NARROW ESCAPE FROM DEATH,

Once When Senator Warner's Daning Led Him Into Serious Danger. Back in the early '70s Senator Wa ner's daring led him into an adventure, says the Kansas City Times, that nearly cut short his career then and there, according to George C. Hale, Yankee of European monarchs." He ex-chief of the fire department.

"Warner was mayor of Kansas City then," said Hale, "and the city office occupied the upper floors of a building on Missouri avenue. The city's fire engine house was on the first floor of the same building. The department had just become the owner of kind of popularity, and it has been a new Babcock extinguisher when a said that should Belgium proclaim a fire broke out one night in a frame republic, Leopold would easily be electbuilding at Missouri avenue and Delaware street. "We made the run to the fire, tak-

In a few days Mayor Warner volunteered to see what effect the new-fangled apparatus would have on the flames. He strappeople have a synagogue in which they ped the Babcock on his back and climbed a ladder to the roof of the building and was soon near the fiercest of the flames. Suddenly there was two months I wasn't a bit better, and at a burst of smoke and flame and the crowd gave a shout as Mayor Warner was seen to stagger backward and dress. Otherewise they are little difthen disappear from view. A second later we heard his body strike the hold high offices in the land at times ground and we rushed in the direction of the crash, expecting to find him dead. We found him lying on the edge of a cistern, where he had struck after a straight drop of twenty feet. To our surprise, and also his too, I guess, he was unhurt, but the Babcock, on which he had struck, was goes away best satisfied when he is mpletely ruined."

Sam Had No Idea of Settling Down Permanently With Ghost.

well known local character is Sam Wellington, a colored man, known as the "duke." The duke is a fine cook, and often accompanies camping parties.

Last fall a party of young men Sam was with decided to scare him with an apparition. Leaving the tent in his charge one night, on a preense of going to the village, one of the party quietly returned enveloped from head to foot in a sheet with face a formal shaking of the vial. well covered with flour. He took his stand in the doorway. Suddenly Sam looked up, and, emitting one horrible yell, dove through the rear of the tent and went down the road at a terrific pace. The ghost pursued.

After about a mile of running the duke was ready to drop, and sat down on a log, perspiring freely. The ghost came up and sat down on the same log, puffing and blowing.

Absolute quiet reigned for a minute, and then the ghost remarked in a dignified voice: "We went some, didn't

camps and on Indian war campaigns. Very early his tastes inclined to poetry, and his first book was a thin volume printed for distribution amongst his friends. This was called 'Specimen" and was printed in Portland. His second book, also published in Portland, was called "Joaquin et al.," the chief poem dealing with the life of Joaquin Murietta, a noted Mexican bandit of the period, who had terroized California. Miller's readers dubbed him "Joaquin" in derision, and he adopted the name as his own. His parents had named him Cincinnatus Reine Miller.

When he was about 28 years of age Miller went to London, where he published several books of verse, including his famous "Songs of the Sierras" and his "Songs of the Sunlands." His poems were received with high praise by the English critics and he became famous at once. For many years Miller has liv-
