THE RINGING AGONY OF "SWIMMER'S EAR"

Now there is Aqua-ear® Solution. A proven medication developed by a leading Ear, Nose and Throat Specialist to help prevent Swimmer's Ear and its painful recurrence. Aqua-ear dries up excess moisture and retards growth of bacteria and fungi in the outer ear canal. Available at any drug store without a prescription.

Denture problems?

OraFix holds dentures better because it spreads better.

Tests prove OraFix® spreads better than the other leading denture adhesives — cream or plastic. Other adhesives can leave gaps between dentures and gums. So food particles and air can get in causing dentures to slip. But OraFix spreads better so it can fill even tiny gaps. Result? OraFix seals and molds dentures tight.

- Defrost promptly—frost build-up of more than 1/4" makes cooling units work harder—they use more energy and wear out faster
- Prepare food for refrigeration by letting hot dishes partially cool before refrigeration or freezing.
- Keep it full—but without overcrowding. A half-empty freezer uses more energy, because air is harder to keep cold than chilled foods and liquids
- Check gaskets to help prevent energy-wasting air leaks. Close door on a heavy piece of paper. If it pulls out easily, gaskets may be worn.

Mrs. Ricky Floyd Mashburn

MISS CHERI DEAN BAKER, RICKY MASHBURN EXCHANGE VOWS IN CEREMONY ON JULY 19

Miss Cheri Dean Baker and Ricky Floyd Mashburn were united in marriage Saturday, July 19, at 8 p.m. in the Robert Lee Baptist Church. The Rev. Roy Epperson officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Bobby Baker and Mr. and Mrs. Wayne Mashburn are parents of the bridegroom.

Organist was Daryl Copeland. Given in marriage by her father, the bride was wearing the wedding dress of her aunt, Mrs. Richard Denman of Odessa. The gown of Chantilly lace, featured a trim of bias taffeta folds to form a simulated yoke below a scooped neckline, decorated with lace and sequins. The taffeta folds were spaced at intervals on the skirt which extended into a chapel length train. A floor length veil rimmed with lace was caught by a headband of lace trimmed with seed pearls.

Mrs. Gary (Dianne) Parker of

Abilene attended her sister as matron of honor. Bridesmaids were Mary Kay Baker, sister of the bride, Rena Mashburn, sister of the bridegroom, Mary Hughes and Theresa Percifull.

Vince Hanna of Ausin was best

man. Groomsman were Troy Milican, cousin of the bridegroom, and Bill Rowoldt, both of Robert Lee, Richard Guerrant of Austin and Wayne Caulder of Bronte.

Ushers were Gary Parker of Abilene and Jerome Hanna. Guests were registered by Melinda Denman of Odessa.

After the ceremony, a reception was held in the church Fellowship Hall. Members of the houseparty included Valerie Baker, Sheila Roberts, Jo Nell Ross, Susan Wallace, Linda Foust, Linda Havins and Melinda Denman.

The bride is a 1975 graduate of Robert Lee High School and is attending a business college in San Angelo.

The bridegroom is a 1974 graduate of Robert Lee High School and is a sophomore at the University of Texas at Austin. He is employed for the summer with an oil company.

LONE STAR GAS SYSTEM\$14.41

In fact, the average rate in cities on the Lone Star Gas Company system in Texas ranks among the lowest general service gas rates in the country for residential and commercial customers.

These rates are based on a recent comparison by Lone Star Gas. The rate you see listed for the Lone Star Gas system is based on the average of all general service rates in the 410 incorporated cities and towns we serve in Texas, and are based on 10-thousand cubic feet of natural gas used by residential customers on June 1, 1975.

Your town may have a general service rate above or below the average rate listed above. Rates differ in all the towns we serve, because each town has a unique gas distribution system and has different revenue requirements.

We know your gas bills have been rising steadily in the past year or two, and they'll continue to rise. The average price Lone Star has had to pay for gas supplies has risen more than 250 per cent during the past three years, and some of this increase has been passed on to our customers.

Lone Star has been consistently able to supply our customers with natural gas. Other parts of the country are having severe problems in obtaining adequate supplies of this premium fuel, and we're working hard to prevent those problems here in our area.
