News from West Coke Nursing Home

By Yvonne Conner

Nursing Home residents who attended the Senior Citizens' luncheon June 17 included Pearl Mayo, Lou Ella Bessent, Annie Cope, Naomi Brown, Annie Mae Cox and Bessie Walker. Ella Duncan, who is usually present for the third Thursday luncheon, had fallen and was unable to go.

Lou Ella Bessent was the honoree at our June birthday party as she was the only one of our residents having a June birthday. Ladies from the Southside Church of Christ hosted the party on June 14 and a large crowd was present.

We all enjoy the Sunday after-

noon church services, the Wednesday domino games and Thursday Bible classes and would like to express our appreciation to all who make these possible for us.

Mrs. C. G. Walker Sr. still comes to read Bible lessons to those who cannot read. We thank her and everyone else who helps make a better home for so many people in the Nursing Home.

Should any of you have small bottles with glass lids that can be used for sachet and would like to donate them to the Nursing Home, we can use them in our Arts and Craft. Call 453-2513 or 453-2673 and someone will come pick them up.

contact with several doctors but no commitments have been made yet," he said.

Dr. Jerry Schultze of San Angelo is making rounds in the nursing home and caring for its residents.

Members of the hospital district board said they regretted having to close the hospital, but they are short of funds and are unable to operate the hospital any longer without a doctor.

The closing will leave Coke County without hospital care as the hospital at Bronte closed several weeks ago.

THURSTON McCUTCHEN
 FARM BUREAU INSURANCE, 453-2812

I am going to buy a new car which will be financed by our local bank. What types of coverage will the bank require on the car?

Banks generally require only Physical Damage coverage. Physical Damage is basically divided into two major parts: Comprehensive and Collision. Comprehensive Coverage applies to physical loss other than by collision... such as glass breakage, fire, hail, etc. It may be purchased with or without a deductible... depending on the cost you wish to pay. Collision Coverage pays for all losses incurred by collision with another object and may be purchased in various deductibles. The bank does not require Liability Coverage but such coverage may be required for other reasons. Therefore, make sure you are adequately insured in all respects... not just for financing requirements.
