

Junior rodeo slated here July 22-23-24

A junior rodeo for boys and girls aged 18 and under, sponsored by the Dimmitt Rodeo Association, will be held in the arena here July 22-24 and is expected to bring some 350 contestants and their families from West Texas and New Mexico.

IT WILL be one of this year's six regional meets of the High Plains Junior Rodeo Association. This is the first time for Dimmitt to entertain the junior riders. Winners here will be eligible to enter the finals at Clovis late in August.

From all indications the Sunnyside Picnic was a huge success. There were no flies, mosquitoes, etc., to make the evening miserable, and for a change you could eat outside unmolested by insects. The committee that planned and staged the picnic is to be commended on a job well done. It is possible that every community in the county was represented by someone in the five to six thousand people present.

The picnic on Running Water Draw at Sunnyside reminded me of the picnics I attended, as a boy, at White Rock, Bullock's Rock and Reed's Lake on Little River, down in Bell County. I never heard of a committee arranging a picnic back then, they just happened. One neighbor would ask another, "Is there going to be a picnic this year on the Fourth?" The reply would always be, "I don't know, but I think we will go." The word would spread all over the community that nobody knew whether there would be a picnic or not, but that everyone was going just in case there was.

The misunderstanding would always wind up with enough players present to have a baseball game, and there would be other games such as horseshoe pitching, dollar pitching, etc. And there would be some enterprising soul who would bring enough ingredients to make all of the lemonade that the crowd could consume, and that would probably be barrels. You could always hear the vendor crying his wares, something like this, "Lemonade, stirred with a spade, the best lemonade that ever was made, 5 cents." If the river wasn't on a rise practically everybody would go in swimming before the day was over. Fourth of July picnics are a national tradition.

Airplane hijackers should be warned that regardless of where they force a plane to land the Israelis will be instructed to liberate the hostages.

As long as the price of everything else keeps going up we can't complain too much about tax increases on the local level, but somewhere, sometime there will have to be a damper put on inflation. If it is not too late already some segment, or segments of the economy, will have to bite the bullet. The main culprits, undoubtedly is the government with its wasteful spending, the big banks with their high interest rates and the fuel, power and utility companies. Price ceilings should have been placed on interest rates and consumer

the Dimmitt Rodeo Association, said events will be in three age divisions and all are open to those who meet age requirements.

Performances are scheduled at 8:30 p.m. each of the three evenings. The final performance Saturday will be followed by a junior dance on the concrete slab at the rodeo grounds.

CASH prizes will be given in all events. In the finals at Clovis the prizes will be saddles, belt buckles and other items of the rodeo rider's outfit.

Entrance blanks for anyone interested may be obtained from Woods. The entry deadline will be July 17, not July 10 as announced on posters, Wood

said. The Dimmitt Chamber of Commerce board at its meeting last week planned to assist in arrangements for the visitors expected, and will notify its member motels and restaurants to be ready for them, Manager Elvon DeVaney said.

AGE divisions are for 16-18 years, 13-15 and 12 and under. Events for the youngest contestants are calf touching, steer riding and team roping for boys, barrel racing, goat tying and pole bending for girls.

In the two other divisions boys will compete in bareback bronc riding, tiedown calf roping, team roping and bull riding. Girls will compete in breakaway roping.

Food, music, games due in German-fest

An all-German feast and a lively polka band are among attractions announced by Nazareth community residents for the Fourth Annual German Festival Sunday, July 25.

IN THE tradition of the national origin of most Nazareth folk, the gala day will include dancing, singing, an old-fashioned baseball game between town teams, an art and craft fair and the dinner, with everyone invited.

Pretty young women of the community will serve the meal from 4:30 to 7:30 p.m. Real German sausage, beef stroganoff and apple strudel will be among menu items and the cost will be \$3 a plate.

Dancing, round and square, will continue through the afternoon and evening in the Nazareth School gymnasium. The Havlak Polka Band which pleased the crowd at last year's festival will be back to play old favorite polkas, schottisches and waltzes beginning at 9 p.m.

TO START the fun, the baseball game is scheduled at 1 p.m. at the community center east of town. The contest will be between two local teams.

Round dancing with Les Grumke of Amarillo to call the rounds, is scheduled at 1:30 p.m. and a 2 o'clock grand march will kick off the square dancing.

Eddie Gunnels and Bob Graham will round up the squares for a real hoedown in the gym, where there is plenty of room for dancers and spectators.

Visitors will be invited to cast a vote for their favorites in the arts and crafts display, which will be open at 2 p.m. in the school cafeteria. Ribbons will be presented to the exhibitors whose works get the most votes.

THE 76'ERS, a county Bicentennial singing group, will perform in the parking lot of the hall, directed by Jim Massey of Dimmitt.

Festival proceeds will be divided among three community projects: Remodeling of the Community Hall, the Nazareth Fire Department and the Community Center.

Jerome Brockman is general chairman for the event, with Mrs. Dan Schmucker as dinner chairman and Mrs. Leonard Schulte as co-chairman.

Slow rainfall soaks ground, delays vegetable harvest

Slow, general rainfall over Castro County in amounts up to two inches in some parts of the southeastern areas, has put much-needed moisture in the ground but delayed vegetable harvest during the first part of the week.

"GOOD AND slow, all soaking into the ground," was the way farmers described the rain that was only a drizzle in some places. Official reading for Dimmitt, from the rain gauge at Radio Station KDHN four miles north of town, was .58 inches for the week.

Harvest of potatoes and onions, just getting well underway, was stopped by the rain. At the close of last week onions were arriving at the LaMantia, Cullum and Collier Co. sheds here in good volume and the market was showing a slight price increase, according to Albert Maxwell, manager.

Too few potatoes had been received to judge the expected volume and the overall quality, he added, with the bulk of the crop yet to be harvested.

ABOUT TWO inches of moisture was reported by Ricky Byers of Sunnyside Grain, the most in the county. Farmers Grain at Hart had 1.16 gauged there from two showers in two days. Lucy Leinen said rain was general over the Nazareth area

with 1.20 inches measured at the Dimmitt Agri-Industries elevator there.

Rain totaled 1.3 inches at Flagg Grain Co. but at Tam Anne Fertilizer Co. only a tenth of an inch was received in two days, and the Easter community got "just sprinkles" Mrs. [See RAINFALL Page 9]

African is given ag tour

In Botswana, Africa, it takes four years to feed out a cow at about 1,000 pounds, feeding on desert grasses.

THIS IS one of the reasons for Frank Boagomo's visit to this area last Thursday. He is the Administrative Secretary of the Botswana Meat Commission and he came to find out about more efficient methods of cattle feeding.

Meat is the main product of Botswana and 95% of what is produced is exported to other countries.

"Through a government program of artificial insemination the various local breeds have been greatly improved and some are now being fed out in two to three years," Boagomo said.

George Bagley, manager of

Dimmitt Feed Yard where Boagomo visited last week, said that there the average age of a slaughter cow is between 18 months and two years.

"MOST OF the poor farmers feed their cattle only the sweet grass of the desert area and cannot afford any supplements. The government is starting a program where these farmers may sell as many of their cattle as they wish, to a government holding ground which would be similar to your feedlots," said Boagomo.

"Here, supplements would be given to improve the growth rate of the cattle, which would then be slaughtered and sold."

Boagomo discussed with Bagley the type of feed being used at Dimmitt Feed Yard and its effects and advantages.

He also mentioned that of every breed of cattle he has seen in the United States, Botswana has them all except Holstein, including many long-horns. However, he added that the Brahman breed and hybrids seem to adapt the best to his country's conditions.

"SOME OF our cows are shipped as far as 420 miles to the only slaughterhouse in the country. Most come by railroad, with about 20% coming by way of the roads. Even though it is called a desert, there are bore holes every 20 miles for water," related Boagomo.

Elvon DeVaney, local Chamber of Commerce manager, stated that the Botswana cattle industry seems to be at about the same stage of development as Texas' was at the turn of the century.

Boagomo's visit was arranged by the Visitor Program Service of the State Department. His port of entry to the United States was in Washington, D.C.

He also visited Boston, Niagara Falls, Chicago, San Francisco, Las Vegas and Amarillo before coming to Dimmitt. Ronnie Burks, a former Dimmitt resident now employed by the Amarillo Chamber of Commerce, accompanied Boagomo to Dimmitt.

BECAUSE his country also has a few sheep, Boagomo was interested in seeing Estacado Industries.

After visiting Dimmitt Feed Yard, the delegation accompanying Boagomo took him to a local steakhouse for a Texas-style T-bone steak. He admitted that it was much juicier, more flavorful and tender than those produced by his country.

School budget is in making

A tentative local budget for the Dimmitt Independent School District, totaling \$2,394,674, was adopted by the Board of School Trustees Monday night. This figure does not include federal funds.

THE DISTRICT has applied for various federal school funds, and board members expect to learn the exact amount Dimmitt will receive in time for an official budget hearing which is set for the next board meeting, Aug. 9.

The tentative figure for the local budget is somewhat smaller than last year's. Supt. Charlie White said, but it cannot be made definite until the amount of federal aid is known.

At this week's session the board approved personnel changes, voted to accept the Texas State Board of Education ruling forbidding student fees and approved bids for supplies of various kinds for the coming school term.

Resignations were accepted from faculty members Donna Driggers, Melinda Maness, Larry McMinn, Sharon Goode and June Parker.

EMPLOYED as teachers for the next term were Joe Thurston, elementary physical education; Bill Smotherman, speech therapy; Jerry Vance, assistant high school football coach; Carolyn Gray, elementary music; Rita Gilreath, fourth grade; and Diane Axtell, Title I migrant program.

The state board ruling on student fees means that the school system will assume the cost of such items as band instrument rental, band uniform cleaning, workbooks and paper in elementary grades and several high school classes which have previously been covered by fees paid by students, White said.

Drivers education costs will be divided, as the subject will be offered without charge in the classroom during the school term but a fee will be charged for laboratory instruction in the summers.

Bids were accepted from Plains Creamery on milk, Amarillo Supply on a jointer and band saw for industrial arts classes, the Ink Spot on duplicator fluid, Bancroft Paper Co. on duplicator paper and rolled towels, Weskem Paper Co. on folded towels and Roberts Paper Co. on toilet tissue.

BONFIRE AND SQUARE DANCING AT THE JUBILEE ... Dimmitt Promenaders entertain

Jubilee picnic attracts 500 for fun fest

The Sunnyside Community was host to around 500 people at the Castro County '76 Jubilee Friday on historic Running Water Draw. This was an event of the county's celebration of the US Bicentennial.

UPON arrival at the campsite, one could participate in games of softball, volleyball or horseshoe pitching. The local 4-H horse club gave demonstrations of what happens at a horse show in halter competition as well as Western pleasure.

At mealtime most of those present spread out blankets on the ground for the picnic, though some brought folding tables.

Tea and coffee were provided for all by the Sunnyside community, and there was son-of-a-gun stew from the Dimmitt Meat Company for any who wanted to try it.

WHILE folks were still eating, the square dancers from Dimmitt, Hart and Nazareth danced a few rounds. During a break in the dancing, a tug-of-war game was organized.

Near the end of the supper hour Mr. and Mrs. Oscar Wylie and Mr. and Mrs. Jim Elder rode into the area in Wylie's 90-year-old surry, giving a real old fashioned flair to the festivities.

A humorous Bicentennial skit was presented by Brenda Campbell, Rita Upton and Karen Williamson of Hart, followed by Jo Eddy Riley of Sunnyside presenting "What the

Pledge of Allegiance Means to Me." She then led the crowd in reciting the Pledge.

THE BLUEGRASS Band comprised of Jerry Jansa, Johnny Dalton, Jimmy Ray Davis, Herb Mayfield, Wes Nivins and Curtis Snitker played several selections. Then Nivins showed his prowess with the fiddle.

After a few more square dance numbers, the Castro County '76ers led the crowd in some old favorites and sang some songs of their own.

Near the end of the evening individuals were called on to recite brief histories of their communities. The program was closed with a prayer from Raymond Jones, minister of the Sunnyside Baptist Church.

Taxpayers heard by county board

Around 70 taxpayers signed up to appear before the county tax equalization board Monday to contest a recently announced rate hike, although only 45

actually spoke to the board, according to County Judge Weldon Bradley.

THE PUBLIC hearing was held by Castro County Commissioners sitting as a board of equalization.

"We felt that the great majority of those with whom we spoke, went away with a better understanding of our reasons for the hike," said Judge Bradley.

The board stayed in session until after 8 p.m. to speak with each person who waited. Judge Bradley added that several of the protesters were persons on fixed incomes such as pensions or Social Security.

After speaking with each person who appeared, the commissioners voted to go ahead and pass the increase.

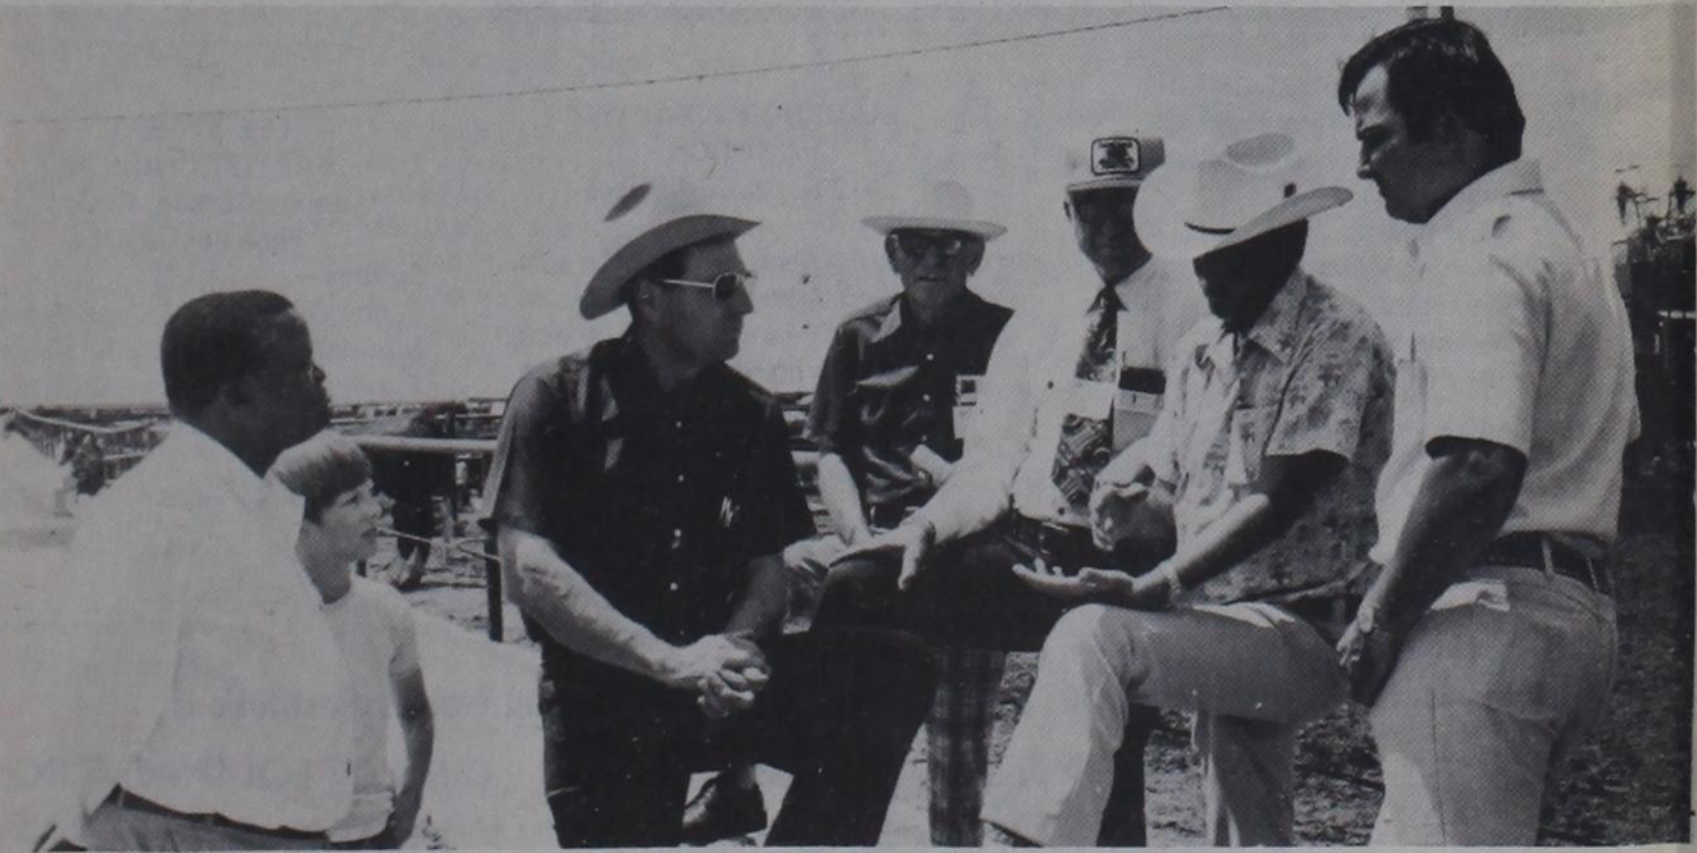

A change in the county tax structure was voted by the Commissioners Court last month, amounting to about a 25 percent tax hike. The rate was actually reduced, from 95 cents per \$100 valuation to 60 cents, but the rate of appraisal for property valuations was doubled.

Trio takes 'Heritage Trail' for very enjoyable tour

By MYRTLE SHEFFY

Oneida Hutto, Elberta Dyer and Helen Richardson have just returned from a 15-day Bicentennial tour called America's Heritage Trail. They attended the Grand Ole Opry in Nashville, Tenn., crossed Smokey Mountain National Park to Jamestown and Williamsburg, Va., then to Mount Vernon and Washington, D.C. Other highlights of the course in American history included Philadelphia, Valley Forge, Gettysburg, Battle of Antietam and many other points of historical interest. In North Carolina they attended "Common Glory", an outdoor historical drama written by Paul Green, who also wrote "Texas." This is one of the tours by bus. Sounds like fun.

THERE MUST have been a thousand people at the get-together on a grassy slope west and south of Sunnyside just off Running Water Draw. The people there worked hard and were good hosts and hostesses. Groups had picnic lunches and Edd McLeary was serving hot "son-of-a-gun" stew. Mrs. B. M. Nelson and Lottie Bearden took enough food for me. Herb Mayfield and boys made fiddle and string music. Jim Massey and his 76'ers sang patriotic songs. Hart girls gave skits and four different square dance groups danced. The grass has had water from rains. It was as beautiful as a town lawn.

Next let's go to Nazareth for the German food July 25. Oh yes, and a fine horse show. The editor will tell you about that. We met Seth and Anita Ralston and pretty little girl Danna at the picnic. They came here from College Station but their home is Spearman. He is assistant county agent. Anita works at Dr. Bill Lee's clinic. They attend church with the First Christians on Western Circle.

SAM (or J.C.) and Virginia Gilbreath have been to Sioux City to visit their son Zay and Charlotte and three sons Gary, Alan and Mark. She says they saw and talked league baseball, and all the Fourth of July fireworks. And this week Virginia

and Jan Querze and Ina Mae Gilbreath and Dorothy Noland of Hereford went to Ski Valley, that is east of Taos, to attend a painting workshop.

Marla Winders and Elaine Schulte went to Brownwood to attend and play basketball in the North and South All Star. These girls will play with the north group. Several nice things were planned for the girls.

R. C. and LaVerne Campbell of Uvalde have been here for a visit with friends Cleo and Jewell Connell and Zelma Thomas and Shorty Oldham. They went on to Hereford for the wedding of Debbie Feagley and Stacey Hartman. The Campbells did live on a farm near Cleo.

Mr. and Mrs. W. K. Griffing of El Paso were weekend guests of daughter Bessie and George Elder. I heard Bessie and Neva Hickey talking about golf Saturday. The course was sopping with water. That was why they did not do good.

BRENDA DOLLAR Allen and children Chandra and Scott of Anchorage, Alaska are here for a visit with her mother Lucille Dollar and sister and family at Bovina. Mr. Allen and 17-year-old young Allen couldn't come. Lucille and Brenda and children left here Sunday for North Carolina to see Lucille's parents Mr. and Mrs. Clarence Jackson. Mr. Jackson suffered a severe stroke last week. We wish him well. They will visit other relatives also. Brenda finished school here when Tommy Bills and Sandra Nelson did.

John and Sue Merritt, their children Johnny, Amy and Suzanne of Amarillo, Sue's sister Ann Webster and her children Mark and Mendy of San Mateo spent a few days in Ruidoso. They stayed in Buster Cooper's house. They had plans for the Behrends place but it was full up with their friends.

These four girls got together for a few games of bridge Tuesday—Jeanie Johnson, Martha Jo Hyman, Cheryl Glidewell and Pat Keith. I didn't find out who played best.

AT THE cafe Sunday we visited with Odell and Mildred Arnold who were in town on business. They have a hamburger drive in at Stratford. They attended church with the First Baptists and were visiting friends. They went to school in Dimmitt. Their daughter Judy and Ken Gretz live in Garland, northeast part of Dallas. She is an R.N. and Don and Janice and granddaughter Jill live in Mesquite. They have one at home. Do you sometimes wonder where the years have gone? I knew the Arnolds as high schoolers.

Ivor and Hazel Bagwell have been to Denver, Colo. to see their daughter Nelda and Marion Fallwell and the children. Then on down to Red River where they fished for rainbow trout. Hazel says she couldn't catch a 40-pounder like Geneva Dennis because no one tied one up, but she caught many small ones. Marion caught the biggest trout of all. Then they all drove around all over Colorado to see the mountains and rivers.

A group of young singers from the Hereford Methodist Church presented a program Sunday evening at the Methodist Church. They are very good. They were "I love America" songs.

MERLE MORGAN (Mrs. Buster) tells us about their trip south. Her daughter Mr. and Mrs. Charles Harris and son Jonathan of Stinnett went to Orlando, Fla. En route they stopped in Fort Worth to pick up Edna Morris, who is the mother of Charles. They made a stop in Vicksburg, Miss. Saw the town at night and made a tour of McRaven, one of the beautiful and historical houses that didn't get burned during the Civil War. They visited the Vicksburg National Military Park. On to Alabama where they made a tour of the USS Alabama, the big warship of World War II. Then to Orlando, stayed several days, made the Disneyworld trip, also the Sea World. And to the wax museum where the famous movie stars are sculpted in wax. Came home by way of New Orleans, one of the United States most interesting cities. Made a tour of the French Quarter. It has good cafes, many antique shops and the big statue of General Jackson on the horse standing on one foot for 200 years. The big shipping market is worth seeing and the parks and fine homes, Huey Long's bridge.

MRS. ED Manning and son Sam and Ginnie of Canyon went to Dallas to help her mother Mrs. R. N. Grubbs celebrate her 94th birthday. All 44 people went to Wyatt's Cafeteria for dinner. This was a big town just off Buckners Boulevard and near Mesquite. They report a talking good time.

Tommy and Donna Stafford and three little girls have moved back to Lewisville. That is

south of Denton. Tommy will be a building contractor with the people he represented before his bad car wreck.

Tom and Georgia Finley went to Albuquerque where they picked up the daughters Melissa and Mellinda who had been visiting their aunt Jo Knopfel. The niece Lucretia Knopfel returned home with them for a two-week visit. They have made trips here and there in the Panhandle. Then one day to the Palo Duro Canyon where they took and ate a picnic lunch under the big cottonwood trees, waded in the creek, rode the Sad Money train up hill and down dale, saw the pageant "Texas." Very very much fun. You know you can buy a barbecue supper there before seeing "Texas."

MR. AND MRS. J. T. Brady are here from Cocoa Beach, Fla. for a visit with Garnett and Polly Holland. The guys served in the US military in the Philippines.

Bill and Deanne Clark spent a few days in Roswell for Deanne's 20th high school reunion. It was well attended and Deanne says they looked young and healthy for their age. Even the school teachers looked good. Hard to remember last names though.

Mrs. Buddy Leigh and twin babies Drew and Dawn of Alice have been here for a visit with friends Fred and Bobbie Bruegel and family. They are former Dimmitt residents and Buddy was with the bank.

Gene and Connie Ivey and her brothers Newt and Alma Dunn from California, Joe from

Big Spring, Coy and Herbert of Littlefield spent the week at Possum Kingdom Lake fishing and resting. Nora Dunn stayed at the home to look after the mother Dunn. They got back to Dimmitt in time to make music Saturday evening at South Hills Manor.

HELEN McLEAN was hostess to her bridge club Thursday afternoon. She served a pineapple, pecan, whipped cream cake made by Roxie McLean. It was delicious. Guests were Jeanie Miller, who was the best winner, and Maxine Tidwell was good, Polly Manning and I were guests, Reba Touchstone, Edna Riley and Ceal Carlile.

Katy Burkett couldn't go to the club because she has company. Joe's wife Linda Burkett and sons Andy and Todd from Scottsdale, Ariz. and Thursday callers were Carlos and Ann Barnes and girls Michelle and Tiffany from San Antonio. Carlos has his own heavy machinery shop now. They are former Dimmitt residents.

V. C. and Dorothy Hopson were hosts with a party and buffet supper Thursday eve-

ning. Their guests were Bob and Betty Huckabay, Bill and Cheryl Glidewell, Martha Jo Hyman and Myrtle Sheffy.

Our sympathy goes to Harold Hyman on the loss of his mother Mrs. Hyman of Lubbock. Her death came Friday morning.

RICHARD AND Ruth Wooten attended a high school alumni get together at Erick, Okla. They were guests of Mr.

and Mrs. Lowell Bennett. Saw many long ago friends. And this week guests of Richard and Jesse Wooten families were Mr. and Mrs. Edwin Phillips and girls Donna and Susan of Waukesha, Wis. They visited in Waurika, Okla. and Wichita Falls.

Mr. and Mrs. Pesina and family are home from a trip to San Antonio where they attended the funeral of a nephew of Mr. Pesina's.

Merdell Rogers of Gustine is here for a visit with her sister Dorothy and John Gilbreath and boys. They both visit their dad who has been very ill. Do you remember the little town of Gustine? Stopped there one time. A barber still cuts hair for \$1, and he is a prize winning fiddle player.

Ronnie and Darla Lorenz and daughters Robyn and Brook are guests of friends Ken and [See CHATTER, Page 3]

Follow The Signs Imagine yourself in a train depot in a foreign country, and the signs are in a language unfamiliar to you. You know that the signs are there to direct you, and you try to figure them out, but despite your best efforts you are not sure of your interpretation. The natural thing to do then, is to check with an attendant and have him explain things to you. The Bible is a sign given to us, and directs us in a pathway of living. Interpreting these directions is not always easy, so the natural thing to do, should be to seek someone to help us. Our churches have many trained personnel who are familiar with the language of the Bible. Attend Church this week and follow God's way of life.

Early cotton repeats feat

For the second straight year and the third time in the last four, the nation's first cotton bale of the new season has been produced from an early-maturing variety developed by a Texas A&M University scientist.

THE 498-pound bale was ginned at Harlingen June 22 from a variety called TAMCOT SP-37, developed about five years ago by Dr. Luther Bird, professor of plant pathology and a cotton breeder for the Texas Agricultural Experiment Station.

The producer was Oscar Mayfield & Sons, Cameron County farmers who also grew the first bale in 1963 and 1973.

Roy Heine, foreman of the Mayfield 777 Ranch near Arroyo City, was the man responsible for getting the cotton picked, ginned and delivered to the Harlingen police station in time to qualify for the \$2,500 premium offered by the Valley Chamber of Commerce.

Dr. Bird's precocious variety was also the first cotton ginned in 1973 and 1975.

"Americans buy cars by the pound," says the executive director of the American Imported Automobile Association. His statement reflects the sad but true fact that foreign car sales are lagging way behind the surge in US car sales.

TOTAL car sales jumped 27% in the first six months of this year but the market share of the imports dropped from 20% to 14%. The big two reasons are the continuing love affair that Americans have with big cars, and the higher prices of the foreign cars.

Three years ago European cars had 60% of the import market. Today, Japan has 60% and the Europeans have 40%. Volkswagens, the leader in previous years has been hurt the most, falling well behind Datsun and Toyota. The VW Rabbit, designed to replace the Beetle, starts at \$3499. Sales of VWs in this country in June were almost 50% behind last year. Out of 1124 dealerships in the US more than 40 have closed in 1976.

ALTHOUGH other European car manufacturers are not trying to introduce a new car to replace a well established model, such as the Beetle, they do have to compete with the lower priced Japanese imports and against the lower priced American compacts.

Toyota, Datsun, and Honda all offer models in the \$2,800 price bracket. The Japanese also offer more model choices than the European cars but with perhaps less flashy engineering.

The European car makers, in an attempt to blunt the lower priced Japanese cars, are emphasizing the prestige aspects of owning one of their cars. Volvo is appealing to the \$6,400 to \$10,000 car buyer, after feeling the competition from Chrysler's Volare and Ford's Granada.

It's the lower priced European cars that are suffering the most. Fiat, with a total sales drop of 30%, is having trouble dealing its \$2,988 Model 128, but the Fiat sports car which sells for above \$5,000 is sold out. BMW and Mercedes-Benz with very high priced cars are setting sales records.

Foreign car dealers have not given up on US sales, however. Mazda, Japanese rotary-engine car maker, is trying to counter the years of sharply dropping sales by offering a two-year or 25,000 mile free service package, including oil and tuneups along with the regular warranty coverage of parts and labor.

Briscoe urged by TEC board to call session on gas cost

Directors of the Association of Texas Electric Cooperatives Inc. have voted to urge Gov. Briscoe to call a special session to pass the package of legislation dealing with high utility prices recently presented to him by Speaker Bill Clayton.

ACTING on recommendations advanced by the TEC legislative committee which met Thursday, the directors approved a statement noting that the proposals before the governor included four of five measures which they had recommended in a position paper in April.

The statement observed that the package falls short of TEC's previous call for "reasonable and responsible efforts to assure that the price of natural gas is fair and equitable to all parties, including giving authority to some responsible regulatory body to provide such assurance."

It was explained, however, that several of the proposals—notably those dealing with restraints on pass-through charges and so-called "take or pay" contracts—could be expected

VETERAN'S SERVICES
By BEDFORD W. SMITH
County Service Officer

Our office is open again each Tuesday and Thursday after returning from a short vacation. First at the L. W. Graham (wife's parents) family reunion at Knox City July 4, and the North American Christian Convention at Denver, Colo., July 6 to 9.

Our daughter, husband and children, the Samuel R. Kobles of Cushing and Yale, Okla. attended both events also. Four generations of Grahams, numbering several dozen people, enjoyed the reunion.

Forty-eight thousand were registered for the North American Christian Convention with about 16,000 present for the opening session July 6. Mrs. Smith and I renewed many old friendships and enjoyed the many outstanding speakers and conferences.

THE VETERANS Administration is launching a renewed effort to advise World War II veterans of the high, and increasing cost of holding GI term life insurance instead of converting it to one of the so-called "permanent" plans.

In announcing a new National Service Life Insurance information booklet, VA Administrator Richard L. Roudebush said, "I am greatly concerned that large numbers of World War II veterans have not yet heeded our warnings about the heavy premium increases they must pay unless they convert their policies."

For example, Roudebush pointed out that a World War II "V" policyholder pays \$12.70 a month at age 50 for a \$10,000 NSLI term insurance policy. At age 60 that monthly premium jumps to \$26 a month and at age 65 it has increased to \$39.70 monthly. At age 70 it would jump to a whopping \$61.80 per month.

Roudebush explained that GI term insurance policies were designed to be used only for a few years, affording veterans a maximum of protection at a minimum cost during the readjustment period after separation from service and while raising a family.

By converting his term insurance to one of the VA's permanent plans, Roudebush pointed out, the veteran pays premiums which, while slightly higher initially, do not increase as the years go by.

THE FACE amount of the modified Life policy is reduced by 50 percent on the insured's 70th birthday but can be maintained at the full amount by applying for a special ordinary life policy prior to that date. An additional premium will be charged but no health examination is required.

Roudebush pointed out that the new VA insurance booklet will be available in July at VA offices and from members of the national veterans organizations.

"In the meantime, I urge veterans having questions concerning their GI term insurance to contact the nearest VA office or check with a veterans county service officer or veterans organization representative," he said.

We should have the new booklets very soon. Our office is open at other times than Tuesdays and Thursdays as it is needed. Call us at the office or home.

Small Talk

By SUE COLEMAN

When somebody said "The British are coming!" in 1776 or a bit earlier, Americans got excited. Now we just roll out the red carpet for the Queen, no less, and her husband. Times have changed for the better.

THE BRITISH as a whole, it seems, are joining more heartily into our independence anniversary celebration than a lot of us are. Do you think maybe they are celebrating the fact that we left them then and they don't have us on their hands now?

WHEN they were recruiting golfers to play in an area Kiwanis Club tournament July 30, some fellow members urged Ted Robb to join a team and he pleaded that he doesn't have shoes.

It sounded like Mark Cleavinger's voice that spoke up, "I know where you can get some cowboy boots with cleats on the bottom."

WHEN one of her children's actions get plumb frustrating, as anybody's children will at times, Joyce Templeton says she tries to remember that she must have caused her mother a good deal of trouble when she was a child, though she wasn't trying to do that.

She mentioned the time she idly touched the sewing machine wheel with a bare toe while her mother was stitching a seam, and somehow got it caught in the wheel with sad results to the sewing operation.

And when she stuck her head through the rails at the foot of a metal bed and found she couldn't pull it out, too panicked to listen to advice to turn her head a bit that way.

Mr. and Mrs. Rom Peiser and girls, Denise, Dianne and Lisa of Schererville, Ind. spent the weekend here with her aunts Cornelia and Cecilia Annen and her uncle Philip Huseman.

MRS. PHILLIP Huseman flew to California to visit her son Keith and family. She will also visit her sisters and brother there.

The Lon Brockmans and Arnold Brockmans went to Denver City and Midland Sunday to visit with the Gerald Brockmans and Vick Brockmans.

The Herbie Wethingtons of Dumas spent the weekend visiting relatives here.

Mrs. Vincent Guggemos, Dorothy and Cornelia Annen drove to Friona to visit the Gene Dobmeiers and take Jason and Tiffany home after spending the week here while their mother was in the hospital.

MR. AND MRS. Billy Ed Hoelting and girls spent the weekend here. While here they hosted a birthday party for the little girls, Marie and Ashley at the home of the Ray Schultes. About thirty children attended. After the gifts were presented, ice cream, cake and punch were enjoyed by the children and parents. Also the great grandmothers Mrs. Louise Schulte and Kate Hankins of Plainview attended.

Vickie Wilhelm went to Pampa Monday to spend several days with her sister Mrs. Charlie Barker.

The weather is so much different today (Monday), as it's been raining nice and slow for the last few hours and it looks as if we will get more.

HOME delivery is expected to account for less than seven percent of all milk bought in the US by 1980—compared to 70 percent in 1940.

CANNING is probably the most economical home preservation method. But many consumers prefer the convenience and quality of frozen foods.

THAT BLUEGRASS SOUND—[From left] Wes Nivins, Jerry Jansa [in rear], Curtis Snitker, Jimmy Ray Davis, Herb Mayfield and Johnny Dalton pause for a minute while playing for the crowd of almost 500 at the '76 July Jubilee Friday, hosted by the Sunnyside Community.

MH-MR talk slated

The Mental Health/Mental Retardation Center out of Plainview will hold a public hearing in the city hall meeting room tonight (Thursday) at 7:30 p.m., according to Ted Marino, director.

"SINCE over 90% of the center's funds come from tax dollars, we want to respond to what the public feels is needed," said Marino. "One way we measure our effectiveness is by public response."

Dimmitt and Castro County are in the area served by the Plainview center.

Results of a recent study by the Central Plains MH/MR Center at Plainview will be reviewed and comments invited from local residents.

'Swimathon' postponed

The Heart Fund swimathon originally scheduled for this Saturday will not be held until next Saturday because of the weather, according to Jerrold Welborn of the Castro County Heart Association unit.

The swimathon is to raise money for the Heart Fund through sponsors pledging a certain amount for every lap swum by the person they sponsor.

Then the group presented Boakgomo with a Castro County Commemorative Coin key chain and a necklace for his wife. After a tour of the Amstar plant, the group took Boakgomo on a shopping spree. Mahon addresses Lions Club

"We were supposed to go to Littlefield to have a talk about drought relief, but we didn't go because there was too much rain." US Representative George Mahon quipped to those present at the Dimmitt Noon Lions Club luncheon Tuesday. REP. MAHON'S talk centered mainly on thoughts of the future. He said that one of the greatest needs of the future in US government is to restore the people's faith and confidence in themselves, our nation and our institutions. He also remarked briefly on the future of agriculture and irrigation in the Panhandle area. District Judge John T. Boyd of Plainview was among guests at the lunch to hear the congressman's talk.

[Continued from Page 1] goods and services a long time ago. Times do change. Four years ago the Democratic party was fragmented into splinter groups and resembled very closely a flock of geese without a leader, while the Republicans were united behind one candidate. The opposite is true this election year. There has never been

any more harmony than has surfaced at the current Democratic Convention, everybody is in agreement, while the Republicans are in a party splitting contest with two equally popular candidates. This is being written Wednesday morning, but I still believe that Jimmy Carter has a good chance of being nominated by the Democratic Convention. The crystal ball is not quite so clear in showing the outcome of the Republican contest, but chances are it will be President Ford.

Neoma Brooks-Michael Wall married in garden setting

In a garden wedding July 10, Neoma Ruth Brooks and Michael M. Wall, both of Hart, pledged marriage vows in a morning ceremony at Plainview.

REV. CHARLES Teykl, pastor of the First Presbyterian Church of Plainview, read the wedding service at the home of Mr. and Mrs. Charles Couch as the bridal party stood before an arch twined with fresh foliage.

The bride is the daughter of Mr. and Mrs. Paul T. Brooks of Hart and the groom's parents are Mr. and Mrs. Guy P. Wall

of Hale Center. Miss Brooks' matron of honor was her sister, Sharon Shofner of Lamesa. Wendell Holloman attended Wall as best man.

TWO OF the groom's brothers, James Wall of Halfway and Sam Wall of Lubbock, were ushers with Thomas Brooks, brother of the bride, and Charles Bechtold of Plainview.

Guitar accompaniment by Glen Quebe was played as Tommy Sue Quebe sang "Wedding Song" and "Follow Me" as a prelude to the ceremony.

The couple walked to the improvised altar down a path lined with apricot mums and yellow daisies.

The bride's gown of unbleached cotton was in simple colonial style with softly gathered skirt and a fitted bodice that featured a tucked yoke and wedding band neckline which were outlined with Cluny lace.

FITTED sleeves flared below the elbow into a deep flounce with lace edging. Ruffled lace bordered the skirt hemline and edged a wide band of eyelet that was inserted at knee length. A sash of the fabric was tied in a bow at center back.

Her picture hat of natural straw woven in dogwood blossom design had a flared brim and a crown encircled by a band of illusion that formed a bouffant bow and streamers at the back. She carried a bouquet of garden flowers.

Traditional items were part of her costume. She wore her mother's pearl necklace and carried her maternal grandmother's silk handkerchief. In her right shoe were pennies dated with her birth year and the groom's. Her blue garter was made by her aunt, Mrs. B. C. Snell of Ackerly.

A PEASANT style frock of cotton voile in spring flower print was chosen by the matron of honor. The shirred bodice, with rounded neckline and full sleeves gathered at the wrist, was attached to a floor-length gathered skirt. A garden basket held the spring flowers she carried.

Following the ceremony was a reception at the Couch home. The tiered cake, topped with wedding bells, was decorated with daisies and apricot mums and set on a table centered with an arrangement of the same flowers.

Houseparty members were Mmes. Couch, James Wall, Bruce Conley, Dollie Jobe, Junior Traylor, Danny Miller and Thomas Brooks; also Michelle Wall, Ronda Brooks, Sheila Brooks, Michelle Couch, Robin Brooks, and Cindy Brooks.

MR. AND MRS. Wall left after the reception on a honeymoon trip to Santa Fe. She wore for travel an unbleached cotton pantsuit with wrap-around blouse.

After this weekend the couple will be at home in Hart where both are employees of the East Side Grain Co.

The bride, a graduate of Hart High School, attended Wayland College, Texas Tech, and received her BBA degree from West Texas State University. In college she was a member of Alpha Chi and Phi Gamma Nu. Other affiliations are with the American Medical Records Association and Texas Realtors.

At Texas Tech the groom was a member of Sigma Delta Chi. He completed high school studies at Hale Center.

Whitlow - Ramaekers vows said

The First Baptist Church of Happy was the scene of the ceremony which united in marriage Janis Marie Whitlow, daughter of Mr. and Mrs. Dale D. Whitlow of Happy, and Glenn Edward Ramaekers, son of Mr. and Mrs. Edward J. Ramaekers of Nazareth Saturday afternoon with Rev. Paul Heil, pastor of the First Baptist Church of Happy, officiating.

THE ALTAR area was decorated with Gothic window panels accented with three arch candelabra and decorated with greenery. Lining the bridal path were topiaries with arrangements of babybreath, white spider mums, peach carnations and daisies. The aisle candelabra were also decorated with small topiaries. A silver bowl of flowers adorned the table where Mrs. Bill Whitlow registered the guests.

Mrs. Clovis Vernon was the organist for the traditional marches. Barry Stevens of Canyon sang "Twelfth of Never" and "We've Only Just Begun." While the couple knelt at a profile bench, "The Lord's Prayer" was sung.

Given in marriage by her father, the bride wore silk organza and peau de soie lace designed with a Victorian bodice with sheer inset and high neckline. Sheer full sleeves

were attached to wide lace cuffs. Her full organza skirt fell to a hemline accented in Alencon lace, swept into back fullness and cascaded into a full chapel train. She wore a matching lace caplet with a fingertip veil of illusion.

The bridal bouquet was a cascade of sonja roses with stepanotis and babybreath.

For something old, the bride wore her mother's engagement ring. Something new was a white Bible, a gift from her aunt. She borrowed diamond earrings from her aunt, Mrs. Robert Lee, and a handkerchief her paternal grandmother carried at her wedding. She wore the traditional blue garter, a sixpence in her shoe and two pennies with the years of the couple's birth.

Maid of honor was Shelly Oxhandler of Fort Worth. She wore a floor length dress of tea rose nylon. She carried a nosegay of sonja roses, white daisies and babybreath. Her picture hat was decorated with matching flowers. Bridesmaids were Kim King of Nazareth; Connie Hand, Pam Andrews and Becky Stubblefield of Happy. All wore dresses and hats styled like the maid of honor's.

Best man was Rex Ramaekers of Nazareth, brother of the groom. Groomsmen were Gor-

don Wilhelm, Stanley Gerber, Bryan Finck and Larry Ramaekers, all of Nazareth. Ushers were Bill Whitlow, Jim Whitlow, brothers of the bride, and Calvin Kleman of Nazareth.

Ringbearer was Jason Whitlow, nephew of the bride. Flower girl was Marla Ramaekers, sister of the groom.

At the reception in fellowship hall, the bridal table was decorated with an arrangement of white spider mums, peach carnations, white daisies and babybreath. Serving the bride's cake was Shawn Walters of Happy. Punch was poured by Susan SoRelle of Wayside.

HOSTESSES for the reception were aunts of the bride, Mrs. Robert Lee of Happy, Mrs. Pat Cassels of Hereford, Mrs. Weldon Sims of Dumas. Following the reception at Happy, a reception was held in Nazareth, hosted by the groom's parents.

For the wedding trip to New Mexico, the bride traveled in an apricot pantsuit.

The bride is a 1975 graduate of Happy High School and attended Tarrant County Junior College of Fort Worth. The groom is a 1972 graduate of Nazareth High School. He farms near Dimmitt.

Dress revue winners ready for next contest

By IRENE KEATING

This week and next I'm on annual leave. I'm looking forward to doing a variety of things.

Today I'm in Lubbock along with Becky Hand and Dianne Hochstein at the district 4-H dress revue. They'll be modeling tonight at the new Lubbock regional airport.

MANY marriages take place in the summer and it is a major adjustment. Too often we forget that we're also forming a serious business partnership in marriage.

The first order of business should be a joint decision about goals. This, preferably, before the marriage takes place. Aside from necessities, what will you use your money for? A house? A trip? Another college degree?

If you agree about these things, move on to the next step: who is going to handle what? Paying the bills and keeping the records are a necessary part of the business, and many marriage partners feel happiest sharing these responsibilities.

These two things taken care of, you are set for the nitty-gritty of budget, records, bank accounts, savings and credit.

BUDGET: To set up a budget you need to estimate your income for a year and establish a spending pattern over a period of say two months by jotting down literally everything you spend. Group your spending into categories such as food, rent, transportation, medical, recreation, savings. The pattern will tell you how much you need in each category and where you can cut back under a budget.

RECORDS: You will need records for taxes, insurance policies, and problems that might arise after a purchase. One good system for maintenance is simply to keep the various categories in large labeled envelopes, although the more important documents should go into a safe deposit box in your bank.

BANK ACCOUNTS: Will

your bank accounts be joint or separate? Though joint accounts offer a nice psychological "unity" and escape probate upon the death of one partner, they do present problems of communication. And at death, they can be sealed from your spouse until a review has been made by tax agents.

SAVINGS: How will you save? One good way is to "bill yourself" each month in a mandatory fashion and deposit five to seven percent of your pay check as soon as it arrives. Setting aside one month's pay or more for emergencies is a good plan, too.

CREDIT: Credit needs to be established and can be accomplished by paying your bills on time, maintaining a stable work record, and building a relationship with a bank. Using the same bank for your accounts and loans is sensible.

FASHION MODELS at the 4-H Dress Revue included these two winners, Elaine Acker, wearing a two-piece-look dress with a flared skirt, raglan sleeves and back zipper, and Becky Hand, wearing a floor length formal gathered in front below a V-neckline. Miss Acker of Nazareth 4-H Club placed first in the senior division and Miss Hand of Bethel placed second.

RED, WHITE, AND BLUE were a part of the decorations as well as the clothes at the County 4-H Dress Revue. Dianne Hochstein of Nazareth placed first in the junior division showing her pantsuit made of blue denim-look cotton polyester with lace trim and a blue plaid coordinating blouse. Second place junior was Annette Hoelting, also of Nazareth, wearing a red, white and blue checked top with back zipper and coordinating red shorts.

Elaine Acker and Becky Hand win among seniors in 4-H Dress Revue

Elaine Acker of Nazareth 4-H Club placed first in the annual County 4-H Dress Revue last Thursday but will be unable to go to the district contest this week so Becky Hand of Bethel Club, the runnerup, will represent Castro County.

DIFFERENCE in the two girls' scores was only a half-point. Miss Acker modeled a green and white summer dress with checked skirt and solid green top and a white scarf tied on the shoulder.

Miss Hand's contest entry was a formal dress of coral nylon, its shimmering surface emphasized with waistline gathers.

Dianne Hochstein took first place for juniors and Annette Hoelting second. Both are Nazareth 4-H'ers. The junior winner goes to the district contest to model her costume, but does not vie for places. Senior winners go to a state contest.

LUBBOCK'S new airport will be the site of the district contest today (Thursday).

In addition to the winners, Carol Hochstein, Mary Jeanne Hochstein and Margie Wilhelm, all of the Nazareth club, were entered as seniors.

A blue ribbon was awarded to Edith Durbin of Nazareth, red ribbons to Kylene Behrends and Tammy Behrends of the Happy Helpers 4-H Club and Dorothy Ann Durbin of Nazareth.

Other juniors were Rhonda Heath and Deanna Merritt of Dimmitt, Mary Jean Huseman, Leona Kleman and Dianne Schulte of Nazareth.

The revue was judged by Estella Hotel, Connie Wade and Teresa Eckert. Prizes for the contest were given by Harman's, Cobb's, C. R. Anthony Store and Parsons Drug.

Reta Welch was narrator of the fashion parade at a salad luncheon in the courthouse, where each girl modeled the costume she had planned and made. They were judged there, and the garments had previously been judged for construction.

Theme for the style show was "Bicentennial Fashions" and decorations were in red, white and blue.

A BUNCH OF RADICALS is the description given of the signers of the Declaration of Independence in a humorous skit presented by [from left] Brenda Campbell, Rita Upton,

and Karen Williamson, all from Hart. The skit was part of the program at the Castro County '76 July Jubilee Friday at Sunnyside.

Dates fixed for Kiwanis club events

An average of 1,777 people were served last year in this county area by the Mental Health/Mental Retardation Center out of Plainview, according to Ted Marino, director of the center.

MARINO presented a program about the center to the Kiwanis club at their regular meeting Monday.

At the meeting it was announced that a profit of about \$2,450 was made on the Kiwanis fireworks sales. Also, the

installation banquet was set for Oct. 4.

July 27 has been set as the date for a family picnic. On

July 30 a golf and tennis tournament will be held in Hereford, also followed by a family picnic.

Nazareth sets softball meet

A slow-pitch softball tournament for both men's and women's teams will be held at Nazareth the first week in August, sponsored by the Community Center there. Proceeds will be used for improvements at the center, where the games will be played.

THE FIRST 10 teams to enter each division will be accepted, according to Gene Schmucker, entry chairman. The fee will be \$20 a team. Any team wishing to participate in the tourney is invited to notify Schmucker at 945-2678.

Over 400 registered for the '76 July Jubilee on Running Water Draw Friday night, and there was no way to register all who attended. Those registering when the gate was opened were given a paper sack to put over their hand, and asked to get as many autographs on it as possible. Mrs. Alton Loudder won a plaque for the most names, which was 155.

Games and visiting started at 6. The Dimmitt 4-H Club showed their horses and gave demonstrations on how they perform in the horse shows. B. M. Nelson, George Sides and Gale Sadler were emcees for the program.

A Bicentennial skit by Karen Williamson and other Hart women opened the program, followed by the pledge of allegiance and a patriotic speech by Jo Eddie Riley. Music was provided by Herb Mayfield, Curtis Snitker, Jimmy Ray Davis, Jerry Jansa and Wes Nivens.

Square Dance Clubs from Dimmitt, Nazareth and Hart performed several times. Nell Kelley led all who would to participate in several minutes of Hokey Pokey to limber up and warm up. The '76ers Bicentennial choir, under the direction of Jim Massey, sang four songs and he also led the audience in two songs.

Facts from various communities were given at various times during the program. Rachel Hunter gave the Jumbo facts, Percy Hart the facts about Hart, Carolyn Sides gave Frio facts, Raymond Jones Sunnyside facts; Diane Hatla, Flagg, Carolyn Sides, Dimmitt, Carolyn Sides, Bethel and Jackie McLeroy, Mulkey facts. Gale Sadler, president of the community club, was general chairman of the Jubilee, Carolyn Watts, Festival Chairman of the Bicentennial Committee. Edd McLeroy served as entertainment chairman, Ewell Kelley activities chairman, Gertrude Waggoner refreshment chairman, Francis Duke publicity chairman.

Judith Graham had charge of the first aid station, the Sunnyside Lions had charge of the preparation of the grounds, Carl Bradley clean up operations, Jones Spraying Service mosquito control, Behrends Insurance Agency liability coverage, Castro County News and KDHN advertising.

Boys Ranch and Calvin Lipard furnished the location. Ricky Byers and Carl Bradley had water wagons standing by in case of fire.

The grass was very green, the location beautiful, and the weather perfect for those who brought blankets. A little cold for others. The full moon helped.

The horse-drawn surrey across the draw before sunset trying to find a crossing was a reminder of what it must have been like "in the good old days." It didn't find a crossing and had to go back and come down the road to get to the campsite. Mr. and Mrs. Oscar Wylie and Mrs. and Mrs. Jim Elder were the occupants of the surrey, which added a lot to the Jubilee.

REV. AND MRS. Raymond Jones and Wade, Mr. and Mrs. Milburn Haydon, Mrs. Alton Loudder, Susan Sadler, Roy Phelan, Tammy, Rhonda and Chanin Ross formed a work crew to pick up onions donated by John and Noah Spencer. SECOND PLACE TROPHY—Manager Roy Sparks is shown holding the trophy that the Babe Ruth All-Stars won at the 14-15 year old tournament Friday night at Plainview. Sparks, along with Coaches David Schaeffer and Keith Goldsmith, took this year's team farther than any team in Dimmitt's Babe Ruth history, losing to Plainview in the finals by the score of 17-0.

Bonnie Garcia of Plainview hurled a no-hitter at the locals but Dimmitt eliminated Littlefield, Olton and Muleshoe on the way to the championship game. Tournament Director Harrell Weatherred is shown presenting individual trophies to the Dimmitt All-Stars.

BR All-Stars second in tournament

Making a strong comeback after losing their first game in Junior Babe Ruth tournament play at Plainview, Dimmitt's 14-15 year old boys battled to the finals only to go down to the host team, tourney favorites, 17-0 Friday night in the double-elimination event.

ONLY ONE hit was garnered by Dimmitt from Plainview pitchers. Javier Arce took the loss for the local team.

"The boys just couldn't get started," said Roy Sparks, manager. "They were plain scared of Plainview, which swept through its earlier games and completely dominated the tourney."

In a hairline contest, Dimmitt lost its opening game July 5 by a 19-20 score to Olton, then came back Wednesday night for a decisive 10-3 victory over the same team after beating Littlefield Tuesday. A tight game with Muleshoe Thursday went to Dimmitt 17-16.

ARCE, who pitched until the

last out, was credited with the Wednesday win and Neal Wilhelm got the save. Arce also started the Monday game, was relieved by Kimbell McRee in the sixth and Elias Perez finished the game.

Dimmitt hitters sprinkled scores through every inning of the Littlefield contest for a 13-11 victory. Henry Ogas was the winning pitcher and Dennis Veals shared mound chores. Johnny Merritt hit four for four and Don Ewing three for four.

The real thriller of the week was the Muleshoe game. Dimmitt was down 15-1 in the third inning, then bats were limbered up and 12 runs slammed in. Local hitters kept picking away through the remaining innings to gain the one-score edge.

VEALS hit an inside-the-park homer and went three for four, as did McRee and Gary Malone. Ogas, who replaced Veals on the mound in the third, was the winning pitcher.

Other all-stars picked from Dimmitt teams to play in the tourney were Randy Lunsford, Doyle Williams, Neal Wilhelm, Gus Ortiz, Jeff Schmucker. Alternates were Danny Sparks and Ricky Dimas.

David Schaeffer and Keith Goldsmith coached the team.

Named as alternates are Jesse Gariboldi and Rafael Enriquez.

Teams are entered in the double elimination tournament from Muleshoe, Littlefield, Dimmitt, Plainview and Olton.

Baseball all-stars set for weekend tournament

Dimmitt's 13-year-old Babe Ruth All-Stars drew a bye in the first round of the regional tournament at Muleshoe Tuesday, and were scheduled to meet the winner of the Olton-Plainview game Wednesday night, barring rain.

MANAGER Gordon Wilhelm and Coaches J. R. Mixson and Stanley Gerber are guiding the team which was picked from players at Dimmitt and Nazareth.

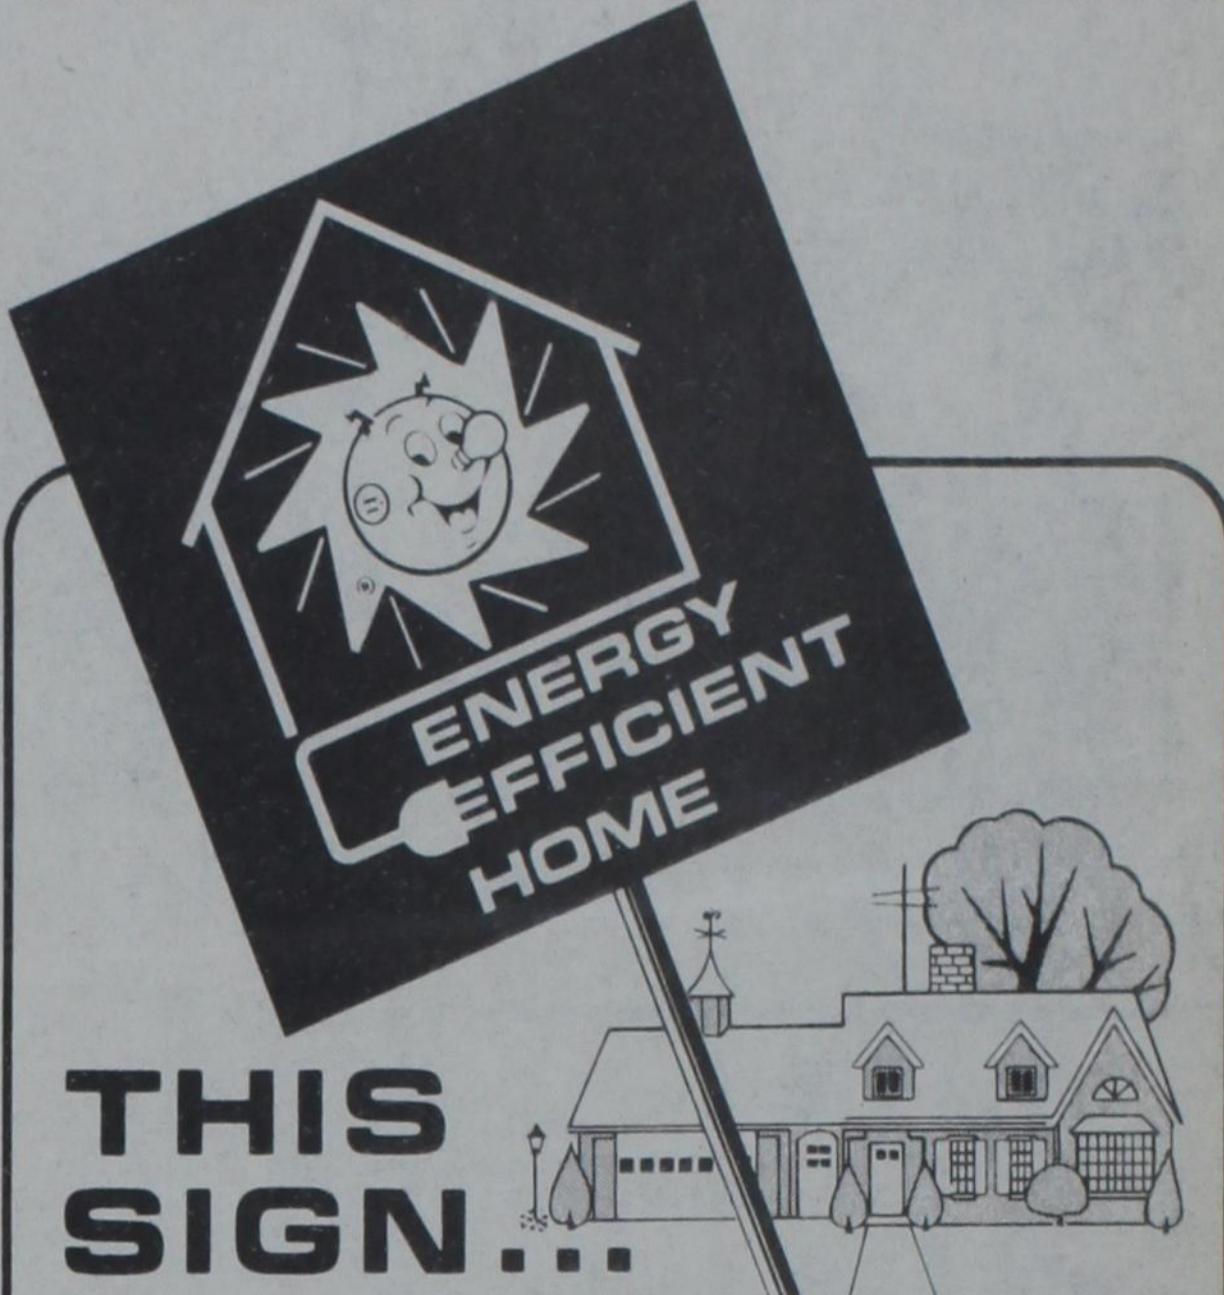

Team members are Jerry Ogas, Bobby Crozier, Robin

Increase corn grain yields up to 10% with SPARK.™

Your Helena dealer has an exciting new way to help you increase corn yields up to 10%! SPARK GROWTH STIMULANT for corn, a combination of dinoseb plus surfactant, used as an over-all post-emergence spray on corn has the UNIVERSITY PROVEN POTENTIAL OF INCREASING GRAIN PRODUCTION BY 5% — 10%. Here is how SPARK helps promote bigger yields: -Enhances corn growth -Silks emerge about 2 days sooner -Tassels emerge about 2 days sooner. This means a longer pollination period and a tendency to get away from corn that does not fill all the way out to the end. Enhanced growth, longer pollination, fewer barren stalks, more complete ear-filling. They all add up to big potential production increases and profit.

...AND PROVEN IN THE FIELD. Farmers who have tried SPARK say: "I'll never plant another acre without SPARK." Ralph Russell-Michigan. "I got 8 bushels per acre increase...didn't have as many barren stalks, ears were filled out better." Everett Curtner, farmer and bank president, Union City, Indiana. "We returned \$19 per acre on a \$5 investment...at least a 7-bushel increase. SPARK could mean the difference between a new piece of machinery this year and next year. I'll spray ALL my corn in 1976." Otto Werner, Hanna, Indiana. TIMING... IT'S ESSENTIAL: The most important factor in SPARK application is timing. Look to apply SPARK when corn is in the 6-leaf stage, about 2-4 weeks before tassel emergence when corn is about knee-high. Get into the field, split some stalks, and find the unemerged tassel in length. The best time to apply is when the unemerged tassel elongates from 2" to about 7" in length. SPARK, PRODUCED WITH THE HELENA GUARANTEE OF QUALITY. Every can of SPARK is lab-tested for consistency and produced under the most careful quality control. When you buy SPARK, you buy the best. Ask your Helena dealer about SPARK, the corn growth stimulant that is leading the way to bigger yields and bigger profits for you.

For more information, contact Helena Chemical Company, South 385, Hereford, Texas. Phone 364-3733. Spark has been registered for use in Texas, Kansas, Nebraska and Oklahoma.

SUN-OF-A-GUN STEW was served up for those brave enough to try it by Edd and Jackie McLeroy of Dimmitt. The Dimmitt Meat Company provided it for the '76 July Jubilee at Sunnyside Friday.

Art displayed for Auxiliary

A guest, Dorothy Mayfield, gave the program for the Volunteer Firemen's Ladies Auxiliary at its monthly meeting Monday for a salad supper at the fire station.

INTRODUCED by the auxiliary president, Rhonda Powers, Mrs. Mayfield showed a

display of tole painting, antiquing and other forms of art as she discussed the various painting techniques. The program was arranged by Thelma Smith.

Other guests present with 10 members were Florene Leinen and Davene Wall.

CofC to confer on several projects

A park for Northwest Dimmitt will be proposed to the Dimmitt City Commission Monday night by a delegation from the United Lions Club and the Dimmitt Chamber of Commerce.

TWO MEMBERS of the United Lions met with the Chamber of Commerce board at its July session last Thursday morning to discuss the proposal. A club committee, with representatives of the Chamber committee on parks and recreation which is headed by Robert Ryan, were delegated to present it to the commissioners.

Another Chamber group, from the housing committee which has Bill Behrends as chairman, planned at the board meeting to confer soon with a group of Senior Citizens to review the possibility of building houses for older residents, with a rent scale based on income.

Approval was given for appointment of a 10-member education committee to meet with Texas State Technical Institute personnel from Amarillo to plan adult education courses taught by TSTI instructors in Dimmitt this fall.

THE GROUP will discuss courses need in Dimmitt in the various fields offered by TSTI. Both credit and non-credit classes open to adults as well as student-age residents are a possibility, Chamber Manager Elvon DeVaney said.

Need for improvements on US Highway 385 south of Dimmitt to the Castro County line has been discussed with the district engineer of the Texas Highway Department, the transportation committee reported.

No plans for immediate work are scheduled, the Dimmitt group was informed, as the department is short of funds. The board decided to contact state officials and representatives of other cities along the highway to see if improvements may be made soon.

A fall seminar conducted by the Small Business Administration was planned, with arrangements similar to the recent seminar on hot check laws and methods of avoiding losses on bad checks.

THE PROPOSED program would include an hour of discussion on energy conservation in homes and businesses and another hour concerning the "truth in lending" law and other phases of retail credit. The seminar would be planned to meet needs of Castro County businessmen.

An invitation was sent to the Texas Air Tour Association to schedule Dimmitt for a visit on a tour soon. This association is based in South Texas and its members make periodic flights. One of their visits was to Dim-

mitt about eight years ago, DeVaney said.

Commentation was voted to the Bicentennial Committee headed by Linda Maxwell, for the Independence Day celebrations July 3 and 4. Jerry Marvin gave the board an all-over report of the activities.

DeVANEY reported on the sale of tickets to the musical "Texas" which is being staged on week nights this summer in Palo Duro Park. He said residents who wish to reserve tickets should do so early, as sold-out performances are occurring

frequently. Chamber members plan to show farms and industries here to a party of visitors from Korea who will be in Dimmitt July 15-19 to conduct services at the First Baptist Church.

Looking toward future activities, Bill Clark was appointed chairman for the annual farm tour to be held in late summer and Doug Lapins chairman of arrangements for the Chamber banquet next January.
