The Fire.

What threatened to be a very serious fire and destroy the whole of Portales was stopped by the hard and persistent work of her citizens, who deserve the hearty congratulations and thanks of all the business men.

The fire started about 7:30 o'clock Friday night in the flue in the kitchen of the Vendome Hotel about an hour after supper was over and rapidly spread over the building and threatened the frame building of Newson's across the street. This was where the hard fight was to check the fire. The fire spread and caught the old frame building formerly occupied by the Oklahoma Restaurant, but then vacant, and burned soon to the ground, and the real-estate building of Nicols & Looper next door was destroyed, here the fire was checked owing to an alley between Lovely & Williams furniture store and the burning building, but not before breaking all the glass in it and catching it a fire a few times.

Following is the building destroyed: The Vendome Hotel, total loss, valued at \$12,000 with only \$5,000 insurance. Nicols & Looper, loss of building, insurance \$10,000. Restaurant Building, \$10,000.

Cash and Exchange..... 115,000.00

We do not owe a dollar of borrowed money. This shows confidence in our stability as well as a very prosperous condition of the Bank.

We thank our friends for their patronage in the years gone by and if we merit it we hope to make the New Year

Eagle Saloon.

Mr. G. C. Johnson, better known as "Shorty" has bought the Eagle Saloon from Mr. H. M. Ford, and will run the business at the same old stand. Mr. Johnson was the founder of the Eagle Saloon, but sold same last year to Mr. Ford. Shorty is an up-to-now saloon man and caters to the wishes of his customers one and all, and knows how to please them. He will handle nothing but the best goods, pure and unadulterated. Try him when in need of something good for your homes and for medical purposes he will guarantee to give you the pure stuff. Shorty says he expects to sell you whiskeys, wines and beer at the same price he always did, and he means what he says. He will sell you beer at 15 cents per bottle, don't expect any more and don't want any more. Mr. Johnson has been a resident of Portales for several years, is well known to her people, and to the people of Roosevelt county as an honorable and upright gentleman and in any business he may choose to follow will deport himself as a good and law abiding citizen. He asks for a share of your trade and if fair treatment and honest dealing is what you want trade at the Eagle Saloon where you will get both. Remember beer at only 15 cents a bottle, at the Eagle Saloon.

If you want your Sunday drinks buy them on Saturday, as Mr. Johnson expects to live up to the letter of the law, and no one can get anything from him on Sunday. He says he can't make a living lawfully he will pull up and go where they have no laws.

It will be a mistake and a great mistake, if you make a mistake and miss "All a Mistake" Wednesday night January 27.

KROMELK is the wonderful new sole leather that outwears 100 pairs of ordinary soles.

KROMELK is so far superior to ordinary leather that there is absolutely no comparison.

Not only does KROMELK give double service but it is practically heatproof and waterproof—is lighter in weight and more flexible than common sole leather.

Years of constant and concentrated effort were spent by ENDICOTT-JOHNSON CO. in perfecting the tanning process of KROMELK. It is the greatest achievement of the century in the shoe and leather industry.

Yet, with all these remarkable qualities, KROMELK is as soft and pliable as more than the other kind.

We have them in all grades for Men and Boys.

County Division.

Last Monday morning a telegram was received from Hon Wm McBee Councilman from this district stating that a move was on foot to divide Roosevelt county, and that our people had better get a move on themselves, as Curry and the republican bosses were in favor of same.

At 10 o'clock a. m. the citizens of Portales met at the court house. The meeting was organized by electing Mr. A. B. Seay Chairman, who explained the object of the meeting.

On motion of Judge Jones a committee of three, composed of Messrs. W. E. Lindsey, J. R. Morrison and C. V. Harris was appointed to go to Santa Fe and look after the interest of Roosevelt county. A second committee composed of Messrs. H. Jones, T. C. Hart and B. J. Rogan was appointed to raise funds to pay the expenses of the Santa Fe committee and act in conjunction with them at this end of the line.

The people of Portales are opposed to the division of Roosevelt county at this time and the people of the county as a whole are opposed to any division.

The Committee left Tuesday for Santa Fe and will stay there as long as their services are needed.
