. Jerry attended a Cowboy football game with Tanya DeVaney who was a classmate of Jerry's. Kim Lindsey, daughter of Bob and Doris, also lives down there.

Lorrinda Goldsmith, bride-elect of Gary Derrick, will be the honoree at a shower next Sunday evening at the fellowship hall of the Church of Christ. Lorrinda is the daughter of Fred and Rita Goldsmith. The hostesses will be Mary Lois Summers, Dot Summers, Mary Cluck, Murma Miller and Deborah Goldsmith.

Willis and Peggy Minnick of Odessa were Sunday guests of Jodie and Gaynell Minnick. The fellows are brothers. Buster and Maxine Tidwell are home from their good trip up Northeast. They flew to New York City, took the bus tour through the seven New England states, back to New York, a one night stay at the Waldorf-Astoria hotel, then home. Maxine says the prettiest color was around Lake Placid, N.Y. and much history around Boston and New Jersey and that area. Buster and Maxine's wedding anniversary was Monday, Oct. 5, and it has been 35 years together. Bill and Betty Williams went to Breckenridge for a few days to vacation and try

to catch some fish. They are meeting friends there from Lamesa, Barry and Bonnie Fisher.

Abby Wells of Tahoka was a weekend guest of John and Leasa Thomas and Carla Petty was a guest Sunday of the Gary Langfords.

Nyla and Vertice Anderson of Fort Worth visited sister Ruth Coleman, Garland and Susan and the Frank Wise family. They were enroute home from their summer house at Aspen, Colo.

We chatted with Bob and Joy Baker at the restaurant Sunday. They were having dinner with Bay and Bobbie Baldrige and Sheryl.

Roger and Sherry Jones and children of Amarillo were visiting his parents Joy and E.M. Jones and Bill and Suzan Sanders. Suzan is a sister.

Danice Davis came home with Jim Wright from A&M College Station for a visit with the Donald Wrights and family and Joe and Mary Richey from Claude were here to see daughter Joyce and Rick Wright and for the Christening of the little baby Sunday.

Delores Heller told me about the nice open house at Cobb's with Al and Dorothy Jackson as hosts to the many people who came to hear the great artist and sculptor in pewter tell about the work. Lovely things were on display. The artist is Michael Anthony Ricker. A film was shown

about how the casts are made. You should see the circus wagons and horses and animals made from this metal. The sculpture, "Barren Land" was given as the door prize, received by Mrs. Edward Freeman. She was overjoyed, to say the least. Artist Ricker signed pieces that the Jacksons had sold to Dimmitt people. Delores says around 200 people were there, many from out of town. A beautiful table with hors d'oeuvres and refreshments of coffee and tea was prepared and served by Sandra Potts and Nell Ingram. My apologies to the Jacksons for missing this treat, Myrtle.

Seventy-seven people came to the Senior Citizens game and business meeting Tuesday evening, Sept. 29. Virgil Justice presided at the election and business. Rev. M.A. Pennington retired from his good job of chairman of seniors for a few years. Edward Freeman was elected chairman with his wife Betty

as his assistant. Bro. Pennington will serve as vice-chairman to help with duties, D.C. Taylor and the board stay on for a year. Do come each Tuesday at 6:30 p.m. Games of "42," bridge, "84," dominoes and other games seem to be fun. Cake and coffee is served each third Tuesday, a buffet supper.

The National Bridge Tournament will meet at the Center in December. We will tell you more about that later. Mr. Freeman is a retired Presbyterian minister, but is pastor at Dimmitt's church. He was chairman of the Seniors at Spearman for awhile. We welcome both Mr. and Mrs. Freeman. Mrs. Leora Calhoun and

granddaughter Mrs. and husband Carlos Lopez and son were in Clovis Sunday visiting all their kin. "Snoopy" and "Smurf" had an 18th birthday party. "Snoopy" is Connie Dennis and "Smurf" is DeNise Dobbs. The birthday cake was decorated with Snoopy and Smurf. So their friends gave a surprise party for them

at the home of Edgar and Betty Dennis Saturday. Geneva Dennis, Geneva Dobbs and Debra Ball assisted with hostess duties. 35 friends came in bringing gifts and good wishes, and helped eat the hot dogs, cake and ice cream. I asked Edgar Dennis about the mule races. They will [See CHATTER, Page 5]

THE SPLENDOR OF THE SNOW

Snow falls and puts a beautiful white blanket over the mountains, and even before this one is gone, others will fall. It will become deeper and deeper until the spring, when it begins to melt and provides life giving waters to many streams. These streams meet with others and become rivers and provide water for irrigation and lakes throughout our land.

Our Lord, Jesus has said that He will give to any that seek Him... "a well of water springing up into everlasting life." — John 4, 14

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

View from the library

By BRICK AUTRY

Calendar:

October — "Hands Around the World" exhibit.
Mondays — TOPS Club, 5:30 p.m.
Tuesday — Energy workshop for librarians in Amarillo.
Thursdays — Aerobics, library meeting room, 5 p.m.

Thanks are in order to Friends of the Library. They went out and bought the library a piano. It's not a fancy piano, mind you, but one that promises to enhance our meeting room for many years to come.

The piano does need some work done on it. The finish, especially, needs attention.

Are there any piano finishers around here? (When this writer took piano lessons, his teacher worked with him for six weeks and then jumped up and screamed "I'm finished!" and ran out at the door. Don't think we're looking for that sort of piano finisher.)

Thanks go, too, for all those bringing books to the library, old or otherwise. Special thanks for the Huseman children books collection.

A mention, also, of the "Hands Around the World" exhibit now in progress at the library. It is not about hands, as the title seems to indicate. It consists of several fine, full-color drawings and paintings done by children ages 7 to 15. They are colorful and lots of fun to look at. We hope you will come down and see these. We will have these for about a month, and then we'll get another installment of the exhibit. The program runs through January.

Other libraries in the Panhandle are also getting this exhibit. The Panhandle Library System is coordinating and sponsoring this exhibit.

TOP SPELLER OF THE THIRD GRADE— Paul Axtell, a student at Helen Richardson Elementary, was named the top speller in the third grade as the result of progressive spelling bees held throughout the first six

weeks. He was honored Friday at a special awards program that's new this year for the third grade. A winner will be announced for each six weeks' grading period.

89 third-grade students rewarded in new program

Eighty-nine third graders were honored Friday at Dimmitt's Helen Richardson Elementary as 111 awards were given at the six-weeks honor awards program, a new activity for this school year.

Elmer Berryhill, elementary principal, said similar awards will be presented each six weeks as an incentive for improvements in the students' work and attitudes.

Third Grade teachers Diane Axtell, Martha Harmon, Linda Koch, Connie Merritt, Les Miller and Janice Nutt named winners in six categories in each classroom, as well as recognizing top spellers and students having all "S" or "S+" grades for the six weeks.

Chosen as Best Citizens from the six classes were Jamie Baker, Humberto Gil, Craig Heller, Shane Meason, Carlos Rodriguez and Bell Salazar.

Most Courteous honors went to Gina Evans, Chris Fuentes, Renea Harman, Patty Ramirez, La Tisha Smith and Rafael Vasquez.

Tessa Chavers, Leticia Gil, Jackie Jordan, Todd Miller, Linda Sifuentes and Johnny Joe Vargas were named Most Helpful by their teachers.

Noted for the Most Improvement were Scott Acker, Esther Cano, Hugo Rodriguez, Felipe Salinas, India Thomas and Travis Thurman.

Students judged as having the Best Manners included Michelle Caddell, La Dawna Campbell, Jeanne Davis, John Ortegon, Adam Puga and Maria Rosado.

Recognized as Hardest Workers were Tammy Garcia,

Tony Martinez, Jason Nelson, Eva Puga, Pete Sifuentes and Rodrigo Soto.

Students having all "S" and "S+" grades for the six weeks are listed below. Those who were also honored as top spellers are marked with an asterisk (*):

Norma Al Villar, Paul Axtell*, Kristi Barrera, Adam Cline, Stacey Coker*, Belinda Cox*, Elizabeth Davila, Lisa Esquivel*, Chris Evans, Fermin Fernandez, Henry Flores, Matt Gfeller, Stony Griffith, Denea Hanes*, Brandi Hoyle, Kimberly Hucks, Leigh Hyman, Robin Jordan, Renae Josselet*, Chad Killingsworth*, Tye Lamberth*, Melissa Leyja,

Jeff Long, David Maydon, Oscar Mendoza, Melissa Montalvo, Dena Nava*, Kable Oldham*, Carol Petty*, Dennis Petty*, Ricardo Quiroz, Albert Ramirez, Jesse Ramos, Henry Rendon, Carlos Rodriguez, Vicky Santibonez*, Royce Schulte*, Shawn Stanton*, Chip Thrasher*, Travis Thurman, Lisa Travis*, and Gregg Vasquez.

Paul Axtell was recognized as being the champion speller for the third grade in the results of the six-weeks' spelling bees.

Others cited in the spelling competitions were Kristi Barrera, Jarin Connell, Chris Fuentes, Sylvia Galvan, Jesse Garza, Sharla Jackson, Melissa Moreno, Leticia Moreno, John Ortegon, Rachel Ramirez, Bam Bam Romero, La Tisha Smith, Stacy Stahl, Matt White and Jermaine Williams.

DHS choirs set concert

The Dimmitt High School Choral Dept. will present a concert Oct. 20 at 7:30 p.m. in the high school auditorium.

The Dimmitt High School Singers, Dimmitt Junior High Choir, the high school Show Choir and the newly formed junior high school Show Choir will perform.

Choral music of all styles will be sung, including a Renaissance "Echo Song," American folk songs, contemporary popular music and country songs. The show choirs will feature dancing in their short performances.

The program will last about an hour, according to Choral Director Doug Henry.

Admission will be \$1 for adults and students.

Caution urged in donations to program

Consumers and businesses are urged to use caution when being approached by individuals soliciting for donations that will be used to assist the Special Olympics program.

"We have been advised by Missy Dyer, Area 17 coordinator for the Texas Special Olympics, that one and perhaps two groups are soliciting in the name of Special Olympics without the approval of Special Olympics Organization," a BBB spokesman said.

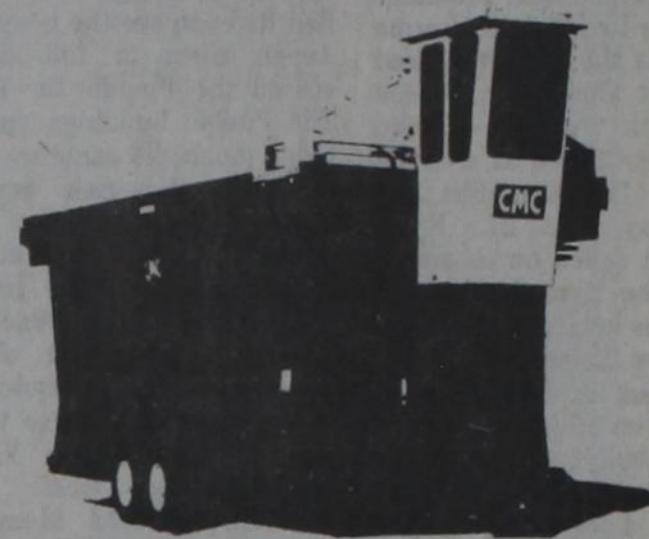

One group is soliciting funds via telephone for tickets to a Special Olympics bowling tournament which, according to Ms. Dyer, is non-existent. Later this year, however, there will be such a tournament, but there is no charge for tickets, she said.

Anyone having information on these solicitations is asked to let the Better Business Bureau office know as soon as possible.

OPEN ADMISSIONS POLICY FOR SOUTH HILLS MANOR

It is the policy of the South Hills Manor to admit and to treat all residents without regard to race, color, creed or national origin. The same requirements for admission are applied to all, and residents are assigned within the Nursing Home without regard to race, color, creed or national origin. There is no distinction in eligibility for, or in the manner of providing any resident service provided by or through the Nursing Home. All facilities of the Nursing Home are available without distinction to all residents and visitors, regardless of race, color, creed or national origin. All persons and organizations that have occasion either to refer residents for admission or recommend the South Hills Manor are advised to do so without regard to the resident's race, color, creed or national origin.

Equal opportunity without regard to race, color, creed or national origin, is also the policy in the hiring of personnel.

POLIZA PARA ADMISION DE SOUTH HILLS MANOR

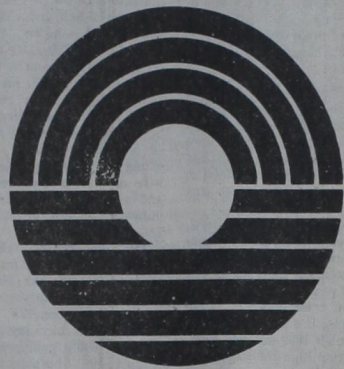

Es la poliza de South Hills Manor de admitir y cuidar en la misma forma a todos los residentes sin distinguir raza, color, credo, u origen de nacionalidad. Los mismos requisitos se aplican por igual, y las personas admitidas son asignadas dentro de las facilidades sin que exista distincion de elegibilidad, sin importar raza, color, credo, u origen de nacionalidad.

Todos servicios y facilidades del asilo de ancianos son disponibles en la misma manera, tanto para los residentes del lugar, como para los visitantes. Toda persona u organizaciones que deseen referir o recomendar personas para admision, pueden aserlo con la seguridad que no se hara distincion de raza, color, credo u origen de nacionalidad.

Igualdad de oportunidad sin importar raza, color, credo u origen de nacionalidad, tambien es nuestra poliza al emplear personal.

COOPERATIVE MONTH:

OCTOBER 1981

Cooperatives- Focus On The Future.

Discover Cooperatives

During October Cooperative Month

Power by, for and of the people—control by majority.

It works for businesses as well as government.

Some 40,000 cooperatives across the U.S.—with more than 50 million members—are democracy in action . . . people making use of a 2000-year-old concept to operate enterprises for their common benefit.

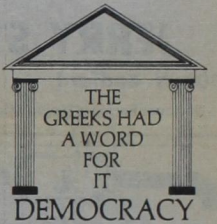

Efficiently and economically cooperatives meet a staggering variety of needs—legal aid, health care, electric and telephone service, credit unions, marketing and purchasing farm products and supplies, insurance, food, housing, furniture, nursery schools, funeral societies, TV and auto repair shops, and more.

Little cooperatives and big cooperatives, in cities, small towns, rural communities and places in between, all prove daily that democracy is more than a beautiful Greek work; it's a system that WORKS.

COOPERATIVE MONTH:
OCTOBER 1981

COOPERATIVES ARE PEOPLE!

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of goods and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

Other cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

Whatever the human need, people can fill it themselves through cooperatives.

Penningtons leave for Chile crusade

M.A. and Christine Pennington of Dimmitt will leave today (Thursday) from Lubbock to go on a 12-day crusade to Chile.

Pennington is on the staff of International Crusade of Dallas, sponsor of the Chile crusade. He and his wife will join 98 other crusaders in Dallas and Miami before heading to Santiago, Chile, where they will join a team from the Qta. Normal Baptist Church in Santiago and travel about 250 miles to the southwest to Concepcion, to work with the pastor and congregation of the Second Baptist Church in that town.

Various members of the crusade team will serve in 22 area congregations, with teaching, preaching and door-to-door witnessing to people.

Pennington will be the visiting evangelist for the Second Baptist in Concepcion. This will be the ninth crusade Pennington has attended and the seventh for Mrs. Pennington. He added that "as long as the Lord gives us strength and health and God calls us, we will go. We invite all Christians of all faiths to pray for this crusade that many souls may come to Christ."

Oct. 21 at noon in Lubbock is scheduled for the return of the crusaders.

Besides his work with Texas Baptists in the Bold Mission Thrust Commitment, Pennington works with churches in New Mexico, Kansas and Colorado.

BAND KING AND QUEEN—Damian Wilhelm and Liz Wilhelm were crowned Nazareth Band King and Queen during Friday night's halftime activities as the Swifts hosted Anton in their Homecoming game.

Rotary governor to visit Friday

The Dimmitt Rotary Club will host the District 573 governor and his wife today and Friday.

Local Rotarians' wives (Rotary-Anns) are invited to the club's Friday meeting in the Colonial Inn Restaurant at noon to hear District Governor John Seay during his official visit to the local club.

Seay and his Rotary-Ann, Charlotte, are scheduled to attend three additional gatherings today (Thursday). Seay will meet at 5 p.m. with Club President Keith

Mussett and Secretary Danny Rice.

At 6:30 there will be a Club Assembly for all members at the city hall meeting room, followed by a supper for members and their wives at 7:30 p.m. at the home of Dr. and Mrs. Charles Vandiver, 707 W. Lee.

At the club's meeting Friday, the program was presented by Woodrow Killingsworth, who showed slides of a foliage tour of New England.

Social Security in Castro County

By JANICE ULMER

Last week we covered two of the provisions of the Omnibus Reconciliation Act of 1981 that deal with the social security. They were elimination of the minimum benefit and the reinstatement of age 72 as the cutoff of any earnings limitation for social security recipients.

This week I will continue by discussing changes in the student program and benefits paid to the parents of young children.

Benefits under the old law were paid to the children of social security beneficiaries at age 18. These benefits continued until age 22 if the student remained in full-time attendance at any approved school.

Starting in August 1982, children of social security beneficiaries who are still in elementary or high school and are 19 years old will no longer receive benefits.

For example, if a student is 19 in December 1982 and will graduate from high school in May 1983, he or she will not receive any social security beginning with January 1983.

Benefits will continue for those students who received a benefit Sept. 3, 1981, and will start college or a vocational school before May 1982. However, they will no longer be eligible for cost of living increases, and the amount of their benefits will decline. In September 1982, benefits will be reduced by 25%. This will occur again in September 1983 and September 1984.

In addition, starting in May 1982, no benefits will be paid to students for the months of May through August. This will happen even if the student attends summer school. The first check received in the fall will be Oct. 3 for the month of September.

Finally, if a child is first entitled to social security after August 1981 and is attending college, his or her benefits

will continue only through July 1982.

As you can see, the student program has been changed drastically. Student benefits will be entirely eliminated after May 1985 on this timetable.

The other change I will speak of briefly applies to benefits received by either a mother or father under age 62 with a child at home. Under the old law, if John Doe starts receiving social security when he retires at age 62, his wife Mary, age 50, can receive benefits so long as their child, Susan, is at home and under 18 years of age. Mary is too young to receive benefits as a wife or on her own record, and is entitled to benefits only until the month of Susan's 18th birthday.

The amendments change the age of the child from 18 years to 16 years old. Now in our example, Mary cannot receive any benefits after Susan's 16th birthday. All parents who qualify after August 1981 because of a young child will be affected by this ruling. Parents currently receiving benefits with a child will be terminated after August 1983, if the youngest child is 16 or over.

If you have a severely disabled child, you previously did not apply for disability until age 18. Now you will want to check possible disability benefits on the parents' record when the child reaches age 16.

An exception in the amendment allows a parent to continue receiving benefits if they have a disabled child under 18 years of age.

Next week we will discuss changes in the lump sum death payment and the other new provisions of the law. If you have questions, call our toll-free number, 1-800-392-1603 and we will be glad to help.

Contemporary Life ...

A remarkable new concept in life insurance that offers:

FLEXIBILITY. You can adjust premium payments, coverage and cash value accrual any time to meet your changing needs.

COST SAVINGS. You save money because one policy can serve all your life insurance needs. Also, your cash value earns Current Interest, which is presently 12%.

TAX BENEFITS. You enjoy all the tax advantages of traditional life insurance—tax deferred accrual and tax free death benefits.

Contact us today for full details. You'll be amazed at what a change we've made in life insurance.

*Rulings have been requested from the IRS on income tax treatment.

More about

Chatter

[Continued from Page 1] start next or this weekend at Ruidoso. Edgar thinks he will be too busy with the corn to watch his mule run.

Patti Siwy, bride-elect of Buddy Payne was honored with a shower of gifts at the Hart Methodist fellowship hall Sunday afternoon. Mrs. Betty Griswold was at the guest book. And Jane Lowrey and Ruth Bennett served the white cake and punch from the tea table covered with a blue satin cloth with crystal

Children's art touring exhibit now at library

The touring exhibition, "Hands Around the World," has arrived at Rhoads Memorial Library in Dimmitt.

"Hands Around the World" is an international goodwill program for school-age children in Texas and in other countries throughout the world. The program was created by the Texas Cultural Alliance, a non-profit organization. It provides elementary and secondary students the opportunity to create something out of their world in art which they prepare as gifts to schools in countries around the world.

"Hands Around the World" started as an exchange program between students of DeSoto and Mountain View College (Dallas), and students of schools throughout the Republic of Guatemala. Since then, the Alliance has received almost 3,000 paintings from children around the world.

This fall, three exhibitions are touring libraries throughout West Texas, coordinated and sponsored by the Texas Panhandle Library System. Sixteen participating libraries, including Rhoads Memorial, are scheduled to receive the "Hands Around the World" exhibitions between September and January.

appointments. A pretty arrangement of blue flowers was the centerpiece. Out of town guest was Arlene Siwy from Seguin. Buddy Payne of Levelland is now minister at Hart Methodist. They will be married the 14th of November. Many Dimmitt people were at the party. Hostesses were Mrs. James Campbell, Mrs. Jerry Allen, Mrs. Dudley Aven, Mrs. Buster Aven, Mrs. Joe Bailey, Mrs. Harold Bob Bennett, Mrs. Edd Bennett, Mrs. Mark Bennett, Mrs. George Bennett, Mrs. Louie Cross, Mrs. Wamon Foster, Mrs. Leonard Griswold, Mrs. David Hawkins, Mrs. Robbie Hawkins, Mrs. Weldon Jones, Mrs. Bob Lowrey, Mrs. Bill Rich and Mrs. J. V. Westcott.

Jo Gregory was hostess to the bridge party Thursday at the Senior Citizens party room. Dinner and games were enjoyed by Sal DiCuffa, Betty Cartwright, Mary Alice DiCuffa, Johnnie Vannoy, Emily Clingsmith, Susie Reeves, Opha Burks, Oleda Schumacher, Cleo Forson, Rosalie Hawkins and Bernice Hill. Johnnie won high score and Opha won second high score.

Myrtle was hostess to the Friday Bridge Club at Senior Citizens house. The girls served a chili dinner, salad and dessert. Guests were Johnnie Vannoy, high score, Dorothy Elder, second high and others playing were Oleda Schumacher, Gladiola Shipley, Betty Cartwright, Betty Renfro, Opan Bearden, Tina Rawlings, Susie Reeves, Retta Cluck and Cletha George.

Fuquay named merit scholar semi-finalist

Former Dimmitt resident Duane Fuquay, son of Mary Sue Fuquay and the late Alvis Duane Fuquay, has been selected as a semifinalist in the National Merit Scholarship competition.

His scores of 99% on the verbal section and 96% on the math section of the PSAT/NMSQT tests placed him among the 1,500 students chosen from across the US to compete for scholarships.

A student of Comanche High School, Fuquay faces continued competitions this fall to see if he will be in the 40% of semifinalists who will receive scholarships.

The Fuquays lived in Dimmitt for 14 years. The youth's mother taught school here and his father was the high school principal. Mrs. Fuquay now teaches fourth grade in Comanche Elementary, and her other son, Darrell, is a ninth-grade student at CHS.

THE first professional hockey game ever broadcast on TV was played on February 25, 1940 at Madison Square Garden. The Montreal Canadiens won the game, defeating the New York Rangers by a score of 6-2.

1,000,000TH TON—The Cominco American ammonia plant at Borger shipped its one-millionth ton of anhydrous ammonia by truck Monday — and it was Braafladt Transport Co. of Dimmitt that hauled it and Flagg Fertilizer Co. that received it. Hauling the milestone load at Flagg Fertilizer Monday are (from left) Chuck and Chet Braafladt, senior driver Alford Campbell, truck dispatcher Harold Broadstreet, Cominco Sales Represent-

tative D. D. Hetzel of Hereford, and Fred Kuntz, Leland Jennings, Delton Tischler and Rick Kuntz of Flagg Fertilizer. In background is the trailer containing the one-millionth ton, plus another 40,840 lbs. destined to go to Flagg Fertilizer customers. Chuck Braafladt calculated that the million tons represents 49,170 semi-trailer loads such as this one.

Flynt testifies before House Veterans Committee

The Veterans Administration hospital construction program is falling behind for lack of funds, and if Congress allows the situation to continue, "then the entire system will inevitably deteriorate until it becomes a system for human warehousing, which is what it was before World War II," American Legion National Commander Jack Flynt warned the House Veterans Affairs Committee in Washington last week.

"Such an eventuality is intolerable to the American Legion," declared Flynt, 58, of Dimmitt, in his first appearance before the committee since his election Sept. 3 for a year at the helm of the nation's largest veteran's organization.

He was explaining to the committee about the cancellation this year of a replacement VA hospital in Baltimore and of a new hospital in Camden, N.J., that was to be a prototype for the practice of geriatric medicine, a key concern of the aging veteran population.

Flynt told the committee the VA hospital system is running a "holding operation" because its annual budget is not keeping up with inflation, and suggested that it was time for Congress to mount an in-depth study of the nature and extent of VA's problems.

The essence of the problem is insufficient funding, he said, but it is being felt in shortages of staff and equipment and curtailment of programs as well as in delayed plant improvements.

Citing field surveys by Legion staffers during evaluation visits to 42 VA Medical Centers so far in 1981, Flynt said staff shortages throughout the VA system resulted in marginal delivery of care at some hospitals, inability to activate intensive-care and nursing home care units at others, closure of beds and sometimes whole wards, "terrific pressure" on clinics to deal with the volume of patients, and delay in acquiring modern equipment. This last, he noted, compounded the other problems by making VA service less attractive to medical professionals.

"Last month we were told by the director of nursing service that on July 27, 1981, 1,148 beds were closed down in the system due to the nursing shortage. At that point it would have required the immediate employment of

625 nurses just to open those beds," Flynt testified.

He said the problem in this area is that VA is not competitive with the private sector in

nurses' pay or fringe benefits, and one solution would be for Congress to give VA flexibility to adjust pay and benefit packages on a local basis.

THE oldest registered trademark for a food product in the US is the "Red Devil" of the William Underwood Company of Westwood, Mass. The red devil trademark, symbolic of the company and its line of canned meat products, was first used in 1867 and was assigned registered trademark number 82 by the US Patent Office in 1870.

ON July 28, 1933 the West-ern Union Telegraph Company in New York City introduced the singing telegram. Though quite popular with customers for many years, the singing telegram was discontinued several years ago.

THE first plant constructed for the manufacturing of potato chips was erected in Albany, New York in 1925 by the A.A. Walter Company.

FIRST DAY OF BUSINESS for the Electric Wires, 317 N. Broadway in Dimmitt, was also the day for its ribbon-cutting ceremony Friday. Dimmitt Chamber of Commerce Directors Jim Killingsworth (left) and Bob Caddell hold the ribbon for Jerry Frazier (with scissors), co-owner of the business with Rick Oldfield, who is holding their "first dollar of profit" from

the chamber. Holding the CoC membership plaque is Jeanne Frazier, Jerry's wife. Others, from left, are chamber Director Clara Patton, Bill Patton, Billye Davis, Frances Frazier, Chamber director Leroy Maxwell, David Maxwell, and Chamber Manager Delores Heller. The business features electronic, coin-operated games and T-shirt printing.

Amstar Plant wins new safety award

The Dimmitt Division of Amstar Corp. has been recognized by the National Safety Council for its exemplary on-the-job safety performance for 1980.

The National Safety Council selected the Dimmitt Amstar Plant for a first place award in its Grain Handling and Processing Division's annual on-the-job safety contest, based on the lowest incident rate achieved by National Safety Council member organizations during 1980.

The Dimmitt plant qualified for its safety award based on no lost time or disabling injuries while working 365,247 employee hours. For comparison, the average rate for all competing units in this industrial category is 2.3 cases involving days away from work per 200,000 employee hours.

The Dimmitt Amstar Plant also received an "Award of Honor" from the National Safety Council for exceeding

one million employee hours without occupational injury or illness involving days away from work, for the period of Feb. 2, 1978, to Dec. 31, 1980.

The two awards were accepted on behalf of the Dimmitt plant's employees by Charles Doss, safety director.

Social Security rep sets visit

A representative of the Social Security Administration will be at the Castro County Courthouse next Thursday, Oct. 15, from 10 a.m. to 12 noon.

The next date the representative will be in Dimmitt will be Nov. 5.

TECHNICALLY speaking, it is illegal in the state of California for anyone without a hunting license to use a mousetrap.

Interact Club proceeds go to Berg fund

A student dance Saturday night was the most recent activity of the Dimmitt High School Interact Club. Proceeds from the dance and a garage sale the previous Saturday went to the Mia Berg Fund.

The Interact Club is a Rotary-sponsored youth organization that meets every Wednesday at 8:45 p.m. in the Dimmitt High School drama room. All high school students are welcome to attend.

Club officers are president, Jay Reeve; vice-president, Bryan Gregory; secretary, Laurie Sides; treasurer, John Smith; and sergeant at arms, Jeff Watts.

The board of directors, made up of representatives from each class, are senior Wendy Bruegel, junior Greg George, and sophomore Krystal Scott. Sponsor is Mrs. Robin Jackson.

Insects of interest Don't give borers a home in your wheat

By ALLEN KNUTSON
Extension Agent-Entomology

Wheat and undestroyed corn stubble, like drinking and driving, make a bad combination. The reason, of course, is the southwestern corn borer, which heavily infested area fields this year, requiring as many as three expensive chemical applications to achieve control.

Corn growers should take every opportunity to destroy corn stubble early to reduce next year's borer problems.

Do not make the mistake of drilling wheat behind corn without first destroying the stubble. Thousands upon thousands of corn borer moths emerge in the spring from wheat drilled in undestroyed stubble. These wheat fields could be identified as the source of many costly corn

borer infestations this summer. Even if corn isn't going to be planted next year, you owe it to your corn-producing neighbors to destroy your stubble.

Dr. James Leser, Extension entomologist at Lubbock, reports that heaviest infestations of corn borers are generally adjacent to or downwind from fields where corn stubble was not destroyed.

A single disking, shredding or knifing are the most reliable methods of destroying borers, and these practices do not encourage soil erosion. Shredders must be set low to cut the stalk at ground level to be effective. Shredding also permits fields to be grazed.

Data obtained from a three-year study conducted at Halfway by Dr. Tom Archer, Texas Agricultural Experiment Station entomologist, indicated that shredding, disking or knifing by mid-January reduces by 80% the borers which would normally survive the winter. These tillage practices combined with natural mortality result in a 95% reduction.

If stubble destruction is delayed until February or later, only a 45% reduction in survival was obtained, Archer pointed out.

Don't give corn borers a home in your wheat fields this winter.

Newmans move to Houston

Alan Newman, former Dimmitt police chief, and owner of the Sweet Shop, has joined the Texas Dept. of Public Safety as a communications operator, and has been assigned to Houston.

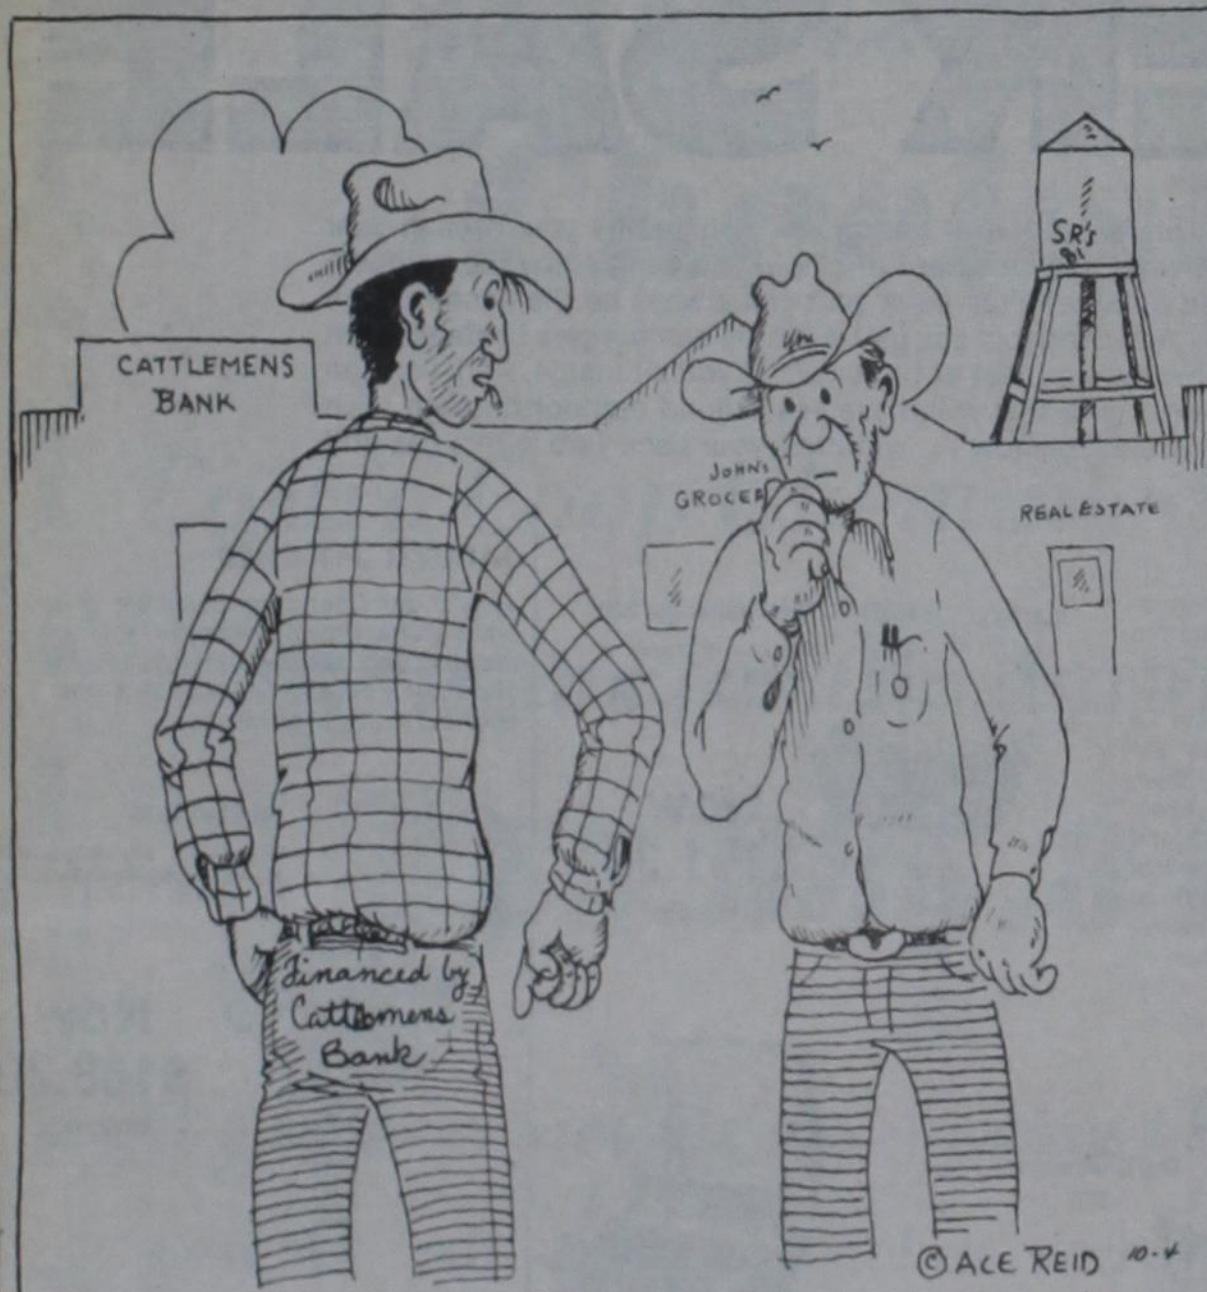

Newman assumed his new duties last week. His wife, Arlene, will join him in Houston this week. Mrs. Newman, a 19-year resident of Dimmitt, has been a teller at the First State Bank of Dimmitt for several years.

Mr. and Mrs. Newman have sold the Sweet Shop to Barney Lee.

Two Dimmitt agents and Farm Bureau place in contest

Two Dimmitt insurance agents won individual awards and the Castro County Farm Bureau Agency placed second in a statewide agency contest held recently in San Antonio.

The Castro County Agency was second out of 150 agencies for most life insurance sales.

Gary Richardson placed third individually and Perry Gruhkey placed sixth in the state, out of 550 agents.

THE first collegiate women's sorority was Kappa Alpha Theta, founded in January, 1870 at Indiana Asbury College, now known as DePauw University, located in Greencastle, Indiana.

NATURAL FIGURE WRAP CENTER, 111 NE Second in Dimmitt, held its ribbon-cutting ceremony Friday morning. Dimmitt Chamber of Commerce President Joe Jossel (left) and Chamber Director Jim Killingsworth hold the ribbon for owner Jaqi Holcomb (with scissors). Others, from left, are

Chamber Director Leroy Maxwell, Mayor R. L. Flem. Jeannie Johnson, Monty Johnson, Lee Norris, Center employees June Norman (holding first dollar of profit) and Debbie Harris, Chamber Manager Delores Heller, and Chamber Directors Clara Patton and Roger Malone.

Jerome Brockman's cited at WTSU's Parents' Day

Mr. and Mrs. Jerome Brockman of Nazareth, have been recognized as having had the most children attend West Texas State University. They were recognized during Parents' Day activities.

The Brockmans have two children enrolled at the university, Paul, a senior agriculture major, and Teresa, a sophomore business major. Four other children have attended WTSU.

Mr. and Mrs. Paul Durbin of Dimmitt were nominated as WTSU Parents of the Year by their daughter Edith, a freshman nursing major, and graduate of Nazareth High School.

Vaccination clinics set

A free vaccination clinic will be held from 9 to 12 noon Friday in the city hall assembly room in Dimmitt.

The vaccines will protect against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps.

A clinic will be held at Hart on Oct. 28, at the Hart Elementary School.

Recreation Club were in conjunction with Parents' Day activities. Parents represented organizations or the residence halls of which their child was a member. Parents participated in sports ranging from the two-mile walk or jog to horseshoe tossing. Contestants included 107 parents.

Brown Hall, a women's residence hall, came in first with 80 points, and Phi Delta Theta, a national men's social fraternity, came in second with a total of 72 points.

About 1,100 parents participated in Parents' Day activities.

CHESTER Greenwood of Farmington, Maine invented earmuffs in 1873. He was awarded US patent number 188,292 in March, 1877 for his 'ear muffers.'

Young attends JP seminar in Amarillo

Justice of the Peace Marshall Young of Dimmitt was among 80 attending a 20-hour Texas Justice of the Peace Training Center seminar Sept. 15-18 in Amarillo.

The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with article 5972, Section B, of the Texas Revised Civil Statutes.

THE first American school to offer courses in French was Harvard College in Cambridge, Massachusetts. The classes were instructed by Louis Langloiserie in 1733. The first American school to offer courses in German was the University of Pennsylvania, where William Creamer gave the first German instruction in 1755.

Gas heating saves \$226 per year!

Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating . . . not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

Efficient Gas Energy for West Texas

SPIRIT QUEEN AND KING—Seniors Danelle Schmucker and Virgil Huseman were crowned Nazareth High School's Spirit Queen and King at the Homecoming pep rally last Thursday night. Other candidates were juniors Tammy Heck and George Hochstein, sophomores Renee Raemakers and Roger Schulte, and freshmen LaDawn Schmucker and Kenneth Kleman.

Sunnyside

Minister accepts Sidney pastorate

By **TEENY BOWDEN**
Mr. and Mrs. Ray Joe Riley flew to Fresno, Calif. Saturday where he will attend a meeting of the US Cotton Board through next Wednesday. They plan to fly home Wednesday night.

Rev. Raymond Jones accepted a call of the Sidney, Texas, Baptist Church as pastor last Sunday and offered his resignation to the Sunnyside Church, Sunday morning effective Oct. 19. They will be moving to Sidney the 19th or a few days later. 20 of an inch of rain was received in the north part of the community with .30 of an inch in the south and about an inch inside Sunnyside. Another .25 of an inch was recorded for Saturday.

Mrs. Lee Brown was dismissed from Methodist Hospital in Lubbock Thursday, and they will stay a few days with Mr. and Mrs. A. J. Jones, so she will have help with the twins while Lee is at work.

Lynn Brown, Sharon Jones, Chris Elkins and Connie Shelton of Earth attended the South Plains Fair in Lubbock Friday and the Mel Tillis and Maines Brothers show Friday night. The Maines Brothers are a local Lubbock group that are very popular. Mr. and Mrs. Gerald Elkins also attended this same performance.

The WMU Council met Tuesday morning at the church for annual planning for the new year with Mrs. Raymond Jones, director, in charge. Mrs. E. R. Sadler will serve as Baptist Women's President, Mrs. Bruce Bridges as Baptist Young Women's President, Mrs. L. B. Bowden as Sec.-Treas., and Mrs. Gerald Elkins and Mrs. Hershel Wilson Mission Friend Leaders.

The Spanish speaking Sunday School class had charge of the first Sunday night church supper following the services.

Mr. and Mrs. Lynn Cox fished Monday through Thursday at Ute Lake. Brandon and Cinnamon stayed with their grandfather M.B. Odom of Dimmitt, to keep him company while their grandmother is hospitalized with an ulcer.

Mr. and Mrs. Ezell Sadler returned home from Abilene and Breckenridge Thursday after visiting a few days with relatives, and doing some work at the lake house.

Cheryl Powell spent the weekend in Canadian with her

family Mr. and Mrs. James Powell and Mr. and Mrs. John Sirmans and Ken.

Mr. and Mrs. Noah Spencer returned home Thursday from a week's vacation in Missouri and Arkansas. They met Mr. and Mrs. D. N. Gamblin of Avery at Branson, Mo. and saw the sights and the Pageant "The Shepherd of the Hills." After a few days there they went to Eureka Springs, Ark. where they saw the Passion Pageant and a Country and Western Jamboree, toured a trout hatchery and other sights.

Mrs. Vonneta Stockham of Jupiter, Fla. arrived Thursday to visit for awhile with her brother Mr. and Mrs. Gerald Elkins, Chris, and Mr. and Mrs. L. G. Elkins of Olton.

Mrs. Raymond Jones and Mrs. Hershel Wilson attended the Alandale Seminar West Texas Ladies Retreat at Plains Baptist Assembly Friday and Saturday.

Mrs. Doug Freeman, Sonya and Angelia of Jal spent Saturday night and Sunday with her parents, Mr. and Mrs. Hershel Wilson.

Mr. and Mrs. Lonnie Wilson, Samantha and Jessica and Mrs. Bruce Bridges, Erin and Robin attended the South Plains Fair in Lubbock Monday while the children were out of school. They ate at Red Lobster before coming home Monday night. Andrea stayed with her grandparents, Mr. and Mrs. Hershel Wilson and Jonathan stayed with his grandparents, Rev. and Mrs.

Glen Smith of Springlake. Jerri Ka Clark's FFA Sheep Production record book was recently judged second in Regional competition. She showed breeding sheep at the South Plains Fair in Lubbock this week, but hasn't heard the results of the judging. Lyle Loudder was recently

named senior class favorite at Springlake-Earth School. Dara Loudder was elected secretary and was named favorite girl of the High School sophomore class.

15—LEGAL NOTICES

LEGAL NOTICE

Deaf Smith Electric Cooperative, Inc., P.O. Box 753, Hereford, Texas, 79045, is making an application for a loan from the Rural Electrification Administration. The loan will provide funding for the needed construction as determined in a recent two-year work plan. This construction includes a new substation of approximately 10,000 KVA capacity along with the necessary transmission lines to serve it. This substation will be located in Castro County, with exact location to be determined by load growth demand. This new construction further includes distribution lines of 146.8 miles of overhead line and 22.3 miles of underground line, which will provide service for 1044 new consumers which the Cooperative anticipates serving in 1982 and 1983. New distribution tie-lines will be constructed to improve voltage-levels, increase capacity, and improve system operating economics. Most of this construction will be located in Parmer and Castro Counties.

These facilities will make it possible for the Cooperative to meet the increasing demands for electric power. If there are comments on the environmental aspects of the proposed construction, it should be submitted to the Cooperative before November 1, 1981. Additional information may be obtained at the Cooperative at the above address.
