## Seven Years.

We are approaching the 7th milestone of our existence as a Bank in Portales.

1902

Is the year of our birth and we can truthfully say "We have grown up with the Country" thus far. Since our organization we have paid dividends to stockholders every six months and have built up a business second to none in Eastern New Mexico.

At this time our Capital, Surplus and Undivided profits

|                   |              |
|-------------------|--------------|
| Capital           | \$ 70,000.00 |
| Deposits          | 225,000.00   |
| Cash and Exchange | 115,000.00   |

We do not owe a dollar of borrowed money. This shows confidence in our stability as well as a very prosperous condition of the Bank.

We thank our friends for their patronage in the years gone by and if we merit it we hope to make the New Year

1909

the best in our history—in the meantime we wish to aid our customers towards making it the best for them. Remember we CAN and WILL handle your business, be it large or small, if you will permit us.

It is predicted that the statehood bill will pass the House this week, and that the chances are good for it to pass the Senate. May this prophecy prove true.

Came Near Choking to Death.

A little boy, the son of Chris D. Peterson, a well known resident of the village of Jacksonville, Iowa, had a sudden and violent attack of croup. Much thick stinky phlegm came up after giving Chamberlain's Cough Remedy. Mr. Peterson says: "I think he would have choked to death had we not given him this remedy." For sale by Pearce & Dobbs.

playmate, "you don't know what we had for dinner to-day, we had a turkey," the other little said, "Oh, that's nothing" we had the Minister.

"ALFALFA QUEEN."

"Brackett" will give a cash premium for the one making the highest score on the bust at his pool hall, this week. That means the one getting the biggest count on the bust in rotation pool will receive a cash prize, don't forget the place "Bracketts" next door to Crosby's barber shop.

Mrs. Mead Swift and child of Clovis is visiting her husband in Portales this week.

J. P. Dean of Crandall, Texas brother of R. A. Dean has been visiting in Portales the past few days, also while here auditing the book of Blankenship & Woodcock left Monday for his home.

## Farm for Sale.

160 acres of Deeded Land one mile East of Portales, New Mexico, Southwest 1-4 Section 30, Township 1, Range 35, all fenced good well of water, 40 acres in cultivation, and a good house. Can't be beat for a fine farm, \$20.00 per acre. For further information address Eli Sanborn Hewins, Kansas, or the Herald, Portales, New Mexico.

A Sprained Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time as by applying Chamberlain's Liniment as directed, a cure may as a rule be effected in less than one week's time, and in many cases within three days. Sold by Pearce & Dobbs.

He will be succeeded by Paul Walter, who for several years has been associated with Mr. Frost in the editorial management of the Santa Fe New Mexican.

County Seat Wanted.

Any old town that has a county seat for sale or trade would do well to write to Clovis, New Mexico. She wants one, and wants one bad, and has the cash to pay for same. Apply at once and you can get a bargain.

The man that tells you times are too close to spend money on advertising is the man who will never know anything but bad times and dull sales. He is a weak number.

Are the people of Roosevelt county willing to have their names doubted in order to have Clovis a county seat? Well, we guess not.

The man who advertises locally may advertise in your town, and the man who advertises in the Herald may advertise in your town.

One good county is worth two bankrupt counties. Let Roosevelt county alone.
