JOSEPH BERT SMILEY'S MOST FAMOUS POEM.

How the Saint and the Sinner Went Hand in Hand to the Portals of the City of Peace, and the Welcome Accorded Them.

Joseph Bert Smiley, author of "St. Peter at the Gate," is dead. He was found dying in the woods near Kendallville, Ind., with a bullet hole in his

temple. His poem brought him a national reputation. It is given below:

The Outward Church. An Ideal Woman's Medicine. Not long since a village church called a pastor and said to him, "We want

you to come and preach, not only for us, but also to evangelize this end of the county. You can go and hold meetings whenever you please, and we will go with you." Four churches in a growing city have said to their pastors, "We invite you to go out and do evangelistic work whenever you de-sire." That has the right kind of ring. It portends a new era that is dawning upon our churches. They are getting the right conception of their duty and mission. The church is facing outward. A number of young men who secured appointments in the army under the stress of the Spanish war are now discovering that all is not gold that glitters. Influence helped to secure their appointment at a time when men were needed badly, and they were transferred into the enlarged permanent force. In the treatment of torturing, disfiguring, itching, scaly, crustell, pimply, blotchy and scrofulous humours of the. skin, scalp and blood, with loss of hair, Cuticura Soap, Ointment and Pills have been wonderfully successful. Even the most obstinate of constitutional humours, such as had blood, scrofula, inherited and contagious humours, with loss of hair, grandular swellings, ulcer-ous patches in the throat and mouth, sore eyes, copper-coloured blotches. as well as boils, carbuncles, scurvy, sties, ulcers and sores arising from an im-pure or impoverished condition of the blood, yield to the Cuticura Treatment, when all other remedies fail.

And greater still, if possible, is the wonderful record of cures of torturing, disfiguring humours among infants and children. The suffering which Cuticura Remedies have alleviated among the young, and the comfort they have afforded worn-out and worried parents. have led to their adoption in countless homes as priceless curatives for the skin and blood. Infantile and birth humours, milk crust, scalled head, eczema, rashes and every form of itching, scaly, pimply skin and scalp humours, with loss of hair, of infancy and childhood, are speedily, permanently and economically cured when all other remedies suitable for children, and even the best physicians, fail.
